Jury Fails To Agree On Murder Charge

REDMAN TRIAL COMES TO END

Woman Charged With Murder Of Howard Chase Pleads Self Defense At Trial

After having been out almost 24 hours, the jury in the Ola Mae Redman case, charged with the murder of Howard Chase, was discharged at 12 o'clock today without having arrived at a verdict. The jury stood five for conviction and seven for acquittal from the very start, it is claimed, and there was no change in this line-up at any time during their deliberations, and they declared to the court that it would be impossible for them to agree.

The case went to trial here Monday morning, and the procuring of a jury was completed shortly before five o'clock in the afternoon. Night sessions were held on both Monday and Tuesday night. The taking of testimony was completed early Wednesday morning. This was followed by the Judge's charge to the jury explaining to them in detail the law governing every phase of the case. County Attorney G. H. Nelson made the opening argument before the jury in behalf of the State. He was followed by N. C. Outlaw of Post, sole counsel for the defendant. District Attorney T. L. Price closed for the State and the case went to the jury at 12:25 Wednesday.

The court room has been well filled and much of the time both the main auditorium and the galleries have been crowded with spectators eager to catch every word of the evidence and listening intently to the argument of counsel. The case probably excited more interest than the ordinary murder case on account of the fact that the accused was a woman and also on account of the peculiar circumstances of the homicide.

Mrs. Redman, 33, the wife of Glenn W. Redman and mother of three children, was charged with having shot and killed Howard Chase, 32, also, married, on the night of June 8, 1931, while in a car being driven by Chase along a public road some two or three miles

New Grocery To Open Saturday

Help Yourself Grocery is the name of a new store to open here Saturday in the Turner building on the west side of the square, next door to J. Wilonsky's. Workmen have been busy all week building shelving and installing fixtures, and the stock is arriving today.

H. D. Davis and sons, Joe and Ralph, are owners of the new business. Mr. Davis is a brother of the Piggly-Wiggly, Helpy-Selfy, and Heepy-Cheepy stores owners at Lubbock and says he will have advantage of their buying power.

PHEBE K. WARNER CLUB REPORT SHOWS ACTIVE YEAR OF WORK

Though the Phebe K. Warner Club is primarily a study club, it has done civic work as well. The report that follows will let the public know what it stands for in the town and country. The Club hopes to make a better report the coming year with the co-operation of the two junior clubs that have been organized the past year.

Boy's Arm Broken In Fall From His Horse

The sixteen year old son of Mr. and Mrs. W. S. Price of the Gordon community sustained the fracture of the bones of his right fore arm recently when he was thrown from a horse. The injured member is being treated by a physician here and is healing nicely.

The youth and his brother were both riding the same horse when the animal from some cause became frightened and threw them both. The other boy was not hurt.

RAINS ENDED, SKIES CLEAR

Cotton Picking Started; Light Frost Wednesday Morning Did Little Damage

The skies at last are clear and Lynn county's big cotton crop is just beginning to move.

Rain on Thursday, Friday, and Sunday following our issue last week amounted to 1.08 inches, driving the month's total up to 4.81. Monday was a clear day but just at night threatening clouds overcast the sky and rain fell in places in the county. The skies cleared again Tuesday night and a light frost was in evidence Wednesday morning but no damage has been reported. Some claim that this is the earliest date on which frost has occurred here in many years.

If the weather continues favorable, cotton picking will become general in the next few days. Possibly forty bales were brought to the gins here Wednesday and around a hundred bales have been ginned here this season.

Bible Class Moves To English Theatre

The Men's Down Town Bible class will meet next Sunday, and in the future, in the newly opened English Theatre, located on the corner by the McCormack Hardware.

All members and prospective members are urged to be present next Sunday. Remember the change in meeting places. The hour is 9:45. An interesting lesson and good music is promised—Class Reporter.

Lamesa Has New Farm-Ranch Paper

The West Texas Farmer and Stockman is the name of a new paper started at Lamesa this month by Tom E. and J. L. Suits, operators of a commercial printing plant there. The publication is in farm paper style and the first issue contains sixteen pages of reading matter and advertising.

J. L. Suits was owner of the Lorenzo Tribune for many years, selling out there a year or so ago and buying the Dawson County Journal. In addition to this new monthly publication, Lamesa has two weekly newspapers.

Two Sick With Scarlet Fever

County Health Officer Dr. E. E. Callaway reports two cases of scarlet fever in Tahoka. These are Miss Elwayne Redwine, daughter of Mr. and Mrs. F. E. Redwine, and little Jane Burkhardt, daughter of Mr. and Mrs. Grady Burkhardt. Both patients have been quarantined and every reasonable precaution is being taken to prevent the spread of the disease. Mrs. Redwine, mother of Miss Elwayne, is just recovering from an attack of diphtheria.

Dr. Callaway also reports two other diphtheria cases in the county. One of these is Mr. and Mrs. E. R. Blakeley's little son, Roger, at Wilson, and the other is the little son of Mr. and Mrs. C. C. Jackson at Draw. Proper precautionary measures have been taken in these cases also.

Hail Does Damage In Dawson County

Hail falling in Dawson county last week did considerable damage to crops in the Ballard and McCarty communities. Cotton fields hit by the hail were practically ruined. Leaves were stripped from the stalks and all green bolls were bruised.

"The hail hit a strip," the Dawson County Courier said last week, "estimated at one to two miles wide and ten miles long across the country from Ballard to McCarty. Ballard citizens report that hail was stacked ten inches deep on the Ballard school house grounds late Sunday afternoon."

Tax Penalties Are Taken Off

For the information of the delinquent tax payers: I have recently received instructions from Hon. Geo. H. Sheppard, State Comptroller of Public Accounts, also copy of Senate Bill No. 44, enacted by the third called session of the present Legislature, to the effect that penalty and interest on all delinquent taxes are released from Sept. 10 to Dec. 31, 1932. This means a saving of 16 percent on 1931 delinquent taxes, 22 percent on 1930 taxes, and 26 percent on 1929 delinquent taxes, owing to the financial conditions that have prevailed the past two or three years, the Legislature saw fit to pass such an act to lighten the burden on the tax payers of the State of Texas, on all delinquent taxes not paid on or before December 31st. Penalty and interest will automatically attach from date of delinquency. A. M. Cade, Tax Collector, Lynn County.

Two Bank Robbers Sentenced, Postpone Third Man's Trial

TIDWELL CASE IS WEDNESDAY

Alleged Bank Robber Wins Point On Grounds Of Absence Of Defense Witnesses

The case of the State vs. Bill Tidwell, alias J. M. Bradshaw, was re-set for Wednesday of next week today by Judge Gordon B. McGuire after hearing a motion for continuance filed by the defendant's attorney, L. C. Heath, setting up the absence of material witnesses as grounds for continuance. Heath had been appointed by the Court to represent the defendant.

Tidwell is charged jointly with "Shorty" Brown and Lee Pebworth with the robbery of the First National Bank at O'Donnell on April 14, 1932, when about \$1400.00 was taken. Tidwell was arrested soon afterwards just over the line in New Mexico and was brought back to Tahoka. He was removed soon afterwards to the jail at Lubbock, in which he has been incarcerated ever since until about the time the present term of court opened here.

A special venire of 75 men had been summoned for today for the trial of this case, and these jurors are instructed to be back next Wednesday.

J. S. Wells Breaks Arm Cranking Car

J. S. Wells suffered the fracture of both bones of his right fore arm Monday night when he undertook to crank his car and it kicked back.

He had been attending a council meeting at the city hall and was preparing to return home when the accident occurred. He drove the car home in spite of the accident but was suffering great pain upon arrival. The bones were set by a physician and it is hoped that the wound will soon heal, though Mr. Wells is confined to his bed.

'Hap' Smith Speaker At Sunday School

The feature of the adult worship service at the M. E. church school last Sunday was a splendid talk by W. E. (Happy) Smith, who spoke on our individual responsibilities in the great universal plan of life, particularly Christian living. Ruth and Betty Lu Suddarth sang a duet following the prelude, "Visions" from Faustian Impromptu by Chopin.

The sacrament of the Lord's supper was observed at the 11 o'clock hour. Rev. Smith delivered a brief but helpful message from the text "Behold what manner of love the Father hath bestowed upon us that we are called the sons of God".

At the night session Judge Cain conducted the opening worship, after which the pastor preached another of his "continued" sermons. This one discussed the advantages and disadvantages of Christianity very forcefully. A good-sized congregation attended both services.

Mention in another column is made regarding the visit of the presiding elder, Dr. C. A. Bickley, on Wednesday evening.

Let us hope that rainy weather will not affect the church school attendance next week. We go to work in rain; why not go to worship? Everyone be in his place on time—9:45 A. M.—Reporter.

WILL JUDGE EXHIBITS

Miss Ruby Mashburn, home demonstration agent for Lamb county, will judge the exhibits to be displayed here Friday and Saturday by the home demonstration clubs of this county, according to Miss El Fleda Harrison.

Reports are to the effect that Harold Edwards is to be brought home from the hospital in Lubbock, his condition having improved wonderfully. He was suffering from blood poison resulting from the sticking of a splinter in his hand.

Jewish Holidays Observed Here

The stores of Levine Bros. and Jake Wilonsky were closed all day last Saturday on account of its being Jewish New Year Day.

The same stores will be closed on next Monday by reason of the fact that Monday will be the Jewish Day of Atonement.

Jews everywhere observe these days, usually with religious services. Local members of the Jewish race expect to attend services in Lubbock next Monday.

TAHOKA PLAYS POST FRIDAY

Post Scores Three Touchdowns To Win Monday; Play Here Again Friday

(By Prin. M. J. Weaver)
The Tahoka Bulldogs played their first game Monday with Post Antelopes and held the heavier Post club to a 19 to 0 score.

The boys looked fine for the first game, more especially since several of the boys were playing their first game of football. George Claude Wells, right end, and Dayton Short, right tackle, seemed to be the stars of the game, if any should be named.

The line-up was: George Claude Wells, left end; Dayton Short, left tackle; Francis Gill, left guard; Hoyt Willingham, center; Ernest Gill, right guard, captain; Jack Speight, right tackle; Clinton Walker, right end; Jack Stevens, fullback; Dorsey, Allison, quarter; L. V. Alexander, left-half; and Kelley Hill, right-half. Substitutions: A. G. Cook for Francis Gill; Francis for Clinton Walker.

The boys play their next game Friday afternoon on the local gridiron at 3:30 o'clock with Post. The team is in fine condition and some changes will be made in the line-up. The boys feel confident of breaking even with Post in this game. The admission to games this year will be adults 25c, children 10c. School officials, the coach, and the team hope the town people will give their boys real support this year, for as the season progresses we are going to see the Bulldogs win some games.

Post High School will dismiss at noon tomorrow and a large delegation is expected to be present from that city.

LEGION AUXILIARY WILL INSTALL NEW OFFICERS

The American Legion Auxiliary will install new officers at its regular meeting to be held Thursday night, according to Mrs. Milt Finch. The Lubbock Auxiliary has been invited to come and present the program and they are expected to be here. All local members are urged to be in attendance.

A. D. Sanders has been confined to his room since Tuesday with the "flu".

VOTERS ASKED TO PASS ON NINE AMENDMENTS TO CONSTITUTION

Nine proposed constitutional amendments have been submitted to the people of Texas for their approval or rejection at the November election. In order that our readers may have opportunity to acquaint themselves in some degree with the merits of these proposed changes in the constitution we give the gist of them below.

1. A proposal to exempt from taxation by the state the first \$3,000 assessed valuation of every homestead.
2. A proposal to permit only property owners to vote in any bond election.
3. Prohibiting the University of Texas from spending any of its permanent fund for further building loans or structures.
4. Lowering redemption costs on delinquent property and making

PEBWORTH IS GIVEN 99 YEARS

Found Guilty Of Murder In New Mexico; Brown Sentenced In Oklahoma

Of the three alleged principals in the O'Donnell bank robbery, Lee Pebworth is now under a 99-year sentence for murder in New Mexico, Lige Roy "Shorty" Brown is under a 20-year sentence in Oklahoma for bank robbery, and Bill Tidwell is in jail here awaiting trial.

Lee Pebworth, 60, notorious as an outlaw in Texas, Oklahoma, and New Mexico, and under indictment in Lynn county for participation in robbery of the O'Donnell State Bank last spring, plead guilty to murder at Portales, N. M., yesterday and was sentenced to 99 years in the New Mexico State Penitentiary, the News, was reliably informed late last night.

Pebworth was one of four men who fired upon a posse of officers near Portales August 20. Deputy sheriff Harve Bolin of Plainview was killed and special deputy R. L. Hollis was wounded. The officers had made an attempt to arrest Pebworth and his associates at a ranch house when the shooting occurred. The four men were wanted in connection with the robbery of the Olton State Bank. Pebworth was also wanted in Oklahoma for robbery of the bank at Haileyville last February 10.

Shorty Brown, 51, was sentenced to 20 years in the Oklahoma penitentiary Monday at McAlester when he pleaded guilty to robbery of the Haileyville bank. Sheriff B. L. Parker was seeking Brown when news came of his arrest in Oklahoma, and officers of that state had refused to release him to local officers.

A joint indictment was returned by the Lynn county grand jury two weeks ago charging Pebworth, Tidwell and Brown with the O'Donnell job.

TIDWELL'S PARTNER GETS 20 YEARS FOR ROBBERY

McAlester, Okla., Oct. 3.—Pleading guilty to a charge of participating in the robbery of the bank of Haileyville last Feb. 10, Lige Roy Brown today was sentenced to twenty years imprisonment by Judge Harve L. Melton.

Bill Tidwell, Oklahoma ex-convict, held at O'Donnell, Texas, and Lee Pebworth, under arrest on a murder charge in Portales, N. M., were Brown's alleged accomplices.

Walter Mitchell, who underwent an operation for appendicitis in a Lubbock sanitarium a few weeks ago, was compelled to undergo a second operation Tuesday of this week, due to adhesions. The patient is said to be in a precarious condition.

C. A. Thomas, who has been down at Ennis the past three weeks recuperating, is expected home today or tomorrow.

SAYS THE WORM WILL TURN

After quoting an editorial taken
from this paper recently, in which
we pointed out that the Democratic
convention at Lubbock was controlled
completely by the wets in this
state, The Abilene Weekly Times
comments as follows:

"Well, you were nearer the
convention than this writer and probably
know much more about the details.
In fact this writer knows very
little about the proceedings of that
meeting. We will say, however, that
it is an undisputed fact that the
organization was "wet" entirely, and
was nothing but what was expected.
Texas is dry, yet the politics are
being controlled by the anti-prohibitionists.
One reason for that is that
the propaganda put out by the National
organization is bearing fruit,
and that because both the National
parties have a wet plank in their
platforms, the influence has reached
all of the states, and Texas is one
among them. It is true that the
Democratic party of Texas is now
in the hands of the "wets" yet the
halt will come when the people have
an opportunity to speak. This writer
has said time and again that if politics
and money were taken away from
the anti-prohibitionists nothing
would be left for them, and when
you take the matter out of the
hands of the politicians you have
gone a long way to redeem the ideals
and high principles of the people.
The time is not far away when the
people will again get control of the
party, and these fellows who are
now basking in the "wet sunshine"
will be either keeping quiet or will
turn a "flipflop" like most of the
politicians do. There is to be a turning,
and we believe that it is not far
away, then watch for the "about
face" with the army of wets. The
United States is constitutionally dry,
Texas is constitutionally dry, and
while we may lose control of the
party, for a short time, the people
will again control the nation, and
at no far distant date."

The legislature at the next session
certainly should redistrict the state
into Congressional districts along the
general lines proposed last year in
the Metcalfe bill, which would give
West Texas two additional Congressmen.
By reason of the failure of the
legislature to redistrict last year,
three new congressmen-at-large had
to be elected, and two of them come
from Dallas and the third from East
Texas. West Texas did not get one
of them. A just redistricting bill
would give the South Plains and adjacent
territory a new district, and

we have plenty of good material
that could doubtless be drafted for
the job of representing the new district
in Congress. For instance, we are
thinking just now of our own
district judge, Hon. Gordon B. McGuire,
of Judge Clark M. Mullican,
Hon. E. L. Klett, Hon. Tom T. Garrard,
all of Lubbock, and other men
in the district, any one of whom
would probably take the job if it
were offered to him on a silver
platter. Some of them might be
willing to get out and scrap for it.
We have many men who are highly
capable and who would reflect credit
on this section and on the state in
Congress. We shall expect Senator
Duggan and Representative Thomas
to work tooth and nail for redistricting
in the next legislature. Do
you hear us, boys

Democratic nominee Franklin D.
Roosevelt wouldn't stand ace-high as
a Democrat if he lived in Texas and
were judged by the standard which
the "regulars" have set up in this
state. The doctrine which he has
been preaching on his "swing
around the circle" would read him
clear out of the party. In appealing
to Republicans for support, he has
been praising the spirit of liberality
and freedom from party shackles in
almost every speech that he has
made. "None of us will question the
use of political parties," he said at
Milwaukee. "They constitute the
means of putting shape and form
and power into the scattered
purposes and ideas of many people.
But the essential part of true patriotism,
it seems to me, is to be able to set
aside such allegiances when deeper
principles are involved. All over this
country I have been preaching the
doctrine that the choice this fall is
one which involves a purpose and
principle deeper than any party."
This refreshing freedom from
the party lock step is a Wisconsin
habit. I hope the habit continues.
Roosevelt is preaching the identical
doctrine that the "Hoovercrats"
preached in Texas four years ago.
It's still good doctrine, brethren.

Here is a Billy Sunday story that
shows that the urchin on the street
may be a hero in the rough—the
story of a Gary, Indiana, news boy,
who had a withered leg. "They threw
a bundle of papers off a Chicago
train," Sunday said, "and the newsie
read on the first page of a girl facing
death because she needed skin to
be grafted to her body. Billy went
to a doctor and volunteered the skin off
his crippled leg. The physician refused
him at first, but Billy insisted. He
said that he had no home and no
parents and that he wanted to make
a sacrifice for the girl. The operation
was performed. The girl lived,
but Billy, the newsie, died. For his
funeral, every store and school in
Gary closed. Fifteen thousand steel
mill workers enjoyed a holiday at
full pay to pay tribute to Billy, who
had done something for the world."
It is the spirit of sacrifice and a
willingness to serve that makes one
great—not selfishness, not vaunting
ambition. This little Gary news boy
was greater than Napoleon Bonaparte.

There used to be a great many
people, even Democrats, who believed
that prosperity was guaranteed
by the election of a Republican
administration at Washington. There
is no such animal today. No party
can guarantee prosperity.

**WHAT OTHERS
THINK**

SHOUSE BOLTS

A blow to party loyalty was administered during the past week,
when Jouett Shouse, erstwhile chairman
of the Democratic National
Executive Committee, announced
that as head of the Association
Against the Prohibition Amendment
he will support Tallant Tubbs, Republican
nominee for United States
Senator in California, against William
G. McAdoo, the Democratic
nominee. The reason for this action
is Mr. McAdoo's failure to declare
in favor of repeal of the Eighteenth
Amendment. "So far as is known,"
said Mr. Shouse, "McAdoo has refused
to commit himself in favor of
repeal in response to questionnaires
sent him. In a publication by the California
division of our association,
issued before the primary, he was
listed as having been aligned with
the Anti-Saloon League. Our association
believes the cause of repeal
will be distinctly advanced by the
election of Mr. Tubbs; that it might
be retarded or embarrassed by the
election of Mr. McAdoo; and, therefore,
it urges those who believe the
Eighteenth Amendment should be
eliminated from the Constitution to
vote for Mr. Tubbs in November." That
the Democrats are making a
special effort to gain control of the
Senate in the November election,
and that Mr. McAdoo's election is
important to this end, emphasizes
the significance of Shouse's action.
In Texas the news was received
among "loyal" Democratic leaders
with frank surprise and disapproval,
and it was freely admitted that
Shouse's action would detract considerably
from the force of the argument
in favor of supporting the ticket
"from constable to President" in
this State. It is a curious fact
that the average Democrat takes as
a matter of course and even approves
the attitude of such men as
Senator Norris of Nebraska when they
bolt the Republican ticket and
continue to talk about "party loyalty"
as a cardinal tenet of Democratic
doctrine. As we have remarked
therefore, it makes considerable
difference whose ox is gored. Governor
Roosevelt, in a speech at McCook,
Nebraska, on Wednesday,
which was delivered from the same
platform with Senator Norris, paid
a high tribute to Senator Norris's independence
of thought and action. Every word
he said on the subject could be
applied by Mr. Bullington, let us
say, in paying tribute to Alvin
Moody or Cato Sells.—The Texas
Weekly.

SMITH VS. ROOSEVELT

In 1928 disorganized Democracy in
Texas turned against its national
candidate; in 1932 the organized
Democracy of the State is engaged
in a long-range debate with Franklin
Roosevelt on the ethics of patriotism.
The attitude of the party in Texas
is unofficially but vigorously put by
Pitchfork Smith of Dallas. Mr.
Roosevelt, of course, speaks for himself.
By interweaving recent deliverances
of the two champions we get something
like this:
Roosevelt: "In the first place,
there is the principle of old party
allegiance in its true perspective.
The choice this fall is one which
involves a purpose and a principle
deeper than any party."
Smith: "There is only one thing
for Democratic Texas to do in common
honor—keep faith."
Roosevelt: "But the essential part
of true patriotism, it seems to me,
is to set aside such allegiances when
deeper principles are involved."
Smith: "If you went into the Democratic
primaries in July and August, don't
double-cross your neighbor who voted
for Ferguson by supporting an independent
or a Republican candidate in November."
Roosevelt: "This refreshing freedom
from the party lock-step is a Wisconsin
habit. I hope the habit continues."
Smith: "Let no political fox or
wolf put this poison in your heart."
The News rather assumes that
Pitchfork Smith's remarks are not
intended for Wisconsin circulation.
It is clear, however, that with Roosevelt
pleading for bolters' votes, with Mr.
Shouse bolting to the Republican side
in California, and with Al Smith
himself editing a magazine describing
itself as "owing allegiance to no
political party or religion or financial
group," Texas regular Democrats
are restive and uneasy.—Dallas
News.

It is hard to tell how I feel, but I do

**Local Stockholders Answer
Utilities President**

Editor Lynn County News:
We have just read a statement
from the President of the Texas
Utilities Company printed in your
recent issue of the Lynn County
News, in which he states that he is
willing to help as far as he can or
is permitted (so we think) in helping
the "suckers" get their money
back that they thought they were
investing in a local concern, or in a
West Texas Company. We want you
to print this so that others in the
future will hesitate before investing
in things that seem so safe and reliable.
Each of us that invested our
money in the Texas Utilities Company
here thought that we were investing
in a local concern of West Texas,
which was represented to us as
such at the time of purchasing the
"stock". It was also represented
to us in many different ways that
our money was invested in a safe
place and that we could get our
money returned to us within ten
days to two weeks by making a payment
of \$1.50 for exchange, that the
stock would not go lower than what
we paid for it but that it had the
advantage of advancing, and did
advance some from the time they began
to sell till the time of receivership,
when everything went wrong.
If Mr. Kelso wanted to help so
badly, why didn't he go to the
meeting of those that met at Amarillo
for considering protecting themselves,
by the help of "Tactless Texan"
of the Amarillo Globe-News, from
these big men that take advantage
of those that tried to invest in a
home concern and were defrauded
out of their savings. Each of those
that had invested in the local
company here will tell you a
different tale as to how they were
promised first one thing and then
another in order to get them to
place their money in such a safe
and sound investment.
Here is one instance given by the
Globe-News of Sept. 24th: "Folks,
it's just awful, it's just awful. I
know of one lady whose husband
died. He left her \$1500.00 life insurance
and she also owed \$1500.00 on
her home but the last payment was
not due for six months. The agents
of a local electric light concern near
Amarillo heard about it and they
talked her into letting them have the
money. They explained that each
share of stock she bought that they
would keep \$125.00 in cash in the
bank for her and promised her upon
everything that was holy that she
could draw down her money at the
end of six months. It was much safer
than being in the bank they said.
What she got was, of course, American
Commonwealth preferred, instead
of local company stock. And the
six months rolled around and then
she couldn't draw her money. And
now it's reported that she's about
to lose her home. If those wolves
back there in Wall Street think
that they can get away with such
highway robbery without making
full and complete restitution they
don't know the temper of these
people who inhabit this part of Texas.
It just isn't considered the right
thing to rob and defraud and
pauperize widows in Texas. This
may be alright back in New York,
but it doesn't go back here."
Signed by those buying the stock,
as follows: H. C. Story and others.

weighed 170 lbs. until taking one box
of your Kruschen Salts just 4 weeks
ago. I now weigh 150 lbs. I also
have more energy and furthermore
I've never had a hungry moment."
Fat folks should take one half tea-
spoonful of Kruschen Salts in a glass
of hot water in the morning before
breakfast—it's the SAFE, harmless
way to reduce as tens of thousands
of women know.
For your health's sake ask for and
get Kruschen at any drug store—the
cost for a bottle that lasts 4 weeks
is but a trifle and if after the first
bottle you are not joyfully satisfied
with results—money back. adv.

Mexico, 51 years ago. Some time
ago a party of newspaper writers
approached the cave intending to interview
old Billy but lost heart when
they saw the old hero standing at
the cave door clad in meekness only
and armed with a large rawhide
quirt with which he slapped his boot-
leg in a most threatening manner.
UNCLE PETE

Franklin D. Roosevelt has been
proposing some very progressive
measures for dealing with the farm
problem, the transportation problem,
the public utilities, unemployment,
economic and industrial conditions.
From the recollections that he has
been receiving wherever he has gone
to speak, it would seem that the
country is willing for him to try his
hand.

Judge Albert J. Smith of Anson
was a visitor in Tahoka Monday
afternoon. Judge Smith and the editor
were closely related in an official
capacity in Bell county when both
were rather young men. Judge Smith
now has three sons engaged in the
practice of law. One of them, just
twenty-two years of age, is sole
counsel for a man charged with a
capital offense being tried in Abilene
this week.

C. D. Knight of Abilene has been
here this week visiting his brother,
George Knight.

Mrs. B. H. Howard of Crosbyton
is here visiting her daughters, Mrs.
Harley Henderson and Mrs. Frank
Hill.

THE PUBLIC should be
prudent in seeking relief from
pain. Take nothing which does
not have the approval of the
medical profession.

BAYER ASPIRIN will never
do you any harm, and almost
always brings the desired relief.
But remember that the high
medical endorsement given
Bayer Aspirin does not apply to
all tablets for relief of pain.

THE DOCTOR is careful to
specify Bayer Aspirin for these
important reasons:
It has no injurious ingredients.
No coarse particles to irritate
throat or stomach. Nothing to
upset the system. Not even any
disagreeable taste. The Bayer
process insures a pure, uniform
product.

INSIST on the tablet you
know to be safe. And the one
that has speed. Bayer tablets
dissolve so quickly, you get
immediate relief from your
headache, neuralgia, or other
pain.

Wilson

One of the biggest downpours of rain we have had in a long time fell Monday evening. This rain lasted only a short time and seemed to have covered only a small area, being mostly in town. The gins have begun to hum again and everything seems to have taken on new life.

On account of the continued rains in our community, school didn't dismiss as was announced in last week's News, but will likely do so at an early date if weather conditions are such that cotton gathering may go forward.

Miss Minnie Crumbley and Mr. Grant Bell, accompanied by Miss Bernice Crumbley and Rev. J. W. Partin, motored to Roswell, N. M., where the former were happily married. Rev. Partin saying the words that united the lives of the couple. Mrs. Bell is the daughter of Mr. and Mrs. M. C. Crumbley, well and favorably known residents of our community for several years. Mr. Bell, whose home is in Oklahoma, is a stranger to most of us but we are told he is a thrifty young farmer, owning his home. We join the many well-wishers of this couple in wishing them many successful and happy years of wedded life.

R. G. Limmer and family and Messrs. Louie and August Rosentreter of Hamilton left for their home Tuesday after a two weeks visit with relatives and friends here. They were called here recently on account of the illness of Chas. Rosentreter, who was operated on for appendicitis a few days ago.

Mrs. H. L. Thurston returned to her home after a two months stay in Gallup, N. M., where she had gone in the hope of benefiting her health. She was a guest in the home of her husband's parents there, and was accompanied home by her sister, Miss Mary Lovelace, who will make her home with the Thurston's indefinitely. Mrs. Thurston, it is thought, was benefitted a great deal by her stay in New Mexico.

Mr. and Mrs. Louis Trautwein left the first of this week for their home in Shiner after several weeks visit in the home of their daughter, Mrs. H. B. Crosby.

Troy, the young son of Mr. and Mrs. R. B. Milliken, is in a Lubbock sanitarium with blood poison which developed from a cut received from a sharp rock cutting into his hand. Wilson was well represented daily at the Lubbock fair, Wednesday especially, it being the day the pupils of the school attended.

A good sized delegation of our local Baptists attended the Workers' Council held at Plains Tuesday.

Rev. and Mrs. M. J. Scaer are enjoying the comforts of a new car. R. B. Milliken moved his family to the farm Tuesday that he might be nearer to his work harvesting.

New Home

Regardless of the rainy weather that we've had, our gins here, according to our cotton weigher, C. W. Seth, have ginned 42 bales up until Sept. 1.

Mrs. Mauriel Taylor and little son Tommy left Sunday for Olton, where she will teach in the high school there. They have spent the vacation months with Mrs. Taylor's parents, Mr. and Mrs. L. W. Hancock.

George Hancock returned last week from Bonham, where he has been working for several months.

Mr. and Mrs. Loyd R. McCormick and family visited Mr. and Mrs. Bob Finley at Wilson Sunday.

Mrs. Cy Hamilton and Baby Joy visited Mrs. Hamilton's mother, Mrs. C. C. McCormick, in Wilson the first of this week.

Messrs. and Mesdames Acie Bailey and Voyd Smith witnessed the Tech-S. M. U. football game Saturday night.

Little Betty Louise Edwards, daughter of Mr. and Mrs. Frank Edwards, fell and broke her arm Saturday evening late. She is doing nicely though at present.

School News

On Wednesday of last week school was dismissed so the teachers and pupils could attend the South Plains Fair.

The boys and girls have received

For lazy liver, stomach and kidneys, biliousness, indigestion, constipation, headache, colds and fever.
10¢ and 50¢ at dealers.

new basket balls, which means we are beginning our season's practice in earnest. The girls' volley ball team is also boasting a new ball. Trannie Mae Bradshaw, a Junior, has gone to Lubbock to finish school. The Bennett family has returned from East Texas, and the boys are back in school.

"Strutting Buck" Sutton has returned from Dallas and started to school. M. C. Ball, a grade pupil, has been in the West Texas Hospital for the last few days. We are glad to report that he is improving.

Next Thursday and Friday we have six weeks examinations in all subjects. All pupils who make "A" on department and not less than "B" on any subject will be listed on the honor roll.

The grade teachers have ordered some pictures to be used in picture memory.

South Ward

Miss Myra Gertrude (Dollie) Burden, daughter of Mr. and Mrs. W. H. Burden of South Ward, was married to Roy Mason of Plainview at the Tahoka Church of Christ on Sunday, September 18, Elder J. C. Eubanks officiating. They left soon after the marriage ceremony on a short honeymoon trip which included Plainview, Ralls, and other places north, after which they expected to make their home at Littlefield. The bride has many friends in this community and the groom, who is the son of Mr. and Mrs. Homer Mason of Plainview, is said to be a most estimable young man. They have the wishes of many friends here.

A large crowd attended Sunday School in the morning and afternoon too. There will be singing next Sunday afternoon as well as Sunday School.

Mr. L. T. Redding returned home this week after visiting friends and relatives in Jones county.

Mr. and Mrs. V. G. Decker and family and Mr. and Mrs. Jack Reynolds of Grassland, Cebern Weaver and Pearsh from New Home visited Mr. and Mrs. Frank Decker.

Miss Effie Decker spent Monday with Mrs. Louis Shambeck at Wilson. Mrs. Grace Hancock and Irene Redding have been on the sick list this week. They expect to return to the Tahoka High School this week.

Mr. and Mrs. Joe Taylor and Mrs. Pearl Johnson and children are visiting Mr. and Mrs. M. S. Smelser.

Mr. and Mrs. C. B. Evans and family visited Mr. and Mrs. Roy Appling and family of Grassland for the week end.

Mrs. Alex Taylor went to Lubbock Thursday afternoon on a business trip.

Mr. and Mrs. Roy Mason went to Plainview to spend a few days with Mr. Mason's parents before going to Ralls and other places north.

Mr. and Mrs. Emmett Burden, Mrs. Taylor, Ruby and Mildred Decker and Mrs. Eunice Davis spent Sunday afternoon with Mr. and Mrs. W. H. Burden and family and Mr. and Mrs. Roy Mason.

JURY FAILS TO AGREE ON MURDER CHARGE

(Cont'd. from first page)

south of Gordon near the east line
 of this county.

The dead body of Chase had not
 been discovered until in the after-
 noon Tuesday following the tragedy
 that had resulted in his death some
 time before twelve o'clock Monday
 night. Milton Gollehon, a farmer
 working in a field near by, having
 noticed the car standing by the road-
 side and parked against the fence,
 finally went to investigate and found
 the lifeless body slumped down in
 the seat of the car. The defendant
 was taken into custody by officers
 on Tuesday night at the home of her
 mother in the Graham Chapel com-
 munity in Garza county some twelve
 or fifteen miles southeast of the
 scene of the tragedy, and on Wed-
 nesday afternoon she made a writ-
 ten statement confessing to the fact
 that she had killed Chase but claim-
 ed that she had done so in self de-
 fense.

On the trial of the case here this
 week the defendant took the witness
 stand and detailed practically the
 same story that she had told officers
 in her signed statement, again claim-
 ing self defense. "He threatened to
 kill me," she said, "and I knew that
 he would do it." She claimed that
 he was reaching for a loaded pistol
 which was in the pocket of the car
 next to her, and that during the
 struggle that ensued she grabbed an
 automatic pistol that was on the
 seat and shot him. She claimed, and
 other evidence in the case showed,
 that only one shot was fired. The
 automatic contained only one cart-
 ridge, it was claimed, while the other
 pistol was shown to have been fully
 loaded. The fatal bullet had entered
 Chase's head near the right ear and
 lodged just under the skin on the
 opposite side of the head.

The defendant and Chase had
 left the home of his parents, Mr.
 and Mrs. A. N. Chase, about ten
 o'clock on the night of the tragedy.
 Mrs. Redman testified that Chase
 was trying to persuade her to quit
 her husband entirely, procure a di-
 vorce, and live with him. She declin-
 ed to agree to do so and told him
 that she was tired of that kind of
 life and was going back to her hus-
 band and her children. This enraged
 him, she claimed, and brought on the
 trouble that resulted in his death.
 She claimed that immediately after
 firing the pistol she got out of the
 car and hurried away, not knowing
 whether she had killed Chase or
 not. She undertook to make her way
 to her mother's home, she said, but
 she went in the opposite direction
 and daylight found her near some
 farm houses four miles southeast of
 Wilson. She induced a farmer to
 take her to her mother's home, tell-
 ing him that her car had broken
 down and had been carried to Taho-
 ka to be repaired.

Mrs. Redman detailed a sordid and
 pitiable story of her relations with
 the man she had killed. She first met
 him in 1927. The families frequently
 visited each other and were rather
 intimate friends. It was in 1929 when
 she first met Chase alone. At first
 she went with him willingly. They
 made trips together to various places.
 She said she thought well of
 him but declined to admit she loved
 him. He induced her to turn over to
 him various sums of money at dif-
 ferent times aggregating several
 hundred dollars. Finally, when she
 would not agree to do as he liked,
 he would threaten her, abuse her
 and otherwise mistreat her. She
 claimed that on one occasion he had
 compelled her and the three children
 to go with him out to Roswell, New
 Mexico, and pick cotton, he receiving
 all the money; that she made com-
 plaint to the officers at Roswell of
 his mistreatment of her and had him
 arrested and that he remained in
 jail for some time, that afterwards,
 under duress, she withdrew the
 charges; that at other times she and
 her mother had appealed to officers in
 Texas to protect her; that Chase of-
 ten threatened to kill her; that he
 had threatened to kill her husband
 and children; that on one occasion
 he threatened to bomb the house,
 saying that he wouldn't give Glenn
 a break; that on numerous occasions
 the threats were made with a gun;
 that she believed him to be danger-
 ous and that she was afraid of him.
 She admitted on cross examination,
 however, that she had written him
 many letters, extending over a long
 period of time, in which she expres-
 sed love and affection for him. She
 claimed that some of the letters in
 possession of the district attorney
 but not introduced in evidence, were
 written by her because Chase com-
 pelled her to write them. Others she
 wrote voluntarily, she admitted.

Some of her testimony was cor-
 roborated by her husband and by her
 12 year old daughter and others,
 while other portions of her testi-
 mony was controverted by witnesses
 for the State.

JUNIOR PHEBE K. WARNER CLUB STUDIES THE COWBOY

The Phebe K. Warner Junior Club
 met with Mrs. Buddy Knight last
 Friday. Ten members and two visit-
 ors were present. The visitors were
 Mrs. Fred Bucy and Mrs. Durham.

The program for this meeting con-
 sisted of cowboy legends, the life of
 the cowboy, and cowboy songs. Mrs.
 Buddy Knight gave an excellent pa-
 per on "The Beginning of the Cow-
 boy, His Work and Life in General".
 Mrs. Bucy and Mrs. Durham sang
 a duet, "The Dying Cowboy", that
 was doubly appreciated. Mrs. W. T.
 Jones gave an interesting legend
 about "The First Cowboy". "The
 Chisholm Trail" and other cowboy
 songs were played on the phono-
 graph.

The next meeting is to be held at
 Mrs. Harley Wells' Friday, Oct. 7.

All members are urged to be there,
 as we have new officers to elect and
 several committees to appoint.—Re-
 porter.

Helped By Cardul

Here's the true story of how Cardul
 helped Mrs. H. E. Dunaway,
 of McComb, Miss., as written by
 herself:

"I was sick and rather discour-
 aged. I was so weak and thin, I
 was not able to do my work as it
 should be done. This made me
 fret a good deal, and did not help
 my condition.

"I had pains across my back
 and lower part of my body. My
 nights were spent in rolling from
 one side of the bed to the other,
 hoping I would soon go to sleep.
 Then when morning would come,
 I would be just as tired as when I
 went to bed. A neighbor, seeing
 how badly I felt, told me to try
 Cardul. After I had taken one bot-
 tle, I was much better. I kept on
 taking Cardul, and I was stronger
 and slept much better at night."
