Number 7

## Will Receive Highway No. 9 Bids Oct. 16

### COURT CASES SET MONDAY

Parkhurst And Dixon Cases Are Scheduled For Trial Here Early Next Week

The criminal docket in the district court will be taken up Monday morning. There are quite a number of cases on the docket for trial, most of them being new cases, since most of the old cases were cleared from the docket last term.

The Parkhurst case will be the first case called Monday morning, since a special venire of 108 men has been summoned in this case. Parkhurst is charged with a statutory offense. A trial at the last term of court resulted in a "hung" jury.

The C. L. Dixon case is also set for Monday. Dixon is charged as one of the principals in an alleged conspiracy to steal and embezzle gasoline from a wholesale oil company in O'Donnell a couple of years ago. Companion cases were those against Al Scott, Veasey, and Oliver Todd. Scott was convicted and given two years in the penitentiary at the last term of court. Veasey drew a two years suspended sentence. Todd was used by the State as its star witness.

If the week is not consumed in the trial of these two cases, there are a number of new cases which will be tried, and the week promises to be a busy one.

### J. P. Benson Has Excellent Cotton

Last week we said something about L. H. Perkins' fine cotton crop. Ed Redwine says that he knows other crops that will match it. He says that J. P. Benson, who lives on the Happy Smith farm situated on the Tahoka-Wilson public road, is now picking—not snapping—900 pounds of cotton to the acre and is not getting more than half of it. And it doesn't take over 1400 pounds of this cotton to gin out a 500-lb. bale. So, if Benson and Redwine haven't got their figures wrong, this twenty-acre field is making more than a bale and a quarter per acre.

Mr. Redwine says that there is much cotton in the county that will make a bale per acre. Among these is L. A. Bryant at New Home. But Mr. Bryant has a record as a good cotton farmer. He made sixty bales last year on seventy acres and seventy bales two years ago on eighty acres.

But Irvin Stewart says just wait till you hear from him. He has about thirty acres in a field two miles north of town and says he is going to gather forty bales; but he is not putting out anything yet.

Say, there is a lot of good cotton in Lynn county, folks.

Jesse Eubanks was here from Lueders Wednesday night and today, just attending to a little business. Jess bought a new car here recently and was much pleased with the new machine. Jess was mail carrier here many years and it is a little hard for him to get weaned from the old town. We hope he never does.

### Tahoka Buildings Are All Full Up

Tahoka is full up! With the leasing of the Treadway building on Main Street this week to the Lynn County Recreation Club, every business building of every description, with one exception, is occupied. The exception is the theatre building north of Carlos Courts, and it is not likely that this will be occupied soon, since we have one theatre in operation. There is also a great demand for rent houses, and there is not a vacant house in town, it is said. Prosperity has returned!

### Wheat Growers' Meeting Tuesday

Joe Williams, emergency county agent, has announced that there will be a meeting of wheat growers at the court house in Tahoka next Tuesday afternoon, October 10, at 2 o'clock, for the purpose of organizing the Lynn County Wheat Growers Association.

The purpose of this organization is to enable the members to share in the benefits of the Government wheat acreage reduction program that is to be carried out next year. All wheat growers in the county are urged to attend.

### 1400 BALES ARE GINNED HERE

Beautiful Weather Aids Gathering Of Large Crop; Cotton Is Coming In Fast

Nearly a thousand bales of cotton have been ginned in Tahoka since our report last week. The five gins here early Thursday morning reported a total of 1397 bales ginned this season against 436 reported last week.

The cotton has been opening rapidly and many pickers have come into the county during the past week. The price has ranged from 9.25 to 9.75 on the local market, though there has been a slight decline in the price the past two or three days. Seed are quoted at \$3.00 per ton.

Business has felt the stimulus of the new crop. Last Saturday was the best business day local merchants have had in many months. Business has been fairly good throughout the week but very modest as compared with Saturday's run. A much better day, even, is expected by merchants next Saturday.

### Teachers Meet Here Saturday

Superintendent H. P. Caveness announces that there will be a teachers meeting at the court house here next Saturday morning from 10 a. m. to 12 M.

All the teachers of the county are supposed and expected to attend, except from districts having more than 500 scholastic population. Tahoka is the only district coming within the exception, and the teachers of the Tahoka schools are invited to attend.

Among the items of business to receive attention will be the matter of organizing for the interscholastic league contest. Prof. G. D. Holbrook of the state superintendent's office will be here and speak.

Miss Lola Belle Johnson, who is teaching in Dawson county, came home Tuesday and left for Abilene Wednesday to attend Simmons University a few weeks. The school in which she is teaching in Dawson county dismissed for a few weeks to enable the children to pick cotton.

### SMOOTH FAKER RESORTS TO TEARS AT BIG SPRING

One of the smoothest charity gags ever pulled is now being worked along the Bankhead highway. A boy 10 or 12 years of age has been trained to shed tears at will. He goes from house to house selling a broom holder. If the housewife refuses to buy, the tears begin to flow. "Do you want my mother to starve?" he asks the housewife, and nine out of ten will fall for the racket and pay 15 cents for the 5 cent article.

The boy refuses anything to eat nor will he accept food to carry to his mother. He explains he cannot carry anything except the box containing the articles he has for sale.

He worked Big Spring and Midland last week. Big Spring News.

### MORE CHECKS ARE RECEIVED

Additional Plow-Up Checks Bring Total To 711; \$201,119 In Money Received

Another batch of cotton plow-up checks came in Monday. Rather there were two batches aggregating 199 checks and calling for \$52,704, averaging approximately \$265 each.

This brings the total number of checks up to 711 and the total receipts up to \$201,119, according to previous reports given us by Joe Williams, the emergency county agent.

Mr. Williams says that he had a communication a few days ago stating that checks are now being mailed at the rate of 40,000 daily. It is believed that the remainder of the checks will be sent out within the next two or three weeks. Lynn county's total will be about \$552,000, according to figures given out some weeks ago, though the figure may prove to be slightly inaccurate when all checks are in.

### Another Dawson Project Approved

According to a dispatch appearing in Thursday's daily newspapers, the state highway commission has approved the grading and drainage work on highway No. 9 from Lamesa to the Martin county line, a distance of 20 miles. Right-of-way has recently been secured and actual work will begin soon after the contract has been let.

It will be noted that the new survey of this road shortens the distance by some six or eight miles, the distance by the present highway being about 27 miles to the Martin county line.

Work is going ahead on highway No. 9 north of Lamesa to the Lynn county line. Lamesa Reporter.

### Dr. Dudgeon Dies; Owned Land Here

Dr. L. O. Dudgeon of Sweetwater, one of the most successful physicians in that city and prominent throughout that section of the state in business, religious and civic affairs, died in that city Sunday, death following an appendicitis operation which he had undergone a week before.

Dr. Dudgeon was one of the trustees of McMurry College, Abilene, a member of the educational board of the Methodist Northwest Texas Conference, and prominent in American Legion work. He made frequent business visits to Tahoka, since he owned several farms in the South Ward community.

Leave your job printing dollars at home. Phone 35.

### CHURCH MEET IS HELD HERE

Meeting of El Paso Presbytery Held With Local Church All Day Monday

The district meeting of the El Paso Presbytery brought many visitors to Tahoka Tuesday, and the little church here was crowded with those in attendance.

Mrs. S. S. Ramsey made the visitors feel welcome in a neat little welcome address, and the response was by Mrs. Presley of Lubbock.

The principal address of the occasion was by Rev. J. M. Lewis, D. D. of Lubbock, who spoke on Home Missions. There was special music by some Lubbock ladies and a violin solo by Mary Jane Weathers of Tahoka.

The Presbyterian ladies of Tahoka served a most delightful lunch at the noon hour.

Visiting ministers were Rev. G. C. Bidwell of Crosbyton, Dr. J. M. Lewis of Lubbock, and Rev. W. K. Johnston, superintendent of Evangelism of the El Paso Presbytery.

### Sing-Song Each Month Planned

The Tahoka Music Club announces that it will again sponsor a series of monthly community singings in Tahoka this fall and winter. These singings will be held at one or the other of the churches on the second Sunday afternoon of each month, beginning at 3 o'clock, according to Mrs. Ruby D. Sudarth, president of the club.

The first of these programs will be given at the Baptist Church next Sunday afternoon. The general public, and especially all lovers of the best sacred music, are urged to attend. Negro spirituals and folk songs may also be given from time to time.

### Truett Smith Is Roll Call Chairman

Judge B. P. Maddox, chairman of the Tahoka Red Cross Chapter, announces the appointment of Truett Smith as chairman for the Red Cross Roll Call, which will begin on November 11 and close on November 15.

Announcement as to the quota for this county will be made later.

### Uncle Ben Rogers Performs Marriage

Hubert Martin and Miss Stella Mae Simpson living a few miles northeast of Tahoka were married here Saturday morning in the office of the justice of the peace. Uncle Ben officiating.

Pay up your subscription now!

### Diphtheria, Fever Cases Reported

Dr. E. E. Callaway reports that two diphtheria cases developed in Lynn county last week, one in the Three Lakes community and one in the Joe Bailey community. Both cases are under quarantine and both patients are recovering.

Recently there was a scarlet fever case in the New Lynn community, but this patient too has recovered.

### PREVENTION OF FIRE IS URGED

Tahoka Will Observe National Fire Prevention Week From October 8 to 14

In conformity to the action of state authorities, the City Council of Tahoka has designated next week as Fire Prevention Week.

The purpose is, of course, to induce the people to be cautious and careful to prevent fires within our limits this winter, most of which could be prevented by proper precaution. Losses by fire amount to hundreds of millions of dollars in the United States annually, according to the National Board of the Fire Underwriters. Nearly half this loss is due to fires of unknown origin. The known causes are listed in the following order: Exposure (including conflagration); matches—smoking; defective chimneys and flues; incendiaries; stoves, furnaces, boilers, and pipes; misuses of electricity; sparks on roofs; and various minor causes.

The number of fires in a town within any given year increases the insurance rates, which the people must pay. Fires, therefore, are not only expensive to the individual loser but they are expensive to the general public. Tahoka's fire record has been exceedingly bad the past few years and the people are paying the bill in increased fire insurance rates.

Pete Coleman, city fire marshal, is requesting all boys in Tahoka between the ages of 11 and 17 years inclusive to come to his place of business, the Anchor Filling Station, and sign up with him for a bit of service and entertainment. He promises them a good time, a real treat, if they will merely come and sign up.

### Tax Collections Good, Cade Says

Many of our citizens are taking advantage of the saving that can be effected by paying their taxes now, according to A. M. Cade, tax collector. "We are going to make a very good showing this month," Mr. Cade says.

"Our people realize how badly the county and school need the money, and since the people are fortunate enough to have a little extra money this year it is a credit to our citizenship that they are taking care of the back taxes first."

Mr. Cade looks for much better collections as more people get out cotton and receive their plow-up checks.

### Sunday Busy Day For Local Preacher

Elder R. P. Drennon reports that last Sunday was an unusually busy day for him. In addition to filling his pulpit at the Church of Christ here at both the morning and the evening hours, he married a couple at 9:45 in the morning and attended a great wedding anniversary at Graham Chapel in the afternoon.

The occasion was the fortieth anniversary of the wedding of Mr. and Mrs. A. Stone, prominent residents of that community. The preacher says he had a great time.

### ROAD PAVING NOW ASSURED

Highway Department Advertis For Bids On Grading, Drainage North Of Tahoka

Bids for grading and drainage structures on highway No. 9 from Tahoka north to the Lubbock county line, a distance of 15.7 miles, will be received by the State Highway Department on Monday, October 16. A notice for bids is published elsewhere in this paper.

Highway No. 9 is already paved through Lubbock and Hale counties and paving is about complete in Randall county. Contract has been let for grading and drainage structures in Swisher county. When these contracts shall have been completed and when paving shall have been laid in this and Swisher counties, we will have a paved highway all the way from here to Amarillo. Grading and drainage structures are now being built from O'Donnell to Lamesa, and it is expected that other contracts covering the entire course from here to Big Spring will be let within the next few months.

The paving of No. 9 throughout its course in Texas, which is a federal as well as state highway, will go forward just as fast as right-of-way can be procured and funds become available for the work. Possibly within the next two years this will be a paved highway from Amarillo to San Antonio.

### Mexico Infatuates 'Sonny' Roberts

Sonny Roberts, the seven-year-old son of Oscar Roberts, who accompanied his dad, Judge W. E. Smith, and Aubra Cade to Mexico recently seems to have become infatuated with ranch life in that country, according to the story which the party are telling here this week.

The party had been visiting a day or two on a big ranch which Oscar and family had visited on two or three previous occasions, and the wealthy proprietor, Gooch Norton, and Mr. Roberts had become fast friends. The host and his guests had put in one day hunting and Sonny had been captivated by the friendliness and the favors which Mr. Norton had shown the kid. So, the next morning, when the party were preparing to depart for home, they found that Sonny wanted to remain. Just as a joke, Norton whispered to the kid that if he wanted to stay to mount that horse which Mr. Norton had given him, and take to the hills. No sooner said than done, Sonny mounted his horse and lit out. In just a few moments his fleet-footed steed had taken him over the hills and far away. A neighbor ranchman who had just come up gave chase, expecting to catch the lad and bring him back. But his horse was not equal to the task and the rider finally gave it up as a bad job. An hour the party waited and the kid had not returned. Two hours passed and still no Sonny anywhere in sight. Mrs. Norton then decided to mount her horse and find the boy. After a long hunt she succeeded in locating him and his mount hidden in an arroyo, and with much persuasion she induced him to return with her to the ranch home. When Aubra Cade seized the bridle reins, the kid readily dismounted and climbed into the car of the waiting party without further protest.

But Sonny is going back to the ranch some time, for Mr. Norton promised him the use of the fine steed any time he might come.

Mr. and Mrs. Penny North, who live about three miles northwest of town, announce the arrival of a 4½ pound daughter last Thursday. Mrs. North was formerly Miss Mildred Wetzel.

vidual, firm or corporation, that  
may appear in the columns of The  
News will be gladly corrected when  
called to our attention.

## LOOK OUT FOR GRAFT

Jim Ferguson moved Heaven and  
earth—at least he did all in his power  
to move this particular part of the  
earth; we doubt if he had much in-  
fluence on Heaven—but he made a  
number of tearful speeches to in-  
duce people of Texas in the August  
election to authorize the legislature  
to issue 20 million dollars of relief  
bonds. He told the people that "if  
these bonds were not issued thou-  
sands of people in Texas would be  
on starvation this winter and that  
pandemonium or something worse  
would break loose.

A vast majority of the good  
people of Texas joined in with him  
on this proposal, and the issuance  
of the bonds was authorized. The  
matter is now up to the legislature.

But Ferguson is now demanding  
that the bonds be issued and the  
money handled by the Westbrook  
committee, a part of which he him-  
self named and which he domi-  
nates. Many complaints have already  
been made that politics is being  
played and money wasted by this  
committee. The overhead expense  
has been too great. The facts  
brought to light threatened to  
wreck Ferguson's play house. So at  
this stage of the game, on last Fri-  
day to be exact, Mrs. Ferguson sent  
an S. O. S. call to the legislature.  
She told them that there are ap-  
proximately 900,000 people on relief  
rolls now. She says before the law  
can be passed, the bonds issued and

the money gotten in hand by the  
speediest methods possible there will  
be a million hungry people in Tex-  
as. If relief is not furnished, there  
will be 1,500,000 on the relief rolls  
by the middle of January, she  
states, describing the situation that  
would follow as "the most desperate  
and grave of our day and genera-  
tion." Then she proceeds to try to  
persuade the legislature to pass the  
specific bill which she and Jim had  
prepared and submitted.

Tommyrot!

Who believes that there will be a  
million hungry people in Texas  
within the next thirty days? Who  
believes that virtually one-fourth  
of the people of Texas will be on re-  
lief rolls by the middle of January  
if this 20 million dollars is not given  
into the hands of the Fergusons  
to disperse?

We didn't favor this bond issue  
from the start. We are not for it  
yet. But if 20 million dollars is to be  
doled out to the people of Texas,  
air-tight safeguards against graft  
and waste should be provided.

## ROOSEVELT RINGS THE BELL

In addressing the American Le-  
gion in Chicago Monday, President  
Roosevelt laid down a proposition  
which, it seems to us, must meet  
the approval of every patriotic and  
unbiased citizen, whether he ever  
donned the uniform of his country  
or not.

"The first principle, following in-  
evitably from the obligations of citi-  
zens to bear arms," President  
Roosevelt said, "is that the govern-  
ment has a responsibility for and  
toward those who suffered injury  
or contracted disease while serving  
in its defense."

"The second principle is that no  
person, because he wore a uniform,  
must thereafter be placed in a spe-  
cial class of beneficiaries over and  
above all other citizens. The fact of  
wearing a uniform does not mean  
that he can demand and receive  
from his Government a benefit  
which no other citizen receives. It  
does not mean that because a person  
served in defense of his country,  
performed a basic obligation of  
citizenship, he should receive a pen-  
sion from his Government because  
of disability incurred after his ser-  
vice had terminated and not con-  
nected with the service."

"It does mean, however, that  
those who were injured in or as a  
result of their service are entitled  
to receive adequate and generous  
compensation for their disabilities.  
It does mean that generous care  
should be extended to the depen-  
dents of those who died in or as a  
result of service to their country."

This states the matter so clearly  
and fairly that we do not see how  
any one could dissent. We believe  
that it expresses the views and  
convictions of the great majority of  
the citizenship of America. These  
principles should guide our Con-  
gress in dealing with all matters  
pertaining to the services of those  
who have worn a soldier's uniform.

A service club for men is one of  
the great needs of Tahoka—some  
kind of luncheon club. With no  
chamber of commerce and the Ki-  
wanis Club dead, there is not a  
men's organization in the town.  
There are several civic and social  
clubs for women, all of which are  
functioning in a most satisfactory  
manner, but every town needs some  
kind of service club for men. It was  
the depression that killed our  
chamber off commerce and the Ki-  
wanis Club, but now that prosper-  
ity seems to be returning we men  
should get busy. A luncheon club in  
which every man in town could be  
eligible for membership would be  
our suggestion. What is yours?

## WHERE DID YOU GET IT, JIM?

A former bookkeeper of the Fer-  
guson Forum recently testified be-  
fore a Senate committee that be-  
tween January 4 and August 12 of  
this year Jim Ferguson had deliver-  
ed to him for deposit in a bank a  
total of \$22,100 or thereabout, all  
in currency. Most of it was in \$50,  
\$100, and \$500 bills. One or two of  
them was for \$1,000. Jim has not  
denied it, but he says in substance  
that the Senate had better be at-  
tending to its own business rather  
than prying into his private affairs.

We wonder if there is another  
man in Texas who has been doing  
private business in this way this  
year. Most of us use checks. We  
wonder also if Jim did business this  
way in off years—that is, in  
years when Ma was not governor.

Jim is challenging the world to  
file some specific charge against  
him. The world likely won't do it,  
but the world would like for him to  
explain where he got the money  
and why he is doing business in  
this peculiar manner.

Last week's issue of the O'Don-  
nell Index was a humdinger. Clos-  
ing its tenth year of service to O'-  
Donnell and surrounding territory,  
it got back into the eight-page  
class, after a few years of depres-  
sion. While carrying a lot of news  
and other good reading matter, it  
had an unusually large amount of  
advertising. A Lamesa dry goods  
house carried a whole page, O'Don-  
nell grocery merchants carried nice  
ads quoting prices on their grocer-  
ies, other business men carried nice  
individual ads, and all of them in-  
serted a two-thirds-of a page co-  
operative ad, while the gins used  
about a third of a page, and a La-  
mesa Tire company used a half  
page. Now that prosperity is re-  
turning, those O'Donnell and La-  
mesa business men are going after  
the business.

## THREATENS TO DRENCH US

The Lynn County News still  
thinks we are mad at them. Surely  
Hill doesn't think we stay mad all  
the time. Some of these days we  
are going to get a bottle of 3.2 and  
go over there and get a few of those  
old Tahoka roughnecks to help us  
drench Hill.—Brownfield Herald

No, we knew you would get in a  
good humor, Jack. Come on along  
with your 3.2. It will take a whole  
bunch of "rough-necks" to put  
that stuff down us, though.  
Don't believe anybody ever liked any  
kind of beer the first time they  
tasted it. Slop! We are hearing a  
lot of fellows say that this 3.2 is  
punk stuff. It all is. Why anybody  
wants to cultivate a taste for it is  
beyond us. But say, Jack, you will  
have to bring the "roughnecks" too;  
we don't grow that kind over here.

Although there have been mut-  
terings of extravagance and graft  
in some counties respecting the ex-  
penditure of the public works  
funds, we have heard absolutely  
no criticism of the manner in which  
the fund has been expended in  
Lynn county. There has been no ex-  
travagance in the handling of any  
of the federal relief funds here, we  
are happy to say.

## NOTICE OF ADMINISTRATOR'S FINAL ACCOUNT

The State of Texas,  
County of Lynn.

To the Sheriff or any Constable of  
Lynn County—Greeting:

J. K. Applewhite, administrator of  
the estate of J. L. Cyphers, deceased,  
having filed in our County Court his  
final account of the condition of the  
estate of said J. L. Cyphers, deceased,  
together with an application to be  
discharged from said administra-  
tion, you are hereby commanded  
that, by publication of this writ for  
twenty days in a newspaper regu-  
larly published in the county of Lynn,  
you give due notice to all persons  
interested in the account for final  
settlement of said estate, to file their  
objections thereto, if any they have,  
on or before the October Term, 1933,  
of said County Court, commencing  
and to be holden at the Court House  
of said County, in the City of Tahoka,  
Texas, on the fourth Monday in  
October, 1933, the same being the  
23rd day of October, 1933, when said  
account and application will be con-  
sidered by said court.

Given under my hand and seal of  
office, at Tahoka, Texas, this 27th  
day of September, A. D. 1933.

H. C. STORY, Clerk of the County  
Court of Lynn County, Texas.

I hereby certify the foregoing to  
be a true and correct copy of the  
original now in my hands.

B. L. PARKER, Sheriff, Lynn  
County, Texas. 6-39c

Miss Doris Gore of Lubbock is  
visiting Mr. and Mrs. C. E. Donald-  
son at their farm home southwest  
of town.

## WHAT OTHERS THINK

### FLOWER SHOW A CIVIC INSPIRATION

Complete co-operation of the citi-  
zenship should be given to the an-  
nual flower show which is sponsor-  
ed each year by the Les Beaux  
Arts club. The 1933 show will be  
held Saturday, October 7, as an-  
nounced elsewhere in this week's  
issue of The News.

Co-operation can best be expect-  
ed by each flower grower selecting  
choice specimens for exhibition at  
the show. Since no admission is  
charged, nor entry fee required of  
exhibitors, the prize list cannot be  
expected to hold out special induc-  
ements.

But friendly competition for the  
prizes offered, and especially for  
the blue ribbons, should give way  
to real purpose of the exhibitors of  
stimulating a more general desire  
to grow flowers. This objective ob-  
tained, the purpose of the club will  
have been reached.

Surprisingly beautiful flowers  
are grown in Clarendon each year.  
One has only to attend a flower  
show to realize the possibilities. And  
nothing else, of equal low cost, can  
do more to make a town attractive  
to those who live in it and to those  
who visit it.

Visitors to Clarendon are always  
taken on drives that pass the homes  
whose owners are flower lovers and  
flower growers. Their work is a  
matter of local pride, even on the  
part of those who grow no flowers.  
And each passing year sees citizens  
who take up flower growing for the  
first time.

Because flower-decked homes are  
pleasing to home-folks and visitors  
alike, the annual flower show is  
nothing less than an inspiration to  
civic betterment, and deserves ev-  
ery citizen's hearty co-operation,  
either as exhibitor or spectator.—  
Clarendon News.

Why shouldn't Tahoka have a  
flower show next year, folks? We  
are for it. If some civic club in  
town would sponsor it, it could be  
made a great success.

Hon. Tom Garrard spent most of  
last week representing clients in the  
district court at Pecos. Mr. Garrard  
was district attorney in the old Mid-  
land-Pecos district a number of  
years ago, and he says he had a  
great time hobnobbing around with  
old friends down there last week.  
He is in Austin this week repre-  
senting a client before the Court of  
Criminal Appeals and will remain  
through the meeting of the State  
Board of Education, of which he  
is a member.

## BANISH ACID STOMACH

THIS SIMPLE, EASY WAY  
Know the joy of freedom from  
stomach distress. Enjoy your meals.  
Dr. Emil's Adia Tablets banish acid  
stomach, indigestion and gas. Bring  
quick relief. Thomas Bros. Drug Co.

## SHERIFF'S SALE

State of Texas,  
County of Lynn.

By virtue of an order of sale is-  
sued out of the Honorable District  
Court of Bell County, on the 12th  
day of September, 1933, by the Clerk  
thereof, in the case of H. C. Glenn,  
Receiver for Temple Trust Company,  
versus D. T. Rogers, Mrs. D. T.  
Rogers, and J. H. Edwards, No. 20-  
213, and to me, as Sheriff, directed  
and delivered, I will proceed to sell,  
within the hours prescribed by law  
for Sheriff's Sales, on the first Tues-  
day in November, A. D. 1933, it be-  
ing the third day of said month, be-  
fore the Court House door of said  
County, in the town of Tahoka, the  
following described property, to-wit:  
Being 88½x125 feet, and being Lots  
Eleven (11), Twelve (12), and Thir-  
teen (13), Block 80, of North Tahoka.  
Addition to the town of Tahoka,  
Lynn County, Texas, and all im-  
provements thereon;

Levied on as the property of D. T.  
Rogers, Mrs. D. T. Rogers and J. H.  
Edwards to satisfy a Judgment  
amounting to \$2,793.50 in favor of  
H. C. Glenn, as Receiver for Temple  
Trust Company, and cost of suit.

Given under my hand, this 16th  
day of September, 1933.

B. L. PARKER, Sheriff, Lynn  
County, Texas. 6-39c.

Edgar Edwards has taken over  
and is now running the Conoco Ser-  
vice Station. Edgar has been em-  
ployed there the past several  
months. May he greatly succeed in  
this business adventure.

## Renew Your Health By Purification

Any physician will tell you that  
"Perfect Purification of the System  
is Nature's Foundation of Perfect  
Health." Why not rid yourself of  
chronic ailments that are undermin-  
ing your vitality? Purify your  
entire system by taking a thorough  
course of Calobeta—once or twice  
a week for several weeks—and see  
how Nature rewards you with  
health.

Calobeta purify the blood by acti-  
vating the liver, kidneys, stomach  
and bowels. In 10 cts. and 35 cts.  
packages. All dealers. (Adv.)

## BLACK-DRAUGHT MADE FROM BEST LAXATIVE PLANTS

Sunshine, Rain and Soil produce  
the foods you eat at every meal—  
that rebuild your body as you  
work, play, live.

Sunshine, Rain and Soil also  
produce plants that clear up trou-  
ble in the digestive system of your  
body. From the best of such me-  
dicinal plants is Black-Draught  
made. The right plants are se-  
lected, finely ground, and packaged  
for your convenient use.—a nat-  
ural remedy for sluggish, slow-  
acting, clogged bowels.

Count on refreshing relief from  
constipation troubles when you  
take Theodor's Black-Draught.

For Children, get the new, pleasant  
tasting SYRUP of Theodor's Black-  
Draught. In 25¢ and 50¢ bottles.

## PEOPLE and LIGHTING

Why is it that good lighting draws  
people as tho by magic? It may be that  
people do not like darkness... that light  
has some definite but unexplainable  
charm. But it is true.

Aggressive merchants have known  
this fact for years and have brightened  
up their show windows. They know it  
draws people to their store front—and  
they know it pays.

They have provided good lighting in  
their store interiors as well. It draws cus-  
tomers into the store.

With prosperity again on the way,  
merchants should realize the benefits to  
be had from proper lighting.

## TAHOKA LOSES TO POST 19 TO 6

Spectators Furnished Exciting Game  
In Post Last Friday; Play  
Levelled Again

A scrappy bunch of Tahoka Bulldogs were defeated by a stronger post team to the tune of 19-6 last Friday. The Bulldogs scored early in the game after Jolly took the fumbled kickoff on the Post six yard strip and plunged across for a score in two downs. The try for extra point failed, thus giving the Tahoka boys a score of 6-0 early in the game. Then Tahoka went on the

defensive and held the score 6-0 for the remainder of the half, against two entirely different Post teams. The Post team came back in the second half much stronger and scored three touchdowns and passed for one extra point.

The whole Tahoka team played a good game of football and drew much praise from the spectators for their tenacity and determination. Coach Emmons of Post expressed a desire for a pair of ends like those of the Tahoka team. James Minor and Vernon Jolly of the backfield and Jack Speight, right tackle, did good work for the locals. The Post boys played ragged football in the first half but redeemed themselves in the last half. The outstanding man for Post must have been "Gallop" Altman, who did most of their ground gaining.

The Tahoka line-up was: Preston Strasser, left end; A. R. Milliken, left tackle; Skiles Thomas, left guard; Raymond Bulman, center; Roy Jolly, right guard; Jack Speight, right tackle; Ernest Gill, right end; Vernon Jolly, quarterback; Kelly Hill, right half; L. V. Alexander, left half; James Minor, fullback. Substitutes were Dyer for Thomas, Cook for Jolly, Janak for Alexander and Dyer for Strasser.

The "Pep" squad accompanied the team to Post and did their part in helping to encourage the boys. The girls will be wearing their new uniforms for the next game which will lend color and attraction to the games, as well as to encourage the boys in the progress of the game.

The officials of the school appreciate the spirit of cooperation shown by the patrons in furnishing transportation for the football team and "Pep" squad girls to the game Friday. Our next game is with Levelland, Friday October 6. The Bulldogs will be desperate in their effort to even the series with Levelland.

## BELTON LAD YOUNGEST REPTILE KILLER IN WORLD

As an added laurel to Belton's already long list of "Believe-it-or-nots," which includes champion fishermen, champion riders and ropers, crack rifle and pistol shots, horse shoe pitchers, orators, marathon eaters, and what-not, the city steps forward now with the claim of having the youngest rattlesnake killer of the United States or Ar-

## Seek Lateral Roads Over State Of Texas From Big Public Works Fund

kansas, in the person of Gay Brook, two-year-old son of Mr. and Mrs. Forrest Brook, route 3.

Some days ago Gay was celebrating his second birthday, and while walking about the place to get an impression of it from a two-year-old slant, he came across a rattlesnake in the yard. Procuring a weed hoe, he proceeded to cut the snake's head off, after which he carried the body into the house and displayed his kill to his mother.

The prediction is made that by the time Gay reaches his maturity he will go in for the sport of catching elephants by the tails and popping their heads off. In the meantime he will be content until his third birthday with killing wolves with his bare hands, beating policemen up just to hear them yell, and playing jokes on motorists by moving highway culverts out of line with the road.—Belton Journal.

## HOLT "WORKING ON THE RAILROAD" IN NEW FILM COMING TO THE ENGLISH

The picture, "When Strangers Marry," coming to the English Theatre next Wednesday and Thursday, which was directed by Clarence Badger, gives both Holt and Miss Bond roles that are energetic bundles of dynamite. He is cast as a hard fighting engineer who has carved his career out of the wilderness of oriental jungles. She is seen as the lively and pampered daughter of an American millionaire. When, as the result of a prolonged celebration following their strange introduction in a Parisian night dive, they come to their senses and realize they are married, events start moving fast.

Determined to finish his job in the fever-infested jungles of Java, Holt takes his wife, against his wishes, with him. There, under the dank, depressing heat of the wilderness, their marriage cracks, only to have a dramatic sequence of events bring about their understanding before the finale.

Written for the screen by James Kevin McGuinness, "When Strangers Marry," is from a story by Maximilian Foster. Clarence Badger directed the production, which includes in the strong supporting cast such well known players as Barbara Barondess, Gustav Von Seyffertitz, Arthur Vinton (leader of the B.E.F. in "Washington-Merry-Go-Round"), Paul Porcasi and Charles Stevens.

## MRS. DURHAM HOSTESS TO THE MUSIC CLUB

Mrs. K. R. Durham was hostess to the Tahoka Music Club Thursday evening in Mrs. Rubie D. Suddarth's home.

The Club's regular study course, "Fundamentals of Music," was splendidly taught by the president, Mrs. Suddarth, this being the first lesson.

A quartet composed of Mesdames Moreland, Nelson, Durham and Hayes was enjoyed. Miss Ruth Suddarth sang as a solo "Gossipping." A special feature, "A Musical Romance," was enjoyed.

BUTTER WRAPPERS, good grade vegetable parchment, 30c per 100 at The News, Phone 25.

Austin, Oct. 5—A public works program, featuring the building of lateral roads in Texas to benefit the rural population of the state while also furnishing self-respecting employment to the needy, with 15 per cent available in direct charity for actual distress, the absolute elimination of overhead costs with control by the heads of five state departments, are the safeguards which a bill by Senator Walter C. Woodward of Coleman would throw around the first \$7,000,000 which the legislature is advised to provide under the voters' August authorization of the \$20,000,000 bond issues.

Evidence in hearing before the senate committee of the whole showed that at present no public works are being built, that Texans are given outright doles, that administrative costs are 16 per cent higher than the average of the states, that the fund control is exercised by unofficial persons and excessive salaries paid.

The Woodward bill proposes to correct this by placing the spending of the money for roads and direct need as a duty on the commissioners' courts of the several counties, thence working through the local welfare and civic organizations. By providing for roads and sanitary construction it is estimated that the great bulk of the unemployment would be ended by providing work which would enable Texans to earn their living while also providing needed public improvements.

The pre-election legislative guaranty of economy and prudence in the handling of this vast sum and that political jobs would not be created is carried out in Senator Woodward's idea in designating the chairmen of the board of control, state highway commission, industrial accident board, board of water engineers, and state health officer to administer the bond issue.

## CONTRACTORS' NOTICE OF TEXAS AS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 15.697 miles of Grading and Drainage Structures from Tahoka to the Lubbock County line on Highway No. 9, covered by NRH-M 613-C Part I and II, in Lynn County, will be received at the State Highway Department, Austin, Texas, until 9 A. M., Oct. 16th, 1933 and then publicly opened and read. The attention of bidders is directed to the Special Provisions covering subletting or assigning contract, the use of Domestic Materials, the selection of labor, hours and conditions of employment, and hand labor methods. The minimum wage paid to all skilled labor employed on this contract shall be forty-five (45) cents

per hour. The minimum wage paid to all unskilled labor employed on this contract shall be thirty-five (35) cents per hour.

Attention is directed to the Special Provisions, included in the proposal, to insure compliance with requirements of House Bill No. 54 of the 43rd Legislature of the State of Texas.

Title	Prevailing per diem wage (based on 5-hour working day)	Prevailing 2 hourly wage
Power machine Operators	\$2.25	\$4.50
Truck Drivers (Trucks over 1 1/2 tons)	2.25	45
Mechanics, Carpenters & Blacksmiths	2.25	45
Unskilled Laborers	1.75	35

Overtime and legal holiday work shall be paid for at the regular governing rates.

A local employment agency from which the contractor shall obtain employment lists will be designated prior to the award of contract. Plans and specifications available at the office of Guy R. Johnston, Division Engineer, Lubbock, Texas, and State Highway Department, Austin. Usual rights reserved. 7-2tc

EDGAR EDWARDS, Mgr.

It's Smart  
TO BUY TIRES  
NOW...

Now...

is the time to buy tires. Prices may go higher. If they do, it will actually cost you money to use old tires. And with fall and winter weather and wet and slippery roads just around the corner, it's a good idea to have the protection of safe new tires all around. And remember this—tire wear is slower in winter than it is in summer—the tires you buy now will give you full protection all winter and you will still have good tires for next spring and summer to withstand the ravages of hot summer roads. We carry the complete line of Goodyear Tires—Speedway, Pathfinder and All-Weather. At the price you wish to pay we have a Goodyear Tire. Why not come in today and talk it over?

Club and Church News

## Johnston Tells Of Presbyterian Meet

The program of the Womens work in El Paso Presbyterian held at the Tahoka Presbyterian Church Tuesday of this week, was a most splendid feature and exhibit of our Womens work in the El Paso Presbytery. Twenty-two churches were represented, ranging all the way from El Paso to Lubbock. Mrs. Hermans of El Paso is president of this district or Presbytery. She arrived Tuesday morning, on time, and with a fine and meaningful program for the day. The same program is referred to in another column of this paper.

Local music talent from Tahoka and Lubbock added much to the program. The ladies of the Tahoka Church were graciously thanked and commended for the most cordial reception given, and the delicious and ample dinner served there in the church. All of our Tahoka ladies carry flowers and a smile and are real artists in the culinary art, and have pleasure in making other people enjoy life, when among them.

Our church is not one of the big churches in Tahoka, but we belong to a great family of God fearing and God honoring people of the earth. We are famous for our right living and Bible doctrines. We are happy to have had this fine group in Tahoka this year, and we are grateful for the fine way our Presbyterians in Tahoka entertained

them at their church home.

All services will meet on time next Sunday. Don't miss the Sunday School hour. There will be preaching services at both morning and night. The morning theme will be "The NRA of Religion or Spiritual Preparation." There will be special music and Gospel hymns. The subject for Sunday night is "Filled Vessels and Rattling Cans—Readiness for the Emergencies of Life." Fine Gospel song service.

We are only in Tahoka one Sunday each month. If you enjoy the fine Gospel songs and a Bible message and a cordial fellowship and would enjoy meeting with the Presbyterians, be in our services next Sunday. You are invited.

—W. K. Johnston, Minister.

## Baptist Services Are Announced

The pastor will preach Sunday morning on "God's Recipe For A Revival." Sunday evening he will preach on "The March of The Conquering Christ" or "The Breaking Of The Seven Seals." This message will be the fourth in a series of sermons on the book of Revelation.

The next five Sunday evenings will be used to complete the series of messages on Revelation. During this same time the morning hours will be given to "The Church." Some other subjects in this series will be: "The Church: Its Message," "The Church: Its Finance," "The Church: Its Mission In The World" and "The Church: Its Relation to the Kingdom of God."

We would urge all our church family to attend the worship hours and the teaching and training services of the church. Let the women be busy with their work on Mondays of each week. It takes all our people to do what the church ought to do. "Come this way and we shall do thee good." A warm welcome to visiting friends and strangers.

Lawrence Hays, pastor

## Much Activity At Methodist Church

The theme of Rev. Smith's morning message Sunday was the temptation of Christ and His resistance, and its lesson was encouraging to every listener. Mrs. Daniel Davis and Miss Elsie Woosley sang "He Knows It All" for the musical feature. For the church school worship period Miss Marjory Wells played a piano solo as the special number and superintendent-elect, Claude Donaldson, talked on "Leadership Training."

A most excellent sermon Sunday night was based on the text, "Man shall not live by bread alone," and a baritone solo "Somebody Knows," was beautifully rendered by Mr. Ivan C. Davis. A "jig-saw" puzzle program was enjoyed by the young people—boosting the district young people's rally which is to be held here the 21 and 22 inclusive. On Monday night their council met to complete plans. Ten local workers were in a Union meeting at New Lynn Friday evening.

Mr. and Mrs. A. L. Lockwood opened their home on Tuesday night to the church Board of Christian Education and Sunday School Council members, inclusive. Delectable refreshments were the "feature" of this occasion, following an informal but interesting round table session conducted by Mr. Donaldson.

Let's be in the church school Sunday! Devotional services will start at 9:45 sharp.—Reporter

## Miss Allene Taylor Weds F. A. Robinette

Mr. F. A. Robinette and Miss Allene Taylor surprised their many friends last Sunday morning when they drove to the home of Elder R. P. Drennon and there became the principals in a ceremony that made them husband and wife. Witnesses to the event were W. D. Smith and Miss Lilla Maile Reid.

Mr. Robinette has been a resident of Tahoka for a number of years, coming here as local manager for the Southwestern Associated Telephone Co., which position he held until a few months ago.

Mrs. Robinette is the daughter of Mr. and Mrs. W. E. Taylor and was practically reared here. For the past few years she has been a sales-lady at Levine Bros. and at Jones Dry Goods stores.

These are fine young people, and they have a host of friends who wish for them the best that life can bring.

They are leaving this week for Rule, where Mr. Robinette has accepted a position as local manager for the Southwestern Telephone Company.

## Reddell-Caveness Nuptials At Lynn

C. B. Caveness and Mrs. Lucy Reddell of the New Lynn community were married on Thursday of last week. Rev. W. P. Russell of that community officiating.

Both parties have been living in that vicinity for some time and they have the best wishes of many friends.

## EIGHTH GRADE ELECTS OFFICERS FOR YEAR

The eighth grade has a very fine class this year with a total of forty pupils.

The class met Thursday morning, September 21, and voted on class officers, and the following members were elected: Robert Maddox, president; Doris Thomas, vice-president; Luda Strasner, secretary and treasurer; Charles Gagnat, reporter.

## MAKE BETTER CLOTHING WITH LESS MONEY

Sweetwater—Eleven demonstrators who carried on wardrobe demonstrations in Nolan county under the coaching of Miss Fontilla Johnson, home demonstration agent, found that they could dress well for an average of \$17.83 each. Reports of these demonstrators indicate that they have learned during their demonstration to dress more appropriately for a smaller expenditure of money because they all use individually fitted patterns which make it easy to construct dresses that have good fit and line. They have also learned to select materials that give the best value for the money spent.

All of these demonstrators have provided adequate storage space because they have learned that to look well groomed their dresses must be kept pressed and hung on hangers; their shoes last longer and look better when kept on stretchers and their hats preserve their shape longer if kept on racks.

### New Home

Little Ada Jane Magee underwent a tonsil operation Wednesday of last week. She has progressed very nicely in her recovery.

Mrs. L. N. Hancock happened to a very painful accident one day last week. While returning from Lubbock, just off the pavement near Woodrow, the car in which she was riding turned a corner and the front door swung open throwing her and her infant granddaughter, whom she was holding, out of the car. The baby was not hurt but Mrs. Hancock received body bruises and deep lacerations on her face and head. She is recovering slowly.

Mr. and Mrs. F. H. Hancock and Mrs. A. D. Seth of Tahoka visited in Mills county last week.

Mr. Kenneth McKennon of Pettit is visiting the L. R. McCornick family.

Mr. and Mrs. Fred Dawson of Brownfield were guests of Mr. and Mrs. D. P. Wilhoit Sunday.

Mr. J. B. Scott received word Sunday that his father living in Limestone county had died. Mr.

Scott was unable to attend the funeral.

Grandma Broughton, mother of Mrs. J. H. Kamey, is home from a visit with relatives at Levelland.

Mrs. Muriel Taylor and son Tommy of Olton were visitors here Sunday.

On last Friday afternoon the Wilson boys and girls basketball teams came to New Home. Two very interesting games were played. The Wilson girls took the lead in the first quartet and maintained it to win the game. The boys game was one of the most exciting ever played on the local court, as first one side and then the other led by a slim margin. The game ended in a tie, and in the play-off Wilson won by a goal in the last ten seconds. We anxiously await the next contest.

The boys are working to light the basketball court and we expect to have night games soon.

Billie Donaldson, adopted son of Mr. and Mrs. C. E. Donaldson, was taken to a Lubbock sanitarium Wednesday of last week, where he is recovering from typhoid fever.

### Side Quit Hurting, Got Stronger, Well; CARDUI Helped Her

WOMEN! Get rid of the handicaps of a weak, debilitated condition with the assistance of Cardui. Mrs. R. L. West, of Huntsville, Ala., writes: "I was weak and run-down. I had a pain in my side, and I kept losing weight. I grew nervous over my condition—this was unusual for me, for I am very cheerful when I am well and don't easily get nervous. I knew I ought to take something. My aunt told me I ought to try Cardui, which I did. I began to feel better. I kept it up until I had taken three or four bottles. My side quit hurting and I was soon feeling strong and well."

Cardui is sold at drug stores here.

## Announcing Another Victory For Chevrolet

### CHEVROLET

Builds a new record during the first seven months of 1933. National passenger car registrations from January 1 to August 1, according to latest available R. L. Polk figures, were:

CHEVROLET	289,830
Ford	170,282
Plymouth	131,469
All others in price class	34,309

### CHEVROLET

Also sells more TRUCKS than all others in weight class combined. Look at the figures for the first seven months of 1933:

CHEVROLET TRUCKS	55,030
Ford	31,315
International	9,609
Dodge	6,539
All others in weight class	7,451

Chevrolet stands head and shoulders above all competitors.

## Connolly Chevrolet Co.

### A TONIC Laxative

CONSTIPATION, with the annoying symptoms that usually come with it, cuts down organic force and disturbs normal health and well-being. A thorough cleansing of the digestive tract is of great assistance in the removal of sickening constipation symptoms.

When excessive accumulated waste matter disturbs and strains the muscles of the large intestines, rendering them temporarily unable to perform their wave-like evacuating movements, Theodor's Black-Draught is useful in stimulating them to activity, which, again started, should continue regularly until some future disturbance interferes. In this way, Theodor's Black-Draught is one of the TONIC laxatives, tending, as it does, to establish a regular habit of evacuation.

Willingham-Ketner  
Marriage Monday

Another Tahoka young couple is  
receiving the congratulations of  
friends this week. Toy Ketner and  
Miss Ora Belle Willingham were  
united in marriage at an early hour  
Monday morning in Lovington, New  
Mexico, returning to Tahoka the  
same day. They were accompanied  
on the trip by Hoyt Willingham and  
Mr. and Mrs. Francis Gill.

Toy is the son of J. E. Ketner of  
this city and was reared here. The  
bride is the daughter of Mr. and  
Mrs. A. M. Willingham and has lived  
in and near Tahoka for a num-  
ber of years. They will continue to  
make their home here, and may  
they have a long and happy life  
together.

Advertising doesn't cost. It pays.

FOR SALE—Good red cat-claw  
land, improved, at 22:50 per acre.  
Small cash payment. C. G. Farmer,  
Rt. 2, Wilson, Texas. 6-3tp

Lynch Davidson  
Charges Politics  
In Bond Issue

Prior to its being voted upon I  
vigorously opposed the \$20,000,000  
Bond Issue Amendment to the Con-  
stitution of Texas, and charged  
that it was being promoted and ad-  
vocated by propagandists, consisting  
mostly of professional politicians,  
office holders, welfare workers, and  
job seekers, aided more or less by  
the same crowd that tried to load  
this State down with a \$250,000,000  
Road Bond Issue.

The ink was hardly dry on the  
ballots before there appeared in the  
Press of the State full proof of my  
charge by the testimony of Mr.  
Westbrook before the State Senate  
Investigating Committee, an ex-  
cerpt from which is here quoted:  
"Westbrook admitted that he re-  
garded relief work up to now as be-  
ing inefficiently handled, confessed  
aid to thousands not entitled to it,  
admitted poll tax payments out of  
relief funds, admitted the use of po-  
litical influence in relief work, ac-  
knowledge some cases of fraud, and  
forgery, cited that some storekeep-  
ers on local committees had settled  
private accounts out of relief  
grants, and finally admitted that  
the commission with his support  
had made itself a huge propaganda  
agency for passing the bond issue  
amendment which he hoped to ad-  
minister."

With its paid employees in every  
community in the State, the Relief  
Association administered by Mr.  
Westbrook, with the assistance of  
office holders and politicians, or-  
ganized themselves into a Huge  
Propaganda Agency for passing the  
Bond Issue Amendment, which they  
hoped to administer. That is the  
substance and effect of Mr. West-  
brook's testimony.

Had these facts been known prior  
to the election day, the Bond Issue  
Amendment would never have car-  
ried, and they could have been as-  
certained by anyone or any news-  
paper willing to search below the  
surface. The Newspapers of Texas  
who advocated this \$20,000,000.00  
Bond Issue did the people a poor  
service when the functions war-  
ranting their existence could have  
been properly performed had they  
made even a superficial survey of  
the situation and printed the result-  
ant facts as later developed by the  
Westbrook testimony.

The \$20,000,000 bond issue  
was voted by the people of Texas  
upon misrepresentation. Neither in  
law or morals should they be bound,  
and the only remedy lies in the  
hands of the Legislature. It should  
refuse to issue or make salable  
these bonds by legislative enact-  
ment, knowing full well that the  
people would never have voted them  
had they been truthfully informed.

Article 3, Section 51 of the Con-  
stitution, gives the Legislature suf-  
ficient power to grant necessary re-  
lief and it can be done, without is-  
suing of bonds, under controlled  
distribution, and without paid and  
costly welfare workers.

—LYNCH DAVIDSON.

## South Ward

There was a nice crowd at Sun-  
day School Sunday morning, but  
not as many as there should be in  
Sunday School. So you who are ne-  
glecting, pick up your energy and  
come next Sunday morning at 10  
o'clock. Bro. Dykes will preach at  
11 o'clock.

Mr. and Mrs. Eaton and girls,  
Juanita, Dona Lou and Dainty Sue,  
are visiting in Hill county.

Mr. and Mrs. Gable and family  
have moved close to town, but we  
are expecting them back in our  
Sunday services.

Miss Irene Redding, Woodie Swit-  
zer, and Cebern Weaver of New  
Home visited Miss Margaret Cross  
Sunday.

Mr. and Mrs. C. B. Evans and  
Mrs. Evans' brother and sister, Lois  
and Alvie Jackson, visited their sis-  
ter, Mrs. Edd Hamilton, at Three  
Lakes Sunday.

Mr. and Mrs. Edd Mason and  
family and Bill Whitaker of Lub-  
bock visited Mr. and Mrs. Mason's  
relatives at West Point Sunday.

Folks, remember singing Sunday  
afternoon at 3 o'clock and come.  
Bring your song books and someone  
with you. Let's make South Ward a  
place of interest.

Remember Sunday School at 10  
a. m., preaching at 11 a. m., sing-  
ing at 3 p. m. and prayer meeting  
at 8 p. m. After prayer service, Bro.  
Dykes will bring us a message  
which we assure you will be of ben-  
efit. All come!—Reporter.

G. W. Chisholm, one of Brown-  
field's most prosperous business  
men, was a business visitor in Ta-  
hoka Monday.

Cotton Grade Report  
Shows Staple Change

There was an appreciable change  
in the grade of cotton classed for  
Texas this week. Thirty-three per  
cent was White Strict Middling and  
better compared with thirty-one  
per cent last week and 42 per cent  
to date. An increasing amount of  
the cotton classed this week was  
equivalent to the Extra White  
Standard. Approximately 16 per  
cent of the cotton classed on the  
Extra White Standard this week  
compared with 1 per cent last week  
and 4 per cent to date. There was a  
marked increase in the per cent of  
cotton classed as equivalent to the  
Spotted and Yellow Tinged Stan-  
dards this week. About 13 per cent  
of the cotton classed this week was  
equivalent to the Spotted and Yel-  
low Tinged Standards compared  
with 6 per cent last week and 7 per  
cent to date. This week 68 per cent  
of the cotton classed was called  
fifteen-sixteenths inch or longer  
compared with 70 per cent for those  
designations last week and 68 per  
cent up to date. Untenderable cot-  
ton made up 4 per cent of this  
week's classing compared with 2  
per cent last week and about 2 per  
cent to date.

A sufficient number of samples  
was received from the High Plains  
of Texas, District 2, to provide the  
sufficient data on which to base a  
report this week for the first time.  
More than 40 per cent of the cot-  
ton classed this week from that a-  
rea was White Strict Middling and  
better in grade compared with 37

per cent to date. Approximately 27  
per cent of the cotton classed from  
that area was equivalent to the Ex-  
tra White Standard; 15 per cent  
was equivalent to the Spotted and  
Yellow Tinged Standards this week.  
Seventy-five per cent of the cotton  
classed from that area this week  
was seven-eighths inch or longer in  
staple length compared with 78 per  
cent to date. Twelve per cent was  
fifteen-sixteenths inch or longer in  
staple length this week compared  
with 18 per cent to date.

The grade of the plains cotton  
marketed the past week was much  
better than the general average in  
the state, but the staple was con-  
siderably shorter than the general  
average in the state. More than 23  
per cent of plains cotton was classi-  
fied as untenderable whereas less  
than 5 per cent in the state as a  
whole was classified as untender-  
able.

Mrs. A. D. Seth of this city and  
Mr. and Mrs. F. H. Hancock of New  
Home left Wednesday morning for a  
few days visit with relatives at  
Goldthwaite.

H. B. Armstrong was walking the  
streets Wednesday with a spread-  
eagle smile on his face. When we  
met him we figured that he had  
just received a big plow-up check.  
But it wasn't that—it was a brand  
new grand-daughter, his first one.  
An eight-pound girl, named Lola  
Mae, was born to Mr. and Mrs. Dex-  
ter Armstrong early Monday morn-  
ing, and H. B. had gotten into the  
grand-pa class. Mother and babe  
and the rest of the family doing  
well—and it is believed that H. B.  
will finally recover.

## Saturday

Marks The Anniversary Of Our Doing  
Business In Tahoka.

We wish to thank our many custom-  
ers for their loyal patronage—our suc-  
cess is theirs.

We have kept food prices in the reach  
of every purse, but we are not violating  
the NRA. We are co-operating with the  
business men of our country in every  
way to end this depression.

You will find that we have an ample  
stock of fresh goods, including such  
staples as Light Crust and Texas Beauty  
flours, Brown's crackers, and Libby's  
canned goods, for your convenience.

Drop in and see us. We are always  
glad to serve you.

Of new Yams and Syrup, we have  
plenty.
