J. N. SCHOOLER PASSES AWAY

Frominent O'Donnell Man, Pioneer In County, Appendicitis Victim Friday

Following an operation for appendicitis, J. N. Schooler of O'Donnell died in the Lubbock Sanitarium at 9:40 o'clock Friday night. Harris and Applewhite, funeral directors, prepared the body for burial and interment was in the cemetery at O'Donnell Saturday afternoon. The funeral services were conducted from the Methodist Church there by Rev. Cheatham of Lubbock.

Mr. Schooler was a pioneer citizen of Lynn county, having lived in this county since 1906. He was born in Kentucky March 16, 1878, and had therefore just recently passed his fifty-sixth birthday. He came with his parents from Kentucky to Texas, and in 1900 he was married to Miss Rilla Lee in Hamilton county. He and family removed from Hamilton to this county in 1906.

Mr. Schooler had long been a member of the Presbyterian Church. He was a splendid Christian gentleman and a useful citizen. He was held in the highest esteem by his neighbors and fellow-townsmen and had many friends in Tahoka and other parts of the county as well as in O'Donnell. Recently he served as a member of the grand jury here and officials say that he was conscientious in the performance of his public as well as private duties.

He left surviving him his wife, three sons, two brothers and four sisters. These have the sincere sympathy of many friends, who deeply deplore his untimely death.

Hord Announces For Commissioner

A new candidate for commissioner announces this week, J. D. Hord, who lives on a farm west of Southland and operates a store in Southland, has entered the list as candidate for commissioner of precinct No. 1.

Mr. Hord is a successful farmer and has long been a leader among the farmers for the betterment of their condition. In 1925 he was manager of the Farmer's Co-operative Association at Southland. Later he bought out the association and is now conducting the Farmers Store, handling coal, feed, and grain. He is said to be a capable man of fine character, well qualified for the position which he seeks. He makes his announcement as follows:

To the voters of Commissioner precinct No. 1, Lynn county, Texas—

I wish to offer my candidacy for commissioner of Precinct No. 1 and in this brief announcement I respectfully ask your vote and influence for this important position. I am mindful of the fact that I am asking you to place me in trust of an office that deals directly or indirectly with all the citizens of our county.

The duties of a commissioner's court, which deals with the problems of taxes, roads and county funds, are important and should be considered by all voters. I believe in lower taxes, good roads so far as permissible without added tax burden to property owners at the present time. I also favor an economical expenditure of county funds, and if I am elected your commissioner, I pledge you that I will adhere to the strictest rules of economy in dealing with the county's business.

I have been a citizen of Lynn county ten years. Before coming to this county I served six years as county commissioner in Bosque county, Texas. I believe by that service and experience that I can competently qualify if elected as your commissioner. I have always been active in church, school and all civic affairs of any community and would be pleased for you to investigate my record as a citizen and former commissioner.

I shall endeavor to make a close canvass of my precinct, hoping to meet each voter personally, to conduct a clean campaign, and in so doing I respectfully ask for your vote and influence.—J. D. HORD.

Mrs. J. H. Drennon of San Antonio is here to spend several weeks in the home of her son, Elder R. P. Drennon.

TWO TRUSTEES ARE ELECTED

Hicks And Ho'and New Members Of Tahoka Board, Succeeded Wel's And Wood

Alvin Hicks, a business man, and Sam Holland, a farmer, were elected trustees of the Tahoka Independent School district at the election held last Saturday. They will succeed Claud Wells and R. C. Wood as members of the board. Mr. Wood was not a candidate at this election.

There were five candidates on the ballot and a little more than 300 votes cast. The official returns, as canvassed by the board Tuesday night, were as follows: Alvin Hicks, 178; J. O. Tinsley, 131; H. O. Hargett, 66; Sam H. Holland, 144; Claud Wells, 81.

Mr. Wood and Mr. Wells have been members of the board for a number of years. Mr. Wood was president of the board until a year ago, when J. K. Applewhite was elected president. The holdover members of the board are J. K. Applewhite, G. A. Braasfield, R. W. Fenton Jr., and Dr. L. E. Turrentine. There is one vacancy on the board, created by the removal of K. C. Holmes to Lubbock last Spring. We are informed that Grover Stewart was thereupon appointed to fill the vacancy but he declined to serve. The place has not been since filled, we understand.

Little Crime In District-Nelson

District Attorney G. H. Nelson spent Monday and Tuesday at Lamesa working with the grand jury. He reports that that body almost completed its labors and returned only one bill of indictment, a theft charge. He further reports that at the recent session of the district court at Post only three indictments were presented. He declares that very little crime is being committed now in this district.

Local Girl's Husband Making His Mark In Scientific World

Dr. P. J. Sanders, a member of Texas Tech's first graduating class, and the first ex-student of that college to receive his Ph. D. degree, has been recently elected to membership in the Sigma Xi national honorary research society for chemists. Sanders is the husband of the former Mary Greathouse, who was reared in Tahoka, and is well known here by his recent visits to this city.

Sanders is doing commercial research with the Calco Chemical Co. of Bound Brook, N. J. He has also worked with the Standard Oil Co. of New Jersey. He is a contributing writer to the Journal of Industrial and Chemical Engineering.

Friend Of Orphans Visits In Tahoka

Rev. W. A. Nicholas of Abilene was here Saturday as representative of the Children's Welfare Association of which he is the founder and superintendent. He was here to take charge of a little girl, who had been abandoned by her father, and to place her in a good home.

Rev. Mr. Nicholas has been engaged in this work for many years, and he has found good homes for man hundreds, possibly thousands, of dependent and destitute children. Some of these have already grown to manhood and womanhood and are making good citizens and useful members of society. He also helps deformed and crippled children, enabling them to take treatment for their deformities. He is indeed doing a great and noble work.

REPORTS GOOD MEETING

Rev. Lawrence Hays, who is conducting revival meeting at Muleshoe, was here Tuesday to conduct the funeral of Mrs. L. S. Kuykendall and he reports that the revival thus far is a marked success. There were about 30 professions of faith Sunday. Rev. L. S. Jenkins, pastor, came down with Brother Hays and he declared that the whole town was greatly stirred by the meeting.

Tahoka Votes Down Beer Proposal By Margin Of 49

FRED MATHEWS "SHOWS OFF" FINE ROOSTER

Fred Mathews of Grassland has a Rhode Island Red rooster that cost him \$19.50 last fall. Fred is so proud of this bird that he brought him to town last Saturday just to show him off. Mr. Rooster called on the editor and Fred proceeded to point out to us the bird's fine points, all of which was Greek to us.

But he is a big, fine fowl, coming from some of the finest stock in the world, and Fred says he has a production record that is hard to beat.

Start Paving On Court Yard Soon

The Panhandle Construction Company of Lubbock will soon start construction work across that portion of the highway that crosses the courthouse yard. The work is scheduled to start about the 20th of April and will give employment to men who are qualified to run concrete mixers, set forms according to specifications and finish concrete. Several laborers will be employed in connection with the work. The rules governing the NRS Registrations will be strictly adhered to and followed. No person will be selected or called who is not qualified to register or who is not active in the NRS registration office.

Jno. Thomas Boosts Texas Centennial

"The Texas Centennial to be held in 1936 will do more to advertise Texas than any other one thing that has ever happened," said Representative John Thomas to the editor Monday. "Besides, it is estimated that it will bring \$10,000,000 of tourist money to Texas. In addition to all this it will be highly valuable from an educational standpoint," he declared.

Mr. Thomas further stated that there is a false impression among the people of Texas as to what it will cost them. "It will not cost Texas a cent," he averred. "The legislature appropriated \$100,000 to the Centennial organization as a loan, and this is to be repaid to the state out of the proceeds of the exposition."

Mr. Thomas says that the place where the Centennial will be held has not yet been officially determined but that it is generally conceded that it will be held in San Antonio.

Citizens Contribute To Church Building

The new church building of the Assembly of God is being completed this week and the first service in the structure is to be held Saturday night. There will also be services Sunday morning, afternoon, and night.

On Saturday night and at the morning and night services Sunday, N. C. Whitlock, who recently came to Tahoka from Spur, will preach. The Sunday afternoon services will be conducted by Rev. C. R. Love of Lubbock.

Many of the business men of Tahoka this week contributed to a fund to enable the members of the church to finish the building.

BROTHER DIES

W. S. Anglin was called to Scranton, Eastland county last Friday to be at the bedside of his brother, D. N. Anglin, 55, who died early the following Monday morning. Mrs. Anglin and Herman accompanied him to Scranton but returned Sunday. Mr. Anglin remaining until Tuesday.

G. O. Aycock attended a state convention of the agents of The Great American Life Insurance Company held in San Antonio early last week. Mr. Aycock says the San Antonio country is garbed in her freshest and gaudiest spring clothes now and is very attractive. He also reports a great convention.

At the beer election held here last Friday Tahoka again voted dry. The vote was 217 for beer and 265 against it. There were two mutilated or unintelligible ballots that were not counted, making a total of 485 votes cast. Thus the vote cast fell something like 75 or 100 short of the voting strength of the city. It is believed that the larger part of those not voting is due to the dry side.

The election passed off very quietly, there being no disturbance of any kind. A few of the wet workers unceasingly to get out the full wet strength. The drys seemed to be inactive except to go and vote.

Stock, Poultry Pay Farmer Well

E. E. McManis, an old-timer in Lynn county who resides out in the Lakeview community, came to the News office Saturday to pay his subscription and naturally fell into conversation with us about his farming operations.

"Honestly, I couldn't farm successfully without my chickens, cows and hogs," Mr. McManis said. "I have about 200 White Leghorn hens and they lay a lot of eggs, that bring in weekly quite a bit of cash. I do not realize very much from my cream but I feed the skimmed milk to the chickens and hogs and in this way my cows make me money."

Mr. McManis has a son attending Wayland College and a daughter attending the Texas Tech. He says that it is his profit from his cows, chickens, and hogs that enables him to keep them in college.

W. P. Bussell, Lynn, In Weigher's Race

By the solicitation of my friends I have decided to make the race for public weigher for precinct 1. I feel that I am qualified for this office and for the support of the voters in the forthcoming election for the following reasons:

I came to Lynn county in the year 1920, and have lived here continuously since that time.

I have had considerable experience in this work, having been weigher in the yard of the Rolland Coffee Co. in New Lynn for the past seven years.

I have never held a public office before and only ask that I be elected for one term after which I will be willing for someone else to get the job.

I may not be able to see personally every voter in the precinct, but will appreciate the support of those whom I might miss.

It may be thought by some that I am too old for the job but I do not intend to personally handle the physical labor but the scales and can assure every man fair and honorable treatment.

Corn-Hog Contract Deadline April 17th

Tuesday, April 17, is the last day that Corn-Hog reduction contracts will be accepted in Lynn county, the county allotment committee has asked the News to announce.

It is expected the total number of contracts will be between 350 and 400.

Late reports from the bedside of Mrs. Clayton Beard of the Rodwne community are to the effect that she is little improved, if any. However, slight hopes are held for her recovery. She is in a hospital at Lubbock.

The two-year-old son of Mr. and Mrs. Travis Davis, who was carried to a Lubbock sanitarium last week end with ruptured appendix, is said to be showing signs of improvement.

Mr. and Mrs. Karr Wells and baby left Monday to visit Mrs. Wells' mother, Mrs. Franklin, at Waxahatchie.

Chester Connolly and Summer Knight went to Fort Worth Wednesday afternoon on business.

PIONEER LADY BURIED HERE

Mrs. L. S. Kuykendall, 64, Died At Fort Worth Friday; Came To County In 1902

Funeral services for Mrs. L. S. Kuykendall were conducted here Tuesday afternoon from the Baptist Church by the pastor, R. V. Lawrence Hays, Mrs. Kuykendall having died in Fort Worth last Friday night. Mrs. Kuykendall had many friends here who sincerely regret her passing and who genuinely sympathize with the bereaved family.

The following account of her life and death has been furnished us with request to publish:

Death claims another woman of Tahoka, which came last Friday night in the Methodist Hospital at Fort Worth, as a result of heart trouble.

Last October Mrs. Kuykendall was very sick here at her home and under the care of a local physician until the latter part of November she was taken to Lubbock for a complete examination, where a change of climate and a perfect rest was advised.

The first of December she left for Los Angeles, Calif., with her daughter, Mrs. Moore, where she remained under the care of a specialist and in the hospital at Downer until the doctors advised that she be taken

Church Of Christ Plans Revival

Our spring meeting will begin next Lord's Day. The church has selected me to hold it.

The meeting will continue just one week due to the Baptist meeting. Services will be held daily, 10 a. m. and 8 p. m.

Everyone is cordially invited to hear these themes presented: Breaking the Pitchers, The Word of God, The Change of Heart, The Model Converser, Unity, Married to Christ, The Kingdom of God First, Brotherly Love, and What Will You Say?

Come help and be helped.—R. F. Drennon.

Senior Class Sees Carlsbad Cavern

Friday and Saturday of last week were gala days for a group of Tahoka High School seniors who went over to Carlsbad Cavern. They went as the guests of governor Hackenberry of New Mexico as did 2750 other seniors from New Mexico, Texas, Arizona and Mexico.

The group consisted of Mrs. Tunnel, sponsor, Mr. and Mrs. C. A. Thomas, Mrs. J. H. Bulman, chaplains; Mary Margaret Tunnel, special guest; and the following seniors: Lloyd Anderson, Guy Bulman, Alvin Cearley, A. G. Cook, J. W. Fortenberry, Jack Huffmyer, Eugene Jaynes, Eunice Mullins, Dama Anglin, Rex Richardson, Silvester Reese, Gordon Suits, Skiles Thomas, James Applewhite, Floyd Stevens and Hoyt Williamson.

The group of twenty-one left Tahoka Friday morning, April 6, and arrived in Carlsbad the afternoon of the same day in time to see the city.

The party stayed in Carlsbad Friday night and went out to the Cavern Saturday morning along with the largest group ever to go through the Cavern at the same time, the total number of guests being 2870. After a seven mile tramp and lunch in the Cavern everyone came out and the trip back home was made Saturday night.

Each of the group reported a most enjoyable trip and an excellent time as the guest of New Mexico's very hospitable governor.

Mr. and Mrs. J. K. Callaway returned Sunday from a visit of several weeks in Mineral Wells, Coolidge, and other places. J. K. says he met many old-time friends and had a great time.

Mr. and Mrs. Alvin Hicks left Saturday for Glen Rose, where Mrs. Hicks was to take treatments. Mr. Hicks expects to return the last of this week.

BAPTISTS PAY CHURCH DEBT

Both Parsonage And Building Paid For As Result Of Recent Finance Drive

The treasurer of the First Baptist Church here announces that every cent of indebtedness against the church building and the parsonage has been paid, and the membership is greatly excited.

On January 1, the indebtedness against the church building amounted to \$2,070.00. About the middle of January a campaign was started to raise the funds with which to pay off this loan. Probably a majority of the members did not believe that it could be done. Many of them expressed the feeling that if half the sum could be raised, the Church would have accomplished a remarkable feat.

But Belton Howell was made chairman of the committee selected to raise funds. He soon became convinced that the trick could be turned. He and the pastor, Rev. Lawrence Hays, and a few others worked. Soon it became apparent that the money could be raised. To make a long story short, the indebtedness of \$2,070.00 was paid in full on February 20, with more than \$200 left in the building fund. Then a drive was started to clean up the indebtedness on the parsonage. At the first of the year this amounted to a little more than \$700.00. Sufficient funds were in hand early last week to pay off the balance of this indebtedness, and a check was sent Tuesday of this week wiping the slate clean. To be exact, the Church has raised and paid since the first of January \$2070.00 for the indebtedness on the church structure and \$713.34 for the indebtedness on the parsonage, a total of \$2,783.34, and they have a little balance left in the church building fund.

The Church is now contemplating the purchase of opera chairs or pews for the auditorium soon.

Edgar Edwards Asks Tax Office

Edgar W. Edwards this week enters the political arena. He announces as a candidate for the office of tax assessor and collector, subject to the action of the Democratic primaries.

The son of Mr. and Mrs. J. H. Edwards, prominent and well known citizens of this county for many years, Edgar was born and reared here. He is 24 years of age and is married, the wedding event having taken place about seven months ago. He is a graduate of the Tahoka High School and has attended the Texas Technological College and the University of Texas. While a high school student here, he worked in the News office at intervals covering a period of about two years. For the past year or two he has been operating or working at the Conoco Service Station.

Thoroughly reliable and dependable, honest and industrious, Edgar is one of the finest young men of Tahoka. He has no bad habits that we ever heard of. His educational qualifications are ample and he would have no trouble in mastering the details of the office which he seeks. He says that he wants the office because it would give him a good start in life, which is a most laudable ambition. He will genuinely appreciate the favorable consideration of every voter in the county and hopes to see most of you personally before the election.

Utilities Company Improving Lines

W. S. Anglin reports that the Texas Utilities Company is making extensive improvements on its lines in Tahoka.

New poles are being erected in the east part of town.

NOTICE TO THE PUBLIC

Any erroneous reflection upon the
reputation or standing of any indi-
vidual, firm or corporation, that
may appear in the columns of The
News will be gladly corrected when
called to our attention.

We understand that a few busi-
ness men favored the proposal to
legalize the sale of beer in the re-
cent election on the grounds that
it would bring business to Tahoka.
They may have been right. The legal
sale of beer might bring some busi-
ness to Tahoka, especially to cafes
and restaurants that might offer it
for sale. But there is another side
to the proposition that these busi-
ness men should take into consid-
eration if this matter should ever
be presented again. If Tahoka had
legalized the sale of beer it would
have lost business for the town also.
There are many farmers living
in Tahoka's trade territory and on
the fringe who are opposed to the
sale of beer. We heard one of them
talking recently. In the first place
he was much aggrieved because the
election had been called for Tahoka
alone. If an election was to be
called he thought it ought to have
been county-wide. If the town had
gone wet and beer joints had been
opened here, he and other substan-
tial farmers would have taken their
business to other towns. Many farm-
ers do not like to bring their boys
to a town that is full of beer joints.
Many of them do not like to be
compelled to eat at cafes where
beer is being sold and drunk. The
legalized sale of beer is a sword that
cuts two ways. It would bring some
trade to Tahoka, all right, but it
would also lose for the town the
friendship and patronage of many
of our most substantial farmers.

Now that the people of Tahoka
have spoken on the proposal to le-
galize the sale of beer, it is believed
that practically the entire citizen-

**Opinions
Of Our

PURITY IN ADVERTISING

In turning through the advertis-
ing section of a nationally known
magazine recently, I noticed sever-
al blank pages. In the center of
each was printed a stale joke. Right
under the joke the notation was
made that "We had a liquor ad
scheduled for this page, but as li-
quor advertising is prohibited in
your state, we had to print this
1921 joke." Can you imagine the
keen disappointment felt by the
readers?

There has been a good deal said
in recent years about the truth in
advertising. Advertising agencies,
better business clubs and trade
journals have taken the position
that advertising should build up
confidence and that the better pol-
icy is to refrain from extravagant
and unbelievable claims for a pro-
duct. Most advertising now con-
forms to this policy.

But the line of cigarette adver-
tising we have seen in the newspa-
pers and magazines in recent
months seems to approach the ex-
travagant, if not the ridiculous. The
old line of "reach for a lucky" was
not so bad; you could do it or not
as you chose. The fellow who would
"walk a mile for a camel" was per-
fectly within his rights. The brand
that carried "not a cough in a car-
load" might have carried an imagi-
nary question mark for some. "Na-
ture in the raw is seldom mild"
could be believed if one is not sen-
timental, and it gave the kiddies a
fine opportunity to collect a zoo of
the mightiest denizens of the junc-
le at no cost. The blindfold test
of brands A, B and C seemed rea-
sonable if one is very discriminating
in taste.

But those ads of a bygone year
were just the preliminaries. The
ones we have now make us really
think. At the risk of being called a
"foey," I will say that I find it
hard to believe that it is "the height
of good taste" for a "dream" in a
red dress to carry brand "A" jauntily
parked in the cupid's bow or be-
tween slender fingers, or that brand
"B" is a necessity (implied) for the
best of aviators, skyscraper riveters,
rifle shots and football coaches be-
cause "they never jangle your
nerves," or that brand "C" is "al-
ways kind to your throat." If these
statements are true every home in
the land should keep a supply of
all three to make sure that every
member of the family would always
be free from coughs, throat irri-
tation, jangled nerves and always be
"in the height of good taste."

Three of the magazines recom-
mended by the state for the schools
almost invariably carry a full-page
ad on the back cover illustrated in
the most attractive colors possibly
by highly paid artists, showing beau-
tiful women and brave men enjoy-
ing their favorite brand, and ac-
companied by statements that an
intelligent mind can hardly accept
as fact.

This is not meant as a blast
against tobacco or the practice of
smoking. But for the major tobacco
companies to conduct a nation-wide
campaign to make every boy and
girl in the land their regular cus-
tomers by putting out the tommy-
rot, by word or implication, that
this is "the height of good taste"
is a reflection on our intelligence
and an imposition on the American
people, and I for one protest.

Mrs. R. L. West, of Huntsville,

run-down. I had a pain in my side,
and I kept losing weight. I grew
nervous over my condition—this
was unusual for me, for I am very
cheerful when I am well and don't
easily get nervous. I knew I
ought to take something. My aunt
told me I ought to try Cardui,
which I did. I began to feel bet-

three or four bottles. My side
quit hurting and I was soon feel-
ing strong and well."

PRESBYTERIAN PASTOR SPEAKS TO METHODISTS

Dr. W. K. Johnston of the local Presbyterian church was the speaker in the Methodist pulpit on Sunday evening. He brought a most inspirational message on "The Victorious Life." The simple solo "An Evening Prayer" was sung by Ruth Suddarth.

In the morning, Rev. Smith preached forcefully on the text "Behold the man!" bringing a helpful, practical lesson for everyday living. Mesdames Smith and Carmack sang "Confidence" as the special music offering.

The church board with their restill suffering from so much illness in the community, but let us try to get back to normalcy as quickly as possible. Come and do your part!

The church board with this respective "bitter halves" was entertained on Tuesday evening with a delectable spread at the home of Mr. and Mrs. C. A. Thomas. Covers were laid for twenty guests. The regular business session of the stewards followed. The next meeting will be in the Lockwood home.—Reporter.

HOME EC. STUDENTS CARRY OUT PROJECTS

Each student in Home Economics plans and carries out two home projects during each school term, one in foods and one in clothing. At the present time home projects for the Spring term are being completed.

Seventeen girls are making garments such as dresses, undergarments, children's clothing for home projects. These garments represent a large saving in money, as well as being a means of teaching the girls to sew. Nine girls are carrying out home projects in caring for their clothing. In this type of project the girls launder, clean and repair their own clothing for a period of eight weeks. Sixteen girls are carrying out home projects in some phase of food preparation.

The purpose of home projects is to give each girl an opportunity to put into practice in her own home some of the things she has learned in school. For this reason they are a very important part of the home-making program in the public school.

It will soon be here—Rexall 1c Sale. Thomas Bros. Drug Co. 1c

SENIOR CLASS ENTERTAINS TRUSTEES AND FACULTY

The Senior Class had as their guests the Board of Trustees and school faculty at an entertainment and buffet supper Monday evening at the High School building.

A hearty welcome was extended the guests by the class president A. G. Cook and was responded to by the president of the school board, Mr. J. K. Applewhite. The remainder of the program consisted of solos, readings, duets, and music. Immediately following this program the Seniors ushered the guests to the Home Economics room, where they were served with baked chicken dinner. This part of the program was informal, but all got better acquainted and had lots of fun.

The whole evening was a very enjoyable one and exemplifies the true spirit of the Senior class and the excellent way they have of doing things just right.

LOCAL HOME EC. GIRLS AT DISTRICT MEETING

Eleven girls represented the Home Economics department of the Tahoka High School at a district meeting for the Home Economics clubs, which was given at Levelland last Saturday, April 7. The theme of the program was "A Century of Progress in Homemaking." Each school presented one or more numbers showing the improvement in home-making activities during the last century. Each school also presented a clever stunt. At the conclusion of the program refreshments were served in the Home Economics department of Levelland high school by the Levelland girls.

The following attended from here: Media Gill, Renelle Gollehon, Mary Gene Tippit, Lenora Sikes, Elsie Dee McLaughan, Jodie Bob Nevill, Martha Helen Powell, Lottie Joe Townes, Mary Helen Park, Mable Perkins, Ney Camille Fenton and Mrs. Floy A. Nelms.

SPANISH CLUB MEETS IN REGULAR SESSION THURS.

"El Progreso" Spanish club met for their regular business meeting March 29, 1934 in the High School Auditorium.

The house was called to order and the roll was called and answered by a Spanish proverb then being translated. The business meeting was held, and afterwards a short but interesting program was rendered:

Vocal solo—Thelma Griffin, accompanied by Marjorie Wells, who substituted for the Club's pianist.

A very interesting report was given by Skiles Thomas on "Dr. Holden's Expedition to Mexico."

The first year class will have the program for the next meeting.

Two contestants will be sent from the second year Spanish class to the district meet at Lubbock, Friday, April 14.

SHOW WINDOW EXHIBIT IS SPONSORED BY GIRLS

The clothing class of Tahoka High School now has on exhibit two tailored dresses in the show window of Hogan Dry Goods Co. These dresses were made by Joy Jones and Ronda Clements. The appropriate accessories were furnished by the store and selected by a committee from the class.

The purpose of this exhibit is to show to the public the type of work which is being done by the Home Economics classes.

LOCAL LADIES QUARTET HONORED AT LOCKNEY

The Ladies Quartet of the Baptist Church, consisting of Mmes. R. C. Wells, G. H. Nelson, H. P. Cavness, and K. R. Durham, with Mrs. J. K. Applewhite as piano accompanist, was invited to sing at the district Sunday School convention held in Lockney last Thursday. R. E. Key, who is president of the convention, reports that their several numbers were so well received that they were elected as the official quartet of the district, and that they were invited to sing at the state Sunday School convention, which will be held in Lubbock next November.

Others from Tahoka attending were Mr. and Mrs. E. J. Cooper and Mrs. A. A. Suits.

All report a most excellent program, with five outstanding Baptist leaders in the state present and having places on the program. These were J. Howard Williams, secretary, and Geo. J. Mason, treasurer of the Baptist Executive Board, G. S. Hopkins, head of the Sunday School work, and T. C. Gardner, head of the B. Y. P. U. work in Texas, and Hal Buckner of Buckner Orphans Home.

MISS WYATT ENTERTAINS TAHOKA MUSIC CLUB

Miss Elizabeth Wyatt entertained the Tahoka Music Club Thursday evening, March 29, in Mrs. Rubie D. Suddarth's home.

The program was an interesting one and well rendered. "Mozart's Art—an Appreciation" was read by Mrs. A. B. Swan.

Piano duet—"Minuet from Don Juan" by Mesdames Jim Burleson and E. E. Callaway.

Vocal trio—"The Alphabet" Mesdames Nelson, Durham and Hays. Piano duet—"Minuet from Symphony in E flat"—Mrs. Suddarth and Miss Wyatt.

A lovely refreshment plate was passed by the hostess.

MRS. HAYS ENTERTAINS WITH SLUMBER PARTY

Mrs. L. Hays entertained members of the Y. W. A. with a slumber party Tuesday night.

A picnic lunch was served on the lawn, after which most of those present attended a picture show and then spent a slumberless night in the home of the hostess.

All report a most delightful occasion.

W. R. Stokes, who formerly lived a few miles north of Tahoka but who now resides near Idalou, was here Monday on business and made a brief call at the News office. Practically no planting has been done around Idalou yet, he says.

POLITENESS IN THE HOME

Why cannot we be as polite to home folks as we are to strangers? Especially since politeness would solve so many of the problems which arise in the home.

We should think more of our own than of outsiders and be more considerate of their feelings, not interrupting conversation or finding fault. Yet we snap out many stinging words. We will not listen or wait till our turn comes to speak. We criticize harshly and spitefully. We will not assume our share of the responsibility nor do our share of the work.

If we treated strangers half so rudely, we would not last long in the business of the social world.—Norene Evans, Texas.

Belief in the supernatural is so prevalent in England that there are more than 150 manor houses and castles which are unoccupied because "ghosts" are said to flit about the premises.

AFTER 8,000 MILES
93%
AS STRONG AS NEW

Percent of tensile strength remaining in cords after long use in tires:

Miles Run	Supertwist Tire Cords	Ordinary Tire Cords
8,000	93%	82%
16,000	81%	36%

Supertwist Cord—a Good-year patent—stretches, absorbs shocks, and comes back strong! Thoroughly rubberized to resist heat, it gives lasting blowout protection in every ply. Ask us to demonstrate!

The super-tires the new 1934 cars are wearing can be easily applied on most 1933 or 1932 cars. Ask for our special offer on the GOODYEAR AIRWHEEL.

Any good new tire is pretty safe from blowouts—but how safe is it after thousands of miles? Think over those percentages above! Remember, the public finds that Goodyears stand up longest—that's why more people buy Goodyears than any other tires. Since Goodyears cost nothing extra, put them on your car!

Rollator Refrigeration

GUARDIAN OF THE FAMILY FOOD SUPPLY AND...OF YOUR PURSE!

You can buy foods in money-saving quantities, store them safely in your Norge and know they will keep an astonishingly long time. Enjoy their market-fresh flavor right to the last! Rollator Refrigeration does this for you—guards your food with its extra cold-making power.

Every woman knows what that means in expense. It's not just the economy of the original purchase. It's that great saving when you stop the little day-by-day spoilage. Norge actually saves up to

\$11.00 a month. And you have finer tasting food in the bargain!

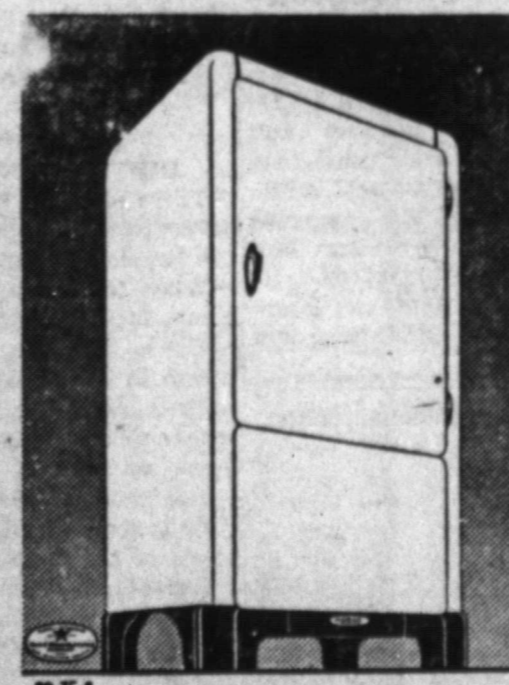

Only Norge has the Rollator cold-making mechanism. And the leading new Norge models have the special features that will bring you so much comfort and joy as you use them...the easily opened latch...the electric lighted interior...adjustable shelves, so not an inch is wasted. Smoothly sliding ice trays.

You'll like, too, the egg basket that lets you see at a glance just how many eggs are on hand...the odor-proof ice compartment...the Hydr-air for crisping vegetables...tray for frozen desserts...butter and cheese rack.

But it's Rollator power that will bring you the most comfort, and pare your bills down every month. The new Norge has more refinements and improvements than you've ever expected in one refrigerator, but if it had only the one advantage—Rollator Refrigeration—you'd choose the Norge above them all.

So, see the Norge before you buy!

REPORTS FROM THE COUNTY CLUBS
Miss Sylvia Robb, H. D. Agent

Meeting Of County Council On April 14.
The Council officials are anxious for every club in the county to have representatives present at the regular meeting, at which time important business is to be brought before the meeting. Every club is especially requested to have at least three representatives at the meeting April 14 at 2:30 p. m. in the county court room.

Edith Organizes Girl's 4-H Club.
Through the efforts of Leah Mae Bell, a 4-H club was organized at Edith April 6 with fourteen members enrolled.
The following officers were elected: Paulina Mae Harper, president; Dora Edith Weathers, vice president; Ruth Howard, reporter, Leah Mae Bell, secretary; Christine Owens, sponsor.
Miss Robb discussed the plans of the year for 4-H club work.
Our two garden demonstrators are Inness Anderson and Leah Mae Bell.
Our club meetings will be held the first and third Fridays in every month at 9 a. m.
Although Miss Robb has a full schedule, she was willing to organize a club for us, making her three meetings on the above days. We appreciate the effort she has made.

New Lynn Girls Will Plant Gardens.
The New Lynn 4-H club girls are all going to plant gardens this year.
We had a good meeting April 3 with thirteen members present.
Miss Sylvia Robb, county home demonstration agent, discussed gardening with the club girls at our meeting. We are to plant a garden large enough to have sufficient varieties to serve meals to our families as well as for some 4-H club canning.
Those present were: Mary Fleming, Artie Edwards, Hallie Higginbotham, Ima Gene Newman, Fay Bishop, Margaret Barton, Zella Mae Gray, Ima Lee Jackson, Modsan Tolbert, Eloise Meeks, Lillian Jaynes Martha Fleming and Juanita Jones.

New Lynn Women Met Last Week.
The New Lynn home demonstration club met Tuesday, April 3, at the home of Mrs. R. W. Barton with 19 members and two visitors present.
Making and laying of tile was discussed. Sub-irrigation requires little water, and the cost of the tile is 1 1/2¢ per foot where everything has to be bought. A number of women in our club are interested in laying tile for gardens this year.
Those present were: Mesdames J. G. Cearley, Velma Fleming, A. B. Short, J. A. Jaynes, T. I. Jones, P. S. Barton, C. H. Jackson, Susie Bartley, H. A. Winkler, H. Higginbotham, Lewis Kenley, Jarrell, Chesser, W. T. Cook, L. M. Reed, L. D. Cowart, E. B. Terry, J. H. Townley and Miss Francis Thornbrough. Visitors present were: Mrs. C. L. Walker and Mrs. Cook from Draw.
After adjournment a social hour was enjoyed, at the close of which the hostess served delicious refreshments.
Our next meeting will be on April 17 with Mrs. H. A. Winkler.

Mrs. Tyler Hostess To Wel's Women.
The Wells H. D. club met Thursday, April 5, with Mrs. A. R. Tyler as hostess. Miss Robb was with us and gave a demonstration and instructions on making and laying tile.
We all enjoyed this meeting very much and felt that the afternoon was profitable to all present. Owing to the small amount of rainfall on the Plains, we find sub-irrigation a great help to our gardens.
Those present were: Mesdames Alto Barnes, Griff McConal, Felix Jones, John Elter, C. Bolch, John McLaurin, and W. G. Allen.
We adjourned to meet Thursday, April 19.

South Ward Girls Met Friday.
The South Ward 4-H club met Friday, April 6. Juanita Eaton, president, presided at the meeting.
Miss Robb conducted a club criticism of the girls' sheets that were finished. Miss Robb gave a demonstration on making a hot bed. We were given a list of vegetables to plant in our gardens, as each club girl is going to plant her own garden.
Those present were: Misses Orneltha Inman, Odean and Juanita Boen, Katherine Slaton, Merle and Beckie Jenkins, Juanita Eaton and Novella Wade.

Draw 4-H Club Girls Make Garden Plans.
The Draw 4-H club girls are making plans for their gardens, and almost all members have completed their other requirements. We plan to raise some prize winning vegetables and can many containers of food. Several gardening instructions were given us by Miss Robb Wednesday morning, April 4, in our club meeting.
Those present were Misses Letha Jackson, Marie and Reva Veach, Edna and Eva Nichols, Edna Walters, Ruth Smith, Quinnie Bratcher, Opal Cox, Doris Coursey, Lucile Cox, Geneva Cargile, Aline Spruiell, Lois Waller, May Crawford, and Omega Murphey.—Reporter

Mr. and Mrs. W. E. Heathman, and Mmes. Lawrence Hays, H. P. Caveness, F. M. Billman, Homer Harrison, Jodie Nevill, and J. L. Reese attended the district W. M. U. meeting at Littlefield Monday.
They report a splendid program.

South Ward

We had singing Sunday afternoon. Wasn't a very large crowd, but we had some good singing just the same.

We are going to reorganize Sunday School Sunday morning. Mrs. Thompson of Tahoka will talk for us. We have set dates before to organize Sunday School but each time it was bad weather. Everybody come out and let's make South Ward come alive.

Mr. and Mrs. T. Cowan and family visited in Colorado over the week end. They also visited Mrs. Cowan's brother, Jack Inman, and family of Snyder.
Miss Irene Redding and Messrs. L. T. Redding and P. M. Cross of Brownfield visited friends here over the week end.

Everyone enjoyed the party at T. E. McGinnis' home Saturday night.
Mrs. Boyd Smith of Redwine visited Mrs. Jewell Nelson Sunday.
Mary Ellen and Johnie Inman helped eat a birthday dinner in the home of J. T. Owens Sunday. The dinner was given for Marie Owens and Mary Ellen Inman. All the guests reported a swell time and an appetizing dinner.

Mr. and Mrs. Sherman Inman went to Lorenzo and Crosbyton Saturday and Sunday to see Sherman's sisters, Mrs. H. L. Wood of Lorenzo and Mrs. M. M. Shearer of Crosbyton.
The school program was enjoyed by all present last Friday night.

CITATION BY PUBLICATION

The State of Texas.
To the Sheriff or any Constable of Lynn County, greeting:
You are hereby commanded to summon A. B. Blake by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the County Court of Lynn County, to be holden at the Court House thereof, in Tahoka, Texas, on the 4th Monday in April, 1934, the same being the 25th day of April, 1934, then and there to answer a petition filed in said Court on the 14th day of September, 1933, in a suit, numbered on the docket of said Court as No. 684, wherein Hal Singleton Sr. is Plaintiff, and A. B. Blake is Defendant, and said petition alleging that the defendant, A. B. Blake is indebted to the plaintiff in the sum of \$212.00 6 months rent at \$35 per month for the months of February, March, April, May, June and July, 1933, which the defendant agreed and contracted to pay monthly in advance, but which he has failed to pay or any part thereof, for a business lot and building on it in O'Donnell, Lynn County, Texas, and that the same is now due and unpaid, and the plaintiff seeks to foreclose a land lord's lien on the following fixtures, furniture and dry goods, some of which plaintiff is unable to describe, 3-8 foot floor show cases, 1 small iron safe, 1 adding machine, 8 pine tables, 80 foot pine shelving, 2 wood counters, 2 clothes hangers, pine glass front hat case, 1 trunk, assortment of shoes and assortment of dry goods, all of the value of \$208.50
Herein Fall Not, and have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.
Given Under My Hand and the Seal of said Court, at office in Tahoka, Texas, this 28 day of March, A. D. 1934. H. C. Story, Clerk, County Court, Lynn County, By Auda Mae Aycox, Deputy. 32-4tc

DID YOU KNOW THAT—
There seems to be quite a number of controversies going on in which the people have divided views.
—What the average business man wants is to be able to conduct his business in peace and to make enough to live on and be able to put a little away for the rainy day, which sooner or later comes to the great majority of the human race.
The cheapest road to quickest results is through the advertising columns of the local paper.
Experience teaches a lot of people things they should know.
More cities die from lack of spirit than for any other reason.
A whole lot of people should think for themselves instead of having some other fellow think for them.
Knocking never built a business, improved a community, or helped anyone.

THOMAS BROS. DRUG CO.

If you are particular about the kind of drugs you use, and if you would have your prescriptions filled without substitution we recommend this reliable drug store, that is doing a first class legitimate business and selling drugs at a fair and honest price. They have a most complete line of Drug Sundries, and are always the first to show the new and up-to-date things in cosmetics. The Progressive Review indorses this drug store and we suggest that you make it your headquarters and that you trade at this home-owned drug store. Mr. Thomas is always anxious to help and give you good advice. "BUY AT HOME."

R. H. Waters Implement Co

Throughout the agricultural sections of this and other progressive country, the name J. I. CASE has long been a household word, standing for the best in farm machinery and they are constantly making improvements. This full line dealers of J. I. Case tractors and implements, the J. I. CASE COMPANY are interested in bringing to farmers of this community the right kind of machinery priced right, and a repair service that is the best. The year 1934, they promise a continuance of this service and ask for your patronage. The Progressive Review indorses this company and the line it represents. You find them anxious to help you in every way possible.

LOUIE, THE TAILOR

If you want to have your clothes cleaned and pressed to where they look good and do not have that ordinary shop smell we suggest you carry them to Louie who is equipped to care for your clothes and make them look and feel like new. Have your clothes clean and resolve to let your home tailor do the work for you. The Progressive Review indorses this shop and the service he renders the public and the prices he charges for the quality of work he gives. And we say get cleaned and pressed and you will feel better and look better.

CALVERY'S HATCHERY

Conveniently located you will find a place where you may buy your baby chicks or have custom hatching. The Calvery Hatchery has spent much money in their equipment and bring to you chickens from the best flocks that be had. Mr. Calvery is experienced in the poultry business and is passing his knowledge and experience on to you in the very best that can be had in poultry at minimum price. Feel free to ask his advice regarding chickens and what to do to get the best results. You find him most courteous and anxious to help you in any way with your poultry problems. The Progressive Review indorses this hatchery and what they are trying to do for the poultry raisers of this community.

Go into the chicken business now. Young males from early chicks will sell for enough to pay for the chicks and feed to the weaning age and you will have your pullets clear. This hatchery will gladly supply you with information regarding hatching and prices. Come and ask for their plan. The Progressive Review indorses this hatchery and what Mr. Smith is doing for the people and the kind of chickens they produce. Come to see them and go through their most modern and up to date plant. The poultry business is one of Uncle Sam's million dollar industries. Raise more chicks. Mr. Smith is operating 100% NRA.

SNOWDEN MOTOR COMPANY

Mr. Chrysler has come from a mechanic to one of the largest manufacturers of cars in the last few years. It must be a reason and there is. And if you haven't ridden a new Plymouth you probably don't know yet. But one of that marvelous big acting little car and you are convinced that he is making the greatest automobile that ever made for the money, and when you hear one whir by as you are speeding down the highway you think it's young air plane taking off. Go down today for a demonstration. The Progressive Review indorses this car and the vice this agency gives you and we say ride one before you buy any car. A complete service by skilled mechanics, complete line of accessories.

MAASEN PRODUCE CO.

If you want reliable market information, call this produce firm as they spend considerable money and time keeping posted as to the market situation. And, when better prices are paid this firm will pay them. They will try at all times to get the most that can be gotten for what you have to sell. You will find Mr. Maassen most courteous and anxious to help you with your produce. Call on him at any time for any information that you want to know about the market. He is posted and will gladly give you the information. The Progressive Review indorses this firm.

FURR FOOD STORE

The thrifty housewives are learning fast that it pays to trade where you can see what you buy, do your own weighing and selecting. In this store the merchandise is so arranged and grouped and marked in plain figures that it simplifies makes buying easier and more practical as well as economical. A child can buy here with safety and anyone can time and time, we are taught, is money. The local man Mr. Furr, and the head of the meat department, Mr. Furr, are always anxious to help you in any way possible with your grocery problems, and they strive at all times to keep you a well assorted stock to select from. You will find their prices to be absolutely correct and on a competitive basis anywhere in the country. The Progressive Review indorses this store their merchandise and service.

BURLESON GRAIN CO.

—Dealer In—
GRAIN, FEED AND COAL

They are doing their part to build you a bigger and better town, giving home people many jobs as they can. This is your store and located your town and it is up to you to make more jobs and build your own town, not others. The Progressive Review indorses this store and what they are doing for the town and community they serve.

WHY DO CREAM TESTS VARY?

WHEN—
The milk is from the same herd and no apparent irregularities in feeding, milking, or separating the cream.

THE ANSWER—
May be summarized as follows:
1. Richness of milk separated.
2. Change in temperature of milk.
3. Speed of separator bowl.
4. Amount of water used in flushing separator bowl.
5. Rate of inflow to separator bowl.
6. An unbalanced separator.

Any ONE of these six phases of separator management will influence the test of cream. Avoid them, and you control your cream test to a great extent!

FRY AUTO CO.

No excuses! We are delivering the FORDS. Here are the figures, taken from the registrations in Wayne County, Michigan, the center of the automobile industry—Detroit:

January, 1934	February, 1934	March, 1934
Ford — 1808	Ford — 2203	Ford — 3242
Plymouth — 221	Plymouth — 720	Chevrolet — 1069
Chevrolet — 213	Chevrolet — 703	Plymouth — 1006

The Progressive Review says—More power to this agency and the new V-8 FORD.

VANITY CLEANERS

(UNDER NEW MANAGEMENT)

The people of Tahoka and this territory are indeed fortunate in having Mr. Gurley for their tailor, as he is an experienced man and really knows how to give you superior workmanship in cleaning and pressing. He has spared no expense in making this shop over and making it modern and up-to-date to care for your business. His prices will be the same as his competitors but his work will be the very best. You will find him very anxious to help you in every way possible, and he will strive to please you. He asks that you give him a trial. The Progressive Review indorses this shop, and we wish and predict much success for Mr. Gurley in his chosen new location.

"KLOTHES KLEANED KLEENER"

HOGAN DRY GOODS STORE

For many years this RELIABLE STORE has carried for you the very best things in merchandise, and sold them to you just as reasonably as quality would permit. They have resolved that in 1934 that they will give you better prices if it is humanly possible to do so. They are members of the NRA and are doing their part for the program. The Progressive Review of Tahoka indorses this store and their merchandise. We suggest that you try your own home department store first. Mr. Hogan joins us in asking you to cooperate and help build Tahoka a better place to live and trade.

MOTOR COMPANY

ONE A MILE AND A HALF"

From a mechanic to one of the best in the last few years. There is no one else. And if you haven't ridden in probably don't know yet. But one ride in this little car and you are convinced that it is the greatest automobile that ever was and when you hear one whiz by you, you know the highway you think it is a piece of cake. Go down today for a demonstration. The Progressive Review indorses this car and the service. We will give you the best service by skilled mechanics and a service.

The Progressive Review indorses this store and the line it represents. You will help you in every way possible.

CONNOLLY CHEVROLET CO.

National acceptance and approval of Chevrolet. Greater production than ever before and still the supply does not equal the demand for this popular car. Production for March will exceed 100,000 cars and trucks. During the week ended March 28th, . . . 26,409 units were produced, from March 1st through March 28th a total of 92,119 cars and trucks were produced. Retail deliveries plus export shipments during the first 20 days of March totaled 48,143 units. This is an increase of 31,262 units as compared with the same period in 1933. Our unfilled retail orders (nationally) as of March 20th totaled 62,985. The public is insistent in its demand for knee-action on cars in Chevrolet's master model price class. Chevrolet standard model definitely establishes a price differential for cars without this feature.

TAHOKA WRECKING YARD

T. W. JOHNSON AND SONS

This is the home of a million parts. Why pay full price for your replacement parts when you can buy them here that are already seasoned and tempered at a big saving. Also new parts. Call at this shop and they will be glad to go through their stock and show you what they have that will fit your car. You will find them most courteous and anxious to help you save with your needs and to save you money. The Progressive Review indorses this company, the service they render, and should you make a mistake and have your car busted up, call this company and they will gladly give you a fair price for the remains. "They have some parts for all cars and all parts for some cars," for sale at a bargain. General repair.

WYATT BROS.

DEALERS IN GRAIN, FEED AND COAL

For many years this company has done everything possible to help the farmers of this community with their grain problems. They enter this season with renewed energy to help them more if possible than ever before. You will always find Mr. Wyatt anxious to give you the very best prices for what you have to sell, and to sell you what he has to sell just as low as quality will permit. You may buy your feed here with all assurance you are getting the best at the least possible price. They will deliver your coal and it will be good coal and they still maintain that it takes 2,000 pounds to make a ton. This is a home owned and operated company for home people. The Progressive Review indorses this firm and the service they render. Also agent for U. S. Tires and Texaco products, Firestone Batteries.

Draw

The coming of spring and the warm weather has greatly increased the attendance of our church. There was an attendance of about 93 last Sunday.

The Young People's Department of the Methodist Church met Sunday night at 8 o'clock. Several young people enjoyed the hour. Other young people of Draw—why do you not come to these beneficial meetings, 7:30 next Sunday night.

We had several visitors in our community this last week end. Miss Edna Merle Parks and her cousin of O'Donnell visited relatives and friends here Saturday and Sunday. Also Mr. Jno. Murry and family spent Sunday with Mr. D. G. Cook. Mr. and Mrs. Thorpe spent the week end with their parents who live in Brownwood.

The boys of Draw have organized a Boy Scout Troop. This will be a great help to the boys and we are hoping it will be a great success.

There was a meeting of the boys who were interested in 4-H Club work Friday afternoon. Mr. Jones, the county agent, will help to organize the club. The boys will probably meet one day each week. Each boy will have a project.

A graduate of the State Institution for the blind visited our school last Wednesday. He made a very interesting talk, and also showed to us some of the instruments that are used in the school. Everyone enjoyed the program very much.

A GLORIOUS MUSICAL ROMANCE OF TWO HEARTS

"Let's Fall In Love," starring Edmund Lowe and the sensational new screen find, Ann Sothern, is showing at the English Theatre Sunday, Monday and Tuesday.

Hailed as one of the season's most unique and tuneful musical offerings the production has created much favorable comment. It is entirely different from the run of musicals which has flooded screens recently, as its music is worked into the story in a logical and convincing manner. Even without the music, it would still be an outstanding dramatic production.

The story of "Let's Fall In Love" bears a slight resemblance to Miss Sothern's own experience. The tale relates the trials of a motion picture producer who combs the country for a star who can speak Swedish. Kenneth Lane, the director, discovers a girl in a circus concession who has the necessary beauty and can sing. He sends her to live with a Swedish family for education in the language and customs of the people, and then springs her on the public as a notable foreign star. All is well until the deception is betrayed by the director's jealous fiancée, and then the fun begins.

The music and lyrics in the picture were composed by the famous writing team of Harold Arlen and Ted Koehler, authors of "Stormy Weather" and other song hits. David Burton directed.

Supporting the principals will be seen a well selected cast consisting of Gregory Ratoff, Tala Birell, Miriam Jordan, Betty Furness, Ruth Warren, Arthur Jarrett, Greta Meyer and Anderson Lawlor.

J. N. Reid and family returned Monday from a visit with relatives at DeQueen and Derks, Ark. Mr. Reid's sister, Miss Delphia Reid of DeQueen, accompanied the family home for a month's visit here. This is her first visit to the plains. Mr. Reid says much rain had fallen in Arkansas and most of the streams were out of their banks when they left.

Rev. W. K. Johnston of Lubbock filled his regular appointment at the Presbyterian Church here Sunday and as is his custom he dropped around to the News office Monday morning to say "Hello" to the editor. Affable and genial, Dr. Johnston always carries a smile and good cheer with him. We need more of his kind.

Rev. Ira Harrison, Baptist pastor at Monahans, spent Monday night here as the guest of his cousin, Homer Harrison.

TAX COLLECTOR ORDERED TO APPLY PENALTIES

The following letter has been received by tax collector A. M. Cade: Austin, Texas, April 2, 1934.

To the Tax Collector:

You will recall that from time to time since 1930, the Legislature has been suspending interest and penalties on delinquent taxes. Last May the last measure of this kind was enacted, which provided a 2% penalty on all ad valorem taxes delinquent on February 1, 1933 (later they included the split tax payment which became delinquent on July 1, 1933). If paid by December 30, 1933, and 4% penalty, if paid by March 31, 1934; and 6%, if paid by June 30, 1934. After this June 30, 1934, expiration date, the old law prescribing 10% penalties and 6% interest per year, will again be in force.

This means that on and after July 1, 1934, this year, the penalty and interest you will be required to charge will not be 6%, but will include 6% interest per annum from the date it was first delinquent, plus 10% penalty for example: 30% will be added to 1930 Delinquent taxes. 24% will be added to 1931 Delinquent taxes. 18% will be added to 1932 Delinquent taxes.

(A delinquent cost will also accrue in addition to the above.) In as much as the tax paying public may not understand the law, I suggest that you give this matter as much publicity as possible, in order to bring to the attention of the tax payer the great saving, if they are to take advantage of the remaining period, which expires June 30, 1934.

With kindest regards, I am, yours very truly, Geo. H. Sheppard, Comptroller of Public Accounts.

Overcome Pains this better way

WOMEN who get into a weak, run-down condition can hardly expect to be free from troublesome "small symptoms."
 Where the trouble is due to weakness, Cardul helps women to get stronger and thus makes it easier for nature to take its orderly course. Painful, nagging symptoms disappear as nourishment of the body is improved with the assistance of Cardul.
 Instead of depending on temporary pain pills during the time of suffering, take Cardul to build up your resistance to womanly ailments.
 Thousands of women have found relief by taking CARDUL.

Take a Pinch of BLACK-DRAUGHT For Distress After Meals

He had suffered distress after meals, but by taking Theodor's Black-Draught he was relieved of this trouble, writes Mr. Jesse Higgins, of Dawsonville, Ga.
 "I had sour stomach and gas," Mr. Higgins explains, "and often I would have bilious spells. I read about Theodor's Black-Draught and began to take it. It relieved me of this trouble. I keep it all the time now. I consider it a fine medicine. I take a pinch of Black-Draught after meals when I need it. It helps to prevent sick headache and to keep the system in good order."
 Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

Land Cheap! The Campbell Ranch

A REAL BARGAIN—\$12.50 PER ACRE FOR FARMLAND
 In the west part of Cochran County will be cut in tracts of 80 to 177.1 acres, part cash, balance to run at 5% interest. This is fine red catclaw land. Some of it is hard enough for wheat land. This is leased for oil for enough to pay the taxes or interest on the balance left.
 It has the best geology of any spot in Cochran County. We reserve 1-16 Royalty, but give the lease money to the buyer, payable in the fall. This is a shallow water spot and is around 80 to 100 feet to water. Good wells on this land show for themselves.
 This land planted in cotton will pay balance on the debt in any average year. Located 15 miles Northwest from Morton, the county seat. Nine miles south to Railroad, State Highway No. 24 runs through this land; they are paving at Morton now.

"I WENT 51% FURTHER ON GULF-LUBE"

Says Mrs. Lee Ketner, Winston-Salem, N. C., Who Made The "Two Trip" Test

"I made your 'two-trip' test," says Mrs. Lee Ketner, 705 Melrose St., Winston-Salem, N. C., "and to say I was surprised would be putting it mildly."

Drive a Chrysler? Read Mrs. Ketner's story...

"Gulf-lube outlasted my regular 25c motor oil by 115 miles—it went 51% further before a quart was consumed!"

Thanks, Mrs. Ketner. You're one of thousands of motorists who have cut their oil costs with Gulf-lube—the oil that was tested by the American Automobile Association in 6 average cars—and outlasted every oil in every car!

the care of noted doctors. She was in the hospital for sixteen days, where it seemed she was improving until the end came almost suddenly Friday night at 11 o'clock.

Mrs. Beard, her daughter, sat by her bedside until 6:30 p. m. Friday and talked with her mother, as she was feeling better than usual. About three hours after going home a call came to return at once, and she found her mother unconscious and remained so until the end without speaking.

Her body remained in Robertson-Muller-Harper Funeral Home in Fort Worth until Monday night, then Harr's & Applewhite of Tahoka took charge and her body was taken to the home of Mr. and Mrs. Rafe Richardson until four o'clock, when services were held at the First Baptist Church where she had been a faithful member for years. Rev. Lawrence Hays, her pastor, gave wonderful words of consolation to the bereaved loved ones and friends. The remains were placed to rest in the City Cemetery with pallbearers as follows: Rafe Richardson, Charles Nelms, W. E. Smith, H. P. Caveness, Truett Smith, and Oscar Roberts.

Mrs. L. S. Kuykendall was 64 years, 5 months, and 27 days of age at death. She was born in Bell county October 9, 1869. She was married in November, 1887, to the late W. L. Kuykendall. They lived in Bell and Williamson counties until 1900 except about seven months in Hill county. They spent one year in Coke county and came on to the plains, settling at Lubbock until June of 1902 when they bought land in what is now known as the T-Bar community and lived there until about ten years ago she came to town and bought a home where she remained until her health failed.

She was the mother of ten children, of whom are living four girls and four boys and were present. She also leaves surviving three brothers and one sister and fourteen grandchildren. One brother, Isom Stuart, of Paint Rick and a nephew of Paint Rick and a niece of Lubbock were also present.

The children are C. I. Kuykendall of Lubbock, C. C. of Okmulgee, W. M. of Southland, S. K. of Breckenridge, Mrs. Roy Green of Breckenridge, Mrs. Cecil L. Moore of Sawyer's Bay, California, Mrs. Grady M. Beard of Fort Worth, and Mrs. Lonnie W. Taylor of Southland.

(Delayed)
 Due to bad weather there was no church and Sunday school Sunday. Everyone come to B. Y. P. U. Sunday night and Sunday School Sunday morning.

Our school placed in several contests at the county meet last Friday. Our senior boy declaimer, Carl Stone, won third place; Carol Holloway, senior girl, won second place; and Truett Holloway won third in junior boy declamation; Howard Male Grayson won second in extemporaneous speaking. This was the first time we had ever entered in this contest and was glad to place.

The junior girls baseball team have the honor of county championship for which they will be rewarded with sweaters.

The boys basketball sweaters have been ordered, which they received for winning county championship in basketball.

There will be a play here Friday night, March 30, presented by T-Bar in the school auditorium. The title is "Now Adolph". Everyone has a cordial invitation to come.

Mr. and Mrs. C. B. Evans have returned from a visit at Brownwood. Miss Howard Male Grayson entertained the young folks with a party Tuesday night. Everyone reported a good time.

Billy Jo Thompson is back in school now after missing a few days on account of illness.

Mr. and Mrs. R. E. Willingham and family have returned from Pauls Valley, Okla., where they had spent several days.

There will be a play presented here Friday night, April 6, by the school students entitled "The Simon Pure Simpleton." There will be no admission charges. Everyone come.

Mr. and Mrs. A. L. Lockwood returned last week from a visit of several weeks in Los Angeles, California.

Deen Nowlin and Carl Griffing left Wednesday morning on a business trip to the Lower Rio Grande Valley.

AUTOMOBILE INDUSTRY SHUT-DOWN THREATENED

Since the war major labor strikes have been almost unknown. Now spurred by the NRA, with its collective bargaining guarantee for labor, the unions are out to organize American industry 100 per cent.

Result is that the entire automobile industry, which has always been open shop, is threatened with a shutdown. A. F. of L. Automobile Workers' Union demanded a 20 per cent wage increase—and recognition. The National Automobile Workers' Chamber of Commerce replied that it would advise its members to cut hours from 40 to 36 a week and raise wages to compensate, even though pay is now higher than it was in 1929, when changes in cost of living are considered. Ford, which is not a member of the Chamber of Commerce, announced resumption of the \$5.00 a day minimum, bringing the entire industry into line so far as better pay is concerned.

When it came to recognition, however, matters were not so easy. General Motors said that its employe-representation plan, through which workers bargain with executives, was going well, that it had never discriminated against union-labor and so could not be expected to discriminate against non-union labor. The Automobile Chamber became audible again saying that it would not recognize the A. F. of L.

The Administration, which has a strong voice in deciding such matters, is left in a tough position. The automobile industry is the best example of better business—it can't afford to have it disrupted. On the other hand, it is sympathetic to union labor. There will be many weeks of talking, threatening and plain ordinary bluffing on all sides before the problem is definitely settled.

W. S. Swan, Mrs. E. H. Boullouin and little son, E. H. Jr., are in El Paso this week visiting Mr. Swan's daughter, Mrs. R. H. Turner.

Thomas Appoints Centennial Workers

The Texas Centennial bill passed by the Forty-third Legislature provides for a centennial advisory board and "that each Senator shall name two persons from each county in his or her Senatorial District and that each Representative shall name two persons from each county which he or she represents."

Complying with the duty and responsibility thus conferred upon me as representative from this district, I am asking that Prof. W. C. Holden and Mrs. Jas. H. Goodman serve on this board as members from Lubbock county, and Mrs. E. E. Callaway and Mrs. H. P. Caveness serve as members from Lynn county.

As I have not had time to confer with the people of other counties, I am not ready to make these appointments now, but will do so soon.

There are many who are well qualified for these places and whom I should like to appoint. Under the terms of the bill, however, I may appoint only two from each county.—John N. Thomas, member of the Forty-third Legislature.

TWO MILLION JOBS

How would you like to provide the nation with two million jobs—and all the spending power that goes with them? You'd like it, of course. And the way you can do it is by repairing and building—no matter how small the amount spent or how large. In normal times construction employs well over a million men in the actual work of building. The industries supplying wmsnybw industries providing supplies and materials supply a million more. And home-building which has almost disappeared, accounts for 50 per cent of the entire construction industry. If you build or repair now it means that you are doing your bit toward recovery—and obtaining something valuable for much less than it will cost you in the future.—Industrial News Review.
