SET DATE FOR BEER ELECTION

Tahoka Voters Will Decide April 6 Whether Beer Is To Be Legally Sold

At the time of going to press Thursday, a beer election had been called by the commissioners court for the city of Tahoka but we were unable to get the date of the election. We are advised that the election was called for Friday, April 6. It is impossible to determine just how many voters there are within the corporate limits of the city of Tahoka, since there is no record of the same. Neither is there any criterion by which to determine sentiment on this question among the voters of the city. The nearest approach to this which is available is the vote in the two Tahoka voting precincts last August on the proposals to repeal the 18th Amendment to the Federal constitution and to amend the dry amendment in the state constitution so as to permit the sale of beer in this state when authorized by local vote. The vote of the people in these two precincts on these two proposals was as follows:

For repeal of 18th amendment: South Tahoka, 61, North Tahoka, 92, total, 153;

Against repeal of 18th amendment: South Tahoka, 64, North Tahoka, 100, total 164;

For beer: South Tahoka, 64, North Tahoka, 86, total, 147;

Against beer: South Tahoka, 61, North Tahoka, 103, total 167.

It will be noted that in these two precincts repeal lost by only 11 votes and beer lost by only 20 votes. It will be noted further that a very light vote was polled at that time on these two propositions. Furthermore, the two election precincts, South Tahoka and North Tahoka, embrace much rural territory and many of the voters at that election will not be eligible to vote in the pending election for the reason that they do not reside within the corporate limits of Tahoka. It is believed, however, that a larger vote will be polled on April 6 than was polled on August 26 last year. Hunt up your poll tax receipts, folks, and vote your sentiments on April 6.

Office Is Opened For Seed Loans

The Lynn County News has just received word that an emergency crop loan office has been opened in the back room of the First National Bank building, and farmers desiring loans should apply between the hours of 9 a. m. and 5 p. m. The Lynn county committee is composed of A. L. Lockwood, J. K. Applewhite and C. C. Connolly, with Mrs. Lucille Knight as secretary.

According to the regulations under which the crop loans are to be made this year, any farmer who secures a loan must obtain a statement from the county production council, where one exists, that he does not intend to increase his acreage or production in violation of the Agricultural Adjustment Administration program.

In counties where a county production council has not been set up, before any applicant for a loan will be considered the farmer who is applying will have to give satisfactory evidence that he is co-operating with the production control program of the Agricultural Adjustment Administration.

The maximum amount of an emergency crop loan that may be obtained by any one individual is

English Theatre Being Remodeled

The interior of the English Theatre is being decorated this week by an expert in this line. This will add much to the beauty of this popular play house.

CALL ELECTION FOR TRUSTEES

Terms of R. C. Woods and Claud Wells Expire; No Names Have Been Filed

In accordance with a notice published in this paper, two trustees are to be elected for the Tahoka Independent School district on Saturday, April 7. The two persons elected will serve a term of three years. The two trustees whose terms expire are R. C. Wood and Claud Wells. The other members of the board are J. K. Applewhite, president, R. W. Fenton Jr., vice-president, G. A. Brasfield and Dr. L. E. Turrentine. There is one vacancy on the board created by the removal of one trustee, K. C. Holmes, from this district. The law provides that vacancies on the board may be filled by the board.

Of the members now on the board Messrs. Applewhite, Fenton, and Brasfield will serve another year, their terms expiring in April, 1935. The term of Dr. Turrentine will not expire until April, 1936, he and K. C. Holmes having been elected in April, 1933.

At this writing no names have been filed with the secretary of the board as a candidate for trustee. It is presumed that the names of R. C. Wood and Claud Wells will be filed or re-election. It is probable that other names will be filed also.

Negro Is Jailed For Bootlegging

Homer Furlow, colored, was judged Saturday night on a charge of selling whiskey. The charge will be investigated by the next grand jury. Furlow is the same negro who drove a car down town at break-neck speed one Sunday morning a few weeks ago and crashed in to Connolly's gasoline tank, demolishing it. A complaint for driving a car while intoxicated was filed against him at that time.

Mrs. Coor Of Lou Died Last Friday

At 2:10 o'clock Friday morning at her home in the Lou community on the west line of Dawson county, death came to Mrs. Vitella Coor, mother of Mrs. Frank Barton, who resides near Tahoka. Death resulted from an acute attack of a chronic trouble from which she had suffered for six years and for which she had undergone numerous operations.

Funeral services were conducted from the Pledge school house Saturday afternoon and interment was in the Pledge Cemetery, the services being conducted by Rev. Montie Robertson of that community.

Mrs. Coor was 59 years of age, having been born on February 10, 1875, near Fayetteville, Arkansas. Moving with her parents to Erath county, Texas, she was married in that county on May 25, 1890, to J. R. Coor.

To this union five children were born, as follows: Garland, deceased, Mrs. Frank Barton of Tahoka, Jim Coor of Cortez, Colo., and Houston and Ivie Coor of Lou. Only two of the children, however, could be present: Mrs. Barton and Ivie Coor. Mrs. Coor was converted in 1919 and has lived a devoted Christian ever since.

She left surviving her husband, her mother, Mrs. Emma Slaughter, 80 years of age, four children, 12 grandchildren, and one great-grandchild; also one brother, E. O. Slaughter of O'Donnell. The great kindness of her friends and neighbors bespeak their great love for her, and the beautiful floral offerings will never be forgotten by the bereaved.—Contributed.

PREACHING AT CENTRAL
Rev. C. E. Roark, Bible teacher at Wayland College, Plainview, will preach at Central Church on Monday night, April 2, preceding the Worker's Conference on Tuesday. Everyone is invited to be there.

Harley Sadler Brings Show Back To Tahoka For A Week's Engagement

Harley Sadler is bringing to Tahoka for a week's engagement starting Monday night, March 26, what is reported to be the largest and best Sadler organization ever brought here, featuring the latest released plays and eight acts of big time vaudeville.

Almost everyone with the Sadler show this year will be new to Tahoka audiences, only four or five members of the former organization remaining. Bart Couch, juvenile songster, Ewart and Barry, accordionists and dancers, the Whitehouse Twins, singers and dancers, Joe Golforb, orchestra leader, and Bud Naim are still with Sadler.

Besides these, new vaudeville includes the Fox Sisters, singers and dancers, Ralph Thomas, xylophonist

and dancer, Munde and June, sensational juggling team, Goldie and Wilson, Alpine yodlers, and as a special added attraction, Harley Sadler presents Roy E. Fox and His Popular Players.

For years in days gone by, the Fox show traveled Texas, establishing an enviable reputation for clean, wholesome entertainment, and it was on the Roy E. Fox show that Harley Sadler started in a business that eventually gained him the reputation of owning the most successful repertoire show in America.

All new plays have been selected for this season. Harley Sadler will be seen in his comedy characterizations that have endeared him in the

Morrison Enters Commission Race

C. B. Morrison of O'Donell announces this week as a candidate for county commissioner for precinct No. 3, subject to the action of the Democratic primaries.

Mr. Morrison is a pioneer of this section, having lived in Lynn county for 23 years. For 20 years he lived in the Pledge community and has lived in O'Donell since 1926. He has never before offered for any remunerative office. He believes that he is sufficiently familiar with the duties of the office of county commissioner to render good service. He promises if elected to use

Fire Department Answers Two Calls

Fire destroyed the barn of Rev. H. C. Smith, Methodist pastor, and a stock of feed belonging to D. W. Gainsat at 1 o'clock Wednesday. The barn was the property of the Methodist Church.

Driven by a high west wind the flames did quick work, and the building was almost consumed before the fire department could get to the scene.

About 8 o'clock Wednesday night, the fire department was again called out to extinguish a fire that had broken out in the attic of the residence owned by the Southwestern Associated Telephone Company and occupied by Mrs. J. H. Neims and daughter, Miss Rosemary. The fire is thought to have resulted from defective wiring. The fire boys succeeded in extinguishing the fire in this instance before much damage was done.

Junior Track Will Be Saturday A. M.

S. F. Johnson, athletic director of the Interscholastic League, states that all junior events of the track will be run off Saturday morning and senior events Saturday afternoon, and he requests all coaches to take notice and have entries present.

SENATOR DUGGAN HERE
Senator A. P. Duggan of Littlefield was a visitor in Tahoka Friday. Senator Duggan, who is a candidate for Congress, calls attention to the fact that while the new congressional district contains 24 counties his present state senatorial district contains 25 counties. There are 30 state senatorial districts but only 21 congressional districts. The state has been recently re-districted as to congressional districts but has not been re-districted for quite a number of years as to state senatorial districts. West Texas should demand a redistricting of the state.

Mrs. Mark Halsey and daughters Janelle and Joyce, Miss Lida Campbell, and Mrs. Alice Small Warnick and little son J. Q., all of Lubbock, were Sunday visitors of Mrs. E. I. Hill.

Holloway Seeks New Tax Office

Another good man is this week offering his services to the people. E. W. Holloway of Redwine is announcing his candidacy for the office of tax assessor and collector for Lynn county.

Mr. Holloway has resided in Lynn county for a long time and is one of our very best citizens. By occupation he is a farmer but he has spent several years as a teacher and his educational attainments are far above the average. He possesses all the qualifications requisite to the making of a good tax assessor and collector, and if elected he

B. N. Shepherd Is District Missionary

Many friends here were delighted to learn of the recent selection of Rev. B. N. Shepherd as district missionary of the Baptist denomination for the district centering around Lubbock, and Brother Shepherd and family will make their home in that city.

This district is composed of seven associations and extends from O'Donell on the south to Canyon on the north and from the New Mexico line to Crosby county on the east. It contains many counties.

Brother Shepherd was pastor of the Baptist Church here for more than four years and did a great work here. For the past four years he has been pastor at Clarendon, going from Tahoka to that city.

Commissioners And Smith At Convention

Judge W. E. Smith and the members of the commissioners court left today for Sweetwater to attend a meeting of the county judges and county commissioners of West Texas in session Thursday, Friday, and Saturday of this week. Judge Smith is vice-president of the organization, having been elected to this position a year ago.

W. T. Bovell is wearing a smile from ear to ear this week—and that is some smile. He and Mrs. Bovell have been entertaining a little daughter in their home since last Thursday. She has been named Jacqueline, but W. T. says he had nothing to do with naming her. "She certainly is something to be proud of," W. T. declares. Mother and babe doing well.

Mr. and Mrs. John Reagan of Floydada, Mr. and Mrs. Amos Howard and children of Lubbock and Mr. and Mrs. Harley Henderson and children of Slide visited Mr. and Mrs. Frank Hill Saturday night and Sunday.

Dude Buster of Lubbock, district agent of the Fidelity Union Life Insurance Company, had business in Tahoka Wednesday and while here was the guest of R. E. Key.

MR. WEATHER SPOOLS STUFF

Cold Weather Mingles With Hot Weather And Sand Storms During Month

With several northerly and sandstorms already to her credit, March has been a rather stormy month. Summer and winter, it seems, have been battling for supremacy throughout the entire period. The worst spell of the month came last Saturday, regular blue northerly and sandstorm combined. Accompanied by heavy clouds of dust borne on the wings of the wind, the storm swept down from the north soon after sunrise and never abated till late at night. In the meantime the temperature had taken an amazing tumble. Before nightfall the mercury stood at 28 and drove down during the night to 21. Tahoka people Sunday morning had two big tasks: one was to did out of the sand, and the other was to keep warm.

On account of the numerous cool waves that had preceded this one during the present month, very few fruit trees had bloomed out. It is believed, however, that most of the peaches were killed. Possibly most of the other fruit escaped serious damage. The weather has been balmier again this week much of the time, and it is hoped that winter has staged just about her last trick.

Nazarenes Report Revival Interest

With good crowds in attendance, a revival meeting is in progress at the Church of the Nazarene. It began Monday night and will continue for 10 days or two weeks.

Miss Kittie Lee Simpson of Sapulpa, Oklahoma, is doing the preaching and is said to be a most effective speaker. Good singing is featuring each service. The people of Tahoka and vicinity, regardless of their religious affiliations or beliefs, are invited to attend.

Infant Of Coulters Buried Wednesday

The week-old infant of Mr. and Mrs. Avery Coulter, who reside six miles south of Tahoka, died Tuesday. Funeral services were conducted at the home Wednesday afternoon and burial was in the Tahoka Cemetery.

Little Silva Wyanel was born March 13. By reason of injuries sustained at birth she was taken to a sanitarium in Lubbock for treatment but little could be done for her and she died just one week after her birth.

The mother is said to be doing fairly well. The family have the sympathy of many friends.

Two Tahoka Girls On CIA Honor Roll

On the C. I. A. Denton, honor roll, appears the names of Misses Lucille Slaton and Mary Fenton.

Only one member of the entire student body appeared on the program rendered at the institution on Honor Day recently. That student was Miss Lucille Slaton of Tahoka.

CADES ATTEND CONVENTION

A. M. Cade, county tax collector, and family attended the annual convention of assessors and collectors held in Fort Worth Thursday, Friday and Saturday of last week. Mr. Cade reports that they had a great time, and picked up a few pointers on handling the business of his office.

J. B. Walker was a recent visitor to Austin. He says he met many of the state officials and numerous politicians that hang around the capitol. He thinks some of the offices down there should be abolished, notably the office of commissioner of agriculture. He may be right.

MANY SCHOOL PEOPLE COMING

Inter-scholastic League Literary and Athletic Events Feature Annus Contests

Friday and Saturday will be gala days in Tahoka.

The Inter-scholastic League will be meeting here and that is always a big annual event. The school boys and girls will be here from all sections of the county. Possibly every community will be represented. And the mothers and fathers of many of the children will be here also. Tahoka should extend to them the glad hand.

The contests are scheduled to begin Friday morning at 9 o'clock. Most of the contests on this day will be of a literary nature. There will be contests in declamation, debate, story telling, arithmetic, spelling, music memory, picture memory, choral singing, etc.

There will be a lot of declaiming—contests by senior high school boys, senior high school girls, senior rural school boys, senior rural school girls, junior ward school boys, junior ward school girls, junior rural school boys, junior rural school girls, junior high school boys, and junior high school girls. Won't they make the week-n-rang? Many a budding young Demosthenes will be there to demonstrate his oratorical powers. And possibly quite a few of them have such powers in married degree. They should be encouraged by your presence and interest. The art of public speaking should be cultivated and encouraged more than it is.

Yes, you will want to hear the declaimers—both the boys and the girls.

The preliminary debates will be Friday afternoon, and the big final debate will be at 8 o'clock Friday night. Of course you will want to hear that.

All these contests will be in the high school building.

Also on Friday there will be contests in tennis and playground ball. But the big athletic events will be staged on Saturday. The big track meet will be on this day. Great crowds will be here from all over the county to root for their respective teams and to enjoy the contest. These contests will be staged on the high school grounds.

County Entering Meat Show Events

Lynn county club women and girls are hoping to win some premiums at the Meat Show in Lubbock next week, according to Mrs. Sylvia Robb, county home demonstration agent.

Club women will make entries in the Canned Pork Products contest, the Canned Beef Products contest, and the Canned Baked Chicken contest.

In the 4-H Club Girls Canning Contest, the New Lynn Club girls will enter a team. Elimination in this contest starts promptly at 9:30 a. m. Thursday, March 29. All products in all contests must be entered by 5:30 a. m. Wednesday, March 28.

The program in part is given as follows:

Judging cured meats, 10 a. m. March 28;

Judging canned meats, 1:30 p. m. March 28;

Judging pig show, 2 p. m. March 28;

Elimination girls team contest, 9:30 a. m. March 29;

Quality Canned Meats, Lola A. Blair, 2 p. m. March 29;

Better Cured Meats, Roy W. Snyder, 2:30 p. m. March 29;

Auction Sale Calves, Pigs, Poultry Meats, 1 p. m. March 30.

Miss Robb is very anxious that her club women shall hear the two lectures listed above.

J. K. Applewhite, who is in Fort Worth taking treatment for a minor ailment, writes that he expects to be home in a few days.

"Little Women" Coming Sunday

LITTLE WOMEN

By LOUISA MAY ALCOTT

JOAN BENNETT
PAUL LUKAS
FRANCES DEE
JEAN PARKER
EDNA MAY OLIVER
Douglas Montgomery
Henry Stephenson

Directed by GEORGE CUKOR. MERIAN C. COOPER, executive producer. Kenneth Macgowan, associate producer.

Taken from the classic story of the same name by Louisa M. Alcott. The picture the world awaited for three generations—it is more than a picture. . . . The ecstasy of moonlight, the miracle of spring! A lilac tree, a waterfall, and youth afire! Forgotten corners of the human heart thrill to the living beauty of America's best loved love story, fresh with the sweetness of eternal spring!

WEDNESDAY & THURSDAY March 28-29

"You Can't Buy Everything"

May Robson, Jean Park r. Lewis Stone and Claude Gillingwater

May Robson, the lovely character you recently say in "The Lady for a Day," now becomes Queen of Wall Street. A drama about one of the strangest, most colorful women in American history. She could buy and sell the nation—but she couldn't buy the love of her only son.

Jean Parker as Amy, Meg and Beth respectively, the other "Little Women" leave nothing to be desired by those who have made the Alcott characters their ideals.

Many movie-goers are no doubt familiar with the story, the tale of an American family, revealing the development and ennoblement of four sisters.

All the characters are introduced. Marmee, the mother of the "Little Women," portrayed by Spring Byington, who leads her daughters through the formative, dangerous years of girlhood.

Grumpy old Aunt March, (Edna May Oliver at her best), who first makes life rather miserable for Jo and then soothes her conscience by making a "great lady" of Amy.

Henry Stephenson is splendid as the irascible Mr. Laurence, the March's rich neighbor.

Hannah, the March servant, is a small part made big by the artistry of Mable Colcord.

Three great actors, Paul Lukas, Douglas Montgomery and John Davis Lodge enact the suitors of the "Little Women."

Lukas appears as Fritz Bhaer, the lovable professor whose hopeless infatuation for Jo wrings the heart, though finally, in a burst of intriguing glorious romance, he wins the heart of this girl who was afraid of love.

Montgomery is Laurie, who courts Jo and finally weds Amy, while Lodge gives an excellent portrayal as Brooks, who wins Meg in spite of everything Jo does to prevent.

When this production got under way word came from Hollywood that every setting described in the story by Louisa M. Alcott was to be accurately duplicated. The film makes good this boast. Even the Alcott home in Concord, Mass., appears on the screen just as it stands today as a national shrine.

CITY ELECTION PROCLAMATION

By authority of law in such cases made and provided, I, C. H. Cain, Mayor of the City of Tahoka, Texas, do hereby issue this Proclamation ordering an election to be held at the Court House in Tahoka, Texas, on the first Tuesday in April, 1934, the same being the 4th day of April, 1934, for the purpose of electing two aldermen and a City Secretary for said city.

The present terms of offices of Aldermen W. O. Thomas and J. L. Heare expire at this election.

I hereby appoint W. S. Swan presiding judge of said election and Carl D. Griffing and Fred Bacy associate judges of said election, and the said W. S. Swan, with the assistance of said associate judges, is hereby authorized to appoint two clerks to assist in holding said election.

The polls shall be opened at 8:00 o'clock, a. m., and closed at 7:00 o'clock, p. m., on said day, and said election shall be held and returns thereof made in accordance with law in such cases made and provided.

Witness my hand officially, at Tahoka, Texas, this the 21st day of March, A. D. 1934.

TRANSPORTATION IS VITAL

Away back in Thomas Jefferson's administration the Government of the United States, realizing that they could not build a unified nation without means of communication and transportation between its different parts, began a program of highway building over the Alleghenies. The State of New York, fearing the diversion of the commerce of the newly opened West to the ports of Baltimore and Philadelphia, set itself to work to provide water transportation, by digging the Erie Canal from Buffalo to the Hudson River at Albany. The Commonwealth of Pennsylvania cut a canal from the headwaters of Ohio to the Delaware. Maryland had earlier built a canal to connect the Ohio watershed with that of the Potomac.

When the steam locomotive was developed and railroads began to be built, again it was the province of the Government to encourage the development of this mode of transportation; and most of the main line railroad mileage in the United States was constructed with the aid of public funds; Federal, State or local. And the newest form of transportation, the airplane, has been brought to its present state of efficiency and safety largely by Government aid.

We think that the development perfection and maintenance of means of transportation and communication is one way of spending public money which not only meets with least resistance from taxpayers who have to provide the funds, but furnishes the most lasting and valuable asset to the nation and its component units.

There is something that appeals to the imagination in the efforts of the railroads to provide swifter, more comfortable travel. The new stream-lined, air-conditioned trains which several lines are beginning to put into operation, suggest that the railroad is not obsolete. It never will be: It can provide services which neither the motorcar nor the airplane can give. We do not think any of these has reached perfection, any more than anything else is perfect. We believe it is the public's interest to help the further improvement and development of all of them.—Lamb County Leader.

J. B. Oliver reports that he recently purchased a farm of 177 acres situated six miles south of Levelland. He wants it strictly understood, however, that he does not intend to remove from Tahoka. A tenant is occupying his farm.

The New Deal has been working for one year. Without doubt the country is in better condition than it was a year ago. Confidence has been restored, which is the greatest step possible for a nation to make. A united people behind an aggressive leader presents a definite stand against the ravages of the depression. Up until a year ago the nation was in a dream. Something had happened, what, no one knew. A sudden awakening came with the closing of all banks, and the people realized that only a miracle could save us. Furthermore, a miracle worker must be in charge of the situation. With a confidence that only impending disaster can inspire, Democratic ideals were thrown aside and a one-man government established almost overnight. The people are pleased with the progress of the past twelve months. They realize that recovery cannot be accomplished overnight. They realize that possibly the government has been lifting itself up by its bootstraps, but at the same time, an honest effort is being attempted to do something to solve the situation.—Canyon News.

A GAS WATER HEATER MUST PASS RIGID TESTS To Merit The Testing Laboratory Blue Star Seal!

In the photograph above a testing expert in A. G. A. testing laboratory is testing a new automatic water heater to see if it meets the Thermal Efficiency requirement. The automatic gas water heater does its work so quietly and well that its very existence is forgotten days at a time by the entire family. Its principle is, of course, a regular cycle of water temperatures. When the maximum temperature of the water is reached, the thermostat turns off the gas, and automatically turns it on again when the temperature drops to the correct minimum. The very fact that it is automatic, silent, and hidden makes it particularly important when you purchase a new one, that it meets the exacting requirements of the American Gas Association testing laboratories for construction, performance and safety. These requirements, though, do not necessarily add to the manufacturing and selling cost of the water heater you buy; and hence you can find a wide selection of models possessing the BLUE SEAL, at popular prices. This is likewise true of all other gas appliances . . . so that you do not need to feel that because you are buying a low priced appliance, you cannot expect to have a model with the BLUE SEAL affixed to the side or back of it.

SOUTH PLAINS MUSIC TEACHERS TO PRESENT MUSICIANS

As a courtesy to their friends and patrons and an inspiration to their pupils the South Plains Music Teachers Association will present in a two-piano concert on Saturday evening, March 24, 8:15 o'clock, at the Lubbock Senior High School auditorium, Mary Angeline Russell and Louise Warren, both of Plainview. This program, according to authorities who have heard these

young ladies, will be a rare treat to any one interested in music and will be well worth a trip to Lubbock. The South Plains seldom has an opportunity to hear anything so fine without paying for professional talent. Miss Russell has studied in Chicago and has already mastered her art to an extent little short of real genius, and she is most ably assisted by Miss Warren, who has local friends happy to testify to her ability.

If you or your children are musical minded you should hear and enjoy this program as a welcome guest of the South Plains Music Teachers.

BENEFIT PARY GIVEN BY HIGH SCHOOL GIRLS

The High School Home Economics girls wish to thank the people for the support given to the "42" party which they sponsored Friday night, March 16, at the Central Ward school building.

A net profit of \$10 was realized. This will be used to help pay the expenses of the girls to Austin to the Home Economics rally. Prizes were awarded those having high scores. Pie and coffee were served. Saint Patrick's Day theme was carried out in the decorations.

METHODISTS PLANNING FOR SPECIAL EASTER PROGRAM

"What is your life?" was the very practical yet heart-searching question in the Rev. Smith's morning sermon last Sunday. Miss Mary Jane Weathers effectively played a simple solo on her violin as the musical feature.

At the evening hour the principal theme of the discourse was "determination" and it was a powerful message. The feature music was a baritone solo, "Come Unto Me" sung by A. J. Thompson.

Next Sunday is Palm Sunday and the music committee has arranged for appropriate special numbers. The choir will sing "Hosanna" and a solo "Open the Gates of the Temple" will be the morning offering, and at the evening service the choir will have a special anthem. There will possibly be other feature numbers. Preparations for lovely music for Easter Sunday are going forward nicely; anthems and other specials for the eleven o'clock hour, and the cantata "From Death Unto Life" will fill the worship hour at night. Come and worship with us in this beautiful sacred story of the crucifixion and resurrection!

The stewards and their wives were entertained Monday night by Mr and Mrs. G. M. Reid. A delicious steak dinner with "all the trimmin's" was served, after which the regular business meeting was held with W. E. Suddarth presiding. Rev. and Mrs. Smith and Mr. and Mrs. J. N. Thomas were among those present. Music was enjoyed—as played by Miss Marjorie Wells and sung by the little Misses Eva Jo Reid and Jeanine Smith. The next session will be in the C. A. Thomas home.—Reporter.

HOME ECONOMIC GIRLS VISIT POST COTTON MILLS

On Tuesday, March 13, at 1:45 the Home Economics class left the High School for a trip to the Cotton Mills at Post.

The party was conducted through the mills by a guide who was well-informed as to the various processes of the manufacture of cloth and was anxious to explain each process to the group. The girls were very interested in seeing the raw, West cotton made into beautiful white sheeting.

The following people from Tahoka went: Mr. and Mrs. J. B. Pace, Mr. and Mrs. Charles V. Neims, Martha Helen Powell, Gaynell Tate, Sybil Littleton, Pauline Smelser, Mrs. A. J. Mullins, Maxine Jones, Faye Masengale, Dama Anglin, Dale Barlett, Eunice Mullins, Mrs. L. E. King, Elsie Dee McKaughan, Cora Lee Deaver, Mable Perkins, Mary Helen Parks, and Lenora Sikes.

The trip was very worth-while and interesting.

BAPTISTS RECEIVED THREE NEW MEMBERS SUNDAY

We had a good day last Sunday with three additions in the morning service. The attendance held up well in spite of the sand storm and cold. The weather man seems to have the sand storms so timed that they arrive on Saturday. However, we ought to be on to their tricks by this time and not longer allow them to keep us from the Sunday services.

Our spring revival is to be held the middle of April and these next two or three Sundays will afford a splendid opportunity for the right kind of preparation.

The pastor will preach Sunday morning on the theme "Come, see the place where the Lord lay." Gordon Suits will sing. The subject for the evening hour will be "Pharaoh's Confession of Sin" or the right and wrong way to confess our sins. How much confession does God require? How remorse prevents true repentance. Does God today deal with false confessions? These and kindred questions, concern or confession, will be answered with scripture.

Mesdames Durham and Nelson will sing "God's Plan for Your Life," an old gospel song that was well known a generation ago. You will greatly enjoy the choir and congregational singing.

Sunday school begins at 9:45. Sunday is Review or the Meaning of Christian Discipleship, the topic for this last Sunday in March. B. T. S. meets at 7:30—thirty minutes later than we have been meeting. The evening worship hour is 8:30.

A warm welcome to visiting friends and strangers. We express the hope that all our church family will be in both the morning and evening services. Your faithfulness always determines the attitude of the unchurched and the un saved.

"Come this way and we shall do thee good." Welcome, thrice welcome.—Lawrence Hays, Pastor.

HOME ECONOMIC GIRLS NEED OLD MAGAZINES

The three Home Ec classes are in need of old discarded magazines. These are used extensively in class work for clipping illustrations and articles. Many of these articles contain the most scientific and up-to-date information regarding home-making activities, and therefore are valuable in home economics work.

Such magazines as McCall's, Good Housekeeping, Woman's Companion, Ladies Home Journal, and others of similar nature would be appreciated.

Anyone who wishes to donate any number of old magazines may call Mrs. Floy A. Neims or get in touch with Gaynell Tate, Martha Helen Powell, or Mary Helen Parks, and the magazines will be collected at some convenient time.

COWARDS IN CONGRESS

Congressmen do not seem to have
the courage to vote their convictions
any longer. They are afraid of the
White House. Note the following
excerpt from a Washington press
report dated March 19 pertaining to
the vote on the Bankhead cotton
bill.

"A warning that Speaker Rainey
was compiling a list of Democrats
who had voted against Administration
wishes had a withering effect
upon opposition. Many members
who previously had said they would
oppose the measure voted for it
when the final roll call was forced
by Representative Snell of New
York, the Republican leader."

Congress is the legislative body of
this nation. Congressmen are supposed
to vote their own convictions; they
are not supposed to be merely
rubber stamps for the President. It
is proper for the President to use
argument and reason in seeking to
influence congressmen. We doubt if
it was contemplated by the makers
of our constitution that he should
resort to threats, express or implied.
We admire the fellow who has the
courage to follow his own conscience
and vote his own convictions. We
don't have much respect for the
fellow who covers and fawns at
somebody's feet every time the
whip is cracked. We need heroes
in Congress, not cowards.

There should be a rigid law in
this state requiring candidates for
office and their campaign managers
to reveal the source of all their
campaign contributions. Candidates
for governor and other offices too
frequently draw heavily upon some
particular special interest for funds
with which to conduct their respective
campaigns. This ought to be
stopped. Governors and legislators
and railway commissioners and
other officials should go into office
unshackled. When they go into
office with some big corporation's
bride on, then the corporations
ride—and they usually ride fast.

Say, folks, let's clean up. We
used to boast of the cleanliness
of our little city. Now it looks ragged
and dirty. With papers and
rags and trash of various descriptions
clinging to almost every little
mesquite shrub in town, our back
yards filled with refuse and waste
matter, we make about as inviting
an aspect as a hobo. Let's wash our
faces, scrub our necks, comb our
hair, figuratively speaking, and look
like somebody come.

For a long time we have believed
that the office of commissioner of
agriculture at Austin is a useless
appendage. All that it undertakes
to do and can do is being done
much more efficiently by the Federal
Government through the A. & M.
extension service. Why maintain
a great horde of tax-eaters at Austin
to do useless things?

Now is the time to get out that
hoe and rake and spade and shovel
and get those flower beds ready.
Spring is not far off—the time when
the flowers should be blooming.
Let's grow the most beautiful flowers
in Tahoka this year we have
ever grown. Let's make our city a
beauty spot.

A wag said the other day that
this 32 had been found to be very
intoxicating—three bottles of beer
and two pints of whiskey. They
want to make it lawful to sell beer
in Tahoka, and as soon as they get
a chance they will want to make it
lawful to sell the whiskey.

LIQUOR AND LEARNING

Every pay check has its human
history. It is not merely a wisp of
paper; rather it is a hundred, a
thousand, ten thousand hearts punit
together. Drama of struggle, persistence,
anxiety, ambition, greed, deceit,
and sacrifice may be behind it.
Because a salary has its career,
some people are curious as to what
sort of character they may find in
their envelope.

Hitherto the school teachers have
never questioned their income, except
as to when it was going to come.
Now, however, in various parts
of the country rises a cry to pay
the teachers in part with the new
liquor revenue. The school board
in one of America's largest cities,
for instance, has demanded liquor
money for the schools. Cash from
alcohol has become a state educational
issue.

This particular bonanza appeals
to some desperate teachers. It finds
others hostile. As they might sketch
it, the picture back of the alcohol-
aided pay check may be this:

The barkeeper serving his drinks
across the mahogany bar feels he
is doing a good turn to society for
all, for he is helping the dear little
school children. The saloonkeeper
as he orders a new lot of sawdust
for the barroom floor reflects that
those who tread it will be paying
school taxes. The "bouncer" as he
hustles a noisy "bum" into the alley
cheerfully considers that he is aiding
education. The brewer as he views
his carloads of beer dispatched
to many cities contemplates that
he is dispensing learning by the
wholesale. The distiller as he sends
forth cases of whiskey ponders
luminously, like the Walrus and the
Carpenter, how many tender young
things he is turning to higher
things. The drunken husband lurching
back to his pitifully bare home
argues in defense, "I've no money
for the kids' clothes or food, but
I've paid their teacher's salary."

Making schools and saloons partners
seems much like a new attempt
to give liquor respectability. The
dodge of tying the bad to the good
is an ancient one. Prize fights,
horse races and lotteries from time
to time hook themselves with charity
to gain good standing.

Whatever liquor touches it dis-
credits. The public schools, their
teachers and their pupils stand too
high to be made teammates of in-
toxication. Teachers' pay checks
should not be tainted with smell of
the beer keg and whiskey bottle.
Teachers have earned, and the gov-
ernment should give them, a square
prompt and a clean pay check.
When the teacher spends her salary,
she should have no misgivings
as to where it came from—Christian
Science Monitor.

The damages that result from
the selling and drinking of liquor
has been forgotten to a great degree
and the country now seems to have
nothing in mind but "to balance
the budget." You might have said
that the government, and those who
are administering the affairs will
have to answer for their sins some
of these days, and the many mil-
lions of American people who are
catering to President Roosevelt and
his helpers just for political reasons
will also have something for which
they will answer. To finance the
country seems to be the only
thought in the minds of those in
"power." Thus the blood money, as
to speak, will have its "reaction."
Mark our prediction.—The Abilene
Times.

Mr. and Mrs. C. E. Barnes and
Mr. and Mrs. Sam Weathers drove
up to Clovis Saturday afternoon to
visit Mr. and Mrs. Buck Barnes.
They returned home Sunday after-
noon.

The world's oldest government is
said to be the Japanese empire

Relieves Women's Pains

Here is an example of how Cardui
has helped thousands of women:
"I was very thin and pale,"
writes Mrs. F. H. Scott, of Roanoke,
Va. "I suffered from weakness
and a severe pain in my back.
This pain unnerved me, and I did
not feel like doing my work. I
did not care to go places, and felt
worn, tired, day after day.

"My mother had taken Cardui,
and on seeing my condition she
advised me to try it. I have never
regretted doing so. I took three
bottles and it built me up. I
gained in weight, my color was
better and the pain left my back.
I am stronger than I had been in
some time."

Cardui, the purely vegetable medi-
cine which so many women take and
recommend, is sold by local druggists.

SCHOOL TRUSTEE ELECTION
Be it ordered by the board of trustees of the Tahoka Independent School District that an election be held at the Court House, in the town of Tahoka, in said Tahoka Independent School District, on the 7th day of April, 1934, for the purpose of electing two school trustees for said Tahoka Independent School District.

G. W. Small, N. C. Ra'ney and Carl Griffing are hereby appointed to hold said election, and said election shall be held in the manner prescribed by law for holding other elections.

The returns of said election shall be made to the president of the board of trustees of the Tahoka Independent School District in accordance with law.

A copy of this order signed by the vice-president and attested by the secretary of this board shall serve as proper notice of said election and the president shall cause notice of said election to be given in accordance with law.

In testimony whereof, witness the signatures of the Vice-president and Secretary of said Tahoka Independent School District and the seal thereof hereunto affixed this 14th day of March, 1934.

R. W. FENTON Jr., Vice-President
Tahoka Independent School District.
Attest: CARL GRIFFING, Secretary. 30-3tc.

Word has been received here of the death of Rev. Charles Pitts of Cleburne, father of Miss Faye Pitts, who taught in the Central Ward school here two terms.

SHERIFF'S SALE

The State of Texas, County of Lynn.

Notice is hereby given that by virtue of a certain Order of Sale issued out of the honorable 74th District Court of McLennan County, on the 12th day of December, 1933, by R. V. McClain, Clerk of said 74th District Court for the sum of Twenty-four Hundred Sixty-four and 24/100ths Dollars (\$2464.24) with six per cent (6%) interest from December 5, 1933, and costs of suit under a Judgment, in favor of E. M. Dorsey, and also for the sum of \$68.87 with 10% interest thereon from February 7, 1930, in favor of the Humble Oil and Refining Co., in a certain cause in said Court, No. 11797, and styled E. M. Dorsey vs. Edgar Ellis, et al., placed in my hands for service, I, B. L. Parker, as Sheriff of Lynn County, Texas, did, on the 13th day of December, 1933, levy on certain Real Estate, situated in Lynn County, Texas, described as follows, to-wit: Being the Southeast quarter of Section 35, Block A-1 E. L. & R. R. Railway Co. Survey in Lynn County, Texas, fully described in a Deed of Trust dated May 17, 1929, executed by Edgar Ellis and Effie Mae Ellis to H. M. Minier, as Trustee for the benefit of E. M. Dorsey, which Deed of Trust is of record in Vol. 17, page 495 of the Deed of Trust records of Lynn County, Texas, and levied upon as the property of Edgar Ellis, Effie Mae Ellis, W. Howard Hoffman, G. M. Cullar, and Humble Oil & Refining Company, a corporation, and that on the first Tuesday in April, 1934, the same being the 3rd day of said month, at the Court House door, of Lynn County, in the town of Tahoka, Texas, between the hours of 10 A. M. and 4 P. M. by virtue of said levy and said Order of Sale, I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Edgar Ellis, Effie Mae Ellis, W. Howard Hoffman, G. M. Cullar, and Humble Oil & Refining Company, a corporation.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News, a newspaper published in Lynn County. Witness my hand, this 12th day of March, 1934. B. L. PARKER, Sheriff Lynn County, Texas. 31-3tc

A young boy of Tahoka who has been giving some trouble was taken to the Boys Training School at Gatesville by sheriff B. L. Parker last Saturday. He had entered a plea of guilty in the county court last week to a charge of theft. He was already under a suspended sentence, according to Mr. Parker.

A Laxative that costs only 1¢ or less a dose

NEXT TIME you need medicine to act on the bowels, try Theodor's Black-Draught. It brings quick relief and is priced within reach of all. Black-Draught is one of the least expensive laxatives that you can find. A 25-cent package contains 25 or more doses.

Black-Draught is made of approved laxative plants, firmly ground so you take the medicine into your system just as naturally as you get nourishment from the food you eat.

Refreshing relief from constipation troubles for only a cent or less a dose—that's why thousands of men and women prefer Theodor's Black-Draught.

Nagging Pains

TEMPORARY pain relief remedies may save you much suffering at the moment, but putting a mask over a warning signal does not clear up the condition it was telling you to avoid.

When periodic pains, due to a weak, run-down condition, distress you, treatment for the cause of the trouble should be started without delay.

Take Cardui to build up against the nagging symptoms of ordinary womanly ailments. It has been in use for over 50 years. So many women praise CARDUI, it must be good to have the widespread use that it has today. Sold at drug stores.

Richard Trevethick, of Cornwall, Eng., constructed the first steam carriage running on rails in 1804. The first railway locomotive was built in 1814.

America - here they are!

To fill the record-breaking nationwide demand, Chevrolets are being produced at a record-breaking rate of

4000
units a day!

CHEVROLET
A GENERAL MOTORS VALUE

CHEVROLET factories are breaking records, trying to give America all the cars it wants. 4000 units a day are rolling off the assembly lines. In fact, more Chevrolets are now being produced than any other make of automobile in the world.

Naturally, Chevrolet is proud of the record its factories have made this year. Especially so, in view of the fact that the 1934 Chevrolet is not merely last year's model improved, but a basically new automobile throughout. Producing so many of these cars so early in the season, and producing them all up to Chevrolet high standards of quality, is nothing short of a real accomplishment!

Chevrolet takes this opportunity to thank the American public for the wonderful way it has received the 1934 Chevrolet car. And Chevrolet is happy to report, that with over 4,000 cars a day being built, dealers everywhere will soon be in a position to make immediate deliveries.

Organization Perfected For County Highway Beautification; Work Starts

With Mrs. G. H. Nelson as chairman and Mrs. W. D. Nevels as vice-chairman, an organization has been perfected here for the beautification of the two highways passing through Lynn county.

The purpose of the organization is to bring about more than a mere beautification of the scenery along our highways. Included in the program is also the marking of historic spots, marking the highways, beautifying of public grounds and parks, etc.

Mrs. Nelson and Mrs. Nevels have appointed the following as chairmen of local committees to carry out the program:

- Marking historical spots, Mrs. Frank Hill.
- Highway beautification and way-side parks, Mrs. L. C. Haney.
- Highway markings, Mrs. W. E. Smith.
- Removing advertising signs and beautifying city entrances, Mrs. E. I. Hill.
- Sanitation, Mrs. E. E. Turrentine.

Property entrances, Mrs. Irv. Stewart.

Public grounds, Miss Sylvia Robb. Chairmen have also been appointed for O'Donnell and Wilson.

"Miss Robb has already begun her work by requesting free pecan trees from those now available at College Station from the Governor Hogg legacy," Mrs. Nelson says. "She has also had under her supervision the planting of shrubbery on the high school grounds in collaboration with Claud Wells, who has been directing C. W. A. work there.

"The chairmen named should use their own initiative in planning work in their line as well as in securing plants or funds, for no funds are available for any purpose," Mrs. Nelson stated. "The work has been delegated to the women of Texas by the state highway commission, and the success of it in any locality will be measured by the degree of civic pride exhibited by its citizens. The response in Tahoka has been highly gratifying to those in charge."

There are approximately 73,000,000 men and women of voting age in the United States.

Philippine Girls Visit In Tahoka

Describing the products, transportation, schools, climate, customs, and native dress of their country and reminding their hearers that the Philippines are not a part of Hawaii, Misses Nat. V. Dad Brodeth and Presentation Hiensa entertained about forty Tahoka Home Demonstration club members and guests attending a tea given by the Club honoring these young women from the Philippines and Texas' own State Home Demonstration Agent, Miss Mildred Horton, and Mrs. Myrtle Murray, from College Station, Wednesday evening. The tea was given in the home of Mr. and Mrs. G. M. Reid, Mrs. Harold Edwards, president of the local club, being hostess, while Miss Sylvia Robb, county home demonstration agent, had charge of the program.

Miss Brodeth, senior agent, appearing in a smart street costume, said that woolen dresses and coats were not worn in their country because the seasons consisted of only Spring and Summer. Beginning in May they have about three months of rainy weather, and it sometimes rains nine days at a time, she said. Sugar, hemp, tobacco, fruits and vegetables are among their chief products, and the islands have many excellent roads and good schools, Miss Brodeth said. Great improvements have been made under the leadership of the United States.

These young women live in different provinces on the island of Luzon, but the Home Agents in that section travel in couples known as Senior and Junior Agents. They told of their methods of presenting the home demonstration work in their own countries, then told of some of the things they had observed since coming to the United States to study the work about eighteen months ago.

During their stay in the United States their headquarters are in Washington, where Mrs. Ola Powell Malcom, Field Agent for the Southern States, makes their itineraries.

They have been visiting the various bureaus in the Department of Agriculture and other departments of our government, besides visiting in a number of the states, which will include Mississippi, Louisiana, Oklahoma, and Texas. Under the direction of Miss Horton and the various District Agents these home demonstration agents are visiting the Texas home demonstration agents, and Mrs. Hiensa told of their visits in different counties where they had seen and actually taken part in various phases of the work such as rug-making, cheese making, canning beef and chicken, making garden tile, and other things. She seemed especially interested in mattress making.

Miss Hiensa, who was dressed in a native costume, caused a ripple of laughter when she gave her reply to an inquirer in another part of the country who asked if they "wore shoes at home." Among other

things, she said that the women of their country wore long hair, but they had to have their hair cut on coming to the United States so they "could wear the hats," as the natives do not wear our kind of hats. It being their custom to meet and talk with as many rural club families as possible, these visiting home demonstration agents from far off

in the Pacific were overnight guests of Misses Christine and Marie Owens of the Edith Club in the home of their parents, Mr. and Mrs. J. T. Owens, Wednesday night.

They left early Thursday in company with Misses Horton and Murray for a visit to the Carlsbad Caverns in New Mexico.

Question: Why don't chickens lay eggs at night?

Answer: Because at night they are all roosters.

HARLEY SADLER

HARLEY SADLER RETURNS FOR WEEK'S SHOWING

(Cont'd. from first page)

hearts of people all over Texas, and Billie Sadler appears in the leading roles. "Sunny" Fox is the new ingenue leading lady. "Big" Whitehouse appears in a strong line of parts, and every member of the company is cast to excellent advantage. Joe Gofford is the leader of the new 12-piece orchestra.

A brand new tent theatre has been purchased, said to be the most beautiful ever built, with a special heating system, comfortable in all kinds of weather.

Popular prices will prevail. For those who desire their seats to be held for them, special numbered reserved seats will be on sale at the Tahoka Drug starting Monday noon, March 26th, at a small additional cost. On Monday night, one lady will be admitted free when accompanied by a paid adult ticket, and the ladies' free coupon is contained in the show's advertisement in this issue.

A record breaking crowd is predicted to greet Harley and his all-new show Monday night.

HOLLOWAY SEEKING NEW TAX OFFICE

(Cont'd. from first page)

would no doubt perform the duties with rare efficiency.

Mr. C. Holloway's announcement follows:

To The Voters of Lynn County: I take this means of announcing my candidacy for the office of tax assessor and collector for Lynn county.

To those of you who may not know me, will say that I am 44 years of age. I am married and have a family. I live on a farm in the Redwine community, which place, with the exception of one or two short intervals, has been my home for the past 18 years.

I seek this place not unmindful of the fact that it is a very responsible position. As to my qualifications will say I have taught in the public schools of the state seven years, three of which were in this county. I have assessed and made the rolls a number of times for our school district. I have served twice as deputy assessor in this county and have done other clerical work.

As to the duties incumbent on this office, I promise, if elected, to familiarize myself with every phase of the law pertaining to same and to try to make the best official that is within my power to be.

I shall endeavor to see as many of you as possible before the primaries. Assuring you that your influence and vote will be appreciated. I am, respectfully,

E. W. HOLLOWAY.

MORRISON ENTERS COMMISSIONERS RACE

(Cont'd. from first page)

the strictest economy in the handling of the county's business. He will appreciate the kind consideration and the support of every voter in the precinct. He expects to see most of the voters personally before the election in July.

Read his statement below.

I take this method of announcing my candidacy for the commissioner's office from this precinct of Lynn county. I am not a new comer by any means, having lived in this district for 28 years and I believe I know and realize the needs of precinct as well as any man can. I believe in economy in government, both for county and precinct, and I pledge myself, if elected, to make every effort to assist in a program of retrenchment. This is my first time to make the race for office. I am already opposed by three good men, but if I should be the choice of the people, I know these three men will help me in my work. I faithfully promise that I will perform the duties of my office to the best interest of the precinct and the county. Your vote and influence will be appreciated. Yours truly,

C. B. MORRISON.

OFFICE IS OPENED FOR SEED LOANS

(Cont'd. from first page)

\$250, the minimum is \$25.

Applications for loans in any amount from \$25 to \$150 may be accepted by the emergency crop loan office provided the farmer does not have sufficient security to obtain a loan elsewhere.

A farmer applying for \$150 or more must first make application to the Production Credit Association for a loan from it. Rejection of this application by the Production Credit Association will be considered sufficient evidence that other credit is not available and the applicant may then make application to the emergency crop loan office.

New Home

Mr. and Mrs. P. H. Renfro, who for several weeks have toured most of Oklahoma and Louisiana, were home on business Friday and Saturday, but left Sunday for another trip to points west.

Mr. Acie Bailey of Spur was a business visitor to New Home Tuesday.

Mr. and Mrs. P. W. Goad visited Mr. and Mrs. Cecil Bradshaw at Meadow Sunday.

The farmers were well represented at the Co-operative Qip Meeting Thursday night. Refreshments of sandwiches, pie and coffee were served to about 150 people.

Mr. and Mrs. G. H. Gryder and children are visiting in Erath county.

Mr. and Mrs. Truman Balch and daughter and Rabe, Bill and Arthur Balch and families were called to Sweetwater Monday because of the death of a brother, Pat Balch. He was buried at Sweetwater.

4th ANNUAL MEAT SHOW TO BE HELD IN LUBBOCK 28-30

Lubbock, March 21.—The 4th annual Quality Meat Show to be held here March 28, 29, 30 is expected to attract the largest number of exhibitors and the largest crowds it has ever drawn, due to the increased interest in the livestock feeding program and the home canning and curing work. Dr. I. E. Barr, chairman of the meat show committee,

said here today. Over 150 calves, 125 pigs, 100 capons, 500 hams and bacon, and 1,000 exhibits of canned meats are expected for the show. A banner sale for the livestock is expected with Col. Earl Gartin again in charge. The grand champion calf at three other shows this spring has been sold for \$1,250, 75c and 66c respectively, a substantial increase over previous shows. Program for the show follows:

March 28, judging cured meats

10 a. m.; judging canned meats 1:30 p. m.; exhibitors' dance 9 p. m.

March 29, elimination girls team contest, 9:30 a. m.; judging calf show 10 a. m.; finals girls team contest 1 p. m.; address: "Quality Canned Meats," Miss Lola A. Blair, specialist in nutrition, Texas Extension Service, 2 p. m.; address "Better Cured Meats," Roy W. Snyder, meats specialist, Texas Extension Service, 2:30 p. m.; judging capon

show, 3 p. m.; exhibitors' dutch lunch, 7 p. m.; dance 9 p. m.

March 30, Auction sale for livestock 1 p. m.

Only regularly enrolled 4H club members and vocational students are eligible to enter calves, pigs or capons in the show. The canned and cured meat divisions are open to any farmer or members of a farm family.
