## HORN VICTIM HEART ATTACK

Tech President Died Very Suddenly  
Yesterday; Will Be Buried  
On Tech Campus

Dr. Paul W. Horn, 62, first and only president of Texas Technological College, died suddenly at 9 o'clock Wednesday morning. A heart attack climaxed three months of ill health during which he submitted to an operation for acute appendicitis and later spent four weeks in Lubbock Sanitarium, victim of a kidney disorder.

Stricken as he emerged from his morning bath, Dr. Horn called members of his family after he had reached his bed and told them he felt faint. Dr. M. C. Overton, who was summoned immediately but the president died soon after his arrival. Death came within five to seven minutes after he suffered the stroke.

Mrs. Horn and an only daughter, Ruth, along with Dr. Overton, were in the room when the end came.

News of the president's death threw a pall over the college campus as his condition had been thought improved and he had been expected to resume his duties within a short time.

First indication of Doctor Horn's failing health came Sunday, January 17 when he reported for examination at a local sanitarium. Attending physicians pronounced his ailment as acute appendicitis and a day later he submitted to an operation.

Gaining rapidly despite his advanced years, he was dismissed from doctors care and in less than three weeks' time was administering his duties at the college.

In latter February he attended a meeting of Tech college regents in Dallas and enroute home that night became ill on the train. He was placed in the sanitarium again on March 10, suffering from a kidney disorder and threatened with a nervous breakdown but again he rallied and on Monday last was again dismissed from the sanitarium although remaining under surveillance of physicians in his home.

He had reported to the sanitarium Tuesday afternoon for treatment and received permission from his physician, Dr. Overton, to attend the regular weekly meeting of the Lubbock Rotary club Wednesday noon in Hotel Lubbock.

Tentative funeral arrangements call for services Thursday afternoon at 5 o'clock on the campus where burial is to be made. Rev. J. O. Laymes, pastor of the First Methodist church, probably assisted by others, will be in charge. A site southwest of the residence near Nineteenth street has been selected for the memorial tomb.

## Kitchens Enters Weigher's Race

S. J. (Sam) Kitchens announces this week as a candidate or public weigher at New Home.

Mr. Kitchens has been a resident of the New Home community for nine years, during which time he has been engaged in farming. He is 43 years of age, and is in the prime of life. He has never held public office and says that he doesn't believe in long terms for any one official.

"I am going to try to see all the voters in person", Mr. Kitchens said in making his announcement, "but if I am unable to do so I will appreciate their votes just the same. If elected, I will do my best to give efficient service and will stay on the job all the time."

## Dixie Will Have S. S. Institute

A Sunday school institute will begin at the Dixie Methodist Church Sunday afternoon at 3 o'clock, according to Rev. H. L. Thurston of Wilson, pastor at Dixie.

Among those appearing on the program Sunday will be Rev. H. C. Smith and J. N. Thomas of Tahoka, Rev. and Mrs. J. N. Hester of Draw, J. D. Noble, Mrs. E. R. Tunnel, Mrs. Bob Jordan and Mr. J. Floyd Jordan, all of Dixie.

The general public is invited to the meeting.

L. F. Frazier was a business visitor to Lamesa Wednesday.

## MRS. ROBERTS PASSES AWAY

Wife of A. M. Roberts Dies After  
Long Illness; Was Buried  
Last Friday

Mrs. A. M. Roberts died Thursday afternoon after a long illness, and the remains were laid to rest in the City Cemetery here Friday afternoon. The funeral services were conducted from the family residence in East Tahoka, Rev. O. J. Hull officiating.

Mrs. Roberts had suffered many months from cancer of the stomach and her suffering at times had been intense. She had long been aware that death was rapidly approaching but she bore her affliction with remarkable fortitude. She was converted and united with the Baptist Church when twelve years of age and had lived a devoted Christian life for almost half a century, dying triumphant in the faith.

Mrs. Roberts was born in Eastland county. She was married in that county to A. M. Roberts and several children came to bless their home. Two of them died in infancy but five of them are still living. All of them attended the funeral except one daughter, Mrs. Whitaker, who resides at Texline. The other surviving children are: T. A. Roberts of Sweetwater, C. A. Roberts of Plainview, W. E. Roberts and Mrs. Paul Howell of Tahoka. Her husband also survives.

Deceased and husband had been married for forty-two years. Their companionship and devotion to each other was something beautiful. Only those who have had a similar experience can fully sympathize with one who has been bereft of a lifetime companion. We join many friends in extending condolences to the entire family.

## Special Service For Men Sunday

There will be a service for men only at the Baptist Church in this city Sunday afternoon at 3:30 o'clock, according to announcement made by Pastor O. J. Hull.

It is desired and hoped that 500 men from Tahoka and all the surrounding communities will be in this great service.

Rev. R. E. Day, who is now conducting revival services in this church, will talk to the men in that heart-to-heart fashion that is characteristic of all his messages. His subject will be "God's Call to Men". This will be a great message. If you hear it, you will be glad you came. Brother Hull says. You are cordially invited to come and to bring your neighbors and friends.

There will also be a male quartet that you will much enjoy. Don't miss this service.

## SETH PARKER OF RADIO FAME NOW ON SCREEN

Another noted radio personality wins universal recognition and expression in the movies. Seth Parker, who was lifted into radio from the front porch of a sea coast cottage in Maine now comes to the screen to the English Theatre in "Way Back Home" Thursday, Friday and Saturday.

Every Sunday evening NBC listeners hear Seth, "Ma" Parker and their neighbors sing hymns and exchanging talk about everyday life. From this setting in Jonesport, Maine, Radio Pictures has built an original story around the homely philosophy of Seth. He and the eleven members of his radio family plus a strong supporting cast of film players are in the show, including Liz, Ma, Cephus and Cap.

This climaxes an idea that came to a young man, who, hardly more than two years ago, got off a train at Grand Central station and found himself "lost" in a big city. Pull the whiskers off Seth Parker today and you have that same young man. He is Phillips Lord, a New Englander of twenty-eight years who claims to be neither a nor nor apostle. Yet he created a role which has brought happiness to millions of radio listeners and will bring wholesome joy to as great a host of others who will see him on the screen.

## Large Crowds Are Attending Baptist Revival Now in Progress In Tahoka

Revival services are now in progress at the Baptist Church. The preaching is being done by Rev. R. E. Day, pastor of the First Baptist Church at Big Spring, who arrived Monday afternoon.

Crowds that are filling the church to its capacity are in attendance, and the preacher is bringing some very tender, heart-searching messages. His is not the long-face type of religion, however. It is the sunshiney kind, and he has a great fund of wit and humor.

## Secure Judgment Against J. T. Herd

The jury in the case of Mrs. H. G. Wade vs. J. T. Herd, tried in the district court here last week, rendered a verdict Thursday night in favor of the plaintiff.

The case was submitted on special issues and each issue was decided in the plaintiff's favor, the effect of which was to give her judgment against Herd for the full amount sued for. Her suit was for \$583.00, the amount she had on deposit in The Southland Bank, belonging to Herd, at the time it closed.

There was much interest in the outcome of the trial, since there were many patrons of the bank who had money on deposit there when it was closed.

## N. Scarborough, Newmoore, Dead

Nollie Scarborough, about 33 years of age, son of J. B. Scarborough, died Wednesday morning at his father's home in the Newmoore community, according to information reaching Tahoka Wednesday.

The remains were to be buried at Pridmore at 11 o'clock this morning. Mr. Scarborough has been in bad health for about four years, it is said.

## Simmons Choral Club Is Coming

The Simmons University Choral Club, which is to appear in Tahoka Monday night, April 25, is composed of a group of trained singers from the Voice Department of Simmons.

The young men and young women making the tour are selected from a larger group, and are those possessing the best voices, and those who are the best musicians. The party will consist of 23 young college students and Mr. and Mrs. Wm. James Work, who will have charge of the group.

The program which is being presented by the club is one of varied interest and will consist of ensemble singing from the full chorus, quartets, both men and women, male chorus, ladies chorus, solos etc.

As specials on the program they are featuring a reader and a violinist—these young people are also members of the club.

It is the custom of the club to make one or more trips during each school year. The trip west is the second one in the past few months. The cities in which the club will give their programs are Merkl, Roscoe, Colorado, Big Spring, Midland, Wink, Odessa, Carlsbad, Artesia, Roswell, Brownfield, Tahoka, Lamesa, and Snyder.

## EDITH LADIES MAKE QUILTS FOR MRS. OWENS

A number of ladies met at the Legion Home Wednesday of last week and quilted three quilts for Mrs. Owens.

Those present from the Edith Club were: Mesdames S. H. Holland, J. K. Nowlin, Dorothy Pennington, V. A. Botkins, H. O. Hargett, T. I. Tippitt, J. W. Taylor, Charlie Sanders, E. S. Tippitt, and M. E. McCord; and there were Mesdames J. O. Patterson, H. A. Patterson, and Homer Harrison from the Tahoka Club.

Mmes. G. E. Lockhart, Isa Doak, and Whipp of Lubbock were guests in the H. M. Larkin home Tuesday and attended services at the Baptist Church while here.

The singing under the direction of Taylor White is excellent, and the children are helping in a great way. Prayer services are being held for thirty minutes each evening preceding the preaching services and the attendance upon the various prayer meetings has been good. The morning services at the church, too, have been very fine.

Members of other denominations are invited to attend and assist in these services and many are doing so.

## Slight Decrease In Scholastics

There has been a slight decrease in the number of scholastics in the Tahoka Independent School District the past year, according to census figures given out by John Thomas, secretary of the school board.

There are 636 scholastics on the census roll this year as compared with 668 last year, a decrease of 32. Since each pupil draws \$17.50 state funds, this means a decrease of \$560.00 in funds from the state.

There was also a slight decrease in the number of scholastics last year as compared with the number in 1930, the number that year being slightly in excess of 700.

## 141 Loan Checks Given Farmers

Checks for 141 loans have been paid to farmers in this county from funds recently provided by the Federal government, according to Truett Smith, who has been distributing the checks.

The aggregate amount of these checks had not been computed but Mr. Smith thinks that they will average about \$125.00 each.

## PHEBE K. WARNER CLUB MET FRIDAY AFTERNOON

Mesdames J. W. Elliott, R. W. Fenton Sr., H. C. Smith, H. A. Mason, L. F. Craft, J. B. Stokes and Burleson were hostesses to the Phoebe K. Warner Club Friday afternoon at the American Legion Home.

An interesting program was given. Rev. H. C. Smith made a very interesting talk on "Beauty in the Home—from a Preacher's Standpoint". Mesdames Craft and Powell, respectively, gave papers on "Health" and "Landscaping".

Announcement was made that Miss Mildred Wetsel, high school student, had won the \$5.00 prize offered by the club for the best essay on George Washington.

Mrs. J. A. Hill of Canyon, president of the Seventh District Federation of Women's Clubs, has accepted an invitation from the local club to attend a tea to be given in her honor in the home of Mrs. W. B. Slatno on May 20th.

The club will pay part of the expenses for the Junior Club delegates to the district convention at Canadian.

The public is invited to be guests of the Phoebe K. Warner Club on April 22 in the high school auditorium, 4:30 p. m., when a program including a one-act play will be given. —Reporter.

## CANDIDATES INVITED TO WELLS LITERARY PROGRAM

Candidates will be given an opportunity to make brief announcements of not more than two minutes duration at the regular meeting of the Wells Literary Society at Wells school Friday night, May 6.

In addition to the candidates' announcements, a program will be given. Everything will be free, according to Roy Askew, no plea will be auctioned off to candidates, and everyone is invited to come out and have a big time.

Mrs. G. E. Hogan left Saturday for a two months visit in the lower Rio Grande Valley, with her son E. L. Hogan at Edinburg and her daughter Mrs. J. B. Ferguson at Pharr.

## M. E. REVIVAL WAS SUCCESS

Much Interest Aroused By Two  
Weeks' Series of Services  
Ending Sunday

The Methodist's special meeting closed Sunday night after two weeks of splendid services marked by good attendance and interest. Rev. J. B. McReynolds of Levelland, who did the preaching at each service was an interesting speaker and brought much benefit and inspiration thru his messages. His final sermon Sunday morning fittingly climaxed the series, the text being: "How, then, shall ye escape if ye neglect so great salvation?" The ordinance of baptism was administered to four young people who formed a part of the class admitted to church membership.

Special music for the day consisted of solos, "My God, My Father, While I Stray", sung by Mrs. Layno Moreland, and "When They Ring the Golden Bells", sung by Mrs. Harold Edwards. Both were much enjoyed.

The church school period opened with the prelude "Longing" by Schultz-Weida, followed by an effective vocal duet, a selected arrangement of "Jesus, Lover of My Soul", rendered by Misses Geraldine Pollock and Jessie Henderson. Mrs. R. W. Fenton conducted the worship service which was based on the theme of "Consecration". Mrs. John Thomas made a brief but splendid talk and Master Jo-Jo Lehman contributed a violin solo. Next Sunday's program, after the regular musical features, will be in charge of the older men's Bible class, H. A. Patterson, teacher.

## More Donations To Red Cross

The Red Cross has received the following donations during the past week: Virginia Sanford, clothing and food, \$2.20; Charles Campbell, turnips, \$1.20; Elbert Bouillon, cracklings, \$3.65; Milt Finch, clothing, \$2.50; B. J. Emanuel, food, \$6.00; J. A. Jaynes, New Lynn, food, \$2.15; Miss Viola Ellis, cash, \$2.00.

We have been asked if we would accept cash as a donation, and this is to advise that we most assuredly would be glad to do so. In fact, cash, or money, is badly needed if we properly take care of the situation, and this office is taking care of the county at large.

We need badly at this time some women's dresses, size 40; some ladies' shoes, size 5; and baby shoes, up to 5 years old. We say this because we know of two ladies who are using for shoes tubes of automobile tires, and we do not have their size; so, if anyone has this size and wish to donate same we will be glad to receive the same, receipt for you for them and see that they get to the proper party. We make a permanent record of all these donations so that you can see at any time on the books of the Red Cross what we have received and who donated it. This record will be left in the chapter file.

We can also use dried beans, peas, corn, lard; in fact, any farm produce. All these items are badly needed and will be gladly received. The clothing we refer to may be outgrown, used clothing, or it may be used clothing that you have discarded, but it will meet our needs.

We have a case where the mother is dead. The father has left some children and gone somewhere. One of the girls has only an old cloak to hide herself and the other children are in about as sad a plight. Can we depend on you to get us some used women's clothing of just any kind, just so it is a protection against exposure of the person. These children and girls are not to blame—their mother dead, and deserted by their father. May you not help.

We need both men's and women's clothing. American Red Cross, Lynn County Chapter, By B. P. Maddox, Chapter Chairman.

Miss Oletha Franks, one of the teachers at T-Bar, spent the week end here with her uncle, the Connolly brothers.

## CUT SALARIES OF TEACHERS

Almost Entire Faculty Re-elected  
For 1932-33 Term But At  
Lower Salaries

At a meeting of the school board Tuesday night, almost the entire faculty was re-elected. Two or three members were not re-elected for different reasons, one of them not desiring to teach here and another filling only a temporary position in Central Ward. The teacher of science and coach at the high school and the principal at Central Ward are yet to be elected.

Due to the depressed financial conditions, and for no other reason, the salaries of almost the entire membership of the faculty were materially reduced, however. The following salary cuts were made:

Superintendent, reduced from \$2,400.00 to \$1800.00; principal, from \$144.00 per month to \$110.00; vocational agriculture teacher, from \$2200.00 to \$1800.00 (half of this paid by the State); home economics teacher, from \$125.00 per month to \$80.00; other high school teachers, from \$100.00 to \$80.00; Central Ward teachers, from \$80.00 to \$75; principal at South Ward, from \$83 to \$75; other teacher at South Ward, from \$75.00 to \$65.00.

The salary of the principal at Central Ward remains the same, \$100.00 per month. The salary of Charles Deo, teacher of the colored children, also remains the same, \$60.00 per month.

Salaries of the two janitors were reduced from \$60.00 each to \$50.00 each per month.

Superintendent Pace and his faculty have done most excellent work, and the board members are well pleased with it. The salary cuts were not prompted by any feeling of dissatisfaction whatever with the character of work done but was prompted solely by a desire to cut expenses so as to relieve the tax payers, according to members of the board.

## MRS. TOWNES ENTERTAINS TUESDAY BRIDGE CLUB

Mrs. C. B. Townes was a charming hostess Tuesday afternoon of last week when she entertained the Tuesday Bridge Club.

Mrs. Oscar Roberts scored high. The hostess served a lovely refreshment plate which consisted of nut sandwiches, chocolate puffs topped with whipped cream, and lead tea.

Those enjoying the occasion were: Mesdames L. C. Haney, Frank Larkin, M. O. Bridges, Oscar Roberts, Jim Burleson, and Frank Hill, members; Mesdames R. W. Fenton, LeRoy Knight, Carl Griffing, W. T. Sovell, J. H. Powell and Tom Short, guests.

A number of friends enjoyed a splendid turkey dinner in the home of Mr. and Mrs. L. K. Nelson last Sunday, April 7 being Mr. and Mrs. Nelson's fifth wedding anniversary and April 8 being Mrs. Nelson's birthday.

Dupree and son Marshall, Mr. and Mrs. Tom Smith and daughter Neva, Boyd Smith, and Mr. and Mrs. L. K. Nelson and son Wayne Dudley.

We wish Mr. and Mrs. Nelson many more happy anniversaries and Mrs. Nelson many happy birthdays. —One of the Guests.

**GREAT IS TEXAS**

A few weeks ago we announced  
the arrival of Spring, since we had  
seen several flocks of geese flying  
northward and supposed that they  
"knew their okra". In fact we had  
long believed that the wild goose  
was an infallible weather prophet.  
These birds had evidently not gotten  
far on their journey northward,  
however, when they met the severest  
blizzard of the season. We then stat-  
ed that we would never again an-  
nounce the arrival of Spring until  
the mesquite bushes begin to bud.  
These comments called forth the  
following interesting disquisition on  
geese, mesquite bushes, and other  
things by the editor of the Higgins  
News, Higgins being situated in the  
north Panhandle some three hundred  
miles north and east of Tahoka.

We up here in the Panhandle do  
not know what "mesquite" may be.  
And we are too busy to pay much  
attention to geese. A goose is a  
goose, even on festive occasions like  
Christmas and Thanksgiving. A fin-  
goose makes a good substitute for  
turkey. Many people even prefer  
goose to turkey. According to the  
old saying "When geese fly high,  
there is frost in the sky", in the fall  
and then the birds go back to their  
former nesting places in the south.  
But "when geese fly high, spring is  
nigh", if the geese are heard honk-  
ing overhead in the spring. So if the  
editor heard geese honking and the  
wedge pointed northward, he had

every right to believe, if he believes  
at all, that spring was on the way.  
However, it takes more than one  
flock of migratory birds to make  
spring. Nobody is to blame. The  
weather is one thing left for us to  
slander, if we choose, and if spring  
is not on tap when geese fly north,  
it is no particular fault of the geese.  
The instinct to fly back to the cool  
waters of the ice bound regions says  
that it is time to pick up the family  
and head for other resorts and the  
old man of the flock calls up his tribe  
and the wedge is formed and the  
honking is loud and clear. And that  
is a signal that all birds understand.  
Yet even birds get fooled and think  
spring has come when the first  
warm days are followed by a near or  
real blizzard. With the festive goose  
sounding a false alarm and with no  
mesquite bushes to bud, we up at  
the jumping off place in Texas must  
needs depend on our corns. And corns  
are wonderful weather prophets.  
Even tho the sun may proclaim to  
gentle Annie that spring has come,  
if gentle Annie's corns hurt and she  
goes hobbling up or down the street,  
put it down to corns. And a storm  
is on its way.—Higgins News.

Texas is a great state. We have  
often been reminded of its vast  
reaches of territory and its great va-  
riety of vegetation, but we had  
never dreamed that there was an  
editor in Texas that didn't know  
what a mesquite tree is. The Higgins  
editor puts quotation marks around  
the word as if he—or she—believes  
it to be a slang or a colloquial ex-  
pression. If you will consult your  
Webster's New International, Broth-  
er and Sister Shaw, you will find the  
word mesquite followed by this defi-  
nition. "A mimosaecous tree or  
shrub of the Southwestern United  
States and Mexico, often forming  
dense thickets, and frequently con-  
stituting the only arborecent vegeta-  
tion of a region. It has pinnate  
leaves, small fragrant flowers in a  
dense raceme, and beanlike pods  
which are very rich in sugar and  
form an important food for stock.  
The heavy hard wood is much used  
for posts, fences, etc., and for fuel,  
and is occasionally employed also in  
cabinet work."

The mesquite tree is the glory of  
West Texas. It is seldom seen on  
the plains north of Lubbock, but  
south of that city and throughout

the vast expanse of territory lying  
below the Caprock, stretching east-  
ward for a hundred and fifty miles  
and north and south for a distance  
of possible five hundred miles, the  
mesquite tree is almost the only na-  
tive shrub. In some portions of this  
territory it grows luxuriantly and  
when its foliage is rich and dense it  
is really beautiful. We would not  
have been surprised at a West Tex-  
as editor wondering what a Mag-  
nolia tree is, but we had supposed  
every editor in the Panhandle, even  
as was familiar with mesquite beans  
as he is with frijole (free-o-ly)  
beans or prairie dogs.

**SOLDIER BONUS BILL WOULD  
HELP**

We do not claim to be an expert  
political economist, nor do we claim  
to know much about the cause of this  
present business depression.

We do know that there has been  
a disastrous slump in the prices of  
all farm products and other com-  
modities and that the purchasing  
power of the American dollar has  
increased enormously in the past  
three years.

It seems to be generally agreed  
that there has been a very substan-  
tial reduction during this period of  
time in the amount of money in  
circulation, due in part to hoarding  
and due in part to a contraction of  
the currency. Business is stagnant  
because people have no money with  
which to buy.

Now, it seems to us that the Sol-  
dier Bonus Bill now pending in Con-  
gress would very materially help  
this situation. This bill proposes  
that Treasury notes, commonly  
known as "greenbacks", be issued in  
an amount sufficient to pay the bal-  
ance due the ex-service men on ad-  
justed compensation, aggregating  
about \$2,000,000,000.00. Two billion  
dollars would mean about \$16.00 per  
capita new money placed in circula-  
tion. It would greatly deflate the  
present highly inflated American  
dollar, it seems to us, and would  
tend to bring prices back to "nor-  
mality". It would greatly stimulate  
business because it would place two  
billion dollars in the pockets of  
more than two million citizens of  
this country, most of whom would  
spend the money freely, either in  
purchase of necessities for them-  
selves and families or for the pay-  
ment of harassing debts. As soon as  
people begin to buy freely, there  
will be an increased demand for  
merchandise of all kinds and the  
wheels of industry will begin to  
turn again. Men out of employment  
will be able to find jobs and will in  
turn become purchasers of the  
world's commodities. It therefore  
seems to us that the passage of this  
bill would materially help to end the  
depression and bring prosperity  
back to the country.

The objection to the bill is that  
this "flat" money would have to be  
redeemed, that the gold reserve in  
the treasury would not be available  
or would not be sufficient for the  
purpose, and that the "greenback"  
dollar would probably depreciate in  
value. It is certainly true that the  
Government could not issue unlimited  
amounts of "greenbacks" and  
keep the value of the "greenback"  
dollar on a parity with the gold dol-  
lar, but we believe that the credit of  
this government, with its taxing  
power, would be sufficient to main-  
tain the value of the "greenback"  
dollar as long as the amount issued  
is kept within reasonable bounds—  
and the sum of two billion, in our  
opinion, would not crack the credit  
of our government.

Every candidate for governor in  
every campaign, almost, has a plank  
in his platform favoring the abolish-  
ment of useless offices and bureaus  
and a consequent reduction in gov-  
ernmental expenses, but after elec-  
tion nothing is ever done about it.  
We do not believe that the abol-  
ishment of all useless offices and  
bureaus would curtail expenses very  
materially, for the major portion of  
our governmental expenses go to the  
highways and the schools, but their  
abolishment would help some. Our  
state government and our national  
government are engaged in doing a  
lot of pee-wee things that do not  
amount to a hill of beans, and yet  
it costs money.

If the next governor of Texas,  
whoever he may be, will blue-pencil  
the next appropriation bill providing  
fat salaries for a horde of tax-eaters  
in the various departments whose  
services could be easily dispensed  
with, so as to reduce the appropria-  
tions for these departments from  
25 to 75 per cent, he will have the  
thanks of the people of Texas.

Dr. and Mrs. B. B. Smith were called

funeral of G. T. Lewis, a brother-in-  
law of the Doctor's, who died on the  
preceding day. They were accom-  
panied by their daughter, Mrs. Lois

## New Lynn

Hello, everybody! Here we are again with our report of a number of sandstorms and no rain. A nice rain would be of great benefit to this part of the world now. Wheat is in a dying stage, and if rain doesn't come soon much of it will die for the lack of water.

Few attended singing here Saturday night due to the raging sandstorm on then. Our class visited Singing at Gordon Sunday afternoon and a nice number was present and all reported a fine time. They have changed their singing day from the third to the second Sunday afternoon and now are members of this singing circle which consists of four singing classes. We welcome them into our circle.

Rev. Thurston of Wilson, pastor of the Methodist church, filled his regular appointment here Sunday p. m. at 2:30. A nice crowd was reported present and all enjoyed the splendid service.

Miss Mildred Reno, who was carried to the Lubbock Sanitarium last week, is reported to be in a serious condition. She has been in ill health for some time, but physicians there claim through careful treatment she will soon be able to return home.

Mr. Noble Melton was in Lubbock Monday transacting business.

Mrs. J. H. Barnett, teacher of the 7th and 8th grades, who has been absent from her school room due to illness for several days, is able to teach again. Mrs. Hennington of Gordon taught during her absence.

Mr. Lee Lone returned last week from New Mexico, where he was called some time ago on business.

Mr. C. T. Carpenter and family of Slaton visited in the Higginbotham home Sunday.

Mr. and Mrs. J. H. McCarty entertained a large number of young people with a party in their home

When we came to Tahoka there were only three windmills in sight. Now you can count 20, and there will soon be six or eight more.

The First State Bank of Tahoka is now a thing of the past, for its capital of \$10,000 was found inadequate for the increased business. So we now have The First National Bank with a capital of \$25,000.

Last week The Lynn County Bank increased their capital from \$10,000 to \$25,000, and their responsibility is also increased from \$180,000 to \$600,000, and now they number some of the most substantial men in Lynn and Howard counties among their stock holders.

Perry Clayton, and Tony C. Chisum have gone into the real estate business under the name of "Tahoka Real Estate Company". They will office with The Lynn County Bank.

last Friday night. Everyone reported a nice time.

A splendid program was presented by the young people's society of the Nazarene church Sunday night. Few were present, but all enjoyed the program.

## RESOLUTIONS

To the Worshipful Master, Wardens and Brethren of Tahoka Lodge No. 1041, A. F. & A. M., located at Tahoka, Texas:

We, your committee, appointed to draft resolutions of respect to our deceased worthy brother, R. L. King, who departed this life on March 21, A. D. 1932, very silently near the little town of Lehman, beg leave to report as follows:

Whereas, it has pleased the Great Architect of Universe to call from our midst into His presence above our worthy brother, Rube L. King; And, whereas, in his loss we have received an irreparable blow, for his place among us cannot be filled, because before Free-Masonry made him a Master Mason great Nature made him a man, endowed him with pleasing personality, equipped him with an optimistic view of life which drew all men toward him and held them as friends to the end; and, to know him was to love him and feel refreshed from his abundant friendliness and good nature.

Therefore, be it resolved by this Lodge that in his passing away he has left us an example worthy of our emulation, that his life among us was as a sounding board bringing back pleasant memories saturated with sunshine and happiness, ever remembering that his ever-present smile and abundant good will inspire us in the daily practice of the principles of our ancient and honorable order.

Therefore, be it further resolved, that in his life and works and in the excellent examples of his purity and great love his children have a sweet memory to cheer them throughout this earthly life.

Be it further resolved that a copy of these resolutions be furnished the loved ones, a copy spread upon the minutes of this Lodge, and a copy furnished the Lynn County News for publication.

Fraternally submitted: F. E. Redwine, J. K. Callaway, R. C. Wood, committee.

Mmes. O. J. Hull, H. P. Caveness, A. J. Mullins, Homer Harrison, and Miss Floyce Sherrod attended a Mission Study Institute of the Baptist W. M. # O'Donnell Bank Robbed Today

Advice from O'Donnell state that the First National Bank of O'Donnell was robbed shortly after noon today, Thursday, by three unmasked men, who made their escape in a wine-colored car. About \$1200.00 to \$1500.00 was taken by the men.

No effort was made to enter the vault.

## Locals

Ernest Armstrong and G. H. Montgomery, both of Lorenzo, were here Tuesday and Wednesday visiting relatives. Mr. Armstrong is a brother of H. B. Armstrong of this city, while Mr. Montgomery is a brother of Will Montgomery, who has been here since the stars fell. They were also boyhood friends of Rev. O. J. Hull and hunted him up while here. They all used to wade the creek and steal watermelons together down east somewhere and they said the preacher used to be a real sure-enough boy. In fact they put it in language a little stronger than that but we don't think their remarks were intended for publication. The visitors left Wednesday for Abilene, accompanied by H. B. Armstrong and son Murray.

J. K. Callaway and H. A. Maasen returned Monday from a few days visit in Fort Worth and Dallas. Mr. Callaway also visited his brother at Athens. Mr. Maasen spent most of the time with his mother in Dallas. Mr. Callaway says that it is getting dry over in East Texas and that crops are about a month late.

Miss El Fleda Harrison, home demonstration agent, and Mrs. R. W. Panton attended a Hooked Rug Training School in Lubbock Wednesday and Thursday, conducted by Miss Mayme Lee Hayden, home industry specialist of the A. & M. College.

T. R. Cathcart and sons, Bill and Coy, Jim Gaither and Mr. Jolly, left Monday for the lower Rio Grande Valley, where they expected to find employment helping to gather the vegetable crop.

Miss Jackie McMahan had her tonsils removed in a sanitarium in Lamesa recently. She recovered nicely.

## CARD OF THANKS

We take this method of expressing our thanks to each one who assisted in any way during our recent bereavement when death took our beloved wife and mother. We are sincerely grateful for every kindness shown and for every thoughtful deed. We pray God's blessings may be on each and every one of you.

Especially do we thank the Baptist ladies for the many services they rendered during the illness of our dear one. Thanks, too, to the one who gave the beautiful flowers.

Mr. A. M. Roberts, Mr. and Mrs. T. A. Roberts, Mr. and Mrs. W. E. Roberts, Mr. and Mrs. C. A. Roberts, Mr. and Mrs. G. W. Whitaker, Mr. and Mrs. Paul Howell.

If you need field or garden seeds see Park's Produce. ltc.

## Wilson

H. C. Fountain underwent an operation at a Lubbock sanitarium last mid-week. We are glad to report him doing nicely and at home.

Rev. J. W. Partin and son motored to the north plains Thursday of last week, returning Friday, accompanied by his mother, who has been spending several months with a daughter there.

Mrs. T. V. Martin of Borden Co. is a guest of her daughter, Mrs. W. L. Forrester, and will spend several weeks here.

Mrs. A. N. Hughes returned home Tuesday from a week's visit with her son, Dr. H. H. Hughes, Brownfield. Mr. Freeman, who is connected with the Planters Gin Co. and who holds some land interests, was in our city Tuesday on business.

Mr. and Mrs. Clyde Shaw and children spent the week end in the home of their good friends, Mr. and Mrs. A. L. Taylor of New Hope.

Wiley Tadlock was looking after business in Sweetwater last week. Miss Pearl Forrester of Sparenberg was a week end visitor with her mother. Miss Pearl is teaching in the Sparenberg school and informs us that her school will be out this coming week end.

Mr. and Mrs. Fred Dawson of Terry county were visiting relatives in our city last week end.

Mrs. W. H. May, Clyde Shaw Bass Baker, F. R. Crews, R. C. Forrester, L. Lumsden and Miss Clara May attended a Mission Institute at Lubbock Monday and Tuesday. This was a joint meeting of the Lubbock and Brownfield Baptist Associations.

Messrs. Pat Swann and Bass Baker left Monday morning for Fort Worth with a truck load of hogs belonging to John Heck for the market. They attended the State Sunday School Convention which was in session at Dallas Tuesday, Wednesday and Thursday.

Mr. and Mrs. W. H. May and grandson, Chas. Baker, motored to Hereford Tuesday.

Friends of Mr. Ed Behrens took him by surprise Wednesday evening when they gathered at his home for a birthday surprise party.

Friday afternoon the Spanish and Home Economics departments gave a special program. The entertainment opened with a short play entitled "Un Norte Americano en Mexico", put on by the second year Spanish class. Miss Maggie George, music instructor, rendered several piano selections. Four girls from Spanish I, dressed in typical costumes, sang "Dejo la Luna de Tejas" and "La Paloma". Edith McCormick played a number on the piano, then the tailored dresses of the second year home economics class and the afternoon dresses from the third year class were modeled by the girls who made them. Miss Wright announced the judges decisions of those eligible to represent the school at the State Home Economics rally at Mineral Wells April 28 to 30. Viola Brewer won first for the tailored dress; Natalie Crosby, second; Juanita Cranfill, third. The party dress made by Mary Rose Joplin won first; Velma Ehlers, second; Katherine Terrell, third. The concluding numbers on the program

were "If, for Girls" read by Natalie Crosby and songs by Erwin Sanders and Emmett Aherns with banjo accompaniment. The Economics students expect to sponsor a "42" tournament the night of April 22 as a means of raising funds to help defray expenses to Mineral Wells.

Late Monday afternoon the Senior and Junior classes and faculty drove a few miles out in the north

pasture for a campfire supper. Bacon was fried, eggs scrambled and coffee made. Bread, onions and pickles helped to satisfy keen appetites. The boys exhibited their ability, or perhaps it might be better said, their inability at boxing. All had such an enjoyable time they hope to have another such affair soon.

Rev. and Mrs. Partin and Charles and grandmother Partin and Dr. Ann West left for Dallas Monday to be in attendance at the Sunday School convention in progress there.

In some unaccountable way, two honor roll students were left out of our report of last week. They are Misses Louette Kahlich and Edith McCormick.

Mrs. A. P. White entered a Slaton hospital last Monday for special treatment. We have not learned the nature of her trouble.

James Dulin received quite an injury the first of the week while riding a horse. We understand that in some way the saddle turned rendering him helpless in averting an injury.

W. E. Galloway put a non-leakable roof on his store building the first of the week.

Ernest Blakney and wife made a business trip to Tulsa Tuesday.

## W. J. CROUCH MAKES SOME OBSERVATIONS

Editor News: While the balmy spring breeze is wafting its life-giving elixir over the undulating plains and the birds are warbling their glad songs and the Rhode Island Red rooster is proclaiming the dawn of a new day, I set me down in my cozy chair and allow my thoughts to wander off in a day dream, as I scan the headlines of the daily press and various panoramas of passing events parade before my vision.

First a picture of Andrew Mellon and his two brothers just before his departure for England. Seven billion nine hundred and ninety-nine million four hundred and twenty-five thousand and one hundred and seventy-eight dollars is an awful lot of money, but this is the latest and best estimate of the vast family fortune of the three Mellon brothers. Nearly twice the amount of all the money in circulation in the United States (\$4,821,933,457) distributed equally among the population of the United States, it would mean approximately \$65.00 for each man, woman, and child.

The next picture is the House of Representatives at Washington wrestling over the budget-balancing revenue bill, which is higher than war-time levy, and yet in a short time the campaign orators will be "pointing with pride" to the great economical administration of the powers that be.

In our dream another scene comes upon the canvas, and the old-time lines, "Backward, turn backward, O Time in your flight", bring back to memory the exciting days of the World War and the vast army of young American boys being rushed to the front, the farewells and the sounding drums, the cheers of the crowd as they waved their hands in a parting salute as the trains moved out from the home towns carrying our boys to scenes of death, war, and gas-filled trenches; then the homeward journey of those who survived, many carrying scars and wounds and suffering from gas-bombs—all of this most graphically portrayed in the following poem by George E. Phair about the "Unknown" soldier who dreamed as he went to sleep standing in the breadline:

Waiting on weary feet amid the chill November winds, his mind went leaping back. Back thirteen years across life's rugged track. To stand once more beside that shell-torn hill. The guns were mute, the air was strangely still. Silent the day as if God's healing

breath. Had charmed away the carnival of death. And purged mankind of every earthly ill. And then the welcome home, the fervent cheers, The smiling throngs that gripped him by the hand. Ah, he was proud to tread his native land, The land that would remember through the years—

The breadline moved ahead and he awoke, An unknown soldier, hungry, jobless, broke.

## MRS. COLEMAN WELLS ALL-SEW CLUB HOSTESS APRIL 7

## RECRUITING OFFICER PAYS VISIT TO TAHOKA THIS WEEK

Sergeant M. J. Miner, the Recruiting Officer for the Regular Army, who has an office at 817 1/2 Broadway, Lubbock, was in town this week on a canvassing trip in the interest of the Recruiting Service. Sgt. Miner stated that after having been closed to new men for approximately three months, he was allowed to enlist five new men the latter part of March and expects to be able to take several the latter part of this month. ## IN MEMORY OF EMMA JOICE PRUITT

Little Emma Joice Pruitt, age 9, passed away on last Thursday at 2:30 a. m. and was laid to rest in the Slaton cemetery Friday morning at 10:30.

Funeral services were held in the home and were conducted by Rev. Raybourne of Slaton.

We extend deepest sympathy to the family and other loved ones. "Jesus has taken a beautiful bud Out of the Garden of Love, Borne away, tho the City be far— Home of the Angels above. "But, oh! her dear loved ones, Weep not and be sad. Still on her Saviour rely, We shall behold her again and be glad.

Full blooming flower on high!" —A Friend.

## HALF A CHICK

WHAT can you do with HALF A CHICK? Nothing—of course!

And yet, the value of half a chick represents the difference in cost between RED CHAIN Chick Starter and most other starters of doubtful quality and even more doubtful results.

You KNOW that RED CHAIN raises more chicks to be healthy pullets id cockerels; other starters may—and may not.

So, why take chances with sickness, death and financial loss when HALF A CHICK is the price of success and profits?
