ORGANIZE FFA CHAPTER HERE

Club Will Seek To Create Greater Interest In Farm Life For Young People

Twelve boys gathered at the high school auditorium Monday night for the purpose of organizing a local Future Farmers of America chapter.

The purposes of the club as given by Mr. Strickland are: to promote vocational agriculture in schools of America, to create more interest in intelligent choice of the farming occupation, to create a love for country life, to provide recreational and educational entertainment for vocational agriculture students, to promote thrift among members, to encourage co-operation, to develop local leadership, to promote higher scholarship.

The insignia of the FFA is a cross section of an ear of corn with an owl perched on a plow in the center. The rising sun forms the background. This emblem is surrounded by an eagle. The owl denotes wisdom and knowledge of a true FFA member. The plow indicates labor and tillage of the soil. The rising sun represents the progress when all farmers are former students of vocational agriculture. The eagle indicates keenness of sight, strength and courage. The

Two Caught In Daring Robbery

G. L. Compton, 27, and J. C. Christopher, 20, were arrested and placed in jail Monday for a bold daylight robbery perpetrated on the streets of Lubbock. Christopher was a filling station operator in Tahoka for a year or more, a fire destroying his place of business last winter. He was practically reared at O'Donnell. Compton also formerly resided in Lynn county, out near Magnolia and had his domicile for time to the St. Clair Hotel here. He is unmarried.

The victim of the robbery was George Meiser, operator of a five- and ten-cent store in Lubbock. He was on his way to the bank to deposit some money when Compton jabbed a gun against him and shoved him so hard that he fell against a wall. Christopher grabbed the sack of money and fled on foot. Christopher was almost immediately captured but Compton made his temporary escape. Officers and civilians gave chase, however, and finally captured the hijacker several blocks away.

The money bag which Christopher surrendered to a citizen when he saw that escape was impossible contained \$500.

After his arrest Compton was also identified as the hi-jacker who robbed W. S. Hodges of a watch in his home about May 1. Officers searched Compton's room and found the watch. They also found a pistol in the room. In the meantime the pistol with which Compton and Christopher did the hi-jacking was found beneath a tractor on a vacant lot, where Compton had evidently placed it while trying to escape.

O'Donnell Couple Is Married Here

Cecil Hansford Pearce and Miss Christie Simmons of O'Donnell were united in marriage Friday afternoon at the Methodist parsonage here, Rev. H. C. Smith officiating.

Brother Smith says these are fine young people of O'Donnell and The News joins their many friends in wishing them a long and happy married life.

Modify Restrictions On Cotton Acreage

V. F. Jones, county agent, announces that he has received a ruling modifying the restrictions placed on the use of rented cotton acres. The modified ruling permits the unrestricted use of the rent acres for livestock feed, sale of hay, or roughage crop, and the sale of seed that may be grown on this rented acres such as Sudan seed.

Beer Peddler Is Caught In City

George Hervey of Lubbock was arrested and nine cases of beer were taken from his car here last Saturday.

Complaint was filed against him charging a violation of the state liquor law and he made bond in the sum of \$500.00. The bond was made by local citizens.

The beer confiscated bears the label of the Sabinas Brewing Company of San Antonio. Sheriff B. L. Parker expects to have it analyzed to determine its alcoholic content.

Athletic Shows Attract Crowds

The athletic contests consisting of boxing and wrestling matches held Friday night on a temporary platform constructed on the court house lawn drew the largest crowd that has been seen in Tahoka in recent years. A crowd estimated at 1,500 to 2,000 people witnessed these exhibitions and thoroughly enjoyed them.

These contests were sponsored by the Lynn County Service Club recently organized here but were under the direct supervision of the entertainment committee. Alton Cain, a member of this committee, has furnished the News the following statement for publication:

"From all indications the athletic show that was held on the county square last week was a striking success and was approved definitely by the large crowds that attended. The entertainment committee of the Lynn County Service Club wishes to extend its gratitude to all of the fighters both in and out of the ring for making it possible for the fair to be free of charge. It is hoped that the occasion may be repeated later, but nothing definite has developed to date."

Local Residence Burned Monday

A five-room residence owned and occupied by Mrs. Frank Denton in southeast Tahoka was totally destroyed by fire Monday. The furniture and the clothing of the family were also destroyed. There was about \$700.00 insurance on the house but none on the furniture.

Mrs. Denton and her grandchildren, Jack and Audie V. Huffmeyer, were gone from home at the time of the fire, visiting in Midland. Mr. and Mrs. Jack Denton were occupying the house during the elder Mrs. Denton's absence, but they had left the premises an hour or two before the fire. The house was wrapped in flames before anyone discovered it, and it was impossible to save the building or its contents.

Bankhead Act To Be Discussed Here

We have received notice from V. F. Jones, County Agent that Mr. I. W. Duggan, a representative from the Cotton Section Agricultural Adjustment Administration of the Washington office will speak at the court house in Tahoka next Saturday, August 11th at 2:30 P. M. Mr. Duggan's remarks will be in regard to the Bankhead Act and cotton reduction matters. All men in the county who are interested are urged to attend this meeting.

Milam And Burleson Counties Plan Meet

All former residents of Milam and Burleson counties are invited to attend a reunion to be held at the home of Fritz Speckman seven miles west of New Home on Sunday, August 19. Visitors are requested to bring their lunches.

There is plenty of shade and cool water, the committee in charge says, and a great good time is anticipated. If you ever lived in either of these counties you are invited to be there.

Mrs. Sam Sanford and daughter, Miss Virginia, returned Wednesday from a visit of two weeks with the former's sister, Mrs. J. D. Brown, at Sierra Blanca.

CROWDS HERE FIRST MONDAY

Business Men Will Offer Bargains Each First Monday; Six Get Free Prizes

Tahoka's first Trades Day held last Monday drew many people to town and was quite a success, according to the business men of the town.

The first Monday in each month has been designated as Trades Day, and it is believed that with proper cooperation and encouragement the First Monday will soon become a big day in Tahoka.

Prizes were awarded Monday as follows: Miss Marie Owens, Edith, \$20.00; Elbert Dunham, Midway, \$10.00; M. H. Edwards, Tahoka, \$5.00; Jeff Jones, Tahoka, \$5.00; Mrs. C. E. Short, Grassland, \$5.00; Leonard Autrey, Joe Bailey, \$5.00.

Miss Aleene Jones of Coeman is visiting in the home of her brother V. F. Jones.

Women Return From A. & M.

"The Short Course was just grand. There was too much to try to tell about it," said Miss Sylvia Robb Tuesday in speaking of the A. & M. Short Course which she and 25 other Lynn county women and girls attended last week. "There were so many outstanding speakers and the programs were all so well arranged and so interesting. All our women and girls were greatly inspired. Not one of them would be willing to sell her trip. All of them came back feeling that they must go again next year."

Miss Robb said that approximately 5,000 people were in attendance. There were thirty-five on the bus which carried the Lynn and Dawson county delegations. From Lynn county there were seventeen women and eight girls. They had a wonderful time following the close of the convention too. They went down to Houston and took a boat-ride down the shipping channel. Then they spent the remainder of Saturday at Galveston. They took a swim in the Gulf and another boat-ride out upon its restless bosom. Twelve miles out they went, practically out of sight of land. In the surf and on the beach they all got their sun-tan—worse than that they blistered.

Leaving Galveston about sunset, they traveled all night long and all day long, reaching Tahoka late Sunday afternoon.

Miss Robb may tell us more about the Short Course next week.

Myrtle Hill Weds At Breckenridge

Miss Myrtle Hill of Breckenridge and Mr. Earl Rochell of Breckenridge were married in the latter city last Saturday afternoon.

The bride is the daughter of the editor and has resided in Tahoka nearly eleven years. The groom was formerly engaged in the cafe business here and at O'Donnell but has been at Breckenridge in the same business the past several months. The couple will reside in Breckenridge.

BANKERS RETAIN PERFECT SOFT-BALL LEAGUE RECORD

The following is the standing of teams in the Softball League, including games through Wednesday:

Team	Won	Lost	Pct.
Bankers	6	0	1.000
Fire Boys	2	2	.500
Cleaners	2	2	.500
Barbers	2	3	.400
Lumbermen	2	3	.400
Hatchery	1	3	.250
Ginners	1	3	.250

Mr. and Mrs. M. J. Weaver have a fine little son in their home more than two weeks old. The little fellow was born in the Lubbock Sanitarium on July 22. The mother has named him M. J. Jr. Mr. Weaver says little Joe has a good pair of lungs and seems to be perfectly healthy.

Mrs. George Hogan Jr., Dale, and George the Third are in Slaton this week visiting Mrs. Hogan's sister, Mrs. Graves.

3,345 HEAD OF CATTLE SOLD

Government Buying Of Livestock Continues; Ask Concentration Of Cattle To Kill

A total of 3,345 head of cattle in Lynn county had been bought in the Emergency Cattle Buying Program up to last Monday night, according to V. F. Jones, County Agent. Checks in payment for these cattle are being received every few days.

Mr. Jones states that they are asking all men who have cattle to sell under this program to group the cattle at several concentration points in the community. This will eliminate much of the loss of time caused by stopping for just a few cattle. It is believed this plan will speed up the work considerably and farmers are asked to cooperate in grouping their cattle. Every effort is being made by the men in charge of the program to cover the county just as rapidly as possible.

Nine Million Bale Crop Is Forecast

The government estimate of the 1934 cotton crop came over the wires early Wednesday morning placing the crop at 9,195,000 bales. As a result of this report cotton advanced immediately about 35 points. Good middling cotton for October delivery was quoted at 13.53 cents on the New York market.

The estimate made on the corresponding date last year as to the 1933 crop placed the yield at 12,214,000; which proved to be fairly accurate.

The average production per acre last year was 198.4 pounds. The estimated production per acre this year is placed at 180.9 pounds. The condition of the crop this year is placed at 60.4 per cent as against 74.2 per cent at the same time last year.

Ginnings to date this year are 99,536 bales as against 171,254 bales up to the same date in 1933.

Bairrington Baby Died Last Friday

The little five-weeks-old son of Mr. and Mrs. Cleave Bairrington, who live east of town, died at 9:03 o'clock last Friday night. The body of the babe was buried in Tahoka Cemetery Saturday morning at 11:30 o'clock.

Everything loving hands and medical aid afforded was offered, but God knows best and took his little soul on to rest until the Resurrection Morn.

"He rests now beneath the sod, the little form we loved so dear, But God saw best to take his soul To dwell with in celestial rest. His little form to earth returns; The doll-like face we see no more—'Twill only be a guiding light To guide us toward the Heavenly Shore."—Contributed.

Tahoka Girls Win Over Grassland

The Tahoka girls played the Grassland girls a game of soft ball at Grassland on last Friday, the score standing 6 to 5 in Tahoka's favor.

The Grassland girls came in Monday and played the Tahoka girls on their own diamond, the score again being in favor of Tahoka, 9 to 7.

SCOUT MEETING FRIDAY

Rev. H. C. Smith announces that there will be a meeting of the Boy Scouts at their regular meeting place on Friday night. All scouts are urged to be present.

PUBLISH CLUB BOOKS

Yearbooks of the Phebe K. Warner Club will be off the press of The News job department this week. The subject for study of the club during the coming year will be "Texas".

A big bus filled with political workers for Judge Clark M. Mulligan was here from Lubbock Monday. At least we suppose they were working for the judge; they all forgot to come around to the News office. If they had come we would have treated them as nice as pie.

Great Crowd At Sunday's Game

Before the largest baseball crowd ever seen in Tahoka, the local team defeated a Lynn county all-star team 5 to 4 last Sunday afternoon on the diamond in the southwest part of town. The game was one of the best seen here recently.

The all-star team was made up of many of the best players selected from the teams which participated in the Lynn county tournament held here last week. No admission was charged, and people came from all sections of the county to witness the contest.

Swan Car Stolen, Wrecked, Burned

A new Plymouth car belonging to A. B. Swan was stolen from the street in front of the Methodist Church last Thursday night. Its remains were found the next day beside the highway No. 84 four miles west of town, the car having been wrecked and burned.

The wreck occurred at a small culvert in a lake. Markings on the ground indicated that the driver had lost control and one of the rear wheels missed or slid off the culvert, causing the car to go into the ditch and through a fence into the pasture, where it turned over and caught fire or was set afire.

Officers have been at work on the case. Deputy Sheriff Ed Redwine returned Tuesday from Amarillo, where he had gone in pursuit of the supposed thief but failed to get the right man.

On Friday night a horse and saddle belonging to Garland Pennington was stolen. This horse was found in Slaton Sunday afternoon, with the saddle still on. No trace of the thief has been found.

Elect Thompson Co-op Director

Bill Thompson returned Sunday from Dallas, where he attended a meeting of the Texas Cotton Co-operative Association. He was recently elected a director of this association from district No. 17 without being a candidate. Directors are elected by the members, each mailing a card on which is written or printed the name of the member's choice.

District No. 17 embraces Dawson, Borden, Terry, Lynn, Garza, Crosby, and possibly other counties in this section.

Oklahoma Preacher At Baptist Church

At a meeting of the pulpit committee and a group of other members of the First Baptist Church Monday night, the chairman of the committee was instructed to wire Rev. George A. Dale of Madill, Oklahoma, inviting him to fill the pulpit here next Sunday. He answered the next morning to the effect that he would be here.

Rev. Mr. Dale has been pastor at Madill the past five years. He formerly held pastorates in Royse City and Greenville, Texas. A full attendance of the membership Sunday morning is urged.

Old Mexico Rancher On Visit To Tahoka

Sam Wooten, who resides on the Santa Clara Ranch in Chihuahua, Mexico, is a visitor in Tahoka this week. Among his friends here are W. D. Nevels and daughter, Mrs. Ruth Sanders, Oscar Roberts, Aubra Cade, and others.

Mr. Wooten, now seventy years of age, is a native of Llano county, Texas. Fifty years ago he ranged around over the Sweetwater, Colorado, and Big Spring country, and could tell many an interesting story of pioneer life in West Texas. About forty years ago he removed to Oklahoma and eight years ago went to the Santa Clara Ranch in Mexico. He can also relate many an interesting story of that virgin country.

CITIZENS ASK MORE RELIEF

Meeting Held At Court House Last Saturday; Organize To Seek More Federal Work

Pursuant to a call issued by Bob Chambers, H. C. Smith, and S. H. Howell, a representative body of citizens met in the courthouse last Saturday afternoon to deliberate and to lay plans whereby public relief work in this county might be speeded up.

Plans were made by S. H. Howell, Judge J. W. Elliott, Judge W. E. Smith, and others.

A committee consisting of Sid Cathey of O'Donnell, Joan Heck of Wilson, H. M. Larkin, G. H. Nelson, and J. W. Elliott of Tahoka was appointed to cooperate with the commissioners court in seeking to get the ear of the Powers That Be and to induce the state and federal governments to furnish more relief money for the section and to speed up the work here.

Hon. John N. Thomas was elected and served as temporary chairman and H. M. Larkin secretary. Judge Elliott was elected permanent chairman and Mr. Larkin as permanent secretary.

Methodists Close Successful Meet

Sunday night marked the close of one of the most successful revival meetings held in the Tahoka Methodist Church in years. Although the number uniting with the Church was not large, the Church was greatly revived, and the meeting was a wonderful help to the people. Rev. Uel D. Crosby did good preaching throughout the meeting. The local choir, directed by Mr. Fred Bucy with Mrs. S. E. Reid at the piano, furnished music which was enjoyed by all. I am using this means to thank each and everyone for their loyalty and beautiful cooperation during the series of services.

I desire greatly that the regular services which shall follow week after week shall be a continuation of the revival. I am extending to our friends throughout the community an invitation to be with us on next Sunday morning and evening. A well organized Sunday School with Mr. Claude Donaldson as superintendent is being conducted for the benefit of all who desire to attend. We have a consecrated group of trained teachers who are always glad to welcome people of all ages into the school. Begin now to make plans to be with us on next Sunday.

During the meeting, the services were begun on time with quiet music being played while the people came in. It is our plan to keep this up in the regular services. If you sing, this is an invitation to you to take your place in our choir morning and evening. In this day when many are perplexed, a great song service can bring joy and cheer as but few other things can bring. Come next Sunday and let us sing and worship and be happy.—H. C. Smith.

Part Of Cotton Checks Arrive

Only one bunch of cotton reduction checks have been received to date. There were 2209 checks that amounted to \$109,000. Additional checks are expected to arrive any day.

Blanks Here For Tax Exemptions

The necessary forms for making application for Tax Exemption Certificates under the Bankhead Act are in the hands of the community cotton committees and all men in the county who desire to make application for these tax exempt certificates are urged to see their community committee within the next few days and file their application. There will be only a limited time for the sign up and everyone is urged to make application immediately.—C. A. Lawrence, Asst. County Agent.

POOR FOOLS!

Raymond Hamilton, Joe Palmer
and "Blackie" Thompson who broke
out of the pen recently, are still go-
ing high, wide and handsome. No
doubt, but that they are laying low
to rob some bank, but a thousand
guns are oiled and loaded for them
and one day they will hit the trail
that Clyde Barrow, Bonnie Parker
and John J. Dillinger went. Then
some sobbing brother will have oc-
casion to say: "I loved them."—
Sterling City News-Record.

The criminal may be shrewd, as-
tute, cunning, and all that, but he
is a fool. No one but an ignoramus
or a fool would deliberately enter
upon a career of crime. The criminal
invariably comes to a sad or tragic
end. We should quit glorifying and
lionizing the criminal. To do so may
lead some young fellow with fine
possibilities to be deceived and to
enter that door to crime over
which is written in lurid letters,
"All hope abandon, ye who enter
here." There is no future for the
criminal but death and hell.

OVERPLAYING THE GAME

A shrewd observer made the fol-
lowing remark to the editor the
other day. Said he, "If you go too
strong against a man, you hurt
your cause."

That is as true as gospel, but
some of our daily newspapers do
not seem to have yet grasped this
truth.

In the recent campaign some of
the daily newspapers filled their
editorial columns day after day
with vitriolic attacks on James V.
Allred. Almost without exception
the offending papers were lined up
solidly for Clint Small. Day after
day they lauded and boosted Small.
Day after day they criticized and
ridiculed Allred. They overplayed
their hand. Almost without excep-
tion, Allred ran first and Small
second, third or fourth in the coun-
ties where these papers are pub-
lished.

If you wish to be effective be fair,
brethren.

George Mahon of Colorado was
here a short time Friday on a swing
over the district making prelimi-
nary plans for the run-off cam-
paign. He has since been on the
stump and will visit Tahoka some
time before the election. Mahon is
a brilliant young man, affable,
friendly, accommodating, and gen-
tle. His fine qualities are so ob-
vious that he makes friends readily
and his warmest friends seem to be
those who have known him longest
and best. For instance, he carried
his home county, Mitchell, by a
majority of four to one over all
seven of his opponents, in the face
of the fact that he had necessarily
made some enemies in the prosecu-
tion of crime in that county during
the past seven years. Few other
men in Texas could have won such

Political Announcements

The News is authorized to an-
nounce the following as candidates
for the various district, county, and
precinct offices indicated, subject to
the action of the Democratic pri-
mary to be held August 25th.

For Congress, 19th District:
GEORGE MAHON, Colorado.
CLARK M. MULLICAN, Lubbock.

For Tax Assessor and Collector:
A. M. CADE
EDGAR W. EDWARDS

For County Superintendent:
H. P. CAVENESS (re-election)
MRS. PAUL GOOCH

For Commissioner, Prec't. 1:
GEO. SMALL
J. D. HORD

For Commissioner, Prec't. 3:
D. J. BOLCH
WALDO McLAURIN (re-election)

For Public Weigher, Prec't. 1:
HOMER HARRISON (re-election)
W. P. BUSSELL

a victory. His home people have
confidence in his ability, his hon-
esty, and his fitness to represent
the people of this district in con-
gress—and they are not worrying
about his so-called "inexperience".

If people of other sections have
heretofore shown political prejudice
against West Texas, it was not ap-
parent in the recent campaign. The
three men who ran first, second,
and third in the recent race for
governor all call Wichita Falls their
home, these being Allred, Hunter,
and McDonald. The man who won
fourth place was also a West Texan,
Small of Amarillo. Witt of Waco and
Hughes of Dallas each made a very
poor showing. Sheppard of Sweet-
water won over all opponents for
re-election as comptroller, and
Lockhart, formerly of Snyder,
achieved a similar victory as a can-
didate for state treasurer. Walter
woodward of Coleman ran neck-
and-neck with Bill McCraw of Dal-
las for attorney-general. So, at last,
West Texas is making herself felt
in state politics, not because of any
concerted action in behalf of West
Texans but because the candidates
hailing from this section of the
state this year not only have ability,
but each had a message that ap-
pealed to great hosts of voters
throughout the state.

Some of the politicians up at
Lubbock have been trying to be-
little the ability of George Mahon
since the first primary. They seem
to think that no good thing can
come out of Nazareth. Unless a man
lives in Lubbock he must have some
kind of inferiority complex, ac-
cording to these wise ones. But
young and "inexperienced" as he is,
George Mahon has four times been
elected district attorney of the old
thirty-second judicial district with-
out an opponent. They must think
a good bit of his ability down
there, for a district attorney in that
district must constantly meet in the
courts many of the shrewdest and
keenest lawyers in West Texas. And
he has made a record as district at-
torney of which any district in the
state might be proud. These Lub-
bock gentlemen are not likely to
get very far with a fight of that
kind.

Central

Preaching was well attended
Sunday. Our pastor, Bro. Day,
brought us an interesting message.
Mr. and Mrs. Ed Hawthorne and
two little girls, Alta Lee and Laura
Gwendolyn are visiting Mrs. Haw-
thorne's father, Mr. R. Bosworth.

Bro. Ed Hawthorne preached
Sunday night. We enjoyed the ser-
mon very much.

Allen and Callen Cash, Deane
Butler, Miss Jones and Jimmie Tut-
tle enjoyed music at Mr. and Mrs.
Henry Hall's Monday night.

Some of our folks received a let-
ter from Clifford Bosworth who is
now visiting his sister, Mrs. Lewis
Wood, in Oregon. He expressed a
wonderful trip although his letter
had a little ring of home sickness.

We will be glad when he gets his
visit out and returns to Central. We
have missed him these two months.

The revival will begin Friday
night, Aug. 17. Rev. Day of Big
Spring will do the preaching and
our pastor will have charge of the
song services. You have a special
invitation to come.—Reporter.

CHURCH OF CHRIST NOTES

Had a fine day last Lord's Day,
preached to two fair crowds and at-
tended a fine wedding anniversary
at Brother Newberry's. It was their
54th which in this day of divorces
is refreshing. Oh that our people
would hold the marriage vows more
sacred.

Have attended the meeting which
is in progress at Dixie this week.
Bro. Hukel is bringing some fine
messages. The meeting will contin-
ue over next Lord's Day.

Services here next Sunday as us-
ual with preaching morning and
evening. The evening subject: "The
Good Confession." Come worship
with us.—R. P. Drennon.

The News has received a copy of
The Windy Rim, official publication
of Camp Palo Duro, one of the edi-

ICE

Is the best antidote for heat yet discov-

The exceptional popularity which Chevrolet has enjoyed
for many years has naturally had its effect on Chevrolet
prices. Large sales have enabled Chevrolet to maintain consistently low
purchase prices, which were recently lowered even further. As a result
Chevrolet now offers you the lowest priced six-cylinder automobile
obtainable—a big, comfortable car with Fisher Body styling and refine-
ment—safe, weatherproof, cable-controlled brakes—the smoothness and
economy of a valve-in-head, six-cylinder engine—and typical Chevrolet
dependability. In offering this car, and the Master models, at substantially
lower prices, Chevrolet hopes to repay the motoring public in some
measure, for consistently placing Chevrolet so high in public favor.

Cotton Payments Reach Big Total

Washington, Aug. 7.—The farm administration announced today payments to farmers in the 1934 cotton adjustment program totaled \$34,891,288 as of August 1.

The administration will begin paying out checks in the second \$50,000,000 installment as soon as compliance with acreage contracts is certified.

The total government payments to cotton farmers will be about \$130,000,000 of which \$30,000,000 is to be made next December in parity payments.

Payments made to the farmers of Lynn and neighboring counties are as follows:

LYNN	109,527
Lubbock	133,371
Lamb	83,079
Hockley	87,221
Dawson	102,363
Garza	38,730

Misses Rowena, Elizabeth, and Lucille Young and Master B. A. Young of Abilene are here this week visiting their grandmother and aunt, Mrs. J. H. Nelms and Miss Rosemary.

Fishermen Return With The Evidence

Joe Bovell, W. T. Bovell, C. R. Cargile, Newt Barham, James Connolly, and Harlan Cook returned Friday from a fishing trip at the mouth of the Devil's River. They came back with a big fish story—and with the fish to verify the story. They had with them five fine fellows weighing from 8 to 18 pounds each. They made their catch in the Rio Grande, they say, just below the point where the Devil's River empties into that stream.

But there is another chapter to this story. Joe Bovell says that when the bunch started back they lost their way and wandered across the Rio Grande, turning up at the Mexican village of Acuna. The boys made no report as to how long they remained over there or how they found their way home after leaving, but at any rate they managed to get home.

Kept Taking Cardui Until She Got Rid of the Severe Pains

When Mrs. Ida Hege, of Edinburg, Ind., was in a painful, run-down condition, she took Cardui, with the results she describes below: "I had just been what one might say dragging around, feeling miserable and all out of sorts. I remembered how Cardui helped my aunt. I sent for six bottles of Cardui and when I had taken them, I was much better and stronger. I did not suffer so much pain. I continued taking Cardui until I had taken nine bottles. I do not have the severe pains." . . . Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

George Mahon

(Mittell County)

Candidate For Congress

We do not need to tell you anything about George Mahon if you have met him. Those who know him have found him to be a plain, hard-working West Texan who has shown himself worthy of public trust. He is capable of ably representing us in Congress. Age 33. 26 years in District. Serving fourth term as District Attorney.

Let's elect him to Congress.

WLS Barn Dance Features Fair's Farm Week

So popular was the WLS Barn Dance with rural visitors to the World's Fair in Chicago last summer, the whole show (in person) will be brought to the Fair's Court of States during Farm Week this year, Aug. 11 to 18. Shown here are the Cumberland Ridge Runners. Standing, left to right: Homer (Slim) Miller, Karl Davis, "Red" Foley and Harty Taylor; seated: John Lair, and Linda Parker, the "sunbonnet girl." The barn dance program, like so many others, will be free to Fair visitors. All WLS programs will be broadcast from the Fair during Farm Week.

Knights Are Back From Washington

Mr. and Mrs. W. L. Knight returned Saturday from an extended visit with their two daughters, Mrs. Carson and Mrs. Nance, in Washington, D. C. They visited other relatives enroute also, particularly a sister of Mrs. Knight in Morris county.

Mr. Knight says he had a great time in Washington. Among other pleasures he had the privilege to go in swimming in the Potomac River. He says it rained back there every few days and they could hardly conceive of such a drouth as has existed the past few months in the Middle Western and Southwestern states.

Stopping over in Morris county on their way home, Mr. and Mrs. Knight found watermelons so numerous and luscious that they decided to camp awhile. They stayed so long, in fact, that they failed to get home in time to vote.

CARD OF THANKS

We desire to thank each and every one who so tenderly aided during the sickness and death of our dear babe, Charles Maxie. We especially want to thank Mrs. Carpenter, who aided us in reaching every medical aid that could be obtained. The doctors and nurses did all in their power, but God took the little dear away.

PROCLAMATION BY THE GOVERNOR OF TEXAS

To All To Whom These Presents Shall Come:

Ninety-eight years ago on March 1 in the quiet of Washington-on-the-Brazos a little group of clear, calm men, sorely tried by a tyrannical government and weary from conflict, drew aside from the din of battle and solemnly deliberated. From their common counsel, on the next day, came Texas' Declaration of Independence. That declaration took on strange force a month and nineteen days later when Sam Houston and his small band of Texans, devoted to the principles of the newly created republic, won the victory of San Jacinto.

Upon the civilization thus founded, always bearing in mind the heroic deaths of that small band at the Alamo, the massacre at Goliad, and the privations of the pioneer, we have builded. Now Texas ranks among the first States of the union in cultural and economic progress.

As this first century of progress draws to a close the minds of Texans are turned to 1936. A great Centennial, depicting in true form these years of achievement, is to be thrown open to the people of the United States and of the world. Such great exhibition has been authorized by act of the Texas Legislature.

For the purpose of acquainting every citizen of the State with the great objects of this patriotic movement it is altogether fitting that a Centennial week be designated in which every village and hamlet and in every town and city the message of the heroism of the Texans of other years be retold, their memories honored, and instilled in the minds and hearts of these descendants of rugged fathers and mothers the thought that Texans never surrender, that from this depression of recent years, new resolution has been born, irresistibly carrying forward the flag of the Lone Star into fields yet undeveloped but open to the energy and imagination of citizens here and those to come to us through succeeding years.

For the purposes herein stated, now, therefore, I, Miriam A. Ferguson,

Governor of the State of Texas, by virtue of the authority in me vested, do officially proclaim that the week beginning August 13 be set aside as TEXAS CENTENNIAL WEEK as a special time during which Texas Centennial shall be discussed in every social and club meeting, at every dinner table, and in all other places where men and women congregate, to the end that Texas shall become Centennial minded and that plans now definitely made for carrying forward in 1936 this great project to a successful conclusion may be consummated.

In testimony whereof, I, Miriam A. Ferguson, Governor of the State of Texas, have hereunto set my hand and have caused the Seal of State to be affixed hereto at Austin, Texas, this third day of August, 1934. MIRIAM A. FERGUSON, Governor of Texas.

W. W. HEATH, Secretary of State.

LYNN COUNTY JUDGE ISSUES PROCLAMATION

By official proclamation Her Excellency, Miriam A. Ferguson, Governor of the State of Texas, has set apart the week of August 13 as Texas Centennial Week, during which time every Texan is called upon to Think-Talk-Write Texas Centennial for 1936.

In pursuance of such proclamation, I, W. E. (Happy) Smith, County Judge of Lynn County, by virtue of the authority in me vested officially proclaim and set apart such Centennial Week within our borders and call upon the entire citizenship to put its shoulders to the wheel, wage an intensive campaign of education, to the end that all Texas be now committed to the necessity of staging in this State during 1936 a great exhibition honoring the memory of our heroic fathers, portraying the advancement of the last century and forecasting the progress yet to come.

W. E. SMITH, County Judge of Lynn County, Texas.

ATTEND HUNTER SPEAKING

J. B. Walker, Milt Finch, Lar-kin Weathers, and Bill Pechal were among the Tahoka people who attended the Tom Hunter speaking in Lubbock Wednesday night. Mr. Walker had a personal interview with Mr. Hunter both before and after the speaking and has been asked to look after Mr. Hunter's interests in Lynn county. The Tahoka people report that a large and enthusiastic crowd heard the address of the Wichita Falls oil man.

District Attorney G. H. Nelson and Mrs. Nelson, Allied supporters, were also there and heard the Hunter speech.

Mr. and Mrs. Arnold Houston and children and Mrs. R. W. Lewis and children left Wednesday morning to visit at Ingram and San Antonio. They will probably make a brief run over into Mexico too before returning home.

Geo. Mahon Opens Run-Off Campaign

George Mahon, leading candidate for Congress in the first primary, opened his run-off campaign in Littlefield Saturday. He spoke to one of the largest political crowds of the year and was accorded a warm reception by the citizenship of Lamb county.

Mr. Mahon discussed his platform fully, making clear his stand upon the issues of the campaign. He pointed out that the problems of Agriculture were of primary importance in the new 19th District. He indicated that he favored a farm program for the farmer, including tariff adjustments designed to expand our foreign trade and provide markets for our products. In explaining his stand on the Bonus question, he said, "I favor im-

mediate payment of the Soldiers' Bonus, and the passage of a universal draft act mobilizing both industry and men and taking the profit out of war."

He stressed forcefully the fact that he was asking to represent all the people of the entire district. He stated that he intended to carry on an aggressive campaign from now until the 25th of August, carrying his message to the people in the same manner that he used throughout the first primary. He expressed his gratefulness for the endorsement which was given him at the polls on July 28th when he received 19,524 votes while his nearest opponent received 10,881.

Chester Connolly was a business visitor in Dallas last week end.

To The Voters Of Lynn County

I am taking this opportunity to express my thanks for the support I received on the 28th day of July. That support made it possible for me to be in the runoff, which will take place on the 25th of August. Due to the shortness of time, it will be impossible for me to see each voter personally. In this way I wish to solicit your vote and influence in the coming election.

Most of you know I am a young man with my life before me. I am 24 years of age and married. I believe I am the first person to run for a county office in this county who was born in Lynn County. I am a graduate of the Tahoka High School and have had two years in college.

I was taught that right living and preparation would merit the confidence and support of the people. I have tried to abide by this teaching.

To the young man who is trying to get a start, I appeal for support. I appeal to the young women to support me for the same reason that you would appreciate others supporting your husband, friend or brother. I am appealing to the mothers and fathers on the same basis that you would be glad for other mothers and fathers to support your son, should he be in my position.

The past four years have been the hardest yet known in the history of our country. During these same four years my opponent has enjoyed the fruits of the best office in the gift of the people of Lynn County. During these same four years, I have worked just as hard as he, at anything I could find, to earn an honest living. If you feel that he has had this office a reasonable time, then I shall appreciate the same help during the next two years he has enjoyed during the past four.

I will work hard if you give me this job. I will try to show my appreciation for your vote and confidence by the manner in which I conduct my private and official life. You have helped other young men in this county to start up the ladder of success by honoring them to public office. I appeal to you to help me win this race for Tax Assessor and Collector.

Sincerely yours,

Edgar Edwards

Tells Of Indian Raid On Old Fort Parker In 1833

(By C. C. Bishop)

In the spring of 1833, Fort Parker was established on the west side of the Navasota creek near the site of the present town of Groesbeck, in Limestone county, Texas.

This fort was composed of nine families all relatives of Mr. Parker, the founder of the fort. Among the group was Mr. L. M. T. Plummer and his wife, Rachel, she being the daughter of Mr. Parker.

About 9 o'clock on the morning of May 19th, 1836 while the men were in the field at work several hundred Comanches and Kiowa Indians visited this fort under the treacherous semblance of friendship.

Before they had time to escape many of the colonists were either captured or killed, and among those taken prisoner was Mrs. Rachel Plummer.

Mrs. Plummer remained a captive about eighteen months. Soon after her capture she gave birth to a child. When the baby was but six weeks old its crying annoyed her captors and they put it to death in the most brutal manner.

The child was choked, pitched into the air to let fall to the ground, they threw it into prickly pear hedges and finally dug it with a horse until its little body was literally torn to shreds.

Thousands See President Light New World's Fair

Through the medium of a motion picture shown at the Lagoon theater, President Roosevelt turned on the lights of the new World Fair in Chicago for a record opening day crowd to see May 26. Visitors, who thronged in great numbers to the fifteen foreign villages that feature the ex-

position this summer, were surprised when they found that the Fair was complete in every detail and ready to receive them.

SOCIETY

PRESBYTERIAN SERVICES HERE NEXT SUNDAY

After a pleasant trip back home for the past two or three weeks I am back in Lubbock again and going about the work. It is hot and dry everywhere. Hot winds and drought is no respecter of persons this year. People in the East are as sunburnt and needy or rain as those in the West. All Churches need cooling off and fewer hot sermons running over the noon hour. Spacious pews and fans, far reaching in their sweep are also needed. Short hymns and a light collection and no announcements and no repetitions help hot weather preaching and all Sunday services. This we have in store for you next Sunday. Bring a few clothes and try our services Sunday morning and night. Only a 45 minute service. Cheer up and try it. Hot or cold, drought or no drought, whether you have been elected or defeated come to Church and Bible class next Sunday. The Lord hath need of you and you need the Lord. Morning theme: "Bread in the Desert." Hot winds and the desert are still with us. Subject at night: "The Far Country" and those enroute there. Fine gospel songs and a good fellowship in all of our services. You are invited.—W. K. Johnston, Minister.

REVIVAL TO BEGIN AT CENTRAL FRIDAY, AUGUST 17

Revival services will be held at Central Baptist Church eleven miles east of Tahoka, beginning on Friday night, August 17 and closing Sunday night, August 26, according to Rev. Morris Day, the pastor. His father, Rev. R. E. Day, pastor of the First Baptist Church in Big Spring, will do the preaching from Monday night till the close of the meetings.

People of the neighboring communities as well as Tahoka are invited to attend these services. Brother Day conducted a revival in Tahoka a little more than a year ago and has many friends and admirers here.

Mrs. J. M. Edwards and daughters, Misses Lucille and Mary of Fort Worth are here visiting the former's sister, Mrs. A. J. Edwards, and her brother, John Anderson of O'Donnell.

B. R. Tate has been a business visitor in Hobbs, New Mexico, this week.

SISTERS ARE HONORED AT DOUBLE BIRTHDAY PARTY

Mrs. Inez Walden and Mrs. Mabelle Rieger, sisters, whose birthdays are just three years apart, were honored with a birthday dinner at the home of their parents, Mr. and Mrs. R. F. Barton, seven miles west of Tahoka Sunday.

About twenty guests were present. Among them were J. R. Coor and Ivey Coor and family of Pride Mrs. E. E. Slaughter of O'Donnell, who is Mrs. Barton's grandmother and Mrs. N. J. Barton, mother of Mr. Barton.

WHEN TIMES WERE REALLY HARD

"Don't talk to me about hard times. I was born 8 miles from a railroad, 5 miles from a schoolhouse, 9 miles from a church, 885 miles from New York, 200 yards from a wash hole, and 15 feet from a cornfield.

"Our nearest neighbors lived 2 miles away and they couldn't read or write. I never saw a suit of underwear until I was 17 years old and that revelation didn't belong to anybody in our family. The only books in the house were a Bible and a Sears-Roebuck catalogue.

"There were twelve members in our family, but you see we had three rooms to live in including a dining room which was also a kitchen. Everybody worked at our house. We thought everybody else in the world had gravy and bread for breakfast. Liver and cracklin' hockeas for dinner, buttermilk and corn pone for supper, because that was what we had.

"Some of us wore brogan shoes in the winter time. We had 'lice white shirts for summer time' use. We slept on straw bicks, and pillows were not thought of nor required. I didn't know that money would 'rattle' until I was nearly grown. Father got hold of two half dollars at the same time and let us hear them rattle. Taxes were no higher, but a lot harder to pay.

"We owned two kerosene lamps. Neither of them had a chimney. Our house wasn't sealed, but two

of our rooms had lofts in them. We had a glass window in our 'company room'. Our nicest piece of furniture was a home-made rocking chair. Our beds were of the slat or light-rope variety.

"We went to school two or three months in every year but not in a bus. We attended church every month, but not in a car. We used a two-mule wagon. We dressed up on Sunday, but not in silks and satins.

"We sapped our own molasses; we ate our own meat; we considered rice a delicacy for only the preacher to eat; we heard of cheese, but never saw any; we knew of some store-bought clothes but never hoped to wear any; we got a stick of candy and three raisins for Christmas and were happy; we loved Ma and Pa, and were never hungry, enjoyed going naked, didn't want much, expected nothing.

"An' that's why our present so-called hard times ain't hard on me."—Author Unknown.

HOUSE JOINT RESOLUTION
NUMBER 14

Be it resolved by the Legislature of the State of Texas:

Section 1. That there be added to Article IX of the Constitution of the State of Texas a new section to be numbered Section 2-A and to have five (5) lettered subdivisions and which section shall read as follows:

"Section 2-A.

"(a) General management and control of the affairs of the County shall hereafter be vested in the Commissioners Court, provided that in the exercise of powers not specifically granted to the Commissioners Court by the Constitution and Amendments thereto, the Court shall be subject to the authority of the Legislature of the State, and the Court shall also be subject to all general laws of the State now in force, not in conflict with the provisions of this Amendment until such laws are modified or repealed.

"(b) All duties heretofore performed by the Clerk of the District Court and the County Clerk shall hereafter be performed by an officer to be known as Record Clerk; all duties heretofore performed by the County Tax Assessor and the County Tax Collector shall hereafter be performed by one officer known as Tax Clerk; and in the counties where the sheriff performs the duties of the Tax Collector he may hereafter perform the duties of the Tax Clerk. The Record Clerk and the Tax Clerk shall be elected to hold office for a term of two (2) years and until their successors shall be elected and qualified. The Commissioners Court shall have authority to fix the compensation of all county officers and the office of County Auditor, County Judge and County Commissioners. The Legislature shall fix the compensation of District Judges, District Attorneys, County Judges and the County Commissioners and may provide for the compensation of all county officers and the number and compensation of his assistants. The Commissioners Court shall fix the compensation of deputies, assistants and clerical personnel of all precinct offices and county officers except the county auditor.

"(c) City and county officers and employees may, in addition to their duties as such city and county officers or employees, be required to perform such other similar duties for cities, towns and districts within the county, or for the county, as may be mutually agreed upon and contracted for between the Commissioners Court of said county and the governing board, or boards, of such cities, towns and districts; and the cost of such service shall be provided for in said contracts and paid by such county, cities, towns or districts into the Treasury of the county or city, or town, or district, as provided for in said contract. All such contracts shall be approved by the Attorney General of this State and such contracts shall not cover a period longer than two years.

"(d) The Legislature shall have authority, by general law, to provide for complete forms of county government and organizations different from that provided for in this Constitution to become effective in any county when submitted in such manner as may be prescribed by the Legislature to the qualified voters of such county in an election held for such purpose and approved by a majority of the qualified voters voting in said election. Provided, however, that the authority of the Commissioners Court to determine the compensation of county and precinct officers other than the County Auditor, to fix the number of assistants, deputies, and clerical personnel which said officers may employ; nor shall such constitutional limitations as to particular and total tax levies for any or all county purposes nor shall such general law change the present constitutional limitations on counties to incur public debts.

"(e) In any and all cases where provisions of the Constitution of this State are in conflict with the provisions of this Amendment, the provisions of this Amendment (Section 2-A, Article IX) shall control; provided, however, should any county adopt a Home Rule Charter under authority of any provisions of the State Constitution or Amendment thereto, this Amendment shall not be applicable to such county.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the electors of this State, qualified to vote on Constitutional Amendments, at an election to be held throughout the State on the first Tuesday after the first Monday in November A. D. 1934, at which election each ballot shall

have printed thereon the words: "For the Amendment of Article IX of the State Constitution by adding Section 2-A thereto, giving the Commissioners Court general management and control of county affairs, and authorizing the Legislature to provide more economical forms of county government and different than as now provided by law."

"Against the Amendment of Article IX of the State Constitution by adding Section 2-A thereto, giving the Commissioners Court general management and control of county affairs, and authorizing the Legislature to provide more economical forms of county government and different than as now provided by law."

Each voter shall scratch out with pen or pencil the clause which he desires to vote against so as to indicate whether he is voting for or against said proposed amendment. (A true copy) W. W. HEATH, Secretary of State.

SENATE JOINT RESOLUTION
NUMBER 16

Be it resolved by the Legislature of the State of Texas:

Section 1. That Section 1 of Article 8 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

Section 1. TAXATION TO BE EQUAL, AND TO BE EQUAL AND UNIFORM AS TO ALL REASONABLE CLASSIFICATIONS OF PROPERTY; AND OCCUPATION AND INCOME TAXES; EXEMPTIONS; LIMITATIONS UPON COUNTIES, CITIES, ETC.

"Taxation of real property shall be equal and uniform. All property in this State, whether owned by natural persons or corporations, other than municipal, shall be taxed in proportion to its value, which shall be ascertained as may be provided by law. The Legislature may by general law make reasonable classifications of all property other than real property for the purpose of taxation, and may impose different rates thereon; provided that the taxation of all property in any class shall be equal and uniform. The Legislature may impose a poll tax. It may also impose occupation taxes, both upon natural persons and upon corporations, other than municipal, doing business in this State. It may also tax incomes of both natural persons and corporations other than municipal, except that persons engaged in mechanical and agricultural pursuits shall never be required to pay an occupation tax. (A true copy) W. W. HEATH, Secretary of State.

Section 2. The foregoing amendment to the Constitution of Texas shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the first Tuesday after the first Monday in November, 1934. At this election, all voters favoring said amendment shall write, or have printed, on their ballots the words:

"For the Amendment to the Constitution of the State of Texas providing that taxation of real property shall be equal and uniform; and that all property in this State, other than that owned by municipal corporations, shall be taxed in proportion to its value as ascertained as may be provided by law; and providing that the Legislature may make reasonable classifications of all property, other than real property, for the purpose of taxation; and that the taxation of all property in any class shall be equal and uniform; and providing further that the Legislature may impose poll tax and occupation tax and income tax and exempting from occupation tax persons engaged in mechanical and agricultural pursuits; and exempting from taxation Two Hundred Fifty (\$250.00) Dollars worth of household and kitchen furniture belonging to each family; and providing that the occupation tax levied by any county, city or town shall not exceed one-half that levied by the State for the same period."

Those voters opposing said proposed Amendment shall write or have printed on their ballots the words:

"Against the Amendment to the Constitution of the State of Texas providing that taxation of real property shall be equal and uniform; and that all property in this State, other than that owned by municipal corporations, shall be taxed in proportion to its value as ascertained as may be provided by law; and providing that the Legislature may make reasonable classifications of all property, other than real property, for the purpose of taxation; and that the taxation of all property in any class shall be equal and uniform; and providing further that the Legislature may impose poll tax and occupation tax and income tax and exempting from occupation tax persons engaged in mechanical and agricultural pursuits; and exempting from taxation Two Hundred Fifty (\$250.00) Dollars worth of household and kitchen furniture belonging to each family; and providing that the occupation tax levied by any county, city or town shall not exceed one-half that levied by the State for the same period."

(A true copy) W. W. HEATH, Secretary of State.

SENATE JOINT RESOLUTION
NUMBER 13

Be it resolved by the Legislature of the State of Texas:

Section 1. That Section 3 of Article VIII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 3. Taxes shall be levied and collected by general laws and for public purposes only; and the total amount of revenue which the State shall be authorized to collect during such biennium from taxes,

licenses, permits and fees, (except fees paid by students to state educational institutions, and except rentals, bonuses and royalties obtained from public lands and other public property) shall not exceed a sum reasonably estimated to equal the product obtained by multiplying the number of the inhabitants of this State by the sum of Twenty-two and 50-100 (\$22.50) Dollars; provided, however, the total amount of such revenue which may be so collected, shall be reduced by the amount of any surplus funds or unexpected appropriations remaining at the close of the preceding biennium. The expenditures of the State government of funds derived from the sources above referred to shall never exceed during any biennium a sum equal to the product obtained by multiplying the number of inhabitants of this State by the sum of Twenty-two and 50-100 (\$22.50) Dollars, provided however, that the population of the State (in determining the amount of revenue which may be collected from taxes, licenses, permits and fee or expended from the revenue thus obtained) shall be determined by the then last preceding Federal census, to which population shall be added or deducted, as the case may be, for each year that has elapsed since the last preceding Federal census, the average yearly increase or decrease of the population as shown by said Federal census when compared with the Federal census which immediately preceded said last Federal census. Provided, further, that in case of war, riots, or insurrection, or a statewide calamity caused by earthquake, fire, flood, or an epidemic which seriously threatens the health of the citizens of this State, the Legislature shall have authority, by a two-thirds vote of both Houses, to suspend for a definite period this constitutional limitation as to the amount of money which may be collected and expended during the biennium."

Section 2. The foregoing Constitutional Amendment shall be submitted to the electors of this State qualified to vote on constitutional amendments at an election to be held throughout the State on the first Tuesday after the first Monday in November, A. D. 1934, at which election each ballot shall have printed the words:

"For the Amendment of Section 3 of Article VIII of the State Constitution providing for the levying and collection of taxes and fixing the maximum amount thereof which can be collected and expended each biennium."

"Against the amendment of Section 3 of Article VIII of the State Constitution providing for the levying and collection of taxes and fixing the maximum amount thereof which can be collected and expended each biennium."

Each voter shall scratch out with pen or pencil the clause which he desires to vote against so as to indicate whether he is voting for or against said proposed amendment. (A true copy) W. W. HEATH, Secretary of State.

SENATE JOINT RESOLUTION
NUMBER 21

Be it resolved by the Legislature of the State of Texas:

Section 1. That Section 1 of Article 8 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 1. The Legislature shall have the power to create counties for the convenience of the people subject to the following provisions: "First. In the territory of the State exterior to all counties now existing, no new counties shall be created with a less area than nine hundred square miles, in a square form, unless prevented by the existing boundary lines. Should the state lines render this impracticable in border counties, the area may be less. The territory referred to may, at any time, in whole or in part, be divided into counties, in advance of population and attached for judicial and land surveying purposes, to the most convenient organized county or counties."

"Second. Within the territory of any county or counties now existing, the Legislature may by a two-thirds vote of both Houses, create new counties, combine existing counties and parts of counties and abolish existing counties and change county boundaries at will, provided that no new county shall be created with an area of less than nine hundred square miles nor shall any existing county be reduced in area so as to contain less than nine hundred square miles, unless such new county or such remaining county, and both shall have a population of not less than fifty thousand and according to the last United States census prior to the date of the creation or change of such county. When any part of a county is stricken off and attached to, or created into another county, the part stricken off shall be held for and obliged to pay its proportion of all liabilities then existing, of the county from which it was taken, in such manner as may be prescribed by law."

"Third. No part of any existing county shall be detached from it and attached to another existing county until the proposition for such change shall have been submitted in such a manner as may be provided by law, to a vote of the electors of both counties and shall have received a majority of those voting on the question in each."

Section 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the first Tuesday after the first Monday in November, 1934. At this election all voters favoring said proposed amendment shall write or have printed in that ballot the words:

"For the amendment to Section 1 of Article 9 of the Constitution of Texas, providing that the Legislature may by a two-thirds vote of both Houses create new counties and change the boundaries of existing counties."

Those voters opposing said pro-

posed amendment shall write, or have printed on their ballot the words:

"Against the amendment to Section 1 of Article 9 of the Constitution of Texas, providing that the Legislature may by a two-thirds vote of both Houses create new counties and change the boundaries of existing counties."

(A true copy) W. W. HEATH, Secretary of State.

SENATE JOINT RESOLUTION
NUMBER 2

Be it resolved by the Legislature of the State of Texas:

Section 1. That the Constitution of the State of Texas, Article 16, be amended by adding thereto another Section, Section 61, which shall read as follows:

"Section 61. All district officers in the State and all county officers in counties having a population of twenty thousand (20,000), or more, according to the then last preceding Federal census, shall hereafter be compensated on a salary basis. In all counties of this State the Commissioners' Court shall be authorized to determine whether precinct officers shall be compensated on a fee basis or on a salary basis; and in counties having a population of less than twenty thousand (20,000) according to the then last preceding Federal census, the Commissioners' Court shall also have the authority to determine whether county officers shall be compensated on a fee basis or on a salary basis. All fees earned by district, county or precinct officers shall be paid into the County Treasury where earned, for the account of the proper fund, provided that fees incurred by the State, county and any municipality, or in case where a pauper's oath is filed, shall be paid to the County Treasurer when collected, and provided that where any officer is compensated wholly on a fee basis, such fees may be retained by such officer, or paid into the Treasury of the county as the Commissioners' Court may direct. All Notaries Public, County Surveyors and Public Weighers shall continue to be compensated on a fee basis."

Section 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified voters of this State at the next general election to be held on Tuesday, after the first Monday in November, A. D. 1934, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words:

"For the Amendment to the Constitution of the State of Texas adding Section 61 to Article XVI, abolishing the fee system of compensating all district officers and all county officers in counties having a population of twenty thousand (20,000) or more; and authorizing the Commissioners' Court to determine whether County officers in counties containing less than twenty thousand (20,000) population shall be compensated on a fee basis or a salary basis."

"Against the Amendment to the Constitution of the State of Texas adding Section 61 to Article XVI, abolishing the fee system of compensating all district officers and all county officers in counties having a population of twenty thousand (20,000) or more; and authorizing the Commissioners' Court to determine whether County officers in counties containing less than twenty thousand (20,000) population shall be compensated on a fee basis or a salary basis."

Each voter shall scratch out with pen or pencil the clause which he desires to vote against so as to indicate whether he is voting for or against said proposed amendment. (A true copy) W. W. HEATH, Secretary of State.

HOUSE JOINT RESOLUTION
NUMBER 30

Be it resolved by the Legislature of the State of Texas:

Section 1. That Section 16, Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 16. All land mentioned in Sections 11, 12 and 15 of Article VII of the Constitution of the State of Texas, now belonging to the University of Texas shall be subject to the taxation for county and school district purposes to the same extent as lands privately owned; provided they shall be rendered for taxation upon the values fixed by the State Tax Board and that the values fixed for school district purposes shall not exceed the values fixed for county purposes on the same land; and provided that the University of Texas from the University Available Fund, shall remit annually to each of the counties and school districts in which said lands are located an amount equal to the tax imposed upon said land for county and school district purposes."

Section 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of the State at the next general election, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words: "For the Amendment to the Constitution of the State of Texas subjecting the lands of the University of Texas to taxation for county and school district purposes, and providing for the payment of said taxes to the proper authorities of the counties and school districts where said lands are located."

(A true copy) W. W. HEATH, Secretary of State.

HOUSE JOINT RESOLUTION
NUMBER 41

Be it resolved by the Legislature of the State of Texas:

Section 1. That Section 5, Article XI, of the Constitution of Texas, be amended so as to hereafter read as follows:

"Section 5. Cities having more than five thousand (5000) inhabitants may, by a majority vote of the qualified voters of said city, at an election held for that purpose, adopt or amend their charters, subject to such limitations as may be prescribed by the Legislature, and providing that no charter or any ordinance passed under said charter shall contain any provision inconsistent with the Constitution of the State, or of the general laws enacted by the Legislature of this State; said cities may levy, assess and collect such taxes as may be authorized by law or by their charters; but no tax for any purpose shall ever be lawful for any one year, which shall exceed two and one-half percent (2½%) of the taxable property of such city, and no debt shall ever be created by any city, unless at the time provision be made to assess and collect annually a sufficient sum to pay the interest thereon and creating a sinking fund for at least two per cent (2%) thereon; provided further, that no city charter shall be altered, amended or repealed oftener than every twelve (12) months."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of the State at the next general election, to be held on the first Tuesday after the first Monday in November, 1934, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words: "For the Amendment to the Constitution of the State of Texas permitting any Home Rule City to alter, amend or repeal its charter every twelve (12) months, and those opposed shall write or have printed on their ballots the words, 'Against the Amendment to the Constitution of the State of Texas permitting any Home Rule City to alter, amend or repeal its charter every twelve (12) months.'" (A true copy) W. W. HEATH, Secretary of State.

HOUSE JOINT RESOLUTION
NUMBER 43

Be it resolved by the Legislature of the State of Texas:

Section 1. That Section 30, Article 16 of the Constitution of Texas be amended so as to hereafter read as follows:

"Section 30. The duration of all offices not fixed by this Constitution shall never exceed two (2) years, except that the elected officials of a city that has adopted and amended its Charter as provided in Section 5, Article XI of the Constitution of Texas may, by amendment to such city's charter, hold office not to exceed four (4) years; provided, that when a Railroad Commission is created by law it shall be composed of three (3) Commissioners who shall be elected by the people at a general election for State officers, and their term of office shall be six (6) years; provided, Railroad Commissioners, first elected after this Amendment goes into effect shall hold office as follows: One shall serve two (2) years, and one four (4) years and one six (6) years; their terms to be decided by lot immediately after they shall have qualified. And one Railroad Commissioner shall be elected every two (2) years thereafter. In case of vacancy in said office the Governor of the State of Texas shall fill said vacancy by appointment until the next General Election."

Section 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of the State on the next general election to be held on the first Tuesday after the first Monday in November, 1934, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words: "For the Amendment to the Constitution of the State of Texas permitting Home Rule Cities to amend their charters so that the elected officials of such cities may hold office not to exceed four (4) years, and those opposed shall write or have printed on their ballots the words, 'Against the Amendment to the Constitution of the State of Texas permitting Home Rule cities to amend their charters so that the elected officials of such cities may hold office not to exceed four (4) years.'" One-half acre of strawberries returned \$360 to Dr. J. H. Loving, Brooks county farmer having strawberries for a hobby. Proper preparation of the soil, barnyard manure and cover crops are the secret of his success. Dr. Loving says that while he can make \$300 profit on half an acre he doesn't fool himself into thinking that he can make \$3000 on five acres.

ORGANIZE YOUNG FARMERS TO CREATE MORE INTEREST

(Cont'd. from first page)

pictures of Washington and Jefferson are used in FFA activities since they were farmers as well as great statesmen.

The motto of the FFA is: Learning to do; Doing to learn; Earning to live; and Living to serve.

A few activities that could be sponsored by this local chapter were named by the teacher as:

1. Co-operate with the county agent and service clubs in agricultural progress.

2. Assist with the county fair. Give demonstrations of improved farm practices as terracing, culling poultry, and many other services.

4. Send delegates to the state conventions.

5. Send judging teams to compete in various contests over the state.

6. Help the athletic department.

7. Enter educational booths in the county fair.

Due to the small number present the officers were not elected but the group decided to have another meeting on the 20th of August. They plan to then discuss the organization more and elect officers to act until school starts. All prospective students are invited to attend the meeting on August 20th.

Mrs. J. H. McCoy returned home Sunday after a visit of several weeks with her daughter, Mrs. W. J. Gallagher, at Cisco. Mrs. McCoy also visited in Austin and San Antonio.

Mr. Alton Strickland, brother of Vocational Agriculture teacher J. D. Strickland and Miss Genella Fort, sister of Mrs. Strickland, both of Silverton, are visitors in the Strickland home this week.

Cardui Helped Lady For Nervousness and Run-Down Condition

"I have taken Cardui several times for week, run-down condition and it has helped me," writes Mrs. Walter M. Coulon, of Forsyth, Ga. "I was nervous and suffering from a weak condition. There were days when I had to lie down during the day. I sent for six bottles of Cardui, as it had helped me before. Cardui gave me strength, stopped the nervousness and helped me in every way." Cardui can be just what you need. It can't do you any harm, so why not try it? Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician. \$1 a bottle, at drug stores.

Tredway Farmer Killed Sunday

Johnnie Koff, 28, operator of a store at Tredway, Borden county, shot and killed F. L. Burrus, 48, a farmer, in his place of business about 7:30 P. M. Sunday, following an argument with Burrus' son over a domino game earlier in the afternoon.

Immediately following the shooting, friends started with the wounded man to O'Donnell twelve miles away but he died before arrival. It is said that he was never conscious after the shooting and died without making any statement. Koff was taken to Snyder and placed in jail there pending an examining trial, which was to be held Tuesday.

Sid Cathey, mayor of O'Donnell and acting justice of the peace during the absence of D. M. Estes, together with B. L. Parker, sheriff of Lynn county, took a written statement Sunday night from Stevin Burrus, son of the slain man, who had engaged in the domino game and the subsequent quarrel with Koff.

During the quarrel, Koff ordered young Burrus out of the store. He went out but came back in later. He was ordered out again and again obeyed the demand, but he came back into the store followed by his father. After the two had entered the store and were approaching Koff, the latter opened fire, the bullets being aimed apparently for the youth.

Koff is quoted as saying that when the two men walked into the store he felt that they "meant business."

The first bullet grazed Stevin's cheek and struck the father in the mouth. The second shot hit and broke the elder man's arm.

Burrus is survived by a wife, two sons, and a daughter. Koff has a wife and two children. Both families had lived in the Tredway community many years.

This is the first homicide that has been committed in Borden county for a quarter of a century or longer. Sometimes several years pass without a felony indictment of any kind being returned by the grand juries. The county lies in the thirty-second judicial district, with Judge A. S. Maughey of Sweetwater as district judge and George Mahon of Colorado as district attorney.

Mr. and Mrs. L. C. Haney and little daughter left Sunday to spend a week or ten days out in the mountains of New Mexico, fishing and otherwise enjoying life. Fred Haney is here assisting in the store during his brother's absence.

A. J. Mullins and family visited relatives at Idalou Sunday.

Texas Lady Tells How Black-Draught Laxative Helps All Her Family

Here's how Black-Draught fills the needs of a family laxative in the home of Mrs. J. S. Stoker, Fort Worth, Texas: "The grown-ups in my family," she writes, "have always taken powdered Theodor's Black-Draught for biliousness, headaches and other ailments (due to constipation) and found it a reliable remedy. I was very pleased when I saw Syrup of Black-Draught advertised. I bought it and gave it to my little daughters, ages 6 and 4. They needed something to cleanse their systems and Syrup of Black-Draught acted well." Your druggist sells this reliable laxative in both forms. "Children like the Syrup."

SHERIFF'S SALE
