Tahoka, Lynn County, Texas, Thursday, April 19, 1934.

Number 35

## MRS T. C. BEARD DIED TUESDAY

Redwine Woman Was Buried Here Wednesday; Infant Died Two Weeks Ago

After lingering on the brink of death for almost three weeks, Mrs. Clayton Beard of Redwine died soon after eight o'clock Tuesday night. Funeral services were conducted in the Baptist Church here Wednesday afternoon in the presence of a great throng of friends and loved ones. Her pastor, Rev. J. W. Braswell of Lamesa, assisted by Rev. Lawrence Hays and Rev. H. C. Smith, pastors of the Baptist and Methodist churches here, conducted the services. Burial arrangements were under the direction of Harris & Applewhite, funeral directors, and interment was in the Tahoka Cemetery.

Daughter of Mr. and Mrs. E. H. Cunningham of Redwine, Mrs. Beard was born in Williamson county January 28, 1902. In early life she removed with her parents to this county and had lived in the Redwine community since. She was married to Clayton Beard in 1924, and besides her husband and her parents she leaves surviving her three children, Wanda Jean, 7, Evon 5, and Elwin, 3. An infant born on April 2 lived only a short time after birth and was buried here on Tuesday, April 3. Little hope for Mrs. Beard's recovery was entertained at any time after the birth of the child.

Mrs. Beard had been a faithful member of the Baptist Church at Redwine since girlhood. She was a splendid Christian character with a great host of friends, who were deeply grieved at her untimely death. The children, the husband, the parents, and other relatives have the sincere sympathy of all these friends.

## Negro Assaults O'Donnell Man

An O'Donnell negro is incarcerated in jail here charged with an assault upon J. R. Hale with intent to murder. Hale is in a hospital in Lubbock where his wounds are being treated. The assault was committed in O'Donnell about dark Monday evening, but it did not become generally known until Tuesday morning. Considerable feeling developed there as a result of the assault but there was no indication of mob violence, though some threats were heard.

Hale is a brother of Horace Hale of this city. He has been operating a tin shop in O'Donnell, and resides in the back end of the shop. About dark Monday evening there was a knock at his door. Hale opened the door and recognized a negro who told him he wanted to see him. Hale invited him in. The negro owed Hale a sum of money and Hale thought the negro intended to talk with him about the debt. About that time the negro struck, knocking Hale unconscious. Hale never knew what happened after that. Some time later in the night he regained consciousness and walked out on the street. A business man saw him and soon discovered his plight. An inspection of his shop and living quarters revealed that the few dollars that Hale had in the shop were missing.

The negro was arrested by deputy sheriff John Johnson early Tuesday morning and brought to Tahoka, where he was placed in jail.

## Key Appointed District Agent

R. E. Key, for several years local insurance agent, has been appointed district agent for the Fidelity Union Life Insurance Company for the Lubbock district.

Since Monday of last week he has been in Mineral Wells attending a school of instruction and will be there the remainder of this week. Upon his return he will take up his new duties. It is presumed that his office will be in Lubbock.

This is a responsible position carrying a nice salary, and Mr. Key's many friends are greatly pleased at his deserved promotion.

Pay up your subscription now!

REV. P. D. O'BRIEN of Colorado, Texas, who will do the preaching at Baptist revival.

## SCHOOL CENSUS LARGEST EVER

743 Scholastics Are Now In District; Means Increase In Funds From The State

The scholastic census of the Tahoka Independent School District as taken by Carl Griffing during the month of March shows the largest scholastic population in our history. There are 743 scholastics in the district.

The nearest approach to this was in 1930, when the census showed 710 scholastics. The census this year therefore is 33 more than ever before and 71 more than last year. This means that the district will receive from the state next year more than a thousand dollars in excess of the amount it received this year.

The figures for the district for the past nine years as given us by County Superintendent H. P. Cavness are as follows:

Year	Scholastics
1926	617
1927	618
1928	604
1929	705
1930	710
1931	672
1932	648
1933	672
1934	743

## Showers Aid To Crop Prospects

Heavy showers have fallen in portions of Lynn county and adjoining counties this week, accompanied in many places by hail. Tahoka and the territory immediately surrounding it have received practically no rain but heavy showers fell in the New Lynn Grassland, Redwine, Draw, Midway, and other communities, while north of town the rain extended all the way from Lubbock to the Cross Roads Filling Station eight miles north of Tahoka.

These showers where they fell will be helpful to farmers, and planting will now be rushed.

## Three New County Trustees Elected

B. M. Haynes of O'Donnell, W. W. Caswell of Draw, and S. L. Williams of Lakeview were elected as county trustees at the election held the first Saturday in this month, according to official returns canvassed by the commissioners court Monday.

B. W. Baker of Wilson and Chester Connolly of Tahoka are hold-over trustees, Mr. Connolly having been elected by the county at large a year ago.

## MIDWAY SCHOOL BOARD REORGANIZES, ELECTS

The Midway school board met and reorganized last Monday night, according to information received here. R. L. Littlepage being elected president and G. A. Edwards secretary. The board is now composed of these two gentlemen and Lee Williamson, Roy Stephens, Farris Stephens, I. M. Draper, and O. A. Warren. At the same meeting A. B. Griffing was unanimously re-elected as principal. Election of other teachers was deferred to a later date.

The trustees also decided to install a compressed gas lighting plant.

## TWO MORE ASK FOR BEER VOTE

O'Donnell And Wilson Circulating Petitions Asking Elections On Beer Soon

It is said that petitions are being circulated both at O'Donnell and Wilson asking that beer elections be called. The petition at O'Donnell calls for an election to determine whether or not beer may be sold in the corporate limits of the town, while the petition at Wilson asks for an election in the Wilson voting precinct, it is said.

These petitions will be presented to the commissioners court at an early date, we understand.

The News again calls attention to the fact that the courts of this state from time immemorial almost have held that the same territory that votes prohibition on must first vote it off before liquor can be legally sold anywhere in the prescribed territory, and that if a whole county has voted liquor out then no municipality, precinct, nor subdivision of such county can vote it back in. To do so would be to enable any wet district to nullify and destroy county prohibition. In line with these decisions of our courts, the attorney general recently held that subdivisions in dry counties could not legally hold beer elections. Yet in the face of these decisions and of this ruling, some commissioners courts keep right on ordering beer elections in subdivisions of dry counties.

## J. O. Tinsley In Weigher's Race

Another good man gets into politics this week. J. O. Tinsley announces as a candidate for public weigher of the Tahoka precinct. "Just a farmer asking for a farmer's job" is the way he put his candidacy up to the News.

Mr. Tinsley was reared on a farm near Crosbyton. For the past seven years he has been farming and dairying near Tahoka. He is a young man, strong and vigorous, and is well qualified in every respect for the position which he seeks. He has his share of hard luck but he never permits himself to become discouraged. By his sunny disposition, his friendliness, his rugged honesty, and other good qualities, he has won many strong friends here, and he apparently enters the contest with strong support.

"I am 33 years old, have one wife and four kids," Tinsley remarked in making his announcement. "I will make my race on my own merits." Mr. Tinsley will make an active canvass and hopes to see practically every voter in the precinct before the July primaries. He will appreciate your friendship and support.

## AMERICAN LEGION TO HOLD MEETING AT NEW HOME

The Marion G. Bradley Post of the American Legion here will hold its next meeting in the school auditorium at New Home. Ex-service men, whether members of the Legion or not, are cordially invited to come and bring their wives. Music will be provided and refreshments served.

The post-adjutant suggests that each one bring sandwiches or a cake. The Legion desires to have meetings in other communities during the summer.

## O'DONNELL H. D. CLUB SPONSORING PIE SUPPER APRIL 27

Mrs. Sumner Clayton, president of the O'Donnell H. D. Club announces that this club is sponsoring a candidate speaking and pie supper at the O'Donnell school house at 8 p. m. on Friday, April 27. All candidates from Tahoka as well as everyone else are invited.

Mrs. G. M. Reid and her sister, Miss Luda Strasser, were both taken to a hospital in Lubbock for treatment Sunday, suffering from different maladies. Miss Strasser was said to be much improved Wednesday but Mrs. Reid had shown little improvement. Mrs. Reid had a serious infection in one of her ears.

## SUITS WINS IN VOICE CONTEST

Difficulties Galore Confronted Local Youth Who Took First In Abilene Contest

At a contest of the National Bureau for the Advancement of Music sponsored by the music department of Simmons University Saturday, April 14, Gordon Suits won first place in the boy's solo division, and the highest award of the contest, a scholarship of \$150.

Through the interest of Mrs. Rubie Suddarth, Gordon's attention was called to this contest about three weeks ago. The contest required that he prepare one song of his own choice and a second one to be selected by the persons in charge of the contest. This second song, "Widmung," by Robert Franz had to be a special arrangement. It was so hard to find, that when it was found there were only four days left in which to learn the song. As a member of the High School debating team, Gordon had to spend the Friday preceding the contest at Lubbock. Coming home late, additional difficulties presented themselves. Mrs. Suddarth was ill and was therefore unable to accompany him to Abilene to play for him.

Undaunted, Gordon, at four o'clock on Saturday morning was ready to leave. Arriving in Abilene at eight o'clock, he at once went to the college where he was to learn

(Cont'd on last page)

## Boy Scout Troop Being Organized

Rev. H. C. Smith, pastor of the Methodist Church, is promoting the reorganization of the Boy Scouts here, or rather the organization of a new troop. Several meetings have been held recently and at the meeting last Friday night twenty-five boys were present and expressed a desire to enter the new organization. Possibly as many as thirty all together have indicated their intention of joining. A troop consists of four patrols of eight members each.

Brother Smith says that another meeting will be held Friday night of this week, at which time fourteen boys are planning to take the tenderfoot test. Boys who have already taken the tenderfoot or other tests and have cards so showing will be recognized.

The Parent-Teachers Club will sponsor the troop and it is hoped that a permanent scoutmaster may be procured at an early date. Bro. Smith is himself acting as scoutmaster until such time as a permanent leader may be found.

All boys within the proper ages and who can qualify are invited to become members.

## Lateral Roads Being Graded

Many of the public roads of the county are now being graded and otherwise improved. L. D. Gildersleeve and A. A. Suits both report extensive improvements on their routes, and a little investigation revealed to us that similar improvements were being made throughout the county.

## SACRED HARP SINGING CONVENTION MEETS AT SLATON

Announcement has been made that the South Plains Sacred Harp Singing Convention will meet in Slaton next Sunday, at the Club House in the morning and at the Baptist Church in the afternoon. The convention opens at 10 A. M. Lunch and coffee at the Club House.

"Bring your Harps" is the invitation extended by the committee.

## FRAZIER IMPROVING

L. F. Frazier has been making some changes in the front of his produce house and filling station this week, rendering it more convenient for his customers.

Mrs. W. C. Cowan, who has been very seriously sick the past few days, is reported to be much improved.

## Announce School's Closing Exercises

### Nine Lynn Boys Enter CCC Camps

Nine young men of this county went to Lubbock Wednesday night and were to leave there this morning for Civilian Conservation Corps. These are Henry Reed, Horace Whitaker, Woodrow Walker, and Lee Lane, all of Tahoka, and Cleveland Wills, John Lawler, Jim Woods, J. W. Singleton, and C. L. Winsor of O'Donnell.

### TEACHERS FOR YEAR ELECTED

Principal, Coach, and Three Other Teaching Places Are Left Vacant By Board

Most of the members of the Tahoka school faculty were re-elected at a meeting of the board Tuesday night, though several failed of election. Supt. J. B. Pace was re-elected several weeks ago. Those re-elected Tuesday night were: Mrs. Tunnell and Mrs. Bludworth at the high school, Principal J. T. Carter, and Mmes. Clinton, Dunagan, Smith, Henderson, Swan, and Craft at Central Ward, Miss Linnie Tippit at South Ward, and Ella B. Wood, the colored teacher. The principal and the coach at the high school, the seventh grade teacher, one teacher at Central Ward, and the principal at South Ward are yet to be selected.

## Baptist Meeting Begins Sunday

Rev. P. D. O'Brien of Colorado will be here Sunday to do the preaching in a revival meeting that begins at the Baptist Church on that day to continue two weeks. Mr. Robinson, an evangelistic singer, will be here to direct the music, according to Rev. Lawrence Hays, the pastor. Services will begin at 10 each morning and at 8 each evening, unless the hours are changed later. Everybody cordially invited.

## Local Methodists Attend Conference

The Methodist Church of Tahoka made one of the best reports to the district conference in session at Levelland Tuesday and Wednesday being surpassed only by Lubbock and Ralls, according to those in attendance.

They also report that the attendance upon the conference was unusually large, about 300 visitors being there, and of course it was a great occasion religiously.

Those in attendance from Tahoka were Rev. H. C. Smith, the pastor, Judge C. H. Cain, Hon. John N. Thomas, and C. O. Carmack.

## Completing English Theatre Decorating

The work of repainting the front and a section of the side wall of the English Theatre is being completed this week, which makes the building much more attractive.

The foyer and interior of the building have also been embellished and greatly beautified.

## RABBIT DRIVE TO BE STAGED AT REDWINE WED. APRIL 26

A big rabbit drive in the Redwine community is being planned for Wednesday, April 26. All desiring to participate in the drive are requested to meet at Redwine at or before 10 o'clock, as the hunt is scheduled to begin at that hour. Hunters are requested to bring only shot guns and ammunition; Rifles are not wanted. Every fellow is also requested to bring his own lunch.

Send The News to your relatives and friends.

## TWENTY-NINE TO GRADUATE

Dr. Taylor Of Howard Payne Will Give Address; Rev. H. C. Smith, Sermon

Rev. H. C. Smith, pastor of the Methodist Church, has been selected by the Senior Class of the Tahoka High School to deliver the Baccalaureate sermon at the beginning of Commencement week this year. This event will take place in the high school auditorium at 11 A. M. Sunday, May 13. This is the second time Rev. Smith has been selected by the graduating class to bring the sermon.

Dr. Tom H. Taylor of Howard Payne College at Brownwood will deliver the class address on Friday evening May 18, according to Supt. J. B. Pace Jr. "He is a fluent speaker and has a store house of ready wit and humor," Mr. Pace stated Monday. "Several years ago he was dubbed the Will Rogers of Texas. You will enjoy this able speaker and I am sure you will be well paid for your time."

The schedule for the close of school as furnished us by Supt. Pace is as follows:

Junior-Senior Banquet—April 24  
Recital by music pupils of Mrs. Applewhite and Mrs. Rider—April 30

Senior Play—May 4  
Banquet for Seniors; given by ladies of the Baptist Church—May 8

Music and Expression Recital, given by pupils of Mrs. Applewhite and Miss Forrester—May 11

Baccalaureate Sermon—Sunday, May 13

Class Night Program—Tuesday, May 15

Elementary School Program—Thursday, May 17

Commencement Program—Friday, May 18

The graduating class this year is composed of fourteen boys and fifteen girls, as follows: Lloyd Anderson, James Applewhite, Guy Bulman, Alvin Cearley, A. G. Cook, J. W. Fortenberry, Jack Huffmeyer, Eugene Jaynes, Silvester Reese, Rex Richardson, Gordon Suits, Skiles Thomas, Floyd Stevens, Hoyt Williamson, Dama Anglin, Lenora Dale Bartlett, Helen House, Maxine Jones, Irma Macha, Faye Massengale, Eunice Mullins, Jewel Pita, Elwayne Redwine, Ruth Suddarth, Norma Salsberry, Mary Margaret Strain, Verdie Mae Warren, Mary Jane Weathers, Florence King.

## Tahoka People Visit Dairy Show

Misses Auda Mae Aycox and Sylvia Robb represented Tahoka as princess and maid of honor respectively at the Plainview Dairy Show Tuesday afternoon, when a queen of the show was selected and crowned. Their escorts were Pete Hegi and Truett Smith.

Thirty-three cities and towns were represented in this colorful event. The queen was selected by chance from the thirty-three princesses present. The lot fell upon Miss Barbara Badgett of Quitaque. The maid of honor to the Queen was that one who had come the longest distance to the show, and that was Miss Bonnie Curry of Channing.

Miss Robb and the others from Tahoka report a most excellent show and great crowds in attendance.

## Interest Is Good In C-C Revival

Our meeting started off last Lord's Day with fine crowds and good interest. There has not been a dull service thus far.

Our slogan is every seat filled before the meeting closes. The meeting will close next Sunday night unless the interest is too great.

Come with us and we will do thee good.—R. P. Drennon.

**NOTICE TO THE PUBLIC**  
Any erroneous reflection upon the  
reputation or standing of any indi-  
vidual, firm or corporation, that  
may appear in the columns of The  
News will be gladly corrected when  
called to our attention.

The Scurry County Times stated  
last week that the Spring term of  
the district court there was proving  
to be a "near washout." The second  
week list of jurors were sworn in  
and then told that they would not  
be needed. The grand jury was in  
session two days, returned a few  
indictments, then adjourned and  
went home. Similar records are be-  
ing written in many West Texas  
counties. West Texas is probably the  
most prosperous section of the Uni-  
ted States today. Yet it has little  
booze and little crime. Up in some  
of the big wet centers they are still  
having strikes and labor troubles.  
In the wettest sections of Texas and  
of the entire United States the Dil-  
lingers and the Barrows are still  
robbing banks, committing murder,  
and terrifying the people. The re-  
turn of booze has neither routed the  
depression nor decreased crime. It  
has aggravated both evils. Hurrah  
for West Texas, the soberest and the  
most prosperous spot in America  
today.

A lady down in Dallas celebrated  
her ninety-sixth birthday Sunday.  
She took her first air-plane ride a  
year ago and she says she wants to  
take another one when she reaches  
the one-hundredth mile stone. We'll  
be ready to go up too when we  
reach 100.

**Black-Draught For  
Dizziness, Headache  
Due To Constipation**

"I have used Theford's Black-  
Draught several years and find it  
splendid," writes Mr. G. W. Hol-  
ley, of St. Paul, Va. "I take it for  
dizziness or headache (due to con-  
stipation). I have never found  
anything better. A short while  
ago, we began giving our children  
Syrup of Black-Draught as a laxa-  
tive for colds and little stomach  
ailments, and have found it very  
satisfactory." . . . Millions of pack-  
ages of Theford's Black-Draught  
are required to satisfy the demand  
for this popular, old reliable, purely  
vegetable laxative. 25¢ a package.  
"Children like the Syrup."

The truly great in this world are  
they who out of benevolent hearts  
spend their lives serving humanity  
and who in the face of criticism  
and ridicule have the courage to do  
right. A man may be great intel-  
lectually but if he does not use his  
powers to make the world better  
and happier, he is a pigmy in the  
sight of God. In the spiritual and  
moral world, Napoleon Bonaparte,  
was not knee-high to Florence  
Nightingale or Clara Barton. The  
selfish, self-serving wizard of fi-  
nance that wields more power than  
any Caesar, and the smooth, schem-  
ing politician that knows how to  
win the applause of the nation, may  
not in reality be half as big as any  
one of a hundred men that you  
may meet any day on the streets  
of the old home town. We are a  
gullible people.

Springtime is at last coming to  
the plains. The trees and shrubs are  
again clothed in green, even the  
tardy mesquites are putting on  
their glad rags, the rosebuds are  
swelling, the birds are building  
their nests, the old speckled hen is  
cackling out in the barn, the big  
red ants are busy building their un-  
derground cities and filling their  
store rooms with provender, and  
the old horned frog is foraging a-  
round among the scant grass and  
weeds for a livelihood, and woe to  
the ant or other insect that comes  
within the reach of his hungry  
maw. The time of the sweet girl  
graduate is fast approaching and all  
the kids will soon be out of school.  
It's time to plant maize, folks, it's  
time to plant maize.

Some of our political leaders and  
many of our newspapers are ad-  
vocating the creation of a virile state  
police force. We are for it. Our pre-  
sent law-enforcement organization is  
not adequate to cope with the des-  
perate criminals that are robbing  
and killing and terrifying our peo-  
ple. Let us have a well-organized  
state force with broad powers.

The kid that grew up to be the  
father of his country chopped down  
his daddy's favorite cherry tree;  
but that didn't seem to stop the  
breed. The city of Washington is  
planning to have her annual cherry  
blossom festivities next week, al-  
ways a great event in the capital.

The editor craves the good will  
and the friendship of everybody,  
but honestly when we hear of some  
folks criticizing us we feel highly  
complimented.

Strange, but some folks will some-  
times criticize a man when deep  
down in their hearts they know  
that he is right.

Mr. and Mrs. E. E. Dikes, who  
reside a few miles east of Tahoka,  
returned last Thursday from a  
trip to Wichita Falls and Lawton,  
Oklahoma, having been called to  
the latter place by the serious ill-  
ness of a sister. Mr. Dikes says that  
she was somewhat improved when  
they left. They also visited a brother  
in Wichita Falls. Mr. Dikes says that  
the rains had been plentiful from  
Dickens City on to Lawton and  
that wheat was looking fine. There  
is quite a business boom on at  
Lawton, he says, due to the vast  
improvements that are being made  
at Fort Sill four miles north of the  
city. The fort is being practically  
rebuilt.

B. P. Barrington, Cleve Barrington  
and some of the smaller children  
left Saturday for a visit with the  
former's sister at Olney and his  
brother at Hubbard. Both his sister  
and his brother are suffering from  
paralysis, Mr. Barrington states.  
He did not know just how long  
they would prolong the visit.

**ICE!!—FAST CURB SERVICE!!**  
TAHOKA PRODUCE.

Light Crust Flour at Boullouin's.

**A STATE POLICE FORCE**

Representative Harry N. Graves  
of Georgetown has an idea that  
what Texas needs is a state crimi-  
nal identification bureau and a 200-  
man patrol to ride state roads in  
small, swift automobiles, as two of  
the major weapons against crimi-  
nals. He argues that the motor-  
cycle patrolmen cannot ride and  
shoot at the same time. What is  
needed is a machine-gun equipped  
force riding in cars.

Many have suggested the need of  
a central bureau of criminal identi-  
fication. This newspaper has ad-  
vocated it for years. Of course it would  
cost money, but what right has  
anyone to count the cost when hu-  
man lives and property are at stake?  
Texas never will be able to control  
or put down the operations of crimi-  
nals and criminal gangs with its  
present archaic and pitifully inad-  
equate system.

The state highway patrol was not  
intended to serve as a general law  
enforcement body. It is not designed  
to combat criminal gangs. Its prin-  
cipal function is to make the high-  
ways safer, and to keep traffic con-  
ditions tolerable.

Members of the patrol ride motor-  
cycles, easily distinguishable by  
day or night; and conspicuous uni-  
forms. The motorcycle and the uni-  
form contribute to their effective-  
ness as traffic officers, since the  
mere sight of an officer is sufficient  
to make most motorists behave; but  
it makes them an easy target for  
criminals on the dodge. It is sui-  
cidal to send such men in pursuit of  
criminals who carry machine guns  
and have no compunction about  
shooting with or without provoca-  
tion; they are a mark almost as  
easy to see and shoot at as were the  
red-uniformed British soldiers in  
their warfare against the sulking  
Indians in pre-revolutionary days.  
Plainclothes men riding in automob-  
iles would stand a much better  
chance to round up or slip up on  
lurking criminals. The patrolmen  
are too valuable in their capacity of  
traffic regulators to be put to work  
chasing bandits.

Only the larger cities of Texas  
have criminal identification bu-  
reaus. The state should set up and  
maintain a central bureau to co-  
operate with and assist county  
and city authorities in the eternal war-  
fare against crooks. To make the  
plan effective, a body of state troop-  
ers such as suggested by Mr. Graves  
is necessary. Such a force would  
pay for itself in the property re-  
covered from thieves, and in the  
prevention of many crimes which  
levy a heavy toll upon lives and  
property.—Ablene Morning News.

**Edith**

There was a large crowd at Sun-  
day School. Everybody enjoyed  
Brother Read's sermon.

Mr. and Mrs. Charley Sanders  
and daughter, Mrs. R. I. Hart and  
son of Hart, Texas, visited Mr. and  
Mrs. J. A. Sanders last week.

Mrs. Nora Sanders is spending  
the week with Mrs. Henry Cullford.

Pauline Dearman visited in the  
Stephens home Sunday afternoon.

Ruby Payne spent Sunday after-  
noon with Mary Ellen Inman of  
South Ward.

Rose Welch spent Wednesday  
night with Ruby Payne.

Geneva Payne spent the week end  
with her sister, Mrs. Martin of  
Draw.

Mr. Kahl went on a fishing trip  
last week. Mrs. Kahl and the child-  
ren visited relatives at Southland  
while he was away.

Iness Anderson and Lea Mae Bell  
spent Sunday with Percy Dean  
Tippit.

Arden Sanders spent Sunday with  
J. W. Tippit.

We enjoyed the visitor for sing-  
ing class plans to visit T-Bar's  
singing class.

Everybody is invited to come to  
the school house Friday night, April  
20 to see "Wild Ginger." You will  
see Miss Ruby Payne playing the  
part of Wild Ginger.

**Three Lakes**

Elmer Sikes of Amarillo was down  
visiting his parents, Mr. and Mrs.  
W. E. Sikes, the week end.

Mr. and Mrs. Weldon Martin of  
Draw visited Mr. and Mrs. J. Wright  
Edwards.

John Hickerson of Tahoka visited  
in Three Lakes Sunday.

Mrs. Tom Ellis and Mrs. Erma  
Lou Moore are visiting in Christo-  
val.

We will have a spring meeting at  
Three Lakes beginning next Sunday  
night, services at night only.

Mr. and Mrs. A. J. Mullins and  
daughter, Miss Eunice, visited rela-  
tives at Idalou Sunday.

**BULK GARDEN SEED AT THE  
TAHOKA PRODUCE.**

**CITATION BY PUBLICATION**

The State of Texas,  
To the Sheriff or any Constable  
of Lynn County, greeting:

You are hereby commanded to  
summon Addie Sisk Unsell, by mak-  
ing publication of this Citation  
once in each week for four succes-  
sive weeks previous to the return day  
hereof, in some newspaper publish-  
ed in your county. If there be a  
newspaper published therein, but  
if not, then in the nearest county  
where a newspaper is published, to  
appear at the next regular term of  
the District Court of Lynn County,  
to be holden at the Court House  
thereof, in Tahoka, Texas, on the  
fourth Monday in September A. D.  
1934, the same being the 24th day  
of September A. D. 1934, then and  
there to answer a petition filed in  
said Court on the 23rd day of Janu-  
ary A. D. 1934, in a suit, numbered  
on the docket of said Court as No.  
1001, wherein Carl Unsell is Plain-  
tiff, and Addie Sisk Unsell, De-  
fendant, and said petition alleging  
that plaintiff has resided in the  
State of Texas more than one year  
and in Lynn county for more than  
six months next preceding the filing  
of the petition. That plaintiff and

defendant were lawfully married a-  
bout 1st. of August, 1921, and with-  
out cause, fault or provocation of  
the plaintiff, the defendant about  
Oct. 25th, 1925, abandoned and de-  
serted this plaintiff and their minor  
child and declared an intention  
never to return, and since which  
time plaintiff has not seen nor  
heard of defendant. That marriage  
relation still exists. Plaintiff prays  
for citation by publication, and up-  
on hearing that he have judgment  
for divorce.  
Herein fail not, and have you be-  
fore said Court at its aforesaid  
next regular term, this writ with  
your return thereon, showing how  
you have executed the same.  
Given under my hand and the

seal of said Court, at office in Ta-  
hoka, Texas, this the 18th day of  
April, A. D. 1934. (Seal)  
W. S. TAYLOR, Clerk District  
Court, Lynn County. 35-4tc

sight. Have his eyes examined.

### Coleman Wells Is Named Postmaster

A press dispatch from Washington dated April 18 bore the information that President Roosevelt had submitted to the Senate for confirmation the name of W. C. Wells as postmaster at Tahoka.

The unexpired term which H. M. Larkin is filling will expire on April 28, we understand. Mr. Wells will probably take over the office about that date.

Mr. Wells was formerly cashier of The Security State Bank here and is well known throughout this section.

A drama of today's revolt against age-honored dogmas of love. From Van Druten's London stage hit, "Behold, We Live."

Have you ever wondered why "thou shalt not"? Then you'll be thrilled by this losing fight of two against the world!

# SOCIETY

Club and Church News

### BEAUTIFUL SERVICE HELD AT METHODIST CHURCH

The evening hour at the Methodist church last Sunday was filled with a unique and beautiful service. Following a period of worship and meditation with quiet music, there was an impressive candle-lighting, after which, in the dim light, the sacrament of the Lord's Supper was observed. The pastor then brought a brief message telling of Paul's trials and ultimate triumph.

The morning sermon was an interesting treatise on "Tithing"—very pertinent and practical. The special music was a baritone solo sung by Boswell Edwards. The offering was Brahms' "Cradle Songs."

The members of the Young Peoples' department are making plans to attend a district rally at Lamesa next Saturday night and Sunday. If you and your car can go, and help out in that way, it would be deeply appreciated. Miss Ney Camille Fenton is in charge and will be glad to have you call her.

Let everyone be in his place next Sunday—church school, choir, the preaching hour, all need and welcome your presence and help.—Reporter.

### SPANISH DEPARTMENT RE-DEERS INTERESTING PROGRAM

Monday's chapel program at the High School was conducted by members of El Progreso club. Sylvester Reese, the president of the club reviewed the aims and accomplishments of the Spanish classes both as to group and individual attainment.

On account of having part on the High School debating team, Sylvester Reese, the pupil holding highest rank in second year Spanish could not compete at the District Meet at Lubbock last Friday. Ina Bess Hicks, second highest, took his place and gave a very interesting report of her trip. Skiles Thomas was the second, making the Spanish team. He gave a lengthy report on the recent expedition of Dr. Holden into the Yaqui country in Old Mexico.

James Applewhite told a story and Alma Faye Warren recited a poem in Spanish.

Martha Helen Powell played a violin solo, "Sonoma" accompanied at the piano by Mrs. J. K. Applewhite. Nelda Jem and Ina Bess Hicks played "Lustspiel" a duet. The program ended with Gordon Suits singing "Sylvia" and "Widmung," accompanied by Mrs. Rubie D. Suddarth.

### MRS. D. B. ENGLISH ENTER-TAINED ALL-SEW CLUB

Mrs. D. B. English entertained the All-Sew Club in Hotel Keltner April 12. Our guest for the afternoon was Mrs. Jim Dye. Members present were Mesdames J. A. South, A. I. Thomas, W. B. Howell, A. L. Lockwood, C. B. Keltner, C. A. Thomas and the hostess.

Delicious iced fruit with whipped cream, pound cake and grape juice were served.—Reporter

### HOME ECONOMICS GIRLS VISIT TEXAS TECH

Last Friday the School of Home Economics of Texas Technological College was hostess to the Home Economics girls of the South Plains. Thirty five girls from Tahoka made the trip. The girls were given the privilege of visiting each department and seeing students actually at work on various projects. This included a visit to the Home Management House, where each student is required to live six weeks before receiving a degree in Home Economics. It was a most enjoyable trip and each girl expressed herself as having received much information.

### QUILT MADE BY HOME ECONOMICS GIRLS IS SHOWN

The Home Economics girls have made a quilt which is now displayed in a down town show window. This quilt is to be given away on Saturday, May 5. Chances are now being sold for 10 cents each by high school girls. The purpose of the funds raised by the sale of chances is to help pay the expenses of three girls to the State Home-making Education Rally which is to be held in Austin next week.

Light Crust Flour at Boullion's.

### DON'T SLEEP ON LEFT SIDE—AFFECTS HEART

If stomach GAS prevents sleeping on right side try Adierika. One dose brings out poisons and relieves gas pressing on heart so you sleep soundly all night.—Thomas Bros.

### Home Economics Club Met Monday Afternoon

The Home Economics Club of the Tahoka High School met Monday afternoon in a short business meeting. The purpose of the meeting was to plan a picnic or outdoor party for the girls taking Home Economics. Refreshments, place and ways of attending the picnic were planned. Fifteen girls were present.

### TEXAS HIGHWAY PROGRAM TO GET UNDER WAY SOON

Washington April 18 (AP)—The last obstacle to an \$8,900,000 emergency highway program in Texas had been removed today, and John Wood, chairman of the State Highway Commission, said work on a broad scale would begin almost immediately.

The difficulty had been that the Federal Relief Administration, that is furnishing the money for the program along with the Public Works Administration had wanted the work done on lateral roads.

The highway commission had insisted the improvements be made on regularly designated state and federal highways.

The administration conceded the point yesterday and Wood said he was "highly pleased" the commission would be permitted to spend the money on the more important highways.

He estimated about \$1,500,000 already had been spent and said the remainder would be expended as rapidly as sound methods would permit.

"Most of the projects have been completely planned and can be put underway quickly," Wood said.

### PLAINS BANKERS WILL CON-VENE IN SNYDER APRIL 21

Snyder, April 18.—At least 50 bankers from the 15-county area composing the South Plains Bankers Association are expected to gather in annual convention here Saturday, April 21, according to A. C. Alexander, program and entertainment chairman.

It will remain for N. C. Hix of Abernathy, vice president of one of the smallest banks in this area, to bring one of the leading addresses of the day. He will speak on "Experience of a Country Banker During the Depression."

William Z. Hayes, vice president of the Republic National Bank, Dallas, will be a guest speaker. Edd McLaughlin, vice president of the Security State Bank & Trust Company, Ralls, will give an address on "Problem of Decreased Revenues." A discussion will be conducted by W. R. McDuffie, cashier of the First National Bank, Brownfield, on "What Steps Are Being Taken to Prevent Burglary and Daylight Holdups."

A luncheon at the Manhattan Hotel at 1:00 o'clock will be followed by a business session. Officers will be selected for the ensuing year, and the 1935 meeting place will be chosen.

### "THE CHILD AND HIS COMMUNITY" P.-T.-A. SUBJECT

Snyder, April 18.—Instead of discussing abstract subjects, the 14th district Parent-Teacher Association convention will feature "The Child and His Community" when it meets here April 27 and 28. The thread of this scheme is carried throughout the printed program released Monday by Mrs. J. R. Strayhorn, of Rotan, publicity chairman.

Advance reports to Mrs. Hugh Taylor, homes chairman, indicate that at least 150 delegates from the 24-county district will be on hand.

### CITATION BY PUBLICATION

The State of Texas, To the Sheriff or any Constable of Lynn County, greeting: You are hereby commanded to summon Addie Sisk Unsell, by making publication of this Citation once in each week for four successive week previous to the return day hereof, in some newspaper published in your county. If there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Lynn County, to be held at the Court House thereof, in Tahoka, Texas, on the fourth Monday in September A. D. 1934, the same being the 24th day of September A. D. 1934, then and there to answer a petition filed in said Court on the 23rd day of January A. D. 1934, in a suit, numbered on the docket of said Court as No. 1001, wherein Carl Unsell is Plaintiff, and Addie Sisk Unsell, Defendant, and said petition alleging that plaintiff has resided in the State of Texas more than one year and in Lynn County for more than six months next preceding the filing of the petition. That plaintiff and defendant were lawfully married about 1st of August, 1921, and without cause, fault or provocation of the plaintiff, the defendant about Oct. 25th, 1925, abandoned and deserted this plaintiff and their minor child and declared an intention never to return, and since which time plaintiff has not seen nor heard of defendant. That marriage relation still exists. Plaintiff prays for citation by publication, and upon hearing that he have judgment for divorce.

Herein fall not, and have you before said Court at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Tahoka, Texas, this 18th day of April, A. D. 1934. (Seal)

W. S. TAYLOR, Clerk District Court, Lynn County. 35-4to

**JONES GIVES INSTRUCTIONS FOR WHEAT RETIREMENT**

Cotton, corn and wheat acres contracted for retirement in Government contracts this year may be taken out of production in strips

along terraces or contours. V. F. Jones, county agent, has been advised by the Agricultural Adjustment Administration.

The contracted acres need not be in one solid block but may be scattered in these strips, he says. This gives the farmer the opportunity to lay out a complete terracing or contouring system for his farm, and to complete the work of building terraces in his spare time during the year. If there is no legitimate use for these strips within the terms of the contract they may be left bare during the growing season and sowed down to small grains in early fall to prevent winter blowing, he adds.

A simple way of fitting the contracted acres to the terraced strips is to first measure the total length of the terrace lines. Multiply this distance by the average width of the strip to be left out along the terrace, say at least 30 feet. Divide the sum thus obtained by 43,560 (square feet in one acre) and you have the acres taken out by the terraced strips. If the farmer desires to take out more land than this he may increase the average width of strips to suit. If these strips take out more land from production than he has contracted for or can spare, he may plant enough of the terraced strips to get the desired result.

**BANKING RETURNS TOWARD NORMAL**

**Reconstruction Finance Corporation Loan Repayments Show Banks Lead Procession in Recovery Movement**

Indicating a rapid return on the part of the banks to a normal self-sustaining basis, 54 per cent of the loans which they made from the Reconstruction Finance Corporation to tide them over the difficulties of the past two years have been repaid by them, it is shown in a recent official report.

The R. F. C. report, issued on March 6, says that the Corporation since it began operations in February, 1932, had made aggregate cash advances to railroads, agricultural and home loan agencies, insurance companies and various other institutions in the amount of \$4,786,410,000. Of this sum banks and trust companies, to the number of 6,783, received actual cash advances of \$1,520,540,000, but have already paid back \$820,260,000, or 54 per cent. These figures are exclusive of \$376,390,000 in loans authorized but withdrawn or not availed of by the banks.

Non-banking borrowers received R. F. C. advances in the amount of \$3,265,870,000, and made repayments of \$377,830,000, or less than 12 per cent. Among other classes of financial institutions reported as making high ratios of repayments are building and loan associations which had received \$114,020,000 and have repaid \$52,880,000, or over 47 per cent, and insurance companies, whose borrowings totalled \$88,590,000 and repayments \$34,340,000, or nearly 39 per cent. None of the major non-governmental financial groups showed so high a ratio of repayments as the banks and trust companies as a group.

**BANK LOANS AND BUSINESS RECOVERY**

**Official Describes Efforts of Reserve Banks to Bring Out Deserving Borrowers—Present Situation Typical**

Appropos of the part that an expansion of business loans by banks occupies in the early stages of the business recovery which is now gaining headway, a Federal Reserve Bank official recently gave an interesting review of the experiences of his institution in this connection. In 1932 the Federal Reserve Banks were empowered by law to make direct loans to individuals in unusual circumstances when they had been unable to obtain loans from a commercial bank, he pointed out.

From the middle of 1932 to the end of 1933 there were 1,256 applicants for loans at the New York Federal Reserve Bank under this law. The great majority of these applications proved on examination to be for funds for capital purposes, which are properly supplied as an investment in the business, or else were mortgage loans or others unclassifiable as commercial.

Only 144, or less than 12 per cent, were of the type which merited detailed investigation. The amount involved was \$9,525,000. After further study of these, the Federal Reserve Bank was forced to turn down the applications of 236, finally offering credit in the sum of \$1,417,000 to 14 prospective borrowers. Of this amount, only \$806,000 was actually loaned, more than one-half of which was still outstanding many months later. Two of the borrowers went into receivership.

"Since it was the special endeavor of the Federal Reserve Bank to make every possible loan under the emergency provisions of the amendment, and since their best efforts resulted in the extension of so small a sum as to have no effect on the total volume of commercial loans, it is a reasonable assumption that eligible borrowers entitled to bank credit are being provided for by the commercial banks," says the American Bankers Association Journal in commenting on this episode.

It is characteristic, as shown by studies of past business cycles, for changes in the volume of commercial bank credit to follow behind either contraction or expansion of business activity, says a financial writer in the New York Times. This was manifest recently in England's recent recovery where there was a lag between increased business and increased commercial loans.

**County Key Bankers**

Describing the activities of the Agricultural Commission of the American Bankers Association, the Director, D. H. Otis, says: "With 2,500 agriculturally minded bankers designated as county key bankers, there is enlisted a tremendous force for the improvement of agriculture. These key bankers bring organized assistance to progressive bankers, who are led to see the possibility of agricultural work in their communities. Banker-farmer tours are emphasized as a means of acquainting bankers, farmers and other business men with first-hand knowledge of how agricultural improvement methods are working out in practice. These give an opportunity for the key bankers to contact country bankers and work out new ideas."

Light Crust Flour at Bouillon's.

**Capper Declares War On Thieves**

W. G. Lee, Field Manager for Capper's Farmer, with several of his assistants is now calling on the farmers of Lynn county, introducing the Capper's Farmer National Protective Service or Anti-Thief Movement for the protection of farmers' property from thieves.

The Capper's Farmer representatives are demonstrating to the farmers and peace officers a brand new system for marking property, so that it can be identified in case of theft.

Perhaps the most effective movement yet promoted on a large scale to stop theft of farm property is the Capper's Farmer National Protective Service. In the past seven years, the Capper Publications have paid more than \$40,000 in rewards for the arrest and conviction of some 1400 thieves who have stolen from farms posted with the Protective Service Signs.

Capper's Farmer Protective Service members are urged to mark their poultry and other farm property, so that it can be identified if it is stolen. Members are urged to report thefts promptly to peace officers and to the Capper's Farmer Protective Service, Topeka, Kansas. Daily radio broadcasts free to service members are made over the Capper's Farmer Station, WIBW, describing the property that has been stolen.

A display ad in this week's News introduces Capper's Farmer representatives who are now out calling on the farmers.

**Annual C. Of C. Meeting May 14-16**

The sixteenth annual convention of the West Texas Chamber of Commerce is to meet in San Angelo on Monday, Tuesday, and Wednesday, May 14, 15, and 16.

Every town has been asked to do six things: (1) send an organized delegation to the convention; (2) conduct a poster exhibit contest in the public schools, the winning poster to be sent to San Angelo for display and entry in the All-West Texas Poster Exhibit Contest; (3) report upon beautification activities; (4) select a young lady to represent the town in Rainbow Roundup, the big revue and show at the convention; (5) nominate directors to represent the towns on the official board next year subject to election at the convention; and (6) select a contestant for the My Home Town Speaking Contest.

A Los Angeles patrolman brought in a negro woman somewhat the worse for wear and the desk sergeant, with his very best scowl, roared: "Lize, you've been brought in for intoxication."

"Dat's fine!" beamed Lize. "Boy you can start in right now."

**Furr Food Store Closed Saturday**

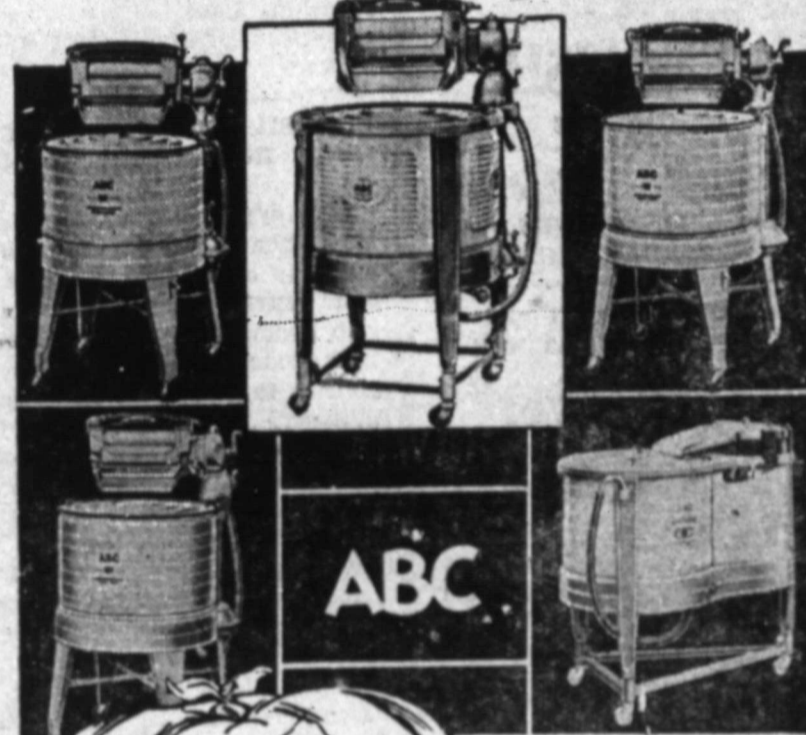

The Furr Food Store, formerly known as the M-System store, closed its doors last Saturday night and discontinued its business here. Between 10 and 11 o'clock that night, several big trucks arrived here from Lubbock and the stock of groceries was hastily loaded on them and hauled away. Roy Furr of Lubbock is the chief owner of the string of stores known as the Furr Food Stores. His cousin, Titus Furr, had been local manager of the store here the past few weeks, and it is said that he had no advance information as to the proprietor's intention to discontinue the business here. He has been transferred to Hobbs, New Mexico, as local manager of the Furr store there, though his family expect to remain here for the present.

One interesting incident connected with the closing of the store here was the appearance of County Tax Collector A. M. Cade and City Mar-

**Match the Performance of the FORD V8 for 1934 against any Car at any Price**

THE car that flashed down a Florida beach to the world's land speed record was powered by the V-type engine. The V-type engine knifed an Italian plane through the air at the record-smashing speed of more than 420 miles per hour. On the St. Clair River, the V-type engine swept a speed-boat to the world's record of 124.8 miles per hour. And that's the type of engine that powers the Ford V-8 for 1934. It's the only V-8 engine in a car selling for less than \$2,395.

That's why the Ford V-8 will streak down a highway at 80 or better. That's why it will purr along at 50 or 60 without the slightest effort. And why it is unsurpassed in acceleration by any American car! Despite its power, the new Ford V-8 is the most economical car that Ford has ever built. The new Ford V-8 gives you the riding ease of free action for all four wheels—with the safety of strong axle construction. Before you buy any car at any price, drive the new Ford V-8.

Tahoka, Texas

### Changes Made In Football League

The Interscholastic League at Austin has made many changes in the districts throughout the state relative to conference "B" football for the ensuing year. A re-districting of the state was felt necessary for many of the districts were so large that schools had to travel long distances for matched games, and the organization and work could not be carried on for the best interests of competitive athletics because of the size of the districts.

District No. 3 in which Tahoka was included was one of the large districts in West Texas and comprised twenty-five or more schools. This district was almost reduced to half its former size, and now consists of the schools at Brownfield, Crosbyton, Lamesa, Levelland, Littlefield, O'Donnell, Oton, Post, Ralls, Slaton, Spring Lake, Tahoka, and Sudan.

The schools in this new district are now more centralized and in addition to helping solve the transportation problems, it will facilitate the work of the organization of the district, and will stimulate a more friendly feeling and mutual understanding and fair play between member schools.

At a called meeting of the representatives from the various schools in the new district No. 3 at the Hilton Hotel Saturday the following officers were elected for the ensuing year: J. B. Pace, Jr., Tahoka, chairman; P. F. Lawlis, Brownfield, vice-chairman; A. B. Sanders, Littlefield,

secretary-treasurer; and an executive committee consisting of David Lemon, Slaton; H. P. Webb, Oton; L. T. Green, Levelland; and J. M. Rankin, Ralls.

The district was divided into north and south divisions, with the following towns in the south division: Slaton, Lamesa, Brownfield, Post, Tahoka, and O'Donnell. In the north division are: Sudan, Littlefield, Levelland, Oton, Spring Lake, Crosbyton, and Ralls.

It was decided that each member school in each division should play a round-robin schedule of all the schools in that division, and a winner of each division should be declared by Saturday, Nov. 24; that the winner of each division should be matched and a winner of District 3 declared by the first Saturday after Thanksgiving.

A meeting will be held in Lubbock the first week in September to fix the individual schedules of the various schools. Also, each member school shall present for the approval of the committee a copy of the list of players that are eligible under the rules of the Interscholastic League.

District-No.3 should have some classy football games next season as there are many good teams in this district and more interest is being taken in the sport throughout this section of the state.

Mrs. J. B. Reece of Ramon, New Mexico, and Miss Jeanette Weaver of Levelland left for their respective homes Monday after a week's visit here with their brother, A. C. Weaver.

### Start Drive For Aid Of Cripples

Hon. Tom Garrard of Tahoka has been appointed county chairman of Lynn county for the raising of funds to help crippled children.

A campaign for this purpose is now being carried on by The Texas Society for Crippled Children, with Senator Margie Neal as state director. The Texas Society is working in conjunction with the International Society, whose headquarters are at Elyria, Ohio.

It is asserted that there are now 20,000 crippled children in Texas, and Infantile Paralysis is said to be the cause of a majority of the cases. The Texas legislature recently appropriated \$10,000 for carrying on the fight to restore these children to normal life. This amount is far too small for the work to be done, it is said, and the Texas Society is undertaking to raise an additional \$25,000 by the sale of White Cross seals.

These seals are sold for a penny apiece, and the people of Lynn county and all other counties in the state are asked to buy these seals liberally and thus help a good cause. Twenty per cent of the proceeds will go to the International Society; the remaining 80 per cent will be used to help the crippled children of Texas. If adequate funds are raised, the crippled and deformed limbs of thousands of Texas children can be straightened and the children restored to normal life.

Mr. Garrard is hoping that in this noble enterprise the people of Lynn county will respond most liberally.

F. P. Stambaugh, 58, killed in car wreck in Plainview Monday night, was an uncle of Jim Dye of this city. Mr. and Mrs. Dye attended the funeral, held at Abernathy Wednesday. A man named Robertson was also killed in the wreck which occurred during a rainstorm when, because of poor visibility, two cars collided.

### Higher Standards Set For Teachers

The new requirement of higher standards for teachers in four-year high school systems is approved by superintendents throughout Texas, according to a report released by Dr. Lewis B. Cooper, director of research of the Texas State Teachers Association at Fort Worth this week.

The data show that 91 of every 100 superintendents approve the December action of the Committee on Classified and Accredited High Schools in requiring higher standards of teachers. Dr. Cooper said that one-fourth of the 7,786 teachers included in the study were affected by the ruling.

Teachers who do not meet the new requirements now will have periods of three years in which to make a minimum of eighteen semester hours credit in some standard college. No teacher will have to be eliminated from any school system on account of this ruling, provided progress is made toward the objectives set up by the Committee.

The new regulations which require higher qualifications of teachers are reported by many superintendents from every section of the state to be the most advanced step the profession has ever taken, a step which will be beneficial both to the teacher and to the children of Texas.

### Experimental Flax Crop At Roscoe

An experiment that may result in the finding of a new money crop for farmers in this section of West Texas was started yesterday by Marion Duncan on the Duncan farm southwest of Roscoe. He is planting a bushel of flax seed, and the results are to be watched to determine the possibilities of growing it as a regular farm crop in this area.

The seed for the planting was furnished free by the Denton Experiment farm, which has asked for a report on the outcome of the experiment. So far as is known, it will be the first time flax has been planted in this area.

Although flax is thought of primarily as the raw material from which linen is made, it has other uses just as valuable, Mr. Duncan explains. Among these are the making of linseed oil, flaxseed meal,

and other similar products, which use only the heads of the flax. The crop here will be raised just like wheat, threshed, and the seed sold. At the present market value it is worth \$1.75 per bushel, and the yield is about the same as wheat.

To be used in the making of linen, flax has to be cut while green and before it heads out. Raising it for this purpose here would be impractical, it is believed.

The crop will make in from 90 to 120 days, so that planted this week will probably be harvested in July. If the yield is good the crop may become a regular standby for farmers, since little is grown in the United States at present and most of our supply has to be imported. The price is also better than wheat and apparently should bring in a good deal of money.—Roscoe Times.

### REPORTS FROM THE COUNTY CLUBS

Miss Sylvia Robb, H. D. Agent

#### Joe Stokes 4-H Club Met Friday, April 13

"Make the best of your work and you will come out ahead," says Miss Robb to the Joe Stokes 4-H Club girls on Friday, April 13. Work was outlined by Miss Robb for the month of May. Our next problem is to make a dress. This will be the first dress the club girls have ever made.

The club girls had a picnic at Mrs. Leon Jennings' on Wednesday. Those present were: Effie Faye Terry, Carnilla Price, Pauline Randolph, Eva Mason, Lenel Shockely, Juanita Tapp, Oleta Campbell, Ovelia Campbell, Daphne Mears, Willie Marie Busby, Ethel Kyzer.

#### Lynn County Home Demonstration Council Meets

The Lynn County Home Demonstration Council met April 14. Very important business was discussed before the Council.

A report of the Lubbock meat show was given by Mrs. A. V. Botkin. Plans for the Plainview Dairy

show were discussed by Miss Robb, county home demonstration agent. Mrs. R. W. Fenton Sr. gave a very interesting discussion on Parliamentary law of the clubs.

Frank Lindsey, 23, a young man who has been residing with the J. N. Reid family out north of town the past year, underwent an operation in a Lubbock hospital Monday night for a serious malady. Our latest information is that he is doing as well as could be expected. The young man was reared in Buckner Orphans Home at Dallas.

A young man beck east hung himself because someone criticized him. If that practice becomes general the trees will be full of teachers, preachers and editors.—Miami Chief.

John N. Thomas states that he has recently been appointed local agent for the Southland Life Insurance Company, being associated with Charles Nelms in this agency.

FOR SALE—Slightly used gas range, and a cabinet model radio. Inquire at News office. 31tc

BULK GARDEN SEED At The TAHOKA PRODUCE. 1-1c.

J. R. Ramsey, a druggist at Graham, is here this week visiting his mother, Mrs. S. S. Ramsey, Sam Ramsey, and Mrs. R. P. Weathers.

Mr. and Mrs. W. F. Humphries came in Tuesday, called by the seriousness illness of Mrs. Humphries' mother, Mrs. W. C. Cowan.

Little Oneta Smith, daughter of Rev. and Mrs. H. C. Smith, has been seriously sick the past few days but is now improving rapidly.

Dewey Nicholson and L. L. Morris took a load of volcanic ash to Dallas this week. They delivered a load in San Antonio last week.

The dairy show at Plainview and Mr. and Mrs. V. F. Jones attended friends at Silverton this week.

# Are You A Well-Informed Person?

In every issue this newspaper is filled with news. And our experience is that the news which interests you most is the news which affects you most. When one of your friends has participated in a minor accident, you are more interested in that than in a major accident in another city.

Advertising, too, is news of the first importance. It affects you. It is intimate, local news addressed to you. It deals with your comforts, your pleasure and your business. It saves you time by telling you where the merchandise is. It saves you money by announcing fair prices. It is the guide to efficient spending. When you fail to read the advertisements, you do not keep up with the news that is most important to you. You miss many opportunities.

The best-informed people are those who read the advertisements regularly. In fact, in this modern age, you cannot ignore the advertisements in your newspaper and still be well-informed!

# The Lynn County News

### Redwine

Sunday School was well attended Sunday morning and we had a very enjoyable program at B. Y. P. U. Sunday night.

Sunday School, preaching and B. Y. P. U. services will be held at the regular time next Sunday. Every one come.

We are very sorry to report that Mrs. Clayton Beard is seriously ill. We are hoping that she will improve soon.

Miss Lois White visited home folks here Sunday.

Mrs. M. B. Walters is improving very nicely after she underwent a serious operation a few days ago.

We are very glad to report that one of our senior track men, J. R. Jones, gets to go to the State Interscholastic meet in two events.

Mr. and Mrs. J. R. Willingham entertained the young people of this community with a party Saturday night. A good time was reported by all in attendance.

There will be a play presented here Tuesday night, April 24 by the

high school students entitled "The Simon Pure Simpleton." There will be no admission charges. Everyone come and enjoy two hours of good entertainment.

Mrs. J. R. Sewell has been visiting her sister, Mrs. J. Y. Thompson, the past week.

Mr. and Mrs. M. W. Webb had as their guests this week end Mrs. Webb's mother and sister.

Mr. Landon Smith has returned from a visit in New Mexico.

Mr. John Bean was a visitor in the home of Landon Smith Sunday.

Trustees have been elected here. They are Messrs. Williams, Bland, Henderson, Joines, Wallace, Hale, and Hunt.

The Redwine ball players enjoyed a picnic and fishing trip at Justiceburg last week end sponsored by Mr. M. W. Webb, their coach.

Misses Billy Jo Thompson, Edith Willingham, Alta and Beatrice White, Howard Mae Grayson, Ima Henry, Hatty Johnson, and Janette Jones enjoyed a picnic and a kooking trip Sunday.

Miss Edith Williams has returned to her home at Hart, Texas, after a few weeks visit with Miss Sadie Belle Williams.

### GAY NEW PICTORAL THRILL IS COMING TO ENGLISH

"Moulin Rouge," the romantic musical, starring Constance Bennett in her first appearance for Joseph M. Schenck's and Darryl Zanuck's 20th Century Pictures, a United Artists release, comes to the English Theatre for three days starting Sunday.

Its story, based on a French stage success of the same name, will serve to introduce Miss Bennett in her first dual role, and as a singer of songs especially written for her by Harry Warren and Al Dubin, who composed the memorable hit in "42nd Street," "Gold Diggers of 1933" and "Roman Scandals."

Surrounding her is a cast which includes Franchot Tone; Tulio Carminati, stage star of "Strictly Dishonorable"; Helen Westley, one of the founders of the New York Theatre Guild, and a star in many of its productions; Andrew Tombes and Russ Brown, comedians in numerous New York stage shows.

The Boswell Sisters and Russ Columbo, famous radio stars are another attraction of the film.

Sidney Lanfield, who directed "Society Girl" and "Dance Team," directed "Moulin Rouge."

Miss Bennett portrays both the stage-struck wife of a playwright and Raquel, gifted but notorious French music hall artist.

The plot has to do with the efforts of Helen to convince her husband that she should follow a career rather than make a home for him. It accumulates complications which include the situation of the husband making gallant love to her while thinking she is Raquel, and so putting himself in jeopardy of a divorce suit.

The story gathers considerable dramatic momentum, and teeters at all times between comedy and romance.

Its action for the most part, takes place backstage of an important New York revue and in the Park Avenue penthouse of the actress Raquel.

Miss Bennett introduces two songs "Coffee in the Morning and Kisses in the Night" and "Boulevard of Broken Dreams." Tulio Carminati sings "Song of Surrender."

Chorines trained in intricate modernistic dance routines by Russell Markert, who originated the Roxettes in Radio City Music Hall, appear recurrently in numbers keyed to the underlying rhythm of the picture.

The picture was produced on an exceedingly lavish scale, and marks Miss Bennett's debut in musicals.

### STATE HEALTH OFFICER URGES CAUTION TO PREVENT RATTLESNAKE BITE

Austin, April 18.—Dr. John W. Brown, State Health Officer, urges every one to be careful when in the country to prevent snake bite. In Texas the chief offender is the rattlesnake; and, contrary to common belief, it does not always rattle before it strikes.

About seventy-five per cent of all bites occur in the lower extremities and could be prevented, to a large extent, by wearing high top boots or leggins. About twenty per cent occur on the hands and arms. Care should be exercised in not putting the hands in invisible places when climbing, rocks, and to look before picking up anything that may be obscured by vegetation, brush or rocks.

If one is bitten, prompt action is necessary and a physician should be obtained as soon as possible. No time should be lost in removing the poison by suction; this can be done by mouth or a suction cup. First a tourniquet should be applied above the wound, so as to increase con-

gestion and assist in washing out the poison. A cross cut with a sharp, clean knife or razor should be made over each fang mark, or preferably to connect the two fang punctures. Suction should be applied for at least a half hour. The tourniquet should be released every ten or fifteen minutes for a minute at a time.

If bitten by a snake—do not run or get overheated; do not take alcoholic stimulant; do not use potash permanganate (which is now known to be of no value as an antidote) to cauterize the wound; and do not depend on home remedies.

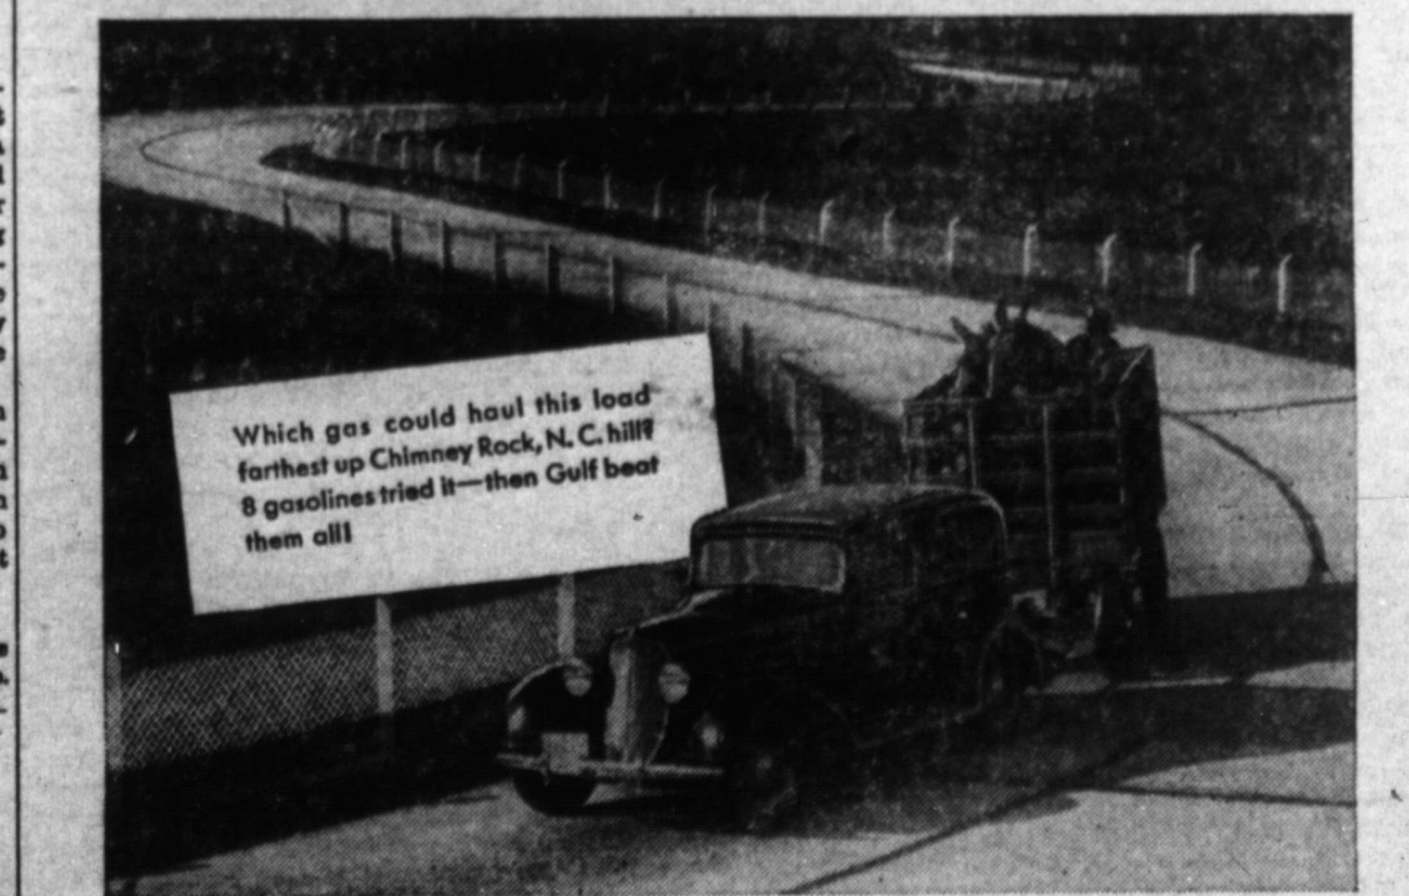

### BULK GARDEN SEED AT THE TAHOKA PRODUCE

**Lady Says She Took CARDUI for Cramps; Was Soon Relieved**  
Women who suffer as she did will be interested in the experience of Mrs. Maude Crofton, of Belleville, Ill., who writes: "For several years, I suffered from irregular trouble and cramping. There would be days when I would have to stay in bed. I would get so nervous, I was miserable. My aunt told me to try Cardui. She believed it would build me up, regulate me and help the nervous trouble. I knew after taking half a bottle of Cardui that I was better. I kept on taking Cardui and found it was doing me a world of good. I am in good health, which means a lot to me." Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician. . . . Price 50¢.

### Feels a Lot Better When Black-Draught Relieves Constipation

From many states come reports like the following from Mr. W. M. Henderson, of Jasper, Fla: "I have been taking Theodorf's Black-Draught twenty years. I take it for constipation that gives me a dull, tired, aching feeling, and I have headache, too. Black-Draught relieves me of this trouble. After a few doses, I feel as good as new. I keep it in my home. I have a big family. When one of us is ailing (from constipation), we take Black-Draught and almost always feel a lot better. It has been worth its weight in gold to my family." . . . Sold in 25¢ packages. "Children like the Syrup."

## 2 MULES VS. 9 GASOLINES WINNER? THAT GOOD GULF!

Gulf wins 7 out of 12 "hill tests"

There's a big difference in gasolines—and Gulf has proved it!

Good Gulf gas faced 32 other gasolines in a series of tests on famous American hills—and won more tests than the 32 other gasolines combined!

Drive into a Gulf station. Try just one tankful of That Good Gulf—and you'll never use any other brand!

### SUITS WINS IN VOICE AT AT SIMMONS CONTEST

(Cont'd. from first page)

that a competent accompanist cannot be obtained nearly as easily as one might expect. By ten o'clock so little progress had been made that Gordon was ready to forfeit. His mother, who accompanied him, happened to recall an old friend who formerly had been a music teacher. She was found and of course was delighted to help. The only trouble was that she did not know the song! However, she went home for an hour and practiced until 12:45, when she returned to the college to give Gordon an opportunity to sing his song one time before he was to appear. Gordon drew number one. And it was nearly an hour and a half until he learned he had been given first place. Professor Sam Losh of the Fort Worth School of Music was the chief judge and was assisted by Miss Anna Morris and Reverend Vergil Reynolds both of Abilene.

Highly complimented by Professor Clyde Garret, head of the music department, and by J. D. Sandefer, president of the college, Gordon was presented with the scholarship, and is later to receive a certificate which is presented by the National Bureau for the Advancement of Music from New York City.

### Asks Farmers To Help Keep Roads

The News has received a communication from Mrs. Fannie Dawson, postmaster at Wilson requesting that farmers do not damage the roads in plowing and cultivating their crops. The communication is as follows:

"We wish to call the attention to all who have been plowing out to the end of the row and then turning around in the road, and thereby doing great harm to the roads, that we will appreciate their cooperation in helping us to keep good roads."

"It is our purpose to see that the rural carriers from this office give good service and we are sure that all our patrons will assist us in this matter by taking care of the roads."

For Plain and Fancy Spring and Summer Sewing, at popular prices, see Mrs. L. D. Nevill. 33-1tc

### Species Of Beetle Lives In Mud Ball

Clay Hughes and Lynn Nevill were out in the vicinity of Tahoka Lake Sunday making some explorations, and brought back a story that reminds one of old Rip, the horned frog, and his long period of hibernation.

Because of some peculiar aspect of a small spot of earth out on the hill near the lake, they decided to dig into it. About four feet beneath the surface they found some peculiar cement-like air-tight globules almost as large as a small hen egg. A few of these they broke open. Imagine their astonishment when they found sealed up inside each ball a living beetle. A few seemed to be dormant when their housing was opened, but after basking a few moments in the warm sunshine they would "come alive." Messrs. Hughes and Nevill bored holes into a few of the cement balls through which they could discern that Mr. Beetle was inside. By shaking these balls one can hear the beetle rattling around in it like a seed in a gourd—only, he almost fills the hollow space inside the ball.

Mr. Hughes brought a few of these curiosities to the News man and Frank Hill has them in his collection of curios.

It is presumed that the larva of the beetle envelops himself in this hard casing and there develops into the pupal state and later into the full-grown beetle. We guess that he finally digs his way out of this hard shell very much as a chicken pecks his way out of the egg-shell. At any rate, the living beetles are found encased in these hard, air-tight balls of clay or plaster. Scientists say that the beetle may remain in the larva state for three or four years and in the pupal stage of development another period of two or three years, before emerging as a full-panoplied beetle.

By the way, we are told that there are 150,000 species of beetle, 12,000 species in North America north of the Rio Grande. They range all the way from the June-bug to the cotton boll weevil. Some of them are very destructive, such as the wheat and corn weevil, the cotton boll weevil, and the potato bug. Most of the species, however, are helpful to growing vegetation, as they prey upon lice and insects that destroy plant life.

### New Home

New Home High School students will present soon a three-act play entitled "Sound Your Horn." The date will be announced next week.

The Commencement address this year will be given on Sunday, June 3, in the school auditorium by Dean J. M. Gordon of Texas Technological College.

Ogle Lemon, an eighth grade student in our school won first place in the high school junior boy's declamation contest at the district meet at Lubbock last week.

Mr. and Mrs. B. A. Crumby and family attended the funeral of little Glen Henson at Wilson Monday. Deceased is a nephew of Mrs. Crumby.

Messrs. Frank Morris and Odie McWhorter of Victoria visited friends and relatives here through the week end.

Fire destroyed the barn of Mr. Wade Ray Monday. Some feed and planting seed were destroyed.

Mr. and Mrs. Jack Link and son, Jackie, have returned to their home in Anthony, New Mexico, after a two weeks' visit here.

### Creekmore Will Speak At Lubbock

Lubbock, April 18.—E. F. Creekmore, vice-president and general manager of the American Cotton Cooperative Association, New Orleans, will be the principal speaker at an educational meeting here May 1 for the recently organized Northwest Texas Cotton Growers

Association, N. H. Payne, manager of the association, has announced. C. O. Moser, also with the American association at New Orleans, Sterling C. Evans, president of the Bank for Cooperatives and others, will likewise appear on the program. A thousand farmers from 23 South Plains and adjoining counties are expected.

Light Crust Flour at Boullouin's.

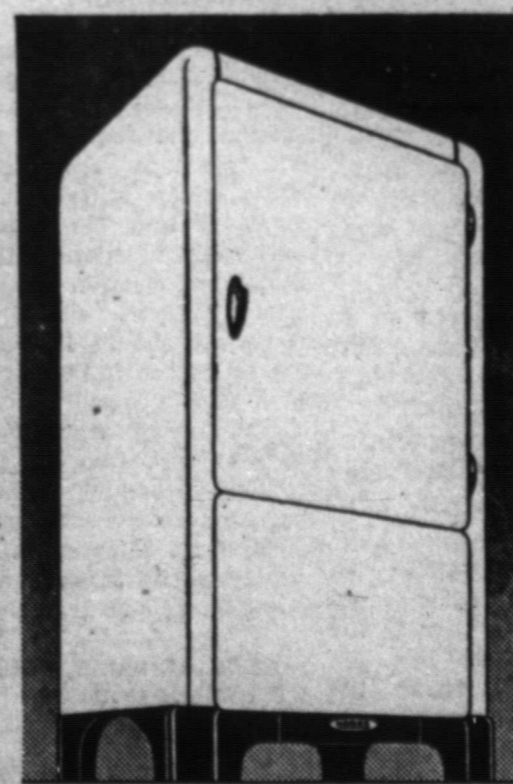

Mrs. J. H. McCoy has been in a Lubbock hospital since last Friday for treatment. It is expected that she will undergo an operation before returning home.

W. E. Suddarth has been in Fort Worth on a business mission since Sunday.

Women who budget their household expenses best—appreciate Rollator Refrigeration most!

**NORGE**  
Rollator refrigeration

THE ROLLATOR—A roller rolls and there's ice. That's all there is to the simple operation of the Rollator cooling mechanism.

**Harris & Applewhite**

ROLLATOR REFRIGERATION IS BEST BY ACTUAL TEST

Those careful homemakers who know just where they stand are the ones most enthusiastic about the new Norge. Their past records show what they used to spend. As soon as Rollator Refrigeration goes to work in their kitchens they see these old figures drop as much as \$11.00 a month.

Rollator Refrigeration now comes to you with added improvements and refinements in the leading models. Notice how the latch opens at a touch... how the interior is at once flooded with light. Pull out a smoothly sliding ice tray from an ice compartment that is odor-proof. Arrange the shelves to suit your purchases. Note the convenient egg basket, Hydrovoir, frozen-dessert tray, and butter and cheese rack.

No wonder women everywhere are talking about this new Norge. They want it for the time it will save them, and the comfort it will bring. But most of all they want it because every month, it will bring them a good substantial money saving.

If you would like to have an extra sum of money to spend every single month, see the Norge before you buy any refrigerator.
