Quartet Wins In Amarillo Contest

The Tahoka boys' quartet, consisting of Robert Benson, Borwell Edwards, Clifton Janak, and Frank Sargent, won first place, and Clifton Janak won first in baritone solo at the Panhandle Music Festival in Amarillo last Thursday. Coughran Ketter member of the quartet, was unfortunately unable to make the trip on account of illness. The boys were accompanied by their director, Mrs. Rubie D. Suddarth, and Mrs. K. R. Durham.

In recognition of the showing made by these boys in the recent South Plains Music Festival held at Lubbock, where, from considerable competition they took away first honors in quartet and solo, the Tahoka Kiwanis Club generously financed the quest for higher honors in the Amarillo contests, to which five states were eligible for competitive entries.

The quartet won first honors by five points, grade sheets showing that they were out-classed by but one point on each of two items of the five used as a basis for grading.

Clifton Janak, South Plains baritone soloist, singing with entries from Texas, Oklahoma, and New Mexico, won the only Class A (over 90 per cent) award, given by Judge W. L. Multer, director of music at State College, New Mexico. The only other awards were two in Class B, there being none who placed in Class B. This was quite a significant victory, and the young man will possibly go on to the eliminations at Tulsa, Okla., from which winners have their expenses paid to the National Festival in Chicago.

Some of the interesting "high lights" in connection with the Festival were several affairs honoring the members of the Panhandle Association, including a reception and tea at the Capitol Hotel, given by the Music Clubs of Amarillo, and a dinner tendered by the Amarillo College of Music, in addition to the annual dinner and business meeting of the Association members. Mrs. Suddarth is one of the three S. P. M. T. A. members, actually resident on the South Plains, who holds membership in this Festival.

The two artist concerts in connection with the Festival, the Flak Jubilee Singers and Amelita Galli-Curci, were a rare treat to large and appreciative audiences and the Tahoka folk were most enthusiastic in their enjoyment. The Misses Worthy and Gall-way, formerly of the Tahoka schools, who came up from Plainview to hear Galli-Curci, sent regards to their many friends here, as

Abilene Man Will Conduct Revival

A meeting will begin at the Nazarene Church here on Sunday, March 29, according to announcement made by local members. Rev. White of Abilene will do the preaching and Mr. Rule of the same city will have charge of the song services. A special invitation is extended to all.

Mexicans Rob McCormack Co.

Three Mexicans who undertook to pull a clever ruse at the McCormack Hardware Store Monday are now languishing in the county jail pondering over the mistake they made.

Entering the store when Jack Fenton was there alone, two of the Mexicans lured him to the rear end of the building where they pretended to be trying to make a purchase while the third member of the gang looted the cash drawer and extracted therefrom the sum of \$23.00.

The theft was discovered soon after the three hombres left the store and officers were notified. Sheriff B. L. Parker was soon on their trail and in a short time had them behind the bars. The money was found on the person of one of the hombres and was returned to the owners.

Their cases will be tried in the county court at an early date.

Truett Smith Heard By Civic League

Truett Smith, county clerk, spoke before the Tahoka High School Civic League on the "Constitutional Laws of Texas" Wednesday of last week.

This discussion proved very interesting because it embodied facts concerning the present day laws of Texas. He explained in detail their defects and also their good points. He mentioned as the most disputed laws of Texas, the questions of trial by jury and taxation.

The Civic League appreciates Mr. Smith's visit and his talk on the laws of our state is regarded as beneficial in the present civic study and the every day citizenship of each League member.

Lubbock Meat Show Is Friday

The "Quality Meats" show to be held in Lubbock Friday promises to be an outstanding show, according to A. B. Davis, Manager of the Lubbock Chamber of Commerce. "We already have entries for 133 calves, 126 pigs, 105 hams, 93 bacon, 108 shoulders, and other entries are coming in," he writes to the News.

The show will be followed by a banquet at the Hilton Hotel at 6:30 P. M., at which Amon G. Carter, publisher of the Fort Worth Star-Telegram, O. B. Martin, Director of the Texas Extension Service; A. L. Ward, President of the Texas Agricultural Workers Association; Frank P. Holland, President of the Texas Breeder Feeder Association; and Dr. P. W. Horn, President of the Texas Technological College, will speak.

M. E. MEETING IN PROGRESS

Rev. Shepherd Doing Preaching In Week's Revival Being Held At Local Church

Rev. J. W. Shepherd, the pastor, is conducting a revival meeting at the Methodist Church this week. Good sized crowds are in attendance and considerable interest is being manifested. Services are being held at 10 each morning and at 7:45 each evening.

The pastor is delivering some earnest, heart-searching messages, and the choir, assisted by an orchestra, is furnishing most inspirational music.

The house was filled to capacity Sunday evening, when other churches in town dispensed with their services to attend this meeting. It is expected that large congregations will continue through the week and especially on Sunday morning and night, when the services will close.

The principal object of this series of services seems to be to arouse Christian people to a sense of their duty, and it is believed that the campaign will have a far-reaching result in this respect.

Wage Cut Given Road Workers

At the regular March meeting of the commissioners' court, an order was passed cutting the wages being paid for work on the public roads of the county. This was done in order to make the funds go as far as possible and to give employment to as many men as possible, according to Truett Smith, clerk of the court. Hereafter single hands are to be paid \$1.50 per day instead of \$2.00 for a day's work of eight hours, while a man with four horses working eight hours is to be paid \$4.00 instead of \$6.00 as heretofore.

Mrs. C. C. Barnes was able to be brought home from the hospital Tuesday, after taking treatment for more than four weeks.

Agent Tells What Products To Raise In Home Gardens For Family Of Six

(By Miss Thelma Greenwade) Every farm family should have a garden not less than one-fourth acre in area as a means of cutting living expenses and providing many of the essentials of an adequate diet for maintenance of health. The Drouth Relief Committee and the Red Cross have set aside funds for garden seeds for those who can not otherwise avail themselves of this opportunity to help themselves to financial independence.

In order that the family may maintain good health and the children grow healthily every housewife should see that an adequate and balanced dietary is provided for the family weekly. Such a diet will include the following to each person: 1 1/2 pints of milk daily, 1 serving of butter daily, 1 egg daily, 1 or 2 servings of meat, cheese or dried beans or peas, 1 serving of salmon, cod or tuna fish weekly, 1 whole cereal daily, 4 servings of leafy vegetables weekly, 1 or 2 daily servings of starchy vegetables, that is, corn or potatoes, tomatoes or citrus fruit four weekly servings, one daily serving of raw fruit, 3 servings of other fruits including dried.

With the exception of seafood, which furnishes iodine essential in preventing the development of goiter, all of these can be produced on the farm. Two milk cows, 60 pullets, 3 hogs 1 beef, a 1/2 acre fruit plot of 20 peaches, 10 plums, 5 pears, 12 grape vines, 25 blackberries, and 25 dewberries, and a one-fourth acre garden will be sufficient for a family of six.

The garden should be planned to provide a variety of vegetables for use fresh and sufficient in amount to can for the use through the non-productive months. A suggested list of vegetables for the home garden is given here. Seeds for planting this garden can be bought at a cost of approximately \$10.00.

B. P. MADDOX IS CLUB SPEAKER

Speaks On Good Citizenship; Plans Are Being Made For Summer Garden Contest

Judge B. P. Maddox spoke to the Kiwanis Club at the noon luncheon Wednesday on Good Citizenship—rather he discussed the cause of bad citizenship. He gave the club the results of an investigation of the cause of delinquency on the part of our youth made recently on a visit to the Boys Training School at Gatesville. The information which he gathered there indicated that 75 per cent of the inmates came from broken homes. He stressed the sacredness of the marriage relationship and the importance of the old-time high ideals in the home. His discussion was very impressive and enjoyable.

Miss Chaxleffe Maddox sang a couple of selections to the great delight of the Kiwanians.

At a meeting of the Board of Directors following the luncheon, Miss Greenwade gave suggestions as to the garden contest to be held by the Kiwanis Club, and Miss Greenwade and her successor, Miss Harris, and Truett Smith were authorized to act as a committee to direct and judge the contest.

Local Boys Enter Animals In Show

Two Tahoka high school boys are entering animals in the Fat Pig and Calf Show to be held in Lubbock Friday and Saturday, according to Taylor White, teacher of Vocational Agriculture.

Jack Childers is entering a baby beef and Guy Bulman a fat gilt. These animals will be exhibited on the public square here this afternoon before being taken to Lubbock.

It is expected that fully 400 animals will be entered in this show, according to Mr. White. Quite a number of Tahoka people are planning to attend.

Mr. and Mrs. E. H. Bouillon were business visitors to Abilene Wednesday.

Tech Contests Won By Judging Teams

Big Legion 'Doings' Being Held Tonight

The big feed which the American Legion boys have been planning is to be given tonight on the culmination of a membership contest. The total number of members has been boosted to 120, according to Skip Taylor. The members and their wives or sweethearts as the case may be are expected to be at the feast tonight. A nice program has been arranged.

Charge Colored Gent With Theft

Tenolia Young, an ebony-hued gentleman of African descent, is now off the inside looking out. He is charged with having appropriated a car which belonged to the Snowden Chevrolet Company to his own use and benefit.

Tenolia had been working at intervals at the Snowden shop. On the night of the big snow, March 1, he decided it was a good time to hunt greener pastures and left in a 1929 model-Chevy. He carried the car to Slaton, where he did some mechanical work on it, and left it there, unable apparently to get it to run. He was apprehended in Plainview Monday and Sheriff B. L. Parker went into court and got him Tuesday. The district court will probably handle his case next Fall.

Big BYPU Meeting Held Here Sunday

The monthly B. Y. P. U. zone meeting at the Baptist Church here Sunday afternoon attracted a great crowd of visitors, there being 63 here from O'Donnell, 56 from Wilson, 32 from Wells, and seven from Three Lakes. Including local people, the total attendance was 224.

The program was given by the O'Donnell B. Y. P. U. and was generally pronounced one of the best programs yet given.

The Wilson B. Y. P. U. will render the program next meeting, which will convene here in April.

Chautauqua By Hi-League Success

The Chautauqua which the Senior League of the Methodist Church sponsored Thursday, Friday and Saturday nights of last week was something new in the way of entertainments. It was rather an ambitious undertaking for an organization as young as the Senior League, but proved to be quite successful. Those that attended the programs discovered that they could be entertained in a pleasantly different manner and at a surprisingly low cost.

The first night's program was under the auspices of the Asbury Methodist Church of Lubbock. It was composed of a play entitled "The Old Fashioned Mother", and some very interesting performances between acts.

The Levelland Methodist Church brought the program for Friday night. Included in this program was a one act play, "A Cup of Tea", a first class tumbling act, and a number of chorus numbers and individual musical performances.

The final program was the climax of the chautauqua and was made up entirely of local talent. The entertainment was almost exclusively musical, and was presented in a very charming and different manner. The scene was laid in a cabaret and the performance would have been a credit to professional entertainers. If you missed these evenings of entertainment ask some one who came about them, and promise yourself that you will not miss anything else which the Senior League sponsors.

The Senior League wishes to express its appreciation to those who helped with the Saturday night program. We are especially grateful to those who are not members of the League, but who were so generous with their time and talents. We sincerely thank you.—Reporter.

WIN FIRST IN FOWL EVENT

Take Third In Sweepstakes Over A Field Of 54 Schools From Half Of Texas

In competition with 105 teams comprising 315 students representing 54 schools, members of the Vocational Agriculture Department of the Tahoka High School brought back their full share of the honors from the judging contests held in Lubbock Monday.

Tahoka won first place in poultry judging, this team bringing back a large silver loving cup as evidence of their victory. The team consists of Boswell Edwards, Claude Nowlin, and Norvell Redwine. The Hereford team won second place and Clarendon third.

Tahoka won third place in the sweepstakes, Dublin taking first and McLean second. This means that among 54 schools participating, Tahoka stood third.

In the farm shop contest, Tahoka again took third place, Breckenridge winning first and Throckmorton second. Among all the individuals participating in this contest, Claude Nowlin of Tahoka registered fourth and Boswell Edwards fifth.

In the plant production contest Tahoka won fifth place, Post winning first.

The Tahoka teams in the dairying and livestock contests also ranked high but failed to get in the winning class. Among the individuals contesting, however, Curtis Stevens of Tahoka won third place.

From Sterling City on the south to Dalhart on the north and Garland and Mesquite in Dallas county to the New Mexico line, teams were there engaging in these contests.

Awards were announced at a Dutch lunch given the teams and their teachers by the Lubbock Chamber of Commerce in the evening, and the loving cups were presented to the winners by Charles A. Guy, publisher of the Lubbock Avalanche-Journal.

The contests were held on the grounds of the Texas Technological College. Five teams went from Tahoka, accompanied by their teacher, Prof. Taylor White.

Mr. White states that there are 46 members of the Vocational Agriculture classes here this year, which is the same number as last year. Tahoka has ranked high in these contests for the past three or four years and it was confidently expected that the Tahoka boys would bring back some honors.

Light Rates For Schools Reduced

The Texas Utilities Company has voluntarily reduced its rate for service given to the public schools of Tahoka. Beginning with March bills, all school bills will be totaled as if on one meter and billed at the rate of 3 cents per k. w. h.; and \$1.50 will hereafter be the minimum charge whereas it has been \$1.50 for each school heretofore. This will mean a very substantial reduction, according to W. S. Anglin, the local manager.

This reduction was announced some days ago by Judge I. R. Kelso of St. Louis, President of the Texas Utilities Company, and is greatly appreciated by the local school board.

NOTICE TO THE PUBLIC

Any erroneous reflection upon the
reputation or standing of any indi-
vidual, firm or corporation, that may
appear in the columns of the News,
will be gladly corrected when called
to our attention.

We have no inclination whatever
to undertake to foment race preju-
dice or religious prejudice of any
kind. But we believe that the old
doctrine of "America for Ameri-
cans" is a pretty good doctrine for
all. Foreigners have flocked into the
cities of the Atlantic seaboard until
such states as New York, New Jer-
sey, Massachusetts, Connecticut, and
Rhode Island are far more "foreign"
than American. Countless thousands
of these foreigners have never been
Americanized; they have no concep-

tion of American ideals or American
standards, political or social. Most
of them are votaries of a religion
that is contrary in its teaching and
practices to some of the very funda-
mental principles of our government.
The great issue in the next Presi-
dential campaign promises to be,
whether we are to follow the lofty
standards of the American people or
the groveling standards of the for-
eigners that swarm the cities of the
North and East.

Nevada has turned the hands of
the clock backward a half of a cen-
tury. She has returned to her Wild
West days. She has legalized gam-
bling of all kinds. She is now issu-
ing gambling licenses at so much
per. Great gambling palaces are be-
ing constructed at Reno and other
places. She has also gone the limit
in the divorce business. Reno has
long been the Mecca for rich society
swells desiring quick and easy ac-
tion in the divorce courts. But Ne-
vada has now cut the required resi-
dence in the state down to six weeks
prior to the granting of a divorce.
So the divorce mills and the gam-
bling dens are now running over-
time, and of course there is little ef-
fort made to restrain the sale of li-
quor. Nevada is bidding to be the
Monte Carlo of America. It is a dis-
grace to the Stars and Stripes that
float above her public buildings. All

decent Americans are ashamed of
Nevada, but there is probably little
that can be done about it.

Several months ago the News
pointed out the need for a hospital
for the insane located in West Texas.
There are five institutions of this
kind in the state and none of them
farther west than San Antonio and
Wichita Falls. Some West Texas
member of the legislature has taken
cognizance of this need and has in-
troduced a bill in the Lower House
providing for the establishment of
such an institution somewhere in
West Texas. It provides for the ap-
propriation of \$400,000 as an initial
appropriation for the erection of
buildings. It has received the ap-
proval of Claude Teer of the State Board
of Control and has been favorably
reported by the committee in the
House to which it was referred. It
is to be hoped that the bill becomes
a law, for Wichita Falls, Austin, and
San Antonio are far from the heart
of West Texas, and the people of this
section are entitled to this conveni-
ence for those who are mentally af-
flicted and for their families.

There may have been good argu-
ment in the years gone by in favor
of half-and-half cotton. As long as
local buyers made no distinction in
the price on account of staple, the
half-and-half variety brought the
farmer just as much per pound as
the better staple varieties. But all
that is being changed. Cotton last
fall was graded and sold according
to staple. The long staple varieties
brought a far better price than the
short staple variety. It will be so
again this fall and in all the years
to come. Half-and-half cotton is to
be relegated to the scrap-heap just
as the runt pig and the lousy calf
have been discarded. It is highly im-
portant that our farmers adopt some
variety of long staple cotton and ta-
boo this inferior stuff. Drouth-resist-
ing, quick-growing, early maturing
varieties are best, of course, for this
latitude and altitude.

The indications are that the pres-
ent legislature is going to make no
serious effort to bring about real
court reform. We have no sympathy
for those who continually "knock"
our courts but we believe that there
is truth in the charge that the courts
are often shackled in their efforts to
bring criminals to justice by useless
rules and regulations. Just a few
sweeping changes in criminal pro-
cedure is all that is needed to make
our court system the best and finest
in all the world and in all time.

Texas has reason to congratulate
herself that she is represented in the
United States Senate by two
men as clean and able as Morris
Sheppard and Tom Connolly. We
doubt if there is an abler exponent
of Prohibition in the United States
than Senator Sheppard. His speech
made in the Senate recently on the
occasion of the eleventh anniversary
of the adoption of the Eighteenth
Amendment is a complete answer to
the critics of Prohibition and is it-
self unanswerable.

We live in a comparatively sparce-
ly settled section of Texas, where
there are no large cities, but we can
see no justice in the bill now pend-
ing in the legislature which would
limit the number of representatives
that the larger cities may have in
the legislature. Representation ac-
cording to population seems Demo-
cratic and just to us.

There are many little patches of
wheat scattered throughout Lynn
county this year, and wheat never
looked finer at this season of the
year than it does now. It is affording
much grazing for live stock. What
should be sowed here every Fall
when seasonable. It would doubtless
mean profit oftener than it would
mean loss.

People should not lose interest in
the dairy business because dairy pro-
ducts are now cheap and feed scarce.
This condition will change, in part
at least, and there is no portion of
Texas better adapted to dairying
than Lynn county. We hope to see
our dairy herds speedily increase in
number and quality.

It is not severity so much as celer-
ity that is needed in the administra-
tion of our criminal laws to put the
fear of the Lord into the hearts of
our criminals.

We are all going down to O'Don-
nell Friday and Saturday to the
county interscholastic meet.

SHEPPARD ANSWERS LIBERTY

In a recent issue of Liberty it was
said: "Let those States which want
to be wet be wet, and let those
States which want to be dry be dry.
Let there be the most stringent leg-
islation possible to prevent liquor
from leaking out of wet States into
dry ones."

The answer is that the most string-
ent legislation possible will not pre-
vent liquor from leaking out of wet
States into dry ones. One of the
principal causes of nation-wide pro-
hibition was the inability of States
which had voted dry to prevent li-
quor shipment from States which
were wet. Today they would be less
able than ever before to prevent such
shipment, because we have to-day
more improved highways, more au-
tos, auto trucks, and airplanes and
more carriers by water than ever
before. Increased and increasing fa-
cilities of transportation and com-
munication have reduced this Na-
tion so far as the transaction of
business is concerned to the size of
a State of medium area, and it would
now be a more hopeless task than
ever to endeavor to prevent liquor
lawfully sold in one State from
reaching another State which might
forbid its sale. There is no possibility
of compromise. The Nation must be
altogether dry or altogether wet.—

"My mother used Theford's

good that she had me to use it, and I
have never found any medicine that
would take its place satisfactorily.
"I find Black-Draught fine for

it makes me feel like a new person."
"I try to keep Black-Draught al-

To determine this, shut off all

If this hand moves there is a
leak some where. Do not try to find

The "42" tournament put on by the Junior class last Friday evening at the High School drew a goodly number of pleasure seekers there being 52 persons present. There were 12 tables and 12 games played in which Brady Nix was high score man, he winning every game. A small charge was collected at the door netting \$11.00, which will be applied on the expense of the Junior-Senior banquet. Punch and cake was served to the guests.

Last Tuesday evening Mr. and Mrs. Charlie Campbell entertained the Epworth League in a rather backward way. The guests put on their clothes hind part before. We haven't learned whether or not they drove their cars backwards, but when they arrived they went into the house backward, through the rear door, and were immediately served hot chocolate and cake, after which the real fun began. After a pleasant evening, the guests bade their host and hostess, and each other "how-do-you-do" and left for home.

Miss Natalie Crosby was the hostess at a party in which the Intermediate enjoyed a very pleasant evening last Thursday. The St. Patrick scheme was carried out in favors and refreshments. LeRoy Crews was elected captain for the coming year, and 7 men awarded letters for this season, of which five lettered last year. They were: Captain Stiles, Traweck, Coleman, Ehlers, LeRoy Crews, Olen Crews and Harold Key. Capt.-elect Crews was one of the outstanding men of the district this year and with his ability and leadership, Wilson should have another great team next year.

Wilson won 15 out of 22 games played this year, and scored 614 points to our opponents 466. LeRoy Crews scored a total of 230 points, Traweck and Stiles both over 100.

With a bunch of fine boys and one of the best all-around coaches to be found anywhere we have something to be proud of and are proud of all of them. HOLD LAST SESSION OF P. T. A. FOR THIS YEAR

On next Wednesday, April 1, at the High School auditorium, the Tahoka Parent-Teachers Association will hold its last meeting for the current school year. The meeting will convene at 4:00 o'clock and there will be a very interesting program as well as a very important business session. Mrs. O. J. Hull will give an address and Mrs. J. K. Applewhite is in charge of the musical program.

The Association has worked earnestly this year with some very gratifying results, and with this splendid impetus will surely go on to bigger and better things next year. Their work is of vital interest to every parent who has the slightest consideration for the work of the public schools, and the officers and members most urgently desire that you lend the support of your presence and your co-operation in this last important meeting. Election of officers must be held, and there will be other matters in which you should have, and should be proud to have a voice.

May we not attend enthusiastically next Wednesday and thereby show our appreciation for the services rendered this year?—Chairman Publicity Committee.

LIVE WIRE LEAGUE UNION MEETS AT SOUTHLAND

Last Sunday afternoon the Live-Wire Epworth League Union met for its regular monthly meeting at Southland. These meetings are steadily increasing in numbers and in interest. Last Sunday there were approximately 175 present, and the program, which was based on "Prayer," was very interesting. Probably the most interesting part of the program to the leaguers was the presentation of the Union banner. Tahoka won the banner again, but their margin of points over Southland was so small that they are going to have to improve their report for next month in order to keep the banner indefinitely, which they are trying to do.

The next meeting of the Union will be held on Sunday, April 5, at 2:30 p. m. at Tahoka, and we are expecting the largest attendance that

has ever been at a Union meeting. If you want to enjoy an hour of interest and value don't fail to be at the Methodist Church in Tahoka at that time. Visitors are cordially invited, and we feel sure that you will enjoy the program.

The Live-Wire Union is going to have an efficiency institute at Tahoka during the week from April 6 to 10. We are expecting between 75 and 100 young people in the institute. This institution will be of interest and value not only to the Leaguers but to any other young people who are interested in the field of religious education. Come, we will be glad to have you.—Matthew Shepherd, reporter.

The following three subjects were discussed by the agent, Miss Greenwade, as some of the ladies that were on the program were not present:

Opinions Of Our Readers

Staying Out Of Politics
As to who will be the next President, I must leave it to the Will Rogers and Jack Dempsey people, since Charlie Chaplin, my favorite cannot even be nominated, on account of being a British subject. Certainly we cannot make a native-born American out of Charlie any more than we can change the Constitution so Will and Jack's friends must fight it out alone.

Will ask a favor of and make a proposition to my thousands of Lynn county friends, if they are not all dead or moved away. Just send me the words of your favorite old-time song and I will return the favor with a pleasant surprise. If I get sufficient responses I will promise not to write again for a long time. As ever,

H. Cowan and Mary E. Cowan, both deceased, and (16) G. W. Small, Administrator of the Estate of F. Becker, deceased, are defendants; the cause of action alleged being as follows:

That during many years prior to July 3rd, 1922, C. C. Slaughter Company, of Dallas, Texas, was a corporation duly and legally organized under and existing pursuant to the laws of the State of Texas; that on said date its charter was forfeited by the Secretary of State without judicial ascertainment, as provided by law, for non-payment of its franchise tax; that said corporation was thus dissolved on said date, and has been dissolved at all times since then; that on said date the sole and only stockholders of said corporation were the following named parties, to-wit: R. L. (Bob) Slaughter, C. C. Slaughter, E. Dick Slaughter, Alex A. Slaughter, Minnie Slaughter Veal, Dela Slaughter Wright, Carrie Slaughter Dean, Nelle Slaughter DeLoache, Jo Dick Slaughter, Mrs. Allie D. Slaughter, deceased, that under the terms of said will the interest of Mrs. Carrie A. Slaughter, deceased, in the subject matter of this suit passed to and vested in C. C. Slaughter, Alex A. Slaughter, Carrie Slaughter Dean and Nelle Slaughter DeLoache, in equal portions, one-fourth each; that under the terms of said will Henry C. Coke and J. W. Slaughter, of Dallas, Texas, were appointed Independent Executors and were duly confirmed by the courts in the order admitting said will to probate; that the said Executors have long since ceased to function, having heretofore fully administered the estate of Mrs. Carrie A. Slaughter, deceased, and distributed the same among the parties entitled to receive it, but said Executors join in this suit as plaintiffs.

That Mary E. Cowan, community survivor of the estate of herself and J. H. Cowan, deceased, died more than four years ago; that no administration on her estate is pending, there being absent any necessity for such administration; that J. H. Like Color . . . the best Gasoline is Blended

THE artist stands before his canvas with color-laden palette. Blues, greens, white and touches of warmer tones are blended by his inspired brush as the waves of the seascape take form. His genius tells him that only through the blending of just the right colors is the ideal result achieved. Otherwise his most painstaking effort could only result in a monotone, wholly lacking in brilliance.

Artistry and genius have their place in the making of CONOCO Gasoline. CONOCO engineers long since have found that the ideal gasoline is a balanced blend of the three types containing the elements most desired in a motor fuel. There is highly volatile Natural Gasoline, to give quick start-

ing. There is Straight-run Gasoline, to give power and long mileage. There is Cracked Gasoline with its well-known anti-knock quality.

Like the artist with his colors, CONOCO refiners take these three types of gasoline in balanced proportions and blend them. The result is as pleasing to the car owner as is a Rembrandt to the art connoisseur. Of course the genius of "knowing how" is the vital element and it is here that CONOCO refiners excel.

Convince yourself of the merit of CONOCO Blended Gasoline. Try it today. You will find this triple-test motor fuel wherever you see the CONOCO Red Triangle.

QUARTET WINS IN MUSIC FESTIVAL AT AMARILLO

did also Mr. and Mrs. "Windy" Nicklaus, whose cordial hospitality the boys enjoyed during their stay.

But perhaps the greatest thrill of the entire trip was the opportunity offered the quartet to broadcast a thirty-minute radio program over Station WDAG on Friday evening. Judging from the fact that the boys have a standing invitation to return at any time, it must have "gone over" very creditably, and Mrs. Durham, who listened without the "static" that annoyed the Tahoka listeners, is willing to testify that they put on a real program—two baritone and two tenor solos, and about a half dozen numbers by the quartet. Altogether, the trip was thoroughly gratifying to the "bunch" and they are sincerely grateful to the Kiwanians who made it possible.—Contributed.

MRS. A. S. COUGHRAN HAS CELEBRATION OF 83 YEAR

The eighty-third birthday of Mrs. A. S. Coughran, a pioneer of Lynn county, was celebrated with a dinner Monday by old time friends and relatives at her home in South Tahoka.

Mrs. Coughran, not suspecting the surprise, was visiting her daughter, Mrs. J. E. Ketter, and when she arrived home about the noon hour she found a large number of friends gathered around the festive table, in the center of which was a large white cake bearing 83 pink sandils, pink and white being the colors carried out.

Mrs. Coughran became a happy little girl once more when each of her friends gave her a gift.

Mrs. J. J. Atkinson and Mrs. J. E. Ketter arranged the party and acted as hostesses. Among those present were: Mr. and Mrs. Knoy, Mrs. Mary Jones, Mrs. Roy, Mr. and Mrs. H. P. French, Mr. and Mrs. Jessie Barnes and baby, Mrs. W. C. Barnes and children, Mrs. "Happy" Smith, Miss Pearl Ketter, Wade, Roy, and Irene Beckhem, J. E. Ketter, J. J. Atkinson, Coughran Ketter, and H. P. French Jr.

MRS. PACE IS HONORED WITH BRIDGE-LUNCHEON

(Delayed)

Mrs. J. H. Powell was the charming hostess Thursday, March 12, at one o'clock when she entertained in her home with a bridge-luncheon honoring Mrs. J. B. Pace.

A lovely turquoise Mexican Luncheon was served. Mexican table linens in red and yellow were used. Candy cigarettes and little pottery ash tray sombreros were given as favors. The table covers were orange oil cloth with a silhouette of a beautiful senorita painted in the center. The tally cards and score pads were also carried out in the Mexican scheme. Mexican parlins and chewing gum were passed during the afternoon.

The honoree was presented a beautiful imported pottery sandwich set. Mrs. Tom Lemond won high score for the afternoon.

The ladies that enjoyed the lovely affair were: Mesdames J. B. Pace, the honoree, L. C. Haney, Frank Larkin, R. W. Fenton Jr., C. B. Townes, L. E. Turrentine, B. H. Robinson, Al Lehman, H. A. Maassen, E. E. Callaway, Skip Taylor, Tom Le-

mond, M. J. Weaver, A. P. Edwards, Oscar Roberts, Bill Burleson, Truman Walker, M. O. Bridges, Frank Hill, and Miss Virginia Sanford.

Dee Sanders and Leslie Hammonds returned last Friday, from Balmorhea, where they were employed several weeks assisting in the construction of a big dam for the Texas & Pacific Railway Company.

for ANY BABY

WE can never be sure just what makes an infant restless, but the remedy can always be the same. Good old Castoria! There's comfort in every drop of this pure vegetable preparation, and not the slightest harm in its frequent use. As often as Baby has a fretful spell, is feverish, or cries and can't sleep, let Castoria soothe and quiet him. Sometimes it's a touch of colic. Sometimes constipation. Or diarrhea—a condition that should always be checked without delay. Just keep Castoria handy and give it promptly. Relief will follow very promptly; if it doesn't you should call a physician.
