## MAKE CHANGES IN MAIL LINES

**Suddarth Will Retire; Four Rural Routes Will Take Care Of Present Five**

W. E. Suddarth, after thirty-four and one-half years service with Uncle Sam, will be retired with pay on March 1, he was advised this week from Washington.

In spite of the fact that Mr. Suddarth will be relieved, there will not be a vacancy. Postmaster H. M. Larkin stated to the News. The Department has ordered the consolidation of routes 3 and 5 with Mr. Gildersleeve as carrier. Boyd Rice will be transferred from route 5 to route 4. Some of the patrons on route 3 have been transferred to route 2, and some from route 2 to route 1.

Mr. Suddarth will be retired with pay for life, the Government granting him the customary \$100 per month as long as he lives.

"I started to work for the Government as a clerk in the Fort Worth postoffice in 1899," Mr. Suddarth stated on being asked by the News about his service. "I went to Washington five years later and spent ten years in the Panama Canal office. During this period I visited the Canal Zone.

"When Woodrow Wilson became president, in 1913, I was given a place as post office inspector and worked in the cities of St. Louis, Philadelphia, Chicago, and Fort Worth. I was working at the latter place when I was given the route 4 position at Tahoka in February, 1927."

Mr. Suddarth did not state his plans for the future in announcing his retirement.

## Nordyke Seeks A Second Term

L. M. Nordyke asked us today to tell the voters of commissioner precinct 2 that he would like to serve them again as a member of the commissioners' court. Mr. Nordyke is now serving his first term in this office.

"We have had some mighty hard problems," Mr. Nordyke said, "in conducting the business of the county the past year. As a member of the court, I have done all I could do with what I had to do on for my precinct and my county. I have done my dead level best to make a good commissioner. The people certainly have been nice to me. I appreciate their co-operation in helping me put over the work I accomplished; I have never asked anyone for anything that has not given his whole-hearted co-operation." I thank you all and ask that you give me a second term in this office. I promise you the best that I can give."

Mr. Nordyke, who lives in the Midway community, has long been a prominent Lynn county farmer. In fact, he has been a resident of precinct 2 ever since he has been in this county, and that is twenty years. All voters should give his candidacy fair consideration.

## Citizens Attend Cotton Meeting

A group of Lynn county citizens, headed by County Judge W. E. Smith and County Agent V. F. Jones, attended a meeting of farmers and officials at Anson Friday which protested certain requirements of the Government in the signing of cotton curtailment contracts. About 200 delegates from thirty or forty West Texas counties were present.

The principal protest was that of the requirement that a farmer had made as much as 100 pounds of lint to the acre before he could receive the benefits of the contract plan.

Lynn county, however, is not vitally affected by this rule, since most of our farmers made considerably more than that, only a small percent falling in the lower class. Besides Smith and Jones, Otho Thomas, Waldo McLaurin, I. M. Dyaper, R. L. Littlepage, Louis Shambuck, and J. B. Ray were in the Lynn county party.

## MRS. J. E. RICE DIED TUESDAY

**New Home Woman Dies As Result Of Pneumonia In Hospital At Lubbock**

Mrs. J. E. Rice, 54, well-known resident of the New Home community, died in a Lubbock hospital Tuesday midnight from pneumonia. Funeral services and burial were at the Tahoka cemetery Wednesday afternoon at 2 o'clock. Rev. H. C. Smith, pastor of the Methodist Church officiating.

Mrs. Rice, whose maiden name was Mary Eliza Vaughn, was born in Milam county near Cameron August 29, 1879. She was married February 10, 1898, to J. E. Rice. They continued to reside in Milam county until 1920, when the family moved to this county. Mr. Rice is a prominent farmer living about three miles northeast of New Home. She was a member of the Methodist Church.

The deceased is survived by her husband and two sons, Elmer Rice, farmer near New Home, and Boyd Rice, rural carrier on route 5 out of Tahoka.

Pallearers were her nephews, Will, Greer, Clyde, Luther, and Roland Vaughn and Eldon Price.

The bereaved family has the sympathy of a host of friends in this county.

## Three Eligible For Postmaster

Press dispatches from Washington Tuesday stated that W. C. Wells, Kara F. Knight, and H. M. Larkin had been certified to Postmaster-General Farley by the Civil Service Commission as being eligible for appointment as postmaster at Tahoka. The place is expected to be filled in April.

These men were the highest ranking three on the civil service examination given by the Commission several weeks ago this being pre-requisite to appointment.

Mr. Wells is a former official of the Security State Bank. Mr. Knight is the junior member of the firm of W. L. Knight and Son, owner of Piggly-Wiggly, and Mr. Larkin is now serving as temporary postmaster. All are well-known long-time residents and business men of Tahoka.

## Abilene Man Booster For The South Plains

H. L. Skinner, Abilene, agency supervisor of the Southwestern Life Insurance company, was an interesting visitor at the News office Tuesday, in company with Mrs. Gladys M. Stokes, local agent.

Mr. Skinner is a big booster for West Texas, and the South Plains in particular. "I hope I never do have to leave this country," he stated. "Fifteen counties on the South Plains have the largest percentage Caucasian citizenship of any locality of like size in the nation. It is the most thinly populated agricultural country anywhere." And he intimated that there is a great future in store for this rapidly developing area.

"This section is certainly in good shape," he went on to say. "All lines of business are prospering much more here than any other spot. Our business made a larger per cent increase in this district in 1933 over 1932 than any other district in Texas."

Southwestern instituted an advertising campaign in the county weeklies of Texas last week. Another of the company ads will appear next week and during the coming few weeks.

## Smith Asks Final Red-Cross Report

All community chairmen of the Red Cross Roll Call in Lynn county are asked by Truett Smith, county roll call chairman, to make their final reports to him at once.

"I believe that our quota of 400 memberships has been reached," Truett told the News, "but we must make our report and all the local chairmen have not yet reported to me."

## Business Open In Sinclair Building

The New Sinclair building on Main Street at the intersection of Highway 9 and 84 has been completed and four business institutions are now open for business at that location.

Jess Lockhart, more recently of Lubbock but practically reared in Tahoka, will operate the filling station under the name Sinclair Service Station.

Winter Knight, local agent for the Sinclair company, will have his offices in the building.

A. B. (Boots) Swan is reopening his garage business in the shop room.

Also, on the south side, will be located the sales agency for Plymouth and Dodge automobiles operated by Lee Roy Knight and known as Knight Motor company.

This building was wrecked by an explosion and gutted by the fire that immediately followed last fall. The building has been rebuilt and greatly improved and is a structure that is a credit to the town.

## Many Sign For Sanitary Work

Ninety-eight citizens of Lynn county had signed up Tuesday for construction of pit-type toilets on their premises. A. D. Sanders Jr., supervisor of this division of the CWA health work, says.

Work is expected to start on the structures the first of next week.

The CWA proposes to furnish the labor free of charge for the erection of these sanitary toilets, the resident to pay for the materials used in construction.

## Highway 9 Work Is Going Forward

Work on grading and drainage structures from Tahoka to the Lubbock county line is going forward at a rapid rate, and those in charge hope to have this part of the work done by February 15, Judge W. E. Smith states. It is possible that the topping will be put on very soon after completion of the grade.

This week work was started on that sector of the road which passes through town, and traffic has been diverted through the west part of the city.

Workmen are busy cutting down trees for the roadway across the west half of the court house lawn. Many expressions of regret have been heard this week that permission was given for butchering up the beautiful court house lawn.

## Elect Teacher To Vacancy In School

Miss Lorene Castle has been elected to succeed Mrs. Clay Bennett, who recently resigned on account of her health, as teacher in the seventh grade of the local schools.

Miss Castle, who is the daughter of Mr. and Mrs. V. S. Castle, is a graduate of the Texas Technological College, and has had several years experience teaching seventh grade work.

## T-Bar Cattle Are Shipped To Feeders

Dave Childers, foreman of the T-Bar, states that the ranch recently shipped 24 cars of calves to Kansas, where they were to be fed for the market. Also, 300 steers were placed on feed at Slaton recently.

Mr. Childers says the T-Bar range is in good shape, and that the ranch is well stocked with cattle this year.

## Noted Strong Man Coming Saturday

Jack Kern, known the world over as the "Iron Man," will be in Tahoka next Saturday afternoon to show you how you can develop unbelievable power in a small body. Kern is said to have one of the best set of trained muscles in the country. While he only weighs 160 pounds he has accepted a challenge to pull a 5-ton load with a rope around his bare neck, and to pull it up-grade, too. Another of his feature acts is to mount a car upside down while it is being driven toward him.

This show has been made possible by the co-operation of the merchants whose names appear on the "Iron Man's" ad which you will find on page three of this issue of the Lynn County News. Remember this performance is FREE and there will be no collection taken.

## County Nurse Urges Clean-Up

Mrs. Jeff Fleming, county nurse, is urging that our citizens, especially in the towns, clean up their hog pens, chicken houses and cow lots as a sanitary measure.

Clean premises, she says, is one of the greatest aids in the keeping down of diseases. During recent years some of the premises in Tahoka have been allowed to become filthy.

## Grocery Stores Agree On Closing Hours

All Tahoka grocery stores will close at 7 p. m. each evening except Saturdays in the future, store proprietors voted in a meeting held at the court house Wednesday afternoon.

The "prune dealers" also agreed to strictly enforce the rule of not opening any time during the day Sundays.

## ASSEMBLY OF GOD REVIVAL NOW GOING ON HERE

The Assembly of God meeting is now being conducted at the Primitive Baptist church building by the Rev. James J. Land and his party. The old time gospel is being preached in the old time way.

Good preaching and special singing. Everybody is invited.

Rev. Land's subject for Sunday night will be "Hell and how long it will last."

## ALL 1933 TAXES PAID LATE TO CARRY A PENALTY

A. M. Cade, county tax collector, asks that we advise taxpayers that all 1933 taxes not paid by the last of January will carry a penalty of ten percent and an added six percent interest from that date. This is in accordance with the state law.

He also says that a twenty percent penalty will be added to the original license fees on all cars and trucks that are not registered by February 1st.

Dr. M. C. Overton of Lubbock has sold his section of land lying north of Wilson. The north half was bought by H. P. Piwonka of Caldwell, Burleson county. The south half becomes the property of Judge C. Smith, whose place of residence we failed to learn.

Mrs. Jess Rider, Lubbock, teacher of music in the Tahoka schools, recently recovered from an attack to the flu, and is back at her teaching this week.

## OFFER CORN, HOG CONTRACT

**Campaign Starts Soon For Curtailing The Production Of Corn And Hogs**

Friday, February 2, has been designated sign-up day for farmers of Lynn county who desire to sign a Corn-Hog contract, according to V. F. Jones, county agent.

Mr. Jones states that all necessary forms to be filled out have been distributed with the exception of the preliminary work sheets and these are expected to be available within the next few days, and any one who does not have the work sheets and expects to sign a Corn-Hog contract call at the county agents office or the office of C. J. Beach of O'Donnell, and obtain one of these sheets as they are necessary before the contract can be signed.

The farmer then fills out the forms and brings them to a general meeting of all signers in the county at the Court House in Tahoka Friday February 2, and this signed contract entitles the contract signer to one vote on election of community committeemen members.

Mr. Jones states that any one who does not have his necessary forms filled out, come to the court house in Tahoka in the morning of February 2 and there will be men available who will assist the farmer in filling out his forms. The meeting of the contract signers will be held in the District Court room at 3:30 p. m. of that day. This is not the last day in which Corn-Hog contracts may be signed, but it is hoped that every man who possibly can will sign a contract by that day.

## Many Signing Up Cotton Contracts

Farmers have been signing 1934 cotton reduction contracts rapidly the past few days, according to V. F. Jones, county agent. No checkup has been made, but he believes that a large percentage of farmers who are eligible are signing. January 31 is the deadline, and all contracts must be signed by that day.

Mr. Jones received a telegram Wednesday stating that the cotton pooling option contract deadline had been extended from January 15 to February 1. If there are farmers who yet wish to get in on the pooling proposition, they can do so before this month is up.

## First Post Tract Traded For Land In Lynn County

Post, Jan. 24—G. E. White, who is said to have purchased the first quarter section tract of land which the late C. W. Post, founder of this city, sold some 20 years ago, has traded it for a farm in Lynn county.

It was in 1914 that Mr. Post began the sale of 500 quarter-section tracts in Garza county, in a new type colonization scheme for Texas. The purchase included besides the land, improvements up to \$2,000 and including a house, barn, windmill and tank and other improvements.

Special trains were operated into Post from all sections of the country to purchase the land. Long time payments were made available, with a small down payment and owners had about 15 years to pay out the land.

It is said that the first 500 tract sold by Mr. Post, less than one per cent were turned back because of inability to make payments. Farmers began paying out in 1929 and a large number completed their payments that year.

Mr. White traded with Z. D. Kemp, of Post, for the old Sossoman farm in Lynn county and took charge in January.

## MRS. GOOCH WILL RUN

Mrs. Paul Gooch said today that she would be a candidate for County Superintendent. Her announcement will be made later.

## BAYLOR DEAN HERE

Dean Edwards of Baylor College, Belton, spoke to the girl members of the Senior class at Tahoka High School Monday.

## BIRTHDAY BALL HERE TUESDAY

**Plans Complete For Benefit Affair; Entertainment Program Is For One And All**

Along with 5,000 other cities in the United States, Tahoka will hold a Birthday Ball for the President Tuesday night of next week at Tahoka Dance Palace, to which every citizen in Lynn county is being invited. Judge Tom Garrard has been appointed by the national committee as Lynn county chairman of the affair.

The entertainment will start at 8:30 with a program which has been arranged by Mrs. W. B. Slaton, chairman of the program committee. This will be followed by the grand march and dancing to the strains of music from Oke Myra seven-piece orchestra, for the entertainment and enjoyment of both old and young. For those who do not care for dancing, there will be games of "42" and bridge. Also, a radio program will be given over a national hook-up from 10:15 to 11:15, during which Pres. Roosevelt will speak.

Purpose of the party, as stated by Henry L. Doherty, national chairman is: "to establish through the direct help of the citizens of the country an endowment fund for the Georgia Warm Springs Foundation, created in 1926 by President Roosevelt, so that this Foundation may carry on its national crusade against Infantile Paralysis, and devote unselfishly its full energy and thought to the coordination of the fight against a scourge which physically handicaps, every year, thousands of American children.

"Furthermore, the success of this country-wide party, sponsored by the citizens of the United States, will be a growing testimonial to a man who has waged and won a hard personal fight against what might have been accepted as a last-ing handicap."

The program will be as follows: Patriotic talk—Judge Tom Garrard.

Ballet dance—Sheila Vance Moreland.

Reading—Miss Evelyn Wells.

Dance, "Sis Hopkins"—Lavoile Richardson and Joan Edwards.

Violin solo—Miss Mary Jane Weathers.

Reading—Miss O'Bera Forrester.

Tap dance—Murnadine Gaignat, Eloise and Betty Sue Roberts.

Grand march—Led by Judge and Mrs. Garrard at 9 o'clock.

The following will act as patronesses of the affair: Mrs. Bill Burleson, chairman, Mmes. Lum Haney, J. H. Powell, W. O. Henderson, Oscar Roberts, Milt Finch, Hans Tunnell, Hall Robinson, and Jack Alley. The citizens of Lynn county and neighboring counties are invited to participate in the entertainment. Admission will be \$1.00 per couple with extra ladies free.

## Halsey-Hill Nuptials Performed At Slaton

Miss Millie E. Halsey of Albany and E. I. Hill, editor of the Lynn County News, were married Sunday afternoon at the residence of the bride's aunt, Mrs. Willie Eubanks, in Slaton. Rev. Lawrence Hays, pastor of the First Baptist Church of Tahoka, officiated, using the ring ceremony. The bride and groom left immediately after the ceremony for a brief trip.

The groom has been editor and publisher of the News for the past ten years, having been previously engaged in the practice of law. He was also owner and publisher of the Roscoe Times for a number of years.

The bride has been engaged in home demonstration work the past sixteen years and has long been recognized as one of the most capable home demonstration agents in the state.

In 1917 she came to Lubbock as the first demonstration agent the county ever had, serving there four years. Later she served in the same capacity at Seymour in Baylor county for two years. In the spring of 1924 she came to Tahoka as the first home demonstration agent for this county, and she did a notable work here. For the past four years she has been serving in this capacity at Albany in Shackelford county.

## PROPOSED MUSEUM OF TEXAS HISTORY

A museum of Texas history is a project that has been undertaken by the American Legion of Texas, and it is a matter of surpassing interest. Funds for the museum are to be provided in an unique manner. Congress has authorized the coinage of 1,500,000 special memorial 50c pieces, which will be offered for sale at \$1.00 each, netting the Legion \$750,000, an amount deemed ample for the museum, which will be erected on the campus of the State university at Austin. A statement just given out by the museum committee of the Legion says:

"Texas, before and after the Revolution, was settled by representatives of the best families from all sections of the United States, who brought with them records and relics of all states of the nation, from Maine to Florida. A Texas museum devoted to history and natural history is a national museum to a degree that cannot be said of

another state of the nation.

"Of the ten most populous states in the Union today, all contain important state museums except Texas.

"This committee is now working out plans to begin at an early date the collection of historic documents, relics and other material from the archives that will be permanently housed in the department of the museum that will be devoted to history. The collections will be a treasure trove for scholars from all sections of the country and for the tourists from all parts of the world who will visit this state in 1936."

Time for paying poll taxes will soon be gone; in fact, next Wednesday is the last day. Folks, you will be sorry if you fail to make yourself eligible for voting next summer. There is going to be a very hot time politically in Texas and in Lynn county during the next seven months. Fur will be flying in several races. The governor's race promises to be as hotly contested as ever with such men as Jimmy Allred, C. C. McDonald, Clint Small, Edgar Witt, Tom Hunter and probably a half dozen others in the contest. For United States Senate, Tom Connally, Little Joe Bailey, and possibly Jim Ferguson will stir up the dust. For Congress there will be a free-for-all between Arthur P. Duggan, George Mahon, Homer D. Pharr, Fred Hille, Clark M. Mulligan, and possibly several others. In the county, there promises to be some lively contests for the offices of sheriff, tax assessor and collector, and county superintendent. Sure, you'll want to vote in the July and August primaries. Pay your poll tax!

More new subscribers are taking the Lynn County News now than since 1926, possibly. In fact, our list is practically as large as it ever was and most of our readers buy nearly all of their supplies in Tahoka. These people are our most substantial citizens—the ones who have money with which to buy merchandise, for newspaper subscribers al-

most invariably are buying readers. Our advice may not be worth much, but we believe, Mr. Merchant, if Tahoka wishes these folks' business, it is up to the business men to tell them what they have to offer. There is no more economical way to tell them than through the columns of your local paper. If Tahoka does not sell them, the mail order houses, Lubbock, Post, Brownfield, Lamesa, and Slaton will. Your message in the The News reaches over 1,000 families.

## MUSIC! MUSIC! MORE MUSIC!

"Take a music bath once or twice a week for a few seasons. You will find it is to the soul what a water bath is to the body. It elevates and tends to maintain tone to one's mind. Seek, therefore, every clean opportunity for hearing good music. Purchase some kind of instrument for the home and see that its beneficial harmonies are often heard. Let music be as much a part of the day's routine as eating or reading or working." — Oliver Wendell Holmes.

All people should seek to improve themselves by listening to good music whenever they have the opportunity. They should try to appreciate music more than they do, for it is said that, "music is the only art of earth that we will take to heaven." By learning to play an instrument or singing we shall find ourselves admitted into wider circles of friends. At home, music is a constant source of enjoyment both to the one who sings or plays and to others.

The churches should offer a good opportunity to those who cannot often hear good music elsewhere; and by offering the people opportunities to hear and learn to appreciate good music both the person and the church are improved and become more of a credit to the country as a whole.—Contributed.

One of the best things that could happen to Tahoka right now would be a general clean-up campaign, not just a half-hearted clean-up, but a real one. Property owners should clean up their yards, their barnyards and burn all the trash that will burn. Our streets and alleys are littered with cans and boards, nails and wires, wrecked automobiles, dead weeds, and other such trash. Who will start a clean-up campaign?

The News' subscription list is more nearly paid up to date now than it has been in several years, but there are still a few who are in arrears. We would appreciate your paying up, if you possibly can.

## A PRAYER

"O Lord, gib thy servant dis mornin' d eyes of de eagle and de wisdom of de owl; connect his soul wid de gospel telephone in de central skies; luminate his brow wid de Sun of Heaben; pizen his mind wid love for de people; turpentine his 'magination; grease his lips wid 'possum oil; loosen his tongue wid de sledge hammer of Thy power; 'lectrify his brain wid de lightnin' of de Word; put 'petual motion in his shins; fill him plum of de dynamite of Thy glory; 'noint him all over wid de kerosene oil of Thy salvation and sot him on fire.—Amen!"

(Actual prayer delivered by a negro preacher at Red Rock, Mississippi, submitted by J. A. Krentzlin, Washington, D. C., Agent.)

Belton—Home demonstration work in Bell county reached 75.5 per cent of all the rural population in 1933. This included 1408 families not hitherto directly helped by this work in the county. During the year 14 pantry demonstrators and 133 cooperators conserved 33,850 quarts of canned food and 59,070 pounds of cured food having a total valuation of \$14,395.37. The 13 wardrobe demonstrators dressed themselves for \$341.13 and made 103 garments for other people. They all kept clothing accounts and 10 of them provided adequate storage space for their clothing. The cooperators, numbering 150, made 1,114 garments valued at \$1,567.75. Sixteen of them kept clothing accounts, 30 provided storage space and 64 made foundation patterns.

In the yard demonstration, 13 demonstrators and 69 cooperators made cutting beds and rooted shrubs for their yard improvement. The demonstrators put out 555 shrubs in screen and foundation plantings, sodded nine lawns, planted 22 trees, built three walks, one driveway and four sanitary toilets. All demonstrators have made landscape plans and the total cost of their work was \$87.17. The cooperators have 366 cuttings rooted ready to transplant, and have already 446 shrubs and 55 trees.

Mr. and Mrs. Irving Dunagan are the parents of a baby girl recently born.

## Helped By Cardul

Here's the true story of how Cardul helped Mrs. H. E. Dunaway, of McComb, Miss., as written by herself:

"I was sick and rather discouraged. I was so weak and thin, I was not able to do my work as it should be done. This made me fret a good deal, and did not help my condition.

"I had pains across my back and lower part of my body. My nights were spent in rolling from one side of the bed to the other, hoping I would soon go to sleep. Then when morning would come, I would be just as tired as when I went to bed. A neighbor, seeing how badly I felt, told me to try Cardul. After I had taken one bottle, I was much better. I kept on taking Cardul, and I was stronger and slept much better at night."

## METHODIST REPORT AN EXCELLENT DAY LAST SUNDAY

The Rev. Smith presented a treat to his audience Sunday morning by giving one of the "continued" sermons which he occasionally uses. This was one chosen from the seventeenth chapter of John as was last Sunday's, the text being, "The Hour is Come." The little Misses Wyatt sang the special musical number, a duet entitled "Neath the Old Olive Tree."

The night service was featured by a sort of testimony meeting in conjunction with the spiritual sermon on "Prayer." It was announced that the church night program would be arranged by the church missionary committee of which Mr. Tillman Carter is chairman.

The Young People's Division held its monthly council meeting at the church on Monday evening. At the

same time the Junior League Counselor, Miss Hazel Anglin was giving the juniors a party in the basement. The Y. P. D. will sell homemade candy down town Saturday afternoon. Watch for them, and enjoy a real treat while you help a good cause.

The church enjoyed for the first time last Sunday a recent purchase of new song books. Come out next Sunday and try them for yourself! —Reporter

## LOCAL SPANISH TEACHER ATTENDS ASSOCIATION

Mrs. Lucile Bludworth, Spanish teacher in the Tahoka High School, attended the meeting of the Llano Estacado chapter of the American Association of Teachers of Spanish at Plainview Saturday.

Teachers from both colleges and high schools represented a large portion of West Texas.

Recent legislation affecting a large part of the present high school curriculum was subject for discussion and for concerted action on the part of modern language teachers.

Mrs. Bludworth was named high school representative on a committee of three to submit the chapter's resolutions to the State Department of Education.

Thorough preparation on the part of the teacher, and that each teach his major subject was emphasized.

Recognizing Spanish as having cultural value as well as an ever-increasing commercial value, teachers were urged to make their courses more and more worthwhile.

Tahoka's Spanish department this year for the first time competes in a district contest to be held in Lubbock at a date to be announced later.

The two highest-ranking pupils of each second-year class in Lynn county schools are to participate, according to Mrs. Bludworth, who was chosen sponsor of this contest for this county. Full details will be mailed each teacher from Lubbock within the next few days.

Those present were: Misses Dams, Anglin, Rottle, Turrentine, Alise Weathers, Faye Massengale, Aletha Goodnough, Eunice Mullins, and Messrs. A. J. Thompson, Johnnie Janak and Gordon Suits and our sponsor, Mrs. Applewhite.—Reporter

## PARENT-TEACHERS ASSOCIATION MEETS WEDNESDAY

A very interesting program was rendered at the meeting of the Parent-Teachers association held at the High School Wednesday afternoon. Mrs. J. H. Powell's class in expression presented "The Ladies Sewing Club Meets with Mrs. Brown."

District Attorney G. H. Nelson was the principal speaker, talking on "Unlawful Acts Due to Use of Alcohol and Narcotics." Another talk was made by Principal J. T. Carter, who used the subject, "How Shall We Inform Young People in the Home and School about the Nature of Liquor and Narcotics and their Effects on Those Who Use Them?" Myrna Dean Gagnat and Wilhelmina Nelson rendered a piano duet. The final number was presented by the Central Ward Choral Club.

## GRASSLAND 4-H CLUB MET WITH MRS. KARA MATHIS

The Grassland 4-H Club met Wednesday, Jan. 24, with Mrs. Kara Mathis. The club girls worked on pillow slips at this meeting under the supervision of Mrs. Sylvia Robb, County Home Demonstration agent. We have started our club this year with more enthusiasm and interest than we have any year in the past. The Grassland 4-H Club has a bright future.

Those present were: Martha Faye Thomas, Eugenia Appling, Caroline Thomas, Freddie Baker, Pauline McCord, Jewell Roberts, Mildred Roberts, Doice Chapman, Mona Laws, Adelle Ramsey, Zelma Thrall.

Vote a  
Life Sentence  
For Rubbish

There is no greater menace to public health and safety than the rubbish pile and the old-fashioned garbage can. Year after year they take their terrific toll with fire and disease.

There is just one effective way to combat these two evils—by burning them before they have a chance to do their devilish work. A Gas Incinerator is quick-acting, odorless, inexpensive to install and operate. It's the easiest and best way to vote a "life sentence" for Rubbish and Waste.

## CITATION BY PUBLICATION

The State of Texas,

To the Sheriff or any Constable of Lynn County, Greeting:

YOU ARE HEREBY COMMANDED to summon Dale Young by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Lynn County, to be held at the Court House there, in Tahoka, on the Second Monday in February A. D. 1934, the same being the 12th day of February A. D. 1934, then and there to answer a petition filed in said Court on the 5th day of January A. D. 1934 in suit, numbered on the docket of said Court as No. 993, wherein Mrs. Jessie Young is plaintiff, and Dale Young is Defendant, and said petition alleging that plaintiff has been an actual bona fide inhabitant of the state of Texas for a period of twelve months, and has resided in the county of Lynn a period of six months, next preceding the filing of this suit; that the residence of defendant is unknown to plaintiff.

Plaintiff alleges that she and defendant were legally married in Lynn County, Texas on September 16th, 1927, that they separated June 1st, 1927, that said separation was caused by no act or omission on the part of plaintiff; that on said date of June 1st, 1927, defendant abandoned plaintiff with the intention of finally separating and living apart from her, and has continued to live apart from petitioner up to the filing of this suit; that said separation and abandonment has endured over a period of three years. Plaintiff further alleges that defendant has failed to provide the necessities of life for her and their children, to-wit: Jewell Young, a girl, nine years of age, Louise Young, a girl, seven years of age; that said two children are all the children they have had born to them, as issue of such marriage. Plaintiff is able and willing to train, educate, rear said children, that she is a fit person to have the care, custody and education of said children; that defendant is not a fit person to care for them, and should not be awarded the custody of the children.

Wherefore plaintiff prays that defendant be cited to answer this petition; that on final hearing she have judgment for divorce, that she be awarded the care, custody and education of the said children, for such other and further relief as the court shall deem proper, with costs of suit.

Herein Fail Not, and have you before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given Under my hand and the Seal of said Court, at office in Tahoka, Texas this 5th day of January A. D. 1934. W. S. Taylor, Clerk, District Court, Lynn County. 21-4tc.

## Hard Surface For No. 7 In Garza Co.

Plans for the hard-surfacing of highway 7 through the county were approved Monday by Guy R. Johnson, district engineer of the highway department at Lubbock, when presented by a committee headed by T. J. Price and Judge W. L. Cross.

Mr. Price stated this morning that he would carry the plans to Austin as quickly as possible and present them to the CWA for approval and final approval of the Highway Commission, and upon his return to Post hoped to start the work immediately. Mr. Johnson assured the committee Monday that the State Highway Commission was ready to furnish machinery and material for the construction of the highway and as quickly as approval is made by the CWA for the labor cost, the project will be started.

If final approval is made, highway 7 will be hardsurfaced with caliche from the north county line to the south, including the cut-off strip that leads through Post. The project will cost approximately \$400,000.00.

## HALSEY-HILL NUPTIALS PERFORMED AT SLATON

(Cont'd. from first page)

In all these counties she did foundation work and achieved noteworthy results.

Both the bride and the groom were reared in Bell county, the groom near Moffat and the bride near Rogers. Both attended the once well-known Thomas Arnold High School at Salado, now defunct, the bride several years later than the groom, however. Both graduated in that institution and both taught, though not contemporaneously, in the public schools of Bell county. Following her graduation at Thomas Arnold, Miss Halsey entered the C. I. A. at Denton, and she holds a B. S. Degree from that institution. After teaching two or three years she entered home demonstration work under the direction of the Extension Service of the Texas A. & M. College and by hard work and efficient service she soon won the recognition of that institution as one of the most capable and proficient agents that has ever been in the service. Her friends in Lynn

county, as well as other counties where she has worked, are legion, and many have been the expressions of delight that she is returning to this county as a permanent resident.

## SUNDAY WAS BANNER DAY AT THE CHURCH OF CHRIST

Last Sunday was a banner day with us. The morning attendance was the largest it has been for some time and the interest is fine. At the night service two were added to our working force, one returning to his first love and one placing membership. Every member is urged to be present next Lord's day as business of importance will be up for consideration. We feel much encouraged by the good start for the new year. Visit the friendly church once, anyway.—Reporter
