CAR FEES AID COUNTY ROADS

Citizens Urged By County Officials To Register Automobiles In Home County

County officials this week have asked us to appeal to car owners in this county to purchase their car licenses in this county so that the money may be used to improve Lynn county's roads.

All funds derived from the sale of car licenses up to \$50,000 go into the road fund of the county in which the licenses are sold, it is explained. When the sum exceeds \$50,000, the excess goes to the state and may be used in the improvement of roads far removed from the county in which the licenses were sold. If Lynn county car owners purchase their car licenses in some other county, Lynn county loses that much money from its public road fund; and if they purchase their licenses in some adjoining county in which there are many cars, the funds they pay in will probably not be used even in the adjoining county but will be sent to the state.

Therefore, it is to the interest of every car owner in Lynn county to purchase his car license in this county.

Jones Is Moving To West Side

The Jones Dry Goods Store moved this week from its former place of business on Main Street to the Jones building on the west side of the square, situated between Mack's Food Store and the Rochelle Cafe.

The Jones Dry Goods has been located on Main Street for several years and is one of the most popular dry goods and clothing stores in town. The new location is likewise a good one and this store will doubtless continue to enjoy a large patronage.

R. A. Hoover is the local manager.

New Year's Sermon At Methodist Church

"Whether to make new Year's resolutions or resolve to 'make good' on the old ones" was the practical subject discussed by the Methodist pastor Sunday morning. His text was based on Paul's momentous pronouncement: "Forgetting those things that are past, I press forward..."

Prof. M. J. Weaver conducted the worship preliminaries. The annual offering for the support of the Methodist Orphans' Home at Waco was received—a nice sum.

At the evening hour Rev. Smith chose the life of the first Christian martyr, Stephen, as his theme and brought a splendid lesson, reading the last seven verses of Acts 7.

Now that the weather and so much illness is abating, let us try to get our services back to normal again, both in interest and attendance. You are needed in the worship hour at 9:45 next Sunday. Please be on time!—Reporter.

Father Of Draw Pastor Is Dead

C. H. Hester died at his home near Brownfield Wednesday afternoon and was buried at 3:30 this afternoon.

He is the father of Rev. J. N. Hester, pastor of the Methodist Church at Draw, and the funeral was conducted by Pastor Sharp at Brownfield and Presiding Elder C. A. Bickley of Lubbock.

Mr. Hester, 74, leaves a widow and eleven children surviving, seven sons and four daughters. He has been a resident of Brownfield the past six years, coming to the plains from Navarro county.

WINTER KNIGHT RESIGNS; NEW SINCLAIR AGENT

Winter Knight has resigned as agent for the Sinclair Oil Company here and J. E. Wright, late of Lubbock, has been appointed as his successor. Mr. Wright and family moved to Tahoka Monday and are occupying the Mrs. M. L. Handley residence.

Miss Willie Lois Nevels will remain as book-keeper in the local office. Mr. Knight is not ready to make announcement as to his future plans.

G. H. Nelson In Court At Plains

G. H. Nelson, the new district attorney, went to Plains Monday morning to attend district court, which is in session there.

Mr. Nelson was compelled to plunge right into active court duty immediately after taking the oath of office.

Plan Basketball Tournament Here

In response to a call by Brady Nix, athletic director of the county, a number of coaches and committee members met Monday afternoon to arrange for basketball schedules.

It was decided that the county committee would sponsor a rural basketball contest for all rural schools that do not enter the regular county contest. Those teams entering the regular basketball contest will meet at Tahoka Saturday, Jan. 14, in a tournament to decide the county championship. Those schools entering this contest should report to Mr. Nix at Wilson at once. Elimination contests for the rural championship should begin Jan. 20 and the final tournament will be held Feb. 25. Those schools desiring to enter this rural tournament should report to the county superintendent as soon as possible.

Luttrell Family Holds Reunion

Four generations were represented at a family reunion held last Sunday in the home of J. W. Luttrell in the Midway community, according to L. M. Nordyke. Children, grand-children, together with a number of "in-laws" made up a party of thirty-four, who enjoyed the occasion to the utmost. Six daughters and two sons with their families were included in the list, as follows: Mr. and Mrs. L. M. Nordyke and family, Mr. and Mrs. Paul McDonald and family, Mr. and Mrs. Bob Traweck and family, Mr. and Mrs. J. O. King and family, Mr. and Mrs. George Henry and family, Mr. and Mrs. W. T. Luttrell and family, Mr. and Mrs. Bob Luttrell and family, and Mr. and Mrs. Verle Woodfin and family.

Mr. Luttrell is one of the pioneers of Lynn county. He came to the county in 1901 and later helped organize it. He has been a good and useful citizen all these years, and will soon celebrate his 76th birthday.

Ruby Decker And Delbert Brown Wed

Miss Ruby Decker of South Ward and Mr. Delbert Brown of Joe Bailey were married here Friday morning by Rev. Chas. Dykes.

The bride is the daughter of Mr. and Mrs. Frank Decker, and the groom a son of Mrs. J. S. Brown. Mr. Brown was a senior in Tahoka high school this year.

The News joins many friends in wishing them a happy married life.

MRS. WINGFIELD DIES

The press last week carried reports of the death of Mrs. J. I. Wingfield at Littlefield. The Wingfield family formerly resided in Tahoka, Mr. Wingfield being a jeweler here. This is the fourth death in the family during the past two years, one boy having been run over by a wagon and killed, one having been accidentally shot and killed, and one of the daughters having died from disease. Friends here will greatly sympathize with Mr. Wingfield in his succession of losses from death.

MISS KETNER DEPUTY CLERK

Miss Pearl Ketner has been appointed by H. C. Story as deputy county clerk, and she began her duties as such Monday. Miss Ketner has had quite a bit of experience in the clerk's office heretofore and is familiar with the records and with the duties of the office. She will be an efficient assistant.

Judge and Mrs. Clark M. Mullican of Lubbock were guests Sunday of A. R. McGonagill and family and Mrs. Gladys M. Stokes.

F. O. Jaynes and family spent the holidays visiting relatives at and near Merkel.

DRY MEETING HERE SUNDAY

Dr. R. C. Campbell, Lubbock, Will Be Speaker At Rally Of Prohibitionists

Acting in accordance with the plan of the United Forces for Prohibition, a new Dry organization perfected in Dallas recently, local Drys have called a mass meeting to be held in the Methodist Church here at 3:00 P. M. next Sunday afternoon, January 8, to perfect a local organization and to protest against the repeal of the Eighteenth Amendment or the modification of the Volstead and Dean laws.

This Amendment and the dry laws of the state and nation are in serious jeopardy and all who favor their retention are invited to attend this meeting. Dr. R. C. Campbell, pastor of the First Baptist Church of Lubbock, and other speakers will address the meeting. Local pastors are interested in the movement and will be present. A rousing time is expected. You should be there.

Will Send Maize To Orphan Home

Tahoka Baptists have been planning to send a car of maize heads and other feeds to Buckner Orphans Home, and Judge L. C. Heath, chairman of the committee that has the matter in charge, announces that a car will be on the track here next Tuesday morning. He requests that all persons who wish to contribute any feed to the Orphans Home shall bring it in on Tuesday, Wednesday, and Thursday of next week.

The Central Baptist Church is planning to load a car at the same time, we understand, and all who desire to contribute to this car should bring in their feed on these same days.

The Santa Fe Railway is furnishing transportation free of charge.

Miss Jettie Falkner, Frank Fenton Marry

After having kept the matter a secret for a full week, it became known Sunday that Frank Fenton and Miss Jettie Falkner were married at Clovis, New Mexico, on Sunday, December 25. We reported last week that they had accompanied Olin Killian and Mrs. Faye Ruth Williams to that place on the occasion of their marriage, but it now appears that Mr. Fenton and Miss Falkner were parties to a marriage ceremony themselves.

Frank Fenton has been reared here, being the son of Mr. and Mrs. R. W. Fenton, one of our most prominent families. The bride is the daughter of Mr. and Mrs. J. C. Falkner and is one of Tahoka's finest young women.

The couple has an apartment at the Swan residence.

TAHOKA MAN MARRIES BROWNFIELD YOUNG LADY

It's hard to keep up with all these weddings these days. One Tahoka young man went away and brought back a bride almost three weeks ago without our knowing anything about it. The parties to this marriage contract were Joe Davis of the Help Your Self Store, who recently came to Tahoka, and Miss Jo Lee of Brownfield, the marriage occurring in Lovington, New Mexico, on Sunday, December 18.

These fine young people have our best wishes.

Correction

Last week in our story of the marriage of Olin Killian and Mrs. Faye Ruth Williams, we stated that Mr. Killian was a brother of Mrs. Bert Cowan. This was error. Mr. Killian and Mrs. Cowan are not related in any degree either by blood or marriage. We gladly make the correction.

V. L. Botkins and family left for their home at Flat in Coryell county Wednesday morning after a visit of several days with V. A. Botkins and family of this place. The two gentlemen are brothers. The visiting Mr. Botkins has been engaged in business until recently. Having sold out he is thinking of locating somewhere on the South Plains. He likes this country very much and will probably come back to Tahoka soon.

NEW OFFICERS ARE SWORN IN

New Judge, County Attorney, Clerk, And Commissioners Are Now In Office

The new county officials and the old ones beginning new terms were sworn in just before the noon hour Monday morning before Judge G. C. Grider. The commissioners court met immediately after noon and approved the bonds.

The new officials are: W. E. Smith, county judge; H. C. Story, county clerk; L. M. Nordyke and Jim Izard, county commissioners; and Homer Harrison, public weigher in Tahoka. Truett Smith was promoted from the office of county clerk to county attorney. Officers beginning new terms are: W. S. Taylor, district clerk; A. M. Cade, tax collector; A. I. Thomas, tax assessor; Miss Viola Ellis, county treasurer; B. L. Parker, sheriff; and B. F. (Uncle Ben) Rogers, justice of the peace. County superintendent H. P. Caveness was elected two years ago to a four years term.

Miss Virgie Falkner, Tobe Kennedy Wed

Just one week after the marriage of her sister, Miss Virgie Falkner was married in Clovis, New Mexico, last Sunday to Mr. Tobe Kennedy of this city. From Clovis the young couple went to Tucuman, New Mexico, to spend this week visiting an aunt of the bride, after which they will return to Tahoka and will have an apartment in the Gaignat residence.

Mr. Kennedy has been employed most of the time for the past three years in the office of the Forest Lumber Company of this city. He is a young man of fine character and sterling worth. The bride is the daughter of Mr. and Mrs. J. C. Falkner and is a very fine young woman with hosts of friends.

Smith Announces Sunday's Services

To all who have problems: You are invited to attend the eleven o'clock service at the Methodist Church next Sunday. A special message has been prepared for you. Those who have no problems are asked to stay away that there may be room for the many who have financial burdens, domestic problems, and souls that want more rest. The church will be nice and warm, old time Gospel songs will be sung, and a heart message will be brought. Old people and those who have been sick have a special invitation. Come without money or price. Your friend, H. C. SMITH.

WOMEN GUESTS OF MEN'S SUNDAY SCHOOL CLASS

Upon invitation many of the women of the Baptist Church met with the men's down-town Bible class in the English Theatre last Sunday morning. In spite of the cold and inclement weather there were fifty-three present.

All enjoyed the exposition of the lesson very much, for Mr. Hogan is one of the best Sunday school teachers anywhere. He has devoted much time to the study of the scriptures, has a wonderful memory, and hence possesses a great fund of Biblical knowledge.

All men who are not members of some other Sunday school are invited to attend this class each Sunday morning at 9:45 o'clock. Not only are the men in town invited but a cordial and pressing invitation is extended to the men in the country all about.

NEGROES MARK GRAVES

Chas Deo, George Bivins, and a number of other colored citizens are raising a fund to mark the graves of their race who have died alone here or whose relatives have moved away.

George C. Lindley and family of the Edith community moved this week to Littlefield in Lamb county, where they will farm during the current year. Lynn county thus loses a good citizen and Lamb county gains one. Sorry these folks left us.

Miss El Fieda Harrison visited a friend in Tulla last week and heard the famous Harry Lauder sing in Amarillo.

B. R. Tate Buys Bankrupt Stock

B. R. Tate last Friday bought the S. R. Kemp stock of goods and is operating the business in the same building.

Mr. Kemp expects to farm this year, we understand.

Red Cross Roll 20 Members Short

Mr. A. L. Lockwood reports to me that he lacks just 20 members of having the quota for Lynn county, so we urge everyone that is thinking about enrolling as a member of the Red Cross for 1933 to see Mr. Lockwood at once and help him to get this quota. Please do this for Mr. Lockwood and the Red Cross. Mr. Lockwood has worked hard at this job and I would be glad that Lynn county gets its quota. Help now so that he can report to the National Red Cross office.

PARTY OFF ON BEAR HUNT

Mr. and Mrs. Oscar Roberts and Mr. and Mrs. A. D. Sanders left Tuesday for Mexico, where they are to hunt for deer and bear on a big ranch about 300 miles down in the state of Chihuahua. They were to be joined by Mr. and Mrs. Webb Williams at Sierra Blanca.

Red Cross Receives Additional Gifts

We have received the following nice donations since last report: Cash, \$1.00; Mrs. C. A. Thomas, clothing, \$2.00; Bert Dollins, clothing, \$5.00; G. A. Wilson, clothing, 47c; A. R. McDaniel, food, \$5.20; Mrs. John B. Stokes, food, 80c; H. M. Larkin, clothing, \$7.00; J. R. Strain, food and clothing, \$2.90.

We wish to thank everyone that brought these items to us for we can put them to good use.

We wish to say again that if you have buttons for work shirts, dresses and gowns, we can use them. Also, if you have a surplus of dried peas or beans, cracklins, hog jowls, home made soap, in fact anything to eat, we can use it and will gladly receipt you for it. When you bring anything to the office we would be glad that before you bring it that you would make a list of the items and price each one on the list so that we can make a proper record of it. Many thanks if you will kindly do this.

Lynn County Chapter Red Cross, B. P. Maddox, Chairman.

C. A. Miller Now Operating Cafe

C. A. Miller of O'Donnell, who owns the little building on Sweet Street in which Mr. and Mrs. Milt Finch have been operating a cafe, has terminated his lease on the building and will operate a cafe therein himself. His two sons will have charge.

BAPTIST PASTOR ANNOUNCES SUBJECT FOR NEXT SUNDAY

The subject for the morning hour at the Baptist church will be "Baptism of the Holy Spirit." This is a message all of our church family ought to hear. It is vital, fresh, engaging, and promises to be worth while for all those who attend. Many outside the Baptist membership will want to hear it.

The evening service will be evangelistic. Welcome to our services. LAWRENCE HAYES, Pastor.

NOTICE

Any person who has been using or who has in his possession any of the county's frescoes, scrapers, graders, plows, or other machinery will please notify your county commissioner to that effect at once, as we desire to know the location of all the county's property.

Commissioners Court.

Mr. and Mrs. G. B. Sherrord were made happy Saturday night by the arrival of a little daughter, Peggy Pat. Mrs. Sherrord is better remembered throughout the county as Miss Thelma Greenwade, county home demonstration agent for two years. Both mother and daughter are doing well, and Dad is feeling fine.

J. K. NOWLIN IS LAID TO REST

Well Known Farmer Dies Sunday Morning Following Stroke Of Paralysis

Lynn county lost one of her best citizens when J. K. Nowlin of the Edith community died at an early hour Sunday morning. Death followed a stroke of paralysis which he suffered a few days before. For a long time he had been a sufferer of Bright's disease and this was probably the primary cause of his death.

Funeral services were conducted from the Baptist Church here at 11 o'clock Monday morning, followed by interment in the Tahoka Cemetery. The funeral services were conducted by Rev. J. M. Doshier of Plainview, who had been an intimate friend of deceased for many years, in fact since his boyhood days, and had been his former pastor. He was assisted by Rev. L. L. Hays, pastor of the Baptist Church here at this time. A great concourse of relatives and friends attended the services at the church and followed the remains to their last resting place.

John K. Nowlin was born at Valley Mills in Bosque county on February 4, 1874. He was married to Miss Sallie McIntyre at Valley Mills in August, 1900. Of this marriage the following children were born, all of whom were present at the funeral: Deen, Loyd, P. A., Carl and Claude, twins, and Mrs. N. E. Wood. The family moved to the Edith community in Lynn county in January, 1917, and Mr. Nowlin has resided there ever since.

Mr. Nowlin was truly a good man. He had been a member of the Baptist Church since boyhood and for many years served as a Sunday school superintendent. He had also been a deacon for many years and at the time of his death was a member of the board of deacons of the church here. Quiet and unassuming but possessed of sterling character, he was one of the county's best and most highly-respected citizens.

He is survived by his wife and the above-named children, who have the sympathy of many friends in their bereavement.

Baptists Attend O'Donnell Meeting

Quite a number of Tahoka Baptists attended the Workers' Conference held in O'Donnell Tuesday, and they report it to have been one of the best meetings of the kind held in this section lately.

The attendance was better than usual, there being from 225 to 250 present, and the program, they say, was one of the best that has been presented in a long time. A great feast was spread by the O'Donnell ladies at the noon hour and the hospitality of the O'Donnell people was very gracious.

Those attending from Tahoka included Rev. Lawrence Hays, Rev. and Mrs. D. D. Johnson, Prof. and Mrs. H. P. Caveness, Mr. and Mrs. Burton Edwards, R. E. Key, and Misses F. L. Kelly, R. E. Thompson, G. H. Nelson, K. E. Durham, Belton Howell, Tom Lemond, Homer Harrison, E. N. Weathers, C. C. Barnes, R. C. Wells, Jodie Nevill, Borden Davis, Ollie Johnson and Miss Viola Ellis.

The next conference will be held the first Tuesday in February with Central Church.

Mack Noble Marries Lamesa Young Lady

J. Mack Noble of O'Donnell, Ford dealer for that city, and Miss Margaret Garland of Lamesa were married in that city Sunday.

Mr. Noble is the son of Mr. and Mrs. J. M. Noble and was reared in this county and has many friends in Tahoka. The bride is the daughter of Judge J. E. Garland of Lamesa. The marriage license was procured here.

MARTHA HELEN POWELL ENTERTAINS YOUNGER SET

Thomas H. McGregor, former state
senator, of Austin, has given out a
statement pointing out ways in
which vast sums of money may be
saved in the administration of the
state government. Some of his suggestions
are doubtless too radical and
are ill-advised but some of them at
least seem to us to be most timely.
For instance, he points out that
there has been appropriated to the
adjutant general's department during
the current biennium, according
to McGregor, \$930,466. Who can believe
that it is necessary for Texas to spend
nearly a million dollars every two years
on its military establishment? McGregor
says this expenditure ought to be reduced
at least half, and we believe he is
right about it. He also says that the
Agriculture Department ought to be
abolished and its functions transferred
to A. & M. College. Right again. Talk
about duplication! There is some of it
with a bang; and it is costing the State
\$332,000 dollars during the current
biennium, according to McGregor. He
contends that the Board of Control is
too heavy and costs entirely too much.
He favors the abolition of the eleven
courts of civil appeals. We could not
get along without the courts of civil
appeals until a reform in court procedure
is brought about. With drastic
changes and improvements in procedure,
the court system could probably be so
reorganized as to

dispense with some or all of these
courts. Other departments, McGregor
claims, are costing too much money.
He may be wrong in some respects
but he is evidently on the right trail.
May he stay in there and howl.

South Carolina is about to do a
thing that outrages every humanitarian
sentiment. She has incarcerated in
her state prison an expectant mother,
who is to be executed by hanging soon
after the birth of her child. South Carolina
is too far away for us to know much
about the facts, but the murder of which
she stands convicted does not appear to
have been committed after long pre-
meditation but seems to have resulted
from a sudden transport of passion.
She killed a policeman who was having
trouble with her husband. Even if the
murder had been of the most vicious
and inexcusable type, it would be a
terrible thing to hang a woman in her
condition, either before or after the
birth of the child. A cry of protest is
going up from all parts of the nation.
It is to be hoped that the governor of
South Carolina may commute the
punishment to life imprisonment. To
permit this woman to hang would be a
disgrace to South Carolina. This case
affords another reason why we believe
that juries should be charged only
with the duty of passing on the guilt
or innocence of a defendant, leaving
the punishment up to the trial judge.

Senator Borah has called attention
to the fact that the brewers are
already figuring on making vast profits
out of the manufacture and sale of
beer if the beer bill becomes a law.
Many of these prospective brewers
have recently appeared before
committees in the House and Senate
in the interest of the beer bill. This
conjures up memories of the political
corruption constantly practiced by
the brewers and liquor dealers
associations prior to the adoption of
prohibition. At every election they
were in politics up to the chin. Every
saloon, almost, was a political center.
They made it a point to elect
sheriffs and county attorneys and
chiefs of police and legislators and
governors who were favorable to
their cause. Often they bought or
intimidated those whom they did not
favor in the first place. All this was
a matter of common knowledge. History
will repeat itself when the liquor
traffic is again legalized. We are
having just a little foretaste now
of the political activities of those
interested in the liquor traffic. Has
the burnt child forgotten its experiences
with fire?

Arthur P. Duggan of Littlefield,
senator-elect from this district, has
announced that he will introduce a
Congressional re-districting bill in
the next legislature, which convenes
next week. It is generally conceded
that some kind of a re-districting bill
will be passed at this session. Fine.
But West Texas needs a State Representative
redistricting bill even
more than it needs a Congressional
redistricting. We are not equitably
represented at Austin. Somebody
should look after that matter. Perhaps
Senator Duggan will.

It now seems to be the plan of the
Democrats in the next Congress to
give Roosevelt plenary powers in
abolishing bureaus and reorganizing
the government. It is said that
Roosevelt wants a free hand in this
work. He believes that he can eliminate
a lot of waste and save the tax
payers a big pot of money. This
would seem to be the sensible way
to go about the matter. Here's hoping
that he succeeds.

Franklin D. Roosevelt left the
New York governorship Sunday night
with the State 100 million dollars
in the hole, according to press reports.
Say, that would be a lot of
money down here in Texas, folks.
It doesn't seem that the Governor
has had much success in balancing
the budget in his own state, but
maybe he will have better luck as
President.

The E. J. Cook family who have resided here for the past year, removed to Lubbock Saturday that they might be near the Tech.

Mr. Brady Nix purchased one of the Homer Scott dwellings in the northwest side of town.

Charlie Bird of Brownwood, formerly of this place, paid us a visit over Christmas and New Year's.

Rev. J. W. Partin, who has been pastor of the local Baptist Church for two and one-half years, resigned Sunday, Jan. 1, to take effect Feb. 1. Rev. Partin has been a faithful untiring worker, never shirking a single duty, putting his whole life and means into the work, never forgetting the sick and distressed, always ready to go himself. During their stay here this fine family has made a host of good, true friends both in and out of the church who regret that he felt he should resign, but if it is the Master's will that it should be so they trust that the good Christian influence of this family will be placed where it is needed most.

THEOPHORO'S BLACK-DRAUGHT is made from plants that come up from seeds and grow in the ground, like the garden vegetables you eat at every meal. NATURE has put into these plants an active medicine that stimulates the bowels to act—just as Nature put the materials that sustain your body into the vegetable foods you eat.

In Black-Draught you have a natural laxative, free from synthetic drugs. Its proper use does not make you have to depend on cathartic chemical drugs to get the bowels to act daily.

Find out by trying Black-Draught what a good medicine it is for constipation troubles. In 25¢ pkgs. (dry). P.S.—For Children, get the new, pleasant tasting SYRUP of Theodor's Black-Draught. 25¢ & 50¢ bottles.

WE STARTED SOMETHING
When the poet-laureate of this great religious weekly published that little bit of poetical verse last week, he seems to have started something. One of our good friends, who numbers himself among the faithful, felt that his side should be represented in this poetry business and so this week he brought in the following reply to our little poetic effusion. Just listen how he pours it on, folks. Here it is.

I read your nice little poem about Maury Hughes,
It sounds good to Regulars, they like the news.
The Bolters are sad, for they wanted some pie,
But Mr. Hughes left them, with a tear in their eye.

It was lots of fun to scratch Ma's name.
They thought they'd get Bullington and so end the game,
But the sober minded voter, who was tired and sick,
Steam-rollered Mr. Bolter, like a "thousand of brick."</
