You Are Welcome At All Times!

Miss Morris And Aubrey Davis Wed

A wedding occurred here Tuesday night that reminded one of the feasting and merriment that usually accompanied a marriage occasion a generation ago but which have fallen into disuse in recent years. The contracting parties were Miss Hazel Morris of New Home and Mr. Aubrey Cleo Davis, who resides south of Tahoka. The ceremony was performed at the home of the bride's sister, Mrs. L. B. Curtis, here in Tahoka, by Elder R. P. Drennon of the

Church of Christ, the ring ceremony being used, and following the wedding a sumptuous feast was enjoyed. This was accompanied by much merriment and music, A. J. Whittington and son dispensing the latter on their stringed instruments. Among the guests present were the parents of the groom, Mr. and Mrs. M. M. Davis, the parents of the bride, Mr. and Mrs. W. B. Morris, Mr. and Mrs. Claude Reagan, Mr. and Mrs. Herbert Witt of Lubbock, Charley and Ernest Welch of Hall county, Mr. and Mrs. A. J. Whittington, and many others including a host of young people. The News joins many friends in extending congratulations.

Lubbock Watchman Shoots Young Man

Colver Moreman, 17-year-old youth of Abernathy, was shot and fatally wounded in Lubbock last Friday night by W. N. Guthrie, a special officer, employed by business men in Lubbock as a night watchman. Moreman, three other boys and three girls were in a Ford coach on Ninth Street between Ave. F and G when the shooting occurred at 9:30 o'clock. The youth died in a hospital about 3:15 Saturday morning, almost six hours later. The car was stopped on Ninth Street and two of the boys got out, according to a statement made by Durwood H. Bradley, district attorney, who made an investigation. The boys returned to the car and as they were driving away they saw a man with a flash light coming toward the car. The car was backed out and as Moreman, who was driving, started to turn it around, a shot was fired, the windshield was broken, and the driver slumped over. Guthrie claimed that he had commanded the driver to stop, but none of the occupants heard the command, they said. A charge of murder has been filed against Guthrie. All the young people in the car were residents of Abernathy.

SECOND SHEETS, manila, 8 1/4 x 11, 500 for 75c at The Lynn County News.

Parkhurst Gives Postoffice Seekers Some Information

There seems to be some confusion on the part of the general public regarding the effect that a change of administration will have upon the personnel of a Post Office of the Second Class. All employees in a second class office are under Civil Service authority except the Postmaster. As the Civil Service Commission is strictly non-political, its employees serve until they reach the age of retirement, at which time they retire on an annuity which is taken from a fund created in the U. S. Treasury by a deduction of three and one-half percent of each employee's salary at each pay period. In connection with the above I wish to make clear my attitude toward any and each who may aspire to the Postmastership at Tahoka. I wish each of you to feel that I am your friend and that in asking for the job you are strictly within your rights. And further, any assistance I can give to start the successful candidate off upon his duties as Postmaster I will gladly give. I also wish to take this early opportunity to thank everyone of my patrons for your generosity in overlooking my mistakes (I have made some and so will the next Postmaster), and specially for your words of encouragement that have helped me to put the Tahoka office out far from the top for towns of our size in our state. My commission will expire about one year after the administration change. D. A. PARKHURST, Postmaster.

New Lynn

According to the Northwest Texas Conference held in Amarillo last week, Rev. Hamilton Wright of Southland will pastor the Methodist Church here for the ensuing year. He filled his first appointment Sunday morning and evening. Many were present, and all were blessed by his messages. Mr. Luther Baker returned home last week from the West Texas Hospital at Lubbock, where some time ago he underwent a major operation for blood poison. He is recovering as well as could be expected. Mr. and Mrs. Ira B. Krebbs and family of Tahoka spent the week end with his parents, Mr. and Mrs. C. W. Krebbs. A recent personal survey of our own local cemetery reveals the astonishing fact that there are 350 unmarked graves there. Where such graves are enclosed in a strong fence or stone or concrete curbing they were not counted but all outside graves marked with nothing more permanent than iron signs with a glass covered cardboard were counted. Now unless a grave is marked with name and dates cut or cast in stone, metal or concrete it runs the risk of being lost and some day being dug into. From existing records and oldtimers living it is now possible to mark nine-tenths of these unmarked graves accurately and permanently at small cost but a year from now it will not be so easy and each succeeding year it will grow more difficult. A handsome profit could be made marking all these graves for a dollar apiece but this cost could be cut 60 per cent or more by a contract covering the whole lot. Now those who live out of town who are interested in getting their graves in this cemetery properly and permanently marked should write or see me at once. No I have no marble, granite or other monuments for sale; neither will any plan

giving program Sunday evening, beginning at sun-down. A number of readings and special songs are being arranged for the event. Every one has a cordial invitation to be present.—Reporter.

MORGAN H. D. CLUB MEETS WITH MRS. P. A. CATO

The Morgan Home Demonstration Club met with Mrs. P. A. Cato Nov. 8. Five members were present: Messdames T. E. McGehee, Leo Cosgrove, R. M. Cade, P. A. Cato, and J. N. Townsend. Mrs. M. S. Hudson of Hale Center was present and gave an instructive talk on Farm Bureau work. Miss Harrison stressed the value of having reports in on time and classification of vegetables in our pantries. Also, planned with us menus from our pantries. Mrs. Cato gave a report of her penny having 925 quarts, valued at \$312.20. Co-operators helped thirty non-club members. One demonstrator helped fourteen. Number of containers earned in the club was 3,904, valued at \$1,171.20. The Morgan H. D. Club realized \$11.00 from their box social Saturday night. Miss Alpha Purdue won the cake for the prettiest girl, and Jas. Jernigan won the box of cigars for ugliest man. The club adjourned to meet with Mrs. R. M. Cade Nov. 22.

MARK EVERY GRAVE IN TAHOKA

A few months back I made a trip to Johnson county to fix up the four graves on our family lot in the old Bethany Cemetery near Godley. That I made a fine job of it is amply attested by photographs made at the time but only recently completed. In walking through this densely grass-grown grave yard to get water, rock, gravel and other materials for the work if ever I varied from a certain course I was almost sure to step down a foot into a sunken grave with the headboard rotted away and whose silent tenant was no longer known to anyone now living. This is what we might call the tragedy of the unmarked grave and makes the neglected cemetery such a blot on the otherwise beautiful Texas landscape. What a contrast to the handsome Elizabeth Crockett (David's widow) \$5,000 monument built with your money and mine in the old Acton cemetery in Hood county, an illustrated description of which over my signature will soon appear in a great metropolitan-daily newspaper. A recent personal survey of our own local cemetery reveals the astonishing fact that there are 350 unmarked graves there. Where such graves are enclosed in a strong fence or stone or concrete curbing they were not counted but all outside graves marked with nothing more permanent than iron signs with a glass covered cardboard were counted. Now unless a grave is marked with name and dates cut or cast in stone, metal or concrete it runs the risk of being lost and some day being dug into. From existing records and oldtimers living it is now possible to mark nine-tenths of these unmarked graves accurately and permanently at small cost but a year from now it will not be so easy and each succeeding year it will grow more difficult. A handsome profit could be made marking all these graves for a dollar apiece but this cost could be cut 60 per cent or more by a contract covering the whole lot. Now those who live out of town who are interested in getting their graves in this cemetery properly and permanently marked should write or see me at once. No I have no marble, granite or other monuments for sale; neither will any plan

of mine interfere with the business or selling plans of those who have. Rather, it will make it much easier for these salesmen to locate possible business and properly care for all business secured. All persons who live here who are or may be interested in the problem of eliminating the nameless unmarked graves from our beautiful local cemetery will be interested in the matter by direct personal contact.

Having helped to dig the sixth grave ever put there, I believe I can claim somewhat of a personal interest in the matter. When it is possible to carry out the entire program by community co-operation for the cost of a medium priced monument it is quite unlikely that our public-spirited community will fail to be interested in the project. CHRIS L. ADAIR.

CADE BROTHERS GET DEER

Our tax collector, A. M. Cade, and his two brothers, H. M. and V. L. Cade, of Wilson, returned Tuesday night from the Davis Mountains, where they spent a few days deer hunting. Each of the trio got his deer. A. M. says V. L. killed his first deer, a ten-point buck. The others had been there before.

There is nothing like The Pathfinder anywhere—noting equal to it at any price. Over a million people take it and swear by it. It takes the place of periodicals costing several times as much. News from all over the world, the inside of Washington affairs—the truth about politics and business, science, discovery, personalities, pictures, stories—and no end of fun. Call at our office, see samples of this club, or send the amount by mail. News, information, entertainment for a whole year. Two papers every week: your favorite local weekly and the most popular national weekly—104 splendid issues—Both a full year ONLY \$2.00

Pathfinder and Lynn Co. News

Both Are Best

Texas Service Station stands first in the South in better lubrication contest.

Texaco Marfack, used through our Certified Lubrication System, is the best in the world. Seven to nine grades of greases used in high-pressure guns are required to lubricate your car—the only PROPER way. If your car has not had a Marfack grease job, it has never been properly lubricated. Ask any man who has tried our service.

As the result of the recent South-wide Certified Marfack Lubrication Contest, Texas Service Station won the first prize of \$100.00 for the Southern states, and also the first prize of \$50.00 for the Dallas District. In other words, we stand above every Texaco station in the South in greasing service.

Quick Action Counts and BAYER has it!

Insist on genuine Bayer Aspirin! Not only for its safety, but for its speed. The tablet stamped Bayer dissolves at once. It gets to the seat of pain without delay. It is many minutes faster than any imitation you can buy, and time counts when you're in pain! For quick relief of headaches, colds, sore throat, neuralgia and rheumatism, periodic pains, and other suffering, stick to the tablets of Bayer manufacture. All druggists.

Genuine BAYER ASPIRIN
 does not depress the heart

Fifty and Fit

A MAN is as old—or as young—as his organs. At fifty, you can be in your prime. Why go along with "fairly good health" when you might be enjoying vigor you haven't felt for years? There's a simple little thing anyone can do to keep the vital organs stimulated, and feel fit all the time. People don't realize how sluggish they've grown until they've tried it. The stimulant that will stir your system to new life is Dr. Caldwell's syrup pepsin. It will make a most amazing difference in many ways. This famous doctor's prescription is a delicious syrup made with fresh herbs, active yeasts, and pure pepsin. It starts its good work with the

first spoonful. That's all you need to drive away the dullness and headache of a bilious spell, and put the system of that slow poison that saps your strength. It's better than a tonic for tired bowels, and unlike habit-forming laxatives you can take it freely or give it to any child. And it isn't expensive. Get some syrup pepsin today, and take a little tonight. Don't wait until you're sick to give your system this wonderful help. You can avoid those spells of biliousness or constipation. A spoonful every now and then is better than constant worry about the condition of your bowels, or fear of auto-intoxication as you grow older. Dr. Caldwell's syrup pepsin protects the system. All druggists keep this preparation.

Crane Tells More Ft. Griffin History; Answers 'Buckskin'

The story below is written in answer to an invitation for verification of historical data published in The News two weeks ago...

By R. C. CRANE, Sweetwater Pres. West Texas Historical Ass'n.
From the story which "Buckskin" tells it would appear quite probable...

Some of the things he tells about are such as could easily have happened in those days, though not written up or printed by others.

He says that there was a big flood of the Clear Fork of the Brazos, on which Ft. Griffin was built, in 1876.

He mentions saloons run by Poker Jack, Tol Bowers and Nat Buckham. It is possible that such men kept saloons during that period...

As the outstanding "wild" woman of Ft. Griffin whom he knew and places in the same class with Calamity Jane, Poker Alice and Belle Starr...

He tells of her threatening to kill a man when he recognized her and came near divulging her identity as a woman.

But there was an outstanding mystery woman who lived at Ft. Griffin for about three years in the period in question named Lottie Deno.

She gambled with men, was present at shooting scrapes between men and showed remarkable nerve. She lived in a shack all to herself in the outskirts of the town...

It was rumored that she was from Boston and was well connected; and that she lived a dual life—a saint in the East and a devil in the West.

WHEN IN LUBBOCK SHOP AT Jackman's
Womens Wear Exclusively

wards she mysteriously left town. Lottie Deno could hardly have been "Buckskin's" Bad Nell...

"Buckskin" says that he left the region of Ft. Griffin in 1880 while working for Frank and Andy Long. Frank and Andy Long ranched in 1880 in Nolan county...

The failure of "Buckskin" to mention the work of the Vigilantes Committee at Ft. Griffin and the effective work which it did in clearing that region of horse and cattle thieves and the like is notable.

"Quirt and Spur" gives an account of one man who was leading the double life and who was sent over the river by that committee; and the description given of his methods follows rather closely those of "Bill" for whom "Buckskin" worked...

But "Buckskin's" story is quite interesting, though it is not quite clear just how much real importance is to be attached to it for historical accuracy.

The two small daughters of Mr. and Mrs. Ed Brower, Gloria Dean and Marcella, who have been seriously ill during the past week are somewhat better now.

Mr. Albert Ridgeway, who has been seriously ill for a number of days with pneumonia, is reported to be much improved.

Sunday was regular preaching day at West Point. Rev. Lawrence Hayes of Tahoka was the guest preacher...

John Ray of the Magnolia community, who dropped in Saturday to renew his subscription, informed us that he expected to gather 50 bales of cotton from his crop of 65 acres.

Augustus Graves, who lives several miles northeast of Town on the Wilson road, brought the News force a sample quart of sorghum molasses Saturday.

Mr. and Mrs. Willis Pennington are the proud parents of a little daughter born November 19.

Mr. and Mrs. Otis Buchanan and little son came in from Amarillo last Thursday to reside here.

Wish to thank the people of Tahoka for their great kindness shown during the long illness and upon the death of our son and brother, Walter.

Mrs. J. M. Mitchell, L. O. Mitchell, and family, J. H. Mitchell and family, L. N. Mitchell and family, J. F. Mitchell and family...

The Lynn County News can still subscribe for The Lynn County News now!

J. H. Edwards returned Monday from Marlin, where he spent a few weeks for his health. Mr. Edwards was helped temporarily by the hot baths but he fears that his improvement may not be permanent.

Pastor Asks Larger Attendance At S. S.

We had a good day last Sunday. Our Sunday School attendance is considerably lower than a year ago. I am anxious that we not merely accept the busy times as an alibi, and be satisfied with short attendance. The harder we work, the more we ought to pray, lest we become polluted by the world's sins and corrupted in motive. The more the world calls upon us, the more careful we ought to be about worship. Jesus would not conform to the world, either in practice or motive, for the more they pressed upon him, the more oft he resorted to the secret place. Unless we stay close to one another, close to the church, and close to the Lord, now, Satan will divide us into factions and contending forces.

We can express our thanksgiving at this annual occasion in no finer way than for all of us to be at our places in Sunday School next Sunday morning. Amid all that we have lost, there remains much for which we are thankful. If we shall count our blessings, we may at once see that the highest values of life are unchanged and unshaken. We have received ample compensation for our losses, and there remains the best in life. Most of us have our health. We have friendships that outweigh the world's gold. Family affections, in most cases, are unimpaired. We have the most bountiful harvest in years. Our nation is at peace with the world. God is still good to his people.

The pastor preached at West Point last Saturday night and Sunday afternoon. The church there with its pastor is doing some splendid work. The enlistment and Every-Member canvass program shows marked gain. They are bringing a Thanksgiving offering next Sunday morning for State Missions. Being recipients of state mission work, as are all our churches, they want to and are having a part in preaching the Gospel to the foreign born and unevangelized in the great mission fields of Texas. No church, however small or poor, ought to be willing to receive the Gospel and then can-it-up and seal it air tight and store it away. That is not the way to keep, but the surest and best way to lose what we have. The lesson is written well and large in history.

Let's give our best these strategic days, and the best will come back to us. Let those come who are in sorrow, those who have troubles, those who have little, those who are weak, those who need help, and those who are poor will feel welcome, for the church was born out of the womb of poverty. "Come this way and we will do thee good."

Lawrence Hays, Pastor.

Wilson

Quite a number of our citizens are attending the Harley Sadler shows this week. He is in Slaton.

Considerable merriment was in order for about two hours Sunday afternoon at the expense of some newly-weds. Glenn Ward, Clayton Hamilton and Ray Jolly had so far escaped the usual trial and sentence meted out to newly-weds when all of a sudden they were pounced upon and chained up for further action. After some two hours, after some pressure had been brought about, the court decided to cease further prosecution and let the accused go free.

School started off in a fine way last Monday morning with all the faculty on hand and, it is said, about fifty per cent of the student body present to resume their studies. It is thought, however, that the attendance will increase very rapidly as the crop is fast being put into bales.

It is estimated that 6550 bales have been ginned so far at the local gin this year with about eighty-five percent of the crop gathered.

Representatives from the local Baptist Church that attended the annual Baptist Convention that was

held at Abilene last week, report that it was one of the best held in a long time. The interest is growing in the local church work with attendance picking up. The B. T. S. reports 11 new members for Sunday night, and around 80 for Sunday School.

Mr. Frank Hervol and family were Tahoka visitors Tuesday afternoon. They were seeking medical advice from a physician for one of the children.

Webbie Williams was on a business visit to Tahoka Tuesday.

Miss Zada Mae Scott of Lubbock, who has charge of the music department in our school, was here for work and started her class Tuesday.

CROSBYTON FARMER IS GATHERING BIG-CROP

Con Parrish, who lives a few miles southwest of Crosbyton, is using cotton harvesters in gathering his immense cotton crop, according to the Crosbyton Review.

Parrish has 2500 acres in cotton and estimates that he will gather 2300 or 2400 bales, almost a bale per acre. Recently he purchased twelve cotton harvesting machines and with them is gathering about sixty bales per day, at an estimated cost of 50 cents per acre.

Locals

Our good friend J. A. Humphries, teacher, political leader, and chief lieutenant of the Fergusons in this section of the state, was a visitor in Tahoka Tuesday. Mr. Humphries is a native of Bell county but has resided in this section for a number of years, having taught in this county three years of the time.

Mrs. A. R. McGonagill was taken to the West Texas Hospital in Lubbock again last Sunday for treatment. It is hoped that she may be able to come back home soon.

Mrs. E. N. Weathers, who has been sick the past week, is now reported as better. Mr. Weathers, who was also reported sick last week, has been up several days.

The News is glad this week to add Mrs. Eva McCormick of Wilson to our family of readers. We are always unusually glad to get new subscribers.

Elder R. P. Drennon will fill the pulpit of the Church of Christ in O'Donnell Sunday morning and evening.

Tom Lemond Jr., 9, son of Mr. and Mrs. Tom Lemond, who has been so seriously ill of pneumonia, was thought to be somewhat improved late Wednesday.

CARD OF THANKS

We wish to express our gratitude to our neighbors and friends for their sympathy and assistance extended us following the accident and upon the death of our dear father, H. N. Clark. We deeply appreciate every kindness shown us and are grateful for the beautiful floral offerings.

The Clark Children, C. A. and Mary Bailey.
