ENGLISH WILL OPEN THEATRE

Lavelta Being Remodeled And Talking Equipment Installed For First Class Show

Tahoka is to have a theatre again. The old Lavelta Theatre building is being completely remodeled inside and D. B. English is preparing to open a new all-talking show house therein within the next ten days or two weeks.

This theatre building was gutted by fire several months ago. The remodeled building will have Celotex ceiling and walls, Celotex being the best sound-proof material, it is said. Many of the seats now occupying the building will be used but about 200 new seats will be installed. The very latest model of talking equipment will be installed. Mr. English stated to the News Tuesday, and the latest and best pictures on the screen will be shown. "We are going to give the people of Tahoka and Lynn county one of the best and most up-to-date show houses in all West Texas". Mr. English said, "and we want the people to know it is to be an all-talking show house—one of the best to be found anywhere."

This new theatre will carry the original name and will be known as the English Theatre.

X. R. Bank's Father Dies In East Texas

Prof. X. R. Banks, the new principal of Central Ward, was called to Pickton, Hopkins county, last Friday by the death of his father, which occurred at that place Friday morning. He was accompanied by County Attorney G. H. Nelson, an old-time friend and school-mate. The funeral services were conducted Saturday afternoon.

Messrs. Banks and Nelson arrived back in Tahoka at an early hour Tuesday morning. They report floods of rain in North and East Texas and the whole country submerged in water.

Horn of Meadow is the moderator of the association. It is expected that there will be possibly 200 visitors here for the association if the weather is favorable and the roads passable.

The Women's Missionary Union meets in connection with the association and this organization will render its program on Wednesday afternoon, beginning at 1:30 o'clock. The program of the association has not been furnished us but the women have planned the following program:

Good Crowd Here For Dollar Day

Quite a large crowd was here Monday afternoon, the occasion being Tahoka's fourth Dollar Day. Business with the merchants was satisfactory.

Entertainment was furnished by members of the colored Baptist Church here, who rendered a program of music on the court house lawn. Sacred music was rendered for the most part but it proved to be quite entertaining nevertheless.

FIRST BALE OF COTTON GINNED

Joe Stokes Man Brings In First 1932 Staple; Given Premium By Business Men

Tahoka ginned her first bale of cotton this season on Monday night. The bale was brought in by H. R. Curry of the Joe Stokes community and was ginned at the Farmers Co-operative Gin, formerly known as the Edwards-Lockhart Gin. The bale weighed 565 pounds.

On Tuesday the business men of Tahoka made up a premium of \$19.50 in money and merchandise and paid Mr. Curry. He was offered nine cents per pound for the bale but did not sell.

Mr. Curry expressed great appreciation for the premium the business men raised and paid him.

Pioneer Preacher Fills Local Pulpit

Elder H. A. Conway, who is here visiting his son and daughter, Claude Conway and Mrs. Roy Poer, filled the pulpit at the Baptist Church here Sunday morning and night, preaching to two appreciative audiences.

Elder Conway is a veteran in the ministry. He was licensed to preach about the first of June, 1880, a little more than fifty-two years ago, and he has been actively engaged in the ministry ever since. He was pastor of one church down in Navarro county for an aggregate of 21 years, serving sixteen years in succession, then resigning and doing pastoral work elsewhere for nine years. He was then called back to the same church he had left and served again for five years. He conducted one revival meeting there in which there were 85 professions of faith and 57 baptisms.

Elder Conway has not been engaged in pastoral work the past three years but he is still active in the ministry. He held one revival meeting this summer and assisted in another. He has a number of long-time friends in and near Tahoka, who are always glad of the opportunity to hear him preach.

Smith Back In M. E. Church Pulpit

At last Sunday's morning service the local M. E. congregation welcomed their pastor, Rev. H. C. Smith, back home after several weeks of absence engaged in revival meetings. He delivered an inspirational message on the text "We are workers to gether with God". Maurice Small furnished the special music, using as a saxophone solo the familiar but always beautiful number: "Face to Face".

Young peoples' services were held as usual in the evening but the church service was omitted on account of Rev. Smith closing out the meeting at Dixie in which he has been working. A number of his local congregation visited the service there, and reported it as a splendid one. Announcement was made Sunday of the organization of the local Board of Christian Education and also of a District meeting in First Church, Lubbock, under the leadership of Bishop H. A. Boaz.

It is school time again and everyone is home from vacations and settling down to a regular routine. Can we not bring our church school attendance back up to a high figure and renew our enthusiasm for the wining work? Let everyone be present on time next Sunday—9:45 A. M.—Reporter.

DRAW DISTRICT COURT JURORS FOR SEPT. 19; DOCKET IS HEAVY

The district court will be confronted with a heavy docket when it convenes here on Monday, September 19. There are 30 civil cases and 61 criminal cases now pending on the docket, according to district clerk Skip Taylor. Many of the criminal cases are old ones, having been accumulating on the docket the past few years. Quite a number of them are comparatively new cases, however. It has been almost impossible for the district attorney to bring many of the criminal cases to trial during the past few terms of court, for one reason or another, it will be remembered. It is highly probable that many of them will never be brought to trial, for in the course of time witnesses disappear, die, remove out of the state, become uncertain as to their testimony, etc., in which event it becomes a waste of time and money to try the cases in which their testimony is necessary.

There are some important and comparatively new cases on the docket, however. Among these are the Mrs. Ola May Redman case, in which she is charged with murder, and several cases involving theft of large quantities of gasoline. Also the bank robbery at O'Donnell last Spring is to be investigated by the

Baptist Meeting A Great Success

The West Texas Primitive Baptist Association, which met here recently, will meet in Brownfield next August, according to announcement made a few days ago.

Heretofore the association has been composed of many churches in West Texas and a few churches in New Mexico. At the recent meeting here the churches of New Mexico were permitted to withdraw and form an association of their own. The new association will meet at some point in New Mexico not yet determined.

The meeting here two weeks ago was largely attended. It is conservatively estimated that there were fully six hundred visitors here. Much zeal and enthusiasm were manifest and some great services were held. At night many people of other churches here attended and enjoyed the services. Many of the ablest preachers of the denomination were present and delivered discourses. The singing was without piano accompaniment, but hundreds of voices joined together in singing the great old sacred melodies and the effect was most inspiring and persuasive.

Any town is fortunate to be favored with such a gathering.

T. C. (Grandpa) Leedy, who has been confined to his bed several months, is gradually growing weaker and it is feared that he will not survive much longer.

Mrs. W. S. Swan is visiting Mrs. Ben Shook in Plainview this week.

Rain Total For This Year Is 18 Inches; Damp Weather Is Damaging Crops

Although rain has fallen nearly every day for the past week, Lynn county and the entire South Plains are fortunate in that they have had no terrific downpours such as have occurred a little further east. The total precipitation in Tahoka since this showery weather began nearly two weeks ago has amounted to 2.50 inches, according to the U. S. rain gauge kept by the News. The rainfall since the first of this month amounts to 1.23. In some portions of the county possibly more rain than that has fallen, for there are a few localities in which the downpour was heavy at times, but for the most part the rains throughout this section have fallen slowly and have soaked into the soil. Unprecedented rains have visited some sections of the West, Sweetwater and Roscoe reporting as much as ten inches last week and five inches this week. Heavy rains have also fallen at Snyder and Post, while Lamesa has received much more rain, according to reports, than has fallen here.

These rains have greatly delayed harvesting of the feed crops and

grand jury and indictments in this matter will likely be returned promptly and placed on the docket. There are numerous other cases also to receive the attention of the inquisitorial body, in which indictments will doubtless be returned. It appears probable, therefore, that many cases will remain on the docket when the approaching term of court closes.

This will be the last term of court here in which Hon. T. L. Price will appear as prosecutor. He has been serving almost six years in this capacity and has won the reputation of being one of the strongest prosecutors in this part of the state.

On Monday morning, the first day of the term, Judge Gordon B. McGuire will empanel the grand jury. The list of citizens from whom the grand jury of twelve men is to be selected follows: Sailor Williams, Arthur Davis, A. J. Barnes, Tom Brewer, E. M. Haynes, C. R. Riley, C. A. Coleman, J. H. Smith, Jno Anderson, J. R. Strain, C. P. Church, Jack Applewhite, Guy Cobb, E. J. Jennings, W. D. Nevels, Carl Griffling.

B. M. A. Meets At New Lynn

The Plains Baptist Association, which embraces sixteen counties in this section of the state and which is associated with that wing of the denomination in Texas known as the B. M. A. Baptists, met with the church at New Lynn on Wednesday of last week, the meetings of the body coming to a close Friday night. There were possibly a hundred preachers and messengers in attendance, according to Elder J. A. Gibson of Meadow, who was here Saturday. The North Plains was also represented at the meeting. The state secretary, Elder Joe Herring of Dallas, was present and delivered some stirring addresses. The work of the association is growing and prospering greatly according to the reports of the various churches, and the spirit of the meeting is said to have been fine throughout.

Elder Mart Robinson of Lamesa is the pastor of the New Lynn Church. Elder Gibson was lavish in his praise of the manner in which the New Lynn Church entertained the visitors.

Pace Speaker At Lubbock Institute

J. B. Pace Jr. attended the South Plains Teachers Institute in Lubbock Tuesday. He spoke at the general assembly and led the discussion in a Symposium on the subject of "How to Transfer Students From One Public School to Another."

Federated Clubs Meet Tomorrow

The federated clubs of Tahoka, including the three Phebe K. Warner clubs, will meet in joint session at 3:30 o'clock Friday afternoon at the American Legion Hall, according to Mrs. W. B. Slaton.

This is the first meeting of the season and it is earnestly desired that all members be present.

MA'S MAJORITY REACHES 3,870

Re-Check Shows More Votes For Woman In State's Closest Governor's Race

Dallas, Sept. 6.—Mrs. Miriam A. Ferguson's majority over Governor R. S. Sterling for the Democratic gubernatorial nomination reached 3,870 votes today as final and complete returns were received by the Texas Election Bureau.

The vote at the Aug. 27 primary was: Mrs. Ferguson 477,844; Sterling 478,974, total 956,818.

The bureau's figures were from county chairmen, sent after Saturday's official county canvasses. The bureau received reports from all but 13 county chairmen Saturday night. Returns from the last 12 increased Mrs. Ferguson's majority by 112 votes.

Albert Sidney Johnson, chairman of the state Democratic executive committee, said today that he had received returns from all counties and would have them tabulated for submission to the committee when it meets in Lubbock Monday to canvass the vote before the state convention. The official returns were sealed, Johnson working with duplicates.

Smith Re-Acquires Lamesa Reporter

J. W. Smith Sr. has again acquired the Lamesa Reporter and announces that he does not expect to sell it again any time soon.

Mr. Smith was proprietor and editor of this paper for many years. Then he sold it to a chain newspaper company. This company has published the paper the past several years, during which time it has had numerous editors and business managers. The company published a good newspaper, but the depression came on and the company evidently found it to be an unprofitable enterprise. At any rate, some sort of deal has been made whereby it becomes the property of the original owner.

We are glad to welcome Smith back into the newspaper field. His typewriter does not always spell correctly and like our own it sometimes uses faulty English, but he knows how to get over his views to his readers, and we'll bet everybody reads his editorial page.

Shaver Manager Chicken Ranch

Mr. and Mrs. Ray Shaver removed Friday to Odessa, where Mr. Shaver has accepted a position as manager of the Imperial White Leghorn Chicken Ranch.

They have six thousand White Leghorn hens on this ranch, Mr. Shaver stated to the News, and four incubators of 16,000 capacity each.

Mr. Shaver has been engaged recently in operating a filling station here but formerly he was county farm agent of Lynn county. He is very familiar with the poultry business as well as live stock and agricultural problems and will doubtless make a success of his new adventure.

Mr. and Mrs. Shaver have many friends here, who regret their removal from Tahoka.

NEGRO CHOIR WILL SING AT EDITH SCHOOL SUNDAY

George Bivins, colored, announces that the choir of the Pleasant Valley Baptist Church, colored, will go out to Edith on the third Sunday night in this month and render a musical program.

An invitation was extended to them by some of the residents of Edith after hearing the singing at the Dollar Day program here Monday afternoon.

DEMOCRATS TO MEET TUESDAY

State Convention At Lubbock Is Expected To Be A Very Lively Affair

For the first time in the history of the state, the Democratic State Convention comes to the Plains. This great body of Texans will meet in Lubbock next Tuesday. It is expected that it will be in session two and possibly three days. On account of the close contest between Sterling and the Ferguson for the governorship, it is expected that each faction will attempt to control the convention and the party machinery for the next two years. Stormy times are anticipated. All this insures a heavy attendance, and it will doubtless tax Lubbock's facilities to the utmost to care for the crowds.

Many Tahoka people, in addition to the regular delegation, will probably attend the convention, for an opportunity to attend a great state convention does not come often.

It is fortunate for West Texas and especially for the Plains that this convention is coming to Lubbock, for many of the political leaders who reside in other sections of the state will have an opportunity to see a portion of the great South Plains for the first time. This will doubtless be helpful to this section in matters of legislation in the future. Every courtesy should be shown the visitors by residents of this section. Everybody should give them the glad hand.

The delegates to the convention from Lynn county as named by the county convention here on July 30 are as follows: R. C. Forrester, W. E. Sikes, S. L. Smith, J. J. Gray, E. W. Holloway, Mack Haynes, Sid Cathey, Luther Thomas, J. O. Reed, J. E. Morgan; Robert Noble, E. R. Tunnell, R. L. Thompson, W. E. (Happy) Smith, C. H. Cain, E. I. Hill, J. R. Strain, N. M. Wyatt, G. H. Nelson, Truett Smith, F. E. Redwine, R. C. Wood, L. C. Hanes, Otto Thomas, J. K. Applewhite, A. L. Lockwood, W. S. Swan, W. J. Crouch.

The delegation was instructed to vote as a unit on all matters coming before the state convention.

Cotton Goes Down On Federal Report

The price of cotton dropped approximately 100 points Thursday morning when the Government estimate of the 1932 crop was released.

This estimate placed the crop at 11,310,000 bales, an increase of only 4,000 bales over the estimate made a month ago. The cotton world was expecting the report to be considerably smaller than the August report, however, and when a slight increase was shown the bulls lost courage and the price dropped. It is thought that the price will speedily recover and that it will continue to climb slowly.

The increase was due to the reports from Texas, the estimate of the Texas crop being 140,000 bales higher than the August estimate.

These estimates are made up from reports received from the cotton states prior to September 1. Local cotton men are of the opinion that there has been considerable deterioration in the crop since that date, due to the ravages of worms.

Government reports heretofore have usually proven to be remarkably reliable, however, and the crop will probably turn out to be very close to the figures given out in the last two months by the Government, and it is not probable that the market will decline below the present level.

HOLLAND IN CHARGE AT M-SYSTEM STORE AGAIN

Bill Holland, the man who opened the M-System store here, is back as manager and it is said that he is to remain here permanently.

Miller Cozby, who came here from Hobbs, New Mexico, a few weeks ago as manager, will return to Hobbs Saturday.

Mr. Holland is well and favorably known to the people of Tahoka and its trade territory and he has many friends here who will welcome him back.

ANGELIC, SOBER CANADA!
They say that Canada has solved the
liquor problem!

They say that the Canadian system
promotes real temperance!

They say that Prohibition in our
country has been a failure and that
we ought to adopt some such system
as the Canadian system.

That is what Governor Alfred
Smith of East-Side-West-Side fame
told us four years ago. That is the
remedy that many of the wets are
offering us today.

Well, let's just take a little peep
over into Canada.

In Canada the Government has
monopolized the liquor business. The
Government operates liquor stores.
As a rule, liquor is sold in only un-
broken packages, and the buyer
must secure an annual permit before
he can lawfully purchase liquor at
all. The purchaser is not permitted
to drink in the Government stores.
There are no private dealers—at
least there are not supposed to be
any. Private profit, they say, has
been taken out of the liquor business
—but the Government reaps a rich
harvest in revenues each year. It's
an ideal system, they tell us.

But does it really promote tem-
perance?

We'll let the figures speak.
Government statistics show, ac-
cording to writers on the subject,
that Canada sells to her people an-
nually \$175,000,000 worth of liquor.
The figures have reached as high as
\$190,000,000 in a single year, we
are told. That is about \$18.00 per
capita. The average person—men,
women, children, and babies included
—spends about \$18.00 annually for
liquor. That is about \$100.00 per
family.

Suppose that we had the Canadian
system in the United States. Suppose
that it were operating right
here in Lynn county. Suppose that
under this temperance-promoting
system the people of Lynn county
were spending \$18.00 per capita an-
nually for liquor. There are more
than 12,000 people in Lynn county.
Their annual liquor bill would be

**A Laxative that costs
only 1¢ or less a dose**

NEXT TIME you need medicine
to act on the bowels, try Theod-
ford's Black-Draught. It brings
quick relief and is priced within
reach of all. Black-Draught is
one of the least expensive laxa-
tives that you can find. A 25-cent
package contains 25 or more doses.

Black-Draught is made of ap-
proved laxative plants, firmly
ground so you take the medicine
into your system just as naturally
as you get nourishment from the
food you eat.

Refreshing relief from consti-
pation troubles for only a cent or
less a dose—that's why thousands
of men and women prefer Theod-
ford's Black-Draught.

more than \$216,000. At ten cents a
pound it would take 4,320 bales of
cotton to pay it. Our liquor bill
would far exceed our total expendi-
ture for the education of our child-
ren, including the cost of operating
the schools and the interest and sink-
ing funds that we pay annually on
school buildings bonds. With the
money spent for liquor each year,
we could build two court houses like
the one we have here in Tahoka and
have a pile of money left. Or, if
spent for homes, we could build a
hundred nice homes with it each
year. Or, if spent for groceries, it
would provide a thousand families
with \$216.00 worth of groceries each
year. If spent for clothing, it would
buy a dandy good suit of clothes for
each man and boy and a nice silk
dress for each woman and girl in the
county, with plenty of rouge and
lipstick money left.

Temperance!
If the above Government figures
are correct, Canada would seem to
be soggy wet.

And this is the model they are
holding up to us to pattern after!

Some people are greatly disturbed
at the great number of supposed il-
legal votes cast in the two recent
primaries in this state. As ground
for this supposition the fact is cited
that in many counties in the state
more votes were cast than the num-
ber of poll tax receipts that had
been issued. We do not believe this
to be any evidence of fraud or il-
legality in the voting. Lynn county is
one of the counties that cast more
votes in each primary than she had
poll tax receipts. We paid about
2440 poll taxes and in the first pri-
mary we cast about 2900 votes. In
the second primary we cast a little
more, than 2850 votes. But in the
first primary we cast only 2852 votes
for governor while we cast 2899 for
sheriff. In the second primary we
cast only 2763 for governor while
we cast 2847 for county clerk. If
illegal votes were cast in these elec-
tions it would indicate that there
were more illegal votes cast for
county candidates than for candi-
dates for governor. As a matter of
fact there were doubtless a few il-
legal votes cast in most counties
under a misapprehension on the
part of the voters as to their right
to vote, but we do not believe that
there were many illegal votes in
Lynn county notwithstanding the
fact that we cast many more votes
than we had poll tax receipts. The
same is probably true as to all other
counties in the state that are under
suspicion.

Jimmie Walker, the Tammany
mayor of New York, has resigned
under fire. The evidence of irregulari-
ties and graft in his administration
as mayor was so strong that it be-
came evident that Governor Franklin
D. Roosevelt would remove him from
office. To avoid removal, Walker re-
signed, making a bitter attack upon
Roosevelt and announcing that he
would take his fight to the people of
New York City. Now watch Tamman-
y knife Roosevelt in the November
election. Tammany never votes the
national ticket straight unless the
candidate is of their own ilk. They
always knifed Cleveland and Bryan
and Wilson. They will knife Roose-
velt—but when a Tammany man is
the nominee they expect the people
of the South to "holer" themselves
hoarse for him.

"The Association Against the Pro-
hibition Amendment—the du Pont
organization—chose Jouett Shouse,
former director of the Democratic
National Committee, as its new pres-
ident, and announced that wet candi-
dates would be supported regardless

of party affiliation", says the Path-
finder, published in Washington, D.
C., in its issue of September 3. And
so the man who four years ago
cracked the party whip and insisted
through his lieutenants that South-
ern Democrats must smother their
consciences, swallow Al Smith, and
vote the ticket straight is now him-
self the president of an organization
that is committed to the support of
wet Republicans when opposed by
dry Democrats. Our good friends
here in Texas who have been ridicul-
ing and lambasting life-long Demo-
crats for rebelling and scratching the
head of the ticket four years ago
should now train their guns on their
own former leader, the Hon. Jouett
Shouse.

Locals

Mr. and Mrs. A. J. Whitener of Chickasha, Okla., were here last week visiting Mr. and Mrs. F. M. Sherrod and family. The Whiteners and Sherrods became friends while both families were spending the summer of 1931 in Corpus Christi. The Whiteners were on their way home from another summer in Corpus and came by to tell the Sherrods some big fish stories.

Mr. and Mrs. Will Montgomery and family have had as their guests the past week the former's brothers, Hardy Montgomery of Lorenzo and John Montgomery and wife of Brownwood, Mr. John's son-in-law and daughter, Mr. and Mrs. Ed Stalcup of Brownwood. Mrs. Elwin Wheelock, a niece of the Montgomerys', and little daughter, were also here Sunday.

Mr. and Mrs. H. M. Larkin, Miss Lola Lewis, Mr. and Mrs. A. E. Houston, and Frank Larkin Jr. are visiting relatives at Ballinger and Ingram this week. They also expected to visit Del Rio and San Antonio. From San Antonio the Houstons will proceed to their home at Winter Park, Fla., while the remainder of the party will return to Tahoka.

Hon. Thomas R. Smith of Colorado was here Tuesday on professional business. Mr. Smith is one of the leading attorneys at the bar in his city and section. He was a warm friend of the editor when the latter practiced law down in the old thirty-second district and he dropped in Tuesday afternoon and spent an hour talking over old times.

Mr. and Mrs. W. T. Jones Jr. had as their guests Sunday Tom Bellamy and family of Littlefield and Bill Bellamy and family of Stephenville. Tom Bellamy is Mrs. Jones' father. Bill Bellamy is an old-time friend of W. S. Anglin and visited him while here. Mr. Jones says his company all left as soon as his "grub" played out.

Mr. and Mrs. Minor Coffman and children of Goree have been visiting Mr. and Mrs. J. O. Cavender of the Midway community. Mrs. Coffman is Mr. Cavender's sister. The Coffman and Cavender families visited relatives at Lake Arthur, New Mexico, this week.

E. L. Hawthorne and family removed to Plainview last Friday in order that Mr. Hawthorne might enter Wayland College. He is studying for the ministry, having been licensed to preach several months ago.

H. C. Clowers and wife of San Antonio visited her parents, Mr. and Mrs. D. J. Willis of the Midway community, leaving Tuesday for southern California, where they expect to spend the winter.

C. A. Thomas, who has been quite sick from an attack of indigestion and asthma the past week, is now much improved and is expected to be back in the store within a day or two.

Mr. and Mrs. Carl Sherrod returned to their home at Fresno, Calif., Sunday, after a visit of two weeks here with the Ketner and Sherrod families.

To the Sheriff or any Constable of Lynn County, Greeting:

You are hereby commanded to summon Jay G. Lewis and the unknown heirs and the unknown legal representatives of said Jay G. D. 1932, the same being the 19th day of September, A. D. 1932, then and there to answer a petition filed in said Court on the 18th day of February, A. D. 1932, in a suit, numbered on the docket of said Court as No. 922, wherein R. Y. Eckels is Plaintiff, and Myrtle C. Lewis, Jay G. Lewis and the unknown heirs and unknown legal representatives of the said Jay G. Lewis, and A. W. Lee and J. P. Hughes, are Defendants, and said petition alleging the execution of two notes for \$2,000.00 each on April 5th, 1927, payable to order of Temple Trust Company, providing for interest from date until maturity at the rate of seven percent per annum, payable annually according to the tenor of interest coupons attached to said notes, both due February 1st, 1937, one note secured by First Mortgage on the Southeast Quarter of Section 21, Block A-1, Lynn County, Texas, and the other secured by First Mortgage upon the Northeast Quarter of Section 21, Block A-1, Lynn County, Texas. Plaintiff also alleges the execution of two second mortgage notes for \$432.89 each, representing a part of the interest upon the two first mortgage notes above described, said second mortgage notes being payable in annual installments, the first due February 1st, 1927, for \$32.89, and the other installments on each note being for \$40.00 and due on the 1st day of February of each succeeding year until paid, and both installment notes were made payable to Temple Trust Company. Plaintiff further alleges the default in the interest due on each of the First Mortgage notes above described on February 1st, 1931, and default in the payment of the Second Mortgage notes that became due February 1st, 1931, and the transfer of the interest coupons and interest installments that became due on such date to him by said Temple Trust Company. He also alleges that some interest in such land is claimed by A. W. Lee and J. P. Hughes, but that his lien is superior to such interest or claim if any. He prays for foreclosure of his lien upon all the land above described to the extent of the principal, interest and attorney's fees due upon the notes above described.

Herein fail not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same. Given under my hand and the seal of said Court, at office in Tahoka, Texas, this the 16th day of August, A. D. 1932.
W. S. TAYLOR, Clerk, District Court, Lynn County. 52-4tc.

CITATION BY PUBLICATION

The State of Texas,
To the Sheriff or any Constable of Lynn County, greeting:

You are hereby commanded to summon J. B. Rhodes by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Lynn County, to be held at the Court House thereof, in Tahoka, Texas, on the third Monday in September, A. D. 1932, the same being the 19th day of September, A. D. 1932, then and there to answer a petition filed in said Court on the 17th day of August, A. D. 1932, in a suit, numbered on the docket of said Court as No. 931, wherein J. J. Didier is Plaintiff, and J. B. Rhodes and T. A. Smith are Defendants, and said petition alleging that the plaintiff resides in Multnomah, Oregon, and that the defendant, T. A. Smith, resides in Caldwell County, Texas, and that the residence of the defendant, J. B. Rhodes, is unknown.

That J. B. Rhodes, on or about the 7th day of February, 1923, executed and delivered to the plaintiff, eighteen vendor's lien notes for the sum of \$220.00 each, all dated February 7th, 1923, and due and payable on or before February 1st, 1924, and annually thereafter to and including February 1st, 1941. That said notes bear interest at the rate of 6 percent per annum until maturity, and 10

percent additional on past due principal and interest; also 10 percent additional as attorney's fees if placed in the hands of an attorney for collection.

Said petition further alleging that on the 8th day of June, 1923, J. B. Rhodes and wife, Ethel Rhodes, conveyed to the defendant, T. A. Smith, the hereinafter described land. And in said deed, the defendant T. A. Smith, agreed and assumed the payment of the above described notes, which constitute a vendor's lien against the hereinafter described land; whereby the defendants, and each of them, became liable to the plaintiff for the sum of money in said notes specified, together with all interest and attorney's fees. The first six of said series of notes having heretofore been paid are released and discharged. This suit is maintained on the balance of said notes, from note No. 7 to 18 inclusive.

That said notes were given as part of the purchase money of the following described real estate situated in Lynn County, Texas, and described as follows to-wit: All of the South one-third of Survey No. 27, Block No. eight, Cert. No. 654, of the E. L. & R. R. R. Company's surveys and containing 213 1-3 acres of land. Also, 6 2-3 acres along the South line of the East one-fourth of the North 2-3 of Survey No. 27, Blk. 8, Cert. No. 654, E. L. & R. R. R. Company Surveys, situated in Lynn County, Texas. Both tracts above described making a total acreage of 220 acres of land, a more particular description of said land being given by metes and bounds in the plaintiff's petition on file in the District Clerk's office of Lynn County, Texas.

That notes Nos. 7, 8, and 9 are past due and unpaid and the plaintiff has declared the remainder of said notes due, but the defendants, though often requested, have failed and refused to pay said notes or any part of them, but the same remains still due and unpaid.

That the plaintiff has placed said notes in the hand of an attorney for collection and contracted to pay him the 10 percent attorney's fees stipulated therein, same being reasonable and the usual and customary fees.

Wherefore Plaintiff prays that defendants be cited to answer this petition, that he have judgment for his debt, interest, attorney's fees and cost of suit against the defendants and each of them and for a foreclosure of his lien on the above described land and premises and that the same be decreed to be sold as provided by law.

Herein fail not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same. Given under my hand and the seal of said Court, at office in Tahoka, Texas, this the 17th day of August, A. D. 1932. W. S. TAYLOR, Clerk, District Court, Lynn County. 52-4tc.

Filling Station Is Opened By Smalls

George and Maurice Small on last Friday took over the filling station at the Greathouse building formerly operated by Ray Shaver. Maurice is in charge of the station as manager. The Smalls expect to handle Conoco gasoline and oil. George Small has been engaged in business of various kinds here for the past quarter of a century, being one of the pioneer citizens of the town. Until recently Maurice has been in the employ of the Higginbotham Lumber Company at various places. Their many friends here wish them success in their new enterprise.

EFFICIENT PUBLICITY

A survey conducted by the bureau of advertising of the American Newspaper Publishers' Association shows how many companies have maintained their earnings while others have increased them. For instance, one automobile concern which increased its newspaper budget 33 per cent showed a 40 per cent increase in earnings during 1931. A manufacturer of electric refrigerators spent \$200,000 last year in newspaper space, and dollar sales for the year were 460 per cent of sales in 1930. Of four leading tobacco manufacturers who increased newspaper space in 1931, three showed an increase in earnings and one a slight decline from the high net of a year preceding. Aggregate expenditures of these four companies in newspaper advertising were increased from \$20,000,000 in 1930 to \$26,000,000 in 1931, and aggregate earnings increased from \$105,200,000 to \$111,300,000. On the other hand, the bureau said that four tobacco companies which decreased their aggregate investment in newspaper space in 1931 showed a 45 per cent decline in combined net earnings. These results speak for themselves of the efficacy of persistent, intelligently-directed newspaper publicity.

G. M. Reid, Mr. and Mrs. Robert Reid, and Mother Stroud attended an "Arkansawyers Reunion" held at Lamesa Monday.

This was the first meeting of the reunion and there were about two hundred former residents of Arkansas present, according to the Tahoka people who attended. An organization was perfected and the reunion is to be made an annual affair. The territory embraced includes Dawson and adjoining counties.

The meeting Monday began at 10:30 in the morning and closed about 4:00 in the afternoon. A great feast was enjoyed at the noon hour followed by a watermelon feast a little later. The program consisted of singing, preaching, and talks by various former "Arkansawyers" present. One of the most pleasant features of the occasion, according to the Reids, was the constant meeting of old friends. Many were the conversations about log rollings, house raisings, quiltings, and other social events that are familiar to every native son and daughter of Arkansas. Even the old "blowing horn" received its share of attention, it is said. Yes, these old Arkansawyers had a great time.

Edward Clayton of O'Donnel was a Tahoka visitor Tuesday and Wednesday on his way back from investigating the educational advantages of the W. T. S. T. C. at Canyon.

Prof. B. M. Hays, who is now superintendent of schools at Wolf-orth, was here on business Saturday. Mr. Hays reports that their school work is going fine.

R. E. Key went to Colorado last Saturday to attend the funeral of an intimate friend of long standing, Joe Sheppard, one of the county commissioners of Mitchell county.
