## 'MA' FERGUSON LEADS IN RACE

Closest Race in History: Sterling Forces May Contest Voting In Some Counties

Mrs. Miriam A. Ferguson is to be the Democratic nominee for governor of Texas, unless the tabulated returns of the election held last Saturday are changed by a contest to be filed by her opponent, Governor R. S. Sterling.

On the face of the returns Mrs. Ferguson has won by 2,398 votes. The figures as given out Wednesday night by the Texas Election Bureau are as follows: Mrs. Ferguson 476,750, Ross Sterling 474,352, making a total of 951,102 votes tabulated. This includes complete returns from 251 of the 254 counties of the state, and it is believed that the returns from two other counties are complete. At all events only a few hundred votes are outstanding. Kimble, Reagan, and Zavalla are the three counties not reported as complete.

Governor Sterling announced Wednesday that he would contest the result stating that he believed that he had received a substantial majority of all the votes lawfully cast, claiming that this opinion was based upon reliable information and advice from all over Texas.

Early returns Saturday night were in favor of Governor Sterling but by midnight his lead had been whittled down to the vanishing point. Then Mrs. Ferguson took the lead for a part of the night but Sterling again held first place before dawn. Since that time it was a game of see-saw between them until Tuesday, when "Ma" took the lead and held it. Her majority since that time has gradually increased from a little more than 400 to 2,000. It seems practically assured now that she will be declared the nominee when the convention meets in Lubbock on Tuesday, September 13.

This is undoubtedly one of the closest contests for a high office in the political history of this country. Certainly there has been nothing like it in the annals of Texas. In 1916 Wilson won the Presidency over Hughes by the electoral vote of California, and he carried California by only a few thousand votes. Likewise Cleveland won the Presidency over Blaine in 1884 by carrying the state of New York and his majority in that state was 1,149 out of a total vote of 1,125,159 for the two candidates. There have been few if any gubernatorial contests in this country in which the vote was so close.

In most of the other state races the majority of the winner was considerable. Only one West Texas man came under the ropes successfully. This was Ernest O. Thompson of

## Much Interest In Races Locally

Mrs. Miriam A. Ferguson carried Lynn county over Governor Ross Sterling in the run-off primary last Saturday by a majority of 453 votes. A total of 2763 votes were polled in this race, Mrs. Ferguson receiving 1608 and Governor Sterling 1155.

In the July primary there were 2852 votes cast for governor, 89 more votes than were cast in the run-off. In the first primary, Mrs. Ferguson received 1274 votes, Ross Sterling 435, Tom Hunter 997, M. H. Wolfe 103, and all other candidates 43.

In the run-off Mrs. Ferguson gained 334 votes over her July figures while Ross Sterling gained 720. Sterling probably got most of the votes cast for Wolfe in the first primary. It would appear therefore that in the second primary Sterling got about two-thirds of the votes cast for Hunter in the first primary and that "Ma" got about one-third of them.

In the election last Saturday, Sterling carried only two of the fourteen boxes in the county, North Tahoka and West Point. He carried North Tahoka by a majority of 133 but Mrs. Ferguson carried South Tahoka by 66. The two Tahoka boxes, therefore, gave Sterling a majority of 67. New Home gave Mrs. Ferguson the

## Mrs. Briley Died Tuesday Morn

Many friends in Tahoka and Lynn county were grieved to learn Tuesday that Mrs. W. G. (Bock) Briley had died early that morning in Abilene; Mrs. Briley had been suffering from a tumor and had recently undergone an operation and had been given three blood transfusions.

Friends from Tahoka and Lynn county who went down Wednesday to attend the funeral included Mr. and Mrs. Deen Nowlin and Mrs. H. B. McCord of Tahoka, Mrs. Claude Thomas, Mrs. E. A. Thomas, R. Bosworth, and Mr. and Mrs. B. J. Emmanuel from the Grassland and Magnolia communities.

The Brileys resided in the Magnolia community for a number of years and then moved to Tahoka and were prominent and useful citizens of this town for about three years, removing from Tahoka to Abilene three or four years ago.

## Old Age Pension Law Is Sought

Fred Alexander has been circulating a petition asking the legislature to enact an Old Age Dependent Pension law. The petition has been numerously signed by business men and other citizens of Tahoka. The movement is being sponsored by Major S. W. Riley, Tyler, Texas, who is engaged in general mission and relief work.

Mr. Alexander is general director for Lynn county, while Mr. Estes, the justice of the peace at O'Donnell, is local representative at that place. Mr. Alexander says that some funds are badly needed to carry on the work and he would like to have a number of small contributions to pay expenses. The proposed legislation would doubtless be a boon to many aged people in this state who are in indigent circumstances.

Clifton Janae, who is at school in Amarillo College of Music, spent a few days between terms with the home folks here, returning to Amarillo Monday night. He was accompanied by his friend, Mr. Barney Ogle, who is his partner in their musical radio broadcast, "Vagabonds of the Air", and also a member of the KGRS Night Court quartet.

Miss Merle Smith, who has been visiting the past month in Quinlan and Dallas, returned to the home of her parents here Tuesday, Dr. and Mrs. R. B. Smith. She will leave about two weeks from this date for Alpine, where she teaches in the high school.

## RAIN BENEFIT TO SOME CROPS

But Continued Damp Weather May Bring On Ravages Of Boll And Leaf Worms

Heavy showers followed by a drizzling rain fell over Lynn county and throughout the south plains section of the state Tuesday afternoon. The government gage here registered a precipitation of .94 of an inch. The fall is said to have been heavier north of Tahoka and in some other localities in the county. Light local showers also fell in some sections of the county Wednesday, and misty weather still prevails throughout this section.

Early Saturday night, a light shower fell here amounting to .30 of an inch.

## Thomas Elected Next Legislator

John N. Thomas of Tahoka was elected last Saturday over Homer R. Winston of Brownfield to represent the 119th district in the state legislature. Mr. Thomas' majority was 2,074 votes, however, one small box in Dawson county has not reported.

The unofficial total vote was: Thomas, 10,558; Winston, 8,484.

Thomas carried six counties: Dawson, Cochran, Crosby, Lubbock, Lynn and Yoakum. Winston led in Gaines, Hockley and Terry.

Mr. Thomas is a pioneer citizen of Lynn county, a former county tax assessor, and present secretary of the Tahoka school board.

## Colored Baptists Make Good Report

George Bivins, one of the messengers of the Pleasant Grove Baptist Church of Tahoka, colored, to the West Texas Baptist Association which met in Colorado last week, desires to thank the white people of Tahoka who have assisted his church in its work here recently. He also wishes to report that this church recently raised \$13.10 for association work, that the white people contributed \$7.90 more, and that the church borrowed \$3.85, making a total of \$24.85 sent by the church to the association.

He says that the colored Baptists of West Texas had a most successful association at Colorado last week. They raised \$800.43 for the work fostered by the association, \$565.43 of it being for foreign missions.

## YOUNG MAN CHARGED

A young man was arrested and placed in jail here Wednesday charged with the theft of a battery, vacuum tank, and other automobile accessories from the car of Winter Knight a few weeks ago. The stolen property has been located and recovered. A complaint has been filed against the accused in the justice court.

### Cade Studies Tax Laws At Austin

A. M. Cade and family returned Thursday of last week from San Angelo, where Mrs. Cade and children visited while Mr. Cade went to Austin to secure first hand knowledge on the new tax laws. He says he spent Monday and Tuesday of last week in the state comptroller's and state highway departments. He was greatly impressed with the efficient manner in which these two great departments of the state government are handled and said he learned much that will be of advantage to him in the tax collector's office here.

## Armstrong Will Speak In Tahoka

Judge Geo. W. Armstrong of Fort Worth, independent candidate for governor, will speak on the court house lawn in Tahoka at 3 p. m. Wednesday, Sept. 7.

Judge Armstrong is a logical and forceful speaker. He has written several books upon the operations of the Federal Reserve System, and the money question. He was invited to Washington to make an argument as a monetary expert in support of the Patman bill. He will point out a way by which the State can establish its own currency and credit system, and thereby restore values and prosperity.

## Pastor Called By Baptist Church

At a church conference last Sunday morning, the members of the Baptist Church here unanimously called Rev. L. L. Hays of Irving, Dallas county, as their pastor. It is not known yet whether or not he will accept.

Rev. Mr. Hays is a brother of Prof. B. M. Hays, who was formerly principal of the high school here and is now superintendent at Wolfforth. He is a young man of outstanding ability and great promise, well equipped for his life work. He has been pastor at Irving the past three years and has done a great work there, it is said.

The church here has been pastorless since the sudden and unexpected death of Rev. O. J. Hull, which occurred early last May.

## MEN'S BIBLE CLASS

There was a slight increase in attendance at the Men's Sunday School Class at the American Legion Home last Sunday. It is hoped that there will be an increase on next Sunday also. Members of the Douthitt family will render some special instrumental music, it is announced.

Elected State Senator

ARTHUR P. DUGGAN

## Duggan Winner Of Senate Place

Arthur P. Duggan of Littlefield defeated Representative G. E. Lockhart of Lubbock but formerly of this city for state senator from the 30th senatorial district by a majority of 787 votes, according to latest available returns. Duggan received 21,976 to Lockhart's 21,189.

Duggan carried Bailey, Borden, Cochran, Cottle, Dawson, Gaines, Garza, Hale, Hockley, Lamb, Motley, Terry and Yoakum; Lockhart carried Andrews, Crosby, Dickens, Howard, Floyd, King, Kent, Lubbock, Lynn, Martin, and Stonewall.

Duggan is well known over West Texas. He established the city of Littlefield and has been greatly instrumental in settling up Lamb county by breaking up the Geo. W. Littlefield estate into farms. He has been prominent in civic work and is a past president of the West Texas Chamber of Commerce. Mr. Duggan is said to be well qualified for the office to which he was elected.

## Lightning Strikes House Near Here

Jim Woods, high school student, reports that lightning struck the house of his father, S. H. Woods, at about 4:30 Tuesday afternoon during the rainstorm, knocking a large hole in the roof possibly two feet wide and eight or ten feet long. The roof caught fire and burned for a moment but was soon extinguished by the heavy rain. Mr. and Mrs. Woods and other occupants of the house were slightly shocked but no one was injured.

The Woods live on a farm three miles east and a mile and a half north of Tahoka.

## Mullins Gets Arm Broken In O'Donnell

A. J. Mullins of this city sustained a fracture of both bones of the left forearm Tuesday morning when he fell from the distributor of a gin in O'Donnell on which he was making repairs to the floor beneath, a distance of about ten feet.

The bones were set by an O'Donnell physician and the injured arm placed in a sling. Mr. Mullins thinks that the broken ends of the bones will soon knit together again and that the member will soon be as strong practically as ever.

Misses Evelyn and Estelyn Jeffreys, the twins, are here from Lubbock this week visiting in the home of Mrs. W. M. Harris.

## LYNN COUNTY RACES CLOSE

Story New Clerk; Finley and Nordyke Commissioners; Harrison Is Tahoka's Weigher

H. C. Story of Tahoka was the winner in the race for county clerk over W. O. W. (Bill) Jones of O'Donnell in last Saturday's primary by 393 votes. Story received 1020 votes and Jones 1227. Story carried 12 of the 14 boxes in the county. At West Point the vote was 41 to 1 in Story's favor. Story's majority in the two Tahoka boxes combined was 457, but this was almost offset by the remarkable vote which Jones received in his home town of O'Donnell, where he rolled up a majority of 403 votes. He also ran strong at Newmoore, the vote there being 75 to 11 in his favor.

R. E. (Bob) Finley of Wilson will continue to serve as county commissioner of precinct No. 1. He defeated J. F. (Frank) Stuart of Tahoka by a majority of 94 votes, the total being 549 to 455. Mr. Stuart carried North Tahoka and Magnolia while Mr. Finley carried Wilson, Morgan, and Gordon. Mr. Finley has been a member of the court for several years.

L. M. Nordyke will be the new commissioner from precinct No. 2. His home is in the Midway community. He defeated J. W. Warrick by a vote of 416 to 307. Mr. Warrick carried his home box, Grassland, while Mr. Nordyke carried South Tahoka and Draw.

Homer Harrison won the race for public weigher in Tahoka, carrying both boxes here as well as Magnolia and West Point. Edwards was a close runner-up in North Tahoka and carried Three Lakes by a two to one majority but he lost the other boxes heavily. The vote was 601 to 454.

At O'Donnell W. E. Payne defeated Tom Rogers for public weigher by a vote of 386 to 221.

In the New Home district, Henry Heck won over E. O. White for public weigher by only seven votes. Heck carried New Home by ten votes but lost Dixie by three votes.

## Bickley Preaches At M. E. Church

Dr. C. A. Bickley, Presiding Elder of the Lubbock District, preached a "Victory" sermon at the local M. E. church Sunday morning. Using as his text "Thanks be to God, Who giveth us the victory" he brought a message of inspiration and courage to every listener. Mrs. Layne Moreland sang a simple version of the Twenty-third Psalm as the special musical offering.

For the church school worship period Miss Lucille Slaton sang a beautiful solo, "Evening and Morning", following Handel's "Largo" as a piano prelude.

The evening service had not been arranged in the expectation that Dr. Bickley could be present, but on account of a delayed Conference the hour was unfilled. The young people's departments, however, met for their usual services. The Intermediates enjoyed a lovely party on Thursday evening under the direction of their Counselor, Mrs. H. C. Smith.

It is expected that Rev. Smith will be back in his pulpit Sunday morning, although it may be filled by Rev. H. L. Tharston of Wilson, who is a splendid speaker. Bro. Smith is now engaged in a meeting with Rev. Thurston at Dixie church.

Local preacher Frank Sargent is also assisting in a meeting being held by Rev. J. N. Hester at Draw, being in charge of the music and the young peoples' work.

Let everyone be in his place on time next Sunday, 9:45 A. M. There will be special music and a worthwhile program in every department.

CITATION BY PUBLICATION

The State of Texas,
To the Sheriff or any Constable of Lynn County, greeting:
You are hereby commanded to summon J. B. Rhodes by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Lynn County, to be held at the Court House thereof, in Tahoka, Texas, on the third Monday in September, A. D. 1932, the same being the 19th day of September, A. D. 1932, then and there to answer a petition filed in said Court on the 17th day of August, A. D. 1932, in a suit, numbered on the docket of said Court as No. 931, wherein J. J. Didier is Plaintiff, and J. B. Rhodes and T. A. Smith are Defendants, and said petition alleging that the plaintiff resides in Multnomah, Oregon, and that the defendant, T. A. Smith, resides in Caldwell County, Texas, and that the residence of the defendant, J. B. Rhodes, is unknown.

That J. B. Rhodes, on or about the 7th day of February, 1923, executed and delivered to the plaintiff, eighteen vendor's lien notes for the sum of \$220.00 each, all dated February 7th, 1923, and due, and payable on or before February 1st, 1924, and annually thereafter to and including February 1st, 1941. That said notes bear interest at the rate of 6 percent per annum until maturity, and 10 percent additional on past due principal and interest; also 10 percent additional as attorney's fees if placed in the hands of an attorney for collection.

Said petition further alleging that on the 8th day of June, 1923, J. B. Rhodes and wife, Ethel Rhodes, conveyed to the defendant, T. A. Smith, the hereinafter described land. And in said deed, the defendant T. A. Smith, agreed and assumed the payment of the above described notes, which constitute a vendor's lien against the hereinafter described land; whereby the defendants, and each of them, became liable to the plaintiff for the sum of money in said notes specified, together with all interest and attorney's fees. The first six of said series of notes having heretofore been paid are released and discharged. This suit is maintained on the balance of said notes, from note No. 7 to 18 inclusive.

That said notes were given as part of the purchase money of the following described real estate situated in Lynn County, Texas, and described as follows to-wit: All of the South one-third of Survey No. 27, Block No. eight, Cert. No. 654, of the E. L. & R. R. R. Company's surveys and containing 213 1-3 acres of land. Also, 6 2-3 acres along the South line of the East one-fourth of the North 2-3 of Survey No. 27, Blk. 8, Cert. No. 654, E. L. & R. R. R. Company Surveys, situated in Lynn County, Texas. Both tracts above described making a total acreage of 220 acres of land, a more particular description of said land being given by metes and bounds in the plaintiff's petition on file in the District Clerk's office of Lynn County, Texas.

That notes Nos. 7, 8, and 9 are past due and unpaid and the plaintiff has declared the remainder of said notes due, but the defendants, though often requested, have failed and refused to pay said notes or any part of them, but the same remains still due and unpaid.

That the plaintiff has placed said notes in the hand of an attorney for collection and contracted to pay him the 10 percent attorney's fees stipulated therein, same being reasonable and the usual and customary fees.

Wherefore Plaintiff prays that defendants be cited to answer this petition, that he have judgment for his debt, interest, attorney's fees and cost of suit against the defendants and each of them and for a foreclosure of his lien on the above described land and premises and that the same be decreed to be sold as provided by law.

Herein fail not, and have you before said Court, at its aforesaid next regular term, this writing with your return thereon, showing how you have executed the same

Given under my hand and the seal of said Court, at office in Tahoka, Texas, this 17th day of August, A. D. 1932. W. S. TAYLOR, Clerk District Court, Lynn County. 52-4tc

D. 1932, the same being the 19th day of September, A. D. 1932, then and there to answer a petition filed in said Court on the 16th day of February, A. D. 1932, in a suit, numbered on the docket of said Court as No. 922, wherein R. Y. Eckels is Plaintiff, and Myrtle C. Lewis, Jay G. Lewis and the unknown heirs and unknown legal representatives of the said Jay G. Lewis, and A. W. Lee and J. P. Hughes, are Defendants, and said petition alleging the execution of two notes for \$2,000.00 each on April 5th, 1927, payable to order of Temple Trust Company, providing for interest from date until maturity at the rate of seven per cent per annum, payable annually according to the tenor of interest coupons attached to said notes, both due February 1st, 1937, one note secured by First Mortgage on the Southeast Quarter of Section 21, Block A-1, Lynn County, Texas, and the other secured by First Mortgage upon the Northeast Quarter of Section 21, Block A-1, Lynn County. Plaintiff also alleges the execution of two second mortgage notes for \$432.89 each, representing a part of

Plaintiff further alleges the default in the interest due on each of the First Mortgage notes above described on February 1st, 1931, and default in the payment of the installment on each of the Second Mortgage notes that became due February 1st, 1931, and the transfer of the interest coupons and interest installments that became due on such date to him by said Temple Trust Company. Lady Took Cardui And Got Rid of Pain In Her Side

"Last summer, my health was bad, so I began taking Cardui," writes Mrs. H. E. Slaughter, of Norman, Okla. "My mother had given me Cardui in girlhood, so naturally I turned to it when I felt I needed it. I felt run-down and a general weakness. I had bad, dizzy headaches when everything would seem to dance before my eyes. My right side pained me so much, but since taking Cardui the pain has left me. I have taken several bottles of Cardui and have improved a great deal."
Cardui is sold at drug stores here.

Peter Molyneux, editor of The Texas Weekly, published at Dallas, recently wrote an editorial in which he discussed at length the question of reparations and war debts. This editorial was so thought-provoking that it was widely published throughout the United States, receiving favorable comment from many of the leading newspapers and economic journals. It brought forth a letter from Senator Borah, chairman of the Senate Committee on Foreign Relations, approving the position taken by Mr. Molyneux and calling attention to some pertinent facts with respect to the war debts and our foreign commerce. Mr. Molyneux had pointed out that Europe had purchased only 200 million dollars worth of cotton during the last fiscal year whereas in normal years it would purchase 700 million dollars worth. In this connection Senator Borah points out that our foreign trade in 1929 was about five billion dollars whereas in the last fiscal year it was only one billion seven hundred million. "The United Kingdom, Germany, France, and Italy have reduced their purchases in this country below 60 per cent since 1929", he states. Both Senator Borah and Molyneux take the position that it was failure to adjust the war debts that paralyzed commerce and brought on the depression, and both take the position that there must yet be an adjustment of these debts before we can expect a speedy return of prosperity. Mr. Molyneux points out, however, that since the Lausanne conference a few weeks ago at which it was agreed by the great powers of Europe to scale down Germany's debts to about one-tenth of the original, Europe has been increasing her purchases of American cotton and the price has been steadily rising. During the first three weeks in August, 1931, he points out, our exports of cotton to Europe were less than 50,000 bales, whereas our exports to Europe during the first three weeks of August this year were approximately 250,000 bales.

Black-Draught Clears Up Sluggish, Dull Feeling

"I have used Theford's Black-Draught for constipation for a long time, and find it gives relief for this trouble," writes Mrs. Frank Champion, of Wynne, Ark. "I think it is good for spells caused from gas on the stomach. If I get up in the morning feeling dull and sluggish, a dose of Black-Draught taken three times a day will cause the feeling to pass away, and in a day or two I feel like a new person. After many years of use we would not exchange Black-Draught for any medicine."

CROUCH ASKS VOTERS TO SUPPORT THE LEADER

Editor News: One by one, over nine hundred thousand Texas voters marched bravely up to the polling places and deposited their tickets in the ballot boxes and silently folded their silken banners as they stepped proudly out into the world's largest stadium to await the results of the greatest race in the history of any state in the American Union. The late afternoon sun of last Saturday eve cast long shadows on the broad arena of the Lone Star State. Perhaps it was the cool of the evening, perhaps it was a note of finality in the slowly booming signal gun in the plaintive last call of the bugles. Nearly a million voters felt in unison the same emotion. Something very exciting and thrilling had come to an end. The Texas Democratic run-off primary election had come and gone. And, as the crowds gathered around the bulletin boards or listened to the loud speakers announce the results and the eyes of hundreds glistened as the news of victory for their favorites were wafted over the gentle Texas breeze, one of the most memorable campaigns in Texas history has come and gone. The spell-binders have folded their tents and silently stole away, the noise has died down, and the Olympic torch is cold but the warmth and light of American citizenship lives on and will spread abroad over our Texas domain. Soon the wounds of conflict will be healed and be it Ma or Ross that first passes the goal the valiant Texas voter will gladly acclaim that one MY GOVERNOR. W. J. CROUCH.

NOTICE! By order of the Board of Aldermen of the City of Tahoka, Texas, public notice is hereby given that a public hearing will be had upon the adoption of the Budget of the City of Tahoka showing receipts and disbursements of said city during the past year and proposed expenditures and tax rate for the year of 1932-1933, which said public hearing will be held at the office of the City Secretary in Tahoka, Texas, on the 16th day of September, 1932, at 8:00 o'clock p. m. Dated this 30th day of August, 1932. (Seal) MRS. J. B. WALKER, City Secretary.

THANKS SUPPORTS - To the voters of Cotton Weigher's Precinct No. One, and to my friends in Lynn County: Through all my campaigning I tried to make you understand that your vote and influence would be appreciated. I thank you more than words can express and mean to demonstrate my sincerity by service rendered as cotton weigher. HOMER HARRISON

How Cardul Helps Women - "Mal-nutrition" means that your body is not getting enough to keep it up, so that what it has to do is not done well. You may not be eating enough to keep up the work of the body, or there may be something wrong that keeps you from getting full value from the food you eat. Because of mal-nutrition, some women have aches and pains every month. Such pains should not be neglected. Take Cardul to give you a better appetite, to give you more strength from the food you eat—to build up and increase your feeling of well-being. Aches and pains go away as you build up with the help of Cardul.

The South must depend largely upon Europe and the Orient for a market for our cotton, and our prosperity therefore depends largely upon the economic and industrial conditions that exist over there. It is foolish for us to shut our eyes to this fact and to take the position that bankruptcy and debt in these countries are no concern of ours. There should be an adjustment of the war debts which European countries owe us. Possibly it should be made contingent upon their willingness to reduce their expenditures on armies and navies and war munitions, but it is clear that these debts were powerful factors in bringing on the depression and in preventing a return of prosperity to our country. They should be gotten out of the way.

IF REPEALED, WHAT? The Sunday News of Aug. 14 contained an excellent article on the Eighteenth Amendment by Sidney J. Brooks of San Antonio, citing some legal questions that would arise if the amendment were repealed. His general conclusion is that modification rather than repeal should be advocated and that most careful consideration should be given to the modifications proposed before they are presented for final decision.

All persons in theory agree that the saloon of former years should not be permitted to return, yet its return in some form or other is almost inevitable, should the amendment be repealed. For it is assumed that the control of liquor would be vested as formerly in the States, with a minimum of Federal interference. The States desirous of legalizing the liquor traffic in some form would have the alternative of licensing private saloons or of going into the liquor business through public dispensaries. In the one case revenue would be collected from sale of licenses—the old system; in the other case, from the profits derived from the State manufacture and sale of liquor. It would be hard to choose between the well-known evils of the private saloon and the prospective evils that would rapidly develop through political or party control of the sale of liquor.

Some assume that the Federal Government should retain an effective control over the States in respect to liquor, so as to safeguard those that would prefer to retain prohibition. A really effective control would probably prove impossible of enforcement and attempts at enforcement would be accompanied with the same difficulties as at present, but intensified. The last three years have seen, throughout the United States, a wonderfully effective propaganda for repeal and it has apparently proved successful. Prohibition sentiment is dazed and there is a general demand for the repeal of the Eighteenth Amendment. No repeal legislation, however, should be submitted to the States until the opponents of prohibition declare in definite terms what system of liquor regulation is to take the place of prohibition. A blind repeal without a constructive substitute would be absurd and would doubtless be rejected by many of the States. If the saloon must not be permitted to return, just what is to take its place? If the State is to monopolize the traffic, how can the traffic be kept out of politics, with its inevitable

ble train of corruption? What guarantees are to be given to dry States that liquor will not pass over their borders? Finally, can the United States in this age of rapid transit really be half dry and half wet? Must it not obviously become all wet or else stay dry in theory, if not in fact, awaiting the time when a real temperance will be necessitated by the demands of a higher civilization? —Dallas News.

Mrs. D. Henderson and daughter Mary Helen of Big Spring returned home Sunday after several weeks visit with their daughter and sister, Mrs. Joy Lindly and family.

The characters of the "all-star" play of the literary societies of T-Bar, Wells Newmoore, and Midway have been practicing every night this week and will put on the play, "The Girl Who Forgot", at Wells Friday night, Aug. 2. All those who miss this play will surely miss a treat.

Our protracted meeting will start Sunday, Sept. 4, and continue thru the following Sunday. All are cordially invited to come and help out with the meeting. The pastor of the Methodist church of O'Donnell will do the preaching.

The singing Sunday night was well attended and several new songs were practiced in view of the meeting which is to begin Sunday.

Mrs. McCarley of O'Donnell is visiting her son, J. C. McCarley Sr., for a few days.

### BOVELL-KNIGHT HOSTESSES

at BRIDGE PARTY FRIDAY

Mesdames W. T. Bovell and Summer Knight charmingly entertained a number of their friends at a bridge party in the latter's home Friday afternoon.

The rooms were adorned with lovely bouquets of pink roses, and zinnias were used in jardiniere. The color scheme of pink and green was carried out in the refreshments, table covers, and luncheon cloths. The table favors were miniature old-fashioned ladies and pink nut-cups holding mints. Mrs. C. B. Townes scored high and Mrs. W. B. Slaton low.

The hostesses served pink ice cream and coffee in green to the following: Misses Jim Burleson, Maurice Small, A. D. Sanders Jr., Carl Griffing, R. W. Fenton Jr., Oscar Roberts, C. B. Townes, Clyde Thomas, J. B. Pace Jr., W. B. Slaton, E. H. Boullion, Leroy Knight, D. W. Gaignat, E. A. Houston, Frank Larkin, J. H. Powell, M. J. Weaver, L. F. Craft, Frank Hill and Miss Maggie Hickerson.

### MISS HARRISON TELLS

**Of Her Recent Trip**

The canned products of three members of home demonstration clubs in Lynn county were adjudged to meet the requirements for standardization at the Home Industry Conference held at Las Vegas, New Mexico, last week, according to Home Demonstration Agent Miss El Fieda Harrison. These were Miss Mollie Cato of Morgan, whose product was cream peas, Mrs. J. W. Taylor of Edith, whose product was stringless green-pod beans, and Miss Alice Church of New Lynn, whose product was mince meat. Mrs. Henry Heck succeeded last year in standardizing sweet cucumber pickles. Grading for standardization is done by Texas A. & M. College extension service specialists.

### STUART IS GRATEFUL

While I failed election Saturday I feel that no man ever had more loyal friends than I have had during the contest that has just closed. I want to thank them for their loyalty and support. On the other hand, I have no ill feelings whatever toward those who did not vote for me. With best wishes for all, I am

J. F. (Frank) STUART.

### MISS HARRISON HAS INTERESTING TRIP

Miss El Fieda Harrison left Saturday morning to spend about ten days with her parents, who reside at Quitman in Wood county. She expects to be back in her office on September 9.

Before leaving Miss Harrison related some interesting experiences that she had recently had in New Mexico when she went out there to attend the Home Industry Conference. She visited the Indian Reservation near Las Vegas, talked with some of them in their homes, saw them making their pottery famous for its beauty, and inspected the ruins of the Cliff Dwellers at Puray. The Indians in their native garb, she declares, are a most interesting people. She saw the oldest house and the oldest church in the United States, erected by the Catholics centuries ago.

The Indians are engaged in raising corn and beans and other farm and garden products but they still use crude methods and cultivate only small patches. Miss Harrison brought back with her an ear of Indian saw corn, a variety quite different from any grown in this section of the country. She intends to have the grains from this ear planted here next year and watch developments.

### RAIN HELP TO CROPS BUT WORM DAMAGE FEARED

The returns in the various contests as tabulated by the Texas Election Bureau are as follows:

Railroad Commissioner (6 years) —Satterwhite 352,529, Terrell 530,073.

Railroad Commissioner (4 years) —Thompson 453,661, Hatcher 416,820.

Supreme Court—Pierson 433,157, Hickman 419,470.

Congress, Place 1—Parrish 384,248, Terrell 468,877.

Congress, Place 2—Bailey 514,420, Davis 354,239.

Congress, Place 3—Strong 460,115, Burkett 388,688.

The effect of these rains upon the cotton yield in this county is problematical. Undoubtedly they will be helpful unless they result in an invasion of boll worms or leaf worms. A few boll worms have already made their appearance and some farmers are complaining that they are already doing considerable damage. Others say, however, that the damage so far is negligible. Boll worms could practically destroy the late crops and might yet do considerable damage in the older cotton. It is not believed that the leaf worms are likely to damage the older cotton very materially but they could work great havoc in the late cotton. Just what effect these rains may have on the cotton crop in this and neighboring counties remains yet to be determined.

Without a doubt the late feed crops will be greatly helped and a bumper crop is now assured.

### MUCH INTEREST IN STATE POLITICS SHOWN HERE

largest majority of any box in the county, 135. Newmoore, however, gave her the strongest proportionate vote, since she received a majority there of more than four to one. Magnolia was second in this respect, giving her a majority of almost three to one.

It is also interesting to compare the results in the run-off this year with the results in the run-off two years ago. In the second primary in 1930 Mrs. Ferguson received 1447 votes while Sterling received 1394, her majority being only 53. Her majority over Sterling last Saturday was 453. Mrs. Ferguson received 161 more votes last Saturday than she received in the run-off two years ago, while Sterling received 239 fewer votes than he did in the run-off two years ago.

While returning from Lubbock, where he had been to visit a daughter, J. P. Bearden of the Dixie community suffered a stroke of paralysis late Wednesday afternoon. He was said to be resting as well as could be expected last night.

### "MA" FERGUSON LEADS IN RACE; STERLING CONTESTS

(Cont'd. from first page)

Amarillo, who defeated W. Gregory Hatcher of Dallas for Pat Neff's unexpired term of four years as railroad commissioner. Thompson was recently appointed to this place by Governor Sterling to serve till the end of this year.

C. V. Terrell of Wise county and Lee Satterwhite of Ector county were the opposing candidates for the full term of six years on the railway commission, and Terrell was an easy winner. He has been a member of the commission for several years.

In the race for associate justice of the supreme court, Judge Pierson of Greenville, the incumbent, defeated Judge Hickman of Eastland by a little more than 11,000 votes.

Three candidates for congressmen-at-large were to be elected, and two of the successful candidates reside in Dallas. They are Joseph W. Bailey Jr. and Sterling P. Strong, one of them a wet and the other a dry. The third winner was Geo. B. Terrell of Cherokee county, who is listed as a wet. Bailey defeated the veteran politician and fighter, "Cyclone" Davis. Strong defeated Joe Burkett of San Antonio, formerly of Eastland, and Terrell defeated Pink Parrish of Lubbock.

After some introductory remarks by Supt. Pace and the invocation by H. C. Smith, Mr. Banks of the high school led in the singing of "America".

A vocal solo was rendered by Miss Lucille Slaton, a reading was given by Miss O'Beran Forrester, and a piano selection by Mrs. J. K. Applewhite.

Mr. Weaver announced that the prospects for a good football team were excellent, as some splendid material is available.

Shepherd of Clarendon, formerly pastor of the Baptist Church here, did the preaching in the meeting. Mr. Key reports a very successful meeting with many conversions and many additions to the church.

Mrs. Jim Williams, who resides near Central Church east of Tahoka, was taken to the Lubbock Sanitarium Tuesday suffering from gall bladder trouble. It was thought that an operation would be necessary.
