

Plentiful Pineapple

AMERICA is one of the few and very fortunate countries in which pineapple is both cheap and extremely plentiful. The history of the pineapple associates it always with the tables of the great and wealthy. Only in America has it become an article of daily diet—a delicious delicacy within reach of even the most modest purse.

For Every Meal

There are many pleasant ways to use it at every meal, and between meals for beverages, candies and incidental snacks. Here is a recipe for pineapple waffles which has been tried and found exceptionally good. You know that the best pineapple comes from our Territory of Hawaii.

Pineapple Waffles: Beat three egg yolks well, and add one and one-fourth cups milk. Sift together two cups flour, four teaspoons baking powder and one-half teaspoon salt, and add to above. Next add six tablespoons melted butter and two-thirds cup drained crushed pineapple. Fold in three stiffly beaten egg whites. Bake on hot waffle iron at table. The electric iron should be pre-heated ten minutes before making the first waffle. Serve with pineapple sauce and pass cubes of plain American cheese.

Pineapple Sauce: Simmer one cup crushed pineapple, one cup sugar, and three-fourths cup water until syrupy. Add three drops oil of peppermint. Heat to lukewarm and serve on waffles.

BAPTISTS HELD WATCH SERVICE NEW YEAR'S

The membership of the First Baptist Church of Tahoka with some friends from other churches of the town and some 26 people from the Baptist Church at Wilson met at the church last Thursday night for a "watch service". The program went off with a bang from the start to the finish, something being done every minute of the time.

The Sunday School, under the direction of Superintendent R. E. Key, occupied the first period of the program. First a number of people present expressed worthy New Year resolutions relating to Sunday School work for 1932. This was followed by an old-fashioned spelling bee, the words being taken from the old Blue Back Speller, and the old-fashioned method of pronunciation being followed. This number provoked much fun and merriment.

The next part of the evening's program was arranged by the W. M. S. under the leadership of the president, Mrs. Caveness. The first number was a beautiful playlet entitled "The Awakening", which depicted the different lines of service rendered by the organization. This playlet was made very effective by the splendid work of the four women characters and by the appropriate songs beautifully rendered. The house was then thrown into uproar by a stunt, "The Human Ford", put in by ten women and a boy.

Then came the Deacons with the chairman, W. B. Edwards, in charge. Some pertinent facts relating to the financial program of the church were brought out in a dialogue between two members of the Board.

Perhaps the cleverest "stunt" was pulled by the party from Wilson. It consisted of a "take off" on the Adult B. Y. P. U. of Tahoka church. It was humorous in the extreme, and at the same time brought some fine lessons on how not to render a B. Y. P. U. program. It is a fine thing for us "to see ourselves as others see us" occasionally.

The B. Y. P. U.'s part of the entertainment consisted of two splendid vocal numbers rendered by some of the intermediate members and two visitors from Brownfield. Director Taylor White had charge of this part of the program.

The program was interspersed with delightful readings given by Miss Snookie Maddox and Jack and Billie Swafford.

The social period under the direction of a committee of young people provided much jollity and amusement by a Bible baseball game and a medley of happy songs. Following this the immense crowd of some 250 people was served delicious cake and hot chocolate and coffee.

The midnight hour having arrived, the Old Year, 1931, folded his mantle about him and silently stole away, and there was ushered in the New Year, 1932, clean and fresh and white for each of us to soil or beautify. Rev. Partin of Wilson led the closing prayer and all went home to slumber and dream of the jolly, good time experienced in this our very best Watch Service.—Reporter.

MRS. SUDDARTH HOSTESS WITH WATCH PARTY

The guests were elaborately entertained with games pertaining to New Year. New Year resolutions were made and prophecies were written for the coming year. The evening was spent by playing games and singing songs. Different groups enjoyed contests and prizes were given to the winners. At 12 o'clock all departed after being served with a delicious salad.

After the opening of gift packages and a most enjoyable social hour, the wedding cake was cut.

A dainty refreshment plate was served consisting of gold cake and old-fashioned ambrosia, carrying out the color scheme of gold and white.

Many wishes for all the good things of life were conferred upon the honorees, after which the guests departed, thanking Mr. and Mrs. Finch for a most delightful evening.—Reporter.

MRS. HULL ENTERTAINS BAPTIST WOMEN

The women of the Baptist Church enjoyed an unusually pleasant meeting when Mrs. Owen J. Hull very graciously opened her home to them Monday afternoon from three to five o'clock.

After opening prayer by Mrs. White, the pastor led the group in an inspiring Sing-Song, using one verse of many of the old hymns. Prayer was then led by Mrs. Belton Howell, after which Mrs. Hull introduced Mrs. H. P. Caveness, president of the W. M. U., who, after a few encouraging remarks, read a series of resolutions for the year's work. These were adopted by the women. Rev. Hull, the pastor, then incited the group to continue in the work with even greater ardor by recounting the many phases of it and suggesting their value. Mrs. Applewhite presented her group of Sunbeams, who had their meeting in the home at the same hour, in two entertaining numbers. The meeting was closed with a series of prayers.

Mrs. Hull was assisted by Mrs. J. B. Walker and Mrs. J. K. Applewhite.—Reporter.

Among Tahoka students who returned to their work in the Tech this week were Misses Hazel Anglin, Mary Fenton, Gladys Douthit, Reta Lois Colenback, Messrs. Lester Prater and Robert Benson.

Wilson

Rain began falling slowly Sunday night and continued throughout Monday and Tuesday night, finally ending up with a light snow, bringing to an end the fine clear weather we enjoyed through Christmas and New Year.

Mr. W. L. Palmer and Miss Ruby Rudd put one over on their many friends on Saturday, Dec. 26, when they quietly slipped away to Lubbock, where they were happily married. Mr. Palmer is our local barber who came here a few weeks ago and has made many friends. Miss Rudd is the beautiful daughter of Mr. and Mrs. Rudd who live southeast of town, and is well-known, having lived in and near Wilson for a number of years. Mr. and Mrs. Palmer have planned to make Wilson their home.

A goodly number of Wilsonites motored over to Tahoka Thursday evening to be in attendance at a "watch party" at the First Baptist Church, they having been invited several days in advance. A fine program lasting from 8:00 o'clock till midnight was thoroughly enjoyed by the visitors.

Mr. C. C. McCormick has been paying our city a visit for the last few days.

Mr. and Mrs. Lumsden, Miss Clara May and Mr. A. P. White were visitors in Snyder Wednesday of last week, Messrs Lumsden and White on business and Mrs. Lumsden and Miss Clara spending a few hours with Rev. and Mrs. McGahey.

Mr. and Mrs. Homer Scott and daughter Zada Mae were New Year's day guests in the Forrester home.

Dr. P. L. Howe returned home Sunday after ten days tour through South Texas and parts of Mexico.

On Friday evening the high school

faculty sponsored a leap year party for the students at the high school building. Much interest was manifested in the affair since all dates for the occasion were made by the girls. Games such as "Progressive Confab", "King and Queen of Hearts", "Progressive Proposals", and "Lover Letter Writing" were enjoyed by all. Some boys, to the amusement of all others present, played the role of being girls by the aid of rouge and lipstick. Refreshments of cakes and hot chocolate were served by the boys.

Mr. Leonard Harvy of Lubbock was a very pleasant visitor in the R. C. Forrester home New Year's day.

B. B. Wise of Dimmit, Castro county, is looking after his land interest here, and his visit will likely be an extended one.

Miss Natalie Crosby was the very charming hostess at a "watch-party" in her home on the evening of Dec. 31, where fourteen Intermediate B. Y. P. Uppers were royally entertained. Various games were the order of the evening as the watch for the new year was kept up and when the old year finally came to a close and the new year properly greeted, the following were served delicious refreshments: Misses Leona Crews, Maxine Jones, Lois Crosby, Edith McCormick, Jerene Shaw, Messrs. Olen Crews, Jyles Shaw, Lloyd Swann, Garland Swann, Floyd Heck, Earl Cummings, William Lumsden, J. T. Fountain and J. W. Fountain.

Mr. and Mrs. Lloyd McCormick and family were visitors in the home of Mrs. Eva McCormick Sunday.

Little James Matthews suffered a very painful accident Wednesday of last week when he in some way got his finger caught in a car door, which almost mashed it off.

L. S. Metcalfe, who has for the past few months made his home with his son, Wiley, of Lubbock, but was a resident of Wilson for several years, passed away last Friday after a lingering illness of several months. Mr. Metcalfe professed faith in the Savior many years ago and was a member of the Methodist Church, always living a consistent Christian life, his honesty never being questioned by any one. His cheerful disposition and honest clean living won for him the entire community, who deeply regret the loss of such a noble character. His good companion preceded him in death only a few months. He leaves two sons, Wiley of Lubbock and Rayburn of Slaton. Interment was made in the Lubbock cemetery.

Reports from the different churches are to the effect that there were good attendance and fine services. A delegation went from the Baptist church to the Workers' Council of the Brownfield Association, held with the Tokio Church Tuesday.

I AM STILL RICH

We have passed through a panic, suffered from a crash on the stock market and are now more than half way through the depression, and I am still rich.

It may be true that I have much less to live on than I had a year ago, but it is certainly true that I have just as much as ever to live for. The real values of life are unshaken and solid.

The depression has not lowered the value of a single friendship. Neighbors still greet us in the same old cordial way, business associates believe in us, and our sons hold us in high respect. The wife's welcome at the close of the day has not depreciated in the least, and our daughters continue to lavish their affection upon us with the same old extravagance.

My faith in the goodness of the universe is unimpaired. By that faith I am emboldened as I face defeat and despair. The prayers my mother taught me and the faith in God instilled in me by a devout father remain as priceless treasures no depression can touch.

No nation becomes great by becoming rich. Neither does a man find enduring satisfaction in life by owning something—only by becoming something. The most degrading poverty is that which results from killing the spirit that the body may be served.

This depression is a challenge, not a catastrophe. A generation that has conquered the air and sent giant planes circling the globe, which has plunged into the depths and disported on the ocean's floor, which has climbed above the clouds and lived in the stratosphere is now faced with the challenge to rise above its dependence on mere things and seek an emancipation of the spirit of man.

The last six months have been for many men a thrilling spiritual adventure through which they have discovered their real wealth. Bereft of dividends and profits, they are discovering the sustaining powers of a strong religious faith, the abiding values of courage, heroism, honor, charity and trustworthiness.

A financial crisis can wipe out profits and bring business to a standstill, but character is beyond its reach. It can rob us of all we have, but it cannot affect what we are. The deepest satisfactions of life—those which come from sharing and serving—remain secure.

I am still rich because I am independently rich—none of my wealth depends upon business conditions or market reports.—Roy L. Smith, in The Hub, Sask.

Draw

The school is gradually growing as the cotton is being all gathered. There have been several new pupils enrolled the past few days.

The girls' basketball team has begun practice under the coaching of Mrs. Kenley. The boys and girls are going to encounter the undefeated teams from Tredway on the local court next Wednesday afternoon.

We have been having good attendance at Sunday School during the bad weather. The Epworth League had an unusually good attendance last Sunday night. After regular session, the following officers were elected to serve for the new year: Mr. T. Cook, president; Mrs. T. Cook, chairman of social committee; and Mrs. F. C. Thorpe, chairman of the program committee.

Supt. and Mrs. G. McConaill and J. C. Richter of Wells were guests of Mr. and Mrs. F. C. Thorpe last Friday afternoon.

Mr. John Rankin of Gail was a guest of Mr. and Mrs. Berry last Sunday.

Prof. M. L. H. Base, former superintendent of the Tahoka schools, was a visitor here Saturday. He was accompanied by his son, Junior, and Russell Tarrance of Lubbock. Mr. Base is now teaching near Pampa.

WILSON'S BASKETBALL TEAM BEATS LUBBOCK

Wilson High School defeated Lubbock High School on January 2, to the tune of 27 to 17. Wilson led practically all the way but by a very small margin until the last few minutes of the game. The game was not very rough but the refereeing was very strict and efficiently done. Had the Wilson boys been able to convert half of their free attempts their score would have mounted still higher.

Olen Crews was the star offensive man for the "Mustangs" as he made 17 points. He was followed by Captain Leroy Crews with 6 points, Harold Key, J. W. Partin, and Jiles Shaw all scored points. All the boys played good defensive ball, but still

the playing left something to be desired. We feel that with more practice they will be able to work a little smoother and improve their goal shooting.

The boys were pretty well played down for Lubbock used about fifteen men trying to find a combination that could hold the "Mustangs" and out-score them but their attempt was without results, as the score indicated.

Miss Snookie Maddox, who visited the home folks here during the holidays, has returned to her work in the Tech.

Hon. Carl Rountree of Lamesa, former Representative from this district, was a professional visitor in Tahoka Wednesday.

Colorful Tomatoes

RED is the Christmas color, and one of the most beautiful reds of the palette is "tomato red." Enliven your holiday menus with plentiful dashes of this gay shade about which artists and decorators are doing as much talking today as are health and home economics writers about the "newly discovered" health-giving qualities of the tomato.

A Bit of History

It seems they are not so newly discovered after all. While for many years European and North American mothers were saying "Children, keep your hands off that naughty vegetable—it's pretty, I know, but it's poisonous!" other countries seem to have had a better opinion of it. The Aztecs had discovered that it was healthful to eat tomatoes,

and the Indians of Central America baked it and found it good for sore throats. It has even been suggested that the vegetable was named after Saint Thomas who, it is claimed, taught in Mexico and urged the Mexicans to cultivate it and drink tomato juice.

Be all this as it may—those who are best informed today urge us to eat more tomatoes. The United States Bureau of Home Economics recommends them in the diet at all times, fresh or canned, as the best single food for supplying four of the most important vitamins, as a preventative of a number of diseases, and as an important article of nutrition. Canned tomatoes are especially recommended for economy, because of the low prices prevailing today, though short-sages indicate that prices will soon be higher.

Reduce the Acid

SICK stomachs, sour stomachs and indigestion usually mean excess acid. The stomach nerves are over-stimulated.

Too much acid makes the stomach and intestines sour. Alkali kills acid instantly. The best form is Phillips' Milk of Magnesia, because one harmless dose neutralizes many times its volume in acid. For 50 years the standard with physicians everywhere.

Take a spoonful in water and your unhappy condition will probably end in five minutes. Then you will always know what to do. Crude and harmful methods will never appeal to you. Go, prove this for your own sake. It may save a great many disagreeable hours.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians in correcting excess acids.

AT THE PRESBYTERIAN CHURCH

The old year with its glad Christmas season is gone. This Christmas season is always the grand climax of each closing year—when we estimate its losses and its gains and resolve to be happy, whatever the balance may be. We hope all had a fine Christmas and are now ready for the open ways and challenge of this new year. Let us meet it bravely and make it the best year of all in friendship and useful living. Actuated by a high sense of duty toward God and our fellow men, with such faith in Christ as depressions can not jar or undo, the Lord with us all the way of 1932.

The Christmas tree and program at the Presbyterian Church was beautiful and meaningful. Thanks to those who prepared it and for the good times there, for our S. S.; thanks also to the Women's Auxiliary for their timely and substantial remembrance of the pastor with this Christmas check; also the check from Miss Beulah Edge of Eureka Springs. Both checks potent with Christmas dynamics and anti-depression. Again, we thank you all. So trust and wish for all of our members and friends a happy and prosperous New Year.

She was accompanied home by Miss Nannie Hill of Grayson county, who came out to begin her services on January 1 as home demonstration agent for Hockley county.

W. T. Jones and W. T. Jones Jr. with their families removed to Tahoka from Littlefield last Thursday. The Messrs. Jones are the managers of the Tahoka Produce Company, taking charge Friday. Joe Poindexter of New Home was here on business Saturday and remarked to the editor that he had just finished gathering his cotton crop on Friday, January 1. He gathered 87 bales of cotton and admitted that he made pretty good money in spite of the low price. In fact Mr. Poindexter was not downcast in the least. He thinks the world is going to be all right yet.

INDIGESTION

"My work is confining, and often I eat hurriedly, causing me to have indigestion. Gas will form and I will smother and have pains in my chest. I had to be careful what I ate, but after someone had recommended Black-Draught and I found a small pinch after meals was so helpful, I soon was eating anything I wanted."

"Now when I feel the least smothering or uncomfortable bloating, I take a pinch of Black-Draught and get relief."
