## MRS. H. C. CRIE LAID TO REST

Pioneer Citizen And Editor Of Lynn County News Dies After A Long Illness

Mrs. Martha J. Crie, 62, wife of H. C. Crie, one of the pioneer women of Tahoka and editor of The Lynn County News for about ten years beginning in 1905, died at the family residence here last Friday night. Death followed a long period of illness from a complication of diseases, during which time she was confined to her bed suffering intensely but patiently.

Funeral services were conducted from the Methodist Church at 11 o'clock Sunday morning by the pastor, Rev. H. C. Smith, a great host of friends attending and following the remains to the cemetery.

The active pall bearers were: Oscar Roberts, Roscoe Roberts, A. D. Sanders, Homer Harrison, W. E. Smith, and Beecher Sherrod. Honorary pall bearers were: W. S. Anglin, H. P. Caviness, Herman Anglin, E. L. Hill, F. E. Redwine, Sam Reid, L. O. Mitchell, D. W. Gagnat, D. A. Parkhurst, R. C. Wood, T. J. Bovell, W. M. Lee, Larkin Weathers, S. N. McDaniel, George Reid, F. L. Prater, C. C. Ross, W. E. Suddarth, Pete Ort, C. A. Thomas, A. J. Mullins.

The floral offerings were lavish and beautiful.

Mrs. Crie had been a resident of Tahoka for almost twenty-eight years and had an active part in nearly every progressive movement inaugurated here during that period. She lived a life of sacrifice and service and had hosts of warm friends who deeply regret her departure and genuinely sympathize with the bereaved family. A sketch of her life has been furnished us by a friend who has known her many years, which we gladly publish.

### Life Sketch

Mrs. Martha Julia Crie was born in Greenwood, Louisiana, August 8,

## Silica Men Open House In Tahoka

J. C. Blackburn & Co. have this week opened their place of business in the old Forrest Lumber Co. location and are prepared to handle any retail or wholesale demands for raw silica, silica powders for cleaning purposes, mechanic soap for removing grease, and floor sweep.

All business of the company is being handled by J. B. Wolton, manager of the company, while J. C. Blackburn has charge of production as superintendent.

Advance orders indicate that in the near future Tahoka will have a new thriving industry, although it has had quite a few setbacks in its infancy. One thousand pounds of the products have been rushed to Big Spring, according to Mr. Wolton, where he has a capable sales force engaged in putting this commodity to the people. Wherever a sale has been made, the products have met with instant approval, Mr. Wolton says.

Mr. Blackburn hopes to be able to put a few men to work in a short time, and when other conditions are equal he will invariably employ Tahoka men, it is said.

The people of Tahoka are urged to call upon Mr. Blackburn or Mr. Wolton for any information that might interest them in this enterprise and any one is welcome to inspect the plant at any time, they say.

## Houston Brewer Is Found Guilty

Houston Brewer, who resides near Draw, was tried in the district court Wednesday for a violation of the Dean liquor law. He was found guilty and given a five years suspended sentence.

Sheriff B. L. Parker and his deputy John Bulman searched his premises a few weeks ago and found a still, or part of a still, some mash, and a small quantity of whiskey, they testified, together with a number of containers for liquor.

Brewer pleaded not guilty but asked for a suspension of the sentence in the event of his conviction.

## Woman Is Run Down By Car

Mrs. B. F. Elliott was struck by a car Monday morning as she started across the street from one of the stores on the west side of the square and knocked down. The driver of the car, L. C. Johnson of Redwine, succeeded in stopping it just as the front wheel ran up onto her body. She was picked up, and given first aid treatment here and then rushed to a sanitarium in Lubbock. An examination revealed no broken bones but both shoulders had been dislocated. She was able to return to her home the same day and the injuries were not thought to be serious.

It is said that Mr. Johnson was not driving fast and that the accident was unavoidable on his part.

## THARP KILLER GIVEN DEATH

Paul Mitchell Draws Maximum For Robbery-Murder

The death penalty was assessed against Paul Mitchell, 24, by a jury in the 72nd district court in Lubbock Wednesday morning for the murder of Robert Tharp, manager of an M-System store in Lubbock, on the night of October 15, 1932.

The murder was committed in the perpetration of a robbery. Mitchell entered a plea of guilty and testified on the trial that he was the man who fired the fatal shot. He also admitted that he was the gun man in the robbery of another M-System store in Lubbock a few minutes prior to the murder of Tharp, that he had committed a robbery in Big Spring the night before, and was guilty of other robberies in Amarillo and Oklahoma.

Clyde Shaffer of Amarillo is under indictment as an accomplice to Mitchell in the Tharp murder and in the robbery of the M-System stores. Mitchell was arrested in Kingsville on January 29 and confessed his guilt.

The death penalty assessed against him Wednesday morning was the first death penalty ever assessed in Lubbock county.

## Children In Need Of Shoes, Clothes

This office has received following donations this week: Mrs. Henry Heck, clothing, \$6.20; W. R. Stokes, food and clothing, \$1.12; H. P. Rodrick, food, 10c; G. W. Edwards, clothes, \$4.50; W. P. Inman, food, 50c.

Many thanks for these fine donations. We do not need any more dried beans or peas just now. We can use some home made soap, bacon and lard if you have any of these items to donate. If you have any children's shoes that the children have outgrown we can use them, or women's shoes that are not high heels we can use them.

Lynn County Chapter American Red Cross, B. P. Maddox, chairman.

## School Census Is Being Taken Here

Carl Griffing, census enumerator for the Tahoka Independent School district, is now busy taking the scholastic census.

He says that during the past week he has been unable to find many of the parents at home, and he requests therefore that we call their attention to any child who is missed. The enumeration is to be completed by the end of this month.

## Lubbock Firm Buys Out Park's Produce

The Borden Produce Company of Lubbock has acquired the Park's Produce business here and is continuing the business at the same place. Liff-Taylor is the local manager.

## REVIVAL MEETING ON AT CHURCH OF NAZARENE

The revival meeting now in progress at the Church of the Nazarene is being enjoyed by all who attend. Folks are praying through in the old fashioned way. Rev. A. G. Pool is doing some fine preaching. Come and hear him.—Reporter.

## E. J. NOLEN IS BURIED HERE

Had Been Ill Many Months; Came To County In 1916 From San Saba County

E. J. Nolen died here Saturday morning and was buried Sunday afternoon, death resulting from cancer. Mr. Nolen had been suffering for the past four years and had been confined to his bed for the past seven months. He had been in a most critical condition for a long time and life lingered much longer than it was thought possible a few months ago.

Funeral services were conducted from the Baptist Church here, Rev. Lawrence Hays presiding, while Rev. H. C. Smith of the Methodist Church and Elder R. P. Drennon of the Church of Christ made talks appropriate to the occasion. Interment followed in the City Cemetery.

Mr. Nolen was born in San Saba county June 20, 1885, and was therefore 47 years of age. He was married to Miss Katie J. Crouch, a niece of the late W. J. Crouch, April 13, 1904. To this union four sons were born, all of whom were present at the time of his death and attended the funeral, namely: Walter, Mancil, Fred, and Y. T.

In 1916 the family moved from San Saba to Lynn county and had since been farming a few miles west of town. They removed into Tahoka last year.

Besides the wife and four sons, Mr. Nolen left surviving him four brothers and three sisters. He was a quiet, unassuming man, a good citizen and a Christian gentleman. He possessed little of this world's goods but his kindness and gentility was a benediction to his family, and he left behind him a name that is worth more than riches.

## Man Is Hurt As Truck Wrecked

Earl Combs, broom salesman, of Lubbock was quite seriously injured at the turn on the highway at the Buster Fenton place two miles north of Tahoka Monday morning when his truck went into the ditch and overturned, pinning him beneath it. He was given first aid treatment by a Tahoka physician and then taken to a sanitarium in Lubbock for further treatment. We did not learn the exact extent of his injuries but it is said that several bones in his arms and legs were fractured.

Just how the accident occurred has not been learned but the driver seems to have lost control of the truck while making the turn. It turned over completely and it was possibly twenty minutes before any one arrived to release the injured man.

## Laundry Will Open On Next Monday

Mr. and Mrs. D. L. Flanagan of Lubbock are preparing to reopen the Tahoka Laundry Monday of next week. They have had twenty-two years of experience in this line of business, it is said.

Repairs are being made on the plant, which is owned by L. F. Craft, this week preparatory to the opening.

## SUB-IRRIGATION WILL BE DEMONSTRATED TUESDAY

Miss El Fleida Harrison announces that the sub-irrigation demonstration mentioned in these columns two weeks ago is to be held at the home of Mrs. E. W. Fenton Tuesday, March 14. It will be an all-day meeting.

Demonstrations are to be given in making and laying tile. All pantry and yard demonstrators and their husbands are expected to be present, and all who are interested in sub-irrigation of gardens, lawns or shrubs are invited to attend.

The demonstrations will be given by Mr. Roseborough, extension horticulturist of the A. & M. College.

## MRS. ADAIR VERY ILL

Mrs. Elizabeth Adair, 85, is seriously ill at the H. C. Crie home, where she resides, according to Mrs. Charles Shook. Mr. Crie is also confined to his bed with a bronchial trouble. Mrs. Adair's condition is so grave that much concern is felt by the family.

## TURNER CASE IS DISMISSED

Higher Courts Rule Out Evidence In Murder Case; Mary Cuban Released From Jail

Mary Cuban, who has been in jail here several weeks pending a grand jury investigation, was released by that body Wednesday afternoon.

District Attorney G. H. Nelson has also dismissed the murder charge against Mrs. Mollie Turner. Mrs. Turner was convicted and given a sentence of twenty years in the district court here two or three years ago. The State relied for a conviction on the testimony of defendant's daughter-in-law, who was present when the homicide occurred, something like fifteen years ago. The court held that the daughter-in-law was an accomplice and that her testimony was not sufficiently corroborated by other evidence. In this state of the case there was nothing for the district attorney to do but to dismiss the case. It had been pending on the docket for several years.

Mr. Nelson also dismissed a large number of other cases. Some of these were old cases in which the witnesses had removed from the state or otherwise disappeared and there was no chance to convict. A number of indictments were dismissed because of defects which rendered it necessary for the grand jury to return new bills. In this class were a large number of indictments relating to the gasoline embezzlement affair in O'Donnell. No case was dismissed in which there was a ghost of a show for the State to procure a conviction, we understand, the cases dismissed being mere "dead weight" that had accumulated on the docket through the years.

## Assassin Charged As Cermak Dies

Anton Cermak, mayor of Chicago, died in a Miami, Florida, hospital just before 7 o'clock Monday morning from the wound which he received nineteen days earlier from a bullet fired by an assassin which it is believed was intended for President Franklin D. Roosevelt. Four other persons were wounded by bullets fired by Zangara, the assassin, at the same time. One of these, Mrs. Joe H. McGill of Miami, is still in a critical condition. The other three have recovered and Zangara has already been sentenced to 30 years in the penitentiary for wounding them.

Immediately after Cermak's death, the grand jury in Miami met Monday and returned an indictment of murder against Zangara. He will be tried at an early date and will doubtless be given the death penalty.

Cermak had been mayor of Chicago the past two years, having defeated Mayor Thompson on a platform pledging the people that he would drive the gangsters from the city. Some believe that the assassin was seeking the life of Cermak as well as that of Roosevelt. His comments on the affair have all indicated that he was after Roosevelt, however. On the other hand, he has showed no remorse and little concern over the wounding and death of Cermak. Zangara is an Italian but has taken out naturalization papers in this country. He has been pronounced sane by physicians but is evidently a misguided and criminal crank.

## NEW PAPER WILL MAKE BOW AT O'DONNELL

Announcement has been made that a new paper, the O'Donnell Reporter, will make its bow in that city this week. Ben Moore, O'Donnell, is business manager and J. W. Smith Sr. of Lamesa, editor of the Lamesa Reporter is editor and will publish the paper from his plant.

This gives O'Donnell two papers. The Index is published by Joe Alexander, editor and publisher of the Dawson County Courier with Mrs. Campbell as local editor.

## HEN LAYS BIG EGGS

Noel Cooper was in town one day recently exhibiting two enormous eggs as an example of what one of his White Leghorn hens is doing. The larger of the two eggs measured 3 1/2 inches in circumference, the longest way around. He has been getting one of these large eggs every other day, and each contains two yellows.

## Parkhurst Jury Is Unable To Agree

CALLS SPECIAL TERM  
Judge McGuire has called a special term of District Court to begin here next Wednesday, March 15, and to continue to March 31. Court will be in session at Post at the same time but the time will be divided between the two places. A jury has been ordered for next Wednesday. It is understood that civil cases will receive chief attention at the special term.

## SCOTT DRAWS PEN SENTENCE

Is Found Guilty Of Embezzlement; Three Others Sentenced On Pleas Of Guilty

A jury early Saturday morning returned a verdict of guilty in the case of The State vs. Al Scott, who was charged with embezzlement and unlawfully receiving embezzled property in connection with the removal of gasoline from storage tanks in O'Donnell, and assessed his punishment at two years in the penitentiary. W. H. Veazey, the gasoline agent at O'Donnell, had been convicted earlier in the week in connection with the same transaction and given a one year's suspended sentence.

Scott had resided at O'Donnell a number of years and he was charged with having conspired with Veazey and others to rob the gasoline tanks.

There were also three pleas of guilty Thursday afternoon. Two negroes, Ernest Wright and Henry Harris, entered pleas of guilty to a charge of stealing turkeys from a farmer near Wilson, and each was sentenced to two years in the penitentiary.

George Ringling entered a plea of guilty to an indictment charging forgery of a check and unlawfully passing the same. He was given five years in the penitentiary. Ringling had passed the check to an O'Donnell drug store. He was already serving a term in the penitentiary for a similar offense in another county. Ringling had represented himself to be a federal officer, it is said. He is reputed to be from Kentucky.

## Telephone Directory Is Printed By News

The News this week printed new directories for the local exchange of the Southwestern Associated Telephone Company, and they are being distributed among their customers now. The local printing plant was also low bidder recently on two jobs for the district office of the company at Lubbock.

The News appreciates the fact that this corporation, which formerly had its printing done in Dallas, has adopted the policy of giving this work to local printers. Mr. Mitchell, local manager, states that our prices are in line with the big printers.

## Fire At Edwards Gin Last Week

The fire department was called out last Saturday night to extinguish an incipient blaze at the Edwards-Loekhart gin. It was put out before much damage had been done.

The fire originated in a burr pit, it is said, and had spread to the seed house when the fire boys arrived.

## Assembly Of God Announces Revival

The Assembly of God will open a revival meeting Sunday, March 12, at the Primitive Baptist Church in south Tahoka. Services will be held each evening at 7:45. Mrs. Beatrice Martin, evangelist, in charge.

"Everyone welcome to come take part. We preach the whole Bible, for the whole world," Mrs. Martin says.

## JURY RELEASED THIS MORNING

Report Verdict Is Impossible; Case Attracts Much Interest As Courtroom Crowded

The jury in the Parkhurst case was discharged by Judge McGuire Thursday morning without having arrived at a verdict. The jury reported that it had been divided 8 to 4 during practically its entire deliberations. It was later revealed that four were for conviction and eight for acquittal.

Parkhurst was charged with statutory rape, the complaining witness being a girl under fifteen years of age who had spent much of her life in the Parkhurst home.

The case went to trial Monday morning and went to the jury late Tuesday afternoon. Both the courtroom and the balcony were crowded during the trial, many standing in the doorways and along the halls.

The case was vigorously prosecuted, district attorney G. H. Nelson being assisted by county attorney Truett Smith, and it was just as bitterly contested, the defendant being represented by Lockhart & Brown of Lubbock.

## Two Champion Cowboys Here

Two famous cowboys were forced visitors in Tahoka Wednesday, when it was necessary for them to stop at a local garage for car repairs.

Bob Crosby of Roswell, New Mexico, and Roy Adams, now of Nogales, Arizona, but formerly of Dickens county, Texas, were the two men, and both are known the nation over where rodeos are held. They were on their way to Fort Worth for the Fat Stock Show when their car broke down four miles west of Tahoka. Bob's favorite roping pony, which he was carrying with him in a trailer behind his car, was hitched to the disabled vehicle and they proceeded into town. They spent most of the day here while waiting for the necessary repairs to be made.

Bob Crosby is a former world's champion cowboy, winning this title at a number of rodeos, including the famous Cheyenne, Wyoming, and the Pendleton, Oregon, roundups. He has been a star performer at Madison Square Garden, New York City, on several occasions, and was with the group of championship American cowboys who showed in London, England a few years ago. Two years ago he received a broken leg in a Phoenix, Arizona, contest, from which he has never entirely recovered. Although he can hardly walk, he still enters roping contests.

"I have not quit, though," he told a News man. "I will be a judge at the Fort Worth Show, but I am going to enter the roping contests if they will let me."

Crosby says that whatever might be said of Pendleton, Cheyenne, Calgary, or Madison Square, none of the various big contests are as tough as the rodeo at the Fat Stock Show at Fort Worth.

"One of the toughest contests I ever ran into though, was down here at Rankin, Texas, a few years ago. They raise real riders and ropers in that part of West Texas," Crosby added.

Roy Adams is not so well known as Crosby, but he has participated in practically all the big contests the last six or eight years. He wears a large gold belt buckle given him for taking off first place in calf roping at Calgary, Alberta, Canada, in 1928. Last year he won first in both the calf and steer roping contests at Prescott, Ariz., and third at the Pendleton Roundup.

Adams is ranching at Nogales, and Crosby, in partnership with his father, owns a ranch near Roswell.

## MAKE OWN LEATHER

Following beef butchering demonstrations in Fisher county, the county agent is helping several farmers tan the hides into leather to be used in repairing harness, furniture and soiling shoes.

**HOOVER RETIRES**  
On last Saturday Herbert Hoover  
retired from the Presidency. He went  
into office four years ago with the  
largest popular majority ever given  
a candidate for office. He had swept  
every state in the Union except  
seven. He had carried four Southern  
states. He was defeated for re-election  
last November by one of the  
most crushing majorities that ever  
swept a President out of office. He  
lost all but six states, these six being  
in the northeastern section of our  
country.

Hoover went into office with  
the country prosperous. He goes out  
of office with the country suffering  
from one of the gravest depressions  
of its entire history. Herbert Hoover  
was not responsible for the prosper-  
ity that the country enjoyed when he  
went into office, and he was probably  
not responsible in any great measure  
for the depression that existed  
through most of his administration.  
The depression came entirely inde-  
pendent of any thing that Hoover  
had done as President. It persisted  
in spite of all his efforts to end it.

He doubtless made some grave mis-  
takes in dealing with the matter.  
The Smoot-Hawley tariff bill that he  
approved evidently aggravated in-  
stead of ameliorating the situation.  
He sought to restore prosperity by  
giving government aid to Big Busi-  
ness—to the Banks, the Railroads,  
and other great corporate interests.  
He has been bitterly assailed for  
that. But his position was that these  
institutions must be kept going in  
order that employment might be  
given to labor and business brought  
back to normalcy. The assistance  
rendered did not have the expected  
salutary effects. The depression  
gradually grew more and more seri-  
ous.

He is charged with having failed  
as a leader; but practically every  
thing that a Democratic House of  
Representatives undertook to do to  
relieve the situation was suggested  
by Hoover himself. He goes out of  
office greatly discredited as a states-  
man, but most thoughtful and well  
informed people do not question his  
sincerity or his patriotism. While  
Hoover failed to cope successfully  
with the distressing situation, there  
are probably very few men in the  
country who could have done better.  
The fact of the business is that no-  
body knew what to do.

Hoover was doubtless greatly dis-  
appointed by his overwhelming de-  
feat last November but he must  
feel much relieved now that the re-  
sponsibilities of the Presidency have  
been placed on other shoulders. The  
wrinkles have come into his face  
and his hair has turned nearly white

during these past four years. Our  
wish is that he may yet live many  
years—years of usefulness and hap-  
piness

**WE'RE IN THE FIGHT,  
BROTHER**

Quoting an editorial appearing re-  
cently in this paper, the Gaines  
County News last week proceeded to  
comment as follows:

"The Gaines County News editor,  
thinks the dries are giving up too  
soon. The trend of the above editorial  
indicates that Editor Hill has already  
conceded the wets victory. Why not  
put up a determined fight against  
this demon Rum, and then it will be  
plenty of time to wait after the bat-  
tle is lost. Now is the time to fight,  
and fight we must, if we are to re-  
tain the Eighteenth Amendment."

Maybe the editor of The Lynn  
County News is too pessimistic with  
respect to the Eighteenth Amend-  
ment. But for editors who have been  
indifferent and silent for all these  
years respecting the Amendment to  
begin now to protest against its re-  
peal seems to us to be another case  
of locking the barn door after the  
horse is stolen. This newspaper has  
been in the fight all these years. We  
do not claim to be wiser than others  
but in 1928 we saw that a fight to  
the death was to be made by the  
wets. Al Smith was then their cham-  
pion and their best hope. We fought  
the movement then and have been  
fighting it ever since. Many of the  
dries thought that we were unduly  
alarmed and we were bitterly casti-  
gated for our course by many who  
should have been standing by us.

Maybe the Eighteenth Amendment  
can be saved yet, but if so it will be  
a million miracles. With the Presi-  
dent declaring that it is doomed,  
with the Democratic party, which is  
now in power in the nation and in  
most of the states, preponderantly  
wet, with most of the Republican  
leaders in the wet column, with  
nearly all the magazines and the big  
daily papers filled with wet propa-  
ganda, with the prohibition laws be-  
ing held up to scorn on every side,  
with millions of young voters having  
come on the scene during the past  
few years, most of whom vote wet—  
some from ignorance of conditions  
that existed during the reign of the  
saloon and some because they think  
it smart to drink and to make fun  
of prohibition—poor fools!—we see  
little hope to save the Eighteenth  
Amendment. But as long as there is  
life, brother, we are in the fight.  
Glad to have you join us.

**HAIL TO THE CHIEF**

Most Presidents go into office with  
everybody apparently sounding their  
acclaim. Few of them retire from  
office as popular as when they went  
in. We demand of our Presidents the  
impossible. The greater the crises  
and the emergencies with which they  
must deal, the more exacting and ab-  
surd are our demands. Roosevelt  
went into office last Saturday a pop-  
ular hero. Many people are expecting  
him to accomplish the impossible.

He has apparently entered upon the  
performance of his duties with cou-  
rage, intelligence, and vigor. But the  
chances are a thousand to one that  
he will not be as popular two months  
from today as he is today. It is to  
be hoped that he proves to be a  
great President, but however great  
he may be, he will make enemies and  
plenty of them. Unreasonable criti-  
cism, hatred, abuse, incessant and  
malicious opposition have killed more  
Presidents than have the assassin's

bullet. That is one of the penalties of  
being president. Enemies refuse to  
treat the President fairly, whether  
that President be Democrat or Re-  
publican. It will not be long till  
venomous political and personal en-  
emies begin their assaults upon  
Roosevelt.

We believe in criticism that  
is prompted by sincerity and  
patriotism. We despise criticism that  
is inspired by malice or envy. We  
expect to criticize Roosevelt our-  
self when we think he is wrong, not  
that we dislike Roosevelt but be-  
cause we love our country. We hope,  
however, that we shall have much  
more occasion to commend than to  
criticize. Here's wishing success to  
his administration and hoping that  
he may be able to lead the way back  
to prosperity in this country.

Recent broils have again shown  
that a public dance hall is a nuis-  
ance. It makes no difference who  
may own and operate one of these  
places, it soon becomes a resort for  
bootleggers, boozers, and other un-  
desirable elements. A fight in which  
several persons engaged started in  
the dance hall here Saturday night,  
according to current reports, and it  
was with some difficulty that an of-  
ficer succeeded in quelling the dis-  
turbance. A dance hall in Tahoka is  
an undesirable institution.

**New Home**

Mr. W. I. Lemon left Saturday  
night for Gainesville after receiving  
a message that his nephew was seri-  
ously ill.

Mrs. M. C. Ball returned home last  
Saturday from Memphis, where she  
attended the funeral of her mother,  
Mrs. Lee.

Mr. and Mrs. J. T. Balch and little  
daughter were week end visitors to  
Sweetwater last week end. They  
were accompanied by Tony Balch.

Mr. and Mrs. F. N. Middleton and  
daughter and Mr. and Mrs. W. E.  
Farris and family attended the fun-  
eral of Uncle Nolen at Tahoka Sun-  
day afternoon.

Mr. and Mrs. E. E. Hancock of  
Anton visited relatives here Satur-  
day night and Sunday.

Little Mister Jimmy Campbell vis-  
ited his sister Mrs. Voyd Smith Sat-  
urday and Sunday.

Mr. and Mrs. V. L. Jones and  
daughter are home after visiting a  
week in Waco.

Mr. and Mrs. Marvin Hanback en-  
tertained the Senior Class and sev-  
eral of their friends with a "42" par-  
ty Friday night. Delicious refresh-  
ments were passed to Misses Lois  
Weekly, Aislee Bryant, Marguerite  
Bossey, Helen Lee Armontrout,  
Messrs. Orville Lee Hilton, Jack  
Hancock, R. A. Farris, and Mr. and  
Mrs. Hanback.

Mr. Guy Wilhoit left Tuesday for  
Knowles, New Mexico, where he will  
be employed by his brother for a  
while.

There is to be a play at the school  
auditorium Friday night entitled  
"New Adolph". Those taking part in  
the cast are: Mr. and Mrs. Frank  
Edwards, Mr. and Mrs. Marvin Han-  
back, Henry Heck, Jack Hancock, A.  
B. (Buck) Sutton, Wilmer Smith and  
Miss Lois Weekly. This is a two-act  
comedy. Everybody invited to come.

**Edith**

Here we come again after a long  
absence.

We did not have Sunday School  
the past two Sundays on account of  
bad weather. But we are expecting  
a large crowd this coming Sunday.  
Everyone come and be with us.

Quite a few people came out to  
singing Sunday night, but not as  
many as there have been. The sing-  
ing class has ordered new song  
books, and will have them by Sun-  
day night. We invite you to come  
help us sing.

Mrs. O. L. Sanders visited in the  
home of Mrs. A. R. McGonagill last  
Friday afternoon. Mrs. McGonagill  
who has been very ill is very much  
improved.

Mrs. A. A. Anderson spent Satur-  
day night and Sunday in the home  
of Mrs. Henry Cullifer.

Mr. and Mrs. E. S. Tippit, Mr.  
Dearman and daughter, Pauline,  
were visiting in Lubbock Monday.

Mr. and Mrs. E. D. Payne and  
family spent Sunday in the home of  
his brother near O'Donnell.

Mr. and Mrs. W. O. Bearden and  
baby spent the week end in Lamesa.  
Miss Dorothy Payne spent a short  
time Saturday night in the home of  
Miss Mary Gene Tippit.

Walter Chandler of Channing is  
here this week visiting his son, Law-  
ie Chandler, and assisting in the  
market. Mr. Chandler says that it  
is very dry at Channing and that  
much wheat has been blown out and

**Tips On Taxes**

Austin, March 8—As a tax mea-  
sure of major interest, the sales tax  
which was the subject of a great  
deal of discussion during the early  
days of the session, has given way  
to other tax proposals. A suggestion,  
which at the present time is claiming  
more attention than any other single  
tax measure, is one which proposes  
a radical departure in raising revenue  
and controlling production of oil.

The proposal embodies a repeal of  
the gasoline tax and the gross pro-  
duction tax on oil as its major reve-  
nue features. By a sharply graduated  
tax on oil production, beginning in  
some bills carrying the idea into ef-  
fect, with one cent per barrel on  
production from wells with maxi-  
mum daily output of five barrels and  
scaling up to much higher rates as  
the per well production increases.  
The top bracket calls for \$1 per bar-  
rel tax on production of well in ex-  
cess of 1,000 barrels per day.

The bills on this subject carry into  
effect suggestions made by Ernest  
O. Thompson, member of the Rail-  
road Commission, who claims that  
problems of both oil conservation and  
taxation would be solved by its  
adoption. The graduated tax on oil  
production would automatically re-  
gulate oil production to the market  
demand, supporters of the movement  
claim, and at the same time provide  
an easy and equitable means of ob-  
taining revenue. The bill is facing  
determined opposition, and the chief  
argument offered against it is that  
it will place Texas oil at a disadvan-  
tage by imposing a serious price dif-  
ferential. Hearings are being held,  
and the measure will doubtless un-  
dergo considerable modification. Opin-  
ion seems to be that while the propo-  
sal in its present form has little  
chance of adoption, there is a strong  
likelihood that the present State  
production tax on oil of two per  
cent of its sale price will be changed

### Some Observations By A New Senator

By ARTHUR P. DUGGAN  
State Senator, 30th District  
Having occupied a seat in the Texas Senate for some eight weeks now, I understand why a Legislator can usually accomplish little during his first time.

The technique of Legislation is such a maze of parliamentary usages and practices that the new man is likely to become bewildered. He must frequently watch his step most carefully or he may vote exactly contrary to his desires. I have seen that thing happen to some of the new Senators and even old timers have to change votes occasionally.

Getting a hotly contested bill enacted into law is a battle royal. The successful author must be a general indeed, what with "points of order," "parliamentary inquiries," "amendments," "personal privilege," "moving of the previous question," "motions to table," "will the Senator yield," "motions to substitute," and what not, flying fast and furious, he is lucky if his bill has any semblance of its original intention when it runs the gamut.

came down; now I expect to speak less.

Bills are, of course considered by committees before coming to the floor. I am on eleven committees, among them being the Finance Committee, the most important in the Senate. The work of this Committee has been greatly lessened by the Board of Control. They have figured every cent that ought to be appropriated by the State Government. Their report is bound in a large book. Every item is shown with previous appropriation, amount spent, amount asked for and amount recommended. Then a blank is left for the amount decided on by the Committee. The Finance Committee is the place where one can really learn of the state's affairs and business. It is grating work. The present Finance Committee is determined to cut appropriations at least 25 per cent this time and they are doing it. I am voting for every economy possible.

The Senators' mail this year is the heaviest ever, so the older Senators say. I reach my desk at 8:30 A. M.; work as hard as possible trying to answer the morning mail and entertain visitors until ten o'clock when the Senate convenes. During the afternoon committees meet, and these meetings must, and do, continue on into the night. The Senators' hours are from early in the morning on. Last Friday we adjourned at 2:30 A. M. The Senate was working on an emergency banking bill at that time.

We are living in a history making period of our national life. Momentous things are happening. Questions of tremendous importance must be faced and solved. The Texas Senate is composed of thirty-one intelligent and earnest men who are studying these issues seriously and doing their best to work out the best possible solution.

#### LACQUERED HAIR, SLANTED EYEBROWS TRANSFORM STAR

Black-eyed Sylvia Sidney, eyebrows slanted and hair lacquered, plays the title role in "Madame Butterfly," modernized screen version of one of the most treasured romances of all time, which comes to the English Theatre Sunday, Monday, and Tuesday. Cary Grant, Charlie Ruggles, Irving Pichel, and Helen Jerome Eddy play the principal supporting roles.

The story centers around Miss Sidney, cast as a high-born Japanese girl, and Grant, lieutenant in the U. S. Navy, stationed in Japan, who fall in love. When Grant learns that divorce in Japan is a simple matter, requiring only that the husband leave the wife, he decides to marry the girl, and take his pleasure while he remains.

Ultimately, he is sent back to the United States. He leaves, promising to return "when the robins nest again." In his heart, he is not so sure of that fact, however. But the girl takes him at his word.

He does return, years later, but under entirely different circumstances—circumstances which bring the picture to a dramatic, heart-stirring climax.

#### Dixie

Mr. Claude Carter entertained a host of his friends with a house party at his home last Saturday night. A number of games were played and everyone expressed himself as having had a good time.

The Live Wire Union League met at Dixie Sunday afternoon, March 5. A large crowd was present and the program delivered by the members of the Dixie chapter was enjoyed by all. The next meeting will be held at Slaton. Everyone is invited.

Most of the farmers in the community have started listing their land and some have already finished. We are all looking forward to better prospects for 1933-'34.

#### CARD OF THANKS

We wish to assure our friends and neighbors that we appreciate the many kindnesses shown and the assistance rendered us during the long illness and upon the death of our husband and father, E. J. Nolen. We are also grateful for the beautiful floral offerings. We shall never forget the goodness of the Tahoka pastors and many other kind friends.

CLUB AND CHURCH NEWS

#### WELCOME TO OUR SERVICES

There is one bright spot on the clouds of break-down and chaos. Just a few days before Herbert Hoover left the White House, he called in an humble Baptist preacher for three days conference and council. Dr. Geo. W. Truett was a guest in the White House for three days. The President says this is our way out.

Men of affairs, all around the world, are turning to the Prophets of God to point the way out and up! Why ought God relieve depression? When we have treated Him, His day, His book, and His cause as we have, and still continue to treat Him so? God has promised to heal our land when we humble ourselves and forsake our sins.

You are invited to be in our services Sunday. All of our people are urged to attend, both old-time citizens and new-comers. You need the help that the church offers you. Your children need the Sunday School and training services. All of us need the preaching of the Word. Be one of the 250 in Sunday School Sunday. Be one of the 400 in the preaching services morning and night. Let's have a home-coming Sunday. Why not every one of our 450 members be in Church Sunday?

A man ought not expect his wife to invite him home every night. Neither ought the church family to expect the pastor or deacons to invite them to church every Sunday. It's your church, and the world knows what you think of it by the way you attend its services.

Let's be there Sunday. Let's pray before we go. God is ready to lead when you are ready to follow! Welcome to our friends and visitors! "Come this way and we shall do thee good."—First Baptist Church Lawrence Hays, Pastor.

#### "HE'S MY PAL"

A play with the above title is to be presented at New Lynn auditorium Friday night, March 10. The cast of characters is composed of ex-high school boys and girls. No admission charges.

A. M. Hunt returned Friday from Sparta, Bell county, to which place he had been called by the serious illness of his aged mother, who had suffered a stroke of paralysis. He left her somewhat improved. Mr. Hunt says they have had much rain this winter in Bell county but that the blizzard in February killed the oat crop. He thinks that on that account there will be a larger cotton acreage in central Texas this year than last year.

We failed to mention last week the recent visit here of A. H. McGonagill of Santa Ana, California, who was here visiting his parents, Mr. and Mrs. A. H. McGonagill, the preceding week.

**Robt. Reid Will Move To Valley**

Robert Reid, mail carrier on route 3 out of Tahoka, has made his plans to leave Tahoka at the end of this month. He will remove to Mercedes in the Lower Rio Grande valley, where he will be carrier on one of the routes. L. D. Gildersleeve of Mercedes will move to Tahoka and succeed Mr. Reid as carrier on Route 3.

Messrs. Reid and Gildersleeve have not only traded jobs but have traded homes. Mr. Gildersleeve will occupy the Reid home here while Mr. Reid takes the Gildersleeve home in Mercedes. There is a small citrus fruit grove on the Gildersleeve premises which Mr. Reid is acquiring, he says.

Mr. Reid has been the carrier on this route for several years. He is a most excellent gentleman and has hosts of friends here, who regret his decision to leave Tahoka.

Mr. Gildersleeve has likewise been a carrier at Mercedes for a number of years but he is a native of Minnesota, having been born and reared near the Canadian line. He visited Tahoka something like a year ago.

**MRS. CRIE, PIONEER EDITOR WAS BURIED SUNDAY**

(Continued from first page)

1870, and was the eldest daughter of Rev. Richard H. and Mrs. Elizabeth Kennedy Adair. Mattie, as she was better known to many thousands of friends, was born and raised in a Methodist parsonage home and was baptized by Rev. John Pipes. At the age of seven she was converted and from early childhood was a member of the Southern Methodist Church. When nine years old she moved with her parents to near the present town of Godley in Johnson county, then on the edge of an unfenced and little known wilderness.

Here she grew to young womanhood and on June 12, 1890, was married to Harry C. Crie, who four years later united with the Southern Methodist Church and served for many years as Sunday School superintendent and steward.

To this union were born three girls and two boys, Julia, James, Elizabeth, Isabel and Richard. Of these Mrs. Sumner Clayton of O'Donnell and Mrs. Chas. F. Shook of Gallup, New Mexico, survive, and they assisted their father and grandmother to attend her in her last illness. Ten grandchildren, Sumner, Edward, Wayne, James, and Bill Clayton of O'Donnell, Adella Shook of Dallas, Elizabeth Crie of Tahoka, and Charles, Rita and Shirley Shook of Gallup, also survive her.

After four years at Floydada, where they had moved from their Johnson county ranch home, the Crie family moved to Tahoka in May, 1905, and for ten years operated the Lynn County News, Mrs. Crie acting as editor and reporter. She was perhaps one of the oldest newspaper women living in West Texas.

But it was as a friend, neighbor, and community leader that Mrs. Crie was at her best. True to the type of the original Martha, she gave her best talents for the furtherance of Christ's kingdom. She knew how to cook and how to organize and thru thus co-operating with the earlier Parsonage and Home Mission Society, did her full share in giving Tahoka Methodism its present commanding position in our community life. To her, much as to anyone else, is due the present cordial co-operation and fellowship existing between the two leading churches of Tahoka. Thru the most grilling work she helped raise the money for the lumber and night after night held the lantern for the carpenters to complete the first church building ever to rise in Lynn County. Through the Lynn County News and by personal effort she bravely fought for better school and community environment for those pioneer children, many of whom today occupy positions of honor and wealth largely through her efforts in their behalf.

A snappy writer and a pleasing extemporaneous speaker, Mrs. Crie was a born mixer and with a smile, a laugh and a pleasant word or two she seemed a born expert in getting her crowd to follow her leadership. She was in her natural element in the gayest of company, but it was in the home of sorrow, sickness, and bereavement that her real light shone brightest. There are too many of these to recount here but there is a book of remembrance beyond.

Mrs. Crie was a charter member of the Order of the Eastern Star and also a member of the Woodmen Circle.

**Crowd Expected At Legion Meeting**

Amarillo, March 9—The largest assemblage of World War veterans the Panhandle has witnessed in recent years is expected here on Friday, March 17, when National Commander Louis A. Johnson comes to this city.

Hanson Post, American Legion, is preparing to make this a gala day, with the expectation that more than 100 Legion Posts of this territory will be strongly represented.

The National Commander will arrive about noon and will be met here by State Commander Carl Nesbitt and other high ranking officers of the Legion. His arrival will be signalized by a parade through the business district, with bands, Legion drum corps, the high school cadet corps and other appropriate units in line.

In the evening, Commander Johnson will speak at the Municipal Auditorium, which seats 2,800 and will accommodate 3,500, on the principles and policies of the American Legion. All citizens interested in first-hand information as to the Legion's aims and ideals in the betterment of America are invited to hear this address. It will also be broadcast jointly by stations WDAG and KGRS (1410 kilocycles), beginning at 8:30 P. M.

After the speaking, all visiting Legionnaires and their ladies are invited to be guests of Hanson Post at a reception and dance in the Legion club rooms in the north wing of the Auditorium.

**Got Over Weak, Painful Condition By Taking Cardui**

"I was weak and run-down and suffered quite a bit with pains in my side," writes Mrs. Nick Baranco, of Beaumont, Texas. "I was nervous. I did not rest well at night, and my appetite was poor."

"My mother had used Cardui with beneficial result, so I decided to take it. I surely am glad I did, for it stopped the pain in my side and built up my general health. I took seven bottles in all."

For over 50 years, Cardui has been helping women just as this Texas lady describes above. Cardui is sold at all drug stores.
