County Meet To Be Finished Saturday

MANY WINNERS ARE SELECTED

Blizzard Last Friday Causes Only Half Of School Contests To Be Completed

Due to the extremely bad weather of last Friday, the County Interscholastic League Meet, scheduled to be held at O'Donnell, did not get under way until Saturday morning. As a result, not all of the contests were completed and none of the track and field contests held. The meet will be completed at O'Donnell this Saturday beginning at 9 a. m., according to A. L. Faubion, Wilson, director general.

The contests to be held Saturday include all junior, senior, class A and class B track and field events; girls' play ground ball and volley ball; girls' tennis, singles and doubles; finals in boys' tennis singles, in which J. D. Donaldson, Tahoka, goes into the finals; and several finals in literary contests.

The following are the results of the athletic contests completed last week, according to Taylor White, county director of athletics:

Tennis

Boys' Doubles: 1, J. D. Donaldson and Claude Nowlin, Tahoka; 2, Wilson.

Play Ground Ball

Rural Boys' (final): 1, Joe Stokes; 2, T-Bar; 3, Midway.

Ward School Boys (final): 1, O'Donnell; 2, Tahoka; 3, New Home.

Class B Boys: 1, Wilson by default.

Class A Boys: 1, Tahoka by default.

The following are the results of the various literary events so far as furnished us by Mr. Faubion:

Tiny Tot Story (finals): 1, Oscar Heinrich, Wilson; 2, Greta J. Applewhite, Tahoka; 3, Geneva Smith, Redwine; 4, Elsie B. Eter, Wells.

Debate

Boys Debate: 1, Wilson, Caloway Huffaker and Herbert Watson; 2, Draw, Richard Childs and Barcas Porterfield; 3, Tahoka, Norville Redwine and Harlan Dean.

Girls' Debate: 1, Tahoka, Lorene Childers and Mary Fenton; 2, Wilson, Alfreda Schaffner and Thyra Painter; 3, Lakeview, Madge Harmonson and Zelta Harmonson.

The following are the finals in debate, these contests having been determined through a "round-robin" tournament which has been in progress for several weeks.

Declamation

There were less than eight contestants in Junior Boys Rural, Senior Boys and Senior Girls Rural and Senior Boys High School, therefore they are finals. The finals for the others will be held Saturday night, April 4.

Junior Boys Rural (final): 1, Lloyd Mears, Joe Stokes; 2, Loy Lawson, Grassland; 3, Arden Sanders, Edith.

Applewhite Boy's Leg Badly Broken

James Applewhite, 12, son of Mr. and Mrs. J. K. Applewhite, was the victim of an accident late Tuesday afternoon which resulted in the fracture of both bones of the left leg between the knee and the ankle.

James, in company with other boys, had been assisting Bob Cavens load some cold cotton seed hulls into a Ford car near the gin district, to be used as fertilizer. The car had almost stalled in a bed of hulls and the boys were helping to extricate it. When it backed up it ran over James, one of the wheels passing over his leg.

After receiving first aid treatment here, he was taken to the West Texas Hospital, where an x-ray examination was made and the broken bones set. He was able to be brought back to his home Wednesday and seems to be resting well. It is hoped that the fracture, which was a bad one, will speedily heal.

Leedy Has Twin Kids At His Place

Jake Leedy was breaking the news gently to numerous friends Saturday that he had twin kids at his house. The mother is a valuable member of the goat family. Jake got somebody's goat sometime ago, we don't know whose, and she generously presented him with two baby goats one night last week. One is of the feminine gender while the other is quite masculine. The female bears the name of Toge while Jake has named the other one Dave, in honor of one of Tahoka's prominent citizens. And Jake says that if any one undertakes to get his goat—any one of them—he will prosecute the offender for felony theft.

JAIL ESCAPE IS ATTEMPTED

Colored Man Almost Successful In Pounding A Hole Through Brick Cell Wall

Tenolia Young, colored, made a desperate effort last Thursday night to change boarding places, and almost succeeded. He boards in Hotel de Parker, which is situated on the fourth floor of the court house. Tenolia doesn't like his quarters. He is in for appropriating to his own use and benefit a car belonging to the Snowden Chevrolet Company, as recited in these columns last week.

Thursday night, while honest men slept, Tenolia succeeded in tearing off a window casing and possessing himself of a heavy window weight. With this he began to hammer away at the brick wall in which the iron bars over a window are imbedded and had succeeded in pummeling out quite a hole in the wall when the keen ear of Tom Higgins, the janitor, who was sleeping in the court house, detected the peculiar noise. He gave the alarm to night watchman W. M. Lee, who in turn reported to sheriff B. L. Parker. When Lee and Parker went up to investigate, Tenolia suddenly became very penitent. Stretched out across his bunk he began to beg for mercy. He even pleaded for the "law" to send him right on to the pen the next day, as he seemed to think that he had committed a capital offense in trying to escape and was liable to be shot at sunrise.

But he is still getting his meals regularly twice a day and has a warm bed in which to bunk these cold nights. He will probably not be sent to Huntsville until next fall, and may not go then, for he can plead guilty and ask for a suspended sentence.

Boy Scouts Give Kiwanis Program

Eight or ten members of the two Boy Scout troops were guests of the Kiwanis Club Wednesday and gave some interesting demonstrations. Pete Curry and Elwayne Nevils showed how to rescue a person from contact with a live wire. J. D. Donaldson and Jack Speight showed how to administer first aid to a wounded person so as to stop the flow of blood from wounds inflicted on various portions of the anatomy. A number of the boys engaged in a fire building contest, fire being started by the use of flint and steel. Jack Childers gave a report of his work in growing and fattening the baby beef which he entered in the Fat Calf and Pig Show held in Lubbock last Friday, and Guy Bulman told about the raising of the pig which he entered.

Miss Valerie Wells gave a reading, which brought much applause. The program for the day was in charge of M. O. Bridges.

MIDWAY 4-H CLUB MEETS WITH MRS. LITTLEPAGE

The Midway 4-H Club met Monday, March 30, with our sponsor, Mrs. Littlepage. We were all delighted to meet our new agent, Miss Harrison. Miss Greenwade was also present. Miss Greenwade gave demonstrations on button holes. There were thirteen club members present.

KING IS AGAIN JAILED—THEFT

Man Who Drew Suspended Sentence On Third Trial In Week Signs Confession

J. G. King, who was tried three times in the district court at its last session here on a charge of stealing a lot of bedding from a widow residing in the T-Bar community and who was given a suspended sentence on the third trial; is again in the Lynn county jail on a charge of theft.

Not only is King charged with the theft but he has signed a written statement confessing the crime and involving three other men with himself. The theft was committed almost a year ago, when a lot of belting, drill bits, and other well drilling material, valued at several hundred dollars, was taken from the Hart well five miles west of Tahoka. In fact the rig was completely stripped, King stated in his confession. He got \$65.00 for his part of the loot. He and three other men came from Ranger to Tahoka with four trucks and hauled the stuff away in the night time. They took it to Breckenridge, four truck loads of it, where they disposed of it. King says the occupation of one of the men who came with him was that of a thief, another was a "thug" while the third was an ordinary well driller. King was located at Vernon and Sheriff B. L. Parker went over to that city Friday afternoon and brought the prisoner to Tahoka Saturday.

Proper Lubrication Shown By Connolly

R. S. Beattie of Los Angeles, Calif., representing the Hyvia Oil Company, gave a free talkie-movie in the show rooms of the Connolly Motor Company here Tuesday night to an audience that filled the room to its capacity.

The object of the show was to teach the importance of properly caring for the car, especially the importance of using good oil and of draining the crank case at proper intervals. His lecture and pictures were very informing and some of the car performances staged were not only interesting but really amusing. Everyone said it was a good show.

Trustee Election Will Be Saturday

School trustees are to be elected in every school district in the county Saturday and two county school trustees are to be elected.

One county trustee is to be elected by the voters of the county at large. This place is now held by H. M. Larkin. His name and also the names of John N. Thomas and R. E. Key will appear on the ballot Saturday as candidates for this place, all the names have been filed by friends.

One member of the county school board is to be elected from the Wilson commissioners' precinct. This place is now held by Clyde Shaw of Wilson. His name will appear on the ballot as will the name of W. M. (Bill) Thompson, who resides six miles east of Tahoka, for this place.

In Tahoka, four members of the board are to be elected. The terms of R. C. Wood, Claude Wells, D. W. Gaignat, and W. T. Clinton expire. The names of Messrs. Wood, Wells, and Gaignat will appear on the ballot to succeed themselves. The name of Sam Reid, Henry Maassen, Chester Connolly, G. A. Brasfield and W. P. Inman have also been filed. Mr. Inman lives in the South Ward community.

Crouch Loses Sheep From Bitter Weed

Herman Crouch lost a total of twenty-eight sheep last week as a result of their eating some kind of a poisoning weed. Mr. Crouch at first thought the sheep were dying of pneumonia but was told by an experienced sheep man that happened to be here that they were dying from eating a certain weed. It may be seen growing at many places in ditches and other places. Mr. Crouch immediately penned his sheep and has lost no more of his flock.

NEW H-D AGENT BEGINS WORK

Miss El Fleeda Harrison Succeeds Miss Greenwade As Leader Of Women's Clubs

Miss El Fleeda Harrison assumed her duties Wednesday morning as home demonstration agent of Lynn county, having arrived in the city last Friday. Miss Harrison comes from Quitman, Wood county. She has been teaching in the public schools the past three or four years but became much interested in home demonstration work and decided to enter this field of activity. Miss Greenwade is assisting her for a few days until she can familiarize herself with the work here.

Miss Greenwade has been serving in this position for two and a half years. She has performed her duties in a most efficient and satisfactory manner and has many warm friends throughout the county who regret that she is leaving the work. Her successor, however, is making a good impression and will doubtless prove to be a most excellent agent.

It is no secret that Miss Greenwade is planning to become a bride within the next few weeks, and the groom being a popular young man of this city.

Newspaper Publisher Buried

LAMESA, March 30—Funeral service was held here Sunday afternoon for Charles Houser, 70, widely known newspaper man. Until a short time before his death he was publisher of the Dawson County Journal published here.

Baby Beef, Pig Bring High Prices

Jack Childers of the Tahoka Vocational Agriculture class did not win a prize with the Baby Beef which he entered in the Fat Calf and Pig Show in Lubbock last Friday but he sold the animal at 11 1/2 cents per pound and it brought him the neat sum of \$105.75. Of this amount \$60.00 was clear profit.

Guy Bulman, who entered a pig, sold his animal for \$36.00, or 9 1/2 cents per pound, and his profit was \$20.00.

More than 100 baby beeves and more than 100 pigs were sold, according to Taylor White, and the average price of these animals was 2 to 3 cents per pound above the Fort Worth market, showing that it pays to raise high quality animals. A calf from Tulla won the grand championship and it sold for 50 cents per pound, bringing \$450.00.

W. H. May of this county bought a fine Hereford bull, paying \$400.00 for the animal. About sixty bulls were sold during the afternoon.

At night a Quality Meat banquet was served at the Hilton Hotel. Tahoka people attending included Prof. and Mrs. Taylor White, R. E. Key, and Miss El Fleeda Harrison, the new county home demonstration agent.

EASTERN STAR

There will be a meeting of the Eastern Star at 7:30 Friday night. All members are urged to be present. Mrs. Bonna Stokes, W. M.

W. C. Wells brought in a copy of the Lynn County News of February 7, 1919, Tuesday which his wife found in the bottom of a trunk. This was just after the World War, and contained much news and letters from Lynn county boys in France. The first soldier, Caulie Milliken, had just returned from France.

Dickson Sells Shop To Man From West

C. L. Dickson closed a deal Tuesday selling his barber shop on the west side of the square to C. E. Woodworth of West, McLennan county. It was a cash transaction and Mr. Woodworth took charge Wednesday morning. He left almost immediately for West preparatory to moving out and his wife will come a little later.

Mr. Woodworth is a barber of many years experience. He is related by marriage to Coleman Wells of the Security State Bank.

Mr. Dickson has not announced his plans for the future but we understand that he is to remain in Tahoka.

LEGION POST'S CONTEST ENDS

Banquet Given Winning Side Last Thursday Night; Another Contest Is On

On account of the "blizzard" that struck Tahoka late Thursday afternoon, only a small crowd attended the American Legion meet held at the Legion Home here last Thursday night as the culmination of a membership drive that brought in 54 new members and raised the total to 131.

The Post had been divided into two camps, each striving to procure the largest number of new members, the losing side to furnish the "feed". One camp was headed by K. C. Holmes and the other by Aubra M. Cade. The Holmes faction won in a walk and so the whole bunch ate at the expense of the genial tax collector and his cohorts. A rifle was also to be given to the individual bringing in the largest number of new members, and when noses were counted it was found that Jo. B. Oliver and Sam Holland had tied. As a matter of compromise, each gets a rifle. Each is likewise made captain of a new team, the two teams to continue the membership drive until Thursday night, April 9, when another feast will be served at the expense of the losers. This second drive and feast were decided upon because of the fact that many were kept at home by the blizzard last Thursday night.

There was a brief speaking program at the banquet Thursday night. Happy Smith, K. C. Holmes, and A. M. Cade being the orators of the occasion.

R. W. HIGGINBOTHAM DIES AT DALLAS, KNOWN HERE

R. W. Higginbotham, Dallas, President of the Higginbotham-Bartlett Company, that operates a lumber yard at Tahoka and others at many other towns throughout West Texas, died at his home in Dallas last Friday. He was a successful business man and highly respected citizen and has had his full share in the building of West Texas. He was also the head of other successful corporations which he organized and operated in this state. "Uncle Rufe" was beloved by many friends, and there are "old-timers" scattered throughout this entire section of the state who feel genuine regret at his passing.

Mr. and Mrs. G. W. Humphries removed from Tahoka to Albuquerque, N. M., Wednesday, where Mr. Humphries will operate an irrigated truck farm.

Jack Applewhite and Borden Davy were business visitors to Levelland Saturday.

T. J. Brock of Lubbock, general manager of the Jones Dry Goods Stores, was here Wednesday.

HEARING SET FOR FRIDAY

Quannah "Jack" Mitchell Said To Have Shot Collins As Result Of Family Trouble

Quannah (Jack) Mitchell, 20, a young farmer residing near O'Donnell, is in the county jail charged with the killing of Dr. C. E. Collins, about 50, a prominent O'Donnell physician, the tragedy occurring at 8:30 o'clock Monday night in front of an O'Donnell hotel. One shot was fired by Mitchell from a .38 calibre pistol, the ball piercing the heart of Dr. Collins and producing instant death.

Dr. Collins was himself armed with an automatic shotgun and Sheriff B. L. Parker was attempting to take it from him when the fatal shot was fired by Mitchell. Collins swooned and fell into Parker's arms, his gun being discharged into the air as he fell. Mitchell immediately surrendered to the sheriff and was brought to Tahoka and placed in jail. It was first announced that an examining trial would be held here Tuesday afternoon and scores of O'Donnell people were here to witness the proceedings, but after conferring with witnesses and with the defendant District Attorney T. L. Price agreed to reset the examining trial for 9:00 o'clock Friday morning.

The homicide was the culmination of a quarrel that arose between young Mitchell and Dr. Collins with respect to Mitchell's wife and sister-in-law. Trouble had been brewing for an hour or more, when some one telephoned Sheriff Parker advising him to come down. Mr. Parker went down immediately and upon arrival in O'Donnell sought to avert trouble between the parties. He searched Mitchell and Dr. Collins as well as some others but found no weapons on any of them. He then insisted upon Dr. Collins' going into the hotel and going to bed. The Doctor went into the hotel and it was presumed that he intended to comply with the sheriff's request. Mitchell then started into the hotel to get his wife and sister-in-law, it is said, but was detained by Parker, and while he and Parker were engaged in conversation, Doctor Collins was seen approaching with a shot gun in his hands. Mitchell is said to have then gone to his car and procured a pistol from it. It was discovered later that there was also a shot gun and a rifle in Mitchell's car, it is said. Not knowing that Mitchell was armed

Blizzard Damage Here Is Great

The severest March blizzard within the memory of the oldest inhabitants of this country swept down from the north last Thursday afternoon and sent the thermometer tumbling down to 13 degrees above zero during the night. Before ten o'clock, as the wild winds raged and howled, a mixture of sleet and rain began falling, the rain freezing as it fell, and the face of the earth was covered with a coat of sleet and ice Friday morning. The storm spent its force by nightfall and the clouds cleared away but the thermometer went a bit below 14 again Friday night. The weather returned to a condition of "normalcy" Sunday but a fresh norther early Monday morning again sent the mercury scurrying downward, falling to 22 degrees that night. The low degree of 13 reached Thursday night was six degrees lower than the temperature had reached at any time previous during the winter just closing.

This blizzard left a trail of destruction in its wake. Practically all of the fruit is believed to have been destroyed. All spring garden truck that had made its appearance was wiped out of existence. The young foliage on most of the shrubbery was killed. Many rose bushes and other shrubs suffered severely. Very little damage was done to wheat and oats, however.

THE HOME

"Home". There is no sweeter word in the English language. How soothing! How sacred! How it awakens tender memories! How it inspires new hope! The home is the bedrock of civilization. There is no other institution on earth that can compare with it.

The pastor of the Methodist Church preached Sunday night on the importance of guarding the home against those evil influences that would destroy or mar it. The Baptist pastor has often stressed the influence of the home life and the home influence. Just last week Judge Maddox declared in an address made to the Kiwanis Club that a personal investigation recently made by him had revealed the fact that three-fourths of all the boys in the State Training School at Gatesville, popularly known as the "Reformatory", had come from broken homes. Most of our crime is traceable possibly to lack of proper home training. The advent of the automo-

bile and the picture show have brought about a radical transformation in the home life of our country. The family do not spend the leisure time in the home now as they did until the advent of these two epoch-making inventions. The home ties have accordingly lost much of their sacred and binding power, and the home influence doesn't have the same chance to assert itself that it formerly did. And when, in addition to all this, conjugal love dies and the home is broken up, the result is really tragic.

Possibly most "broken homes" are the result of indiscreet marriages. No place of love reigns supreme. It is this fact which makes the so-called "gin-marriages" so reprehensible. They nearly always end in failure, oftentimes in tragedy. We do not need to combat the so-called "divorce evil" so much as we need to guard the entry into the marriage relationship. Our young people should be constantly taught that this is the most vital and the most sacred relationship that they can form and that the very greatest precaution should be taken by them before entering into it. Once entered, its sanctity should be scrupulously observed and respected.

To start with, every young married couple should be well matched. If the young man is sober-minded, thoughtful, earnest, domestic in his temperament, and the wife is a giddy, frivolous seeker after pleasure, a spend-thrift ambitious for social conquests, that marriage is likely to come to a sad end.

Furthermore if the young woman is a cultured and refined lady, educated and talented, and the husband, though honest and industrious, has little education and only ordinary mental talents, the conjugal love in that home is likely to burn low and finally die, and the end be most un-

happy. The cure for the divorce evil, for the crime evil, for the social evil, lies largely in the return to the old-time standards and the old-time ideals with respect to marriage and the home. And our young women must ever hold in mind that modesty is the badge of virtue and that virtue is the crown jewel of a woman's character.

THE WAR ON CRIME

Prosecuting attorneys from many parts of the country met in Chicago the other day and formed an organization to combat crime on a national scale. In so doing they went at the matter from the correct viewpoint. Whether these gentlemen in their particular organization will be able to accomplish anything is beside the point. The real issue is that there is no localized crime; the extent of the crime is Nation-wide.

Said Edward Goff, County Attorney of Minneapolis: "In one year, 9,000 men, women and children were murdered in this country. From this holocaust of lawlessness, there resulted 4,500 arrests and 750 convictions." In 8,250 unavenged homicides it can hardly be assumed that there was just reason to kill off the victims. But no one was brought to book for their wasted lives.

Murder is only a small item in the huge annual bill of crime. Fraud and robbery imperil business and the pursuit of individual happiness. No city can sneer at another. What is true of Chicago is true of Dallas and of smaller towns. There is too much unpunished crime. Highway robbery, burglary, hold-ups, are so common as to lose news value except in the appalling aggregate.

The problem must be viewed from every angle, local, State, and national. What is needed is a cure, even if to obtain it the sacrificing of another of the "vanishing rights of the States" should prove necessary. —Dallas News.

The doctrine of "States Rights" doesn't have the appeal that it had a half century ago or even a quarter century ago for the reason that modern means of transportation and communication have made of our confederate states one vast community. Modern industry and commerce have all but abolished state lines in so far as they are concerned. The automobile, the airplane, the railroads, the telephone, the telegraph, and the radio have turned the trick. Where there was one tourist a quarter of a century ago there are probably a hundred tourists today. A criminal can commit a crime today and be in a distant state tomorrow, whereas this was impossible a few years ago. The people of New York, Illinois, California, Texas, and Florida live closer together today, to all intents and purposes, than the people of Dallas, Galveston, San Antonio, and El Paso lived thirty or forty years ago. The doctrine of "states rights" was good enough in the early history of this country and is good yet as respects much legislation, but it should not be used as an impediment to progress or as a detriment to good government.

In deploring the great volume of unpunished crime in this country, the deplorers are in the habit of classifying all homicide as murder. As a matter of fact, this is far from

the truth. Many homicides are committed in which the killer acts strictly in self defense and should not be indicted. Yet all these are denominated as "murders" by the calamity howlers who compile the statistics. Many other homicides are committed as the result of great provocation, such as insult or injury to some female relative or previous assault upon the person committing the homicide. These of course do not justify the crime but in many instances they greatly reduce the enormity of it, yet all such homicides are listed by the professional deplorers in the same category as the most atrocious murders and no distinctions drawn. Those who are constantly decrying the inefficiency and failure of our courts would make out a fairer and more convincing case if they would state the true facts or would make their figures speak the real truth.

"My neighbor and I both take our butterfat, eggs and poultry to the nearest Swift & Company produce plant and get spot cash for them. It makes no difference how much we raise, Swift & Company takes it at the going market price as fast as we can deliver.

"Swift & Company employes give me the same treatment as they do my neighbor. There are 200,000 of us who deliver our produce to the Swift & Company plants.

"It makes a smooth-running, cooperative system which works for the best interests of producer, manufacturer and consumer. Because:

"1. The producer (that's me) doesn't have to worry about local gluts or shortages. He always has a market based on national demand. He always gets his money.

"2. The manufacturer (that's Swift & Company) has a tremendous source of supply—getting the best—that's produced. Swift also has a great distributive system that supplies retailers all over the country.

"3. The consumer (that's you) gets the finest quality foods, in a fresh and sanitary condition, much of it grown and prepared right here in your own home town by your own home folk."

TO THE VOTERS OF THE CITY

I have not seen all the voters of the city yet, but it is my desire and intentions to see each and every one before the election next Tuesday. If I should fail to see you in person, I will appreciate it if you will consider that it was not my intentions to miss you. The office of City Marshal is not as large as some other offices, but if I am elected, I will consider it my business to strictly attend to the City's business in that capacity. If you will vote for me next Tuesday, I will do my very best to show you that it is appreciated and I will try to make you the best City Marshal you have ever had. I thank all those who have encouraged me and assure you it will be my aim to always have your confidence.
Respectfully, HARLEY WELLS.

EASTER MUSICAL PROGRAM BAPTIST CHURCH SUNDAY

The choir of the First Baptist Church has been rehearsing a special Easter Musical Program for some two or three weeks. It is their purpose to present one of the best programs ever rendered by this choir.
There will be no sermon, the entire hour being given to the choir, which will render a number of Easter anthems and choruses. There will be, also, duets, quartets, solos, and two-part songs by the best voices.
At the beginning of the spring season everything with life seems to be overflowing with music. The birds seem to forget their troubles, if they have any, and are almost splitting their throats with their songs of praise. Why not human beings forget, for a little while at least, those things that take the joy out of life, and let their souls be filled with the most exhilarating of all tonics—worshipful music.
It's true that on former occasions when this choir has rendered programs the auditorium of the church has been filled to overflowing, but the ushers are going to do their best to find a place for all who come. Extra chairs and auditorium space are to be provided.
Our friends from adjoining communities are invited to be present and enjoy the program. We trust they will be on time, 7:45 P. M., so as to be sure and get a place.
Place: Auditorium of First Baptist Church. Occasion: A program of worshipful music by the choir of this church. Bring your friends.—The Pastor.

BACK TO CARDUI

Lady Who Had Been in a Run-Down Condition Tells How She Got Well.

Mayo, Fla.—"I was greatly benefited after I took the Cardui Home Treatment," says Mrs. W. H. Truwick, of this place. "For several months I had been in bad health. I was run-down and weak.
"I dragged around from day to day, not feeling fit for anything. My back ached and often my sides hurt all night long. I could not sleep, and my nerves gave me a good deal of trouble.
"I had used Cardui several years before for a similar spell, so I got some for my trouble. I soon recovered and felt better than I had in a long time.
"After taking Cardui for several weeks, I began to feel stronger and to rest better. It is a fine medicine, and I have recommended it to friends."
Thousands of other women have taken Cardui to help them to build up their health. The good reports which have been received, telling of the experience of others, should encourage you to try Cardui, for your troubles.
Cardui is a purely vegetable remedy, and contains nothing harmful or injurious. It may be safely taken by women of all ages.

We are all thankful that we are still living after such a severe cold spell. Lots of young garden stuff and most if not all the fruit got killed.

We have had quite a bit of sickness the past few days among which was R. E. Finley, our commissioner, who suffered a round of the "flu". The little McCormick boy is reported to have scarlet fever. Mrs. Ed. Sanders was quite sick a part of

last week. O'Ber's Forrester has also been quite ill and is still so.

Quite a number of our patrons attended the meet at O'Donnell last week end and report a fine visit. A report of the meet appears elsewhere in this paper Wilson won her share of the honors.

At The Methodist Church
As announced in last week's issue we had a special service at our church and a splendid crowd was present. Sunday school and preaching at the regular hours with special music in the way of an Easter song by Misses Zelta and Evelyn Campbell which was very fine. At the close of the morning service, the Lord's Supper was observed. In the evening service we had a wonderful sermon after which there were six conversions four of which united with the church.

At The Baptist Church

School Visits News Plant
Pupils of the third, fourth, fifth, sixth, and seventh grades of the Dixie school together with their teachers, Mrs. Fay Noble and Miss Fay Anderson, visited the News office Wednesday afternoon to learn something about the operation of a printing shop and the publication of a newspaper. The children and teachers seemed to enjoy the visit very much and it was a real pleasure to the News force to show them the inside workings of this establishment. There were possibly more than forty of the visitors.

Mrs. Walter Florence was taken to a sanitarium in Sweetwater in a Harris & Applewhite ambulance this morning for treatment for inflammatory rheumatism.

OLD RANCH BACKGROUND FOR "FIGHTING CARAVANS"

Al Gatesman's huge ranch, thirty miles from Sonora, Cal., served as the background for many sequences of Paramount's picturization of Zane Grey's famous story of the Western pioneers, "Fighting Caravans" the English Theatre feature for Thursday, Friday and Saturday of this week.

Rich in early Western legend and history, the ranch doubled for the rolling plains of Western Kansas, over which the great wagon freight trains traveled nearly one hundred years ago. Gary Cooper, Lily Damita Ernest Torrence and Tully Marshall play the featured roles of "Fighting Caravans". Scenes were made almost entirely on location, rivers, lakes and mountains in the redwood country surrounding Sonora providing a background for the historic drama.

Slaughter Company, a corporation, was defendant, the said defendant in said cause recovered a judgment against the said plaintiffs foreclosing its equitable lien for Eighteen Thousand Six Hundred Forty-seven and 18-100 (\$18,647.18) Dollars, together with interest on said amount at the rate of ten per cent per annum from March 19th, 1921, and all costs of suit, upon the following described tracts of land, situated in Lynn County, Texas, to-wit:

2 Glasses Water, Not Too Cold, Helps Constipation

One glass water is not enough—take two glasses a half hour before breakfast. You get quicker and better results by adding a little simple glycerin, saline, etc. (known as Adlerika) to one glass.

Unlike other remedies, Adlerika acts on BOTH upper and lower bowel and removes old poisons you never thought were in your system. Adlerika stops GAS and sour stomach in 10 minutes. Relieves constipation in two hours.

If baby has COLIC

ACRY in the night. Colic! No cause for alarm if Castoria is handy. This pure vegetable preparation brings quick comfort, and can never harm. It is the sensible thing when children are ailing. Whether it's the stomach, or the little bowels; colic or constipation, or diarrhea. When tiny tongues are coated, or the breath is bad. Whenever there's need of gentle regulation. Children love the taste of Castoria, and its mildness makes it safe for frequent use.

And a more liberal dose of Castoria is always better for growing children than strong medicine meant only for adult use.

DR. COLLINS, O'DONNELL, SHOT; YOUTH CHARGED

(Continued from first page)

ed, Parker was attempting to take the gun from Collins, when Mitchell fired.

Mitchell was 20 years old on March 5, according to his father, "Cherokee" Mitchell, and had been married only four months. He had resided in the vicinity of O'Donnell for the past two or three years. His father-in-law is George Jones of the Wells community, a well known citizen of that locality. Quarah Mitchell is said to be of Indian extraction. He bears the reputation of being a peaceable and well-behaved young man and had never had any previous trouble of a serious nature.

Dr. Collins had been a resident of O'Donnell for the past eight years and had many friends there. He is survived by one son and two daughters and by a former wife from whom he was divorced and who never resided in O'Donnell. She is married again and resides in Colorado Springs. None of the children reside in O'Donnell. The son, Charles, 27 years of age, resides in Amarillo, but came to O'Donnell immediately after being notified of the tragedy. The funeral is to be held in O'Donnell this afternoon and the remains are to be interred in the O'Donnell cemetery.

Many O'Donnell people are expected to be here early Friday morning to attend the examining trial. It is possible, however, that an examining trial will be waived by the defendant and his bond agreed upon by his council and the district attorney.

Sam Sanford was in Abilene last week as a witness in a case pending in district court.

Mr. and Mrs. Burnett Smith of Anton were here Wednesday visiting friends.
