Lynn County Among Six Largest Cotton Producers In West Texas For 1931

Lamb county has led all the counties of West Texas in cotton production the past year, according to the report of the U. S. Department of Commerce showing the number of bales of the 1931 crop ginned prior to January 16, 1932. Lubbock county comes second in this vast territory. Furthermore, Lamb county has exceeded such black-land counties as Bell, Milam, Limestone, Grayson, Dallas, and a number of others. Lubbock has exceeded all these except Milam.

On the South Plains, the standing of the counties in point of production is as follows: Lamb, Lubbock, Hockley, Dawson, Lynn, Crosby, Terry, Hale, Bailey, and Garza. Lynn county has surpassed such counties as Jones, Haskell, Taylor, and Coleman.

We give the figures for the following West Texas counties:

Bailey	17,357
Coleman	34,794
Collingsworth	45,111
Crosby	31,920
Dawson	51,359
Dickens	27,873
Donley	19,128

Sam Sanford In Race For Sheriff

After consulting many friends and considering the matter very carefully, Sam Sanford has decided to make the race for sheriff and his name appears in our regular announcement column this week.

Mr. Sanford is known to more people, possibly, than almost any other man in the county. He has been a resident of the county for many years and has served in official capacity much of the time. He was sheriff and tax collector from 1919 to 1924 inclusive, being elected for three successive terms. He then voluntarily retired but was reelected in 1928, serving one term. At the close of this term the offices of sheriff and tax collector were separated. Mr. Sanford was a candidate for reelection as sheriff but was defeated by the present incumbent of that office. Mr. Sanford says that he has always felt that he was entitled to a second term but has no complaint to register at the verdict of the people two years ago. He calls attention to the fact that during all the time that he was sheriff he was also tax collector, and the duties of this office required much of his time. Under the present arrangement, however, he will have no other duties to perform except those of sheriff and he can devote his entire time to the work of this office.

He promises if elected to be diligent but fair to everybody in the performance of his duties. He is a man of mild manners and gentlemanly bearing at all times and is possessed of one of that dominating spirit that characterizes so many peace officers. He has many friends here and throughout the county who will rally to his support, and he assures the voters that he will genuinely appreciate their active support during the campaign and on election day.

H. Anglin Makes First Solo Flight

Herman Anglin, joint owner with Lee King, of the airplane that sails over Tahoka almost every day, soloed for the first time Monday. According to King, his instructor, Herman made ten almost perfect landings on that day and eight more on Tuesday. Herman has had 14 hours of flying experience.

F. A. Robinette, district manager of the Associate Telephone Co., who is also taking instruction from King, is also advancing rapidly and has had four hours flying experience. "We will soon have two more flyers ready for the war", King jokingly told the News.

Take Up Criminal Docket In Court

The criminal docket was taken up in the county court Tuesday morning, with Judge Grider on the bench.

Two youths residing in the South Ward community were convicted on jury trials or simple assault and a fine of \$5.00 and costs were assessed against each of them. The complaints grew out of some overbearing conduct on the part of the young men toward some smaller children while on their way from school.

Four pleas of guilty were also entered in the county court Tuesday, all arising in the Wilson community. One was upon a complaint charging indecent exposure of the person and the other two were charges of simple assault. Small fines were assessed in each case.

Swan Candidate For City Secretary

W. S. Swan announces this week as a candidate for city secretary. Mr. Swan is well known to the people of Tahoka, having been a resident of the city for many years. Before coming to Lynn county he was sheriff and tax collector of Jones county for several terms and is an experienced collector. He is thoroughly acquainted with property values here and is fully qualified to make fair and equitable assessments. He believes that he can perform all the duties of the office in a satisfactory manner.

"In announcing for the office of city secretary, I fully realize the importance of the work and if elected will give the best service of which I am capable. I shall expect to keep the office open about the same hours as other lines of business are open. I will be in the office from the first to the tenth of each month and at all times except when busy making assessments. It shall be my purpose to make assessments equal, as near as possible, and I will try to assess all property within the city limits. Any consideration you may give me will be remembered and appreciated. Very truly yours, W. S. SWAN."

Heck For New Home Weigher

The office of public weigher at New Home has come to be a quite important office and we have an announcement for this office this week in the person of Henry Heck.

Mr. Heck is a young married man, 30 years of age, just in the prime of life. He has been engaged in the gin business practically all his life and has been manager of one of the gins at New Home this past season.

Mr. Heck came to this county from Runnels county in 1925. With the exception of two years spent at Wilson, he has resided at New Home ever since his removal to the county.

A man of the strictest integrity, he enjoys the full confidence and high esteem of all who know him, and if he should be elected there is no doubt but that he would give the best of service to the public.

M. M. REDWINE, 84, IS BURIED

Pioneer Of Lynn County Dropped Dead Of Heart Failure Last Thursday

Death came suddenly and unannounced to Michael M. Redwine, long-time citizen of Tahoka, as he was happily conversing with members of the family at the home of his daughter, Mrs. W. B. Bishop, at Wilson last Thursday afternoon. Funeral services were conducted at the family residence in Tahoka Friday afternoon and interment was in the City Cemetery here. The services were conducted by the pastor of the deceased, Rev. H. C. Smith of the Methodist Church.

"Uncle Mike", as he was affectionately called, had just eaten a very hearty dinner with his wife and daughter, Mrs. Bishop, and was seemingly more active than usual, laughing and telling jokes, discussing politics and general conditions, and was talking about the Bible and associating the trend of the times with its teachings when he straightened up in his chair, with a slight cough, which attracted the attention

Farris Throws Hat In The Ring

J. F. Farris, a prominent farmer of the New Home community, places his announcement in this paper this week as a candidate for public weigher at New Home.

Mr. Farris is a farmer by occupation and resides on his farm a mile west of New Home, and has resided there the past nine years. Born in Mississippi, he has spent most of his life in Texas. He migrated to New Mexico several years ago but decided he liked Texas better and came back nine years ago.

Mr. Farris says he has weighed a lot of cotton but most of it was done in the field. He believes he can weigh it for the public with entire satisfaction and he is now asking the voters to give him an opportunity to demonstrate. He has been a cotton raiser for many, many years, and now he wants to work at the other end of the line a bit. He will appreciate your support at the July primaries.

Miss Grace Draper Married To Doctor

Announcement was just recently made of the marriage of Miss Grace Draper and Dr. John D. Dupree, which event occurred on November 3, 1931, the nuptial vows having been taken at Portales, New Mexico, Elder W. A. Kercheville officiating.

The contracting parties decided to keep the affair secret for the time, however, but when the Doctor located in Wichita Falls for the practice of his profession, where he was joined this week by Mrs. Dupree, they made announcement of the marriage.

Mrs. Dupree is the daughter of Mr. and Mrs. L. M. Draper who reside in the Midway community south of Tahoka. She graduated in Nursing in the Lubbock Sanitarium with the class of 1929 and worked in that institution with Dr. M. C. Overton during the eighteen months following.

Dr. Dupree graduated from the Texas University Medical School at Galveston in 1928 and thereafter did his intern work in the Lubbock Sanitarium.

Pleas Of Guilty Entered In Court

Three pleas of guilty were entered in the justice court here Monday and Tuesday. The first was upon a complaint charging the giving of a "cold check".

The other two grew out of a fight that occurred a few days ago between two citizens of Wilson. One of them paid a fine for simple assault and the other for an affray.

2,400 PAY POLL TAXES FOR 1932

Figure Is About 600 Below Normal Election Year Poll Tax Payments

More than 2,400 poll taxes have been paid in Lynn county, according to Miss Wilma Ward, deputy tax collector.

This is about 600 less than the normal number in election years, the decrease being attributed to the "depression". At least a thousand of these were paid during the last week. Miss Ward states that less than 1,500 had been paid up till Wednesday instead of 1,710 as published in this paper last week, the error being due to the haste in compiling the figures in the collector's office.

Our front page appeal to the people to come in and pay their poll taxes seems to have had its effect, for during the last three days of the month the tax payer came swarming in.

Lynn county people will probably cast fewer votes this year than they have during any recent election year, but they are prepared to cast many more votes than it appeared a week ago they would be prepared to cast.

4-H Club School Will Be Held Here

Mrs. Minnie Fisher Cunningham, associate editor of Extension Service, will conduct a training school for reporters of 4-H girls' clubs and women's Home Demonstration clubs at Tahoka, in the auditorium of Tahoka high school building, Saturday February 13th.

The program is as follows: 10 to 11 A. M. Conference. 11 to 12 A. M. Demonstration. 12 to 1 P. M. Basket lunch. 1 to 2 P. M. Write report of Demonstration that was given in the morning. 2 to 3:30 P. M. Discussion and other types of reporting.

Each person is to bring a simple lunch and all have lunch together. Reporters from Lubbock, Hockley, and Dawson counties will attend this training school and, of course, we are asking them to bring their lunch, also.

Reporters come and be gracious hostesses for your county on that day.

Marriages Double Divorces In Lynn

Dan Cupid in 1931 ran a good race with the divorce mill, defeating that worthy two to one, county records show.

Truett Smith, county clerk, reports 33 marriage licenses were issued from his office during the year.

W. S. "Skip" Taylor, district clerk, says the divorce actions filed during the year number 14. In all 52 civil actions were filed.

For the previous year, there were 69 marriage licenses issued and 12 divorce cases filed. However, many couples have been going to New Mexico to get their marriage licenses, thereby evading the Texas marriage laws.

Moore Will Run

L. H. Moore, who resides out west of New Home, was a visitor in the News office Tuesday and asked us to state this week that he expects to be a candidate for commissioner for Prec. No. 4. His announcement will probably appear in this paper next week.

R. C. Wood Is Out Of Weigher's Race

I am withdrawing my announcement as a candidate for public weigher of precinct No. 1.

I want to thank all the people who were supporting me in this race. With good will to all, no ill feelings toward any one, and with best wishes, I am yours truly,

R. C. WOOD.

Remarkable Precedent Set For 'Depression' Times As Depositors Paid Off In Full

Pie Supper Planned At Newmoore School

A pie supper and candidate speaking will be held at Newmoore on Friday night, February 12, beginning at 7:30 in the evening. The News has been asked to state.

All candidates and other people of the county, as well, are invited to attend.

'Rass' White In New Home Race

E. O. (Rass) White is announcing this week as a candidate for public weigher of precinct No. 5, New Home.

Mr. White is a young man, 24 years of age, but is married and has one child. He is a son of J. W. White of New Home and was born and reared in Lynn county. During the past season he has been assisting at the cotton yard at New Home and is thoroughly familiar with the duties of the office. He believes that he can serve with entire satisfaction to the people of the precinct. He respectfully asks for the support of all the voters and expects to see them in person between now and the primaries.

Frank Edwards Is In Weigher's Race

Frank Edwards has authorized the News to announce that he is a candidate for public weigher of the Tahoka precinct, subject to the action of the Democratic primaries.

Mr. Edwards is a young married man who has been practically reared here and is well known to the people of the town and the precinct. He made a most creditable race for this office four years ago. He has been connected with the cotton business in some form or other most of his life, having been employed at different gins most of the time for the past few ginning seasons. He is thoroughly competent and well qualified to serve as public weigher and he declares that if he is elected he will do his best to give service. He also states that he will serve the public impartially and will have no favorites to reward nor enemies to punish. Every farmer and every gin owner will get a fair, square deal from him, he says.

He will probably not be able to see all the voters but he will appreciate their support just the same.

Singers' Meet Is Set For Feb. 14th

The Lynn County Singing Convention will meet at the Central Ward school building in Tahoka on Sunday, February 14, according to M. E. McCord, president.

The singers will convene at 10 A. M. and the session will continue until late in the afternoon. According to custom, visitors are expected to bring their lunches.

Not only are singers from all over Lynn county expected to be present but many are expected from other counties. John F. Taylor of Clovis, president of the Plateau Singing Convention, is to be here. The Plateau Convention covers about 28 counties, including Lynn county. A great convention is anticipated, Mr. McCord says, and everybody is cordially invited.

Jim Weatherford suffered a severe attack of gall-bladder trouble Wednesday.

Mrs. N. O. Parker was taken to a hospital at Lubbock Saturday for an operation.

QUIT BUSINESS LAST MONDAY

Reason Given Is That Bank Was Not Making A Profit For Its Stockholders

The Security State Bank of this city voluntarily suspended business Monday morning, sending notice to its depositors to come in and get their money. Unable to continue doing business at a profit, the bank's officials had nevertheless so managed its affairs as to be able to close its doors and return to depositors every cent of their money.

While the simple announcement was met with surprise and amazement on the part of depositors and would-be depositors as they approached the cashier's window, yet none of them have made any haste in procuring their funds on deposit in the bank. The funds of the bank are being slowly withdrawn, however, and no new deposits are being accepted. A recent statement published in this paper showed deposits of \$43,264.91 on December 31, 1931. These deposits had been reduced to about \$32,000 on last Monday, according to G. E. Lockhart, the president of the institution.

Failure during recent years to make any money for the stockholders is given by the bank officials as the reason for the closing of the institution. "We have been getting ready to close the bank since last summer", Judge Lockhart stated. It just required time and careful business management to wind up its affairs in this happy way, so as to prevent loss to the depositors, and this is one of the few instances in which such a feat has been performed in

Roy Nettles Out For County Clerk

For the first time in life, Roy O. Nettles knows how it feels to be a candidate. He is asking for the office of county clerk and his announcement appears in the News this week.

Mr. Nettles is a resident of the Lakeview community in the North-western portion of the county. He is thirty-five years of age and has a family. He has been a resident of Lynn county for the past twenty-four years, coming with his parents to this county when about 11 years of age. He attended the Tahoka High School in 1915 and Stamford College at Stamford in 1916-'17. In 1917 he enlisted in the army to serve his country and was duly discharged from the service fourteen months later. Returning from the army he spent two years in Floyd county but returned to Lynn county in 1921. For six years out of the past eight, he has been secretary of the school board at Lakeview. For nineteen years he has been a member of the church and active in its work. He is every inch a gentleman and enjoys the esteem and confidence of his neighbors. He is acquainted with many old-timers scattered over the entire county, and he counts them all as his loyal friends.

By occupation, Mr. Nettles is a "dirt farmer". He knows the problems, the disappointments, and the reverses that come to almost every farmer. His friends do not doubt but that he is well qualified to fill the position to which he aspires. He expects to make a thorough canvass of the county. However, he wishes to say now that he will appreciate the friendship and the help of every voter in the county who can see his or her way clear to give him their support. He will probably meet you and tell you so in person before the election.

NOTICE TO THE PUBLIC

Any erroneous reflection upon the
reputation or standing of any individual,
firm or corporation, that may appear
in the columns of the News, will be gladly
corrected when called to our attention.

Latest press reports are to the effect
that Al Smith will soon announce his
availability as a candidate for the
Presidency. We do not believe that he
can win the nomination. Roosevelt is too
far in the lead. The most that he can do
is to prevent the nomination of Roosevelt.
In that event, some dark horse will be
nominated, and John N. Garner of Texas
is the darkest horse we know of. Most
Texans would be delighted to have the
opportunity of voting for Garner for
President.

According to the government cotton
report recently issued, Lynn county
produced more than 50,000 bales of
cotton last year. This was done with
practically no rain in the summer. If
the crops had been as good in all
sections of the county as they were in
some sections, Lynn county would have
taken its place right along with Lamb
and Lubbock. The south plains has
rapidly developed into one of the best
cotton-producing sections of the state.

We have been too busy this week
printing cards for candidates and doing
other job work to write editorials or
even gather the news. Perhaps many
news items that should appear in the
paper are missing. When it rains it
sloshes, folks.

Roses and shrubbery should be
planted out this month, folks. Let's
help our home demonstration agent to
beautify Lynn county.

New Home

The Junior Class entertained a
few of their friends last Saturday
night at the home of their sponsor,
Mr. H. A. Harrison. Those enjoying
the occasion were: Misses Helen Lee
Armstrong, Irene Smith, Pauline
Shadden, Madge Adams, Mary Robinson,
Hazel Spikes, and Mrs. R. L. Craig;
Messrs Detrich Renfroe, R. A. Farris,
Aubrey Smith, Jack Hancock, A. E.
Cloyd Jr., A. B. Sutton, Cecil Walton,
Garland Peak, Wilmer Smith, and R. L.
Craig.

Mr. C. M. Harrison of Anton visited
his brother, Mr. H. A. Harrison, Sunday.

Mr. and Mrs. J. B. Anderson and
family visited Mr. and Mrs. Levy
Mears Sunday.

A number of the Freshman Class
and their sponsor, Mrs. Cecil Peak,
enjoyed a theatre party Friday night
of last week at Tahoka.

Work on our Washington program
is well under way. Watch for later
announcements.

Trannie Mae Bradshaw, who has
been absent due to the death of her
sister, is back in school.

Marjorie Greer, a student from
the Lakeview community, enrolled
with us this week. She is a sophomore.

Mr. J. B. Anderson is having some
work done on his house this week.
Mr. Tucker of Slaton is doing the
work.

Mr. George Hancock, who is
attending Texas Tech this term, spent
the week end with home folks.

Miss Louella Newman, a student
in Texas Tech, visited home folks
here this week end.

Mr. and Mrs. B. M. Hays, Mr. and
Mrs. Jack Link and Mr. and Mrs.
A. D. Seth of Tahoka visited in the
F. H. Hancock home Sunday.

The little son of Mr. and Mrs.
Frank Edwards is ill with diphtheria
but is better at this time.

The H. D. Club is meeting with
Mr. Joe Poindexter Thursday in an
all day meeting. We hope to have a
large representation.

Basketball

The first game of the affiliated
school schedule was played on the
New Home court Monday afternoon,
Feb. 1st, between the New Home
Leopards and the Wilson quintet.

The Leopards played a strong
defensive game and held the famous
Wilson cagers to the close score of

18 to 19 in Wilson's favor, according
to the record of the official score-
keepers.

New Home played Wells Thursday
at New Home. An extra period
was required to break a tie. New
Home rallied in this period for a
two-point lead, which gave them the
victory of 12 to 10. This was the
second defeat that the Leopards
have dealt the Wells team.

The Leopards next meet in Od-
nell and it is hoped that the boys
will bring home the victory.—Reporter.

Wells

We have been having some windy
weather out our way. We are hoping
that this has been only a part
of the March wind and not only sent
on ahead as an extra. In spite of
the inclement weather, quite a few
of the farmers are through picking
cotton and are plowing.

Miss Jewell Waldrep of Ashmore
visited her parents here over the
week end.

Miss Mabel Draper spent the week
end at Midway with her parents.

Supt. and Mrs. Guff McConal,
Miss Bill Little, and Mr. Richter
visited in the Draper home at Midway
Sunday.

Mr. and Mrs. J. J. Waldrep made
a trip to Ashmore Sunday afternoon.
The Wells Literary Society is
entertaining with a program next
Friday night. The school is giving
the program under the auspices of
the Society.

Supt. and Mrs. F. C. Thorpe of
Draw visited Mr. and Mrs. Guff
McConal Saturday evening.

Mr. Carl Richter went to Lubbock
Saturday.

The local basketball team only
had one game this week. This game
was played with New Home there. It
was a close and hard contested
affair. At the end of the last period
the score was tied 10 and 10. An
extra period was played and the
New Home boys nosed us out by a
two point margin.

Our girls played the New Home
girls at the same time and defeated
them 8 to 0. This is the third game
that our girls have played in which
the opponents failed to score. We
are about to decide that we have a
fair girls' team. The Wells starting
line-up was: Girls—Askew and
Balch, centers; Cook and Brendle,
guards; Syble Balch and Phipps,
forwards. Boys—Woodrow McLaurin,
center; Ted and Wilson McLaurin,
forwards; Bill Tucker and Joe
Waldrip, guards.

This week finds us carded with
T-Bar and O'Donnell Tuesday and
Thursday and then to the tournament
at O'Donnell Saturday.

Petty

Very little cotton in the fields
around here. Some of the farmers
have started plowing, getting ready
for another crop.

Mr. Ben Pinnell and family, who
have been in the Petty community
for the past four months, left
Monday for their home at Moran.

Johnnie Grider of Tahoka visited
Mr. and Mrs. Warren Smith last
week end.

The young people of Petty gathered
in the home of Mr. and Mrs.
Joe Jones last Friday night for a
party, which was much enjoyed by
all. Refreshments were served.

The little daughter of Mr. and Mrs.
D. C. Baker was badly burned last
Friday when a pot of boiling water
was accidentally knocked off the
stove, both feet being painfully
burned.

Mr. and Mrs. Roy Bayse are
rejoicing over a 7-pound boy who
recently came to make his home with
them. He bears the name of Dale
Edwin.

Mrs. R. B. Nowlin has been very
sick of rheumatism the past week.

Mr. and Mrs. Burnett Smith of
Anton were visitors in the Petty
community last week end.

Taylor Wyatt and Joe Jones made
a business visit to Hall county last
week.

Mr. and Mrs. Warren Smith visited
the Lumsden Ranch last Sunday.

IF YOU ARE A REGULAR CUSTOMER OF THE
LUBBOCK NURSERY

Don't Read This

During the three years since our Nursery and Experiment
Grounds was established we have tried for the first time many
new varieties, on the Plains and it doesn't sound reasonable but
we had this year not only Sweet Cherries, Plums and Peaches,
but APPLES growing on ONE YEAR TREES in our Nursery rows.

We are not only proving that fruits can be grown commercially
in our high altitude, but we are discovering the best in
Roses, Deciduous and Evergreen Ornamentals. Visit our Gardens
in the growing season and let us prove to you that if you plant
the right kind of Roses that have been budded right, grown right,
dug right, and then planted and cared for according to our
directions, you can have as fine Roses on the Plains as any other
place in the world.

IF YOU ARE NOT ALREADY OUR CUSTOMER TAKE

Miss Harrison Is Red Cross Helper

In last week's issue of the Lynn County News, I gave a list of those who assisted in canning the beaves for the Red Cross, and we grievously erred in failing to mention the name of Miss El Fleda Harrison, home demonstration agent for the county, who supervised the canning of all this beef. And we wish to publicly acknowledge this kindly assist-

ance and thank her for this help. If anyone has some lard to spare, dried beans, peas, or shelled corn to donate, we would be glad to receive it—no matter if it is just 1/4 pound. Many thanks to those who have heretofore donated. B. P. MADDOX, Chairman Red Cross, Lynn County.

PRE-SCHOOL CHILDREN MAY BE VACCINATED

Vaccinations for diphtheria and smallpox will be given children at the Central Ward school building Monday morning by the State Health Nurse, according to Supt. J. B. Pace.

The vaccination service is available to all children of pre-school age who are above two years old. Only 25c will be charged for each child vaccinated, whether it be against either one or both of the diseases. Parents are welcome to attend the vaccination.

BAPTIST HOLD WORKERS CONFERENCE TUESDAY

The Workers Conference of Brownfield Baptist Association meets this coming Tuesday morning, Feb. 9, at 10:00 A. M. in the meeting house of the First Baptist Church at Brownfield. This is the regular monthly meeting of the association.

A good program has been planned, and some of the best qualified men and women in the association are to appear on the program. It is urged that every church have a representative delegation present. The program begins at 10:00 A. M. and closes at 3:30 P. M.

Mrs. O. J. Hull and daughter, Miss Clarice, Miss Killian, Miss Jeanette Caveness, and Miss Ruth Childs spent the week end visiting relatives and friends at Simmons University, Abilene.

A. J. Mullins and family spent Sunday with relatives at Idalou.

TO THE PEOPLE OF LYNN COUNTY:

I take this method of announcing to the people of Lynn county that I am a candidate for the office of County Clerk. I am sure there will be some in this county who will not be able to vote but who will have influence in your communities, and to you I say that I especially solicit your helpful influence.

This is my first time to ask for public office. I have been in this county for eight years, and have been engaged in different kinds of work which help qualify me for the office of county clerk. I have completed a commercial course which will enable me to care for the clerical duties of the office. The above, allied with years of experience in serving the public are the qualifications upon which I base my ability to care for the duties of this office.

I have a past record with various business institutions in this county which I will be glad to have anyone investigate, if not acquainted with me at present. I ask every voter in this county to consider my candidacy, and if possible give me their vote and influence. They will be appreciated.

I will endeavor to see every voter before the primary, but should I miss one, I am asking you now for your vote.

If elected to the office of county clerk, I intend to give the people the best of service and the most courteous treatment which my past experience will enable me to give. Thanking each and every one of you in advance for the courtesy shown me, I am,
Yours for County Clerk,
BILL JONES

SHERIFF'S SALE

State of Texas, County of Lynn.

Notice is hereby given that by virtue of a certain Order of Sale issued out of the Honorable District Court of Lynn county on the 6th day of January A. D. 1932 by W. S. Taylor, clerk of said district court, for the sum of Six Hundred Twenty-six & 56/100 Dollars and costs of suit, under a judgment of said court in favor of Lee Tire & Rubber Company, of New York, Inc., in a certain cause in said Court, No. 864, and styled Lee Tire & Rubber Company, of New York, Inc., vs. N. G. Fox et al., placed in my hands for service; I, B. L. Parker, as sheriff of Lynn county, Texas, did on the 9th day of January, 1932, levy on certain real estate situated in Lynn county, Texas, described as follows, to-wit: All of Lots Five (5) and Six (6) in Block No. (14) of the Original town of Tahoka, Lynn county, Texas, and levied upon as the property of N. G. Fox and Z. D. Kemp, and that on the first Tuesday in March, 1932, the same being the first day of said month, at the Court House door of Lynn county, in the City of Tahoka, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said Order of Sale, I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said N. G. Fox and Z. D. Kemp.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News, a newspaper published in Lynn county.

Witness my hand this the Second day of February, A. D. 1932.
B. L. PARKER, Sheriff of Lynn County, Texas. 24-32c.

J. Albert Williams

J. Albert Williams, candidate for county commissioner of precinct No. 1, desires that we explain that J. Albert Williams and J. A. Williams are the same and identical person. Through an error in this office both names appeared in one issue of this

paper as candidate for commissioner of that precinct. Mr. Williams is principal of the school at Joe Bailey. We trust that no injury was done by reason of the fact that his name appeared in our announcement column in both forms.

ACID STOMACH

EXCESS acid is the common cause of indigestion. It results in pain and sourness about two hours after eating. The quick corrective is an alkali which neutralizes acid. The best corrective is Phillips' Milk of Magnesia. It has remained standard with physicians in the 50 years since its invention.

One spoonful of Phillips' Milk of Magnesia neutralizes instantly many times its volume in acid. Harmless and tasteless, and yet its action is quick. You will never rely on crude methods, once you learn how quickly this method acts. Be sure to get the genuine.

The ideal dentifrice for clean teeth and healthy gums is Phillips' Dental Magnesia, a superior tooth-paste that safeguards against acid-mouth.

Peanuts Do Well Here, Renfro Says

P. H. Renfro, early day rancher and now a landowner, reports one of his tenants named McWilliams, has had a splendid yield of peanuts from 50 acres and that he plans to have McWilliams increase the acreage to 100. The two men live in the New Home community.

"Mac has not thrashed the crop yet, but he has about 1,500 bushels," Mr. Renfro said. "They are the small kind, those used by people who make peanut butter, oil and those things." "I am told that this year the price is 60 cents a bushel. That will bring more money than cotton per acre. Besides there is the peanut hay. I am going to get some sows and gills and try feeding them the hay."

During 1931 there were repatriated 175,000 Mexicans from the United States, the overwhelming majority of them from Texas. Some close observers believe that as a result Texas has fewer residents now than when the census was taken in 1930, for the repatriation movement began early in 1930. The circumstances will bring to the mind of many Texans the necessity for their State doing something to provide employment in Texas to continue its growth, and the consensus of opinion among thoughtful Texans who have studied the situation is that industrial development of the State is the only method at hand.

NATION'S FINANCE STANDS TEST WELL

Economic Policy Commission of Bankers' Association Points Out How 22,000 Banks Protect Public Interest

OVER 22,000 banks all over the United States are "quietly and efficiently serving their communities, helping tide many business enterprises over their difficulties, helping many concerns to earn money, helping create the economic activities that mean payrolls and spending power in their zones of influence, and faithfully keeping guard over the working capital and savings funds of their depositors," the Economic Policy Commission of the American Bankers Association says in a recent survey, adding:

"It surely stands strikingly to the credit of the banking profession that, during a period of unparalleled international economic depression, this vast majority of bankers have so competently, so courageously and so successfully met their difficulties and obligations. The effects of the drought, the demoralization of agriculture, the stagnation of industry, the breakdown of trade, the inability of so many heretofore desirable customers to meet their obligations to the banks, the impairment of public confidence by mob-scares and false rumors resulting in unreasoning runs, the abnormal depreciation of quoted security values even in the most wisely conceived investment accounts, the utter collapse of real estate values—all these things have occurred on a nationwide and worldwide scale with unprecedented severity.

"The effects of every one of them have assailed the banks with destructive forces because they are of the very essence of a bank's economic substance. Yet, as we have shown, the great bulk of our banking deposits has been protected without harm, and our banks in a vast majority have continued to serve, support and strengthen their customers and their communities with unflagging and unconquered devotion."

WOULD ALTER OUR FINANCIAL HABITS

By ROME C. STEPHENSON
Former President American Bankers Association

THE most constructive action that can be taken toward bringing about greater stability in our business

life is the development of a more balanced attitude in the minds of all of our people in regard to the right relationship between saving and spending. There is more practical, workable economics in the sentence: *Save during prosperity so as to be able to spend during depression*: than in a whole library full of charts and tables and books on political economy.

I do not believe it is an impracticable dream to bring about an era of more intelligent saving and spending on the part of our people. It is not impossible to change the habits of the population. It has been done in many lines. The habits of our people have been improved and the health of the nation promoted in many ways by consistent programs of advertising and education that have brought about better hygienic understanding and practices.

The medical profession has virtually banished the scourge of some diseases by persistent, intelligent campaigns of preventive sanitary measures and inoculations, requiring new understandings, new habits among many millions of our people. Also a large part of this evolution of public health improvement has naturally developed through the intelligent advertising of many products that have to do with bodily care. I refer to the manufacturers and distributors of such things as more healthful shoes, more effective toothbrushes, food products with more wholesome values of nutrition and countless other practical ideas that have become commonplace of our daily business life, and that have become a part, too, of the very texture of the personal habits and health of great masses of our people.

If it has been good advertising and good business for so many of our national producers to spend millions of dollars thus to inculcate new habits of personal hygiene and personal care, is it not good business and good advertising for our banking interests to lay similar stress during the next period of prosperity upon better financial habits and customs of our people?

Bankers above all are interested in stable, wholesome business. They have much to gain by a state of sound financial health among the people, and most to lose by epidemics of economic maladies such as have swept the country during the past two years.

The man who has in better times been favored with too much credit rather than not enough is finding it is hard to pay his interest now with low prices for his products or labor.

WHAT OTHERS THINK

POTASH DEVELOPMENT

It is regarded as only a question of time when the extensive potash deposits which are known to underlie large areas of land owned by The University of Texas in several counties southwest of Lubbock will be exploited for commercial purposes. The location of these deposits has been pretty well defined by means of cores obtained in drilling test wells for oil. In both richness of content and depth beneath the surface some of these potash beds are said to offer possibilities of being easily workable—more so than those in Alsace-Lorraine and Spain, it has been declared by men familiar with the industry.

The reported successful mining operations of the United States Potash Company near Loving, N. M., are attracting attention of investors, and more than two million acres of potash-bearing public lands in that state have been recently leased. This leasing activity has not yet extended into Texas where potash beds extend north and south for more than two hundred miles and have a width of approximately one hundred miles, according to scientific reports, but it is expected that with the improvement of economic conditions of the country there will be much activity along these lines.

The New Mexico Potash Company has already shipped more than fifty thousand tons of potash from its New Mexico mine to Eastern markets, principally to Baltimore. It is

preparing to sink a second shaft to a depth of 1,200 feet, and when this improvement is completed the production of potash will be increased. The company constructed a narrow gauge railroad from a point on the Pecos Valley division of the Atchison, Topeka & Santa Fe to its mine and will soon begin the erection of a refinery.

Another late development of the industry was the leasing of so-called potash lakes in Lynn County, our neighbor to the south, by financial interests which plan to extract potash from the brackish water by means of evaporation. The extraction plant will be located at Tahoka. A few years ago test holes were drilled in the bed of some of these dry lakes in that county and the cores showed an average potash content of more than 12 per cent from the surface to a depth of more than 200 feet.—Lubbock Avalanche.

Mrs. John Evans returned Tuesday night from a few weeks visit with her mother at Crowley, who has been quite sick.

Development of the famous kaolin deposits in Real county is brought appreciably nearer by the announcement that the Texas Rock Asphalt Co., San Antonio, will mine the deposit enough to make shipments to porcelain factories in other sections of the United States. If the work proves profitable, further developments in the way of using the kaolin closer home are probable.

Wilson

There is quite a lot of sickness in the Wilson community. Mr. Clyde Shaw, Jyles and Jerene, son and daughter, have had severe cases of "flu" for several days. J. W. Partain has just gone through a seige of the same trouble and Floyd Heck was quite ill over the week end and it was reported that he had a nice case of the measles. The diphtheria cases that were reported last week are reported as being all right. Quite an epidemic of "stittis" seems to have broken out recently.

The churches report good services with good attendance for last Sunday. There were 88 in Sunday School at the Baptist Church, a splendid attendance in B. Y. P. U., and both evening and morning services had larger attendance with greater interest than there has been for some time.

W. B. Corley states that his child who had diphtheria last week was getting along fine but a new case had developed in his home the first of the week.

Mrs. H. B. Crosby, who underwent a major operation several days ago, is improving very fast and if nothing unforeseen turns up she will be able to be with us again in ten or twelve days.

Rev. Floyd Dawson and family, recently of Los Angeles, Calif., arrived in Wilson last Thursday for a few days visit to friends and relatives. They expect to locate at Lubbock where they plan to take charge of the Four Square Gospel work. Rev. Dawson is the son of Mrs. Fannie Dawson of this place.

The little son of Mr. and Mrs. Jim Bivins, who reside northwest of town, passed away Monday afternoon and was buried in the local cemetery immediately after funeral services at the Methodist church, Rev. Thurston officiating.

Jackson West had an accident Monday which came very near proving fatal. He was driving a four mule team to a three row stalk cutter when by some reason the team ran away throwing Jackson under the cutter. He suffered several severe bruises and a number of cuts. Late reports are to the effect that he is doing nicely.

Miss Lela Day was a week end visitor in Lubbock.

Miss Mattie Pearl Jones of Tahoka returned home Tuesday after having spent several days with friends in and near our city.

Mr. and Mrs. W. C. Huffaker and Miss Evva Faye Huffaker spent Sunday with Mr. and Mrs. Jim Johnson of Lubbock. Mrs. Johnson and Miss Huffaker are sisters.

Mrs. J. A. Hobbs and son, Bernice, were business visitors in Tahoka Tuesday.

Quite a number of our Wilson citizens were attending county court Tuesday.

Mr. and Mrs. A. L. King of Lubbock and Mrs. Noel Stonaker of Amarillo were dinner guests in the Thurston home Sunday.

Mrs. Fannie Dawson was on the sick list last week end.

Mr. E. E. Key of Tahoka conducted the mid-week prayer service at the Baptist church last Wednesday evening. A good crowd was present and all enjoyed the splendid talk.

Mr. O. B. Davis was a Sunday visitor in the home of Mr. and Mrs. Jim Johnson of Lubbock.

The monthly meeting of the P. T. A. met at the school building Wednesday. A very splendid attendance and a fine program was reported.

Mrs. Eva McCormick and sons, Loyd and Kenneth, and daughter, Edith and Gaynell, accompanied by Loyd R. McCormick of New Home, left Sunday morning for Oklahoma to attend the funeral of Grandfather Jones, who had passed away last Saturday night at the age of 97 years. Grandfather Jones was father of C. C. McCormick's mother.

Basketball
Last Friday night the Wilson high school boys went to Brownfield and won a game to the tune of 18 to 14. It was a very close game all the way. Jyles Shaw was not able to play, so the team-work of the Wilson boys was not so good. All the boys played good defensive ball. Spruill and Crumley, two substitutes, played well.

Tuesday of this week, Wilson went to New Home and won 18 to 20 in a county championship game. Wilson had a good lead up until the last few minutes when the New Home boys rallied and came very near winning the game. New Home has a good team this year. Shaw and Partin, two regulars, were out of the game and their loss was keenly felt. Key played a good defensive game, and Olen Crews scored 11 points for high point honors. Wilson plays in O'Donnell Saturday.

Morgan

Mrs. Lela Morris and family of Spur visited her sister, Mrs. W. F. Lancaster, last Sunday.

The money that was made in the social given in the school building last Friday night will be used to help seat the auditorium. We surely do thank the ones who were so nice to help us from Tahoka, Southland, Wilson, Slaton, and other places.

Wilda Faye, the little daughter of Mr. and Mrs. Clint Childress, has been very sick with scarlet fever.

Mrs. R. A. Collings spent last week with her daughter, Mrs. S. T. Evans of Southland.

Misses Hull and Killiam spent the week end in Abilene visiting with Miss Doris Hull.

Mr. Privel's family of Hackberry is moving on the place recently vacated by Mr. and Mrs. Purnell.

Mr. and Mrs. O. Blevins visited with P. A. Cato Sunday.

Mr. and Mrs. Ed. Milliken and Ralph visited Don Ponton Milliken near Brownfield last week.

Miss Babe Deaver of Anton is spending a few days with Miss Louise Hardin.

Our junior basketball team played Lynn Friday, Morgan winning 8 to 5. We don't have a Senior team. Mr. Townsend and Cliff Weaver with the juniors played Lynn's seniors. The score was 7 to 8 in Lynn's favor.—Reporter.

Y. W. A.'s GIVE PROGRAM AT BROWNFIELD MONDAY

About twenty members of the Y. W. A. of the local Baptist Church, accompanied by Rev. and Mrs. Hull, Mrs. H. P. Caveness, and Mrs. Taylor White, went over to Brownfield Monday night and rendered a program in the Baptist Church there.

The purpose of the visit was to acquaint the young women of the Brownfield church with the work of the Y. W. A. to the end that a like organization might be effected there soon.

The program was varied, some ten or twelve of the local members having parts on it. It consisted chiefly of talks and music. Mrs. Hull was leader and directed the program.

Following the program, a social hour was enjoyed and refreshments were served by the Brownfield young people. The Tahoka visitors declare that it was a most enjoyable occasion.

DONALDSON'S TRUCK IS OVER-TURNED AT ROSCOE

Mr. and Mrs. Charles Donaldson of Tahoka had the misfortune of turning their truck over on highway No. 7 just out of Roscoe Tuesday night. They were enroute to Corpus Christi to spend a few months. They came into town and spent Tuesday night and Wednesday with Mr. Donaldson's uncle, Mr. J. W. McCauley.

There was no one hurt and small damage done to the truck and its contents.—Roscoe Times.

A. R. McGonagill reports that a daughter was born to Mr. and Mrs. N. E. McKee, tenants on his farm, on Monday night. Mr. McGonagill declares that McKee was so enthused that Tuesday-afternoon he was still running around in a circle. All he could get out of the proud father as to the weight of the little Miss was that she weighed something between eight and thirty pounds.

PAINS QUIT COMING

"When I was a girl, I suffered periodically with terrible pains in my back and sides. Often I would bend almost double with the intense pain. This would last for hours and I could get no relief.

"I tried almost everything that was recommended to me, but found nothing that would help until I began taking Cardui. My mother thought it would be good for me, so she got a bottle of Cardui and started me taking it. I soon improved. The bad spells quit coming. I was soon in normal health."

Socials Held At Methodist Church

Last Wednesday night was the occasion for the Methodists' regular mid-week service which once a month is converted into a social meeting. About forty were present to enjoy the refreshments of delicious sandwiches and coffee and the splendid program which was in charge of lay-leader John Thomas, with an assisting committee.

Well-chosen talks were made by Mrs. R. W. Fenton, who was a most capable "pinch-hitter" for an absentee speaker; Rev. Smith, who made the introductory address; Robert Reid, Young People's Superintendent who spoke on the church school; and Condy Carmack, who gave a varied treatise on the layman in the church. The purely entertainment features of the program were contributed by some of the talented younger "laymen" and consisted of a piano solo by Miss Marjory Wells, clever readings by Betty Ruth Wyatt and Patricia Mae Hill, a vocal solo by Dorothy Lee Carmack, and a male trio sung by Messrs. Clifton and Johnnie Janak and Frank Sargent. All the entertainers generously responded to encores and all were thoroughly enjoyed.

Seldom is a local congregation privileged to hear a more impressive sermon than the one delivered by Rev. Smith Sunday morning, dealing with the unflinching practicality of the Christian's gospel. His theme was developed from the text uttered by Paul: "I am not ashamed of the gospel of Christ." Frank Sargent sang a simple solo in his usual pleasing manner and J. N. Thomas conducted the opening. The services for the day began with the prelude "Consolation by Mendelssohn and next Sunday a xylophone solo will be featured after the playing of Morrison's "Meditation" as a call to worship.

At the evening hour, in harmony with the church program of education, Rev. Smith began a discussion of the current text—"Methodism and World Need"—but, far from giving a dry, statistical recitation of facts and figures, he brought a stirring, gripping message of altruism, and world-brotherhood very pertinently dealing with conditions in the Korea, China and Japan of today.

Will you hear him next Sunday night? We want 250 in the church next Sunday school hour: 9:45 A. M., February 7. Will you BE one and BRING one?—Reporter.

M. M. REDWINE DIED ON LAST THURSDAY

(Cont'd. from first page)

of Mrs. Bishop. She went to him immediately, but he was dead. She hurriedly summoned a physician but of course nothing could be done.

Mr. Redwine had been a resident of Lynn county for 27 years and of Tahoka for 19 years. Born at Dalton, Georgia, May 6, 1847, he served two years in the Confederate army and hence was one of the last survivors of the "Lost Cause". Removing to Clark county, Arkansas, he was married to Joie Ann Gates in that county and state in 1869. He removed to Texas in 1881 and to Lynn county in November, 1904. He and family settled on the farm on which the Redwine school house now stands. He and family removed to Tahoka in 1912 and he continued to reside here until the time of his death. He united with the Methodist Church in 1877 and for fifty-four years had been a devout and loyal member of that church. He was a devoted husband, a loving father, a faithful Christian, a loyal friend, and a worthy citizen. Of a genial disposition, he was jolly up to the very minute of his death. He was everybody's friend and everybody loved "Uncle Mike".

He was the father of seven children, four sons and three daughters. Two of the sons are dead. One died when quite young. The other, Ben Redwine, died in October, 1922, and his remains lie buried in the Tahoka cemetery. The five living children are Mrs. Nora Cox of Lubbock, Mrs. Luella Bishop of Wilson, F. E. Redwine of Tahoka, Mrs. Effie Stice of Lorenzo, and J. M. Redwine of Hereford. All of these were present at the funeral. Other out-of-town relatives here for the funeral were his brother, S. J. Redwine, and his wife and daughter, Miss Eunice Redwine, of Haskell; Ben Cox of Lubbock; Mr. and Mrs. Robert Waldrip and son, Earl Lee, of Lamesa; and John Black of Brownfield. All the relatives residing in Lynn county were also here.

A great concourse of friends and relatives followed the remains to the cemetery, and the following acted as pall-bearers: A. L. Lockwood, R. C. Wood, W. S. Swan, C. A. Thomas, W. J. Montgomery, and J. E. Ketcher.

SECURITY STATE BANK CLOSES; PAYS DEPOSITORS

(Cont'd. from first page)

all the banking history of Texas.

W. C. Wells, the acting vice-president, is due much of the credit for the successful manner in which the affairs of the bank have been managed. He has been appointed trustee to collect outstanding notes and wind up the business of the institution. Practically all of the loans are good and are collectible, the bank officials state. The loans amounted to \$36,371.09 on December 31, according to the bank's recently published statement.

The Security State Bank was established in 1916. Judge G. E. Lockhart, a resident of Tahoka for many years and a prominent attorney, now residing in Lubbock, has been president of the bank since 1925. He owns \$23,000 of the \$25,000 capital stock. W. C. Wells has been active vice president for the past few years and Carl Griffing cashier. Both of these are popular citizens and good business men, but due to the general depression and to local conditions they found it impossible to make the business of the bank profitable. The people here generally regret that the officials found it desirable to close the institution but are congratulating the officials upon the successful manner in which its affairs are being closed.

The board of directors of the bank is composed of the following gentlemen: G. E. Lockhart, W. C. Wells, Carl Griffing, B. P. Maddox, and Jess Lockhart. Tahoka will continue to be served by The First National Bank, one of the oldest and strongest banking institutions outside of Lubbock on all the South Plains.

O'DONNELL CO-OP OFFICE HAS HANDLED 5,500 BALES

O'Donnell — Approximately 5,500 bales of cotton from the 1931 crop in the territory around O'Donnell have been handled by the local office of the Texas Cotton Cooperative Association, says C. N. Hoffman, branch manager and cotton classifier. Last year—the office handled around 2,800 bales.

W. D. Haney and A. J. Parker, prominent citizens of Roscoe, were visitors in Tahoka last Friday. Mr. Haney is father of L. C. Haney of this city.

LYNN COUNTY HAS GINNED 50,000 BALES OF 1931 CROP

(Cont'd. from first page)

Terry 31,752
 Wheeler 27,831
 Wilbarger 47,314

It will be noted that five of the above counties have already exceeded 50,000 bales. While Lynn county showed a little less than 50,000 bales ginned prior to January 16, it has certainly passed that number now, thus making six West Texas counties in the 50,000 class.

There are twenty other counties in Texas that have exceeded this mark. Ellis county leads the state again this year, with Williamson coming second and Collin third. McLennan slightly leads Nueces for fourth place. The figures for these twenty counties are as follows:

Bell 66,611
 Collin 102,648
 Dallas 51,826
 Ellis 126,781
 Falls 80,067
 Fannin 89,684
 Fort Bend 75,718
 Grayson 63,689
 Hill 97,294
 Hunt 89,272
 Kaufman 74,006
 Lamar 74,445
 Limestone 62,346
 McLennan 92,972
 Milam 89,371
 Navarro 88,513
 Nueces 92,170
 Wharton 71,158

San Patricio 61,848
 Williamson 105,061
 The total ginnings for the state amounted to 4,949,408 bales as compared with 3,854,274 for the year 1930.
