## JOE BURKETT HERE TUESDAY

Candidate For Congress Outlines  
Platform To Local Voters  
Tuesday Night

Former State Senator Joe Burkett of San Antonio, candidate for Congressman-at-Large, place 3, spoke here Tuesday night in the interest of his candidacy.

He advocated immediate cash payment of the soldier's bonus, guaranty of deposits in national banks by the Government and a drastic reduction in governmental expenses and taxes.

"The payment of the soldiers in cash is a solemn duty too long unperformed," he said. "Besides relieving the distress of the ex-service men and discharging our obligation to them, the two billion dollars due them would go into circulation and revive business immediately. There is no danger of over-inflation of our currency by following the plan outlined by Congressman Patman. We need more and cheaper money and higher prices for our commodities and labor. The present price paid for labor means peonage for our laborers and the present price of farm products means pauperism for our producers," Sen. Burkett said.

He stated that nearly ten thousand banks have failed in the United States within the past twelve years with a loss to the depositors of more than three billion dollars, while in Canada only one bank failed during the same time, and not a bank has failed in Scotland in a hundred years. "I believe a bank should be sound when chartered and kept that way, and if the Government lets it run, and the depositors should lose, then the Government should be responsible. This will restore confidence and prevent hoarding."

According to Mr. Burkett our population has increased 27 percent in the past 18 years, while our taxes and expenses have increased 338 percent during the same time. "This means bankruptcy and ruin, if continued. We must cut expenses and taxes from twenty-five to fifty percent," he concluded.

## Attendance Good At M. E. Church

The mid-week service at the Methodist church Wednesday night was one of the finest in many weeks. The usual attendance was augmented by quite a number of the young people who contributed much to the interest and the program. Rev. Smith was in charge and prepared talks were given by R. C. Wood and John Thomas starting round table discussion of service projects for the local church.

Layman C. O. Carmack conducted the worship service for the church hour Sunday morning, and the special musical offerings were vocal solos by Mrs. T. C. Boucher and Betty Lu Suddarth, the latter in conformance to Children's Day observance. The pastor brought a splendid message having for its central thought "Citizenship in God's Kingdom."

In the evening an interesting discourse on a familiar parable, "The Prodigal Son," filled the worship hour, and was much enjoyed.

Plans for the week, other than the regular church night, include a Fellowship Banquet at the church on Thursday night, to which all members and friends of the church are welcome and urged to attend. There will be a novel and interesting program of entertainment and reservations are only 25c. Another feature is a social hour at the parsonage on Friday afternoon at 3:30 o'clock, open to all ladies of the church and at which time Mrs. C. A. Bickley of Lubbock and other out-of-town guests will be entertained.

Let everyone take advantage of this week's special opportunities for fellowship and "get-together," as well as being in attendance on the regular services. Your consistent co-operation, especially by your presence, means much to your church. Reporter.

G. E. Jones of Abilene, proprietor of the Jones Dry Goods store here, was a business visitor in Tahoka Tuesday and Wednesday.

Mrs. Pledger Coleman, who has been sick for several weeks, is slowly improving.

## English Theatre Closes For Time

D. B. English announces that he has been compelled to close the English Theatre for the present.

He has been unable to meet some of the payments due on the equipment and on Monday night a representative of the Western Electric Co., who holds a mortgage on this equipment, visited the theatre and unknown to Mr. English removed a lens, without which it is impossible to operate the machine. The theatre is therefore necessarily closed for the present. Many friends and patrons here keenly sympathize with Mr. English in his financial difficulties and deplore this action on the part of the Western Electric Company.

## Grease Hounds Wallop Bankers

The lowly Bankers again bowed to the hard slugging Oilers Thursday, 4 to 6. Skip Taylor was the only Banker to solve the slants of the newly acquired Oiler pitcher, Pete Edwards. The erratic fielding of the Banker manager, Ray Weathers, was directly responsible for the loss, letting two easy grounders go by that accounted for two runs. That old war horse, Skip Taylor at second also showed his age, letting an easy roller go by for a run. The feature of the game was the pitching of the Oilers, Edwards whiffing not less than 17 batsmen. The Oilers finally found a place to use their old but worn pitcher, Joe Bovell, in a winning position. He was official umpire. The games now stand, Bankers 2, Oilers 2. They will play off the tie this (Thursday) afternoon.

## Lee Satterwhite Is Visitor In Tahoka

Lee Satterwhite, candidate for state railway commissioner, was in Tahoka a few days ago meeting a few of the people. Mr. Satterwhite charges that his opponent, the present incumbent, Mr. Terrell, has been very extravagant and wasteful in administering this office and he promises to cut out the waste. Mr. Satterwhite has served fourteen years altogether in the state legislature, has served three separate districts, and the last time he was in the legislature he was speaker of the house. He bears the reputation of being one of the best informed men in the state with respect to the state's institutions. He claims to have made special study of the matters with which the railway commission deals and is doubtless well qualified to serve in this position. He is a West Texas man, having resided many years at Amarillo and Panhandle, and being a resident now of Odessa.

## Referendum Will Be Voted Upon

The state Democratic Executive Committee Monday decided to submit to the Democratic voters of the state in the July primary the matter as to whether or not they desire a referendum on the Eighteenth Amendment to the Federal Constitution—in other words, whether or not they desire another vote on National Prohibition.

## Lit Moore Out Of Commissioner Race

L. H. (Lit) Moore dropped in Saturday and asked that we announce his withdrawal from the race as a candidate for commissioner from the New Home precinct.

Mr. Moore states that his retirement from the race is solely of his own accord. He consulted no one and no one consulted him about the matter. For business and private reasons he decided to withdraw. He wishes to thank his friends for their promises of support and their friendly interest and he retires with good will toward every one.

Leonard Maxey of the Sul Ross College, Alpine, a friend of Miss Merle Smith who taught there the past year, was a guest of the Dr. Smith family here over the week end.

## HAIL DAMAGES LARGE AREAS

Parts of Petty, West Point, Three Lakes, T-Bar Communities Suffer Losses

A terrific hailstorm visited a large section of the county last Friday, reaching from Petty in the north-west portion of the county almost to O'Donnell. Many crops in the Petty, West Point, Three Lakes, and T-Bar communities were badly damaged, some of the cotton crops being totally destroyed. Many farmers have been replanting cotton this week.

Reins have fallen in many portions of the county during the past ten days, the precipitation varying greatly in different localities. Some sections have had heavy rains while others have had only light showers. On Monday morning a high east wind threatened much damage to cotton crops, the blowing sand whipping the tender plants down to the ground. Most farmers saved their crops, however, by running harrows across their fields, thus preventing the sand from blowing.

Mrs. Betty Lou Anderson and baby Frank of Waco are here visiting her parents, Mr. and Mrs. W. C. Renfro, and sister, Mrs. W. R. Hamilton, of Three Lakes.

## Valuations Of County Reduced

County Commissioner Bob Finley of Wilson was in town Monday and called our attention to the fact that the commissioners court sitting as a board of equalization recently scaled down property valuations in this county.

Renditions on land were reduced one dollar per acre below the rendition given in last year, he says, while the valuations of town property were reduced 15 per cent.

## Local Couples In Double Wedding

Mr. W. J. Brown and Miss Wade Ray and Mr. Howard Wyly and Miss Delma Jones were the contracting parties in a double wedding ceremony that was consummated at 6:30 o'clock Monday morning in Lovington, New Mexico. The two couples left Tahoka Sunday night and returned Monday afternoon.

Mr. Brown is a mechanic employed by the Snowden Chevrolet Co. and is a most estimable gentleman. His bride is the daughter of Mrs. H. P. French of this city and was a member of the Senior Class that recently graduated from the Tahoka High School. She is a most charming young woman.

Mr. Wyly is also a mechanic, conducting a shop in the old Chevrolet place of business. He is a young man of fine character and has many friends here. His bride is the daughter of Mr. and Mrs. Ben H. Jones and is likewise a most talented and popular young lady.

The News joins many friends in tendering congratulations to both these couples and in wishing them the best joys of life.

## Next Dollar Day On Saturday, July 2nd

Tahoka's next Dollar Day will be held on the first Saturday, July 2, instead of the first Monday, due to the fact that the next first Monday comes on a national holiday, July 4.

Local merchants are already making plans to offer special bargains to Lynn county buyers at that time. Most of the merchants are giving Dollar Day tickets with cash purchases.

Both buyers and business men expressed satisfaction with the last Dollar Day.

## BOX SUPPER AT SOUTH WARD NEXT TUESDAY

A box supper will be held at South Ward next Tuesday night, according to W. P. Inman of that community. All candidates are invited and will be given an opportunity to make their announcements.

The community expects to use the proceeds of the supper to buy song books, Mr. Inman says.

## NEW HOME WILL GIVE BARBECUE

July 4th Celebration Will Feature Barbecue, Ball Games And Candidate Speaking

New Home is to stage a big free barbecue on July 4, according to J. P. Fulton, a business man and justice of the peace in that thriving village.

"We are planning for the biggest barbecue ever held on the South Plains," he stated to the News in making announcement of the affair. "There will be plenty of beef, bread, and pickles for everybody at 12 o'clock."

"Speaking by the candidates is expected to begin at 9 o'clock in the morning and continue till noon. A big baseball tournament will begin at 1 o'clock and continue throughout the afternoon. The committee will accept entries from eight teams; entrance fee, \$12.50. Prizes will be awarded as follows: First prize, \$60.00; second prize, \$25.00; third prize, \$15.00. Any team desiring to enter is requested to get in touch with any business man of New Home."

"This picnic and barbecue is being sponsored by the business men of New Home, and everybody is invited."

## O'Donnell Pastor Coming Sunday

Announcement is made that Rev. L. S. Jenkins, pastor at O'Donnell, will fill the pulpit of the Baptist Church here next Sunday morning and evening. It is hoped that large congregations will hear him.

On last Sunday the pulpit was filled by Rev. Turner, pastor at Lorenzo, who brought two fine messages. The Sunday school attendance is holding up well, the average attendance being about 230. The committee on services invites you to attend all the services of the church.

## Miss Mable Draper Weds Fred McGinty

Miss Mable Draper, daughter of Mr. and Mrs. I. M. Draper of the Midway community, who has been teaching at Wells the past year, and Mr. Fred McGinty of the Wells community were married on Tuesday afternoon, June 7, in the parlors of the Fairweather Hotel in Lovington, New Mexico. Rev. W. M. Beuchamp of the Methodist Church officiating. The beautiful and impressive ring ceremony was used.

The bride was practically reared in the Midway community and is one of the most popular and cultured young women of the county.

Mr. McGinty is the son of Mr. and Mrs. Marion McGinty of Plains, Yoakum county, but has been residing recently in the Wells community in this county. He is reputed to be a most excellent young man.

The couple were accompanied from Plains to Lovington by Mr. and Mrs. Marion McGinty, parents of the groom, Miss Montie Draper, sister of the bride, Miss Bill Little and Mrs. Durwood McGinty.

The couple will make their home in the Wells community.

## Wind Demolished Airplane Friday

Lee King and Herman Anglin reported that the high wind late Friday afternoon tore their airplane from its moorings near the high school building and utterly demolished it.

It was anchored down with four 1/2 inch ropes but the force of the wind snapped the ropes in two and carried the plane possibly a hundred yards before completely demolishing it. The loss was estimated at \$400.00, with no insurance.

## New Officials For Masonic Lodge

At a recent meeting of the Masonic lodge here the following officers were elected: W. S. Anglin, W. M.; C. O. Carmack, S. W.; G. A. Brasfield, J. W.; W. O. Thomas, Treas.; O. A. Luallin, Sec.; Clyde Thomas, Tiler.

C. R. Riley retired as Worshipful Master and J. L. Heare as secretary.

## New Grocery Was Opened Saturday

J. B. McPherson, who was formerly local manager for the M-System here, opened a new grocery store in the Hall Robinson building on the west side of the square last Saturday.

The store is known as Mack's Food Store. Mack is well known to the people of Tahoka and trade territory and will doubtless do an excellent business.

Competition in the grocery business is growing tense here and the people of the county can not do better, we believe, than to buy their groceries in Tahoka.

## Tahoka Defeats Lubbock Team

Tahoka defeated Lubbock on the local baseball diamond Sunday afternoon by a score of 9 to 3. The visitors were outplayed throughout the game, it is said. The Lubbock team was in fact made up of two of Lubbock's teams, according to Skip Taylor, manager of Tahoka's team.

There has been considerable comment among baseball fans here during the present week concerning the failure of the sports editor of the Lubbock Avalanche to make any mention of this game. It is amusing to note how this editor plays up every game that Lubbock wins and forgets to make any mention of the games she loses, the boys here say. However, they are not particularly sore over the omission; it is just funny to them.

Tahoka and Meadow will play here next Sunday.

## Pink Parrish Makes His Views Known

The news has received a communication from Pink Parrish of Lubbock, candidate for congressman-at-large, place 1, setting forth his views on some matters of national concern. He calls attention to the fact that he is the only man in this race from the west half of the state. He favors tearing down our high tariff walls yet contends that if the manufacturer is protected with the tariff, the producers of Texas are entitled to the same protection. He thinks we need more money in circulation and thinks that Congress should control the mints of the country rather than permit the money in circulation to be determined and controlled by the Secretary of the Treasury and the high officials of the Federal Reserve System. Senator Parrish says that he will do most of his campaigning in other parts of the state, leaving his interests in this section in the hands of his friends.

## Two Prisoners Go To Huntsville Pen

Sheriff B. L. Parker left Tuesday with two prisoners to be turned over to the penitentiary authorities at Huntsville, Fred Ermas and W. D. Chenault.

Ermas was convicted at the last term of court on a charge of unlawfully possessing and transporting intoxicating liquor. He is the man whom the sheriff and his deputy John Bulman met and ran down on the highway between Tahoka and O'Donnell early last Fall. They found a large quantity of whisky in his car. He was convicted and the jury assessed his punishment at two and a half years in the penitentiary.

Chenault was convicted of unlawfully selling intoxicating liquor and was given two years in the pen. He was also convicted of assault to murder upon a fellow prisoner while confined in jail here, his punishment in this case being assessed at one year in the pen.

Mr. and Mrs. N. E. Ballou, Billy and Geraldine Pollard and Elvora Dulaney returned Monday from a two weeks outing at Carlsbad and Ruidosa, New Mexico. They report a most wonderful time up in the mountains.

Mrs. Chester Connolly, who underwent an operation in the Lubbock Sanitarium recently, is gradually improving.

## JIM FERGUSON TO SPEAK HERE

Ex-Governor Coming Saturday In Interest Of Wife's Race For Governor

Ex-Governor James E. Ferguson will speak on the court house lawn in Tahoka at 10 o'clock Saturday morning in the interest of his wife's candidacy for the governorship, according to information given J. S. Wells Wednesday over the telephone. It is possible but by no means certain that Mrs. Ferguson will be here also. If so, she will make a short address preceding his speech.

The Fergusons will speak in Lubbock on Friday night, and J. A. Humphries of that city writes that they are expecting a crowd of ten or twelve thousand people.

There will doubtless be an immense crowd here Saturday morning, for Jim Ferguson always draws a big crowd. He is possibly the best political campaigner in Texas, and there is never a dull moment from the time he begins to speak until he closes.

Mrs. Ferguson carried this county by a handsome majority two years ago and the Ferguson supporters are predicting that she will carry it by even a larger majority this year.

Whether you are for Ma or for some other candidate, you are invited to come to Tahoka early next Saturday morning and hear Pa speak. It's worth the money to see him in action.

## Hancock Withdraws From Political Race

I wish to take this means of announcing to my friends in the Commissioner's Precinct No. 4 that I am no longer a candidate for office in the above named precinct.

I wish to thank each and every one for any interest you have manifested in me, but since within the last month my plans have been made to return to my farm in Central Texas I feel that it is to my interest and yours that I withdraw from the race.

With three good men in the race anyway I feel sure that you'll have a fine commissioner.

F. H. HANCOCK.

## Fire Destroys New Lynn Home

The hands and arms of Mrs. B. E. Leath were severely burned and the hair of her head singed when an oil stove exploded in their residence situated in the New Lynn community last Thursday, resulting in the complete destruction of the house by fire.

Mrs. Leath was standing near the stove when it exploded and scattered fire throughout the room. She first tried to smother out the flames but her apron caught fire and she was compelled to abandon her efforts. Tearing off the burning apron, she called to her daughter-in-law, who was out about the garden, for help. When the daughter-in-law reached the room she found Mrs. Leath lying on the floor, having been overcome with the smoke and fumes. She dragged the elder woman out of the house and then both re-entered the room and attempted to remove the stove from the building. It was in this effort that Mrs. Leath's hands and arms were so severely burned. The younger Mrs. Leath also sustained slight burns.

Mr. Leath and other members of the household were in the field far away when the explosion occurred and they did not discover the fire until the house was almost consumed.

Not only the house, which was a six-room structure, but also nearly all the contents were destroyed. Three mattresses, a bedstead, and a trunk were saved by the mail carrier on route 2 out of Wilson, who happened to be near when the fire started.

Mr. Chesher, a neighbor, was in town Friday and Saturday collecting funds and clothing for the distressed family and most of the business men made contributions for their relief.

The Leath family are tenants on the S. R. Lynn farm, six miles east and six miles north of Tahoka.

## NOTICE TO THE PUBLIC

Any erroneous reflection upon the  
Advertising Rates on Application  
reputation or standing of any indi-  
vidual, firm or corporation, that may  
appear in the columns of the News,  
will be gladly corrected when called  
to our attention.

The field is full of candidates for  
Congressman-at-large. Many of them  
are practically unknown personages.  
Some of them are too well known.  
A number of them are splendid citi-  
zens. Some are mere freaks. We re-  
ceived a communication from one of  
the "unknowns" Monday morning,  
however, that is unique, to say the  
least of it. Monte Warner sends us  
a sheet of his campaign literature  
from Glendale near Hollywood, Cal-  
ifornia. He claims to be a "broke oil  
field owner" and gives San Angelo,  
Texas, as his home. He says he does  
not expect to be elected but is run-  
ning anyway. Without stating his  
position on any public issue, he  
works off some splendid philosophy.  
We quote from one paragraph as fol-  
lows: "In Washington I wrote a  
column of political news for about  
70 newspapers and as a former  
newspaperman I submit that some  
of those who so regularly and so  
freely criticize Congress ought to  
stand for the office and offer the

nation the benefit of their superior  
wisdom. Our Congress is not perfect  
but it is the one we elected and in  
this crisis we ought to let it alone  
to work out a salvation. As a secre-  
tary to a member of Congress I  
opened and answered the mail and  
I am frank to state that most of the  
letters and telegrams sent in good  
faith do more harm than good in  
that they have a tendency to cause  
an expert to favor the masses  
against his own professional judg-  
ment. Let Congress alone; it is the  
only one we have to look to for leg-  
islative relief. If you lose confidence  
in a member replace him but while  
he's there don't make a slave out of  
him running your errands and an-  
swering your mail. He's already  
heard your argument in committee  
or on the floor or read it in the  
Record. Statesmanship is a profes-  
sion just as surely as law or medi-  
cine or teaching and is not acquired  
in business or by mere election."

Tom Connolly has been selected to  
place the name of John Garner be-  
fore the Democratic national con-  
vention as the choice of Texas for  
the Presidency. Tom has a silver  
tongue and he will doubtless picture  
the "Sage of the Chapparral" as a  
peerless leader "than whom there  
is no whomer" when he gets into  
action in Chicago. Tom also has a  
sharp tongue, and it is not believed  
that he will let any opportunity pass  
to make the Republicans squirm. If  
Roosevelt is not nominated on an  
early ballot, and with Connolly mak-  
ing the welkin ring for the pictur-  
esque Texas statesman, seconded by  
the suave and resourceful McAdoo  
of California, there is no telling  
what will happen in the Democratic  
convention. John Garner might be-  
come the nominee. Stranger things  
have happened.

## Edith

she will soon recover.

Mr. Edgar Hammonds started to  
school at Lubbock last Monday.

Mr. and Mrs. W. T. Garnett spent  
Sunday with his brother, Mrs. E. T.  
Garnett, of Draw.

Buster Fenton says that somebody  
carelessly picked up a good fountain  
pen in his office recently and walked  
off with it. He would be much  
obliged to the gentleman if he would  
return it.

## Wilson

More than an inch rain fell Saturday night and another fine rain Monday night without much wind and no hail. Everything that was up is growing by leaps and bounds and it looks as if a bumper crop may be expected.

Wilson school closed another successful term Friday with a crowded auditorium of friends and patrons to witness the commencement exercises, as follows: processional, orchestra; invocation, Rev. H. L. Thurston; salutatory, Miss Florine Server; music, Luther League orchestra; address, Hon. Clyde Thomas, of Big Spring; reading, Miss Natalia Crosby; valedictory, Miss Sidonia Mueller; awarding scholarships, Brady Nix; vocal solo, Miss Lela Day accompanied by Mrs. J. L. Hobbs; awarding of diplomas, Mr. C. A. Coleman; recessional, orchestra. Diplomas were awarded to Misses Sidonia Mueller, Juanita Cranfill, Blanche Swann, Catherine Terrell, Florine Server, Messrs. Leroy Crews, L. H. Traweck, Preston Riney, Earl Cummings, J. T. Fountain and Raughly Williamson. The two scholarships were awarded to Leroy Crews and Sidonia Mueller.

A part of the teachers live in Wilson and are still with us but the others have gone in all directions for the summer. A. L. Faubion, Supt., Misses Laverne McCormick and Curtis Cook are resident members of the faculty and will remain here. Mrs. W. L. Forrester goes to San Angelo, Mr. and Mrs. Brady Nix to Stephenville, Miss Sallie Beth Wright to Denton, Eva Faye Huffaker to Avoca, Mavis Carney to Brownwood and Lela Day to Dallas.

Miss Lela Day, accompanied by Miss Sallie Beth Wright, left for Dallas via Denton Monday. Miss Wright will stop at Denton and Miss Day will be joined by her sister Lela at Dallas and they will go to

Philadelphia, Pa., to spend the summer with a sister. They plan to visit many places of interest en route and to tour the New England states during their stay in Philadelphia.

Mrs. C. Shuknecht, while entertaining friends in her home Thursday evening, became seriously ill in a very short time and passed away in spite of all that could be done. Interment was made in the Wilson cemetery late Friday afternoon. We understand that heart trouble was the cause of her going.

A number of friends met at the home of R. C. and Mrs. Forrester on the evening of June 7, to celebrate his daughter O'Ber's wish to make it fiftieth birthday. Mrs. Forrester and a complete surprise to Mr. Forrester and did so a hundred percent, as the first knowledge he had of it was when the guests began to arrive. A very pleasant evening was spent in various games and chats among those present and at a late hour refreshments of cake and ice cream were served. Mr. Forrester says it isn't so bad to have a fiftieth birthday with so many good friends to pull him over.

Miss Louise Mensel, who has made her home with the Lumsdens for the past several years, is now on her vacation, visiting with home folks and friends in South Texas.

R. E. Painter and family left Tuesday for Fielton, Lamb county, where they will make their future home. Mr. Painter has for several years been in the drug business at this place and will re-enter that vocation in his new home town.

Miss Blanche Swann, who has made her home with her brother Pat through the past school term, left for her home at Richland, New Mexico, Saturday.

A nice crowd enjoyed the music recital at the high school Tuesday evening. Selections were rendered by the pupils of Miss Maggie George of Slaton. Other numbers were given by members of Miss Forrester's expression class.

Misses Mattie Pearl and Maxine Jones, who have been visiting friends in Wilson several days, returned to their home in Tahoka Wednesday.

Mrs. Elbert Monroe and sister, Miss Laverne McCormick, are visiting relatives in the New Home community for a few days.

Mr. and Mrs. Ed Wilson and family returned to their home in Lakeview, Hall county, after having visited in the J. W. Partin home several days. They were accompanied by J. W. Partin Jr., who will make them a brief visit.

Hiram Giles and family of south of town were guests in the McCormick home Wednesday.

## Cowboy Reunion Is July 4, 5 And 6

Stamford, June 15—Pioneer Texas cowboys, who "won and ruled an empire from the saddle" will hold their annual round-up in Stamford in connection with the Texas Cowboy Reunion July 4, 5, and 6. The old-timers have their own organization known as the Texas Pioneer Cowboy Reunion Association.

The pioneers will hold their convention and elect officers on the morning of July 4. However, they will be guests of the Texas Cowboy Reunion throughout the three days of the gathering. Membership badges of the pioneer association will admit the veteran cowhands to all rodeo performances, to the chuck wagon dinner each day and the oldtime square dances each night.

Men who were actively employed on the range or trail 35 years ago are entitled to membership. Widows of men who would be entitled to membership also are eligible. Col. R. L. Penick of Stamford, president of the pioneer's association, is mailing out invitations to some 600 members and prospective members.

The assembling of the pioneer cowboys and cattlemen to renew acquaintances swap stories and revive memories of the old West, is one of the outstanding features of the Cowboy reunion each year.

As a part of the rodeo program, a contest in calf-roping will be held

for cowboys over 55-years of age, with a handsome \$150 saddle as first prize. The oldtimers also will be represented in the selection of the two most typical cowboys, one of the selections to be over 55 years of age and the other under 55.

## LAMESA REPORTER HAS NEW EDITOR-MANAGER

The Lamesa Reporter has a new editor, according to announcement made in that paper last week. J. L. Martin, well known in newspaper circles throughout West Texas, is the man now at the helm. Mr. Martin was formerly editor of the Snyder Times and has served in a like position on several West Texas newspapers. Recently he sold a daily paper published by him at Childress. Mr. Martin is a good man and loves newspaper work. May he succeed greatly at Lamesa.

The management of this paper has changed rather frequently during the past few years. Lamesa has long had two newspapers and recently a third one was established. We don't know what Lamesa will do with three newspapers. Two is more than the town needs. If the law of "the survival of the fittest" applies to the newspaper field, a couple of these papers will probably turn their toes up to the daisies before many moons and then Lamesa will be in position to support on jam-up good paper.

Good luck to you, Martin.

Dr. J. H. McCoy is able to be in his office again this week after two or three weeks siege of sickness. His trouble has been diagnosed as Myocarditis, or inflammation of the muscles of the heart.

## Wells

That June is here was proven by Mr. Fred McGinty and Miss Mable Draper when they surprised their friends by going to Lovington and being married last Tuesday. Those who accompanied them were Mr. and Mrs. Marion McGinty, who are the groom's father and mother, Mrs. Durwood McGinty, Miss Montie Draper, the bride's sister, and Miss Bill Little, a friend. Mr. and Mrs. McGinty surprised us but got the tables turned on them last Saturday night. After church the young people, who by their scout work had learned that the young married couple were at T-Bar attending a play, went over there and took them under their care. Bringing them back to the lake between Mr. Claud Tyler's and Mr. P. E. Askew's farms, gave both of them a good swim. Everyone joins in extending them hearty wishes, congratulations, and a long, happy married life. They are to reside in this community.

Large sections of this community were visited by severe rain and hail storms. The worst that was reported was at Mr. Charlie Brendel's and Mr. Roy Askew's homes. At Mr. Brendel's home eleven window panes were broken and his screen destroyed. The roof, which was heavy galvanized sheet iron, of Mr. Askew's house, was bent and curled up so that the rain, as he stated it, just poured in. Almost all the people here will have some replanting to do.

Mr. Roy Ledbetter and Mrs. Bes-

sie Unsell are on the sick list. The report comes in that the little daughter of Mr. and Mrs. Smith has had a severe accident. While playing near a large six inch pipe, which was tied up, she got her leg broken twice by the falling pipe. The flesh was badly mangled and Mrs. Minnie McMillan, who has had some training as a nurse, said the break was the worst she had ever seen.

Mr. C. J. Richter carried Miss Roxie Hancock to Lubbock Sunday. Mr. and Mrs. Dallas Vaughn of O'Donnell visited the latter's parents, Mr. and Mrs. D. J. Bolch, here Sunday.

Mr. and Mrs. Wright Edwards, who have recently moved from O'Donnell to Three Lakes, attended church and B. Y. P. U. here Sunday night. They were accompanied by their daughter, Ruth.

Mr. G. M. McConal and C. J. Richter started their new combine in Fred McGinty's wheat Monday.

Mrs. Annie Jackson of Draw spent most of the past week visiting her friend, Mrs. Carl Unsell.

Mr. J. J. Waldrop and son, Joe, made a business trip to Brownfield Friday and had to drive very swiftly to beat the storm home.—Reporter.

W. T. Jones Jr. left Monday with a party of Littlefield friends to try his luck as a fisherman in the placid waters of the Concho. He is expected back with a string of fish stories about Friday.

## Suffered Ten Years Then Found Sargon

Recommends It Because It Proved Worth in Her Case

"Sargon and Sargon Soft Mass Pills are the most wonderful medicines I have ever used. I say this because they have brought back my health after I had suffered for ten long years. My liver was torpid and my complexion sallow. My entire system was filled with poison. I was dreadfully nervous and was losing my strength and energy. Sargon ended my troubles as no other medicine has ever done. But the greatest blessing of all was the way the Sargon Soft Mass Pills relieved me from constipation from which I had suffered for so many years."—Mrs. Alexander Malcott, 1400 W. ## MEN'S BIBLE CLASS WILL OBSERVE FATHERS' DAY

The Men's Downtown Bible Class which meets each Sunday morning at 9:45 at the English Theatre is carrying on nicely, considering the handicap of having lost their teacher, Brother O. J. Hull.

The class had an attendance of 46 last Sunday. This is a slight increase over the previous Sunday and shows a splendid spirit on the part of the members. We each feel fortunate in that we may be assured of most interesting and instructive lessons, as Mr. G. E. Hogan Sr. has been elected class teacher and E. I. Hill assistant teacher. These men are teachers of outstanding ability and it is hoped the class will continue to grow in numbers and influence and thus reflect credit to the memory of our beloved pastor who worked so faithfully with us.

There will be a special program next Sunday, June 19, in honor of fathers, it being Fathers Day. The expected attendance is set at 75. Let's make it 100.—Class Reporter.

## TAHOKA PRODUCE CO. FURNISHED THE HENS

In our story published last week narrating the distribution of prizes on Dollar Day, we mentioned the fact that tow hens were released to the crowd but neglected to state that the hens were furnished by the Tahoka Produce Company. Such is the fact, however, according to information given us since last week's issue.

Not only did the Tahoka Produce Company furnish the hens but they affixed a note of instructions to each hen directing the possessor to bring the same to the place of business of this concern where additional prizes would be awarded. With one of the hens 50 pounds of ice was given away and with the other eight and a half pounds of scratch grain.

Farmers of Texas sold \$62,500,000 worth of beef cattle, calves, and sheep in 1931.

Hogan, left for their home Wednesday. Mrs. Ferguson's husband is a nephew of ex-Governor James E. Ferguson. He is serving as district attorney of his district and is now a candidate for district judge.

# Have You The "Can't Afford It" Habit?

The use of that phrase does not suggest the inability to buy so much as the desire to practice rigid economy \* \* \* to save \* \* \* to deny yourself needed and necessary commodities.

But Man, oh Man, and you, too, Madam, how better and more effectively can you practice economy and thrift than to buy when prices are at their lowest ebb in years?

How more certainly can you insure economy than to replace worn or out-of-date furniture than when new is selling for one-third of what it sold for 15 years ago? Or stock up on food products when they are 40 percent less than any time since the war? Or clothing when \$53 today will buy you what you paid \$100 for in 1912? Or tires and automobile accessories at the lowest prices in history?

What you really cannot afford to do is not buy because you cannot afford to miss today's low levels \* \* \* prices that are an actual boon to reduced incomes \* \* \* to the practice of sensible, far-sighted economy.

## Fifty-Four Years Of Pioneering On The Plains Of Texas

### FIRST SETTLEMENTS ON THE PLAINS

Hank Smith was the first permanent settler on the South Plains. When I came to what is now Crosby county with the Slaughters in 1878, Hank Smith had just moved in a few weeks previously from Fort Griffin in northern Shackelford county.

Fort Griffin was at this time the furthest western outpost. A small company of soldiers had been sent here to guard Texas against depredations of the Indians and to otherwise preserve peace. A few ranchmen and honorable buffalo hunters made this headquarters. But for the most part, Fort Griffin's citizenship was made up of the scum of the earth—desperadoes, fugitives from justice—who plied many trades, honorable and dishonorable. There were saloons and dance halls, gambling and drinking, and all kinds of crime. Also, a small tribe of friendly Tonkawa Indians camped near the town.

Along with this cosmopolitan populace came C. P. Tasker, a young Philadelphia spend-thrift, acion of "wealthy and prominent family," and stopped at the hotel owned by Hank Smith, one of Fort Griffin's few honorable citizens. While here, the sporting Tasker conceived the idea of establishing a ranch in the Blanco canyon in Crosby county and employed Hank Smith to build the headquarters. This was the first house built on the South Plains and is now prominently known as the "old rock house"—it is built of rock. Tasker bought a small herd of cattle and branded "CPT" to stock the ranch with. He soon became involved financially, principally to Smith, I think, and the latter came into possession of the ranch, rock house and cattle and moved to his newly acquired property. Tasker left the country.

The Hank Smith place is eight or ten miles north of Crosbyton. Hank Smith was a man with a vision and had a desire to see his neighborhood develop. He was the first Plains advertiser and land agent. He got in touch some way with Paris Cox, a Quaker resident of Indiana, and interested him in coming to Crosby county. Cox, his wife and children and several others arrived in 1880. They settled fifteen or eighteen miles west of the Hank Smith place, and named their proposed town Marietta. This name was changed, however, to Estacado when a postoffice was secured.

Cox succeeded in moving a number of his Quaker brethren to Estacado, which is a few miles north of where Lorenzo is now, and soon this was a flourishing town. When the county was organized in 1886, Estacado became the county seat. It remained the capitol until 1892, when the courthouse was moved to Emma, south of the present city of Ralls. After a hot fight, Crosbyton won the courthouse in 1910. Among the prominent citizens who were among the Quaker settlers at Estacado is Dr. J. W. Hunt, now president of McMurry College and well known as one of the South's leading Methodists. Estacado even had a Quaker college in its "hey-day".

At the time we came to Crosby county, there were only two stops on the 140 mile road to Fort Griffin, the

Horse-Shoe and T-Cross ranch on the Double Mountain fork of the Brazos owned by "One-Armed" Jim Reed of Fort Worth, and the Matthews and Reynolds ranch.

About this same time, two men, Conrad and Rath, built a sod house about two miles northwest of Silver Falls, and set up a sort of store, selling guns, ammunition, food, and other supplies to buffalo hunters who were then killing off the last few straggling herds of buffalo that had until two or three years previously roamed the Plains in countless thousands and thousands.

The first census on the Plains was taken in Crosby county in 1880, and Lew P. Krause, the enumerator, found eighty-two residents. Many of these were not bona fide Crosby county citizens, however, since several were said to have been buffalo hunters or transient cowboys. Also, the company of Texas Rangers then stationed in the county were enumerated.

Though Hank Smith is generally credited as being the first settler of the South Plains, there were two who came out to settle before him. However, they lived below the caprock south of where Crosbyton is now and did not prove to be permanent settlers. These men, Ben Holt and brother, built a house and set up a little supply store for buffalo hunters. The year before we came to Crosby, the Holts brought out 1,500 head of hogs from East Texas to feast on dead buffalo and acorns along Catfish creek.

After building the house, Ben went away to get married. Both of the Holts had soon left the country and the hogs were allowed to run wild. In the fall of '78 when we had finished our branding we killed one of these hogs every now and then for food. For a number of years some of these hogs ran wild along the breaks of the Plains, and there have been many people who wondered how these swine came to be in this section. The story that Ben Holt was killed and the hogs liberated by Indians is not true. Ben returned to Crosby county in '79 or '80 for a short stay, and I talked with him myself.

At this time, '78 to '80, the terminus of the Texas & Pacific was at Fort Worth, but this road was opened up to Abilene early in 1881 and extended to Sweetwater, Colorado, and Big Spring later in the year. The coming of the railroad made the latter two cities busy centers and growth and development of the west was on.

Pete Snyder, a Pennsylvania Dutchman, had a store where the city of Snyder now stands. There were a few small settlements on the North Plains and Panhandle. Old Tascosa, on the Canadian, was seeing its wildest days. Col. Chas. Goodnight had been grazing cattle in Northwest Texas and Southeastern Colorado for several years, but was just now getting his permanent ranch in Armstrong county established. There were a few little towns in the Pecos and Rio Grande valleys of New Mexico. Tobacco Creeks, Moosa's Draw, Taboka Lake, Double Lakes, the Yellowhouse, Blanco creek, and Runningwater were still watering places for the remaining buffalo and buffalo hunters and marauding bands of Indians.

George W. Singer laid the foundation for Lubbock when he established a little store just northwest of the present site of the city and on the Yellowhouse to furnish supplies to buffalo hunters and a few travelers that braved the Plains' "waste" on trips to New Mexico. Two brothers, George and John Causey, buffalo hunter, had built a sod house up at Yellowhouse Lake in what is now Lamb county.

So, you see, life wasn't very plentiful on the Plains until in the '80's, and not then as compared with the beginning of the present century.

Hale county was not organized until two years after Crosby, 1888, according to the Texas Almanac. Lubbock was organized in 1891, Floyd in 1890, Lynn in 1903, Terry in 1904, Dawson and Gaines in 1905, Garza and Yoakum in 1907, Lamb in 1908, Bailey in 1917, Hockley in 1921, and Cochran in 1924.

## Locals

Eddie Hatchett and a party of friends spent the first of the week here visiting Eddie's grandparents, Mr. and Mrs. J. E. Ketner, and other relatives. They left Wednesday for St. Louis, where Eddie expects to operate a cafe. Eddie has been residing at Los Angeles the past several years. He was reared here and his many friends here were delighted to see him.

Mr. and Mrs. Emory Nance left in their car Tuesday morning on their return trip to Washington, after having spent about ten days here visiting Mrs. Nance's parents, Mr. and Mrs. W. L. Knight, and other relatives. They were accompanied by Mrs. Borden Davis and little daughter Gwynnelle, who will visit Mrs. Davis' parents at Rule, Rev. and Mrs. J. F. Curry.

R. E. Key is spending the week at Plains, Yoakum county, conducting some kind of a Sunday school institute.

## THE PEOPLE OF TEXAS MUST DECIDE THE FATE OF TEXAS RAILROADS

● THE WELFARE of Texas and Texans has gone and will always go hand in hand with the welfare of Texas railroads. Their dependency upon each other is absolute.

In 1929 Texas railroads gave employment to 82,956 employes, to whom they paid annually \$126,674,543 in salaries and wages. In 1930 this number decreased to 70,739 while the payroll declined to \$109,892,226. In 1931 the number of employes fell to 57,098 and the payroll to \$89,505,918.

This represents a decrease of more than \$37,000,000 in purchasing power in Texas communities. There has been a corresponding decrease in purchase of materials and supplies by Texas railroads. The ability to have maintained railroad payrolls and purchases would have been a very important factor in overcoming the present trying economic condition.

The decline in railroad payrolls and purchases is due only in part to economic conditions. The revenues of the railroads have been affected not only by business conditions but to a very large extent by loss of traffic to trucks and buses using the public highways in competition with the railroads.

● The time has come when the people of Texas must decide whether the traffic of this state can best be carried by the railroads, using facilities which they built and maintain at their own expense, or by trucks and buses using the highways built and maintained at the taxpayers' expense.

Sunday school was well attended  
Sunday morning. We failed to have  
preaching services due to the fact  
that Bro. Braswell did not fill his  
regular appointment. The B. Y. P.  
U. program was rendered well Sun-  
day night and there was a large  
crowd present.

The W. M. S. met Sunday morn-  
ing after Sunday school closed and  
the program was enjoyed by every-  
one. We have changed our meeting  
days and we have the meetings on  
Sunday after Sunday school instead  
of Thursdays, so everyone come out.

Misses Ina and Ina Henry have  
returned home from Stamford, where  
they have visited their sister for  
the past two weeks.

Mr. Landon Smith came home Sun-  
day afternoon from California,  
where he has been going to school  
for the past school term.

Mr. and Mrs. Pribble Adams of  
Tahoka were the guests of Mr. and  
Mrs. L. K. Nelson Sunday.

Miss Lee Ramsey took ill last  
week, but she is much improved at  
present.

Little Odell Bowen is still very  
sick at present.

Misses Ina Henry, Edna Walters,  
Messrs. Wayne McClintock, and  
Floyd Walters went to singing at  
South Ward Sunday afternoon.

Mr. Roy Curry of New Home is  
visiting a few days with his parents  
Mr. and Mrs. Jack Curry.

Miss Ina Henry is visiting her sis-  
ter at O'Donnell this week.—Re-

## Lakeview

We had about the largest crowd  
at church services Sunday that we  
have ever had. Summer is here.  
Let us all come to church and do our  
part to carry on the work of our  
Master.

The past week has been a busy  
week for the school. The high school  
had their banquet Wednesday night.  
They had the graduation exercises  
and some short plays Thursday  
night.

We had a community picnic at the  
school house Friday. We had two  
baseball games, one in the morning  
and one in the afternoon. Basket din-  
ner was served to all. Everyone  
seemed to have enjoyed themselves  
very much. The picnic was cut short  
on account of the rain.

Most everyone got a good rain  
Friday and Saturday.

Mrs. W. A. Baker of Winters  
spent the week end with the L. H.  
Moore family.

Mr. and Mrs. Adams have gone to  
Edinburg to spend the summer.

Mr. L. H. Moore made a business  
trip to Lamesa this week.

Miss Wanda Schwartz is spending  
this week with friends at Brown-  
field.

Messrs. Jay Moore and M. J. Wil-  
liams returned this week from Abi-  
lene, where they have been attending  
the Young People's Summer Assem-  
bly at McMurry College. They re-  
ported that they had a real good  
time and that the assembly was the  
best they had ever attended. They  
were happy to state that our League  
received special recognition as being  
the best in the Northwest Texas  
Conference. We had a one hundred  
percent secretary's book.—Reporter.

Singers Broadcast  
From Station KFYO

Last Wednesday a number of Ta-  
hoka radio listeners enjoyed a pro-  
gram broadcast from KFYO, Lub-  
bock, which presented our own home  
talent, Miss Lucille Slaton, in two  
delightful vocal numbers, and Chif-  
ton Janak in two splendid baritone  
songs. Each was accompanied by Mrs.  
Rudie D. Suddarth, who arranged  
for their program without a prior  
audition.

These are two of Tahoka's most  
gifted young people in their particu-  
lar line and both voices showed  
marked development and improve-  
ment. Miss Lucille has spent the last  
school year in the C. L. A. at Denton,  
specializing in voice, and receiving  
sophomore credits for her unusual  
work. Since Feb. 1, Clifton has been  
a voice major in Amarillo College of  
Music, and last week shared there  
with an advanced student in piano  
a public recital which was thoroly  
enjoyed by an enthusiastic audience.  
After a few days' leave of absence  
visiting with home-filks and friends,  
he returned Wednesday to resume  
intensive study for the two summer  
terms. Interested friends may hear  
him as baritone of a male quartet in  
the regular weekly broadcast from  
Amarillo station KGRS, on Friday  
mornings at 11:00 o'clock.

Mrs. M. L. Handley and daughter  
Lavada and Mrs. Veda Davis visited  
friends and relatives in Meadow and  
Brownfield Sunday.

## FACTS ABOUT ALCOHOL

The following statement of facts  
was prepared by Miss Bertha R. Pal-  
mer, superintendent of the Depart-  
ment of Public Instruction of the  
state of North Dakota, and is here  
reprinted from the Union Signal:

1. The alcohol in beer, wine,  
and ale is the same alcohol that is  
in whiskey. It is the alcohol that is  
injurious;

2. It never satisfies the appetite  
it creates;

3. It is not a food but a habit-  
forming drug;

4. It cures no disease, therefore,  
it is not a medicine;

5. It is always a narcotic, even in  
small quantities; it is never a stimu-  
lant;

6. It depresses the nerve centers  
long before the effect can be noticed  
by observers; it reduces self-control  
and causes confusion in thought and  
judgment. Therefore, the person who  
has taken one drink is a dangerous  
driver on a street or highway.

7. Beer is the most harmful of  
alcoholic drinks because it is the  
most seductive. . . no other leads  
so easily to intemperance.

For nearly one hundred years the  
people of the United States tried to  
regulate the liquor traffic by laws,  
licensed saloons, local option, state  
dispensary, state prohibition. But  
the brewers violated all laws aimed  
at controlling the sale of alcohol. By  
1919 state prohibition was effective  
in twenty-seven states; before na-  
tional prohibition was adopted thirty-  
three states were dry.

The Congress that submitted the  
Eighteenth Amendment to the state  
legislatures voted better than three  
to one on the question. Thirty-six  
states (three-quarters of the Union)  
ratified the Amendment in one year  
and twenty-eight days; forty-six  
states have ratified; the shortest  
time in, and the greatest majority  
by which any amendment to the Fed-  
eral Constitution has been made. Of  
the 92 state bodies ratifying, 21  
voted unanimously; in 6 states, both  
bodies were unanimous; since then,  
repeal measures have succeeded in  
only 5 states. In the last legislative  
season, 13 states had no wet bills to  
consider; of the 115 wet bills intro-  
duced in the other states 104 were  
defeated; of the 11 which passed, 5  
were in New York. In eleven years  
the United States Supreme Court  
has returned more than 40 decisions  
favorable to the dry law.

"They say" there is a growing  
sentiment for repeal; but the votes  
do not show it. The Hoover-Smith  
campaign in 1928 was a referendum,  
for Governor Smith and other wet  
leaders made their campaign upon  
the prohibition issue.

"They say" there is more liquor  
sold in 1931 than in 1919. If this is  
true, then repeal would hurt the  
brewer's business! If this is true,  
then legitimate business should cease  
to advertise, close front doors to  
customers, and sell only in hidden  
places and in dark alleys.

In ten years the Eighteenth  
Amendment has closed 507 distille-  
ries, 170,000 open saloons, 224 out  
of 275 liquor cure hospitals, 1247  
breweries which made 1,800,000,000  
gallons of beer each year, made the  
liquor traffic an out-law—it cannot  
advertise, cannot collect bills, cannot  
occupy a good corner, and its op-  
erators are criminals.

"Judged by what it has done, in-  
stead of what it has failed to do,  
prohibition is an abounding success."  
Its enemies fail to state that the  
evils they denounce are chiefly due  
to their own unscrupulous efforts to  
defeat a law that they cordially  
hate. Do not get your facts from  
headlines in wet newspapers. Re-  
members a few people shouting  
make more noise than millions who  
remain silent.

Carpenter Moving  
To Andrews County

Roy Carpenter removed his law  
library Monday to Andrews, where  
he will hereafter practice his pro-  
fession. Mr. Carpenter says that he  
established his residence there sev-  
eral months ago with a view to mov-  
ing his office later.

A few days ago he announced as  
a candidate for county attorney of  
Andrews county, having been peti-  
tioned to do so by a large number  
of the citizens of that county. He  
feels that his nomination and elec-  
tion are practically assured.

Don Bradley, secretary of the  
cemetery association, says that he  
sent out many letters last week ask-  
ing interested parties to pay their  
dues but that the response was very  
meager. Unless the members who  
are in arrears begin paying their  
dues, Mr. Bradley thinks that it will  
be imperative for the association to  
dispense with the services of a sexton  
and to let the cemetery grow up in  
weeds.

Miss Leta Tarrance of Lubbock  
was the week end guest of Mrs. D.  
W. Gaignat.

## SELF-SERVING PROPHETS

Some politicians are still laboring  
under the impression that it helps  
their candidacy to claim the whole  
earth. Some of the candidates for  
Governor have been sending us much  
propaganda at frequent intervals  
devoted largely to their claims of  
strength. Some of this dope is so  
absurd as to cast doubt on the sin-  
cerity of the candidate, if not on his  
political judgment.—Lynn Co. News.

Oh, yes, but you don't expect a can-  
didate to be utterly sincere in his  
ante-election predictions. You don't  
expect him to be 100 per cent serious  
in his promises, and a promise is  
more binding than a prediction. If  
the candidates are as convinced of  
their election as they assume to be,  
they would be sitting at home on the  
shady end of the porch, with their  
brogans on the bannisters and their  
souls at the zenith. Notwithstanding  
their self-assuring prognostications,  
the candidates go out on the hust-  
lings and hustle till they sweat. This  
indicates that at the back of his head  
every candidate has a wee-tiny doubt  
of the people's complete surrender to  
his candidatorial charms. He realizes  
that there are some electors appar-  
ently cold to his claims, others pain-  
fully indifferent to his persuasions,  
and still others who manifest such  
favor toward the opposition they  
must be suspected of an intention to  
mess up his marcel at the polls, met-  
aphorically speaking. In this con-  
nection it may not be out of the way  
to remark that Governor Sterling is  
making no brags. He didn't make any  
in the previous campaign. He doesn't  
stand tiptoe on the Capitol dome and  
tell the world he is such a god-send  
to the people they are flocking to his  
standard like lost souls seeking shel-  
ter. Governor Sterling is modest, a  
precious virtue in politics.—State  
Press in Dallas News.

**Swift & Company**  
Purveyors of fine foods

SWIFT & COMPANY daily pur-  
chases many tons of poultry,  
eggs and dairy products from farmers.  
Its interest does not end by shipping  
this produce to a few big city ware-  
houses, there to await the development  
of demand.

Demand seldom stands on the rooftop and yells for Supply to  
come into the house.

That's why, every morning thousands of Swift & Company  
Branch House and Car Route salesmen start out to sell poultry,  
butter, eggs and meat.

Perhaps these salesmen do not create demand, but they hunt for  
it with fine tooth combs; they stir it; they dig it up. When they  
find Demand, they turn it over to farm producers who sell to  
Swift & Company.

It is to the salesmen's interest to discover new outlets, to expand  
the old ones, to let the organization know which markets are best.  
Their incomes, their advancement, depend on how well they sell.  
Salesmen are vital links in a human chain that reaches back to the  
produce plant manager and his helpers. Every man strives to  
better himself by selling more and by cutting the cost of handling.

The Swift & Company national market was made by digging up  
demand wherever it exists in the United States, by advertising brands  
of high quality, Swift's Meats, Swift's Premium Milk Fed Chicken, Golden  
West Fowl, Swift's Brookfield Butter, Eggs, Cheese and many other  
products. Local glut and shortages are known, and Swift's products  
are then distributed to the best advantage. By having the same railroad  
cars equipped to transport produce or meat; by having the same sales-  
men sell produce and meat on the same order, important economies have  
been achieved. Costs are spread more thinly for livestock men and  
produce men alike.

Unflagging interest that begins with a purchase from a farmer  
and continues until his produce is in a retail store—and in demand  
by a consumer—that is Swift & Company service. The charges for  
it are low. Profits over a period of years, have averaged less than  
a half cent a pound of all products sold.
