### Judge Grider Gets Hung Jury In Case

#### DRUNKENNESS WAS CHARGED

Case Attracts Unusual Attention Because of Position Held By The Defendant

The jury in the case against County Judge G. C. Grider tried Wednesday, in which he was charged with drunkenness in a public place, was unable to agree and was discharged by the court at 10:30 this morning.

The case was tried before special judge J. M. Petticoles of Lubbock, who was agreed upon by attorneys for both sides to hear the case. The trial incited intense interest on account of the nature of the case and by reason of the fact that the defendant is the county judge of this county. A great crowd of spectators thronged the court room all day long and at times were rather boisterous.

Judge Grider was charged by indictment of the grand jury with having been drunk while in attendance upon a public dance held in one of the business buildings of Tahoka on the night of January 1, this year. Three witnesses testified for the State. Guy Sherrod, who was constable up till the end of December and had just retired from office that day, testified that he saw Judge Grider at the dance and talked with him, that he smelled liquor on his breath, and that in his opinion Grider was under the influence of liquor. He was not very positive in his testimony however. Bill Anderson, the man who had charge of the building and was conducting the dance, testified that he talked with Grider and he related the conversation. Grider was drunk, he testified, and he told Grider that there were some officers in the building, that he would regret for them to find him (Grider) in that condition, and advised him to go to the rear and sit down, which he did. The third witness for the State was a young lady who danced about a half a set with Grider and then refused to dance with him longer on the grounds that he was drunk. She testified that Grider was intoxicated and made a strong witness against him.

The defendant used a number of witnesses, including county commissioner Walter Florence, Elmer Terry, who was floor manager at the dance, Earl Curtis, Hall Robinson, Ben King, and Jake Kinard, who testified that he was sober, but there was some uncertainty as to whether or not the testimony of some of them related to the night of December 31 or January 1. Walter Florence, however, testified that he was in company with Judge Grider during most of the afternoon and the

### "All-Kiwanis Night" Observed By Local Club With Banquet Monday

"All-Kiwanis Night" was observed by the local Kiwanis Club with a banquet served by the Methodist ladies in the basement of the Church Monday night. The wives and a few other invited guests of Kiwanians graced the occasion with their presence.

In spite of the fact that Judge Clark Mullican of Lubbock, who was to have been the principal speaker of the occasion, was kept away by rain and muddy roads, yet the program proved to be one of the most enjoyable ever given at one of these functions. Dr. Townes, known to Kiwanians as Charley, was the master of ceremonies. The evening's entertainment began with a few vocal numbers by the Wild Bullfrogs Quartet composed of "Mo" Bridges, Charley Townes, Hobart Nelson, and Joe Shepherd, and of course they put on a show.

President Truett Smith gave a brief discussion of the Inter-Club

### Many Bands Coming To WTCC Meeting

Lubbock, May 6—Although there will be no band contests here in connection with the West Texas Chamber of Commerce annual convention, May 14, 15, and 16, people who enjoy band music and parades that accompany it at conventions will be well provided for.

Bands will come to the convention from Fort Worth, Sweetwater, Dallas, Amarillo, Denton and several other towns. The Fort Worth group, which is coming on a special train, will likely have two bands along—the Fort Worth All-Ladies band, official WTCC music makers for 1930-31, and the T. C. U. Horned Frog band.

### FARMER LOANS TOTAL \$125,000

Is Of Great Benefit To Lynn County Practically All Checks Have Been Received

Messrs. A. L. Lockwood, J. K. Applewhite, and J. W. Elliott completed their work Saturday as a committee for Lynn county to receive applications and recommend loans from the Federal government to the drought-stricken farmers of this county with which to purchase seed and feed to enable them to make a crop this year. A total of 711 applications were approved in this county, according to Mr. Lockwood, and the loans granted amounted to approximately \$125,000. Nearly all of this has been received already by the farmers of this county.

These loans are to be repaid next Fall. Interest at the rate of 5 per cent per annum was deducted from the amount of the loans. With reasonably good crops and fair prices, most of the borrowers should have little trouble in making payment when due. These loans have certainly been a boon to the farmers of this county. Having just had two poor crop years here in succession, which is very unusual, and prices of farm products having been exceedingly low, many farmers in this county at the first of this year faced an extremely difficult situation. It would have been absolutely impossible for many of them to prepare their land for planting and pitch their crops this year without help from some source. The banks had gone their limit consistent with good banking methods, and many farmers were desperate. In this extremity the Federal Government came to their rescue, and now these farmers have rosy prospects for bountiful harvests this Fall.

Relations Creed and a message from the International President was read.

Miss Lucille Slaton favored the Kiwanians and their guests with a solo, and several numbers were sung by the "crowd" with Hobart Nelson leading and Mrs. J. K. Applewhite presiding at the piano.

The fun of the evening was furnished, however, when Truett Smith, imagining 20 years to have passed, and fancying that the year 1951 had arrived, began meeting his old friends that he had known in Tahoka in 1931. Enquiries made by him and made to him elicited some startling information as to the careers of most of the Kiwanians, the information given evoking much merriment.

We would tell what some of the boys had been doing between 1931 and 1951 but we are afraid some guy would sue us for libel.

### ELECT SLATON C.C. DIRECTOR

Will Be Official Representative Of Tahoka At Meeting To Be Held In Lubbock

At a meeting of the board of directors of the Tahoka Chamber of Commerce held Monday afternoon, W. B. Slaton was selected to represent Tahoka as a director on the board of the West Texas Chamber of Commerce.

The annual convention of this body is to be held in Lubbock on Thursday, Friday, and Saturday of next week, and it was deemed important for Tahoka to have a representative on the board. Of course it will be necessary for Tahoka's choice to be approved by the W. T. C. C. board of directors but that will be only a formal matter.

Action was also taken naming Miss Helen Applewhite as Tahoka's representative in the historical pageant to be given Friday evening, May 15. J. D. Donaldson Jr. had previously won the honor of representing Tahoka in the "My Home Town" contest. Tahoka's high school quartette will also be present to render some musical numbers as opportunity may present. The directors decided to appropriate the sum of \$20.00 with which to defray the expenses incident to sending these representatives to the convention. Since the members of the body have not been asked to pay any monthly

### Graduating Class Roll Announced

The Senior class of the local high school is composed of 44 members, 24 girls and 20 boys, which is the largest senior class in the history of the school. The actual number graduating cannot be definitely ascertained until after the completion of the final examinations for the seniors which will terminate Friday of this week. The school authorities think that a large number will make their work and complete sixteen units of work, which is required for graduation.

The following is the personnel of the class:

Misses Hazel Anglin, Mae Armstrong, Fern Aycox, Reta Lois Colten, Mary Sue Clinton, Lorene Childers, Gladys Douthit, Juanine Edwards, Lolo Belle Edwards, Jettie Falkner, Virgie Falkner, Mary Fenton, Doris Lynn Hull, Beatrice Hammonds, Estelyn Jeffreys, Evelyn Jeffreys, Merle Link, Glenda Milliken, Snookie Maddox, Madeline McCord, Faye Richardson, Inez Sanders, Lucille Slaton, and Evelyn Wells.

Robert Benson, Neely Brooks, Coleman Cowan, Andrew Cooper, Jack Childers, J. D. Donaldson, Harlan Dean, Boswell Edwards, Clifton Jank, Coughran Ketter, Billy Lester, Jack Minor, Paul Miller, Lester Prater, Norville Redwine, Ovis Richardson, Vance Tredway, Amel Williamson, Dee Eastridge, M. D. Shepherd.

### METHODISTS TO OBSERVE MOTHER'S DAY SUNDAY

Mother's Day is a significant day for all of us. Mother has probably done more for us and had more influence over us than any other person in our lives. It was also our mothers, largely, who taught us to live the right kind of life. Probably it is still the influence of that saintly mother more than any other one thing that leads us to do the right and Christian thing and to withstand the temptations of the world.

It is altogether fitting and proper that we should attend services at the house of the Lord on this, our Mothers' Day. In honor of this occasion there will be a special service at the Methodist Church Sunday morning. The program will be largely composed of musical selections appropriate to the day. In consideration of our mothers let us attend services as she would like for us to do on Mother's Day.—Reporter

### GEO. T. BREWER PASSES AWAY

Prominent Local Citizen Is Buried With Masonic Honors Here Tuesday Afternoon

George T. Brewer, well known Tahoka citizen and familiarly known as "Uncle Bud", died at his residence here on Saturday afternoon, May 2. For some time he had been suffering from asthma and high blood pressure and recently spent several weeks at Mineral Wells in a vain attempt to regain his health. After returning to Tahoka a few weeks ago, he was confined to his room and gradually grew worse until death came.

Funeral services were conducted from his home here on Tuesday afternoon by Rev. J. N. Hunt of Henrietta, a former pastor and a relative, assisted by Rev. O. J. Hull of this city, after which the remains were interred in the City Cemetery with Masonic honors. The business houses of Tahoka closed from 3 to 4 P. M. and a great concourse of relatives and friends attended the obsequies.

Mr. Brewer was a native Texan. He was born in Lamar county in this state on September 29, 1858, and was therefore 72 years of age. He removed from his native county to Johnson county in 1879, where he was soon afterward married to Annie E. Renfro. There this couple resided and reared a large family.

### Senior Play Will Be Friday Night

The series of exercises for the close of school begins Friday night, May 8, with the senior play. The play entitled "Our Dear Boy Graduates" is a farce comedy of four acts and is very fitting for this time of the school year. This play is a new comedy-drama, full of good clean fun from the beginning to the end. If you want to enjoy two hours of first class entertainment you will have to see "Our Dear Boy Graduates" and the many perplexing situations he gets into and out of, all of which are very humorous.

The Senior play is the only play the school has given this year; it will be in first class condition on the night of presentation and we urgently invite the public to support us with a large audience.

A small admission fee of 25 cents for adults and 15 cents for school children will be charged, which is to help defray some of the expenses of commencement.

### MOTHER'S DAY, BAPTIZING AT BAPTIST CHURCH SUNDAY

Sunday morning in the auditorium of the First Baptist Church the worship will be in keeping with the day, as set apart in honor of the mothers of America who are living and those who have "passed on". The music and the message will be about mother. Special voice numbers by those who make preparation.

Surely no more fitting tribute could be paid our precious mothers than to be in the services of her God. Let us do our best to have every member of the family in the Sunday School and the church services on this day.

At the close of the service the ordinance of baptism will be administered to seventeen candidates, who have recently united with the church by experience and baptism. Some who have not joined but have indicated their desire to do so will come prepared to receive baptism with the others at this time.

There will be no service at this church Sunday evening on account of the baccalaureate sermon in the High School auditorium.

Mr. and Mrs. D. C. Davis left Friday for Mineral Wells, where Mrs. Davis expected to take treatment. They are to spend two or three weeks there. Sherman Davis accompanied them down.

### 44 Seniors Expect To Get Diplomas

#### Starr Is Convicted Of Carrying Pistol

A jury in the county court Monday returned a verdict of guilty against Bill Starr, charged with unlawfully carrying a pistol, and assessed his punishment at 60 days in jail. Starr was arrested here a few weeks ago following the theft of some gasoline from a filling station. Sheriff B. L. Parker now holds a warrant for his arrest on a charge of car theft committed in a South Texas county. He will be turned over to the South Texas sheriff as soon as he completes his sentence here.

### HEAVY RAINS VISIT COUNTY

Will Be Of Great Benefit To Crops This Year; 1.83 Inches Were Received Here

Heavy rains visited portions of Lynn county Saturday and Sunday, most of the county being covered by precipitation in varying amounts. Two or three heavy rains fell a few miles north and northwest of Tahoka and the lakes in that locality are full. A rain that covered possibly two thirds of the county, including Tahoka, came Sunday afternoon, which was very heavy northwest of town and also southeast of town. A little hail fell here, while out southeast of town a few miles there was a terrific hailstorm. About 130 acres of wheat and some maize and corn were totally destroyed, together with a patch of sudan and some maize. Henry Douthit also had twelve or fourteen acres of wheat and 50 acres of feedstuff that were ruined, while Ed Ketter suffered a similar loss. The hail fell in torrents and much of it was to be seen in drifts far into the day Monday. Other than these cases, damage from hail was only slight, however.

The wind that accompanied the rain here Sunday afternoon did some damage. The front end of Coltenback's blacksmith shop was torn away, and the roof blown from a filling station a mile south of town, while several telephone poles were broken off.

The rainfall in Tahoka during this storm period amounted to only .73 of an inch, .50 of it falling in a few minutes in a terrific downpour late Sunday afternoon. This brings the total precipitation of the past ten days to 1.83 inches. In some localities as much as three or four inches has doubtless fallen.

The crop outlook is very fine but these rains have delayed planting several days.

### STILL CAPTURED!

Sheriff B. L. Parker this morning captured a still and four barrels of malt on the R. H. Adams farm near Grassland and again took W. D. Chennault into custody on a charge of making liquor. He came in with the still and the prisoner at 11 o'clock.

### CLASS SERMON SUNDAY NIGHT

Hull Will Preach; Prof. Holder Will Deliver Address On Friday Night of Next Week

Next week is Commencement week in Tahoka—a week of gladness and animation on the part of all the pupils in the public schools and especially of the members of the Senior Class.

The season will be ushered in by a banquet given to the Senior Class by the ladies of the Baptist Church on Thursday night of this week. This is expected to be, as it always is, a most happy occasion.

This class is composed of 44 members, all expecting to receive their diplomas at the final exercises to be held Friday evening, May 15. The Class address is to be given on that occasion by Prof. H. C. Pender of Lubbock, the diplomas are to be presented by R. C. Wood, president of the School Board, and the scholarships are to be presented by Supt. J. B. Pace.

On Friday night of this week, beginning at 8 o'clock, the Seniors will give a play entitled "Our Dear Boy Graduates". A small admission fee will be charged on this occasion but all other exercises will be free.

The Baccalaureate sermon will be delivered at 8 P. M. next Sunday, May 10, by Rev. Owen J. Hull, pastor of the Baptist Church here. All church services in town will be suspended for this occasion and the auditorium will probably be filled to capacity.

A music and expression recital is to be given Monday evening, May 11, at 8 o'clock.

Tuesday, May 12, will be Senior Class Day, and members of the Senior Class will render a program in the high school auditorium beginning at 8 P. M. This promises to be a most entertaining affair.

The Grammar School graduating exercises will be held in the High School auditorium on Thursday evening. This will be an occasion almost as important to the grammar school graduates as the Commencement day will be to the members of the Senior class. A large number of grammar school students will be present to receive their diplomas, and a large audience is also expected to be present on this occasion.

All the programs are to be held in the High School auditorium and are to begin at 8 P. M.

These exercises will mark the close of a most successful school year. Supt. Pace and his faculty have wrought well for the school children of Tahoka. They should have the united support of all our people to the end that a strong school spirit may be developed and that our schools may be made even more efficient than they are.

### Ex-Service Men Of County Receive \$50,000 From Federal Government

Ex-service men of Lynn county have received more than \$50,000 as loans on their adjusted service certificates under an act recently passed by Congress, according to data given by Skip Taylor. One hundred and twenty-two applications for loans were handled directly by Mr. Taylor, and he estimates that an average of \$350.00 each was advanced on these applications. Besides more than \$10,000 have been dispensed through the agent at O'Donnell and a considerable sum at Wilson.

These loans bear interest at the rate of 4 1/2 per cent. The certificates mature in 1945. If a borrower fails

to make his interest payments, the interest will almost consume the balance due on these certificates. It behooves every beneficiary under this act, however, to make his annual interest payments, for the rate is low and the payments will be small.

These advancements to the ex-service boys of Lynn county have certainly been a blessing to many of them. In this period of business depression and unemployment, many of the ex-service men faced a black future. These sums of money came just at the right time to relieve many who were in distress.

**NOTICE TO THE PUBLIC**

reputation or standing of any individual,  
firm or corporation, that may appear  
in the columns of the News, will be  
gladly corrected when called to our

**TIMELY MOVEMENT TO FIGHT  
WET PROPOGANDA IS  
STARTED**

A most timely movement has  
been started to educate the youth of  
America as to the evils of the liquor  
habit and the beneficial effects of  
the Eighteenth Amendment.

The sponsors of this movement,  
we are told, include such notables as  
Governor Gifford Pinchot of Pennsylvania,  
Senator William E. Borah of Idaho,  
Senator Morris Sheppard of Texas,  
Thomas A. Edison, the electrical genius,  
and Miss Jane Adams of Hull House fame,  
Chicago.

It is high time that the sobriety-  
loving, law-respecting citizenship of  
this country should undertake a well  
organized and systematic campaign  
to offset the false and vicious  
propaganda that is being spread among  
the youth of our land in derogation  
of Prohibition and in defense of  
liquor.

The fact of the business is that  
the boys and the girls of the teen  
age and many even older have little

conception of the vileness and cor-  
ruption of the old saloon or of the  
evil effects of the legalized liquor  
traffic. They are being taught by the  
wets to jeer at prohibition, little  
knowing what they do.

It is the purpose of the new  
movement both to educate and to or-  
ganize the boys and girls of today  
for the support of the Eighteenth  
Amendment. It is to be hoped that  
alcohol will be resumed in the  
ing of the evil effects of the use of  
alcohol will be resumed in the  
schools. Formerly, the blighting ef-  
fects of alcohol if used to excess  
were taught in most of our  
schools but this practice seems  
to have fallen into disuse in recent  
years. Respect for the laws and the  
constitution of our country should  
also be stressed. Much attention to  
the subject of Good Citizenship in  
all the grades might assist in creat-  
ing a more healthy sentiment in  
favor of law observance and law  
enforcement. The future of our  
country is in the hands of our  
youth and it is extremely important  
that the youth be taught aright.

**MOTHER'S DAY**

Next Sunday is Mother's Day.  
The second Sunday in May was so  
designated by act of Congress in  
1914 and President Woodrow Wilson  
issued the first Mother's Day pro-  
clamation on May 9 of that year. It  
will be observed in churches and other  
public places throughout the  
nation next Sunday. Mother's Day  
flower is the white carnation, an  
emblem of the beauty, purity, and  
fidelity of mother's love. In many  
places, however, the practice of  
wearing a red flower in honor of a  
living mother and a white flower in  
honor of one who has passed on has  
grown up.

When Mother's Day is observed  
next Sunday, every one of us  
whose mother is living should do

some act of kindness or give to her  
some token of love that will make  
her remaining days a little happier.  
Or, if Mother lives elsewhere, we  
should not forget to send her a love  
letter or a remembrance of some  
kind. If Mother is dead, we should  
honor her memory and thank God  
for the hallowed influences of her  
life.

"The bravest battle that ever was  
fought,  
Shall I tell you where or when?  
On the map of the world you will  
find it not,  
It was fought by the mothers of  
men."

Crime doesn't pay. Dishonesty  
doesn't pay. If any young man is  
tempted to steal or to embezzle  
money entrusted to him or to enter  
upon any kind of dishonest career,  
let him peruse the newspapers and  
note the sad end that comes to most  
criminals. Recently the State began  
to probe the alleged forgery of wit-  
ness fee certificates by certain of-  
ficials on which money had been col-  
lected from the State. An arrest fol-  
lowed; and while the accused man  
was still in the custody of a ranger  
he drank poison and thus committed  
suicide. It developed that his thefts  
from the State had continued over  
a period of many years while he was  
serving as a district clerk and  
amounted to many thousands of dol-  
lars. He retired from office in op-  
ulent circumstances and then engaged  
successfully in business. But "mur-  
der will out". So with theft, often-  
times, and his dishonesty was final-  
ly brought to light. What was his  
stolen money worth to him then?  
Nothing. It was worse than a mil-  
stone about his neck. He couldn't  
face the music and went the suicide  
route. Another man detected in this  
kind of criminality just a few weeks  
prior to this incident also committed  
suicide. At least one other man is  
now under arrest and must face a  
trial. Possibly there are others who  
will never be caught; but what en-  
joyment will they get from their  
stolen wealth? We dare say that  
they live in apprehension every day.  
They get little satisfaction out of  
life. Crime doesn't pay.

"Love never faileth". That was  
the subject of the pastor's sermon  
at the Baptist Church last Sunday  
night. Isn't it true? The longer we  
live the more strongly convinced we  
become that Paul knew what he was  
talking about when he wrote that  
sentence of three words nineteen  
hundred years ago. Hate and selfish-  
ness and lust for power have caused  
nearly all the wars of history. Love  
has brought peace and healing. It  
has bound up the wounds of war.  
It is the foundation stone of every  
true home. It brightens the world  
with joy and gladness. We need  
more of love and sympathy one for  
another and less of hatred and mal-  
lice in this old world of ours—in our  
own town and community. Let us  
do our part to make it so.

There are already some beautiful  
yards and flower gardens in Taho-  
ka. We urge that every home owner  
shall undertake to beautify their  
premises with grass and flowers.  
Let's make Tahoka this year in deed  
and in truth the little "City Beautiful".  
It can be done at small ex-  
pense.

A little paint can work wonders  
in the appearance of a home. Why  
not clean up and paint up and give  
our town that fresh, neat appear-  
ance that will incite admiration in  
every visitor or tourist passing this  
way?

**Unintentional Suicide**  
Many people are slowly poisoning  
themselves just as surely as if they  
drank iodine every morning for break-  
fast. They are daily absorbing the  
toxins, or poisons, created by accumu-  
lated waste matter in their constipated  
digestive systems. Sooner or later  
disease will conquer their weakened  
bodies.

If you have headaches, coated  
tongue, bad breath, no appetite,  
bilious attacks, you are probably  
suffering from self poisoning caused  
by constipation. A relief for this  
condition is Herbine, the vegetable  
cathartic which acts in the natural  
way. Get a bottle today from

careful construction*

ONE OF the first things you will notice when you  
drive the Ford is the quick, effective action of its  
four-wheel brakes.

They are unusually safe and reliable because  
they are mechanical, internal expanding, with all  
braking surfaces fully enclosed. This prevents mud,  
water, sand, etc., from getting between the band  
and drum and interfering with brake action.

Other outstanding features of the Ford are the  
Triplex shatter-proof glass windshield, four Houd-  
aille double-acting hydraulic shock absorbers,  
aluminum pistons, torque-tube drive, more than  
twenty ball and roller bearings, Rustless Steel,  
reliability, economy, and long life.

You save when you buy the Ford and you save  
every mile you drive.

We don't sell Germ-Processed Oil on claims...we just  
show you the test results, figured out in fractions...

IT'S comfortable to know that the oil you are using  
will result in gasoline and oil economies. A promi-  
nent southwestern bus line (name on request) wanted  
to know. They put Germ-Processed Motor Oil to the  
test in a 25-passenger bus. Competent engineers checked  
every detail of operating cost and  
maintenance during 7,488  
miles of regular passen-  
ger service, compar-  
ing the results with  
an equal test of  
the competing oil.

When the test ended it was found that Conoco  
Germ-Processed Motor Oil had reduced oil con-  
sumption by 13% and had lowered gasoline con-  
sumption by 14.3%.

Such economies are also possible in your car. And  
there are other advantages which soon become evident  
to the user of Conoco Germ-Processed Motor Oil, each  
proved by authoritative tests. Your own test-through-  
out will be most convincing. Have your crankcase filled  
today with Conoco Germ-Processed Motor Oil at the

### Wilson

Miss Clara May is home after several weeks' visit to different sections of the state.

Mr. Crow, our new barber, has had workmen busy this week putting the shop in tip-top shape and has everything looking good. Mrs. Crow

is also arranging her furniture and material getting ready to take care of the needs of the people in the beauty department and will be ready to do any and all kinds of work in that line by the last of the week. She is a graduate of one of the best schools in Texas and has \$2500 worth of equipment which enables her to do as good

work as can be done anywhere.

Mesdames W. L. and R. C. Forrester were hostesses at a party given in the latter's home last Tuesday evening in which the Wilson school faculty and the young people of the community, numbering 38, were entertained at 42. After several games were played refreshments were served Mrs. A. L. Faubion was high score lady having 8 points to her credit, and Yates Key was high point man having 7 points to his credit.

A four-act play entitled "Dr. Jim" will be staged at the high school auditorium Friday evening, characters being selected from the high school. This is a fine play and you must not fail to see it.

### South Ward

The Church of Christ had a large attendance at their service Sunday afternoon. Next Sunday is Mother's Day and everyone is invited to the special program for the morning service.

A large number of girls spent the week end with Misses Mary Ellen and Nora Belle Inman.

Mr. and Mrs. W. E. Hammonds gave their son, Cecil Hammonds and Miss Mary Ellen Sage a birthday party Saturday. There was a large attendance and everyone reported a wonderful time.—Reporter.

### Edith

We did not have singing Sunday night on account of the rain and hail. The hail damaged the trees and wheat south and east of Edith.

Mr. W. C. Pritchett and son Arvil were in the community the week end on a business trip.

Mr. and Mrs. Woods are the proud parents of a new son.

J. T. Owens and family have been staying with Grandmother Jones, who has been very ill for the past week but is improving now.

We had a good crowd at Sunday School Sunday and Brother Dyke delivered a very good sermon. Everyone come next Sunday.

### LEGION DEFEATS O'DONNELL

The Tahoka American Legion ball team defeated the American Legion team from O'Donnell on the diamond here in a hard fought game last Thursday afternoon. Tahoka won by a score of 15 to 14, and Constable H. W. Galaway says it was a very exciting game. H. W. pleaded with us to "pour it on" that O'Donnell bunch and razz 'em good for getting licked. He says they came up here bragging about what they were going to do to this Tahoka outfit and then got whipped all over the diamond. We might brag a bit just to please Galaway but we understand that another game is to be played soon and the boys might get it back on us. Some of our best players might not be there, or something.

No extra charge for our Sunday dinner at Sunshine Inn. 36-tfc.

Judge O. O. Chrisman and Mr. G. A. Russell of Cleburne were here Tuesday to attend the obsequies of George T. Brewer. In fact, Judge Chrisman, who was an old-time friend of deceased, conducted the Masonic ceremonies at the funeral, and he was assisted by Mr. Russell. The Lubbock Commandery of the Masonic fraternity was here Tuesday participating in the Masonic ceremonies at the funeral of George T. Brewer.

J. A. Brashear of San Angelo is here for a few days this week looking after business matters. Mr. Brashear was engaged in business here for many years.

E. R. Allen, a former citizen of Tahoka, was a business visitor here Wednesday.

W. M. Kuykenall and family of Southland spent the week end here with his mother, Mrs. L. S. Kuykenall.

A baby girl was born to Mr. and Mrs. T. E. Adams last Friday morning.

Try our Sunday dinners. They are fine. Sunshine Inn. 36-tfc.

### NOT A HORNE TOAD SAYS THIS EDITOR

Editorial appeals for financial support cover many subjects. One of the latest is an editorial on the horned toad that appeared in E. E. Southard's column in the Magdalena (N. M.) News. He says: "It is claimed the horned toad can live without food, or water, or air. Well, the editor of The News is not a horned toad. He cannot live without food, or water, or air. And all of these things, except possibly the air, cost money. This is merely intended as a reminder that money sent abroad for printing does not buy here at home."

### MUSIC AND EXPRESSION RECITAL MONDAY NIGHT

Mrs. Marcus Edwards and Miss Opera Forrester announce that their Music and Expression pupils will give a recital in the High School auditorium next Monday night, May 11, beginning at 8 P. M. The public is cordially invited.

### IMPOUNDED STOCK SALE

Notice is hereby given that on Monday, May 18, between the hours of 10 A. M. and 4 P. M., I will sell at public auction, to the highest bidder, for cash, the following stock found running at large within the city of Tahoka, to-wit: 1 bay horse about 16 h. h., weight 900 or 1,000 lbs., 18 or 20 years old, no brands; 1 bay horse 14 h. h., weight about 750 lbs., old, no brands. ### O'DONNELL BONUS CHECKS REACH THE \$10,000 MARK

Soldier bonus checks have brought ten thousand dollars into this territory within the past few weeks, according to information given Wednesday by Commander Guy Bradley

of the local Legion post. This sum has been distributed among twenty-four ex-service men, and each and every dollar of the amount is being spent in this trade territory. Won't it be great to have that much money? Or any amount of money at all?—O'Donnell Index.

## JUNIORS ENTERTAIN THE SENIORS WITH BANQUET

On Friday evening, May 1, the Junior Class of Tahoka High School paid their last tribute to the Senior Class by entertaining them with a banquet at the First Methodist Church. This undertaking was efficiently over-seen by Miss Beulah Smith, Junior Class sponsor, and prepared by the Juniors and their mothers.

The Seniors, faculty, and Juniors met in the auditorium of the church. There they were entertained for a period of thirty minutes by Matthew Shepherd's orchestra with several popular numbers. The group adjourned to the basement where a

most delightful and picturesque scene awaited them.

The basement was decorated to represent a Japanese garden. Miniature Japanese parasols and lanterns marked the place for one hundred and two guests. The pillars supporting the basement ceiling were entwined with flowers and the banquet table was decorated with phlox and sweet william. Butterflies were suspended from the ceiling and Japanese lanterns lent a weird and soft glow over this swirl of color and they afforded the only light.

The program was as follows, with Dewey Curry acting as toastmaster: Toast to Seniors, Kenneth Reid; Response, J. D. Donaldson Jr.; High School Quartet; Toast to the Facul-

ty, Snookie Maddox; Response, Mr. Weaver; Violin Solo, Margaret Wetzel; Toast to Departing Athletes, Helen Applewhite; and Vocal Solo, Lucille Slaton.

The Senior Class wishes to express its appreciation to the Junior Class and its mothers for showing this courtesy. They realize the labor and untiring patience which was necessary in order to carry out this unselfish desire and to entertain this large group. —Reporter.

## RAIN HINDERS PLANS AT CHURCH OF CHRIST

Rain, just before and at the appointed time last Sunday evening, made impossible the assembling of the young people of the Church of Christ for their training class exercises; and the program as scheduled for that date at 8:45 P. M. remains to be observed on next Sunday at that hour. "Worship and Service" is the subject of the lesson hour, and is divided into nine sub-topics. The readings and comments of this program are of vital interest, and should prove to be a pleasant and profitable study. Others than members of the church are eligible for participation in these exercises; and all young folk are invited and urged to join us in these development proceedings. Mr. Preston North will be the leader in next Sunday's program, and besides ensemble singing, some special numbers, duets, or quartets, will be rendered. The "Church of Tomorrow" depends upon the youth of today; let us assist them in getting ready for their responsibilities. Older folk can help much with their presence.

Our prayer and praise service was also hindered by the rain on Wednesday evening of last week. But we trust that henceforth we may have fair weather and good attendance.

Next Sunday church services are to be: Bible School, 9:45; Worship and preaching, 11:00 to 12:00. Morning subject: Monumental Institutions of the Bible. Evening subject: Which church should men join? Come to all services.—N. W. Allphin.

## POOR LIGHTING An Extravagance!

A survey of about one million people brought out that: In the public schools, 22 per cent had defective vision. In colleges, 40 per cent of those under 20 had defective vision. No less than 71 per cent of all under 50 had the same trouble. Of persons over 60 years of age, 95 per cent suffered from defective eyesight.

Poor lighting belongs to the days of the cave man's pine torch, the hanging fire basket, the crude oil lamp, the candle, with their smoke and flickering, wavering light.

Electricity belongs to this age. There is no excuse for poor lighting. The abundant and correct use of light pays for itself many times over. Whether in the home, office, or factory, poor lighting is an extravagance—injuring the eyes and increasing hazard through accident.

**Slaton Citizens Render Program**  
Last Thursday evening at the High School auditorium there was put on a fine program by citizens of Slaton. Mr. Bruner had charge of the program and introduced Mayor George who gave us a nice talk and explained the cause of their visit. His talk was followed by several songs, readings and instrumental music with a few jokes thrown in. If applause means anything, we are sure that everyone enjoyed every bit of the program and we hope they will continue to visit us bringing to us their good will and pleasant entertainments.

**School Puts On Program**  
Some 500 patrons and friends of the Wilson school enjoyed a fine program rendered by the grades on last Friday evening. This program was in the form of a pageant in which each of the seven grades participated. It was one of the best entertainments we have had this year. Mrs. Clyde Shaw furnished the music and Leon Painter with his acrobatic stunts furnished us with cause for much laughter. The program lasted more than two hours and every minute was one of very enjoyable entertainment.

Wilson was invited to have a representative in the West Texas Chamber of Commerce meeting to be held at Lubbock soon and the audience at the play Thursday night nominated Misses Anna Ruth Crowder, Gertrude Fischer and Thira Painter. The race was a close one and muddy roads over the canyons near Slaton last Saturday evening where they spent some time in merriment and a good time in general, the main feature of the outing being a weiner roast.

W. D. Green spent several days in Wilson and Lubbock on business, leaving for his home in Shiner last Monday. Mr. Green made this trip by airplane.

Quite a number of Wilson citizens are attending County Court at Tahoka this week.

Miss Catherine McAnnally has returned from Tulsa, where she has been visiting for several days. Her sister, Mrs. Hancock, and baby returned with her to spend a few days with her father and mother.

A large crowd was in attendance at the play put on by the American Legion of Slaton. Everyone enjoyed it very much.

The young folks enjoyed a social given by Misses Hull and Killian Monday night.

Our school will close Friday. Misses Hull and Killian will have their program Wednesday night. The other two rooms haven't announced for sure where theirs will be. The seniors are going to have a play entitled "Poor Fathers".—Reporter.

**REV. PARR, O'DONNELL, MOVES TO LUBBOCK**

Rev. and Mrs. Walter O Parr and family and Mrs. J. C. Parr and family moved from O'Donnell to Lubbock Monday of this week. Rev. Parr has been the pastor of the local Cumberland Presbyterian church for the past year, and it was commonly supposed that he would continue this work another year.

However, his inclination has always been for the evangelistic rather than pastoral side of the ministry, and this was given as the reason for the change.—O'Donnell Index.

**Adults Contract Children's Diseases**

Adults can, and do, contract many children's diseases. And, usually, they suffer from them much more than children do. For instance, many adults contract worms, an ailment usually associated with children. Sometimes they suffer intensely and take expensive medical treatments, without realizing that worms are the cause of their troubles. Yet, the symptoms are the same as in children: loss of appetite and weight, grinding the teeth and restless sleep, itching of the nose and anus, and abdominal pains. And, the same medicine that surely and harmlessly expels round and pin worms from children will do the same for adults — White's Cream Vermifuge, which you can get at THOMAS BROS. DRUG CO.

WE can never be sure just what makes an infant restless, but the remedy can always be the same. Good old Castoria! There's comfort in every drop of this pure vegetable preparation, and not the slightest harm in its frequent use. As often as Baby has a fretful spell, is feverish, or cries and can't sleep, let Castoria soothe and quiet him. Sometimes it's a touch of colic. Sometimes constipation. Or diarrhea—a condition that should always be checked without delay. Just keep Castoria handy and give it promptly. Relief will follow very promptly; if it doesn't you should call a physician.

**Chevrolet**  
has struck a popular new note  
in motor-car styling

Many factors have contributed to the remarkably widespread popularity of the new Chevrolet Six. Among these are smooth performance, low price, matchless economy, exceptional riding ease and driving comfort. But no feature has been more strikingly evident in the enthusiastic public reception of the car than its smart new style.

Fisher Body craftsmen, with their background of fine-car designing, have made this new Chevrolet an exceptionally attractive automobile. Study it from any angle and you find it extremely pleasing. Look at it from the front and you are impressed by the modish ensemble of Jeep radiator, large headlamps and arched tie bar—all gleaming in rich chromium plate. Viewed from the side, the long hood, low-slung body lines, sweeping fenders and massive wire wheels strikingly suggest the car's fleetness and power. And the appeal of Chevrolet's beauty is made more pronounced by the fact that all models are available in a variety of colors.

Interiors, too, are unusual in every way. The upholstery is carefully tailored. Seats are roomy, deeply cushioned and invitingly soft. And the interiors are tastefully appointed.

In fact, the new Chevrolet Six is such a thoroughly fine-looking automobile that it has become a very popular choice with every type of buyer. You find it not only the smart family car, but the smart personal car as well—a worthy companion to the expensive automobiles of the two- and three-car household.

**GEORGE T. BREWER DIED SATURDAY; BURIED HERE**  
(Continued from first page)

They removed from Johnson county to Lynn county about ten years ago. Mrs. Brewer died here nearly three years ago. Mr. Brewer apparently never fully recovered from the shock of her death and the loss of his life companion. Disconsolate and broken in spirit, he easily became the victim of physical disease. In early life Mr. Brewer professed faith in Christ and united with the

Baptist Church. He was a member of this church for half a century and for several years held his membership in the church here. He was also a member of the Masonic order, being a Master Mason, Royal Arch Mason, Knight Templar, and Shriner. He was a man of positive character and strong convictions, very frank and outspoken in expression of his views, and had many warm friends.

Two daughters and six sons were born of his marriage. Three of the sons are dead. The surviving children are: Mrs. L. C. Turner, Fort Worth; Mrs. Emma Henry, Mansfield; L. T. Brewer and H. T. Brewer of this county; and E. R. Brewer of Fort Worth; all of whom except Mrs. Henry were here for the funeral. Among the surviving grandchildren is Seth Brewer, a student in the high school here, who made his home with his grandfather and was his intimate daily companion. Surviving brothers and sisters are Ed, Pink, and Lee Brewer of this county, John Brewer of Durham, Oklahoma, Jim Brewer, former city marshal of Tahoka, Matthew Brewer of Waco, Mrs. Mollie Rhodes of Wichita Falls, and Mrs. George Renfro of Johnson county, all of whom were here for the funeral except Mrs. Rhodes and Matthew Brewer.

The News joins a host of friends in expressing sympathy to all the bereaved.

dues in recent months, it was decided that the president should ask the members to contribute a dollar each to cover these expenses. He may possibly draw on the members for this sum to defray these little expenses. The directors expressed the hope that all the members would cheerfully pay this small sum, so that Tahoka may be creditably represented at the big meet in Lubbock.

Tahoka is peculiarly fortunate in procuring Mr. Slaton to serve as director for this city. The reorganized West Texas Chamber of Commerce with D. A. Bandeen as manager has eliminated the ballyhoo that formerly characterized this organization and has made it a strictly business-like concern looking after the commercial, industrial, and agricultural interests of this section of the state; and it is fitting that a man of Mr. Slaton's business ability should represent Tahoka on this board.

**GRIDER GETS HUNG JURY IN COUNTY COURT CASE**  
(Continued from first page)

the night of January 1 and went with him to the dance. He testified that Grider was sober. Others testified likewise that they discovered nothing unusual or abnormal in Grider's condition that night. Judge Grider himself testified that he was not drunk, that he had not taken a drop of liquor that day or night, and in fact he had never at any time taken a drink of liquor in Lynn county.

County Attorney G. H. Nelson represented the State and Hill Stewart and John L. Ratliff of Lubbock and C. R. Carpenter of O'Donnell and Tahoka represented the defendant.

T. J. Bovell left last Thursday to attend the Bakers Convention being held in Galveston. He is expected to return tomorrow, but since this is the beginning of the bathing beauty season friends here are expressing doubt as to whether Joe will return for several days yet.

Go to church and eat your Sunday dinner at Sunshine Inn. You will not regret it. 36-tfc.
