FOOTBALL MEN LUNCH GUESTS

Kiwanis Club Honors Squad As Climax To A Successful Season On Gridiron

The members of the Tahoka high school football squad and their mascot, James Applegate, together with Coach Weir Washam, assistant coach V. A. Dean and superintendent J. B. Pace, were the guests of the Kiwanis Club at its luncheon Wednesday.

Superintendent Pace and Messrs. Washam and Dean each made excellent talks concerning the work of the Tahoka team this year. All had strong words of praise for the fine work the boys have done this year as well as for the sportsmanship and high character of the individual members of the team. Mr. Pace was especially emphatic in declaring the boys to be the cleanest and most praise-worthy set of football players he had ever known. Not one of them had been guilty of a dishonorable act nor even of profanity on the grounds, Mr. Pace asserted.

At the request of W. S. Anglin, who had charge of the program for the day, Dr. C. B. Townes responded on behalf of the Kiwanis Club, and his address was characteristically humorous and snappy.

Two vocal selections were rendered by Misses Skip Taylor and Bryan Hull with Miss Evelyn Wells at the piano.

Visitors At Baptist Church Sunday Eve

Added interest will be given the service at the First Baptist Church Sunday evening on account of two visitors who will have a part on the evening program. Miss O'Bea Forrester who teaches in Slaton schools, will give a reading and Miss Head of the same schools will play a violin solo. Both these young ladies are accomplished. Miss Forrester in expression and Miss Head in music.

Sunday School at 9:45 A. M. Classes for all ages. Efficient teachers over every class. Organized classes for men and women.

Preaching hours 11:00 A. M. and 7:15 P. M. Gospel preaching and worshipful singing at both services. Special music furnished by a choir and musicians who make preparation. Visitors receive a cordial welcome.

MRS. COWAN IS HOST TO T. E. L. CLASS WEDNESDAY

The T. E. L. Class of the Baptist Church had their monthly social meeting Wednesday in the home of Mrs. W. C. Cowan. They spent much of the day piecing quilts and chatting, enjoying a splendid luncheon at the noon hour. Members of the class present were: Mrs. M. C. Sherrod, Mrs. A. B. Seroyer, Mrs. E. N. Weathers, Mrs. Claude Barnes, Mrs. S. R. Kemp, Mrs. W. F. Humphries, and the hostess, Mrs. W. C. Cowan. Visitors included Mrs. Taylor White, Mrs. H. P. Caveness, Mrs. J. K. Applegate, Mrs. T. H. Speight, Mrs. G. G. Shaffer, Mrs. George Short, and Mrs. G. E. Lockhart of Lubbock.

Two Cars Wrecked; Girl Is Injured

Quite a serious accident occurred about 8 o'clock Wednesday night at the intersection of Sweet and Lockwood streets at the Tahoka Bakery corner when a Chevrolet car driven by Cecil Anderson struck a Ford driven by Miss Elsie Wooley. Miss Mary Sue Clinton, who was in the Ford, received injuries to the back and side, the extent of which are not yet known, but she is in bed unable to walk. Paul Miller, Jr. was also in this car and received slight injuries. The Chevrolet car was full of young people, boys and girls, but none of them was injured. The car, however, was almost utterly demolished. The Ford car was also badly damaged.

Tahoka Man Injured In Truck Accident

L. U. Belt a citizen of Tahoka and Lynn county for a number of years, was seriously injured on Thursday of last week when his truck turned over on the highway twelve miles north of Perryton in the North Panhandle. One hip was broken and other bruises received. He was taken to Borger for treatment and word received from that place this week indicated that he would probably never be able to walk as a result of the injury. He was employed by the Sheehan Pipeline Company. His family moved to Borger Wednesday.

LYNN WINS IN BOUNDARY SUIT

But Loses Strip In Northwest Section To Lubbock County As Trial Result

County Judge G. C. Grider and Hon. Tom Garrard of the firm of Lockhart and Garrard of Lubbock, representing Lynn county in the boundary suit which has been pending in the courts for the past two or three years, spent Tuesday in Abilene in an effort to induce the Court to revise the judgment recently rendered in this case.

According to the decree recently entered by Judge Chapman at Abilene, Lynn County wins its contention as to the boundary between Lynn and Garza counties but loses some territory to Lubbock county on the north. The territory lost is about half a mile wide at the western line of Lynn county and converges into a point in the northeast corner of the county.

Garza county, we understand, will appeal from the judgment of the court and Lynn county will probably appeal also.

Methodist Pastor Appreciates Response

We had a large, responsive audience last Sunday at both preaching hours and also a full Sunday School. We certainly appreciate these fine young people and the fine spirit they manifest in the upbuilding of Christ's Kingdom.

We sincerely hope there will not be a man, woman, boy or girl who should be in our Sunday School or preaching services, who are not now attending without a special invitation. Will you help?

Service is the rent we pay for the space we occupy while on earth. Real happiness is costly, but what fearful prices we pay for its imitation!

You are specially invited to all our services. Good music by orchestra and choir. Come and worship with us; you will like it.

Two Filling Stations Have Changed Hands

A. C. Weaver, who has had the filling station one mile south of the square leased, sold out last week to O. C. Pate, and has bought John N. Thomas's lease on the Phillips Station just across from Piggly Wiggly. The station, formerly known as the "66" Service Station, will be known as the Weaver Service Station.

The Texas Fur Company has built up quite an industry at Plainview and are expanding their operations over the South Plains. His exhibits attracted quite a bit of attention here. Buck Barnes will be the local representative.

Mrs. Jennie Gray, Grassland, Dead

Funeral services were conducted in the Church of Christ at Grassland Saturday afternoon for Mrs. Jennie Gray, wife of J. H. Gray residing one mile north of Central Church, following her death at 12:15 o'clock Friday. Rev. Glenn L. Wallace of Post conducted the services. The remains were interred in the Grassland Cemetery.

Mrs. Gray had been in bad health for many months but the immediate cause of her death was pneumonia contracted about two weeks prior to her death.

Mrs. Gray was born on January 2, 1858, and was therefore almost 73 years of age. She was married to J. H. Gray on December 23, 1880, and she and her companion had therefore been walking and working together more than fifty years. They had lived in Lynn county for 15 years. Her departure leaves him very lonely indeed.

Mrs. Gray was a most devout Christian mother, having served her God, her church, and her family most devotedly all of these years. Besides her husband, she leaves several children surviving to mourn her demise. The bereft family have the deepest sympathy of the neighbors and friends and especially of those who have suffered a like bereavement.

JUSTICE COURT HAS BUSY SESSION HERE THIS WEEK

Two or three civil suits were tried in the justice court here Monday and Tuesday, and Judge Rogers (Uncle Ben) has been quite busy.

Two pleas of guilty to cold-checking were also entered and four other such cases are pending.

Methodist Women Meet In Tahoka

About seventy five local members and visitors attended a meeting of Zone No. 6 of the Lubbock district of the W. M. S. of the Methodist Church held here Wednesday. A most interesting program was rendered and the local W. M. S. served a lunch in the church hall at the noon hour.

The program opened with a devotional service led by Rev. J. W. Shepherd, prayer by Rev. Hester of Draw. Mrs. W. B. Slaton gave the welcome address; response by Mrs. Sam Smith of Lamesa.

"Christian Social Relation" was the subject of a discussion given by Mrs. R. J. W. Fenton; and a reading, "The Last Word" was given by Mrs. Phillip Yonge of Lamesa.

A vocal solo, "No Night There," was rendered by Clifton Janak, with Mrs. Rubie D. Suddarth at the piano and another, "Alone," was given by Miss Lucille Slaton accompanied by Mrs. C. M. Stewart at the piano.

The afternoon devotional was conducted by Mrs. Cook of Draw, and Mrs. Lemond of Draw led the prayer.

"Study" was given by Mrs. Bickley, wife of the Presiding Elder, of Lubbock; and "The Standard of Excellence" by Mrs. W. K. Crawley of Lamesa. Mrs. Adair led a "Consecration Service" followed by congregational singing. One of the features of the afternoon service was a saxophone solo by M. D. Shepherd. The meeting was closed with prayer led by Rev. Hines, the new pastor at Lamesa.

It was a great day for the local W. M. S. and for the entire zone.

New Tax Collector Moves To Tahoka

A. M. Cade, county tax collector elect, has moved with his family to Tahoka from his home in the Gordon community. He has already begun work in the collector's office so as to familiarize himself with the duties of the office. Mr. Cade's family consists of a wife and three daughters, all of the latter being in school, and Mr. Cade stated they were delighted with the school here. This is a most excellent family, which the people of Tahoka will welcome into their midst.

JAIL NEGRO ON THEFT CHARGE

Colored Man Caught With Trunk And Bed Clothing Stolen From Employer

A gentleman of color, known to the white folks here only as Sam, has taken up his residence just this week on the topmost floor of the courthouse, where his only view of the outside world can be obtained by peering through iron bars.

The occasion of Sam's involuntary habitation of this uninviting and inhospitable abode was the theft of a whole trunk full of quilts, bed spreads, pillows, dresses, and other clothing belonging to Miss Lou Wooley, which she missed from her room Sunday. Sam had been employed about the premises and suspicion naturally pointed in his direction. Upon his arrest officers started a search for the stolen property and their quest proved to be successful. Some of the articles were found Sunday, some Monday and still others Tuesday. It is believed that practically all of the stolen goods have been recovered. The goods were found in a couple of negro houses here in town and one house out in the country.

Sam will probably be in no position to make further raids on other people's property for several weeks at least, and he will probably spend this Christmas as a guest of the jailer.

Subscribers Still Bringing In "Kale"

Below are the names of new subscribers and renewals since our last report. One or two of these should have been included in last week's list. There are possibly some others that we are over-looking this week. We appreciate these renewals and hope that many others may find it possible to renew within the next few days. Our list this week follows: W. N. McAllister, J. W. Slower, Mrs. F. E. Redwine, A. R. McGonagill, Mrs. Pearl Brown, George C. Lindley, Henry Douthit, Mrs. N. E. Wood, D. D. Ware, and Sallie Beth Wright of Wilcox, Mrs. G. E. Lockhart of Lubbock.

Caveness, county superintendent, attended the railway hearing before a representative of the Federal Railway Commission in Lubbock Monday, on the application of the Texas & Pacific Northern to build a line of railway from Big Spring to Vega with branch lines running into Lubbock and Amarillo.

MRS. WILLIAMS OF DRAW GETS HAND LACERATED

Mrs. T. J. Williams of Draw got her hand accidentally caught in a washing machine Tuesday while it was running, receiving very painful injuries. The physician called to dress the wound reports that two of the fingers had to be "trimmed up" quite a bit and that twelve stitches were necessary to close the lacerations on the hand. Unless the wounds should become infected, no serious consequences are expected however.

PLAN PAVING TWO HIGHWAYS

\$300,000 Allowed For Lateral Road; County Would Furnish Only One-Third of Cost

Lynn county is to have a highway bond election at an early date, according to the plans of a number of citizens who are preparing to present a petition for an election to the commissioners' court next Monday.

A petition was circulated by F. O. Greathouse, N. M. Bray and J. K. Callaway and presented to the court last Monday but was not filed nor acted upon for the reason that the same did not seem to meet the requirements of the law. The petitioners thereupon withdrew it and are planning to present a new petition in approved legal form next Monday.

This petition now being circulated calls for an election to determine whether or not bonds in the sum of \$300,000 are to be issued the proceeds to be used as follows: \$250,000 for the paving of Highway No. 9, \$250,000 for the paving of highway No. 84, and \$300,000 to be distributed equally among the four commissioners' precincts for the improvement of the lateral roads therein. According to this plan, \$75,000 is to be spent in improving the lateral roads in precinct No. 1, \$75,000 in precinct No. 2, \$75,000 in precinct No. 3, and \$75,000 in precinct No. 4.

Highway No. 9 is also a federal highway and we are informed that assurance was given by the chairman of the state highway commission some time ago that Highway No. 84 would likewise be recommended to the federal authorities for federal designation.

If the bonds are voted, additional funds in the sum of \$500,000 would be furnished by the state and federal governments for the paving of highway No. 9; and if No. 84 should be designated as a federal highway the additional sum of \$500,000 would likewise be furnished by the state and federal governments for the paving of this highway. If No. 84 should not be designated as a federal highway, still an additional sum of \$250,000 would be furnished by the state for the paving of this highway. This would make a total of \$1,250,000 or \$1,500,000 depending on whether or not highway No. 84 gets federal designation, to be spent in the improvement of these two highways through the county. Of course no state nor federal aid will be given for the improvement of the lateral roads, but the sum of \$300,000 should be sufficient to greatly improve them.

Those who circulated the petition claim that they have found much sentiment in favor of the proposal. Men who have never favored a county highway bond issue heretofore are said to be favoring the present proposition.

If the election should be ordered it will probably be held some time in January.

Hillsboro "Laws" Find Negro Here

Thieves or any other lawbreakers, wanted by Sheriff Simmons, don't get away from the Hill county sheriff if he ever does get a line on them. A Brandon negro, Jpe Oliver, indicted by the grand jury for forgery and passing, moved away from his home six weeks ago and moved near Tahoka, Texas, about 450 miles from here.

The sheriff, having the warrant for the negro's arrest, wanted the defendant back in this county so he worked incessantly in order to get him and finally located him last week. Friday morning at 9 o'clock Deputy Sheriffs Jo Ed Estes and Tom Hilton left by automobile for their destination near Tahoka. They arrived there late that night and Saturday morning at 11 o'clock they were ready to leave with Oliver for Hillsboro. Twelve hours later they drove into the Hill county capital, Hillsboro Mirror.

Death Visits Family Of Editor; Mrs. E. I. Hill Laid To Rest

Well known already to most of our readers is the fact that death invaded the home of the editor on last Friday morning, when at 10:15 o'clock the life of Mrs. E. I. Hill ebbed away.

Mrs. Hill had suffered intensely, so intensely that death must have been really a sweet relief to her. She was first taken to a Lubbock sanitarium on April 1st for treatment of a most serious malady that had developed. This treatment seemed to be effective and she was soon removed to her home but early in July it became necessary to take her back to the sanitarium, this time for an operation for an entirely different malady. Her gall bladder and appendix were removed, and while the incision healed satisfactorily yet her condition continued to be most serious. After spending a few weeks at home, she was placed in a state hospital for treatment and about two weeks before her death the family was notified that she was suffering from pellagra. On Monday preceding her death she was brought back to the family home, standing the trip remarkably well, but she gradually grew weaker until the end came Friday morning to relieve her suffering.

Funeral services were conducted from the Methodist Church, of which she was a member, at 3 o'clock Saturday afternoon, interment following in the city cemetery. The services were conducted

CUPID ON THE JOB AGAIN

Mighty few marriage licenses have been issued by Truett Smith this year as compared with former years.

Many young couples desiring this kind of a document go over into New Mexico to procure it, and then Cupid just seems to have been off duty much of the time lately.

However, Truett reports three marriages since our issue last week, as follows: Elmo Onstott and Miss Alta Choate, residing near Slaton, were

married last Saturday, December 6. Walter Ivy and Miss Gladys Williams of O'Donnell were married the same day, while Quannah Mitchell and Miss Inez Jones of O'Donnell were married a day or so preceding that date. Truett says that he has lots of unused documents of this kind still on hand which he is anxious to dispose of. He says he knows a number of old bachelors around here that ought to patronize his office one time at least.

A WORD OF EXPLANATION TO THE BEREAVED

Recently the News has received a number of "Obituaries" or "poems", sometimes both, from some reader upon the death of a loved one. We have not published any of them, and some may possibly feel aggrieved because we have declined to publish them. We wish to explain that we have never made a practice of publishing such contributions. We desire all the interesting or important facts that we can get concerning the life of any deceased person and are glad to publish these together with some words of commendation and praise of the deceased, but it is our observation that this is all that the reading public generally cares for. It is because of this fact that newspapers generally do not publish "obituaries" and "poems" written in praise of any deceased person. We can sympathize fully with all who have been bereft of loved ones, and this explanation is made in the most tenderly sympathetic spirit, and we hope that no one will feel aggrieved now or hereafter because of our refusal to publish contributions of the above character.

CONGRESSMAN JONES WRITES ON IMMIGRATION

To The News:

Congress convened December 1st for what promises to be an interesting short session.

Conditions are unusual. A nation wide depression has brought new problems—of course many of these difficulties cannot be cured by legislative remedies.

Some steps, however, may be taken that would be of material assistance.

One of the most important of these would be to suspend all immigration to America for a definite period.

The Act of 1924 reduced foreign immigration very much. During the last fiscal year 241,700 aliens of all classes were legally admitted. This does not include temporary visitors, some of whom remain. This Act reduced immigration more than one-half, but further reductions are now necessary.

No one can justify further foreign immigration with our own unemployed walking the streets. This is a question in which every American citizen is interested for everyone is affected. The immigrant unfamiliar with our institutions turns to crime much more quickly than our own people, especially when conditions are adverse.

I have long felt that we should suspend all immigration for a definite period. Should the time come again when we wish to allow a limited number of outsiders to enter, the selective method should be used.

I am glad to note that Secretary Davis who has been in charge of the immigration department has indicated that he will recommend a two-year suspension.

It should be for a longer period, but two years would show vast official results, and thereafter such program could be laid out as conditions demand.

CHILDREN CRY FOR IT—

CHILDREN hate to take medicine as a rule, but every child loves the taste of Castoria. This pure vegetable preparation is just as good as it tastes; just as bland and just as harmless as the recipe reads.

When Baby's cry warns of colic, a few drops of Castoria have him soothed, asleep again in a jiffy. Nothing is more valuable in diarrhea. When coated tongue or bad breath tell of constipation, invoke its gentle aid to cleanse and regulate a child's bowels. In colds or children's diseases, you should use it to keep the system from clogging.

Castoria is sold in every drug store; the genuine always bears Chas. H. Fletcher's signature.

CARD OF THANKS

We wish to thank the many friends for their innumerable acts of kindness and expressions of sympathy during the illness and upon the death of our loved companion and mother. We can never forget their ministry in the home, the manner in which they threw their own homes open to our visiting relatives, the profuse and beautiful floral offerings and numerous other kindly deeds which it would be impossible to enumerate. Their goodness and thoughtfulness were simply overwhelming. We are also grateful to brother newspaper men for their expressions of sympathy.

NOTICE TO THE PUBLIC

Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of the News, will be gladly corrected when called to our attention.

The motion picture business is here to stay. Any effort to put it out of business would be futile and foolish. But the movies can be and should be improved. The immoral and the indecent and the boldly suggestive pictures should be driven from the screen. Any picture that undertakes to make drinking parties seem respectable or to make the flouting of the liquor laws a smart and clever thing, to be admired and emulated, should likewise be outlawed. Scenes that would glorify the cigarette-smoking woman or make heroines of the lecherous and the lewd, should also be banned. The screen should be placed on a higher moral plane. But this cannot be done by railing at the local showman. He is not to blame. He is at the mercy of the higher-ups, absolutely. But such a protest against the immoralities and indecencies of the screen should go up to Washington from every village and hamlet in America as to compel Congress to do something to clean out these Augean stables. The movies properly directed should become one of the very greatest educational and moralizing agencies in this country. The public should not permit a few money-loving or sex-mad kings of the picture industry to prostitute it to the level of the gilded saloon and the haunt of the libertine. There should be a much stricter censorship of the movies, and they should be made a distinctly moral asset to every community rather than the contrary.

We have no complaint whatever to register against any of our local truck drivers. So far as we know they always respect the rights of others on the highways. But there are hundreds of truck drivers in Texas who are recklessly courting the destruction of their business. It has been our lot recently to make several long drives over our highways. It has been our experience that about seventy-five per cent of the truck drivers we have met are road hogs. They seem to have no regard whatever for the property or the lives of car drivers. They will crowd a car right out onto the very verge of the ditch before they will vary one inch from the beaten path. More than once recently our own life has been greatly endangered by the hoggishness of these scoundrels. Recently, too, when in a great hurry, we were compelled to drive at least two miles along behind a truck traveling at a slow speed because the driver took the middle of the road and kept it, refusing to swerve one inch to the right so that we might

MRS. E. I. HILL DIES

(Cont'd from Page 1)

by the pastor of her husband and other members of the family, Rev. Owen J. Hull of the Baptist Church, assisted by Rev. J. W. Shepherd, the newly-arrived pastor of the Methodist Church. In addition to a large concourse of friends here, relatives and friends were present from Midland, San Saba, Temple, Pendleton, Eddy, Moody, Hamiton, Snyder, Canyon, Lubbock, Crosbyton, and possibly other places.

Deceased was born at Mofat in Bell county on March 15, 1877. She was the daughter of Mr. and Mrs. W. C. Evetts, pioneers and well known citizens of that section of the state. She was a teacher in the public schools for several years prior to her marriage. She was married on May 5, 1901, to E. I. Hill, then a citizen of Temple. The family removed to Belton in 1904, where they resided for four years. The next fifteen years were spent in Roscoe and Sweetwater and the past seven she has resided in this city.

Besides her husband, deceased leaves surviving her five children as follows: Frank of this city, associated with his father in the publication of this paper, E. I. Jr., who is now employed in the Government printing office in Washington, D. C., Misses Berta and Myrtle, and Bill of the family home here. She also leaves surviving her five sisters and two brothers. All of the children except E. I. were present at the funeral at the time of her death, and four of her sisters were present for the funeral.

Mrs. Hill, known to her girlhood friends as Berta Evetts, became a member of the Methodist Church while yet a girl and she retained her membership in that church throughout her life. Always shunning publicity of every kind, she made very little public demonstration of her religion, but she had a deep and abiding faith in God. Utterly unselfish and prompted always by a spirit of sacrifice and service, she literally lived for others. Distinctly domestic in her tastes, she loved her home, her family, her friends, and her flowers. Terrible were her sufferings during the last few months of her life, but we have the faith to believe that her spirit is now in that home where suffering never comes.

pass. We finally got a chance to pass him on the wrong side of the road and did so. Such hogs ought to have the tires on their trucks punctured with pistol shots. These swine, who do not contribute to the upkeep of the highways in proportion to the damage they do by a long shot, should receive some drastic attention at the hands of the approaching legislative session. We feel confident that they will get what is coming to them.

Many good people are continually bewailing the fact (?) that the morals of the people have broken down and that the world has gone to the devil. We do not believe it. We do not believe that there was ever more true virtue in the world than there is today. We do not believe that there was ever so much of the milk of human kindness. We do not believe that there was ever a higher standard of morals maintained by any great nation. It is true that there is much flaunting of evil. It is true that Crime is possibly bolder and that Vice stands more unashamed in the presence of Virtue in our country than when it was younger, but neither vice nor crime is as general as in former days. Newspaper publicity may make them seem so—and then too we are prone to forget. We think the last sandstorm the most terrific one, the last blizzard the most terrible, the last drought the most blighting, the last crime the most heinous. But it is not so. Christianity is fighting a winning battle. The world is growing better. We rejoice that we live in this great day—this day of progress in morals and in the spiritual as well as in the material and the intellectual. Today is better than yesterday and tomorrow is going to be better than today. Let us not permit the misanthrope to deceive and discourage us. God still is in His Heaven and all is well.

Again we wish to assert that Tahoka is made up of some of the best people on earth.

Three Congressmen have introduced a bill providing for the manufacture and sale of pure-see beer. They boldly proclaim that what they want is more beer and better beer. As a matter of fact, that is what most of the wet leaders want. They would like to again have the privilege of placing one foot on the brass rail and blowing off the foam. If the repealers would really be honest with the country, they would openly espouse the return of the old saloon. We are willing to meet them any time on that clear-cut issue.

The repealers loudly proclaim that they are forever opposed to the return of the saloon—but what are they proposing in the place of prohibition which they propose to destroy? If they do not want the saloon back, then let them tell us what they do want.

Sometimes after a particularly grueling day a fellow feels like "Aw, what's the use?" And many times such feeling, if not downed, will ruin a promising career. It takes plenty of sand in your craw to keep on trying when it seems like Fate is giving you the razzberry.—Southland Sun.

News From The Wilson Community

One of the finest rains in the history of Wilson began falling Wednesday night of last week and continued through Thursday in a slow steady fall and all went into the ground right where it fell. It begins to look as if there will be a bumper crop next year in every thing that is planted. The general news is some what scarce this week as the writer has been quite busy and has not had much chance to gather what he might had he husseled a little more. If you have a news item and will give it to me I will gladly send it in for publication.

E. J. Woelfel III
E. J. Woelfel who has for several years resided some eight miles southwest of Wilson became ill several weeks ago and his condition grew steadily worse until he thought it wise to have a medical examination, which he did last week, which disclosed the fact that he had cancer of the kidney and lung. His condition was so bad that it was thought useless to operate and according to reports he left last Friday for Thorn-dale, his former home, to await the outcome. A letter from his family to his sister-in-law, Miss Louise Mensel of this place, states that he arrived there all right and was feeling very well.

School News
The Vocational Agriculture Class No. 1 on last Tuesday culled two flocks of poultry, one for Mrs. Bishop and the other for Mr. P. D. Server.

This was the first time the boys had experienced culling. We hope by the end of this school year they will all be professionals in this work.

Miss Sallie Beth Wright attended the District Home Economics Conference held at the Hilton Hotel at Lubbock Friday and Saturday of last week. Miss Gertrude Watson, a teacher of Home Economics in Lubbock High School and Mrs. Eustace Tomme, formerly a member of the Wilson High School Faculty and small son, Billie of Lubbock accompanied Miss Wright home Sunday afternoon and spent a few hours visiting friends.

Wilson Faculty Entertained
The home economics room of the Wilson High School was the scene of a gay party Monday evening when the second year foods class entertained the faculty with a dinner forty-two. A miniature Christmas tree, stockings filled with candy, and holly tally cards served as decorations emblematic of the season. The color scheme of red and green was carried out in the following menu: salmon salad, pea souffle, potato chips, sandwiches, stuffed olives, custard topped with strawberries, iced, muffins and hot grape juice punch.

After dinner had been served, the following guests enjoyed the game of forty-two: Superintendent and Mrs. A. L. Faubion, Mr. and Mrs. Brady Nix, Mr. and Mrs. W. M. Kopecky, Mr. Howard Cook, Mrs. W. L. Forrester and Misses Curtis Cook, Eva Faye Huffaker, Evelyn Thomas, Bertha McAllister, Myrtice Graves, Mavice Carney, Lela Day and Sallie Beth Wright.

Methodist Church Items
A meeting of the Lubbock District Pastors, District Stewards, and Charge Lay Members of the Methodist Church was held Tuesday, December 9, at the First Methodist Church of Slaton. Those attending from Wilson were Rev. H. L. Thurston, W. C. Huffaker and J. E. Hamilton, who report a fine meeting. A fine dinner served by the Slaton ladies was especially one of the most enjoyable features.

Rev. J. W. Watson and Rev. Willis will meet with the Sunday School and Epworth League Workers of the Wilson Charge at Wilson

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 7:30. Members urged to attend. Visitors welcome.

Last reports are that he is doing very badly with a small chance to recover.

Nature Thought of Everything
Nature thought of everything when the human body was made. When the body is about to become ill, nature planned danger signals to warn us. Thus, if our children grind their teeth when they sleep, or lack appetite, or suffer from abdominal pains, or itch about the nose and fingers, we should know that they may have contracted worms. Then, if we are wise, we buy a bottle of White's Cream Vermifuge and safely and surely expel the worms. Thus we avoid the danger of very serious trouble. White's Cream Vermifuge costs only 35c a bottle, and can be bought from THOMAS BROS. DRUG CO.

THE PUNISHMENT

**They Get in the First Few Minutes
Decides How Long They Will Last**

And so it is with your motor... 40% to 60% of all motor wear occurs in the first few minutes after starting, because ordinary oils drain away in idle periods. But CONOCO Germ-Processed oil is always on guard duty, never drains away, penetrates metal surfaces, reduces starting wear.

A step on the starter always takes ordinary oils unaware, and it is then that most damage occurs in your motor. By draining away during idle periods, ordinary oils "let down their guard" and let your motor in for severe punishment at a time when protection is vitally needed.

On the other hand, Germ-Processed oil always

has its guard up. Its film penetrates and clings to every working part while the motor is idle.

The first motor revolution finds ready lubrication guarding every clearance. The 40% to 60% of wear which might have taken place before you ever shift a gear is substantially reduced.

Thousands of motorists have found that this improved motor oil prolongs motor life and gives better all-round performance. You can find CONOCO Germ-Processed Motor Oil wherever you see the CONOCO Red Triangle.

Denison, Texas.—"Before I took Cardui, it seemed like I had tried everything. For my health was wretched," writes Mrs. Nannie Davis, of 418 W. Woodard Street, this city. PARENT-TEACHER ASSOCIATION

The Tahoka P. T. A. held a very interesting session last Wednesday afternoon at the Central Ward school. The teachers are to be commended for their loyalty in attendance but many more parents should realize the need and benefits of the organization and give of their time and labors to its success.

The president, Mrs. J. H. Powell, was in the chair. The meeting was opened with prayer by Mrs. Sudarth, followed by the hymn, "Onward Christian Soldiers." Superintendent Pace gave an informative talk on the aims and ideals of the state along the line of physical examinations and training. "His listeners were glad to hear that plans are under way for a pending physical examination of all school students which will include the attendant records and follow-up recommendations."

A round-table discussion of different phases of literature and youth was introduced by Mrs. J. B. Walker in a very clever and instructive speech. She was followed by several other interesting speakers.

Miss Martha Helen Powell nicely played a violin solo with Miss Mary Jane Weathers at the piano. Several items of business were disposed of and the prize picture was awarded to the room taught by Mrs. W. O. Henderson.

All parents in the district are urged to cooperate in the very worth-while efforts of this organization.—Reporter.

Watch out for rattlesnakes, is the advice of Frank Barton, Dixie, who came in the other day and found one at his back door. "They are not dened up yet" he says.
