Dean Of Pioneers Is Taken By Death

JACK ALLEY, 77, LAID TO REST

Came To Plains in 1878, Led Active Life On Prominent Ranches, Tahoka's Organizer

Another of our honored pioneers is gone—the chief of them all, Jack Alley, 77, suddenly died at his home, the Sunshine Inn a little after two o'clock Monday afternoon. Death resulted from acute indigestion. He had been in ill health for several months, though it was not suspected that death was so imminent.

Funeral services were conducted Tuesday afternoon in the Methodist Church by the pastor, Rev. H. C. Smith, assisted by Elder R. P. Drennon and Applewhite officiated as funeral directors, and the following were the pall bearers: C. R. Riley, W. L. Burleson, Jim Burleson, W. B. Slaton, R. W. Fenton Jr., and A. L. Smith. Many citizens of Lynn, Lubbock, and other West Texas counties were named as honorary pall bearers. One of the longest funeral processions ever seen in Tahoka followed the remains to the City Cemetery, where the body was tenderly laid to rest.

John P. Alley, universally known as Jack Alley, had resided on the plains and in Lynn county so long, and his life was so in-wrought with the history of this section of the state, that two years ago Frank Hill of this newspaper induced him to relate his life story and to permit its publication. This enchanting story was published in The Lynn County News and in the Lubbock Journal in 1932, and from it we glean the following facts.

Jack Alley was born in Knoxville, Tennessee, on January 18,

Ledbetter Funeral Held Thursday

Funeral services for R. P. Ledbetter, whose death we chronicled last week, were held in the Baptist Church here Thursday afternoon while this paper was being printed. The services were conducted by Rev. W. C. Horn of Meadow, a former pastor of deceased, and burial was in the cemetery here.

Mr. Ledbetter was born in Tennessee on February 6, 1854, and was therefore a little more than eighty years of age. He came to Texas many years ago and was married to Miss Emma Ware in Kaufman county in 1886. He and family came to Lynn county in 1916, residing in the Wells community until the time of his death.

He left surviving him his devoted wife and the following sons and daughters: W. R. Ledbetter of Wells, J. F. of McLean, R. G. of O'Donnell, W. A. of Wells, Mrs. M. E. Trawick of Foard City, and Misses Myrtle and Iva of Wells; all of whom were here for the funeral.

Mr. Ledbetter was a member of the Baptist Church at Wells, a highly respected Christian gentleman, and a good citizen. Many friends here and elsewhere were grieved at his passing.

Lightning Strikes School Building

During the shower of rain which fell Monday afternoon, lightning is reported to have struck near the Central Ward and high school buildings but no damage has been reported further than a little fright and excitement on the part of the pupils. In fact, the air was so charged with electricity that many business men report that they noticed a kind of subdued electrical display in their buildings.

The rainfall was very light in most portions of the county, amounting to only .15 of an inch in Tahoka. It was a little heavier north of town.

School At Midway Ends Year's Work

Prof. A. B. Griffith, principal of the school at Midway, reports that his school closed last Friday, the students observing the occasion with a picnic at Cooper's Canyon. Other teachers in the Midway school are Misses Vern Headstream and Gladys Douthit. Mrs. Griffith teaches music. The Griffiths are planning to leave today for Austin to spend the summer.

The Redwine school also closed last Friday and many other schools in the county are closing this week.

Mrs. Edwards Will Present Piano Pupils

Mrs. M. H. Edwards, teacher of piano, and Miss Bernice Stevens, dancing teacher, will present their pupils in recital in the High School auditorium Saturday night at 8:30 o'clock.

Next Tuesday night, Mrs. Edwards will present her New Home class in recital at the New Home school auditorium. This program will also be at 8:30.

The public is extended an invitation to attend either or both of these programs.

H. D. CLUB BAKE SALE

The Tahoka Home Demonstration Club will sponsor a bake sale Saturday, May 19, at Boulloun's grocery store. We will appreciate your trade.—Reporter.

J. B. Nance was called to Paris, Texas, a few days ago by the death of a niece, Mrs. Maud Nance Crow. He writes that he will be back in Tahoka in a few days to resume his work in procuring a block of leases on which to drill a test oil well. He has already procured most of the required leases.

Mr. and Mrs. J. M. Noble returned Friday from Rockport, where they spent the winter. Mr. Noble says that corn is tasseling out down in the coast country and that cotton is looking well.

BEER ELECTIONS FOR TWO CITIES

O'Donnell And Wilson Will Vote On Legalization Of 3.2 Liqueur Saturday, June 2

The commissioners court on Monday ordered two local beer elections to be held in Lynn county.

One is to be held in voting precinct No. 2, which is the Wilson precinct, and the other is to be held in the city of O'Donnell. These elections were ordered by the commissioners court upon petitions presented from Wilson and O'Donnell respectively, and Saturday, June 2, was set as election day in each instance.

The petition and orders call for elections to determine whether or not beer or malt liquors containing an alcoholic content not exceeding 3.2 percent may be sold in these respective localities.

The News is informed that the recent ruling of the attorney general and also a court decision was presented to the court holding that such elections could not be legally called or held, but the commissioners court took the view that since such elections were being called in other counties and since such an election had been ordered and held for the city of Tahoka, fair play required that these elections be called for Wilson and O'Donnell.

We are informed that three members of the court voted for calling the elections and one against it.

First Concert Is Given By Band

The Tahoka band held its first public concert on the court house lawn last Saturday night, directed by Ivan C. Davis. A large crowd turned out to hear this initial performance, and Mr. Davis is to be congratulated upon the success of the event.

He announced that another concert would be held about a month from that date.

This band was organized just a few weeks ago and is being sponsored by the Marion O. Bradley Post of the American Legion. It now has about 35 members, several of whom reside in the Petty community. The others reside in Tahoka. It has made excellent progress during its brief existence, and it seems certain that Tahoka is soon to have a dandy band.

NELSON ABLE TO BE OUT

Many friends are glad to see G. H. Nelson in his office and on the street again, after having been so seriously injured a few weeks ago in a car wreck. Mr. Nelson has not yet entirely recovered but is steadily improving.

Rev. Ira Harrison, pastor of the College Avenue Baptist Church, Lubbock, spent Monday night in the home of his cousin, Homer Harrison. Tuesday morning he accompanied Mrs. Harrison and several other Tahoka people to Fort Worth, where they are attending the Southern Baptist Convention.

Tom Hunter Spoke In Tahoka Last Saturday

The first candidate for governor to appear in Tahoka this year, Tom Hunter of Wichita Falls, spoke to a crowd of 200 or 300 people assembled on the court lawn Saturday afternoon.

His address was very much the same as that made at other places since the campaign opened a few weeks ago and not very different from the speeches he made in the campaign of two years ago.

Contending that the big oil companies, gas companies, electric light and power companies, and other corporate interests were escaping largely the burdens of taxation, he declared that there should be a readjustment of the tax burdens. He also advocated the divorcement of

Complete Work On Court Yard Paving

Highway No. 9 through the court house lawn was opened to traffic Wednesday. The paving through the lawn is 50 feet wide, with a six inch curb on each side.

This short sector of paving is a beautiful piece of work but it mars the symmetry and beauty of the court house lawn.

Delegates Attending Baptist Convention

Rev. and Mrs. Lawrence Hays and children left Monday morning to attend the Southern Baptist Convention meeting in Fort Worth this week. They went by way of Goldthwaite and Lampasas in order to take Rev. Hays' father, who is also a minister, to the convention.

On Tuesday morning another party of Baptists left for the convention, including Mmes. Homer Harrison, D. V. Smith, C. T. Oliver, Jim Burleson, and Millie Halsey Hill and Misses Viola Ellis and Myrla Cooper of Tahoka and Rev. Ira Harrison of Lubbock.

After a day or two spent at the convention, Mrs. Burleson will visit relatives in Oklahoma and Mrs. Hill will visit her father in Milam county near Rogers.

Assembly Of God Will Hold Revival

Rev. N. C. Whitlock, pastor of the local Assembly of God Church, announces that a meeting will begin in that church on June 1. On the same date Mr. Whitlock and family will take up their permanent residence in Tahoka, removing here from Spur.

Rev. Whitlock says that he will conduct the services during the first ten days of the meeting but after that Rev. C. C. Goree of Amarillo will be in charge, and "special attention will be given to the aged and afflicted."

"Everybody welcome to come and worship the Lord with us," says Rev. Whitlock.

CLUB TO SERVE LUNCH

The Edith Home Demonstration Club women announce that they will serve a plate lunch with dessert and drinks at 40 cents per plate at the American Legion Home here Friday noon.

The proceeds will be used to send a delegate to the A. & M. College Short Course soon to be given. They will appreciate your patronage.

Judge Homer Pharr of Lubbock, judge of the 72nd district court and a candidate for Congress, was in Tahoka Tuesday, meeting the voters.

Mrs. O. J. Jackson is here from Gladewater visiting her daughters, Mrs. C. B. Evans and Mrs. Edd Hamilton.

Some new faces will be seen among the members of the Tahoka school faculty next year. At a meeting of the school board on Tuesday night of last week, J. T. Carter, principal of Central Ward school the past year, was elected principal of the high school; W. H. Bryan, superintendent at Clyde, was elected principal of Central Ward; Rufus Hyde of Stanton was elected coach and science teacher; W. Kary Mathis of Grassland was elected teacher of the seventh grade; and Miss Lowell Douthit was elected fifth grade teacher at Central Ward. Mrs. Floy Nelms was re-elected Home Economics teacher.

Mr. Carter has been principal of Central Ward the past year and has done highly satisfactory work. He succeeds M. J. Weaver, who has been principal here several years.

Mr. Bryan holds an A. B. degree from Abilene Christian College and has done post graduate work at

He was indicted at the February term of court, 1933, but was not apprehended until a few days ago.

Negro Team Will Play Ralls Sunday

Tahoka's colored baseball team will play the Ralls team here next Sunday, and a good game is promised. The Ralls team has twice defeated the Tahoka team on the Ralls diamond but the Tahoka boys are confident of winning the game here Sunday.

The Tahoka team played Post Saturday afternoon, the score standing 21 to 7 in favor of Tahoka. On Sunday afternoon they defeated Lamesa by a score of 17 to 3. This game was played here.

Mourfield In Race For Co. Treasurer

For the first time in his life A. A. Mourfield has gotten into politics. He announces this week as a candidate for county treasurer.

Mr. Mourfield has been a resident of Tahoka for the past ten years. During this time he has been employed at one of the gas, during the ginning season. He is an industrious, faithful employee, who delivers the goods and pleases his employers.

For these ten years he has gone quietly along attending to his own affairs and attending to them well and has won the respect of all who know him. Now he wishes to serve the public and respectfully asks that the public give him a chance to do so. He will make an effort to see most of the voters in person between this date and the July primaries. In the meantime he will appreciate your good will and support.

Rev. B. N. Shepherd Speaks Here Sunday

In the absence of Rev. L. Hays, the pastor, Rev. B. N. Shepherd, a former pastor of the Baptist Church here, will fill the pulpit Sunday morning. Since leaving Tahoka five years ago Rev. Shepherd has been pastor at Clarendon. He recently accepted the work as missionary for a plains district composed of eight or ten counties and makes Plainsview his headquarters. A large congregation is expected to be present Sunday morning to hear him.

Before leaving for the convention, Rev. Hays announced that on Sunday night Judge W. W. Price of Brownfield would fill the pulpit here. Judge Price is a practicing attorney at Brownfield and for many years has been active in Baptist affairs.

TURN THE LIGHT ON THE
LOBBYISTS

The evils connected with lobbying
have been a stench in the nostrils
of honest citizens almost from time
immemorial. Countless politicians
have berated the practice and pro-
posed remedies but not much has
ever been done about it.

The difficulty in dealing with
these evils lies in the fact that not
many of us would like to prohibit
lobbying altogether. Individuals and
corporations interested in proposed
legislation have a right and should
have a right to appear before leg-
islative committees for the purpose
of presenting facts and arguments
that would throw light on the sub-
ject matter. These rights are shame-
fully abused at almost every ses-
sion of the legislature, however, and
sometimes these abuses amount to
nothing less than a public scandal.

Jimmie Allred is probably right in
contending that the operations of
the lobbyists should be so regulated
and curbed as to protect legislators
from annoyance and from the very
appearance of evil. Publicity is the
thing. No person should be allowed
to appear before any committee or
to lobby with any legislator in the
interest of any corporation without
having first filed an affidavit as to
the nature of his employment and
the amount of fee or salary he is
receiving or is to receive from such
corporation. Any lobbyist violating
such law in any manner should be
declared guilty of a felony and any
corporation violating it should have
its charter forfeited. Corrupt lobby-
ing should be stopped. Any lobby-
ing permitted should be open and
above board. It should be done only
in the glare of publicity.

"Pains Gone," Says
Lady, After She
Had Taken CARDUI

In describing how her health im-
proved after she had taken Cardui,
Mrs. Ralph B. Courtney, of Wythe-
ville, Va., said: "I was run-down
and suffered from pain in my
side. I wanted to feel well and
get rid of the pain in my side, so I
sent for Cardui and began taking
it. By the time I had taken three
bottles of Cardui, I was feeling
much better. The pains had gone.
I am very glad to recommend Car-
dual to other young women." ...
Thousands of women testify Car-
dual benefited them. If it does not
benefit YOU, consult a physician.

At the convention of Highway
No. 9 Association held here last
Thursday, a resolution was adopted
favoring the grant of power by the
next legislature to the state high-
way commission to condemn land
for highway purposes. Commission-
ers courts have this power already
but the state highway commission
has never been clothed with such
power. We believe the power should
be granted. The commission is
sometimes hampered and a highway
building project defeated or greatly
delayed by refusal of some com-
missioners court to act. Such is the
case now with respect to our own
highway No. 9 in Glasscock county.
Highway No. 9 passes through a
corner of Glasscock county, a
sparsely settled cow country, and
the commissioners court and most
of the citizens do not care a "conti-
nental" whether the highway is
ever completed or not. A few land
owners refuse to sell the right-of-
way, and the commissioners court
declines to start condemnation pro-
ceedings. There should be a remedy
for such a situation.

Tom Hunter is on the right track
when he proposes to put an end to
the practice of corporations of re-
taining members of the legislature
as attorneys and thus influencing
legislation. The remedies which he
proposes may be a little radical and
impractical but some effective rem-
edy of this evil should be provided.
Legislators should be prohibited
from accepting retainers from pub-
lic service corporations while in the
service of the State and any such
corporation paying or offering re-
tainers to legislators should have
its charter forfeited. Bribery, wheth-
er it be open or veiled, is little less
vicious than treason.

One-Act Barnyard
Drama Is Described

Columbus A one-act barnyard
drama in Colorado county is de-
scribed by W. H. Young, county
agent. The first scene shows 104
disconsolate, lousy old hens, loaf-
ing in the barn lot, a total of 7 or
8 eggs in the egg basket; a discour-
aged young couple trying to pay
grocery bills with egg money.

Scene two shows the county agent
in response to a call for help di-
recting the culling, de-lousing and
worming of the flock. A quick trip
to town and an all mash ration is
put before the hens. It consists of
79 pounds of yellow corn meal, 20
pounds of shorts, 1 pounds of meat
scraps, 2 pounds of bone meal, and
1 pound of each salt and oyster
shell.

As the curtain goes up on the
last scene, three weeks later, there
are 54 contented, singing, happy
old biddies; 45 eggs in the market
basket each eventide, and a smil-
ing and happy young couple—Mr.
and Mrs. Charlie Schimecek of
Oakland.

REPORTS FROM THE
COUNTY CLUBS

Miss Sylvia Robb, H. D. Agent

Draw 4-H Club Girls
Are Very Active.

"Try to make your garden the
best in the county," remarked Miss
Sylvia Robb Wednesday morning,
May 2, in a meeting with the Draw
4-H club girls.

The Draw girls have completed
their bedroom requirements, and
are now interested in their gardens
and the making of dresses for club
work.

After the meeting was adjourned
Wednesday morning, the girls visited
Maurine Cargile, our bedroom
demonstrator, and saw her bedroom.

The girls thought it was very nice
and each one left with the intention
of doing something else to her own
bedroom. Those who had seen
Maurine's room before she started
working on it were especially sur-
prised, for by adding a clothes closet,
a dressing table made of orange
crates, and redoing the walls, ceiling,
and wood work she has changed
the room from a very dark room to
a light and comfortable bedroom.

Since Miss Cargile has been such
a faithful worker the Draw 4-H club
girls are going to send her to the
A & M short course.

At the last meeting we accepted
four new members. They were:
Misses Howard Mae Graham, Carol
Holloway, Louise Florence and Gen-
eva Smith. We are very glad to have
these new members who have ag-
reed to come with Miss Robb to
each club meeting since there is not
a 4-H club in the Redwine com-
munity. There were twenty club
members present at our meeting.

Interesting Program
At T-Bar Club Meeting.

One of the most interesting pro-
grams of the year was given last
Thursday afternoon when T-Bar
home demonstration club met at the
home of Mrs. C. L. Hills. Miss Robb
was present and gave a demon-
stration on making light rolls.

The club voted to send a member
to A. M. Short Course.

Those present were: Mesdames
Lindley, Henderson, Carr, Smith,
Parker, Leverett, Adams, Hill, and
a visitor, Mrs. Denison.

Our next meeting will be a called
meeting May 17th at the club room.

Artie Edwards Has
Fine Garden.

Artie Edwards, food preserver for

varieties of vegetables in her gar-
den.

As soon as she can, she is going
to work and improved her garden
so that she can fill the budget for
the entire family.

New Home Women
Study Bread-Making.

"The kneading of the dough is
an essential part of the bread-mak-
ing process; kneading distributes the
cells uniformly throughout the dough
so the holes will be small and well
spaced," said Miss Sylvia Robb,
home demonstration agent at the
meeting of the New Home Demon-
stration club in the home of Mrs.
Sam Smith Friday afternoon. She
also said kneading develops the glu-
ten in the flour.

The kinds of flour suitable for
different types of bread were dis-
cussed.

Old members present were: Mes-
sies Charles Less, Jim Kuykendall, P.
W. Goad, Limley, Robinson, G. N.
McWhorter, Ben Anderson, R. H.
Bates, Joe Poindexter, and the hos-
tess, Mrs. Sam Smith. Miss Robb
and a new member, Mrs. McClure,
were also present.

5 Six-Footers...
and not a cramp in a Carload!

FIVE big men can relax in utter comfort on
the deep cushions of the Ford V-8. Wide
seats keep elbows out of ribs. Ample leg
room keeps legs from being cramped.

Why? Because Ford measures roominess in
terms of usable body room. Not in terms of
the distance between bumpers, which means
nothing when you come to analyze it.

The Ford V-8's very engine construction
gives you more body room, as the diagram
explains. Cylinders are "doubled-up" saving
space, not strung along in a line to waste it.

See how much less
space is occupied by
the V-8 engine as
compared with the
ordinary "oh" or
"elch." Less space
for the engine
means more space
for the passengers.

The Ford V-8 front seat is adjustable. It
quickly and easily adapts itself to a six-foot-
two husband or a five-foot-two wife. It ends
forever that source of strife.

Before you buy any car at any price, drive

Now we ask you to

WHY do you suppose Chevrolet keeps repeating, in all of its advertising, "Drive it only 5 miles"? Here's the reason: Chevrolet engineers have tried out all the various makes of cars in today's low-price field. And they have proved to their complete satisfaction, the same things that hundreds of thousands of Chevrolet owners are proving in their daily driving: How much more smoothly a car travels with genuine, fully-enclosed Knee-Action. How much more comfortably it handles, with shock-proof steering. How much more restfully you ride, in a Fisher Body car. How

much more safely you drive, with cable-controlled brakes. And how much finer performance and better economy are secured from an overhead-valve Six! In other words, Chevrolet engineers know for sure that the Chevrolet ride simply can't be matched by any other in the low-price field. They know it—thousands of owners know it—and now we want you to know it too, before you make your final choice of a low-priced car.

REPORTS FROM THE COUNTY CLUBS

Miss Sylvia Robb, H. D. Agent

Gordon Club Elects

Short Course Delegates

The Gordon Home Demonstration club met at the home of Mrs. J. M. Rackler at 2:30 Tuesday afternoon.

Miss Robb was present to give the demonstration on lightbread.

The house was called to order by the president. Old business was attended to. New business to be brought up was the election of a delegate to A. & M. Short Course. The members elected our president, Mrs. L. O. Stewart, for the full-paid delegate. Grady Billingsley will go as a part-paid member.

There were 24 present, 21 members and three visitors.

After the demonstration given by Miss Robb, a nice refreshment course was served to those present. Those tasting Miss Robb's hot rolls say they were delicious.

New Lynn 4-H Club Meets

At School Building

The New Lynn 4-H club girls met May 15 in the New Lynn School auditorium. Miss Sylvia Robb, county home demonstration agent, met with us and gave a very interesting talk on clothing and the value of attending the short course.

Since school will be out in the coming week the girls decided to meet at the members' homes instead of the school auditorium. Our next regular meeting will be June 5 with Miss Hallie Higginbotham.

There were nine members present. They were Allene Bartley, Mozelle Carter, Hallie Higginbotham, Artie Edwards, Mary Fleming, Margaret Barton, Zella Mae Gray, Juanita Jones and Modene Tolbert.

County H. D. Council

Met Here Saturday

The Home Demonstration Council met in regular session Saturday, May 12.

A report of the Plainview Dairy Show was given at this time.

Maurine Cargile, 4-H bedroom demonstrator of the Draw 4-H club, gave the story of her bedroom, showing her dressing table made from orange crates.

Miss Robb gave a discussion of the A. & M. Short Course which is to be July 30 to August 3. Lynn county so far has 15 delegates from home demonstration clubs. Last year only three were sent from this county.

Morgan 4-H Club Meets

At School House

The Morgan 4-H club met at the school house May 14.

Miss Sylvia Robb gave the girls final directions for cutting and finishing their dresses. In cutting the dresses no girl is to notch the material for this causes the seams to fray and be weak. No girl is to trim her print dress with organdie or other thin material because such materials wear out much sooner than the print.

RULES FOR REPAIR OF FARM DWELLINGS IS GIVEN

Judge B. P. Maddox, county administrator, has received a communication from the Texas Relief Commission at Austin giving the rules and regulations for the repair of farm dwellings and premises for occupancy by Relief Roll families, which we publish in part for the information of the public.

1. The lease, a supply of which will be furnished you in a few days, will constitute a contract between the Texas Rural Communities, Inc., a corporation acting for the Texas Relief Commission, and the Landlord, and will not be a contract between the Landlord and the Relief Roll Occupant.

2. No farm dwelling and premises will be leased without first receiving approval of the Community Rehabilitation Committee of the Community in which same is located, followed by approval of the County Rural Advisory Committee.

3. All work of repairing dwellings and premises occupied or to be occupied by Relief Clients shall be a part of the County Work Project. Each man shall be assigned first to

work on his own dwelling according to existing rules for work projects.

4. The rules and regulations governing hours and wages for Rural Areas, with which you have already been provided, will apply in repairing and remodeling farm dwellings and premises.

5. General plans and specifications for repairing or remodeling farm dwellings or premises are to be approved by the Work Division of the Texas Relief Commission. The Work Division will also supervise and direct the repair work in the manner provided for other work projects.

6. All supervision not otherwise provided for by the Texas Relief Commission and deemed necessary by the Work Division must be furnished by Local Political Subdivision, organization or agency.

7. The sum that may be spent for materials for repairs or improvements may vary with conditions and circumstances, but, generally speaking, should not be in excess of seventy-five dollars for any one dwelling and premises, inclusive of a pit privy.

8. Land to be used for producing food and feed for home consumption must be provided by the Landlord and covered by the lease. The amount of land shall be in fair ratio to the cost of repairs, but may vary considerably because of soil and climatic conditions, and the particular needs of the occupant.

9. No cash shall be paid the landlord. Repairs to and upkeep of the dwelling and premises is to be in lieu of rent for the years 1934-1935.

10. No Relief Roll Family shall be placed in a leased residence without having been finally approved by the County Administrator after recommendation and approval of the Case Worker, the County Rural Advisory Committee and the Community Rehabilitation Committee.

11. As long as any family is on Relief Rolls its sustenance farming operations shall be under the general direction and supervision of the Texas Relief Commission, or an agency designated by it.

12. The Texas Relief Commission will reserve the right to remove the Relief Roll Tenant for cause and replace same with another tenant selected from Relief Roll Clients, as provided for in Section 10.

NOTICE OF APPLICATION TO CONVERT LOTS, BLOCKS INTO ACREAGE

The State of Texas

To the Sheriff or any Constable of Lynn County, Texas, Greeting: Whereas, on the 14th day of May, 1934, Zappe Land Company filed and presented to the Commissioners Court of Lynn County, Texas, its Application in words and figures as follows:

"Your petitioner, Zappe Land Company, a private corporation, with its principal office at Wilson, in Lynn County, Texas, by Wm. D. Green, its President, and L. Lumsden, its Secretary, who are duly authorized, respectfully represents that said corporation owns all these lands situated in Lynn County, Texas, described as follows:

Being a part of the Southeast One-quarter (S.E. 1/4) of Section No. 568, Certificate No. 526, Abstract No. 548, patented in the name of the Tahoka Cattle Company, and described as all of the following blocks in the "Tahoka Heights Addition to the town of Tahoka, in Lynn County, Texas," as shown by the map of said addition of record in the County Clerk's office of Lynn County, Texas, and now being used by the Tax Assessor of said Lynn County, Texas, to-wit:

All of blocks No. 1 to 8, inclusive; 10 to 16, inclusive; 18 to 23, inclusive; and 26, 27, 28 and 30; and all of Block No. 9, excepting Lots No. 22, 23 and 24.

That no part of said lands is situated in the incorporated city or town.

That heretofore, on or about March 9th, 1928, your petitioner subdivided the said Southeast One-quarter of Section No. 568, Certificate No. 526, Abstract No. 548, patented to Tahoka Cattle Company, into lots and blocks as shown by the map of said "Tahoka Heights Addition to Tahoka, Texas," of record in the County Clerk's office of Lynn County, Texas, in Vol. 43, page 478, of the Lynn County Deed Records, to which map reference is made for further description.

Petitioner respectfully makes application to the Commissioners Court of Lynn County, Texas, wherein all of said lands are located, for permission to cancel all of the above described portions of such subdivision, together with the following streets and alleys and parts of streets and alleys to-wit:

All of that part of North First, North Second, North Third and North Fourth Streets extending West from the West line of Wells Street; all of North Fifth Street extending West from a line connecting the Northwest corner of Lot No. 3, in Block 16, and the Southwest corner of Lot No. 22, in Block No. 9; all of North Sixth and North Seventh Streets extending West from the West line of Miller Street; all of that part of Green Street extending North from the Northwest corner of Block No. 29; all of Lynn and Edwards Streets; and all of that part of Wells Street extending North from the North Line of North Fourth Street.

All alleys in Blocks No. 10, 11, 14, 15, 16, 18, 19, 22, 23, 26 and 27, and all of that part of the alley in Block No. 9 extending West from a line connecting the Southwest corner of Lot No. 3 and the Northwest corner of Lot No. 22, in said Block No. 9, to be cancelled and returned to acreage.

So as to throw said above described portion of such subdivision, streets and alleys, back into an acreage tract as it existed before such subdivision was made; but Blocks No. 29, 31, 32, 25, "School grounds," and Lots No. 22, 23, and 24, of Block No. 9, and so much of the alley north of said three lots as adjoins same; and as much of the street South of said lots as adjoins same; and as much of Green Street as is West of and adjoins said Block No. 29; all of Lockwood Street; all of Wells Street extending South from the North margin of North Fourth Street; all of North Fourth Street extending East of the West margin of Wells Street; all of Miller Street; and all of the Streets between Blocks No. 32 and 25 and "School Grounds," to be left unaffected by this cancellation.

As grounds for such cancellation, petitioner respectfully shows that such cancellation of that portion of said subdivision above described, which remains the property of petitioner, will not interfere with the established rights of any purchaser owning any portion of such subdivision, and all other owners of any portion of said subdivision have agreed to the cancellation now applied for.

That all of the said land now belonging to petitioner is in reality acreage property, and the assessment of same as lots and blocks works a great hardship on the owners and on the taxing officers, leading often to undue tax valuations, as well as unnecessary great expenses, confusion, and possible litigation. Petitioner represents that the cancellation applied for will be a great benefit to petitioner, will work no hardship upon any one, and will greatly lessen confusion, labor, costs and expenses in the assessment and collection of taxes, and will promote the prompt payment of legal taxes on said property.

Wherefore petitioner prays that the Court shall cause notice to be given of this application as required by Article 7227, Revised Civil Statutes of Texas, and after such notice shall have been published as the law requires, that the Court hear and act upon this petition at the next regular term of said Court, and upon such hearing that the Court make and enter an order cancelling so much of said subdivision as covers and includes the above described property now belonging to petitioner and all blocks, parts of blocks, streets and alleys and parts of streets and alleys in the "Tahoka Heights Addition, Tahoka, Texas," except those portions of same hereinabove specifically described as excepted, and authorizing the owner of said land, by written instrument such as is required by law to cancel said subdivision to the extent defined and designated in such order of the Court, and record the same in

the Deed Records of Lynn County, Texas, and authorizing the Tax Assessor of Lynn County, Texas, thereafter to assess such property so thrown back into acreage property, as though it had never been subdivided, and otherwise to pursue the authority and requirements of said Article 7227.

In the alternative, as respects such cancellation, petitioner prays that the Court at such hearing order and permit the cancellation of so much of said Tahoka Heights Addition, to Tahoka, Texas, as the Court shall deem proper.

Respectfully submitted,

Zappe Land Company, By

Wm. D. Green, President.

Attest: L. Lumsden, Secretary."

And, whereas, the foregoing application having been presented to the Commissioners Court, such Court made its order in words and figures as follows:

"On this the 14th day of May, 1934, at a regular term of the Commissioners Court of Lynn County, Texas, all the members of said Court being present and acting, came on regularly to be heard the Application of Zappe Land Company for an order of the Court cancelling and authorizing the cancellation of a portion of the subdivision of the Southeast One-Fourth of Section No. 568, Abstract No. 548, Certificate No. 526, patented in the name of the Tahoka Cattle Company, as made by Zappe Land Company and known as "Tahoka Heights Addition to Tahoka, Texas," by map recorded in Vol. 43, page 478, of the Deed of Records of Lynn County, Texas, as set forth in said application, and it appearing to the Court that said application is in compliance with Article 7227 of the Revised Civil Statutes of Texas, 1925: now, in obedience to said Statute, it is ordered by the Court that the Clerk of this Court issue a citation in terms of law, addressed to the Sheriff or any Constable of Lynn County, Texas, requiring him to summon any and all persons interested in such lands to be and appear before the Honorable Commissioners Court of Lynn County, Texas, at the regular term thereof, commencing on the 11th day of June, 1934, the same being the second Monday in said month, in the town of Tahoka, Lynn County, Texas, in the Court House of said County, at ten o'clock, a. m., when and where said application will be heard by said Court, and then and there to protest if desired against

the action therein prayed for; and said citation shall contain a copy of this order and of said application, and shall be published in some newspaper published in the English language in Lynn County, Texas, for three consecutive weeks prior to the 11th day of June, 1934."

Now, therefore, you are hereby commanded to summon all persons interested in the Southeast One-fourth of Section No. 568, Abstract No. 548, Certificate No. 526, known as the "Tahoka Heights Addition to Tahoka, Texas," situated in Lynn County, Texas, and being the land described in the foregoing application and order, by making publication of this citation once in each week for three consecutive weeks before the return day hereof, in some newspaper published in the English language in Lynn County, Texas, to appear at the next regular term of the Commissioners Court of Lynn County, Texas, to be held at the Court House thereof in Tahoka, Texas, on the second Monday in June, 1934, the same being the 11th day of June, 1934, then and there, if desired, to protest against the granting of said application filed in said Court on the 14th day of May, 1934, and being the application hereinabove set out.

Given under my hand and the seal of said Court, in the City of Tahoka, Texas, this 15th day of May, A. D. 1934.

H. C. Story, County Clerk and Ex-officio Clerk of the Commissioners Court in and for Lynn County, Texas. 39-31c.

BAPTIST W. M. S. RENDERS INTERESTING PROGRAM

With Mrs. H. B. Howell as leader,
a most interesting and instructive
program on "Baptist Avenues of
Service" was rendered by the
Blanche Rose Walker Circle of the
Baptist W. M. S. in a joint meet-
ing with the Sallee Circle in the
honor of Mrs. W. M. Harris, Mon-
day afternoon.

Baptist organization was traced
from the first Baptist Convention
in America in 1814 to the present
"Baptist World Alliance" by several
members of the Walker Circle in-
cluding Mesdames Tom Lemond,
J. M. Dye, J. L. Reese, D. H. Good-
nough, Jodie Nevill, Ollie Johnson,
W. E. Heathman, Mrs. J. B. Walk-
er and Mrs. F. M. Billman gave a
dialogue called "Then and Now,"
in which dress, modes of travel,
women's work and other subjects of
general interest were compared,
1814 with 1934.

After a short business session pre-
sided over by Mrs. H. P. Caveness,
W. M. U. President, a committee
from the Sallee Circle served a re-
freshment plate to the following:
Mesdames Ollie Johnson, Wiley
Fortenberry, W. M. Harris, E. N.
Weathers, V. A. Botkin, Tom Le-
mond, W. E. Heathman, E. I. Hill,
Mother Stroud, E. J. Cooper, R. C.
Wells, H. B. Howell, H. P. Caveness,
J. B. Walker, F. M. Billman, D. H.
Goodnough, Jim Dye, J. L. Reese,
Jodie Nevill, A. A. Suits, C. C. Bar-
nes, Sam Holland and Thompson.

MOTHERS' DAY OBSERVED AT METHODIST CHURCH

Mother's Day was observed at the
local Methodist Church Sunday
night by a large and appreciative
audience, which heard a most ap-
propriate sermon from the pastor
and the following brief special pro-
gram: Solo, "Those Songs My
Mother Sang," sung by A. J. Thomp-
son; duet, "Silver Threads Among
the Gold," by Mesdames Edwards
and Carmack; reading, "Mother,"
Betty Ruth Wyatt; solo, "That
Wonderful Mother of Mine," sung
by Mrs. Marvin Munn. Each num-
ber was effectively rendered and
much enjoyed. The offertory was
Brahms' "Cradle Song."

The second quarterly conference
of the church will be held on Mon-
day evening, May 21st, following a
supper and social hour in the
church basement, scheduled to be-
gin at 6:30 o'clock. Dr. W. M.
Pearce of Lubbock will be in charge.
The entire church family is urged
to attend.

Let us have a banner attendance
in the church school Sunday morn-
ing. Will you be in your place?—Re-
porter.

W. M. S. OF BAPTIST CHURCH ENTERTAIN TAHOKA SENIORS

For some years it has been the
custom of the W. M. S. of the Bap-
tist Church to entertain the High
School Seniors and faculty with
some kind of a social function. The
occasion this year was a banquet
spread in the church dining room
on last Friday evening. The class col-
ors of pink and white were used in
decorations and table appointments
and the clever arrangement of pink
and white crepe papers with a pro-
fusion of pink and white roses pro-
duced a truly beautiful effect.

The guests were served at small
tables, each seating four. The favors
were tiny dolls dressed in college
caps and gowns.

An interesting program built a-
round the theme of Christian Edu-
cation was rendered by local talent.
The church orchestra furnished
beautiful music throughout the eve-
ning.

Some forty-five guests were serv-
ed the following menu: Fruit Cock-
tail, Pressed Chicken, Hot Rolls,
Buttered Green Beans, Potato a la
Creme, Tomato Jelly Salad, Straw-
berry Parfait, Angel Cake, Iced Tea
and Mints.

PHOEBE K. WARNER CLUB MET IN CALLED MEETING

The Phebe K. Warner club held
a called meeting Friday, May 11th.
This was the last meeting until
September and was called by Mrs.
R. W. Fenton Jr. in order to finish
all business matters of the club.
Members have Centennial seals for
sale and the club asks that mer-
chants co-operate with them in
selling these, thereby helping Texas
in general as well as the American
Legion and women's clubs. Other
sundry matters were disposed of.
A refreshing drink was served to
those present.

The mild, dry winter over most
of Texas has allowed early appear-
ance of insects to bring serious crop
damage threats.

HUNTER ENTERTAINED IN CLAY HUGHES HOME

Mr. and Mrs. Clay Hughes had
the honor of entertaining the Hon.
Tom Hunter, candidate for govern-
or, in their home while he was
here for his speaking appointment
last Saturday. With Mr. Hunter was
his brother-in-law, Homer Scott of
Lubbock. Present on this occasion
also were Mrs. Hughes' sisters, Mmes
L. D. Nevill, H. A. Riddle, and Ovid
Lualin.

All of these are intimate and
long-time friends of Mr. Hunter. In
fact Mr. and Mrs. Hughes, Mrs. R.
C. Forrester and Miss O'Ber, and
others here are distantly related to
Mr. Hunter through marriage ties,
and Mrs. Hunter has visited here
at frequent intervals.

Mr. Hunter therefore met a cor-
dial welcome in Tahoka and greatly
enjoyed his visit here with these
and other old-time friends. He
made many new friends also while
here, and naturally he will have
strong support in Tahoka and
throughout Lynn county.

Mrs. J. D. Overton and her
daughter-in-law, Mrs. C. N. Over-
ton of Albany, and Mrs. Wallace of
Lubbock were here Saturday as the
guests of Mrs. Millie Halsey Hill.

Mrs. J. H. Eubanks, Mr. and Mrs.
Halsey Eubanks and little son James
and his friend Carroll Shelton, all
of Slaton, visited in the editor's
home Sunday afternoon.

Mr. and Mrs. Frank Hill and lit-
tle daughter Patricia spent Sunday
with relatives at Crosbyton.

Black-Draught Brings Refreshing Relief of Constipation Troubles

Constipation produces many dis-
agreeable sensations, several of
which are mentioned by Mr. T. E.
Stith, of Boonville, Ind., who
writes: "I have used Theodore's
Black-Draught many years when
needed for biliousness and other
minor ills when a laxative was
needed. I have a tight feeling in
my chest when I get bilious. I get
dizzy and feel very tired, just don't
feel like doing my work. After
taking Black-Draught, I feel much
better. This is why I continue to
use it when needed." ... Theod-
ore's Black-Draught is a good,
purely vegetable laxative, obtain-
able for 25¢ a package.

Baseball Dope

(By Paul Ponder)

Well, the tide has turned—I knew
it would—and when I saw the hap-
py smiles playing upon the faces of
our boys after their return, the
reason was an easy one to guess.
They had struck a winning streak,
the first one of the season. Last
Sunday, it was again Tahoka vs.
Wilson on the latter club's diamond.
The writer didn't see the game nor
the score card but is told that it
was an interesting tilt witnessed by
a large and enthusiastic crowd and
resulted in a score of 9 to 6 for Ta-
hoka. Welcher played first base for
six innings in place of "Wimpy"
who failed to show up, and John-
son of Slaton substituted as short
stop for Wade Holland who was also
absent. Otherwise the line-up was
as usual.

Harley pitched the first 6 innings
yielding but few hits and allowing
but 4 runs, two or three of which
were unearned—coming as a result
of errors. Hill tossed the remain-
ing three frames, of which 2 runs were
scored in which errors again fig-
ured. Wilson wore out two twirlers
trying to curb the free hitting spell
that had seized our batemen but

they were ineffective. With a sys-
tematic workout or so, our team
will be up to their usual standard,
and the next time New Moore or
any one else crosses bats with them,
they will have a more formidable
enemy than before.

ROLLATOR REFRIGERATION makes a GOOD home manager A BETTER ONE

"My husband says that I'm a better buyer than he
is, and admits that it takes careful management to
set a good table on the allowance he can afford
to give me. But we have both realized that a dollar
goes much farther in the purchase of food since we
bought our Norge. I can buy food in larger quantities
at the most favorable times, and Norge Rollator Re-
frigeration keeps it perfectly fresh for days and days.
It has been like getting an increase in my allowance."

You will delight in the distinctive beauty of the
new Norge, and the many conveniences that make
it a joy to use... and you'll never have to think about
its simple, trouble-proof mechanism. The extra-
powered Rollator mechanism, exclusive with Norge,
costs only a few cents a month to use and effects
savings up to \$11 a month.

See the Norge before you buy any refrigerator.
You will be pleased with its reasonable price and
the easy payment plan.

THE ROLLATOR
Smooth, easy, rolling power
instead of the hurried kick-

actually improves with use.
Only Norge has the vital
exclusive advantage of the

4-H Club Bedroom Contest Winners Tell How Improvements Were Made

Below the three winning girls in the recent Lynn County 4-H Club bedroom improvement contest tell how their work was accomplished. All improvements have been accomplished in the last four months and under the direction of Miss Sylvia Bobb, county home demonstration agent.

The girls' own accounts follow:

Mary Helen Henderson
(Age 16, Member T-Bar Club)
In February the house in which we now live was moved. The room I chose to make a bed room was just a bare room. The wood work had never been painted nor had the walls been papered. The floor was rough and had never been stained. There was only one door and two windows in the room.

Before I started fixing my bedroom I visited bedrooms fixed by

two other girls and learned much which helped me in fixing my room. The first thing that was done was to build a door from my room into an adjoining one. Then a clothes closet was constructed of paste board boxes and papered inside. Two shelves were built in the closet and then a rod on which to hang my clothes and a shoe rack were added. I made the shoe rack in the club.

I then smoothed the floor and stained it. The stain cost me only \$48 and it made my floor beautiful. I then had a wash stand and study table built. I painted all the wood work, my bed, the wash stand and the study table cream colored. I used a small table which I already had for a bedside table. I made my dressing table of two orange boxes. I covered two chairs with cretonne and with the same kind of material I made a curtain for my dressing table.

I made two braided rugs and added some linens. I hung light cream colored curtains at the two windows. I am very proud of my bookshelf and standard bed. I have a slat to every coil of springs. I have made a mattress cover and a spring cover, and quilt and pillow protectors. I also have a pair of pillow slips and a sheet which I made in the club.

I enjoyed doing all the work I did in my room. I started with a bare room and now I have a lovely bedroom which cost me only \$6.12.

Maurine Cargile
(Second, Draw, Age 14)
I have enjoyed very much being the bedroom demonstrator of the Draw 4-H club. I will now trace my club work during the past time that I have been working on my bedroom.

At the beginning of the club work my bedroom was very dark. It contained only one window and no outside doors. The wall paper was worn and faded. The ceiling was of a dark tan color. The window shade was also of a dark color. From this description, you can very well imagine how dark my room was. I had no dressing table, and, above all, I had no clothes closet. My floor had no kind of stain or oil upon it. The paint on the wood work was scarred. Now I will give you a description of my room at the present time.

The walls have been repapered with a light colored background on the paper. The ceiling has been kalsomined with white kalsomine. I bought a light colored shade for my window for only \$39, which helped to lighten the room. The dressing table made of orange crates, and the bedside table made of small pieces of wood and spools make it more attractive.

The floor is now oiled with linseed oil. My study table, what-not, dressing table, bed, and bedside table are enameled with ivy enamel which almost matches the background in the wall paper.

The closet only cost \$1.29. One cannot imagine how convenient she is until she has one in her bedroom.

The Draw 4-H club girls accompanied by Miss Robb and our sponsor, Mrs. Kates, visited in my bedroom Wednesday, May 2, 1934. The girls agreed to raise enough money in different ways to send me to a Short Course and perhaps another girl if possible. I am very glad the Draw girls are taking an interest in the 4-H club.

I wish to extend my appreciation to Miss Robb, our sponsor, Mrs. Kates, and my club-mates for the help that they have given me while I have been bedroom demonstrator. I hope each 4-H club girl has enjoyed the club work as much as I have.

Juanita Boen
(Third, South Ward, Age 10)
Even the darkest and most dreary room can be made into a very pretty light and cheerful looking bedroom. This can be done at so small an outlay of time and money that anyone who so desires can easily have a cheerful place to sleep. At least, I made my bedroom so. When I joined the club my room was dull and dreary looking so I decided to be "bedroom demonstrator" and fix it up.

First, I scrubbed all the walls as my room was not papered. Then I painted my bed. I picked up scraps of lumber around home and made a dressing table and bench. I made my study table out of an old apple box and my chair is an old cane-bottomed chair covered with crelone to match my trunk and dressing table. My clothes closet is made out of old kitchen safe, papered on the inside and is complete with hat racks and shoe racks. The bedside table is made from a boxing plank. The wash stand is made from scrap planks. All of my

DEAN OF PLAINS PIONEERS, JACK ALLEY, DIED MONDAY

(Cont'd. from first page)

1887. While in the middle teens he quit school and went to work in a book store, a work that enabled him to continue his education—which is far better than that of the average man of his age.

After a year of this work, the lure of the west drew him to Dallas, which was then beginning to boom as the result of the coming of her first railroad. He arrived in the Texas city late in the summer of 1875 and secured work in the old John S. Jackson book store on Main Street, where he worked until February, 1876. Then he pushed on to the extreme frontier, Palo Pinto county, and went into the employ of Rev. G. W. Slaughter, a Baptist preacher and a cowman, who would buy cattle and look after his business interests by day and preach at some ranchman's house at night.

After about two years in the service of this preacher-cattleman, Jack Alley secured a job with Will and John Slaughter and came to the plains. It was in 1878 that the Slaughters came to Crosby county and established their ranch, the second ranch ever established on the South Plains. Hank Smith having founded the first one.

Three Indian raids were made on the Slaughter outfit in Crosby county while Mr. Alley was on this ranch. In the second raid, which occurred in the Spring of 1879, the Indians stole 35 or 40 Slaughter horses, and the cowboys followed them. They pursued the band and had a running fight with them from Double Lakes in Lynn county for a distance of about 15 miles southwestward. There were no casualties among the whites, but two or three of the Indians were wounded.

Not only was this section of the country still subject to Indian raids but the buffalo were still here when Jack Alley came to the plains. Most of them had been killed out during the three or four years preceding his arrival but herds of seventy-five to a hundred could still be seen often. And there were some bear in the breaks along the caprock. On one occasion Mr. Alley and a cowboy companion ran upon a big one. Alley fired at the animal and missed. Unable to dislodge the empty shell, he decided to rope the infuriated beast. He did so, and then had much difficulty in staying out of the bear's way until his companion succeeded in killing the brute.

Mr. Alley saw all the big ranches in this section of the state established. He became well acquainted with practically every ranch from Albany and Fort Griffin on the east to the west line of the state, as far north as the Goodnight Ranch and as far south as Colorado City. In 1883, John and Will Slaughter decided to remove to western New Mexico, and in June of that year Mr. Alley started out with 2500 head of cattle for the new ranch in that territory. His trip across the then waterless plains was a hazardous one but he succeeded in making it without the loss of any stock and arrived at his destination some time during the next Spring. He remained a trip to South Texas for another year until 1885 and then made ranch outfit.

In 1886, he went to Utah to operate a ranch for John Slaughter. A year or two later he quit the ranch and engaged in other business in Colorado. He came back to Texas in 1894 and in the same year became manager of the Long S or Buffalo Ranch belonging to Col. C. C. Slaughter, the second largest ranch in this entire section of the state. It extended from Gall on the east to Seminole on the west and from a few miles south of the Lynn county line to within ten miles of Big Spring. It was about 40 miles wide by 80 miles long and contained approximately two million acres of land. On it ranged from 40,000 to 50,000 head of cattle.

Two or three years later he quit this ranch and went to Mexico but soon came back. Col. Slaughter sent for him and made him boss of his newly-acquired Tahoka Lake Ranch. The northern limits of this ranch was just north of Tahoka Lake and the southern limits were in Dawson and Borden counties. The headquarters were eight or ten miles east of here.

Then came on the flight with the "nesters." About 200 sections of Slaughter's ranch in Lynn county was leased and Slaughter was unable to hold it. Mr. Alley himself filed on four sections at Tahoka Lake and moved the Slaughter headquarters to the spring on the west side of the Lake. He operated this ranch for Col. Slaughter till about 1905 and then went into the ranching business on his own hook. He added to the four sections until eventually he had 22 sections of land.

In 1903 he helped to organize

Lynn county and to found the town of Tahoka. He and Bill Petty and B. G. Sweet formed the Tahoka Townsite Company, bought a section of land from an Ohio man, sold shares in the proposed town, laid it out into blocks and lots, and permitted share-holders to draw for lots. Thus Tahoka became the first town on the south plains south of Lubbock.

Mr. Alley sold his Tahoka Lake Ranch in 1909 and moved to Tahoka to operate a store which he had established several years previously. He also became postmaster here but resigned in 1911 to become manager of the Long S ranch at Soash near Big Spring. He remained there four years, during which time he rehabilitated and greatly improved this ranch, which he had found in a run-down condition. He then leased a ranch belonging to Col. Slaughter situated at Runningwater in Hale county and remained there four years. At the end of this time he returned to Tahoka and continued to reside here until his death.

While on Tahoka Lake Ranch Mr. Alley was married to Mrs. Effie McNeill Cooke of Lubbock, a descendant of James Bowie of Alamo fame. She and her little daughter, Ethel—now Mrs. B. H. Robinson—had recently moved from Dallas. Mrs. Alley was among the first women residents of Lynn county and for quite a while Ethel was the only child in the county.

Surviving him are the devoted wife, his step-daughter, Mrs. B. H. Robinson of this city, a foster daughter, Mrs. A. C. Bennett of Quitaque, and her little daughter, and Jack Alley Robinson, son of Mr. and Mrs. Robinson of this city. For the past fifteen years Mr. Alley had been a member of the Christian Church. He was a man of convictions, courage, stamina, kindly and big-hearted. He had a colorful career and had hundreds of pioneer friends scattered throughout West Texas, who loved and admired him for his manly character, while he was known, loved and respected by practically the entire population of Tahoka.

A heroic character has passed on. Peace to his ashes.

Simmons, the National University of Mexico, and the University of Texas. He has been at Clyde eight years, the first two as principal and the last six as superintendent. Since his election here, however, it has been learned that he has been elected as superintendent at Blackwell and the probabilities are that he will accept that position.

Rufus Hyde has been coach and a teacher in the Stanton High School the past four years. He holds a B. A. degree from Simmons University, and comes highly recommended. It is said. He succeeds Mr. Hunter here.

Kary Mathis has been teaching for ten years, the last year as principal at Grassland. He received his B. A. degree at the Texas Technological College, and expects to receive his M. A. degree in August. He succeeds Miss Powell as teacher of the seventh grade.

Miss Lowell Douthitt, who was practically reared here and who is a graduate of the Tahoka High School, did her college work at the Tech. She has been teaching the past year at Grassland. She takes the place of Miss Childs as teacher of the fifth grade here.

J. W. Jaquess has been re-elected janitor at the high school while Dwain Peters was given the job at Central Ward.

Mrs. W. C. Wells and daughter, Mary Bland, have been confined to their rooms several days with the measles.

be "The Melting Pot," a patriotic pageant, by the fourth grade. "Robin Hood Wins the Queen's Wager" will be presented by the fifth grade, and "The Call of Vacation" by the sixth.

The seventh grade graduation exercises will consist of a piano solo by Miss Marjorie Wells, a reading by Miss Pearl D. Rogers, a solo by Miss Auda V. Huffmyer, and the class song by the entire class. Mrs. J. K. Applewhite will assist at the piano. The diplomas will be presented by Supt. J. B. Pace.

The week's closing exercises began with the commencement services held in the high school auditorium Sunday morning, when Rev. H. C. Smith, pastor of the Methodist Church, delivered a most thoughtful and impressive discourse to the class and to an audience that packed the auditorium. On Monday night the music pupils of Mrs. J. K. Applewhite rendered a most creditable program. Friday night she had presented other pupils in a joint recital with Miss O'Bera Forrester's expression pupils.

Tuesday night the Senior Class presented their Class-Day drama, "At the Sign of the Gypsy." This program was unique and well rendered and was much enjoyed by the large audience present.

The graduating exercises Friday night, of course, will be the final event marking the close of another most successful school term. Tahoka has best wishes for all the graduates, some of whom doubtless are terminating their school careers and some of whom will enter college for further study and training. We also

have best wishes for all members of the faculty, both those who will remain with the Tahoka school system and those who will seek positions elsewhere. May fortune and happiness smile upon them.
