FARMER HURT IN ACCIDENT

N. H. Clark In Hospital After Being Found Unconscious Under Wagon On Highway

N. H. Clark, a farmer residing on the H. W. Pennington farm southeast of town, was found lying under his trailer unconscious on the highway six miles east of Tahoka by sheriff B. L. Parker and Milt Finch Wednesday morning. His head and face had been terribly wounded and lacerated by one of the front wheels of the trailer, which had no tire on it, the body having been dragged some distance apparently before the team stopped. The team was standing still and the wheel of the trailer was still resting against the injured man's head. One of the ears had been cut off, the flesh of the face had been laid bare to the bone, and it is possible that some bones had been broken. It is supposed that Clark had accidentally fallen from the trailer, which was loaded with cotton.

Messrs. Parker and Finch brought Mr. Clark in to town and he was hurriedly taken to the West Texas Hospital for treatment. He was reported to be in a most serious condition but it was believed that he would recover.

Red Cross Sees A Hard Winter

With a realization of the increased responsibilities of the American Red Cross in the last year and the knowledge that the organization is facing its busiest winter since World War days, local leaders are taking an unusually active part in the approaching membership campaign. According to Red Cross chapter officials here, the annual Roll Call will be conducted between Armistice Day and Thanksgiving, November 11-24.

A. L. Lockwood, who will direct the Roll Call this year issued a statement today, emphasizing the importance of the community's support to the Red Cross during the enrollment period. The statement follows:

"This year the economic emergency lends special importance to the annual Roll Call, or membership campaign of the American Red Cross."

The Red Cross is the recognized relief agency throughout the nation. It is chartered by Congress, headed by the President of the United States, and accorded the cooperation of the Federal government. In the unemployment crisis it has borne a great relief responsibility. It has been the authorized medium for distribution of wheat and cotton to those in need of flour and clothing. Its volunteers have been unflinching in devotion to the task of collecting and distributing supplies, and in production of finished goods from materials. Hundreds of thousands of gardens have been planted from Red Cross seed. In 2,200 communities Red Cross Chapters have participated in unemployment relief work.

"To unemployment have been added 95 disasters calling for Red Cross assistance in the period of one year. Drought in the Northwest, tornadoes in the Southeast, floods in the central South and a variety of other catastrophes have entailed mighty burdens on the organization. Our debt of gratitude is great. Our present and prospective dependence is impressive. Everyone who is able to take out membership, as a good citizen and a patriot, should do so."

Well-Known Young Couple Are Married

Miss Oma Moffit and Frank Willingham were married in Clovis, New Mexico, last Saturday afternoon.

Frank is the son of Mr. and Mrs. F. L. Willingham, who has resided near Tahoka for a number of years, and is now employed at one of the gins here. The bride is the daughter of Mr. and Mrs. J. G. Moffit, who reside a few miles north of town and is a graduate of the Tahoka high school.

The young couple have an apartment in the S. N. McDaniel apartment house here.

Schools Resume Work On Monday

After a two weeks vacation to enable the school children to assist in gathering the cotton crop, the Tahoka Independent School district will resume their work Monday, according to J. B. Pace, superintendent.

Many farmers are now practically up with the gathering of the cotton and there are many pickers in the country. It is hoped that every pupil will be able to return to school Monday morning.

J. C. Welch Child Dies Suddenly

The five-year old son of Mr. and Mrs. J. C. Welch, who reside a few miles northwest of New Home, died very unexpectedly early Monday morning, and the remains were buried here that afternoon.

The little fellow had been puny for several weeks and it is thought that he had developed pneumonia a short time before his death, although he was up and playing Sunday night. In fact he had never been confined to his bed from his ailment. He became desperately ill Monday morning and lived only a few minutes after his desperate condition was discovered.

The Welch family lived in Tahoka for many years. Mr. Welch having been engaged in business here. For a number of years he was a member of the school board in Tahoka. Many friends here sympathize with the family in this great bereavement.

Jack Reaves Is Hurt In Wreck

Jack Reaves, former citizen of Tahoka, motorcycle patrolman, and a resident of Lubbock the past three years, suffered the fracture of his right leg and three ribs in a collision of his motorcycle with a truck on the highway near Amarillo Monday.

He is said to be resting as well as could be expected in a sanitarium in Amarillo.

Jack was a resident of Tahoka for a number of years and has a great number of warm friends here who deeply deplore his great misfortune.

H. D. Davis' Brother Is Killed Near Post

J. L. Davis of Brownfield, manager of a grocery store of that city and brother of H. D. Davis, manager of the Help Your Self Store here, was killed Monday night in an automobile-truck collision which occurred on the highway 10 miles southeast of Post. At the same time C. C. Rogers of Lubbock, the truck driver, was critically injured, a bolt being driven into the brain through the right temple. Rogers, who is in the West Texas Hospital, has a chance to recover, it is said.

Davis was driving south while Rogers was coming north. Davis turned from the right side of the road to pass a car that was parked on the highway, it is said, when the crash occurred.

ATTEND CONFERENCE

Rev. Lawrence Hays and R. E. Key attended the Workers' Conference of the Brownfield Baptist association, which was held at Wellman, situated between Brownfield and Seagraves, on Tuesday of this week. They report an attendance of more than 100 and a good program.

SMALLPOX AT LAKEVIEW

Two cases of smallpox were reported in the Lakeview community. One of the patients has quite an aggravated form of the disease. Proper precautions have been taken to prevent spread of the disease.

Monte Bowron and son Bob were here from Lubbock Wednesday. They formerly resided here, Monte being director of the Tahoka band for several years. He is now directing the band at Littlefield.

J. H. Edwards went down to Marlin Sunday to try the virtues of the hot water baths for rheumatism, of which malady he has been suffering intensely the past several days.

5,215 BALES OF COTTON GINNED

Crop Is Being Gathered Rapidly; Late Cotton Is Very Slow About Opening

Reports from the gins early Thursday morning showed that 5,215 bales of cotton had been ginned in Tahoka this season, counting round bales as half bales. This is an increase of about 1,500 since our report last week. Ginnings up to November 11 last year amounted to 7,375 bales, about 2,100 more than this season's ginnings.

Ginners say that if the weather remains favorable for gathering the bulk of the crop will soon be out. The late cotton is opening very slowly, however; some of it not at all.

The government cotton report made public Wednesday morning estimated the 1932 crop at 11,947,000 bales, an increase of 522,000 bales over the October estimate. The price dropped about 25 or 30 points on the strength of the report. Thursday morning the market opened 2 or 3 points lower than the closing figures of Wednesday.

More Turnips Are Brought To Editor

Mr. and Mrs. W. M. Harris drove out to their farm Sunday afternoon and while there decided to gather them a big "mess" of turnips. Then they thought of the editor, whom they understand to be some kind of a turpentine fiend. So they loaded another big "mess"—yes several messes—into their car and brought straight to our home.

Then on Monday morning, C. A. Thomas brought us a big specimen that came from his patch. Like some of the turnips given us heretofore it was about the size of an editor's head, but not so bumpy and more comely.

It pays to advertise, folks; it pays to advertise. Wish we had some goobers and taters.

Business Good Here Friday and Saturday

Merchants in Tahoka did a thriving business last Friday and Saturday. The stores were thronged with shoppers on both days and it really looked as if "happy days were here again." Maybe prosperity is not here yet but at any rate the outlook is better.

PRESBYTERIAN SERVICES FOR SUNDAY ANNOUNCED

All services at the Presbyterian Church next Sunday. Sunday school at the usual hour. Preaching at 11:00 A. M. and 7:30 P. M. All services on time, please. Morning theme: "Getting Back to Normal in All Things; How It's Done." Special music, quartet. Subject Sunday night "Little Things in Life that Count." Good singing service and a fine fellowship.

A fine group of the Presbyterian ladies from Tahoka attended the meeting of the Presbytery at Lubbock. They all acquitted themselves on the program most creditably and we are proud of them. They carried the El Paso Presbytery for Tahoka next time. It's the members that keep a live church going.

Be in our services Sunday. You are cordially invited. W. K. Johnston, Minister.

Landslide Sweeps Democrats Into Power At Washington

LYNN COUNTY VOTE IS SHORT

Presidential Candidates Carries Lynn County 1,936 to 110. "Ma" Leads 1,325 to 739

The voters of Lynn county made it almost unanimous for Franklin D. Roosevelt for President over Herbert Hoover in the election Tuesday, the vote being 1,936 to 110. In one box Hoover did not get a single vote while another gave him only one vote to 86 for Roosevelt and still another only one to 80 for Roosevelt.

Mrs. Miriam A. Ferguson also won an overwhelming victory over her Republican opponent, Orville Bullington. The vote in this contest was Ferguson, 1325; Bullington, 739. The socialist candidate received one lone vote. More than 600 Democrats, it would seem, scratched Mrs. Ferguson's name, however, and voted for Bullington. Mrs. Ferguson carried every box in the county except one. North Tahoka, the strongest box in the county, went for Bullington by a majority of two votes.

Many voters did not go to the polls Tuesday. There were only 2965 votes cast for governor, whereas 2552 votes for governor were cast in the first primary and 2763 in the second primary. The results by boxes are given below:

	R	H	F	B
North Tahoka	368	15	187	189

Stone Placed Over Confederate's Grave

Chris L. Adair on Monday received from Columbus, Miss., a marble soldier monument which he is erecting over the grave of Capt. Edward H. Crie, who fought at Gettysburg and many other great Civil War battles.

Capt. Crie, father of H. C. Crie, came to Texas in the late seventies and making his headquarters at old Ft. Griffin, hunted buffalo in Lynn and other Plains counties. Capt. Crie was for many years postmaster at Godley in Johnson county but died at Tahoka in 1920.

MAYOR'S PROCLAMATION

Every thoughtful citizen knows the inestimable value of the services of the American Red Cross.

It is the only agency so organized as to effectively relieve every class of suffering humanity from distress resulting from floods, tornadoes and calamities which cannot be anticipated or averted.

It is the agency that has made possible the distribution of flour and clothing from Government wheat and cotton and clothing and food obtained from other sources to the needy of Lynn County.

I am sure that all realize at this time especially that the Red Cross must be liberally supported in order that it may be prepared to carry on its splendid work.

Membership in the Red Cross should not be regarded as a charitable gift, for it is a patriotic duty, and this duty should be performed by every citizen who can respond, even to those who may have heretofore been direct recipients of benefits from the Red Cross.

I, therefore, as Mayor of the City of Tahoka, do hereby set aside November 11th to 19th as Red Cross Roll Call Week and urge all our appreciative citizens to answer "here" with their memberships in this Roll Call.

C. H. CAIN, Mayor.

City Will Remit Penalty, Interest

The city council in regular session Monday night remitted all interest and penalties due on delinquent taxes if said taxes are paid prior to December 31, 1932.

Judge C. H. Cain, mayor, will have a statement to make to the taxpayers of Tahoka through these columns next week relating to this matter.

Rev. Smith Goes To Conference

Rev. H. C. Smith, pastor of the Methodist Church here, left Wednesday morning for the Northwest Texas Conference which convenes in Amarillo today and will continue until Sunday night. A number of the members of the church here are expected to be in attendance the latter part of the week.

Brother Smith is closing his first year as pastor here. It is generally understood that he will be returned to Tahoka. He has done some very constructive work here and is universally esteemed by members of his congregation and by the people of the town generally.

Club Women Can For Winter Months

Many of the home demonstration club women of Lynn county have made remarkable records with their canning operations this year, according to Miss El Fieda Harrison.

For instance, there is Mrs. P. A. Cato of the Morgan community, she said, who has in her pantry 976 quarts of canned vegetables and fruits. She has helped fourteen different families with their canning operations and has canned about 1500 containers. Mrs. Cato has a patch of English peas growing in her garden now, just loaded down with peas, Miss Harrison says. They were planted in September. She also has some fine broccoli, a species of winter greens.

Then there is Mrs. J. N. Townzen, cooperater in the Morgan community, who has filled the budget for her pantry from her garden and has sold enough vegetables to pay for her daughter's music lessons this year. At the present time she has 18 green vegetables growing in her garden, which consists of one-fourth acre of ground. The entire garden was hand-spaded and the rows planted 12 inches apart.

Mrs. E. B. Terry, demonstrator at New Lynn, has canned 1900 containers of vegetables and has filled her pantry at a cost of exactly nothing in dollars and cents. She has helped eleven people in their canning operations. She fixed shelving in her pantry from scrap lumber, whitewashed it with lime, and made it really attractive.

Here in town, Mrs. John Stokes reports that she has 1171 containers of canned fruits and vegetables in her pantry. All together, she has helped 14 families with their canning and has canned a total of 1754 containers of food. She has paid all expenses of her operations by selling canned goods and fresh vegetables.

There are many others who could be mentioned but these are a few of the outstanding examples.

Early in the year the club women planned to help 85 per cent of the non-club women in the county. There are about 2138 farm families in the county, Miss Harrison says. There are various ways in which this help may be given, such as canning, teaching how to use the pressure cooker, filling out a suggested budget, etc. Miss Harrison thinks that by the end of the year the H. D. club-women will have reached their goal—that fully 85 per cent of the non-club women will have been helped.

Mrs. Oscar Cousins of Amarillo is visiting in the home of her sister, Mrs. J. R. McIntyre.

TICKET LEADS IN 42 STATES

Demos Also Gain Heavily In Senate And House As The People Demand "New Deal"

The election last Tuesday resulted in the most sweeping victory for the Democrats that any party has achieved in this country since the Civil War.

Franklin D. Roosevelt carried 42 of the 48 states of the Union. This gives him 472 electoral votes against 59 for President Hoover. It is impossible to tell what his popular majority will be, since only partial returns are in. The votes thus far tabulated, however, give Hoover 12,380,034, Roosevelt 16,925,712; a majority for Roosevelt of 4,545,678. The states which Hoover carried are Maine, New Hampshire, Vermont, Connecticut, Pennsylvania, and Delaware.

In 1928 Hoover defeated Governor Al Smith by a majority that was unprecedented up to that time, the electoral vote being: Hoover 444, Smith 87; the popular vote: Hoover 21,429,109, Smith 15,005,497. Smith carried only the states of Georgia, Alabama, Arkansas, Mississippi, Louisiana, South Carolina, Massachusetts, and Rhode Island.

In the election last Tuesday the Democrats captured both the Senate and House by heavy majorities. Returns already in assure them of 56 seats in the Senate, with four other Senatorial contests still in doubt. If the Republicans should gain all these they could not have more than 40, including the Progressives and Independents, such as Borah, Norris, Hiram Johnson, Norbeck and others. In the House the Democrats are already assured 260 seats, giving them a large majority of the membership. They have 218 members in the present House. The wets apparently made heavy gains, but it is yet doubtful if they have sufficient strength to control both Houses.

Among the most prominent Republican Senators who were defeated were Jim Watson of Indiana, Reed Smoot of Utah, George Moses of New Hampshire, Hiram Bingham of Connecticut, and Wesley Jones of Washington. The most distinguished new member of that body will be William Gibbs McAdoo of California, who was elected by an overwhelming majority.

John N. Garner of Texas, vice-president of the United States, will preside over the Senate, the first time such an honor has come to any Texan. He is now the Speaker of the House of Representatives, which is likewise the first time any Texan has held this exalted and powerful position.

Mrs. M. A. Ferguson's Lead Is Increasing

Incomplete returns show that Mrs. Miriam A. Ferguson has defeated her Republican opponent for the governorship, Orville Bullington of Wichita Falls, by a decisive majority. The latest tabulation gives her 256,398 votes against 162,823 for Bullington, a majority thus far of 93,575 votes. These returns come from 179 counties, 20 of which were complete. Many others however were almost complete. This accounts for 419,221 votes. There are probably 300,000 votes to be tabulated yet and Mrs. Ferguson's final majority is expected to reach 160,000 or more.

For President the Texas vote thus far tabulated gives Roosevelt 346,587 and Hoover 47,220.

Wilson Man Speaks In Baptist Pulpit

In the absence of the pastor, Rev. Lawrence Hayes, who spoke at Bethel last Sunday night, the Baptist pulpit here was filled by a layman, John Heck of Wilson.

Mr. Heck, who is one of the leading citizens of his community and of the county and one of the outstanding Baptists of this section of the state, brought a most interesting and helpful message.

BULLINGTON SPOKE IN TAHOKA, LAST THURSDAY

(Cont'd. from first page)

would be paved, for one-third of the gasoline tax would be required to maintain the roads already built. Since all or practically all of this one-third would be required for maintenance purposes, the Federal funds would be cut off and we would get nothing from the Federal Government for highway building. Judge Bullington also advocated the abolishment of the state ad valorem tax altogether. He would make up the difference by levying a heavier tax on the big corporations, such as the sulphur interests. In this connection he called attention to the fact that during the sessions of the last legislature Jim Ferguson was the paid lobbyist of the sulphur interests.

Judge Bullington also declared that if he were elected governor he would urge the passage of a law making it a penitentiary offense for any person to lobby before the legislature for money. He explained that he had no objection to any person appearing before members or committees of the legislature to lobby for or against any proposition they might be interested in so long as they were not being paid for their services. Cut out the pay and you will cut out the evil of lobbying, he argued.

The candidate also declared that he would urge the passage of a law that would stop the peddling of pardons. He would make it a felony for any lawyer or other person to take a fee from the family or relatives of any convict to procure the pardon of such convict. He did not oppose the granting of pardons in meritorious cases but opposed the peddling of pardons.

A crowd of possibly a hundred persons, most of them men, heard the address, and many of them greeted the candidate and assured him of their support following the speech.

WELL-KNOWN CITIZEN OF T-BAR COMMUNITY DIES

(Continued from first page)

They were assisted by members of the Lodge at O'Donnell.

Mr. McMillan had been a resident of the T-Bar community for ten or twelve years and was an honored and highly respected citizen of the county. He had been practically an invalid for the past year or longer. Many friends sympathize with the family in this bereavement.

E. J. Cooper in some way found out that the editor likes turnips. Therefore on last Saturday morning he sent in a couple of specimens of this vegetable, each about the size of the editor's head, which isn't very large for heads but fairly good sized for turnips. In fact they were whoppers. We like turnips any way you can fix 'em. When a kid, we used to eat 'em raw, like a rabbit, and we haven't gotten over it yet. Boy, we certainly enjoyed devouring those turnips. They were fine. Thanks. Who'll be next?

New Lynn

We are having some splendid weather at last. The cotton crop is moving rapidly. The gin is running night and day and are still not able to take care of all the cotton. When the sun shines the world begins turning, or at least it's true in this section of the country.

The first of last week a severe hail and wind storm came our way which did little or no damage, more than to strip the cotton and feed of their leaves. Ice was found in various places last-week also.

Singing Saturday night was well attended. A number of visiting singers were present. A number of our Singing class visited at Gordon Sunday night. They reported a fine time.

There will be a box supper at the school building Friday night. The public has a cordial invitation to come.

Many kids from here attended the Kid Singing Convention at Central Sunday. They reported a large crowd and some fine singing.

FARMER HURT IN ACCIDENT

N. H. Clark In Hospital After Being Found Unconscious Under Wagon On Highway

N. H. Clark, a farmer residing on the H. W. Pennington farm southeast of town, was found lying under his trailer unconscious on the highway six miles east of Tahoka by sheriff B. L. Parker and Milt Finch Wednesday morning. His head and face had been terribly wounded and lacerated by one of the front wheels of the trailer, which had no tire on it, the body having been dragged some distance apparently before the team stopped. The team was standing still and the wheel of the trailer was still resting against the injured man's head. One of the ears had been cut off, the flesh of the face had been laid bare to the bone, and it is possible that some bones had been broken. It is supposed that Clark had accidentally fallen from the trailer, which was loaded with cotton.

Messrs. Parker and Finch brought Mr. Clark in to town and he was hurriedly taken to the West Texas Hospital for treatment. He was reported to be in a most serious condition but it was believed that he would recover.

Red Cross Sees A Hard Winter

With a realization of the increased responsibilities of the American Red Cross in the last year and the knowledge that the organization is facing its busiest winter since World War days, local leaders are taking an unusually active part in the approaching membership campaign. According to Red Cross chapter officials here, the annual Roll Call will be conducted between Armistice Day and Thanksgiving, November 11-24. A. L. Lockwood, who will direct the Roll Call this year issued a statement today, emphasizing the importance of the community's support to the Red Cross during the enrollment period. The statement follows:

"This year the economic emergency lends special importance to the annual Roll Call, or membership campaign of the American Red Cross. The Red Cross is the recognized relief agency throughout the nation. It is chartered by Congress, headed by the President of the United States, and accorded the cooperation of the Federal government. In the unemployment crisis it has borne a great relief responsibility. It has been the authorized medium for distribution of wheat and cotton to those in need of flour and clothing. Its volunteers have been unstinting in devotion to the task of collecting and distributing supplies, and in production of finished goods from materials. Hundreds of thousands of gardens have been planted from Red Cross seed. In 2,200 communities Red Cross Chapters have participated in unemployment relief work.

"Unemployment has been added to 96 disasters calling for Red Cross assistance in the period of one year. Drought in the Northwest, tornadoes in the Southeast, floods in the central South and a variety of other catastrophes have entailed mighty burdens on the organization.

"Our debt of gratitude is great. Our present and prospective dependence is impressive. Everyone who is able to take out membership, as a good citizen and a patriot, should do so."

Well-Known Young Couple Are Married

Miss Oma Moffit and Frank Willingham were married in Clovis, New Mexico, last Saturday afternoon.

Frank is the son of Mr. and Mrs. F. L. Willingham, who has resided near Tahoka for a number of years, and is now employed at one of the gins here. The bride is the daughter of Mr. and Mrs. J. G. Moffit, who reside a few miles north of town and is a graduate of the Tahoka high school.

The young couple have an apartment in the S. N. McDaniel apartment house here.

Schools Resume Work On Monday

After a two weeks vacation to enable the school children to assist in gathering the cotton crop, the Tahoka Independent School district will resume their work Monday, according to J. B. Pace, superintendent.

Many farmers are now practically up with the gathering of the cotton and there are many pickers in the country. It is hoped that every pupil will be able to return to school Monday morning.

J. C. Welch Child Dies Suddenly

The five-year old son of Mr. and Mrs. J. C. Welch, who reside a few miles northwest of New Home, died very unexpectedly early Monday morning, and the remains were buried here that afternoon.

The little fellow had been puny for several weeks and it is thought that he had developed pneumonia a short time before his death, although he was up and playing Sunday night. In fact he had never been confined to his bed from his ailment. He became desperately ill Monday morning and lived only a few minutes after his desperate condition was discovered.

The Welch family lived in Tahoka for many years, Mr. Welch having been engaged in business here. For a number of years he was a member of the school board in Tahoka. Many friends here sympathize with the family in this great bereavement.

Jack Reaves Is Hurt In Wreck

Jack Reaves, former citizen of Tahoka, motorcycle patrolman, and a resident of Lubbock the past three years, suffered the fracture of his right leg and three ribs in a collision of his motorcycle with a truck on the highway near Amarillo Monday.

He is said to be resting as well as could be expected in a sanitarium in Amarillo.

Jack was a resident of Tahoka for a number of years and has a great number of warm friends here who deeply deplore his great misfortune.

H. D. Davis' Brother Is Killed Near Post

J. L. Davis of Brownfield, manager of a grocery store of that city and brother of H. D. Davis, manager of the Help Your Self Store here, was killed Monday night in an automobile-truck collision which occurred on the highway 10 miles southeast of Post. At the same time C. C. Rogers of Lubbock, the truck driver, was critically injured, a bolt being driven into the brain through the right temple. Rogers, who is in the West Texas Hospital, has a chance to recover, it is said.

Davis was driving south while Rogers was coming north. Davis turned from the right side of the road to pass a car that was parked on the highway, it is said, when the crash occurred.

SMALLPOX AT LAKEVIEW
Two cases of smallpox are reported in the Lakeview community. One of the patients has quite an aggravated form of the disease. Proper precautions have been taken to prevent spread of the disease.

Monte Bowron and son Bob were here from Lubbock Wednesday. They formerly resided here, Monte being director of the Tahoka band for several years. He is now directing the band at Littlefield.

J. H. Edwards went down to Marlin Sunday to try the virtues of the hot water baths for rheumatism, of which malady he has been suffering intensely the past several days.

5,215 BALES OF COTTON GINNED

Crop Is Being Gathered Rapidly; Late Cotton Is Very Slow About Opening

Reports from the gins early Thursday morning showed that 5215 bales of cotton had been ginned in Tahoka this season, counting round bales as half bales. This is an increase of about 1500 since our report last week. Ginnings up to November 11 last year amounted to 7,375 bales, about 2,100 more than this season's ginnings.

Ginners say that if the weather remains favorable for gathering the bulk of the crop will soon be out. The late cotton is opening very slowly, however; some of it not at all.

The government cotton report made public Wednesday morning estimated the 1932 crop at 11,947,000 bales, an increase of 522,000 bales over the October estimate. The price dropped about 25 or 30 points on the strength of the report. Thursday morning the market opened 2 or 3 points lower than the closing figures of Wednesday.

More Turnips Are Brought To Editor

Mr. and Mrs. W. M. Harris drove out to their farm Sunday afternoon and while there decided to gather them a big "mess" of turnips. Then they thought of the editor, whom they understand to be some kind of a turpise fiend. So they loaded another big "mess"—yes several messes—into their car and brought straight to our home.

Then on Monday morning, C. A. Thomas brought us a big specimen that came from his patch. Like some of the turnips given us heretofore it was about the size of an editor's head, but not so bumpy and more comely.

It pays to advertise, folks; it pays to advertise.

With us had some goobers and taters.

Business Good Here Friday and Saturday

Merchants in Tahoka did a thriving business last Friday and Saturday. The stores were thronged with shoppers on both days and it really looked as if "happy days were here again." Maybe prosperity is not here yet but at any rate the outlook is better.

PRESBYTERIAN SERVICES FOR SUNDAY ANNOUNCED

All services at the Presbyterian Church next Sunday. Sunday school at the usual hour. Preaching at 11:00 A. M. and 7:30 P. M. All services on time, please. Morning theme: "Getting Back to Normal in All Things; How It's Done." Special music, quartet. Subject Sunday night "Little Things in Life that Count." Good singing service and a fine fellowship.

A fine group of the Presbyterian ladies from Tahoka attended the meeting of the Presbyterian at Lubbock. They all acquitted themselves on the program most creditably and we are proud of them. They carried the El Paso Presbyterian for Tahoka next time. It's the members that keep a live church going.

Be in our services Sunday. You are cordially invited.

W. K. Johnston, Minister.

MAYOR'S PROCLAMATION

Every thoughtful citizen knows the inestimable value of the services of the American Red Cross.

It is the only agency so organized as to effectively relieve every class of suffering humanity from distress resulting from floods, tornadoes and calamities which cannot be anticipated or averted.

It is the agency that has made possible the distribution of flour and clothing from Government wheat and cotton and clothing and food obtained from other sources to the needy of Lynn County.

I am sure that all realize at this time especially that the Red Cross must be liberally supported in order that it may be prepared to carry on its splendid work.

Membership in the Red Cross should not be regarded as a charitable gift, for it is a patriotic duty, and this duty should be performed by every citizen who can respond, even to those who may have heretofore been direct recipients of benefits from the Red Cross.

I, therefore, as Mayor of the City of Tahoka, do hereby set aside November 11th to 19th as Red Cross Roll Call Week and urge all our appreciative citizens to answer "here" with their memberships in this Roll Call.

C. H. CAIN, Mayor.

Landslide Sweeps Democrats Into Power At Washington

LYNN COUNTY VOTE IS SHORT

Presidential Candidate Carries Lynn County 1,936 to 110, "Ma" Leads 1,325 to 739

The voters of Lynn county made it almost unanimous for Franklin D. Roosevelt for President over Herbert Hoover in the election Tuesday, the vote being 1942 to 110. In one box Hoover did not get a single vote while another gave him only one vote to 86 for Roosevelt and still another only one to 80 for Roosevelt.

Mrs. Miriam A. Ferguson also won an overwhelming victory over her Republican opponent, Orville Bullington. The vote in this contest was Ferguson, 1325; Bullington, 739. The socialist candidate received one lone vote. More than 600 Democrats, it would seem, scratched Mrs. Ferguson's name, however, and voted for Bullington. Mrs. Ferguson carried every box in the county except one. North Tahoka, the strongest box in the county, went for Bullington by a majority of two votes.

Many voters did not go to the polls Tuesday. There were only 2965 votes cast for governor, whereas 2852 votes for governor were cast in the first primary and 2763 in the second primary.

The results by boxes are given below:

Stone Placed Over Confederate's Grave

Chris L. Adair on Monday received from Columbus, Miss., a marble soldier monument which he is erecting over the grave of Capt. Edward H. Crie, who fought at Gettysburg and many other great Civil War battles.

Capt. Crie, father of H. C. Crie, came to Texas in the late seventies and making his headquarters at old Ft. Griffin, hunted buffalo in Lynn and other Plains counties. Capt. Crie was for many years postmaster at Godley in Johnson county but died at Tahoka in 1920.

ECTOR CO. SHERIFF HERE

Reeder Webb, sheriff of Ector county, was here Tuesday looking for a negro who was charged with having robbed a store in Odessa. He and Sheriff B. L. Parker went on to Slaton to get the negro, who had been arrested there.

J. K. Callaway is visiting his nephew, Sam Callaway, in Fort Worth.

City Will Remit Penalty, Interest

The city council in regular session Monday night remitted all interest and penalties due on delinquent taxes if said taxes are paid prior to December 31, 1932.

Judge C. H. Cain, mayor, will have a statement to make to the taxpayers of Tahoka through these columns next week relating to this matter.

Rev. Smith Goes To Conference

Rev. H. C. Smith, pastor of the Methodist Church here, left Wednesday morning for the Northwest Texas Conference which convenes in Amarillo today and will continue until Sunday night. A number of the members of the church here are expected to be in attendance the latter part of the week.

Brother Smith is closing his first year as pastor here. It is generally understood that he will be returned to Tahoka. He has done some very constructive work here and is universally esteemed by members of his congregation and by the people of the town generally.

Club Women Can For Winter Months

Many of the home demonstration club women of Lynn county have made remarkable records with their canning operations this year, according to Miss El Fieda Harrison.

For instance, there is Mrs. P. A. Cato of the Morgan community, she said, who has in her pantry 978 quarts of canned vegetables and fruits. She has helped fourteen different families with their canning operations and has canned about 1500 containers. Mrs. Cato has a patch of English peas growing in her garden now, just loaded down with peas, Miss Harrison says. They were planted in September. She also has some fine broccoli, a species of winter greens.

Then there is Mrs. J. N. Townzen, cooper in the Morgan community, who has filled the budget for her pantry from her garden and has sold enough vegetables to pay for her daughter's music lessons this year. At the present time she has 18 green vegetables growing in her garden, which consists of one-fourth acre of ground. The entire garden was hand-spaded and the rows planted 12 inches apart.

Mrs. E. B. Terry, demonstrator at New Lynn, has canned 1900 containers of vegetables and has filled her pantry at a cost of exactly nothing in dollars and cents. She has helped eleven people in their canning operations. She fixed shelving in her pantry from scrap lumber, white-washed it with lime, and made it really attractive.

Here in town, Mrs. John Stokes reports that she has 1171 containers of canned fruits and vegetables in her pantry. All together, she has helped 14 families with their canning and has canned a total of 1754 containers of food. She has paid all expenses of her operations by selling canned goods and fresh vegetables.

There are many others who could be mentioned but these are a few of the outstanding examples.

Early in the year the club women planned to help 85 per cent of the non-club women in the county. There are about 2138 farm families in the county, Miss Harrison says. There are various ways in which this help may be given, such as canning, teaching how to use the pressure cooker, filling out a suggested budget, etc. Miss Harrison thinks that by the end of the year the H. D. club women will have reached their goal—that fully 85 per cent of the non-club women will have been helped.

Mrs. Oscar Cousins of Amarillo is visiting in the home of her sister, Mrs. J. R. McIntyre.

TICKET LEADS IN 42 STATES

Demos Also Gain Heavily In Senate And House As The People Demand "New Deal"

The election last Tuesday resulted in the most sweeping victory for the Democrats that any party has achieved in this country since the Civil War.

Franklin D. Roosevelt carried 42 of the 48 states of the Union. This gives him 472 electoral votes against 59 for President Hoover. It is impossible to tell what his popular majority will be, since only partial returns are in. The votes thus far tabulated, however, give Hoover 12,380,034, Roosevelt 16,925,712; a majority for Roosevelt of 4,545,678. The states which Hoover carried are Maine, New Hampshire, Vermont, Connecticut, Pennsylvania, and Delaware.

In 1928 Hoover defeated Governor Al Smith by a majority that was unprecedented up to that time, the electoral vote being: Hoover 444, Smith 87; the popular vote: Hoover 21,429,109, Smith 15,005,497. Smith carried only the states of Georgia, Alabama, Arkansas, Mississippi, Louisiana, South Carolina, Massachusetts, and Rhode Island.

In the election last Tuesday the Democrats captured both the Senate and House by heavy majorities. Returns already in assure them of 56 seats in the Senate, with four other Senatorial contests still in doubt. If the Republicans should gain all these they could not have more than 40, including the Progressives and Independents, such as Borah, Norris, Hiram Johnson, Norbeck and others. In the House the Democrats are already assured 260 seats, giving them a large majority of the membership. They have 218 members in the present House. The wets apparently made heavy gains, but it is yet doubtful if they have sufficient strength to control both Houses.

Among the most prominent Republican Senators who were defeated were Jim Watson of Indiana, Reed Smoot of Utah, George Moses of New Hampshire, Hiram Bingham of Connecticut, and Wesley Jones of Washington. The most distinguished new member of that body will be William Gibbs McAdoo of California, who was elected by an overwhelming majority.

John N. Garner of Texas, vice-president of the United States, will preside over the Senate, the first time such an honor has come to any Texan. He is now the Speaker of the House of Representatives, which is likewise the first time any Texan has held this exalted and powerful position.

Mrs. M. A. Ferguson's Lead Is Increasing

Incomplete returns show that Mrs. Miriam A. Ferguson has defeated her Republican opponent for the governorship, Orville Bullington of Wichita Falls, by a decisive majority. The latest tabulation gives her 256,398 votes against 162,823 for Bullington, a majority thus far of 93,575 votes. These returns come from 179 counties, 20 of which were complete. Many others however were almost complete. This accounts for 419,221 votes. There are probably 300,000 votes to be tabulated yet and Mrs. Ferguson's final majority is expected to reach 160,000 or more. For President the Texas vote thus far tabulated gives Roosevelt 346,587 and Hoover 47,220.

Wilson Man Speaks In Baptist Pulpit

In the absence of the pastor, Rev. Lawrence Hayes, who spoke at Bethel last Sunday night, the Baptist pulpit here was filled by a layman, John Heck of Wilson.

Mr. Heck, who is one of the leading citizens of his community and of the county and one of the outstanding Baptists of this section of the state, brought a most interesting and helpful message.

The ways of democracies are past finding out. At one election a great statesman with towering intellect and noble character will be elected; at the next a corrupt politician or a weakling—or maybe it will all happen at the same election. Texas has had her Jim Hogg and her—well, you finish the sentence. But we are thinking just now of Louisiana, the state that at one time was represented in the United States Senate by that intellectual giant, Judah P. Benjamin; now represented by Huey P. Long. By the way, did you ever read the remarkable story of that distinguished Jew? His parents, natives of England, were among the poorest of the poor. They decided to migrate to America. While stopping over in the West Indies, Judah P. was born. Then the family made their way on to Wilmington, North Carolina. A wealthy lady helped Judah through the common schools. He attempted to work his way through Yale, but his funds failing and unable to get a job, he quit college and worked his way back to the South. He finally arrived in New Orleans and began the study of law. After a hard struggle he finally won his laurels and won an eminent place in his profession. Then they sent him to the United States Senate, and then came on the Civil War. In withdrawing from the Senate, Benjamin made one of the most brilliant and eloquent speeches ever heard in that body. As attorney-general, secretary of war, and secretary of state in the Southern Confederacy, he became known as "the Brains of the Confederacy." Upon the fall of the Confederacy he fled to England. In London he rapidly won his way to the top in the legal profession and was appointed Queen's Counselor. Upon his decision to leave London for Paris, he was tendered

a banquet by the London bar and such honors were heaped upon him as rarely came to any Englishman. And now this state that gave us Judah P. Benjamin has afflicted us with Huey P. Long. Truly the ways of democracies are past finding out.

Franklin D. Roosevelt has won the Presidency by an unprecedented majority. We hope that he will make a great President. Since the Democrats have won both the Senate and the House they will be in complete control, and the responsibility of bringing prosperity back to this country will be theirs. It is a heavy responsibility. We hope that they go about the task with great vigor, intelligence, and unity. They must do so if they retain the confidence of the country. Just as the country has held Hoover responsible for the depression, it will expect Roosevelt and the Democrats to bring a speedy end to the depression. May they live up to the expectations of the people. In the meantime, President Hoover, has promised his cooperation with the President elect in the following telegram of congratulations: "I congratulate you on the opportunity that has come to you to be of service to the country and I wish for you a most successful administration. In the common purpose of all of us I shall dedicate myself to every possible helpful effort."

In an article published in many of the daily papers Sunday, Roger Babson, America's great statistician, says that the worst of the depression is over and that the country is already distinctly on the way to recovery, though the process will be long drawn out. "Real recovery from depression always starts from the bottom up rather than from the top down. That is what is happening now," he declares. "Notice the industries which have improved most—textiles, clothing, food, shoes—all so-called consumer industries catering to the masses of the people. They produce the necessities—things which have worn out and of sheer necessity are being replaced. This is the soundest basis on which improvement could be based. Eighty five per cent of all the goods and services consumed in the United States are bought by people with incomes of less than \$5,000 a year. In other words, 85 per cent of our business depends on Main Street and only 15 per cent on Wall Street. * * * Business is now past the worst and on a gradual upturn."

What we need in this country now is a campaign for law observance. We have talked much of law enforcement, especially with respect to

the graver crimes, but we have had little to say about law observance. Too many of us ourselves have been violating laws that we regard as of minor importance. Too many of us have been speaking slurringly of laws that we do not like. Too many of us, by example and precept, have been teaching our children to disrespect and disregard some of our laws and have thus been training them up to become law-breakers. It is all wrong. We should seek the repeal, amendment, or modification of such laws as we deem to be unwise or unjust but as long as they remain on the statute books we should respect and obey them and teach our children to do likewise. This is the spirit of true democracy.

Mrs. Miriam A. Ferguson has won the governorship by a sweeping victory. We truly hope that her administration may be successful and creditable to Texas. We believe that all Texans should maintain a friendly and sympathetic attitude toward her administration, at least as long as they can conscientiously do so. There should be no carping criticism, no antagonism inspired merely by a spirit of revenge. This paper, in its feeble way, is ready to lend her every proper encouragement. We shall commend whatever we find to commend in her administration and criticize only when we feel that criticism is necessary. Let's all join to bring about greater economy and greater efficiency in the public service.

We folks are funny beings. Why we should bawl for beer when we can get such wholesome drinks as can be found at any cold drink stand has never been satisfactorily explained. Personally we would rather have a quart of the late Billie Bryan's grape juice or even a glass of good old buttermilk than a whole keg of Budweiser slop. And nobody ever did get drunk and beat up his wife or kick the cat or just make a plain fool of himself from drinking orange julep or cream soda. Drinking beer does all this and more. And yet we seek to win national campaigns and elect Presidents in order to have the privilege of buying and drinking this slop. We are funny folks.

It should be the business of every legislator and every state department head to see to it that the expenses of operating the government are reduced to the minimum without sacrificing anything of efficiency during the next two years. In our opinion, many thousands of dollars are wasted each year on useless jobs and useless activities in the various departments. And the people pay the bills. We are for the same sort of economy in government that it is necessary for the farmer and the business man to practice in their private affairs.

Let's do our trading at home, folks. As long as business people in Tahoka go to other places to do their shopping they can not complain if people from the rural districts do the same thing. It is true that some items can not be obtained here at times, and it is also true that small savings may be made at times on other items, but on the whole very little can be saved by buying elsewhere. Too much money goes out of Tahoka to other places, folks. Let's stand by the home town.

That mild sandstorm we had Monday really looked good, folks. What we need now is some dry weather to open the late cotton and there is nothing that can turn the trick better than a dry northwester.

Morgan

We had a very good crowd at Sunday School and church Sunday. Bro. Fred Mining of Gordon preached for us at eleven o'clock. Mr. and Mrs. M. G. Davis of Trenton visited in the Fred Davidson home last Saturday. Inell Jernigan is doing fine. She had twenty-eight visitors Sunday. H. H. Bailey has been suffering with rheumatism for the last few days. Mr. and Mrs. Marlin of Tahoka visited Mr. and Mrs. Luther Gray Sunday. Mrs. Shelton is still in bed. A son and grandson of Carolton of Mr. and Mrs. F. Thompson came in last Tuesday to pull cotton. Mr. and Mrs. T. E. McGehee were shopping in Lubbock first Monday. Wilson

The Wilson school is scheduled to reopen a week from next Monday, the date being Oct. 21. At that time it is thought the farmers will be pretty well up with cotton harvest. One of the first homes ever occupied in Wilson and known as the old Burns home was moved away the first of the week to the W. H. May farm six miles southeast of town. Rev. J. W. Partin, Mrs. L. Lamsden, and Mrs. W. J. West attended the workers council of the Brownfield Baptist Association held at Wellman Tuesday. They went as delegates from the local Baptist church.

Mrs. H. B. Crosby was visiting relatives in Lubbock Tuesday.

Mr. Clyde Shaw was honored with a birthday dinner Sunday, prepared by his daughter, Miss Gerene. A number of friends and relatives were present to enjoy the feast and help Clyde in getting by another milepost.

Not much interest in election Tuesday. People were thinking more about using the fine day for getting in their crops than in going to the election.

Messrs. R. B. McAlister and L. H. Taylor of New Hope were Wilson visitors Sunday.

Miss Edith McCormick went to Southland Sunday, to be with her sister who is ill.

Miss Natalia Crosby was a week end guest in the home of her good friends, Misses Mattie Pearl and Maxine Jones of Tahoka.

Miss Willie Francis Key of Houston is visiting in the home of Mr. and Mrs. J. A. Hobbs.

Mr. Webbie Williams spent the week end in Sierra Blanca.

West Point

Miss Rose Wood was the guest of her sister, Mrs. Terry Noble, for a few days during the past week.

Mr. and Mrs. C. T. Tankersley and family spent Saturday in Brownfield visiting their daughter, Mrs. Clyde Briley. Clyde Briley Jr. returned with his grandparents for a short visit.

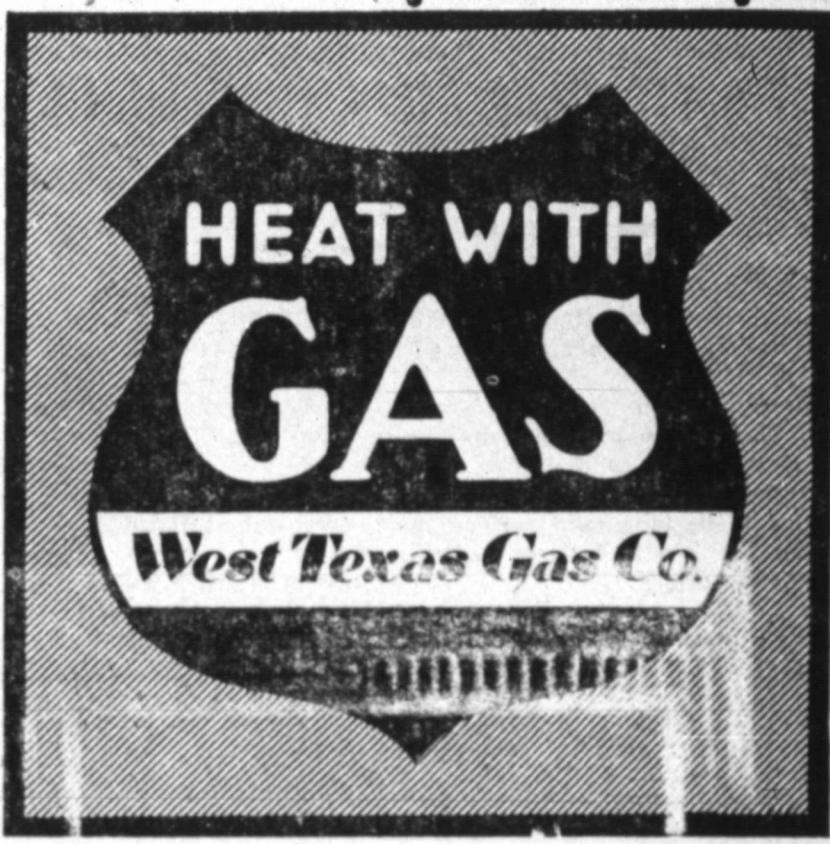

On last Friday night the students of the West Point school presented an entertainment for the benefit of their parents and residents of the community. The primary room presented a "Jack O' Lantern" program, and the upper grades presented a three act play, "Beads on a String." The school auditorium was filled with interested parents and friends.

Got Over Weak, Painful Condition By Taking Cardui

"I was weak and run-down and suffered quite a bit with pains in my side," writes Mrs. Nick Baranco, of Beaumont, Texas. "I was nervous! I did not rest well at night, and my appetite was poor. My mother had used Cardui with beneficial result, so I decided to take it. I surely am glad I did, for it stopped the pain in my side and built up my general health. I took seven bottles in all." For over 50 years, Cardui has been helping women just as this Texas lady describes above. Cardui is sold at all drug stores.

ROUGH to your finger

ROUGH IN YOUR STOMACH
means...
It's easy to say they're all alike—and easy to prove they are NOT. Dissolve a genuine Bayer Aspirin tablet in water, pour it off, feel the fine powder that coats the glass. Do this with some other tablet; see what coarse particles are left! They feel as sharp as sand, even to your finger. How must they affect those delicate membranes which line your throat—your stomach? For immediate relief from headaches, colds, sore throat, neuralgia or neuritis, lumbago, rheumatism, there's nothing like Bayer Aspirin. It cannot depress the heart.

Harley Sadler, Popular Showman, Is Coming To Tahoka Next Week

Harley Sadler's own company will open a week's engagement in Tahoka on Monday night under auspices of the Marion G. Bradley Post of the American Legion.

This company needs no introduction to the show-goers of West Texas. Harley has been playing the same territory annually, and has the reputation of always having a good, clean show. Only the very best plays and vaudeville are shown in the Sadler Tent Theatre.

The opening play this season will be "Kempy, or the Princess and the Plumber." Harley as the fire-eating old "Dad" of "The Princess," is a scream from start to finish. "Billie" Sadler will be seen as "The Princess" and Bart Couch as "the Plumber." The play is full of good, clean comedy and you will enjoy the laughable situations and sparkling dialogue.

The big ten-piece orchestra under the direction of Eddie See, is one of the finest musical organizations in the Southwest, and the vaudeville between acts of the play

is the very best that can be produced.

Ruton's "Educated Alley-Dogs" were a feature with the Ringling show for two seasons, and this is the first time they have ever been seen on the smaller circuits. In this troupe of dogs will be seen "Strongheart" (the Wonder Dog). You have seen him in the pictures, now see him in person. The Sadler show is larger this year than ever before, and the wonderful patronage enjoyed proves that the people will, and do, appreciate Mr. Sadler's efforts to give them nothing but the very best in clean, wholesome amusement. The big tent theatre is kept warm and comfortable in any kind of weather. Large stoves and plenty of fuel make this possible. "Northerns" do not interfere with the comfort of the patrons of the Sadler show. Prices have been reduced but the quantity and quality of the entertainment are kept up to the usual high standard.

Mr. Sadler invites you to come out Monday night and see "Kempy."

Smith Preaches Last Sermon Of The Year

Whether or not the Rev. H. C. Smith comes back from the Methodist Annual Conference this week at Amarillo for another year's pastorate of the local church, his membership will not forget the two unusually fine sermons which he used on his last Sunday of the current year. At the eleven o'clock hour a beautiful lesson of humility as well as altruism grew out of the unusual text: "Let not your right hand know what your left hand doeth."

The 27th chapter of Acts was in part the evening message—the comforting theme being the words: "Be of good cheer; there shall be no loss of any man's life among you." Frank Sargent sang the beautiful solo, "Hold Thou My Hand."

Special music at the morning service was the appropriate Armistice Day number, "In Flanders Fields," sung by Mrs. Moreland. It was also the feature of the church school worship hour, following Beethoven's "Minuet in G" used as a prelude.

Announcement was made of the selection of J. B. Pace Jr. as Adult Superintendent. Mr. Pace had charge.

METHODIST BENEFIT PARTY LAST THURSDAY EVENING

An outstanding affair of the season was the Benefit Party given at the Methodist Church Thursday, Nov. 3rd. A crowd of nearly 140 people had a very worth-while evening of entertainment, and \$43.80 was raised for the church.

Clever games, stunts, and relay races were supervised by Mrs. Frank Hill, assisted by Miss Elnora Dulaney. A laugh-provoking stunt was the bass solo sung by Miss Dulaney. As a climax to the affair, a mixed quartette composed of Dr. Townes, G. H. Nelson, C. H. Burnett, and Mrs. C. O. Carmack sang a medley of old songs. They were accompanied by Mrs. W. E. Suddarth.

A pretty plate of sandwiches and coffee was served to the guests.

MARK BROTHERS CRAZY OFF STAGE AS WELL AS ON

Simply cu-razy! Off stage and on! The public, which knows the Four Marx Brothers for a thoroughly insane lot, principally through such pictures as "Horse Feathers," their latest starring effort, which comes to the English Theatre Tuesday, Wednesday and Thursday, shares that knowledge with the quartet's best friends.

The latter know that in private the Marx boys are just as "batty" as they are on the stage or screen. Many a story about their mad off stage antics is going the rounds in a dozen cities in the country.

The Paramount studio in Hollywood in the least safe place in the film capital when the mad brothers are making a picture. Executives arriving at work one morning, for example, found the name plates from their doors had been shifted around, and no one knew which office was which. "The Marx Brothers got here early this morning," they were finally informed. And that explained it.

Harpo, silent, red-wigged member of the Marx quartet, is given to chasing blondes across stages and screens to the delight of audiences. But he does it in private life, too.

When the Marx Brothers were making personal appearances in Cincinnati last season, a pretty golden-haired cigarette girl in the swank Netherland Plaza Hotel learned that fact. She walked into a stately, solemn restaurant where all was decorum, to discover Harpo at a table with his other brothers. As she approached he made a lunge at her, as if to pursue her. She jumped. Then Harpo sprang up and she fled in earnest. Between the tables, around pillars, she ran, with Harpo close on her trail. Dignified head waiters and startled guests looked on in amazement, too surprised to do anything. Then Harpo abandoned the chase and went back to his dinner.
