HERE'S something unusual—a high quality, big capacity hammer mill priced within the reach of every livestock feeder. It's the new Case Model "G."

You don't have to be grinding all the time to keep enough feed ahead. Twenty semi-rigid hammers and large blower fan account for an unusual capacity. All running parts on one shaft with two over-size ball bearings. Less power needed. Any tractor runs it. Easy to operate. Only two places to oil. A mill that convincingly demonstrates simplicity and economy in turning grain and forage crops into satisfactory feeds.

Two other sizes—a larger one with self feeder and two governors, also power-contained mill for grinding on wheels. Nowhere in all the world a trio of mills like these. Don't miss seeing them.

New Home

Unexpectedly, death came into our community Sunday night and took away Ben Holly, one of our good citizens. Mr. Holly had only been ill with pneumonia about five days. He leaves a wife and four children, mother, several sisters and brothers and a host of sympathizing friends to mourn his death. His body was taken to Petersburg for burial.

There are quite a number of people in our community who are sick, among whom are Mrs. W. H. Izard, Mrs. F. H. Hancock, and Miss Lola Hilton.

Mr. and Mrs. Cecil Bradshaw and baby son are this week moving to the P. W. Goad farm near Meadow.

Mr. and Mrs. J. B. Anderson were visitors to Paducah last week. Mr. and Mrs. J. Wells of Wichita Falls are visiting Mr. and Mrs. Lawrence Lee this week.

LON SMITH

Lon Smith Seeking Re-election To Office

Lon Smith, member of the state railway commission, has announced that he will be a candidate for re-election.

We do not know anything about the merits of the issues that have been involved in the problems with which the railway commission has had to deal, but we do believe that Lon Smith is a conscientious, honest, and patriotic public servant. He has long been in the public service, first as state senator, then as state comptroller, and last as railway commissioner, and he has held the utmost confidence of the people of Texas throughout his political career. This is evidenced by the increasing majorities by which he has been elected to these state offices by the people.

We shall be glad to give Lon Smith our loyal support.

South Ward

Didn't very many of us South Ward folks enjoy the sandstorm which raged Saturday and Sunday.

Mr. Sherman Inman is on the sick list this week. We are wishing him a speedy recovery.

Mr. and Mrs. W. O. Langlotz visited Mrs. Langlotz's sister, Mrs. W. A. Hardt, and family Sunday. Mr. and Mrs. Langlotz are from Lubbock.

Mr. and Mrs. Marvin Walker spent the day Sunday in the home

of W. P. Inman and family. Miss Irene Redding, Messrs. L. T. Redding and T. M. Cross from Brownfield spent the week end in the Mason home.

Mr. and Mrs. Luther Wood and Jack Wood spent Friday night, Sunday and Sunday night with Mrs. Woods' parents, Mr. and Mrs. W. P. Inman and family. They returned to Lorenzo Monday.

Mr. and Mrs. Alex Taylor visited Ed Mason and family Sunday afternoon.

Mr. Jack Liston spent Saturday night and Sunday with Mr. and Mrs. Roy Tunnell of Redwine.

Mrs. Opal Duckett who has been in bed for several weeks is reported to be doing nicely.

Mr. and Mrs. Sherman Inman visited Mrs. Inman's parents, Mr. and Mrs. T. I. Hammonds, of Edith after singing Sunday night.

Several of the folks went to the play at Edith Friday night.

Many friends here will be interested in the bit of news that has come to Tahoka from Washington, D. C., to the effect that Mr. and Mrs. J. Emory Nance have a daughter in their home. The little lady was born on December 24, exactly seven years from the date of Mr. and Mrs. Nance's marriage, according to W. L. Knight. She has been christened Nancy Lee. Mrs. Nance, the former Miss Leota Knight, was reared and married here, she and husband going to Washington several years ago. Mr. Nance is now auditor for the Home Loan Association of Washington.

Miss Myrtle Murray, district home demonstration agent for this section of Texas, was the guest Monday and Monday night of county home demonstration agent, Miss Sylvia Robb, and Mrs. Millie Halsey Hill.

QUICKER, BETTER RELIEF from use of Black-Draught

"I have taken Black-Draught, off and on when needed, for twenty-five years, for it is easy to take," writes Mr. George T. Wharton, of Petersburg, Va. "I take it for constipation and when I have that dull, tired feeling. I take it for colds and other complaints where a good laxative is needed, and I believe it gives me quicker and better relief than any other medicine I know. It certainly has been a help to me."

CHEVROLET ANNOUNCES
a revolutionary new line of low-priced trucks

Bigger, huskier models feature an entirely new engine, giving increased power on less fuel than ever!

THE 1934 line of Chevrolet trucks—truck-built for truck service all the way through—feature the *Blue-Flame engine*—a great new development that will be welcomed by every truck buyer in America. Here are the remarkable facts: The new Chevrolet trucks are even bigger than last year's

models—bigger in bodies, with stronger, heavier frames, huskier transmissions and rear axles, and larger brakes. They will deliver more power. They will haul bigger loads than ever. Yet, thanks to the new Blue-Flame engine, operating costs are actually lower than before—and that means the lowest

in the hauling field. The net result of all these improvements is a line of trucks like no others on the market—the first to offer such a combination of big capacity, great power and unequalled economy. CHEVROLET MOTOR CO., DETROIT, MICHIGAN

Draw Woman Makes Useful For Only Fifteen Cents

"Girls, I now have a piece of furniture that I am proud of and that cost only fifteen cents," said Mrs. Ralph Cates to the Draw 4-H club girls. "I made me a very useful piece of bedroom furniture from the lower part of an old kitchen cabinet."

"I was going to throw this away but acting on the suggestion of Miss Sylvia Robb, County H. D. agent, I decided to use it in my bedroom. All I had to buy in getting it worked over was a fifteen cent can of enamel. "I have me a clothes closet built in my bedroom that didn't cost me anything. Miss Robb suggested that I build me a clothes closet out of some old scrap lumber and old heavy paper that I had picked up at a furniture store. My husband couldn't wait to get this built after he found out how simple and useful it would be in our little three room house. It was built and papered in three days after Miss Robb visited in our home."

"Ralph, Jr., my two and a half year old son was so proud of it that he drove his tricycle in it as soon as we had finished it and called it his garage."

"All of this is a result of my being sponsor of the Draw 4-H Club Girls and the visit your H. D. agent made to my home."

"One thing at a time and that well done is necessary for success," said Miss Sylvia Robb, county home

"THESE THIRTY YEARS" COMING HERE NEXT WEEK

"These Thirty Years," a new talking picture produced by the Ford Motor Company, is to be shown at the English Theatre, Tahoka, Wednesday and Thursday, Feb. 28 and March 1, from 2 to 5 P. M. Complimentary tickets are being distributed by Fry Auto Co., Inc., under whose auspices the local showings are being held.

The story of "These Thirty Years" begins thirty years ago in the town of Brookfield. Dave Haines and his aged mother see their farm and everything they own put on the auction block to satisfy a greedy mortgage holder. During the auction, however, Dave becomes inspired by a "horseless carriage seen tearing down a rutted country road at the neck-breaking speed of 20 miles per hour." He sees a great future in automobiles and wants Jed Travers, local livery stable owner, to go into business with him. Jed withholds his decision until Dave proves what his "carriage" can do in a cross-country race with a horse.

Success favors Dave. He wins the race—also the hand of May Larcombe. They have a son, Bob, who becomes a problem in later life for he favors playing to working, and spends his "dad's" money gambling on the stock market.

The "crash" of 1929 catches Bob. He loses everything—including his girl, Ann Bailey, who has been disgusted with him for some time. Jed, the partner of Dave, sticks by Bob, saves his life on one occasion, and finally inspires him to become the man his Dad, and Ann, would like him to be.

The players featured in "These Thirty Years" include David Morris, who played in "Come Easy," "Young Sinners," "Cradle Snatchers" and "In the Best of Families." K. Elmo Lowe, who played the lead in "There's Always Juliet," and other well known plays; Donald McDonald, who played the leads in "Left Bank" and "Here Today," and took part in "Forsaking All Others" featuring Tallulah Bankhead; Frederick Forrester, who played the father in "Animal Kingdom"; Alice John, who plays the part of "Mom" Haines in "These Thirty Years" has played for the Theatre Guild, Arthur Hopkins, and Charles Frohman.

Draw

Draw saw another of the famous West Texas sandstorms Saturday and Sunday. In spite of this, there were two church services Sunday at the Methodist church.

The Young People's Department of the Draw Methodist church were entertained February 14 with a banquet. The valentine colors were carried out in decoration and in the type of food served. A good program was rendered by various members of the department. About thirty people were present and a good time was enjoyed by everyone.

Little Wesslee Lee Dabney who has pneumonia, is reported to be much better.

Mr. T. T. Williams and family are moving to Brownfield in the near future.

The Longhorns defeated the New Lynn basket ball team last Thursday afternoon to a score of 19 to 23. The winning of this one game gave us first place in the Class B schools, and it will also make it possible for us to have a chance in the final games for the county championship, which will be played off Tuesday, February 20, at Draw.

The county tournament for the girls was held at Draw Saturday.

Three teams entered—Wilson, New Home, and Draw. T-Bar was supposed to enter but they were not here. Wilson won first and Draw second. The boys were supposed to play their tournament off Saturday also, but there was a misunderstanding to be settled before they could play.

The Humdingers sold sandwiches, candy, chewing gum and drinks

Saturday but the boys' tournament was put off and we only cleared \$2.50.
