OUTLAW GANG IS BROKEN UP

Lackley and Clifton Connected With Many Crimes; More Loot Is Found Here

Forty-six hens, sacked up, a quantity of bedding, and a 30-30 rifle were found Monday in a field on the Marcus Edwards place west of town. The rifle was found hidden in a shock of feed while the hens and the bedding were near by.

This was evidently a part of the loot brought here from Muleshoe by Walter Lackley, killed last Thursday by Sheriff B. L. Parker, and his companion, Charles Clifton, now in jail at Plainview for burglary and car theft. It is believed that there was a third man with them, who waited with this loot in the Edwards field, while his companions came in to town to market the remainder of the flock of chickens, intending doubtless to take the hens found in the Edwards field to another market. All the hens but one were still alive.

Acting on the belief that there was a third man and other chickens, officers searched a field west of town last week but they searched the wrong field.

Lackley, who was buried here Friday, had been indicted for burglary and car theft at Plainview on Thursday before the grand jury there learned that he had been killed in Tahoka, it is said. Indictments for the same offenses were also returned against Clifton, and he was taken to Plainview Tuesday and placed in jail there. He had been in jail here since the killing. It is said that he is wanted in a number of counties for various crimes.

Seven of the guns—rifles and shotguns—which were found in the Lackley-Clifton car here last Thursday following the shooting have been identified as the property of a hardware store at Portales, which was burglarized shortly before Christmas. A couple of pocket knives, a quantity of shells, a watch, and a belt, in the possession of these thieves were also identified as the property of this store. All this property has been turned over to the owner.

Three suits of clothes, one pair of boots, two hats, some underclothes, socks, and other merchandise was identified as the property of a dry goods store at Rotan, which was burglarized on Friday night preceding the appearance of these thieves here on last Thursday. These goods have likewise been returned to the owners.

Three suits, four pairs of shoes, some shirts, underclothes, and other merchandise has been identified as the property of The Fair, a store at Paducah, which store was burglarized about a week prior to the Rotan burglary.

A couple of hats found among the loot was identified as the property of a Muleshoe store. The night watchman there got so close in after the thieves that they left most of their loot in the alley.

The two pistols that Lackley and Clifton had on their persons were identified as the property of a hardware store at Plainview, which had been burglarized recently.

The car which they were driving was taken at Portales and the trailer was stolen at Littlefield. These have been turned over by Sheriff Parker to their respective owners.

Officers throughout this section believe that these two men were members of a gang of ten or more thieves and hi-jackers operating in New Mexico, Texas, and Oklahoma. In fact, three other men are in jail at Portales now charged with some of the offenses with which Lackley and Clifton are said to have been connected. A woman living at Snyder, the estranged wife of one member of the gang, was arrested and placed in jail following the killing here, and it is said that she gave evidence involving several of the gang. She has been released.

Dr. Turrentine Is New Health Officer

At a meeting of the commissioners court last Friday, Dr. L. E. Turrentine was appointed county health officer for the ensuing year.

W. C. Jones was again selected as janitor.

Mrs. Gladys Weaver is here from San Diego, California, visiting her parents, Mr. and Mrs. G. E. Hogan.

First Car Load Of Lynn County Silica Is Shipped To Dallas Manufacturers

Local Citizens Attend Inaugural

J. H. Edwards, George Small, and Judge G. C. Grider left Sunday for Austin to attend the inaugural ceremonies inducting Mrs. Miriam A. Ferguson into the governor's office.

Mr. and Mrs. Grover Stewart left early Tuesday morning, expecting to arrive in Austin in time to attend the inaugural ball. They expected to proceed to Houston the next day, where Mrs. Stewart had business, and to visit in Galveston before their return.

Wayland's Head Is Speaker Here

Dr. J. E. McDonald, president of Wayland College, Plainview, spoke at the Baptist Church last Sunday morning at 11 o'clock in the interest of Christian Education. Following his inspiring address, a plate collection was taken for the benefit of Wayland, amounting to \$14.00.

At the evening hour, Dr. J. J. Kellam of Dallas filled the pulpit. He is now representing Buckner Orphan Home but took no collection for this institution, since the Tahoka and Central Baptist churches just last week shipped a car of maize to that institution. Dr. Kellam has been in meetings in Tahoka so much that he is well known and greatly loved by all the Baptist folks and many others. His message Sunday night was a most interesting and inspiring one.

Local Students On Tech Honor Roll

The following Tahoka students in the Texas Technological College, were placed on the honor roll at the close of the Fall term, according to a report received from the registrar of that institution: Hazel Lynn Anglin, Barbara Maddox, J. D. Donaldson, and B. T. Smith.

Phoebe K. Warner Club MEETS WITH MRS. FENTON

The Phoebe K. Warner Club met Jan. 13 with Mrs. R. W. Fenton Jr. as Mrs. H. B. Howell had sickness in her home.

Two outstanding points of business for the day were the election of officers and the signing of a resolution stating our protest against the unfairness of the report of the joint committee on Economy and Efficiency in regard to our Teachers' Colleges and Texas Technological College. One copy of this resolution was sent the chairman of the joint committee, one copy to our senator, Hon. Arthur P. Duggan, and one to our representative, Hon. John N. Thomas.

The following officers were elected to serve two years: President, Mrs. R. W. Fenton Jr.; Vice-President, Mrs. L. C. Haney; Secretary-Treasurer, Mrs. L. E. Weathers; Corresponding Secretary, Mrs. A. B. Swan; Librarian, Mrs. J. C. Stokes.

A program on the Bible was led by Mrs. H. C. Smith.

GRASSLAND 4-H CLUB ELECTS 1933 OFFICERS

The Grassland 4-H Club met January 13 at the teachers' at 10:30 A. M.

The club was organized: Louise Edwards, president; Caroline Thomas, vice-president; Thelma Thrallkill, secretary and treasurer; and Pauline McCord, reporter.

Miss Harrison, our demonstrator, outlined the club work for 1933.

The following were present: Louise Edwards, Caroline Thomas, Lois Thompson, Estelle Edwards, Pauline McCord, Zelma Thrallkill, Adina Morgan, Vera Thrallkill, Rosalie Thompson, Martha Faye Thomas, Opal Greer, Inez Inklebarger, Jewell Roberts, Mildred Roberts, and Eugene Applig.

The club adjourned until January 27th.—Reporter.

SINGING AT DIXIE

The famous Stamps quartet will sing at Dixie Friday night at a box supper being sponsored by the singing class there. Neal Williams states. He also says a free community singing school is being conducted by Prof. Echels of Lubbock.

The first car load of silica from the mine six miles south of town was shipped out to Dallas Monday of this week, according to J. C. Blackburn who has the beds leased. Beginning next week he hopes to ship out at least two car loads per week.

Lynn county's silica will be used by Dallas manufacturing concerns in the production of sweeping compound, soap and paint.

Blackburn is also preparing to put up packages of silica to be placed on sale by drug stores and lumber yards for such uses as cleaning and polishing, wood filling, water-proofing, painting, molding, insulating, and as a substitute for oyster shell in the feeding of poultry. He is already manufacturing floor sweep for local consumption, and those who have used it say the product is better than higher priced floor sweeps.

Also, Clyde Smith, a floor sweep manufacturer of many years experience in South Texas, and Chris Schnell of Wilson have formed a partnership for manufacture and sale of floor sweep from silica, and they expect to cover the entire Plains territory.

Better Crowds At Methodist

The local Methodists made up two fine congregations Sunday and the pastor's sermons attested his inspiration therefrom. A dual message: "knowest thou casteth out fear" and the ultimate triumph of God's purposes, was built from the text in II Kings 6:16—" * * * they that be with us are more than they that be with them"—and opened our eyes to the wisdom of seeing things as they really are. At the night service a beautiful phrase from the Lord's prayer of intercession, John 17:15, surely helped every listener to be reconciled to his lot in life, to accept ungrudgingly his part in the Divine plan. W. S. Anglin conducted the preliminary worship at the morning hour.

The church school program opened with Rubinstein's "Angelic Dream" from "Kamennoi-Ostrov" followed by the hymn "It Pays to Serve Jesus" sung as a duet by Misses Maxine Jones and Betty Lu Sudarth.

The mid-week service was most interesting and instructive. Two groups taught by Mrs. R. W. Fenton and J. B. Pace Jr., began the study of the book of Acts. There is room and a welcome for every Christian in these splendid sessions. Come and find your place and lend your aid in making them bigger and better each week. The hour is 7:15 P. M. Wednesdays—meetings in comfortable basement rooms.

Let's bring our church school record back to the top next Sunday. Be on time at 9:45 for the feature. Supt. Pace will surely have another worthwhile lesson to bring us.—Reporter.

GIRLS ORGANIZE CLUB KNOWN AS THE "JUGS"

A group of girls met at the home of Miss Eunice Mullins Friday and organized a club. We selected the following: Name, "Jugs"; flower, phlox; colors, pink and white. We elected Mrs. Mullins our sponsor.

Officers of the club are: President, Eunice Mullins; vice-president, Mary Jane Weathers; secretary and treasurer, Anabel Reid. The following are members of the club: Eunice Mullins, Mary Jane Weathers, Maxine Jones, Anabel Reid, Wanza Reid, Dama Anglin, and Martha Helen Powell.

We decided to meet twice a month.

ERROR CORRECTED

In our issue of December 22, we stated that Pete Vail of O'Donnell is now serving a term in the penitentiary for the theft of W. O. Henderson's car. This was error. While Vail was indicted for the theft of this car he was not tried on this case. The offense for which he is serving a term in the penitentiary was the theft of automobile tires from the Burleson Grain Company of this city.

Interested parties have requested that we make this correction and we accordingly do so with pleasure.

Uncle of Maddox, Pioneer Sheriff, Dies

Newspapers last week carried an account of the death of B. N. Maddox, 81, an uncle of our own Judge B. P. Maddox, at his home in Palo Pinto county. He had been a resident of that county for 58 years and had played an important part in the history of that section. He served as sheriff of Palo Pinto county from 1890 to 1894 and again in 1898, and it was while he was serving in this capacity that bandits held up and robbed the Texas & Pacific passenger train at Gordon in that county.

Earlier in his career, he had had many exciting experiences with Indians and desperadoes. Once, during his absence from home, his wife innocently entertained the notorious Sam Bass and his band of outlaws for one night in their home. Soon after their departure, the identity of the desperado and his band was revealed.

Mr. Maddox was one of the leading and most highly respected citizens of his county and his death not only brings sorrow to hosts of friends and admirers but revives many memories of the stirring days of a half century ago, when pioneers such as Mr. Maddox were blazing the trail for civilization in West Texas.

Clay McCoy Gets State Appointment

Mr. and Mrs. Clay McCoy left Tuesday morning for Austin, where Clay has been appointed to a position in Adjutant General Hutchins' office.

Mr. McCoy, who is a son of Dr. and Mrs. J. H. McCoy and a grandson of Mr. and Mrs. J. S. Wells, is a most capable young man, and numerous friends here are delighted that he has been honored with this appointment, knowing that he will make good.

J. E. KETNER HONORED ON SIXTY-SIXTH BIRTHDAY

Unusual interest centered around a lovely hospitality honoring Mr. J. E. Ketner's sixty-sixth birthday Sunday at his home here. At the noon hour relatives and a few friends partook of the toothsome viands that graced the large table in the spacious dining room. Most of the food used was produced on the Ketner farm, to which the decorative touch was added by several beautiful cakes, fruit and candy. Pleasant conversation made the time pass all too quickly while Ed was just a boy having a birthday party.

Those present included the honoree, Mr. J. E. Ketner, Rev. and Mrs. H. C. Smith and children, Judge and Mrs. W. E. Smith, Mr. and Mrs. Jesse Barnes and children, Mr. and Mrs. Sam Reid, Mr. and Mrs. J. J. Atkinson, Mr. and Mrs. D. T. Rogers, Mrs. E. A. Coughran, Mrs. Barnes, Misses Pearl Ketner, Mary Squires, Louise Barnes, Pearl Rogers, Jessamine Smith, Masters L. J. Barnes and Jim Roy Brown.—A Guest.

BEETHOVEN HARMONY CLUB MEETS WITH CHAS. GAIGNAT

Charles Gaignat was host to the Beethoven Harmony Club Jan. 5th.

Scales were studied and played by each member. The music club is now a Federated club. The membership certificate is framed and hanging in the principal's office at the high school building. This junior music club is making wonderful progress under their sponsor, Mrs. Jack Applewhite.

After the study hour games were played. The host assisted by his mother served lovely refreshments of punch, cake and popcorn balls to the following members: Larue Cade, Mary Jane Weathers, Alxiss Weathers, Dottie Turrentine, Lottie Jo Townes, Wanza Reid, Anabel Reid, Martha Helen Powell, James Applewhite, Simeon Kemp Charles Gaignat.—Reporter.

Church Of Christ Plans For Future

Elder R. P. Drennon will fill the pulpit here next Lord's Day morning.

There will be a business meeting in the afternoon at which time every member is urged to be present. Plans for future work will be discussed.

There will be no night service as the young people and many others are going to Brownfield to put on a program.

Farm Loan Man Here This Week

John O. Stovall, formerly of Childress, came in this week to take the place of P. F. Murray in looking after loans made by the Government to farmers to enable them to make crops.

Mr. Stovall requests that all who have borrowed money from the Government and have not paid up or collateralized the same shall see him at once. He may be found at the First National Bank.

Mr. Stovall states that in making new loans for 1933, those who have properly taken care of their 1932 loans will receive the first consideration.

Unfortunate Need Food And Clothing

The following has been donated to the Red Cross since our last report: W. B. Edwards, food, \$1.00; A. L. Sheppard, food and clothing, \$3.00; Mrs. A. B. Short, food, \$1.50; Sherman Inman, clothing, \$3.00.

We need bacon, lard, dried beans, peas, home made soap, just any kind of wash soap and a pair of shoes for a little girl 12 years old out in the country to wear to school. If you have some shoes that young children have out grown that will keep this little girl's feet off of the cold, wet ground, we would be glad to have them. We can use syrup or molasses, any amount, if you have a surplus to spare. Many thanks for all the above nice donations and many thanks if anyone has any of the items above to donate that you have a surplus of.

Lynn County Chapter American Red Cross, B. P. Maddox, chairman.

MUSIC CLUB ENTERTAINED BY MMES. HILL MORELAND

Just as the opera season is in full swing in the large cities, the Tahoka Music Club chooses this time of the year to study the opera. The initial program was presented last Thursday evening at the home of Mrs. Frank Hill. Mrs. Layne Moreland was joint hostess.

For roll call, each member gave a favorite operatic selection. Mrs. L. C. Haney recounted the life histories of Bach and Handel. "The Beginning of the Opera" was read by Willie Lois Nevels. Mrs. Frank Hill gave the story of the opera "Carmen," after which a selection from "Carmen" was played on the victrola. "Spanish Rapheody" was also played.

It was decided that the Music Club accept the invitation of the Phoebe K. Warner Club to work with it in the presentation of a George Washington program.

Mrs. Clay Bennett, who recently married, was complimented at the close of the evening when Mrs. Ruby D. Suddarth presented her with a clock with matching candle sticks from the club.

WILL APPEAR OVER RADIO

Several pupils of Mrs. R. L. Richardson, local expression teacher, will be heard over Station KFYO, Lubbock Saturday afternoon at 4:30.

FIRST SANDSTORM STRIKES

We felt at home Wednesday afternoon. That sandstorm—the first in several months—served to remind us that this is West Texas.

Mr. and Mrs. L. C. Haney left Sunday to visit relatives in Roscoe and Carbon. They also expected to visit Waco before returning to Tahoka.

MURDER CASES ARE ON DOCKET

Several Old Cases Expected To Be Dismissed At Opening Of Court Session

Grand and petit jurors are being summoned to serve at the approaching term of district court, which convenes here on Monday, Feb. 13.

There are 61 cases pending on the criminal docket and 19 on the civil docket.

Among the criminal cases are two murder cases, the Mrs. Mollie Turner case and the Mrs. Ola Mae Redmon case. Mrs. Turner was tried and convicted two or three years ago but the case was reversed on appeal on the grounds that the principal State witness was an accomplice and that her testimony was not corroborated, as the law in such cases requires. The case has been passed over from term to term since that time with little or no effort to bring it to trial. It will probably be necessary sooner or later to dismiss this case. Mrs. Turner is charged with the murder of her husband near Wilson thirteen or fourteen years ago.

Mrs. Redmon was tried at the last term of the court for the alleged murder of Howard Chase. The jury was unable to agree and was discharged without having reached a verdict.

There are a few other old cases on the docket that have grown rusty with age, and it will probably be impracticable to bring them to trial. Then there is quite a list of rather recent cases in which intricate questions of law are involved and will either have to be dismissed because of defective indictments, it is said, or because the evidence will not support the indictments as drawn. The prospect is that very few of the 61 cases pending on the docket will be found to be in such condition that they can be tried at the approaching term of court. Many of them, possibly, can never be tried.

A grand jury panel of sixteen men has been drawn but it is found that two of the sixteen are not residents of the county. C. H. Mansell of O'Donnell lives in Dawson county and A. F. Meyers seems to be a resident of Columbus, Ohio. He pays taxes on property situated in this county and that probably accounts for the fact that his name got on the grand jury list. The grand jury will be impaneled on the first day of the term, Monday, February 13.

Grand jurors: Frank Stewart, Draw; W. D. Nevels, Tahoka; B. J. Emanuel, Magnolia; J. N. Schoeler, O'Donnell; J. D. Ford, Southland; W. H. Wynn, Southland; S. A. Cummings, Wilson; Jackson West, Dixie; Elmer Rice, Joe Stokes; A. F. Meyers, Columbus, O.; C. H. Matagell, Tom Yandell, and Shelby Bancum, O'Donnell; Lit Moore, Lakeview; John Fulford, Tahoka; E. A. Thomas, Grassland.

Petit jurors, second week: Harlan Cook, R. Bosworth, R. L. Littlepage, E. G. George, R. E. Poer, B. W. Baker, T. F. Moore, Claud Tucker, Burton Edwards, C. O. Carmack, L. E. Robinson, E. R. Tunnell, C. M. Greer, Clarence Gooding, B. F. Brieger, Hans Tunnell, J. W. Warrick, C. J. Graham, C. R. Brindle, P. O. Cabiness, G. C. Neiman, O. A. Corley, J. D. Martin, J. E. Morgan, Acie Bailey, Roy Evans, A. A. Mansfield, K. F. Knight, A. R. Tyler, S. H. Holland, John Evans.

DO YOU WANT A PAPER?

If the business concerns in Tahoka that rarely carry an advertisement would adopt the policy of carrying just a small ad each week—or nearly every week—it would enable us to get out a much more creditable paper, and we guarantee that the advertisers would be pleased with results.

Honestly, folks, we are almost ashamed of a little four-page paper, but it's the best we can do under the circumstances. Why not help us to issue a paper weekly that will be a credit to Tahoka? The Publishers.

LET'S JUNK IT!

Pardon us for mentioning it again,
but it's a serious matter.

They are trying to junk the Eight-
teenth Amendment.

They are trying to junk the Dry
Amendment in our State Constitu-
tion.

They are trying to junk the Vol-
stead Act and the Dean Law.

Measures are now pending in Con-
gress and in the State Legislature
with that end in view, and it looks
as if there is no way to stop them.

They say that "Prohibition has
been a failure—a farce."

All right, let's junk it.

Let's bring the saloons back.

Let's open up several here in Ta-
hoka.

We have a number of vacant
buildings ideally located for the busi-
ness. There is one here on the cor-
ner next door to the News office.
Some fellow could have a dandy sa-
loon there. Then there is the build-
ing recently vacated by the Jones
Dry Goods Company, right in the
middle of the block on Main Street
and just two doors from the First
National Bank. It is large enough
to have a back room where the
drunks could sleep off their jags,
and by cutting a door in the back
wall they could have a dandy back
entrance, which would be ideal for
Sunday business. Then just a little
further up the street is the building
formerly occupied by the Tahoka Dry
Goods Company. It is roomy, and
the choice liquors could be displayed
to great advantage. Another good
location would be the building next
door to Bovell's bakery, a nice little
place for a saloon. The only objec-
tion to any of these buildings would
be the fact that none of them has a
second story in which gambling
houses could be conducted. But sec-
ond stories could be built if neces-
sary. Of course there would have to
be a beer joint or two in the gin
district. There is an old store build-
ing down there that would be just
the thing.

But, they tell us, we are not to
have the saloons back. While they are
calling for naked repeal of the

Eighteenth Amendment, they say
that the states can enact legislation
to prevent the return of the saloon.
They are proposing that only "liquor
be sold only in unbroken packages
stores" be established—the liquor to
and not to be drunk on the premises
where sold. Yeah! Only curb service.
And, in this connection, they are pro-
posing that liquors may be sold in
hotels and cafes and drank with the
meals served. And nothing is propos-
ed to prohibit drinking in social
clubs, dance halls, etc. A fine tem-
perance program this! With "liquor
stores" in these vacant buildings
here in Tahoka, we would have some
riotous times at some of these dance
halls we have round about. And
"whoopie" on the highways, it would
be a fright.

But, they tell us, they are to re-
store the local option laws, whereby
a county or a precinct that doesn't
want liquor can vote it out, as they
did in the old days. A great sop! If
the National Government can not
enforce Prohibition, as they claim,
if the State Government can not en-
force it, then how do they expect a
county to enforce it when liquor may
be legally sold in neighboring coun-
ties? Paved highways and millions
of automobiles would render local
prohibition impossible.

So, folks, let's junk the Eighteenth
Amendment. Let's junk state-wide
prohibition. Let's bring the saloons
back. Let's fill up these vacant build-
ings here in Tahoka. A lot of our
young folks have never seen a sa-
loon. Of course they have seen the
Wild West kind as depicted in the
picture shows, but they have never
seen one in actual operation right
here among us. Let's give them an
opportunity to see the real thing.
Let's give them the chance to walk
up to the bar, place one foot on the
brass rail, and blow off the foam.
The thousands of whiskey bottles
and wine bottles glittering and
sparkling under the glare of electric
lights would present a beautiful and
attractive picture. And it would do
away with this rotten boot-leg li-
quor, don't you know? And there
would be the revenue. The liquor
business would pay so much revenue
that our other taxes would not
amount to much. It's a capital idea.
Since we've come to think about it,
we can't understand why the State
and the Nation ever banished the
saloon anyway. Or why Tahoka
should banish them. Let's bring them
back. Let's make Tahoka as wet as
the Atlantic Ocean. Down with this
farce called Prohibition! Down with
these fanatical and hypocritical
"drys." Let liquor flow and joy be
unconfined!

We understand that state highway
engineers say that it might be pos-
sible for the work of paving highway
No. 9 through Lynn county to begin
some time this spring if the county
would furnish the right-of-way 100
feet wide. As in Garza county, much
of the labor would be done by local
people, we understand, and this im-
provement would thus furnish much
employment to our people at a time
when it is greatly needed. County
Judge W. E. Smith and members of
the commissioners court are at work
on the proposition. It is to be hoped
that they may be able to procure the
desired right-of-way promptly and
at reasonable cost. Our people and
land owners should cooperate with
them in every way possible.

**LET US DO YOUR
CLEANING and
PRESSING**

We make it a point to please

Louie, the Tailor**AWAY YOUT WEST**

Where does the West begin?
Where is the West "at"? A lot of
towns away back east have been
claiming that they are in West Tex-
as. We have no objection; glad to
take 'em in. But we read a news
story in one of the big dailies the
other day that got our goat. It re-
peatedly alluded to the new State
Senator from Bell county as a West
Texas Senator. We figured that if
Bell county was in West Texas then
Yurup was on this side the Atlantic.
So, the poet-laureate of this sheet
got wool-gathered over the problem
and finally went off into a trance.
While in this condition, one or two
of his few brain cells got to work-
ing, and the result was the following
bit of idiotic verse—which may or
may not contain a grain of truth. If
you can manage to read it through
we hope you get some "kick" out of
it, but please don't kick us. This is
the way it goes:

Listen, my children, and I will sing
Of Kublai Khan, a Chinese king.
He built his palace at Cambalu;
His kingdom spread and his power
grew.

He lived in grand and gaudy style,
And people came for many a mile
To view his splendor and his wealth,
To eat his bread and drink his health.

One Marco Polo, long his guest,
Came from the "Wild and Woolly
West"—

At least that's what he told the khan,
And Marco was a truthful (?) man.

The village of Venice was his home,
Not far from an ancient town called
Rome;
And, may be it was a western town,
But that's not the way I've got it
down.

It never grew, on lawn or street,
A prickly pear or scrub mesquite;
And drouths, I'm told, were very
rare,
And sandstorms seldom filled the air.

No coyotes howling in the "breaks",
No prairie dogs nor rattlesnakes,
No sage-brush and no chaparrals,
No ranches, round-ups, or corrals.

No long-horned cattle roamed the
plain,
No bucking broncs in that domain;
No cow-boys shooting up the town,
No lights shot out or men shot down.

Yet Marco Polo claimed with zest
That Venice was "away out west";
And Kublai Kahn of Cambalu
Believed what Marco said was true.

But all of us—out here at least—
Know Venice is away back east;
Which proves: The further west you
go,
The more the people really know.

While we have had no expression
whatever from Jim Ferguson re-
specting his attitude toward the re-
commendation of the late and la-
mented "Efficiency and Economy
Committee" whereby they would
practically destroy the Teachers Col-
leges of Texas and reduce the Texas
Tech to a minor position in the edu-
cational system of this state, yet
we believe that he has too much
brains to give a moment's counte-
nance to the suggestion. In the first
place he has no reason for wishing
to see these institutions sacrificed
for the benefit of the University of
Texas and the A. & M. College, since
the University especially has been no
too good a friend to the Fergusons.
Furthermore, by destroying or im-
pairing the usefulness of these in-
stitutions, he would incur the bitter
enmity of the people served by these
institutions, particularly the people
of the Panhandle-Plains region. What
ever may be said of Jim Ferguson,
nobody has ever charged him with
being a fool. In fact he is generally
recognized as one of the brainiest
men that ever held a place of lead-
ership in the politics of this state,
and we do not believe that he will
be misled and bamboozled by this
false and hypocritical cry of "econ-
omy" in dealing with our West Tex-
as schools. We predict that this re-
port, is so far as it relates to our
educational system, will be promptly
taken by the nape of the neck and
kicked out the back door, if it ever
succeeds in reaching the governor's
office.

While we have never relied very
strongly on the ability of our Gov-
ernment to bring prosperity to the
farmer, yet the Domestic Allotment
plan as embodied in a bill now pend-
ing in Congress seems to us to offer
greater promise of real relief and
prosperity to the farmer than any
proposal heretofore made. We hope
that it can be so framed, as to be
effective and at the same time be
free from Constitutional objections.
It probably can not be enacted into
law at the present session of Con-
gress but doubtless can be passed at
the next session. We understand it
has the backing of President-Elect

Roosevelt. In fact, he advocated the
principle involved in this measure
during the recent campaign. We hope
it works.

Highway No. 84 has been re-rout-
ed from Post up the cap-rock. The
ascent up the cap-rock is much more
gradual than the old road and the
distance from Post to Tahoka is
decreased by possibly as much as a
mile. The right-of-way over this
new sector of 84 is 100 feet wide. It
is the purpose to eventually broaden
the right-of-way to 100 feet through
Lynn and other counties. We hope
that this may be done at no distant
date, and that some character of
hard-surface is placed on this high-
way. It is important for East-and-
West traffic and would be of great
benefit to the counties through which
it passes.

A TONIC Laxative

CONSTIPATION, with the annoy-
ing symptoms that usually come
with it, cuts down organic force
and disturbs normal health and
well-being. A thorough cleansing
of the digestive tract is of great
assistance in the removal of sick-
ening constipation symptoms.

When excessive accumulated
waste matter disturbs and strains
the muscles of the large intestine,
rendering them temporarily un-
able to perform their wave-like
evacuating movements, Thedford's
Black-Draught is useful in stimu-
lating them to activity, which,
again started, should continue
regularly until some future dis-
turbance interferes. In this way,
Thedford's Black-Draught is one
of the TONIC laxatives, tending,
as it does, to establish a regular
habit of evacuation.

Our boys basketball team is undergoing some difficult workouts but are rapidly getting in shape again. Those playing are Virgil Carter, Roy Krebbs, Fred Stone, Lee Roy Baker, Sherrell Cavness, and the two Duckettas, Wesley and Lesley. These seven boys are expected to play some splendid ball and win many victories during this season. Thus far they have one game to their credit.

On Wednesday night of last week the Lions met Close City at Southland in a close contest which resulted in a score of 19 to 15 in favor of Close City, this being the first game the boys played this season. Carter was high point man with 12 points.

Friday Close City returned the game, playing here. Considerable improvement was shown by the Lions and the game was easily won by a score of 20 to 15. Krebbs scored 10 point for high point honors. The team is coached by Prin. J. B. Miller.

Splendid services and good attendance was the report from the Methodist church over the week end. Officers elected Sunday night for the League were: Lee Roy Baker, president; Otto Spears, vice-president. Committees and other officers will be appointed later. All Leaguers enjoyed a splendid address given them by the pastor, Rev. Hamilton Wright of Southland.

Locals

A telephone call from Oscar Roberts to the home folks here Tuesday morning revealed that his party, including Mrs. Roberts, Mr. and Mrs. A. D. Sanders and Mr. and Mrs. Webb Williams, was experiencing some of the "joys" incident to a hunting trip in Mexico. The telephone call was from El Paso. He stated that his car had broken down at a point 175 miles in the interior of Mexico and there was no reliable mechanic closer than El Paso. Accordingly he had left the rest of the party and come into El Paso for a mechanic. We never learned how many bears he had killed.

Mrs. Hubert Davis and boys are here visiting her mother, Mrs. E. S. Davis, and other relatives.

R. L. Craig of the Magnolia community was a visitor in the News office Tuesday and stated that he had gathered 61 bales of cotton the past season from 100 acres, big bales they were too. He was exceedingly well pleased with his yield. Mr. Craig also reports that just before Christmas he visited a half brother in Okmulgee, Okla., whom he had not seen in 37 years. It was a happy meeting.

Mr. and Mrs. L. F. Craft are spending a few days here with friends this week. They have been in San Antonio and other South Texas points where Mrs. Craft has been taking medical treatment. She returned to Tahoka much improved. They will leave the latter part of the week for New Braunfels.

Jim Wetzel and M. A. Scott left Wednesday for Vernon to inspect some hotel property for which they recently traded. They expected to either lease or sell the hotel while there. Before returning to Tahoka they expect to visit Fort Worth, Dallas, Palestine, and points in the lower Rio Grande Valley.

C. J. Campbell, who lived here so long but who now resides in Cochran county, was here last week end visiting relatives. Suspecting that the editor needed sweetening up a bit, he brought us three buckets of good old sorghum molasses. That pays his subscription for a whole year.

Miss Amanda Leedy has again accepted a position with the Hogan Dry Goods Store. She has had much experience as a saleslady and has been employed at Hogan's much of the time the past few years. She would be glad for any of her friends and former customers to call.

Thousands of Women
Have Taken Cardui
on Their Mothers' Advice

It is an impressive fact that many women have said they learned of the value of Cardui from their mothers.
What stronger evidence of her confidence in a medicine could a mother have than that she advises her daughter to take it?
Cardui is given the credit for relieving so many cases of womanly suffering that it is widely and favorably known. Druggists, everywhere, sell it.
If you are weak, run-down, suffering monthly, take Cardui. Take it for a reasonable length of time and try it thoroughly. As your health improves, you will share the enthusiasm of thousands of women who have written to say: "Cardui helped me."

Notice To Taxpayers

I just want to call the attention
of those taxpayers that are interest-
ed in keeping their property clear
from all liens, to article 7258 of "the
Revised Statutes of Texas" as fol-
lows: "Every receipt for the pay-
ment of taxes on property, hereaf-
ter and heretofore paid, collected by
State, County or Municipal officers,
may be recorded in the office of the
County Clerk and such record shall
be a notice to all the world of the
payment of such tax, and certified
copies thereof may be used to evi-
dence in all issues." Also under ar-
ticle 7289, where anyone has received
a "Certificate of Redemption," it
may be admitted to record in like
manner "with other conveyances of
land."

Each of these recorded might save
you worlds of worry and expense in
later years, should you lose, in any
manner the only release (your tax
receipt) you have to show that your
taxes have been paid. Now is a good
time to have your receipts recorded
for tax paying has been so irregular
you might lose track of your tax re-

the Blues, the White group losing

eight members assembled at the
school building for an evening of
fun, and we were certainly not dis-
appointed. The program which fol-
lowed was very amusing and enjoyed
by all—so many expressed them-
selves that we should have at least
one entertainment each month. After
very delicious refreshments were
served everyone left wishing it
would happen again.
