WOMEN'S CLUBS HONOR COURT

County Officials Told Of H. D. Club Work At Dinner Of Lynn County Products

Miss El Fieda Harrison, county home demonstration agent, was honored Monday at noon at a luncheon served by the local home demonstration club at the American Legion Hall.

Mrs. Rafe Richardson, chairman of the local club, presided, and representatives of various clubs in the county had places on the program. County Judge G. C. Grider and Messrs. Elton George, Bob Finley, and Waldo McLaurin of the commissioners court, County Clerk Truett Smith, Judge C. H. Cain, formerly county judge, K. C. Holmes, commander of the American Legion, Mrs. E. E. Callaway, president of the Phebe K. Warner Club, and the editor were invited guests.

The luncheon was prepared almost exclusively from Lynn county products produced by members of the clubs. The sugar, coffee and flour were about the only imported articles of food.

Mrs. R. L. Littlepage of the Midway club was called upon to make a report of her living room improvement work, she having won the prize last year for the greatest improvement of her living room. Her account of the way she fitted up her living room out of comparatively inexpensive materials was most interesting. The result is a nicely furnished, most

(Cont'd. on last page)

Truett Smith For County Attorney

Truett Smith has cantered out on the race track and is already running for county attorney. It is a solo race, however, thus far and will probably be such to the end.

Mr. Smith procured his license to practice law just last week. During the four years that he has been serving as county clerk he has been using his spare time in the study of law. A couple of months ago he went down to Austin and passed the examination in nearly all the required subjects. He went back last week and finished the job; and although the examining board makes these examinations very rigid, Truett passed them with many points to spare.

Having done several years of college work and being possessed of a brilliant intellect, his friends are predicting a most successful career for him as an attorney. Naturally, he has had no actual experience as yet in the practice of his profession but his experience as county clerk has thoroughly acquainted him with legal procedure and he should feel at home from the start in the court room.

Affable and courteous in an unusual degree, Truett has made hosts of friends during the four years that he has been serving as county clerk and they will be delighted to vote the promotion which he now seeks. If elected county attorney, he promises to do his full duty as he sees it and to serve to the limit of his capacity.

School Children Are Vaccinated

The first "shots" for immunization of the school children against diphtheria were given at the Central Ward school building Monday by Dr. L. E. Turrentine, city health officer, and Dr. C. B. Townes, assisted by Miss Myrtle Setser, district health nurse. The second and last "shot" for diphtheria will be given 21 days after the date of the first shot. Pupils will be vaccinated against smallpox at this time also.

About 150 pupils will be immunized and vaccinated, according to Superintendent J. B. Pace. "The school appreciates the services of these physicians in giving their time and services free of charge in this work," Mr. Pace stated.

Mr. and Mrs. Bryan Hull have been here visiting their parents, Rev. and Mrs. O. J. Hull. Mr. Hull is employed by the Sinclair Oil Company and his headquarters are in Amarillo.

Springlike Weather Here Past Few Days

Springlike temperatures have prevailed here most of the time since February was ushered in. Especially has it been unseasonably warm for the past week. The beautiful weather has been punctuated by a number of sandstorms, however, followed in each instance by almost perfect days. No rain nor snow has fallen for several weeks.

MAKE GEODETIC SURVEY HERE

Twenty-Four Government Men Are About To Complete Work In This County

Many people have been wondering what means all these towers and the lights that emanate from them by night, erected at various points in the county recently.

For the information of our readers, we sought out some of the members of the crew responsible for these strange maneuvers and found out that Uncle Sam is making a geodetic survey of this section of the country. There are twenty-four members of the crew. The work in Lynn county is just about finished now and most of the men have gone further south. The territory that this crew is surveying extends from Amarillo almost to Del Rio.

The purpose of the survey is to determine the latitude and longitude of the various points where the movable towers were erected. Permanent monuments are erected at these points, and from the records sent to Washington, the exact elevation of the various points is also figured. The employment of lights in procuring the proper data is necessary and therefore the work is done at night. The monuments are being placed at intervals of about ten miles, there being two strings of them left in this county.

Farm Special Is Coming April 5

The Santa Fe Farm and Home Special, operated by the Santa Fe Railroad with the Texas A. & M. College cooperating, will visit Tahoka on Tuesday, April 5. The train will carry numerous specially prepared exhibits expected to attract much interest at each of 147 stops to be made on a 45-day tour beginning on February 15 at Navasota and ending at Snyder April 6.

Exhibits of the nine car train will include the famous 4-H pantry and its relation to the importance of living at home, contrast between good and poor turkey production, how to produce healthy baby chicks, hooked and braided rugs and how they are made, the many uses of cotton in clothing, simple ways of beautifying the farm yard, gift packages farm women are making at home for sale, modern methods of killing, curing and canning pork at home, exhibits stressing important points in growing cotton, grain sorghums and pastures and in the production of dairy products, sheep and goats.

J. F. Jarrell, manager of agricultural development of the railway, will have general charge of the train, assisted by other officials of the railway. Personnel for the first week of the itinerary announced by the college includes: H. H. Williamson, vice-director; Miss Gertrude Blodgett, district home demonstration agent; A. W. Buchanan, district agent; E. R. Eudaly, dairy specialist; A. L. Smith, animal husbandman, all of the Extension Service; Miss Mamie Lister, head home economics department, Sam Houston State Teachers College; Miss Edna Wilkin, head home economics department, East Texas Chamber of Commerce; C. W. Simmons, farm forester, Texas Forest Service. Electrical exhibit will be in charge of S. D. Snyder of Bryan.

Wetzel For Commissioner

Pete Wetzel, who resides out at New Lynn, has asked us to state that his announcement as a candidate for commissioner of Precinct No. 1 will appear next week. He came in just a few hours too late this week for his announcement to appear in this issue.

Cooperation Of School Board And Tax-Payers Is Asked By Caviness

(By H. P. CAVINESS, Co. Supt.)

At this time of unprecedented depression, when among many of us there is a struggle to make a living and possibly to hold together some fragments of property which represent our savings through past life, it is important that we view matters in their proper values and relations. Never before have so many people found it difficult, or impossible, to pay taxes. School taxes, generally, are very high considered in terms of present day values. There are some no doubt who, by making some sacrifices, might pay their school taxes, but who are debating in their minds whether to pay or not.

The very foundations of our government rest upon the enlightenment of our people. The founders of our government and the great statesmen of every age have recognized the fact that for a Democracy to succeed the people must be educated. Our forefathers made great sacrifices for the cause of education. We are now called upon to emulate their worthy example by doing all we can to maintain the efficiency of our schools.

Louie Weathers In Clerk's Race

The News this week presents the name of Louie Weathers as a candidate for county clerk.

Mr. Weathers is one of Tahoka's finest young business men. For a number of years he has been a valued employee of the First National Bank of this city. He is a member of one of the most estimable families of the county. His parents, Mr. and Mrs. E. N. Weathers, with their family, moved to Tahoka in 1907, when Louie was a small boy. No better people ever lived here than these two wonderful characters. They instilled into the mind and soul of young Louie those principles of right and devotion to duty that characterize his life. He attended his first school in Tahoka and went on through all the grades until he finished high school. Educationally,

(Cont'd. on last page)

Brownfield Holds Workers' Meeting

Rev. and Mrs. O. J. Hull, Mrs. C. Barnes, Mrs. Ollie Johnson, Rev. D. D. Johnson, R. E. Key, and the editor attended a workers' conference of the Brownfield Baptist Association held in Brownfield Tuesday.

While the attendance was much smaller than usual, yet a splendid program was rendered. Most of the members on the program dealt with the campaign now on in the interest of Baylor College, Belton. An effort is being made throughout Texas to raise \$500,000.00 for this institution, half of which is to be applied on debts and half to be used as an endowment fund. Baylor is the largest denominational school for women in the South.

The next meeting of the conference will be held with Central Baptist Church twelve miles east of Tahoka. Lunch for the visitors will be provided by the women of the Central Church and nobody will be expected to bring lunch, the Conference deciding to return to the old method of entertainment.

LEGION AUXILIARY PLANS SPECIAL PROGRAM TODAY

The American Legion Auxiliary is to have a special program at the Legion Home tonight, Thursday, at 7:30 o'clock. Every woman or girl in Lynn county who is eligible is requested to be present.

The program follows: Song—America. Vice President's Address—Mrs. M. C. Finch. Piano solo—Mrs. K. C. Holmes. Talks: Membership, Mrs. A. M. Cade; rehabilitation, Mrs. W. E. Smith; Legislation, Mrs. J. O. Patterson; Americanism and National defense, Mrs. J. E. Dye; child welfare, Mrs. R. E. Richardson; Fideo, Mrs. M. C. Finch; community service, Mrs. C. W. Conway. Music and refreshments.

Noel Cooper Has Calf Without Tail

Noel Cooper has a calf out at his place that is a freak in one respect. It was born without any tail. It doesn't have even a ghost of a sign of a tail. It is now two or three months old and appears to be perfectly normal in every other respect. We are going to feel sorry for that calf in fly time.

R. M. REDDING PASSES AWAY

Veteran of Civil War, Was One Of Oldest People In County; Buried At Merkel

R. M. (Grandpa) Redding, 93, died at the home of his son, R. T. Redding, of the South Ward community Wednesday morning, February 3. The body was carried to Merkel, the former family home, for burial. Rev. King, pastor of the First Baptist Church at Merkel, conducted the services. Interment was in the Merkel cemetery.

Mr. Redding was born in Mississippi April 28, 1838. He was married to Miss Sallie Williams in 1862 and the couple moved to Texas. During the Civil War he enlisted in the army of the Confederacy. Mrs. Redding preceded him in death eighteen years ago.

Mr. Redding was probably the oldest man in Lynn county at the time of his death. Though he was not generally known over the county, he was much loved by those who did come in contact with his life, and he was highly respected as a model citizen.

Surviving children are: Mrs. Will Chestney, Electra; P. T. Redding, Tahoka; Bob Redding, Fort Worth; Mrs. R. P. Jefferies, Abilene; Pete Redding, Baird; and Mrs. J. S. King, Fort Worth.

Special Music At Methodist Church

While the local Methodists always appreciate their loyal musical force, the offerings last Sunday were particularly enjoyable. At the church school opening Miss Mabel Lee offered a most pleasing novelty in a xylophone solo. A medley of familiar hymns was wrought out in beautiful bell-like melody and everyone considered it a rare treat. It also delighted the Young People's Dept., where it was repeated during their assembly period.

A mixed quartet was very nicely rendered at the church hour—Dr. C. B. Townes and Mrs. Ghadya Carmack, solo leads, and Messrs. Clyde and Frank Sargent, and at the close of the inspiring sermon on "The Just shall live by faith", Mrs. Hans Tunnell sang a special arrangement of the poem: "T is by the faith of joys to come". Layman C. O. Carmack presided at the opening hour.

The mid-week service was not hampered in the least by the inclement weather. The "quality" of the service more than made up for the "quantity" (lacking) in attendance. J. N. Thomas read the 34th Psalm and made unusually fine comments which almost amounted to a real sermon. Every member of the church should avail themselves of the privilege of being in the midweek prayer meeting. It is most worth while!

NEW HOME CLUB WILL HAVE PROGRAM FEB. 18

Thursday night February 18, the New Home Demonstration Club will have a program honoring the bi-centennial birthday of George Washington. The program will consist of a sketch of the life of Washington by Mr. L. R. McCormick, a one-act play entitled "When Martha and George Returned", a reading by Mrs. Acie Bailey and a short three-act play entitled "Squire Stewart's Iron Will".

The characters in the play "When Martha and George Returned" will be played by Mr. and Mrs. W. B. Hampton, Mrs. Henry Heck and Isabel Adams. The other play will be presented by Meses Joe Poindexter, R. Q. Adams, Loyd McCormick, L. H. Moore, P. W. Goad, Acie Bailey, Cecil Bradshaw, and W. B. Hampton. This program is free to the public and we are expecting a large crowd to be present.

J. W. Brown of Goldthwaite has accepted a job here as foreman of the Snowden Chevrolet Company repair shop.

OPEN DISTRICT COURT MONDAY

Heaviest Docket in County's History Set For Trial This Term Of Court Here

An inspection of the docket shows that there are 40 criminal cases and 51 civil cases awaiting trial at the coming term of the district court, which begins next Monday.

Among these are three murder cases, but two of them have been on the docket several years, have each been tried and the judgments reversed by the court of criminal appeals, and it is not thought probable that they will be tried again. These are the Adlee Roberts and the Mrs. Mollie Turner cases. The third murder case is that of Mrs. Ola Redman, charged with the killing of Howard Chase in this county last spring.

There is also one rape case on the docket to be tried. There are still other cases that are expected to attract more than usual attention if they should come to trial.

Most of the criminal docket had to be continued at the last term of court, which accounts for the heavy docket pending.

The grand jury will be empaneled Monday morning and it is probable that this body will return a number of additional indictments into court. It seems possible that a special term of the court may become necessary to clean up the docket unless extraordinary progress is made at the approaching regular term.

Lit Moore Enters Precinct 4 Race

L. H. (Lit) Moore has this week added his name to our list of candidates. You will find him listed in our announcement column this week as a candidate for county commissioner from Precinct No. 4, New Home.

Mr. Moore says that this is his first experience on the political race track. He has never before run for anything. It is true he has been elected and has served several terms as school trustee both at T-Bar and at Lakeview, but since there is no salary attached to such an office he made no campaign for the job at either place. He expects to do some real hustling for election to the office which he now seeks, however. He believes that he can render some real service to his precinct and to the county. "I have no promise to make except that I will render the very best service of which I am capable," he told the News man Monday. "You might state also that if I am elected I will try to be conservative at all times," he said further, "and I would appreciate a full investigation of my qualifications and of my private life by any one".

Mr. Moore has been a highly respected citizen of this county for more than sixteen years. He came to the county from Rannels county community. In 1925 he removed to in 1915, settling first in the T-Bar his present home, situated about six or seven miles northwest of New Home. He has always been progressive and successful as a farmer and citizen and belongs to that class which was designated many centuries ago as the "salt of the earth". He will appreciate your active support throughout the contest.

Diphtheria In County, Report

Dr. E. E. Callaway, county health officer, reports that a number of diphtheria cases have developed in different localities in the county. It is hoped that no other cases will develop but parents are warned against a possible outbreak of this dreaded disease and it is suggested that they have their children immunized against it.

Some cases of small pox have also been reported.

A. R. McGonagill reports that he found \$9.00 in currency on the streets recently. Three different men reported to him that they had lost some money but none of the three accurately described the money that he had found. One of them almost did so, however, and so he turned the money over to this claimant.

THE DOLLARS YOU SPEND WITH HOME FOLKS ARE AN INVESTMENT IN COMMUNITY SERVICE

Wilson

A number of new cases of "flu" have been reported but diphtheria seems to be on the decline. No serious cases of any kind of sickness have been reported so far this week except J. W. Partin Jr., who has been confined to his bed for several days and on Monday was taken to a specialist at Lubbock.

Fire consumed the home of Clyde Jones last Thursday night about twelve o'clock. The house was vacant and had been since he moved his family to Tahoka several weeks ago. The cause of the fire is unknown.

Mrs. A. N. Hughes returned home last Friday from Rochelle, where she has been visiting her sister, Mrs. Josie Oldham, since last September.

Misses Pearl Forrester, and Delma Martin of Sparenburg paid Miss Pearl's mother a short visit Saturday evening.

The Community Players of Lubbock put on a fine play at the school house Friday night which was greatly enjoyed by a good sized audience. The title of the play was "This Modern Age".

On Feb. 3rd the Wilson P. T. A. met in regular session. In the absence of Mrs. H. B. Crosby, president, Mrs. A. I. Faubion presided. A volunteer play was presented by Miss Huffaker's room and a dialogue was given by Miss Cook's room. A reading by Nelda White. After this Miss Huffaker directed games appropriate for February. The fifth and sixth grade room received a picture for having the greatest number of parents present.

Little Misses Ada Carroll Kinnard and Ellierine Schucknecht were reported Wednesday morning as having diphtheria.

Rev. Floyd Dawson conducted the mid-week prayer service at the Baptist church last Wednesday night.

Little Fred, the nine months old son of Rev. and Mrs. Dawson, happened to quite a painful accident last Thursday when he rolled off a dayport striking his head against a nail that had been driven through a board. The nail sank deeply into the flesh on the child's head.

Mr. and Mrs. Bass Baker and Mr. and Mrs. Edwin May were visitors in Fort Worth last week end. Messrs. Baker and May took two truck loads of sheep to market and the ladies accompanied them.

Rev. C. N. Roth left for South Texas Tuesday night, having received a wire that his father was dangerously ill.

A good sized delegation from the Wilson Baptist Church attended the workers council at Brownfield Tuesday.

Rev. and Mrs. Dawson conducted chapel service at school Monday.

Misses Mattie Pearl and Maxine Jones of Tahoka visited friends in Wilson over the week end.

Mr. and Mrs. Clyde Shaw were called to Slaton last week end on account of sickness in the home of some of their kinfolk.

Born—To Mr. and Mrs. R. B. Milliken, a fine boy. The young fellow arrived Tuesday night and latest reports are that mother and son are doing fine.

Wilson Methodist young people entertained the meeting of the Live Wire Epworth League Union Sunday afternoon. The program was ably arranged by a committee from Slaton, and presided over by Charles Fike. The Senior League of Slaton received the banner for largest attendance. Dixie, Union, Wilson, and Slaton Hi-Leagues were also represented. Union will entertain the next regular meeting March 6.

Valentine observance by the Live Wire Methodist Y. P. Union will be sponsored by the Wilson young people Thursday evening, Feb. 11, at the church. "Hearts" will probably be the chief engagement of the evening.

Miss Chloe Huffaker, teacher at Five Mile, Dawson county, and Mr. Calloway Huffaker, student at Texas Tech, were visitors at the home of their parents Saturday and Sunday.

Mrs. Jeff C. White, who has been under the doctor's care for several days, is reported as being much improved, but is still confined to bed.

the county championship.

Wilson junior girls defeated New Home Junior Monday, the score being 14 to 6.

New Lynn

Quite a number of sandstorms visited us last week, which caused many to repair their fences that were blown down by the high winds and thistles.

Almost everyone is preparing his land for another crop. After the many fine rains we have had the soil is in excellent condition.

Singing and the pie supper Saturday night a week ago was unusually well attended. Many candidates were present also. The pie supper was sponsored by the club ladies of this community, and the proceeds will be used in their work. The money obtained was sixteen dollars.

Mr. Douglas Jones and sister, Mavis, were in Littlefield the first of the week transacting business.

The Roland & Coffee gin finished ginning the season's cotton last week. They are expected to return to their home this week.

Mrs. Ira B. Krebs and children of Tahoka are visiting with Mr. and Mrs. C. W. Krebs and family this week.

Kid singers met here last fifth Sunday with a large attendance. For some unknown reason Mr. Askew, president of the organization, was absent. The singing was conducted by the vice president, Horace G. Kiebbe, and all had a nice time. The fifth Sunday in May the kids will meet at Edith. Be sure and remember the date and be present.

Both girls' and boys' teams played at O'Donnell last Saturday. The girls won over Dixie by one point, then lost to Wells by three points, the score being 15 to 18. Our boys lost the rural championship to Wells by a score of 13 to 16. The Wells girls and boys won first place, Lynn second place. Our boys and girls played exceptionally well and we are proud of them.

There will be singing here Saturday night. Everyone is invited to come.—Reporter.

Lakeview

We had a real good attendance at Sunday school and League. Brother Howell filled his appointment at the regular eleven o'clock hour last Sunday.

Our community feels very sad on account of the death of Helen Townsley. Helen was 12 years old. Her friends and school mates will miss her smiling face. We offer her relatives our heart-felt sympathy.

Most all farmers are through picking cotton, and have started plowing.

The Lakeview boys met the Dixie boys in a basketball game Friday afternoon and were defeated 10 to 12. But the boys enjoyed the game very much.

Miss Jewel Bartlett entertained a host of her friends with a birthday party Tuesday night.

The Epworth Leaguers had their regular monthly social at the home of Mr. and Mrs. L. H. Moore Saturday night. Miss Helen Allen sponsored the entertainment, after which refreshments of fruit salad and cake were served.

Mr. and Mrs. Russell Denison were guests in the L. H. Moore home last Sunday.

Mr. J. J. Nettles returned to his home Wednesday from the Lubbock sanitarium.

Mr. David Au and Miss Oleta Moore were guests of the L. H. Moore family Saturday night and Sunday. Mr. Au is a Chinese student at Tech college. Miss Moore is a Tech student, her home being at O'Donnell.—Reporter.

Names which have endured for centuries and which will endure for more centuries the those of Pythagoras, Thales, Aristotle, Archimedes, Copernicus, Kepler, Galileo, Descartes and Newton.

Boys' Basketball
O'Donnell was defeated by the Wilson boys 35 to 7 Saturday afternoon. The Wilson boys just had the O'Donnell boys out-classed from start to finish.

Monday afternoon New Home came to Wilson for a return game, and Wilson won by a 11 to 4 score. This was a great defensive game, but not much can be said for the offensive. It just seemed that every time a boy started for the goal that some one was in his way. This game was fast all the way and was in doubt until the last few moments. The New Home boys fought hard and we must say that they put up a good clean fight.

Wilson has the Class A championship of the county clinched, and only Wells stands between them and their sixth consecutive county championship. Wells has won the rural championship and Wilson must meet them this week.

Girls' Basketball
The first game of the county series to determine the high school championship for senior girls was played at O'Donnell Saturday between Wilson and O'Donnell. The final score was Wilson 30, O'Donnell 32. These same teams played again Tuesday at Wilson and the Wilson girls won 30 to 18.

On Monday afternoon the Wilson girls defeated New Home 26 to 7.

At the present standing of the high school girls teams of the county are as follows: O'Donnell, won 1, lost 1; New Home, won 0, lost 1; Wilson, won 2 lost 1. Wilson has one game to play with New Home and O'Donnell has two to play, both being with New Home. The winning team of this division will play Wells, the winning team of the rural division for

Dr. Ralph Arnold, eminent U. S. geologist, estimates this country's potential oil resources at 714,000,000 barrels. He says we have only used 2 per cent of our oil supply and that there is 140 years' supply of free oil ahead.

Cigaretts in their modern form were introduced into America and Europe about 60 years ago.

In 1390 there were 116,870 federal and state prisoners in the United States.

Playing cards were invented about the year 1390 in order to amuse Charles VI, then King of France, who was subject to fits of melancholy.
