### PIONEER LADY PASSES AWAY

Mrs. J. E. Ketner Died Last Sunday Morning; Was Well Known In Lynn County

Though not unexpected, the death of Mrs. J. E. Ketner at an early hour Sunday morning brought genuine grief to hundreds of people in Tahoka and throughout this section of the plains, for Mrs. Ketner was an early settler here and had accumulated a great host of loving friends through the years.

Death came following a long period of ill health, her condition having become very critical about a week before the end came. Funeral services were conducted Monday afternoon at the Nazarene Church, of which Mrs. Ketner was a most devoted and faithful member. The church was filled to capacity long before the hour arrived for the services to begin and almost as many people were to be found outside the

### Farmers' Co-Op Meeting Tuesday

General Manager R. J. Murray of the Texas Cotton Cooperative Association, assisted by N. H. Payne, district manager, and H. L. Gantz, organization director, will hold a pre-delivery membership conference in Tahoka Tuesday, August 30 at 2:30 P. M., according to an announcement sent the News this week.

"This meeting will be of genuine interest not only to the membership but to all farmers who are interested in a sound and progressive program for a better agriculture," the announcement says. "Farmers and business men are urged to attend these meetings that they might get the lesson of organized activity among farmers and that they might give careful thought and study to the principles involved in a cooperative marketing program."

Murray needs no introduction to the farmers of the Lubbock delivery district. He has lived among them for years and is known throughout the State as an earnest and forceful speaker. His message will have a striking appeal to farmers who are interested in getting correct information regarding their own association and to all those who are deeply concerned regarding the organization, its plans, policies and benefits."

### FLORENCE MAN DIES AT O'DONNELL SATURDAY

W. O. W. (Bill) Jones, who was here Tuesday, reports that his stepfather, J. A. McCarley, whose home was at Florence in Williamson county, died at Mr. Jones' home in O'Donnell at an early hour Saturday morning and the remains were buried in O'Donnell cemetery Saturday afternoon.

Mr. and Mrs. McCarley came out from Florence several weeks ago and had been visiting Mr. Jones, he becoming seriously ill after arrival in O'Donnell.

### SERVICES AT DIXIE

Brother W. T. Garnett will fill his regular appointment at the Dixie Church of Christ next Sunday, the News has been asked to announce.

Mr. and Mrs. B. F. Montgomery are here from Carlsbad, New Mexico, visiting Mr. and Mrs. J. C. Clark and many friends. Mrs. Clark and Mrs. Montgomery are sisters. The Montgomerys lived here for many years, removing to Carlsbad about ten years ago, and they are life subscribers to The Lynn County News. Mr. Montgomery declares that they read every word in it every week. Mr. Montgomery was in the grain business, we believe, while a resident of Tahoka.

A. M. Cade left Saturday to take his mother back to her home in San Angelo and is visiting in that portion of the state.

### Do We Want Two More Ferguson Years?

Through the Ferguson Forum and from the political platform Jim Ferguson has repeatedly made the assertion that Governor Miriam A. Ferguson during her administration of two years issued 3,324 pardon proclamations against 3,341 issued by Governor Sterling during the eighteen months he had served as governor.

Governor Sterling has repeatedly stated from the platform that these figures are grossly incorrect, and in his address in Tahoka he stated that all clemency proclamations of all kinds issued by him, including paroles and furloughs, aggregated only about 1,500. Paroles and furloughs are not pardons at all. By a parole

a prisoner is permitted to go and remain outside the prison walls but is kept under the strict surveillance of the prison authorities. Furloughs are frequently granted to prisoners to permit them to visit their families in case of sickness or death.

A full pardon turns a prisoner loose without any strings on him, just as if he had never committed a crime. A conditional pardon is one that makes his pardon dependent upon his good behavior after being released from prison.

A few days ago, Mrs. Jane Y. McCallum, secretary of state, issued an official statement declaring that

### New Home School Will Open Monday

School will begin at New Home Monday, and the opening program will be held in the auditorium at 9 o'clock. The public is cordially invited to attend. It is hoped that all the children who will be in school here this year will be on hand the first day and get started with the others. County Supt. Caviness has been invited and will probably be here.

New Home has a scholastic enrollment of 188 this year. There were 26 transfers in and 11 out. We had a nine months school last year and hope to be able to maintain a nine months term this year.

Teachers this year are: Clovis L. Vaughn, supt.; Homer A. Harrison, principal and coach; Miss Hazel Spayke, English and Spanish; Wilmer Smith, sixth and seventh grades; Mrs. C. L. Vaughn, fourth and fifth; Miss Lois Weakley, second and third; Mrs. Audra Campbell Smith, primary.—Reporter.

Miss Gertrude Bishop left Tuesday to visit relatives in Plainview. She will probably take a vacation of several weeks.

### Charge Henry Reed Of Olton Bank Robbery

Another O'Donnell Bank Suspect Is Caught; Charges Entered Against Pete Vail

Henry Reed of Tahoka is in jail at Plainview charged by indictment jointly with Lee Peabworth, Jack Sullivan, and H. C. Huntsucker of the robbery of the Olton State Bank on July 15. The indictment was returned by the Lamb county grand jury in session at Olton last Saturday.

Reed is also charged by complaint filed in the justice court here with theft of tires and gasoline from different oil stations and other places of business in Tahoka, while Pete Vail of O'Donnell is in jail here charged with the same offenses.

Jack Wright, escaped convict, who is alleged to have shot an officer at Hobbs, New Mexico, when officers were undertaking to arrest him and others as suspected bank robbers several weeks ago, is also in jail here for alleged complicity in the robbing of the O'Donnell bank last Spring when the bandits succeeded in getting away with about \$1,400. Wright was arrested at Big Spring and was brought here last week by sheriff B. L. Parker. Others charged in the O'Donnell robbery are Bill Tidwell, alias J. M. Bradshaw, notorious Oklahoma outlaw and ex-convict, now in jail at Lubbock; "Racehorse" Baker, out on bond; and Truly Bounds, out on bond.

Working on clues that they were able to obtain here immediately after the burglary of the Burleson Grain Company and Gulf and Texas warehouses which occurred on Saturday night, August 13, Sheriff B. L. Parker and other officers located Henry Reed and Pete Vail Thursday of last week camped on the farm of Bob Norfleet near Runningwater in Hals county and arrested them. Vail was placed in jail at Olton and Henry Reed at Plainview. Parker also located the tires taken from the Burleson Grain and some of the lubricating oil

taken from the Gulf station in a house on the Norfleet place. The casings were easily identified by their numbers while the lubricating oil was identified by the cost mark.

Some bed clothing was also identified, it is claimed, as property which had been taken from a residence situated a few miles north of Olton which had been burglarized recently.

Reed is being held for the Lamb county officers, who expect to bring him to trial at an early date on the Olton Bank robbery indictment. Vail was brought back to Tahoka on Wednesday of this week and placed in jail here to await the action of the grand jury which will be empaneled here in September, when it is expected that he and Reed will both be indicted for the thefts here.

Vail is also charged with the theft of the car of W. O. Henderson recently, which was recovered by Parker and Henderson over in New Mexico north of Tatum.

Early Saturday morning six officers from Lamb and Hale counties, Texas, and Roosevelt county, New Mexico, went to the ranch of Lee Peabworth, forty-eight miles southwest of Portales, with warrants for the arrest of Peabworth, Sullivan, and Huntsucker, arriving at about three o'clock A. M. Lying in wait until the inmates of the ranch house began to stir about the place and had gone out to the barn to do the chores, the officers cut them off from the house and demanded that they surrender. Their demands were met with a volley of shots. Harvey Bolin, who had been employed as a special deputy of Lamb county and who was a veteran officer of the plains country, was shot in the head and fell mortally wounded, dying almost immediately. Another deputy sheriff, R. L. Hollis of Portales, was also seriously wounded. The other officers returned the fire, however, and Peabworth was himself seriously if not fatally wounded.

### BAPTISTS ARE MEETING HERE

Primitive Association of West Texas Opens Annual Meeting Here Tonight

In spite of the depression and the devil, fully four hundred and possibly five hundred visitors are expected here during the last three days of this week attending the West Texas Primitive Baptist Association, according to J. S. Wells. The association will convene tonight (Thursday) and will close at the end of the mid-day service Sunday. Some of the visitors are already arriving and many more are expected before the night service begins.

Among the visitors about twenty preachers are expected to be here, including some of the ablest in the denomination in Texas. Among these will probably be Elder J. S. Newman of Stockdale and Dr. Fowler of Dallas, both of whom are well known throughout this section.

### Ferguson, Sterling Men Speak Here

An immense crowd of Lynn county voters assembled on the court house lawn last Saturday afternoon to hear a couple of Ferguson speakers, R. A. Baldwin of Slaton and J. F. Hankins of Lubbock.

Baldwin "poured it on" in regulation Fergusonian style. Hankins also delivered some hot shots which seemed to please the crowd.

Following the Ferguson speakers, a couple of Sterling speakers held the boards for another hour but they spoke to a much smaller crowd. These were S. E. Cone and H. K. Harrelson, both of whom defended the Sterling administration and criticized Ferguson.

### NEW LYNN MEETING DATE IS MOVED UP TWO DAYS

The Nazarene meeting, which was announced last week in the News as being scheduled to start August 30, will start Sunday, August 28, instead. It will close September 4.

This change has been made on account of the opening of school at New Lynn, the News is informed.

### Church Of Christ Revival Still Going

The revival meeting at the Church of Christ is still in progress. Bro. Drennon has rendered some very instructive Gospel sermons.

We invite you to come to the few remaining services. The meeting closes Sunday evening. Song services are also splendid.—Reporter.

### LADIES' BIBLE CLASS

Last Monday afternoon the Church of Christ ladies studied "The Church as a Family", a splendid lesson ably taught by Bro. Drennon. Next Monday at 4 p. m. we expect to study the "The Church as the Army of God". Ladies, join us in these Bible discussions.—Reporter.

### YOUNG PEOPLE MEET

The Young People of the Church of Christ enjoyed a wonderful lesson on the third year of Christ's ministry. We had for guests Mrs. L. C. Quinsey of South Ward, Bro. R. P. Drennon and Bro. Albert Smith. Next Sunday at 7 o'clock we expect to study the last three months of Christ's ministry.—Reporter.

J. R. Strain carried a load of broom corn to market at Cleburne last week. His crop of broom corn is excellent but prices are not very satisfactory. Mr. Strain reports that the cotton crop is not very promising in the Cleburne section.

Mrs. T. W. Strasser, Mrs. Lee Reynolds, and Preston Strasser, all of Boise City, Oklahoma, spent the week end here visiting the families of G. M. Reid and M. O. Canaday.

### SEVERAL RACES HOLD INTEREST

Governor's Race Hot; Much Local Interest In Representative, Senator Contests

On Saturday of this week the voters of Texas will go to the polls and decide who will be governor of Texas the next two years and will also decide a number of other state contests.

Chief interest in the election centers around Sterling and the Fergusons. Locally there is considerable

interest in the races for state senate and the legislature.

In the race for the state senate, Judge G. E. Lockhart of Lubbock, who was a resident of Tahoka for many years, and Arthur P. Duggan of Littlefield are the opposing candidates. They have been engaged since the first primary in a heated contest, each issuing many circulars making charges and counter charges against the other. Lockhart has been serving during the past two years in the lower house of the legislature and has been one of the leading members of that body. He is a man of outstanding ability and great independence of thought and action, and has many warm friends and supporters. As a lawyer at the bar he has long enjoyed the reputation of being one of the strongest in this section of the state, but in the trial of many hard fought cases he has made many enemies, some of whom are now fighting him. His opponent, Arthur P. Duggan, manager of the Littlefield

### Rev. Bickley Will Preach Here Sunday

Last Sunday's services at the M. E. Church were conducted by the local workers in the absence of Rev. Smith, who is assisting in a revival at Levelland. Brother Smith was home for a brief stay at the conclusion, last week end, of his meeting at Paducah, where with Rev. E. T. Breedlove, a two-weeks series of services was crowned by 35 conversions.

Sunday morning Prof. M. J. Weaver gave a talk on the Pauline Letters which was most interesting and instructive. Miss Lucille Slaton sang an effective solo, "Take Time to be Holy". Lay-leader J. N. Thomas gave a second address using as his subject the scripture, "What is man, that Thou art mindful of him?" and brought a good message.

The evening hour was in charge of the Young People's Division and they presented an unusual program along the line of the hymnology of our church. Hazel Anglin read the scripture lesson and splendid talks were made by J. D. Donaldson Jr., Corbin Douthit and Eloise Clark respectively, on "The History and Development of our Religious Music", "Life and Work of the Blind Hymn-Writer, Fanny J. Crosby", and "The Types and Appropriate Uses of Modern Hymns". Prof. Weaver favored with a bass solo and one of Charles Wesley's hymns was sung as a duet by Corbin Douthit and Ruth Sudarth. The Douthit was interspersed with other hymns illustrative of the talks, making an interesting hour for which the young people deserve much credit.

The Presiding Elder will fill the local pulpit both morning and evening next Sunday. Tahoka church is always glad of an opportunity to hear Dr. Bickley's good sermons and he should have a record hearing at both hours. At the church school opening, Miss Lucille Slaton will sing a beautiful number "Evening and Morning" by Max Spicker. Do not miss it by being late! The hour is 9:45 A. M.—Reporter.

**THE SECOND CHAPTER  
OF JIM**

By W. F. (Bill) Kellis In Sterling  
City News-Record

And it came to pass that during  
the reign of Miriam, the handmaid  
of Jim, there arose a young man  
whose hair was red and whose name  
was Dan. Now this Dan was a  
mighty warrior in the land and gave  
trouble to the Jimites, yea muchly.

The servants of Miriam had gath-  
ered many shekels unto themselves,  
even six hundred thousand bucks,  
(which in the Jimite tongue means  
smackers) all in one pot.

Now this same Dan saw that all  
this money was tribute money paid  
in as tithes by the people to make  
the paths in the land straight, as  
foretold by the prophets.

When Dan saw all this, he was  
wroth, and he said unto the servants  
of Miriam, "How come?" Is it not  
written in the Book, thus saith the  
Lord: "Thou shalt not steal"? Put-  
herback! which means in the Danite  
tongue, restore the money.

And the servants of Miriam were  
sore and wrathful and they said unto  
Dan, getobell!

Hearing this, the spirit of righte-  
ousness wrought mightily on Dan  
and he arose and laid strong hands  
upon the servants of Miriam and  
strove with them and threw them  
down with a mighty throw, and took  
that which they stole and put it with  
the other shekels of the sanctuary.

After gathering many shekels  
from tithes of the people and dealing  
with them with great waste of their

**Bad Taste in Mouth,  
Sour Stomach**

For quick relief from constipation  
troubles, such as are mentioned  
below, get a 25-cent package of  
Theodor's BLACK-DRAUGHT  
and begin taking it today.

"I have suffered a great deal  
from biliousness and constipation,"  
writes Mrs. D. C. Jones, of  
Waterloo, Ala. "When I get bilious  
I have a bad taste in my  
mouth, have sour stomach, my  
color is bad, and I get dizzy and  
feel awfully bad. I have head-  
ache constantly. When I take  
Black-Draught it relieves me and  
I feel like a new person. I don't  
think there is a better medicine  
than Black-Draught."

Now you can get Black-Draught in  
the form of a SYRUP, for CHILDREN.

substance and with much derisive  
they began to murmur against Mir-  
iam and at Jim who was the high  
priest and chief bottlewash of the  
Jimites.

Thus it came to pass that there  
was war between the Jimites and  
the Danites and they strove with  
each other mightily, and the Danites  
overcame the Jimites in a great  
slaughter at a ford on the river Salt.  
At this ford, a sheaf of cockleburs  
was hung on a hackberry limb, and  
when a Jimite sought to pass by and  
cross over the river Salt, a Danite  
guard would confront him and say:  
say thou unto me "Gimite", and owing  
to a slight defect in his tongue,  
he would say, "Jimite" and the Dan-  
ite would smite him, and that day  
fell an hundred thousand Jimites,  
and the House of Miriam fell and  
Dan became the ruler over all the  
land of Tehas.

And Dan had his palace in the  
city of Aus, by the river, Colorow.  
And after many days Dan took unto  
himself a wife, a princess, even Mil-  
dred of the House of Paxton, of the  
tribe of Abilene. She was comely and  
fair to look upon, and all the people  
rejoiced with a great joy. And it  
came to pass that Mildred bore a son  
unto Dan and they called his name  
Dan.

Dan reigned four years and walk-  
ed before the law as it is written in  
the book, but Jim Ferguson was an  
hungry for more shekels, and the  
Jimites began to murmur. And when  
Ross of the house of Sterling sought  
to be the ruler of the land of Tehas  
in the city of Aus, the Jimites rose  
up against the Rossites and they  
strove with a mighty stive, and the  
Rossites smote the Jimites until they  
were sore, so that for two years they  
stood upon their hind legs to eat.

After many days it came to pass  
that Jim Ferguson took down his uke-  
lele (which means groceries in the  
Danite tongue) from the wild china  
limb where it had hung for many  
moons and began to sing and play  
while the Jimites danced.

As he struck a chord on his uke-  
lele, he sang: "In my reign the shek-  
els in the sanctuary, they tempted me  
even as the serpent in the garden of  
Eden tempted Adam, and I reached  
mine hand and gathered them. I  
bought chicken salad and this uke-  
lele at the grocery store and behold  
they charged them against the state  
as groceries. I strove against the  
select draft law with great profit  
and much applause from the Ger-  
mans. I borrowed one hundred and  
fifty-six thousand from Yonohoo  
and wouldn't tell them where I got  
it."

"And it came to pass that the  
Chiefrods and elders rose up and  
were wroth with me, and they did  
throw me down and kick me and I  
lost my job for many days, and they  
spat upon me and called me skunk  
(which means polecat). They dealt  
me great misery and tribulation."

And the Jimites shouted, Shame,  
shame!

"Then the Chiefrods and elders re-  
pentened them of their acts, and they  
forgave me of mine evil, even with  
a damnsy act which they called a  
law. Then they encompassed me and  
threw me down and took mine dam-  
nasty away from me and here I am  
without a job."

And the Jimites gnashed their  
teeth and cried aloud: "Thisishell!  
Thisishell!"

Then he hung his ukelele on the  
limb of an oak tree, yea, even a sap-  
oak tree, and stood upon his hind  
legs, hitched up his britches and  
winked his left eye and spake unto  
the Jimites with a loud voice, saying:  
"Inasmuch as they hath taken  
away mine damnsy and blotted me  
out of the book, I am no longer by  
the law of the land of Tehas permit-  
ted to rule over you, but behold, now,  
my handmaid Miriam. She can be  
your ruler and I can rule over her,  
for is she not my wife, and is it not  
written in the Book that the husband  
shall rule over his wife? Behold, I  
will give you two rulers at the price  
of one."

To this, the multitudes of Jimites  
cried: "Hurawfermaw! Hurawfer-  
maw!" (which in the Danite tongue  
means, "Am I not thine ass, thy  
faithful jackass on whose back thou  
ridest on thy journeys?")

And he continued: "Come unto me  
all ye that are heavy laden: all ye  
bootleggers, hijackers, thieves, rob-  
bers, murderers and everyone that  
breatheth the law and standeth in  
danger of its judgments, and follow  
me, and I will build for you a city  
of refuge where all may enter there  
in and be free to follow his calling."

Each Jimite raised his voice and  
shouted: "Golly! Hurawfermaw!"

"Bring unto me the talents, the  
shekels, the pennies and even the  
mites which a widow fain would  
give, and I will send you the book I  
have written, even the Ferguson for-  
um which is filled with del toro that  
ye may feast and fill your belly's  
full of it that fitteth you to fight  
against the Rossites."

And the Jimites cried each man  
through his whiskers, even through  
his hat: "Bullyfermaw! Bullyfer-  
maw!"

When he had made an end of  
speaking, this same Jim whispered  
in his sleeve: "Behod, these are my  
faithful jackasses in whom I am well  
pleased, upon their backs will I and  
mine handmaid Miriam ride forth to  
give the Rossites battle." Selah!

**CARD OF THANKS**  
We wish to thank each and every  
one for the deeds of loving-kindness  
shown us in the hour of our bereave-  
ment. Your assistance made it possi-  
ble for us to carry out the last wish-  
es of our beloved wife, mother, sis-  
ter, and daughter. She being a great  
lover of flowers in her life time,  
made us appreciate more than you  
know the beautiful floral offerings.  
Words fail to express our grati-  
tude and thanks to those who in any  
way assisted us during the last ill-  
ness and death of our beloved one.  
And, as was her last request to us,  
we pray that God's richest blessings  
rest upon each of you.

## Wilson

The revival at the Baptist church was one of the most successful meetings in the history of Wilson. Baptismal service was at the Lumsden tank Sunday at noon. There were 20 additions to the church, 14 by baptism, 5 by letter, and one by statement. There were 35 conversions and restorations. Those that availed themselves of the opportunity of attending this meeting heard some of as good preaching as may be heard anywhere and we have heard a great number say that Rev. Darby gets better and better all the time. Rev. Darby returned to his home church for a meeting which started Sunday evening. Mr. R. E. Key, who was director of music, went to Hamlin to sing in a week's revival, and Rev. Partin left for Richland, New Mexico, where he started a revival Sunday at his old home church.

The Wilson school opened its 1932-'33 term with a very splendid program Monday morning. This program follows: Song, assembly; invocation, Rev. Thurston; address by A. L. Faubion; "What the parents expect of the teachers and pupils and in turn, what can the teachers and pupils expect of the patrons"; discussion by Mrs. Clyde Shaw; piano solo, Miss Vizie; "What the teachers expect of the pupils and patrons"; discussion by J. E. Richardson; reading, Master Clyde Boyd; reading, Miss O'Berger Forrester; "What pupils expect of patrons and teachers"; discussion by Rev. H. L. Thurston; vocal solo, Mrs. Velma Hobbs; "What the ministers expect of the school, what they expect of patrons, teachers and pupils"; Rev. C. N. Roth. There were 220 pupils enrolled on Monday and we feel safe in saying that fully 250 will be in school ere the week has passed.

It is planned that school may run something like six weeks and suspend or cotton picking for six weeks. All the faculty was on hand to take up their duties and seemed eager to get to work.

Two of Wilson's fine young people Miss Leo Corley and James Dulin, took their friends by complete surprise when they motored over to Lovington, New Mexico, and were married by Rev. Duncan, Methodist pastor there. The bride is the charming daughter of Mr. and Mrs. O. A. Corley and the groom is the son of Mr. and Mrs. T. G. Dulin. We join the many friends in wishing them much success and happiness all thru their married life.

Mrs. Fannie Dawson was quite ill over the week end but is able to be on duty at this time.

The parents of the community very royally entertained the faculty of the school Monday evening.

Mr. and Mrs. O. L. Lucas of Waco are spending a week with Mrs. Lucas' parents, Mr. and Mrs. Corley. Mr. Clayborn Simpson of Phoenix, Arizona, was a Wilson visitor last week end.

Mrs. H. L. Thurston is spending two months in Gallup, N. M., with the hope of improving her health.

Mr. L. H. Taylor of New Hope is a guest in the Clyde Shaw home.

Mr. Leonard Harvey of Lubbock was visiting friends in our city last week end.

R. C. Forrester and family moved to Tahoka the first of the week.

### Relieves Women's Pains

Here is an example of how Cardul has helped thousands of women: "I was very thin and pale," writes Mrs. F. H. Scott, of Roanoke, Va. "I suffered from weakness and a severe pain in my back. This pain unnerved me, and I did not feel like doing my work. I did not care to go places, and felt worn, tired, day after day. "My mother had taken Cardul, and on seeing my condition she advised me to try it. I have never regretted doing so. I took three bottles and it built me up. I gained in weight, my color was better and the pain left my back. I am stronger than I had been in some time."

Cardul, the purely vegetable medicine which so many women take and recommend, is sold by local druggists.

### PLAN SERVICES AT THE BAPTIST CHURCH

Following the Sunday school hour next Sunday morning, the Baptists are planning a brief song and prayer service followed by a church conference, at which time they expect to call a pastor. All members of the church are urged to be present.

Many preachers from various sections of the state have been invited to fill the pulpit during the past two or three months and the church has a wealth of fine material from which to make their selection.

There were no preaching services at this church last Sunday but a song and prayer service was held at the morning preaching hour and again at night. On Wednesday night, Rev. Leon Frazier, pastor at Fort Stockton, preached.

## Opinions Of Our Readers

**WHY NOT TURN TEXAS LOOSE?**  
Austin, Aug. 19.—The Court of Criminal Appeals today received its first appeal in which a jury verdict directed that a defendant convicted of driving an automobile while intoxicated, should be prohibited from driving.

The appeal was taken by Lee Wilkins, convicted in Fort Bend county. The jury fined Wilkins \$500 and directed that he be prohibited from driving an automobile for a period of two years.—Star-Telegram.

How are they going to keep him from driving? Everybody says prohibition cannot be enforced? Why not prohibit him from drinking liquor, then he could drive his automobile safely. It is funny that if you prohibit a man from drinking intoxicating liquor you make a slave of him and take away his personal liberty. But if you prohibit him from driving his own car, you do not enslave him or take away his personal liberty in the least. Why it would cost more than a million dollars a year to enforce prohibition against driving cars while drunk in Texas alone. Let's do away with prohibition entirely so every man, woman and child can get drunk before they get into the automobile to drive. Hurrah for Personal Liberty and down with prohibition of all crimes! Turn Democratic Texas loose!

### "MOCO" WAKEFIELD WRITES FROM MINERAL WELLS

The News received a letter a few days ago from Jim "Moco" Wakefield, written from Mineral Wells, where the Wakefields are now engaged in operating the Jock-O-Lant-ern Cafe. "Moco", it seems, is no longer a bachelor—but we'll let him tell his own story. Just read this, folks:

"Just a line to say hello and to let you know that we sure did enjoy reading the election news. Quite a surprise to some of the candidates as to their votes, in fact we were greatly surprised at the vast majority that some of the boys received. The News was fought over as soon as it reached us here and luckily I got it first. My sympathy goes to the defeated ones and best wishes to the winners."

"We left Abilene in January and Dad and the folks moved here, I was on the road for awhile but moved my family here the 20th of June. I say family, I mean my wife. I married in February, to an Abilene girl. She was Miss Gaye Mitchell and is known in Tahoka as several of the girls and boys there went to."

### JONES MAKES LAST APPEAL TO VOTERS

I want to thank the voters of Lynn county for the uniform courtesy they have shown me since I became a candidate for county clerk. It has been physically impossible for me to see all the voters since the first primary, and I therefore take this method of soliciting their support next Saturday. I assure the people of Lynn county that I will deeply appreciate their support and if elected I will give the most faithful and efficient service of which I am capable. Again I thank you, friends.

## Stands Bewildered

Aristophanes remarked of women, 2300 years ago, "They dip their wool into hot water according to the ancient plan, all of them without exception, and never make the slightest innovation. They sit and cook as of old. They carry upon their heads as of old." Could you summon Aristophanes into our today—he would stand appalled at the speed of women's present innovations.

Just about everything you are accustomed to becomes out-moded, discarded, in an incredibly brief time. Ways of cooking, serving, traveling; of keeping clean, healthy, beautiful, young—these are the modern tasks, "as of old." But science in alliance with factories and kitchens keeps new ways coming along so fast that poor

old Aristophanes and those soft-sandaled women would be breathless with keeping up. Yet you are used to swift change . . . used to comforts that a short while ago were luxuries . . . that a little way from now will seem Grecian-quaint themselves. From advertisements in your newspaper you reap news of these ways to live healthfully, richly, advantageously—*young*.

Sit and cook as of old? Carry upon your head as of old? No you carry IN your head knowledge of the best that is buyable. Advertisements give you easy, happy surveys of new ways. Glance over all the advertisements you can, every chance you have.

### CITATION BY PUBLICATION

The State of Texas,  
To the Sheriff or any Constable of Lynn County, greeting:

You are hereby commanded to summon J. B. Rhodes by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Lynn County, to be holden at the Court House thereof, in Tahoka, Texas, on the third Monday in September A. D. 1932, the same being the 19th day of September A. D. 1932, then and there to answer a petition filed in said Court on the 17th day of August A. D. 1932, in a suit, numbered on the docket of said Court as No. 931, wherein J. J. Didier is Plaintiff, and J. B. Rhodes and T. A. Smith are Defendants, and said petition alleging that the plaintiff resides in Multnomah, Oregon, and that the defendant, T. A. Smith, resides in Caldwell County, Texas, and that the residence of the defendant, J. B. Rhodes, is unknown.

percent additional on past due principal and interest; also 10 percent additional as attorney's fees if placed in the hands of an attorney for collection.

Said petition further alleging that on the 8th day of June, 1923, J. B. Rhodes and wife, Ethel Rhodes, conveyed to the defendant, T. A. Smith, the hereinafter described land. And in said deed, the defendant T. A. Smith, agreed and assumed the payment of the above described notes, which constitute a vendor's lien against the hereinafter described land; whereby the defendants, and each of them, became liable to the plaintiff for the sum of money in said notes specified, together with all interest and attorney's fees. The first six of said series of notes having heretofore been paid are released and discharged. This suit is maintained on the balance of said notes, from note No 7 to 18 inclusive.

That said notes were given as part of the purchase money of the following described real estate situated in Lynn County, Texas, and described as follows to-wit: All of the South one-third of Survey No. 27, Block No. eight, Cert. No. 654, of the E. L. & R. R. R. Company's surveys and containing 213 1-3 acres of land. Also, 6 2-3 acres along the South line of the East one-fourth of the North 2-3 of Survey No. 27, Bk. 8, Cert. No. 654, E. L. & R. R. R. Company Surveys, situated in Lynn County, Texas. Both tracts above described making a total acreage of 220 acres of land, a more particular description of said land being given by metes and bounds in the plaintiff's petition on file in the District Clerk's office of Lynn County, Texas.

That notes Nos. 7, 8, and 9 are past due and unpaid and the plaintiff has declared the remainder of said notes due, but the defendants, though often requested, have failed and refused to pay said notes or any part of them, but the same remains still due and unpaid.

That the plaintiff has placed said notes in the hand of an attorney for collection and contracted to pay him the 10 percent attorney's fees stipulated therein, same being reasonable and the usual and customary fees.

Wherefore Plaintiff prays that defendants be cited to answer this petition, that he have judgment for his debt, interest, attorney's fees and cost of suit against the defendants and each of them and for a foreclosure of his lien on the above described land and premises and that the same be decreed to be sold as provided by law.

Herein fail not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Tahoka, Texas, this the 17th day of August A. D. 1932. W. S. TAYLOR, Clerk, District Court, Lynn County. 52-4tc.

## UNEQUAL REGULATION IN TRANSPORTATION CAUSES DISORDER AND CONFUSION

The instability, confusion and disorder which unrestrained truck transportation has brought about is responsible in large measure for much of the distress in which all business finds itself today. Texas has moved to find a remedy and all concerned in the welfare of this state and its institutions should cooperate in the effort to restore stability and order to our transportation systems.

The Texas Railroads, in these advertisements, have endeavored to place before the people of this state some of the reasons why the existing laws, regulating motor transportation, should be upheld and enforced.

1. The railroads are necessary for the successful marketing of the enormous production of this state, which is used and consumed in every other state in the union.

Uniform, published, non-discriminatory transportation service rates are essential to the orderly conduct and welfare of business.

Unregulated truck transportation inevitably results in discriminatory charges and practices, rebating, unfair and unbusinesslike competitive methods, bringing about losses and commercial insecurity.

The wholesaler, jobber, retailer and local merchant suffer from the unfair competition of truckers and peddlers who, for the most part, are non-residents, pay no taxes and contribute nothing to the community welfare.

The farmer and agricultural producer must have at his command facilities adequate to transport crops and produce which move long distances in large volume, at low cost, by rail.

2. The railroads build and maintain their own roadways, pay heavy taxes for the support of state and municipal governments and institutions, and expend millions of dollars for payrolls, materials and supplies. Railroad workers are substantial citizens, home owners, and valued members of their communities.

3. Rail transportation is the most efficient and economical in existence for the movement of traffic in volume by land.

4. Texas highways belong to the people and are built and maintained at heavy cost. Their use for commercial purposes is a privilege, not a right. They should be kept safe for general use and not prematurely destroyed by heavy trucks.

5. The stability, security and orderly conduct of business require reasonable control and regulation of all transportation agencies.

### ELECTION NEXT SATURDAY HOLDS MUCH INTEREST

(Cont'd. from first page)

Ranch in Lamb county, is reputed to have been the founder of the town of Littlefield. He has been active in the business and civic affairs of his county and has ever taken an active part in chamber of commerce work, having been president of the West Texas Chamber of Commerce a number of years ago.

In the race for the legislature, John Thomas of this city and Judge Homer Winston of Brownfield are the contenders. Mr. Thomas has been a resident of Tahoka for many years, having been tax assessor of the county several years ago and having engaged in various other lines of business here. He is recognized as one of the very best men of the town and takes a very active part in religious work. In the first primary he led his nearest opponent by more than 1100 votes. Homer Winston is said to be a most popular man in his own town and county. He has served as county and district clerk and as county judge of that county. He is a most affable gentleman and makes friends readily. His county gave him a big majority over all his opponents in the first primary just as Lynn county gave Mr. Thomas a big majority.

The only county race in which there is a run-off is the race for county clerk. The opposing candidates in this race are H. C. Story of Tahoka and W. O. W. (Bill) Jones of O'Donnell. There was only a few votes between these two in the first primary. Both are nice, clean gentlemen, and either would doubtless make a good county clerk.

There are run-offs in two of the commissioners precincts. In the Tahoka-Wilson precinct, J. F. (Frank) Stuart of Tahoka and R. E. (Bob) Finley of Wilson are the candidates. Mr. Finley is the present incumbent, having served in this position for a number of years. Mr. Stuart has been a resident of Tahoka for many years and is well known throughout the district. Both are good men and each has many friends.

In the Draw-Grassland precinct, L. M. Nurdyke of Midway and J. W. Warrick of Grassland are the opposing candidates. Both are good men and both are well known throughout the precinct.

Homer Harrison and Frank Ed-

wards are each asking for the privilege of weighing cotton at Tahoka for the ensuing two years. Two good men. You know 'em; take your choice.

W. E. Payne and Tom Rogers are asking for this same office at O'Donnell and Henry Heck and E. O. White at New Home.

This completes the list of local candidates.

In the first primary about 2900 votes were cast in the county. There were 2899 votes for sheriff, 2892 for county clerk, 2890 for county judge, and 2852 for governor. There were only 2791 votes for district attorney, however, only 2701 for state senator, and only 2675 for representative in the legislature.

If the weather is favorable, it is expected that about the same number of votes will be cast next Saturday. It is not believed that any illegal votes were wilfully cast in the first primary. There might have been a few illegal votes cast under the belief that the voter was legally qualified to vote. A reward has been offered for the conviction of any person in Texas casting an illegal vote in the election next Saturday, however, and therefore every person who undertakes to vote should be sure that he has the legal right to do so.

### TAHOKA SCHOOLS WILL OPEN MONDAY MORNING

(Continued from first page)

ing at nine o'clock Saturday, Aug. 27, for the purpose of planning and organizing the work of the school for the ensuing year. This will be allowed for the local institute program. The remaining two days that will be allowed for institute will be had during the year in four half-day sessions.

This school district is provided with excellent educational facilities and with one of its strongest faculties. We hope that every boy and girl within the scholastic age limit in this district will avail themselves of the opportunity of going to school if at all possible. Education today is probably more necessary than ever before in the history of the world. The school was established to aid society achieve its ideals, and the needs of society today appear to be: (1) anticipation of change with its attendant problems; and (2) the development of planned programs of

action. The school is trying to meet these problems by becoming familiar with American life; by understanding and appreciating our social possibilities; and by developing abilities, attitudes, and appreciations that are necessary for participation in modern life. We believe that from such an educational program that boys and girls will be prepared to contribute to social progress and be able to take their places in society as useful citizens.

### MRS. J. E. KETNER DIED LAST SUNDAY MORNING

(Continued from first page)

church during the services as were able to crowd into it. One of the longest funeral processions ever witnessed in Tahoka followed the remains to their last resting place in the Tahoka cemetery. The services were conducted by Rev. B. C. Mixon, pastor of the Nazarene Church, assisted by Rev. H. C. Smith, pastor of the Methodist Church.

The great wealth of floral offerings placed upon the casket before it was lowered into the grave attested the deep affection in which the good woman was held. This was also attested by the large number of friends that came from other places to pay their tribute of respect to the memory of the deceased.

Mrs. Ketner was born in Wilson county on July 28, 1873, her maiden name being Ida Coughran. She was married to J. E. Ketner in Coleman county on September 14, 1890. To this union the following children were born: Kate, now Mrs. Elmer Coughran of Fresno, California; Ruth, now Mrs. Carl Sherrod of Fresno; Ruby, better known here as Mrs. Boyce Hatchett but now the wife of J. E. Burkett of Honolulu, Hawaiian Islands; Etta, now Mrs. Hugh Gray of Adams Diggings, New Mexico; Joyce, now Mrs. W. E. Smith of Tahoka; Miss Pearl Ketner of Tahoka; Ross Ketner of San Antonio; J. E. Ketner of El Paso; Coughran and Toy Ketner of Tahoka; and Essie Ketner, deceased.

Mr. Ketner came to Lynn county and fled on land in the latter part of 1900 and the family moved out early in 1901, and Mr. and Mrs. Ketner have made their home here ever since, a period of thirty-two years. During this time they have seen the town of Tahoka established, the country settled up, and the big ranches converted into farms. They have done their part to help develop the country and have so lived as to win and hold the esteem and affection of a great circle of friends.

Mrs. Ketner left surviving her the husband, the aged mother, Mrs. A. S. Coughran, all of her children except one, a number of grand children and many other relatives. All the children were here for the funeral except Mrs. Coughran of California, Mrs. Berkett of Honolulu, and Mrs. Gray of New Mexico, all of whom were unable to be here. Miss Evelyn Hatchett, a grand-daughter, was also here from Fresno, Calif. Miss Bernice Hatchett, another grand-daughter of Tyler, Texas, was here a few days prior to Mrs. Ketner's death but had gone back to Tyler when death came.

### DO WE WANT TWO MORE FERGUSON YEARS?

(Cont'd. from first page)

"Governor Ross Sterling has during his nineteen months as governor of your state granted only fifteen full and one conditional pardon to persons convicted of crimes."

She further declared that the official records at Austin show that compared with these sixteen pardons granted by Sterling, Mrs. Ferguson "did between the date of December 16, 1926, and January 15, 1927 (a period of thirty days) grant full unconditional pardons to 124 robbers, 127 liquor law violators, 133 murderers and 39 rapists; that on the three days of January 15, 16, and 17, 1927, she granted clemency in 160 cases, including full pardons to 35 violators of the liquor laws, 40 robbers, 22 murderers, and 10 rapists. Not paroles nor furloughs, mind you, but pardons."

### Says Ferguson's Election Would End Highway Work

The News has received a communication from H. B. Crosby of Wilson which we can not publish in full but from which we glean a few pertinent facts with respect to the governor's race.

Mr. Crosby starts out with the statement that "A wonderful program of hard-surfaced roads is now under way. To illustrate, the Highway Department has agreed to pave highway No. 9 through this and Dawson counties, the work to be contracted during the late Fall and Winter. The same offer is being made to other counties along highway No. 9 from San Angelo to Amarillo and in fact up into Moore county. Besides that, it has agreed to fill in the gap across Garza from north of Snyder to Slaton and to pave between Lubbock and Clovis. Paving construction is now under way east of Lubbock to the county line and southwest toward Brownfield. Ferguson has stated time and again that he will cancel these contracts and reapportion the gas tax in such a way as to practically eliminate all new work, new highways."

"The reason this money is available at this time is largely due to the extra amount Congress voted at the last session as an emergency measure to take care of unemployment and has to be used this coming Fall or Winter. It has to be matched dollar for dollar with state gas tax money. If the Ferguson take office January 10, this program will be knocked higher than a kite. You have of course read Jim's statement relative to the way he is to apportion the four-cent gas tax, one-third to the school fund, one-third to the general fund, and one-third to maintenance. Anyone who will study this for five minutes can see that it spells the loss of Federal Aid."

### PRIMITIVE BAPTISTS ARE OPENING MEETING HERE

(Continued from first page)

This association embraces all West Texas and a portion of New Mexico. Many churches are included within its confines and practically every church will be represented by delegates. Most of the visitors will come prepared to camp during their sojourn in our city. Some of them have already procured houses in which to stay while here. Some of the tourist parks have been offered them free of charge, and a few possibly will be entertained in the homes of Tahoka. Ice water will be furnished the visitors and our people should show them every possible courtesy.

Elder L. J. McCarty of Hart is the moderator of the association and will preside over its deliberations. Elder Charley Bollinger of Cone is the clerk.

As is well known, the members of this denomination use only the old-time songs and the old-time tunes in their worship, and their singing is strangely persuasive and soul-stirring. Many of our people will doubtless attend a number of their services.

The meetings will be held in the city tabernacle.
