CHECK ARTIST PULLS SWINDLE

Ray Jordan In Jail Charged With Giving Bad Checks To Local Business Men

Ray Jordan, who resides six or seven miles south of O'Donnell in Dawson county, was released under a \$200.00 bond Tuesday on a complaint filed in the justice court here charging the offense of swindling by the giving of a worthless check. Officers are searching for another man, thought to have been a confederate of Jordan's, who also passed some bad checks here Saturday night.

Five worthless checks in all were passed to Tahoka business men. The checks were of the form known as cotton acceptances issued to an O'Donnell gin. Four of the checks passed were for a little less than \$28.00 each and the fifth one was for a little more than \$28.00. The victims of these artists were Hogan, Dry Goods, Jones Dry Goods, Levine Bros., B. R. Tate's Grocery, and H. M. Larkin's Grocery.

Jordan has been identified by Messrs. Hogan and Al Lehman as the man who passed the checks to them.

Big Spring Man For State Senate

Hon. Clyde Thomas of Big Spring was here Tuesday on his first swing around the circle and making it known that he is a candidate for the state senate this year. His announcement appears in our regular announcement column this week.

Mr. Thomas is a prominent attorney of Big Spring. He was reared in Bell county and after receiving a high school education and attending the San Marcos Normal for one term he taught in the public schools, being at one time superintendent of the schools at Haskell. He supported himself while procuring his education, waiting on tables at "B" Hall while attending the University at Austin. He was admitted to the practice of law in 1913 and soon thereafter located in Big Spring. He served two terms as county attorney and about eight years ago was elected mayor of the city. He made an enviable record in this position, it is claimed, in effecting economies in the administration of city affairs, greatly reducing the tax rate, and at the same time making many civic improvements, such as paving, installing ornamental lights, building new water works and a sewer system—all without raising the tax rate or the valuations of city property.

If elected to the senate he will favor curtailment of governmental expenses and states that there must not be any increase in the state's expenditures under any circumstances. He is against the proposed statewide road bond issue or any similar bond issue that would raise the tax rate directly or indirectly.

He will make his views known in due time with respect to many other issues. He expects to make a thorough canvass of the 24 counties of the district and will probably have a speaking date here at some time prior to the election.

Nazarene Meeting In Progress Here

The Church of the Nazarene has a meeting in progress that will continue till Jan. 31. We are enjoying the splendid messages of Sister Williams, and in addition to her ministry, Rev. P. R. Jarrell and daughter will join us this week end. They are very efficient in the evangelistic field as singers and as a preacher, having held revivals in churches throughout Oklahoma, Texas, New Mexico, Arizona, and other states. We have an exceptionally good chance to hear spiritual messages, old fashioned congregational singing and special solos. The cooperation of our out of town friends, as well as the support of our friends and neighbors in Tahoka, will certainly be highly appreciated.

Be sure and meet with us each evening at 7:15. The church is warm and well lighted. A happy fellowship awaits you.—Reporter.

Gagnat Buys In Bankrupt Stock

D. W. Gagnat bought in the bankrupt stock of goods of the McCormack-Hardware Company at the sale here Saturday morning and opened the business again Monday morning.

This company was forced into bankruptcy by one of its creditors, much to the regret of the people of the town and surrounding territory, and there are many people here who are glad to see the business open again with Mr. Gagnat in charge. He was one of the stockholders and the business manager for the McCormack Hardware Company.

Dr. J. C. Hardy To Be Here Sunday

Dr. J. C. Hardy, president of Baylor College, one of the most popular speakers in the state, will speak in the auditorium of the First Baptist Church of Tahoka this coming Sunday evening at 7:30.

Dr. Hardy is no stranger in Tahoka having visited here on other occasions and spoken to the delight of all who heard him. Dr. Hardy has a great message for young people. He has and is doing more for young women of limited means to get an education than any individual we know. His address Sunday evening will mean much to the young life of our community. We are especially anxious that the young people hear him. Let the parents encourage their children to be present—let the parents come with the children.

Dr. Hardy has been president of Baylor College for twenty years. There were more than 1200 young women in attendance during the session of 1930-31 in all departments. They bid fair to have as many for the session 1931-32.

During the past 86 years, the life of Baylor College, more than 25,000 young women have passed through the halls and class rooms of this institution and gone out to bless the world by filling responsible places in home and state. Let's give him a great hearing Sunday evening for it will, indeed, be a rare treat. Our friends in this and adjoining communities are invited.

Owen J. Hull, Pastor.

Seed Loan Man Working Territory

C. M. Betterton was here Wednesday on business for the Federal Government. Mr. Betterton asked that we announce that he will be in Lynn county on Wednesday of each week hereafter, in O'Donnell in the morning and in Tahoka in the afternoon, for the purpose of meeting and advising with farmers who have procured feed and seed loans from the Government. Mr. Betterton is anxious to get in touch with all borrowers who have not made settlement.

Collections on these loans in Lynn county have been very good. He says. They compare very favorably with the per centage of collections for the entire state.

Errors Made In Candidate Stories

Last week in publishing the announcement of Judge L. C. Heath as a candidate for county judge we inadvertently left out a couple of lines that changed the meaning of the sentence very materially. What Judge Heath really said and what we failed to say was this: "Many complex legal questions that will be of vital importance to litigants and problems of finance that will be equally important to the tax payers will have to be faced by the next county judge", etc.

Also, in Mrs. Walker's announcement for city secretary a couple of lines became transposed, making it difficult for readers to get the meaning. Mrs. Walker's statement as written by her was that she had "made detailed quarterly and annual financial reports to the city council; these reports have been approved by the council and are on file in the city office open to the inspection of any interested citizen."

We regret these errors and cheerfully correct them. Publishers.

COUNTY COMMISSIONER GONE; IS CHARGED WITH SWINDLING

Sheriff B. L. Parker holds a warrant for the arrest of Walter Florence on a complaint filed at Post charging Florence with swindling by means of giving a bad check.

Florence has been missing several days and all efforts to locate him have thus far been unavailing. It is claimed that

worthless checks were also given by Florence in Tahoka, Lubbock, and Abilene about the time of his disappearance.

Florence has been county commissioner from precinct No. 2 for the past three years. His home is near Draw in the southeast portion of this county.

Mrs. Maasen Out For Secretary Job

To the Voters of the City of Tahoka:

I take this method of announcing to the voters of the City of Tahoka my candidacy for the office of City Secretary.

I make this campaign on my personal qualifications. For five years prior to my moving to Tahoka, I worked for and with the public, serving as record clerk, stenographer, bookkeeper, etc. My connections were with one of the largest wholesale corporations in the country, a large automobile agency and a law office. The capacities in which I served have enabled me to gain much valuable experience in the handling of moneys, contracts, notes, mortgages, large bank accounts, drawing trial balances, and the like.

If I am elected, the office will be conducted on a strictly business policy, which you have a right to expect. I earnestly solicit your support throughout this campaign and your vote on April 5th, all of which I will be grateful to you for.

MRS. H. A. MAASEN.

J. A. Williams In Precinct 2 Race

I am using this method of announcing my candidacy to the voters of precinct No. 2 for the office of county commissioner from this precinct, subject to the action of the Democratic primary on July 23.

This is my first time to ever ask for a public office; although I am at present serving as a member of the county school board from this precinct, having been elected to that office two years ago this coming April. My record in that office is subject to your investigation. We (family) have lived in this precinct eight years, coming from Seury county, where I had been engaged in the general mercantile business and in teaching school. I was principally raised in Dallas county, however.

When the United States entered the World War, my services were volunteered in the U. S. Navy. After

Local Office Of Co-op Is Closed

The local office of the Texas Cotton Cooperative Association was closed Thursday of last week, and S. L. Leathers, manager, wife and daughter have returned to their home at Madisonville.

Mr. Hoffman of the O'Donnell office will work this field the remainder of the season, Mr. Leathers stated before leaving.

The local office of the Association handled 4,850 bales of cotton from the 1931 crop, Mr. Leathers said.

Grider Made Agent For Insurance Firm

F. L. Grider, of this city, has been appointed agent for the Southland Life Insurance Company, according to information received by The News from Dallas.

The Southland Life is one of the strongest companies in the South, having more than \$15,000,000 insurance in force.

Grading Streets

Milt Finch and Homer Harrison have been busy the past few days grading that part of highways 84 and 9 which lies within the Tahoka city limits.

The Men's Union Prayer League Monday night was led by Uncle Ben Rogers and quite a satisfactory crowd was in attendance.

R. E. Finley Asks For Re-election

R. E. Finley of Wilson announces this week as a candidate for re-election as commissioner of precinct No. 1.

Mr. Finley has been serving in this position for three years now, and he feels that by reason of his experience he will be able to give even better service in the future than he has given in the past. His friends say that he is one of the best commissioners the county has ever had. Together with other commissioners he has had some difficult problems to wrestle with. That he has been strictly honest and has dealt with these problems in an unselfish and intelligent manner is generally conceded. He says that he has probably made some mistakes and may possibly make mistakes in the future, but he will always try to do the thing he believes to be wise and right. He has scores of friends who will use their votes and influence to send him back to the county capital. He will genuinely appreciate your help.

J. A. Jaynes For Commissioner 1

The name of J. A. Jaynes, a prominent and successful farmer of the Lynn community, appears in our announcement column this week as a candidate for commissioner of precinct No. 1.

In announcing, Mr. Jaynes stated that he wanted the people to know that he is not a chronic office seeker, this being the first time he has been a candidate for office. Yet, he has had much experience in positions of trust and responsibility. He was reared in Comanche county and quite a good many years ago he served as the first public weigher in the city of Comanche, being selected for this position by the Farmers Union. Then he served under three different county commissioners as superintendent of road construction in Comanche county. Later he removed to Taylor county and resided in

Tahoka Produce Moving Location

The Tahoka Produce Company moved its place of business on Tuesday of this week from the frame building near the city hall to the building formerly occupied by the Modern Tailors next door north of the Cash Grocery Store on Main Street.

The old frame building is being torn down and a part of the material will be used in fitting up the new place of business for the Produce Company.

Republican Enters Governor's Race

The News has been requested to state, as a matter of general news interest that John F. Grant, lumberman, of Houston will be a candidate for governor this year on the Republican ticket.

Mr. Grant promises if elected to give the people a business administration, and he is severe in his denunciation of the oil suits brought recently by Attorney General Allred.

PHEBE K. WARNER CLUB IS SPONSORING ART EXHIBIT

The Phoebe K. Warner Club is sponsoring an art exhibit at Mrs. C. B. Townes residence Friday, January 22, at 3:30 o'clock.

The public is cordially invited.

R. C. Wood Enters Race For Weigher

In announcing as a candidate for public weigher, I do so knowing the great responsibility that goes with the job. Having been a public weigher in this precinct for several years makes me acquainted with the job. I am asking the voters of Justice Precinct No. 1 for a fair consideration. And if you give me the job, I promise efficient and faithful service and courteous treatment to all alike.

As I make this announcement I am handing my resignation to the secretary of the board of directors of the Farmers Cooperative Gin of Tahoka.

R. C. WOOD.

Johnston Speaks To Methodists

Dr. W. K. Johnston, pastor of the Presbyterian church, brought a most timely message at the mid-week prayer service at the Methodist church. His theme "The Praying Church" was a part of the National Prayer Week program and was impressively handled. Other churches were in active co-operation and quite a crowd enjoyed hearing him. Rev. Smith read the evening's scripture and a vocal duet, "Beautiful Garden of Prayer" was appropriately in line with the theme.

On Sunday the church school reached a new high mark for recent months, showing a steady climb. How about ten more for next Sunday? Frank Sargent contributed the beautiful prayer song "Just for Today," to the worship period. Next Sunday the prelude will be "Remembrance," Serenade Op. 2, by Carmichael, and the special music will again be worth hearing. Come on time—9:45!

Rev. Smith brought another splendid lesson from our special study of the first chapter of Romans, after the preliminaries, conducted by Judge Cain, were over. The subject chosen, "The Voice of the Spirit," was most inspiring through its treatment, as well as thought-provoking. Perhaps the unusual attendance was helpful to the speaker.

Zone Meeting Of B. Y. P. U. Sunday

The zone meeting of the B. Y. P. U. will meet in their monthly meeting Sunday afternoon beginning at 2:45. It's planned for Dr. Hardy of Baylor College to deliver the principal address for the afternoon. We are anxious for the young people as well as those who are not so young to be present at this time. Dr. Hardy has a great message of encouragement for the young life of today.

We want every B. T. S. well represented Sunday afternoon. We have been having a great attendance in the past. Let's make it even greater this coming Sunday. We trust that all the pastors and leaders of young people will assist in every possible way to get a large representation present for this meeting. We know there is a treat in store for all who come.

Kid Singers Meet At New Lynn Soon

The Kid Singing Convention will meet at New Lynn the fifth Sunday of this month, Jan. 31. A large crowd is expected to attend, if the weather will permit. Mr. Bob Askew of Anton, president of the kid organization, will be present with a number of good singers from his place. Singing will start at 2:30 o'clock. Bring your books and come.

Horace G. Krebs, Vice. Pres.

Scout Officials Will Meet Here

A meeting of the Southern Division of the South Plains Area, Boy Scouts of America, will be held in the county court room Thursday night.

The towns of Slaton, Post, Lamesa, O'Donnell, and Tahoka comprise this division. One of the purposes of the meeting is to elect officers for the ensuing year.

Any who may be interested in boy scout work are invited to be present.

TREE PLANTING MADE POSSIBLE

Miss Harrison Cooperating With WTCC To Furnish Plants At Minimum Prices

Accepting the plan of the West Texas Chamber of Commerce, Miss El Fleda Harrison, home demonstration agent for Lynn county, is inaugurating a beautification campaign for the county.

She announces that she can procure for the farm homes of the county small Chinese elm trees at practically no cost at all and she invites the people of the county, especially the members of the home demonstration clubs, to make application to her to furnish them a few of these trees to be set out on their premises. The Chinese elm is a beautiful, fast-growing tree, and is possibly better adapted to this soil and climate than any other tree.

Miss Harrison is also insisting that many evergreens and rose bushes be set out at the various farm homes. She will be glad to advise and consult with every housewife or farm home owner about the procuring and planting of rose plants and other shrubbery. She hopes that many windbreaks of Chinese elm or of some species of evergreen may be started this year so that young orchards can be planted and receive protection from the winds next year.

Miss Allphin In Secretary Race

The name of Miss Bonnie Marce Allphin is listed this week in our candidate column. She is seeking the position of city secretary.

Miss Allphin is the daughter of N. W. Allphin and is a niece of Don Bradley. She has been a resident of the city since 1928, though she spent much of her time here prior to that time.

Miss Allphin took a business course in college and for some time was secretary to one of the professors in Abilene Christian College. She also did other stenography work in Abilene and for some time worked for one of the court reporters in Lubbock. She holds a certificate as a teacher but has never taught any.

She believes that she is thoroughly qualified by training to fill the position to which she aspires, and she says that if elected she will apply herself assiduously to the performance of the duties of the office.

Miss Bonnie is one of the choice young ladies of Tahoka. Intelligent, refined, industrious, and ambitious, there is no doubt but that she would constantly strive to be efficient and faithful in the performance of her official duties; and her friends believe that she would make good.

She will appreciate your friendship and support.

Hancock Seeks Precinct 4 Place

We have a candidate this week for commissioner from precinct No. 4, the New Home precinct, in the person of F. H. Hancock, a prominent and successful farmer residing six miles west of that thriving village.

Mr. Hancock owns and operates a good farm, one of the best in Lynn county. He came from Winters in Russell county six years ago and bought this land, unimproved. Many others came from that same locality soon afterwards and bought land in the same neighborhood with Mr. Hancock, and it is now one of the most productive areas in Lynn county. Mr. Hancock was reared principally in Mills county, stopping over in Russell county only a couple of years on his way westward. He is every inch a gentleman, honest and trustworthy in every respect. If elected commissioner, he promises to do his best for the people of his precinct and for the county generally. He has many friends in his precinct who will give him their loyal support. He will appreciate it to the utmost.

Mrs. J. L. Tinsley of Crosbyton visited her son and family, Mr. and Mrs. J. O. Tinsley, the past week. She left Wednesday for Brownfield to visit other relatives.

Any erroneous reflection upon the
reputation or standing of any indi-
vidual, firm or corporation, that may
appear in the columns of the News,
will be gladly corrected when called
to our attention.

If the Democrats should be suc-
cessful in electing a President this
year, we have already got the next
Secretary of the Treasury picked
out—Melvin Traylor of Chicago.
Traylor's steady climb from poverty
and obscurity to a place of leader-
ship in the financial world is one of
the most remarkable of all time.
Born and reared in the hills of Ken-
tucky, it is said that he had worn
very few pairs of shoes before he
was twenty years of age. Leaving
his native county on one of the first
—if not the first—train he ever saw,
he made his way to Hillsboro, Texas,
where an uncle lived. At Hillsboro
he attended school and delivered
groceries in the day time and
studied law at night. At the end of
two years he was admitted to the
bar and soon afterward was elected
city secretary. A little later he was
appointed assistant county attorney
and served a year or two. At this
stage in his career he was offered the
cashiership of the bank at Malone.
Serving in this capacity a year, he
went to Dallas to serve in the loan

department of a big insurance com-
pany. From this position, he was
called to a bank in Ballinger. After
a few years, he went with a big
bank in East St. Louis and later to
Chicago. His rise in banking circles
there was meteoric and he is now
head of the second largest bank in
the city. Besides he was called upon
recently to serve on an international
banking committee and his counsel
seems to be regarded in financial
circles as of the highest value. Many
people are suggesting him as the
Democratic candidate for the Presi-
dency. It is not likely that he will
be nominated for this place, but he
doubtless would be a dandy secre-
tary of the treasury.

We invite and urge the people of
Lynn county to make Tahoka their
main trading point. Of course we
agree that people living in the vicin-
ity of O'Donnell and Wilson
should patronize their home mer-
chants, and the same applies to the
smaller trading points in the county.
But we invite them to make their
own county capital at least their
second choice as a trading point. As
for the people living in Tahoka and
in Tahoka's legitimate trade terri-
tory, we insist that they will lose
more than they will gain by running
off to other towns hunting bargains.
We believe that our home town mer-
chants, whether their ads are found
in this paper or not, will treat their
customers fair and square and are
entitled to the patronage of the
people of the town and vicinity. A
dollar spent in the community will
circulate in the community. A dol-
lar sent to a mail order house or
spent in a larger city is not likely
to find its way back to this commu-
nity. Scan the advertisements appear-
ing in this paper from time to time
and—even if you fail to find the
ads. of some of our merchants—
come in and patronize them anyway.
They will treat you white and pa-
tronizing the home merchants will
help them and you.

Governor Franklin D. Roosevelt
surprised most of the politicians the
other day by declaring that Hoover
is not responsible for the depression
and by rebuking the Democratic
leaders for unfairly laying the blame
on Hoover. He appealed to his fel-
low Democrats to be fair in their
fight on the Republicans. If all our
politicians, Democratic and Republi-
can, would seek first to be fair and
just in their criticism of the oppo-
sition, this would be a much better
country in which to live and raise
young politicians.

In attacking National Prohibition
Saturday in the Senate, Senator
Tydings of Maryland resorted to
the usual wet methods of exaggera-
tion if not outright prevarication.
"There are three speakeasies for
every saloon before prohibition," he
is quoted as saying. The absurdity
of such claims is so obvious as to
thoroughly discredit Tydings as a
political leader or even as a fair
critic. The wets would get further
if they would stick closer to the
truth.

The News Twenty-Five Years Ago

From Files Of Lynn County News of January 18, 1907

The new Methodist Church is
looming up fast and is beginning to
look like a sure enough church.

The lumber yard is being moved
from the old stand to a point nearer
the square.

Miss Ethel Cook is on the sick list
this week.

The two months old baby of Mr.
and Mrs. Oscar Jones, who live on
the A. D. Shook place, is very sick
this week.

Mr. O. G. Kershner sold two nice-
ly improved sections of school land
to Mr. R. A. Milligan for \$13,200.00.
Mr. Milligan moved out to his new
place last Monday.

Miss Trixie Swan arrived in Tahoka
Wednesday to spend the winter
with her uncle, W. S. Swan.

Mr. C. M. Gann, who lives south-
east of town, has a new girl, who
took up her abode with them Satur-
day morning.

Mrs. Grace West of Big Spring is
visiting her parents, Mr. and Mrs.
W. K. Ray of this place.

Lewis Robinson moved into his
new house this week. This is the sec-
ond house Lewis has built in Tahoka
and he says it is for sale as soon as
finished.

Charley Bradshaw, a brother of
Mr. Cowan, bought a half section of
land down near Mr. Warren's place.

Editor Hill of the Lynn County
News gives us some fatherly advice
an closes by saying: "Let the blame
be placed on whom it belongs and
give credit to whom credit is due."
We accept his advice with thanks.
Now Brother Hill, tell us who is to
"blame" for this financial panic?
Several thousands of dollars have
been removed from the pockets of
Panhandle Editors because of this
PANIC. In other words, the
Panhandle Editors would have been
many thousands of dollars better off
if we had had no panic. Every Editor
in Texas is anxious to know, why
there is a panic?—Claude Wells.

Boy, if I could tell you that, and
could tell it clear enough and force-
fully enough to convince you and the
rest of the folks that I knew my
stuff, I would quit editing the Lynn
County News and go to running for
President.

There seems to be considerable
sentiment, not only in Texas but also
in other sections of the country far
removed from Texas, for the nomi-
nation of John Garner as the Demo-
cratic candidate for the Presidency.
The probabilities seem to be, how-
ever, that either Franklin D. Roose-
velt or Al Smith will be nominated.
In that event, we can not think of
anything more appropriate than to
nominate Garner for the Vice-Presi-
dency. Like Roosevelt and Smith, he
is a wet. At least he was a wet when
the Eighteenth Amendment was
adopted, and it is presumed that he
is wet still—very still, however.

Prospective candidates seem to be
a bit hesitant in announcing for the
governorship. It is now believed that
Ross Sterling will be a candidate
again and Tom Hunter of Wichita
Falls seems to be about the only
man that cares to take on the "big
fat boy" as an opponent. Tom is
said to be one Hunter that enjoys
going after big game.

Let's beautify Lynn county, folks.
A few trees and roses and other
flowers and shrubbery will turn the
trick. It won't cost much, either.

Legionnaires Hear Commander Earp

A crowd that almost filled the district court room heard V. Earl Earp, state commander of the American Legion, vigorously defend that organization and assail its critics here Wednesday night. Earp's home is in Sweetwater. Quite a sprinkling of women were in the audience. Wayne Good, state service officer, of Austin also made a brief address explaining his work.

Earp claimed that the American Legion had been misrepresented and misunderstood from the very beginning. It had never been able to get a square deal from Congress or the Government. In this connection, he arraigned the grafters and profiteers for the unconscionable contracts for war supplies that they made with the Government when the U. S. entered the war. Andy Mellon and President Hoover came in for considerable criticism. Defending the Legion against the charges of drunkenness at the recent Detroit convention, he assailed Dr. Clarence True Wilson and the ministry in general. He had much to say in criticism of the pulpit and the press of the country. Then he gave a long and detailed catalogue of the good things that the American Legion has accomplished for its members and for the people generally. It is by far the greatest service organization in our country, he declared. The services rendered by the Kiwanis, the Rotary, the Lions, and all similar organizations combined pale into insignificance as compared with the service being rendered by the American Legion. He made a plea for preparedness for war—for a larger army and navy. But he strongly advocated the drafting of the wealth as well as the man power of the country in any war that we may fight hereafter.

Earp is an excellent speaker and his address was greatly enjoyed and appreciated, apparently, by his audience.

They bore between them a huge "pill bag" of gifts which they very sweetly turned over to our nurses to be.

After various games and contests, Mrs. Finch, assisted by the mothers of the honorees, served a delicious refreshment plate consisting of sandwiches, cake, and hot chocolate, watched over by favors of miniature nurses in costume, which were greatly admired by all. At a late hour we bid Mrs. Finch and the girls goodbye, thanking them for a most pleasant hour.—One Present.

Wells

Grandview failed to meet our boys here Tuesday because of the severe sandstorm. Because of their failure to send any word, that they wanted to play another time, we got a forfeit of two games from Three Lakes. The rules say that a forfeit shall be with a score of 2 to 0.

O'Donnell basketball girls gave us a visit Wednesday of last week and defeated our girls by a score of 23 to 17. We are rather proud of our girls because they have had only 25 points made on them this year and O'Donnell has the honor of this.

Miss Leta Mae Cook visited with her brother Mr. V. E. Cook, who is running a store at Grassland.

Mr. D. J. Bolch of this community and Mr. J. T. Middleton of O'Donnell have gone to Artesia, New Mexico, on business.

Friday being Mr. L. M. Draper's 57th birthday, Misses Bill Little and Mable Draper were especially glad to take supper with him. Mr. Draper is in perfect health and enjoying life as much as the present time as he was a half century ago.

The O'Donnell boys came out here last Wednesday and went home badly defeated, the score being 30 to 6 in Wells' favor.

In spite of the inclement weather, T-Bar came over last Friday afternoon and was defeated 19 to 13. Mr. Cecil Tredway called the game. The cold mist that was falling as the game was in progress made the court slick and the ball heavy.

For this week we have only one game matched and this is with New Home on their court.

As we are the winners of the T-Bar, Three Lakes and Wells division, we are to play the Newmoore and Pride division not later than Jan 29th.

Mr. Carl Richter went to Hale Center last Saturday on business.

Big Spring has made plans to plant three thousand shade trees along its streets.

Wilson

Wilson still comes in for its share of rain. On last Friday night and afternoon a fine rain came retarding the gathering of the remaining part of the crop. Most of the feed is either in the stack, barn or crib and it is estimated that all the cotton except about 500 bales has been ginned. To date there has been ginned 6655 bales at our three gins.

the vicinity of Merkel for fifteen years. While there, he served one year as road patrolman for Taylor county and superintended other road construction work there. Four years ago he moved to Lynn county and has been a leading citizen of his community during these four years.

Two years ago he was strongly solicited by some of his neighbors to make the race for commissioner. He declined to make the race then, since Mr. Finley was running for a second term, but he promised them then that he would make the race this year. He feels that his long experience in dealing with the public and his intimate knowledge of road construction and county financing peculiarly fits him for the position of county commissioner. He says that if elected he will so conduct himself as to be above criticism as to his private life and will serve the public to the best of his ability. He will appreciate your support.

J. S. Wells' Brood Sow Proves Worth

J. S. Wells has a brood sow that he thinks has made a record. He bought this sow and five little pigs on June 4, 1930. The pigs made his meat and lard for the year 1931.

On December 12, 1930, this sow gave birth to another litter of pigs, eight in number, which he later sold for \$80.00.

On June 21, 1931, this sow presented him with a third litter of pigs, there being ten of them this time. He sold two of them for \$10.00. Five of them he raised and recently killed. They will supply his family with meat and lard for the year 1932 netting more than 1,000 pounds of meat and 15 gallons of lard. He still has three gilts of this litter of which he will make brood sows.

Then on December 10, 1931, the old sow made him a present of a fourth litter of pigs, ten in number, and he is raising eight of them. He says they are as fine little specimens as he ever saw.

Mr. Wells thinks that every farmer should have at least one good brood sow and raise his own meat.

SURPRISE PLANNED FOR METHODIST MEN'S CLASS

All members of the Ed Davis Bible Class are specially urged and requested to be present and on time at the Methodist Sunday School on January 24 at 9:45. Try and bring some one along with you, for while there is no membership contest or financial drive on, there is a unique surprise being planned which must be seen to be appreciated and which may not be repeated soon.

Respectfully, H. A. Patterson, teacher; par Chris L. Adair, press agent.

Wilson

Basketball

Wilson entered the Invitation Tournament at Meadow last week end but did not do so well. Wilson played Liberty in the first game and won very handily 30 to 14—a very fast game, well played. Olen Crews was the offensive star getting 15 points. Key and Partin put up a good defensive game.

Our second game was with Meadow. This was a ball game, if there could ever be one. The game was nip and tuck all the way with Meadow coming out ahead 15 to 11. All the boys played well in this game.

Following this game Wilson met Klondyke of Dawson county in a practice game. Wilson was defeated by a 29 to 22 score. Klondyke had one of the very best teams at the meet. Leroy Crews starred in this game with Key again showing a great brand of ball.

On Friday night of last week Wilson went to Slaton for a game and lost 15 to 18. Wilson was 4 points ahead four minutes before the game was over. Then Leroy Crews was

removed from the game by too many fouls. The game was promptly lost. The boys lost their bearings or this game would not have been put in the lost column. The officiating was very poor and decidedly against the Wilson team.

Honor Roll

The following students names appear on the Honor Roll for the second six weeks, which closed January 15: Primary grades—W. S. Snodgrass, Doris Coe, Iva Dells Henson, Rob Eline Key, Gaynelle McCormick, Louise Pendleton, Anna Loyd Thurston, Betty Ross Swann, Pauline White, John Coe Jr., Juanita Todd, Orville Maeker, Leon Painter, Hue Manor, Roger Blakney, Emrick Kolodziejczyk, A. P. White, and Isabelle White. Intermediate—Lorene Sanders, Leona Shambuck, Peggy Williamson, Geraldine Campbell, Vernon Henson, Arvan Holder, Clifton Hamilton, Ada May Kahlick, Arnold Maeker, Jiggs Swann, Kathleen Tadlock, Riley White and Elizabeth Tadlock. High School—Nathaniel Crosby, Jerene Shaw, Laurine Schoffner, Leroy Crews, Florine Server, and Louetta Kahlick. It is really an honor to appear on the

above list, since a high grade of work has to be done to be eligible to this roll. We, therefore, congratulate the above students upon their accomplishment.

Ray Holder, editor of The Lancaster Herald and representative in the legislature from Dallas county, has announced that he will be a candidate for railway commissioner this year. We know very little about Mr. Holder's qualifications for the position but he has been a prominent and influential member of the legislature. There are to be a number of other candidates and we shall hear more about them later along down the line.

Bill Jones, bookkeeper for the Lynn County Motor Company of O'Donnell, was a visitor in Tahoka Monday. Mr. Jones' announcement as a candidate for an important county office will appear in an early issue of the News.

J. W. (Shorty) Brown of Goldthwaite has accepted a position as mechanic at the Snowden Chevrolet Company.
