Highway No. 9 Work Will Be Resumed

Business Men Form Civic Organization

SERVICE CLUB PLANS ACTION

Belton Howell Elected President Of New Body; 148 Men Pledge Cooperation

After several years without an active chamber of commerce or other service club, fifty-two business men and clerks met at the court house Tuesday night and organized a club to promote the interests of Tahoka and Lynn county. A name for the organization will be selected by a board of directors within a few days.

Belton Howell was elected president of the organization. Layne Moreland, one of the instigators of the movement for the club, will serve as secretary-treasurer without pay. The following will compose the board of directors: Dr. L. E. Turrentine, Jim Dye, W. T. Jones Jr., W. L. Burleson, and R. P. Weathers. Men present pledged themselves to work unselfishly for the benefit of this and all other communities of Lynn county. During the day Tuesday 148 business men and store clerks signed a pledge to give their whole-hearted co-operation to such an organization.

Several projects are already being discussed which the club will probably work on, among these being cooperation with the American Legion in securing a state park for Lynn county, paving of highway No. 94, a monthly trades day with entertainment features and bargains in merchandise, better support of the band and the ball team. Those present voted unanimously to steer the club entirely clear of politics and all factionalism, to act as a service and booster body, and to put forth more action than "hot air."

"For the past few years Tahoka has been sitting here holding her hands while other towns step out and get the grapes," one business man stated Tuesday. "All our neighboring county seats are infringing on our trade territory. Too, we are sleeping on our rights in securing paving of highway 94, as well as making our own county people feel at home when they come to Tahoka."

Fred C. Haile Is Tahoka Speaker

Fred Haile of Spur, Dickens county candidate for congress, made his first appearance before a Lynn county audience here at three o'clock Saturday afternoon, speaking to a good-sized crowd for just one hour.

He showed a knowledge of governmental problems and of world conditions that was refreshing and surprising to most of his auditors. Though not a lawyer and not trained in the law, yet his diagnosis of the country's trouble, his broad grasp of world affairs, and the remedies he proposed for the ills of the country would do credit to most of the lawyers of this country. Bright and witty, using many quaint and forceful expressions to put over his ideas, he held the rapt attention of his audience from the beginning to the close of his speech.

Many expressions of surprise and approval of his speech were heard following its close.

WHITE MAKING SPEECHES

Taylor White, candidate for Congress, says that he has been meeting many voters in the district the past week. He spoke in Post and Snyder last Saturday. He says that he does not know what the outcome will be but that he gets good hearings and a good response everywhere he speaks. Taylor White may not go to Congress but there are few if any better men.

State Canadate Visits In Tahoka

Fred W. Davis of Austin, candidate for commissioner of agriculture, was a visitor in Tahoka Tuesday morning.

Mr. Davis was commissioner of agriculture of this state from 1905 to 1921 and has long been prominent in the politics of the state.

Mr. Davis claims that the department was more active and efficient during this period of time than any other like period in its history. He promises, if elected, to expand its activities and usefulness and make it a real help to the farmers of Texas.

School Restores Aggie Courses

J. B. Strickland was recently elected by the Tahoka school board as teacher of vocational agriculture in the school here for the ensuing year.

Mr. Strickland will teach two first year courses and one second year course. These courses will include general agriculture adapted to this immediate section.

Mr. Strickland is married and moved with his family to Tahoka last week.

He is a graduate of Texas Technological College and a major in animal husbandry, having spent three years in the Tech dairy and one year with beef cattle in that institution. He finished his high school education at Silverton.

Relief Roll Men Must Go To Work

Notice to persons on Lynn County Relief Rolls:

Upon instructions embraced in a resolution passed by the Texas Relief Commission June 27th, 1934, notice is hereby given to the effect that persons physically able to work who are offered employment at the prevailing wage scale in the locality wherein the work is to be performed, and who refuse to accept without good cause, shall not be furnished relief.

The following instructions are issued to all citizens of Lynn county:

Any person or persons offering employment to others, whether on relief rolls or not, will inform the local County Relief Board chairman in writing immediately on employment offered by such citizens is refused. Such advice to the County Board chairman will include, when possible, the work-seeker's full name, address, employment offered and wages offered.

When any person has been offered employment, and has refused it, under the conditions above stated, the County Relief Board of Lynn county is prohibited from giving either direct or work relief to such person.

This pronouncement is published under the direction from the Texas Relief Commission, whose membership requests the universal cooperation of the people of Texas in support of this action which is directed at the displacement of persons on relief who refuse to accept work.

Adam R. Johnson, Director Texas Relief Commission.

B. P. Maddox, Administrator of Lynn County Relief Board.

W. O. Thomas, Chairman, Lynn County Relief Board.

ATTEND BAR ASSOCIATION

District Attorney G. H. Nelson and County Attorney Trust Smith attended the state Bar Association in session at Fort Worth the latter part of last week.

Taylor White Rally Monday

Announcement is made that there will be a rally in the interest of Taylor White for Congress at 8.30 o'clock Monday night on the court house lawn.

The program will be in charge of Mr. White's friends and there will be special entertainment features.

This will not be just an ordinary political speaking, but the program will be unique and varied, entertaining and informative.

The entire citizenship of Tahoka and Lynn county is invited to attend.

Veterans Eligible For Forest Work

War veterans of all the drouth area are eligible to enlist for U. S. forest work. Judge B. P. Maddox says, and all veterans in need of such work should report at once to Jim Dye, post commander of the American Legion here.

Judge Maddox says that he had no information as to how many will be accepted from Lynn county. W. D. Nevels and daughter, Willie

Cow Inspection Will Begin Soon

We have been notified by V. F. Jones, county agent, that the Government Veterinarian who will inspect the cows in the buying program will be in Lynn county Friday of this week to start work.

Mr. Jones asks that all men who have cows to sell under this program list these cows in his office at an early date.

Willingham Has Queer Cactus Species

Frank Willingham brought to the News office Saturday a species of cactus different from any we have ever seen before. He procured it last Fall from a cotton picker who had found it out in New Mexico somewhere. The leaves are all crumpled but lie close together as do the leaves of other varieties. It had grown so rapidly and had become so beautiful that Frank brought it in to have it inspected and labeled if possible. He has found no one who has seen a variety like this.

The World Book says that there are 1,000 varieties of cactus, several hundred of them in the southwestern part of the United States. Texas has many varieties, but this seems to be a new one.

Rural Carriers Will Meet Here

The Lynn County Rural Carriers Association will meet at the court house in Tahoka at 8:30 p. m. Friday, according to W. E. Sudarth, for the purpose of electing officers and selecting delegates to the state convention which is to be held in Texarkana next week.

The Lynn county association consists of carriers of Tahoka, Wilson, and O'Donnell. D. W. Dodson of Tahoka is president and W. E. Sudarth is secretary.

MERKEL PASTOR TO PREACH AT LOCAL BAPTIST CHURCH

Upon invitation of the church, Rev. C. R. Joyner, pastor of the First Baptist church of Merkel will meet with the Baptist church and conduct a service here on Wednesday of next week.

The pulpit committee urges that all members of the church be present and meet and hear Bro. Joyner on this occasion.

Mr. and Mrs. Jack Cannon and children of Abilene and Miss Lois Jackson of Gladewater spent July 4 and a few days following here with Mrs. C. B. Evans and Mrs. Ed Hamilton.

MAN HURT IN CAR ACCIDENT

A. J. Wacker, Lubbock, Taken To Hospital Following Wreck Near Here

A. J. Wacker of Lubbock suffered serious injuries early Tuesday morning when his car struck a truck two or three miles north of Tahoka on highway No. 9. He was brought to Tahoka for first aid treatment and taken to a sanitarium in Lubbock.

Advices from the sanitarium are to the effect that Mr. Wacker's shoulder blade was broken in two places, the posterior vertebra fractured, and the knee joint badly injured. We have no authentic information as to just how the wreck occurred, but we understand that the truck passed the car, turning into the road closely in front of it and that the car then struck the rear end of the truck. The car is said to have been utterly demolished.

Mr. Wacker is a salesman of gin machinery and travels out of Lubbock. The truck was a rock crusher truck, and the driver also lives in Lubbock.

Mail Business Shows Increase

That business conditions in Tahoka are improving is evident in increased postal receipts, according to Coleman Wells, postmaster.

The quarter beginning April 1 and ending June 30 showed an increase of 13.3% over the corresponding quarter last year, and the receipts to date this year show an increase of 17.3% over a like period last year.

Grass Root Grows Through Corn Cob

J. R. Butler, who resides about five miles north of Tahoka, brought to the News office Saturday a sprig of Johnson grass which had grown up through the hollow of a corn-cob, a rather peculiar freak of nature. About three inches of the grass root protruded from each end of the cob. The sprig had evidently germinated and grown to a length of about three inches when it reached the end of the cob buried under the soil. It then proceeded to grow through the hollow of the cob that had contained the pith and then triumphantly emerged at the other end four inches away. It was making its way upward toward the surface, attaining a growth of about three inches above the upper end of the cob, when Mr. Butler's plow turned it up. So, the plant that Mr. Butler brought to the News office was nine or ten inches long with a corn-cob bracelet encircling its middle portion.

There was nothing unnatural about this, of course, but it presented a rather peculiar freak of nature.

County Park Plan Sent To Pat Neff

The Honorable Tom Garrard has taken up with Ex-Governor Pat Neff the proposal of a county park for Lynn county. He wrote Governor Neff, who is a very intimate friend of his, on Tuesday in behalf of the project and to ask him to assist in any possible way in procuring the necessary funds for the purpose.

Club Encampment Opens At Lubbock

Lynn county 4-H clubs and H. D. clubs had their annual encampment in Lubbock Wednesday and today.

There are twenty clubs in the county and Miss Robb reports that every club is represented. Many women and girls accompanied by Miss Robb left here early Wednesday morning for two days meet.

GEORGE MAHON

Geo. Mahon Will Speak Saturday

Announcement is made that George Mahon of Colorado will speak here Saturday afternoon, July 14, at 3:00 o'clock. Seats will be provided on the lawn in the shade on the east side of the court house, and the ladies as well as the men are invited to hear him. It is expected that many friends from various parts of Lynn county will be present.

George Mahon is now serving his fourth term as district attorney of the 32nd judicial district and has never had an opponent. He is brilliant and affable and is a most pleasing speaker. You will be delighted to hear him. Come!

Mullican Heard By Big Crowd

Appearing here before a large crowd of his friends and admirers, Judge Clark M. Mullican of Lubbock spoke on the court house lawn for more than an hour Saturday afternoon in the interest of his candidacy for congress.

Judge Mullican was judge of the district court here when this was a part of the old 72nd judicial district, and for two years or more he presided over the court in Tahoka. He is an exceptionally able lawyer and jurist and has many admirers and friends throughout Lynn county. They gave him a royal welcome Saturday afternoon.

Judge Mullican discussed certain phases of his program for economic recovery and rehabilitation of the agricultural interests of this country in a logical and forceful manner, and his proposals evidently had the approval of most of his auditors.

Referring to the Bankhead law, he declared that he favored it and had no criticism of it whatever as an emergency measure but he thought that it would be monstrous for such a measure to be made the permanent policy of this government. He gave his hearty approval to the program that President Roosevelt has been carrying out. He devoted most of his speech to agricultural problems but also voted his approval to pension all aged persons in indigent circumstances and in favor of giving the ex-service men a fair deal on the bonus proposition. He thought it unjust and absurd for the Government to charge ex-service men interest on their own money and favored elimination of all such interest.

He stressed the fact that service in congress was a man's job, and he felt that his long and varied experience in public affairs should be taken into consideration by the voters in choosing their congressman.

He went from this place to O'Donnell, where he also spoke the same afternoon.

The Tahoka Band will give a concert on the court house lawn Thursday night.

WILL AFFORD WORK FOR 120

Will Pave Highway North To Lubbock, Grade South To O'Donnell

County Judge Happy Smith has received official information that work on Highway No. 9 through Lynn county is to be resumed within the next few days.

It is understood that the highway from Tahoka to the Lubbock county line is to be paved now and that grading is to be done and drainage structures are to be built from Tahoka to O'Donnell. It is believed that both of these projects will be under way at the same time.

This work is to be done largely with federal funds and is a part of the Public Works relief program.

The district engineer, Guy R. Johnson, as notified Judge Maddox that about 120 men will be needed as soon as the work begins. Judge Maddox states that only those citizens of Lynn county who are not employed and who must have relief will be accepted in this service. He requests that all such shall appear at the city hall in Tahoka immediately and make their applications. Applicants should not wait until the work begins and then expect to get jobs.

Judge Smith has no information as to whether or not any improvement on No. 94 is to be made at any time soon. However, from the best information we can gather, now is a good time for the citizens of Tahoka to get busy in an effort to get No. 94 improved. There should be a road meeting at a very early date for the purpose of discussing this matter - and getting something started.

Offices Changed In Bank Building

Judge Tom Garrard this week moved into new offices across the hall from his former offices over the First National Bank.

The two rooms vacated by him will be occupied by Mrs. Gladys M. Stokes, insurance agent. Mrs. Stokes states that she will move in just as soon as the new furnishings are installed.

Mrs. Stokes is one of the most successful insurance agents in this part of the west.

Terrell Name Is On Ticket Again

The News is this week printing the official ballot.

All of our readers who are voters should take this ballot and study it. Find out what you can about the various candidates, so that you may be prepared to vote with reasonable intelligence when you go to the polls.

There is one name that we wish to call particular attention to at this time. That is the name of George B. Terrell as a candidate for state treasurer. This is a political fraud. His name was in reality George Baker until a few months ago. Obviously for political reasons he filed a petition in one of the district courts of Dallas county asking that his name be changed to George Baker Terrell. His request was granted and the name was legally changed. Then he announced as a candidate for state treasurer and filed his name as George B. Terrell, evidently believing that the name Terrell would attract many votes. We know nothing whatever about this man Baker (Terrell) further than as stated above but we do know that any man who would undertake to perpetrate a political fraud like this is not fit to serve in any public capacity.

The real George B. Terrell was for a long time commissioner of agriculture and is now serving as congressman at large. He will retire at the end of his present term. He is not a candidate for any office. His home is at Alto in Cherokee county.

All the wet candidates for gov-
ernor are terribly agitated because
Attorney-General Jimmie Allred
has not gone down to San Antonio
and padlocked the saloons that
they say are running wide open.
Possibly Jimmie should have taken
some steps to close up the joints of
these law-breaking wets, and we
hope he does so yet after the
campaign is over, but why aren't
these pharisaical wet candidates
jumping on the district attorney,
the sheriff, and the other peace
officers of San Antonio, upon whom
rest primarily the duty of enforcing
the criminal laws of this state in
that city? When some of these
hypocritical critics quit buying and
drinking bootleg liquor themselves,
and when others of them quit
courting the friendship of the boot-
leg brigade, they will then be in
better position to throw rocks at
Jimmie Allred for failure to en-
force the law.

There are two extremes in this
country—the ultra rich who exploit
and rob the rest of us and who con-
tinually seek to control the finances,
the business, the industries, and the
government of this country, and the
lawless labor element in many of the
north who are always fomenting
strikes and violence and anarchy
and bloodshed. The great farming
classes, the honest laborer, and the
ordinary business men of the towns
and smaller cities of this country
constitute the backbone of America.
It is these classes that have made
America great and these classes
will save it.

From this distance it looks as if
Hitler were merely a big bad gang-
ster who has managed to get con-
trol of the government of Germany.
If he were in this country he might
become a successful racketeer like
Al Capone or a law-defying robber
and murderer like Dillinger, but he
could never become President of
the United States. His recent exe-
cution of hundreds of his political
enemies should bring about his
speedy fall and cover his name with
infamy through all the ages to come.
The more we know about some Eur-
opean countries the more we ap-
preciate the good old U. S. A.

It is said that most of the busi-
ness men of Dallas and Fort Worth
have become sick of the big gam-
bling business that has grown up at
Arlington Downs. Most of them
favored the bill to legalize gambling
on horse races in Texas. Now they
say that gambling on the races
draws so heavily on the pockets of
the citizens that it hurts business,
and so many of them are clamoring
for repeal of the law. Some of the
senators who voted for the law
have also seen their mistake and
are now denouncing these gambling
institutions. It is to be hoped that
the next legislature will wipe this
disgrace to Texas out of existence.

Ivan Davis is developing a good
band here. A good band is a great
asset in any town. The people of
Tahoka should use it more. They
should catch the band spirit. A
band is good only when its mem-
bers cooperate and play in har-
mony—and that's the only way
that a town can accomplish any-
thing. Let's get busy for our town,
people.

It looks like Allred already.

**Black-Draught Brings
Refreshing Relief of
Constipation Troubles**

Constipation produces many dis-
agreeable sensations, several of
which are mentioned by Mr. T. E.
Stith, of Boonville, Ind., who
writes: "I have used Theford's
Black-Draught many years when
needed for biliousness and other
minor ills when a laxative was
needed. I have a tight feeling in
my chest when I get bilious. I get
dizzy and feel very tired, just don't
feel like doing my work. After
taking Black-Draught, I feel much
better. This is why I continue to
use it when needed." Theford's
Black-Draught is a good,
purely vegetable laxative, obtain-
able for 25¢ a package.

car in the low-price field

CHEVROLET Year after year, it's been the same
story: Chevrolet FIRST with the
NEWEST and BEST! Chevrolet leading—others follow-
ing. Chevrolet out in front with the latest proved ad-
vancements. Self-starter! Sliding gear transmission!
Streamlined design! It was Chevrolet aggressiveness
and progressiveness that forced all low-priced cars
eventually to adopt these and other major improve-
ments. And now, this year, comes the climax of Chev-
rolet's engineering leadership: the Knee-Action ride!

This newest of motoring sensations is a marvel of
smooth, easy, gentle motion. No other ride in the world
can even compare with it. It makes Chevrolet far and
away the best riding car in the low-price field.

Have you noticed how America has taken to the Knee-
Action ride? In the first 6 months, demand for Chevrolet
cars sent production to the highest total attained by any
automobile during 1934.

Baseball Dope

(By Paul Fonder)

Since my last report our ball team has played five games. Briefly stated, results were 3 won and 2 lost, which is a good showing considering the status of the clubs they went against. Three games were with Hobbs, oil field club of carefully gathered and seasoned men; and two against the choice aggregation of paid players of Abernathy.

June 24th at Hobbs, the score was a 14 to 1 victory, with Bill Ellis toting the rubber for our club, and effecting 18 strike-outs, and in which two or three of our boys registered curcuit clouts.

July 1st, A. P. pitched his mates to a 10 to 3 victory over Abernathy on the local diamond.

July 3rd, we lost to Hobbs, 4 to 2 with Neil as moundman, but he didn't lose it, as all four tallies were scored on errors—a passed ball by Karr, a peg to the keystone with nobody covering the sack, and a centerfield drive muffed by Pete, when two were already out and two were on.

July 4th, A. P. hurled a 9 to 1 game at Hobbs before a large, enthusiastic crowd. But for two or three bad frames, these were all fast and interesting bouts.

Last Sunday at Abernathy we lost to them 4 to 3, Harley doing mound duty, as A. P. was on his vacation. Blue was also absent, thus leaving two gaps in the regular line-up. One of the four scores came in on an error in the outfield.

Now, note this summary, and give a hand to the home boys: In five games they scored 38 runs as against 13 by their opponents. Rah! Rah! Rah!

Mr. and Mrs. A. T. Kent and daughter Juanita of Madisonville and Mrs. H. H. Craig and three children, Billie, Valerie, and Kennedy, of Irene are here this week visiting Mrs. Kent's and Mrs. Craig's parents, Mr. and Mrs. A. L. Dunagan. Mr. Kent is district agent and adjuster for Craven & Cagle, Insurance, of Houston, having charge of 32 counties in his part of the state. He reports that crops are below normal in all sections of Texas this year.

Judge and Mrs. Tom Garrard, W. D. Nevels and daughter, Willie Lois, Carl Griffing, the editor and probably others from Tahoka attended the Tom Connally speaking in Lubbock Tuesday night. A vast throng of 2,000 people or more heard Connally give an account of his stewardship in the senate. His speech was generally pronounced a masterful and convincing effort.

Prof. and Mrs. M. L. H. Baze and son, Junior, visited friends in Tahoka Wednesday morning. They spent Tuesday night with I. M. Draper and family in the Midway community. Mr. Baze is still superintendent of a group of oil town schools near Pampa.

Mrs. Drue Harkins and children of Winters are here visiting Mrs. Harkins' parents, Mr. and Mrs. Wesley Simpson, and grandparents, Mr. and Mrs. W. W. Simpson.

Mr. and Mrs. Clyde Gray of Miami spent Tuesday night here as guests of Mr. and Mrs. Gilmer Aycock.

The shower which was held at the home of Mrs. M. M. Harris, was attended by a large number of misses and mesdames, who lavished the bride with gifts.

After a program and several games in which all took part, the gifts were presented by a "Gypsy" who pretended to be selling her buttons and lace, and refreshments were served to about 35 guests.

Hobbs Picnick And So 4th

(By Carl Cross)

Dear Editor: As its bin sumtime or longer sense I rit anything fer yore readers, Ie real off a fue items. I aint like Will Rogers—but them as noze me has proberly noticed that—he sez all he noze is what he seen in the papers—me, well I no a hole lot that don't never git into no paper. But in order to keep sum of the few frends I got, I aint tellin all I no eather.

But speekin of first 1 thing an a nuther calls to mind the big 2 daze picnick over to Hobbs, which I went to it an attended it. It wuz put on by the Ameican Re-legion over there, and they needed a Band, an sense Tahoka has the best-band on the planes, speashly the finest 1 in Lynn county, wy we got a call to come an fermish the melody and rhythm fer the big feet—or mayb it is fete. Any ways we went an thay got the job dun. I caint play on to a horn mutch account, but went along mostly jist to hep the looks of the bunch, an also to sorter act as a chappaler fer 'the young fellers what hadent never bin in a any proabshin country. Our county—y'no is dry —no rane seasey sense last year, cept a few locust showwers—but Hobbs is got oil and watter an ever thing. Sum stores wuz branded Cafe, Drugs, Bar and sow on, an lots of fokes wuz goin in all of 'em. One had a big swingin dore which on it sed "push," and Evertion started to push, but jist then a big feller inside pushed lots harder, an Evertion found 'hesself gittin up off the side wawk. Noel went into a Cafe wher everbody wuz drinkin what Kenneth calls termater juice, an the cock ast him wuz he miner, and he sed he never saw a mine in his life; an then he ast how old he wuz, an Noel dident no; an he ast him what year wuz he board in, an he sed he wuzent never board at all, but jist had a step-mother.

Our band wuz 1 of the best fechers there; and we plaid all the tunes we cood on 2 or 3 that we coodent. But on the hole we reflected credit to our director, our local Legion an our town.

Stop Athlete's Foot, Ringworm, Itch, etc., with LUCKY TIGER ANTI-SEPTIC OINTMENT. New formula works wonders. Costs little at Drug Stores.

"I am using your Kruschen Salts for constipation and reducing. Have taken 3 jars and have lost about 20 lbs. I can recommend it to be great." Miss A. J. Harber, Pineville, Ky., 1934.

"I have taken 3 bottles of Kruschen. I weighed 256, I reduced 56 lbs., and feel better each day, have got my 4th bottle." Ed Jordan, Levee, Ariz., 1934.

"If you are proud of your double chin and bulging abdomen don't take Kruschen Salts. Ed Jordan made up his mind to take off 50 or more pounds of fat—and he did —Ed was sick and tired of lugging it around with him—persistence won for Ed as it will for any fat man.

IV. The Plaintiff would respectively show to the court that on and prior to the 22nd day of October, 1929, the above described land and premises was the property of one, W. F. Vaughan, now deceased, who was the sole owner thereof. That the said W. F. Vaughan died on or about the 22nd day of October, 1929, intestate. That at the time of his death, the said W. F. Vaughan and Martha Ann Vaughan all of the three last named having never been married and having died prior to the death of the said W. F. Vaughan, deceased, leaving no heirs of their bodies.

Vaughan; that all of the above heirs of the said J. W. Vaughan, deceased, are all adults and are each believed to be entitled to one-sixty-third part of said estate, subject to the possible life estate of the widow of J. M. Vaughan, deceased, in the one-seventieth (1/70) part thereof in the above described land and premises, same being the one-seventh undivided interest of their father, the said J. W. Vaughan, deceased.

That the said Elizabeth Vaughan Mayes, deceased, sister of the said W. F. Vaughan, deceased, has the following heirs, to-wit: Mary Wilmoth, R. O. Mayes, Harry Mayes, the same being all of the children of the said Elizabeth Vaughan Mayes, deceased, who are now living, and Doyle Sanders, Mary Elizabeth Sanders and B. E. Sanders, the last three named being the children of Mrs. Sanders, deceased, daughters of Elizabeth Vaughan Mayes, deceased; and Virginia Rhea Ruffin, a minor, daughter of John Mayes, deceased, who was a son of Elizabeth Vaughan Mayes. That each of the children above named of the said Elizabeth Vaughan Mayes, deceased, are entitled to an undivided one-fifth of the above described land and premises; that the heirs of each of the deceased children of the said Elizabeth Vaughan Mayes, deceased, are entitled, collectively, to an undivided one-fifth of the

above described land and premises.

Coe, and Florence M. Coe; that the above named children of the said George W. Vaughan, deceased, are entitled each to an undivided one-twenty-eighth of the above described land and premises, and that the children above named of the said Leona M. Coe, deceased, are each entitled to an undivided one-eighty-fourth interest in the above described land and premises.

That the said Martha Vaughan Colville, deceased, sister of W. F. Vaughan, deceased, has the following heirs, to-wit: S. F. Colville, Sarah Clementine Anderson, Della Colville McClure, Callie Colville Jordan, Pryor D. Colville, James A. Colville, Bettie Colville Perry, Alex Colville, Martha Ann Colville, Joseph A. Colville, deceased, and Mary Ellen Smoot, deceased, being all of the children of the said Martha Vaughan Colville, deceased; that each of the above named surviving children of the said Martha Vaughan Colville, deceased, are entitled, each to an undivided one-seventy-seventh interest in the above described land and premises; that the said Joseph A. R. Smoot, husband of the said Mary Ellen Smoot, deceased, is entitled to a life estate

in the property of his wife, or until remarriage, with remainder to the children of the said Mary Ellen Smoot, deceased, share and share alike.

VII. That the Plaintiffs and Defendants, hereinabove referred to, are the sole owners of said land and premises in so far as is known to this Plaintiff, and the estimated value thereof is \$35,300.00.

VIII. Plaintiffs would further show to the court that there are about sixty heirs to this property, and that by reason of the fact that the shares of many of the owners herein are so small that it is impossible for the said tract and tracts of land hereinbefore described to be partitioned and divided in kind so as to give to each heir the portion of said tract belonging to him without dividing the tract into such small parts as to practically destroy its value. That by reason of said fact, a necessity exists that the said property be sold and the proceeds thereof divided among the said heirs in proportion to their respective interests.

IX. Plaintiff says further that diligent effort has been made to ascertain the names and addresses of the unknown heirs, if any, not named herein, and that he has their names nor their addresses can be ascertained.

Wherefore, Plaintiffs pray judgment of the Court that the Defendants be cited to appear and answer herein, and that they have judgment for the partition of the land and premises and all other property of said estate and division; that Commissioners be appointed and a writ of partition issue and for possession for that portion that by judgment of the Court may be ascertained and declared to be the property of Plaintiffs and each of them; and in the event that it is found and determined by the Court that the said property is incapable of partition, that the Court so decree and adjudge and appoint a receiver with the authority to sell the said land and premises for the best price obtainable, for cash or on credit in accordance with law, reporting such sale to the Court, and that the money derived therefrom be placed in the register of the Court and be paid the Plaintiffs and the Defendants in accordance with the interest which each of them have in said tracts of land; that the Administrator named herein be cited to appear at said term of said court and show cause why a partition and distribution of the residue of such estate should not be made; that the cost of court incurred in partitioning to the Defendants their shares of said land or the proceeds therefrom be charged against such amount as may be due said Defendants from such sale; for such other and further relief, special and general, in law and in equity, to which the plaintiff may show themselves justly entitled.

Therefore you are hereby commanded to summon the persons hereinabove named and all persons interested in said estate, to be and appear at the place and time aforesaid, then and there to show cause why such partition and distribution should not be made. Herein fail not, but have you then and there before said court on the said first day of the next term hereof this writ, with your return

thereon, showing how you have executed same.

Upon my own merits, if any, and not upon the demerits of any opponent is the basis of my appeal for your support.

"MANHATTAN MELODRAMA" AN OUTSTANDING TALKIE

Red-blooded drama, with the glamour of New York night life as kaleidoscopic background; romance, excitement, and three great stars for the first time—That's "Manhattan Melodrama," new Clark Gable-William Powell-Myrna Loy starring vehicle for Metro-Goldwyn-Mayer which shows Sunday, Monday and Tuesday at the English Theatre.

To say that the picture is excellent entertainment is merely stating the mild truth. To say that it is a modern classic that could be expected from the producer and director who made "Dinner at Eight," "Dancing Lady," "Eakimo," "Little Women," "Trader Horn" and many other hits, is hitting more nearly at an idea of this new picture's entertainment qualities.

Gable in "Manhattan Melodrama" at last returns to the type of role the fans have wanted since "A Free Soul." He plays a big-shot gambler, lucky at cards and lucky at love, willing to bet a dollar or his life on the turn of a card—a powerful and dramatic figure of the metropolitan demi-monde.

Pitted against him is William Powell as his life-long friend, now district attorney and ambitious for further political advancement. Between them, loved by both, is Myrna Loy. It is she who fights for Gable's life when his pal, Powell, is forced to prosecute him for murder.

There is not a dull moment in "Manhattan Melodrama" from the first scenes, in which are dramatically re-enacted the Gen. Slocum horror of 1904, an excursion steamer fire in which more than 1,000 lives were lost. After that comes a re-creation of the Harry Thaw-Stanford White killing of 1906. Then the Dempsey-Firpo fight of 1923, and then into the present day for the body of the story.

Charles Townes, Vance Tredway, and Denver Gurley left here last Thursday for Fort Sill, Oklahoma, where Charles and Vance entered training at the C. M. T. C. camp for the summer. Denver did not enter this summer. He has been stationed there the past three summers, and last year won the sharpshooters medal there and was awarded a trip to Chicago. He has returned to Tahoka.
