MRS. MARTIN, DRAW, BURIED

Buried Saturday Following Stroke Of Apoplexy On Preceding Day At Home

Mrs. J. D. Martin, 56, died at 5:30 o'clock Saturday morning at her home near Draw. Funeral services were conducted Saturday afternoon at the Draw Methodist Church, of which Mrs. Martin had long been a faithful and devoted member, the pastor, Rev. J. N. Hester, officiating, assisted by Rev. J. Ham Wright of Southland, a former pastor at Draw. Mrs. Martin had been in ill health for a long time but the immediate cause of her death was a stroke of apoplexy which she suffered Friday morning. All the children who were away from home were notified and all reached her bedside before she died. Surviving her are the husband, J. D. Martin, and five children; Mrs. Loreta Story of Tahoka, Mrs. Mary McCollum of Dallas, Miss Leda Martin, one of the teachers at Joe Bailey, and Weldon and Dudley Martin of the home.

Mrs. Martin, whose maiden name was Genevieve Woods, was born in Hopkins county August 1, 1876, and was married to J. D. Martin in the same county on Feb. 28, 1897. She joined the Methodist Church when 15 years of age and had lived a devout Christian life ever since.

Mrs. Martin was truly a good woman and great hosts of friends deplore her untimely death. The News joins in condolences to all the bereaved.

Sen. A. P. Duggan Airs Some Views

The News editor has received a communication from Senator A. P. Duggan, Austin, under date of January 20, in which he states that he has no notion of voting to repeal the Dean law.

Respecting West Texas educational institutions and other matters, Senator Duggan writes as follows: "You may be sure that I will do everything in my power to preserve the Tech College in all its present usefulness. I first thought that the fight against the West Texas educational institutions was not serious, but I have now come to the opinion that it is going to be quite serious. A very determined effort will be made to turn the Tech into a little college of Arts and Sciences and make a Junior College of the Canyon school."

"I expect to vote to cut appropriations of all state educational institutions, probably 25 per cent. I voted to the last to make the pay of the Legislators \$8.00 per day. I have voted and will continue to vote for every economy measure that is presented because I know that our cost of government must come down. I would not, however, call it economy to tear down our educational institutions which we have been fifty years in building up."

Senator Duggan promises to send us articles occasionally giving his views on pending legislation.

Gin At O'Donnell Burned Tuesday

The Edwards gin plant at O'Donnell, situated on the northern outskirts of the town, was totally destroyed by fire Tuesday about noon. Origin of the fire was not learned.

The Edwards gin was the first gin plant erected at O'Donnell, according to W. H. Thornhill.

GARRARD UNPERTURBED OVER SENATE'S FIGHT

Hon Tom Garrard of Lubbock, who was recently run down and seriously injured by an automobile, receiving a fracture of the leg, was a Tahoka visitor Tuesday.

Mr. Garrard seemed serene and unperturbed notwithstanding the fact that a terrific struggle had just been raging in the Texas Senate respecting his reappointment by Governor Sterling recently as a member of the state board of education. Mrs. Ferguson undertook to withdraw the appointment but the Senate refused to permit that to be done by a vote of 16 to 11.

Jack Sullivan Is Given 20 Years

Jack Sullivan was convicted in the district court at Plainview Wednesday of the robbery of the Olton State Bank last summer and his punishment assessed at 20 years in the penitentiary. Three other men have been indicted for participation in the crime. The bank was robbed of \$3,867.54 on July 15.

Sullivan is under indictment here for the theft of the W. O. Henderson car last summer. Pete Vail, who is now serving a penitentiary sentence from this county for another crime, and Mary Cuban, in jail here, are under indictment here for the same crime.

Young People Hurt In Wreck

Five Tahoka young people were all painfully but not seriously hurt in Lubbock Saturday night when a car in which they were riding overturned. The five were Misses Ney Camille Fenton, Reta Shook, Eva Douthit, Corbin Douthit and A. J. Thompson. A Lubbock girl was the driver of the car.

Miss Ney Camille Fenton was perhaps the most seriously hurt of any. At first it was thought that her injuries were serious but an x-ray examination at the West Texas Hospital revealed no broken bones. She was confined to her bed for three or four days and had considerable fever the first two days. A. J. Thompson received some severe bruises and abrasions and was likewise confined to his bed two or three days. Corbin Douthit received an injury to the knee and the other two sustained painful bruises and lacerations.

The five had been attending an Epworth League meeting in Lubbock and following the meeting had gone out to a mock marriage entertainment in a home. While returning to town the driver suddenly threw on the brakes and the car toppled over.

Miss Bosworth And Douglas Jones Wed

Miss Erlene Bosworth, daughter of R. Bosworth, residing near Central Church, was married here Saturday afternoon to Douglas Jones of the New Lynn community. Rev. D. D. Johnson officiated, the ceremony taking place at his residence. The young couple will reside in the vicinity of Central Church.

The bride is well known here, being a sister of Mrs. Deen Nowlin and having resided in Tahoka a few years ago. She is a most excellent young woman with hosts of friends. The groom is said to be a most estimable young man and popular in his community.

The News extends congratulations.

Brasfield Opening Service Station

G. A. Brasfield has leased and on this morning opened the Texas Service Station, which has been closed the past two weeks.

Mr. Brasfield has been here several years as manager of the Forrest Lumber Company and is one of Tahoka's best citizens. The Texas Service station has been in business here several years also, and many are glad to see it open again.

Plan Tournament In Girls' Basketball

At a recent meeting of the District Directors of the University Interscholastic League for District No. 2 it was officially decided upon to have a contest in girls' basketball for the year 1932-33.

As Director General of the University Interscholastic League in Lynn County, which county is included in district No. 2, I request representatives of all schools in the county that are interested in girls' basketball and that want to enter a tournament to decide the winning team of the county to meet at the County Superintendent's office at 5 P. M. Monday Jan. 30.

J. B. Pace, Jr., Director General U. I. L. Lynn County.

B. F. (Uncle Ben) Rogers has been quite sick the past week but is now able to be out again.

TAHOKA GINS HANDLE 11,441

New Records For City Is Set, With Several Hundred Bales Yet To Be Ginned

Cotton ginnings in Tahoka during past season up to 2:00 o'clock Wednesday afternoon amounted to 11,441 bales, according to statistics gathered by the News. It is believed that this is the largest number of bales ever ginned here in a single season, though we have not checked up on the record of past years. There will probably be between 500 and 1,000 bales ginned here yet.

We have no authentic information as to the number of bales ginned in the county but it will probably run as high as 55,000 bales.

A report of the Census Bureau released Monday gave the total number of bales ginned in the United States this season prior to January 16 as 12,418,310. The Texas crop had reached a total of 4,166,715.

THUMBING THEIR WAY

Lubbock, Jan. 25—A good many boys who are unable to pay for room and board while attending Texas Tech are thumbing their way daily on the highways into Lubbock. Wayne Stell and Theron Jay of Idalou, 15 miles from Lubbock, attended school in this manner without missing a day during the fall term.

Tulia's Sheriff Killed By Thugs

John C. Moseley, sheriff of Swisher county, was killed at Tulia soon after midnight Sunday night by three suspects whom he had arrested and was preparing to take to his office for questioning. He had been notified by officers at Happy that the three men were headed toward Tulia. He encountered them at the northern limits of the town and fired at the car, shooting low, to stop them. He succeeded in stopping them near a filling station in the east part of town and had ordered them to go to his office with him. While turning his car around to go back to town they closed in on him and began firing. They then robbed the filling station and escaped. The car contained two men and a woman.

Moseley was serving his third term as Sheriff. Feeling in Tulia against the criminals has been running high since the killing and a heavy reward has been offered for their arrest and conviction.

Post's Highway Work Underway

Construction work on the bridge that will cross Sand Creek, two miles southeast of Justiceburg, on the new highway No. 7, was started this week. The bridge will be 10 spans in length, 28 1/2 feet to the span. It is to be constructed of concrete and steel.

Construction of a bridge to cross Sand Creek one mile south of Post on highway No. 7, will also be started this week. This bridge will be 8 spans, 10 feet to the span, in length.

Work will be started within the next few days on grading and drainage on the strip of highway No. 7 from the bridge that crosses Double Mountain river at Justiceburg, to the Scurry county line. The 8 1/2 mile strip of highway construction along with the bridge work will furnish employment for fifty to seventy-five men and about half as many teams.

Plans for the construction of the highway No. 7 from Post north to the Lubbock county line have been approved and it is understood that the contract for the construction of the new strip will be included in the next letting of contracts by the State Highway Commission, about the first week in February.—Post Dispatch.

CLAUD WELLS RECEIVES AN ACCIDENTAL WOUND

Claud Wells is still carrying his arm in a sling as the result of a wound accidentally received early last week while he was dressing a hog. The knife slipped and cut an ugly gash on his wrist, and Claude says he almost bled to death before the flow of blood could be stopped.

LYNN WOMAN PASSES AWAY

Mrs. J. M. Spears Dies Following Operation For Appendicitis; Is Buried Here

Mrs. J. M. Spears of New Lynn died in the West Texas Hospital in Lubbock Sunday afternoon and the remains were buried in the cemetery here Monday afternoon. Funeral services were conducted at the Methodist Church at New Lynn soon after noon Monday by Rev. H. L. Thurston, the pastor, and Rev. J. Hamilton Wright of Southland, assisted by Rev. J. M. Hale, the Baptist pastor at Brownfield.

Mrs. Spears had undergone an operation for appendicitis in the West Texas Hospital about ten days prior to her death. She was taken to the hospital in a serious condition but there was some delay in the operation and following the operation the patient was never able to rally.

Mrs. Spears was 45 years of age, having been born November 20, 1887. She was a devout and faithful member of the Methodist Church and was much loved by the people of her community. Besides her husband she leaves four children surviving her, as follows: Mrs. Otis Jaynes, Mrs. Newman Bartley, Otis and Wayne Spears.

The News joins many friends in extending sympathy to all the bereaved.

Marvin Jones Is Against Repeal

The News editor has received a letter from Hon. Marvin Jones, congressman from this district, in which he states his position with respect to our liquor laws, and we quote the following excerpt: "As you know, I am dry both personally and politically. Even if I were not, I could not support a measure that seemed to me to constitute an effort at nullification."

Mr. Jones explained, however, that he voted for submission last summer for the reason that in the referendum in July his district voted for submission by a vote of 31,825 to 20,148, which he regarded as direct instruction in this matter.

Many dries in Congress voted for submission as did many dries in the primary election last summer, for the reason that they felt the people should have the right to pass on the Eighteenth Amendment again if they so desired.

Lockney Carrier Will Move Here

A news story appearing in the Lockney Beacon recently stated several changes in the work of mail carriers is to be effected there and that A. A. Suits, carrier on Route No. 1, is to be transferred to Tahoka, this change to become effective April 1.

From other sources we learn that J. K. Woosley, the present carrier on Route 1 out of Tahoka, will retire on that date, due to his long service as rural carrier, and it is presumed that the Lockney man is to have his route.

Mr. Woosley has been in the service continually for thirty years and under the law and the regulations of the Post Office department he is entitled to retire with pay.

20th Amendment To The Constitution

The Twentieth Amendment became a part of the Constitution Monday when Missouri ratified the proposal which changes the time when the President and members of Congress are to take office from March 4 to January. Under the new Amendment, Congress will convene on January 3 and the President will take the oath of office on January 20.

Missouri was the 36th state to ratify, ratification being required of three-fourths of the states before an amendment becomes a part of the constitution. Its action was followed quickly by that of Georgia and Massachusetts. The other ten states in the Union will probably ratify the amendment before the year closes.

Make Changes At M-System Store

Bill Holland resigned his position as local manager for the M-System store here last week and R. E. Jameson of Lubbock was checked in as his successor. George P. Calloway, formerly of Littlefield, is now in charge of the M-System market.

Changes are also being made in the interior arrangement of the store, and the name is being changed from M-System to Furr Food Stores, as will be seen by the page at the company is carrying in this week's issue of the News.

Mr. Holland will remain in Tahoka temporarily at least. We have no information as to his plans for the future.

Jesse Eubanks Is Going To Lueders

Members of the Church of Christ gathered, unannounced, at the home of Jesse Eubanks Sunday at the noon hour and spread a surprise feast in honor of their host, who has announced that he is soon to leave Tahoka. While Jess was at Church they brought in a great abundance of the choicest viands and all things were ready when the host arrived at home. Many of the members of the church were present to enjoy the occasion.

Mr. Eubanks expects to leave Tahoka on February 16, going to Lueders in Jones county where he will be rural carrier on one of the routes. He is exchanging places with G. W. Dodson, who will come to Tahoka and take Jess' place on Route No. 2.

Mr. Eubanks has been a carrier on Route No. 2 for almost 11 years and a resident of Tahoka for 13 years. He is a very efficient and accommodating carrier as well as one of our most useful citizens, and everybody in Tahoka and on his route will regret that he and family are leaving. Jess says that he is burning no bridges behind him and may come back some day. Here's hoping.

Collenback Displays Valley Citrus Fruit

J. H. Collenback was exhibiting in the News office Tuesday a sample of the grapefruit they raise down in the lower Rio Grande valley. It was sent to him by a brother, who resides at Alamo in Hidalgo county. This specimen measured more than 18 inches in circumference and weighed slightly more than two and a half pounds.

Mr. Collenback also brought to the News office a couple of tangerines, which his brother had sent him. The tangerine is similar to an orange in appearance but is juicier. It is a most palatable citrus fruit when mellow ripe.

Luallin Opens Up Conoco Station

Ovid Luallin has opened a service station in the building one block east of the Methodist Church and will handle Conoco gasoline and oil.

Mr. Luallin has long been in this character of business in Tahoka and is always courteous and accommodating. He will appreciate a share of your business.

Red Cross Donations Are Still Coming In

The following donations to the Red Cross have been received the past week: J. C. Campbell, clothing, \$4.00; Dr. Durham, clothing, 50c; A. B. Hatchell, food, 25c; Mrs. S. W. Sanford, food, \$1.60; Mrs. A. B. Short, clothing, \$2.65.

Many thanks for these nice donations.—B. P. Maddox, Chairman Red Cross.

DRY RALLY WILL BE HELD IN O'DONNELL

We are requested to announce that there will be a rally of the forces opposed to the repeal or annulment of our prohibition laws at 3 o'clock next Saturday afternoon at the Methodist Church in O'Donnell. Good speakers will be present to discuss the matter.

The people of Tahoka and other parts of the county are invited to attend.

KID SINGERS MEET SUNDAY

Convention Will Be Held At Central Church; Large Crowd Is Being Expected

The South Plains Kid Singing Convention will meet at the Central Baptist Church Sunday afternoon at 2:30 o'clock.

Thirteen different classes participated in the last convention, which was the largest since the Kid Singers were organized some five years ago.

Many classes from the adjoining counties are expected to be present with programs from their classes.

The last convention much of our time was devoted to business matters. An advisory board, boosting committee, and also a junior department was organized. Officers elected for the Junior Singers are: Paul Davis of Gariynn, president; Wynona Parks of Gariynn, vice-president; and Juanita Jones of New Lynn, secretary-treasurer. These officers will cooperate with the older officials in order to make a more complete program. The age limit for the Juniors will not exceed fourteen years of age.

A cordial invitation is extended everyone to attend this convention. If the weather will permit, we are expecting a better convention than ever before. Singing will start promptly at 2:30 o'clock. All classes are urged to bring your book, old or new.—Horace G. Krebs, Pres.

Road Meeting At Lubbock Friday

The Lubbock Chamber of Commerce has invited representatives from thirty South Plains and West Texas counties to meet in the ball room of the Hotel Lubbock at 1:30 P. M. Friday afternoon to discuss the matter of formulating and completing a good roads program for this section of the state and to form a good roads association.

Invitations have been sent to chamber of commerce secretaries, county judges, and newspaper editors, and they are asked to bring other interested persons with them. County Judge W. E. Smith and the editor here have received such invitations.

"If your county highway program is not complete, if you want it completed, if you want to keep the gasoline tax fund for the only purpose for which it is right to collect it, if you want the cooperation of other counties in this section to work with you in completing your highway program, we cordially invite and sincerely urge you to attend the meeting."

Representatives are expected from Farmer and Swisher on the north to Midland, Howard, Mitchell, and Nolan on the south and all intervening territory.

It is hoped that a number of Lynn county citizens will be there.

Mensch Proud Of His Heifer's Record

S. A. Mensch, who resides a few miles southeast of Draw on Dr. E. E. Callaway's farm, has a Jersey heifer which he says gave birth to a calf at the age of one year and 15 days. That was on December 30, 1932. That heifer is now giving more than seven quarts of milk daily by actual measurement, Mr. Mensch says. He does not believe that this record can be beaten.

Mr. Mensch is well pleased with his crop the past year. Although the hail destroyed 25 acres of his cotton, he has made 54 bales from the 115 acres remaining. About seven bales of it is yet in the field un-gathered. He also gathered 90 tons of maize from 100 acres and left many of the small heads in the field. He has harvested 9,800 bundles of kaffir corn from a 20-acre patch. So, he has plenty of feed for his Jersey heifer and other live stock; and he is optimistic. He says there will be a turning point in this depression and when we reach the turn the prospect will be beautiful.

HAS NEW WORKSHOP

Jack Corley is building a new workshop at the rear of the St. Clair Hotel. He expects to open up about Saturday.

THE MONEY QUESTION

There seems to be a growing senti-
ment in Congress in favor of in-
flation of the currency or an in-
crease in the volume of basic money.
Looking to this end, one bill is now
pending in Congress providing for
the issuance of \$3,000,000,000 of
Federal Reserve Notes backed by
Government bonds. It has the endorse-
ment of thirty members of Congress
but President-elect Roosevelt is
said to be non-committal. Another
bill provides for the issuance of
\$1,000,000,000 in Treasury Notes and
the reauthorization of silver. Still
another bill is pending providing for
the gradual reauthorization of silver.

While the double standard would
ordinarily seem to be impracticable,
yet with most of the nations of the
world new either on a silver basis or
"off the gold standard," it might not
be unwise for the United States to
remonetize silver — which means
making it a basic money of equal
standing with gold, on some ratio of
values fixed by law.

It is argued that with silver re-
monetized, it would be easier for us
to carry on commerce with nations
now on the silver standard. It is also
argued that there should be either
an inflation of the currency—or at
least an increase in the volume of
our circulating medium—in order to
make the dollar cheaper and the
commodities of commerce correspond-
ingly higher. In our opinion,
there could be only one advantage in
this. Most of the people, the common
people as well as the higher-ups in
finance, contracted debts a few years
ago when the dollar was cheap, which
debts are still unpaid. These debts
must now be paid, if paid at all,
with a dollar that is dear. An infla-
tion of this circulating medium
would tend to reduce the value of the
dollar toward its value when these
debts were contracted and would

thus enable the debtors the more
easily to pay their debts. This would
do the creditors no injustice but on
the other hand would prevent a great
injustice being done to the debtors.

We recognize the fact that there
is no particular virtue in having
either a cheap dollar or a dear dol-
lar. What we need is a stable dollar,
or one as nearly stable as possible.
The money question is always a big
problem; often a puzzling problem;
but we believe that at this time there
should be either an inflation of the
currency or a reauthorization of sil-
ver, so as to decrease the value of
the dollar, as a matter of justice to
the debtor class, which includes
nearly all of us. The dollar should
be restored as nearly as possible to
the value it possessed before the de-
pression.

If you will take the trouble to
check up on it, you will find that
the majority of our hi-jackers and bank
robbers are young men. Many of them
are scarcely out of their teens.
There seem to be a lot of young
"smart Alecks" who haven't any
more sense than to think that they
can make a life of crime pay. They
could not possibly make a greater
mistake. Crime never pays—not even
when the criminal gets away with
the loot. And even the criminal who
is able to get away with the loot the
first few times will finally be
caught or killed. There are two
things that the young criminal needs;
one is character, the other is com-
mon sense.

Last year the Lamesa Chamber of
Commerce sponsored a tree-planting
campaign and 15,000 trees were set
out in the county, some of them in
Lamesa but many of them at the
farm homes and along the highways.
Now the Chamber of Commerce is
urging that more trees be set out.
It is a good movement. There should
be more trees about the farm homes
in Lynn county, and better care
should be taken of those we have.

Senator Tom Connally is propos-
ing to increase the volume of money
and decrease the value of the dollar
by reducing the amount of gold
contained in the gold dollar. That
would be one effective way to bring
about an expansion of the currency,
all right. There may be a lot of merit
in this proposition.

Folks, it's about time to plant out
roses and shrubbery. Tahoka had
many beautiful roses last year, but
it ought to have had four times as
many. Let's make Tahoka a little
city of roses.

Locals

W. H. Carpenter, editor of the

Wilson

Rev. J. W. Partin conducted what
will probably be his last chapel ser-
vice, as a citizen, for Wilson High
School, Tuesday. His subject was
"Do Not Fall by the Wayside". His
talk was very inspiring and the au-
dience was unmistakably very deep-
ly touched by his message.

Misses Zelta Campbell and Estelle
Shelton were hostesses at a tea giv-
ing to the mothers of the high school
students Wednesday of last week.
This entertainment was sponsored by
the Home Economics department.

Judge Truett B. Smith very ably
discussed the subject, "Laws That
Affect Family Life," to the third-
year Home Economics class and Mr.
Nix's Sociology class Friday.

Miss Lela Day sponsored a play
and program in the high school au-
ditorium Friday afternoon, as fol-
lows: Reading, "Maggie and Jiggs,"
Elizabeth Tadlock; piano solo, Edwin
Maeker; pantomime play, "Miss Iva
Newway's School."

The Wilson boys' and girls' basket-
ball teams played Close City here
Tuesday, our boys winning 35 to 12
and our girls winning 44 to 16.

Miss Ethel McCormick made a busi-
ness trip to Fort Worth Thursday.
Misses Lela Day and Sallie Beth
Wright were Lubbock visitors Sat-
urday.

Mrs. Don Hatchett was a guest in
the Clyde Shaw home Thursday.

Mr. and Mrs. A. L. Faubion were
business visitors in Tahoka Tuesday
evening.

Misses Cook and Wilson were hos-
tesses at a "42" party at the home
of Mr. and Mrs. W. C. Cook on Fri-
day night. Mr. Yates Key and Miss
Sallie Beth Wright succeeded in
winning low score. A very enjoyable
occasion is reported.

Messrs. Johnnie Key and Leroy
Crows, Tech students, visited home
folks over the week end.

The school faculty, W. M. S., and
Y. W. A. showered Mrs. Bernard
Rudd with many beautiful and valu-
able gifts Tuesday night. Mrs. Rudd
was formerly Miss Laverne McCor-
mick.

The boys basketball team went to
Meadow for a game Friday night
but we failed to get the results.

Wilson Basketball girls went to
the Wolffarth tournament Friday
and Saturday. Fourteen teams were
there to compete for first place. Our
girls played Monroe the first game,
winning 32 to 15. Our next game was
with Carlise, and we defeated them
42 to 20. Then we met Wolffarth in
a battle royal. Each team was de-
termined to win and until the final
whistle no one could tell who would
be the victor, the score was so close,
but the final score was 16 to 19 in
favor of Wilson. Saturday night the
girls met the strong Meadow team,
our girls having previously played
them two games, winning one and
losing one. Therefore they expected
a hard fought game. At the end of
the half the score stood Meadow 17
and Wilson 16. Mr. Faubion and his
girls knew that some hard playing
and good team work would be re-
quired to regain the lead. This was
surely done, as the final score was
43 to 29 in favor of Wilson, thus
winning the meet for the Wilson
girls, who proudly carried away the
pretty first place banner.

On the all-round team for the
meet, we placed three girls and only
lacked one score placing another.
The one who placed were Elsie and
Goldie Pendleton, as guards, and
Jerene Shaw, forward. Jerene pre-
sented the banner to the school
Tuesday and J. W. Partin Jr. accept-
ed on behalf of the school.

Miss Lela Day entertained the in-
termediate Sunday school class at a
party in the Clyde Shaw home Mon-
day night.

Mr. and Mrs. J. L. Hobbs were Ta-
hoka visitors Saturday night.

J. L. Hobbs opened his new filling
station for business Tuesday.

**CHEMIST DISCOVERS NEW
FIELD IN COSMETICS**

For the past four years, using
Lubbock as a base, research chem-
ists have been working to perfect a
line of cosmetics especially adapted
to needs of women living in windy,
arid regions of the Southwest.

The fruits of their labor have an-
swered the demands of West Texas
women for a complete line of sci-
entifically prepared cosmetics particu-
larly adapted to their especial needs.
This abolishes the old idea that cos-
metics "must come from abroad or
from New York City, where the
makers are thousands of miles from
the climatical conditions that affect
the users of their products.

Leading druggist are presenting
this new line as quickly as the new
West Texas plant can supply them.
The company is known as the Gil-
liam Chemical Co. and has been lo-
cated at Lubbock. The name of the
facial line is Charme (pronounced
sharmay) and is one of the most
carefully compounded line on the
market.

This new line has many new fea-
tures in facial care. Every woman
has her choice of three types of
cleansing cream, for the three pre-
dominating types of skin—dry, me-
dium, and oily. Charme face powder
is remarkable for its smoothness
and clinging quality and is free of
orris root, which aggravates and in
some cases causes hay fever.

The organization of the Gilliam
Company is another step forward in
the industrial growth and develop-
ment of the great Southwest. Many
salesmen have been given jobs and
a number of people have been given
work in various capacities as the
wheels of the factory move with
greater speed.

Both drug stores, we understand,
will handle these products.

**How Black-Draught
Holds its Popularity**

A LAXATIVE made from highly
approved, medicinal plants—yet
about the least expensive laxative
you can find: Theoford's Black-
Draught.

There's no expensive container
for you to buy when you ask your
dealer for Black-Draught. And its
light weight has saved freight bills
in your favor. Black-Draught is
right with you in economy. It
brings prompt, refreshing relief
to sufferers from constipation
troubles.

Don't put up with sick headache,
sluggishness, gas, dizziness, bad
taste in the mouth, biliousness, coated
tongue, bad breath, distress after
meals, when due to constipation, but
take Theoford's Black-Draught.

Draw

The Draw Methodist League had
a social at the church Friday eve-
ning, Jan 20. Mrs. Thorpe, Mrs.
Jewell Cook, and Mrs. Myrl Mathis
worked very hard in order that each
one might enjoy the occasion, and I
think everyone did. After many con-
tests were won by different ones a
"fair" was held.

We are having a good school now.
Most every one has their crops gath-
ered, and this makes it possible for
us to have good attendance.

The high school honor roll has
been made for this month, and the
standing is as follows: First, Sybil
Pirtle, 96 per cent; second John Sew-
ell, 93; third, Myrna Hester, 91.

Monday morning the following
program was rendered in chapel:
Reading, Neyland Hester; song, Be-
ginners; reading, Maurine Cargile;
The Old Time Preacher, Rex Jack-
son; song, Second Grade; reading,
Sybil Pirtle; music, Leroy Moyers

Baptist Had Big Day Last Sunday

We had a great day Sunday; the spirit was fine, the atmosphere warm and the fellowship superb. The attendance at both hours was excellent. There were three additions in the morning service, two by profession of Faith and one by statement. We give these new friends a warm welcome into the fellowship of our church family. The blessings ought to be mutual, to the church and to the individual.

The pastor will preach Sunday morning on "The Ministry of Suffering." There are many of us now that need this message. It will be helpful and healthful.

The evening service will be evangelistic. Bring your friends, relatives and neighbors. We shall do our best to help them and you.

The baptismal ordinance will be administered at the close of the evening service.

Welcome to all our services.
LAWRENCE HAYES, Pastor.

CLUB IS ORGANIZED BY WOMEN AT PETTY

Several ladies of the Petty community met with Miss Harrison Jan. 6, in the home of Mrs. Eugene Hancock for the purpose of organizing a home demonstration club.

The following were present: Meses D. C. Baker, Eugene Hancock, H. C. Hemmeline, Ray Porter, A. B. Hemmeline, Robt. Rogers, Warren Smith, G. B. McAlister, Brook Smith, J. W. Carrell, Caveness, Wallace Warren, J. A. Mooney, L. C. Crews, Taylor Wyatt, J. H. Purcell, Carl Rogers, Frank Mooney, O. C. Smith, and J. P. Unfred.

The following officers were elected: Mrs. D. C. Baker, president; Mrs. Carl Rogers, vice president; Mrs. Eugene Hancock, Secretary-Treasurer; and Mrs. H. C. Hemmeline, reporter; Mrs. Eugene Hancock, council member.

Miss Harrison gave a very interesting address in which the program for 1933 was outlined.

The club will meet on the first and third Fridays of each month and all visitors will be welcome.—Reporter.

Lost 20 lbs. Of Fat In Just 4 Weeks

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 28 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the SAFE, harmless way to reduce as tens of thousands of women know.

For your health's sake ask for and get Kruschen at any drug store—the cost for a bottle that lasts 4 weeks is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back. adv.

Opinions Of Our Readers

FOR REVENUE ONLY

(By Uncle Pete)

The editorial in the Jan. 19th issue gives us a good idea of the ultimate goal of the repeal advocates and that is plenty of liquor everywhere. The only tenable arguments ever put up by the wet crowd are those relating to the revenue the traffic can be made to produce and even they are untenable when it is considered that to raise a billion in beer taxes would entail a damage to the public health, morals and legitimate industry of twenty times the taxes raised.

Let us turn back to the sad experience of Texas in the matter of State liquor control in the fifty years between the end of the Civil War and our entry into the World War when the state went dry for good—let us hope and pray. Those who lived during that period tell us emphatically that the "state controlled" liquor traffic was closely allied with vice and gambling and beginning with Sam Houston—himself a drinker and yet a prohibitionist—we find all temperance and anti-liquor people working towards National prohibition as their goal. But, maybe these oldtimers were wrong; let's see. Since Ontario, Canada, turned down prohibition in favor of "government control", drunkards, poverty, crime and insanity have increased by leaps and bounds and the annual liquor bill for the entire province is over \$18 per capita. Apply the same system to Texas and we have an annual liquor bill of \$100,000,000, which is enough to buy all the cattle or all the cotton in Texas.

But, back to the revenue. If we need any liquor revenue at all we should have all the nefarious traffic can be made to yield. First, let us go down to Huntsville, and we will find several thousand prisoners who know how to make all kinds of liquor. On the nearby State farms sugar cane, corn, barley, hops and grapes grow luxuriantly. Having cheap labor and abundant material we only need to build a brewery and distillery in the penitentiary that will make all the good pure liquor the people of Texas will ever be able to drink up. The cost of making and marketing the product would be about two bits a gallon for whiskey and a nickel or dime a gallon for beer and wine. As to "liquor stores," since the State would make it, the finest place to sell the liquor would be in the court house basement—say in the ladies' rest room, for when we bring back liquor most of the ladies' won't have much time for resting. How much like a high school the thing would work then. Freshman year in the basement, sophomore in the county court, juniors in the district court and senior or graduating class way up on the fourth floor where the criminal is literally above the law. Twice a year the "graduates" would leave for the main university down at Huntsville to make more liquor and more criminals and so on down but the profit would ALL go to the government.

Let's go the whole hog or none. Let those Austin birds be fair with us and if we must have the saloon or something just like it back again let's make it worth while. Since we have had so much talk about keeping Texas money in Texas, it is a wonder that some of our liquor statesmen down at Austin have not embodied this "plan" in a bill and in need it for themselves. If anything is worth doing it is worth doing well and if we need any liquor revenue at all we need it all. At least this "plan" is far ahead of out and out repeal. Why not give it a trial if our present day dry laws are to be destroyed?

FACE THESE FACTS

(By Chris L. Adair)

Nearly 1,000 fiction writers have been enlisted to write copy for the wet propaganda.

Every bootlegger, gangster, rum-runner, moonshiner, kidnapper, and racketeer in America hates and fears the 18th amendment more than any other law.

No well known gangster nor any one of their underlings has ever in the past 15 years made a prohibition speech or contributed to any dry organization.

In the beer-soaked republic of Guatemala the only "dry" town is Nahaula, whose Indian citizens pay their government an annual sum to keep liquor out of their country.

Sam Houston and Grover Cleveland, neither a life-time total abstainer both fought for prohibition at a time when many preachers opposed it.

In spite of many new felonies created by different legislatures the

crime rate of Texas has decreased 40 percent since it started to change from all wet to the bone dry column.

Kansas has been prohibition over 50 years and is almost without a crime problem.

In Munich, Bavaria, population 600,000, universal beer drinking has rendered half its adult male population uninsurable on account of "beer drinkers' heart."

Lubbock, population 25,000, is the largest city in Texas to have not one single public improvement built by liquor license revenue.

The original "bootlegger" was an Indian Territory product of the '90's who carried his entire stock in an artificial leg.

Fort Worth and Dallas in pre-Prohibition days boasted (?) five saloons to each 1,000 population. The same ratio restored would give these twin cities over 2000 "liquor stores".

Ten years before national prohibition Chicago had 30,000 Federal liquor licenses and 7500 known saloons or three speakeasies to each saloon. This was one speakeasy to each average city block of 100 inhabitants.

Reno, Nevada, population 18,000, has a "red light" population of nearly 1000. Wet estimates claim local sentiment is nearly four to one against the dry law.

The Keeley gold cure for drunkards had nearly 100 branch hospitals and thousands of patients annually back in "state control" days but after a dozen dry years there are but a dozen "cures," each with a few dozen patients annually.

After six years of "liquor control" Canada's population has increased but 12 per cent while its liquor consumption has trebled, bootlegging has more than doubled, crime has increased from 40 to 600 percent and 36 per cent of its normally employed workers are now jobless.

Before the 1900 storm, Galveston with less than 40,000 people "boasted" 400 saloons. Counting speakeasies, liquor was sold in one building out of six throughout the city.

Mrs. Gladys Weaver left Monday for her home in San Diego, California, after a visit of several weeks here with her parents, Mr. and Mrs. G. E. Hogan.

A marriage license was issued here, Tuesday to R. D. Pressley and Miss Minnie V. Gamble, both of whom reside at Slaton.

Mr. and Mrs. Hugh Cockrell of Abilene are here visiting Mr. and Mrs. I. I. Gattis. Mrs. Cockrell is a niece of Mr. Gattis.

Mrs. Frank Hill and little daughter, Patricia, are visiting the former's mother, Mrs. B. H. Howard, at Crosbyton.

Mrs. M. M. Shearer, who has been quite sick for several weeks, is now much improved.

R. C. Carroll of O'Donnell was a business visitor here Monday.

Mr. and Mrs. B. B. West are visiting relatives in Sherman.

Mrs. O. B. West is visiting her daughter in Dallas.

Deposit 'Guarantee' Fails of Purpose

LOS ANGELES.—While the idea of the guarantee of bank deposits by some legally enforced plan seems to appeal to many people who give it casual thought, the fact is that it has not only failed in every instance in the eight states where the experiment was tried, but actually produced unsound banking and increased the number of failures, it was declared by the recent convention of the American Bankers Association held here.

"Guaranty of bank deposits carries an idea that naturally appeals to people in general on casual consideration," the declaration said. "However, in principle it is unsound and in practice it is unworkable. It has been tried in eight States and it has not only failed in every case, but it has resulted in increasing the number of bank failures. Taxing properly managed banks to make up losses of failed banks is not only unfair and unreasonable, but it weakens the whole banking structure. Again, guaranty of deposits places the incompetent and reckless banker on an equal footing with the able and conservative banker, which encourages bad banking at the expense of sound banking. We are therefore opposed to the passage of any law carrying a guaranty of bank deposits and believe that it is against the interest of the people of the United States to develop any such system."

Error In Ad

In the English Theatre's ad. appearing on the back page of this paper the dates of two pictures are partially omitted. Will Rogers in "Too Busy To Work" will show here Sunday, Monday, and Tuesday, Jan. 29, 30, and 31. "Sherlock Holmes" will show on Wednesday and Thursday, Feb. 1 and 2. The corrected ad. appears again on this page.

Notice To Taxpayers

I just want to call the attention of those taxpayers that are interested in keeping their property clear from all liens, to article 7258 of "the Revised Statutes of Texas" as follows: "Every receipt for the payment of taxes on property, hereafter and heretofore paid, collected by State, County or Municipal officers, may be recorded in the office of the County Clerk and such record shall be a notice to all the world of the payment of such tax, and certified copies thereof may be used to evidence in all issues." Also under article 7289, where anyone has received a "Certificate of Redemption," it may be admitted to record in like manner "with other conveyances of land."

Each of these records might save you worlds of worry and expense in

later years, should you lose, in any manner the only release (your tax receipt) you have to show that your taxes have been paid. Now is a good time to have your receipts recorded for tax paying has been so irregular you might lose track of your tax receipt. H. C. STORY, County Clerk 22-1fc

Mrs. Joe Bovell expects to leave about the end of the week to spend some time with her mother at Fort Worth, who is again quite sick.

Mrs. J. D. Donaldson, who has been sick the past two or three weeks, is now strong and well again.

WILL ROGERS BLENDS COMEDY AND PATHOS

Will Rogers, in the role of an impetuous wayside wanderer in "Too Busy To Work," appearing at the English Theatre Sunday, Monday, and Tuesday, has what is reported as a more fitting personality than in previous productions where he was surrounded by luxury. His is a role that blends his inimitable comedy with a wistful pathos.

The story is of a man whose wife ran away with another man while her husband was at the front. Before the war is over, she dies, leaving her daughter to be cared for by the foster father. He loves her as if she were his own and encourages her romance with his own son. Returning from the front, "Jubilo," the character played by Rogers, becomes a vagabond wanderer, devoting his life to a search for his daughter. Eventually he finds her, but realizing that she is happy in her aristocratic surroundings and enjoying a romance, he leaves her without revealing his identity.

SOCIETY CHURCH AND CLUB NEWS

CHURCH OF CHRIST NOTES
We enjoyed a banner day at the Church of Christ last Lord's Day. A very good attendance at Bible school with every teacher present. A large crowd at the morning service and an exceptionally good sermon at 11 o'clock delivered by the preacher, R. P. Drennon on "Launching out into the Deep." As Bro. Drennon said, "too many of us are playing along the shore instead of launching out into the deep."

After the morning service, about fifty persons gathered at the home of Mr. and Mrs. J. C. Eubanks for a surprise dinner, given in their honor, as they are contemplating leaving us for new fields of labor and our best wishes follow them. They have been a great help to the church and town.

In the afternoon quite a few members gathered at the church to plan greater things for the Lord. Also to elect new officers and teachers to different places being left vacant by Bro. Eubanks and family leaving.

The last service of the day but by no means the least one: About three dozen folk went to Brownfield to put on a Young Peoples' service and it was a splendid program on "The Bible." Four splendid papers were read and some beautiful and inspiring duets and quartets rendered.

Preceding the Young Peoples' program, we assembled with the Brownfield Church of Christ and had about an hour's soul feast from singing the good old gospel songs. Following this we motored to the beautiful home of Mr. and Mrs. G. W. Chisholm and there feasted on the many good things prepared for us by loving hands.

Following this, we returned to the church and the young people put on their program, which was a credit to the Tahoka church. Bro. Drennon then delivered a sermonette on the 19th Psalm, which was appropriate as it fitted in well with the subject handled by the young people.

A season of song followed, and the folk returned to their respective homes in Brownfield and Tahoka feeling it was good to have been there. Thus ended, as the song goes, "A Perfect Day."—Reporter.

MISS MAVIS BRASSFIELD ENTERTAINS YOUNGSTERS
Miss Mavis Brassfield on Wednesday, Jan. 13, had eighteen of her friends to help her celebrate her thirteenth birthday. The group was entertained with various games throughout the evening.

The following guests were served with lovely varieties of candies and pop-corn balls: Misses Martha Helen Powell, Aurville Armstrong, Anabel Reid, Lottie Jo Townes, Wanza Reid, Mozelle Crouch, Lada Strasser; Masters J. D. Smith, Eura Reid, Preston Strasser, Billy Hill, James Applewhite, Simeon Kemp, Nathan Woosley, Garland Edwards, Guye Bulman.

SICK HEADACHE
Many cases of SICK HEADACHE are due to constipation. If you have headache that is due to constipation, take Theford's BLACK-DRAUGHT for refreshing relief.

"I have taken BLACK-DRAUGHT, when needed, for about 15 years," writes Mr. J. W. Cooper, of Longview, Texas. "I first began to use it for sick headache that seemed to come from constipation."

"I would suffer about twenty-four hours with these headaches. I found out that BLACK-DRAUGHT would help me, so that is what I took. I am glad to recommend it to others, for 'this trouble, for it will give relief.'"

Theford's BLACK-DRAUGHT is a purely vegetable laxative, preferred by thousands of men and women because it is so effective and economical.

For children, get the new, pleasant-tasting SYRUP of Theford's Black-Draught, in 25¢ & 50¢ bottles.

SHOWER GIVEN MR. AND MRS. CLAY BENNETT
The American Legion home was the scene of a lovely party and miscellaneous bridal shower on Friday evening, Jan. 13, when Mr. and Mrs. W. L. Burleson entertained honoring Mr. and Mrs. Clay Bennett, whose marriage was solemnized Christmas Day.

Bridge was the feature of entertainment for the evening. A color scheme of white and gold was carried out in decorations, tallies, and table covers.

Cards were laid aside, the scores counted; Mr. and Mrs. Bennett won high score. The prize proved to be a table laden with innumerable gifts from the guests and other friends.

Mrs. Hall Robinson assisted Mrs. Burleson in entertaining.

Refreshments of cream pie and coffee were served to Messrs. and Mrs. Clay Bennett, E. S. Evans, Jess Gurley, W. T. Bovell, Tom Short, Jim Taylor, Roy Taylor, Harlan Cook; Mrs. J. R. Burleson; Misses Athene Taylor, Frankie Wells, Glayds Keene, Virginia Sanford, Fern Aycox, Ruth Childs, Willie Lois Nevels, Evelyn Wells, Lilla Mae Reid, Elsie Woosley; Messrs. Jack Fenton, Lawrence Sanford, Sumner Clayton, Edgar Edwards, Arthur Hunter, Fred Barker, Jack Alley Robinson, W. D. Smith, and W. C. Mathis.

TAHOKA P. T. A. HOLDS MEETING AT SCHOOL
Tahoka P. T. A. met in the high school auditorium Wednesday, Jan. 18, with Mrs. Irvin Stewart presiding. An encouraging number of mothers was present to hear a discussion of the topic "Magazines for the Home."

Mrs. Tom LeMond, program chairman, presented three of the town's most able speakers to discuss this vital topic from various angles. Supt. Pace gave a resume of a survey he had made of local news stands. This revealed many interesting facts concerning the reading tastes of our community. Mrs. R. W. Penon St. gave an instructive talk on "Magazine for the Home, in General." Mrs. J. B. Walker gave a carefully prepared and interesting discussion of "Magazines for Children." Special numbers were a reading by Miss Forrester and two numbers by Mrs. Applewhite's Ryhmik Band.

The club adjourned to meet Wednesday, Feb. 15.—Publicity Chr.

PETTY H. D. CLUB MEETS WITH MRS. R. N. ENSOR
The Petty Home Demonstration Club met at the home of Mrs. R. N. Ensor Friday afternoon, Jan. 20.

Everyone enjoyed the program and discussion. The club was organized Jan. 6, and much interest is being shown.

The following were present: Meses D. C. Baker, Carl Rogers, R. A. Porter, Frank Mooney, Eugene Hancock, Hodge Purcell, J. W. Carrell, A. B. Hemmelina, H. C. Hemmelina, Robert Rogers, and two new members, Mrs. R. N. Ensor and Mrs. Hatcher. Also, Misses Dollie Rogers, Winnie Pearl Rogers, Mrs. Cavness and Mrs. W. E. Hemmelina were visitors.

The community needed a club and we expect to accomplish much good thru the organization. All members are urged to attend each meeting and visitors are welcome.—Reporter.

DARCAS S. S. CLASS MEETS WITH MRS. G. H. NELSON
The Darcas S. S. class held its social meeting Thursday evening, Jan. 19, from 7:30 until 10:00 at the home of Mrs. G. H. Nelson. Miss O'Berger Forrester gave a reading and Mrs. Skip Taylor sang, accompanied at the piano by Mrs. J. K. Applewhite. Interesting games were played and refreshments were served to Meses K. F. Knight, S. Wiloughby, R. Noble, B. Davis, C. Connolly, Skip Taylor, L. King, H. Harrison, F. Fenton, A. D. Seth, J. K. Applewhite, T. Burnett, J. W. Lowrey, Joe Davis, L. L. Hays, H. P. Cavness, X. John Thomas On Several Committees

Announcement of the personnel of the various committees of the House of Representatives at Austin last Thursday reveals the fact that our own Representative, John Thomas, is a member of the committee on Constitutional Amendments, the committee on Judicial Districts, the committee on Liquor Traffic, and the committee on Public Health. All these are important committees, and Mr. Thomas therefore will have the opportunity to serve his district and state in a great way.

Reports of bills introduced published the same day showed that Mr. Thomas had introduced two bills: One authorizing towns and cities of less than 5,000 inhabitants to maintain municipal chambers of commerce or boards of city development, the other declaring closed season on blue quail, bob whites and doves in Yoakum county for five years.

MRS. OWENS IS HOSTESS TO EDITH H. D. CLUB

The Edith Home Demonstration Club met Jan 17 at Mrs. J. T. Owens' for an all-day quilting and cheese demonstration. There were eleven members present and several visitors; also had five new members. They were Mesdames T. I. Hammonds, M. E. McCord, Carson, and Misses Lillian Finch and Beatrice Hammond. We quilted two quilts and all enjoyed the day, especially the good dinner. We are hoping we have another all day quilting soon. We will meet next at Mrs. Henry Douthett's on the first Wednesday in February.—Reporter.

Hunters Return From Mexico

Mr. and Mrs. Oscar Roberts and Mr. and Mrs. A. D. Sanders returned Friday night from a hunting trip over in old Mexico. From Sierra Blanca they were accompanied by Mr. and Mrs. Webb Williams.

Oscar and A. D. say that they had a royal time. The city of Chihuahua was the largest and most interesting city in old Mexico which they visited. American tourists are so rare in that portion of Mexico that they were given a warm welcome. Even a radio program was arranged for their benefit, they say. Mr. Williams could speak the Mexican lingo and so they could easily communicate with the populace.

An American dollar is worth about three dollars of Mexican money, and so the tourists had a "lot of money" to spend, in the estimation of the Mexicans. Chihuahua contains many people of wealth and consequently there are quite a good many automobiles there but very few in other parts of the country visited. Mr. Roberts says that most of the imported goods in that country, except automobiles and machinery, come from Canada and Europe. Our high tariff walls, the Mexicans claim, have hampered commerce with this country.

The hunters bagged many deer and turkey, they claim, but admit that they killed no bear. They saw bear signs, however. The bear are hibernating far up in the mountains now and are hard to find, and Oscar and A. D. admit that they did not really hunt for Bruin very much. If one had suddenly showed up directly in their pathway, there is no telling what would have happened. It is not probably, however, that the bear would have been injured.

There are virtually no highways in that part of Mexico, Roberts says. The so-called highway from Juarez to Chihuahua is graded a part of the way but over much of the route it is about like a road through the T-Bar. The party had a wonderful time, and they say they are going back—some time.

Mrs. George Hogan left today for Archer City to visit her parents, Judge and Mrs. R. S. Morrison. On next Monday they will celebrate their golden wedding anniversary.

RECITAL AT HIGH SCHOOL FRIDAY NIGHT AT 8:00
