MEAT CANNED FOR RED CROSS

Two Bees and Goat Put Up By H. D. Club Women For Use of Unfortunates

On January 22 the following members of the following clubs met in the home economics rooms of the high school building:

Members of the Tahoka H. D. Club—Mesdames Harley Wells, John Stokes Rafe Richardson, Gattis, Jack Corley, Standifer, Jim Dyer, B. C. Faulkner, Milt Finch, Conway, and Burton Edwards;

Phoebe K. Warner Club of Tahoka—Meses. E. E. Callaway and J. K. Applewhite;

Magnolia 4-H Club—Meses. Molly Cato and Ermogene Blevens;

New Lynn H. D. Club—Mrs. E. B. Terry;

Edith H. D. Club—Meses. Pennington and Pennington;

T-Bar H. D. Club—Meses. Levertette, Lindley, and Cecil Whipp.

These ladies with the assistance of Messrs. Ray Shaver and Elbert Bouillon canned 286 cans of beef and beef products for the Red Cross, all the labor of the above ladies and gentlemen being donated. Miss Floy Anglin and her class also assisted in this work for which we thank them.

We wish also to thank the trustees of the Tahoka Independent School District and Supt. Pace for the use of the home economics room and its facilities in canning this food, and all others, if we happen not to have secured their names, who in any way assisted in this canning.

The following named parties donated for preparing this canned meat the articles set after their names:

The Phoebe K. Warner Club of Tahoka, 5 lbs. of lard; J. E. Ketter, 50c lard; Mrs. Jim Dyer, 1 qt. tomatoes; Mrs. Milt Finch, 1 lb. lard; Mrs. W. M. Harris, 5 lbs. lard; Mrs. W. B. Edwards, 2 lbs. lard; Mrs. Jack Corley, 1 can tomatoes; Ma. G. M. Reid, 1 can tomatoes and 1 lb. lard.

This canned beef and the products are now in the office of the Red Cross for the needy.

The beef for this canning was donated by the following persons, C. O. Edwards, 1 beef; Dave Childers, 1/2 beef; W. D. Nevels, 1/2 beef; and E. C. George, 1 goat. The cans were donated by K. C. Holmes and the First National Bank.

The Red Cross wishes to thank each person and institution above named for their donations of labor and products for this canning project.

We need 100 flour sacks and 100 tin cans. If any person can, we would be glad that they donate as many of the above as they can spare. Also, if any one can donate lard, dried peas or beans, and shelled corn for making meal, we would be glad to receive these donations for the Red Cross.

If any donate any of these items, make two lists of same with value of each item and bring to Red Cross room over First National Bank. Many thanks.

B. F. MADDOX, Chairman Red Cross.

Art Exhibit Is Excellent One

The art display given at the home of Mrs. C. B. Townes by the Phoebe K. Warner Club last Friday was a decided success, surpassing the expectations of the most sanguine of the members of that organization. About fifty paintings were entered and many of them showed splendid talent on the part of the artists. Only pictures painted by Texas artists were eligible for entry. Most of the entries were made by Tahoka artists but a few came from other portions of the state.

These paintings revealed the fact that there is much talent in Tahoka. The purpose of the display was to reveal this talent and to inspire greater interest in painting. It has been suggested that such a display be given in some building down town some time soon in order that the public generally may have the opportunity to view and enjoy it.

The Austrian government has electrified its railway from the Swiss frontier to Galsburg and is planning to extend the service to Vienna and eventually to Graz.

Dr. J. C. Hardy Is Speaker Here

Dr. J. C. Hardy, President of Baylor College, Belton, spoke twice here Sunday and once on Monday.

His first address was made at the zone meeting of the B. Y. P. U held in the Baptist Church Sunday afternoon. Many visitors were in attendance from O'Donnell, Wilson, and various rural communities, as well as many members of the local B. Y. P. U.

He spoke at the Baptist Church again Sunday night. "What shall I do with my life?" was the question he propounded as the theme of his discourse and his discussion of it was indeed inspiring.

On Monday morning he delivered a highly interesting and inspirational address to the pupils of the high school and some visitors in the high school auditorium.

Dr. Hardy has been President of Baylor College for twenty years and under his leadership the college has had marvelous growth. It is now counted as the greatest school for women in all the South.

Dr. Hardy left here immediately after his address at the high school to speak to the high school students at Post.

G. Pennington Is Out For Weigher

Garland Pennington has tossed his sombrero into the ring and announces this week that he is a candidate for public weigher for the Tahoka precinct.

With the exception of about ten months, Mr. Pennington has been a resident of Lynn county the past eleven years. He came to the plains from Coleman county when a mere boy. He has been farming since reaching the estate of manhood but the past season he has been employed as bookkeeper at Handley Gin No. 1. At this time he is residing on a farm a mile and a half southeast of Tahoka.

Mr. Pennington feels that he is well qualified to serve in the position for which he asks and says that if elected he will strive to give universal satisfaction. He expects to try to see each of the voters personally but desires to say through the News that he will appreciate the vote and active support of every voter in the precinct.

County Basketball Tournament Set

The Lynn county basketball championship will be decided by the annual county tournament finals to be played in O'Donnell Saturday, Feb. 6, according to announcement of B. H. Scott, director of athletics. Both boys' and girls' senior contests will be held, and the boy winners will represent this county at the District meet in Lubbock.

Also, Mr. Scott says, there will be a junior boys and girls basketball tournament at O'Donnell Saturday, Feb. 13 to determine the county championship. Any team in the county may compete and all players will be governed by the Inter-scholastic League rules on junior players. Play will start at 10 o'clock that morning and continue until both champions have been determined.

Wood In Public Weigher's Contest

It is our custom to comment briefly on the various candidates as they make their announcements. We failed to make any mention last week of the announcements of B. C. Wood for public weigher and therefore we take pleasure in stating this week that Mr. Wood is unusually well qualified for this position. He served most satisfactorily for twelve years in this office and he knows every detail of the work. If service is what the people desire in a public official, they may be sure that it will be given if Mr. Wood should be elected.

Makes Tech Honor Roll

Miss Mary Fenton of Tahoka made the honor roll for the fall term at Texas Technological College with an average of B on 16 term hours of work, according to the report of the registrar's office.

Pay Your Poll Taxes!

At 3 o'clock Wednesday afternoon, only 1710 poll tax receipts had been issued in Lynn county, according to the office force of tax collector A. M. Cade.

Normally, about 3,000 poll taxes are paid in Lynn county each election year, and a poll tax receipt is one of the prerequisites to voting. Not only will state and county officers be nominated and elected this year, but a President will be elected next November. No person subject to a poll tax can vote in any of these elections unless he holds a poll tax receipt; Furthermore, some important constitutional amendments are to be voted on in the November election.

Arm yourself with a poll tax receipt and be prepared to vote at any and all of these elections.

sum to pay their poll taxes. The poll tax amounts to \$1.75.

Every tax payer in the county should make a strenuous effort to pay his poll tax, for this is election year, and a poll tax receipt is one of the prerequisites to voting. Not only will state and county officers be nominated and elected this year, but a President will be elected next November. No person subject to a poll tax can vote in any of these elections unless he holds a poll tax receipt; Furthermore, some important constitutional amendments are to be voted on in the November election.

Arm yourself with a poll tax receipt and be prepared to vote at any and all of these elections.

O'Donnell Man In Clerk's Contest

Bill Jones of O'Donnell has added his name to our list of candidates this week. He is a candidate for county clerk.

Mr. Jones has been employed as bookkeeper by the Lynn County Motor Company of O'Donnell for the past seven years, and during this period of time he has accumulated a host of friends in O'Donnell and all the surrounding territory. Possibly he hasn't an enemy among all his acquaintance and it is predicted by his friends that he will poll an enormous vote in the south portion of the county.

Mr. Jones is a young married man. He has never run for office before. He was reared at Florence in Williamson county, removing to O'Donnell about seven years ago. He is a man of pleasing personality and makes friends easily and readily. He will genuinely appreciate your support in this campaign and will try to prove his appreciation by giving service, if elected.

Randolph Associate Justice Candidate

The News has received a communication from Associate Justice Hal C. Randolph of the seventh court of civil Appeals, Amarillo, announcing that he will be a candidate to succeed himself in this position.

Judge Randolph was formerly a citizen of Plainview. He was born and reared in West Texas and he had won a place as one of the foremost civil lawyers of this section before being appointed to a place on this court. He has been serving in this position for a number of years with distinction, his decisions having been usually sustained by the supreme court when brought before that body for review.

Interest Good In Nazarene Meeting

The revival meeting in the Church of the Nazarene is yet in progress. Last Sabbath afternoon Sister Williams gave an interesting and thrilling talk, telling of her various experiences in Japan. She is giving us messages from time to time that are greatly appreciated.

Also, Rev. P. R. Jarrell is putting pep and life into the song service. His inspirational singing, as well as his spiritual messages are proving a great help to us.

Do not fail to avail yourself of this opportunity of hearing these Christian ministers. They are here to help us. Let us all work together in all kinds of weather. Remember you have an extended cordial invitation to attend our services each evening at 7:15; Sunday school as usual next Sabbath; preaching at 11 o'clock; and in the afternoon at 3:00 o'clock, a healing service. Come and worship with us.—Reporter.

World production of copper in 1930 was about 14 per cent less than that of the year 1929, the total output amounting to 1,806,642 short tons, as compared with 2,104,110 short tons in 1929.

Jim Izard Enters Precinct 4 Race

J. H. (Jim) Izard of New Home joins the candidate brigade this week, announcing himself as a candidate for commissioner of Precinct No. 4.

Mr. Izard discovered America in Bell county 37 years ago but removed with his parents to Lynn county away back in 1906. He has resided at New Home since 1910 and has been engaged in business there since April, 1919. He is probably known to almost every man and woman, boy and girl, in the northwest quarter of the county. Being a pioneer in this county, he knows the country, the people, and their needs as few other men do. A good business man, he will doubtless employ strict business methods in performance of the duties of this office. He is a man of the strictest integrity and enjoys the confidence of all who know him.

He will thank you for your vote and influence in this campaign and on election day.

Recruiting Officer Visits In Tahoka

Sergeant M. J. Minor, recruiting officer for the U. S. Army, was here Thursday last week and announcing that he expects to begin taking recruits for the service on February 1. His offices are at 817 1/2 Broadway, Lubbock, Texas. He represents stations in Texas, Oklahoma, Colorado, and Wyoming. Any one interested may write or call in person at the above address. Sergeant Minor says that he will be glad to give any information desired.

The French Air Ministry has decided to replace gasoline motors on all military airplanes with oil-burning engines.

Weir Washam Is Married Sunday

Miss Willie Mae Reynolds of Lubbock and Mr. Weir Washam of Spur, high school coach here last year, were married here Sunday afternoon at the home of the Baptist pastor, Rev. O. J. Hull, who officiated. They were accompanied by Mr. and Mrs. W. L. Burleson, who witnessed the ceremony.

Mr. Washam is high school coach at Spur this year. While coach in Tahoka he made many friends here, who wish him and his bride the best that life can bring.

Mrs. Washam formerly resided in Houston, having come to Lubbock recently. She is a long-time friend of Mr. and Mrs. Burleson but has few other acquaintances here.

The couple will reside, of course, at Spur.

GRASSLAND H. D. CLUB WILL MEET FRIDAY

Grassland H. D. Club will meet at the tenchorage Friday afternoon at 2:30 o'clock, Jan. 29th. Miss Harrison, H. D. agent, will meet with us, as we didn't meet last Friday. She will also meet with us on the first Friday in February, as the first Friday in each month is her day at Grassland.

The women of Grassland community are urged to be present. Miss Harrison has something worth while to offer us if we will only accept.—Reporter.

Dr. C. A. Bickley Holds Conference

Dr. C. A. Bickley, Methodist presiding elder of the Lubbock district, held the year's first quarterly conference at the local church last Friday night. Choosing a missionary text, he preached an all-too-brief sermon that was certainly an incentive to every one present to give his best to the year's work. Some excellent reports on the various phases of the work being done were handed in.

The regular Wednesday night service was given over to a pictured presentation of the Passion Play.

Rev. H. C. Smith supervised its production and it was witnessed and much enjoyed by an audience which practically filled the church. The thanks of those who saw this impressive portrayal are tendered those whose contributions made it possible.

J. B. Pace Jr. conducted the morning worship period, after which Brother Smith delivered a splendid sermon on "The Debt We Owe". The evening sermon was a brief but most interesting treatise on "Heaven". It was followed by a short "testimony meeting".

Next Sunday's opening service may be out of the usual. Come and see! You are expected at 9:45 A. M.—Reporter.

Tippit Wants To Become Weigher

We have another candidate for public weigher in the Tahoka precinct this week in the person of T. I. Tippit.

Mr. Tippit is a dirt farmer by occupation and has been residing on his farm three miles east of town for the past nine years. He says that he has decided a man can not make a living at farming, however, and he has decided to try something else. He has never asked for public office before but feels that he is amply qualified to fill the office of public weigher and he promises if elected to perform its duties to the very best of his ability. "If you think I am the man for the job I certainly will appreciate your vote and influence," he asked us to say for him through the columns of the News. "If I am not able to see all the voters," he continued, "it will be because of my financial circumstances".

Squires Signs Up With Galveston

"Lefty" Squires last week signed a contract to play in the outfield of the Galveston Club in the Texas League the coming season. The contract calls for a salary of \$200.00 per month salary to be paid Squires. "Lefty" playing with the Harlingen club of the Valley League last summer made an enviable record resulting in his securing the Galveston contract. He is to report for training March 7.

New Officers For Boy Scout Area

At a meeting of the executive committee of the Southern District of the South Plains Area Council, Boy Scouts of America, held in Tahoka last Thursday night, the following officers were elected: W. S. Anglin, Tahoka, chairman; J. T. Herd, Post, vice chairman; M. O. Canaday, Tahoka, secretary; E. A. Warren, Post, chairman of publicity; A. Kessel, Slaton, chairman of court of honor; Joe N. Spikes, Lamesa, chairman of activities.

This district embraces the towns of Slaton, Post, Lamesa, O'Donnell, and Tahoka.

TAHOKA H. D. CLUB MEETS WEDNESDAY

The Tahoka H. D. Club had a most interesting meeting Wednesday afternoon at the American Legion Hall, according to Mrs. A. L. Standifer, reporter for the club.

Mrs. R. W. Fenton presided, and Mrs. G. A. Brasfield made a prepared talk on Gardens and Seeds. Then there was a round-table discussion of gardening, hot beds, seeds, etc.

DRAW DISTRICT COURT JURORS

Session Opens February 15; Heavy Criminal Docket Reported By District Clerk

A heavy docket is awaiting the opening of the district court here on Monday, February 15, according to District Clerk Skip Taylor. There are thirty-eight criminal cases on the docket, most of the indictments having been returned at the last term of court, while there are thirty-three civil cases. One of these is of more than ordinary interest, being the Heard - Southland Bank case transferred to Tahoka from Post. There are many witnesses in this case and many other persons who are interested in the outcome, and a large crowd is expected to be here throughout the trial.

There will be no jury for the first week of the term, this time being used to dispose of uncontested and non-jury cases. The grand jury will be empaneled and begin work on this date, however. The panel from which the grand jurors will be selected consists of the following citizens:

Grand Jury
W. H. May, Wilson; L. H. Moore, Slide; J. E. Rice, Joe Stokes; C. T. Tankersley, West Point; J. C. Hamilton; J. W. Warrick, Grassland; H. M. Larkin, Tahoka; John Berry, Draw; G. A. Brasfield, Tahoka; W. J. Jordan, O'Donnell; J. Wright Edwards and G. W. Hickerson Sr., Three Lakes; E. J. Cooper, Tahoka; Clyde Shaw, Wilson.

Petit Jurors have been drawn as follows:

Anglin, C. R. Cargile, Dave C. Davis, Jim Banister, A. R. McGonagill, N. M. Wyatt, F. O. Jaynes, E. S. Brown, and T. A. Harris.

Case Against Ray Jordan Dismissed

Corroborated in his statements by a Dawson county deputy sheriff, Ray Jordan of that county convinced officers here last Friday that he was not the man who perpetrated a swindle on several Tahoka business men on the preceding Saturday night. The case for swindling or "hot-checking" which had been filed against him in the justice court here was accordingly dismissed by the State.

Jordan had been rather positively identified by one or two Tahoka business men as the gentleman who had victimized them but it is said that he proved to the satisfaction of officials that he was in Lamesa at the time the swindle was being pulled here and therefore could not have been the guilty man. He had already been released under a \$200.00 bond.

NOTICE TO THE PUBLIC
Any erroneous reflection upon the
reputation or standing of any indi-
vidual, firm or corporation, that may
appear in the columns of the News,
will be gladly corrected when called
to our attention.

We hear all kinds of propaganda
even yet in favor of huge expendi-
tures on our army and navy. We are
told that America was unprepared
when she was drawn into the World
War in 1917 and that her unprepared-
ness cost her dearly in lives and in
money. Possibly America was not
as well prepared to enter the war
as she would have been if she had
been a war-like nation; but we are
glad she was not a war-like nation.
Furthermore, we believe that the
propagandists shamefully exagger-
ate her "unpreparedness". We do
not believe that any other nation
under the sun could have trained and
transported two million soldiers
across an ocean and landed them on
foreign soil thousands of miles dis-
tant as speedily as America did, and
that without the loss of a man from
submarine attack, when the seas
were swarming with German subma-
rines. The feat of training and trans-
porting these American soldiers and
placing them on the fighting front
as the best soldiers in Europe was
a marvelous performance. Further-

ASPIRIN

BEWARE OF IMITATIONS

LOOK for the name Bayer and the
word genuine on the package as
pictured above when you buy Aspirin.
Then you'll know that you are get-
ting the genuine Bayer product that
thousands of physicians prescribe.
Bayer Aspirin is SAFE, as millions
of users have proved. It does not
depress the heart, and no harmful
after-effects follow its use.
Bayer Aspirin is the universal
antidote for pains of all kinds.

Headaches Neuritis
Colds Neuralgia
Sore Throat Lumbago
Rheumatism Toothache

Genuine Bayer Aspirin is sold at
all druggists in boxes of 12 and in
bottles of 24 and 100.

more, they certainly gave a good ac-
count of themselves at St. Mihiel and
in the Argonne Forest and other sec-
tors in spite of the fact that we are
told by certain critics of this govern-
ment that many of them were sent
to the front without knowing how
to load a gun. All such bosh is being
peddled out for a purpose. Those who
make huge profits out of the steel
and iron industries would like to
see this country go on a spending
spree for newer and bigger battle-
ships and other munitions of war.
We believe in preparedness all right,
but we also believe in cultivating a
love for peace and hatred for war.

Not long ago we heard a speaker
make an extravagant statement
about how helpless this country
would be if France should declare
war on us. Similar statements are
frequently made with respect to the
Japanese "peril". France or Japan
could capture our coast cities and
land an Army on American soil be-
fore we knew what it was all about,
we are told. We don't believe a
word of it. Those who want this na-
tion to enter upon a wild and ex-
travagant career of ship-building are
in the habit of using these scare-
crow tactics. America should not
junk her navy, of course; but neither
should she enter upon a wild race
with the other nations of the world
to see which can build the biggest
and the best navy. It is that sort
of thing that leads to war. Limita-
tion of war expenditures by the na-
tions of the world is the thing.

Mayor E. O. Thompson of Ama-
rillo has announced that he will be
a candidate for Congressman-at-
Large in Texas this year. Thompson
has been mayor of Amarillo the past
three years and has put in most of
his time fighting for better rates
from the public utilities that serve
his city. He thinks that much ex-
travagance in the administration of
our national government could be
and should be abolished. He has an-
nounced a preliminary platform on
which he expects to go before the
people for their approval. We do not
agree fully with all his proposals
but we believe that if E. O. Thomp-
son were in our national congress
the nation would soon find out that
he was there. Thompson is a live
wire and is capable of serving Texas
most admirably in our national law-
making body.

Wilson

Last Thursday night at 12 o'clock,
Mrs. E. H. Yearsley passed away at
a Lubbock sanitarium after several
weeks' illness. She underwent an op-
eration and after a week's time
seemed to improve but complications
set up that could not be overcome
and in a short time passed away.
Funeral services were conducted at
the local Methodist church by Rev.
H. L. Thurston, assisted by Rev. J.
W. Partin. Interment at the Wilson
cemetery followed. Mr. and Mrs.
Yearsley came to our community
about a year ago and had made pre-
parations to make this their perma-
nent earthly home but the God who
gave her life saw fit to take her to
the eternal home not made by hands,
where pain nor death can never en-
ter. She leaves a husband, E. H.
Yearsley; mother and father, Mr.
and Mrs. J. A. Hobbs; three sisters,
Mrs. Shultz of May, Mrs. I. E.
Crooks of the Union community;
Miss Alice Hobbs of Edenburg; two
brothers, Bernice of Wilson and La-
valga of Los Angeles, Calif.; and a
large number of friends to mourn
her loss.

Mrs. H. B. Crosby entered a sani-
tarium at Lubbock last Thursday
and on Saturday underwent a seri-
ous operation that was necessary be-
fore she could hope to regain her
health. She was getting along fine,
according to latest reports.

A large delegation from the local
B. Y. P. U. attended the monthly
Zone meeting at Tahoka Sunday
afternoon and report a very interest-
ing program. Dr. J. C. Hardy, presi-
dent of Baylor College, made a talk
in addition to the regular program
that all enjoyed very much.

Mr. and Mrs. Homer Scott of Lub-
bock were guests in the R. C. For-
rester home last week end.

Mr. Robert Post, who farmed west
of town last year, moved his family
into town Friday.

Mr. and Mrs. Albert Dawson have
decided to try farming and have taken
charge of the Dr. Tucker place 5
miles southeast of town, where they
will reside this year.

Miss Lela Day was the charming
hostess at a B. Y. P. U. party in the
Forrester home last Thursday eve-
ning. "42" was enjoyed for some
time, after which delicious refresh-
ments of Angel food cake and hot
punch were served.

Miss Ethel McCormick, who has
spent several months in Oklahoma,
returned to us last Saturday.

Louis, the little son of Mr. and
Mrs. Louis Shambeck, became very
ill while at school last Thursday
with diphtheria, the fact causing quite
a scare in our community.

Miss Arnolia Server, a student of
Tech, was a week end visitor in the
home of her uncle and aunt, Mr. and
Mrs. P. D. Server.

Dr. P. L. Howe left last Thursday
for Kentucky, where he will spend
some time with his mother and one
of his sons, after which he will go
to New York for a visit to his son,
John, who is well known here. He
plans to be gone some sixty days.

Mrs. O. J. Hull of Tahoka was up
one evening last week to assist in
organizing a G. A. for the interme-
diates and juniors. Miss LaVerne
McCormick was selected as leader
for the Juniors and Miss O'Berger
Forrester, leader for the Intermediates.
Quite a number have already joined
and several more are expected later.
All girls in the junior and interme-
diate ages are invited to join this
organization.

Mr. and Mrs. Leonard Hamilton
and little daughter of New Home
were week end visitors in the home
of Mrs. Hamilton's mother, Mrs.
Eva McCormick.

Mr. John Heck was a business vis-
itor in Tahoka Saturday.
The ladies of the local W. M. S.
met at the home of Mr. and Mrs.
Frank Schneider Jr. on last Tuesday,
where they spent the entire day in
quilting and rendering a program. A
very enjoyable time is the report.
The fruits of the quilting part was
presented to Rev. and Mrs. J. W.
Partin, who very graciously received
a very beautiful quilt.

Our local gins have decided to cut
their ginning days to three days, a
week and have set Tuesday, Thurs-
day and Saturday as their ginning
days until further notice.

Mr. John Heck had the misfor-
tune to lose two fine Jersey heifer
calves Sunday night.

Basketball
Wilson attended the basketball
tournament last week end at Lub-
bock. The boys did not win first place
but they gave a good account of
themselves. Starting at 5 o'clock
Friday evening they played Cotton
Center and at 7 o'clock they played
Meadow. On Saturday morning at
8 o'clock Abernathy; at 2 o'clock
they played Big Spring and at 7
o'clock Saturday night Monroe. In
other words, in a period of about
26 hours five ball games were play-
ed. When you consider that practi-
cally all this playing was done by
five players, you must say that they

did quite a good job of it.

Cotton Center was defeated 29 to
18, Meadow 26 to 12, and Abernathy
38 to 12. Saturday afternoon,
Wilson lost its only game; and this
only after a great game. Big Spring
was the victor by a score of 38 to 21.
This was a wonderful game. Wilson
stayed close behind until the last
quarter, and then the defense weak-
ened and the rangy Big Spring boys
cashed in on their crisp shots. Big
Spring has a team well over 6 feet
in height and Wilson just could not
cope with the tall boys. This was
one of the best games of the tourna-
ment. Big Spring finally won the
meet with ease. The best game was
with Monroe Saturday night. The
score was tied several times, but
finally Wilson got ahead and man-
aged to hold the lead until the game
was over the final score being Wil-
son 26, Monroe 20. This game gave
Wilson third place and a very beau-
tiful trophy.

Too much credit can not be given
the Wilson boys for the way they
played in this tournament. All the
boys starred in the defense and all
were good offensive men. Capt. Le-
Roy Crews was high point man of
the meet with 66 points to his credit.
Harper of Big Spring won next with
48. Olin Crews, Harold Key, Jiles
Shaw and J. W. Partin completed the
Wilson team that bore the brunt of
the playing. The subs got to play
very little but they did well when
called on to play.

Junior Girls in Tournament

The Wilson Junior girls went to
Ropesville last Friday morning to
participate in a basketball tourna-
ment for Junior girls. Our girls first
game was with Petty and we won
by a score of 33 to 8. Next they play-
ed Ropes. At the half we were ahead
15 to 13, but Ropes sent in fresh
recruits and at the end of the game
the score was 30 to 30. It was agreed
to play an extra three minutes. We
were ahead until the last 45 seconds,
when Ropes made four points, de-
feating us. The following girls made
the trip. Jerene Shaw, Edith Mc-
Cormick, Leona Crews, Elsie Pendle-
ton, Noma Pendleton, Evelyn Camp-
bell, Natalie Crosby, Laurine Shaff-
ner, Goldie Pendleton and Louetta
Kahlch.

IN MEMORIAM

Whereas: On Saturday morning,
Jan. 9, 1932, the subject of this me-
morial breathed his last, and the

GIVES NATIONAL ECONOMIC PLAN

By **ROME C. STEPHENSON**

Former President American Bankers Association

WE hear much of future economic planning to save the nation from a repetition of depression and promote more stable business activity.

R. C. STEPHENSON

I know no better plan than this to build for the nation as a whole a stronger economic structure—that is, through a common structure of individual working, earning and saving. And I know of no better plan than to give activity in a depression than to spend a proper volume of past savings to keep the momentum of business going. But unless there are savings in prosperity there cannot be spending during depression.

Those who practiced this plan during the past period of prosperity have a security and a protection against present adversity that could be provided in no other way. Those who did not are the ones who are now most dependent upon others. If there had been more preaching of this doctrine when it was more feasible to put it into effect than it is now, there would be less depression and less financial insecurity today.

However, while there should have been more emphasis on savings during prosperity, a measure of the emphasis today might properly be the other way—at least to the extent that those who can safely do so may well increase their spending instead of overdoing their saving. While many have seen their earnings fall, there are millions who have not suffered so seriously in respect to the real purchasing power of their incomes. If we listened to all the scare stories of the day, one might get the impression that everybody was out of a job and nobody's business was earning anything. Many of our people who are able to continue a normal program of prudent buying are curtailing their expenditures beyond reason.

A Business Stimulus

The sum total of this unreasonable curtailment of spending is an economic influence contributing to the stagnation of trade. By the opposite token, I believe the resumption of normal spending on the part of those who are able to do so would be an important tonic toward the stimulation of trade. I do not mean by this that we should have indiscriminate spending merely for the sake of spending, but the very motive power of our economic life is the interchange of goods, and unless we have that we cannot have prosperity.

I strongly believe that we are at that point in the depression stage of the business cycle that any sound stimulating influence will start a real movement in the direction of a return toward prosperity. So much of the weakness of the old state of affairs has been liquidated, so many maladjustments corrected and such large volumes of our consumers' goods have been used up or worn out that the pressure of necessitous purchases must sooner or later be felt. When that time definitely comes we may consider it the first impulse of a new era of normal business.

When Government Aids Agriculture

Demand for relief, agricultural or otherwise, comes naturally from those who feel most keenly the impact of economic pressure. Those most affected fly quickly to government for aid. But too frequently agencies set in operation by governments simply postpone inevitable readjustments. The basic laws of supply and demand have never been permanently and successfully set aside. So in general governmental intervention that artificially stimulates prices or even maintains them when the prevailing economic situation obviously shows that readjustments are inevitable are expedients that yield only temporary relief rather than permanent cure. Porous plasters may relieve pain for the moment but they rarely get at the seat of the real trouble.—H. L. Russell.

When Army Worms Threatened the Crops of Marshall County, Tennessee, Information concerning the pests was made available by the College of Agriculture, and bankers immediately took steps to organize a war against the common enemy, calling mass meetings in their communities where complete facts and helpful recommendations for eradication could be put before the greatest number of people possible. This timely action saved the destruction of many fields of crops.

Draw

Draw Methodist Sunday School had a good attendance last Sunday.

The Young People's Union met at the regular hour and rendered a missionary program. The program was enjoyed by a large crowd.

Next Sunday night Mr. D. G. Cook's Sunday School class will have the preaching hour to discuss the third chapter in the Book of Extension Work.

The Draw high school rendered a chapel program Monday morning. The program was a musical program. The first on the program was a piano solo by Virginia Hensley, a piano solo by Lucille Pool, a vocal duet by E. Adams and M. Uzzell, a guitar duet by Adams and Uzzell, and a vocal solo by M. Uzzell. Next Monday the primary room will have charge of the chapel program.

The Draw Longhorns won over Grassland last Wednesday. The score was 18 to 12. The Draw boys went to Lamesa Friday and entered the tournament. The first game was lost to the strong Klondyke team. The next game was played with Woodie. The Longhorns captured this game but lost to the Fairview team. We will meet the T-Bar team at T-Bar Wednesday afternoon. This should be a very close game as they played an undecided game before Christmas. Friday this team will play Edith for the title of the Southeastern division.

Mr. Dwain Peters was a visitor of some of his relatives this week end.

The teachers of Draw school have begun work in the different events for the County Meet. Each one has been assigned a particular work to coach. Mrs. Pirtle has most of the declaiming work. Mrs. Kinley has debating and senior spelling. Miss Sherrill has junior spelling. F. C.

Thorpe has a part of the declaiming and athletic work.

HALL ROBINSON ENTERS COUNTY CLERK'S RACE

Hall Robinson's name appears in our announcement column this week as a candidate for county clerk. Mr. Robinson served in this position, a couple of terms several years ago and is thoroughly familiar with the duties of the office. He desires to make his own announcement, however, and this will probably appear in this paper next week.

A 20,000-Man-Size Job

Men must eat. Trainloads of butter, eggs and poultry move every week into New York and Chicago. Carloads move every week into hundreds of smaller cities. Shut off the supplies for a brief time and millions would go hungry.

Men must sell. Trainloads of produce move every week out of the farming centers. Stop buying for a little while and eggs would grow old, butterfat lose its value, poultry pass its prime. Hundreds of thousands of producers would lose money.

Regularity of supply can be assured only by widespread buying. Transportation costs must be kept low by shipping in carload lots. To obtain good prices from the men with the dinner tables, there must be efficient salesmen and accurate, hour-to-hour reports on demand everywhere.

A man-size job? More than that. Swift & Company makes this a 20,000-man-size job. That many, and more, of its employees devote all or part of their time to buying, processing, selling and distributing poultry, dairy products and eggs.

Over a hundred Swift produce plants pay cash for what the farmer produces. Leased wires 7,500 miles long keep experts informed where demand is greatest and supplies are shipped to these points. Branch houses and car routes serve 10,400 cities and towns.

The same salesmen who sell meat take orders for butter and eggs. One delivery suffices where two would be needed if produce and meat were distributed separately. Handling them together makes workers more efficient. Therefore, cost of distribution, both of meat and of produce, are lowered.

Swift & Company is a national marketing institution. It is also several hundred local institutions. Packing houses, branch houses, produce plants—more than 650 in all—employ local men whose pay checks help to keep their communities prosperous. A rounded line of foodstuffs enables these men to give a better and a less costly service to all classes of producers.

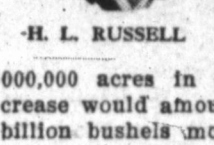

Charges are reasonable. Profits of Swift & Company from all sources, over a period of years, have averaged less than one-half cent per pound of product handled.

THE MACHINE AGE SPOILS A PROPHECY

By H. L. RUSSELL
Advisory Council, Agricultural Commission, American Bankers Association.

A NOTED British scientist forecast thirty years ago that by 1931 all available wheat land in the world would be under cultivation, and if the yields per acre could not be increased beyond that which then prevailed there would be a world shortage. The average yield then was 12.7 bushels per acre. During the past seven years, the world over, it has been 14.1. On the 326,000,000 acres in cultivation this increase would amount to almost a half billion bushels more production than the world standards of thirty years ago. In place of dire distress due to shortage, we have had dire distress due to surplus.

Wheat farmers have shown no great inclination to curtail materially their output; perhaps a 10% decline compared with 70% reduction in steel. This unwillingness, or perhaps inability, to adjust production to current needs makes the problem all the harder to solve.

Not only are we now growing more wheat per unit of land, but acreage has been very greatly extended. In twenty years Canada has increased acreage 250%, Australia almost as much. Another significant fact is the materially lessened use of wheat. A much more diversified diet has developed. More vegetables and fruits are used than formerly. The reduction of 1.3 bushels consumed per person per annum since the last generation necessitates nearly 150,000,000 bushels less wheat than was formerly required.

Machines Increase Supply

The factor that has exerted the most potent influence in this rising world flood of grain has been the rapid development of the machine. The old days of the cradle required from thirty to forty hours of hand labor to harvest an acre of grain. Then came the binder, which reduced the process to four or five hours per acre. Now the combine does the work in forty-five minutes per acre.

Where it used to cost ten cents a bushel merely to thresh the grain, the modern combine cuts and threshes at a cost ranging from 2 to 5 cents a bushel. With this reduced cost of production, the possibility of acreage expansion is tremendous. Lands heretofore regarded as worthless except for grazing have recently come into competition with the older wheat belts.

The Russian Effort

Within the past two or three years another disturbing element has come into the picture. Soviet Russia is attempting a comeback fraught with possibility that cannot yet be fully evaluated. Russia is eagerly utilizing the very latest of scientific knowledge to enlarge her agricultural possibilities. With feverish anxiety she is literally pouring millions into the expansion of her university research institutes, experimental stations and breeding farms. Her scientists are combing the earth for new crops and new methods. No country in Europe is manifesting more interest and activity in laying hold of the best science, wherever it may be found.

It is of more than passing interest that the wheat yields reported on the huge trust farm known as the "Giant" ran last year as much as 18 bushels to the acre. On this single farm the crop harvested is reported to have been 3,865,000 bushels. A single farm of 427,000 acres under government control and mechanized as fast as human energy can be applied is a new factor in the world's picture.

There can be but little doubt that the Russian situation may yet assume quite a different attitude from what obtained even in pre-war days.

Bankers Hold Farm Conference

A "feeders' conference" was held in a state bank at Fresno, South Dakota, attended by fifty farmers. The conference stressed the feeding of low price wheat and barley, and marketing it through livestock. Later, booklets on the feeding of wheat were distributed among the farmers, and a feeders column was carried in the local paper each week.

"We have had more success with the conference and with the feeders column in the local paper, than with any other undertaking we have tried," the bankers said. "As a result there is about three times as much livestock being fed out in our territory than ever before. We plan to hold other smaller conferences the coming year."

The benefits of civilization exist because of the capital accumulated by those who have gone before. Through accumulation of capital our great railroads have been constructed, our public utilities have been built and our mills, office buildings and homes have arisen.

HEALTH EXAMINATION GIVEN SCHOOL CHILDREN

Miss Myrtle Setser, district health nurse, assisted by Dr. L. E. Turrentine, city health officer, and Dr. J. R. Singleton, dentist, made a health examination of the students attending the Tahoka public schools Monday and Tuesday.

This examination consisted of weighing and measuring each pupil, testing the vision and hearing, examining the teeth and the mouth generally, examining the nose, throat, and tonsils, and testing the heart and lungs.

The purpose of the examination was to determine whether the health is normal; to discover any physical defects which may be corrected or which might bar the student from any strenuous physical activity; to detect at as early state as possible cases of infectious and contagious diseases, so that by exclusion and isolation the rest of the pupils and the community may be protected; and to discover physical defects and chronic ailments of importance, in order that limitations of the pupils may be understood and that curable defects and disorders may receive appropriate attention.

Vaccination against small-pox and immunization against diphtheria will be given the students some time next week. All physicians in Tahoka will assist in this work.

Upon the completion of the examination of each student a record of his condition as to health is made and the parent is furnished all necessary data. If any serious disease or disorder is shown, it is suggested that the parent have the family physician to treat the same.

Louis Shambeck Jr. is ill with diphtheria but not dangerously ill. One of Bill Corley's little girls has diphtheria.

Mrs. Ernest Sanders was in Lubbock Saturday visiting Mrs. Ed Sanders, who is in the Lubbock hospital.

Miss Joe Hill came home Friday from a Lubbock hospital and is improving fast.

Charley Campbell and family visited in the O. B. Davis home Sunday. There is quite a lot of moving around here.

Nearly every one is through gathering crops. I think every one is rejoicing that they are through. Countrywise.

Mr. and Mrs. Amos Howard and children of Lubbock spent last week end here visiting Mr. and Mrs. Frank Hill.

Grassland

Mr. Claud Thomas is much improved from the injury he received at the gin last week.

Miss Erlene Bosworth entertained a number of friends with a card party Tuesday night. Those present were: Misses Velma Fay Grey, Pauline and Lois Thompson, Irene Greer Maurine and Alma Elliott; Messrs. C. W. Klyde, and Horace Krebs, Douglas Jones, Douglas Greer, Bryan Falkner, and Clifford Bosworth.

Draw Longhorns played Grassland Thursday on the Grassland court. The score was 18 to 12 in favor of Draw.

The Grassland junior team defeated Draw Thursday afternoon.

The B. Y. P. U. social in the Butler home Friday night was enjoyed by a large crowd.

The Grassland senior girls defeated the New Lynn team Thursday. The game was played on the Lynn court.

Mr. D. C. Balch has returned to his home near Gainesville.

Several from Grassland have been attending the Nazarene meeting at Tahoka.

Mrs. Nixon will make her home in Grassland the remainder of the school term to enable the children to attend school.

The Irvin family have recently moved into our community. We extend a welcome to all new residents and a cordial invitation to attend church and Sunday school at either of the four churches in our community.

Rev. Allen was a dinner guest in the J. E. Ramsey home Sunday. Rev. Allen has been called as pastor of the Central Baptist Church. Regular preaching days are first and third Sundays.

Mr. and Mrs. E. D. Crouch and family visited relatives at Graham Chapel Sunday.

Mr. Calvin Jones entertained his friends with a "stag" party last Friday night. Dominoes and cards were played. Those present were: Vernice Norman, Rochell Young, Cracker Lawson, Vincent Thompson, Randolph Jones, Hooper Gregg, Henry Huddleston, and Illoiff Tew. A pleasant evening was enjoyed by all.—Reporter.

Edith

There was a nice crowd out to the singing Sunday night for it to be so cold, but the singing was fine and full of pep.

Little Imogene Hargett has been sick for the past few days but we are proud she has improved to a great extent.

Mr. Doyle Sanders of Lubbock spent Friday night in the home of O. L. Sanders.

Mr. Ira Stephens spent Friday in Lubbock.

The junior and senior boys basketball teams have played a number of games the last week or two and have been fortunate in winning each time. We are certainly proud of these boys and hope they continue to have the greatest success.

Mr. and Mrs. Virgil White spent the week end with home folks in this community.

Mr. and Mrs. N. E. Wood of Garza county spent Saturday with her mother, Mrs. J. K. Nowlin.

Mr. and Mrs. Deen Nowlin spent Sunday with Mr. and Mrs. J. K. Nowlin and family.

Miss Percy Dean Tippit spent this week end with her friend, Miss Ola Lee Stevens of Tahoka.

MR. AND MRS. BULLIOLN ENTERTAIN NIGHT CLUB

Mr. and Mrs. Elbert Bullioln were charming host and hostess to the Night Bridge Club Thursday evening in their home on Fifth Street. The Valentine theme was carried out in the tally cards, covers, candies and the refreshment plates. Mr. and Mrs. J. H. Powell were found to have high score at the end of the games.

The hostess served a dainty salad course to the following members who attended: Messrs and Mesdames L. C. Haney, M. O. Bridges, Frank Larkin, Harley Henderson, Frank Hill, and Mesdames C. B. Townes and Oscar Roberts. Guests were: Messrs. and Mesdames R. P. Weathers, W. T. Bovell, LeRoy Knight, D. W. Gagnat, R. W. Fenton Jr., Summer Knight, J. H. Powell, and Mr. Reid Townes.—Reporter.

MRS. HANEY ENTERTAINS TUESDAY BRIDGE CLUB

(Delayed)
Mrs. L. C. Haney was a charming hostess Tuesday afternoon when she entertained the Tuesday Afternoon Bridge Club and several guests in her home on Fifth Street. Mrs. Oscar Roberts scored high during the playing.

A lovely salad course was served to the following: Mesdames Elbert Bullioln, Frank Larkin, Harley Henderson, C. B. Townes, M. O. Bridges, Oscar Roberts and Frank Hill; and the guests, Mesdames W. B. Slaton, E. E. Callaway, L. E. Turrentine, J. H. Powell and Jack Alley.

METHODIST YOUNG PEOPLE ENJOY PEPPY SOCIAL

The members of the Young People's Department of the Methodist Church enjoyed a peppy social Saturday night at the church. Many lively games were instructed by the recreational leader, Kenneth Reid. Refreshments consisted of hot chocolate and cakes and were served to twenty members.

Our young people meet at 6:15 o'clock each Sunday evening. We cordially extend an invitation to those who do not belong to any other organization to meet with us at this time. Eloise Clark, President.

SHERIFF'S SALE

State of Texas,
County of Lynn.
Notice is hereby given that by virtue of a certain Order of Sale issued out of the Honorable District Court of Lynn County, on the 6th day of January, A. D. 1932, by W. S. Taylor, Clerk of said District Court, for the sum of Six Hundred Twenty-Six and 50-100 Dollars, and costs of suit, under a Judgment of said Court in favor of Lee Tire & Rubber Company, of New York, Inc., in a certain cause in said Court, No. 864, and styled Lee Tire & Rubber Company, of New York, Inc., vs. N. NEW LYNN 4-H CLUB TO SPONSOR PIE SUPPER

The New Lynn 4-H Club will give a pie supper Saturday night, January 30.

There will be free coffee for all who buy a pie or piece of pie. The proceeds will be used by the clubs to help pay for things that the clubs need. All the women and girls are invited to come and bring either a pie or a box; the boys and men to bring a little money and listen.

The candidates have a special invitation to come and make known to the people of Lynn what they want. We will sing a little while, and give the candidates a chance to talk, then sell the pies and all eat and drink coffee. And there will be a hungry man's box to sell. You come.

NOTICE OF SALE OF REAL ESTATE

Whereas, by virtue of an order of sale issued out of the district court of the 108th Judicial District of Potter county, Texas, on a judgment rendered in said court on the 4th day of November, 1931, in favor of Allen Earley and against Tyne W. Smith and F. E. Calvery in cause Number 9128 on the docket of said court, for the sum of \$3833.13, with interest thereon from date at the rate of 10 per cent, and the further sum of \$13.90 as costs, together with a foreclosure of plaintiff's vendor's lien as the same existed on the 1st day of January, 1929, upon the following described property situated in Lynn County, Texas, to-wit: The west one-half (W. 1/2) of Section Number One Hundred and Four (104) in Block Number One (1), located by virtue of certificate Number 552, issued to the E. L. & R. R. Ry. Company.

Now, therefore, I, the undersigned sheriff of Lynn county, Texas, did on the 21st day of January, 1932, at 11 o'clock levy upon the above mentioned and described property in keeping with the terms of said order of sale, and will on the 1st day of March, 1932, same being the first Tuesday in said month, between the hours of 10:00 o'clock a. m. and 4:00 o'clock p. m., on said date, at the Texas, offer for sale and sell at court house door of Lynn county, public auction, for cash, all the right, title and interest of the said Tyne W. Smith and F. E. Calvery in and to said property.

Witness my hand at Tahoka, Texas, on this 25th day of January 1932. B. L. PARKER, Sheriff of Lynn county, Texas. 23-3tc

vice, I, B. L. Parker, as Sheriff of Lynn County, Texas, did on the 9th day of January, 1932, levy on certain real estate, situated in Lynn County, Texas, described as follows, to-wit: All of Lots Five (5) and (6), in Block No. Fourteen (14), of the Original Town of Tahoka, Lynn County, Texas, and levied upon as the property of N. G. Fox and Z. D. Kemp, and that on the First Tuesday in February, 1932, the same being the second day of said month, at the Court House door of Lynn County, in the City of Tahoka, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said Order of Sale, I will sell said above described real estate at Public Vendue, for cash, to the highest bidder, as the property of said N. G. Fox and Z. D. Kemp.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News, a newspaper published in Lynn County.

Witness my hand this 9th day of January, A. D. 1932.

B. L. PARKER, Sheriff, Lynn County, Texas. 21-3tc.

RUN-DOWN and WEAK

"I began taking Cardui when in a weakened, run-down condition," writes Mrs. F. S. Perrit, of Wesson, Miss. "I took one bottle, and I seemed to improve so much that I sent for six bottles. After I had taken the six bottles, I seemed entirely well."

"Before I took Cardui, I was nervous, restless, blue and out of heart. I felt depressed all the time. After I took Cardui, all this disappeared."

"I gave my daughter Cardui and it helped to relieve irregular..."

School is progressing nicely since almost all of the students are back in school and we are glad that a number of new students have started.

Miss Carley spent the week end with her cousin and old friends at Randall.

Mr. and Mrs. Jordan went to Slaton Saturday and Mrs. Jordan stayed at Slaton until Tuesday.

Miss Faye Anderson spent the week end with Mr. and Mrs. Burie Aycox at Wilson.

We are very sorry to hear that Otha Martin is sick with pneumonia.

Every Wednesday we are entertained with a chapel program and all visitors are welcome. Wednesday morning is the high school students time to entertain.

We have played four basketball games during the last few weeks. Joe Stokes, Lakeview, New Home, and Joe Stokes again. We lost only one game—to New Home. The others were won by respectable margins.

If the weather is favorable, we are to play the second game with Lakeview Friday afternoon at Lakeview.

When PAIN Comes

WHAT many people call indigestion very often means excess acid in the stomach. The stomach nerves have been over-stimulated, and food sour. The corrective is an alkali, which neutralizes the acids instantly. And the best alkali known to medical science is Phillips' Milk of Magnesia.

One spoonful of this harmless, tasteless alkali in water neutralizes instantly many times that much acid, and the symptoms disappear at once. You will never use crude methods when once you learn the efficiency of this. Go, get a small bottle to try.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. 25c acid 50c a bottle—any drug store.

Some few farmers are preparing
their land for another crop while
others still have a few bolls to pull
and feed to stock.

Singing here was well attended.
A goodly number of visitors from
the surrounding communities were
present, but many were absent on
account of bad weather.

Miss Martha Chancellor is report-
ed to be very ill this week.

Mr. J. C. McEuen of Bennington,
Okla., formerly of this place, is
visiting friends and relatives here
this week.

Klyde Krebs, while playing bas-
ketball here Monday, fell and
fractured a knee. He has been absent
from school the remainder of the
week.

The senior class organized on Jan-
19 with eight members. The follow-
ing officers were elected: President,
Vergil Carter; vice president, Vera
Flemings; secretary-reporter, Fay
Jones; sponsor, Mrs. A. D. Seth.
Green and white were chosen as
class colors and the red rose as the
class flower. The class will meet the
second Monday in each month.

Morgan Junior and Senior boys
come over last Friday for games of
basketball. Their seniors were de-
feated by our boys by a score of 4
to 18. Our junior boys lost by a
score of 4 to 6. The senior girls and
boys will play Grassland on the
Grassland court Wednesday. Morgan
girls and boys will play here Friday.

A large group of young people
gathered at the home of Mr. and
Mrs. E. B. Terry Monday night,
where many games were played. All
report a delightful time.

Remember singing Saturday night;
also the kid singing convention Sun-
day afternoon at 2:30 o'clock. Come

Lee Wood returned to Long Beach,
California, early last week. Mrs.
Wood will remain here for some
time with her mother, Mrs. E. S.
Davis.

Planning Garza Co. Highway Work

At a meeting of the Garza County
Commissioners Court the first of the
week, a proposed survey of highway
No. 7 was submitted by Guy R.
Johnston, construction engineer of
this district of the State Highway
Division. The new route will shorten
the distance to Lubbock by several
miles.

The proposed route brings the
highway across the town section of
Post running north and south, in-
stead of east and west as the pres-
ent route. It will miss the main busi-
ness district one block, running on
D street between the postoffice and
city hall. After leaving the town
section north the survey will carry
the highway over the caprock north
of the present highway by about one
mile, run along the edge of the cap-
rock for several miles then make a
direct line for the townsite of South-
land, then west through a corner of
Lynn county, then direct north to
the pavement into Slaton. Running
south of the town section of Post
the proposed route will go due south
for about a mile, cross the Sarita
Fe track south of Sour Lake, near
where the old brick plant is located,
by means of an overhead concrete
crossing. It will then be routed
parallel to the Santa Fe right of way
and not cross the tracks until it
reaches Hermligh, 14 miles south-
east of Snyder.

Mr. Johnston stated that he would
within the next few days receive a
list from the State Department of
available resident engineers of which
he would select one to be stationed
here, to prepare plans and specifica-
tions for the construction. The state
is taking care of cost of unit No. 1,
grading and drainage work in the
county, in return for the County se-
curing right of way.

According to the engineer the No.
1 unit work will probably be com-
pleted by mid-summer and travel
will be routed over the new highway.

Wells

Brother Horn filled his regular
appointment Saturday night, Sunday
morning and Sunday night. The
first two services were unusually
well attended, considering the bad
weather. We had Rev. Audlek to
speak for us Sunday night through
the request of Bro. Horn.

One of the most delightful enter-
tainments of the season was enjoyed
by young and old alike last Friday
night when Mr. and Mrs. Townsend
entertained with "42".

The basketball teams of Wells,
both boys and girls have won the
championships in our precinct, and
are ready to meet other champions
in O'Donnell Feb. 6.

All the Wells faculty ate dinner
with Mr. and Mrs. Edd Cook Sunday.
Messrs. John and George Bean of
Lubbock were visitors in Wells com-
munity.

Mr. Sidney Fowlin, Nick Sheffield,
and Joe Waldrep visited friends at
Ashmore Sunday.

Mr. Malcolm Dolloff of Seagraves
visited with his sister, Mrs. J. J.
Waldrep Monday. He had been to
the Five Mile church house in Daw-
son county to fill his appointment
there Saturday night, Sunday and
Sunday night.

Mr. and Mrs. Andy Ledbetter are
the proud parents of a beautiful
daughter. Both mother and baby are
doing nicely.

Several of the young folks went
to Lubbock Tuesday night to see
the basketball game between the
West Texas State Teachers College
Buffaloes and the Texas Tech Mata-
dors. They reported a good game.

Mrs. Ruby Collins and son, Cecil,
visited friends and relatives in Lub-
bock Saturday and Sunday.

The following are the records of
1931-'32 basketball games:

"Nig" McCarver To Washington

"Nig" McCarver, who tendered
his resignation as coach and teacher
in the high school here a few weeks
ago, is planning to leave Saturday
for a brief visit in Ballinger and Dal-
las before departing for Washington,
D. C. on Monday. Mr. McCarver goes
to Washington to enter George
Washington University, where he
he expects to take his M. A. degree.
Mr. McCarver took his B. A. de-
gree at Howard Payne College last
year and came to Tahoka last Sep-
tember to teach and to coach high
school athletics. He won the reputa-
tion at Howard Payne of being one
of the best college football players
and track men in the Southwest,
and he has done most excellent work
as coach here. Possibly the Tahoka
schools never had a more popular
coach. He has also been successful
as a teacher, his subjects being Al-
gebra, Biology, General Science, and
Public Speaking.

Mr. McCarver stated to a repre-
sentative of the News Wednesday
that his work had been exceedingly
pleasant here and that he liked Ta-
hoka and the Tahoka people very
much. He felt, however, that he
could not pass up the splendid op-
portunity that is now afforded him
at George Washington University.

Miss Hazel Connolly has been
elected as teacher for the remain-
der of the term here. The coaching
work will be divided among the gen-
tlemen teaching in the high school.
Miss Connolly holds a B. A. degree
from Baylor University, Waco.

Evergreens have a large ball of dirt on them and will be
sold only at the two shipping points. We deliver anywhere in
Lubbock or Brownfield, and on medium or large orders will please
out at a small cost.
