Volume XXVII

Tahoka, Lynn County, Texas, Thursday, March 19, 1931

Number 30

## CHARGE JUNK MAN OF THEFT

Jack Graves Alleged To Have Been Back Of Many Petty Thefts Here Recently

Jack Graves, junk dealer, who has his place of business in East Tahoka, is in jail on a charge of burglary and several charges of theft or unlawfully receiving stolen property.

The burglary charge was filed in connection with the entry of the Fisher Filling Station at Wilson and the theft of several casings therefrom several weeks ago. Two of the three stolen casings were found in Graves' possession here this week and were identified by the owner, who had the serial numbers.

Graves is also charged in connection with the theft of five or six casings and several radiators from the Connolly Motor Company, about a dozen radiators from the Texas Garage and a radiator from a McCormick-Deering combine owned by Harris & Applewhite. A lot of these radiators were located in Sweetwater, and Sheriff B. L. Parker and Jack Applewhite went to Sweetwater Wednesday and brought back some of the stolen property.

Evidence collected by the county attorney and the sheriff involved also three boys fifteen or sixteen years old living a few miles east of town. One of the boys has already paid one fine and the other two are under bond on charges of theft. Much of this property, according to statements made to the officers, was taken by the boys at the suggestion of Graves, who was paying them small sums of money for it. Some of their operations also extended to O'Donnell and some of the property stolen there has been found and identified by the owner. The stolen goods located at Sweetwater had been taken to that city by two of the boys at Graves' suggestion, according to statements made by the boys to the officers.

## Confederate Vet Has 1863 Edition Vicksburg Paper

Mr. John B. King, an old Confederate veteran who now resides near Dixie in this county, has in his possession a reprint of a page of the Vicksburg Citizen of date of July 2, 1863. It is a most interesting sheet. The original was printed on wall paper and seems to have been well edited. It was evidently issued under great difficulties, however, for while it bears date of July 2 it contains internal evidence that it was not issued until on or after July 4. General Grant was besieging Vicksburg at that time, and the Southern paper was very defiant in its attitude toward the Northern general, which was doubtless characteristic of the citizenship generally. Grant had entered the city, however, before the paper was placed in the mails. One evidence of the stressful times in the bounds of the Confederacy was the assertion that the Confederate "beef"—mule meat—was proving to be very palatable.

## 113 War Veterans Ask For Loans

A total of 113 World War veterans in Lynn county have made application for loans on their service certificates under the law recently enacted by Congress, according to Skip Taylor. About 25 or 30 of these have already received their checks, which will average about \$300.00 each.

## NAZARENE YOUNG PEOPLE WILL MEET AT NEW LYNN

There will be no services at the Nazarene Church Sunday, March 22. Everyone is invited to attend the Young Peoples Convention at Lynn Chapel Saturday and Sunday, all day services.

Texas has a county—Winkler—which showed a population gain of 8,775.3 per cent between 1920 and 1930, respective totals being 81 and 6,784. In the preceding decade it showed a loss of 81.7 per cent.

## SHEPHERD TO HOLD REVIVAL

Services Will Begin At Methodist Church Sunday Morning, Pastor Says

In this period of recovery from the general depression throughout the country, it is altogether fitting and proper that we get a new idea of proportionate values. We have been forced to pay more attention to the material things of life and have been neglecting that which is of more value than all else, our spiritual welfare. For this reason, we have decided to hold a series of meetings at the Methodist Church for the purpose of increasing the spiritual life of the community.

The pastor will conduct the meetings, which will begin next Sunday morning, March 22, and will be held twice a day. There will be no imported leader for the musical part of the services, but it will be handled by the local organization. We have sufficiently good singers here to successfully handle any situation, and we feel sure that they will cooperate by making all services successful in so far as the musical portion.

(Continued on last page)

## Theodore Harris, 76, Died Sunday

Theodore Harris, 76, died here Sunday at the home of his sister, Mrs. Florence King, one of the pioneers of Tahoka. The immediate cause of death was heart trouble superinduced by an old asthmatic affliction and a recent attack of the "flu".

Funeral services were conducted from the home at 10 o'clock Monday morning and interment was in the City Cemetery here. In the absence of the Methodist pastor, Rev. O. J. Hull of the Baptist Church conducted the funeral services. Mr. Harris had long been a member of the Methodist Church.

The deceased came to Tahoka from Silver City, New Mexico, about two years ago, to make his home with his sister. He left two sons surviving him, one residing at Alhambra, California, and the other at Santa Rita, N. M. Out of town relatives here for the funeral were Guy King and family and C. W. Breedlove and family of Levelland. The relatives have the sympathy of many friends in this bereavement.

## Trustee Elections Will Be April 4th

Two county trustees are to be elected on Saturday, April 4, one trustee for the county at large and one for commissioners' precinct No. 1. H. M. Larkin is county trustee at large and Clyde Shaw of Wilson is the trustee for precinct No. 1. Both these names, it is understood, will be on the ballot for re-election.

At the same time, elections will be held in all the school districts in the county. Under the new law, in all those independent districts in which four trustees are to be elected, two of them are to be elected for a term of two years and two for a term of three years, according to County Superintendent H. P. Caveness. In those districts in which three trustees are to be elected, all are to be elected for a term of three years.

## Judge Cain Speaks At Kiwanis Club

"The Ethics of the Legal Profession" was the subject of Judge C. H. Cain at the Kiwanis luncheon Wednesday. He explained many things with respect to the lawyer and his work which is not always understood by the ordinary layman and defended the legal profession against wholesale criticisms that are often heard.

G. E. Damewood of Lubbock, auditor for the Texas Utilities Company, and Mr. Burns of Lubbock, who is also connected with this company in an official capacity, were guests of the club, and Mr. Damewood made a neat little speech complimenting the club and praising Kiwanis work.

## Tahoka Will Enter Five Teams In Judging Contests At Tech Monday

The Tahoka Agriculture boys are all set for the Fourth Annual Vocational Agriculture Judging Contest to be held in Lubbock next Monday, according to Taylor White, their teacher.

It is expected that about fifty schools of Northwest Texas will participate in the various contests and that the competition will be stiff. Mr. White will have five teams in these contests. The Tahoka boys have been in the habit of winning their share of the honors and it is expected that they will "bring home the bacon" again this year.

The Tahoka teams and the contests in which they will engage have been announced by Mr. White as follows:

Poultry Judging contest: Boswell Edwards, Claude Nowlin, Norvell Redwine.

## AID CHECKS NOW TOTAL 204

\$40,000, or \$215 To The Man Already Turned Loose For Planting In This County

Two hundred and four farmers of Lynn county who applied for loans from the Drouth Relief Fund recently provided by Congress had received their checks up to Wednesday night. These checks will average about \$215.00 each, and hence this means that more than \$40,000 have been distributed to Lynn county farmers already from this fund.

Ray Shaver, who is handling these checks, states that a few farmers who received checks never even opened the envelopes and had made complaint to him that their checks had not reached them. These checks are sent out in envelopes that bear no stamps upon them and for this reason, doubtless, some farmers thought their envelopes contained only circulars or advertising matter and neglected to open them.

Marshall milk plant will open a \$20,000 branch factory at Longview.

## Officers Are Elected By Methodist Choir

The members of the Methodist Choir had a business meeting at the Church Thursday at 7:30 P. M. and elected officers for the next term, as follows: Matthew Shepherd, president; Miss Lilla Mae Reid, secretary; Mrs. Fred Bucy, reporter.

There were a few visitors and many of the following members present: Misses Reid, Fenton, Ketter, Lee, Nelms, Slaton, Wyatt, and Mmes. Handley, McReiland, S. E. Reid, G. V. Reid, Bucy, Shepherd, Thomas, Weaver, Suddarth, Sargent, and Messrs. Standifer, Weaver, Wyatt, Clyde Sargent, Frank Sargent, Shepherd, Pace, Nelms, Lester, Janak, Cowan, and Dr. Townes.

As the success of the church depends to a large degree upon the music rendered there, it is encouraging to notice the interest and the increasing attendance upon choir practice. A cordial invitation is extended to all visitors or church members that will come to practice, even if they prefer to sit out in the audience on Sunday. Many of the Thursday nights have been cold and disagreeable but as the weather is getting milder the attendance is expected to be greater each week. —Reporter.

## YOUNG COUPLE FROM BROWNFIELD WED HERE

James B. King and Miss Frances Louise Carpenter, two popular young people of Brownfield, were married here Monday night in the Baptist pastor's home, Rev. O. J. Hull officiating. The beautiful ring ceremony was used. Quite a number of the friends of the couple came over from Brownfield to witness the ceremony.

Traffic tieups, caused by traffic signals which have been built on an unsound engineering basis or without justification of auto traffic conditions, cost one hundred million dollars a year, an expert says. He further states that half of the traffic lights in this country are of no value.

Livestock: Curtis Stevens, Homan Edwards, John Fuquay. Plant Production: Clinton Walker, Pete Anderson, Hoyt Welch. Shop-Work: Kenneth Reid, Corbin Douthit, Elwayne Nevels. Dairy: George Claude Wells, Oran Welch, Lonnie McCullough.

## WIN AT FLOYDADA

Tahoka High School's vocational agriculture plant production judging team, coached by Prof. Taylor White, won second place in the annual Floydada Plant Production meet held in that city Saturday. The local team is composed of Pete Anderson, Clinton Walker, and Hoyt Welch.

Post won first place in the contest and Lockney won third place. A number of West Texas high schools were represented.

## COUNTY GETS CAR OF 'SPUDS'

Given To Local Red Cross By The Growers At Divide, Colorado Will Help Many

A car of Irish potatoes consisting of 302 sacks of 100 pounds each, or 36,200 pounds, arrived this week from Divide, Colorado, to be distributed by the Red Cross workers among the drouth sufferers. Portions of the shipment were transported by truck from Tahoka to Wilson and O'Donnell for distribution there. The remainder was being distributed from this place.

Mrs. W. D. Nevels, who has been at the head of the Red Cross organization in this county, reports that donations to many drouth sufferers have been discontinued, since other avenues of aid have opened up. Distribution of Red Cross donations will probably cease altogether in this county at an early date. The Red Cross has done a wonderful work in this county and Mrs. Nevels and her corps of helpers are to be greatly commended for their faithfulness and energy in carrying on this work.

## Pabsts Lose Case For Dog Damages

They had a dog case over in Uncle Ben's justice court Wednesday, and it attracted almost as much attention as a murder case would attract in the district court. The justice court room, the door, and a portion of the hallway were crowded all the afternoon with eager listeners. After all the testimony had been given and the arguments of the attorneys had been made, the jury gravely considered the case for some time and then returned a verdict in favor of the defendant.

Mr. and Mrs. C. Pabst, for many years residents of this city, were suing Mr. Harve Smith, to whom they recently sold their residence here, for alleged breach of contract and neglect in the care of a number of dogs left by the complainants in care of Smith and for loss of one of the dogs. They claimed damages in the sum of \$50.00.

## PHEBE K. WARNER STUDIES TEXAS BIRDS AND FLOWERS

The Phebe K. Warner Club met at the American Legion Home March 13 with Mrs. M. J. Weaver as hostess.

In the absence of the president, Mrs. W. B. Slaton, the vice-president, Mrs. E. E. Callaway, presided.

An interesting program on the birds and flowers of Texas was given. Special features were Greta Joyce Applewhite's tiny tot story and musical selection "The Robin's Return" by Doris Dean.

Those present for the program were: Mesdames E. E. Callaway, J. K. Applewhite, L. F. Craft, W. O. Henderson, J. W. Elliott, H. A. Maassen, R. W. Fenton, R. W. Fenton Jr., B. H. Howell, M. C. Finch, K. R. Durham, L. E. Turrentine, L. C. Haney, L. E. Weathers, Truman Walker, G. M. Stewart, M. J. Weaver and Shepherd.

J. J. Massengale has been in bed this week with the "flu" but was able to return to his work at the store Wednesday.

## FARMERS BUY BETTER SEED

Orders Taken By The Drouth Relief Committee For 1360 Bushels Certified Seed

"The farmers of Lynn county are cooperating with us splendidly in our efforts to improve the staple of the cotton raised in this county and we greatly appreciate their cooperation", A. L. Lockwood stated to a representative of The News Tuesday. "We have already sold 1360 bushels of the Chapman Ranch seed and expect to sell much more", he said. Mr. Lockwood stated that two car loads of these seeds were shipped to Dawson county last year and were planted by the farmers of that county, and they were well pleased with the results.

Mr. Lockwood also stated that the committee received a letter Tuesday from the Department of Agriculture at Washington thanking them for their efforts to improve the staple of the cotton in this section. "Farmers must get away from this half-and-half cotton since the Government has begun sending experts out to grade the cotton", the committee points out.

## New Tractor Is Demonstrated

The Farmall and Trac-Tractor demonstration given on the Porter Tredway farm two miles north of town last Friday afternoon by Messrs. Harris & Applewhite, local dealers, attracted quite a large number of farmers and others. Messrs. E. L. Banks, W. T. Wheeler, W. B. Cox and others were present to assist the local dealers in making the demonstration.

The new, big Trac-Tractor is indisputably a wonderful farming implement. It is the caterpillar type and has great power, pulling three big plows and listing up great beds preparatory to planting. Most farmers here are already familiar with the work of the Farmall, but the Rotary Hoe or Weeder was another farming implement new to this county. Pulled by the tractor, it loosens the top soil with its rotating teeth for a width of twenty feet or more at each passage through the field. It was designed for use particularly in the great wheat fields and would probably not be of so much utility in a cotton country. The big Trac-Tractor, drawing the three huge plows was the main show at this demonstration, and was generally pronounced a remarkable piece of machinery.

## J. N. Thomas Taking Local School Census

A request is made by J. N. Thomas, school tax assessor and collector, who is also taking the school census in the Tahoka district, that any families having children of school age that have not been enumerated by him this spring should notify him at once. This is very important, since the local school will get state apportionment for only those children enumerated.

Mr. Thomas stated to The News the first of the week that he had enumerated over 600 at that time, and will not be very far behind last year's enumeration of 700 when he has completed the work.

## Chautauqua To Be Held This Week

The Senior Epworth League is sponsoring a chautauqua at the High School auditorium Thursday, Friday and Saturday nights of this week. On Thursday night, Asbury Church, Lubbock, will present a first class program which promises to be a thrill from start to finish. Friday night local talent from Levelland will present a one-act play along with several novelties. The final event will be the presentation of Tahoka's best talent in an evening of musical entertainment.

The price of admission will be low, but the entertainment high class, the sponsors say. Everyone is invited to attend this series of programs.

The Lynn County News and The Semi-Weekly Farm News one year for only \$2.00.

## NEW H-D AGENT COMING APRIL 1

Miss Greenwade Resigns; Will Be Succeeded By Woman From Quitman, Texas

Miss El Fleeda Harrison, Quitman, will arrive Tuesday, March 25th, to assume her duties as County Home Demonstration Agent of this county, succeeding Miss Thelma Greenwade, who is resigning April 1st.

Miss Harrison received her B. S. degree from the North Texas State Teachers College, Denton. She has had six years experience as a teacher, one in a rural community in Lamar county, three years in the grades in Deport, and two in the public school in Friona. She comes very highly recommended from all three places where she taught, and from the College at Denton. While we regret to accept Miss Greenwade's resignation, Lynn county is fortunate in securing such a worthy successor.

Miss Greenwade has rendered excellent service the two and a half years she has been home demonstration agent in the county. Miss Harrison will be in the county a week before Miss Greenwade's resignation becomes effective and will spend that time in visiting special demonstrators and clubs and the regular work will go on without the agent missing a club meeting.

On Saturdays, Miss Harrison will be in the office at the court house, where she will be glad to meet the public and especially the Home Demonstration club women and 4-H club girls.

## Henderson Ford Goes 40 Miles On Gallon Of Gas

W. O. Henderson was winner over all competitors in the Ford car gasoline mileage contest staged here Wednesday afternoon by the Connolly Motor Company. Starting in front of the Connolly Motor Company, Henderson drove his car to the Lou-lynn school house and then turned around and came back to Tahoka and on through town eastward to the vicinity of the filling station six miles east of Tahoka, and when his car stopped it had registered a distance of 40.45 miles, all on one gallon of gasoline. His is a 4-door car.

S. E. Reid, who also drove a closed car, won second place with 35.3 miles.

John Hickerson was third in this class of car with 33.35 miles.

In the open car class, Buck Barnes in his roadster won first place with 32.2 miles.

H. L. Tunnell in a Phaeton won second place with 31.6 miles.

There were thirty-nine contestants whose mileage was procured, and the average mileage for all these cars on one gallon of gasoline was 27.43 miles.

## Legion Members Increased To 100

The Marion G. Bradley Post of the American Legion is staging an intensive campaign for new members and the membership of the Post has already been greatly increased, the number now being more than 100, according to Skip Taylor.

The campaign has taken the form of a contest, Aubra M. Cade being the leader of one team and K. C. Holmes of the other. The losing team will be compelled to serve a big feast to the entire membership, their wives or sweethearts, and possibly a few invited guests. This feast is to be served at the American Legion Home on Thursday night of next week, March 26, and the boys are anticipating a rousing time.

A Jersey steer calf that couldn't be given away was canned by Mrs. J. E. McMillan, Tom Green county home demonstration club woman, into 96 cans of steak, roast, stew, hash, soup stock and hamburgers worth \$33.60.

Santa Fe will build an eight story tower at Galveston and a freight office and warehouse at El Paso to cost \$125,000.

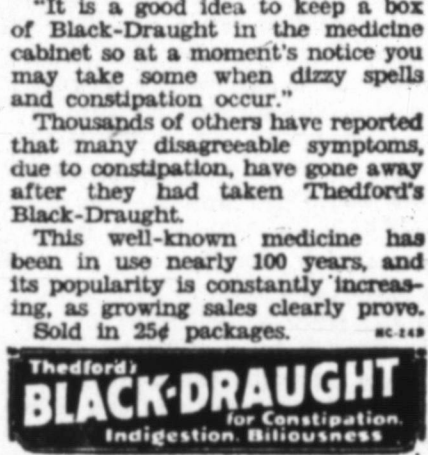

**Locals**

Mr. and Mrs. H. E. Baldrige, now of Clovis, were here Monday on their return trip from Marion county, where they had been investigating the oil possibilities on a tract of land they own in that county. It is not far from the oil fields and wells are being drilled in the vicinity. Mr. Baldrige thinks that as a farming proposition that is a wonderfully poor country. He reports a superabundance of rain and practically nothing done yet toward pitching the 1931 crop. He reports the wheat crop in his own country about Clovis to be very fine.

**GOOD FOR DIZZINESS**

**Constipation Troubles Relieved By Black-Draught, Says Kentucky Man.**

Hopkinsville, Ky.—Hundreds of people in Hopkinsville know Mr. Dale Harris, of 102 South Kentucky Avenue. Mr. Harris knows Theodor's Black-Draught, from having taken it a number of years. He says: "I often come in from work with a bad feeling in my stomach and head. I have a dizzy feeling in my head and am constipated, so I fix me a dose of Black-Draught immediately to guard off a spell of illness. I have always found Black-Draught to be perfectly satisfactory in every way, and would recommend it to any one as a safe and wonderful medicine when a purgative is needed. It is a good idea to keep a box of Black-Draught in the medicine cabinet so at a moment's notice you may take some when dizzy spells and constipation occur." Thousands of others have reported that many disagreeable symptoms, due to constipation, have gone away after they had taken Theodor's Black-Draught. This well-known medicine has been in use nearly 100 years, and its popularity is constantly increasing, as growing sales clearly prove. Sold in 25¢ packages. ec. 119

W. S. Anglin and family returned Sunday night from Comanche, where they had gone to visit his sick father. They found the aged man in a most precarious condition and Mr. Anglin fears that he can not remain here much longer. The elder Anglin is a pioneer Methodist minister and has done a wonderful work for his Church and his Master in that section of the state.

J. S. Wells planted a quarter of an acre to turnips last October, broadcast, and now he has turnips and turnip greens for the whole country. He is actually furnishing a number of farmers with these fine edibles. He also has an abundance of radishes planted last October as well as mustard and rape. More Lynn county people should follow his example.

Ben Greer, 19, whose home is at Victoria but who is visiting in the home of Mr. and Mrs. A. L. Dunagan, been seriously ill of pneumonia the a few miles northwest of town, has past few days but is now reported to be improving. He is a nephew of Mrs. Dunagan. His mother, Mrs. M. O. Greer, and his sister, Mrs. Roy Willham, and her husband, all of Victoria are also here.

Miss Inez Allen and Miss Ruth Watson of Canyon spent a few days here as the guests of Miss Berta Hill returning to their school work Monday afternoon. Miss Allen, who is a cousin of Miss Berta, is secretary to the President of the West Texas State Teachers College, and Miss Watson, whose home is in Denver, Colorado, is a student in that institution.

Ed Cook of Wells was in the News office on business Monday and reported that he and son, R. T. Cook, had recently constructed two neat residences on a couple of quarter sections they had recently purchased in the Wells community. He reports the soil in most excellent condition and everybody just waiting for the weather to warm up a bit to begin planting.

Rev. J. W. Shepherd was gone the first three days of this week to visit his sister and brother-in-law who reside in Hamilton county. He was accompanied by Rev. B. N. Shepherd of Clarendon, who came over Sunday afternoon. Their brother-in-law is in bad health and recently suffered a nervous break-down.

It is reported that almost the entire family of E. G. Jones, who resides out in the Dixie community, has been sick the past few days. Two daughters, Ludelle and Virginia Mae have pneumonia. The other members of the family have had the flu. All the patients are showing improvement.

Will Montgomery says he sowed sixty acres in oats out on his farm about three weeks ago and that they are up and looking fine. This country does not bear the reputation of being a good cats country but it looks as if they should do well this year.

Mrs. R. L. King was taken to the West Texas Hospital in Lubbock Monday, where she underwent a major operation Tuesday. The family are hoping that she will be able to return home in a few days.

Mr. and Mrs. Ed Cook of Wells visited relatives at Athens, Henderson county, last week. He says the country was floating in water and little farming has been done in that section. He likes the plains.

Miss Jeanette Caveness, who is a senior in Simmons University this year, is here spending a few days with her parents, Prof. and Mrs. H. P. Caveness.

Mr. and Mrs. Al Lehman, Miss Alene Taylor, Miss Frankis Wells, and Miss Charlotte Barnett attended the style show in Lubbock Tuesday night.

Russell Keltner, who is attending college at Ada, Oklahoma, is here visiting the home folks, Mr. and Mrs. C. B. Keltner and family.

Vernon Massengale, who is a student in the Texas Tech, is spending a few days here with his parents, Mr. and Mrs. J. J. Massengale.

Sybil Brower, daughter of M. B. Brower, residing a few miles southeast of Tahoka, is seriously ill of pneumonia.

Fred Oberthier, manager for the Texas Utilities Company at Hereford, was here on business for the Company Tuesday.

Mrs. Jewell Crosslin and Miss Lou Wooley attended the style show at Lubbock Tuesday night.

**Draw**

There was a large attendance Sunday at church and a fine sermon by Rev. Bickley. All who missed this certainly missed a fine service. Conference was held Saturday. Rev. Bickley preached Saturday morning and had conference Saturday evening.

Virginia Cargile was taken to the hospital the past week for mastoid trouble. Last reports were that she was better.

Mrs. A. Z. Sewell had the misfortune of scalding her foot Tuesday afternoon. It is getting along pretty well.

Mr. and Mrs. John Berry left Monday afternoon for a visit with their daughter in Kansas, Mrs. Marvin Eldridge.

Miss Opha D. Padon is visiting friends here this week.

Miss Alline Cargile went to Lubbock Friday to visit her sister in the hospital.

There was a meeting at the school house last Friday night on good cotton seed. Several farmers attended and several signed up for some state certified Mebane seed.

Mr. and Mrs. Earl Sloan went to Wilson last week and spent a few days visiting his parents.

The Draw debating team debated against Three Lakes at the auditorium Wednesday night, the Draw girls coming out winners.

Mrs. West Caswell is able to wear her shoe for the first time in several weeks. She stuck a pitchfork through her foot.

Mr. Walter Mathis was over in Draw community Sunday.

Mr. J. N. Lemond and son, Roy, were in O'Donnell Monday on business.

The Draw Epworth League gave a

social Friday night, which was well attended.—Reporter.

**Morgan**

Sunday School was well attended Sunday.

The Rev. Mr. Bussell preached at the eleven o'clock hour.

Mrs. Clint Childress' sister and husband of Slaton visited her last week.

Mrs. Earl Lancaster is sick with the "flu".

Mrs. Parnell received a message that her father, who lives at Lueders is very low.

Misses Estelle and Autis Blevins of Lubbock visited home folks Saturday night.

Mr. and Mrs. Townsend were shopping in Lubbock Saturday.

Ralph Milliken, who has been real sick, was able to go back to school Monday.

Mesdames Geo. Derrick, Elmer Caddell V. Derrick and M. Caddell of Idalou, girlhood friends of Mrs. Ed Milliken, visited with her Wednesday; also, Mrs. D. H. Hatchett and Beulah Shaw of Idalou and Mrs. J. O. Patterson of Tahoka.

Mrs. Shelton is still in a very weakened condition.

Mr. and Mrs. Orvil Pear had company from Union Wednesday.—Reporter.

**Edith**

(Delayed)

Several visited the Garza County Singing Convention every one reported a good singing.

Mr. Ray of Grassland and Mrs. Zena Garnett married at her home March 1. We wish Mr. and Mrs. Ray a very successful and happy married life. They will reside in this community the remainder of the year.

**"Nerves"**

A night of broken rest followed by hours of mental or physical strain; nerves tensed almost to the breaking point; irritable; unable to concentrate—another hectic night and miserable day ahead of you.

Why endure it? Dr. Miles' Nervine quiets the nerves, brings calm and poise, and permits refreshing sleep.

Dr. Miles' Nervine is now made in two forms—Liquid and Effervescent Tablet. Both are the same therapeutically. Large Package \$1.00

**Are Motor Trucks promoting Unfair Legislation ?**

MOTOR TRUCKS ask no favors at the hands of the Legislature. They merely request that laws concerning motor carrier service be based upon facts and not upon unfounded, distorted rumor.

Laws which cripple the motor carrier industry cripple transportation, which in turn cripples your home town industries and finally reacts upon your city and your own business or profession.

No one more earnestly seeks fair legislation than the motor trucks.

**CITY ELECTION NOTICE**

By authority of law vested in me, as Mayor of the City of Tahoka, Texas, I hereby order and proclaim that an election shall be held for the City of Tahoka, Texas, in the County Court room of the Court House in Tahoka, Texas, on Tuesday, the 7th day of April, 1931, within the hours prescribed by law, for the purpose of electing a Mayor, three Aldermen and a City Marshal for said city.  
The Aldermen whose terms of office expire at this time are J. S. Wells, L. C. Haney and S. D. Sanders.

All persons who are otherwise legally qualified to vote at a General Election in Lynn County, Texas, and who have resided within the corporate limits of the city of Tahoka for six months next preceeding said election are entitled to vote in said election.

W. S. Swan is hereby appointed presiding judge of said election, and J. Anson Coughran and H. C. Story are hereby appointed associate judges of said election, and said three judges of election are hereby authorized to appoint two clerks of election to assist in holding said election, and the polls for said election shall remain open during the hours prescribed by law.

Notice of said election in accordance with the foregoing order is hereby given.  
C. H. CAIN, Mayor of the City of Tahoka, Texas. 30-3tc.

**MRS. WHITE DIES IN HOSPITAL AT LUBBOCK**

Mrs. Martha Carr White, wife of E. C. White, resident of South Ward for the past two years, died in a sanitarium in Lubbock on Tuesday of last week and was buried in that city the next day.

Mrs. White was in the sanitarium undergoing treatment for mastoid trouble but the disease was too far advanced for physicians to effectively check it when she entered the hospital.

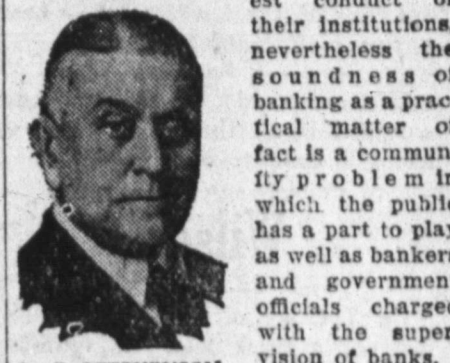

Mrs. White was a most excellent Christian character, much beloved by all her neighbors, and was a most devoted wife and mother. Possibly no woman in the South Ward community was more highly esteemed. The family have the sympathy of many friends.

Rev. H. A. Conway is here this week visiting his son, C. W. Conway, and his daughter, Mrs. Roy Poer. He just recently returned from California, where he had spent the winter with another son.

**THE COMMUNITY AND ITS BANKS**

By ROME C. STEPHENSON  
President American Bankers Association

While upon the individual bankers there rests without qualification the direct responsibility for the prudent, honest conduct of their institutions, nevertheless the soundness of banking as a practical matter of fact is a community problem in which the public has a part to play as well as bankers and government officials charged with the supervision of banks.

R. C. STEPHENSON

In the first place, the assets of a bank, outside its government bonds, consist mainly of loans to business men and of investments in securities created by corporate enterprises. The deposits of a bank are not kept in the vaults as idle cash but are employed in these loans and investments to earn the money to pay the expenses of the bank so that it can render services to its customers and also pay them interest on such deposits as bear interest. If there were no such thing as unsound business men or enterprises there would be no such thing as unsound assets in a bank.

It is of course the unquestioned duty of the banker to choose only sound loans and investments, but the difficulty of such judgment, and human judgment is never infallible, is plainly increased in such times and under such conditions as we have been passing through, with many businesses not making expected earnings and therefore hampered in meeting their obligations. Unfortunately some investments and loans created by persons outside the banks which found their way into the banks in a relatively few instances have reflected the unwise business policies and conditions that became more than usually prevalent in our business activities and contributed to the difficulty of banking. The vast bulk of bank assets, however, are 100 per cent sound above all question.

**"Hard Boiled" vs. "Easy" Banker**

In another aspect the people of the community have a part to play in maintaining the soundness of their banks, and that is through the medium of patronage. The existence of a bank is dependent on public patronage. If only those banks were patronized in which the most careful policies were practiced and the most conscientious and able men in charge, it would go far toward maintaining the standards of banking. If business men in a community when refused loans by their banks for good and sufficient reasons because conditions are not favorable, thereupon withdraw their business to banks where less careful methods prevail, they clearly contribute to the creation of a less sound banking situation.

Also if, in the heat of competition, a banker offers higher interest rates or more free service to attract customers than the earnings of conservative banking justify, and is encouraged by the patronage of the public as against a more conservative bank, obviously, the public is again playing a part in bringing about a less sound banking situation. It is an unfortunate fact that the banker who is strict, "hard boiled" if you please, is liable to be less popular than the "easy" banker, and by that same token the public itself has a voice in influencing the character of banking. Also it is the public in the end which pays the main part of the penalty if unfortunate results follow.

Still again the public can exert an influence in shaping the character of banking by supporting the purposes of bankers to maintain intelligent, independent, honest banking supervision by the public banking departments through insisting that this function of government shall be kept as free from political influence as the judiciary itself and shall be manned only by men of the highest ability and character.

In still another way can the people themselves contribute to maintaining the ability of their banks to meet their obligations, and this is by granting them the fullest possible confidence. As I said, the deposits are not kept as cash but are invested in loans and securities. Even the soundest assets of this type require some time to convert at full value into cash deposits. In many cases of bank troubles the only thing wrong with a bank was an unduly suspicious and apprehensive state of mind in its customers created by no act or condition of its own but by baseless rumors which sometimes led them to destroy the value of their own deposits by demanding their immediately, forcing a bank to sacrifice its assets and otherwise disrupt its financial operations.

**Bankers' Help**

During the year 1930 the Bankers' Association of Langlade County, Wisconsin, worked out the finances for a cooperative milk plant, which entailed the raising of \$100,000, and also sponsored an active 4-H-Club campaign that culminated in an "Achievement Day" program. In which upwards of 400 young people participated. The increase in the number interested in this work was 200 per cent over the past two year period.

in the columns of the News, will be  
gladly corrected when called to our  
attention.

**HAS A NEWSPAPER REPORTER  
A RIGHT TO PROTECT A  
CRIMINAL?**

Several weeks ago when George  
Parks of the Sweetwater Reporter was  
sent to jail by a district judge for  
publishing in defiance of the judge's  
order the fact that an indictment  
had been returned by the grand jury  
against a certain prominent citizen,  
we contended that Parks acted within  
his legal rights in making the publication  
and that the judge exceeded his authority  
in sending Parks to jail. We believe  
that we were right under the facts  
of that case.

But last week when Eddie Parr of  
the Dallas Dispatch refused to disclose  
to the grand jury the source of information  
he had given relating to a crime under  
investigation by that body, we believe  
that the district judge did right in  
sending him to jail. No citizen has a  
right to withhold from the grand jury  
any information that would assist that  
body in ferreting out crime except in  
those particular circumstances provided by

**Restless CHILDREN**

CHILDREN will fret, often for no  
apparent reason. But there's always  
Castoria! As harmless as the recipe  
on the wrapper, mild and bland as its  
tastes. But its gentle action soothes a  
youngster more surely than a more  
powerful medicine.

That's the beauty of this special  
children's remedy! It may be given the  
tiniest infant—as often as there is  
need. In cases of colic, diarrhea or  
similar disturbance, it is invaluable.  
A coated tongue calls for just a few drops  
to ward off constipation; so does any  
suggestion of bad breath. Whenever  
children don't eat well, don't rest well,  
or have any little upset—this pure  
vegetable preparation is usually all  
that's needed.

statute exempting him, such as the  
right of a person to refuse to give  
evidence that might incriminate him-  
self, the right of one spouse to de-  
cline to give evidence against the  
other, etc.

A man's duty to his country transcends  
his duty to his employer. A man's  
duty to assist in upholding the laws  
of his country when called upon by  
his country's legally constituted  
agencies to do so is certainly superior  
to any duty of secrecy that he may  
owe to any criminal or other private  
citizen. He has no right to hold  
as confidential, against the interests  
of his country or so as to defeat  
the ends of justice, any evidence  
that he may have in his possession  
however obtained, except in those  
particulars set out by statute. What  
would our newspaper friend think of  
a man who had in his possession  
evidence that might fix the identity  
of an assassin or a rapist or a hijacker,  
for instance, and declined to disclose  
such evidence to a grand jury on  
the grounds that it had been obtained  
in confidence? No man has any such  
right as against any law of the state  
of Colorado which is being distributed  
by that organization. This car was  
shipped to Tahoka and is being sent  
out to the different offices over the  
county to be given to those who have  
been getting aid through the Red Cross.

The News received a communication  
a few days ago from the Owen D.  
Young-for-President Club, Austin.  
We note that our senator, Hon. Pink  
Parrish, is a member and one of the  
directors of this club. Owen D. Young  
is admittedly a most excellent  
gentleman personally. But more  
distinctly than any other man who has  
been suggested for the Presidency  
in recent years perhaps, he is a  
representative of Big Business. He  
is a member of the board of directors  
of a number of the richest and most  
powerful corporations in America,  
such as General Electric, the Radio  
Corporation of America, and other  
power interests. If America wants  
a real business man for President,  
he's it. Politically, we understand  
that he is wet, although he is said  
to be opposed to the repeal of the  
Eighteenth Amendment. He is just  
such a man as William Jennings  
Bryan or Jim Hogg would have fought  
from Point Isabel to Cape Cod.

It is certainly regrettable that Tahoka  
offered no inducements whatever  
this year for the county inter-scholar-  
ship league to meet here again.  
Owing to our indifference the meet  
will go this year and next year to  
O'Donnell. Tahoka is almost exactly  
in the center of the county and has  
the largest school in the county, and  
yet we permit the meet to go to a  
school on the county line. Practically  
every school in the county will be  
represented at this meet with many  
students and their parents present,  
the various schools contesting in  
athletic and literary events. It's  
most unfortunate that Tahoka loses  
these meets.

Mr. Christopher of Lamesa has  
notified acquaintances here that he  
will be a candidate for Congress  
next year. Mr. Christopher announced  
for this office last year but later  
withdrew. He then devoted much  
time in the interest of Jimmie Allred  
for attorney general and was re-  
warded with an appointment as as-  
sistant attorney general, to the  
great surprise of many. Mr. Chris-  
topher seems to be guided by the

motto, "Not failure but low aim is  
crime".

Now is a good time to say again  
that voters should be careful next  
year to elect good and competent  
men to all the offices. Few things  
are more pitiful than to see an of-  
ficial floundering around not know-  
ing what it is all about.

Suspended sentences will not put  
the fear of the law into the heart  
of the thief or the bootlegger.

Officers should not become dis-  
couraged if all their work at times  
seems to come to naught.

**Wilson**

On Tuesday of this week Wilson  
received a truck load of potatoes  
from a car that was donated to the  
Red Cross by the producers in the  
state of Colorado which is being  
distributed by that organization.  
This car was shipped to Tahoka and  
is being sent out to the different of-  
fices over the county to be given to  
those who have been getting aid  
through the Red Cross.

Dr. Fry closed out a week of Bible  
teaching at the Baptist Church last  
Sunday. This was one of the finest  
things of its kind that we have ever  
had in Wilson. Not only did he in-  
struct along Bible lines but gave out  
a lot of good sound information as to  
how one should conduct himself al-  
ong other lines. Those who failed  
to hear him missed a great treat and  
those who did were benefitted a  
great deal. There were several addi-  
tions to the church at the close of  
the 11:00 o'clock service Sunday,  
and a large audience was in attend-  
ance. There were 181 in Sunday  
School and 105 in B. Y. P. U.

The monthly meeting of the Wil-  
son Singing Class met last Sunday,  
which was its regular meeting day,  
and a fine program was rendered.  
H. M. McEachern, supt. of the Wood-  
row school, acted as chairman and  
the following responded to invitations  
to lead songs of their choice: H. M.  
McEachern, Luther Rude, Earlene  
Tunnell, Buster Pitts, Clyde Jones,  
Walter Savall, Yates Key, Fred Far-  
ris, Miss Zelta Campbell, Miss Bet-  
tie King, Mrs. Fred Farrie, and R.  
C. Forrester. First, a prayer was led  
by Grandpa Kirkpatrick. Those ac-  
companying were Mrs. Earl Tunnell,  
Mrs. Clyde Shaw, Mrs. Campbell and  
Miss Maurine Leavett. We also en-  
joyed a number of special songs ren-  
dered in a fine way. Keep in mind  
next third Sunday at 3:00 P. M., and  
be on hand for you will have hearty  
welcome and hear some fine sing-  
ing. We had visitors from Morgan,  
Slaton, Joe Stokes, Dixie, and Wood-  
row. Graidpa Key dismissed with  
brief prayer.

W. A. Tadlock, who recently  
purchased what is known as the John-  
son home, moved his family into the  
same the first of the week. We have  
53 residences and out of that num-  
ber, 32 families occupy their own  
homes which we think is quite a bit  
above the average. We notice but  
seven vacant houses.

Mrs. G. W. Pilley, Mrs. Luther  
Bynum and family, Mr. George Pil-  
ley and family and Mrs. Edna  
Fertsch and family of Lubbock were  
guests in the F. R. Crews home last  
Sunday.

Mr. John Heck arrived home Sun-  
day after a week's visit to Winters,  
where he had gone to look after  
some urgent business.

Mr. and Mrs. L. H. Taylor of New  
Hope were visiting friends and re-  
latives here last week end.

Miss Pearl Forrester of Sparen-  
burg visited her mother, Mrs. W. L.  
Forrester, several hours Sunday.

Mr. and Mrs. Shaffner of Sparen-  
burg visited relatives west of our  
city Sunday.

Mr. B. J. Howell of Spur was a  
week end visitor over last week end.

Mrs. L. Lumsden and brother, Al-  
bert Dawson, left Monday morning  
for Fort Worth. The object of their  
trip was to bring their grandmother  
back to Wilson.

Friday, March 20, the Junior class  
of the Wilson High School is spon-  
soring a forty-two tournament at the  
High School. The admission will be  
25c. The Junior Class requests you  
to be present at 8:00 o'clock P. M.

**South Ward**

Brother D. D. Johnson, the Bap-  
tist missionary for this district, con-  
ducted a revival at South Ward, be-  
ginning Tuesday and ending Sunday.  
Brother Key led the singing. We had  
a great spiritual uplifting with  
several conversions.

Dr. A. F. Woods of Lubbock vis-  
ited Mr. and Mrs. Alex Taylor this  
week. Dr. Woods is Mrs. Taylor's  
father.

Mr. and Mrs. C. N. (Shorty)  
Woods of Brownfield and Mrs. D.  
D. Johnson of Tahoka visited Mr.  
and Mrs. Alex Taylor Sunday.

Mr. and Mrs. W. P. Inman and

about twenty-five people as dinner  
guests Sunday. Every one reported  
a wonderful time and plenty to eat.

Mrs. P. Redding is able to be up  
after a long siege of the "flu".

Mrs. Martha Carr White, wife of  
Mr. E. C. White, died in Lubbock  
Tuesday at 7:00 A. M. last week and  
was buried there at 10 A. M. Wed-  
nesday. She had been in Lubbock  
some time for mastoid treatment.

Mr. C. L. Carr has gone to Rock-  
wall to live with his grandmother.

Mrs. M. A. Wood left after Mr.  
J. C. Switzer's death last week to  
visit with Mr. and Mrs. Halbert  
Wood of O'Donnell.

Mrs. A. D. Gamble and children of  
Brownwood and Mr. J. C. Switzer  
and children of Blanket, Brown  
county, are visiting with Mr. J. C.  
Switzer and other relatives of this  
community.

Several from this community at-  
tended singing at Edith Sunday.  
—Reporter.

**Three Lakes**

(Delayed)  
The health of the people of our  
community is good, excepting that  
of G. M. Duckett, who has been on  
the sick list for several days but  
who is reported to be improving  
now.

I think we have one of the best  
rural schools in the country. I guess  
other people think the same about  
theirs, but ours is a success.

T. M. Ellis, Jr. is assessing the  
taxes and taking the school census  
for this school district this week.

Carroll Edwards spent several  
days in Crawford last week visiting  
his mother, who is very low.

Mr. and Mrs. Jake Ellis of Lamesa  
were visiting in the home of G.  
W. Hickerson and family Sunday.  
Mr. and Mrs. Hickerson are Mrs.  
Ellis' parents.

Mrs. Troy Edwards of Shallow-  
water is visiting her parents this  
week, Mr. and Mrs. Duckett.

The farmers here are almost idle  
at this time, as they have their  
land all prepared for planting. We  
are hoping for a big crop and a good  
price so we can quit bothering  
Hoover.—Reporter.

Capacity of the Sinclair plant on  
the Houston ship channel will be  
doubled with other improvements to  
cost \$4,000,000.

Texas produced 2,560,197 tons of  
sulphur in 1930, increase of 202,568  
tons over the 1929 total, value of  
1930 production being considerably  
more than \$30,000,000. The Texas  
output represents nearly all that  
produced in the United States and

about 90 per cent of the world total.  
Texas with 6,000 of the 40,000  
miles in the United States leads in  
gas pipe mileage. It also leads the  
24 gas producing states in produc-  
tion.

W. S. TAYLOR, Owner and Manager

**Certainly!**  
I can afford to feed

**RED CHAIN  
Dairy Ration**

**3 lbs. MORE of milk per day make  
it cost less than "cheap" feeds!**

A cow requires about one ton  
(20 bags) of RED CHAIN  
Dairy Ration per year.

An increase in milk of ONLY  
3 LBS. PER DAY (at \$2.00  
per 100 lbs.) amounts to  
\$18.00 in 300 milking days.

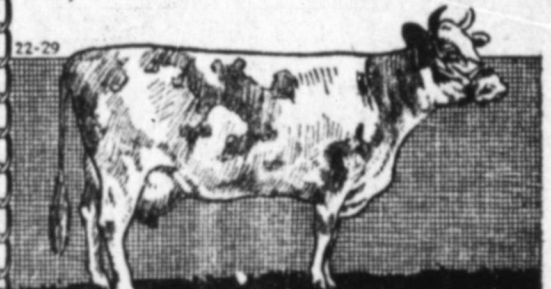

This will allow you to pay as  
much as 90c per bag more  
for RED CHAIN than for  
"cheap" feeds.

WHY GAMBLE—WHEN  
RED CHAIN IS SAFE  
AND SURE?

**FIGURE IT OUT  
FOR YOURSELF**

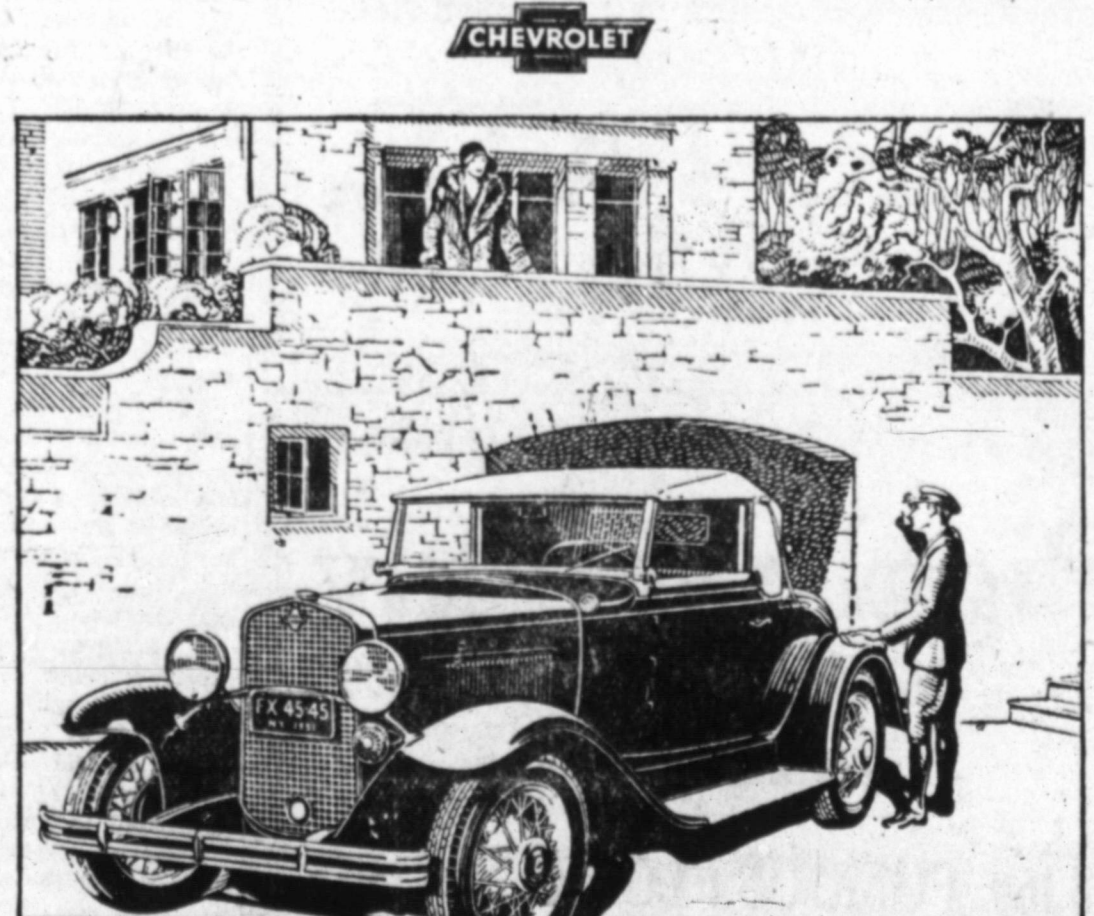

THERE'S no doubt about getting more milk  
from your cows when you feed RED CHAIN  
24% Dairy Ration. It is safe because it contains less  
concentrated meal than any other 24% dairy feed on  
the market, and its variety of proteins make it highly  
palatable, digestible and efficient.

When only three lbs. more of milk per day pays  
the difference between RED CHAIN and "cheap"  
feeds, can you afford not to feed RED CHAIN 24%  
Dairy Ration?

**Burleson  
Grain  
Company**

The New Chevrolet Convertible Cabriolet—Product of General Motors

**Consider what you get  
for what you pay**

Today, especially, it is wise to consider  
carefully just what you get for every dollar  
you pay. Be certain that the automobile  
you buy represents the latest standard of  
motor car value. Quality never cost less  
than it does in the new Chevrolet Six. And  
in the long run, quality makes a big differ-  
ence in the satisfaction you get out of  
the money you spend for an automobile.

You are hereby commanded to summon Cecelia Long, Louisa Cawein, Robert Becker, Mary Becker, Helen Becker, Katherine Becker, Louis Willman, Mathias Willman, Frederick Willman, Sophia T. Paine and her husband, W. Henry Paine, Anna Bircher and her husband, Wendelin Bircher, Matilda Clanton and her husband, James A. Clanton, Josephine Boyer and her husband, Henry F. Boyer, (7) Mrs. Ione Sugg and husband, Wiley Sugg, C. Roy Zeeb, John Zeeb, Blondina Chelew and husband, Arthur Chelew, (8) Jacob Zeeb, (9) the unknown heirs of F. Becker, deceased, (10) the unknown heirs of Adam Becker, deceased, (11) the unknown heirs of Maurice E. Becker, deceased, (12) the unknown heirs of Mrs. Blondina Willman, deceased, (13) the unknown heirs of Mrs. Lizzie Zeeb, deceased, (14) the unknown heirs of Eva Becker, deceased, (15) the unknown heirs of J. H. Cowan and Mary E. Cowan, both deceased, and (16) G. W. Small, Administrator of the Estate of F. Becker, deceased, as defendants; the cause of action alleged being as follows:

That during many years prior to July 3rd, 1922, C. C. Slaughter Company, of Dallas, Texas, was a corporation duly and legally organized under and existing pursuant to the laws of the State of Texas; that on said date its charter was forfeited by the Secretary of State without judicial ascertainment, as provided by law, for non-payment of its franchise tax; that said corporation was thus dissolved on said date, and has been dissolved at all times since then; that on said date the sole and only stockholders of said corporation were the following named parties, to-wit: R. L. (Bob) Slaughter, C. C. Slaughter, E. Dick Slaughter, Alex A. Slaughter, Minnie Slaughter Veal, joined by her husband, Geo. T. Veal, Dela Slaughter Wright, joined by her husband, G. G. Wright, Carrie Slaughter Dean, a widow, Nelle Slaughter DeLoache, joined by her husband, Ira P. DeLoache, Jo Dick Slaughter, Mrs. Allie D. Slaughter, a widow, Eloise Hill, joined by her husband, Curtis Hill, W. B. Handley, Trustee-Receiver of C. C. Slaughter Company, and H. C. Coke and J. W. Slaughter, Independent Executors of the Estate of Mrs. Carrie A. Slaughter, deceased, as plaintiffs, and (1) J. W. Elliott, W. D. Nevels, A. L. Lockwood, C. W. Slover, and S. D. Singleton, (2) Rubye Leedy and her husband, B. J. Leedy, Ivy Turrentine, Bessie Vandyke and her husband, J. L. Vandyke, Bertha Bryan and her

husband, O. B. Bryan, and J. B. Cowan, (3) Cecelia Long and Louisa Cawein, (4) Robert Becker, Mary Becker, Helen Becker, (5) Katherine Becker, (6) Louis Willman, Mathias Willman, Frederick Willman, Sophia T. Paine and her husband, W. Henry Paine, and Anna Bircher and her husband, Wendelin Bircher, Matilda Clanton and her husband, James A. Clanton, Josephine Boyer and her husband, Henry F. Boyer, (7) Mrs. Ione Sugg and husband, Wiley Sugg, C. Roy Zeeb, John Zeeb, Blondina Chelew and husband, Arthur Chelew, (8) Jacob Zeeb, (9) the unknown heirs of F. Becker, deceased, (10) the unknown heirs of Adam Becker, deceased, (11) the unknown heirs of Maurice E. Becker, deceased, (12) the unknown heirs of Mrs. Blondina Willman, deceased, (13) the unknown heirs of Mrs. Lizzie Zeeb, deceased, (14) the unknown heirs of Eva Becker, deceased, (15) the unknown heirs of J. H. Cowan and Mary E. Cowan, both deceased, and (16) G. W. Small, Administrator of the Estate of F. Becker, deceased, as defendants; the cause of action alleged being as follows:

That during many years prior to July 3rd, 1922, C. C. Slaughter Company, of Dallas, Texas, was a corporation duly and legally organized under and existing pursuant to the laws of the State of Texas; that on said date its charter was forfeited by the Secretary of State without judicial ascertainment, as provided by law, for non-payment of its franchise tax; that said corporation was thus dissolved on said date, and has been dissolved at all times since then; that on said date the sole and only stockholders of said corporation were the following named parties, to-wit: R. L. (Bob) Slaughter, C. C. Slaughter, E. Dick Slaughter, Alex A. Slaughter, Minnie Slaughter Veal, Dela Slaughter Wright, joined by her husband, G. G. Wright, Carrie Slaughter Dean, a widow, Nelle Slaughter DeLoache, Jo Dick Slaughter, Mrs. Allie D. Slaughter, and Eloise Slaughter, now the wife of Curtis Hill, and Mrs. Carrie A. Slaughter; that Mrs. Carrie A. Slaughter died on the 1st day of January, 1928, leaving a written will, which was duly admitted to probate in the County and District Courts of Dallas County, Texas, in Cause No. 11968, styled in the Matter of the Estate of Mrs. Carrie A. Slaughter, deceased, that under the terms of said will the interest of Mrs. Carrie A. Slaughter, deceased, in the subject matter of this suit

passed to and vested in C. C. Slaughter, Alex A. Slaughter, Carrie Slaughter Dean and Nelle Slaughter DeLoache, in equal portions, one-fourth each; that under the terms of said will Henry C. Coke and J. W. Slaughter, of Dallas, Texas, were appointed Independent Executors and were duly confirmed by the courts in the order admitting said will to probate; that the said Executors have long since ceased to function, having heretofore fully administered the estate of Carrie A. Slaughter, deceased, and distributed the same among the parties entitled to receive it, but said Executors join in this suit as plaintiffs.

That Mary E. Cowan, community survivor of the estate of herself and J. H. Cowan, deceased, died more than four years ago; that no administration on her estate in pending, there being absent any necessity for such administration; that J. H. Cowan died more than four years ago and no administration on his estate is pending, there being absent any necessity for such administration; that Rubye Leedy, Ivy Turrentine, Bessie Vandyke, Bertha Bryan and J. B. Cowan claim to be the sole and only heirs at law of said J. H. Cowan and Mary E. Cowan, both deceased.

That W. B. Handley is the duly appointed, qualified and acting Trustee-Receiver of C. C. Slaughter Company, a dissolved corporation, having been so appointed and qualified by an order entered by the District Court of Dallas County, 95th Judicial District of Texas, on November 14th, 1928, in Cause No. 42055-A styled Mrs. Carrie Slaughter Dean, et al vs. Mrs. Carrie Averill Slaughter, et al.

That F. Becker died during the month of December, 1922 and at the time of his death was a resident of Lynn County, Texas; that G. W. Small was appointed Administrator of his estate and duly qualified as such under certain orders made by the County Court of Lynn County, Texas, in Probate Cause No. 92; that said administration was closed during the latter part of 1928; that the defendants named in sub-sections (3) to (8), both inclusive, above, except such defendants who are designated as husbands of certain female defendants, claim to be the sole and only heirs at law of F. Becker, deceased; that Cecelia Long and Louisa Cawein claim to be the sole and only living children of Adam Becker, an

alleged brother of F. Becker, deceased, and that Adam Becker died November 18th, 1917, and Robert Becker, Mary Becker and Helen Becker and Katherine Becker, surviving wife of Maurice E. Becker, deceased, alleged to be a son of Adam Becker, claim to be the sole and only heirs to Maurice E. Becker, deceased, and these defendants, that is, Cecelia Long, Louisa Cawein, Robert Becker, Mary Becker, Helen Becker and Katherine Becker, claim to be the sole and only heirs at law of Adam Becker, deceased; that Louis Willman Mathias Willman, Frederick Willman, Matilda Clanton, Sophia T. Paine, Josephine Boyer, and Anna Bircher, claim to be the only living children of Mrs. Blondina Willman, alleged to have been a sister of F. Becker, deceased, and it is alleged that Mrs. Blondina Willman died before F. Becker died, and Blondina Chelew, Ione Sugg, C. Roy Zeeb, and John Zeeb claim to be the sole and only heirs at law of Mrs. Lizzie Zeeb, deceased, a daughter of Mrs. Blondina Willman, and these defendants along with John Zeeb, surviving husband of Mrs. Lizzie Zeeb, claim to be the sole and only heirs at law of Mrs. Blondina Willman; that there is no administration pending on the estates of Adam Becker, deceased, Maurice E. Becker, deceased, Mrs. Blondina Willman, deceased, Mrs. Lizzie Zeeb, deceased, and Eva Becker, deceased, or either of such estates, there being no necessity for any administration on the estates of such deceased persons, or any of them.

That heretofore, to-wit, on the 19th day of March, 1921, at the March, 1921, term of this Court, in a certain cause therein pending, No. 370 on the docket of this court, wherein J. W. Elliott, W. D. Nevels, A. L. Lockwood, C. W. Slover, S. D. Singleton, F. Becker and Mary E. Cowan, survivor of the community estate of herself and J. H. Cowan, deceased, were plaintiffs, and C. C. Slaughter Company, a corporation, was defendant, the said defendant in said cause recovered a judgment against the said plaintiffs foreclosing its equitable lien for Eighteen Thousand Six Hundred Forty-seven and 18-100 (\$18,647.18) Dollars, together with interest on said amount at the rate of ten per cent per annum from March 19th, 1921, and all costs of suit, upon the following described tracts of land, situated in Lynn County, Texas, to-wit:

**FIRST TRACT:** All of Survey No. Four (4), Block D-20, Certificate No. 4-418, Abstract No. 646, containing 640 acres of land.

**SECOND TRACT:** 440 acres out of Survey No. Fourteen (14) in Block No. Seven (7), Certificate No. Six Hundred Twenty Four (624), E. L. & R. R. Co., being all of said survey save and except 200 acres thereof, described by metes and bounds as follows, to-wit: BEGINNING at the S. W. Corner of said Sur. No. 14 for S. W. Corner; THENCE North on West line of said Survey 1129 vrs. to a point for N.W. cor. of said 200 acres; THENCE East parallel with the South line of said Sur. 1000vrs. to a point for N. E. Corner of said 200 acres; THENCE South parallel with West line of said Sur. to the South line of same 1120 vrs. for S. E. Corner of said 200 acres; THENCE West on S. Line of said Survey 1000 vrs. to the place of beginning.

**THIRD TRACT:** Survey No. Twenty Three (23), Block 7, Certificate No. Five Hundred Twenty Five (525) or No. Six Hundred Twenty Five (625), Abstract No. 401, containing 640 acres of land.

**FOURTH TRACT:** The Northeast one-fourth (NE 1/4) of Survey No. Two (2), Block C-42, Abstract No. 1062, containing 160 acres of land.

That the record and proceedings in said Cause No. 370, including said judgment is on file and of record in the office of the Clerk of this court, District Clerk of Lynn County, Texas, the same being hereby referred to and adopted and made a part of this pleading.

That execution (order of sale) was not issued on said judgment within twelve months after the rendition thereof, nor has any been issued at any time since such rendition.

That said judgment has not been paid, in whole or in part, and still remains in full force and effect, and has not been reversed or otherwise vacated, and by reason of the premises plaintiffs have and hold a valid and subsisting lien on said land for the amount of said judgment, with interest thereon as provided for thereby, together with all costs of suit, and the defendants have wholly failed and refused, and still refuse, to discharge said judgment, principal, interest and costs, as provided for thereby.

Plaintiffs pray that each of the defendants be duly cited to appear and answer herein, and that upon a

final hearing hereof they have and recover judgment for the amount of said lien, \$18,647.18, with interest and costs of suit, as provided for by the judgment rendered in said cause No. 370, and that such lien be foreclosed and the land ordered sold as provided by law, or in the alternative that said judgment heretofore rendered in said Cause No. 370 be revived as provided by law, and the issuance of execution (order of sale) thereon be ordered and plaintiffs also pray for such other and further relief, general and special, at law and in equity, as they may be entitled under the facts and law applicable thereto, and in duty bound will ever pray.

You are commanded to summon such defendants, and each of them, and to serve this citation by making publication of this citation once in each week for four (4) consecutive weeks previous to the return day hereof in some newspaper published in your County, but if there be no newspaper published in said County, then in any newspaper published in the nearest county where a newspaper is published.

HEREIN FAIL NOT, but have you before said Court on the first day of the next Term thereof this writ, with your return thereon showing how you have executed same.

WITNESS: W. S. Taylor, Clerk of the District Court of Lynn County, Texas.

GIVEN UNDER MY HAND AND SEAL OF SAID COURT at Tahoka, in Lynn County, Texas, at my office at the Courthouse this 9th day of March, A. D. 1931.

W. S. TAYLOR, Clerk District Court, Lynn County, Texas. (SEAL)

30-4tc.

**NOTICE: ALL RURAL SCHOOLS**

College entrance examinations will be held April 28, 29, 30. If there are any students in any unaccredited school wishing to take these examinations the student or teacher should see me at once so proper provision may be made for the examination. Credits made by these examinations are good any where and many students of the county should take this opportunity of making their credits. This is more important than ever since the State Board is requiring affiliated schools to be stricter in their requirements of students.

H. P. Caviness, Co. Supt.

## SOCIETY

Club and Church News

### HI-LEAGUE HOLDS HOBO CONVENTION

The Epworth Hi-Leaguers met at the Methodist Church on Saturday night for a Hobo Convention. The church was decorated to represent a moonlight camp. In the center of the room a campfire was built, scattering radiance over the room. The moon was shining very brightly upon the hoboes gathered around the campfire. For fear the moon would be lonesome four little stars were shining.

All Leaguers were dressed in hobo fashion. A prize for the best costume was awarded to Ruth Suddarth.

The convention was called to order by Mr. M. J. Weaver, father of the convention. Kenneth Reid was

electd as president. Many of the members were disqualified as candidates for they had bathed within the last month, shaved and washed their socks. No secretary could be nominated because all the hoboes could not read or write, except the president, Kenneth Reid.

Refreshments of cornbread and beans with coffee, without cream or sugar, were served to thirty-five hoboes.

### TAHOKA WON TRACE MEET MEET AT O'DONNELL SAT.

Tahoka High School's track team ran away with the honors by a big margin in the three-cornered track meet held in O'Donnell Saturday and participated in by Brownfield, O'Donnell and Tahoka. Weir Washam's charges scored a total of 72 points. Brownfield was second with 50 points.

We were not furnished with details of the meet.

Mr. and Mrs. D. W. Gagnat visited relatives at Longview the first of this week.

### MRS. STORY ENTERTAINS THE ALL-SEW CLUB

The All-Sew Club met with Mrs. H. C. Story Wednesday, March 18. After spending a few hours sewing and chatting, refreshments were passed to Mesdames Belton Howell, C. A. Thomas, C. B. Keltner, Fred Bucy, D. B. English, A. L. Lockwood, F. E. Redwine, Claude Wells, and W. C. Wells.

Guests were: Mesdames J. H. Bulman, G. W. Small, Seroyer and Miss Marjorie Wells.

### TAHOKA HOME DEMONSTRATION CLUB MET LAST WEEK

The Tahoka Home Demonstration Club met Wednesday afternoon March 11, at the American Legion Home. The house was called to order by the president. Our secretary being absent, Mrs. Penton was asked to act in her place. Several members were absent, but six or seven new members were added. There were 25 present.

The subject for the afternoon was "Refinishing Floors". We had a round table discussion of paint and varnish removing; and Miss Greenwood gave an interesting discussion on refinishing floors. She showed samples of woods finished in different varnishes and in different treatments of same varnishes. She also discussed the different floor finishes and gave recipes for the varnish remover, floor finishes and

### Wilson Defeats Meadow in Dual Meet Friday

In a dual interscholastic League meet held at Wilson Friday and Saturday between Wilson and Meadow Wilson won 9 first places in literary events while Meadow was winning 7. In athletic events Wilson won 6 places and Meadow won 3. Wilson a total of 15 first places and Meadow won a total of 10 first places.

Meadow was the winner of the Junior track meet. Duke of Meadow was high point man with 12 points to his credit. Zorns of Meadow was second with 11 points.

Wilson won the senior track meet. L. H. Traveek of Wilson was high point man, winning three first places and one second giving him a total of 18 points. Werner Mueller of Wilson was second winning 10 points.

Judge and Mrs. G. H. Nelson and little Wilella left Wednesday to visit their parents in Hopkins and Cass counties.

### O'DONNELL TO ENTERTAIN INTERSCHOLASTIC LEAGUE

(O'Donnell Index)

Contrary to plans announced last week, it was decided Monday that O'Donnell instead of Tahoka will entertain the county interscholastic League meet here March 27 and 28.

For several years it has been the custom for the meet to be held in Tahoka because of its central location, but that city seemed to feel unable, or to be unwilling to care for it this year, and O'Donnell merchants at once got busy on the job of bringing it here.

The Chamber of Commerce sponsored the movement to bring the meet to O'Donnell this year, and that organization together with other business men will underwrite the expenses.

It is estimated that approximately seventy-five dollars will be needed to defray the expenses which will include medals, pennants, and in securing judges for the various literary events. It is expected that a portion of that sum will be raised by popular contribution, though other plans are being considered.

This will be one of the biggest things O'Donnell has ever undertaken and will mean much to the town as a whole. Aside from the immense crowds which will be here for the contests, the school will benefit from the equipment which will be erected. Tennis courts with backstops, hurdles, and various other pieces of such equipment will be used this year during the meet and will be left for the convenience of the local school. Such equipment will be the solution to what becomes of perhaps sixty per cent of the funds raised.

About half the amount has already been raised, and the remainder will probably be raised this week.

**A ROTTEN ROOTER**

"My Johnny got bunged up at the football game. He broke an arm and wrenched his shoulder, not to mention the bruises."

"But I didn't know he played football."

"He doesn't. He got into the wrong rooting section."

**HIS ASSIGNMENT**

"I have a job for you, Mr. Grafix," said the editor to the new reporter. "Are you married?"

"No, sir."

"I thought not. Get married instantly, and let me have three columns by ten o'clock on how to manage a wife."

### NOTICE OF SCHOOL TRUSTEE ELECTION

Notice is hereby given that an election will be held at the Court House in the town of Tahoka on the first Saturday in April A. D. 1931, the same being the 4th day of said month, for the purpose of electing four trustees for the Tahoka Independent School District two of whom are to serve for a term of two years and two for a term of three years.

J. K. Callaway is hereby appointed manager of said election and the same shall be held in accordance with the statutes of the state of Texas governing such elections. All persons who shall have attained the age of twenty-one years and who are qualified to vote for members of the legislature shall have the right to vote in said election; provided that they shall have resided in the county six months and in the district ten days prior to said election. The polls of said election shall be opened at 8 o'clock A. M. and shall close at 7 o'clock P. M.

Passed and approved by the Board of Trustees of the Tahoka Independent School District this 10th day of March A. D. 1931.

R. C. WOOD, President of School Board.

J. N. THOMAS, Secretary. 30-3tc

**CARD OF THANKS**

We sincerely thank the many friends and neighbors for the assistance rendered and the sympathy expressed in many ways upon the death of our brother and uncle, Theodore Harris. They were exceedingly kind to us and we appreciate their kindness.

### Iowa Brothers Set New World's Record in Ford

Governor John Hammill of Iowa (left) and Walter Ferrell, executive secretary of the Iowa chapter of the American Automobile Association (extreme right), congratulating the Davis brothers on the establishment of a new world non-motor, non-wheel stop automobile endurance record.

IOWA state officials and civic leaders witnessed the establishment of a new world's non-motor, non-wheel stop automobile endurance record recently, when Ralph and Roland Davis, brothers, brought their Model A Ford to a halt at the east entrance of the state capitol in Des Moines after 2,775 hours and 46 minutes of continuous driving.

When Governor Hammill, standing with Walter Ferrell, executive secretary of the Iowa Chapter of the American Automobile Association, gave the signal to stop, the Ford had traveled a total of 47,138.3 miles over all sorts of roads in all sorts of weather and had exceeded by 33,689 miles and more than 2,335 hours the American non-stop endurance record which, therefore officially recognized, was made by a much heavier, car under almost ideal conditions on the Indianapolis speedway last year. In the course of the endurance run, the car, known as "The City of Des Moines," covered practically the entire state of Iowa.

Engineers who examined the Ford at the conclusion of the run asserted that neither engine nor chassis showed evidence of the grueling strains to which they were subjected during the 116 days of continuous driving. Both apparently, according to the engineers, would have been good for another 50,000 miles or more.

Opinions  
Of Our  
Readers

Fred Mathews Analyzes Political Situation.

Fred Mathews, who reads everything of a political nature voraciously and who is possibly as well informed as any other man in Lynn county with respect to the political situation in each of our forty-eight states, has submitted to us the following facts and comments relating to the political prospects for the year 1932.

"As a result of the elections last November and the carry-overs," Fred points out, "we now have twenty-five Democratic governors, twenty-one Republican governors, one Independent governor, and one Farm Labor governor; Julius L. Meier of Oregon being the Independent, and Floyd B. Olsen of Minnesota being the Farm Labor governor. One governor, Emerson of Wyoming, Republican, has died but is succeeded by a Republican.

"We have 48 Republican Senators, 47 Democratic Senators, and one Farm Labor Senator. The Republican Senator, Frank L. Greene, of Vermont, and Democratic Senator, Lee S. Overman, of North Carolina, have died since the election but each

was succeeded by a member of his own party.

"In the House, 218 Republican Congressmen, 216 Democratic Congressmen, and 1 Farm Labor Congressman were elected. Seven of this number have died and three or four of the vacancies have been filled.

"The personnel and political complexion of our Senate and House are practically the same as last November.

"Now, if states having Democratic governors should cast their electoral votes next year for the Democratic nominee for President, then the Democratic candidate would receive 283 electoral votes.

"If states having two Democratic Senators should cast their full electoral vote for a Democrat for President and states having one Democratic Senator should cast one-half of their electoral votes for a Democrat, then the Democratic candidate would receive 302 electoral votes.

"If states in which a majority of their Congressmen are Democrats cast their full electoral vote for the Democratic candidate and states in which half of their Congressmen are Democrats cast half their electoral votes for the Democratic candidate, then the Democrat would receive 247 electoral votes.

"It is necessary for a Presidential candidate to receive 266 electoral votes to win.

"For the first time in fifteen years, the Democrats seem to be in the lead.

"California and Maryland have split their electoral votes several times. Other states have done the same in close elections."

So Fred concludes that the Democrats have the best chance to win next year that they have had since 1916 if they will but work and fight together.

Motor Transportation Under Fire From Railroads

(By H. A. Maasen)

All of those who use either the commercially or private owned motor truck, bus or automobile in the state of Texas are today faced with a demand from the railroad interests that more regulation and more taxation shall be applied to these motor vehicles in order to give the railroads "equality of competition".

The railroads centering in Chicago have announced that they are taking steps to encourage the enactment of laws in the states in which they operate providing for restrictions on the weight, size, load and speed of motor vehicles and for higher taxation.

The railroads insist that it is the common carrier that is hurting them but the public should bear in mind that the common carrier truck represents not more than 5 to 10 per cent of the 3,500,000 motor trucks in operation, and handles from 15 to 20 per cent of the 2 per cent of the freight ton mileage of the country handled by trucks.

The railroads are seeking stricter regulation of the motor truck, but regulating the common and contract carrier will not force this business back to the railroads because no matter how much these vehicles are regulated, they still have the private carrier as a competitor. If necessary the shipper will buy new or second hand trucks and haul the goods himself, because the railroads can't give him the service on rails.

The railroads charge that the truck and bus do not pay for the roads they use. Statistics show that the average truck owner in the United States pays twice as much for his registration permit as does the owner of a private car and eighteen times as much if he is a common carrier and owns at least a three ton truck.

Motorists in the United States are paying over a billion dollars annually in special taxes alone, or two-thirds of all the annual rural road improvements costs. Of this total more than \$500,000,000.00 was paid in gasoline taxes alone. Not only are these taxes levied in every state but every increase hits every private automobile and private truck owner, as well as the commercial hauler. Yet the tax grabber would force these rates ever higher, and divert the funds from their legitimate purpose, road development, to a dozen unrelated uses.

The railroads make the charge that they are being subjected to un-

fair discrimination by being required to contribute heavily to the cost of highways for the use of their competitors. The fact is that twenty-one states, including Texas, no longer levy general property taxes or make appropriations for state highways from their general funds so this complaint has no application in this state.

The public pays for railroads in the form of rates just as it is paying for the highways in the form of taxes and the evidence is that the public wants and needs both forms.

Can the people in the state of Texas afford to allow the truck to be forced off the highway or pay a tax that will force them to charge higher rates? In either instance the public must pay the cost.

I would earnestly urge all classes of motor users to write to their representatives and senators protesting against this campaign to raise the cost of highway transportation so that those who travel by bus or ship by truck will have to pay at least as much as if they used the railroads.

Sweet Potatoes Do Well Here

(By BEN MOORE)

The sweet potato is one of the most profitable food crops for this section notwithstanding the fact that it is often suggested that potatoes cannot be successfully stored without the use of curing plants. Seed should be bedded in the near future. Beds should be about 8 inches deep in order to leave depression for holding water after bed is finished. Contrary to the general belief that seed should be small, there should be no objection to good sized potatoes. We cut the larger ones in halves turning the cut side down. By following this method it will be seen that almost twice the number of slips may be secured from the same amount of potatoes not planted in halves.

Upon careful examination it will be observed that almost all planting seed are infested with weevils to some extent. In order to avoid damage to the crop which is to be stored for winter use it is advisable to make a second planting from cuttings secured from original planting and planted some distance from those which might be infested.

We do not experience any difficulty in keeping our potatoes late in season. Climate is too severe in this section to warrant storing in old fashioned way; that is, under stalks, dirt, etc. Potatoes should be dug and left in small piles in patch for a week or so. Some will turn greenish in color but this does not detract from their flavor. Every day of sunshine adds to their sweetness. This is a dangerous practice if followed when there is danger of frost since a temperature of as low as 40 degrees might prove disastrous. We like to secure onion crates and remove potatoes to the cellar when weather is likely to change at night, setting them out in the open during the day for a week or ten days before final storing in these or similar crates in order that proper ventilation will be had at all times, which is the principal secret of their preservation. Care should be exercised in removing all bruised potatoes from sound stock as one decaying will likely destroy a whole crate before discovered.

Aches and PAINS!

When you take Bayer Aspirin you are sure of two things. It's sure relief, and it's harmless. Those tablets with the Bayer cross do not hurt the heart. Take them whenever you suffer from

- Headaches
- Colds

We had a good many visitors with us last Sunday afternoon and evening singings.

Tommie Holcomb of Long Beach, California, is spending a few weeks, on account of his health, with his cousin, Carl Sanders.

H. O. Hargett and family were in Lubbock Wednesday on a business trip.

There was a nice crowd at Sunday School and church Sunday. Mr. Reed delivered a good sermon. There are still a good many in this community who are not going to Sunday School. Everyone come at 10 o'clock.

O. L. Sanders and family spent Sunday with Mrs. Lillie Sanders west of Tahoka.

C. M. Finch T. I. Tippit and H. O. Hargett made a business trip to New Mexico one day last week.

Leslie Bradford from Waco spent a few days of last week with his sister, Mrs. E. S. Tippit, and family.

Mr. Martin of Ragtown and H. H. Dearman went to Brownfield Saturday.—Reporter.

Forty-nine Texas counties had producing oil wells and fourteen producing gas wells, according to the

Oil and Gas division of the State Railroad Commission. During the year 4,361 oil wells, and 356 gas wells were brought in, and 2,889 wells were sunk without finding production.

BACKACHE SPELLS

This Lady's Husband Urged Her To Take Cardui.—Soon Benefited.

Troy, Ala.—"Cardui has done me good, and it has done my 16-year-old daughter so much good," says Mrs. J. W. J. Wright, of this place, "that I felt I wanted other women to know the facts about it, so I wrote to The Chattanooga Medicine Co., telling them about my experience with this medicine, Cardui."

"I have used it at intervals for sixteen years, when I suffered from weakness, and it always helped me."

"Mostly I was afflicted with bad spells of backache. At times I felt as if my back would break. I would drag one foot after the other, in a helpless sort of way, and once I got down in bed. My husband urged me to take Cardui, and I soon found what a fine medicine it really was. "When my second child was little, I was in very bad health. I did not pick up as I should have. I was weak and sickly. I do not believe that I would have come through, but for Cardui."

Thousands of other women have written to tell how Cardui had helped them to health.

Cardui is a purely vegetable remedy and contains nothing harmful or injurious. It may be safely taken by a delicate young girl as well as by a feeble old lady.

Like Tea . . . the best Gasoline is Blended

EVEN the Japanese maiden who laboriously picks the tea leaves knows that before you sip the delicate beverage from your cup, leaves of another type of tea must be added, for the best tea invariably are blended.

When the tea merchant takes a quantity of Japanese tea, a bit of China tea, and a touch of Ceylonese, then blends them according to the dictates of his expert knowledge, he parallels the making of CONOCO Gasoline. For this is a blended gasoline. It is blended because this is the only method which brings together in one fuel the desirable properties of several types of gasoline. No one type of gasoline can contain them all.

CONOCO refiners use: Natural Gasoline, for quick starting; Straight-run Gasoline, for power and long mileage; Cracked Gasoline, for its anti-knock properties.

There is no secret formula covering the elements which compose this triple-test gasoline. The secret is in the knowledge behind the blending. Knowing how makes one tea blend better than all others . . . and knowing how places one gasoline in a distinct quality class. Experience the performance advantages of CONOCO Blended Gasoline. You'll find it wherever the CONOCO Red Triangle is displayed.

## SOCIETY

Club and Church News

### HI-LEAGUE HOLDS HOBO CONVENTION

The Epworth Hi-Leaguers met at the Methodist Church on Saturday night for a Hobo Convention.

The church was decorated to represent a moonlight camp. In the center of the room a campfire was built, scattering radiance over the room. The moon was shining very brightly upon the hoboes gathered around the campfire. For fear the moon would be lonesome four little stars were shining.

All Leaguers were dressed in hobo fashion. A prize for the best costume was awarded to Ruth Suddarth.

The convention was called to order by Mr. M. J. Weaver, father of the convention. Kenneth Reid was

selected as president. Many of the members were disqualified as candidates for they had bathed within the last month, shaved and washed their socks. No secretary could be nominated because all the hoboes could not read or write, except the president, Kenneth Reid.

Refreshments of cornbread and beans with coffee, without cream or sugar, were served to thirty-five hoboes.

### TAHOKA WON TRACE MEET MEET AT O'DONNELL SAT.

Tahoka High School's track team ran away with the honors by a big margin in the three-cornered track meet held in O'Donnell Saturday and participated in by Brownfield, O'Donnell and Tahoka. Weir Washam's charges scored a total of 72 points. Brownfield was second with 50 points.

We were not furnished with details of the meet.

Mr. and Mrs. D. W. Gaignat visited relatives at Longview the first of this week.

### MRS. STORY ENTERTAINS THE ALL-SEW CLUB

The All-Sew Club met with Mrs. H. C. Story Wednesday, March 18. After spending a few hours sewing and chatting, refreshments were passed to Mesdames Belton Howell, C. A. Thomas, C. B. Keltner, Fred Bucy, D. B. English, A. L. Lockwood, F. E. Redwine, Claude Wells, and W. C. Wells.

Guests were: Mesdames J. H. Bulman, G. W. Small, Seroyer and Miss Marjorie Wells.

### TAHOKA HOME DEMONSTRATION CLUB MET LAST WEEK

The Tahoka Home Demonstration Club met Wednesday afternoon March 11, at the American Legion Home. The house was called to order by the president. Our secretary being absent, Mrs. Fenton was asked to act in her place. Several members were absent, but six or seven new members were added. There were 25 present.

The subject for the afternoon was "Refinishing Floors". We had a round table discussion of paint and varnish removing; and Miss Greenwood gave an interesting discussion on refinishing floors. She showed samples of woods finished in different varnishes and in different treatments of same varnishes. She also discussed the different floor finishes and gave recipes for the varnish remover, floor finishes and

### WILSON DEFEATS MEADOW IN DUAL MEET FRIDAY

In a dual interscholastic League meet held at Wilson Friday and Saturday between Wilson and Meadow Wilson won 9 first places in literary events while Meadow was winning 7. In athletic events Wilson won 6 places and Meadow won 3. Wilson a total of 15 first places and Meadow won a total of 10 first places.

Meadow was the winner of the Junior track meet. Duke of Meadow was high point man with 12 points to his credit. Zorns of Meadow was second with 11 points.

Wilson won the senior track meet. L. H. Traweck of Wilson was high point man, winning three first places and one second giving him a total of 18 points. Werner Mueller of Wilson was second winning 10 points.

Judge and Mrs. G. H. Nelson and little Willetta left Wednesday to visit their parents in Hopkins and Cass counties.

Wilson won the senior track meet. L. H. Traweck of Wilson was high point man, winning three first places and one second giving him a total of 18 points. Werner Mueller of Wilson was second winning 10 points.

Judge and Mrs. G. H. Nelson and little Willetta left Wednesday to visit their parents in Hopkins and Cass counties.

### O'DONNELL TO ENTERTAIN INTERSCHOLASTIC LEAGUE

(O'Donnell Index)  
Contrary to plans announced last week, it was decided Monday that O'Donnell instead of Tahoka will entertain the county interscholastic League meet here March 27 and 28.

For several years it has been the custom for the meet to be held in Tahoka because of its central location, but that city seemed to feel unable, or to be unwilling to care for it this year, and O'Donnell merchants at once got busy on the job of bringing it here.

The Chamber of Commerce sponsored the movement to bring the meet to O'Donnell this year, and that organization together with other business men will underwrite the expenses.

It is estimated that approximately seventy-five dollars will be needed to defray the expenses which will include medals, pennants, and in securing judges for the various literary events. It is expected that a portion of that sum will be raised by popular contribution, though other plans are being considered.

This will be one of the biggest things O'Donnell has ever undertaken and will mean much to the town as a whole. Aside from the immense crowds which will be here for the contests, the school will benefit from the equipment which will be erected. Tennis courts with backstops, hurdles, and various other pieces of such equipment will be used this year during the meet and will be left for the convenience of the local school. Such equipment will be the solution to what becomes of perhaps sixty per cent of the funds raised.

About half the amount has already been raised, and the remainder will probably be raised this week.

### HIS ASSIGNMENT

"I have a job for you, Mr. Graftix," said the editor to the new reporter. "Are you married?"

"No, sir."  
"I thought not. Get married instantly, and let me have three columns by ten o'clock on how to manage a wife."

### NOTICE OF SCHOOL TRUSTEE ELECTION

Notice is hereby given that an election will be held at the Court House in the town of Tahoka on the first Saturday in April A. D. 1931, the same being the 4th day of said month, for the purpose of electing four trustees for the Tahoka Independent School District two of whom are to serve for a term of two years and two for a term of three years.

J. K. Callaway is hereby appointed manager of said election and the same shall be held in accordance with the statutes of the state of Texas governing such elections. All persons who shall have attained the age of twenty-one years and who are qualified to vote for members of the legislature shall have the right to vote in said election; provided that they shall have resided in the county six months, and in the district ten days prior to said election. The polls of said election shall be opened at 8 o'clock A. M. and shall close at 7 o'clock P. M.

Passed and approved by the Board of Trustees of the Tahoka Independent School District this the 10th day of March A. D. 1931.

R. C. WOOD, President of School Board.  
J. N. THOMAS, Secretary. 30-3tc

### CARD OF THANKS

We sincerely thank the many friends and neighbors for the assistance rendered and the sympathy expressed in many ways upon the death of our brother and uncle, Theodore Harris. They were exceedingly kind to us and we appreciate their kindness.

Mrs. Florence King,  
Mrs. Zoe Lowrey,  
R. L. King,  
Guy R. King.

### A ROTTEN ROOTER

"My, Johnny got bunged up at the football game. He broke an arm and wrenched his shoulder, not to mention the bruises."

"But I didn't know he played football."

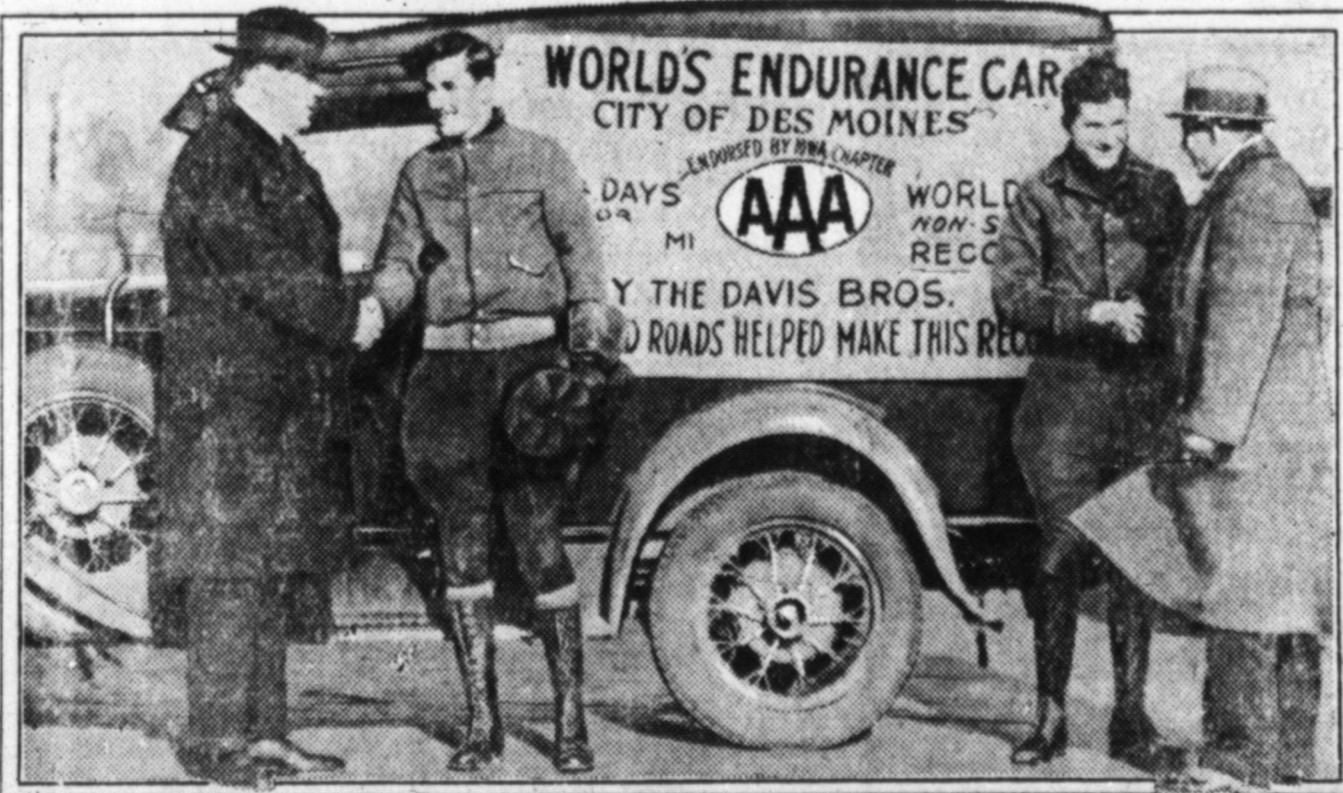

"He doesn't. He got into the wrong rooting section."

## Iowa Brothers Set New World's Record in Ford

Governor John Hammill of Iowa (left) and Walter Ferrell, executive secretary of the Iowa chapter of the American Automobile Association (extreme right), congratulating the Davis brothers on the establishment of a new world's non-motor, non-wheel stop automobile endurance record.

IOWA state officials and civic leaders witnessed the establishment of a new world's non-motor, non-wheel stop automobile endurance record recently, when Ralph and Roland Davis, brothers, brought their Model A Ford to a halt at the east entrance of the state capitol in Des Moines after 2,775 hours and 46 minutes of continuous driving.

When Governor Hammill, standing with Walter Ferrell, executive secretary of the Iowa Chapter of the American Automobile Association, gave the signal to stop, the Ford had traveled a total of 47,138.3 miles over all sorts of roads and all sorts of weather and had exceeded by 33,680 miles

and more than 2,235 hours the American non-stop endurance record which, theretofore officially recognized, was made by a much heavier car under almost ideal conditions on the Indianapolis speedway last year. In the course of the endurance run, the car, known as "The City of Des Moines," covered practically the entire state of Iowa.

Engineers who examined the Ford at the conclusion of the run asserted that neither engine nor chassis showed evidence of the grueling strains to which they were subjected during the 116 days of continuous driving. Both apparently, according to the engineers, would have been good for another 50,000 miles or more.

Opinions  
Of Our  
Readers

**Fred Mathews. Analyzes Political Situation.**

Fred Mathews, who reads everything of a political nature voraciously and who is possibly as well informed as any other man in Lynn county with respect to the political situation in each of our forty-eight states, has submitted to us the following facts and comments relating to the political prospects for the year 1932.

"As a result of the elections last November and the carry-overs", Fred points out, "we now have twenty-five Democratic governors, twenty-one Republican governors, one Independent governor, and one Farm Labor governor; Julius L. Meier of Oregon being the Independent, and Floyd B. Olsen of Minnesota being the Farm Labor governor. One governor, Emerson of Wyoming, Republican, has died but is succeeded by a Republican.

"We have 48 Republican Senators, 47 Democratic Senators, and one Farm Labor Senator. The Republican Senator, Frank L. Greene, of Vermont, and Democratic Senator, Lee S. Overman, of North Carolina, have died since the election but each

was succeeded by a member of his own party.

"In the House, 218 Republican Congressmen, 216 Democratic Congressmen, and 1 Farm Labor Congressman were elected. Seven of this number have died and three or four of the vacancies have been filled.

"The personnel and political complexion of our Senate and House are practically the same as last November.

"Now, if states having Democratic governors should cast their electoral votes next year for the Democratic nominee for President, then the Democratic candidate would receive 283 electoral votes.

"If states having two Democratic Senators should cast their full electoral vote for a Democrat for President and states having one Democratic Senator should cast one-half of their electoral votes for a Democrat, then the Democratic candidate would receive 302 electoral votes.

"If states in which a majority of their Congressmen are Democrats cast their full electoral vote for the Democratic candidate and states in which half of their Congressmen are Democrats cast half their electoral votes for the Democratic candidate, then the Democrat would receive 247 electoral votes.

"It is necessary for a Presidential candidate to receive 266 electoral votes to win.

"For the first time in fifteen years, the Democrats seem to be in the lead.

"California and Maryland have split their electoral votes several times. Other states have done the same in close elections."

So Fred concludes that the Democrats have the best chance to win next year that they have had since 1916 if they will but work and fight together.

fair discrimination by being required to contribute heavily to the cost of highways for the use of their competitors. The fact is that twenty-one states, including Texas, no longer levy general property taxes or make appropriations for state highways from their general funds so this complaint has no application in this state.

The public pays for railroads in the form of rates just as it is paying for the highways in the form of taxes and the evidence is that the public wants and needs both forms.

Can the people in the state of Texas afford to allow the truck to be forced off the highway or pay a tax that will force them to charge higher rates? In either instance the public must pay the cost.

I would earnestly urge all classes of motor users to write to their representatives and senators protesting against this campaign to raise the cost of highway transportation so that those who travel by bus or ship by truck will have to pay at least as much as if they used the railroads.

Sweet Potatoes  
Do Well Here

(By BEN MOORE)

The sweet potato is one of the most profitable food crops for this section notwithstanding the fact that it is often suggested that potatoes cannot be successfully stored without the use of curing plants. Seed should be bedded in the near future. Beds should be about 8 inches deep in order to leave depression for holding water after bed is finished. Contrary to the general belief that seed should be small, there should be no objection to good sized potatoes. We cut the larger ones in halves turning the cut side down. By following this method it will be seen that almost twice the number of slips may be secured from the same amount of potatoes not planted in halves.

Upon careful examination it will be observed that almost all planting seed are infested with weevils to some extent. In order to avoid damage to the crop which is to be stored for winter use it is advisable to make a second planting from cuttings secured from original planting and planted some distance from those which might be infested.

We do not experience any difficulty in keeping our potatoes late in season. Climate is too severe in this section to warrant storing in old fashioned way; that is, under stalks, dirt, etc. Potatoes should be dug and left in small piles in patch for a week or so. Some will turn greenish in color but this does not detract from their flavor. Every day of sunshine adds to their sweetness. This is a dangerous practice if followed when there is danger of frost since a temperature of as low as 40 degrees might prove disastrous. We like to secure onion crates and remove potatoes to the cellar when weather is likely to change at night, setting them out in the open during the day for a week or ten days before final storing in these or similar crates in order that proper ventilation will be had at all times, which is the principal secret of their preservation. Care should be exercised in removing all bruised potatoes from sound stock as one decaying will likely destroy a whole crate before discovered.

Like Tea . . . the best Gasoline is Blended

EVEN the Japanese maiden who laboriously picks the tea leaves knows that before you sip the delicate beverage from your cup, leaves of another type of tea must be added, for the best teas invariably are blended.

When the tea merchant takes a quantity of Japanese tea, a bit of China tea, and a touch of Ceylonese, then blends them according to the dictates of his expert knowledge, he parallels the making of CONOCO Gasoline. For this is a blended gasoline. It is blended because this is the only method which brings together in one fuel the desirable properties of several types of gasoline. No one type of gasoline can contain them all.

CONOCO refiners use: Natural Gasoline, for quick starting; Straight-run Gasoline, for power and long mileage; Cracked Gasoline, for its anti-knock properties.

There is no secret formula covering the elements which compose this triple-test gasoline. The secret is in the knowledge behind the blending. Knowing how makes one tea blend better than all others... and knowing how places one gasoline in a distinct quality class. Experience the performance advantages of CONOCO Balanced-Blend Gasoline. You'll find it wherever the CONOCO Red Triangle is displayed.

CONOCO

THE BALANCED - BLEND GASOLINE

## SLAT'S DIARY

Friday—well Annie Plitter has went back to live with her husband with she parted with about three munts ago. Pa was asking her how cum they went back to gather agen and she sed well she mite as well be a liveing with him becuz she never got no allamny sense they seperated a part.

Saturday—Ant Emmy says the world has made a lot of progress sence she was a yung lady. Pa sed Well it certainly has had plenty of time, but she dident see pa was jocking with her. She sed when she was yung they called etgeretts Coffin Nales and now they are using them for coff medisen.

Sunday—well Jake and me tuk a long walk this p. m. and we seen sum nice apples in a Orchard a long the rode and we clum the fence and then we seen a dog coming tord us and Jake sed the dog was allrite becuz it had a lissence Tag on. But his fourcast was all rong. He dident bite us but he got the biggest part of Jakes Pants. at least the most emportentest part. Mebby it was a last yrs. lissence.

Monday—The teacher has told us to rite a pome to her, and her name is, Snell. I no if I rite a pome to rimo with her name I will get in a lot of trouble, if I express my centimence.

Tuesday—Ma says pa is the wirst man not to notice things she ever seen. She says he never notices that she has got a permanent Wave till the bill cums in about the 1st of th month.

Wednesday—I gess are teacher has went crazy the way she tawks, she told us today that if we all wiked hard we wood have a brite future, well I cant see enny thing brite in no such a thing.

Thursday—pa had a letter from his cuzzen up north this p. m. he sed it was a getting oflle cold up there, and all so sed his hired handa wife witch left him leven yrs. ago, hadent returned back yet and if she diddent show up pritty soon in a resonable lenth of time he was going to seperate from her, at least temperarily.

Half the people in the United States are under 26 years of age.

These are some of the things that demonstrations supervised by county farm and home demonstration agents have shown: that terracing may double or treble crop yields in the West in a dry year . . . that butterfat may be produced under practical conditions for 20 cents or less per pound feed cost the year round . . . that hogs can be made to pay more than \$1 per bushel for corn . . . that farm beef cattle can furnish a higher market than the cash buyer for home grown feeds . . . that gardening and canning by women may increase the family income by several hundred dollars per year . . . that farm poultry flocks can pay profit above feed cost of \$1.80 or more per hen per year . . . that the cost of producing cotton can be cut to less than 10 cents per pound.

With sixty-six airports at the close of 1930, Texas will have several additional by the end of 1931. Mineola is among the recent prospective additions to the list, while at Love field Dallas, indicating growth of the industry, a \$175,000 hotel is to be built to take care of aviators and other guests, and Fort Worth plans to spend \$100,000 on improving facilities at its landing field.

A gasoline pipe line now under construction between Borger, Texas, and St. Louis will carry daily 25,000 barrels through the 700-mile line A 1,440-mile line from Ponca City, Okla., to Minneapolis, also under construction, will represent an outlay of \$12,000,000.

**GOING, GOING—GONE**  
 "Remember when we first met in the revolving door at the post office?"  
 "Why, that wasn't the first time we met."  
 "Well, that's when we began going round together."

"It's either terrace your land and make a fair crop or let your land go and starve to death. I am tired of short crops so am terracing the rest of my farm this year," declares G. W. Van Zandt of Spade, one of the 56 Mitchell county farmers whose successful experiences with terraces have been summarized by W. S. Foster, county agent.

P. W. Goad of New Home was here Wednesday and stated that he had just gotten out of the hospital. He had a severe attack of the "flu".

## Newmoore

Mr. and Mrs. George Aiken and little son, Delmar Gene, and Mr. and Mrs. Boyde Driver and son, Buster, of Tahoka visited Mr and Mrs W. F. McClintock last Thursday evening.

Misses Pauline and Thelma Bishop and Ruby and Sadie Bell Williams spent the week end with Miss Levis Bosworth of Magnolia.

Mr. and Mrs. Weldon McClintock and little daughter, Joy Dean, visited friends near Midway last Wednesday.

Mrs. Ophelia Williams of Bethel visited in the home of Mrs. John Willingham last week.

J. Y. Thompson and Curtis Driver were in Tahoka last Saturday.

Miss Belle Henderson went to Lubbock Monday to visit her friend, Miss Jane Bairrington.

Miss Edna Walters was on the sick list last week.

Mr. and Mrs. Henry and family of Midway visited in this community last Sunday.

Norma Arlene, a wee lassie, came to claim a home with Mr. and Mrs. John Willingham last Thursday. Mother and babe are doing nicely.

Miss Jessie Fuller visited her father at Berry Flat last week end.

Miss Billie Jo Thompson visited in Tahoka Saturday.

There will be services at the Baptist Church here next Sunday morning and night. Rev. John Braswell of Lamesa will do the preaching.

Spring is almost here, and farmers are beginning to put seed in the ground. Some have already planted corn and some early maize. Some gardens are planted. Are we going to live at home this year? Well, yes, I hope so.—Reporter.

### METHODIST WILL START REVIVAL HERE SUNDAY

(Continued from first page)

gram is concerned. There will probably be special musical numbers for most of the services in addition to the regular congregational singing. If you like good music come out and join in the singing. This is one of the most enjoyable as well as the most desirable ways of worshipping God.

All of the members of the Church are especially urged to attend every service. It is not only a privilege but a pleasure to get our minds off of the more sordid things of the world and think together of the beauties and glories of the eternal God. A life without an active interest in the religion of Jesus Christ is devoid of the most beautiful and satisfying pleasure that this world has to offer. Don't neglect the best.

A cordial invitation is given to anyone who cares to come out and share with us a renewal of our spiritual life. To you who are not members of any church, we wish to press this invitation. We are here to serve you in every possible way, and in order to be of any value to you we must have your presence. Our services will not be long nor uninteresting, but on the contrary will contain some thought that will help you to live a happier and more worthwhile life. Also, remember that your presence will be an encouragement and help to us and to all who attend. Dgn't deprive yourself and others of the blessings that your

### POLITICAL ANNOUNCEMENTS

The following are candidates for office at the city election to be held Tuesday, April 7, 1931:

presence will help bring. We greatly desire the presence and help of the members of the other churches of the community. We are working toward a common end, the spiritual uplift of the community, and it behooves us to cooperate with each other in all ways possible. If you sing in the choir in your church don't hesitate about coming to the choir here. If you play an instrument we would very much like to have you in the orchestra. Come, you will receive a hearty welcome and we will be mutually benefited.

## BABY CHICKS

On hand. They are as good as money can buy. Why go outside Tahoka for your chicks. We buy all our eggs from Lynn county breeders. Help us to keep Lynn county money at home.

## TAHOKA HATCHERY

## "Facts That Dynamite"

Already the people are wising up about the prices they have been paying on goods. All Independent Merchants who have joined the "Red & White Stores" are already selling goods at prices that show plainly that they can save you money.

We will be painted up and ready for the big Red & White opening in the very near future. Several Home Merchants of Tahoka have joined this movement.

Since these Home Town Merchants are able to buy goods cheaper thru co-operation with thousands of other Independent Retailers of the U. S. A., the big corporations, with their huge overhead expense are beginning to realize that they are unable to meet the close prices made by the Home Town Merchants.
