Tahoka, Lynn County, Texas, Thursday, April 30, 1931

Number 36

KIWANIS CLUB FEAST MONDAY

Local Club Will Observe "Kiwaniis Night" With Big Banquet; Ladies Invited

Joining with the 1,875 Kiwanis clubs all over the United States and Canada, the Kiwanis club of Tahoka will observe "All Kiwanis Night" at the Methodist Church on Monday, May 4, at 7:45 P. M. This special meeting will be held during the 15th annual International convention at Miami, May 3 to 7, and the clubs throughout Canada and the United States will meet to observe a united expression of tribute to the fellowship and accomplishment of the organization.

All clubs have arranged the time of their meetings so that a fifteen minute period will be observed simultaneously with the convention occasion in Miami. Nearly 100,000 Kiwanians on the continent will assemble to observe the standard program of "Fellowship Hour".

A message to the clubs by the president of Kiwanis, Raymond M. Crossman, of Omaha, Nebraska, will be read at Monday's meeting. This is to be the eight time in the history of Kiwanis that such a meeting will be held.

Judge Clark Mullican of Lubbock will be the principal speaker of the occasion here.

All members are urged to be present accompanied by their wives or a lady friend.

Announce Winners Of Room Contest

Mrs. R. L. Littlepage of Midway won first and Mrs. E. E. Townzen of T-Bar second in the Improved Living Room contest, according to announcement of the judges, Mrs. S. R. Kemp and Mrs. Dr. K. R. Durham, Monday.

Both contestants entered the contest as Class I demonstrators (cost not to exceed \$50.00) and both improved their living room, making it more comfortable, attractive, and livable for less than \$10.00.

Ellis Sets Record At Chattanooga

Bill Ellis, one of Lynn county's contributions to the baseball world, has made himself a hero in the eyes of fans of the game in Chattanooga, Tenn., member of the Southern Association, according to news stories appearing in the Chattanooga Daily Times. Last Sunday the name of Steve Ellis, as he is known there, appeared in a "streamer" headline over a column story that told how Bill won a game almost single-handed. A two column picture of the Lynn county product also appeared on the page and this additional short comment on the game, which was between Chattanooga and Little Rock and ended 4 to 3:

"After Steve Ellis, the curve ball pitcher, had turned the Pebbles back scoreless for nine consecutive frames and still the Lookouts hadn't won, he decided to take things in his own hands yesterday. So in the last half of the tenth, with the score tied, a man on third and two out, Ellis grasped a war club and soaked out a base blow which brought an end to the game.

"Ellis was touched for three runs in the first frame, then faced only thirty men in the last nine cantos. It was a superb exhibition of twirling. Ellis deserved the victory and he got it, although he did have to bat it in himself."

Sounds like a game you read about in the story books, we say.

Plan Postal Workers' Meeting. Postmaster D. A. Parkhurst and Carrier W. E. Suddarth were in Lubbock Friday meeting with other officials of the organization making plans for the meeting in that city on May 30 of the Eighteenth Congressional District Postal Workers' Association. Last year's meeting was held in Tahoka.

Poultry Specialist Here. Paul Cunyus, assistant poultry specialist from A. & M. College, visited R. E. Shaver and Miss El Flea Harrison, farm and home demonstration agent, respectively, last Saturday.

Ira McKee's Death Sentence Affirmed

District Attorney T. L. Price received a telegram from Austin Wednesday advising that the Court of Criminal Appeals had just affirmed the Ira McKee case on appeal from Dawson county.

McKee was convicted and received the death penalty for the murder about a year ago of a Sparenburg merchant, the homicide occurring when the merchant undertook to frustrate the robbery of a filling station by McKee. Unless McKee succeeds in gaining a new hearing he will be executed in the electric chair at Huntsville, and this will possibly be the first execution for a crime committed on the South Plains.

RED & WHITES OPEN FRIDAY

New Merchandising Plan Will Be Inaugurated By Eleven Of County's Grocers

As will be noted from the Red & White page advertisement appearing in this paper, these stores are to have their openings here Friday and Saturday. There are four of these stores in Tahoka, three in O'Donnell, and one each at Wilson, New Home, Grassland, Draw, and Wells.

This is a new system of merchandising, to be tried for the first time in Lynn county. This system has been in operation in some other parts of Texas for some time and it is said to have proved to be very satisfactory both to the owners and to the buying public. Each store is owned independently of all others but all are associated together for buying purposes. There are a great number of these stores thus associated in West Texas. By pooling their purchases they are able to buy more cheaply, it is claimed, and can thus afford to sell more cheaply.

The people of Lynn county will doubtless welcome this business innovation.

Plan Program For Red Cross Honor

On the 21st of May, 1931, the American Red Cross will have reached its 50th Anniversary of its wonderful work of mercy and relief in hours of distress, and the Lynn county Chapter will join the National organization in properly and fittingly celebrating the anniversary of this great humanitarian organization. While the program for that event has not been worked out yet, still we will have address on the origin, history, and policies of the American Red Cross, as well as interesting speeches, readings, music and songs, together with a complete detailed report of the Lynn County Chapter's activities, coupled with the National organization's drouth relief program. We urge every one to set aside this time to come and join with us in this wonderful celebration which will be held in Tahoka, the hour, place and program in full to be announced later. Get ready to meet with us and let us properly celebrate the 50th Anniversary of this great organization.

Mrs. W. D. Nevels, Chairman Co. Chapter Red Cross.

Form Tennis Club, Will Build Court

The Tahoka Tennis Club was organized here this week with G. H. Nelson as president. Other members are Vernon Davis, Raymond Weathers, Dr. K. R. Durham, Frank Hill, Edgar Edwards, and C. T. Burnett. A few others are expected to join. A court is yet to be provided.

"My Home Town" Speaker Selected

Tahoka will be represented in the "My Home Town" speaking contest at the West Texas Chamber of Commerce convention at Lubbock May 14, 15, and 16 by J. D. Donaldson, a senior in the local high school.

Young Donaldson is a popular and diligent student here, and very capable of representing this city in the contest.

AGGIE TEAMS WIN AT A. & M.

Took Fourth Place In Sweepstakes, Showing To Be All-Round Judging Team

In the state judging contests held at College Station recently Tahoka placed fourth in the sweepstakes contest. Taylor White, teacher of vocational agriculture here, who accompanied his boys on the trip was most gratified at the fine showing they made. Hundreds of schools in Texas had teams there competing in the various events. Dublin won first place in live stock judging, Mart first place in dairy cattle judging, Abilene first place in poultry judging, Sherman first place in plant production, Sanger first place in farm shop, Stephenville first place in entomology, and Taylor first place in terracing. Stephenville made a perfect score in identifying and classifying more than forty varieties of insects, Mr. White said, which was a remarkable record.

The Tahoka boys were conveyed to College Station and back in a truck by Alex Riddle. Billie Lester was not a member of either of the teams but went along to "pinch-hit" in case of an emergency. The seven teams comprised twenty-one boys, as follows: Boswell Edwards, Norvell Redwine, Claude Nowlin, Lonnie McCullough, George Claude Wells, Oran Welch, Kenneth Reid, Corbin Douthit, Elwayne Nevill, Clinton Walker, Pete Anderson, Hoyt Welch, Dayton Short, John D. Fuquay, Herman Edwards, Robert Draper, Bradley Richardson, Melvin Greathouse, Maurice Cowan, A. G. Cook, Horace Lindley.

Man Makes Bond On Beer Charge

Nick Renner, who resides on the Buford Ater farm in the extreme northwest portion of the county, made bond Tuesday in the sum of \$1,000 on a charge of making and possessing intoxicating liquor.

Renner was arrested at his home and placed in jail here Monday when Sheriff B. L. Parker and Deputy John Bulman, armed with a search warrant, went out to his residence and searched it for liquor. They found a ten-gallon glass jar filled with liquor, down in the cellar, but Renner's wife undertook to pour it out as the officers were making the search. They frustrated her attempt, however, and brought the jar into town more than half full of the beverage, which is said to be pure-dee beer. The officers also found a quantity of "home-brew", which they did not think worth the trouble to bring in.

Renner made no statement. He is represented by a Brownfield attorney.

A process of coating paper money with an extremely thin film of metal to make it more durable has been developed by a Swiss chemist.

Local Man Going To Old Mexico

Jim Weatherford will accompany a party of Amarillo business men to Mexico City, leaving here on May 16 and returning eight days later. The trip is being sponsored by the Amarillo News-Globe and its purpose is to advertise the Tri-State Fair to be held in Amarillo next fall.

Mr. Weatherford received a commendation Wednesday from Wilbur D. Hawk of Amarillo stating that he had been accepted as one of the delegation upon the recommendation of Walter Slaton of this city. The party will live on the train, and the entire trip, including transportation, meals, and Pullman accommodations, will cost each member of the party \$150.00. The party will go via Lubbock, Austin, San Antonio, Laredo, and Monterey, and will return via El Paso and Albuquerque. Two days will be spent in Mexico City. The party will be received in the city by President Rubio.

Here is the Malay's explanation of an earthquake: The earth is a sort of egg, resting on the horns of a bull. When the bull gets angry and shakes his head an earthquake results.

GOOD RESULTS FROM REVIVAL

Baptists Closed Meeting Last Night; Baptizing Will Be Held Sunday Night

The revival services conducted by Pastor O. J. Hull at the Baptist Church for two weeks came to a close Wednesday night. The results were gratifying to the pastor and church in spite of the handicaps of weather, cool and rainy weather having interfered with a number of the services. There have been quite a number of professions of faith and accessions to the church, and baptismal services will be held Sunday night, according to Pastor Hull.

One of the most enjoyable services of the entire series was the one held Tuesday morning for the special benefit of the aged people of the town and community. In spite of the rain, at least twenty-five of these called or were brought by others in cars and they occupied seats reserved for them. The old time songs were sung with much zest and spirit and these elderly people were given an opportunity to testify. A number of them did so, relating their experiences and expressing their unwavering faith.

On Tuesday night another special service was held, the teachers and pupils of the high school being the honorees on the occasion. Many of them were present and they conducted a song service that was most inspiring. It was a fitting climax for the campaign, and the message brought by the pastor to these young people on this occasion was most appropriate and impressive.

Chenault Is Held On Liquor Charge

W. D. Chenault, who resides on the R. H. Adams farm near Grassland, was placed in jail Tuesday on a charge of making and possessing liquor. His arrest followed a search of his premises by Sheriff B. L. Parker, Deputy John Bulman, and Constable H. W. Callaway, who found three half gallon jars of whiskey buried in his yard. They also found a number of unused empty jars still in the box in which they had been purchased.

The officers found other evidences of "buried treasure" on the premises but the treasure had evidently been disposed of already. Three sacks of sugar were among the material found by the officers, which are supposed to have been purchased for use in making liquor. Chenault stated to County Attorney G. H. Nelson that he had purchased the liquor for medicinal purposes and explained that he bought it in large quantities because it came cheaper that way. He had probably heard of a recent trial in the district court here in which the defendant pleaded that the whiskey found in his possession was being used as a medicine, and made it stick.

Collections Good On Farm Loans

Collections of interest on farm loans has been excellent considering conditions that exist here, according to A. R. McGonagill, vice-president of the Federal Farm Loan Board of Lynn County. Between 65 and 70 per cent of the interest due on May 1 had already been collected Monday, Mr. McGonagill stated. This interest is due May 1 and must be paid, according to the rules and regulations of the Federal Loan Board, and it is gratifying that so large a per cent of those holding loans are making their payments. Thus far there has been no foreclosures in this county and it is hoped that there will be none this year.

Two For Fighting

Deputy Sheriff John Bulman was called out to Gordon Sunday night to quell a little trouble that occurred at a church. Two irate citizens had a little fistfight which sent one of them to the hospital for repairs. Both men paid fines in the justice court here.

Divorce cases in English courts total up to just under 5,000 a year. In Chicago, the record crop of such cases is about 9,500.

Fine Rains Benefit Soil For Planting

Club Woman Makes Profit On Poultry

From a flock of 278 hens, Mrs. S. A. Cummings of Wilson reported to the county home demonstration agent, Miss El Flea Harrison, an income of \$36.99 above feed cost for the month of March. "This is a profit of more than a dollar per day on my chickens, says Mrs. Cummings. "The net profit for us during the months of January, February, and March has been \$122.67. The chickens have fed themselves and us too."

WIN PLACES AT LEAGUE MEET

Donaldson Takes Second In Tennis Singles; Was Only Winner For Tahoka At Meet

The Lubbock high school won the all-round championship in district No. 2 at the interscholastic meet held in Lubbock last Friday and Saturday, scoring a total of 65 points. Lamesa was a close second with 60, and Littlefield third with 50. Petersburg made 20 points, Slaton and Brownfield 15 points each, Olton and Levelland 10 points each, Dickens 7, and Tahoka, Wilson, Idalech, Lorenzo, and Floydada 5 points each. J. D. Donaldson won the five points for Tahoka, taking second place in tennis, boys' singles.

Wells school won second place in tennis, girls' doubles, Leta Mae Cook and Helen Askew forming the team. In pole vaulting, Adams of T-Bar tied with Parker of Brownfield for second place, but in the play-off he lost to the Brownfield man.

In the Junior Boys Rural Declamation contest, Lloyd Mears of Joe Stokes won third place.

In the Senior Girls Rural Declamation contest, Charline Evans of Edith won third place.

In the Junior Girls Rural Declamation, Mona Pevehouse of Joe Stokes won first.

Pace Is Selected On District Body

Supt. J. B. Pace of Tahoka was selected as a member of the athletics executive committee of District 2, Class B, when the old committee and school authorities met in Lubbock Saturday.

Supt. A. B. Sanders of Ralls, who has been elected superintendent at Brownfield for next year and who served as principal of the Tahoka high school for several years, was re-elected chairman. Other members of the committee are F. O. Boles of Littlefield, W. E. Patten of Floydada, and I. R. Witt of Post.

Kiwanians Hear Harmonica Music

At the Kiwanis luncheon Wednesday, Boswell Edwards and Hoyt Willingham entertained with a couple of selections on the harmonica, while Kenneth Reid gave a report of the trip of the vocational agriculture boys to College Station, mention of which is made elsewhere in this paper.

The Club will have their luncheons hereafter at the Methodist Church, and the next meeting will be held on Monday night instead of Wednesday noon, when the Kiwanians will entertain their wives and lady friends.

Wilson Club Girl Wins State Prize

Miss Mollie Cato, Wilson club girl, has been awarded second place in the second year garden division of the annual Texas 4-H Club contests, according to announcement made by the Texas A. & M. Extension Service and the U S Department of Agriculture. A Wheeler county girl won first place.

Approximately 15,000 Texas girls take part in the various contests each year.

RAINS TOTAL OVER AN INCH

Much Corn And Feed And Some Cotton Have Already Been Planted In County

Lynn county is again thoroughly soaked. Slow rains that fell throughout the day Tuesday registered a total of .51 of an inch here. After a cessation of a few hours rain began falling again after nightfall and continued until eight o'clock Wednesday morning, when the rain gauge registered an additional precipitation of .54 of an inch. A light during Wednesday night amounted to .05 of an inch, bringing the total to 1.05 inches.

Information gathered by the News indicates that the precipitation was nearly uniform throughout the county. It was possibly a little heavier in the western portion of the county than elsewhere. It not only covered Lynn county but also most of West Texas, heavy downpours being reported from some places.

Everybody pronounces the rain here just as fine as could have been wished. It came in just about the right amount, just in the right way, and at just the right time to please everybody. Wheat will be greatly benefited. Most of it was already looking well and this rain will carry it far along toward maturity. Some feed and a little cotton had been planted, and a portion of these plantings were already up. These rains have placed the soil in the finest condition possible for planting and have enhanced the already excellent prospects for good crops this year. Just as soon as the soil dries sufficiently, planters will be running everywhere. Farmers and business men are very optimistic over the outlook.

Highway 84 May Get Designation

For the last several years and in fact since the Fort Worth Roswell Highway Association was formed, efforts have been directed toward securing Federal designation of the route but with little success until a committee composed of towns along the route succeeded in convincing Judge Ely that the route should be so designated and a delegation was afterward sent to Austin to confer with the entire commission requesting the American Association of Highway Officials to grant Federal designation. Since that time nothing has been done, for the reason that the annual meeting would not occur until May of this year, but as the time approached, it was thought best to recall the action of the commission to Judge Ely and ascertain if his attitude remained as it was last year. So the writer made an appointment with him and was down to Abilene last week and found that everything was all right in Texas, it was thought best to get a line on the New Mexico interests and arrange for a joint request by the commissions of the two states, so a trip was made to Roswell and the writer can state that present information indicates that Federal designation will be a reality in the next few weeks.

Now, any number of people may not know just what a designation of this nature would mean to us, but it has a two way value; the first is that tourists prefer to travel over Federal roads because they are better maintained than ordinary state roads and in the event bonds are voted, they carry one-third cost to the county instead of one-half. So there would be a considerable saving for Terry county in the event that bonds were voted, which saving would be transferred to the state in event that legislation was passed calling for retirement by the state of existing county bonds.—C. of C. Secretary J. E. Shelton in Terry County Herald.

More than 335,000,000 game trout will be placed in rivers and lakes by federal and state officials soon.

**TEXAS LEVIES A TAX ON
CIGARETTES**

Contrary to all expectations a few
weeks ago, the legislature has enacted
a law imposing a tax of 3 cents on
each package of cigarettes sold in
this state. The governor has signed
the bill and it will go into operation
ninety days after the legislature
adjourns.

It is estimated that this law will
bring into the state treasury \$5,000,
000 to \$8,000,000 annually, and it
will remove all doubt as to the
scholastic apportionment for the
public schools remaining at \$17.50
next year. Not only are the schools to
be congratulated upon the passage of
this law but we believe that it will
prove satisfactory to the people of
Texas generally. It is too early yet
to determine how well the law will
work or how much protest may be
registered against it, but we believe
that the principle of the law is right.
Taxes imposed on luxuries will help
to relieve the taxes on necessities.

Some striking facts have been re-

**Aches and
PAINS!**

When you take Bayer Aspirin you
are sure of two things. It's sure relief,
and it's harmless. Those tablets with
the Bayer cross do not hurt the heart.
Take them whenever you suffer from

Headaches Neuritis
Colds Neuralgia
Sore Throat Lumbago
Rheumatism Toothache

When your head aches—from any
cause—when a cold has settled in
your joints, or you feel those deep-
down pains of rheumatism, sciatica,
or lumbago, take Bayer Aspirin and
get real relief. If the package says
Bayer, it's genuine. And genuine
Bayer Aspirin is safe.

Aspirin is the trade-mark of Bayer
manufacture of monoaceticacidester
of salicylic acid.

BEWARE OF IMITATIONS

vealed as a result of the discussion
of this measure while it was pending
in the legislature. For instance,
it was repeatedly asserted and published
in the public press—and we
have never seen the statement con-
troverted or denied—that the Federal
tax imposed on cigarettes brings
into the U. S. treasury from Texas
18 million dollars annually. The
Federal tax is six cents on each
package. If these figures are correct,
then Texas spends each year 45
million dollars for cigarettes, or ap-
proximately that sum, for a package
of cigarettes sells for 15 cents.

These are astounding figures, for
the entire amount paid out by the
State of Texas during the fiscal
year ending August 31, 1930, for
maintaining all the public schools,
the University of Texas, the A. &
M. College, the Texas Tech, the C.
I. A., the seven teachers colleges, all
the other state institutions of learning,
and all the five insane asylums
and other eleemosynary institutions,
was \$45,928,570.43. The entire amount
paid out by the state of Texas
during that year for the building
and maintaining of highways in the
state together with all overhead ex-
pense was \$47,052,605.51. In other
words the people of Texas spent
nearly as much money for cigarettes
alone as they spent for public educa-
tion and for the care of the unfor-
tunates combined. They spent nearly
as much for cigarettes as they spent
for highways. Assuming that there
are a million cigarette smokers in
the state, they spent \$45.00 each for
cigarettes.

We submit that this is a terrible
waste of money—money spent for
a luxury that adds nothing to the
health or vigor of the individual,
physically, mentally or morally, and
that is actually harmful to the individual
in many cases. Of course, the
person who has formed the cigarette
habit thinks he gets a lot of pleas-
ure out of it, but we seriously doubt
if he enjoys living one whit more
than the individual who has never
formed the habit.

If men are going to waste their
substance on a useless and some-
times harmful habit, why not let
the school children of Texas get the
benefit of a portion of the waste?

We congratulate the legislature
upon the enactment of this law.

A tax on each thousand feet of
natural gas consumed has been au-
thorized by an act recently passed
by the legislature. It is estimated
that this tax will bring millions of
dollars into the state treasury each
year. There is a growing demand
for a stricter regulation of the big
gas companies, and it is probable
that the next legislature will enact
some far-reaching legislation to that
end. Electric light and power com-
panies ditto. Unless the present ad-
ministration at Austin deals with

**Renew Your Health
by Purification**

Any physician will tell you that
"Perfect Purification of the System
is Nature's Foundation of Perfect
Health." Why not rid yourself of
chronic ailments that are undermin-
ing your vitality? Purify your en-
tire system by taking a thorough
course of Calotabs,—once or twice
a week for several weeks—and see how
Nature rewards you with health.

Calotabs purify the blood by acti-
vating the liver, kidneys, stomach and
bowels. Trial package, 10 cts. Family
package, 35 cts. All dealers. (Adv.)

Custom Hatching

We are running full capacity, doing
custom hatching. Our customers are
having the best of luck.

Bring us good fertile eggs, and we
are sure you will be delighted with the
results.

We Set Each Tuesday

TAHOKA HATCHERY

these big problems adequately, these
utilities are likely to become a burn-
ing issue in the next gubernatorial
campaign.

On account of so much cool weath-
er, flowers have had a hard time
getting started this spring, but
with the passing of April surely
winter is gone, and it is to be hoped
that every home owner will now get
busy growing flowers and otherwise
beautifying their premises. It is pos-
sible that not all of us can have
beautiful residences but most of us
can have attractive premises. Let's
make Tahoka a little city of
flowers again this year.

Thus far the grass has made very
little showing this spring but the
weeds are in evidence everywhere.
As soon as the weather warms up a
bit and the big rains come, the weeds
are going to present a very ugly
aspect on all our vacant lots and in
many of our alleys. It is to be hoped
that some time some effective and
systematic method may be devised
for destroying the weeds and keep-
ing our town clean.

If any of us have been thinking
that this capricious weather was
limited to West Texas, we may be
disillusioned by reading the reports
of killing frosts that appeared as
far south and east as Killen in Bell
county on Wednesday morning of
last week. We had no frost nor
freezing temperatures here.

There should be many entries in
the garden contest to be staged in
Tahoka. Not only will these gardens
furnish fresh vegetables for the
table but they will materially reduce
living expenses. We hope to see
many fine gardens in Tahoka soon.
The editor has an "infernal" patch.

STATEMENT OF OWNERSHIP

Management, etc., required by the
Act of Congress of August 24, 1912,
of The Lynn County News, published
weekly at Tahoka, Texas, for
April, 1931.

State of Texas, County of Lynn, ss.:
Before me, a notary public in and
for the State and county aforesaid,
personally appeared E. I. Hill, who,
having been duly sworn according to
law, deposes and says that he is the
owner and publisher of the Lynn
County News and that the follow-
ing is, to the best of his knowledge
and belief, a true statement of the
ownership, management, etc., of the
aforesaid publication for the date
shown in the above caption, required
by the Act of August 24, 1912, em-
bodied in section 411, Postal Laws
and Regulations, printed on the re-
verse of this form, to-wit:

1. That the name and address of
the publisher, editor, managing edi-
tor, and business manager is: E. I.
Hill, Tahoka, Texas.
2. That the owner is: E. I. Hill,
Tahoka, Texas.
3. That the known bondholders,
mortgagees, and other security
holders owning or holding 1 per cent
or more of total amount of bonds,
mortgages, or other securities are:
none

E. I. HILL
Sworn to and subscribed before
me this 27th day of April, 1931.
Fred Barker, Notary Public (seal)

CARD OF THANKS

We wish to extend our thanks to
our many friends of Tahoka and
other communities for their kindness
and sympathy shown us upon the
death of our darling daughter and
sister Bernice.

Mr. and Mrs. G. W. Newton and
family.

Ben W. Yarborough of Richland
Springs was a visitor here Sunday,
the guest of his old-time friend, W.
J. Crouch. His sister, Mrs. Walter
Lindsey of O'Donnell, was also a
visitor in the Crouch home.

J. B. Walker is in the oil game.
He went down to Longview two or
three weeks ago and has doubtless
got petroleum all over him ere now.
Here's hoping he comes back a
millionaire.

The longest village in the world
is probably Kempton, near Brad-
ford, England. It straggles along a
single road for seven miles.

STATED MEETINGS of
Tahoka Lodge No. 1041
the first Tuesday night in
each month at 7:30. Mem-
bers urged to attend.
Visitors welcome.

KONJOLA
For Sale By
**TAHOKA DRUG
COMPANY**

Locals

O. J. Jackson returned Friday
from Gladewater, in the new oil dis-
trict, in Gregg county, where he
went to install a cafe. Edd Hamilton
left Sunday to operate the new eat-
ing house. He was accompanied by
Frank Willingham, who is expected
back today. Mr. Jackson says that
when he left, Wesley Simpson and
"Red" Anthony were just about
ready to open their new cafe.

W. M. Lee claims to be some
weather prophet himself. He told the
editor Monday that it was going to
rain Tuesday, and rain it did. Tues-
day he reminded us of his forecast,
and declared that he had given the
correct dope on the little rain that
came last week several days before
it arrived. Mr. Lee is not a new-
comer.

Mr. and Mrs. G. M. Reid, Mrs.
Wess Killian, and Mrs. Tom Mc-
Clure recently returned from a visit
with relatives at DeQueen and
Dierks, Arkansas. Mr. Reid claims
to have caught a bunch of fish over
there and says he had a great vaca-
tion.

Mrs. B. H. Baker and daughter,
Miss Josephine, of Clovis, New
Mexico, came down last week end to
visit the Seroyer family. Miss Jo-
sephine returned to her home the
first of the week but Mrs. Baker is
here for a few days yet.

Miss Addie Mae Carmack, former-
ly of this city, and a girl friend,
students in the West Texas State
Teachers College at Canyon, were
here last week end visiting the form-
er's sister, Mrs. A. B. Swan.

Ben T. Brown and wife arrived
Sunday night from Belton to be at
the bedside of his mother, Mrs. W.
L. Brown, who has been very sick
but who is now reported to be im-
proving.

Jeff Connolly returned from Whit-
ney Sunday, to which place he had
gone to take his niece, Miss Oleta
Franks, who taught at T-Bar the
past year.

W. F. Humphries and son Marlin
of Llano and Cisco were here Sun-
day and Monday to see Mrs. Hum-
phries and Mr. and Mrs. W. C.
Cowan.

A. P. Ort, one of our expert
gardeners, says he has a beautiful
start for a garden out at his place.
He will enter the better gardens con-
test here.

Mrs. H. C. Storey, who has been
taking treatment for some time at
a sanitarium in Lubbock for sinus
trouble, is said to be slowly improv-
ing.

R. E. Key is conducting a B. Y.
P. U. training course at West Point
this week and he reports that 21 pu-
pils registered the first night.

J. L. Nevill and son Everton, who
are now doing carpenter work over
at Lovington, visited the home folks
here Sunday.

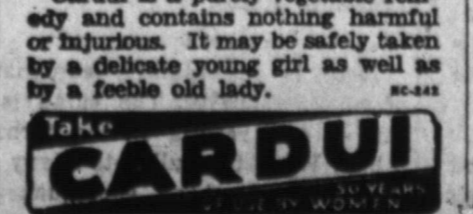

B. I. Gill and family have recently
moved here from Elmer, Okla., Mr.
Gill being the new section foreman
on the Santa Fe.

Jim Walker, a new-comer in Tah-
oka, was landed in jail Sunday
night on a charge of drunkenness.

BACKACHE SPELLS

**This Lady's Husband Urged
Her To Take Cardul.—
Soon Benefited.**

Troy, Ala.—"Cardul has done me
good, and it has done my 16-year-
old daughter so much good," says
Mrs. J. W. Jirright, of this place,
"that I felt I wanted other women
to know the facts about it, so I
wrote to The Chattanooga Medicine
Co., telling them about my experi-
ence with this medicine, Cardul."
"I have used it at intervals for
sixteen years, when I suffered from
weakness, and it always helped me."
"Mostly I was afflicted with bad
spells of backache. At times I felt
as if my back would break. I would
drag one foot after the other, in a
helpless sort of way, and once I got
down in bed. My husband urged me
to take Cardul, and I soon found
what a fine medicine it really was."
"When my second child was little,
I was in very bad health. I did
not pick up as I should have. I
was weak and sickly. I do not
believe that I would have come
through, but for Cardul."
"Thousands of other women have
written to tell how Cardul had
helped them to health."
"Cardul is a purely vegetable rem-
edy and contains nothing harmful
or injurious. It may be safely taken
by a delicate young girl as well as
by a feeble old lady."

When you select the Feed for

your Cows look for

milk-pail Results NOT

low-cost per bag

When anyone offers to "save you money" by selling you a "cheap" dairy
feed, remember that the milk pail determines both the cost and the profit
of any feed. . . . Feeds selling for less than RED CHAIN usually contain
an excessive amount of cottonseed meal; they produce milk for a while, but
eventually they "burn up" your cows. . . . Experienced dairymen know
RED CHAIN 24% Dairy Ration is the most economical feed for cows be-
cause it produces more and better milk and keeps cows in better condition,
insuring a long life of usefulness and profit. Everything considered, the
best is always cheapest in the end.

By the Bag, RED CHAIN 24% Dairy
Ration May Cost a Little More—By the
Milk Pail it Always Costs LESS!

**POOR LIGHTING
An Extravagance!**

A survey of about one million people
brought out that: In the public schools,
22 per cent had defective vision. In col-
leges, 40 per cent of those under 20 had
defective vision. No less than 71 per cent
of all under 50 had the same trouble. Of
persons over 60 years of age, 95 per cent
suffered from defective eyesight.

Poor lighting belongs to the days of
the cave man's pine torch, the hanging
fire basket, the crude oil lamp, the can-
dle, with their smoke and flickering,
wavering light.

Electricity belongs to this age. There
is no excuse for poor lighting. The abun-
dant and correct use of light pays for
itself many times over. Whether in the
home, office, or factory, poor lighting is
an extravagance—injuring the eyes and
increasing hazard through accident.

SOCIETY

Club and Church News

Church Of Christ Revival Success

The awakening of new interest, the creation of a great vision both of church obligations and possibilities, and the manifestation of more zeal in all lines of Christian service upon the part of both the older element and the more youthful contingent of the local Church of Christ, are some of the immediate results of the recent revival programs which terminated last Sunday night.

Besides Mr. Allphin, fourteen other preachers of the South Plains section assisted in the meetings; and exceptionally fine audiences heard with interest and profit their unusually good, up-lifting messages. And much good otherwise is yet sure to follow that series, not only for the church itself but for the community generally. By reason of the speakers from neighboring towns, many citizens from the other places visited and cooperated in these special services. Local people are urged to continue their presence and help in all future activities.

On next Sunday at 8:05 p. m. the Young People's Study Class will meet in the church auditorium to renew their training and development exercises; and so continue these meetings weekly at that hour. The subject next Sunday is "Worship and Service". A partial outline of the program (not meaning the participants) will be: Song, reading of Matt. 4:1 to 10; prayer; definition of the terms and their contrast; worship who? how? where and when? Who can do service? When and where may we serve? It is compulsory? What is the reward for faithful service? Quartet; then the closing song.

To lend dignity, piety and encouragement, all older people who can should become a part of the audience in these youthful deliberations. All are invited.

Prayer and Praise service each Wednesday evening at 8 o'clock. Come, do good and receive good.—N. W. Allphin.

CARD OF THANKS

Dear friends: We wish to thank this method of thanking the many friends who were loyal to us during our recent illness. Words can not express what our hearts contain, but may it be that each one that was represented here may ever bask in the beautiful sunshine of God's love.
Henry Short and Family.

NEW LYNN 4-H GIRLS MEET WITH MISS IRENE TERRY

The New Lynn 4-H Club girls met at the home of Miss Irene Terry with five members present. It was our first meeting with the new home demonstration agent. A very interesting yard improvement demonstration was given. There were six permanent shrubs planted, including two trees. A talk was also given on bed room improvement. The New Lynn Club has the honor of being the first club in the county to have completed the pillow cases for the bed room improvement. We girls are taking a great interest in our work and are striving to make our club the best in the county.—Reporter.

WEST POINT H. D. CLUB MET WITH MRS BULMAN

The West Point H. D. Club met Tuesday with Mrs. Henry Bulman. Our subject was "The Art of Living". The program was carried out by Mesdames J. N. Jeffreys, C. T. Tankersley, J. H. Barnett, J. N. Noble and Henry Bulman. Nine members were present. Mrs. W. A. Bond, vice president, was in charge of the meeting.

After business was finished, we enjoyed a delightful social hour with sandwiches, cake and hot chocolate being served as refreshments. The patter of raindrops on the roof and windows was music. We adjourned to meet next with Mrs. Tom Hale.—Reporter.

LADIES BIBLE CLASS MEETS WITH MRS. BULMAN

The Ladies' Bible Class of the Church of Christ met Monday with Mrs. Bulman, showing an increase in number and revived interest. A pleasant and profitable hour was spent in reviewing the various epochs of Bible history, and of its divisions as to contents and application, etc. It meets next Monday with Mrs. Calaway; and the subject will be a continuation of the same outline as studied last Monday. Others are urged to attend these meetings each Monday at 3 p. m.
Mrs. Richardson, Leader.

Geo. T. Brewer, who has been confined to his bed ever since returning from Mineral Wells a few weeks ago, is gradually growing weaker, according to members of the family, and his condition is extremely grave. Fears are expressed that he may not recover.

GRASSLAND CHURCH OF CHRIST PLANS MEETING

The Church of Christ at Grassland announces that its meeting will begin the third Sunday in August continuing over the fourth Sunday. Elder C. E. McGaughey of Elk City, Oklahoma, will do the preaching. He has held several meetings at Grassland heretofore and is well known in this county. Everybody is invited to attend.

PRESBYTERIAN SERVICES SECOND SUNDAY IN MAY

Thinking that revival services would still be in progress at the Baptist Church Sunday, Rev. D. D. Johnston of Lubbock has requested that we announce that services at the Presbyterian Church will be held the second Sunday in May instead of the first Sunday. Everybody is cordially invited to attend at that time.

MANY ATTEND B. Y. P. U. MEET HELD HERE SUNDAY

Central won the Efficiency banner and Wells the Attendance banner in the B. Y. P. U. zone meeting held in the Baptist Church here Sunday afternoon. The program, which was a most excellent one, was rendered by the Wilson B. Y. P. U. Wells reported 50 members present, Wilson 63, O'Donnell 40, Central 17, and Tahoka 92.

Locals

Mr. and Mrs. L. J. Rodgers of Columbus, Georgia, are here this week visiting Mr. and Mrs. W. L. Knight, Mr. Rogers and Mr. Knight being cousins. Mr. and Mrs. Rodgers have a son at San Angelo, whom they visited before coming to Tahoka. Mr. Rodgers says this is the first time he has ever been west of Alabama. They had a hard time getting him here and he declares that they may have a hard time getting him away. It's a long trip, he says. His car registered just 1199 miles from Columbus, Georgia, to San Angelo.

Mr. Roberts, who lives a few miles out on the Wilson road, complains that somebody broke into his residence one day last week and stole some quilts and possibly a few other articles. They also tore up or damaged quite a bit of the furniture in the house. The back door was not locked, he says, but the culprits seemed to have effected an entrance by tearing the screen from one of the windows. It looks like the work of some mischievous boys.

Mr. and Mrs. R. H. Turner recently made a trip to Dallas, Hico, and Stephenville, and other points visiting relatives. At Stephenville they visited Mr. Turner's only sister, whom he had not seen for 33 years. He also met a niece whom he had not seen for 38 years. As to crops, Mr. Turner declares that everywhere they are very late, except the grain.

J. E. Choate, a linotype operator by profession, is now visiting with his brother-in-law, Price Thomas, near Grassland, just waiting for work in his line to open up somewhere. "As in other lines" of work, many operators and printers have been thrown out of employment during the past twelve months. Mr. Choate was employed last at Cisco.

Frank Larkin and Lefty Squires are both members of the Harlingen baseball team in the Rio Grande Valley League. Mr. Larkin received a letter from Frank Sunday stating that he had signed up several days before.

Mrs. Viva Humphries left Saturday for Canyon to take a six weeks course in the West Texas State Teachers College. She taught at Lynn the past year and has been elected to the same place next year.

A. M. Cade and family ran down to San Angelo Saturday, returning Sunday. They were accompanied home by Mr. Cade's mother, Mrs. S. R. Cade of Brownwood, who will visit here some days yet.

Miss Ezra Grimes of Las Cruces, New Mexico, where she is home demonstration agent, visited her uncle, the editor, a short while Saturday. She was on her way to Miles to visit her parents.

Friends will be glad to learn that Larkin Weathers is now making rapid improvement. He has been in a quite serious condition the past ten days suffering from erysipelas.

FOR SALE—Tomato, pepper, cabbage and onion plants. T. C. Leedy. 36-4c.

Try our Sunday dinners. They are fine. Sunshine Inn. 36-4c.

Mr. and Mrs. Lee Wood of Long Beach, California, are here visiting their parents, Mr. and Mrs. R. C. Wood and Mr. and Mrs. E. S. Davis, and other relatives and friends.

Mrs. Mattie Bradley returned recently from a visit with relatives in Big Spring, San Angelo, and Ranger.

Mrs. E. N. Weathers, who has been ill the past two weeks, is again able to be up most of the time.

Go to church and eat your Sunday dinner at Sunshine Inn. You will not regret it. 36-4c.

Miss Berta Hill spent the week end in Canyon, visiting relatives and friends.

The bridal veil had its origin in the east, where many women still go veiled during the greater part of their lives and where a husband is not supposed to see his bride's face until after the ceremony of marriage.

Ruins so ancient that they show water marks left by the Biblical flood have been unearthed on the site of the ancient Sumerian city of Kish, just east of Babylon, according to a report of the Oxford-Field Museum expedition.

The method of voting used by the Greeks for some 2,500 years consisted of having an urn to represent each candidate. The voter tossed in a white pebble if he wished to vote for a candidate and a black one if he wished to vote against him.

The natural duration of human life is over 100 years, according to a famous French doctor, himself 99 years old. He adds that a man who dies at the age of 85 dies young.

The "fan-shell", a fish nearly two feet long, in some wonderful manner can snap its two halves together in a flash to entrap any wandering fish.

Michael Arlen, the famous English novelist, once destroyed a manuscript of a novel representing a year of work. He simply didn't like the result.

Mars rotates on its axis in 24 hours, 37 minutes and 22 seconds, so that its day is only slightly longer than that of the earth.

About 7,500,000 tons of salt are produced each year in the United States, 30 per cent being obtained from the evaporation of brines, either natural or artificial.

SOCIETY STATIONERY—Printed on high grade stock from latest type faces. Engraving on two weeks' notice.

LEGAL BLANKS—Crop and chattel mortgages and car and cattle bill of sale forms in stock at prices cheaper than you can buy them from any stationer.—Lynn County News.

We are having some real cool damp weather. Seems as though winter will never pass away. Still the showers of rain we've had are highly appreciated.

Mr. and Mrs. Lucian Nelson and little son, and Boyd, Landon and Miss Geneva Smith all visited their mother, Mrs. Tom Smith in the Lubbock Sanitarium Sunday.

Little Miss Sinia Bairrington of near Tahoka was a guest of her sister, Mrs. Frank Henderson, for the past several days.

Mr. and Mrs. Lee Willingham entertained with a fish fry on Sunday and had as their guests their parents, Mr. and Mrs. Willingham of Tahoka, Mr. and Mrs. Williams and family of Bethel, Mr. and Mrs. Lee Saints and family of Draw, Miss Elizabeth Link of Tahoka, and Mr. and Mrs. John Willingham and children.

Mrs. Henderson and Miss Belle and Claudia Henderson, Edna Walters and Billie Jo Thompson, were shopping in Lubbock Saturday.

Mr. and Mrs. Curtis Driver visited in Tahoka last Tuesday. Mr. and Mrs. Wood had as their guests Sunday her parents from Lynn and Mr. and Mrs. Floyd Newlin from O'Donnell.

Mr. and Mrs. Beavers and little son were in Lubbock Sunday to visit Mrs. Tom Smith. Mr. and Mrs. Curtis Evans and children visited her on Thursday.

"Shorty" Cann left for his home in San Diego Calif., last Monday.

Mrs. Neece C-ker, Tahoka, Mrs. Edd Sharp of Hubbard, Hill county, and Mr. and Mrs. Bill Thompson of Edith were dinner guests in the J. Y. Thompson home Sunday.

Mr. Cowert was taken to a sanitarium in Lubbock Saturday. He is dangerously sick.

Mrs. Frank Henderson and baby Peggy Ann visited relatives near Tahoka Saturday.

Mr. and Mrs. Boyde Driver and son, Buster, of Tahoka, visited her parents, Mr. and Mrs. W. F. McClintock last Wednesday night.

The young people enjoyed a party in the Johnson home last Friday night. All report a nice time.

Mr. and Mrs. R. R. Luttrell of Bethel were guests in the Henry home Sunday.

Miss Dorothy Payne of Edith visited Misses Grace and Pauline Thompson Sunday.

Mr. and Mrs. Tunnell of Midway attended church services here Saturday night.

Mr. Tom Smith came home Sunday from Lubbock, where he has been at the bedside of his sick wife for the past two weeks. He says that she is improving and may get to come home in another week. We are hoping for her one great blessing and that is good health hereafter.

The Rankin brothers closed their meeting Sunday night. They preached some powerful sermons and I know that those God-sent words will live on and on in the hearts and minds of all who heard them and that much good will come from them yet.

Misses Pauline Thompson and Jessie Fuller visited in O'Donnell last Tuesday evening.

Mrs. M. L. Henry visited near Midway last Monday.—Reporter.

No extra charge for our Sunday dinner at Sunshine Inn. 36-4tc.

Announce Winners Of Room Contest

Mrs. R. L. Littlepage of Midway won first and Mrs. R. E. Townzen of T-Bar second in the Improved Living Room contest, according to announcement of the judges, Mrs. S. R. Kemp and Mrs. Dr. K. R. Durham, Monday.

Both contestants entered the contest as Class I demonstrators (cost not to exceed \$50.00) and both improved their living room, making it more comfortable, attractive, and livable for less than \$10.00.

One machine now being used on Canadian farms can cut and thresh grain on 40 acres in a day with only two men operating it.

The biggest tide in the world is in the Bay of Fundy, where the extreme rise and fall differs 70 feet.

About \$600,000 annually is realized by the Government printing office from the sale of public documents.

The prison industries of Indiana were operated at a loss of 18,350 during the fiscal year of 1930.

Lil—Did they call you before the curtain?
Bill—Call me? They dared me.

Sunday school teachers in England and Wales number over 530,000.

TAHOCA CITIZEN ADDS CHAPTER TO SAMSON

A local layman in one of the Churches of Tahoka has supplied us with a most interesting chapter from the book of Samson that may be new to many of our readers. We can't say positively whether this contribution to the literature of the world is original with our literary friend or whether he swiped it, but we rather think that it is the product of his own fertile brain. This sacred dissertation follows:

The Fourth Chapter Of The Book of Samson

1. Hearken unto me, ye Autoists, and give ear to the voice of thy god. On the first day of the week, which is the Sabbath, thou shalt get out thy gas chariot that I have given thee, and load thyself in and speed thee away to the uttermost parts of the earth.

2. Thou shalt cast far from thee all thoughts of thy dear home church, and all thy duties and obligations thou shalt forget.

3. Thou shalt lay thy religion on the shelf, and thy heart thou shalt drop in a napkin and take with thee lest it might chide thee on the way.

4. Thy stomach thou shalt take with thee and buy merchandise for it, like ice cream and soft drinks flavored with evil spirits; thou shalt feed it well, for it is thy god, and without it thou wouldst die and return to dust, which thou art.

5. Thou shalt be honest and pay cash for thy merchandise with the nickels thou mightest have dropped in the contribution box, which is far from thee.

6. Thou shalt speed like Jehu on every good road, and if the "still small voice" tempteth thee to return thou shalt drown its voice with thy muffler.

7. Thou shalt let no thoughts of thy church worry thee; and let thy Sunday school class be far from thee.

8. And if thou passest Christ on the way, thou art forbidden to ask Him to ride with thee, lest one tender-loving look cause thy hand to tremble, and thou lose control of thy steering wheel, and thy journey be upset, and thy soul should go to judgment and thy auto to the garage and the account against thee at both places be large.

9. Thou shalt fill the day with hilarity, and thou shalt let no one know thou art a church member. Thou shalt go boating and fishing, and attend ball games and other places of amusement.

10. And if by chance thou shouldst hear a hymn sung or prayer offered, let it not quicken thy conscience or annoy thy soul. And when thou hast had thy fill of pleasure, and the Holy Sabbath is drawing to a close, thou shalt hike thyself back to the home the Loving God hath given thee.

11. Again thou shalt speed thy machine like Jehu, and keep the declining hours of the Holy Sabbath day blue with cigar smoke and burning gasoline.

12. Thou mayest arrive a little too late to attend the evening worship at thy dear (?) home church, therefore thou shalt spend the evening in an easy rocker with thy neighbors recounting the pleasures of the day.

13. And when thou layest thy body down on the downy bed which I have given thee, thou shalt offer up this prayer as a sweet incense to heaven: "Oh Lord, Dear Lord, maker of heaven and earth and

DRILLING IS RESUMED ON GARZA CO. WILDCAT

Drilling of Penny & Posey well on the J. D. Justice ranch in section 25 of Garza county was resumed Tuesday night at midnight in hard gray limestone at 1990 feet.

Operators have been shut down a week while land titles were investigated, it was said. The limestone was topped in Penny & Posey Justice No. 1 at 1,790 feet. Logging was reported as higher than in other wells in the immediate vicinity.—Post Dispatch.

Bines from the Great Salt Lake in Utah contain as a rule somewhat over 20 per cent solids, and of this about three-fourths is common salt.

THE RED & WHITE STORES

See List Of Red & White Stores At
Bottom Of This Page

GRAND OPENING

FRIDAY AND SATURDAY, MAY 1st and 2nd

FRIDAY, MAY 1ST, 1931, will be Grocery Emancipation Day for South Plains housewives and their husbands! It will mark the opening of the Red and White Association Stores in this territory. It will inaugurate a new era of grocery economy and satisfaction. It will be a Gala Day! Bargains galore and unquestioned quality. Visit one or more Red and White Stores Friday and Saturday!

HERE'S WHAT RED AND WHITE STORES WILL DO FOR YOU: They are a nation-wide Association of independently owned grocery stores. Each store, though a unit of the Association, is owned by the man who manages it. He is interested in your neighborhood, your charities, your churches, your schools. His profits are re-invested in your community. He is a home town man and he has no connection with outside capital. Through his affiliation with the huge Association he is enabled to take advantage of the low prices offered through large scale buying. He purchases for less and sells to you for less. His prices are as low as any other store in the country but his store is an independent, home-owned institution. He will work for you and for his home town. He will give you the best quality foods at the lowest prices. He will give you the same courteous service you have been accustomed to. He does not pay any royalty or fees to anybody for the use of a name, franchise or other benefits. *Free Balloons for the Kiddies!*
