## WIN DISTRICT MEET PLACES

### Short Sets Record in Discus Throw; County Contestants Win Several Places

Students from the local school that represented Lynn county at the District Interscholastic League Meet held in Lubbock last Friday and Saturday made a very creditable record for themselves and for the school. Superintendent J. B. Pace stated Tuesday.

Pearl D. Rogers was winner of first place in the Junior Girls Declamation contest, ward division; James Applewhite ranked third in the preliminaries in the High School Junior Boys Declamation contest; Dayton Short hurled the discus 112 feet and 3 inches, winning first place and beating the 1932-mark of 106 feet and 11 inches made by Stoddard of Lamesa; L. V. Alexander ranked fourth in the preliminaries in the 100 yard dash; and Dorsey Allison made a good run in the half mile run. "All these students except Dayton Short will be back in school next year and we are expecting greater accomplishments in the future," Mr. Pace stated.

In the track and field events, Tahoka, Plainview, Bula, and Spade tied for tenth place, there being twenty-six teams in the contest.

Students from other schools in the county likewise made good records.

In tennis, the Wilson team of girls doubles won first place, Leona Crews and Jessa Shaw defeating the Ralls duo.

In the essay contest, ward schools, Reva Veach of Draw won first place.

In the senior rural girls declamation contest, Vynomma Parks of Garrynn won first place and Mauryce Giles of Redwine fourth place.

In the entire meet, Wilson won 27 points, Draw 15 points, Tahoka 10 points, Garrynn 10 points, O'Donnell 2 points.

Standing of other schools were given as follows: Slaton 8 points, Lovellend 7 points, and Lamesa 2 1/2. Lubbock won in the district with 75 points, Littlefield and Ralls each made 45 points, Brownfield 39 1/2 points, Lockney 30, Olton 27 1/2, and Plainview 26.

## Seniors Preparing For Annual Play

"The Chintz Cottage," a comedy in three acts, will be presented as the annual Senior Class play Friday night, April 28, at 8:30, in the High School auditorium. The proceeds will be used for defraying the expenses of the graduating class.

In the play, Minty, an attractive girl of twenty, bored with society, comes from the city to rusticize in the village of Meadowbrook. She brings a maid and settles down for a state of peace and quiet. Minty does not rest, but she gets a "change" and falls for a husband.

The cast is an interesting one, with Minty topping the group: Minty, an attractive debutante—Elnora Dulaney.

Fanny, her maid—Lebusha Macha. Grace Kent, a neighbor—Orabel Willingham.

Feter Kent, her brother—Vernon Thompson. Miss Tillingtop, Minty's spinster aunt—Elizabeth Link.

Mr. Kent, whose hobby is golf—Kirk Pitts.

Mrs. Dean, Mr. Kent's housekeeper—Robbie Milliken.

The time, the present; the setting, Meadowbrook in Derbyshire; time of playing, two hours; admission, 15c and 25c.

## Improving Road To South Ward

Levi Nordyke, commissioner of precinct No. 2, reports that considerable road work is being done in his precinct. Two miles of the road between South Ward and Tahoka is being widened and the road for thirteen miles is being graded. Mr. Nordyke says this is the first time this particular road has been graded for ten years.

New dumps are also being built across the lakes on the road east of Draw. This is another piece of work that was badly needed.

## Sacred Harp Singers Meet Here April 30

We are requested to state that the Sacred Harp singing here on the fifth Sunday in this month will be held in the district court room. We made announcement of this singing last week but failed to state that it would be held in the court house.

Many visitors from a wide territory in this section of the state are expected to be present.

## BUILD WALKS FOR SCHOOLS

### RFC Funds Make Construction Of Sidewalks On Local School Grounds Possible

A sidewalk is being built from the east entrance of the high school building to the street, ten feet wide.

A four-foot sidewalk is also being built from the north entrance of the Central Ward building to the street.

The school board is furnishing the material for these improvements while the labor is being paid for out of the R. F. C. funds granted Tahoka.

The school board is also endeavoring to induce property holders to furnish the material for the building of sidewalks from the high school building to town. A part of this distance is already covered with sidewalks but quite a number of blocks have none. If these sidewalks could be built now it would add much to the attractiveness of the adjacent property and to the convenience of school children.

## ROADS BRING TOWNS MONEY

### Lynn County's Highways Are Asset To Business, Good Roads Association Reports

Austin, April 19—Lynn county's state highways bring \$171,000 a year in extra business to the county in the form of tourist trade, the Texas Good Roads Association has estimated from a survey of the state's last official traffic census.

This business, the survey points out, does not include "natural" trade from local cars or those of adjoining counties which obviously would increase with improved roads.

State checkers, from four days' actual count, found the average daily traffic to be: 450 motor vehicles on Highway 9; 100 on Highway 84; and 400 on Highway 7.

Motor traffic in Texas is divided, the experts have found in two almost equal classes. Roughly, half are local cars or from adjoining counties. The other half are from beyond the state or from Texas points at least two counties distant. The latter are genuine tourists.

"On this basis, some 475 outside cars cross Lynn county each day," the Association's survey said, "scattering their good American dollars among the restaurants, hotels, tourist camps, hot dog stands, garages, filling stations and stores along the important highways."

"If they spend as little as \$1 per vehicle within the borders of the county, then Lynn county's trunk roads mean \$14,250 in added business per month, or \$171,000 a year, exclusive of their convenience and saving to her own 12,000 people, who operate some 2,000 cars themselves."

The survey, conducted by the Association for every county in Texas, was designed to show importance of roads to each community, and thus arouse public opinion against any further diversion of gas tax money, which would cripple the highway program.

## EASTER MUSIC HEARD SUNDAY

### Music Club Presents Cantata Before Packed House At The High School Building

On last Sunday night an expectant audience which packed the lower floor and overflowed into half the balcony of the High School auditorium, greeted the processional of forty-two singers who composed the choir presenting the beautiful Easter cantata "From Death Unto Life."

Following the invocation, words of welcome and other acknowledgments were spoken by Mrs. Rubie D. Suddarth, president of the Tahoka Music Club which sponsored the entire program.

The Rev. H. C. Smith read an appropriate scripture and gave a brief but inspiring talk on "The Meaning of Easter." The offertory solo, a sacred arrangement of "The Rosary" by Ethelbert Nevin, was impressively rendered by Frank Sargent.

There is no way to describe the cantata itself to those who were not present. Suffice it to say that for forty minutes a continuous, connected program of splendid choruses, effective solos, duets, quartets, etc., presented in worshipful musical form the story of the Passion, Death and Resurrection of the Christ.

Since the cantata is a form of music not common to small choirs and churches each soloist, as well as the united chorus, deserves much credit and praise for their splendid co-operation and interest in its production, for their loyalty in attendance upon many tedious rehearsals, and for their unflinching harmony with each other and with their director. Only the spirit of real Christian service and worship could produce such gratifying preparations and results.

## KID SINGERS MEET APRIL 30

### South Plains Kid Meeting At New Lynn Is Expected To Draw Many Visitors

The South Plains Kid Singing Convention will convene at New Lynn the fifth Sunday afternoon of this month.

The last meeting was held in January at Central, where many were present and all enjoyed the meeting. If the weather will permit we can readily see that this will be the largest convention ever held. This body of singers is becoming widely known, and singers from the surrounding counties are expected to be present with a complete program from each class.

## Winter Weather Stages Return

Easter Sunday was a most beautiful day here but it was preceded by some very blustery, wintry weather. The worst storm of the season prevailed throughout Thursday, and high winds continued to blow Friday.

On Friday morning the thermometer had dropped down to 29 and it is thought that much of the fruit that had escaped former freezes was killed. The mercury stood at 34 again Saturday morning, and it must have been a little colder than that in places, for ice was reported.

In spite of the continued dry cool weather a few farmers have begun planting. Many others are just waiting for a rain. There are many small patches of wheat in the county but at this time the yield is not very promising.

W. R. Lacey, former teacher, is here.

W. R. Lacey, who was teacher of vocational agriculture in the Tahoka high school several years, leaving Tahoka about five years ago, was a visitor here Saturday.

Mr. Lacey has been appointed recently as farm agent for three neighboring counties, Dawson, Borden, and Scurry. It is possible that he may do some farm work in Lynn county later.

Since leaving Tahoka Mr. Lacey has served as field man for the Purina Mills, with headquarters at Sweetwater, and as field man for a South Texas Creamery.

During his two or three years residence here Mr Lacey made many warm friends in Tahoka, many of whom he met while here Saturday.

Edith, Draw Young People Married

Miss Olive Payne of Edith and Dudley Martin of Draw were united in marriage at the Methodist parsonage at Draw Wednesday night, Rev. L. N. Hester officiating.

The bride is the daughter of Mr. and Mrs. E. D. Payne of Edith while the groom is the son of J. D. Martin of Draw. They are popular in their respective communities and have numerous friends who are wishing them a long and happy life together.

Mr. and Mrs. J. L. Suits and baby of Lockney and Mr. and Mrs. J. D. Norris and daughter Mozelle of Slaton were guests in the home of Mr. and Mrs. A. A. Suits Sunday.

J. L. Suits, a brother of A. A. Suits, is editor of The Lockney Beacon. Mrs. Norris is their sister.

Miss Marie Brown is visiting friends in Amarillo.

Wilson Also Gains, But O'Donnell Loses; Fifteen Districts Are In Gain Column

While Tahoka's increase was 25 over last year, its present scholastic population is not as great as it was in two previous years. It has 673 scholastics this year while it registered 705 for the year 1929-30 and 710 for the year 1930-31.

The county likewise has had a larger scholastic population than it now has. Its scholastic population this year is 3612 whereas for 1929-30 it was 3764 and for 1930-31 it was 3776.

O'Donnell's peak year was 1926-27 when it had 570 scholastics. Wilson's highest was in 1930-31 when it had 444. Wilson has surpassed O'Donnell for the past two years.

We give below the figures for the past two years as furnished us by county superintendent H. P. Caviness and by Carl Griffing, secretary of the Tahoka Independent School District.

Fenton Raising Hogs In Big Way

Buster Fenton has gone into the hog business on quite an extensive scale this year.

At this time he has about thirty brood sows, sixty shoats, and 115 pigs. He expects many fresh litters of pigs during the next few weeks and is planning to have several hundred hogs to sell next winter and spring.

He has already sold 70 nice hogs this year, and while the price was far from satisfactory yet it cost him very little to raise them. He feeds them maize and corn principally—and maize is exceedingly cheap.

His pens are situated on his place two miles north of town.

We may get a report later as to the measure of success he meets with in these operations.

Women Attending Hereford Meeting

Mmes. Larkin Weathers, Daniel Davis, and Jessa Gurley left Wednesday morning in company with some ladies from Post to attend the district federated club meeting in session at Hereford this week.

They represent the Phebe K. Warner Club, the Junior Phebe K. Warner Club, and the Savantes Club, respectively.

Wilson Edwards, 13, son of Mr. and Mrs. W. B. Edwards, underwent an operation for appendicitis in the Lubbock Sanitarium Wednesday morning and is doing well.

**GIVE WEST TEXAS A  
SQUARE DEAL**

We again rise to remark this  
state should be cut into new repre-  
sentative districts. Under the present  
scheme West Texas is not getting  
a square deal.

For example, our own district, the  
119th, with John N. Thomas as  
Representative, consists of nine coun-  
ties with a combined population of  
100,278. The Plainview district just  
north of us consists of eight counties  
with a combined population of 78,758.  
The Amarillo district lying adja-  
cent to the Plainview district on the  
north consists of six counties with a  
combined population of 71,608. The  
district lying just south of our  
own, the Big-Spring-San Angelo  
district, consists of six counties with  
a combined population of 66,892.

Now let us take a look at East  
Texas. Cass county alone, for in-  
stance, constitutes one district and  
in addition to that it is one of three  
counties that constitute another dis-  
trict. It alone has one representative  
in the legislature and helps elect an-  
other. Yet Cass county has a popula-  
tion of only 30,080, and 10,546 of  
these are negroes.

Take Wood county. It constitutes  
a separate district and yet it has a  
population of only 24,183, of which  
4,017 are negroes.

Look at Panola county. Its popula-  
tion is only 24,063, of which 10,269  
are negroes, and yet it constitutes a

separate Representative district.

There is Shelby county, consti-  
tuting another district, and it has a  
population of only 28,627, of which  
7,171 are negroes.

These four counties have a com-  
bined population of only 106,953, of  
which 32,003 are Negroes; while the  
four West Texas districts mentioned  
above have a combined population of  
317,011, practically all of whom are  
white.

These four little East Texas coun-  
ties have a larger representation in  
the legislature than the four big  
West Texas districts consisting of 29  
counties and containing a population  
three times as great as their own—  
four times as large a white popula-  
tion.

We are not opposed to the negroes  
being represented at Austin, but we  
don't like for them to be too well  
represented. We feel that the white  
people of West Texas are entitled to  
an even break with them any way.

We do not know what the prospect  
is for getting a new deal in the mat-  
ter of representation at Austin from  
this legislature. But in our opinion it  
is more important to us that we get  
a new deal on legislative districts  
than it is that we get a new deal on  
Congressional districts. West Texas  
can not expect a fair deal at Austin  
till it gets fair representation in the  
legislature.

Give West Texas a square deal.

The Senate and the House are  
wrangling again over a Congressio-  
nal redistricting bill. The House has  
passed a bill creating a new district  
with San Angelo as the center while  
the Senate has passed a bill eliminat-  
ing the San Angelo district but creat-  
ing a new district over in the oil  
section of East Texas. Both bills  
provide for a new south plains dis-  
trict. The two Houses may iron out  
their differences and pass a com-  
promise measure or they may come  
to a dead-lock as they did two years  
ago and fail to redistrict. We hope  
they get together on some measure  
that will be approximately fair. By  
all means Texas should be redistrict-  
ed and the South Plains given a  
Congressman.

J. H. Edwards and Skip Taylor  
left Sunday in company with Attor-  
neys Franklin D. Brown and Dur-  
wood Bradley of Lubbock for the  
border country, to be gone several  
days. They may run over into old  
Mexico for a brief visit before re-  
turning.

**THE TRUTH WILL OUT!**

One bunch of Tahoka citizens went  
on a most successful fishing trip re-  
cently and we failed to note it at  
the time. They brought back an eight-  
teen-pound cat that they claimed  
to have caught in the limpid waters  
of the Clear Fork near Lueders. The  
proud anglers were Layne Moreland,  
Beacon McCord, W. D. Smith, and  
Louie Weathers, and for several days  
they strutted their stuff and passed  
as the champion fishermen of Tahoka.  
But pride often goeth be-  
fore a fall. Some heartless brute who  
happened to be down at Lueders a  
few days later brought back the as-  
sounding information that the boys  
had caught this fish on dry land with  
a silver hook, and when confronted  
with the evidence the boys broke  
down and confessed. It was awful,  
folks, awful!

NEW LYNN PEOPLE SICK; ONE UNDERGOES OPERATION

The News has been informed that Mrs. M. Chesser of New Lynn is quite seriously ill, and her condition does not seem to be improving. She is being cared for by her daughter, Mrs. E. G. Ferdus.

WHAT IS ALL THE KNOCKING ABOUT?

What is all the knocking about? That is the 4-H Club girls wielding the hammers—Miss Bernice Etter of Wells equipping her clothes closet with rod for hanging dresses, shelf for hats, folded clothing and bed-room linens, and racks for shoes; Loree Barnes of Wells moving linoleum from her floor to refinish the

floor and replace the linoleum with hooked rugs; Mollie Cato of Morgan building a clothes closet in her bedroom; Myrna Hester, Draw, hanging her new bedroom curtains; Christine Owens, Edith, making an old dresser into a modern piece of furniture by taking the mirror loose and swinging it above the chest of drawers and refashioning both mirror and chest of drawers. A bedside table was made from the scraps of lumber left from the old dresser.

Other girls improving their rooms are: Minnie Fay McMillan, T-Bar club; Mildred Perdue, Morgan club; Pansy Tankersley, West Point club; Lane Shockley, Joe Stokes club; and Odean Boen, individual demonstrator at South Ward.

Two talks were given: "Health" by Mr. Hunter, and "The Influence of Music, Art, and Literature on the Health of Children" by Mrs. R. W. Fenton sr. A musical reading, "Forgotten," by Virginia Simford, accompanied at the piano by Elizabeth Wyatt, was the closing feature of the program.

During the social hour everyone enjoyed an unusual school exhibit. This exhibit represented the excellent work that the school children are doing. Much credit is due the faculty of teachers, for the work would compare favorably with any in the state.

The finishing touch for the afternoon was added when punch was served in the hall from a table presided over by Mrs. W. L. Burleson and Mrs. J. H. Powell.

LEE TRACY APPEARS HERE IN "PRIVATE JONES"

Lee Tracy in a role just made for him!

Lee Tracy, the scrappiest dough-boy who ever carried a mess kit, in the fastest talking, greatest role of his scintillating career—Private Bill Jones in Universal's "Private Jones," comes to the English Theatre Sunday, Monday and Tuesday.

As a draft-dodger who couldn't see any reason to get killed for the sake of democracy, who couldn't feel the slightest pang of patriotism, who rebelled his way through the A.E.F., who was branded "yellow" by his fellow soldiers, who was everything that an American doughboy did not represent, but who proved his mettle when the time came in his scoffing, hard-boiled, devil-may-care manner, Tracy rises to heights of greatness never before approached. He'll thrill you, anger you, amuse you—you'll know him for what he is—the greatest comedy character, the most vivid personality of the dear olive drab

days ever presented on the screen. Plan at once to see this genuine epic of the American soldier, to see Tracy, the incomparable, in a picture that will hold you and stay in your memory forever. Gloria Stuart, Bertion Churchill, Donald Cook, Frank McHugh, Russell Gleason, Emma Dunn, Shirley Grey—a great cast in the greatest human drama of their careers!

Miss Fredice Weathers, who is attending the Texas Tech, spent the week end here with her father, S. N. Weathers. She will receive her degree at the end of the Spring term and has been employed to teach in the intermediate grades at Dixie next year.

A TONIC Laxative CONSTIPATION, with the annoying symptoms that usually come with it, cuts down organic force and disturbs normal health and well-being. A thorough cleansing of the digestive tract is of great assistance in the removal of sickening constipation symptoms. When excessive accumulated waste matter disturbs and strains the muscles of the large intestines, rendering them temporarily unable to perform their wave-like evacuating movements, Theford's Black-Draught is useful in stimulating them to activity, which, again started, should continue regularly until some future disturbance interferes. In this way, Theford's Black-Draught is one of the TONIC laxatives, tending, as it does, to establish a regular habit of evacuation. "I'm a user of Kruschen Salts as a reducing remedy and can say they are fine. Have lost more than 40 lbs. in the past year. Am gradually reducing as my doctor advises." Miss Bertha Waldo, Haman, N. Dak. (Oct. 30, '32). Once a day take Kruschen Salts— one-half teaspoonful in a glass of hot water first thing every morning. Besides losing ugly fat SAFELY you'll gain in health and physical attractiveness—constipation, gas and acidity will cease to bother—you'll feel younger—more active—full of ambition—clear skin—sparkling eyes. A jar that lasts 4 weeks costs but a trifle at any drugstore in the world—but demand and get Kruschen and if one bottle doesn't joyfully please you—money back. W-2

**Crowd At Methodist Easter Services**

A large congregation worshipped at the Methodist church Easter Sunday morning and proved an attentive and appreciative audience. The Rev. Smith preached an inspiring Easter sermon using I John 3:2 as his text. Easter hymns and a mixed quartet—Mmes. Smith and Carmack, Fred Brey and Dr. C. B. Townes—which sang a special selection, comprised the musical part of the worship. W. E. Suddarth presided over the preliminaries. A number of infants and children were baptized at this service and a self-denial offering was another feature.

For the church school worship the prelude was Massenet's "Elegie," followed by a beautiful solo, "The Holy Hour" sung by Frank Sargent. In the absence of the adult superintendent, G. M. Reid conducted the remainder of the worship period.

Night services were dismissed in deference to the Easter program of sacred music held at the High School.

The church school attendance is gratifying. Already plans are under way for summer activities, additional classes, etc., and every one is urged to do his bit in every possible way. Attend the mid-week service! It will do you good. Be on time Sunday at 9:45.—Reporter.

**Applications For Work Due Soon**

Applications for employment in the conservation work to be begun soon under a law recently enacted by Congress are expected to be here within a few days, Judge B. P. Maddox stated Wednesday. When the applications arrive he will be able to give full information as to the scope of the work and the requirements for applicants to meet.

This work embraces reforestation, drainage, soil erosion and flood control, etc. A dispatch from Austin Monday stated that it is planned to establish at least sixty camps in this state and to employ at least 12,000 laborers.

**NEGRO TEAM WINS**  
Early Lee Lawson, manager of the Tahoka negro ball team, reports that his team won a game from Brownfield in that city Sunday. The Brownfield team will play a return engagement here on Sunday, April 30. The local team expects to play Slaton in that city next Sunday.

Alex Riddle had another severe attack of gall bladder trouble Tuesday night and has been confined to his room since.

W. H. Thornhill was called to Holland Monday by the death of a brother, who resided at Athens. The remains were to be buried at Holland.
