JACK STEVENS DIES IN N. MEX.

Former High School Student Fatally Stricken With Appendicitis At Army Camp

Jack Stevens, 21, son of Mr. and Mrs. D. A. Stevens, died at 2:20 Monday afternoon at Fort Bayard, New Mexico. Death followed an operation for appendicitis which was performed at 6 o'clock Sunday afternoon. The family here did not learn of Jack's illness until Monday morning, when they received a telegraphic message advising them of his condition. Late in the afternoon they received another message telling of his death.

The body was shipped from Fort Bayard to Tahoka for burial but did not arrive here until today, Thursday. Funeral services will be conducted at 3 o'clock Friday afternoon at the Church of Christ by Elder R. P. Drennon, and interment will be in the City Cemetery.

Jack was in the reforestation camp at Beall Reserve, New Mexico, when he became ill. He had been at the camp only a short time, having left Tahoka on December 30.

Jack was a fine young fellow and had many friends here who deeply regret his untimely death. He had been a resident of Tahoka the past eleven years and was a member of the Junior Class in the high school here last year. He was born at Tredway in Borden county on January 12, 1913 and removed with the family to this county in December, 1922.

The News joins hosts of friends in extending sympathy to the bereaved family and relatives.

Jordan In Race For School Job

J. Floyd Jordan, principal of the school at Dixie, has an ambition to serve the people of Lynn county as county superintendent of schools, and accordingly he is placing his announcement in this issue of the News.

As stated in his announcement, Mr. Jordan has been principal at Dixie the past three years. During this time he has made many friends not only at Dixie but throughout the county. He is a most pleasant gentleman and is well qualified from an educational standpoint to serve in the capacity which he seeks. Courteous and friendly himself, he makes friends readily and is a good campaigner. He expects to meet most of the voters in the county personally before the July primaries. Read his announcement below:

I wish to take this means of announcing to the voters of Lynn county that I am in the race for County Superintendent, and anything done in my behalf will be greatly appreciated.

Admitting that our county has a good system of good schools, I feel that many improvements could be made, and if elected, I shall strive continuously to make the schools in Lynn county equal to the best in the state, and too, I feel that there should be no partiality or special favors shown to any one school. Regardless of size or location, all schools deserve the same consideration from the county superintendent.

I am forty years of age, and have had thirteen years of experience as teacher in the schools of Texas, the last three having been at Dixie in this county. My experience as teacher has been from one teacher school to the affiliated high school. For four years I was County Judge and Ex-Officio County Superintendent of Motley county.

My elementary schooling was in the schools of Van Zandt county and my college work was done in the Teachers College, Denton, Texas, and the Teachers Professional College, Washington, D. C. I hold a B. A. Degree.

Hoping to see each voter in the county before the election, I am, Sincerely, J. FLOYD JORDAN.

H. B. Armstrong dropped into the News office Friday to have his address changed. He has recently purchased one of the Lumsden improved tracts of land lying between Petty and West Point and has already moved upon the place.

CWA Funds Are Given Texas Tech

Lubbock, Jan. 18.—In response to a request for funds made to the Civil Works Administration by officials of Texas Technological College, a first allotment of \$22,000 on a proposed \$50,000 program has been granted, according to Dr. Bradford Knapp, college president.

"This fund is to be used in paving the driveways," Dr. Knapp stated, "and work is to be started soon." Further allotments will be used in landscaping and beautification of the campus as well as laying new sidewalks and constructing tunnels for lighting and heating the new dormitories.

All labor and half of the material will be furnished by the government. Tools and the remaining half of the materials are to be furnished by the college.

PUBLIC WORKS EMPLOYING 79

More Will Be Given Work This Week; Several Projects Are Now Under Way

"There are now 78 men and women on the federal payroll in Lynn county," said Judge B. P. Maddox Tuesday, "and there will be more by the end of the week." These are being employed by the various national agencies, such as the Civil Works Administration, the National Recovery Service, and the Relief Service.

These agencies are furnishing laborers for the construction of highway No. 9 from Tahoka to the Lubbock county line, the improvement of a number of lateral roads in the county, a health survey of the county and other projects. Three young ladies have been assigned to assist the county farm agent, V. F. Jones, during the cotton-acreage contract campaign.

Writer Of Famous Houn' Dawg Song West Texas Citizen

J. Frank Neighbors, the roving Missourian who wrote the "Houn' Dawg" rhymes which became Champ Clark's presidential campaign song in 1912, was a visitor in Abilene Saturday. He came here from Sweetwater, where he recently established residence with his son, Hobart Neighbors, a Sweetwater business man.

The sobriquet "Houn' Dawg Frank," which Mr. Neighbors' one and only composition earned for him, still sticks. L. R. Douglas, Abilene insurance man who hails from Neighbors' home town of Mountain Grove, was introducing him under the well-known title Saturday.

After establishing his claim to the authorship of "You Gotta Quit Kickin' My Dawg Aroun'" Mr. Neighbors wrote no more rhyme. He still owns the fine violin given him by the old St. Louis Republic for writing the composition, the authorship of which was in dispute for some time.

In the capacity of salesman, Mr. Neighbors has traveled in many states. He retired from business a few years ago when his health became impaired. Until her death last April, at the age of 87, he resided with his mother at Mountain Grove, Mo., on the farm his father homesteaded 63 years ago. As a pioneer settler of the state of Oklahoma, he built the first house in the town of Weatherford.—Abilene News.

OFFER LABOR AS SANITATION AID

Householders Required To Furnish Materials For Sanitary Out Houses On Premises

"We are prepared to furnish carpenters, cement workers, and day laborers to all householders or property owners in the county who wish to take advantage of the opportunity now offered them of having sanitary closets built on their premises at little expense," said Judge B. P. Maddox, who represents the various governmental agencies here, on Tuesday. "Any person desiring to have such work done, however, should see A. D. Sanders, health supervisor for Lynn county. He will furnish plans and specifications free of charge. The labor will cost the property owner nothing. All that is required of the property owner is that he furnish the material. This will cost from \$5.00 to \$25.00 for each closet depending upon the size and character of the closet desired. This offer is made to the entire citizenship of Lynn county, regardless of their location, whether they live in town or in the country."

Pit toilets are to be constructed, Judge B. P. Maddox explains, and they are to be made perfectly sanitary. They are to be screened so as to exclude flies and to be vented to preclude all odors.

The Government urges that all families not connected with the sewer have these toilets installed and thus prevent the spread of communicable diseases.

Whooping Cough Dangerous Disease

Austin, Jan. 11.—Whooping cough was formerly regarded as one of the infectious diseases of minor importance. According to Dr. John W. Brown, State Health Officer, this is not so. Each year many children die of this disease; in fact it causes more deaths than scarlet fever, measles and smallpox combined.

Whooping cough is a treacherous disease. It resembles the proverbial wolf in sheep's clothing. Illness begins gradually, causing parents to feel that the symptoms are those of an ordinary cold, until the characteristic whoop appears. Unfortunately, the disease is most infectious during the early stages. Children in the first years of life are in the greatest danger of developing pneumonia, the most severe complication.

The chief hope in controlling epidemics of whooping cough lies in those measures which help to prevent the spread of disease. Children with the disease should remain at home and in isolation for a period of twenty-one days. Children with the disease should be reported to their family physician or local health officer.

Dr. Brown further urged parents to do everything they can to protect their children from whooping cough. Keep them away from playmates who have colds, especially when whooping cough is prevalent. Teach children not to put things in their mouths that have been handled by others and to wash their hands before meals. In spite of all precaution, if your child seems to be catching whooping cough, call your doctor at once. He can do much to relieve the patient's distress if treatment is begun early and will advise about diet, rest, exercise, and fresh air for the patient.

Edith Has Set Of Triplets, Three Sets Of Twins

"In the Edith school, which has a total enrollment of 65 pupils, there are three sets of twins and one set of triplets," Miss Lola Smith, teacher in the school states.

"The twins are Arbury and Ruby Payne, Allen and Callen Cash, and Wilburn and Milburn Cash. The triplets are Tom, Dick and Harry Bell."

"We believe that no other school of the same size in the county or in the state can boast this record," Miss Smith stated.

ASK REDUCTION OF CORN, HOGS

County Agent Ready For Farmers To Sign Up Papers For Production Cut

(By V. F. Jones, County Agent)

The necessary supplies are on hand to start the Corn-Hog reduction sign-up campaign in the county.

The county has been divided into four districts, the boundaries of which are determined by the two highways passing through the county. A community committee will be elected in each of the four quarters of the county; and the members of the community committees will elect a county committee.

We will have a meeting in each of the districts of the county to explain the Corn-Hog contract and at the same time give out the necessary papers to men who are interested in signing a contract.

Meetings will be held as follows: Monday night, January 22, O'Donnell for south part of the county; Tuesday night, Tahoka; Wednesday night, New Home; and Thursday night, Wilson. If you are interested in signing a hog-reduction contract, please attend one of these meetings.

W. S. Taylor Has Hat In The Ring

W. S. (Skip) Taylor is announcing this week as a candidate for reelection as district clerk.

While there is not much remuneration attached to this office, yet it is one that requires quite a bit of knowledge of court procedure for one to fill it satisfactorily. Mr. Taylor has filled the bill in every respect. Having been engaged in abstract and clerical work for many years before he became district clerk and having had much experience in the court, he brought to the office a familiarity with its duties that few men possess. Of course his experience in the office has added to his efficiency, so that today he is one of the most capable and best qualified clerks in all this section of the state.

The perquisites of this office are hardly sufficient to justify any one in holding the office unless he has other remunerative work which will not interfere with his duties as such official. Happily Mr. Taylor is so situated, having an abstract office in the court house, and he can carry on his regular business without its interfering with his official duties. As a matter of fact Mr. Taylor has been very attentive to his official duties and has rendered service at all times that has been satisfactory to the court and to the public alike.

Mr. Taylor will appreciate your support in the coming primary election.

Tahoka Men Visit Chevrolet Showing

Chester Connolly, Jeff Connolly, George Knight, Summer Knight, and Gene Richardson of Wilson attended the big Chevrolet exhibition at Oklahoma City the first of the week. They report a great time, a great show, and declare that the Chevrolet is a great car. There were 265 visitors registered at the lunch Monday, they say.

These gentlemen say that they encountered much snow in Oklahoma. The whole state seemed to be wet, they say. "But the snow did not show up to amount to anything until they reached the Oklahoma line."

MRS. EDWARDS AND MISS STEVENS TO GIVE RECITAL

Mrs. Marcus Edwards announces that her music pupils and the dancing pupils of Miss Gertrude Stevens will give a recital at the high school auditorium Friday night, beginning at 7:30 o'clock. The public is cordially invited.

SOCIALIST TO SPEAK HERE

The News is requested to announce that E. M. Lane, socialist candidate for lieutenant governor of Texas in 1932, will speak in Tahoka on Friday night, January 19, on the issues of the day. Everybody invited to hear him.

Cotton Contract Deadline Is Near

County farm agent V. F. Jones calls attention to the fact that January 31 will mark the deadline for the signing up of cotton contracts.

He urges that all farmers who intend to sign shall attend their community meetings or see their local committee and attend to this matter at once. Nothing is to be gained by delay. The committee members have the necessary papers.

Some of these community meetings have been held already, and others are being held. Each farmer is at liberty to use his own judgment as to signing, but it is believed that this plan is just as important and just as necessary to insure good prices for cotton in the future as the plow-up campaign was last year.

KUYKENDALL, PIONEER, DEAD

Prominent Farmer Of County Who Came Here In 1901, Was Buried Friday

W. L. Kuykendall died suddenly about four o'clock Wednesday of last week at the residence of his brother-in-law, W. H. Izard, at New Home. Death resulted from a sudden attack of heart trouble.

It is said that Mr. Kuykendall was sitting in a chair talking with Mrs. Izard, his sister, when suddenly his head dropped and he slumped down in the chair dead, not even breathing after being stricken.

Funeral services were conducted at the cemetery here Friday afternoon by Rev. W. K. Horn of Meadow.

Mr. Kuykendall was a native Texan and a pioneer citizen of Lynn county. He was born in Bell county on December 10, 1867. He was married to Miss Laura Stuart in November, 1887. He resided in Bell

Parachute Jump Is Near Fatal To Boy

Arlie Davenport, an 18 year old boy and a member of an aerial group scheduled to give an air circus here Monday, in making a parachute jump from an airplane 3,000 feet in the air that afternoon, had a rather exciting experience.

The wind was rather high and for some cause the parachute was turned inside out and did not open as freely as was expected. When it did open it was with a jerk, and three of the four harness straps were broken and the boy came down hanging to the ropes with his hands. Two of the shroud lines also snapped and the chute again folded and it was only with expert maneuvering of the lad that it opened again sufficiently to break the momentum of the downward glide. His hands were badly cut by the ropes in his efforts to hang on and to control the chute.—Levelland Herald.

Editorial Note: Davenport is the kid who gave a parachute exhibition here a few weeks ago. He had just previously had a near serious accident at Post.

PROMINENT O'DONNELL MAN WEDS KING COUNTY WOMAN

J. H. Yarborough of O'Donnell and Miss Bonnie Phelps of Dumont, King county, were married at that place last Sunday, and Mr. Yarborough accompanied by the bride came back to his home near O'Donnell Tuesday.

Mr. Yarborough was a candidate for sheriff of Lynn county four years ago and recently announced that he would be a candidate again this year, though he has not yet placed his announcement in the newspapers. Prior to his removal to Lynn county several years ago he served as deputy sheriff of Haskell county for a number of years. For the past several years he has been farming near O'Donnell. The bride is not known in this county.

From a garden of 100x50 feet, Nellie Maude Bennett, garden demonstrator in Sandia Girls' 4-H Club in Jim Wells County, produced 2263 pounds of vegetables valued at \$44.35. The garden cost \$7.50 cash.

JURY PANEL OF COURT DRAWN

Term Opens February 12; Many Civil Cases But Few Criminal Cases On Docket

The district clerk and the sheriff are getting everything in readiness for the opening of district court here on Monday, February 12. A panel of sixteen men has been drawn for grand jury service, and petit jurors have been drawn for the second, third, and fourth weeks of the term.

District Clerk Skip Taylor says that more civil suits than usual have been filed, and that much of the term will probably be consumed in the trial of civil suits. Three or four important civil suits come over from the previous term of court. Among the new civil cases are ten or twelve divorce cases.

There are only a few criminal cases on the docket at this time, but the grand jury is expected to return quite a number of indictments during the first week of the term. Some of these will doubtless be tried before the term ends.

The panel of the grand jury which has been drawn consists of the following: J. E. Morgan, L. H. Perkins, E. G. George, J. S. Fritz, Halford Smith, W. S. Swan, J. N. Schobler, Luther Thomas, S. L. Smith, J. E. Sherrill, J. W. Warrick, J. W. Entreklin, J. A. Earwood, J. D. Hord, C. T. Tankersley, John Evans.

Petit jurors have been drawn as follows:

Second Week: T. B. Franklin, P. K. Fleming, C. B. Morrison, Jim Dye, Marshall Stewart, R. C. Tune, P. O. Jaynes, M. L. Baldrige, J. H. Donham.

Weatherford In Tax Office Race

Jim Weatherford has trotted his old cow pony out on the race track again. This time he is asking for the job of assessing and collecting the taxes for and from the people of Lynn county. His name appears in our announcement column this week.

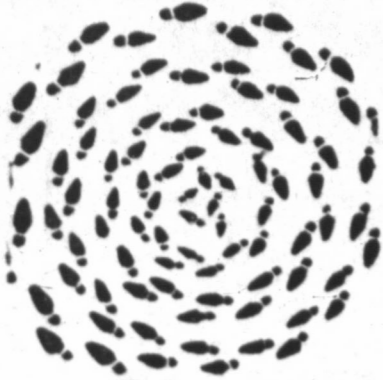

Mr. Weatherford is an old-timer in this section. He came to Colorado down in Mitchell county a few years after the Texas Revolution. He was an inhabitant and office holder down at Gail when that was one of the most important and colorful towns in all West Texas. He has been a rancher below, along, and above the cap rock from time immemorial. He has been a resident of Lynn county for so many years that we have lost the count. Now, folks, we are not insinuating that Jim is getting up in years. He is not. He is as youthful and as spry as a sixteen-year-old. To all intents and purposes he is a young man, young in spirit and in strength. He may live a hundred years yet. He wants to serve as tax assessor and collector and he knows how to do the job.

Mr. Weatherford has had experience in this kind of work. He has served as assessor for Lynn county and as assessor and collector for the Tahoka Independent School District. He has also served as city secretary for the city of Tahoka. He is familiar with county business almost from the top to the bottom. Personally he is a most amiable and affable gentleman, active and in good health. He is known to almost every man, woman, and child in the county and possibly hasn't an enemy in the world. He promises if elected to be faithful to the trust imposed in him and to be diligent in the performance of his duties. He will greatly appreciate your support in the primaries next summer.

GIRL PLEASED WITH BED MAKING DEMONSTRATION

"I never realized how much time it would save me if I made my bed correctly," said Pauline McCord of the Grasland 4-H club as she observed the demonstration on the standard bed given by Miss Sylvia Robb, county home demonstration agent, Wednesday. "Mitered corners will not only make my bed, more comfortable but will save me time, which every school girl needs."

578,434 Steps to Nowhere!

Authorities estimate that the average housewife, in preparing three meals a day, takes 578,434 unnecessary steps every year. Just think of it! . . . over half a million steps that lead to nowhere! Is it any wonder that some women are always "worn out" at the end of the day? . . . that, try as they will, they are never able to find time for the things they'd like to do?

The biggest step you can take to save steps is to install a Modern Gas Range in your kitchen. You'll be literally amazed at the difference it will make . . . in steps . . . in time . . . in actual money savings. If you're the least bit inclined to doubt, call on your gas appliance dealer today, and see the new 1934 Gas Ranges. You'll need no further proof.

The members of the Draw Methodist church had Sunday School, Sunday, January 14. We had an attendance of 46. There was no church as it was the pastor's day at Grassland.

A number of Draw people attended the First quarterly Conference of the Methodist Church at Grassland, January 14.

A few people from Draw attended church at Redwine Sunday.

The Draw Longhorns met with a decided defeat at the hands of O'Donnell last week. If it were not for determination and good spirits, the boys would have become discouraged, but they are peppy and ready to go at all times.

The Draw Longhorns are glad to report another victory in a basketball game played with Tahoka January 12. The score was 45 and 30.

A DRAMA WITH AN AMAZING HISTORY

A play can have as many and varied adventures as a human being. For instance, Marie Dressler and Lionel Barrymore are co-starring for the first time in a play that has traveled from France to America, became metamorphosed into a drama of New England, then went to London where it became a British story on the stage with a Welsh servant (dialect and all) for its chief character.

This is "Her Sweetheart" (Christopher Bean), coming with Miss Dressler and Barrymore in its filmed version to the English Theatre Tuesday, Wednesday and Thursday of next week.

The first story, a French stage play, was by Rene Fauchois, Sidney Howard adapted it to New England locale, and Pauline Lord starred in it at the Henry Miller Theatre in New York. Then the English version, now a sensational success in London, was worked out.

Metro-Goldwyn-Mayer used all the scripts in preparing the gripping drama of the two famous stars. It deals with a country doctor whose kindly soul is changed by avarice, and with a faithful servant who recalls his better self. Miss Dressler plays Abby, the servant, and Barrymore the many-sided Dr. Haggett, one of the most remarkable characterizations in his already great list.

Miss Dressler has a wild ride in a flivver with eloping youngsters and other comical interludes in the blend of human heart interest and vivid, gripping drama. Sam Wood directed the picture. In the supporting cast are Helen Mack, Beulah Bondi, Russell Hardie, Jean Harsholt, H. B. Warner, Helen Shipman, George Coulouris and Ellen Lowe.

The flock averaged 149 eggs per hen for the year on the A and M Big Five Ration which cost an average of 4 cents per dozen eggs, not counting skim milk, reports Guy R. Sheets, County agent. After all cost for building upkeep, interest, hatching and raising 450 chicks and maturing 145 for flock replacement was charged to the hens, it was found that they had made an average net profit of 55 cents per hen.

The Big Five ration used consisted of 200 pounds finely ground wheat, 100 pounds ground oats, 100 pounds ground milo, 50 pounds meat meal and all the milk they could drink.

MYRNA LOY SINGS IN SHOW "PRIZEFIGHTER AND LADY"

Of interest in connection with the showing Friday and Saturday of "The Prizefighter and the Lady," Metro-Goldwyn-Mayers vivid drama of the prize ring, is the fact that the picture marks Myrna Loy's first singing appearance before the camera and microphone.

With the exception of a brief sequence in "Love Me Tonight" in which she hummed a tune, the glamorous Miss Loy has never before had a singing role in pictures. She has studied and been interested in vocal work since she was a small girl in school and at last she has an opportunity to reveal her talent to her many film fans.

"In "The Prizefighter and the Lady" Miss Loy plays a nightclub entertainer who falls in love with Max Baer, the young fighter who slugs his way to the championship match in the screen story. Together with Baer, who makes his screen debut in this production, the cast features Primo Carnera, Jack Dempsey, Walter Huston, Otto Kruger and Vince Barnett, under the direction of W. S. Van Dyke.

Edith Women Study Making Standard Bed

"One slat for each row of coils is the first step for a standard bed," stated Miss Sylvia Robb, home demonstration agent, Wednesday afternoon, January 17, at Edith Home Demonstration Club.

"The making of a bed is one of the important tasks of the housewife, therefore the bed should be a standard one," she said.

There were eight members present and one visitor. The roll call was answered by each member present telling whether or not she had standard bed protectors on the springs, mattresses, pillows, and quilts. One member had all protectors and three had some of the protectors. But all are planning to put them on their beds.

The club adjourned to meet next at Mrs. Sam Holland's February 7 at 1:30 p. m.

Mother's Club Work Entire Family Enjoys

"My whole family enjoys my club work," says Mrs. T. J. Owens, Edith Home Demonstration club woman, to Miss Sylvia Robb, home demonstration agent, at the Edith club meeting Wednesday. The club met in Mrs. Owens' home.

"My built-in kitchen cabinet is enjoyed by all six members of my family, for there is a place for everything, which helps me to keep my kitchen clean and in order at all times. My daughters enjoy house work more since they have the convenient kitchen in which to work, which is a result of my first year's club work."

What Is A Home Without A Pantry?

"It was easy and also a pleasure for me to serve a well balanced meal to nineteen guests from my 4-H pantry. The entire meal except hot rolls was prepared from my pantry, and my husband was so proud of my pantry that he showed the guests through it without my knowledge," said Mrs. W. S. Anglin at the Tahoka Club meeting last week.

New Lynn 4-H Club Meets

The New Lynn girls 4-H Club met Tuesday January 16, with all members present, and the addition of nine new members, making the total of twenty-two.

Miss Robb, county home demonstration agent was present.

We elected Mrs. Charlie Coffee as Club sponsor, and we feel certain that she will do her very best in helping our club to be a better club.

We worked on our pillow slips, and hope to have them completed by the next meeting.

Miss Robb discussed the shoe racks, which we are to make in the near future.

Our next meeting will be February 6, at the New Lynn School auditorium.—Reporter

CANDIDATE FOR ATTORNEY GENERAL ANNOUNCES

A recent press dispatch from Beaumont stated that Clyde E. Smith of Woodville, district attorney of the 75th judicial district, had announced that he would be a candidate this year for attorney general, to succeed James V. Allred, who has announced as a candidate for governor.

Senator Walter Woodward of Coleman announced some time ago that he would be a candidate for attorney general. There will probably be other entries a little later.

Woodward is an able lawyer and has been one of the leaders in the state senate the past several years.

Giving an account of the factors that led to his success as the champion cotton raiser in Washington county last year, Melvin Loesch, 4-H club boy said: "Good seed, proper preparation of land and proper tillage is the main thing. If you do that much God Almighty will help you do the rest, but He won't do it all for you, you have to do your part."

With the aid of foundation patterns which are a short cut to good fit and economical dressmaking, Mrs. J. O. Jackson, home demonstration club woman of Swan, Smith county, last year made 17 dresses and under garments for herself and 12 dresses for other women. She also helped 29 other women make foundation patterns.

The dabs of rent feed brought in to Webb farms in Pecos county have been put into trench silos this year and fed to cattle. Formerly these small amounts of feed were seldom used.

QUICKER, BETTER RELIEF from use of Black-Draught

"I have taken Black-Draught, off and on when needed, for twenty-five years, for it is easy to take," writes Mr. George T. Wharton, of Petersburg, Va. "I take it for constipation and when I have that dull, tired feeling. I take it for colds and other complaints where a good laxative is needed, and I believe it gives me quicker and better relief than any other medicine I know. It certainly has been a help to me."

**A GOOD TRADE FOR THE
BRITISH**

The United States government is
trading pork to Great Britain for
whiskey. A good trade for the Brit-
ish. The Associated Press report of
this deal is follows: Great Britain
and the United States decided to-
day, (Jan. 8) upon an arrangement
whereby \$1,000,000 worth of Ameri-
can pork products in addition to
the regular quota will be admitted
to Great Britain and the British will
be given an increase in their
liquor quota for the United States

from 607,000 gallons to twice that
amount.—Rogers News.

We should say that it is a good
trade for the British.

The sale of an additional million
dollars worth of pork will doubtless
prove of mutual benefit to the Amer-
ican producers and the British
consumers. But the sale of the
whisky by the British to the Amer-
icans will be a one-sided affair.
The British distillers will doubtless
reap rich profits, but what will it
profit the American consumers?
Nothing—absolutely nothing. In the
first place, 607,000 gallons of whis-
key will cost them several million
dollars to begin with. But that will
be only an insignificant part of the
total cost. In the disorder, the
crime, the poverty, the death, and
the heart-ache that it will bring,
the cost will be inestimable.

The consumption of this 607,000
gallons of whiskey will bring many
a boy,—yea and many a girl, shame
to record it!—home, drunk; many a
man and a few women. Its con-
sumption will bring disorder and
crime and death. It will drag many
a youth into court for trial. It will
break many a mother's heart. It
will freeze the affection of many a
wife for her drunken husband. It
will break up many a home, and
make plenty of business for the di-
vorce courts. The bringing of this
607,000 gallons of British whiskey
to America will not bring added
wealth or peace or happiness. It
will only bring penury and sin and
heart-break and destruction.
The British indeed have gotten
the best of the deal.

NOTHING TO WORRY ABOUT

For the past few weeks the edi-
torial effusions of the Herald have
been as scarce as the proverbial
hen's teeth. In fact, there has been
little for us to condemn or com-
pliment. Congress met and agreed to
work like FDR ordered them to do
at the same old wages and same old
hours. All our exchanges seem to be
doing fine without popping off on
the wrong trail. Even the Lynn
County News and the Abilene Times
have kept the straight and nar-
row lately, which is a source of pride
to the Herald. It took us a long
time to get those papers straighten-
ed out, but we have at last succeed-
ed. For awhile, it took just about all
our time to keep Hill of Tahoka and
that Abilene bunch lined up under
pure D brass collar democracy.—
Terry County Herald.

Now that Jack has us all lined up
to suit him, he has nothing to wor-
ry about. It must be a gr—and and
gl—orious feeling. But if Jack has
succeeded in slipping a brass collar
around our neck we were not aware
of it. Like Al Smith, we are getting
too old to be "regular" at the sacri-
fice of principle. Still, we are strong
for most of Roosevelt's policies.
Hope he puts 'em over, but all our
collars are soft ones.

WHAT IS INTOLERANCE?

Intolerance is one of the sins of
the best people. The tendency to
measure the other fellow's conduct
by one's own yardstick in well-nigh
universal. The ability to view life
and all its problems from the other
fellow's standpoint as well as one's
own is a faculty that few possess.
We are too prone to think that the
other fellow's religious convictions,
his moral standards, and his politi-
cal beliefs should conform strictly to
our own. If they do not we are in-
clined to regard the individual as

perverse or inferior in this respect
to ourselves. The world needs a
broader spirit of tolerance. Let us
try to cultivate a spirit of tolerance
during the coming year.—The Lynn
County News.

There seems to be more than one
definition for intolerance, or you
might say tolerance, in fact both the
words. You know there is a feeling
among some church people that
they have a perfect right to criticize
the other churches and the mem-
bers of other churches, but when
their church or the membership is
spoken of in a critical way they
claim that tolerance come in right
now. We should preach unselfish-
ness a little bit as well as tolerance,
and we of course need to practice
it first, for that is the best way to
preach it—the life we live.—Abilene
Times.

there is going to be a box supper.
Before the box supper there is go-

Sunday. Be sure and come and

porter.

South Ward

We have decided to reorganize
Sunday School the first Sunday in
February.

There were not very many present
at singing Sunday evening. But
we are expecting more next singing
evening, the fourth Sunday in this
month.

There was a "42" party given in
the home of Mr. and Mrs. W. E.
Hammond last Tuesday night. Ev-
eryone reported a nice time.

Mr. L. T. Redding and Miss Amy
Redding are visiting friends here.
They have recently moved to Brown-
field on the Pool ranch. They re-
port they will like there fine as soon
as they get acquainted. Mr. Charley
Mason, who accompanied them to
Brownfield, returned home Sunday.

Some of the young folks went to
Sunday School at Edith Sunday
morning.

Mr. and Mrs. W. P. Inman and
Ornetha visited their daughter and
sister, Mrs. T. Cowan, at Tahoka
Sunday.

Everybody remember the reor-
ganization of Sunday School in
February and come and do your
part.—Rpeorter.

Dr. L. Barnes and Joe Keitt, a
banker, of Hubbard, Hill county,
were business visitors in Tahoka
Monday. They are long time friends
of Claude Conway. Dr. Barnes said
that he was out here in the spring
and this country then looked to
him like the picture of desolation.
He was back in October and it look-
ed much better. Then he was here
in December, and—Boy, Howdy; it
surely did look good. The moral is
that you can't judge this country by
the way it looks in the spring or
early summer.

The editor has been "batching"
this week, but Mrs. C. B. Keltner
has a kind heart and she invited us
out to dinner or luncheon Mon-
day. It was a chicken dinner, and
say, folks, it was fine. When it
comes to chicken this editor is a
Methodist.

DIZZINESS

relieved by Black-Draught

"I decided to take Theodor's
Black-Draught, as I had been hav-
ing bilious spells," writes Mr.
Charles E. Stevens, of Columbus,
Ind. "When I get bilious, I feel
sleepy and tired and do not feel
like doing my work. It is hard to
tell how I feel, but I do not feel
good. I get awfully dizzy. I know
then that I had better take some-
thing. After I found how good
Black-Draught is, that is what I
have used. I guess it rigs me of
the bile, for I feel better—don't
feel like I am dropping off to sleep
every time I sit down. That, to
me, is a very bad feeling."
Now you can get Black-Draught in
the form of a SYRUP, for CHILDREN.

Each club member present is going
to put some of these helpful sug-
gestions into practice.

Those present were: Rosalie
Thomas, Nona Laws, Eugenia Ap-
plin, Caroline Thomas, Opal Greer,
Odina Morgen, Mildred Roberts, I-
nez Inklebarger, Pauline McCord,

Missionary Speaks At M. E. Church

The "Lord's Prayer" as he prayed it in the seventeenth chapter of John's gospel was the appealing title and theme of Rev. Smith's sermon last Sunday morning. There was an unusually large congregation which gave an attentive ear to the splendid message.

The church school attendance reached a new high mark for recent months, and it is hoped it will continue to ascend.

At the evening hour the house was filled to hear the South American missionary who had been advertised to speak. Members of the various churches were present in considerably large numbers. All enjoyed the unique and intensely interesting service.

Rev. and Mrs. Smith visited the quarterly conference at Grassland Sunday afternoon, at which Dr. W. M. Pearce of Lubbock presided. They also, accompanied by Mr. and Mrs. J. N. Thomas, attended an all-day meeting of preachers and laymen held in Lubbock on Tuesday.

The Bickley Circle held an open meeting Monday afternoon, at which time an impressive little play was the program feature. Mrs. N. M. Wyatt, president, attended the Lubbock meeting Tuesday.

FILLS SMALL CELLAR WITH GOOD THINGS TO EAT

Olton—Mrs. J. B. Pate, 4-H demonstrator of the Spring Lake Demonstration Club has her small cellar neatly shelved and filled with canned fruits, vegetables, and meats, according to the report of Miss Bernice Westbrook, Lamb county home demonstration agent. Beneath the shelves are closed cans of dried peas and beans. The Pate's recently adopted a two-month-old baby girl who has her own shelf of specially prepared fruit and vegetable juices and purees. Mrs. Pate explained that she gave three pigs to get the cellar dug and equipped and that she traded vegetables for the lumber used in the shelves.

A little lesson in heredity was pointed out the other day by Dr. George Kemp, Ballinger dairyman in conversation with the county agent. He exhibited two half sister helpers. One with her second calf sired by the herd bull was giving 40 pounds of milk daily; the other, by the same mother but sired by a scrub bull that broke in was giving barely enough milk for her calf.

Plan Benefit Fete On FDR Birthday

Tom Garrard has been officially appointed by the National Committee as director of the Birthday Ball for the President to be held here on Tuesday night, January 30, for the purpose of raising funds for the endowment of the Georgia Warm Springs Foundation, an institution founded a few years ago by Franklin D. Roosevelt to carry on a national crusade against infantile paralysis.

A victim of the disease himself, Mr. Roosevelt determined to organ-

ize a fight against this scourge which attacks and handicaps thousands of children each year. These Birthday Balls are to be held throughout the nation on the above date.

The ball here will be held in the Dence Palace operated by Hall Robinson. During the evening, there will be a radio address by the President, and there may be other forms of entertainment. Tickets will be sold for one dollar each, and every cent of the proceeds will be sent to President Roosevelt to be added to the endowment fund. Local expenses will be defrayed by other means than the sale of tickets.

Judge Garrard has announced the appointment of the following committees:

- Chairman General Citizens Committee: Jack Applewhite;
 - Secretary and Treasurer: Coleman Wells;
 - Chairman Advertising Committee: Jim Dye;
 - Chairman Program Committee: Mrs. W. B. Slaton;
 - Chairman House and Decoration Committee: Hall Robinson;
 - Chairman Reception Committee: Mrs. G. M. Stewart;
 - Chairman Ticket Sales Committee: Raymond Weathers;

lowing as members of the general citizen's committee: Jack Applewhite, W. B. Slaton, L. C. Haney, E. I. Hill, G. M. Stewart, J. H. Edwards, Otho Thomas, Jim Dye, Hall Robinson, Coleman Wells, Mrs. W. B. Slaton, Truett Smith, G. H. Nelson, W. E. Smith, Dr. J. R. Singleton, Dr. L. E. Turrentine, Mrs. L. E. Turrentine, Mrs. Jake Leedy, Dr. E. E. Callaway, Dr. C. B. Townes, Mr. and Mrs. Bill Burleson, Mr. and Mrs. Jim Burleson, Mr. and Mrs. Buster Fenton, B. P. Maddox, Elton George, Deen Nowlin, Skip Taylor, W. S. Anglin, Mrs. C. B. New Home

Our church attendance was greatly increased Sunday. Rev. Richburg preached two very interesting sermons to a large audience. The church people have on a move to improve the church building in the very near future.

Mrs. C. L. Vaughn entertained a group of little girls Tuesday afternoon honoring her little daughter, Margaret, on her fourth birthday. Those enjoying the occasion were: Betty Louise Edwards, Betty Lou Jones, Winona Izard, Veldine Scott, and Margaret Vaughn.

Mrs. Loyd McCormick has been ill with the flu this week. Mr. Bert Crumley of Wilson has purchased the Balch Cafe, and he, with his family have moved to New Home. We welcome this good family to our midst.

Mr. Graham George was a visitor to Plainview this week-end. Mr. A. W. Edwards of Waco is here on business this week.

Friends of Mr. Will Kuykendall were grieved to hear of his very sudden death last Wednesday, at the home of his sister, Mrs. W. H. Izard. Funeral services were held at Tahoka, where the remains were interred.

Miss Velma McManis went to Lubbock this week, where she is planning to enter Tech in a few days.

At a meeting of the farmers at the school building here to consider the cotton reduction plan the following were named as members of the community committee which is to have charge of carrying out the terms of the plan: J. W. Armstrong, Elton George, L. H. Hancock. New students enrolled in the

school here this week are: Frances Alsup, Randall Alsup, Louis Alsup, Albert Crumley, Ray Crumley, Wilford Bennett, James Bennett and Thomas Gryder.

New Home High School will have two graduates at mid-term, February 2. They are Trannie Mae Bradshaw and Auba Smith.

Columbus—"This is sure a happy Christmas for me", Mrs. Creston Gay told County Agent W. H. Young of Colorado county just before the holidays. Living three miles from Columbus she has been separated from her two small daughters who live with their grandmother while attending school. From a turkey demonstration with Mr. Young she made enough on 315 turkeys to

buy a good used car. Now she keeps her girls at home, carrying them back and forth from school each day. Next year she plans to raise 1000 turkeys.

CITATION BY PUBLICATION

The State of Texas,
To the Sheriff or any Constable of Lynn County, Greeting:
YOU ARE HEREBY COMMANDED to summon Dale Young by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Lynn County, to be holden at the Court House therefo, in Tahoka, on the Second Monday in February A. D. 1934, the same being the 12th day of February A. D. 1934, then and there to answer a petition filed in said Court on the 5th day of January A. D. 1934 in suit, numbered on the docket of said Court as No. 993, wherein Mrs. Jessie Young is plaintiff, and Dale Young is Defendant, and said petition alleging that plaintiff has been an actual bona fide inhabitant of the state of Texas for a period of twelve months, and has resided in the county of Lynn a period of six months, next preceding the filing of this suit; that the residence of defendant is unknown to plaintiff.

Plaintiff alleges that she and defendant were legally married in Lynn County, Texas on September 16th, 1923, that they separated on June 1st, 1927, that said separation was caused by no act or omission on the part of plaintiff; that on said date of June 1st, 1927, defendant abandoned plaintiff with the intention of finally separating and living apart from her, and has continued to live apart from petitioner up to the filing of this suit; that said separation and abandonment has endured over a period of three years. Plaintiff further alleges that defendant has failed to provide the necessities of life for her and their children, to-wit: Jewell Young, a girl, nine years of age, Louise Young, a girl, seven years of age; that said two children are all the children they have had born to them, as issue of such marriage. Plaintiff is able and willing to train, educate, rear said children, that she is a fit person to have the care, custody and education of said children; that defendant is not a fit person to care for them, and should not be awarded the custody of the children.

Wherefore plaintiff prays that defendant be cited to answer this petition; that on final hearing she have judgment for divorce, that she be awarded the care, custody and education of the said children, for such other and further relief as the court shall deem proper, with costs of suit.

Herein Fall Not, and have you before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given Under my hand and the Seal of said Court, at office in Tahoka, Texas this 5th day of January A. D. 1934. W. S. Taylor, Clerk, District Court, Lynn County. 21-4tc.

Mr. and Mrs. W. L. Knight recently visited their daughter, Mrs. M. M. Boyd, at Amarillo. While there they went out to see the famous Palo Duro Canyon, and then came to the city of Canyon and drove out to the big gulch from that place, where the Government is building a highway down into the mammoth crevasse. When this highway is completed this will be a favorite scenic attraction for tourists from all parts of the country. In fact hundreds are visiting the canyons weekly now.

and Williamson counties till 1900, with the exception of about seven months spent in Coke county. He and family removed from Bell county in 1900, locating in Coke county, where they resided one year. Then they started for the Plains, stayed one winter in Garza county, and then returned to Lubbock county.

In April, 1903, Mr. Kuykendall hauled a load of lumber for the Lynn county court house and also hauled the first-load of groceries for the first store that opened at Tahoka.

In June, 1902, he filed on a tract of school land in what is now the T-Bar community. His post office was Lubbock, 40 miles away. The nearest railroad was at Big Spring, a distance of 80 miles. The nearest doctor was at Gall, 33 miles away.

The population of Lubbock at that time was very small. It had only three small stores and one hotel, the Broadway Hotel, which still

Begin Taking Cardui Today If You Suffer Like This Lady Did

"WHEN I was a girl, I began taking Cardui," writes Mrs. Maggie Stanfield, of Grandall, Ga. "I was very irregular for twelve months. Nothing did me very much good until my mother began to give me this medicine. Then I got all right, stout and well. "After I was married, I was in bad health. I began taking Cardui again. I was troubled with my back a lot. Was awfully restless. I could not sleep well. I just weighed 90 pounds when I began taking Cardui. I improved rapidly. Before long I weighed 126 pounds. I felt fine. I was able to do a good day's work."

stands. He continued to reside in this county from that time until the day of his death, and he saw this country transformed from a land of big ranches to one of the richest cotton-producing sections of Texas.

He left surviving him four sons and four daughters, one son, John, having died years ago. The surviving children are C. I. Kuykendall of Lubbock, C. C. Kuykendall of Maud, Oklahoma, Mrs. Roy L. Green of Breckenridge, W. M. Kuykendall of Southland, S. K. Kuykendall of Breckenridge, Mrs. Cecil L. Moore of Los Angeles, California, Mrs. Grady M. Beard of Cleburne, Mrs. Lonnie W. Taylor of Grassland. His divorced wife, Mrs. L. S. Kuykendall, also survives, and he leaves three surviving sisters and two brothers. All the children were present for the funeral.

The News joins many friends in extending condolences to all bereaved relatives.

One sanitary pit toilet is to be constructed this winter in each of 21 Denton county communities having home demonstration clubs.
