Number 28

County Soaked By Much Needed Rain

FARMERS CAN BEGIN PLOWING

Moisture Here Totaled .70 Of Inch Thursday Morning; More Rain In Prospect

The advent of March ushered in the first rainfall of any consequence in several months. Misty weather prevailed throughout the day Wednesday, but it was not until after midnight that real rain began to fall. Not much fell then until after midnight, when a slow rain set in and continued through the remainder of the night.

The Government rain gage this morning indicated that the precipitation had amounted to .70 of an inch. The skies are still overcast and the prospects seem good for more rain.

This rain came slowly and the water soaked into the ground where it fell. The soil had become too dry in most portions of the county for farmers to plow and all farming operations had practically ceased. This will enable them to renew operations as soon as the weather clears.

It is believed that this moisture will also stimulate business somewhat, for while few people here had really become anxious about the crop prospects, yet a long-continued drouth always has the effect of making them conservative in the spending of money. They will probably spend a bit more freely as a result of this rainfall.

Masons Honor G. Washington

"The New Deal in Masonry" was the subject discussed by Geo. W. Dupres, Lubbock, before an open meeting of the Masonic and Eastern Star Orders here last Friday night. He insisted that the Masonic fraternity as well as all other organizations and individuals should get back to the great fundamentals in morals and conduct, in business and in all of the social relations of life.

Mr. Dupree expressed the belief that our whole political, economical, and social order is undergoing a radical revolution; that we are in the midst of a crisis as serious and acute as we were in the days of the great World War; and that we must get back to the great principles and ideals of the past in order to make the new civilization what it should be.

The program was opened with the singing of "America", followed by the invocation by Rev. H. C. Smith, C. O. Carmack, W. M., delivered the welcome address. Musical numbers consisted of a solo by Gordon Suits with an encore; a couple of selections by an O'Donnell quartet composed of C. H. Mansell, Mr. and Mrs. Carey Shook, and Mr. McClen-don; a piano solo by Mrs. Irvin Stewart; a couple of selections by the ladies quartet of the Baptist Church composed of Misses R. C. Wells, G. H. Nelson, H. P. Cavens, and K. R. Durham.

After the benediction by Rev. Lawrence Hays, refreshments of sandwiches, coffee, cake, and chocolate were served to a crowd that almost completely filled the spacious lodge room. Quite a number of visitors from O'Donnell, Wilson, and other places were present.

Successful tests of frozen citrus fruit juice by the Federal citrus by-products laboratory at Weslaco are expected to be of material assistance in increasing the outlet for the product of the lower Rio Grande Valley. Juice of grapefruit and oranges frozen to 40 degrees below zero a year earlier were found to be in excellent condition.

Mr. and Mrs. W. C. Mathews of Lubbock are the proud parents of a fine little son, who was born at the West Texas Hospital Monday morning. Mrs. Mathews was the former Miss Tommy Milliken of this city.

H. M. Jenkins Baby Buried Tuesday

An infant was born to Mr. and Mrs. H. M. Jenkins, who reside on the D. A. Parkhurst farm southeast of town, on Tuesday but died at birth.

Funeral services were conducted at the home by Elder W. T. Garnett at 2 p. m. Wednesday and burial was in the Tahoka Cemetery. Harris & Applewhite, funeral directors, prepared the body for burial.

Implement Firm Opened Saturday

More than 500 people visited the new R. H. Waters Implement store on the occasion of its opening last Saturday. To be exact, 508 people registered. Mr. Waters stated to the News Monday. Also an overflow crowd attended the free picture show sponsored by the new concern and it was necessary to run the picture twice.

Scott Davis won the first prize in the guessing contest and Rev. C. F. Dyke won second prize. Mr. Waters had offered ten dollars to the person making the best guess as to the amount of money in a glass container and \$5.00 for the second best guess. The jar contained exactly \$31.00. Mr. Davis' guess was \$30.87 while Mr. Dyke's was \$31.50.

In addition to Mr. Waters, Dick Scales and Clyde Williams were here as factory representatives of the J. I. Case Implement Company, and D. G. Hale as factory representative of the Firestone Tire & Rubber Company.

Mr. Waters expressed great satisfaction with his opening and says that it was an entire success in spite of the sandstorm that raged in the afternoon.

Better Credit For Farmers Of Area

The 1934 crop season will mean the beginning of a better system of credit for many farmers who are preparing to finance the year's farming by means of short-term loans through the production credit associations which are being organized under the Farm Credit Administration.

Under the Farm Credit Administration the Federal Land Bank of Houston will continue to make long term real estate mortgage loans; the administration is also providing a long-needed system of short-term production credit for farmers and stockmen—loans to be used for producing crops and for the breeding, raising and fattening of livestock. This is a comprehensive credit system and it is designed to be permanent.

Farmers and stockmen in this locality will be served by the Lubbock Production Credit Association which was chartered on January 11, 1934 to serve producers in Cochran, Crosby, Gaines, Garza, Lubbock, Hockley, Lynn, Terry and Yoakum counties.

Applications for these short-term loans are handled in this territory by Sim O'Neal, Lubbock, Texas.

SINGING ANNOUNCED AT CENTRAL FOR NEXT SUNDAY

There will be a singing at Central Baptist Church next Sunday afternoon, beginning at 2 o'clock, according to M. E. McCord. "We will have our new books recently ordered," Mr. McCord stated, "and hope to revive interest in good music. Other singing classes have also been invited to come and bring their books, and a good time is expected."

PLAY AT REDWINE

The public is invited to a play that will be presented at Redwine School Friday night. The title of the production is "The Spooky Tavern".

John Hickerson is able to be on the streets again this week after having been confined to his room for several weeks with a severe attack of the flu.

DEATH AGAIN VISITS LANES

A. E. Lane, New Lynn, Follows Wife To Grave; Buried Week After Wife's Death

Just one week after his wife was buried, Albert E. Lane died at his residence two miles east of New Lynn about 5 o'clock last Friday afternoon.

Mrs. Lane died of pneumonia at an early hour Friday morning, February 16, and was buried in the Tahoka cemetery that afternoon following services held by Rev. H. C. Smith in the Methodist Church at New Lynn as reported in the last issue of this paper. A week later Mr. Lane also died of pneumonia; funeral services were conducted at the Methodist Church at New Lynn by Rev. H. C. Smith at 2 o'clock Saturday afternoon, and the remains were buried in the Tahoka Cemetery beside his wife's new-made grave. Harris & Applewhite, undertakers, had charge of the burial arrangements. Mr. and Mrs. Lane became ill about the same time, we understand.

Mr. Lane was a native of Arkansas, having been born on January 23, 1882, and was therefore just a little more than 52 years of age. He had resided in Texas many years, however, and had been a resident of Lynn county about six years. He had been married twice. By his first

(Cont'd. on last page)

Corn-Hog Contract Dead-Line Is Set

Saturday, March 10 has been set as the last day for the signing up of the Corn-Hog Reduction Contracts, according to V. F. Jones, County Agent.

Every farmer in Lynn county who has produced an average of two liters of hogs per year for the years 1932-33 is eligible to sign a hog reduction contract. The producer who has averaged ten acres or more of corn per year for 1932-33 is eligible to sign a corn reduction contract. It is expected that practically all farmers in the county who are eligible will sign a contract before the date expires.

New York Couple Visiting Parents

Mr. and Mrs. Rollin McCord of New York City are here visiting his parents, Mr. and Mrs. R. B. McCord, and other relatives.

Mr. McCord lived in this county for several years before going to New York. For some time he worked in the big Coney Island Cafe which was destroyed by fire nearly a year ago. More recently he has been employed in one of the big department stores of New York City. He reports that business is much better in New York than it was a year ago and that there is much less unemployment.

Mr. and Mrs. McCord were married about a year ago. She was reared in New Jersey and had never visited out of the big Metropolitan area until she came to Texas with her husband on this trip. Since coming to Tahoka a couple of weeks ago she has seen her first livestock and her first cotton fields. H. B. McCord says she has been much interested in cows, while the sight of a few prairie dogs and of a jack rabbit now and then has given her one Mr. and Mrs. McCord expect to return to New York within the next few days, but Mrs. McCord says she would like to remain here.

PLAY PRESENTED TO BIG AUDIENCE AT MIDWAY

On last Thursday evening, a three act play entitled "Friendly Favors" was presented by the Midway school to a large and appreciative audience. The play was of all school cast, using about twenty characters.

Mrs. NORDYKE TO HOSPITAL
County commissioner L. M. Nordyke of Midway carried his wife to a Lubbock sanitarium Wednesday, and it is expected that a serious major operation will be necessary. Mrs. Nordyke has been ill for several weeks.

S. J. HALLMARK DIED SUNDAY

Aged Methodist Minister Of Dixie Community Passes Away After Long Illness

Ripe in years and experience, Rev. S. J. Hallmark, 83, was gathered to his fathers early Sunday morning. He died of cancer at 5 p. m. at the family residence in the Dixie community.

Funeral services were conducted at the Methodist Church at Dixie at 2 o'clock Monday afternoon, Rev. Ed Tharp, the Methodist pastor at Brownfield, officiating. Interment was in the Tahoka Cemetery, Harris & Applewhite, undertakers, having charge of the funeral arrangements.

The Rev. Mr. Hallmark was born in Alabama February 3, 1851. He was reared and married the first time in that state. Five sons and five daughters were born of this marriage. His first wife died many years ago, and he was married the second time in Ellis county, Texas. Five children were born of this marriage and in addition to these he also reared a step-child, C. W. Bynum of Waxahachie. Surviving him are his wife and the following sons and daughters: J. T. Hallmark of Saginaw, W. R. Hallmark of Abilene, A. E. Hallmark of Alvarado, Mrs. Nora Warren, Mrs. Eva McCasland, Mrs. Zora White, all of Tahoka, Mrs.

(Cont'd. on last page)

Excellent Start Is Made By Band

Eighteen members attended the initial meeting of the Tahoka brass band which is being sponsored by the American Legion when organization was effected at the Legion Hall Tuesday night, according to Ivan C. Davis the director, and there are prospects that several others will join.

Mr. Davis says that ten of the eighteen members are from Petty. The other eight are residents of Tahoka. The instruments represented are cornets, trombones, alto, clarinet, saxophones, bass horn and drums.

Mr. Davis has had experience before as a band director and is himself an accomplished musician. This is a splendid opportunity for Tahoka to have an excellent band at little expense to each individual member.

Print New Directory For Telephone Co.

The News has this week printed new telephone directories for the Southwestern Associated Telephone Company.

This directory contains many new names, which indicates that the people are making greater use of the telephone than for the past two or three years. In the darkest days of the depression, many patrons felt that they must discontinue their telephone service, and the fact that there has been a great increase in the number of telephone connections in Tahoka the past few months is another indication that prosperity has returned to this section.

LOCAL BOY ENROLLS AT W. T. S. T. COLLEGE, CANYON

Canyon, Feb. 28.—George Claude Wells of Tahoka enrolled in the West Texas State Teachers College for the first nine weeks of the last semester along with ninety-six other entrants. The enrollment of Canyon College is now the greatest in the history of the institution.

'LEFTY' TO FORT WORTH

"Lefty" Squires will leave the latter part of the week for Fort Worth, where he will be given a try-out for a position in the outfield of that city's Texas League baseball club.

Mr. and Mrs. D. B. English are spending the week in Dallas, visiting relatives and looking after business matters.

Mr. and Mrs. L. C. Hanes and little daughter visited Roscoe last Sunday and Monday.

Liquor Cases Draw Court Convictions

McCord, Robinette At Phillips Meeting

H. B. McCord and F. A. Robinette attended a big meet of Phillips products salesmen in Amarillo on last Thursday and they report that a great crowd of salesmen were present and a wonderful program was staged. Among other features was a parade of Phillips salesmen dressed in regulation green uniforms through the principal streets of the city, which attracted much attention and elicited much favorable comment. Messrs. McCord and Robinette say that they thoroughly enjoyed the occasion.

Candidates For Congress At Post

The Young Democrats Club of Garza county will be host Tuesday evening, March 6, to candidates for Congress in the new 19th District, and to candidates for Garza county offices, at an open meeting in the Post High School Auditorium, Post, according to W. Richard Cavett, County Chairman of the Young Democrats.

Among speakers who have accepted the invitation of the Club to be present are Senator Arthur P. Duggan, of Littlefield; George Mahon, District Attorney, 32nd Judicial District, Colorado, Texas; Homer L. Pharr, judge of the 72nd Judicial district, and Fred C. Halle of Spur.

Each of the above will make formal announcement of his candidacy, and in addition, speak briefly upon the work of the Young Democrats organization.

The Young Democrats are extending invitation to the general public to attend.

Stag Party Held At Baptist Church

A stag party, sponsored by the Men's Down Town Bible Class which meets each Sunday morning at the English Theatre with G. E. Hogan as teacher, was staged in the rear apartment of the Baptist Church Tuesday night with about thirty men present.

A. A. Suits, superintendent of the Sunday School, and W. E. Heathman, associate superintendent, arranged the program and had charge of the affair. The program consisted of stunts, games, tricks, and very amusing physical contests of various kinds. Talks were made by Belton Howell, A. A. Suits, Rev. Lawrence Hays, H. M. Snowden, and G. E. Hogan. All these talks were good, but Belton Howell covered himself with glory as an after-dinner speaker. Refreshments of sandwiches, cake, and coffee were served.

By unanimous vote it was decided to make this function a regular monthly affair. A like entertainment will be held the last Tuesday night in each month.

Beautifying Scurry County Highways

Beautification of Scurry county highways through the planting of shrubs, trees and grass along the bridgesides and at other needed points has proven a decided success, according to G. R. Austin, highway superintendent.

Already a total of 325 trees have been set out at the cost of only 34 cents each. Shrubs have been set out in the number of 2,600, at 4 1-3 cents each. These prices include labor and equipment only, since all plants are furnished by donation.

Because several miles of the highway through Snyder have not been completed, other shrubs will be planted along the new right-of-way later. Through Mrs. Lee T. Stinson, county chairman of the beautification committee, Mr. Austin reports that many more plants have been offered, and that these will be used later. The highway man is well pleased at the interest taken by Snyder people in the beautification project.—Scurry County Times.

COURT ACTIVE DURING WEEK

Many Cases Are Disposed Of; Dixon Case And Civil Suit Are Set For Trial

Quite a number of criminal cases have been tried in the district court this week and several others are to be tried before the week closes. Several of the cases were liquor cases and most of the defendants were found guilty and their sentences suspended. One liquor defendant, however, drew a term of two years in the penitentiary.

The first case that went to trial Monday morning was that of State vs. Buck Sealey of Petty charged with the possession of approximately 22 gallons of whiskey for the purpose of sale. He entered a plea of not guilty but asked for suspension of the sentence if convicted. The jury found him guilty and assessed the punishment at two years in the penitentiary and suspended the sentence. The defendant was represented by Hill Stewart of Lubbock.

On Tuesday morning the case of Grady Burkhardt was called for trial and both the State and the defendant announced ready. The indictment charged a sale of whiskey to Ben Floyd. The State placed Floyd on the stand and he repudiated the testimony he had given before the grand jury declaring that it was false and testifying that Burkhardt had not sold whiskey to him as alleged in the indictment. In view of this testimony, District Attorney G. H. Nelson was compelled

(Cont'd. on back page)

Plains In Grip Of Winter Weather

Winter came this week with a bang. The lowest temperatures of the season were registered Monday and Tuesday morning. On Monday morning the mercury stood just a little above 10 degrees above zero and on Tuesday morning just a little above 11 degrees. All day Monday the mercury never rose up to the freezing point. Only twice before this winter has the mercury approached these low levels. Twice in December a temperature of 14 degrees was registered.

This cold blast Sunday night followed a terrific sandstorm that raged Saturday afternoon and night. A brisk wind that shifted around to the north blew all day Sunday. Just one week preceding this flurry the plains experienced the most severe sandstorm of the winter. That too was followed by wintry weather.

As is usual when a sandstorm rages here destructive tornadoes visited many sections of the country farther east. Some loss of life and much damage to property were wrought by cyclonic winds that swept across Mississippi, Alabama, and Georgia.

The cold wave that swept across the plains was really a blessing to the country. Many fruit trees were beginning to bud out and probably would have been in bloom soon if the weather had continued to be warm. These biting winds and low temperatures served to check the flow of the sap and will thus probably prevent destruction of the fruit by later frosts.

Large Crowds See "These Thirty Years"

A picture entitled "These Thirty Years," sponsored by the Fry Auto Company, Ford dealer here, was run at the English Theatre yesterday afternoon and is being run again this afternoon, depicting the development of motor transportation.

The film was run twice yesterday afternoon to capacity houses and people were turned away at each performance. It is said. Good crowds are again in attendance this afternoon. The show is said to be a very interesting and instructive one.

Car Stolen From Jack Edwards

A Chevrolet coupe belonging to Jack Edwards was stolen from the street in front of the Baptist Church Wednesday night. The car was a 1933 Model and contained a radio.

The car had been left in front of the church while Mrs. Edwards was at prayer meeting and was stolen during the service.

Officers were notified and Sheriff B. L. Parker immediately notified other officers in this section of the state. A reward of \$50.00 is offered for the capture of the thief and \$50.00 for the recovery of the car.

Dr. Holden Leads Mexico Expedition

Lubbock, Feb. 28.—Setting out March 1 on what is to be a modern research expedition into the Yaqui River country of Old Mexico to collect information as to the history and customs of the Yaqui Indians, Dr. W. C. Holden, historian and anthropologist of Texas Technological College, will lead a group of scientists who plan to bring back accurate and detailed reports of the natives and their country. Penetrating 350 miles into the interior with the nearest town, Guaymas, in the state of Sonora, 80 miles away from their camping base, the group will camp outdoors for the entire period except for stops in Van Horn, Texas; Tucson and Nogales, Arizona; and Hermosillo and Guaymas, Mexico.

H. N. Gould of Tulane University, a protege of Hrdlicka of the Smithsonian Institution, will be physical anthropologist.

Dr. R. A. Studhalter, head of the Texas Technological College department of biology, who discovered the ruffie plant growing wild in the Davis Mountains of Texas a few years ago, will be ethnobotanologist.

Bennie McWilliams, Tech student in anthropology and first string tackle on the Matador football team, from San Benito, will act as interpreter, cook, and truck driver.

Dr. Charles J. Wagner, Lubbock physician, and Charles A. Guy, editor of the Lubbock Avalanche-Journal, will complete the party. They plan to return April 15.

Texas Utilities Makes Rate Cut

We call attention to the announcement of reduction in rates made by the Texas Utilities Company appearing in this issue of the News.

An examination of these figures will reveal the fact that quite a substantial reduction is being made, ranging from about 9 percent to 16-2-3 percent on electricity used up to 1,000 k. w. h. per month. Most users of electricity will therefore benefit by these reduced rates, and we are sure that they will appreciate the volunteer action of the Texas Utilities Company in making these reductions.

Suddarth Retires From Mail Work

Rounding out a service in the U. S. post office department of more than 34 years, W. E. Suddarth retired as rural mail carrier upon coming in from his run on Route No. 4 Wednesday afternoon.

Mr. Suddarth has been engaged in various departments of the service during this period of time. Immediately before coming to Tahoka he was a U. S. postal inspector. He came to Tahoka about seven years ago as rural carrier on route 4. He has been a faithful carrier, and in fact has been faithful to every duty imposed on him during the 34 years and five months that he has been in the service. For the past few years he has held important official positions in the state and district rural carriers associations.

The rural carriers association has announced a banquet to be held in his honor in the city of Post on Saturday night of this week. The state president and state secretary and other officials are to be there and a large crowd of carriers, postmasters, and clerks from over West Texas will be in attendance.

EMPLOYMENT RECORD SET BY CHEVROLET PLANTS

Detroit, Mich., Feb. 28.—A new all-time high in employment was achieved by the Chevrolet Motor Company for the week ending Feb. 10 when direct company payrolls totaled 56,545 people, M. E. Coyle, general manager, announced here today.

The high mark prior to this year was 52,847 men and women employed in June, 1929, while last year at this time factory payrolls numbered only 32,079 people, Mr. Coyle stated.

The present record force also set a new high daily output figure for the present year's program when they completed the assembly of 3,770 new 1934 cars and trucks on Friday, Feb. 16, Mr. Coyle stated. Through the first fifteen days of the month the company completed the assembly of 33,545 new units which have already been shipped to dealers. This is within 12,000 units of production for the full month of February last year, Mr. Coyle stated.

Plants are now headed toward capacity, with dealers making delivery of new 1934 models to consumers and the rate at which orders are being received indicates capacity operations for some months to come, the Chevrolet head declared.

Detroit shows the largest gain on the company's employment map. The payroll here includes the central office staff, and the workers at the Chevrolet plant centering at St. Aubin, Euclid, and Holbrook avenues, where the new "knee-action" wheel sets are being built. Detroit payrolls as of Feb. 10 stood at 16,809 people as compared with a previous all-time high here of 12,720 in June, 1929, and less than 8,000 one year ago. Much of the increase is due to the large number of men engaged solely in the building of the "knee-action" devices, which are coming off their own assembly line with increasing frequency from day to day.

"This one invention," said Mr. Coyle, "has added several thousand men to our payrolls—men who could not have been given work had we not incorporated the new device in our 1934 cars."

At Flint, where four plants are maintained, payrolls were 15,725 men as compared with 11,100 a year ago. Bay City, where small parts are manufactured, 1782 were on the payrolls as against 1,081 last year.

At Saginaw, where Chevrolet operates the largest grey iron foundry in the world, two daily shifts consisting of 4,660 men are pouring castings for the new models, as against 3,443 in February of 1933.

Toledo, where transmissions are manufactured, had 2,571 men at work, within one man of the 1929 high.

These locations comprises mainly the manufacturing operations of the company, and account for 41,500 men on the payrolls. The remaining 15,000 employees are at work at assembly operations in cities out of this area, and at the commercial body plant at Indianapolis and the export packing plant at Bloomfield, N. J. Last year these outside plant payrolls accounted for only 7,000 men.

Mr. Coyle expressed confidence that the present rate at which orders are being received would enable the company to maintain its payrolls at a peak for a good share of the first half of the year.

Many Workers Given Release

One hundred and eleven CWA workers in Lynn county have been stricken from the payrolls during the past two weeks, according to Judge B. P. Maddox, county administrator. One hundred and fifty-eight workers remain on the rolls.

There are six projects on which the CWA workers in this county have been employed: Digging pit toilets in rural districts, working on the high school premises in Tahoka, and working on the public roads in the four commissioners precincts in the county.

Grassland

The Red & White store has changed hands again. V. L. Botkin sold to Mr. Bowers of Post last week. We are sorry Mr. and Mrs. Botkins are leaving our community but are proud to have Mr. and Mrs. Bowers with us.

Rev. and Mrs. Wheeler, pastor of the Methodist Church here, spent Tuesday afternoon with Grandma Aten.

Mr. and Mrs. Carl Jones spent Monday with his parents, Mr. and Mrs. C. C. Jones.

Miss Virginia Inklebarger and Erlene Norman spent Sunday with Odell Chapman.

Miss Rose Welch and Mr. Oran Welch of Edith spent Sunday with Miss Dollie Nixon.

The rally was enjoyed by a large crowd last Thursday at the Nazarene Church. There was a fine sermon delivered.

The wedding bells rang again in our community last week. Mr. Jack Sales of New Lynn and Miss Maurine Elliot of Grassland were united in the holy bonds of matrimony. Their many friends wish them the

best of luck. Mr. and Mrs. D. C. Balls are the proud parents of an eight pound boy. Mother and babe both doing nicely.

The Nazarenes will begin their spring meeting Sunday morning. A lady will conduct the meeting. Every one is invited to attend this revival.—Reporter

Regardless of Price
Judge the new FORD V8
on what it will do

Thousands of people who can afford to spend two or three times as much for a car, are today choosing the Ford V-8 for 1934, instead. Here are some of the reasons.

POWER. The Ford V-8 for 1934 gives you better than 80 miles per hour with the quicker acceleration and greater smoothness of an 8-cylinder motor. Power has actually been increased by 12 per cent over last year's model.

COMFORT. The Ford V-8 for 1934 offers more actual body room than many other cars that cost considerably more. It offers you new Clear-Vision

Ventilation, with the window in one piece. It offers you free action for all four wheels—plus the comfort of Ford Cantilever Springs and the proved safety of a front axle.

SAFETY. With the new Ford V-8 you get an all-steel body, safety glass, welded steel-spoke wheels, exceptionally low center of gravity and more braking surface per pound of weight than any other American-made car we know of.

ECONOMY. Gasoline economy is increased by two or three miles per gallon with the new Ford V-8. Test runs show that the new engine will give 20 miles per gallon at 25 miles per hour.

U. S. Survives Many Depressions

The life insurance industry has lived through 19 major depressions—and in every instance it has come out with colors flying. It has proved itself the cornerstone of man's financial structure and provided a road to financial independence.

In 1857 paper inflation was estimated at \$2,000,000,000. Banks failed and mobs ran riot in the streets. And life insurance, whose fundamental principles were then being tried and tested, survived.

In 1873, 72 railroads were in default. The New York Stock Exchange closed for a week. Depression and unemployment were rampant. Thirty-one life insurance companies, which are still in business, carried on as usual, meeting every rightful obligation.

In one month of 1893, 407 banks failed. One-hundred-sixty-nine railroads were unable to meet mortgage interest. Interest rates rose to 300 per cent. The government came closest to bankruptcy in its history. And in a year of which it is said that money almost disappeared from circulation, life insurance paid out a total of \$175,000,000.

In 1907, one of the greatest of all financial crashes occurred. Depression was world-wide. Yet every life insurance company paid contracts in cash exactly when they fell due.

In 1930, 1931 and 1932 businesses collapsed, banks failed, moratoriums were declared. During these years cash payments of 48 leading life insurance companies aggregated more than \$6,000,000,000, about half the original war debt owed our government by Europe, 11 1/2 billions.

Three Lakes

Most everyone is through with the measles at this time and the children will start back to school soon.

Rae Hickerson stepped on a calf muzzie, injuring his foot real bad. He had to go on crutches a few days but is better now.

Buster Phipps of Wells was in this community Sunday eve.

W. B. Edwards and wife visited in Crawford a few days.

Cecil and Oran Hickerson were in Turkey on business last week.

Lewis, Troy and W. M. Edwards of near Lubbock were in Three Lakes Sunday.

Elmo Halsell is at home again after an extended visit in Oklahoma.

J. Wright and Carroll Edwards made a business trip to Lubbock Monday.

Three Lakes

Draw Girls' Club Studies Sheet Making.

"If each club girl had one three yard sheet she would want them all to be three yard sheets," said Miss Sylvia Robb, county home demonstration agent to the Draw 4-H club girls at their regular meeting February 21.

The club girls will make three yard sheets at their next meeting, as they have finished the work that they have started in club work. We will not only have a new problem to start next club meeting but will have a new club room to work in. We are going to fix a club room out of a vacant school room in order that we will have a better place to work.

Those present were: Ruth Smith, Reva Veach, Edna Walters, Mae Crawford, Edna Stinnett, Opal Cox, Lucille Cox, Allene Spruiell, Mauriene Cargile, Pauline Smith, and sponsor, Mrs. Ralph Cates.

REPORTS FROM THE COUNTY CLUBS

Miss Sylvia Robb, H. D. Agent

Draw Girls' Club Studies Sheet Making.

"If each club girl had one three yard sheet she would want them all to be three yard sheets," said Miss Sylvia Robb, county home demonstration agent to the Draw 4-H club girls at their regular meeting February 21.

The club girls will make three yard sheets at their next meeting, as they have finished the work that they have started in club work. We will not only have a new problem to start next club meeting but will have a new club room to work in. We are going to fix a club room out of a vacant school room in order that we will have a better place to work.

Those present were: Ruth Smith, Reva Veach, Edna Walters, Mae Crawford, Edna Stinnett, Opal Cox, Lucille Cox, Allene Spruiell, Mauriene Cargile, Pauline Smith, and sponsor, Mrs. Ralph Cates.

Petty 4-H Club Meets With Mrs. R. B. Nowlin

"I am a club member because it brings me closer to the rural women of my community and gives me many helps for my home," says Mrs. Hubert Huff of the Petty Home Demonstration Club which met with Mrs. R. B. Nowlin on February 28.

The club members were led in a discussion on Extension Work by enlighten nelRsoatbat-ehyR sE--ea Miss Robb, county home demonstration agent, which gave an enlightenment to each member present as to the value of extension work.

Mrs. Huff was elected president of the club for the new year.

Those present were: Mesdames D. C. Baker, R. D. Rogers, Buck Sealy, Hubert Huff, L. L. Jeter and R. B. Nowlin.

Joe Stokes 4-H Club Meets With Miss Robb

"Your work will show up better and you will get more done if your club works," said Miss Sylvia Robb, county home demonstration agent, at the Joe Stokes 4-H Club meeting on February 23.

Mrs. Leon Jennings, club sponsor, is working hard with the girls this year and is going to see that Miss Robb's request is carried out as far as possible. The girls will start their third club problem at their next club meeting. Each club girl is wearing a smile because she is learning to do things for herself by being a 4-H club girl. We look forward to our club days to learn something new.

Those present were: Willie Marie Busby, Lenel Shockley, Pauline Randolph, Ovelia Campbell, Eva Eason, Juanita Tapp, Dorothy Eason, Effie Faye Terry.

Likes Shoe Rack Made In 4-H Club Work.

"I surely like my shoe rack I made in 4-H club work because it is so handy, and it wasn't hard to make," said Mary Helen Henderson at the T-Bar 4-H club girls' meeting February 22 which was held in the school auditorium.

Miss Robb, the county home demonstration agent, met with us and checked over our work on shoe racks and started us on pillow slips. They are not hard to make and we think they are going to be nice.

Those present were: Irene Carr, LaVerne Carr, Eva Dell Davis, Harlee Davis, Johnnie Edwards, Mary Helen Henderson, Bennie McCauley, Eva McMillan, Minnie Faye McMillan, Lois Moffitt, Earlene Williams, Daphne Poor.—Reporter.

Rug Dying School Held Here Tuesday.

Ten rug demonstrators attended the Rug Dying School Tuesday at the American Legion Home conducted by the County Home Demonstration agent.

Patterns and dyes were discussed by Miss Robb and then the dye demonstration was started with ten colors. When the demonstration was over we found that instead of ten colors we had two hundred and three colors. This dying school proved to be very helpful to the rug demonstrators as we have to work for color and shades in our hooked rugs.

Sponsor Pic Supper T-Bar Women Will

Pic supper and with coffee free will be held at T-Bar Friday night, March 2. A big pic supper and coffee free! Dit you ever hear anything the like of it? Then we will be looking for you on Friday night at the T-Bar school house at 7:30 P. M. Don't forget to come. Sponsored by the H. D. club. Candidates and merchants are especially invited.

T-Bar H. D. Club Meets With Mrs. Carl Adams.

Financing of the county government was the subject discussed by Miss Robb at the home of Mrs. Carl Adams, hostess to the T-Bar home demonstration club, February 22.

Our demonstrators are: for yeast bread, Mrs. Lindley; rugs, Mrs. D. Henderson; bedrooms, Mrs. Townsend; sub-irrigation, Mrs. Parks and Mrs. Lindley.

Refreshments consisting of chocolate fudge, cake and hot chocolate were served the following: Miss Robb, Mmes. A. K. McCauley, Lindley, Parks, Smith, Adams, Henderson, Townsend, and the hostess, Mrs. Carl Adams.

Grassland Girl Proud Of Improved Bedroom

"I am proud of my bedroom and I want it more liveable," said Louise Edwards, a bedroom demonstrator of the Grassland 4-H club.

"I have decided on green as my color and I think my room will be real nice when I get all changes made in my bedroom. I have always wanted a room of my own but at present I have two beds in my room. I have the permission to move one of the beds out and I will get to have my own room according to my own plans. This will be a real joy to me to carry out my plans as the bedroom demonstrator of my club." —R.C. Doofthedisab

T-Bar 4-H Club Girl Gives Credit to H. D. Club

"The more I think about my bedroom, the more I see that I can do many things at little expense," said Mary Helen Henderson, improved bedroom demonstrator of the T-Bar 4-H club.

"I have been busy planning my bedroom every since I signed up for this year's club work. I have made a number of things for my bedroom and I am going to paper my room and woodwork next week. Had I not been a club member I would not have taken any interest in my bedroom."

Does your cream test what it should. If not, see us about it. Hansen Produce Co. Itc.

C. W. Conway and family are planning to move to Fort Worth about the first of next week. Mr. Conway is a barber at the Hub Barber shop. He and family have been residents of Tahoka more than ten years and many friends here regret that they are to move away. We'll doubtless have the pleasure of welcoming them back in a year or two.

W. M. Lee received the information this week that his brother-in-law, E. E. Weathers, died Sunday night at Stephenville, where he had resided many years.

NEW CLASS begins each week at Shamburger's in Dallas. This course is worth more to you than a University course. 1934.

Mrs. Weston

(The Doctor's Wife)

Says . . .

"I Use Gas For Water Heating"

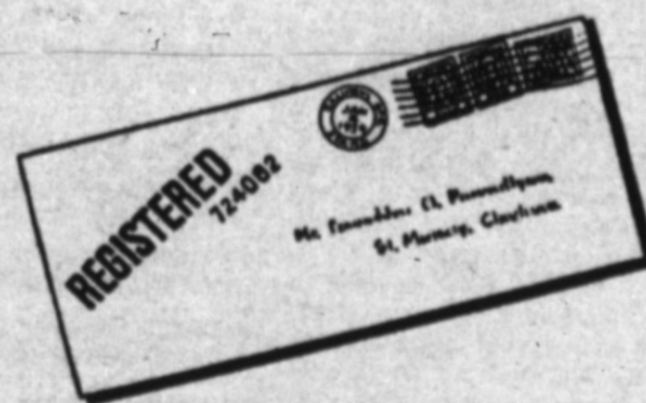

MRS. WESTON is the wife of Dr. Weston, who engages in a general medical practice. He calls take him into the homes of rich and poor alike, and often he asks for hot water for use in administering to the sick. He recently noticed that, almost without exception, the water is heated with gas. And he had always considered gas a luxury fuel because of its fine qualities! Dr. Weston spoke to his wife about his finding.

She uses gas for heating water but never considered its value. To satisfy her own curiosity, Mrs. Weston checked up to see how much it costs to heat water with the different fuels. She found that gas could sell for as much as \$1.25 per 1000 cubic feet and still be the most economical fuel for this purpose. Unfounded political attacks upon gas rates will not receive Mrs. Weston's support because she finds the value of gas far more than any amount she ever has been asked to pay for it.

If others of us were to think of gas in terms of its value as compared to other fuels, like Mrs. Weston, we would assume a fairer attitude in considering its price. Those who know its true value count gas as worth \$1.25 per 1000 cubic feet for water heating, \$2.50 for cooking and \$3.00 for refrigeration. The price asked for gas is far below any of these amounts, and the difference is your savings. That's why it truthfully can be said—"Gas Doesn't Cost. It PAYS."

**A CRIME TO RAISE TOO
MUCH COTTON**

If the Bankhead bill now pending
in Congress is enacted into law and
is declared by the courts to be con-
stitutional, then there is no limit,
it seems to us, to the power of the
Federal Government.

The Bankhead bill seeks to limit
the production of cotton in this
country through its power of taxa-
tion. Some statesmen a long time
ago observed that the power to tax
is the power to destroy. Our states-
men in Washington are now seeking
to levy a confiscatory or prohibitive
tax upon the farmer who produces
in any year more cotton than the
secretary of agriculture thinks he
ought to produce.

The Bankhead bill has been great-
ly modified, but in its present form
it provides that 10 million bales of
cotton may be produced this year
tax free. This ten million bales is
to be pro-rated among the states,
then among the counties of each
state, and finally among the farm-
ers of each county. This pro-rating
is to be done by the secretary of
agriculture through machinery set
up by the Government. Production
for any subsequent year may be
fixed by the secretary of agriculture,
as we understand the Bankhead bill.

A tax amounting to 50 percent of
the market price is to be levied on
all cotton produced in excess of the

ten million bales. For instance, if
under this set-up, Mr. Jones here
in Lynn county is allotted a pro-
duction of thirty bales of cotton
during the present year and the
rain comes and his crop proves to
be excellent and he produces sixty
bales, he must pay to the govern-
ment a tax of half the market value
of the surplus thirty bales when he
offers this cotton for sale. If the
price should be ten cents per pound
he must pay five cents per pound
as a tax to the government. Origin-
ally the bill provided for a tax of
75 per cent but an amendment has
reduced this to 50 per cent.

Theoretically, as we understand
it, the above tax is to be levied up-
on all cotton produced, but "an
amount of cotton necessary to meet
market requirements will be exempt
from the tax." Each land owner
raising cotton will be required to
procure from the department of
agriculture a "certificate of exemp-
tion" for the amount of cotton
which he is permitted to raise and
sell tax free. In other words, he
must procure a license or permit be-
fore he can lawfully raise and sell
any cotton at all. Violations of the
law are visited with heavy penalties.
The bill may be yet materially
changed before it is finally passed,
but this seems to be its present
status.

We sympathize with the purpose
of the bill. We think the plow-up
campaign last year was the salva-
tion of the cotton farmer. Doubt-
less the cotton acreage contracts re-
cently signed by the farmers will
result in great good, but in both of
these schemes the volunteer feature
was not eliminated. The farmer
could plow-up or refuse to plow up,
sign or refuse to sign, as his judg-
ment dictated. The plan presented
by the Bankhead bill is compulsory.
If a farmer undertakes to disregard
its provisions he becomes a criminal.
The secretary of agriculture is
given the power to decree just how
much cotton any particular farmer
may place on the market without
its becoming subject to a confisca-
tory tax. The courts may hold this
scheme to be constitutional, but if
so, then there is no limit to the
power of the federal government,
it seems to us. At any rate we have
drifted a long way from the politi-
cal tenets of the fathers. It is a far
cry from the democracy of Thom-
as Jefferson to the democracy of
Franklin D. Roosevelt.

It may be all right for women to
smoke—we say not to the contrary,
but we do say that it makes them
look cheap in the eyes of men. No
man has a better opinion of a wom-
an because of the fact that she
is addicted to the cigarette habit.
It is especially repellent to see a
young girl smoking but even the
children seem to be taking up the
habit. Just this week we saw a little
girl not more than eight or nine
years old, on the streets of Tahoka,
with an unlighted cigarette in her
mouth. O the times! O the customs!

CARD OF THANKS
We want to express our sincere
thanks to our friends for the many
acts of kindness, words of sympathy
and comfort, and the beautiful
floral offerings given to us in our
recent hours of sorrow. May God
bless each of you.
Mr. and Mrs. D. V. Smith

The following are candidates for
city offices, the election to be Tues-
day, April 3:
For City Secretary:
MISS ROSEMARY NELMS
MRS. J. B. WALKER (re-election)

Edith

There was a large crowd at sing-
ing Sunday night. There was a
number in attendance from South
Ward.

Miss Lola Smith, Miss Hood and
Donald Stephens made a business
trip to Lubbock last Wednesday af-
ternoon.

Miss Smith spent Saturday night
and Sunday at home.

Miss Hood, teacher of the fourth,
fifth, and sixth grade was called to
the bedside of a relative who is said
to be seriously ill.

J. W. Tippit spent Saturday night
and Sunday with Arthur Ham-
monds.

Arbuary Payne has been in bed
several days suffering with a bruised
leg injured while jumping at
school.

J. W. Owens and Eby Dyer visit-
ed Donald and Scott Stephens Sun-
day afternoon.

Weda Vaughn Weathers spent Sat-
urday night and Sunday with Jeffie
Lynn and Wanda Gene Stephens.
Wanda Dyer spent the afternoon
with them also.

Misses Mary Ellen Inman and
Christine Owens spent Sunday af-
ternoon with Dorothy and Ruby
Payne.

Mr. and Mrs. Anderson and family
visited Mr. and Mrs. Henry Culford
Sunday afternoon.

Mr. and Mrs. H. O. Hargett, Mr.
and Mrs. Sam Holland visited in
Grassland Sunday.

Mr. Roy Finch has been on the
sick list.

Mr. Horace Lindley returned
home last Monday. He has been
here visiting his sister, Mrs. Carl
Sanders and other friends.

South Ward

Several of the young folks went
to singing at Edith Sunday night.
They reported some good singing.

Clifford Gandy was in an acci-
dent Saturday night when the car
in which he was riding with several
other boys overturned on the cap
at Post. They said no one was in-
jured, only a few scratches from the
windows which were broken.

Miss O'Phelia Mason is visiting
Amy Redding on the Pool ranch
near Brownfield.

Mr. and Mrs. Hobart Wood and
Mr. and Mrs. Bill Wood and child-
ren from the Midway ranch at Lo-
renzo visited Mr. and Mrs. W. P.
Inman and family Sunday.

Mr. and Mrs. Sherman Inman
spent Saturday night and Sunday
with Mrs. Inman's parents, Mr. and
Mrs. T. I. Hammonds and family
of Edith.

Mr. Edgar Hammonds of the
Edith community visited in the
home of Mr. and Mrs. (Uncle John-
nie) Campbell Sunday.

Mrs. Campbell is spending this
week with her daughter, Mrs. Roy
Appling of Grassland.

Mr. and Mrs. T. B. Cowan and
children and Mr. and Mrs. C. B.
Evans and children visited in the
Inman home Sunday.

Grassland

(Too late for last week)

My, that was a nice initiation we
had Saturday and Sunday to Mr.
Sandstorm, wasn't it?

Bro. Farmers' message was enjoy-
ed by a crowd Sunday night.

Mr. Willie Brookshire, wife and
three children are sick this week
with measles. We hope they will
get along fine and be well soon.

Mr. and Mrs. Walter Wardlaw of
Ragtown visited Mrs. H. C. Aten
Monday afternoon. Mrs. Aten is
still listed with our sick people.

Mr. M. C. Thomas, who has been
visiting in East Texas, returned to
his home here last week.

Mrs. Chappas visited Mrs. Willie
Brookshire Tuesday.

Mmes. G. C. Aten, V. C. Radliff
and Miss Marie Aten of O'Donnell
spent Tuesday afternoon with
Grandma Aten.

Mrs. H. L. Duckett of South
Ward, who has been quite seriously
sick of bronchitis the past several
weeks, is reported to be much im-
proved.

SHERIFF'S SALE

State of Texas,
County of Lynn.

Whereas, by virtue of an Order of
Sale issued out of the 99th District
Court of Lubbock county, Texas, on
a judgment rendered in said court
on the 12th day of January, 1934,
in favor of The Peoples Building
and Loan Association of El Paso,
Texas, and against A. C. Lambert
for the sum of \$1,801.00 and for
the sum of \$98.89, and costs of
court and for foreclosure of a deed
of trust lien on the following de-
scribed property and a tax lien on
the following described property ag-
ainst A. C. Lambert, Lida C. Lam-
bert, Jim Wetzel, W. C. Yell, G. W.
Cranford in cause No. 5738, on the
docket of said court and to me as
Sheriff directed and delivered, I did
on the 13th day of February, 1934,
at 10 a. m. o'clock levy on said prop-
erty which is situated in Lynn
County, Texas, and belonging to said
defendants, to-wit: All of Lots 3, 4,
and 5, Block 2, Dawson Heights Ad-
dition to the town of O'Donnell,
Lynn County, Texas on the 3rd
day of April, 1934, being the first
Tuesday in said month, between
the hours of 10:00 a. m. and 4:00
p. m. on said day at the court
house door of Lynn County, Texas,
I will offer for sale at public auction
for cash to the highest bidder, all
the right, title, and interest of said
defendants A. C. Lambert, Lida C.
Lambert, Jim Wetzel, W. C. Yell,
Mrs. W. C. Yell and G. W. Cran-
ford in and to said property.
Witness my hand this 13th day
of February, 1934.
B. L. PARKER, Sheriff of Lynn
County, Texas. 26-3tc.

**Side Quit Hurting,
Got Stronger, Well;
CARDUI Helped Her**

WOMEN! Get rid of the handi-
caps of a weak, debilitated con-
dition with the assistance of Cardui.

Mrs. R. L. West, of Huntsville,
Ala., writes: "I was weak and
run-down. I had a pain in my side,
and I kept losing weight. I grew
nervous over my condition—this
was unusual for me, for I am very
cheerful when I am well and don't
easily get nervous. I knew I
ought to take something. My aunt
told me I ought to try Cardui,
which I did. I began to feel bet-
ter. I kept it up until I had taken
three or four bottles. My side
quit hurting and I was soon feel-
ing strong and well."
Cardui is sold at drug stores here.

Farm income of Texas for 1933,
including the sale of both farm
crops and animals, is estimated at
\$412,527,042 by Victor H. Shoffel-
mayer, farm editor of the Dallas
News, an increase of 43 per cent
over the 1932 total.

Of the 402 carloads of fruit and
vegetables unloaded in Dallas in
January, only 23 were from Texas
points, 20 of them consisting of
grapefruit and oranges.

Pay up your subscription now!

**Take a Pinch of
BLACK-DRAUGHT
For Distress After Meals**

He had suffered distress after
meals, but by taking Theodor's
Black-Draught he was relieved of
this trouble, writes Mr. Jess Hig-
gins, of Dawsonville, Ga.

"I had sour stomach and gas,"
Mr. Higgins explains, "and often
I would have bilious spells. I read
about Theodor's Black-Draught
and began to take it. It relieved
me of this trouble. I keep it all
the time now. I consider it a fine
medicine. I take a pinch of Black-
Draught after meals when I need
it. It helps to prevent sick head-
ache and to keep the system in
good order."
Now you can get Black-Draught in
the form of a SYRUP, for CHILDREN.

GIVE INTERNATIONAL TEA HONORING DISTRICT HEAD

One of the most delightful occasions of the Phebe K. Warner Club year was the International Tea February 23rd honoring Mrs. W. P. Averitt, Seventh District president. At 3 o'clock we found ourselves in the spacious living room of Mrs. L. E. Turrettine, who invited us to be seated at tables, where we were served a lovely fruit cocktail. The arrangement of tables, the Hawaiian music, decorations, and the dance in costume given by Mrs. Francis Gill transformed the room into a veritable Hawaiian cabaret. It was here, also, that we were favored with a reading by little Frances Marian Haney. Lovely corsages were presented each guest as favors.

We next found ourselves on our way to Europe. Yes, 'twas to Holland we had gone. Mrs. R. W. Fenton Jr., in true Holland costume, met each guest at the door and directed them to a seat. The following program was greatly enjoyed: Violin solo, "It's Tulip Time in Holland," Mary Jane Weathers; reading, "Dutchman's Dog," Peggy Fenton; song, "Happy Hans and Hilda," Myrna Dean Gaignat, Dorothy Jean Applewhite, Peggy and Mary Beth Fenton; vocal solo, "By the Zuerder Zee," Mrs. Layne Moreland. Mrs. Fenton served a delicious salad accompanied by Holland rusk. The favors were little imported Dutch dolls. The Netherlands are so gay.

STATED MEETINGS of Tahoka Lodge No. 1044 the first Tuesday night in each month at 7:30. Members urged to attend. Visitors welcome.

C. O. CARMACK, W. M.
CHAS. V. NELMS, Sec.

so be-tulpped, so be-shoed and be-windmilled and be-hatted that only the most cynical could fail to enjoy this party in Holland.

Next we went to Africa in the home of Mrs. L. C. Haney. We were met at the door and shown to a seat by "Mary", Mrs. Haney's hired girl. Mary also arranged and directed the program given by members of her race. The program consisted of vocal selections which were well rendered, indeed. Two colored girls served individual chicken pies and gave hand-made negro dolls as favors. Truly, we all could say we enjoyed this feature supremely.

Soon we were on our way to the home of Mrs. E. E. Callaway. Met at the door by this charming lady herself, she invited us to come aboard the "Dream Ship" and sail with her to the "Orient." We came ashore in Japan, the land which stands for beauty. It's dainty women, its cherry blossoms, wisteria and chrysanthemums; its picturesque temples, its artistically-bridged streams, and above all its famous sacred mountain of Fujiyama—all of these and more formed definite pictures in the decorations to make it seem Japan in reality. When we were seated (on cushions) on the floor, for in Japan they have no chairs, the very first person we met was none other than Madam Butterfly in the personage of Miss O'Bera Forrester, who read for us "Madam Butterfly" from the grand opera. Immediately following this Mrs. Kathryn Edwards came tripping in and sang "Poor Butterfly." Both numbers were greatly enjoyed. Then Miss Forrester asked each guest to take a tiny paper flower from the tray she bore and put it into a bowl of water "and see what happens." This done the bowl contained a lovely bouquet. The

center piece on the dining table was a lovely Japanese garden scene, on either side of which Mmes. G. M. Stewart and A. E. Swan poured tea. The refreshment plate contained rice cakes and rice cake with rounded in fortune, candied ginger, and Jasmine tea with an imported Japanese novelty as a favor.

We again took ship and landed in South America in the home of Mrs. H. P. Caviness. We were met at the door by the charming senorita Eunice Mullins, who gave us hand-made programs of the day. The program follows: Un programa Brasileña; El Interprete, James Applewhite; La Rosa Mexical (instrumental), Mary Jane Weathers and Martha Helen Powell; La Leyenda da Santos Vega, un drama, Eunice Mullins, Sylvester Reese, and Gordon Suits; La Golondrina, Gordon Suits; Ramona, Gordon Suits y Eunice Mullins. After this delightful program, Mrs. Caviness most appropriately served coffee to the departing guests.

The club president, Mrs. R. W. Fenton Jr., in her charming manner, presented Mrs. Averitt, the honoree, a small gift from the club as a token of their appreciation of her loyalty and cooperation.

CHURCH OF CHRIST REPORTS GOOD DAY SUNDAY

We were very much gratified at the attendance and the interest manifest last Lord's day. The attendance has increased twenty-five percent since the first of the year. We are hoping and praying that this increase will continue.

Brother Drennon brought two very pointed messages on the "Outer and Inner Man," in the morning and the "Prodigal Son" at the evening hour. Every member is urged to come and bring some one with you.

HARMONY CLUB MEETS WITH MISS WEATHERS

The Beethoven Harmony club met with Mary Jane Weathers Thursday, February 15. Thirteen members and their sponsor were present.

This year we are following the outlines for Junior music clubs in the club magazine. Discussions this meeting were on American music and composers.

Our hostess served cream and wafers at the close of our meeting. Next meeting will be with Maxine Jones March 1. All members try to be present. If our club really means anything we must put our best into the meetings.

"DINNER AT EIGHT" BOASTS SENSATIONALLY BIG CAST

Marie Dressler! John Barrymore! Wallace Beery! Jean Harlow! Lionel Barrymore! Lee Tracy! Edmund Lowe! Billie Burke! Madge Evans! Jean Hersholt! Karen Morley! Phillips Holmes!

These are the names in the amazing aggregation of stars who appear together in Metro-Goldwyn-Mayer's sensational picture, "Dinner at Eight," which shows at the English Theatre Sunday Monday, and Tuesday as the most remarkable picture filmed in the last decade.

The picture is based on the play by George S. Kaufman and Edna Ferber, which ran on Broadway for more than a year. It describes the emotional experiences of a heterogeneous group of people, who are

Use This Laxative made from plants

TRIPPOLO'S BLACK-DRAUGHT is made from plants that come up from seeds and grow in the ground, like the garden vegetables you eat at every meal. NATURE has put into these plants an active medicine that stimulates the bowels to act—just as Nature put the materials that sustain your body into the vegetable foods you eat.

In Black-Draught you have a natural laxative, free from synthetic drugs. Its proper use does not make you have to depend on cathartic chemical drugs to get the bowels to act daily.

Find out by trying Black-Draught what a good medicine it is for constipation troubles. In 25¢ pkgs. (dry). P.S.—For Children, get the new, pleasant tasting EYEZ of Tripollo's Black-Draught. 25¢ & 50¢ bottles

brought together at a dramatic dinner party.

Shifting its focus from one angle to another, the camera picks out a retired musical-comedy star, a ship-builder facing bankruptcy, a "washed-up" matinee idol on the verge of suicide, an unscrupulous millionaire and his faithless wife, a Broadway theatrical agent, a philandering young doctor, a Park Avenue hostess, a cook with a toothache. Each of these individuals has his or her own emotional conflict and then they are brought together in one blasting dramatic climax.

This million dollar cast, comprising most of the outstanding stars in Hollywood, sets a new record for lavishness in film entertainment. It has never happened before, and in all likelihood it will never happen again.

CHEVROLET ANNOUNCES

a revolutionary new line of low-priced trucks

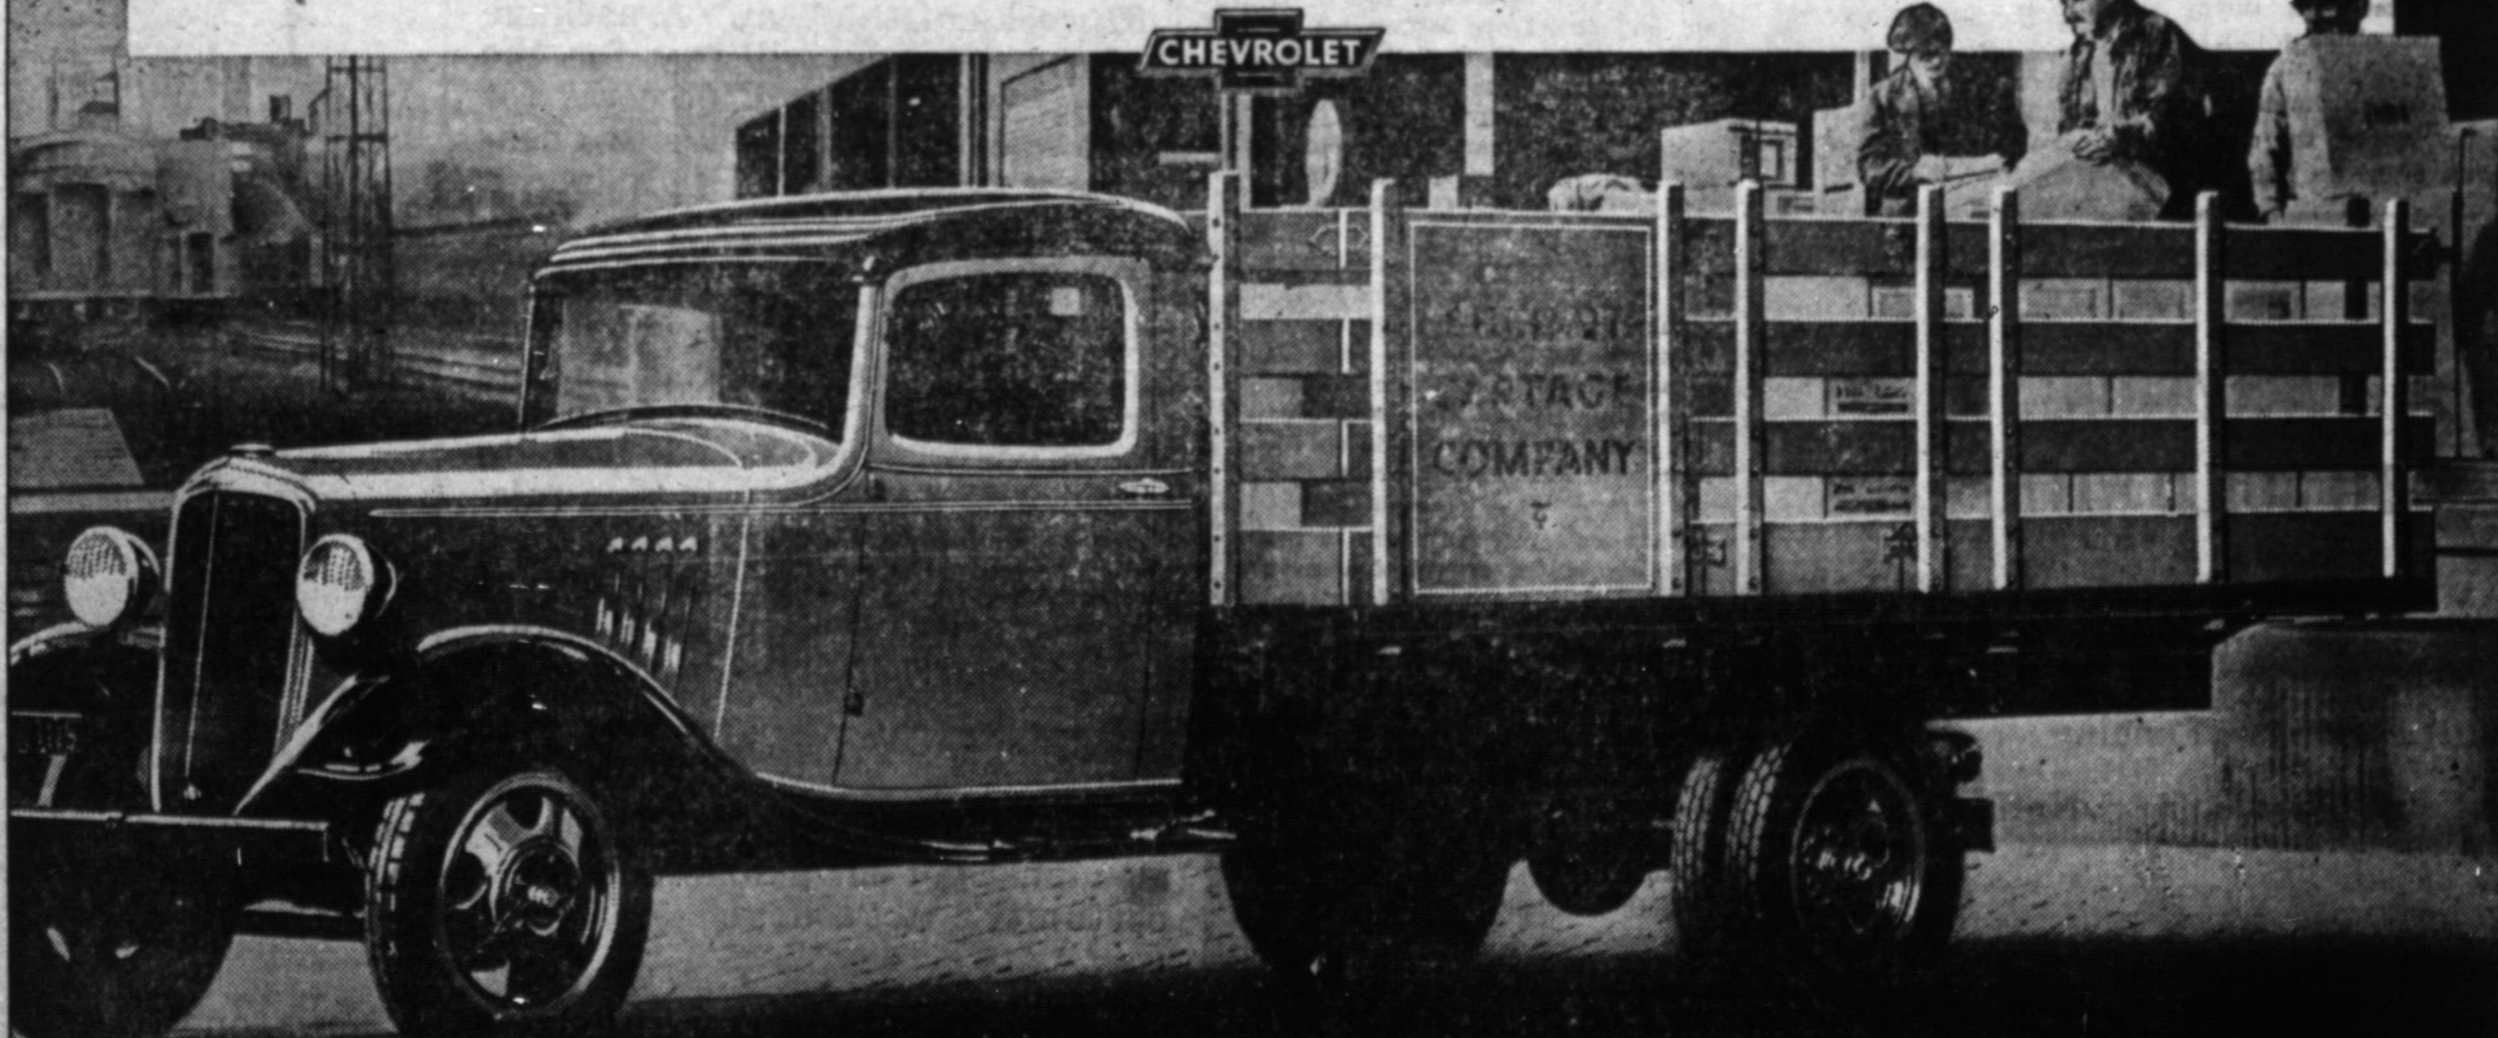

Bigger, huskier models feature an entirely new engine, giving increased power on less fuel than ever!

THE 1934 line of Chevrolet trucks—truck-built for truck service all the way through—feature the Blue-Flame engine—a great new development that will be welcomed by every truck buyer in America. Here are the remarkable facts: The new Chevrolet trucks are even bigger than last year's

models—bigger in bodies, with stronger, heavier frames, huskier transmissions and rear axles, and larger brakes. They will deliver more power. They will haul bigger loads than ever. Yet, thanks to the new Blue-Flame engine, operating costs are actually lower than before—and that means the lowest

in the hauling field. The net result of all these improvements is a line of trucks like no others on the market—the first to offer such a combination of big capacity, great power and unequalled economy. CHEVROLET MOTOR CO., DETROIT, MICHIGAN

Topping Work Begun On Garza Highway

Topping of the caliche base of the one-mile strip of highway 7, within the city limits of Post was begun this week by Mr. Marshbank, superintendent in charge.

A surface of triple-bituminous composition is being used. This material is the very best type of topping and will make highway 7 one of the best all-weather highways. Local labor is being used on this job, which will be completed within a few days.

If final approval of the hardsurfacing of highway 7 from the city limits south to the bridge on Double

Mountain river is not made by the CWA, by the latter part of this week Judge T. L. Price, CWA administrator, stated this morning that he would likely go to Austin the first of next week, to try and push the project, which will represent an expenditure of approximately \$140,000. The State Highway Commission has given its approval for \$57,000 for material and supervision and \$82,000 is to be furnished by the CWA for labor.—Post Dispatch.

Club and Church News

METHODIST REPORT GOOD SERMONS LAST SUNDAY

The peak of the day's services at the Methodist Church last Sunday was reached in the pastor's wonderful sermon on the subject of "Happiness." Certainly something is wrong with the listener who went away without an uplift and inspiration toward better and happier living. Miss Mary Jane Weathers contributed an effective violin solo, and another splendid message was brought by Judge Smith, speaking on "Retirement."

The morning lesson was again taken from John 17:2 "that he should give eternal life to as many as Thou hast given Him" and was an excellent treatise on that text. The Misses Maxine Jones and Betty and Ruth Suddarth sang the trio from Mendelssohn's "Elijah"—"Lift Thine Eyes."

The Young People's Department had a party in the church basement on Monday evening which was enjoyed by quite a number of members and guests. Games, music, and a "pep" rally and refreshments filled several hours. A large crowd plans to attend a special Union meeting at Lamesa next Sunday afternoon where District and other Union officers will be guests.

Come out to church school and the mid-week service and bring your friends!—Reporter

MRS. SWAN HOSTESS TO TAHOKA MUSIC CLUB

Mrs. A. B. Swan was hostess to the Tahoka Music Club Thursday evening in the home of Mrs. Suddarth. The Club is studying Wolfgang Amadeus Mozart. The study course was taught in a most interesting way by the President.

The following program was enjoyed very much: "Mozart as Child and Youth" written by Miss Virginia Saxford and read by Mrs. W. O. Henderson. Vocal Solo—"The Violin" was sung by Mrs. Harold Edwards. "Mozart the Prodigy" was given by Mrs. Skip Taylor.

The hostess served a lovely salad course featuring Washington's color scheme.

New Home

The church repair is nearing completion. The house has been papered and the new pews have replaced the old one. We invite everyone to come and enjoy it with us. Bro. Richburg preached two good sermons Sunday.

Mrs. Emmet Edwards was brought home from the sanitarium last week but is still very sick. The infant is doing nicely.

The J. W. Armontrout and J. E. Peek families returned Thursday from a three weeks tour of South Texas.

Messrs. Kenneth McKennon of Retet and Paschal McKennon of Lubbock were week-end guests of Mr. and Mrs. Lloyd McCormick.

Mr. and Mrs. M. C. Ball of Joe Stokes were dinner guests of Mr. and Mrs. Joe Unfred Sunday.

Messrs. Levi Mears of Joe Stokes and J. B. Anderson are on a business trip to the Rio Grande Valley this week.

Mr. Garland Peek and Miss Helen Lee Armontrout were married Friday evening in Lubbock by Rev. W. R. Campbell. Both the bride and the groom are well known here and they have many friends who congratulate them. They will reside on the farm with Mrs. Peek's parents, Mr. and Mrs. J. W. Armontrout.

News was received here a few days ago of the arrival of a seven pound boy in the home of Mr. and Mrs. Irvin Hancock of Petersburg. Irvin is the son of Mr. and Mrs. F. H. Hancock.

There is to be a program at the school auditorium Friday night if the weather permits. The entertainment is to be free and everyone is invited to come and see children perform.

Ruthel, daughter of Mr. and Mrs. Ben Anderson is ill with pneumonia. Newton Lewis is out of school this week with the flu.

Mr. and Mrs. Harlan Cook have a new red-headed boy in their home. The little fellow made his arrival Tuesday afternoon. Mother and babe are doing well—and so is Dad.

RECORD ENROLLMENT AT TECH THIS SEMESTER

Lubbock, Feb. 28.—With the registration of 404 new students already this semester the enrollment is now larger than that of any other year in the history of Texas Technological College, the total being 2,365 students. There are now 2,061 students on the campus, also a record for the number of students in attendance at any one time.

The largest enrollment during any year up to this time was in 1929-30 when a total of 2,353 students registered. The institution opened in 1925 with an initial enrollment of 1,043, more than was expected. There was approximately fifty per cent increase the second year when 1,535 students registered. With 1,682 students the third year there was a slight increase. In 1928-29 the student body jumped beyond the two thousand mark with 2,088.

The peak enrollment up to this time was 2,353 in 1929-30. The following year showed a slight decline with an enrollment of 2,319, followed by 2,155, and last year there were 2,332.

We have helped many to get a higher cream test. Ask us. MAASEN PRODUCE CO. Itc.

MILK INDUSTRY IN TEXAS BECOMING BIG BUSINESS

In 1932 (latest figures available) Texas produced 6,641,000 pounds of whole-milk American cheese out of a national total of 370,743,000 lbs. It produced 477,000 pounds of Neufchatel, 2,000 pounds of cream cheese, 550,000 pounds of cottage, pot and bakers' cheese, 18,000 pounds of sweetened condensed milk, 639,000

pounds of skimmed and 148,000 pounds of unskimmed, sweetened condensed milk in bulk, 2,999,000 pounds skimmed and 251,000 pounds unskimmed, unsweetened condensed milk and 11,299,000 pounds of evaporated milk.

No single industry in Texas has made greater strides in Texas during the past few years than the dairying.

FORD TO BUILD HUGE EXPOSITION AT THE 1934 CHICAGO WORLD'S FAIR

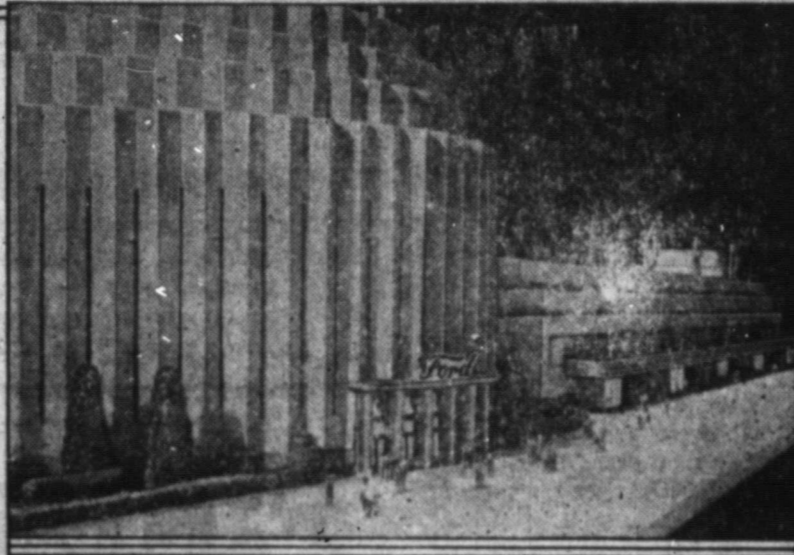

A GREAT Ford Exposition, portraying the tremendous part the arts, sciences and virtually every other industry plays in the manufacture of today's motor cars, is planned by the Ford Motor Company for the 1934 World's Fair.

The Ford Exposition will be housed in a giant building 860 feet long to be built in the heart of the fair grounds on an 11-acre plot bordering Lake Michigan and flanking the main fair boulevard. Construction of the building will start Mar. 1.

In the dominant central building will be housed Henry Ford's "Drama of Transportation," depicting the development of wheeled vehicles from the chariots of ancient Egyptian kings to modern motor cars. Every model of Ford car made since 1903 will be included.

In the smaller building to the left will be housed some of the priceless historic exhibits from the Edison Institute at Dearborn, Mich., including the one-story brick workshop, complete with the original tools, where Mr. Ford in 1893 built with his own hands his first motor car. This first car will be displayed inside the shop.

The main exposition building will

Henry Ford and Edsel B. Ford show to Rufus C. Dawes (center), president of the World's Fair, the scale model of the giant Ford Exposition building to be built at the 1934 Fair. (Lower) The Ford building as it will be seen from Leif Erikson drive. Opposite the building will be a huge park bordering Lake Michigan.

display an imposing array of exhibits, most of them in action, show steel, aluminum and other metals, soy beans, corn, wool, cotton and other farm products and the products of myriad industries are converted into car parts. The building also will house displays of cars and a big movie theater. Along the east side will be an open-air balcony equipped with chairs and lounges where hundreds may relax. Across the drive fronting the lake will be a big Ford Park, beautifully landscaped and also fitted with seats and other comforts for fair crowds.

County Exceeds Roll Call Quota

Judge B. P. Maddox announces that Lynn county went over the top in the recent Red Cross Roll Call. The quota for this county was \$400, and the county raised a little more than that sum.

Some of the precincts in the county, however, failed to raise the full quota allotted them. Tahoka, O'Donnell, New Lynn, and Draw exceeded their quotas. About half the entire sum allotted to the county was raised in Tahoka, Judge Maddox says.

Truett Smith was roll call chairman for the county.

LUBBOCK MAN KILLED IN CAR CRASH NEAR S'WATER

One Lubbock man was killed instantly and two others were injured, one seriously, in an automobile wreck five miles west of Sweetwater about 12 o'clock last night, according to report received here shortly after 2 a. m.

J. M. Marshall, 1208 Avenue U, was dead and J. E. Vickers, living five miles north of town, and Mr. Watson, local gin man, were injured.

Dr. C. A. Rosebrough, of Sweetwater sanitarium, in a telephone conversation with the Morning Avalanche, gave meager details of the accident. Dr. Rosebrough stated that Vickers suffered a dislocated shoulder while Watson suffered a large scalp wound, abrasions and possible concussion of the brain.

Mr. Marshall, who had resided in Lubbock about ten years, was an attorney and formerly was a partner with Hill Stewart, friends here stated this morning. The body was held at Gates Undertaking parlors at Sweetwater.

According to Dr. Rosebrough, the car, owned by Marshall, failed to make a curve after going through an underpass on the Sweetwater-Roscoe highway. Rain, obscuring the vision of driver, was believed to have been responsible. Lubbock Avalanche (Thursday)

"WHERE SERVICE REIGNS SUPREME"

Routes 3 And 5 Are Consolidated

The post office department at Washington recently decided to combine rural routes 3 and 5 out of Tahoka, and this change went into effect today.

The combining of these routes necessitated some changes in all the routes, and these changes likewise became effective this morning. W. E. Suddarth is retiring from the service, and Boyd Rice succeeds him as carrier on route 4. A. A. Sults is carrier on route 1, G. W. Dodson on route 2, and L. D. Gildersleeve on route 3.

Route No. 1 now has about 190 boxes, Route 2 about 145, and Route 3 has 222 and route 4, 166.

The greatest fortifications ever erected are: (1) The Great Wall of China which is 1,500 miles long, has 25,000 towers for forts, rises from 15 to 30 feet high, is 25 feet thick at its base, was built 200 B. C.; (2) The Great Wall of England which is 73 miles long, has 14 large forts and 8 small ones, stands nearly 20 feet high, is 8 feet thick, was built 150 A. D.; (3) The Great Wall of Peru, S. A., which is 40 miles long, has 14 forts, ranges from 15 to 25 feet in height, is 12 to 15 feet thick, believed to have been built about 300 A. D.

Statistics reveal that American manufacturers are turning out cigarettes at the rate of 125,000,000,000 a year. This vast number of cigarettes, if placed end to end, would encircle the equator of the Earth 217 times.

Examination of John Hurt, arrested on a vagrancy charge at Pittsburg, Pa., disclosed that he was wearing 12 suits of underwear, 8 pairs of socks, 15 shirts, 8 pairs of pants and 11 coats.

Snake skin shoes are so popular in England that British footwear manufacturers imported a total of 7,250,000 snake skins from India, Africa, and South America during the past year.

Bankers in Siam use monkeys to test the metallic content of coins paid in. The animals bite the coins and their teeth marks indicate whether the money is genuine or counterfeit.

The United States Army has just been equipped with 104 new 800,000,000 candle-power searchlights, each capable of projecting a beam visible for 100 miles.

SPECIAL LOW RATES—If you register NOW in SHAMBURGER BUSINESS COLLEGE at Dallas.

LIQUOR CASES DRAW CONVICTIONS IN COURT

(Cont'd. from first page)

ed to ask the jury to bring in a verdict of not guilty. Thereafter a complaint was filed against Floyd charging him with perjury. Judge Nelson stated. Tom Garrard represented Burkhardt.

Bert Dollins was tried Tuesday afternoon on an indictment charging the sale of whiskey. A New Home school boy was alleged to have been the purchaser and testified to the sale. He and five other New Home school boys drank the liquor, it is said. Dollins was operating a tourist park here at the time the sale is alleged to have been made. He now resides at Slaton. The jury returned a verdict of guilty and assessed his punishment at two years in the penitentiary. He was represented on the trial by former district attorney T. L. Price.

Stephen Thompson, a young man residing near Tahoka, entered a plea of guilty Wednesday afternoon to a charge of selling whiskey to a youth residing here. He asked for a suspension of the sentence and the jury granted his request. He drew one year and a suspended sentence. He was represented by Tom Garrard.

J. T. Coker entered a plea of guilty to a charge of forgery and drew two years in the penitentiary. He was not represented by an attorney.

W. F. Gifford also entered a plea of guilty to a charge of burglary of a private residence and he was sentenced to five years in the penitentiary. Gifford was a convict out on parole when he committed this crime, according to district attorney G. H. Nelson. He had been sent to the penitentiary from Menard county for stealing sheep and Governor Ferguson released him on parole.

A plea of guilty was entered by Bob Cox to an indictment charging a sale of whiskey. He asked for a suspension of the sentence and the jury granted his plea. Two years suspended. L. C. Heath was appointed by the court to represent Cox, who had employed no attorney.

The cases against Ray Burrows, charged with burglary, and Felix Vaughn, negro, also charged with burglary in a different transaction, were to be called for trial today.

The case against C. L. Dixon is set for Friday. There are eight or ten other criminal cases to be tried, Mr. Nelson states.

A civil suit is also set for trial Friday, F. O. Greathouse vs. The Texas Utilities Co. Greathouse is suing for personal injuries received several months ago when he came in contact with a live electric wire which was down as a result of a storm.

The case of H. C. Story vs. The Texas Utilities Company has been set for trial next Monday. This suit arose from the sale of stock in a corporation by representatives here of the Texas Utilities Company, which stock proved practically worthless, we understand.

S. J. HALLMARK, DIXIE DIED SUNDAY MORNING

(Cont'd. from first page)

Leslie Sproles of Fortales, New Mexico, Miss Nell Hallmark and Pearce Hallmark of Tahoka. He also left surviving him, thirty-three grandchildren and other relatives.

Deceased had been a resident of Lynn county about twenty years, removing to this county from Callahan county in 1914. For many years he had been a faithful minister of the gospel of the Methodist Church, though he had not been

very active in the ministry the past few years on account of the infirmities of age.

He was a most splendid Christian gentleman and citizen. Like his Master, he had gone about doing good, and he leaves a rich heritage in character and precept for his children. Many friends and admirers gathered at the funeral services to do honor to his memory and to follow the remains to the tomb. The News joins these in extending sympathy to the bereaved family.

DEATH VISITS A. F. LANE FAMILY SECOND TIME

(Cont'd. from first page)

wife, who died a number of years ago, he left surviving him four sons and one daughter, as follows: Euell Lane of Tahoka, Mrs. L. D. Lobstein of Lorenzo, Sherrill Lane of Yoakum, Lee Lane of Tahoka, and Joe Lane of San Juan, New Mexico. By his second wife, whom he married at Lorenzo on October 12, 1924, he left surviving him two small children, Billie Albert, 5, and Jean Evelyn, 3.

Mr. Lane was a good neighbor

and citizen and a kind husband and father. The relatives have the sincere sympathy of many friends, and especially do they sympathize with

the two little children who have been left orphans by the death within a week's time of both mother and father.

The Lynn County News

Volume XXX

Tahoka, Lynn County, Texas, Thursday, March 2, 1934.

Number 29

DR. J. H. McCOY DIED SUNDAY

Was Pioneer South Plains Doctor;
Began Practice In Lynn
County In 1904

In the death of Dr. J. H. McCoy, which occurred about 9 o'clock Sunday morning another of Tahoka's pioneer settlers has been gathered to his fathers. Dr. McCoy died at his residence here after several weeks of suffering from a fatal kidney trouble. Death was not unexpected. In fact Dr. McCoy himself several weeks ago told members of the family and others that he knew he had only a few more weeks to live, and he was conscious almost up to the end.

Funeral services were conducted at 3 o'clock Monday afternoon from the residence of his mother-in-law, Mrs. J. S. Wells. The casket in which his remains rested was placed on the spacious front porch and the funeral services conducted, in compliance with a request that had been made by deceased, at exactly the same place and by the same minister who conducted the funeral of the lamented J. S. Wells a few months ago. Elder S. J. McCarty of Hart, pastor of the local Primitive Baptist Church, delivered the funeral discourse and led in the song services. Prayer was offered by Elder E. P. Drennon of the Church of Christ. Following the funeral services, the body was laid away in the Tahoka Cemetery under the direction of Harris & Applewhite, local undertakers. The American Legion, of which Dr. McCoy had long been a member, was represented by several members of the organization wearing the insignia of the order. The esteem in which deceased was held was attested by the profusion of beautiful flowers that were placed upon the tomb, and by the great number of friends who attended the funeral.

Pall bearers were the six brothers

(Cont'd. on last page)

Tahoka Debaters Are Announced

In try-out contests held Monday afternoon, Gordon Suits and Silvester Reese were selected to represent the Tahoka High School in the boys interscholastic league debating contest to be held in this county soon. Other strong contenders for this honor were James Minor and A. J. Thompson.

On the same day Maxine Jones and Mary Jane Weathers were selected as the girls team to represent this school in the county contest. Mary Margaret Strain and Elwayne Redwine were also strong contenders for this honor.

A Round Robin contest will be held here Saturday March 16, to determine which two teams for both the girls and the boys will participate in the final contest to be held at the county meet on March 23. The winning teams in the final contest will go to the district meet to be held in Lubbock later, and the winning team in the district will go to the state contest to be held in Austin.

Local Teacher And Young Farmer Wed

Dexter Dunagan and Miss Frances Dulaney were married in Clovis, New Mexico, last Saturday afternoon, returning to Tahoka Sunday afternoon. They are making their home on a farm a few miles northwest of Tahoka, where Mr. Dunagan will engage in farming during the present year.

Mr. Dunagan is the son of Mr. and Mrs. A. L. Dunagan, who have been residing near Tahoka for a number of years. He is a most excellent young man with many friends.

The bride has likewise resided here a number of years and is now one of the teachers in the Tahoka public schools. She taught at Dixie two or three years and at Woodrow a year. She obtained her education in the West Texas State Teachers College and in the Texas Tech. She is one of Tahoka's finest young women.

These young people have the best wishes of many, many friends here.

Lynn Farmers Pay Crop Loans

The crop production loans made by the Government in 1933 to Lynn county farmers have been paid almost 100 percent, according to P. F. Murray, who was here Monday. Four hundred and one crop loans were made aggregating \$53,680, and of this amount \$52,309.58 has been paid, Mr. Murray said. This represents 97.43 percent of the aggregate amount of the loans.

It is believed that practically every dollar of the \$1,380.00 will be paid, and that scarcely a cent will be lost on these loans.

Grider In Race For Tax Office

Judge G. C. Grider has infused new interest in county politics this week by announcing his candidacy for the office of county tax assessor and collector. For some time there had been rumors to the effect that he would run but this week he banishes all doubt by placing his announcement in this paper.

Judge Grider was born and reared in Tarrant county. Ten years ago he became a citizen of Lynn county, and in 1928, after a spirited contest, he was nominated and elected county judge of this county. He served in this capacity two terms and was defeated for a third term two years ago. Since that time he has been farming in the Midway community.

Judge Grider is a resourceful campaigner. He knows how to meet folks pleasantly and has a wonderful ability to remember names and faces. He expects to make a thorough campaign of the county and if possible to see every voter personally between now and election day. His brief announcement follows.

To The Voters Of Lynn County:

I take this means of announcing my candidacy for the office of Tax Assessor and Collector of Lynn county subject to the action of the democratic primaries.

I am a farmer living in the Midway community, in the county, and am acquainted with most of the voters of our county, and will do my best to see all of them before election time.

If elected I promise to give the people good and efficient service, both in assessing and in the collection of taxes, and assure you that I will appreciate a consideration from all voters. Very truly yours,

G. C. Grider

Bar Association Meets In Lubbock

The News editor and members of the local bar have received invitations to attend a banquet to be tendered the lawyers of the Panhandle, South Plains, and adjacent territory by the Lubbock county Bar Association at the Hilton Hotel at 7 p. m. Saturday, March 24. Their wives and other guests are also invited.

"Officers and directors of the Texas Bar Association have been urged to be present. Chief Justice Hickman of the Court of Civil Appeals at Eastland has accepted an invitation to be on program, and there will be other attractive features," says the committee in extending the invitations.

A number of the members of the Tahoka bar are planning to attend.

Nazarene Revival Opening Monday

A revival meeting will be held at the Church of the Nazarene beginning Monday night, March 19, according to Rev. Clyde Key Dilley, the new pastor here. Mrs. Kittle Lee Simpson of Oklahoma, evangelist, will do the preaching. The public is cordially invited.

Rev. Mr. Dilley came to Tahoka from San Benito just recently. Last Sunday was his first service here as pastor. He reports good attendance and interest in the services.

Mrs. L. M. Nordyke underwent a major operation in the Lubbock Sanitarium Tuesday morning. Last reports were to the effect that she was recovering nicely.

NEW SET-UP ON FARMER LOANS

\$40,000,000 Available To Farmers
Who Can't Get Credit From
Other Sources

Regulations for making emergency crop loans from the \$40,000,000 fund recently made available by Congress indicate that a farmer may obtain such a loan if he can not qualify for credit elsewhere, if he has a justified need for credit, and if he is cooperating with the production control program of the Agricultural Adjustment Administration, according to a statement furnished by P. F. Murray, who is representing the Government in this territory.

The maximum amount which will be available to any one farmer this year is \$250 and the minimum \$25. Interest will be 5½ percent.

Applications for loans of \$25 to \$150 will be made directly to the emergency crop loan offices provided the applicants do not have sufficient security to obtain loans elsewhere.

A farmer applying for \$150 or

(Cont'd. on last page)

Construct Many Pit-Type Toilets

"Our pit-type toilet construction is getting along nicely," A. D. Sanders, county health supervisor says. "The biggest portion of the schools are taking advantage of the offer made by C. W. A. to furnish the labor, both skilled and unskilled. We advise the schools to take advantage of this offer immediately. Six school jobs have been completed and several more are under construction."

Two pit-type toilets have been completed this week for the negro school here in Tahoka.

Jury Can't Agree In Greathouse Case

The jury in the case of F. O. Greathouse vs. the Texas Utilities Company was discharged last Saturday morning without having reached a verdict. It is understood that the jury stood 11 to 1 in favor of Greathouse on the special issues submitted to it.

Greathouse was suing the company for damages for personal injuries sustained several months ago when he came in contact with a live wire on the company's line which had been broken and had fallen to the ground during a wind and rain storm. The electric shock was so severe as to almost cost him his life, and he was confined to his room for many weeks.

His suit was for damages in the sum of \$20,000.00.

Measles Epidemic Sweeps Over County

There are cases of measles in practically every community in the county, Dr. E. E. Callaway states. Several children have very bad cases.

There are also cases of chicken-pox and mumps in town, the doctor says, and a case of diphtheria in the Petty community.

MIDWAY PEOPLE ENJOYED TWO PLAYS LAST WEEK

The people of the Midway community enjoyed two good plays in the auditorium of the school building last week.

The Joe Bailey folks presented a play entitled "Happy Valley" on Thursday evening, and Friday evening the people from Newmore presented "Prairie Rose." Both plays were greatly enjoyed by the Midway people.

Mr. and Mrs. A. L. Lockwood left a few days ago for Los Angeles and San Diego, California. They will visit Mrs. Lockwood's sister, Mrs. L. C. LeSurre, at San Diego and will probably spend several weeks on the coast.

Sam Sanford is still confined to his bed but is said to be getting along fairly well. Many friends hope that he may soon completely recover.

T. W. HALE, 95, PASSES AWAY

Pioneer Texan Had Been Ill Many
Months; Died Monday And
Buried Tuesday

After having passed 95 mile posts on the journey of life, Thomas W. Hale, undoubtedly the oldest man in Lynn county, just before the noon hour Monday wrapped the drapery of his couch about him and lay down to pleasant dreams.

Funeral services were conducted at the Baptist Church here at 4 o'clock Tuesday afternoon by the pastor, Rev. Lawrence Hays, and interment followed in the Tahoka Cemetery. Harris & Applewhite, undertakers, had charge of the burial arrangements, and the rites were conducted by the Masonic fraternity, of which deceased was a member. Friends were here from Lubbock, Gail, and other places to attend the funeral. The floral offerings were lavish and beautiful.

Mr. Hale was born in Tennessee on October 29, 1838, when that was yet a youthful state, and just a little more than two years after

(Cont'd. on back page)

Plan Beautifying County Highways

First steps for the beautification, when paved, of highways through Lynn county were made Wednesday when the district committee on state highway beautification visited Tahoka and appointed Mrs. G. H. Nelson Lynn county chairman. It is the organization's purpose to plant groups of trees and shrubs along the highway and on other public grounds.

The district committee is composed of Mrs. Clark M. Mullican, chairman, Mrs. Dr. J. O. Ellsworth, Mrs. Dr. Albert Cunningham, and Mrs. Frank Winn, all of Lubbock. This committee is sponsoring the formation of organizations in each county in this area, and beautification work has already been started in several of the counties.

Mrs. Nelson will appoint a county committee to work with her in the beautification program and also local committee chairmen for Wilson and O'Donnell.

Through co-operation and aid of the Texas Highway Department trees will be planted along the roadways and small parks established at intervals.

Candidates Invited To Redwine Supper

Redwine people are holding a pie supper and candidate speaking at their school house Friday night, and all the candidates are being urged to attend and greet the voters of that community. (And, maybe, buy some pies.) In fact, all the people of the county are invited. A great time is promised.

MISS MARY FENTON IS ON HONOR ROLL AT C. I. A.

Denton, March 7—Miss Mary Fenton, daughter of Mr. and Mrs. R. W. Fenton Sr. of Tahoka, has been classified scholastically among the highest 15 per cent of the student body at Texas State College for Women (C.I.A.). Her grades for the first semester of the 1933-34 session were all A's and B's.

Miss Fenton's name has been placed on the dean's special honor roll, the standards of which are higher than requirements for honor graduation. In a personal letter to her, E. V. White, dean of the college, stated, "I am pleased to write you this letter of commendation on your scholastic attainment."

Miss Fenton, a junior at the college majoring in Library Science, is a member of the Philomathia Club.

Hoyt Welch, George Claud Wells, Charles Townes, and J. D. Smith, all of whom are students in the West Texas State Teachers College at Canyon, spent the week end with home folks.

Quite a number of Lubbock people were here both Monday and Tuesday attending the funerals of Dr. McCoy and "Grand-pa" Hale.

Grading Streets Here This Week

The streets of Tahoka are being graded this week. Due to the lack of funds, no work had been done on the streets for several months and they had become rather rough in places. This work will improve them greatly.

Sometimes we thoughtlessly complain because of the condition of the streets but the mayor and the city council can not have them improved when there are no funds to pay for the work.

Lubbock County Puts On Beer Ban

Lubbock county held a beer election last Saturday and beer was defeated by a vote of 2996 to 2199, according to unofficial returns, a majority against beer of 797. The election was called at the instance of the wets.

The city of Lubbock itself voted against beer. Of the seven voting boxes in the city, three returned majorities in favor of beer and four against beer. The total vote in the city was 1617 for beer and 1846 against, a majority of 229 for the drys.

All of the four boxes in Slaton voted wet, the vote there being 317 for beer and 237 against it, a majority of 80 for the wets.

Of the 22 country boxes, 20 voted dry, one wet and one was a tie. The total vote in these boxes was 265 for and 913 against beer, a dry majority of 648.

Official returns may change these figures slightly but not materially.

Following the announcement of the result, Lubbock officers have announced that they will make a sustained drive to enforce the law against the sale of beer as well as other intoxicating liquors. It is said that beer has been sold openly in many of the cafes and hotels in Lubbock the past few months. A grand jury investigating alleged violations of the law declined to indict pending the result of this election. Since the people have again spoken in favor of a bone-dry county, it is presumed that the grand jury will hereafter return indictments in such cases.

It is believed this election will have a good effect in bringing about better law enforcement not only in Lubbock county but also in Lynn and other counties in this section. Lynn county juries have recently shown much leniency in dealing with violations of the state liquor laws.

Mrs. W. M. Lee Is Injured In Fall

While attempting to drive a calf out of the lot, Mrs. W. M. Lee fell or was thrown down Monday evening and sustained a fracture of a couple of bones in one of the ankles. It was a bad fracture and has been giving her much pain.

Prompt surgical attention was given to the injury, however, and it is hoped that the fracture will soon heal.

Evidence Started In Tredway Civil Suit

The suit of the American National Insurance Company vs. A. M. Tredway et al. went to trial in the district court here this morning.

This suit involves the title to a building on Main street north of the First National Bank.

BOX SUPPER AT GORDON SET FOR TUESDAY NIGHT

There will be a box supper at Gordon next Tuesday night, March 13, to which everybody is invited.

This supper was formerly announced for Thursday night, March 1, but was postponed on account of unfavorable weather.

ENTER TRY-OUTS

G. D. "Lefty" Squires and Ivan Cathcart, two of Tahoka's baseball diamond artists, are trying out this week for positions of Fort Worth's Texas League club. Wednesday's Star-Telegram said "Lefty" was among the most promising outfielder candidates.

UTILITIES CO. LOSER IN CASE

H. C. Story Wins Court Judgment
Against Company Selling
\$1,380 In Stocks

A jury in district court brought in a verdict at about 7:30 o'clock Wednesday evening in favor of H. C. Story in his suit against the Texas Utilities Company for the rescission of a contract whereby the servants and employees of said company sold him stock in the American Commonwealth Power corporation of Delaware for a consideration of \$1,387.50.

Plaintiff alleged that he thought he was buying stock in the Texas Utilities Company, that the salesman of the stock represented it to him as such, and that he was misled and deceived by these false representations. Becoming convinced that the stock which was delivered to him was of little value, he brought suit for a rescission of the contract and for a return of his money.

The case went to trial on Monday morning and was submitted to the jury on twenty-six special issues. The effect of the jury's answer to the issues submitted to it was to give Story judgment for the full amount of money paid by him for the stock less certain small dividends that had been paid him on the stock.

It is said that much of this stock was sold to residents of the Panhandle and Plains section and that several other residents of Tahoka bought some of it. This is the first case tried, as we understand it, asking for a rescission of the contract, but it is expected that other suits will be filed.

Story was represented on the trial by Nelson & Smith of Tahoka and Lockhart & Brown of Lubbock.

The Texas Utilities company was represented by C. C. Crenshaw of Lubbock and Judge H. C. Randolph of Plainview.

Lakeview Pupils - Visit News Plant

Accompanied by their superintendent, J. W. Adams, more than twenty pupils of the higher grades of the Lakeview public school visited the News office last Friday to get first-hand information as to the "modus operandi" of a printing establishment. They were also accompanied by Frits Speckman, Roy Nettles, and J. P. Lewis, trustees, and R. W. Allen a patron of the school.

These pupils were particularly interested in the mechanism of the Linotype machine and of the cylinder press on which the Lynn County News is printed, and they seemed to enjoy their visit very much.

In the afternoon these pupils also visited the district court room to study court procedure, a civil suit being on trial.

The News force enjoyed this visit very much. We are always glad to show visitors through the shop. Other schools could profit by following this example. A date for the visit should be made beforehand, however, so that the visitors may be assured that the "force" will have time to show them through when they come.

Suddarth Honored At Post Banquet

W. E. Suddarth, retiring mail carrier, was honored with a banquet given by employees of the postal department in the basement of the Methodist Church at Post last Saturday night.

About seventy-five plates were spread and there was much merry-making by the guests. Many speeches were made in praise of Mr. Suddarth and he was presented with a beautiful service medal.

In addition to the honoree, those attending from Tahoka included Mrs. Suddarth and daughters, Mr. and Mrs. O. M. Reid, Mr. and Mrs. A. C. Weaver, Mr. and Mrs. A. A. Suits, and Messrs. H. M. Larkin, G. W. Dodson, L. D. Gildersleeve, and Boyd Rice.

Mr. and Mrs. J. E. Pace visited relatives at Osona last week end.

**LET'S TEACH THE TRUTH
ABOUT LIQUOR**

It looks like it is going to require
a long time to wean the young folks
from drinking hard liquor. It was
thought that 3.2 beer, considered
non-intoxicating, would perform the
trick but this has not come to pass.
We learn that at many of the swell
dances and high class parties it is
considered smart to pep things up
with liquid refreshments much more
potent than 3.2 beer. A campaign
of education seems the last resource
and parents are going to have to
learn their lesson first.—Big Spring
News.

The folks who argued to us that
the sale and use of 3.2 beer
would discourage and diminish the
use of hard liquors had an axe to
grind; but they made many good
people believe the silly bunk. Beer
is not highly intoxicating but its
use cultivates a desire for stronger
liquors. We truly need a campaign
of education as to the effects and
evils of the liquor habit. Many good
people in recent years became so

Dr. K. Stacy
CHIROPRACTOR

Quick and Permanent Results
on All Diseases, Acute

Wednesday of Each Week.

Smith's Market
At Mack's Food Store

bitter in their denunciation of pro-
hibition what they foolishly glorified
wine which the Bible says is a
 mocker, and strong drink, which
the Bible says is raging. Their sons
and daughters therefore got the
foolish idea that drinking and get-
ting "soused" was about the proper
thing. Truly we need to start a
campaign of education. A campaign
of wet propaganda has just about
ruined us. Let's teach the truth
about liquor awhile.

CONSISTENCY

Young Democratic Clubs are being
organized over the state. Recent
conventions have been held in South
Texas, West Texas, and North Tex-
as. In all of these conventions
strong resolutions were passed con-
demning those who have bolted the
Democratic party in the past, and
demanding party allegiance in the
future. That sounds very much like
orders are being issued to the young
Democrats rather than they are
thinking their own way. Youth usu-
ally demands freedom rather than a
yoke. President Roosevelt very
clearly directed the way in freedom
of thought in political matters dur-
ing his campaign when he urged
Republicans to come into the Dem-
ocratic fold and vote the Demo-
cratic ticket. Had not the Republi-
cans followed this advice, Roosevelt
would never have been elected
President. It is possible that some
politician in Texas is attempting to
tie up the Young Democrats against
their own will. It looks very much
that way.—Canyon News.

We should like to ask these young
Democrats a question. If it is an
unpardonable sin for a Democrat in
the ranks to vote for a Republican
for office, wouldn't it also be un-
pardonable for the head of the
party to appoint a Republican to
office? President Roosevelt has
three Republicans in his cabinet.
And now, according to press re-
ports, he and Farley and the Cali-
fornia Democratic delegation in
Congress have endorsed Hiram
Johnson, an independent Republi-
can, for re-election to the Senate.
Listen, you young Democrats, how
can you condemn and bar the
"bolters" in the ranks without con-
demning and repudiating the head
of your party?

One of the world's richest treas-
ures is said to lie in Vigo Bay,
Spain, where, in 1702, a fleet of
British and Dutch ships attacked
and sank a number of French and
Spanish vessels containing \$100-
000,000 worth of gold.

Two big, bad thugs undertook to
rob a bank over at Alto Monday,
and now there is another dead bank
robber. The other would-be robber
is not dead but they've got him in
jail. Becoming suspicious of a fel-
low who was loitering about the
bank, the officials prepared for an
emergency. Presently he left but
sure-enough returned with a com-
panion. Entering the bank, they
ordered the officials to "stick-em-
up". They stuck 'em up, but about
that time business began to pick
up. The president of the bank, who
had hidden himself in the vault
with a sawed-off shot gun, came to
the door of the vault and began
firing. The robbers also began fir-
ing. The cashier and the city mar-
shal who happened to be close
about also opened fire as the rob-
bers ran for their cars. The bank
president got his man. The aim of
the cashier and the city marshal
was not so accurate and the other
fellow managed to get in his car,
but he drove away with such haste
that he wrecked the car and was
captured. These would-be robbers
were probably amateurs, but this
was good work on the part of the
bank officials. It is a terrible thing
to be compelled to take human life,
but the robber forfeits his right to
live when he starts out to rob and
to kill.

Four thousand trees and shrubs
have been planted recently along
the highways of Taylor county
leading into Abilene and provision
has been made for them to be
watered as needed throughout the
year. Trees and shrubs planted in-
cluded elm, wild china, hackberry,
redbud, wild plum, sumac, cedar,
algertia, and bear grass, according
to the Abilene News. We noted no
mesquite among the number, and
yet the mesquite is the most rep-
resentative West Texas tree. It is
indigenous to the region and the
thriftest of all trees grown in this
section of the state. When properly
cared for it is a beautiful tree too.
When they bring the beautification-
of-highways program to Lynn coun-
ty, we are in favor of planting or
permitting clusters of mesquite
trees to grow at intervals along the
highways. If the same attention
were given to these trees that must
be given to other trees to make
them a success in this region, they
would grow luxuriantly and would
add much to the beauty and indi-
viduality of our section. Long live
the mesquite!

That man Dillinger is a wonder.
With a wooden pistol which he had
whittled out while confined in an
Indiana jail, he disarmed the jailer
and walked out of the prison. Armed
with the jailer's weapon, he then
disarmed and locked up about a
half dozen officers one after an-
other, took possession of a couple of
machine guns, climbed a high wall
surrounding the premises, went to
a garage and commandeered the
lady sheriff's car, and with a negro
who had accompanied him on his
escape made his escape out of
the city. He is still at large as this
is written. Brave and faithful of-
ficers to have a knife in jail? He
is reputed to be a bad gangster.
Money still talks.

New Lynn

Rev. M. E. Roberson filled his
regular appointment at the Baptist
church Sunday. Everybody is wel-
come to attend.

Those who are representing our
school at the county meet are: Tiny
Tots, Imogene Carpenter, Orville
Huff; story teller, Wyndell Coffee,
ward junior girl, Margaret Barton;
ward junior boy, Wilburn Walker;
high school junior girl and boy, Ar-
tie Edwards, Hadley Baker; senior
girl, Inez Holcomb; senior boy, Burl
Jones. We are hoping these girls
and boys success.

Miss Inez Holcomb was a guest in
the home of Miss Artie Edwards
Sunday.

Mr. and Mrs. W. A. Skinner and
family of Southland were guests in
the home of Mr. and Mrs. O. R.
Baker Sunday.

Close City volley ball girls re-
turned our game Monday evening.
New Lynn girls won. We are to
play at Close City again Wednesday
evening.

The junior baseball boys played
their first game Monday with Close
City. They were defeated 7 to 14.
They are to play Close City again
Wednesday evening.

We are to play off our baseball
and Tennis tournament Friday at
Wilson.

ASK FOR BIDS

Trustees of Redwine Independent
School District will receive bids for
taking scholastic census and assess-
ing taxes in the district at meeting
Tuesday night, March 13, at school
house. R. E. Bland, President.
W. H. Williams, Secretary.

Edith

We all enjoyed the rain. It was
the first we have had in a long
time.

There was a large crowd at sing-
ing Sunday night.

The report got out last week that
Mr. and Mrs. E. D. Payne were
grandparents. Mr. and Mrs. Dudley
Martin are the proud parents of a
son born last Thursday. Mrs. Mar-
tin is the daughter of Mr. and Mrs.
Payne.

Mr. and Mrs. Charlie Sanders of
Hart, Texas, visited Mr. and Mrs.
J. A. Sanders Saturday and Sunday.
George Weldon of South Ward
spent Sunday with Mr. and Mrs. J.
A. Sanders.

Scott Stephens visited in Post
last week.

Hoyt Welch spent several days at
home last week. He is attending
the West Texas State Teachers Col-
lege at Canyon.

J. W. Owens visited Hoyt and
Oran Welch Sunday.

Arden Sanders spent Sunday with
J. W. Tippitt.

Inez Anderson spent Sunday with
Percey Dean Tippitt.

Mr. and Mrs. Dearmon spent
Sunday afternoon with Mr. and
Mrs. Tippitt.

Miss Lola Smith visited Dorothy
Payne Sunday afternoon.

Mr. and Mrs. Virgil White visit-
ed Arthur Hammonds Sunday.

Robert Sanders spent Sunday
with Arthur Hammonds.

Tommy Bell visited Junior San-
ders Sunday.

Falama Mae Harper spent Sun-
day with Rose Welch.

Mr. and Mrs. A. A. Anderson
visited Mr. and Mrs. Howard Sun-
day.

Mr. and Mrs. Charley Campbell
and daughters visited the Payne
family Saturday.

Mary Jean Tippitt spent the
week end with her friend, Lorena
Sikes.

South Ward

We are going to have singing at
South Ward once again at 3 o'clock
Sunday afternoon. We haven't had
singing in quite awhile, but we are
expecting singers from Edith, Red-
wine, Midway, and other surround-
ing communities. We also invite the
new South Ward folks. Come and
bring some one with you.

Miss Rena Mae Shearer of Cros-
byton is visiting her aunt, Mary
Ellen Inman.

Miss Ophelia Mason returned
home Saturday from Brownfield,
where she has been visiting Misses
Irene and Amy Redding the past
two weeks.

Messrs. Hope Hardt, Travis In-
man, Elbert and Loyd Gandy ate
dinner with Travis' sister, Mrs. T.
B. Cowan Jr., Sunday.

Mr. and Mrs. Marvin Walker and
Mrs. Walker's brother, Jack Liston,
spent the day last Thursday with
Mr. and Mrs. W. P. Inman and
family.

Miss Linnie Tippitt of Edith stay-
ed all night with Misses Birdie and
Violet Hardt last week.

Mrs. James' grand-daughter and
grandson spent last week with her.
They are from Graham Chapel.

Mr. C. G. Cross, who now lives
on the Pool ranch near Brownfield
but formerly lived at this place,
was back down here last week on
business.

Mr. and Mrs. Sherman Inman,
Johnnie and Mary Ellen Inman and
Marie Owens of Edith visited Mr.
and Mrs. Luther Wood of Lorenzo
and Mr. and Mrs. Melvin Shearer
and family at Crosbyton Sunday.
Everybody remember singing Sun-
day afternoon and come. Let's have
a real singing. You are welcome,
one and all.

CARD OF THANKS

We want to express our thanks to
our friends for their kindness and
words of comfort given us in our
recent hour of sorrow, and for the
beautiful flowers.

Mrs. M. D. Hallmark and child-
ren.

SICK HEADACHE

Many cases of SICK HEADACHE
are due to constipation. If you
have headache that is due to con-
stipation, take Theodor's BLACK-
DRAUGHT for refreshing relief.

"I have taken BLACK-DRAUGHT,
when needed, for about 15 years,"
writes Mr. J. W. Cooper, of Long-
view, Texas. "I first began to use
it for sick headache that seemed
to come from constipation.

"I would suffer about twenty-
four hours with these headaches.
I found out that BLACK-DRAUGHT
would help me, so that is what I
took. I am glad to recommend it
to others, for this trouble, for it
will give relief."

Theodor's BLACK-DRAUGHT is a
purely vegetable laxative, preferred by
thousands of men and women because
it is so effective and economical.
For constipation, get the new, pleas-
ant-tasting SYRUP of Theodor's
Black-Draught, in 25¢ & 50¢ bottles.

CARD OF THANKS

We wish to thank our friends for
their help and sympathy extended
upon the misfortune that came to
us recently in the pre-natal death
of our baby. While we feel keenly
this disappointment and sorrow, yet
we are thankful that all the nine
other children born to us are living
and enjoying good health.
Mr. and Mrs. H. M. Jenkins

CARD OF THANKS

We wish to take this method of
thanking our many friends for
their kindness shown us during the
serious illness of our wife and
mother. May God bless each of
you and if the time ever comes
may we be of just such service to
you.—C. W. Bankston, wife and
children.

**Got Over Weak,
Painful Condition
By Taking Cardui**

"I was weak and run-down and
suffered quite a bit with pains in
my side," writes Mrs. Nick Bar-
ranco, of Beaumont, Texas. "I was
nervous. I did not rest well at
night, and my appetite was poor.
"My mother had used Cardui
with beneficial result, so I decided
to take it. I surely am glad I did,
for it stopped the pain in my side
and built up my general health.
I took seven bottles in all."
For over 50 years, Cardui has
been helping women just as this
Texas lady describes above.
Cardui is sold at all drug stores.

THIS graph shows what happened when the cotton grower cooperated with the Agricultural Adjustment Administration to reduce the cotton acreage in 1933. Had it not been for the plow-up campaign and the fine spirit of cooperation exhib-

ited by southern growers, disaster would have befallen the Cotton Belt in the fall of 1933. The above graph tells this better than words. A potential field of seventeen and one-half million bales was reduced to thirteen and one-tenth million bales by

the action of the Agricultural Adjustment Administration, and, as a result, the income that the cotton grower received from his lint cotton was nearly doubled. Realizing these facts, cotton growers are expressing a desire to cooperate in future adjustment programs.

CARD OF THANKS
We wish to express our thanks to our friends for the kindness and beautiful floral offerings in our recent sorrow in the death of our father and grandfather, T. W. Hale.
—The Family.

Mr. and Mrs. J. K. Callaway and their niece, Miss Emily Davis, are visiting relatives in Fort Worth, Coolidge, and Meridian.

EVIDENTLY THIS IS NO BULL

A farmer once hung his vest on a fence in his barnyard. A calf chewed up a pocket in the garment, in which was a gold watch. Seven years later the animal, a staid old milch cow, was butchered for beef, and the timepiece was found in such a position between the lungs of the cow that her respiration kept the stem-winder wound up, and the watch had lost only four minutes in seven years!

The world's most densely populated territory is the island of Java, a part of the East Indies, which has an area about that of the state of Louisiana, and contains more than 36,000,000 men, women and children.

R. E. Key is at Idalou this week conducting a study course for the Baptist Sunday School there.

Comanche, March 7.—One acre of 25 pecan trees planted 23 years ago has averaged \$113 per acre per year for the last six years on the farm of C. F. Denny in Comanche county. The yield last year was 550 pounds, the lowest in the six years. Mr. Denny keeps a record of a number of individual trees in this acre. A Texas Prolific tree heads the list with production last year of 116 pounds, followed by a Halbert seedling that produced 76 pounds. On the 1016 other trees on this 100-acre farm which has more than 90 acres in pecans, the following records are reported by J. A. Barton, county agent: an average of 4 1/2 pounds per tree was made on 99 Texas Prolific and 587 Halbert trees, and 330 Burkett trees averaged 5.8 pounds per tree.

Franklin D. Roosevelt, President of the United States receives, approximately, 4,000 letters and telegrams daily.

Johannesburg, South Africa, has the record of erecting a house a day since 1919.

Pampa.—Retired cotton land is going partly to alfalfa in Gray county, the county agent reports. He has arranged for 16 new alfalfa demonstrations. Several years ago, he says, alfalfa was grown along every creek in the southwestern part of the county but this land was nearly all planted to cotton when that seemed the more profitable crop.

Jo Anderson, a retired druggist, of Chattanooga, Tenn., is the owner of a collection of 132 razors for which he has refused an offer of more than \$10,000. Many of the razors have been presented him by famous men including the late President Woodrow Wilson, Joseph Jefferson, James Whitcomb Riley, and Eugene Field.

Exports from Alaska since 1910 have totaled more than 186 times the purchase price of \$7,200,000 paid for the country by the United States.

Llanfairpwllgwyllgogerychwynndrhwllllydysilluogoch is the name of a town in North Wales, Great Britain, and is said to be the longest name in any language.

Tubercular Cows Menace To Health

Austin, March 7.—Pure milk is Nature's most nearly perfect food, according to the Texas State Department of health, and persons should be sure that cows which produce the milk they use are in a healthy condition.

It is estimated that 2 percent of all milk cattle have bovine tuberculosis. Tuberculin testing of cattle will definitely prove whether the cow has tuberculosis. If a person owns their own cow, she should be tested, and if milk is being purchased, the purchaser should make sure that the cattle in the dairy he patronizes are free of this disease. These tests should be made each year, and if milk stock is to be purchased, they should be tested before completion of the sale.

About twenty-five per cent of all tuberculosis in children is of the bovine type—fatal bovine tuberculosis is after the fifth year is rare. It generally attacks the lymph glands and bones. When no fatal disease, when it attacks the joints or bones, usually leaves the child crippled for life.

The C. W. A. has created a fund to pay for the destruction of each tuberculin cow. Of course, the disease must be certified by an accredited veterinarian. The State Live Stock Sanitary Commission and State Department of Health are very anxious to control this disease. The former to improve the dairy herds and the Health Department to protect the public health. Everyone can help by demanding that the cows where they purchase milk be tuberculin tested.

F. M. Sherrod and family returned Wednesday afternoon from Corpus Christi, where they spent the winter.

A. J. Edwards' Stolen Car Is Recovered

The car of Jack Edwards which was stolen from the street in front of the Baptist Church here on Wednesday night of last week was found by Sheriff Jess Smith of Brownfield on the highway two miles southwest of Meadow Saturday morning. Mr. Smith pulled the car into Brownfield and notified the sheriff's office here. Mr. Edwards went over after his car the same day. Sheriff B. L. Parker, who was in Lubbock at the time, also drove down to Brownfield to get the car.

The mileage indicated that the car had been driven about 200 miles since it was stolen. The gasoline tank was empty. The radiator had been taken out of the car, otherwise the car was intact.

Call Meeting New Home Gin Society

You are requested to be present at a call meeting of the Farmers Cooperative Society No. 1 of New Home, Texas, to be held at the New Home school house on Thursday night, March 15, at 8 o'clock.

This meeting has been called for the purpose of amending our charter and by-laws so as to bring us under the marketing law of Texas instead of the Society law. This will be explained thoroughly at this meeting.

So be sure to come and bring the wife and children, and we will have a social hour and refreshments after the business meeting.

L. R. McCORMICK, President.
JOE POINDEXTER, Secretary.

W. E. Price and family left Monday for Long Beach, California, to make their home there. Mr. Price has been employed in the Snowden Garage here.

Grassland

The rain we had last Wednesday night was sure fine and was needed very much. It put the farmers to work.

Rev. Reid and wife of Garlynn spent Friday evening with Mrs. H. C. Aten. Mrs. Aten, who has been very sick for the past month is said to be much improved. We are glad to report this.

Mr. and Mrs. Ray Norman of Graham spent Saturday with Mrs. Norman's brother, Mr. and Mrs. Carl Jones.

Little Jimmie Dale Chapman, son of Mr. and Mrs. Rudford Chapman, is sick with the measles, but is doing fine.

Mr. and Mrs. Matt Thomas of Edith visited Mr. and Mrs. D. M. Nixon Tuesday afternoon.

Mr. and Mrs. M. C. Richey returned Monday from San Angelo where Mr. Richey carried his nephew for medical treatment.

Mrs. Williamson visited Mrs. H. C. Aten Monday.

Mrs. Marie Aten of O'Donnell is spending this week with her cousin, Miss Dollie Nixon.

Miss Ellen Nixon who has been visiting home folks returned to Lubbock Monday where she is attending school.

Miss Katie Lee Simpson of Sapulpa, Oklahoma, is conducting a revival at the Church of the Nazaren here. Every one is invited to attend this meeting, and if you hear her once you'll come again.—Reporter.

MRS. C. W. CONWAY GUEST OF HONOR AT CLASS PARTY

Naming Mrs. C. W. Conway as guest of honor, and with Supt. and Mrs. H. P. Caviness as special guests, the Euzelean Class of the Baptist Church held their monthly business meeting in the parlors of the church Tuesday night.

With Mrs. Tom Lemond presiding over the business session the resignation of Mrs. A. Z. Jackson as class president was accepted and Mr. Caviness, as teacher of the Class, was asked to appoint a nominating committee which will report next Sunday morning, the committee being as follows: Mrs. R. C. Forrester, Mrs. E. J. Cooper and Mrs. Tom Lemond.

The class voted to meet the second Tuesday night in each month, at the church unless especially invited to meet in a home. Members are to keep in touch with the social secretary as to their time of acting as hostess. These meetings are for all class members, associate members, and prospective members.

During the social hour which followed Mr. Caviness, on behalf of the class, presented Mrs. Conway with a beautiful cascade, accompanied by a fitting poem from our former teacher, Mrs. J. B. Walker. Games were directed by Mrs. W. E. Heathman and Mrs. E. I. Hill. The refreshment committee, composed of Mesdames H. M. Snowden and R. C. Forrester, served sandwiches and ocos to the following members and visitors: Mr. H. P. Caviness, Mrs. H. P. Caviness, Mesdames Roy Leslie, C. W. Conway, W. E. Heathman, H. M. Snowden, E. J. Cooper, H. B. Howell, R. C. Forrester, E. I. Hill and Tom Lemond.

B. R. Tate accompanied his wife to Temple Wednesday, where she was to enter the Scott & White Sanitarium for treatment.

In the United States income taxes are paid by all federal government employees including the president.

REPORTS FROM THE COUNTY CLUBS

Miss Sylvia Robb, H. D. Agent

H. D. Agent Meets With New Lynn 4-H Club

"Color plays a great part in our personality so why not find out what colors you should wear," said Miss Sylvia Robb, county home demonstration agent, to the New Lynn 4-H club girls meeting March 6.

The club girls are all interested in the colors and types of dresses they should wear and are going to make a study of this at their next meeting.

Our problems were checked at this meeting and our sheets were started. The club girls are all doing a nice piece of work and Miss Marjorie Higginbotham, our sponsor, is helping us keep our work up to date.

Those present were: Mozelle Carter, Hallie Higginbotham, Mary Fleming, Ima Lee Jackson, Margaret Barton, Ima Gene Newman, Fay Bishop, Martha Fleming, Eloisa Meeks, Zella May Gray, Alline Bartley, Modene Tolbert, Juanita Jones, Lillian Jaynes, and sponsor, Marjorie Higginbotham.

Edith H. D. Club Meets With Mrs. J. T. Owens

Making hooked rugs for home use was stressed by Miss Robb, county home demonstration agent, at the meeting of the Edith H. D. Club Wednesday in the home of Mrs. J. T. Owens.

A demonstration was given on hooked rugs which was enjoyed by both visitors and club members.

Refreshments of punch and cake were served to the following: Visitors, Mesdames H. H. Dearman, Joe Sanders, J. H. Saunders, L. D. Howell, J. A. Welch, A. J. Bell, Alex Taylor; club members, Mesdames Sam Holland, Tom Dyke, V. A. Botkin, L. K. Nelson, H. O. Hargett, Garland Pennington, J. W. Taylor, and Misses Christine and Marie Owens.

The next meeting will be with Mrs. Garland Pennington all visitors are welcome.

Honey June Corn Will Be Planted Here.

A new variety of sweet corn, bred for Texas conditions by the Texas Agricultural Experiment Station, is to be planted in Lynn county this year. This new corn was developed by converting Mexican June, a well adapted field corn variety, to sweet corn. Honey June is almost identical with Mexican June in every respect except the kernels are sugary instead of starchy.

Ten packages of this corn have been received by Miss Robb, county home demonstration agent, and will be placed in the hands of the pantry demonstrator of each H. D. club.

Council Will Meet Here Saturday.

The Home Demonstration Council of Lynn county will meet Saturday, March 10, at 2:30 p. m., at the court house with a very important and interesting meeting. Come! You will help us and we will help you.

For Attorney General

WILLIAM McCRAW

William McCraw, prominent Dallas attorney, has launched his campaign for the office of Attorney General of Texas.

McCraw served three consecutive terms as District Attorney in his home county, holding the distinction of being the only prosecutor who has ever been so honored. His record as a public official and in private law practice has won him state-wide recognition.

McCraw studied law while working in his father's printing office; saw active service in France and made a notable record for law enforcement as district attorney. He has been active in the State's Democratic party affairs, being regarded as a liberal in politics.

South Ward Girls Improving Bedrooms.

"I have learned so much about my bedroom since the standard bed demonstration was given in my home in January," said Juanita Eaton, bedroom demonstrator for the South Ward 4-H club at their meeting Friday.

Our pillow slips and shoe racks were checked by the home demonstration agent at this meeting and many suggestions were given the club members on changes to be made in bedrooms.

Those present were: Odean Boen, Ornetha Inman, Violet and Mae Dell Hardt, Juanita Boen, Juaniva Thorpe, Juanita Eaton and Katherine Slaton.

Rug Making Methods Shown South Ward.

"I will just have to make a hooked rug," said Mrs. Quinsey as she observed the demonstration given in her home by Miss Robb, county home demonstration agent, to the South Ward club at their regular meeting Friday.

Each club member took active part in hooking the rug. Several marked off patterns.

Those present were: Miss Robb, Mmes. H. W. Pennington, Roy Tunnell, Marvin Walker, W. L. Rowe, E. H. Cunningham, E. W. Holloway, W. Z. Florence, Willis Pennington, and L. C. Quinsey. Visitors were Mrs. W. L. Tunnell and Mrs. Roy Appling for Grassland.

Many of Australia's eucalyptus trees are said to exceed 450 feet in height.

Added Slats Improve Bed, Woman Says.

"I have added five slats to my bed since the standard bed demonstration and my bed rests so much better," was the remark made by Mrs. L. C. Quinsey, South Ward H. D. club co-operator for bedroom work, recently.

"I would have never thought there could have been so much difference in the rest of a bed by adding slats. I am going to provide a slat for each row of coil of springs to my other beds," she stated.

Mrs. Bolch Hostess To Wells Women.

The Wells home demonstration club met Thursday with Mrs. D. J. Bolch.

The rain and bad roads prevented Miss Robb from making this club meeting but will give the hooked rug demonstration at our next club meeting on March 15.

After a short business session the hostess served refreshments to Mmes. Griff McConal, Jack Mitchell, Temple Bolch, Fred McGinty, John McLaurin, Felix Jones, Lester Barrett, Waldrip, and Franklin.

Gordon H. D. Club Met With Mrs. Billingsley

The Gordon Home Demonstration club met, Tuesday, March 6. The program was entirely on county government and taxes.

The meeting was held in the home of Mrs. B. N. Billingsley. Six members were present. They were: Mrs. L. O. Stewart, W. S. Oats, Jess Kennington, C. A. Bloxum, B. N. Billingsley and Grady Billingsley. We had one new member, Mrs. Ed Denton.

C. F. O'DONNELL ELECTED PRESIDENT OF SOUTHWESTERN

Dallas, March 6—At a special called meeting of the directors held at the Company's offices this morning, Charles F. O'Donnell was elected president of the Southwestern Life Insurance Company. He succeeds the late T. W. Vardell, who was president from March, 1911, until his death one week ago.

Mr. O'Donnell first became connected with the Company in 1917 as a member of the legal staff. He was elected a director in March, 1926, later serving as general counsel. On January 1, 1933, he took active charge of the Southwestern Life's investments as chairman of the Company's finance committee, and since then has devoted practically all his time to the Company's affairs. He announced today his retirement from the firm of McBride, O'Donnell, and Hamilton, and will assume his new position immediately.

The new president of the Southwestern Life is a native of Dallas county and a graduate, of Texas University, class of 1907. He served as City Attorney of Dallas from 1913 to 1917, leaving that position to join the firm with which he has since been associated.

Mr. O'Donnell is widely known in insurance circles of the State and Nation. He is now serving his second term as president of the Texas companies and he is the state vice-president of the American Life Convention, an association of 150 western and southern life companies. He was recently elected a director of the Dallas Chamber of Commerce, and is chairman of the committee which has submitted a plan for the reorganization of the county government.

The Southwestern Life is the largest and oldest of the group of life insurance companies domiciled in Dallas, and is the second largest in the entire southwest. It is now in its thirty-first year, and its assets amount to more than \$41,000,000. The company has insurance on the lives of approximately 140,000 policyholders, amounting to more than \$258,000,000. It is distinctly a Texas institution, as it does business only in this state and invests all its assets in Texas.

Justice of Peace—"Do you mean to say, Rastus, that you struck this man under conditions utterly uncontrollable to you?"

Rastus—"Yessuh, Judge das wai I means."

J. P.—"Well, please explain just how that was, will you?"

Rastus—"Well, you see, Judge, hit was like this—jest supposen some fellow comes along what you don't likes anyhow an' he hauls off and calls you a thick-lipped, woolly-headed son of a . . . (I can't say de res' of it, Judge), wouldn't you up wid yo' fis' an' hit him, Judge?"

J. P.—"I cannot rule on that, Rastus, for I am not thick-lipped and woolly-headed."

Rastus—"Yassah, I understands dat, Judge, but jes' supposen he calls you de kine what you is."

Brazil, S. A., is larger in area than the continental United States.

Paris (France) facial surgeons specialize in the remodeling of entire human faces at \$1,000 each.

The walls of a Charlotte (N. C.) office building are constructed of hard coal.

Gus Schalkam, New York City policeman has the record of recovering 273 stolen automobiles.

ENGLISH THEATRE

WEEK'S PROGRAM

FRIDAY AND SATURDAY NIGHTS ONLY

Mystery was their Host! They clung to each other in the shadow of impending danger! Eight were invited—but the ninth came unmasked! Weird, Baffling, Thrilling Romance! Also "Mickey Mouse", News and Comedy

SATURDAY MATINEE ONLY

"SPEED WINGS"

With TIM MCCOY EVELYN KNAPP

Roaring through the clouds! A tall-spin of hair-raising thrills!

SUNDAY, MONDAY, and TUESDAY, MARCH 11, 12, and 13

"GOING HOLLYWOOD"

With MARION DAVIES, BING CROSBY, FIFI D'ORSAY, STUART ERWIN, NED SPARKS, PATSY KELLY.

Something entirely new in musical romances brings together for the first time, lovely Marion Davies, your screen favorite, and Bing Crosby, King of Radio! You'll thrill when he sings love songs to her, you'll be fascinated as you follow their dramatic story through the glamorous mazes of Hollywood, amidst scenes of unprecedented splendor, song sensations, hundreds of singing, dancing beauties! An entertainment to amaze the world! Great new hit songs: "Temptation," "We'll Make Love When It Rains," "Cinderella's Fella," "Our Big Love Scenes," "Going Hollywood."

WEDNESDAY and THURSDAY, MARCH 14-15

"ADVICE TO THE LOVELORN"

With LEE TRACY and SALLY BLANE
A comedy riot. If you want to laugh, don't miss it!

Ask The Man At The Store!

Each Red & White store of your community belongs to the local citizen—your neighbor.

He can sell you merchandise cheaper and better than the larger towns. BECAUSE WHY?

Overhead expenses are lower than in the larger cities. Our cost of merchandise is no higher, and we are interested in saving you money!

Check our prices against the prices of the larger cities and in almost every instance you will find we save you money.

THE RED & WHITE STORES

Good Bargains Yes...

But Natural Gas Offers a Greater Saving Every Day!

Shopping through the pages of your newspaper, your attention frequently is attracted by special prices, offering from 10 to 33 per cent reductions on such staple articles as food, clothing, furniture and drugs. If the items are standard merchandise you will term them as excellent values—good bargains.

Yet, the Gas Company is offering you far greater bargains every day that you use its service. You save 70 per cent on fuel cost by cooking with gas as compared to the cost of the second least expensive fuel. In like manner you save 40 per cent by heating water with gas, and 75 per cent by using gas refrigeration.

HOME ECONOMICS CLASS ARRANGE FOR SEWING ROOM

The Home Economics classes have completed the arrangement of a new sewing room. The old sewing room was not large enough for the students to have sufficient space for their work. The agriculture room was cleared and the tables from the other room were moved into it. Other tables were covered with oilcloth. The machines, lockers, and mirror were moved also. A fitting room was made by using curtains already on hand. This room is larger. It has more windows and working space. We are proud of our new room and invite you to visit our classes.

PRESBYTERIAN PASTOR ANNOUNCES SUNDAY SUBJECTS

The attention of our members and friends is called again to our regular services on the second Sunday in each month, S. S. at 10 a. m. Preaching services both morning and night. Our morning services are generally well attended. The night service seems to be hard hit by the NRA or something. It needs to be thought about, prayed about, and gathered up with more zeal and faithfulness. Where there are 500 or more members, and one or two are absent, their absence is charitably dealt with. But the smaller membership, the more rigid must be the count of any absent. Be in all services next Sunday. It helps the preacher and gives the Lord a better chance with all His people. All of the S. S. lessons are fine this year. What an opportunity for Christians everywhere. Communion and worship are indispensable in the Christian. The more of this, the better. Morning theme: "The New Christian and the New Age." Special music and fine gospel hymns. Subject Sunday night: "Who Will Be in Heaven? Is this a matter about which we may know? The old gospel songs, a warm, comfortable church, and a fine fellowship always at the Presbyterian Church. You are invited.—W. K. Johnston, Minister.

LARGE CONGREGATIONS AT METHODIST CHURCH

The Methodist Church held two unusually large congregations last Sunday. They were evidently an added inspiration to the pastor for he brought two "above-par" sermons.

The morning text was the last in a series from John 17: this particular one being from the fourth verse: "I have finished the work which thou gavest me to do." Mrs. Kathryn Edwards sang a beautiful prayer solo, a new arrangement of "Just for Today," and another feature was the presentation of the fourteen credits earned in the recent training class.

At night, the story of Naaman the leper was "boiled down" to the statement, "Naaman was a leper, but he was a great man," and a thoroughly practical as well as inspirational sermon followed. The Junior choir led by Lester Prater, with Miss Marjorie Wells at the piano, furnished some live singing and presented as their guest soloist, Mr. Gordon Suits, who sang "Think on Thy Way" most impressively.

The Methodist choir will present on Easter night, in the church auditorium, the lovely cantata "From Death Unto Life," which was so successfully rendered last year in the High School under the sponsorship of the Tahoka Music Club. This gem of sacred music is well worth a second hearing and there will be several new soloists and others especially featured, and it will be even more enjoyable than last year because you will know what to expect and listen for.

Special Easter music, anthem and other arrangements—are in preparation for Easter morning and Palm Sunday; in fact, for every regular service of the church. Be in your place, choir and congregation, and do your bit toward this essential part of a church program. Let us keep up the fine church night attendance and add to it and to the church school record.

In Japan, a judge is neither elected nor appointed but obtains the position by winning it in a competitive examination.

A New York (N. Y.) department store keeps 100 kinds of cheeses on sale.

A TONIC Laxative

CONSTIPATION, with the annoying symptoms that usually come with it, cuts down organic force and disturbs normal health and well-being. A thorough cleansing of the digestive tract is of great assistance in the removal of sickening constipation symptoms. When excessive accumulated waste matter disturbs and strains the muscles of the large intestine, rendering them temporarily unable to perform their wave-like evacuating movements, Theford's Black-Draught is useful in stimulating them to activity, which, again started, should continue regularly until some future disturbance interferes. In this way, Theford's Black-Draught is one of the TONIC laxatives, tending, as it does, to establish a regular habit of evacuation.

BAPTIST PASTOR ANNOUNCES SUBJECTS FOR SUNDAY

The pastor will preach Sunday morning on the "The Primacy of Missions." Gordon Suits will sing at the morning hour.

Sunday school begins promptly at 9:45. Our secretary of the Down Town Bible Class reported 47 present last Sunday. We are happy to note an increase in attendance in all of the departments of Sunday school work the last several Sundays. We welcome the men to the Bible class. We have three adult classes for women at the church. There are two classes for young people and a class for almost every size and age on down through the Cradle Roll. Find your way to Sunday school and church Sunday morning. You will find a warm welcome a wholesome atmosphere, and a fellowship superb.

Baptist Training Service meets at seven o'clock. We had 80 in attendance last Sunday. We are maintaining workers for the Primary department. Let the parents bring their children and be assured they will have the right kind of leadership while they themselves attend the adult unions.

The pastor will preach Sunday evening on "The Ark, A Type of Christ." The Male Quartet will sing. You will greatly enjoy the choir and congregational singing. The orchestra instruments add to the music. Come at eight o'clock and let the music tune you for the message.

OUR INVITATION: To all who mourn and need comfort—to all who are weary and need rest—to all who are friendless and wish friendship—to all who are homeless and wish sheltering love—to all who pray and to all who do not, but ought—to all who sin and need a Saviour—and to whosoever will—this church opens wide the door and makes free a place, and in the name of Jesus the Lord, says: WELCOME—Lawrence Hays, Pastor.

CHURCH OF CHRIST

Last Lord's Day the attendance was the best yet. The morning attendance was the largest since I have been laboring here. The interest is so good we are planning to hold a spring meeting soon.

We attribute the growth to personal work and hope this shall continue. Many men and women are dying every day out of Christ and their blood will be required at our hands if we do not do our best to rescue them. Come worship with us.—R. P. Drennon.

HOME ECONOMICS CLASSES MAKE BEAUTIFUL QUILT

The three Home Economics classes of the Tahoka High School have completed a quilt. The girls will sell chances on this quilt and it will be given to the person holding the lucky ticket. The money will be used to send the Home Economics delegates to Austin to the Home Economics Rally to be held in May. The quilt is made by the Tea-leaf pattern in green and white.

WILD SAND HILLS SOWS ATTACK MEN SAVAGELY

Midland, March 8.—There is only one animal in this section of West Texas that attacks man without provocation.

Pierce sows that roam wild in the Monahan sand area attack men at times and are formidable enough to discourage raids of coyotes and lobo wolves.

Originally domesticated, the sows were turned loose in the shinnery (dwarf oak) country while young to fatten on "mast" dwarf acorns. Cowboys, during meat killing weather, rope as many as they can, and brand what they do not wish to kill. Occasionally, a cowboy runs across a sow that has escaped the lariat for a couple of years. If the sow has littered and has a bunch of pigs trailing her she does not hesitate about charging the rider and his horse. Fighting savagely with her razor-like tusks, she is a match for nearly any wild denizen.

The sows band together in groups of three or four. When a coyote tries to slip into the herd and snatch a pig the sows quickly form a circle with the pigs on the inside. Ranchmen say coyotes have no chance with the wild hogs. Coyotes can steal a pig from one sow, however, because of their superior alertness and quickness.

Oddly enough, flavor which does not exist even in Virginia cured ham results from eating of the dwarf acorns, and the hogs get rolling fat on them.

The world's smallest business place is a tobacconist's shop with a frontage of only 22 inches. It is located on Cheapside, London, Eng., and its proprietor does a very lucrative business.

Political Announcements

The News is authorized to announce the following as candidates for the various district, county, and precinct offices indicated, subject to the action of the Democratic primaries to be held in July and August. Names will be listed for each office in the order received. Announcement charges are payable in advance unless satisfactory arrangements are made for credit.

For Congress, 19th District:
ARTHUR P. DUGGAN, Littlefield
GEORGE MAHON, Colorado.
CLARK M. MULLICAN, Lubbock.

For Representative, 119th District:
JOHN N. THOMAS, Tahoka.
(re-election)

For District Judge, 106 Judicial District:
GORDON B. MCGUIRE, Lamesa.
(re-election)
W. W. PRICE, Brownfield.

For District Clerk:
W. S. (Skip) TAYLOR
(re-election)

For County Judge:
W. E. (Happy) SMITH
(re-election)

For County Clerk:
H. C. STORY (re-election).

For Tax Assessor and Collector:
A. M. CADE
J. S. (Jim) WEATHERFORD
G. C. GRIDER.

For Sheriff:
B. L. PARKER (re-election)
JOHN H. BULLMAN.
B. R. (Jake) HOLCOMB.
G. C. McPHERSON

For County Superintendent:
H. P. CAVENESS (re-election)
J. FLOYD JORDAN
MRS. PAUL GOOCH

For County Treasurer:
MISS VIOLA ELLIS (re-election)

For County Attorney:
TRUETT SMITH (re-election)

For Commissioner, Prec't. 1:
R. W. BARTON
GEO. SMALL.
JOHN HECK

For Commissioner, Prec't. 2:
L. M. NORDYKE (re-election)
S. H. HOLLAND

For Commissioner, Prec't. 3:
J. M. PAYNE
D. J. BOLCH
WALDO McLAURIN (re-election)

For Commissioner, Prec't. 4:
JIM IZARD (re-election)

For Public Weigher, Prec't. 1:
HOMER HARRISON (re-election)

For Public Weigher, Prec't. 2:
GLYDE SHAW (re-election)

For Public Weigher, Prec't. 5:
HENRY HECK (re-election)

CITY OFFICES

The following are candidates for city offices, the election to be Tuesday, April 3:

For City Secretary:
MISS ROSEMARY NELMS
MRS. J. B. WALKER (re-election)

CARD OF THANKS

We wish to thank our many friends for their kindness during the illness and death of our husband and father, May God's richest blessings rest on all.
Mrs. J. H. McCoy and family.

J. W. Smith, Sr., editor of the Lamesa Reporter, has just returned from a three weeks sojourn in Marlin, where he went to take hot water baths. He has been in ill health for some time. Here's hoping that he may soon be restored to his accustomed health and vigor. A country newspaper man doesn't have time to get sick.

Mr. and Mrs. J. H. Coltenback returned Monday morning from Temple, where Mr. Coltenback had gone for a medical examination. He expects to go later for an operation.

Thousands of Women Have Taken Cardul on Their Mothers' Advice

It is an impressive fact that many women have said they learned of the value of Cardul from their mothers.

What stronger evidence of her confidence in a medicine could a mother have than that she advises her daughter to take it?

Cardul is given the credit for relieving so many cases of womanly suffering that it is widely and favorably known. Druggists, everywhere, sell it.

Draw

There was an unusually large crowd at Draw Methodist Church Sunday morning, March 4. Bro. Butterfield, a missionary who has lived among the Indians for many years, gave an interesting talk about the many customs of the Indians. Bro. Butterfield also talked to the Draw school children Friday afternoon on the same subject.

A number of student have been absent from school on account of measles; however, several have returned to school this week.

The entries in track at Draw school are working out daily and the prospects seem good.

Little Anna Belle Garnett was hit in the eye by a rock Monday. It is hoped that she will soon recover. Joe Bailey presented a play in the Draw school auditorium entitled "Happy Valley." This was a circle play and was to pay back a play which Draw presented at Joe Bailey several months ago.

The light shower which fell last Wednesday night was a great help to the farmers, for it added much needed moisture to the soil.

The bed of salt rock 500 miles long, 20 miles wide and 1200 feet thick, in Poland, is said to be the largest deposit of salt in the world.

DR. McCOY, PIONEER OF COUNTY DIED SUNDAY

(Cont'd. from first page)

of the wife of deceased, to wit: Coleman, Thurman, Claud, Ruby, Jack, and Karr Wells.

Dr. McCoy was born on April 30, 1879, at Caddo, Indian Territory, and was therefore almost 55 years of age. He was married to Miss Zilla Wells, daughter of Mr. and Mrs. J. S. Wells, at Graham, I. T., on July 29, 1903. He and his young wife moved from the territory to Tahoka in 1904, and he became one of the pioneer doctors of this region. Using a horse and buggy, he has driven many long and dreary miles over these South Plains ministering to the sick and the afflicted. The night never became too dark nor the blasts of winter too furious for him to answer the call of those suffering from disease. He had a sympathetic heart that never knew how to turn down the cry of distress.

When the United States was drawn into the great World War he heard the call of his country and enlisted in the Medical Service of the Army, coming back to Tahoka to resume the practice of his profession at the close of the conflict. Later he and family removed to Desdemona, where he resided several years. Returning to Tahoka five or six years ago, he had resided here ever since.

Besides his wife, he left surviving him the following children: Clay McCoy, who holds a position in the office of the adjutant-general of Texas in Austin, Mrs. Irene Gallagher, and Miss Frances (Dude) Holland of Tahoka; and numerous other relatives. Another daughter, Mary Keith, born Dec. 3, 1923, died three weeks after birth.

The News joins a great host of friends in extending condolences to all the bereaved.

T. W. HALE, 95, PIONEER, DIED LAST MONDAY

(Cont'd. from first page)

Texas had declared her independence of Mexico. He came with his father's family to Lockhart in Caldwell county, Texas, in 1851, when Thomas was twelve years of age. He became a Texan by adoption therefor about five years after this state entered the Union and about ten years before the breaking out of the great Civil War. He participated in that terrific conflict as a soldier of the Confederacy, and about the time of its close, in 1865, he was married at Lockhart to Miss Virginia Head, a sister of the late R. G. (Dick) Head, who for long years before his death was a well-known and prominent cowman of western Texas and eastern New Mexico. In the early 70's Mr. Hale united with the Baptist Church and was baptized by that great evangelist, Major Penn, who is well remembered by many yet living for the great camp meetings he held throughout the then populated portions of Texas.

About thirty-five years ago Mr. Hale and his family removed to Borden county and was a prominent cowman of that county for a number of years. About fifteen years ago his wife died and in 1921 Mr. Hale came to Lynn county to make his home here. He has resided practically all of this time in the home of his daughter, Mrs. S. W. Sanford, where he was residing when death came Monday.

He left surviving him three sons and three daughters. The sons are H. W. Hale of Tahoka, J. R. Hale of O'Donnell, and H. H. Hale of Higgins. The daughters are Mrs. S. W. Sanford of Tahoka, Mrs. J. D. Brown of Sierra Blanca, and Mrs. S. R. Simpson of Lamesa. Another daughter, Mrs. J. S. Weatherford, died here several years ago. Mr. Hale also leaves surviving him a number of grand-children and great grand-children.

Mr. Hale had spent a long and useful life. Until incapacitated by the infirmities of age he took an active part in the civic and political affairs of his state and county. For the past several years he had been practically deaf and blind and for more than a year had been almost utterly helpless. He came down to the grave bearing the love and esteem of his children and other relatives and a host of friends.

In spite of the sorrow that it brings, it is a beautiful thing to see a good man, ripe in years and in wisdom, come silently and peacefully down to the end of the way.

Mr. and Mrs. Homer Harrison visited relatives in Fannin county last week. Homer says that it snowed while they were there.

Mrs. C. W. Bankston, who underwent an appendicitis operation in a Lubbock sanitarium January 14th, was brought home Sunday.

MARION DAVIES AND BING CROSBY SING AND DANCE IN DAZZLING MUSICAL SCENES

Six new musical numbers, which promise to become national song hits, will be heard in Marion Davies' new picture, "Going Hollywood," which shows Sunday, Monday and Tuesday at the English Theatre with Bing Crosby supporting the Metro-Goldwyn-Mayer star.

It was the wish of Miss Davies that her newest film should be liberally spiced with contagious music that preceded the actual shooting of the picture, so in the conference of the picture, Producer Walter Wagner assigned Nacio Herb Brown and Arthur Freed to the task.

One of the numbers, "Our Big Love Scene," is a melodic theme that threads its way through the length of the picture.

Gigantic Orchestra
 "It is introduced by Miss Davies and Mr. Crosby," said the composers, "and it is recorded by the largest symphonic orchestra ever used in motion pictures—an orchestra of one hundred and twenty-five pieces."

Another which Miss Davies believes will become nationally popular is "We'll Make Hay While the Sun Shines."

"This song," said the composers, "carries the philosophy of Back-to-the-Farm, where the hustle and bustle of the city is forgotten and where he loves sing, 'We'll Make Hay While the Sun Shines and we'll make love while it rains.'"

"It is presented amid a series of beautiful country scenes and represents a dream that Miss Davies has. In the dream, she hears Bing Crosby singing the tune over the radio. During the first few bars he sings in the broadcasting station, but Miss Davies appears and leads him away as he continues to sing.

"A few more bars are sung as she leads him by the hand through a beautiful field of dancing daisies that sway to the beat of the song as they pass through them.

Cottage of Glass

"The song is continued as the lovers enter and pass through their love cottage of glass and then, in Mauve Decade costumes they are next seen driving along a country lane and into a hay field where a chorus of scarecrows come to life and begin dancing. Miss Davies dances with the scarecrows, and the young lovers next appear at a modernistic husking bee and barn dance, where they meet—in eccentric roles—the other characters in the play. The song continues as the lovers find themselves upon a glass island and as the last bars of the song fade away the dream leaves Miss Davies and Crosby singing in the rain beneath a giant mushroom which has taken shape from an umbrella.

"A third song, 'After Sundown,' is a melodic Mexican theme, introduced by Bing Crosby and sung by Miss Davies.

"Temptation," introduced by Crosby, is a melody built upon the monotony of a constant beat and is similar to an American version of the Bolero.

"Going Hollywood" is a rhythmic fox trot, sung by Crosby with a background of kaleidoscopic scenes in New York's Grand Central railway station and with the ground ensembles arranged by Albertina Rasch.

"Cinderella's Fella"
 "Another song, 'Cinderella's Fella' is introduced by Miss Davies. This song is in the same category as 'The Wedding of the Painted Doll' and 'The Old Woman in the Shoe,' which also were written by us."

"Going Hollywood," directed by Raoul Walsh, has a cast including Fifi D'Orsay, Stuart Erwin, Ned Sparks, Patsy Kelly, Bobby Watson and the Three Radio Rogues.

Mr. and Mrs. D. Dorward and Miss Maggie Williams of Gall were here Tuesday attending the funeral services of "Grandpa" Hale. Mr. Dorward is a druggist and Miss Williams is county and district clerk of Borden county.

NEW SET-UP FOR LOANS TO FARMERS OF NATION

(Cont'd. from first page)

more must first make applications for a loan to the Production Credit Association, of which Deen Nowlin is the local representative. Rejection of his application by the Production Credit Association will be considered sufficient evidence that other credit is not available and the farmer may then make application to the emergency crop loan office.

The emergency crop loans are merely to provide a means of temporary relief for this year only. Loans are to be made only to farmers who need relief to help carry on the basic farming operations necessary in making a living. The money was appropriated for the specific purpose of producing, planting, and cultivating crops, and for feed for farm livestock in drouth and storm-stricken areas. The act

imposes a severe penalty for using loans from the fund for any other purposes.

County agent V. F. Jones thinks that these funds will be available soon. Applications for loans should be made to Mrs. Lucille Knight at the Redwine Real Estate office at the rear of the first National Bank, according to Mr. Murray.

The city of Washington, D. C., covers an area of 70 square miles.
