Texas hung her head in shame again last week when it became known that our governor had practically pardoned the perpetrator of one of the worst crimes ever committed in this state. Bob Silvers and another bandit a few years ago robbed and killed theatre employee in Fort Worth. Silvers was tried by a jury and given the death sentence. Stone, his companion, was tried by a different jury and given life imprisonment. Not sure whether Silvers or Stone did the actual shooting which took the innocent man's life, and believing that they were equally guilty and should receive the same punishment, Dan Moody while governor commuted Silvers' punishment to life imprisonment. Last year Mrs. Ferguson turned Stone out and now she has further commuted Silvers' sentence so that he will walk out of the penitentiary a free man in 1936. It's a disgrace to Texas.

MAY SALES OF CHEVROLET SHOW LARGE INCREASE

A total of 83,839 units was delivered by Chevrolet dealers during May, according to figures released today by William E. Holler, general sales manager of the Chevrolet Motor Company. This total includes Canadian, export and domestic deliveries and represents a substantial increase over the same period of 1933 when 69,125 units

"Deliveries of commercial cars and trucks were especially significant," said Mr. Holler, "The commercial car and truck total for May of 15,134 units over-shadows the excellent figure reached in May, 1933, when 10,879 units were delivered. Sales of both passenger cars and trucks improved greatly during the last ten-day per.od of May and accounted for the impressive retail sales total for the month. PRESBYTERIAN SERVICES

On account of some readjustments of Presbytery, we have had to give Tahoka for the last two months the third Sunday of each month. But after this we return to our regular day, second Sunday, as heretofore. Keep this in mind and don't forget all services next Sunday. Let us have a full attendance at Sunday School and both church stalled and water is piped to the

THREE ADDITIONS TO BAP-TIST CHURCH LAST SUNDAY

We had a good day last Sunday with three additions to the church at the morning hour and 199 in Sunday School. We express the hope that all our people will be on hand Sunday both for Sunday school and the preacing services. Especially do we want those who sing in the choir in their places both morning and evening.

The cooling plant will be in operation by Sunday, and it promises to give better service than last summer. A new motor as been inservices next Sunday. Being at Sun-day School shows that you remem-ber when Sunday comes. Being at saturated to a heavy humidity This should be an attraction . to our people this hot weather. Regardless of the temperature outside, the auditorium will always be cool and comfortable. The pastor will preach Sunday morning on "The Bruised Reed **EUZELIAN CLASS HELD** and Smoking Flax" or God's message to the weak. Sunday evening the subject will be "Lost." There will be special music at both hours. Sunday school begins promptly at 9:45. Training service at 7:45. Welcome to visiting friends.
