Couple Celebrates 50th Anniversary

Tuesday was a golden day in the life of "Uncle Will" and "Aunt Alice" Brown, as that was their golden wedding anniversary, and their many friends celebrated it in a most fitting manner.

At the noon hour a great feast was spread at the home of their daughter, Mrs. Coleman Wells, and a host of their friends were there to enjoy it. A great cake bearing fifty candles was one of the attractions of the occasion. The candles were lighted and were then snuffed out for "Uncle Will" and "Aunt Alice" by two of their grand-daughters, Mary Bland Wells and Daisy Brown.

A reception was tendered the elderly couple from 3:30 to 6:30 in the afternoon, and hundreds of their friends called to offer congratulations, present their gifts, and enjoy the program that had been prepared for the occasion. A number of visitors were present from Lubbock, Idalou, O'Donnell, Wilson, and other places. The honored couple were the recipients of many beautiful and valuable presents.

A most interesting program of readings, songs, and instrumental music was rendered—in fact, three distinct programs were rendered. Miss O'Bea Forrester of Wilson, expression teacher here, directed the program. It opened with the singing of that beautiful old song, "Silver Threads Among the Gold". Little Daisy M. Brown gave a cute little reading, "Grandpa's Spectacles".

A saxophone solo was given by George Claud Wells, and this was followed by a little song and dance by Mary Bland Wells and Drisy Brown, the song being entitled, "Put on your old gray bonnet".

A solo, "Long Ago", was rendered by Frances Means, followed by a reading, "The Newly-Weds", by Mary Bland Wells. Wells Edwards gave a piano solo, and Mrs. Ben T. Brown of Belton, daughter-in-law of the honorees, gave a beautiful reading, "Mother, Machree".

M. E. REVIVAL IN PROGRESS

Rev. J. B. McReynolds Of Leveland Is Filling Pulpit During Meeting Here

The revival campaign which began at the Methodist Church Sunday is attracting good crowds in spite of the unpleasant weather that has prevailed, and much larger crowds are expected as the weather improves.

Rev. J. B. McReynolds of Leveland is doing the preaching and is bringing some most interesting messages. As an introductory to his opening sermon Monday night, he stated that he had wandered over the plains in the vicinity of Tahoka before there was any Tahoka here. He is an old-time cowboy and knows the lingo of the trail. He is also of Irish extraction and possesses the typical Irish wit. Not only do his messages sparkle with humor but he claims to preach the old-time gospel.

He has announced some of his subjects to be used during the revival as follows: "The Painted Face", "Longhorned Cattle on a Free Range", and "The Tragedy of an Unfaithful Home". Others just as interesting probably will be used.

A junior choir has been organized and prayer services by the men are being held each evening preceding the preaching hour. The music is most inspiring and helpful and a deeply spiritual atmosphere is being created in each service.

Christians of other denominations and the public generally are given a cordial invitation to attend these services.

Tahoka Hatchery Increases Capacity

Verner Smith is having an addition built to the Tahoka Hatchery, enlarging its capacity from 16,000 to 25,000.

The Hatchery has done a thriving business from the start and there is every reason to believe that it will continue to expand. It is a most worthy enterprise and deserves the support that it is receiving.

WYATT BROTHERS LOAD OUT PEN-FED CATTLE

Wyatt Brothers shipped ninety head of cattle to the Kansas City market Friday of last week. They had been feeding the animals in their lots near the Santa Fe tracks for the past four months.

Though excellent weight was put on the cattle during the feeding process, the decline in price of livestock did not allow the Messrs. Wyatt to do as well as they had expected from the project. Nevertheless, the fact has again been proved that it pays to feed stock for the market.

Play At Edith Friday Night

Announcement is made that a play entitled "Eyes of Love" will be given at Edith Friday night, April 1. A small admission fee of 10 cents will be charged. Good entertainment between acts. Everybody invited.

At the morning service, Rev. I. D. Hull of Snyder, father of the pastor, Rev. O. J. Hull, brought a most thoughtful Easter message, his subject being "The Resurrection".

In the absence of the pastor on account of illness, G. H. Nelson taught the Business Men's Bible Class at the English Theatre, and the members of the class report that he gave a most excellent exposition of the lesson.

The prayer meeting Wednesday night was dispensed with on account of the revival services in progress at the Methodist Church.

LEGION MAKES WTCC PROTEST

Reprimand Body For Action Taken Against Proposed Soldiers Bonus Bill

At a special meeting of the Marion G. Bradley Post of the American Legion of Tahoka note of the action of the Tax Committee of the West Texas Chamber of Commerce was taken and the following resolution was unanimously passed:

"Be it resolved that the action taken by the West Texas Chamber of Commerce in which they advocate that the Soldiers Bonus Bill not be passed is not in accord with the general sentiment of the people of West Texas and does not represent the wishes of the people in the section served by the West Texas Chamber of Commerce.

"Be it further resolved that we are for economy in Governmental expenses and heartily agree that the expenditures must be cut, but we do not think that the fellow who served for thirty dollars per month while the rest of the world was PAID for what they contributed, should be called upon to bear the brunt of the whole burden when past actions by this Government in relation to big corporations and Foreign Governments have been so liberal. Further that if it is possible to create a Five Billion Dollar corporation for the financing of Big Business, we fail to understand why the Government is unable to pay a just and honest debt, the payment of which would relieve every citizen in the United States, stimulate business and establish confidence as no other medium through which they could go would do.

Respectfully submitted and passed by a One Hundred Membership of this Post."

More Aid Is Given Through Red Cross

We have received the following donations in the last few days: B. L. Parker, one beef, valued at \$10.75; Elbert Boullion, cracklins, \$2.90; W. T. Clinton, whole wheat flour, 25c; L. M. Nordyke, canned goods and wheat, \$1.25; J. B. Lowe, lard and soap, 98c; Mrs. D. T. Rogers, beans and soap, 50c. Many thanks to all these people.

The list of the needy is growing and demands on the Red Cross are increasing every day and we are doing our best to relieve real need, at the same time to protect the funds entrusted to the Red Cross. We need your assistance in doing this.

We need lard, fresh cracklins, corn, dried beans or peas, and we can use any kind of farm product if you care to donate it. Bring them to the office of the Red Cross in the First National Bank and we will receipt you for each item and make a permanent record of your donation and then do our best to see that it gets to the needy person. May we not have your cooperation and assistance in this work. Among our cases are two women with cancer of the stomach, both old, and one old man about 80 years of age and his wife, and the old man is paralyzed to such extent that he has to be moved in his bed—just helpless. May we not have your donation if you can spare it.

ALL INVITED TO EXHIBITS

Miss Harrison, After Seeing Train At Brownfield, Says Exhibits Are Wonderful

As heretofore announced, the Santa Fe Farm & Home special train is to visit Tahoka on Tuesday of next week, the exhibit beginning at 7:30 P. M. It is expected that people will be in from all parts of the county to view the exhibits.

Miss El Fleda Harrison, home demonstration agent here, was called to Brownfield Wednesday to assist with the exhibition there, and she came back very enthusiastic about the exhibits. "There was an exhibit on every phase of home life," Miss Harrison said to the News, "and these exhibits were very fine. There was an immense crowd there. I think fully 2,000 people must have gone through the train. It took the crowd three hours to go through", she said. She feels that every resident of this county who can possibly do so should see this exhibit when it is shown here next Tuesday evening.

HULL WILL BE IN PULPIT SUNDAY; MUCH IMPROVED

Rev. O. J. Hull announces that he will be in his pulpit at the Baptist Church Sunday morning. It is hoped that a large congregation may be there to meet him.

His condition was much improved this morning, it was announced, and it is now confidently hoped that he will be out by tomorrow.

Special District Court Term Open

The district court convened in special session Monday morning with many jurors, witnesses and defendants present; but Judge Gordon B. McGuire and District Attorney T. L. Price were greatly disappointed when it became necessary to continue all the criminal cases that had been set for trial at this special term.

The M. C. Hamilton case was continued by agreement. In a number of other cases one State's witness whose testimony was absolutely necessary failed to show up. The Judge assessed a fine of \$100.00 against him but all the cases had to be continued on account of his absence.

The jury was instructed to be back Thursday, when some civil cases will be called for trial.

The Herd case involving the Southland Bank transactions and transferred to this county from Post is set for trial next Monday.

New Home Trial Attracts Interest

County Attorney G. H. Nelson and Truett Smith went out to New Home Monday and tried a case in the justice court there that attracted quite a bit of attention.

An aged citizen of that community was charged with drunkenness in a public place, the constable of the precinct being the prosecuting witness. Nelson represented the State, of course, and Smith represented the defendant. The jury brought in a verdict of "not guilty".

The auditorium of the school building was used as a court room, and it is said that there were many spectators. A few Tahoka friends of the attorneys, went out to hear the trial and they say that Truett made a dandy speech—he had been practicing on it for several weeks.

Mr. and Mrs. Charles Harter and children of Happy were here last week end visiting Mrs. Harter's parents, Mr. and Mrs. W. C. Cowan, and her sister, Mrs. Will Humphries. Mr. Harter bought several head of cattle while here.

New Home Trial Attracts Interest

County Attorney G. H. Nelson and Truett Smith went out to New Home Monday and tried a case in the justice court there that attracted quite a bit of attention.

An aged citizen of that community was charged with drunkenness in a public place, the constable of the precinct being the prosecuting witness. Nelson represented the State, of course, and Smith represented the defendant. The jury brought in a verdict of "not guilty".

The auditorium of the school building was used as a court room, and it is said that there were many spectators. A few Tahoka friends of the attorneys, went out to hear the trial and they say that Truett made a dandy speech—he had been practicing on it for several weeks.

Mr. and Mrs. Charles Harter and children of Happy were here last week and visiting Mrs. Harter's parents. Mr. and Mrs. W. C. Cowan, and her sister, Mrs. Will Humphries. Mr. Harter bought several head of cattle while here.

NOTICE TO THE PUBLIC
Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of the News, will be gladly corrected when called to our attention.

The officials of the West Texas Chamber of Commerce gave out a statement from Fort Worth last week announcing that that organization is opposed to the payment at this time of the soldiers' bonus. We are expressing no opinion here as to the wisdom of passing or not passing the Soldiers' Bonus Bill now pending in Congress, but we do believe that the officials of the West Texas Chamber of Commerce are going outside their province and are dabbling in matters that are entirely outside the purview of their activities when they undertake to commit that body to either a condemnation or an endorsement of a controversial political matter like the Soldiers Bonus Bill. This is a matter that affects not simply West Texas but the entire nation. If the West Texas Chamber of Commerce can properly take a position on this matter, either pro or con, it can properly take a position on any political issue that may arise in this country. When it enters upon such a course its usefulness is at an end and its doom is sealed. It was such activities as this something like fifteen years ago that destroyed a similar organization, the Commercial Secretaries—and the body deserved the destruction which came to it. Tahoka no longer has membership in the West Texas Chamber of Commerce and probably never will have membership in this organization again. It has done much good for West Texas and is capable of doing much good work yet, but it has no business dabbling in politics.

The legislature of the state of Texas has submitted a constitutional amendment to be voted on at the general election in November authorizing an appropriation for the support and maintenance of a Texas Centennial to be held in 1936 commemorating the one hundredth anniversary of the independence of Texas. This centennial would be possibly the best means that could be devised to acquaint the outside world with Texas and her history. Recently so eminent and well informed writer as Arthur Brisbane exposed his ignorance of Texas history by stating that Texas had been wrested from Mexico by the United States. A few years ago, when President Coolidge was passing through San Antonio, he made the famous inquiry as to what the Alamo was built for. The ignorance of even eminent men in this nation with respect to the glorious history of Texas is dense. Ignorance of the character of its people is probably no less dense. It is still regarded as a land of cowboys and desperadoes. Not many years ago, a Chicago lady alighted from the train here and telephoned for the sheriff to come down and escort her up town as a protection against outlaws and bad men that were supposed to infest the region. The nation needs to be educated about Texas and the Centennial will afford a splendid avenue through which to carry on this educational work.

The editors of The Clarendon News, The Canyon News and The Tahoka News, along with many other Panhandle papers, are lambasting the Democratic Executive Committee of Texas for trying to FORCE those who vote in the Democratic primary to also vote for the Democratic nominee for President, whether he is good, bad or indifferent. They claim that a voter should allow his conscience to be his guide as to whether our Presidential nominee is fit to be President. The mistake the Executive committee made in 1928 which caused Texas Democrats to go Republican, Nationally speaking, seems to have taught this committee nothing whatever, and they are back at their old tricks, and that of forcing, or trying to force Democrats to vote for a President a majority of the Democrats of our Nation are opposed to. The rank and file of the Democratic party are not to be lead around with a ring in their nose and

forced to vote for any candidate the Money Power suggests that they vote for. Being a free American citizen, Texas Democrats are going to vote for the man whom they believe best qualified for the office, and our higher courts have already decided that they may do so.—Claude News.

MORE ABOUT TAXES
Mr. Editor: We hear the howl every day about high taxes, but do we hear a single word said about cutting salaries? No! Anyone with a little gray matter in his noodle knows that we have to cut the expenses first and of course that means cut salaries.

We are paying nearly three times as much tax as we did before the World War. Our nation is mortgaged for billions of future dollars. The bonded debt of Texas and its inside subdivisions is approximately \$672,000,000, and where is the end? East Texas is over-bonded and some of our high officials want a statewide bond issue to help the boys down in the forks of the creeks. West Texas used to be a sort of independent bunch of place and bred an independent bunch of citizens, but it seems of late years we have been out-talked and out-voted and just worked around most any old way to suit a bunch of job hunters and grafters, etc. We still have some good men in power that have a West Texas idea of equality to all alike as long as they are WHITE MEN, in so much as being honest and fair in their dealings with their fellows.

The farmers and land owners, property owners in town also, are in about the same shape the Israelites were when the Egyptians told them to make bricks whether they had any straw or not. The politicians and grafters say, Pay your taxes, money or no money.

Our school tax is hurting, but what can the school board do? Not much. If you don't do so and so, the State Superintendent says Get in the harness if you expect any help from this department, etc. I know of one school that had shipped to them a set of charts and they turned them down, but did that stop it? No, in a few days here come a letter from the book firm with a copy of a letter from the State Superintendent saying accept those charts and pay off or you don't get any state aid, etc. And the principal of the school said that they were not worth a dime to the school.

The trouble with most of our officials, I think, is: They get the idea they may be in office maybe two or four years and they are getting the pie while they have got the spoon in their hands. Like one said not long ago: "To H— with the people, I am running this office. Well, if he had thought just one little second, he is a hired man and can be fired at the next election. May get some pie at that."

As long as the goose hung high and the weather was fair, lots of people did not pay much attention to what some fellows done, but they have sorter woke up and are checking up on these boys right along, finding out a little here and a little there, and it will all add up to some little sum in the election. So find out what kind of a man you are voting for and what he stands for. Is he a solid citizen of the county or is he a job hunter? Which means the best official in point of service and good to us as citizens and property owners.

Yours for better MEN in some offices and fair service to all.
GEO. LIGHTFOOT.

LEARN THE TRUTH
Recently a candidate came to a house in the poorer parts of our city and since there were several votes in sight lingered quite a while, and several things came up for discussion and some one unfortunately mentioned the liquor question. He at once declared himself for modification of some sort, since prohibition had vastly increased drunkenness and crime, especially among women and young people. Sad that anyone who aspires for even the most menial public office should have no more intelligence than to repeat for the truth these worn-out liquor lies. This paper, as well as several others in Texas of larger circulation, has repeatedly shown that all crime in Texas, especially murder, has decreased 30 to 40 per cent since prohibition came in and that Kansas, dry for fifty years, is almost without crime. Also that most every city and large town in Texas has increased more in wealth and population in fourteen dry years than during fifty previous years of open saloons; and that during the prohibition period Texas has spent more for education,

good roads, and good streets than in all its previous history. Accurate information on the phenomenal success of prohibition in promoting health, morality, thrift and sobriety is now available to all; but any candidate so devoid of intelligence as to swallow these old liquor lies and repeat them for the truth merits and receives my heartfelt sympathy, but as to my political support—well, that's another story. CHRIS L. ADAIR.

Lockhart Makes Platform Known

Judge G. E. Lockhart of Lubbock, candidate for the State Senate, has announced the following platform of principles upon which he proposes to stand if elected.

Here are some of the things I stand for and against:

1. I favor reduction of taxes by reducing cost of State Government.
2. I favor reduction of salaries of State officers and employees, including MY OWN, at least twenty-five per cent.
3. I favor an income tax. I believe that the tax burden should be placed on those most able to pay.
4. I favor the regulation of the truck, but I am opposed to any law that kills the truck industry for the benefit of the railroads.
5. I am in favor of a law that will give a person a right to redeem his land lost by foreclosure any time within two years.
6. I am in favor of adequate laws that will protect the people against excessive rates exacted by utilities.
7. I am in favor of and will urge the passage of a law that will protect the depositor in FAILED banks.
8. I opposed the passage of the so-called "cotton acreage reduction law", was opposed to calling special session and spending \$100,000.00 to pass this unconstitutional law, and the action of the courts on this law prove that I was right.

Mr. and Mrs. Paul Howell came in Sunday night from Florida to visit a few days. Mr. Howell says he likes the climate in Florida very much but doesn't think much of the soil—and would you think it? He says they have sandstorms there; not quite as fierce as the one that visited Tahoka Saturday night but fierce enough. He came through the path of one of the tornadoes that recently visited Alabama and he declares that the twister simply swept everything clean.

Mrs. J. H. Wyatt recently returned home from Lubbock, where she has been in a sanitarium. She is reported much improved.

Miss Wong, featured character actress in "Daughter of the Dragon," has the role of a Chinese courtesan; Oland appears as a Chinese war lord; Grant portrays a European clergyman; Seyffertitz has the part of a German adventurer; Chautard, a former director of silent pictures, is an officer cashiered from the French army; Pallette is a gambler and bookmaker; and Miss Hale, a veteran actress, represents a boarding house keeper in Shanghai.

PAINS QUIT COMING

"When I was a girl, I suffered periodically with terrible pains in my back and sides. Often I would bend almost double with the intense pain. This would last for hours and I could get no relief.

"I tried almost everything that was recommended to me, but found nothing that would help until I began taking Cardui. My mother thought it would be good for me, so she got a bottle of Cardui and started me taking it. I soon improved. The bad spells quit coming. I was soon in normal health."

4-H GIRLS AND H. D. CLUB WOMEN ARE HONORED

(Continued from first page)

ple marveled at their making a hog's head into delicious pie in about twelve minutes time. But that is what they did—and actually served the pie. If one wants to know how this is done, just ask the two girls.

"I feel that Margie and Alice are to be congratulated on this product", Miss Harrison continued. "After Miss Mildred Horton, state home demonstration agent, had eaten part of the pie, she gave the girls an order for a dozen No. 2 cans of mince meat, and Miss Myrtle Murray, district H. D. agent, gave them an order for six No. 2 cans. Miss Murray is sending the six cans to Mrs. Ola Powell Malcum of Washington, author of Ola Powell Malcum Canning and Preserving Book, as a gift."

Miss Harrison was also much enthused over the winnings made by members of Lynn county H. D. Clubs in the canned meats contest at the Meat Show. "There were eleven entries of canned meats made by the club women of Lynn county and six of them won places," she declared. Those winning places were: Mrs. R. W. Fenton, first on pork sausage; Mrs. J. T. Owens, second on boned chicken; Mrs. T. I. Tippit, second on beef roast; Mrs. T. J. Tippit, second on chili; Mrs. Sam Holland, third on Chili; Mrs. D. L. Greenwood, fourth on plain steak.

Those who made entries were: Mmes. R. W. Fenton and J. H. Bulman of Tahoka; Mrs. D. L. Greenwood of Wells; Mmes. Sam Holland, T. I. Tippit, and J. T. Owens of Edith; and Mrs. Claude Thomas of Grassland.

Money prizes went to first, second and third places, with ribbons to fourth and fifth. Judging was done by Miss Zetha McInnis, home industry specialist of the Extension Service. Miss Harrison reports that Miss McInnis, in speaking of the work of the women of the home demonstration clubs this year as compared with that of last year, said: "The work compares favorably with that of last year's show. I might say that it is better than last year, both in quality of the products and the work done."

MRS. SANDEDS PASSED AWAY ON LAST FRIDAY

(Cont'd. from first page)

living her are six sons, viz.: T. G. Sanders of Hillsboro, Texas; R. R. Sanders of Lineville, Iowa; Joe, Sid, Oscar, and Dee Sanders, all of Tahoka; and one daughter, Mrs. R. A. Henderson of Eastland; all of whom were at the bedside when the end came except R. R. Sanders of Iowa, who was unable to be here on account of illness. She also leaves surviving her twenty-seven grand-children and fourteen great grand-children. Her husband, A. D. Sanders, preceded her in death at Lorraine, Texas, on April 3, 1912.

Mrs. Sanders was converted and joined the Methodist Church at a camp meeting held at Magee Springs in Collin county in 1867 and had been a faithful and consecrated Christian ever since.

Mrs. Sanders was of an unusually happy and cheerful disposition and was a great lover of young people. Nothing gave her more pleasure than to have them gather about her, and she entered into their fun as whole-heartedly as any of them. She was a most lovable character, whom a host of friends and relatives will greatly miss.

COUPLE CELEBRATES GOLDEN ANNIVERSARY

(Continued from first page)

"Maggie" was sung by the guests, and Mary Bland Wells gave another reading, "A Golden Wedding". Mrs. Harley Wells, Mrs. Ben T. Brown, "Lefty" Squires, and M. O. Bridges sang "Sweet Genevieve". Wells Edwards, bewhiskered, limping on a walking cane, and dressed in the garb of an old man, entertained the guests with a reading, "When Ma and Me got Tied".

Other piano solos were given by Marjorie Wells and by Mrs. M. H. Edwards, and a couple of readings by Miss O'Ber's Forrester. Mrs. Ben T. Brown also sang "That Wonderful Mother", and another quartette, "I've Grown So Used to You", was given by Mmes. Harley Wells and Ben T. Brown and Messrs. "Lefty" Squires and M. O. Bridges.

Mrs. Coleman Wells, Mrs. Ben T. Brown, Miss O'Ber's Forrester, and others are due great credit for the most excellent program and for the great success of this happy occasion.

The News joins hundreds of friends in wishing "Uncle Will" and "Aunt Alice" many more anniversaries of their wedding day.

March, with its usual number of sandstorms is now history and the people are trusting that April will bring more sunshine and rain and much less dust. We believe all who have been in sanitariums from our town are now at home and regaining their wonted health very rapidly. Mr. John Heck was able to be out the latter part of last week after a very severe illness. Presley White, who spent several weeks in a sanitarium and who pulled over by a mall margin, is now at home and considered out of danger. Mrs. Jeff White, who entered a sanitarium on the same date, is home again and getting along fine.

The Methodist-Baptist meeting of last week did not run according to plans that had been made, but was in every way a decided success and all who missed these services missed a great treat. It was planned for the Methodist and Baptist pastors to do the preaching but on account of illness, Rev. Partin was unable to preach, and after the first sermon, which was preached by Rev. Thurston, Rev. Smith, pastor of the Tahoka Methodist Church, was invited to take care of the remaining services and did so in a fine way. Sunday services were held as usual with all pastors being in their respective pulpits.

Mr. and Mrs. W. C. Huffaker, accompanied by Mrs. W. L. Forrester, spent the week end at Sparenburg, the Huffakers visiting their daughter Miss Cloie and Mrs. Forrester visiting her daughter Miss Pearl.

Misses Lorene and Lois Crowder of Abilene were week end visitors in the home of their father.

Mr. and Mrs. Mart Murry of the Union community were visiting relatives and friends in our community last week end.

Jyles Shaw was ill a greater part of the past week but is going good at this writing.

Mrs. Beulah Shaw is spending a few days in the home of her son, Clyde.

Mrs. W. C. Cook and son Mortice returned home Saturday from an extended visit to friends and relatives in Bell county.

Mrs. Victor Means and two children of Belton and Mrs. Guy Cockrell of Vernon were week end visitors in the home of their parents and grand parents, Mr. and Mrs. W. C. Cook. Mesdames H. A. and J. O. Patterson of Tahoka were guests in the Clyde Shaw home Thursday of last week.

Miss Clara May is spending the week with friends in Brownwood. She expects to be home Friday.

Mr. and Mrs. Huckabee and Mr. and Mrs. Fred Dawson of Terry were week end visitors in the home of Mrs. Dawson's mother, Mrs. Fannie Dawson.

A new drug store will be open for business in our city the last of this week or the first of next week, the name of which will be Cook Brothers Pharmacy, and will have for its manager Doc Cook, who is so well known to most of us.

Mr. and Mrs. W. C. Cook and Mr. and Mrs. R. C. Forrester were guests at the golden wedding anniversary of Mr. and Mrs. William Brown of Tahoka Tuesday afternoon. We are proud of the record our boys and girls made at the Inter-scholastic League meet held at Tahoka Friday and Saturday of last

week. Individual results, to be found in another column of this paper, show that Wilson took off her share, and even more, of the honors.
