SALARIES FOR TEACHERS CUT

Practically All Of Faculty Re-elected On Lower Salary Scale By School Board

At a meeting of the school board Tuesday night most of the teachers in the Tahoka public schools were re-elected but their salaries were very materially reduced. The reduction in most cases amounted to 20 per cent. The salaries of the home economics teacher and of the primary teacher were first placed on the same basis with other teachers in the high school and the ward school respectively and then reduced 20 per cent, however. The salary of the teacher of vocational agriculture was reduced from \$3,000 to \$2,200. A large portion of his salary as well as the salary of the home economics teacher is paid from Federal funds. The superintendent was the only member of the entire faculty whose salary was not slashed. He had been previously re-elected at his present salary, \$2,400.

Weir Washam was not re-elected for the reason that he had indicated to the board that he did not desire to remain. Two other teachers in the high school were not re-elected. Mrs. Storey at the Central Ward was not elected at this time for the reason that the board has not yet decided whether or not this teacher will be needed next year. Mrs. Alexander Taylor at South Ward was not elected for the same reason.

Other teachers with their present and future salaries are as follows:

Miss J. Weaver, H. S.	\$180	\$144
Miss Floy Anglin, H. E.	140	100
Miss Evelyn Shepherd	125	100
Miss Beulah Smith	125	100
Clyde Headstream	140	100
Mrs. Jack Link	100	80
Miss Ruth Childs	100	80
Mrs. Jim Clinton	100	80
Miss Sawyer	100	80
Mrs. W. O. Henderson	100	80
Mrs. A. B. Swan	100	80
Mrs. L. F. Craft	100	80
Alex. Taylor, S. W.	110	88
Chas. Deo (colored)	75	60

Salaries of the janitors were reduced from \$85.00 to 60.00.

History Authority Here

Mr. and Mrs. J. Everett Haley of Austin were callers at the News office Tuesday. Mr. Haley being a cousin of Frank Hill and a nephew of the editor. Mr. Haley is engaged in collecting historical data for the University of Texas. He was recently engaged to write a history of the cattle industry of Texas and the Southwest. He is the author of a history of the XIT Ranch of Texas, the big Capitol Syndicate Ranch that formerly covered a large portion of the Panhandle and Plains section of Texas. He is also engaged now in the preparation of a history of Col. Charles Goodnight, who died a year or two ago and who was one of the most colorful characters of all West Texas. Haley was reared at Midland and was educated at the West Texas State Teachers College and the University of Texas.

Boy's Leg Broken When Carr Upsets

Val Lemastur sustained a severe fracture of the bones of one of the legs below the knee when a car in which he was riding overturned at the second turn on the O'Donnell highway a mile and a half south of Tahoka at about 11:30 Saturday night. He was taken to the West Texas Hospital immediately following, where the bones were set in a plaster cast, and the patient was brought back to Tahoka Sunday afternoon. Young Lemastur resides at the Max tourist camp and has been employed at Bovell's Bakery.

Other occupants of the car that overturned were Robert Behson, Clifton Janak, and Liff Taylor, some of whom received slight bruises and abrasions but were not seriously injured. The car belonged to Robert Benson, who was driving. The lights had gone out a mile or more down the road and the driver, was not able to see the road very well. He did not realize that they had reached the turn in the road until the car had gone into the ditch on the north side of the road at the turn.

McNees Says Old Mexico Improving

C. L. McNees, who returned last week from Monterey, Nuevo Leon, Mexico, where he spent the winter with a son, was in the News office Saturday to have his address changed back to Tahoka. Mr. McNees says that Monterey is a city of about 150,000 people and that there is quite a colony of Americans there. He says that the Mexicans themselves are a high class people for the most part, and he was especially lavish in his praise of the women. Out in the rural districts, however, there is not much evidence of progress. Mr. McNees says he actually saw a Mexican ploughing with a yoke of oxen and a forked stick. There is practically no modern farming machinery there. Corn, beans, and leafy vegetables constitute the principal farm products. The climate there is wonderful. Mr. McNees says that he never saw any ice there all winter, except the manufactured product. It will be a great country when developed, he thinks.

Miss Harrison Is Kiwanis Speaker

Miss El Fleeda Harrison, home demonstration agent spoke at the Kiwanis luncheon Wednesday on the Better Gardens and Improved Yards contests in Lynn county, which she is directing. Her talk was very interesting. Several song selections were rendered by a quartet composed of Messrs. G. H. Nelson, M. O. Bridges, C. T. Burnett, and Dr. C. B. Townes. They know their onions when it comes to entertaining and they "strutted their stuff" in great style Wednesday. They were accompanied by Mrs. J. K. Applewhite at the piano.

Being called upon to make a report on Cass county, which he recently visited G. H. Nelson made a most glowing report. In fact he grew eloquent talking about rippling streams, and sighing pines, and singing birds, but got mixed up a bit on sweet-gum trees and rosin.

Heavy Docket For Court Next Month

County court will convene on Monday, April 27. The criminal docket will be taken up on Monday, May 4. County Attorney G. H. Nelson states that the prospects seem good for a rather heavy docket. There will be several aggravated assault cases to try, one case charging unlawfully receiving stolen property, and one or two for drunkenness.

Wood And Wells Draw Long Terms

R. C. Wood and Claude Wells drew the long terms as trustees for the Tahoka Independent school district when they were sworn in to succeed themselves at a meeting of the school board last Thursday night. They will each serve for a term of three years, while D. W. Gagnat and Sam Reid will each serve two years. All of the above were members of the old board except Mr. Reid who succeeds W. T. Clinton.

A canvass of the election returns showed a very close vote between Mr. Wood and Mr. Brasfield, Wood receiving 123 votes and Brasfield 121. The complete returns follow: D. W. Gagnat, 206; Claude Wells, 152; Sam Reid, 148; R. C. Wood, 123; G. A. Brasfield, 121; H. A. Maasen, 106; and W. P. Inman, 54.

Mrs. E. E. Callaway and Mrs. M. J. Weaver attended the district meeting of the Women's Federated Clubs which was in session at Memphis, Texas, Tuesday, Wednesday, and Thursday.

Oscar Roberts and Karr Wells went to Wichita Falls Wednesday to see the ball game between Wichita Falls and Fort Worth.

Sylvester Reese is still improving in the West Texas Hospital and will be able to return home soon.

The following warning has been received by the Lynn county committee from E. J. Murphy, administrative officer in charge of the Federal Farmers' Seed Loan Office, Fort Worth, and should be taken note of by all farmers who have received such loans:

"With the advance of the season in Texas attention is invited to the fact that the Regulations of the Secretary of Agriculture provide that applications for loans for seed, fertilizer, etc., as well as applications for loans for agricultural rehabilitation purposes must be mailed in time to be received at the Farmers' Seed Loan Office not later than April 30, 1931."

O'DONNELL MEN ASSAULT BOY

R. W. Gary And Son Charged After Attack On Lester Parr Friday Night

Lester Parr, 18, O'Donnell youth, received a serious knife wound when he was assaulted by another youth, Pat Gary, in O'Donnell last Friday night. The knife blade laid open the flesh to the bone across the ribs and in the vicinity of the abdomen and barely missed being fatal, according to County Attorney G. H. Nelson, who investigated the affair. A few minutes preceding this affair, Parr had been assaulted with a monkey wrench by R. W. Gary, father of the youth who did the cutting. The elder Gary had struck Parr over the head with the wrench, inflicting an ugly wound. Parr went to call an officer and while he was searching for one he was met by the younger Gary, who attacked him with a knife.

On the preceding night, the Garys appeared at the home of Rev. W. O. Parr, the wounded boy's brother, with whom he resided, and demanded to see the boy. The minister informed them that the boy was sick and they were unable to see him. It is said that they were aggrieved by some alleged remarks made by the youthful Parr concerning some members of the Gary family.

Complaints for aggravated assault have been filed against both Parr Gary and his father, R. W. Gary. A complaint has also been filed against R. W. Gary for disturbance of the peace at the Parr home on Thursday night. These cases will come on for trial at the approaching term of the county court.

Two New County Trustees Elected

A few of the school districts in the county made no returns as to the vote for county school trustees in the election held last Saturday. Returns from seventeen of the twenty-four boxes, however, indicate that John Thomas was elected trustee at large by a handsome majority. These boxes include Tahoka, O'Donnell, Wilson, Redwine, Dixie, Petty New Lynn, West Point, T-Bar, Lakeview, Edith, Morgan, Grassland, Wells, Newmore, Midway, and Draw. The result as shown by the returns from these 17 boxes is as follows: John-Thomas, 259; H. M. Larkin, 181; R. E. Key, 156.

Returns from commissioners precinct No. 1 in the election of a county trustee from that district are also incomplete, no returns being made from Gordon and Magnolia. Returns from the other four boxes, Tahoka, Wilson, New Lynn, and Morgan, show the following results: Clyde Shaw, 89; W. M. Thompson, 80.

Error Corrected

Raymond Griffin has complained to us about an alleged error that appeared in this paper last week. We stated that 20 or 30 gallons of gasoline were stolen from the filling station of P. C. Pate. Mr. Griffin says that only about nine gallons were taken. We make the correction for whatever it may be worth.

Mr. and Mrs. S. O. Isard are the proud parents of an eight pound boy who arrived on Monday. This young gentleman will bear his father's name in full. The mother and babe are both doing well.

"UNCLE JACK" SMITH DEAD

Aged Citizen Passes On After Brief Illness Following Accident, Buried Monday

R. J. Smith, known to everybody as "Uncle Jack" Smith, died at the home of his daughter, Mrs. Wright Edwards, in O'Donnell at 1 o'clock Monday morning and the remains were interred in the Tahoka cemetery Monday afternoon. Funeral services were conducted in the Baptist Church here at 3:30 o'clock in the presence of a great concourse of friends. The services were conducted by Rev. O. J. Hull, pastor of the Baptist Church here, while the funeral

MRS. LEWIS, 90, DIED MONDAY

Was Pioneer Of Texas And Of Lynn County, Buried In Tahoka Cemetery Tuesday

At the ripe age of 90 years, 3 months, and 20 days, Mrs. Jane Lewis, affectionately known to many here as "Aunt Jane", passed away at her home here Monday afternoon. Death was due chiefly to the infirmities of age.

The funeral service was conducted at 2 o'clock Tuesday afternoon in the Primitive Baptist Church in the presence of a great company of relatives and friends by her pastor, Elder L. J. McCarty, after which the remains were tenderly laid to rest in the City Cemetery, Harris & Applewhite officiating as undertakers.

Mrs. Lewis, whose maiden name was Gardenhire, was born in Tennessee on December 23, 1840. While yet a mere child she removed with her parents to Kaufman county, Texas, where she grew to womanhood and where she was married to I. N. Lewis. In 1886, she and her husband and their family removed to Runnels county, where they resided until 1907, when they again migrated westward, locating this time in Tahoka. Her husband, I. N. Lewis, died here in 1916.

In her girlhood days Mrs. Lewis professed faith in Christ and joined the Primitive Baptist Church. She has lived a most devoted Christian life during all these years. Her kindly, sympathetic disposition won the friendship of every one with whom

Complaint Is Filed Against Teacher

A complaint has been filed in the county court alleging aggravated assault against one of the prominent teachers of the county. The teacher inflicted corporal punishment on a 13 year old boy for an alleged infraction of the rules of the school and the complaint grew out of the incident. The case is to be tried at the approaching term of the county court.

CELEBRATE ANNIVERSARY AT THE BAPTIST CHURCH

The close of Rev. O. J. Hull's first year as pastor of the Baptist Church here was celebrated last Sunday with a program consisting of special music and short talks by a number of the members. Following this, the pastor delivered a strong message appropriate to the occasion, in the presence of a large congregation.

ROAD WORK IN PRECINCT STOPPED TEMPORARILY

Judge G. C. Gridar states to the News that Walter Florence, commissioner of Precinct No. 2, has ordered all road work in his district stopped until he is able to return to his home. He hopes to be able to return soon from Mineral Wells, where he is taking treatment.

Pres. J. A. Hill of the West Texas State Teachers College at Canyon was a brief caller at the News office last Thursday afternoon and spent a portion of the night with his nephew, Frank Hill. He addressed a district meeting of the Parent-Teachers Club at Lamesa Thursday evening.

Two Revivals Open Within Few Days

UNIQUE PLAN AT C-C CHURCH

Many Preachers Of This Section On Church Of Christ's Week Revival Program

Members of the Church of Christ are looking forward to the services to be conducted in their church next week as an epochal event in the history of their organization here.

This series of services is to be different from the ordinary revival meeting in the fact that many different speakers are to appear on the program that has been prepared, a copy of which appears in this paper. Each subject is to be discussed by a different speaker, though some of the speakers are to appear on the program more than once.

These subjects will doubtless be ably discussed and not only the members of the congregation are expected to attend but many visitors are expected from a distance. The people of Tahoka, regardless of their religious beliefs and affiliations, are cordially invited to attend these services.

Turner Case May Be Tried Again

District Attorney T. L. Price a few days ago received a copy of the opinion of the Court of Criminal Appeals reversing and remanding the Mrs. Mollie Turner case and also the opinion refusing to grant a new hearing. While the opinion overruled Judge Price's contention, yet the Court took occasion to highly compliment Judge Price for the brief he filed and the argument he made before the higher court. The case will probably be tried here again at the next term of the district court. Mrs. Turner is charged with the murder of her husband, the homicide having occurred at their home near Wilson about ten years ago.

Garden Contests Will Open Soon

Score cards for the garden contests being sponsored by the Kiwanis Club will be printed this week and furnished all desiring to enter the contest. Contestants must file their names with the secretary, W. S. Anglin, prior to May 15, who will furnish applicants with score cards.

Any person residing within one mile of the court house will be eligible to enter.

Red & White Stores Are Making Change

Four local grocery stores are changing this week to the Red & White system of merchandising. These are Boullion's, Tate's, Larkin's and the Cash Store. They become members of a great group of stores situated throughout this part of the state and in other states, whose managers buy their goods co-operatively and thereby get the benefit of lower prices. They are thus enabled to sell cheaper than when each store must make its purchases independent of all others. Each store remains independent, however, in so far as the management of its own business is concerned. It is believed that this arrangement will work out to the benefit of the dealers and the buying public alike.

MIDWAY H. D. CLUB MEETS WITH MRS. H. L. TUNNELL

Midway H. D. Club met April 10 at the home of Mrs. H. L. Tunnell. Five members were present and two new members were enrolled.

Miss Harrison gave a demonstration on preparation of sea foods. Miss Lois Dowdle, editor of the Home Department of the Southern Ruralist and Progressive Farmer, and Miss Myrtle Murray, district H. D. Agent were at our meeting.

The next meeting will be April 24 at the home of Mrs. Pollard. Reporter.

BAPTISTS OPEN MEET TONIGHT

O. J. Hull, Pastor, Will Preach And Taylor White Will Lead Song Services

Revival services begin at the Baptist Church tonight to continue through next week and possibly longer. It was originally planned to begin this campaign on last Sunday to be continued through this week or longer, but the pastor and a number of the members desired to attend the Baptist State Sunday School Convention being held in Abilene on Tuesday, Wednesday, and Thursday of this week, and for that reason it was decided to defer the beginning of the campaign until tonight.

Rev. O. J. Hull, the pastor, will do the preaching, while the song services will be conducted by Taylor White.

"I don't want to have just a little meeting", the pastor said in discussing the matter. "If the church really wants a meeting and will go into it in earnest, then I am anxious to do my utmost". He craves the united and earnest support and assistance of the entire church in this campaign, while other Christians are invited to join in and assist in the services. A great revival of religion, in the hearts of professed-believers and a great in-gathering of souls into the Kingdom is the aim of the meeting.

A great choir has been organized to lead in the singing and the gospel will be preached, doubtless, with great earnestness and power. Everybody is cordially invited to attend.

Fitzgerald To Pampa

Dick Fitzgerald, who was convicted in the district court here some time ago on a burglary charge and who has been in jail here, was taken to Pampa Wednesday by the sheriff of Gray county for trial on a felony charge there. The case against Fitzgerald appealed from Wichita county was recently affirmed by the court of criminal appeals. It is said that penalties aggregating 19 years have already been assessed against him and he is still wanted in several counties on burglary charges.

The Piggly-Wiggly is increasing its floor space this week for the convenience of the management and the customers. One of the partition walls is being set back.

Uncle Ben Plays Cop, Nabs Man

A. R. McGonagill and Bill Thompson tell this story. They say that a drunk man ambled into the basement of the court house Saturday. All the peace officers happened to be out just then but Uncle Ben, Justice of the Peace, was right there on the job. The inebriated individual undertook to go into a door but missed it and butted into a brick wall. He made another dive for the door and succeeded that time in making the landing. After several unsuccessful attempts he then managed to find his way out of the room, started down the hallway, and then undertook to enter Tom Higgin's junk room, but failed to make the grade. All this time McGonagill and Thompson had been importuning Uncle Ben to take the gentleman into custody. Uncle Ben seemed doubtful as to his authority but finally threw discretion to the winds and nabbed the intruder by the arm. No sooner had he done so, however, than he began to yell for the sheriff. H. W. Calaway, high constable, heard the commotion and came to Uncle Ben's rescue. He took charge of the prisoner and took him to jail. Then Uncle Ben, much relieved, began to brag about his prowess, they say, in capturing bad men. "When I get my clutch on one of them, he never gets away", Uncle Ben is quoted as saying.

The victim made bond and his case is to be tried at the next term of court.

GUILTY AND INNOCENT

Nine years after the crime was
committed, the aged Albert B. Fall,
whose trial was delayed for many
months because of his alleged ser-
ious illness, learns that the case has
been affirmed by the appellate court
of the District of Columbia. By the
time the former Interior Secretary
is 100 years old, the case may have
finally been passed upon by the Su-
preme Court.—Greenville Herald.

Mr. Fall was convicted of accept-
ing a bribe from a millionaire oil
magnate. The millionaire oil mag-
nate was indicted for giving a bribe
to Mr. Fall. But the oil man was
pronounced not guilty of having
given the bribe, even though Fall
was under conviction for accepting
it. The two men were tried by differ-
ent juries, to be sure, therefore un-
der different circumstances. But the
crime alleged was as much one's as
the other's. It is impossible to un-
derstand how Fall could accept a
bribe that was not given, or how the
alleged giver could have been inno-
cent if the alleged taker were guilty.

The situation is so contrary to the
tenets of consistency as to justify
facetious comment, yet there is a
deep tragedy involved which forbids
levity. Either the alleged giver and
the alleged taker of the bribe are
both guilty or neither is. If one was

not a briber, the other was not brib-
ed. Yet one is told by the law that
he must go to prison, while the other
is told by the same authority he may
go home unhindered. Is this equality
before the law?—State Press in the
Dallas News.

The inconsistent verdicts in these
two companion cases afford one of
the most striking examples of the
weakness of the jury system in the
entire history of criminal jurispru-
dence.

But are the courts to be blamed?
Is the law to be blamed? State
Press infers that they are. "Is this
equality before the law?" he asks
with the inference that it is not.

The inference is all wrong. These
two men did stand equal before the
law. They had and exercised the
same legal rights in the courts. Each
had the right to select and each did
select his own counsel to represent
him on the trial. Each was ably rep-
resented. Each was vigorously prose-
cuted and the rights of each were
scrupulously safeguarded. All the
legal and competent evidence was
presented clearly to each jury. The
law was doubtless correctly given to
the jury in each case by the presid-
ing judge. The two defendants were
equal before the law.

But one was tried before one jury
of twelve men and the other was
tried before another jury of twelve
men. On practically the same evi-
dence one jury pronounced the al-
leged bribe-giver innocent and the
other jury pronounced the alleged
bribe-taker guilty. The great fault
lies with one or the other of the
juries. Neither the judge nor the
prosecuting attorney nor any of the
other machinery of the courts could
dictate to either jury what its ver-
dict should be. In rendering the
verdict, the jury in each case and in
every case submitted to them on
controverted or conflicting evidence
is supreme. The court is not to be
blamed. The law is not at fault. The
only remedy for such an incongru-
ous situation would seem to be to
abolish the jury system. Would
State Press be willing for this to
be done?

Let's not criticize our courts and
create disrespect for our laws when

neither the courts nor the law is to
blame. One or the other of these
juries may be subject to sharp criti-
cism, yet juries are made up of mere
human beings and how often do hu-
man beings disagree!

Christianity is not yet dead, in
Russia. God still lives and reigns in
the hearts of many. This was demon-
strated last Saturday night as Or-
thodox Easter Sunday was about to
be ushered in, when great throngs
of devout and eager worshippers
crowded into the five hundred
churches that still survive in Mos-
cow. Other thousands were unable to
gain entrance. Many were bruised
and injured by the crush of the
crowds. All this is being done in
spite of the active opposition of the
Atheists, who staged many counter
attractions and opposition meetings
designed to intimidate the worship-
pers. The Atheists even staged a
big street parade in which they
flaunted banners bearing coarse jests
ridiculing the worshippers and blas-
pheming their God. But it is re-
freshing to note that the worship-
pers were not daunted by the vulgar
and profane ribaldry aimed at them
by the infidels. There is evidence, in
fact, that Christianity is about to
stage a mighty come-back in Russia.
For a time, it seemed that it had been
almost entirely blotted out by the A-
theistic Soviet Government. Every
power of government was brought
to bear to stamp out all belief in the
existence of a God. Churches were
demolished and Christians persecut-
ed. Mockery of religion was pre-
valent everywhere. Even the school
children were taught to scoff at re-
ligion and to taunt those who dared
to worship God. A saturnalia of in-
fidelity swept the entire country.
But the people seem to be return-
ing to sanity. Great religious zeal
is being manifested everywhere.
Within another decade, this hurri-
cane of atheism will probably have
spent its force. Russia is in the
midst of a mighty transition period
and probably presents the best field
in all the world for intelligent Pro-
testant missionary effort.

The legislature now in session has
recently passed two court reform
measures that promise to be far-
reaching in their effects. One of
them simplifies procedure in per-
fecting appeals in civil matters to
the supreme court and able lawyers
have expressed the opinion that it
will effect a saving of millions of
dollars to litigants and to the peo-
ple within the next few years. The
other measure provides that juries
may be dispensed with in felony
cases in which the defendants enter
pleas of guilty and the Court author-
ized to assess the penalty. Here-
tofore, it has been necessary for a
jury to be selected and to hear the
evidence and render a verdict upon
pleas of guilty in felony cases just
the same as in cases in which pleas
of not guilty were entered. This al-
ways consumes time and entails ex-
pense. Of course, most defendants
may prefer to take their chances
with a jury on a plea of "not guilty"
than with the Court on a plea of
"guilty". But when they do decide
to plead guilty, their cases may be
disposed of in a few minutes at lit-
tle cost to the tax-payers whereas a
trial on a plea of guilty heretofore al-
ways required considerable time and
entailed considerable expense. This
is a reform that should have been
made years ago. The present legis-
lature has wrought well in making
it now.

Tahoka's pool hall is no more. It
survived only three or four days.
The fixtures and equipment were
moved out Monday. Its attempt to
run was a flagrant evasion if not an
open violation of the law, and we
understand that the sheriff and coun-
ty attorney notified the proprietors
to close up or take the consequences.
He closed. Tahoka has no need for a
place of amusement of this charac-
ter.

Nature Thought of
Everything

Nature thought of everything when
the human body was made. When the
body is about to become ill, nature
planned danger signals to warn us.
Thus, if our children grind their teeth
when they sleep, or lack appetite, or
suffer from abdominal pains, or itch
about the nose and fingers, we should
know that they may have contracted
worms. Then, if we are wise, we buy a
bottle of White's Cream Vermifuge and

we avoid the danger of very serious

NEW HOME H. D. CLUB HAS UNUSUAL MEETING

The members of the New Home H. D. Club met Thursday, April 2, with Mrs. R. M. Turner. The ladies assembled early, and at 2:30 Miss Harrison, the new county H. D. agent, accompanied by former H. D. agent, Miss Greenwade, arrived.

An announcement was then made to the effect that although the day was the regular date for club meeting the members were going to take advantage of this opportunity to entertain in honor of Miss Greenwade, who as a bride was to move to their community soon.

A unique burlesque of the courtship of the bride and groom was given. Then Miss Greenwade was led to an adjoining room which was made very pretty with its simple decorations of silver wedding bells. A large silver bell hung from the center of the room. Upon passing under this a shower of rice fell from the bell upon the unsuspecting bride.

Mrs. Henry Heck then made the following announcement:

"Times are hard, as we all understand, to have a big luncheon and fix things up grand."

A cake, though, for the bride we've made.

And we'll treat ourselves presently with corn bread, water and egg."

A large dolly was removed from the table to disclose a huge wedding cake. Upon trying to cut the cake Miss Greenwade discovered it was of

such brewing that it would be easier lifting than cutting. Inside the cake was hidden gifts for the bride. After examining of the gifts by all Mrs. Loyd McCormick made some announcements which tended to add to the merriment of the evening.

Apricots and whipped cream, Angel food cake and strained lemonade served to represent the corn bread, water and egg was passed to those enjoying the event.

Place cards of silver, paper wedding bells, on which the menu was printed, were used. This concluded the social hour.

The regular club program on "Sea Foods" was then rendered following: by a demonstration on preparing three appetizing sea foods dishes by Miss Harrison.

A composite estimate was made by the members on the value of canned products put up by individuals using club methods since Miss Greenwade had been county agent. The estimate of this one project alone showed a saving to the members of from \$3,000 to \$3,500. It would be surprising if an accurate account could be given showing what the club has attained not only in dollars and cents, but in improvements in homes and gardens in the community. The entire club joined in the praise of and thanks to Miss Greenwade for her untiring and faithful service rendered during the time she was agent of Lynn county and pledged themselves to cooperate with Miss Harrison in all future club activities. Twenty-three members and two visitors were present.—Reporter.

LIVE-WIRE UNION INSTITUTE WAS A SUCCESS

The Live-Wire Union of Epworth Leagues held an "efficiency institute" here at the Methodist Church last week. There were about seventy-five young people in attendance, of which number about forty were from surrounding towns and the remainder were members of the local Epworth Leagues. There were fifty-six units of credit issued to those who met all of the requirements for such credit. This is the largest number of credits to be issued at one institute in the Lubbock District so far this year.

The credits that are issued at these institutes are valuable in an educational way. They not only give the student a valuable knowledge of religious education, but are accepted by a number of colleges as college credits.

There were eight instructors in the institute, four of them coming from out of town, and Mr. V. M. Gore, field secretary for the Northwest Texas Conference, was dean. The instructors were all college trained, most of them holding degrees from some of our best universities, and they were all especially fitted for their respective courses. Mr. Gore is a graduate of W. T. S. T. C. and has had several years experience in religious education work among young people. With a corps of instructors of this type it is not surprising to learn that the courses were very valuable as well as quite interesting to all who attended.

Mrs. Edna Mullins of Brownfield was here Sunday as the guest of her sister, Mrs. A. J. Mullins.

ATEND CELEBRATION OF MOTHER'S BIRTHDAY

Mr. and Mrs. W. L. Knight of our city attended the birthday celebration of his mother, Mrs. Mary C. Knight, at the home of her daughter, Mrs. W. G. Burnette, at Eastland on Thursday, April 9.

The cake was decorated with ninety-one candles. She and the entire company present had a most enjoyable day, Mr. Knight states. A great company of relatives and friends, including children, grand-children, and great grand-children were present.

CHURCH OF CHRIST MONDAY BIBLE CLASS

A very pleasant and profitable meeting of the ladies of the Church of Christ class was held Monday afternoon at the home of Mrs. Brasfield. Study of the proper divisions of the Bible was selected as the general topic for the next meeting, which will be with Mrs. Ballman. Outline of the program has not been finished. On account of the protracted meeting, this group will not meet again until next Monday week. 3 P. M. is the hour. Mrs. Richardson, leader.

Redwine

Mrs. M. L. Henry had a family reunion at her home Sunday. A bountiful dinner was enjoyed by the following children and relatives: Mr. and Mrs. T. M. Pearce and family from O'Donnell, Mr. and Mrs. W. T. Rhodes and little son of Stamford, Mr. and Mrs. R. R. Luttrell of Bethel, Mr. and Mrs. G. A. Henry and family, Mr. and Mrs. C. C. Caraway of South Ward, Mr. and Mrs. L. M. Bryant of Tahoka, Mr. and Mrs. H. D. McDonald, Mr. and Mrs. Garland Pennington and family, Mr. and L. M. Nordyke of Bethel, Miss Geneva Bland, Rev. John Braswell of Lamasa was a guest also.

Mr. and Mrs. Edd Sharp of Dallas, who are visiting their mother, Mrs. Coker, at Tahoka, visited in the Thompson home Saturday.

Miss Jane Bairdington of Lubbock visited in the Frank Henderson home Saturday.

Mrs. Tom Smith was taken to a sanitarium in Lubbock Saturday morning. We hope for her a speedy recovery.

Mr. and Mrs. Walter Florence are both seriously ill in a Mineral Wells sanitarium.

Farris Stevens has a baby real sick with pneumonia. We are hoping for all our sick neighbors to get well soon.

Mr. and Mrs. Carl McClintock of Midway visited in the Curtis Driver home Sunday.

Mr. and Mrs. Weldon McClintock had as their guests Sunday her parents, Mr. and Mrs. Bob Gibson and sons and Misses Bonnie Lynch and Mildred Gilson, all from Lubbock.

Mr. and Mrs. Charles Uzzell of Draw attended church services here Sunday morning.

Mr. and Mrs. J. Y. Thompson and daughters, Misses Pauline, Grace and Billie Jo, visited in the Bill Thompson home at Edith Sunday.

Miss Belle Henderson spent Saturday in Tahoka, the guest of friends.

Mrs. Weldon McClintock and baby, Joy Dean, visited Mrs. Austin Porterfield at Draw Saturday.

Our Sunday School is growing better each Sunday. Church services and singing were well attended Sunday also.

The Rankin Bros will begin a

series of meetings on the Wednesday night, and continue each night for 10 days or two weeks. Come and help these young men make this a wonderful meeting.—Reporter.

Special Songs—Duets, quartets and other sacred exercises will be arranged as initial features of each service. Many of West Texas' ablest Evangelists will speak in this series; and their critical, earnest discussion of these vital Biblical themes can but be interesting and helpful to every seeker for truth.

As indicated in last week's announcement, these meetings are of vital concern to our entire town and community. And a very cordial invitation and welcome is extended to all who are interested in the salvation of souls, and in the progress of primitive Christianity. Also, as previously indicated our audiences will be greeted by a different speaker at each service. This is an opportunity that surpasses any that many have had before.

Texas has the largest grain elevator in the world, a \$3,000,000 structure at Galveston recently completed which will handle 6,000,000 bushels of wheat in its 427 bins. It can unload three ships simultaneously at the rate of 200,000 bushels an hour. It is electrically operated throughout.

Eight hundred men are employed on the gas line from El Paso to Douglas and Bisbee, Arizona, a distance of 275 miles.

Texas had nearly 800,000 acres of land under irrigation in 1930, nearly half of the total in Hidalgo and Cameron counties.

WHAT OTHERS THINK

William Wrigley, the big chewing gum king of Chicago, has come to the rescue to some extent of the southern cotton planter. He has agreed to buy the equivalent of 200,000 bales of cotton in the south at 12c per pound, middling basis, and has indicated a bank in Dallas that will handle funds for the purchase of his cotton. In a statement to the newspapers, Mr. Wrigley said that he wanted to help those who had helped make his fortune, and he considers the amount he is spending for Southern cotton should be spent to help his customers in the South. Wrigley made millions of dollars by advertising a 5c product, but some people declare they can't see that advertising pays them.—Terry County Herald.

"CIMARRON" IS GREATEST PICTURE OF THE YEAR

Thirty years of thrills packed into two hours of breathless entertainment!

Such is "Cimarron", Radio Pictures' dramatization of Edna Ferber's epic story of Oklahoma, starring Richard Dix as the colorful Yancey Cravat. The film shows at the English Theatre Sunday, Monday, and Tuesday and is said to be the best show of the year. "Cimarron" is a gripping story of the opening of Oklahoma, the great land rush, the passing of the wild Indians, great herds of cattle, the development of that state—and, a beautiful love story is woven in.

Thirty-three characters and thousands of pioneers have stepped from the pages of this novel to produce this great picture.

AGGIE BOYS WILL PRESENT PROGRAM FRIDAY NIGHT

An entertainment entitled "Follies of 1931" will be given in the high school auditorium Friday night, beginning at 8:30 o'clock, by the members of the Vocational Agriculture class. The show will consist of many musical numbers and a short play, and promises to be very entertaining. The purpose of the entertainment is to defray the expenses of the seven judging teams, that are going to College Station to engage in the state contests next week. You are invited to the play.

way. The patrons of the school began to arrive about nine o'clock. The men immediately went to work trimming trees, cutting weeds and doing anything that needed to be done in the way of fixing up the grounds while the ladies visited in the different class rooms. At noon the ladies spread a fine lunch, a regular feed, in the Home Economics rooms, after which the visitors, faculty and students went into the auditorium, where the program continued in the way of splendid talks by Rev. Thurston and Rev. Partin, special music by Rev. Roth accompanied by Miss Elmer Mueller and songs by the Wilson quartet. At three o'clock all went to the play grounds, where several games were played.

Coach Nix and seven of the track boys went to Lubbock Saturday to attend the track meet at the Teph. The boys entered but failed to win any points, however they had the honor of competing with some of the best track men in the state.

A call for volunteers to try out as baseball players was made Monday and 17 responded. We believe that out of this number we will get a team that will be heard from a little later.

The present school term is fast drawing to a close and the present term marks one of the most successful terms in the history of the Wilson school. There will be 18 to graduate this year, 9 boys and 9 girls, and we believe this to be the greatest number to graduate in any term of this school.

The Junior-Senior banquet of our school will be held Thursday night.

At The Baptist Church
A fine attendance at all the services and much interest was in evidence last Sunday. A report from several who attended the Sunday School and B. Y. P. U. district convention at Plainview was received with much interest. 25 Wilsonites attended the convention and report a wonderful time. The Wilson delegation brought back the attendance banner.

There will be a B. Y. P. U. study course at our church beginning Monday night of next week and all are urged to attend this course.

Choir practice each Thursday night conducted by Mr. Luther Rudd.
A large delegation from the church is attending the State Sunday School convention now in progress at Abilene.

Mrs. McKinley and sister, Miss Ruby Rudd, of Lubbock were visiting home-folk last week end.

R. E. Finley and family returned last Friday from a ten day visit to the Rio Grande Valley. Bob says everything looks fine down that way.

F. R. Crews moved his family to his farm four miles east of town Monday.

At The Methodist Church
Our attendance last Sunday was the peak of the year, there being 115 present in our Sunday School. We added several new members to our enrollment. A helpful service at the morning hour and one addition to the church. The evening service marked the opening of the Young Peoples Revival which closes tonight. The young people assumed the leadership and Rev. Thurston is doing the preaching. The text for the Sunday night service was "What is Thy Name?" and was heard with eager ears and was one that is bound to bear fruit.

Misses Evva Faye Huffaker, Evelyn Thomas, Mattie Pearl Jones, Messrs. Lloyd Hamilton, Calloway Huffaker and Red Thurston attended the Epworth League Institute held at Tahoka last week. Miss Huffaker and Rev. Thurston taught classes in the Institute.

Miss Hattie Server is an out of town visitor this week.

Locals

Mrs. Jack Alley and Mrs. Hall Robinson were badly bruised Tuesday of last week when Mrs. Alley turned her car over near Ralls. Neither was hurt seriously in spite of the fact that the car was turned bottom side up in the ditch. Little damage was done to the car. Mrs. Alley says the wreck came as a result of a flat tire. A large nail evidently ripped a large hole in the casing and tube, causing the car to swing and get from under her control. A passerby helped to right the car and proceed to town. Nearly all of Mrs. Alley's clothes were ruined from acid from the car batteries that was spilled on them.

Jim Weatherford and W. O. Henderson returned Friday from a trip which took them to Corpus Christi, Brownsville, and other Valley points. Jim says they merely went through Brownsville. Matamoros is on the opposite side of the River, where they never heard of Andrew Velestead, and Jim and W. O. had a burning desire to see what the town looked like. They didn't see Brownsville as they came back through. Frank Larkin and Lefty Squyres accompanied them to Harlingen, where they stopped to make their try-out for membership in the Rio Grande Valley baseball league.

O. J. Jackson left Saturday for Kilgore, an oil town down in East Texas, where he expected to open up a cafe. The fixtures of the old City Cafe here were loaded onto a truck the same day and started on their journey to Kilgore. Mr. Jackson indicated that he might remain in Kilgore temporarily himself and operate the cafe. It is probable, however that he will put some one in charge and return to Tahoka soon.

Garland Wanie is the name of the little fellow, who made his appearance in the home of Mr. and Mrs. Beecher Sherrod last Thursday. The youngster tipped the beam at 8½ pounds and seems to be enjoying the best of health. Mrs. Sherrod, the mother, is doing nicely. Her mother,

ENGINEER GAVE UP

Says He Could Not Stand Indigestion Any Longer.—Relieved By Black-Draught.

Pulaski, Va.—How a railroad engineer was relieved of indigestion was described by Mr. C. K. Nelson, a Fourth Street resident of this city. Mr. Nelson said:

"I was suffering from stomach trouble in 1917, and had been suffering for some time. I had a tightness in my chest, a shortness of breath. There seemed to be a heavy weight in the pit of my stomach, and quite a bit of nausea, yet I couldn't vomit. I tried different remedies, yet suffered on just the same. When in West Virginia, on a work train, I was in such a condition that I just gave up and came home. I couldn't stand to work, in my condition.
"Some one told me about Black-Draught. I started taking it in small doses after meals. It helped me, and I went back to work.
"One morning while on my engine I felt like I would smother. I stopped in a little town, bought a package of Black-Draught, took a dose and later in the day took another dose. It relieved me and I have not had a bad spell like that in more than two and a half years."
Theodore's Black-Draught contains no chemicals. Composed of pure botanical roots and herbs.

"UNCLE JACK" SMITH DIED
EARLY MONDAY MORNING

(Continued from first page)

A sermon was delivered by Rev.
L. S. Jenkins, Baptist pastor at
O'Donnell.

Funeral services were conducted
under the auspices of the Masonic
order, of which "Uncle Jack" had
been a loyal member for many years.
"Uncle Jack" was 75 years of age,
having been born on December 4,
1855, in Williamson county, Tenn.
He moved to Texas many years ago
and to Tahoka about ten years ago.
He resided in Tahoka until the death
of his wife, which occurred about
three years ago, since which time
he has resided with Mr. and Mrs.
Wright Edwards.

"Uncle Jack" had been a member
of the Baptist Church since boyhood.
He was of a cheerful disposition
and noble character and had a great
host of friends. His health had been
failing for several years and he had
been very feeble for some time. A
few months ago he fell and sustained
a serious injury and was confined
to his bed thereafter until death
came to relieve his suffering.

He leaves surviving him five sons
and one daughter, all of whom ex-
cept one son were present when the
end came. Charley Smith, who is
now in Virginia and who was here
visiting his father during the Christ-
mas holidays, was not able to be
present. The other sons are V. D.
and J. B. Smith, both of Waco, F. W.
Smith, superintendent of schools at
Whitewright, and R. J. Smith Jr.
of Los Angeles, California. The only
daughter is Mrs. Wright Edwards
of O'Donnell.

A great host of friends from O'Don-
nell, Three Lakes, and Tahoka at-
tended the funeral and followed the
remains to the cemetery to pay their
tribute of love and respect to the
memory of this good man. The News
joins all these in condolences to the
bereaved.

J. F. McMANIS HONORED ON
SEVENTY-FOURTH BIRTHDAY

Sunday, April 12, witnessed a
memorable event in the life of Mr.
J. F. McManis, a resident of the
West Point community, as he reach-
ed the age of seventy-four. A sur-
prise birthday dinner was given him
at his home by his children, Messrs.
John Fulford, Edd and Jim McMa-
nis, and Mrs. E. K. DePriest. Besides
the families of Mr. McManis' child-
ren, twenty-nine friends were pres-
ent, namely: Mr. and Mrs. A. J.
Hilton and granddaughter, Mr. and
Mrs. Tom Hale and family, Mr. and
Mrs. Robert Noble and family, Mr.
and Mrs. J. H. Smith and family,
Mr. and Mrs. J. R. McIntyre, Mr.
and Mrs. W. A. Yates, Mr. and Mrs.
E. G. George, Mr. and Mrs. J. M.
Noble, Mrs. L. G. DePriest, Messrs.
J. K. Milwee, W. G. Glass, C. Gil-
lespie, and Orrie Roberts.

Of the forty-eight present, in-
cluding Mr. and Mrs. McManis,
eleven were over sixty years of age.
Mr. Milwee, the oldest person there,
had reached the age of sixty-four.
All the members of the birthday
party were "old timers", each fam-
ily having resided in Lynn county
more than twenty years; however,
many were strangers to the others.

Mr. McManis has been in very
poor health for several years but
seems to be improving now. He ap-
peared delighted to have his rela-
tives and friends present, but he
can not have received more pleasure
than his visitors did. We all heartily
wish for him many more such happy
birthdays.—A Friend.

BIRTHDAY DINNER GIVEN

Doris Lynn Hull was honored at her
home with a six o'clock surprise

dinner party the girl guests remain-
ed for a slumber party.

Twelve of Miss Hull's friends
were invited to help her celebrate
her sixteenth birthday. The dining
room was artistically decorated in
red and white and this color scheme
was dominant throughout the dinner
course.

The guests were: Misses Evelyn
and Estelyn Jeffreys, Elsie Woosley,
Helen Applewhite, Lorene Childers,

Hull; Messrs. Coughran Ketner, M.
D. Shepherd, Russell Keltner, Billy
