## Fort Worth Cats Play Tahoka Tuesday Bulldogs Open Grid Season With Crosbyton Here Friday

### STORES WILL CLOSE FRIDAY

Football Team Rounding Into Shape; Game Will Begin At 3:30 P. M.

Tahoka may not win all of its football games this fall, but the 1934 Bulldogs will furnish the best exhibition of the game seen here in some time, seems to be the consensus of opinion of fans who have been watching the thirty-odd recruits respond to Coach Walker's pre-game training.

Though they have gone through only one hard scrimmage, Tahoka meets Crosbyton here Friday afternoon at 3:30. Admission is 25c and 15c, but many people are taking advantage of the season ticket offer at \$1.00 for adults and 50c for school children.

Practically all the business men of the town have signed an agreement to close their stores during the game in order that the proprietors and employees may attend.

Coach Walker says that his team is getting in good condition for the game and a hard-fought battle is expected. Tahoka should turn out en-masse to back up the home team. However, let us treat the visitors with every possible courtesy and consideration and give them the glad hand.

Though this is the first match game for both teams, Crosbyton has been scrimmaging since last week and has already met Floydada in a practice game.

Friday of next week Tahoka will entertain at football the Lubbock Cowhounds.

### South Plains Fair Opens Monday

Lubbock, Sept. 20—A circus, a wild west show, a carnival, six daily racing cards, fireworks at night, vaudeville acts, a horse show and other amusements are on the entertainment card for the 21st annual Panhandle-South Plains Fair to be held here next week, Sept. 24 to 29, inclusive.

For the first time, a display of the late model automobiles popular in this section will be seen at the fair.

Tuesday will be a big day when the Sam B. Dill Circus and the Tom Mix Wild West Show will be here. Wednesday, School Day, will be another big one. Thursday and Friday the horse shows will attract thousands, while Monday, opening day, and Saturday, closing day, are always good.

Free horse races will be held each afternoon with fireworks at night.

The agricultural building is being enlarged to have about 50 percent more space than last year because of such a large number of reservations for booths for county, community, vocational and individual exhibits. County exhibits will come from Terry, Bailey, Lamb, Hale, Hockley, Crosby and Haskell counties, and perhaps others. Vocational exhibits will come from Hale Center, Abernathy, Crosbyton, Sudan, Ralls, Seminole, Floydada, Post, Springlake, Lorenzo and Tahoka.

### Burton Edwards Has Painful Accident

Burton Edwards was the victim of a very painful accident a few days ago. As he mounted a fiery mare out at his farm, she reared and threw her head back, striking the rider in the face, breaking two of his teeth and leaving an ugly wound on the nose.

The broken teeth had to be extracted and the nose bandaged up, but Mr. Edwards is recovering and thinks he will live over it. He is going to be more careful in mounting that mare hereafter, though.

### Highway Work Will Begin Soon

Now that a contract has been let for grading and drainage structures on Highway No. 9 from Tahoka to O'Donnell, it is expected that actual work will begin within the next few weeks.

However, we learned this week that the state highway department had demanded the procuring of releases by the loan companies that hold loans on lands through which the right-of-way passes before work will be given that work may begin. Deen Nowlin expects these releases to be forthcoming within the next week or two.

### Cleaners Clean Bankers' Team

In the softball tournament play-off which came to a close Monday afternoon, the Cleaners cleaned the Bankers, winning three of the five games played and the bankers winning one. The other game was a tie. The Cleaners won Monday's game by a score of 7 to 1.

During the last half of the first primary, the bankers rode a fast horse. They never lost a game and had begun to think that they were just about "it." But the Cleaners had gotten in the run-off by reason of the fact that they won the first half of the split season, and in the play-off they hit their old stride, piling up victory after victory over the money-changers.

Softball has furnished much diversion and entertainment for the people of Tahoka the past summer. Scores of men and boys and even some of the women and girls have engaged in this popular sport, while hundreds of people have sat on the sidelines and enjoyed the games. It is a clean, wholesome sport, and will probably be popular again next summer.

### Legion Post Heads Re-elected Thursday

Officers for the ensuing year were elected by the Marion G. Bradley Post of the American Legion at their regular meeting held last Thursday night.

Jim Dye was re-elected Post Commander for his third term and Aubrey Cade was returned to his position as adjutant for the fourth term. Happy Smith succeeds Skip Taylor as service officer, Mr. Taylor being elected historian. He C. Story was re-elected as chaplain and Frank McGlavin as sergeant-at-arms.

The members of the Post have some plans whereby they hope to be able to build a hall some time soon.

### Country Schools Close For Picking

Some of the rural schools have already closed their doors to enable the children to help gather the cotton crop during the next few weeks, according to County Superintendent E. P. Caviness.

Many of our rural schools have adopted the policy of opening very early in the fall or late in the summer, running a few weeks, and then suspending through the busiest portion of the fall in order that the children may assist with the crops.

John Russell and family returned Friday from Mercury in McCulloch county, where they spent the past two months. John says that cotton is just a little better there than it is here, that there is some corn and maize, while the oats crop last spring was good. With the help of the Lord and the government he thinks everybody will pull through.

### PLAN MEETING OF METHODISTS

Presiding Elder Outlines Plans For Meeting In Tahoka On October 4

On last Tuesday morning the Presiding Elder of the Lubbock District met with the Methodist pastors of Lynn county to arrange a meeting for Lynn county Methodist officials and members to be held in the Tahoka Church Oct. 4. The meeting was in the office of the Methodist Church. Those present were W. M. Pearce, Lubbock; G. W. Montgomery, O'Donnell; J. A. Wheeler, Draw; M. P. Hines, Wilson and H. C. Smith, Tahoka. Rev. Marvin Norwood of Albany was a visitor.

The meeting to be held October 4 will begin at 10 a. m. and close at 3 p. m. All Methodists of Lynn county are invited to be present. Come and bring a basket lunch and let us have a great meeting looking forward to the closing out of a great year. The following program has been arranged:

Theme: Our Church's Task.

10 a. m. Devotional—Rev. M. P. Hines.

10:15 a. m. Importance of Organized Effort—Judge W. E. Smith.

10:30 a. m. Status of Each Church.

11:00 a. m. Preaching—Rev. W. M. Pearce.

12:00 m. Lunch.

1:00 p. m. Devotional—Rev. J. A. Wheeler.

1:15 p. m. Pastoral Support—Mr. B. M. Haynes.

1:30 a. m. The Claim of Benevolence—Rev. H. C. Smith.

1:45 p. m. Every Member's Responsibility—Mr. W. W. Caswell.

2:00 p. m. Our Stewardship—Rev. O. C. Coppage.

2:15 p. m. The Steward's Responsibility—Mr. J. O. Allen and Mr. A. L. Shepherd.

2:30 p. m. Building the Morale for the Work—Rev. G. W. Montgomery.

3:00 p. m. Present Status of Our Work.

### REESE GETS FINGER IN PRESS AT NEWS PLANT

Sylvester Reese, employee of The News, suffered a severe finger injury Saturday when a job press which he was feeding broke, catching the middle finger of his right hand. Doctors at first thought the member would have to be amputated, but decided against such an operation. The wound is healing and he hopes to have the use of the finger again soon.

### \$122,600 Received For Cut In Cotton Acreage

1,275,000 CASES OF BEER DRUNK IN FIORET WORTH

If you can figure out how many glasses of 3.2 beer are contained in 1,275,000 cases, you will have a rough idea of how much beer has been consumed in Tarrant county the last year.

It was just one year ago Saturday that Fort Worth learned again to say "prosit," for on Sept. 15, 1933, 3.2 per cent beer became a legal beverage in Texas.

Police Chief Lewis, while declaring that he had never found a man drunk of 3.2 beer, added that using beer to chase a drink of whiskey is a very unwise practice and was responsible for a goodly part of the 60 per cent increase in drunkenness last year over the year previous.—Star-Telegram.

A. A. Suits accompanied his son, Gordon, to Abilene Monday, where the latter went to enter Simmons University.

### WILSON HOST TO BAPTISTS

Annual Meeting of Brownfield Ass'n Well Attended Wednesday And Thursday

With possibly the best attendance in several years, the annual meeting of the Brownfield Baptist Association held with the Wilson Baptist Church came to a close this afternoon. The meeting was generally pronounced one of the best in every respect in the history of the association.

With John Heck of Wilson as moderator, the association opened shortly after ten o'clock Wednesday morning. After letters from practically all of the twenty-eight churches within the association were read, organization of the body was effected, Rev. J. M. Hale of Brownfield being elected the moderator for the ensuing year.

Many Tahoka people were present and a number of them had places on the program Wednesday. The annual sermon, however, was brought by Rev. W. K. Horn of Meadow while the first report of the day, that on Christian Education, was made by Rev. Weaver Lovelace of Ropesville.

Immediately following the sumptuous noon-hour feast which had been prepared by the ladies of the Wilson church, Dr. W. F. Fry brought a great report on the Tech Bible Chair which is maintained by the Baptists of this section of the

(Contin'd on last page)

### Tech Will Present Mahon With Suit

Lubbock, Sept. 20—Voters of the newly created 19th congressional district who, by an overwhelming majority, gave George Mahon, Colorado, the Democratic nomination for congress, will have their first opportunity to hear their nominee speak to a district wide crowd here at the Panhandle-South Plains Fair Saturday afternoon, Sept. 29.

A Texas Tech suit, similar to the ones presented to President Franklin D. Roosevelt and Vice-President John Nance Garner, will be presented to this district's first congressman at the fair, Sept. 29, with appropriate ceremonies.

Immediately following presentation of the suit, Mahon will address the crowd at the fair. From fifty to sixty thousand people are expected here that day.

The suit will be made from wool and cotton produced on the Tech campus, where it is likewise refined and made into cloth.

### Wilson School Opening Today

The 1934-35 session of the Wilson public schools was to open today, according to Supt. A. L. Faubion, who was here Monday. The faculty consists of thirteen teachers, and the school is regarded as one of the best in the county.

The opening of the term was delayed by reason of the fact that carpenters have been busy the past few weeks remodeling the interior of the building on the second floor. The auditorium has just been converted into class rooms, and the work is being finished this week. A combination auditorium and gymnasium is being built on the premises immediately west of the main building.

### A. Seals Buried Here Saturday

Funeral services for A. Seals were held here last Saturday afternoon, with interment in the Tahoka cemetery.

Mr. Seals died on Friday at Amarillo, where he was visiting. Death resulted from a complication of troubles aggravated by the ravages of advancing years.

He and family removed to this county from Coleman county about fifteen years ago, settling in the Edith community. His wife died a few years ago, since which time he had spent only a part of the time each year in this county. He left surviving him several children. One daughter, Mrs. Banks, lives in this county, on the Seals home place. Another daughter, Mrs. Pless Rhea, formerly resided here but she and the family now reside in New Mexico.

Mr. Seals was a quiet, unassuming man, highly respected by his neighbors and friends, who deeply regret his demise.

### W. R. Lacey Marries Snyder Young Lady

Miss Martha George Winston and W. R. Lacey recited their marriage vows in a pretty autumn setting Wednesday morning at 9 o'clock, says the Scurry County Times.

The ceremony was performed at the home of the bride's sister, and Rev. Lawrence Hays officiated. The couple left immediately after the ceremony for Chicago. They will be at home in Snyder about Oct. 1.

For two or three years Mr. Lacey was teacher of vocational agriculture in the Tahoka high school and he still has many friends here. For the past year he has been serving as county farm agent of Scurry county.

### Several Marriage Licenses Are Issued

Taft Murphy and Miss Mary Belle Jones of Newmoore were married on Wednesday of last week, a minister of the Assembly of God Church officiating.

A marriage license was issued here Friday to Carl Raymond Lancaster and Miss Frances Hall of Garza county, and they were united in marriage the same day.

A marriage license was issued here to a Brownfield couple Monday.

A. A. Suits spent the latter portion of last week at Lockney with his brother, J. L. Suits, editor of the Lockney Beacon, who is ill with pneumonia. The editor is reported to be much improved, and here's hoping that he may be able to be back at his office within a few days.

A bit of remodeling has been done at the Figgly-Wiggly store recently.

### BILL ELLIS TO BE ON MOUND

Tahoka Seeks Revenge From Popular Cowtown League Baseball Team

The Fort Worth Cats will cross bats with Tahoka's crack baseball team on the diamond here next Tuesday afternoon. The game will be called at 3 P. M.

The business houses of the town have agreed to close for the game. A great crowd of visitors from other towns as well as Tahoka people are expected to be on hand to witness the game, as this will be a great event in sporting circles in this section of the state.

Of course the Cats are a dandy good team, but there is no assurance that they will be able to defeat the Tahoka aggregation. The Cats played Tahoka once before, away back in 1929, and the popular Fort Worth league team barely won over the home team in one of the best games ever played on anybody's diamond, the score being 2 o 1 in their favor.

Bill Ellis, who pitched for Tahoka in that game, will again hurl the ball for Tahoka Tuesday. "Blue" Graham will be on hand as relief pitcher.

Tickets for the game are on sale at the Tahoka Drug Store, Thomas Bros. Drug Store, Wells Hardware, Bill's Cafe, Tahoka Bakery, and Corner Service Station; admission 50 cents.

### Tech Men Off To Yaqui Country

Lubbock, Sept. 18—The second invasion of the Yaqui country by a Texas Technological College expedition is being made to secure more complete data and research material. Dr. W. C. Holden, director of archaeological research, who was the leader of the first expedition which left Lubbock last April 1, and who spent six weeks in the uncivilized country of old Mexico, will secure additional information concerning the physical, mental, and social characteristics of the Yaquis. A group of four left Lubbock September 13 for Torin, Sonora, and will return about September 30.

Dr. R. A. Studhalter, head of Tech biology department, will continue his studies of the agricultural conditions, particularly the August crop. The Yaquis plant two crops a year, one in August and the other in January. Dr. C. J. Wagner, member of a local hospital staff, will resume his medical investigations of the Indians.

The interpreter of the party is the only one of the group who was not a member of the first expedition. Dr. C. E. Qualia, head of the foreign language department of Texas Tech, will act in that capacity.

The party will camp on the front porch of the Mexican garrison in Torin, one of the seven villages of the Yaquis, but will study conditions and inhabitants of the entire group. The trip is being made in two automobiles, by the same route as taken on the previous expedition.

### Nordyke Takes Park Site Water Sample To Austin Officials

L. M. Nordyke left Tuesday afternoon for Austin, where he went in the interest of the park at Tahoka Lake, for which application has been made. He took with him a jar of the water obtained from the spring, which the department had requested. It seems that the presence of good water is one of the principal requirements in the establishment of state parks.

**NOTICE TO THE PUBLIC**

Any erroneous reflection upon the  
reputation or standing of any indi-  
vidual, firm or corporation, that  
may appear in the columns of The  
News will be gladly corrected when  
called to our attention.

**CONSTRUCTIVE LEGISLATION**

A bill is pending in the senate of  
Texas looking to the building of  
fifty dams on the Brazos River and  
its tributaries for the purpose of  
conserving flood waters and pre-  
venting destructive floods along  
the lower course of the river pro-  
viding municipal water supply for  
many of the towns and cities lying  
in the Brazos River basin, provid-  
ing electric light and power for  
municipal and industrial purposes,  
and supplying water for irrigation  
projects.

If the bill should become a law,  
it is expected that possibly fifty  
million dollars will be appropriated  
by the federal government to as-  
sist in carrying out this vast pro-  
gram of water conservation.

Of the fifty proposed dams,  
twelve are designated as major pro-  
jects, and are to be constructed in  
Shackelford and Throckmorton,  
Stonewall and Haskell, Palo Pinto,  
Hood, Somervell and Johnson, Mc-  
Lennan, Bell, Williamson, Lampas-  
as, and Brazos counties.

Many smaller dams are to be  
constructed in other counties, ac-  
cording to the provisions of the  
bill, but we are not informed as to  
how far west the proposed construc-  
tion program will be extended.

The proposals of this bill are in  
line with suggestions that have

been made frequently in the past  
by progressive and forward-looking  
men and newspapers, and the News  
has been among the number.

We hope that the measure passes  
and that the expected funds from  
the federal government shall then  
be forthcoming to put the program  
over. If this measure does not pro-  
vide for dams on the extreme upper  
reaches of the Brazos and its tribu-  
taries, we hope that the bill may  
be so amended as to include this  
territory also, or that subsequent  
legislation may soon be enacted to  
this effect. Our dream is of a West  
Texas dotted with dams impound-  
ing great lakes of water along the  
courses of the Brazos and the Col-  
orado rivers and their tributaries,  
to be used for the purposes con-  
templated in this bill. Such a program  
would add greatly to the popula-  
tion, the prosperity, and the at-  
tractiveness of West Texas and to  
the comfort and happiness of her  
people.

Textile workers in the East are  
staging a strike. If any class of  
workers are justified in striking,  
textile workers probably are, unless  
wages have materially increased the  
past few years. Yet it would seem  
to be foolish and wicked for any  
class of workers to call a strike at  
this particular time, when hundreds  
of thousands of honest and worthy  
men and women are walking the  
streets of our cities unable to se-  
cure employment of any kind. Any  
class of workers have a right to  
strike at any time that they may  
become dissatisfied with their wages  
or with the conditions under  
which they work, but they do not  
have the right to use force to pre-  
vent other men and women from  
accepting the jobs which they quit.  
The New Deal, however, should see  
to it that all classes of workers are  
paid reasonable wages and that  
the conditions under which they  
must work shall not be oppressive  
or unsanitary.

We understand that the measure  
now pending in the legislature  
which proposes the construction of  
dams throughout the Brazos River  
basin also provides for some sort  
of tax remission program in the  
proposed water conservation dis-  
tricts. That feature of the measure  
should be eliminated. This business  
of remitting taxes to various coun-  
ties and other subdivisions in the  
state has already gone too far. We  
are yet one state and all should  
bear its burdens alike. If bonds are  
to be issued in these districts to  
finance the proposition, yet the  
people living in the districts will  
receive special benefits from these  
projects as compensation for the  
burdens imposed by such bond is-  
sues. We want to see a great water  
conservation program inaugurated,  
but we are tired of counties and  
districts continually asking special  
favors of the state in the form of  
tax remission.

**LIVE AND DEAD TOWNS**  
Some towns grow because its peo-  
ple have the energy to do things  
that make it grow. Other towns  
stand still because somebody else  
will do the work that should be  
done. Necessary work is postponed  
and everybody living there is cus-  
sing their town when they should  
be cussing themselves for being so  
indifferent to their own interests.  
—Quannah Tribune-Chief.

About 72 per cent of all business  
officials open their own mail.  
There is no one antiseptic that  
will kill all known kinds of germs.

**GEORGE MAHON'S RIGHT IDEA**  
GEORGE MAHON, of Colorado City,  
Congressman-elect from the new  
19th district of Texas, is going to  
Washington on or about December  
15 with a level head and with no  
misguided conceptions of what he,  
single-handed, will do to solve the  
problems of the nation.

Instead, Mr. Mahon realizes that  
in Washington a "freshman" Con-  
gressman has about as much influ-  
ence as the fourth assistant janitor  
of the Treasury building and until  
he wins his spurs cannot expect to be  
ushered into the councils of the  
mighty.

The young district attorney from  
Mitchell county, however, does not  
expect to remain a "freshman"  
congressman for any longer period  
of time than it takes him to learn  
the ropes.

He is going to the national cap-  
ital, he says, to study and to learn  
the ins and outs of the important  
position to which the people of the  
district have elected him and to  
become able, as soon as possible, to  
do things in a broad, sensible way.

His course is a sensible one. And  
likewise a commendable one and as  
long as Mr. Mahon follows it he will  
continue to mark himself as a  
good choice of the electorate.

Realizing that he doesn't "know  
it all," Mr. Mahon will learn—and  
through learning soon will know  
much more than he could possibly  
know were he to breeze into Wash-  
ington, in Blantonese fashion,  
with a "here I am, boys, let's get  
going" attitude.

He intends to make a career of  
national politics. And to do so he  
aims to lay well his foundation.  
Not too proud to ask questions of  
his older, more experienced col-  
leagues, he frankly says he expects  
to lay many of his problems before  
that veteran of the House, Marvin  
Jones, for the latter's advice and  
counsel.

The Morning Avalanche, which  
did not support Mr. Mahon's candi-  
dacy, never-the-less applauds his  
plan and, as has been said here  
before, wishes him well.

He has the right idea and, if he  
follows it, will make us a good rep-  
resentative in Washington.—Lub-  
bock Avalanche.

**FROM THE EDITOR OF THE  
AMERICAN BOY**

During the coming year, the  
boys of America will get a half-fare  
rate to adventure and fun! The  
American Boy-Youth's Companion,  
the nation's leading magazine for  
boys, formerly \$2.00 a year, now  
costs \$1.00. A three-year subscrip-  
tion, previously \$3.50, costs only  
\$2.00.

Griffith Ogden Ellis, editor of  
The American Boy, brings boys the  
best assurance that the new prices  
will in no way affect the editor-  
ial contents of the magazine. It  
will be as large, as beautifully  
printed, as full of high-spirited ad-  
venture as ever.

"The American Boy's leadership  
has been no accident," Mr. Ellis  
states. "We publish the magazine on  
the firm belief that boys deserve  
a magazine as good as any publi-  
cation for grown-ups. So we use  
the best illustrators obtainable—  
well-known artists who work for  
the biggest magazines. We send our  
staff writers all over the country  
digging up the interesting facts of  
science, interviewing world-famous  
explorers, talking to coaches and  
athletes.

"We encourage and assist our  
writers to go everywhere for ma-  
terial—to Haiti, Africa, the South  
Sea, China—and bring back ad-  
venture for American boys. We hire  
experts on hobbies and boy prob-  
lems to advise boys and young men.  
These steps account for our position  
as the quality magazine for  
boys, and we shall continue to take  
them."

Twelve issues of fun and ex-  
citement for \$1.00! Three years for  
\$2.00! Spread the news among  
your friends—and send your own  
subscription direct to The American  
Boy, 7430 Second Blvd., Detroit,  
Mich. Service on your subscription  
will start with the issue you specify.

**Black-Draught Good  
For Biliousness and  
Bad Taste in Mouth**

"I have found Theodor's Black-  
Draught so good for biliousness,  
bad taste in the mouth and other  
disagreeable feelings due to consti-  
pation," writes Mrs. Mary Garne,  
of Burleson, Texas. "My mother  
used it for a number of years and  
we do not think there is a better  
medicine. I was pleased when I  
saw Syrup of Black-Draught ad-  
vertised. I sent for it and gave it  
to my children (as a laxative) for  
colds and when they felt bad. Soon  
they felt fine."—Theodor's  
Black-Draught for the grown folks  
—and Syrup of Black-Draught for  
the children.

Sponsor, Mrs. F. L. Bullard

**News Items**  
(By Beatrice Beckham)  
The Joe Bailey School boys and  
girls are studying for exams next  
week.

Mr. Woodrow and Clinton Bryan  
left yesterday to hunt cotton to  
pick. There are several more absent  
on account of picking cotton.

We are talking about dismissing  
school for about two weeks.  
Miss Erma Eaker and Beatrice  
Beckham spent last Sunday with  
Miss Mary Frances Brewer.

Miss Thelma Warren of Pannin  
county is visiting her cousin, Miss  
Jewell Warren of this community.

Mrs. Toy Ketter of Tahoka is  
visiting her sister, Mrs. J. E. Wil-  
liams, of Joe Bailey community.

Mr. and Mrs. Herman Brewer  
spent last Sunday with Mr. and  
Mrs. Horace Cook.

Miss Jessie Williams returned to  
Newmore to teach school Sunday  
evening.

Mr. F. L. Bullard is picking cot-  
ton at Meadow this week.

**Church News**  
There was a large crowd at Sun-  
day School Sunday morning.

The superintendent, Bro. Marion  
Lee, made a very interesting talk  
Sunday morning.

A new teacher was elected for  
the Junior class, Mrs. Bud Moore.  
There will be conference next  
Saturday night.

A large crowd attended singing  
last Sunday night. Mr. Strip Pett-  
john led.

Everyone is invited to church  
next Sunday. Brother Allen, the  
pastor, will conduct the services.

**Society News**  
Miss Theo Warren entertained  
the young folks of this community  
with a party Saturday night. There  
was just a large enough crowd to  
have a good time.

**Blue Darter Sports**  
The Blue Darter boys and girls  
are still improving in basket-  
ball. Draw dismissed last Friday evening  
so we did not get to play them.  
We are looking forward to our  
first game with great interest. We  
have not matched a game for this  
week yet.

J. W. Fortenberry two weeks ago  
suffered an attack of appendicitis  
and since then has been unable  
to attend school. He has been un-  
der the care of a physician and is  
reported to now be much improved.

**Cardul Helped Lady  
For Nervousness and  
Run-Down Condition**

"I have taken Cardul several  
times for weak, run-down con-  
dition and it has helped me," writes  
Mrs. Walter M. Coulon, of Forsyth,  
Ga. "I was nervous and suffering  
from a weak condition. There  
were days when I had to lie down  
during the day. I sent for six bot-  
tles of Cardul, as it had helped me  
before. Cardul gave me strength,  
stopped the nervousness and helped  
me in every way. . . . Cardul may  
be just what you need. It can't do  
you any harm, so why not try it?  
Thousands of women testify Cardul  
benefited them. If it does not  
benefit YOU, consult a physician.  
\$1 a bottle, at drug stores.

**Morgan**

We were visited by a nice show-  
er of rain Friday night.

Visitors with Mr. and Mrs. H.  
Robbins Sunday were: her mother  
and brother from Idalou, Mr. and  
Mrs. F. M. Davidson and family,  
Mr. and Mrs. Freeman and family.

Billy J. Jernigan suffered an at-  
tack of appendicitis last week.

Mr. and Mrs. Pete Lancaster of  
Pleasant Valley visited Mr. and Mrs.  
Earl Lancaster Friday night.

Mr. F. Thompson traded his  
teams for a tractor.

Mr. Audry Hargraves and child-  
ren of Pampa are visiting her sister  
Mrs. A. B. Pruitt.

Mr. and Mrs. Skinner visited Mr.  
and Mrs. Clint Childress near Sla-  
ton Sunday.

Mr. Lee Jones' mother of Slaton  
visited with her son and his family  
last week.

Mr. and Mrs. A. B. Pruitt and  
family visited Mr. and Mrs. Claude  
Cooper of Gordon Sunday. Other  
visitors in their home were Mrs.  
Hargraves and children of Pampa,  
Mr. and Mrs. Etheridge and child-  
ren of Draw, Mr. and Mrs. Jack  
Cooper of Slaton.

Visitors with Mr. and Mrs. Ed  
Milliken Sunday were: Mr. and  
Mrs. H. Bartlett and family, Mr.  
and Mrs. D. P. Milliken, Mr. and  
Mrs. Collings and family, Vearl Ay-  
cox of Stephenville, Texas, Royce  
Skinner, Mrs. Beulah Shaw, and  
Mr. and Mrs. D. H. Hatchet of Sla-  
ton.

Mrs. Lonnie Taylor is very sick.  
Our Sunday School attendance  
Sunday was very good and we had  
a wonderful lesson.

Mrs. Effie Crews and daughter  
Adelle of Slaton visited her mother  
and father, Mr. and Mrs. R. L.  
Thompson Saturday night and  
Sunday.

**NOTICE**  
Notice is hereby given that the  
Board of Equalization for the City  
of Tahoka will meet as a Final  
Board of Equalization at the City  
Secretary's office, in the City of  
Tahoka, Texas, on October 1st,  
1934, at 7:30 p. m. at which time  
all persons owning taxable prop-  
erty in said City may appear to show  
cause why the valuation thereof  
for taxation should not be increas-  
ed or decreased, as the case may  
be.

## THE GROWL

Edited By Sylvester Reese

### DIOGENES SEZ:

Investigators tell us that the average man utilizes only ten percent of his brain power. This being so, Diogenes rises to remark that the Great American Desert is not to be found in Idaho, New Mexico or Nevada but under the hat of the average American.

### BULLDOGS SHOWING UP WELL THIS YEAR.

That low, ominous growl of the Bulldogs is becoming more audible as the day for the first game of the season approaches. They are a formidable looking bunch and are due to give Crosbyton her money's worth Friday afternoon.

## WEEK'S PROGRAM ENGLISH THEATRE

FRIDAY and SATURDAY NIGHTS ONLY

JACK HOLT

### "She Loves Me Not"

"Gloriously cock-eyed comedy" said the N. Y. Evening Post about the sensational stage play! You too will rave about the superlative picture it made! Bing's best!

Of course Bing sings! "Love in Bloom," "I'm Hummin'," "I'm Whistlin'," "I'm Singin'" . . . and more too!

WEDNESDAY - THURSDAY Sept. 26 and 27

An Eye-fal—An Ear-fal—That Even Winchell Doesn't Know!

### "Finishing School"

Where the Daughters of America's Gold Reserve learn to be Ladies!

—With— Frances Dee, Millie Burke, Ginger Rogers, Bruce Cabot. ADULTS 15 CENTS

There is every evidence that the disappointments endured by Tahoka football fans last year will not be repeated this year. To begin with, there are twelve lettermen who are out for vengeance. Places they held last year on the team are eyed covetously by a flock of novices who can "dish it out" as well as "take it." Many of these so-called novices will be seen in action this season and some of them are sure to make the first string. Coach Walker is a firm believer in the saying, "a well-trained boy is not easily liable to injuries." And from his manner of training, very few Tahoka boys will receive injuries if training rules are faithfully kept. Since training rules are being enforced by the familiar expression, "Alright, B—, three laps," the Coach is able to report that the team as a whole is keeping training and working hard.

With new equipment, an organized and uniformed pep squad, plenty of capable reserves, and a flaming spirit, football at Tahoka is expected to come into its own this year.

### FIFTY GIRLS IN H. S. PEP SQUAD.

At its second meeting Monday afternoon the pep squad completed organization. Dottie Turrentine, Sybil Littleton, and Pansy Tankersley were elected yell leaders. Marion Draper and Gaynell Tate were chosen as line managers.

There were fifty girls present at the meeting and much enthusiasm shown. The pep squad is scheduled to display its pep in chapel Oct. 1.

The pep squad will be present at the first game in full uniform Friday afternoon to root for the Bulldogs.

### JUNIOR CLASS ELECTS OFFICERS.

Organization of the Junior Class, sponsored by Mrs. Lucille Bludworth, took place Tuesday morning. James Minor was chosen from the list of eligibles to serve as president, and A. J. Thompson was elected vice-president. Renelle Golehon will serve as secretary and will also have charge of the finances. Ina Bess Hicks will have charge of publicity.

### SOPHOMORE CLASS ELECTS OFFICERS

On Monday, September 17, members of the Sophomore class met and elected officers for the year. Charles Gaignat will serve as president and James Thompson will have charge in case of absence of the President. Secretary-Treasurer Lada Stramer will keep the records and have charge of finances. Robert Maddox will be on the job as publicity manager.

Blue and Gold were chosen as class colors. "Sleephead" was unanimously selected as the class song.

### LARGE HOME EC. CLASSES THIS YEAR.

Mrs. Nelms reports that 45 pupils are enrolled in the home economics department, 17 in the first year class, 17 in the second year class, and 11 in the third year class. Others registered for work in this department at the beginning of school but had to be rejected for lack of room. Only sixteen pupils are supposed to be enrolled in any one class.

Mrs. Nelms says that all the girls seem interested in the work and are making excellent progress.

Coach Walker, J. B. Pace Jr., Dorsey Allison, and Billie Hill motored over to Brownfield Friday afternoon to scout a football game between Brownfield and Lubbock Cowhands.

## REPORTS FROM THE COUNTY CLUBS

Miss Sylvia Robb, H. D. Agent

### Edith Club Holds Its First Meeting.

The Edith 4-H Club held its first meeting for the new year on last Thursday.

Miss Robb and the members discussed the canning that was done this summer. Wanda Deen Dyer and Dorothy Faye Kahl are going to can some food products to take to the fair. The members made plans for their fall gardens. We are going to start on our dresser scarfs at the next club meeting.

New officers were elected as follows: President, Paulina Mae Harper; vice-president, Lodena Garnett; secretary, Wanda Deen Dyer; reporter, Innes Mae Anderson.

The following were present: Lodena Garnett, Jeffie Lynn Stephens, Birdie McKee, Wanda Dyer, Dorothy Faye Kahl, Paulina Mae Harper, Innes and Effie Anderson. There were two visitors present: Ruby and Geneva Payne.

### Draw 4-H Club Girls Elect Opal Cox.

The Draw 4-H Club girls met Wednesday morning, Sept. 5, at 11 o'clock. There were twenty club girls present and we accepted six new members. After a short business session in which we elected Miss Opal Cox as president for next year, our two delegates to the Short Course told of their trip. Our two delegates were Misses Maureen Cargile and Opal Cox. After each girl had told about her trip, they taught us some pep songs which they learned. We decided to use a few minutes each club meeting from now on to sing pep songs. These girls certainly encouraged us in pepping up our club, and are ready to take even more pains themselves in pepping up the club.

We will meet again the third Wednesday of this month, and our delegates will talk to us again.

### Little Girl Enjoys Sewing on Bias Tape.

Sewing on bias tape is the main thing little Juanita Bowen enjoys most in sewing. At the age of ten she joined the South Ward 4-H club in January of this year. She always took an active part in her club work but never knew she enjoyed sewing so much until she started sewing bias tape on her club apron.

Saturday she brought to the demonstration agent's office a dress she had made, trimmed in bias tape. The dress was neatly made and was well suited for her style. She is now working on her third dress. This dress will be entered in the South Plains Fair at Lubbock.

### Grassland Club Girls Met Last Thursday.

The Grassland 4-H club girls met September 13. There were sixteen old members present and six new members. Those joining the club were: Mary Alice Norman, Aurelia McCord, Viola Roberts, Lorene Norman, Thelma Jones and Bernice Huffaker.

Irene Banks gave a short talk on her trip to A. & M. Short Course, which we all enjoyed.

The new officers were elected as follows: Irene Banks, president; Eugenia Appling, vice-president; Martha Faye Thomas, secretary; and Jewel Roberts, reporter.

### Club Woman Interests Daughter in Work.

Through the club work of Mrs. V. A. Botkin, her young daughter, Ida Christine, has become very interested in club work.

Ida Christine does not go to a school that has a 4-H club, so she is coming into the home demonstration agent's office on Saturdays to do her club work.

It is fine for one to become interested in club work so early in life, and the probabilities are that Ida Christine will continue to do club work as a girl and later as a woman for many years.

### New Home H. D. Club Met Friday.

The New Home H. D. Club met Friday at 3 o'clock in the school auditorium.

Miss Sylvia Robb met with us

### SPANISH CLUB STARTS YEAR.

Giving its purpose as the development of appreciation for Spanish literature and music, the Spanish Club elected officers for the ensuing year Friday afternoon. A first-year Spanish student, James Minor, was chosen president. Martha Helen Powell will preside in his absence. No other officers were elected.

Plans for the year's work will be discussed at the next meeting.

and we made plaques for our exhibit to be shown at the Panhandle South Plains Fair at Lubbock.

Miss Robb also gave us some helpful instructions on planting our fall gardens. We will have the report from our A. & M. delegates at our next meeting, and we urge all of our members to be present for we feel sure these reports will be interesting.

### Proves Squash Thrive Well in Lynn County.

Wille Mae Montgomery, a 13-year-old Morgan 4-H club girl, has proved that squash vines thrive well in Lynn county. From a squash vine she planted she has gathered 179 squashes.

Each club girl was to plant one squash vine and Wille Mae was the outstanding one. The vine was watered well each night.

This goes to prove that if one vine is well taken care of it will produce enough squashes for the entire family.

### Many Slats Make Bed Rest Better.

One slat for each row of coils will make your bed rest better.

The bedroom demonstrators of Lynn county each have a standard bed, while the co-operators have added the following steps to their beds: Slats 243, mattress pads 37, mattress protectors 34, spring protectors 31, pillow protectors 96, quilt protectors 84, and new mattresses 27.

### Mrs. Jackson Hostess To Gordon Women.

The Gordon Home Demonstration Club met at the home of Mrs. A. M. Jackson Tuesday.

Miss Robb, the home demonstration agent, was present and discussed plans for the county fair.

We were glad to have five visitors from the Tahoka club and two visitors from our home community, as well as twenty-three members present.

### Redwine Club Meets With Mrs. Johnson.

The home demonstration club met at the home of Mrs. C. C. Johnson Thursday afternoon. Seven members were present.

They will meet at the home of Mrs. Charley Patterson Friday afternoon, September 21.

### Tech Dormitories Ready By October 1

The two new dormitories at Texas Technological College will be ready for occupancy when the fall semester opens October 1, according to President Bradford Knapp.

This announcement is made officially because of current reports that the buildings would not be ready. Dr. Knapp urges students to make their room reservations at once if they have not already done so.

### IMPLEMENT DEALER OFFERS SWEATER FOR WINNER

R. H. Waters announces that he will donate a sweater to one member of the Tahoka high school football team at the end of the season if the team is a winner.

If other business men will do the same thing, the whole team, at the end of the season, may have sweaters, if they win.

Something like 115,000,000 hogs, cattle, sheep and calves are slaughtered in this country every year to supply less than 130,000,000 people with meat.

There are now more than 2,000,000,000 (two billion) human beings on the earth.

Seventy per cent of all the cotton Spain imports is from America.

# A V-8 is no longer the privilege of the Wealthy

Low First Cost  
Low Upkeep Cost  
High Resale Value

THE ONLY V-8 UNDER \$2,500

\$505

AND UP, F. O. B. DETROIT  
Easy terms through Universal Credit Company—the Authorized Ford Finance Plan.

FORD V-8

FORD RADIO PROGRAM—WITH WARING'S PENNSYLVANIANS: EVERY SUNDAY EVENING—COLUMBIA NETWORK

It is not just chance that the Ford V-8 is the only V-8 selling today for less than \$2,500. It is due entirely to the skill of Ford engineers. For the V-type engine costs more to build. It is the type of engine that powers the most expensive cars—holds every world speed record. And only Ford has been able to put it in a low price car.

The advantages of a V-8 are apparent the moment you drive it. In-

creased flexibility in traffic—faster pick-up—an ability to get places without driving strain.

The new Ford V-8 is not only low in first cost. It costs less to operate than any other Ford car ever built. Gasoline and oil costs are lower. Valve grinding is virtually eliminated. Drive this new Ford V-8—and you'll want it!

Authorized Ford Dealers of the Southwest

Planters Gin Co., Inc.  
Wilson, Texas

### Local Store Closed For Yom Kippur

The Levine Bros. store closed here all day Wednesday while Mr. and Mrs. A. Lehman and children attended the Yom Kippur services at Lubbock.

Yom Kippur, the Jewish Day of Atonement, is one of the most sacred of all Jewish holidays. No work that can be avoided is done by orthodox Jews on this day but it is devoted almost exclusively to religious services.

Mr. Lehman reports about 200 visitors attended the services in Lubbock Wednesday, the visitors coming from as far away as Pecos and many New Mexico points.

W. W. Caswell, one of the best farmers and also one of the best citizens of the Draw community, was a business caller at the News office Saturday. Mr. Caswell thinks the yield of cotton and other crops in this country depends to a large extent on the amount and character of cultivation they get. The fellow that does intensive cultivation and keeps down the weeds from early spring till fall is the fellow who makes the best crops. It doesn't pay to overcrop.

Due to the moistness of the skin during the summer there are many more deaths from electric shock than in any other season.

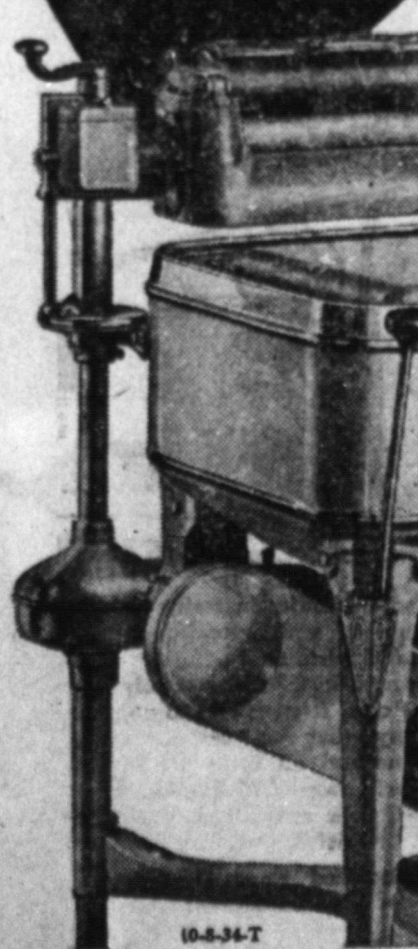

More than 3,000,000,000 persons in New York City ride the subway each year.

### Kept Taking Cardui Until She Got Rid of the Severe Pains

When Mrs. Ida Hege, of Edinburg, Ind., was in a painful, run-down condition, she took Cardui, with the results she describes below: "I had just been what one might say dragging around, feeling miserable and all out of sorts. I remembered how Cardui helped my aunt. I sent for six bottles of Cardui and when I had taken them, I was much better and stronger. I did not suffer so much pain. I continued taking Cardui until I had taken nine bottles. I do not have the severe pains. . . . Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician."

### Historic Pageant Approaches Close at World's Fair

Only a few more performances remain for these one-time giants of the steel rails in their roles in "Wings of a Century," famed pageant of transportation of A Century of Progress in Chicago. This is one of the many shows that having thrilled millions upon millions from every section of the globe, will make their last bow when the Fair closes forever Oct. 31. This scene, with the original locomotives, is a re-enactment of the driving of the golden spike in the completion of the Union Pacific railroad, the first spanning of the American continent by steel rails. The Fair will remain intact until closing date.

## SOCIETY

Club and Church News

### BAPTIST CHURCH WELCOMES NEW PASTOR TO TAHOKA

The new pastor, Rev. George A. Dale, and Mrs. Dale were given a most hearty welcome at the Baptist Church last Sunday.

At the morning service, Judge G. H. Nelson delivered an address of welcome on behalf of the church, which must have made the new pastor feel at home. The pastor responded in a most happy and appropriate manner, after which there was no time for a sermon, but he read a scripture and made brief comment.

A large congregation was present at the morning service but in the evening the house was filled almost to capacity. The Methodist pastor, Rev. H. C. Smith, dismissed his congregation for the occasion and the Methodists joined with the Baptists in welcoming the new pastor to the town. Quite a number of members of other churches were also present. Using as the basis of his discourse the picture drawn by Christ of the two builders, one building his house upon the sand and the other building his house upon the rock, the preacher discussed the importance and necessity of building on the right foundation.

In his preliminary remarks, he expressed his appreciation of the action of the Methodist pastor and congregation in dismissing their services, and declaring that if he were as popular after four years service here as Brother Smith is he would just remain. He also expressed the desire to enter into all the worthy activities, civic and social, in the town and to be in every sense of the word a citizen of Tahoka as well as the pastor of a church.

The regular services will be held next Sunday and it is hoped and expected that large congregations may be in attendance.

### CHURCH OF CHRIST NOTES

Things are still going good with us. The attendance was not so large last Lord's Day but interest was fine. It seems the brethren and sisters are growing in their love for each other and are co-operating more, which is as it should be.

As it gets cooler we hope that each member shall pep up in the Lord's work.

The subject for next Lord's Day "The Church at Ephesus" morning, and "Endurance" evening. The evening service will begin at 7:45 p. m. A good motto for each member to adopt: "Every member at every service, every time."

Come worship with us—R. P. Drennon.

### F. T. A. HAS GOOD MEETING OPENING OF SCHOOL YEAR

Superintendent J. B. Pace Jr. and Rev. H. C. Smith were speakers Wednesday afternoon at the regular meeting of the F. T. A., held in the auditorium of the high school building. Kary Mathis, principal at Central Ward, entertained with a solo.

The association voted to purchase song books for use in the chapel at the high school and at the Central Ward buildings.

Mrs. Layne Moreland is president of the club and Mrs. S. H. Assiter, teacher of the seventh grade, is the new secretary.

### MINOR BATON CLUB MET MONDAY AT CHAS. GAIGNAT

The Minor Baton met on Monday at the home of Charles Gaignat. After a short business session, an entertaining program was rendered by members of the club and guests. Little Miss Gaignat gave two amusing popular numbers, and the club was honored by a guest speaker, Mr. Kary Mathis, who talked on "The Cultural Advantages of a Musical Education." Mr. Mathis also delighted the company with three vocal solos.

Miss Beatrice Estes was a club guest, and Miss Marjory Wells, a charter member, was able to be present for the first time.

Delicious punch and cakes were served to sixteen members and the guest.

Music and play rehearsal filled the hour until adjournment to meet with Vance and Dale Gildersleeve on October 1st.—Reporter.

### MRS. SUDDAETH HONORED AT MUSIC CLUB MEETING

Complimenting the incoming president of the Tahoka Music Club the club entertained with a pretty appointed tea at the home of Mrs. G. H. Nelson September 13, 1934.

Throughout the house a profusion of pink roses and snapdragons were used. In the dining room pink snapdragons centered the table where a lace cloth and all silver were used.

Mrs. A. B. Swan, Mrs. H. C. Story and the hostess presided.

Those enjoying this beautiful tea were the honoree and Meses. Claude Donaldson, J. D. Strickland, Kary Mathis, S. H. Assiter, George A. Dale, L. C. Haney, Miss Lowell Douthit and Meses. Harold Edwards, K. R. Durham, E. E. Callaway, Layne Moreland and Jim Burleson.

### BEETHOVEN HARMONY CLUB IS ENTERTAINED

The Beethoven Harmony Club was entertained with a party in the home of their sponsor, Mrs. J. K. Applewhite, on Friday night at 8:30 o'clock.

Various games were played throughout the evening.

Delicious refreshments were served to the following members and guests: Meses Dama Anglin, Lucille Barton, Maxine Jones, Faye Masengale, Eunice Mullins, Martha Helen Powell, Gaynell Tate, Pansy Tankersley, Gosa Lee Thompson, Dottie Turrentine, Mary Jane Weathers; Messrs. James Applewhite, Woodrow Barber, Guy Bulman, Billy Clinton, George Dale, A. R. Milliken, J. D. Smith, Preston Stramer, Gordon Suits, and Mrs. J. K. Applewhite.

### Music Club To Meet Sept. 27

The Tahoka Music Club meets Thursday, September 27, 1934, at 8:30 in the home of Mrs. Jim Burleson.

It has been learned that if the carbon dioxide content of the air in a refrigerator is raised to 10 per cent it will prevent the growth of molds and extend the time meat can be preserved.

The substance which Dr. O. Koble extracted from pitchblend and believed to be element of "93," turned out to be silver-tungstate.

C. G. Johanson returned last week from a visit with his daughter, Mrs. Chap Rogers, at Paris. He says that the cotton crop was very sorry down there and that eighty per cent of it had been gathered when he left. The corn crop was pretty good. No big crops anywhere this year.

Mrs. Harley Henderson and children came over from Hobbs Saturday for a brief visit. She returned home the same day but the children remained to visit their grandparents, Mr. and Mrs. H. J. Henderson, and family at Redwine and little Patricia Hill in Tahoka.

Mr. and Mrs. S. J. Akin returned Sunday from a visit of several weeks with their daughter, at Winters in Rannells county. Mr. Akin says the cotton is making about a bale to six acres there, and other crops are a little better than they are here.

Glenn Darrel Wells is a very important addition to the Wells family. He came into the home of Mr. and Mrs. R. C. Wells Saturday morning and is a lusty, healthy youngster, weighing eight pounds. Mother and babe are both doing well.

Miss Rose Maude Wood left Monday morning for Canyon to enter the West Texas State Teachers College. She is a graduate of the Tahoka high school and has recently been employed in the office of Deen Nowlin here.

William Zappe of Shiner was a business visitor here Tuesday. Mr. Zappe resided at Wilson many years and spent much of his time in Tahoka, being engaged in the real estate business, and he still has interests here.

Miss Mareda Hickerson, who is a teacher in the Louisiana State Normal College at Natchitoches, returned to her work last week, after having spent a few weeks vacation here with her father, Mr. John Hickerson.

Claude Conway and Mr. and Mrs. Roy Poer were called to Fort Worth Wednesday by the sudden death of a brother-in-law. The name and funeral plans were not learned by the News.

A cell has been invented by which it is claimed the rays of the sun can be converted into electricity.

### WORLD FAIR ENDS OCT. 31, THIS YEAR

### Many Unusual Gala Events Planned for Last Two Months.

Chicago (Special).—With the announcement that Chicago's new World's Fair, A Century of Progress Exposition, closes its gates forever on October 31st, and the advent of cool September weather, attendance figures at the exposition are steadily soaring to make new records for all American fairs. More than 3,000,000 persons have paid admissions this year, which brings the total for the two years showing to date in excess of 31,000,000.

The management of the Fair has accomplished the purpose desired by President Roosevelt when he requested that the fair operate a second year so that those who could not come last year would be given an opportunity to see it in 1934. This over and with two months of operation left, all activity is being directed to the staging of spectacular special events and shows which will close the exposition in a blaze of glory.

With all indications pointing to the probability that the attendance in September and October will outstrip the combined totals of the first three months of the Fair, exhibitors, concessionaires and the exposition itself are extending every effort to amuse and entertain the huge throngs that daily fill the magic streets of the fair, to an extent even greater than before. Fair to Close Oct. 31.

In making the announcement that the Fair will have accomplished its aim by closing date, and therefore would not reopen, President Rufus C. Daves said:

"A Century of Progress in its present form will not be in existence next year. If the Fair or any part of it is to be maintained it would have to be by outside sources. The Fair is under contract to the Chicago park board to demolish all buildings the board names; and the board also has the right to name any buildings which it wishes to retain and maintain.

"If you want to see Chicago's great Century of Progress Exposition you must come this summer or fall. It will not be here next year. Come, and we shall do our best to make your visit pleasant, interesting and profitable."

With the closing, wreckers will come in and the enchanted city whose streets transported visitors into the mysterious realms of scientific research, art, music, industry, light, color, entertainment, education and commerce will come down. Officials, however, carefully pointed out that demolition will not begin until after the closing on October 31st. All exhibits and concessions will remain intact until that time.

 Society Editor — Cloyd Caswell  
 "Nosey Mike" — Charles Florence  
 Faculty Advisor — Mr. Dalley

### Church News

Rev. McCollum, pastor of a Methodist church in Dallas, preached the evening sermon here last Sunday. When a boy, Rev. McCollum preached his first sermon at the Draw Methodist Church. This man received his education from Southern Methodist University.

The League of the Methodist Church continues to climb. Officers of the league will be elected next Sunday night.

### School News

The Draw school has dismissed for a period of not longer than three weeks. Due to the fact that this is cotton picking season, the school was given this vacation.

New furniture has been added to the property of the school. At the first of the year ten new desks of the modern type were purchased. Recently there has been two fine new pieces of equipment built for the school. A book case was put in the room for the sixth and seventh grades. A large cabinet, for the purpose of storing chemicals and apparatus, was installed in the science room. Mr. C. D. Uziele was generous enough to build this furniture. We sincerely appreciate the work of Mr. Uziele and the cooperation of the school board for this much-needed material.

### Items Of Local Interest

Bervin Caswell and John Sewell left last Monday for McMurry College in Abilene. These fine young men have taken up the study of God's work and are living to do good for others. This will be Mr. Caswell's first year in college. Mr. Sewell attended Howard Payne College in Brownwood last year.

Mr. Raymond Green left Saturday to spend his vacation in Brownwood.

Miss Dean will visit in Lamesa during her vacation.

Mr. and Mrs. F. C. Thorpe and Mr. Dalley left Sunday for Brownwood and San Saba.

Zan Hensley will leave for Texas Tech in a few weeks.

Miss Edna Walters will return to Texas Technological College to continue her work. Miss Walters spent the summer in this institution.

Miss Lucile Wheeler will enter Texas Tech this fall.

### Sports News

The Draw Longhorns brought home the bacon in wonderful style this week. The Senior Longhorns defeated the Graham Chapel team to the tune of 41 to 27. The senior girls defeated the girls team of the same place by a score of 20 to 12. The Junior Longhorns defeated two teams during the past week. They shelled the Graham Chapel team by a majority of 11 to 5. Friday night Mr. Dalley and his quintet journeyed to Redwine and defeated the Redwine five by a score of 27 to 3.

Next week the Longhorn will not be published because school has been dismissed.

A. B. McGonagill has no love for tumble weeds. When we drove out to his place Friday afternoon he was busy harvesting a big crop of them. They had grown up while he and his tenants were busy at other tasks and as soon as he found time he made war on them. He was having them gathered into great heaps to which he expected to set fire as soon as they were dry enough to burn. He had about thirty truck loads of the pests in one heap. We are giving no advice but if all our farmers would make a determined fight on these weeds every year, they might in time be exterminated.

Miss Ruth Link has accepted a position as home economic teacher in the Dimmitt high school and began her work Monday morning.

### Texas Lady Tells How Black-Draught Laxative Helps All Her Family

Here's how Black-Draught fills the needs of a family laxative in the home of Mrs. J. S. Stoker, Fort Worth, Texas: "The grown-ups in my family," she writes, "have always taken powdered Theford's Black-Draught for biliousness, headaches and other ailments (due to constipation) and found it a reliable remedy. I was very pleased when I saw Syrup of Black-Draught advertised. I bought it and gave it to my little daughters, ages 6 and 4. They needed something to cleanse their systems and Syrup of Black-Draught acted well. . . . Your druggist sells this reliable laxative in both forms. "Children like the Syrup."

## Redwine

There was a large congregation present at Sunday school Sunday morning. Prayer meeting was well attended Sunday night.

The Redwine boys went to Midway Thursday afternoon to play basketball. They defeated Midway 17 to 12.

Due to the fact that the court at Draw was too muddy to play on, the Longhorn teams played basketball with Graham Chapel on Redwine's court Thursday afternoon.

The Longhorn junior boys played Redwine juniors here Friday night. Redwine was defeated, but we still think they can give any team a struggle.

The boys and girls will play basketball at Graham Chapel Tuesday afternoon.

There has been a literary society organized here and we want everyone to do his part in making this organization a successful one.

There will be a box and pie supper here Friday night. Everyone come.

Miss Billy Jo Thompson entertained the young folks of this community with a party Saturday night. A good time was reported by all.

Messrs. Beard, Cunningham, and Patterson went to Lubbock Monday and brought Mr. Clayton Beard home from the sanitarium.

Mrs. Phillips is very ill with ptomaine poisoning.

Mr. and Mrs. Omer Reed are the proud parents of a new baby girl.

Mrs. Tandie Reed visited her daughter Mrs. Stewart of Tahoka Monday.

Mr. H. R. Grayson made a business trip to Lamesa Saturday.

Roy Tunnell is having his eyes treated at Lubbock this week.

Miss Billy Jo Thompson is visiting home folk this week end. She has been attending school at Tahoka.

Mr. and Mrs. Rob Luttrell visited Mrs. Henry Sunday.

Eldwan Beard has been visiting his grandparents, Mr. and Mrs. Cunningham, the past week.

Mr. and Mrs. Stokes Wagley and

son visited Mrs. Wagley's parents, Mr. and Mrs. A. T. Beard, Sunday. Zealand Willingham has been on the sick list this week.

Mr. and Mrs. Ed Stone, Fred Stone, J. F. and Willie White are visiting home folk after working at Meadow the past week.

Mrs. Willis Pennington visited her sister, Mrs. Florence, Sunday. Mrs. Patterson and Mrs. Cunningham visited Mrs. E. W. Holloway Monday.

Fred and Delbert Cockrell from Pleasant Valley have been visiting their cousin, Carl Stone.

Mr. and Mrs. John Beard, Tahoka, and Mr. and Mrs. Arnold Houston, Tahoka, visited in the home of Mr. and Mrs. A. T. Beard Sunday.

Miss Etha Mae Sherrill visited Misses Alta and Beatrice White Sunday.

Next Sunday is Bro. Braswell's day to preach. Everyone is cordially invited to attend both morning and evening services.

Negroes in the South consider alligator tail one of the best foods.

## Edith

Everyone enjoyed having the visitors at singing Sunday afternoon. We invite them to come back at all times.

The following took dinner with Leah May Bell Sunday: Miss Christine Owens, Inness Anderson, Percy Deer Tippit, Margaret Shannon, J. W. Owens, and Dwayne Taylor.

Mr. and Mrs. A. L. Faubion and daughter of Wilson visited Mr. and Mrs. Faubion Sunday afternoon.

Mr. and Mrs. Dudley Martin of Draw spent Saturday night and Sunday with Mr. and Mrs. E. D. Payne and family.

The following enjoyed ice cream at Mr. and Mrs. Joe Sanders' Saturday night: Mr. and Mrs. Bell and family, Mr. and Mrs. Oscar Sanders and family, Miss Lola Smith, Ruby Payne, Geneva Payne, Inness and Effie Anderson.

Marie Owens accompanied Mary Ellen Inman to Crosbyton Sunday.

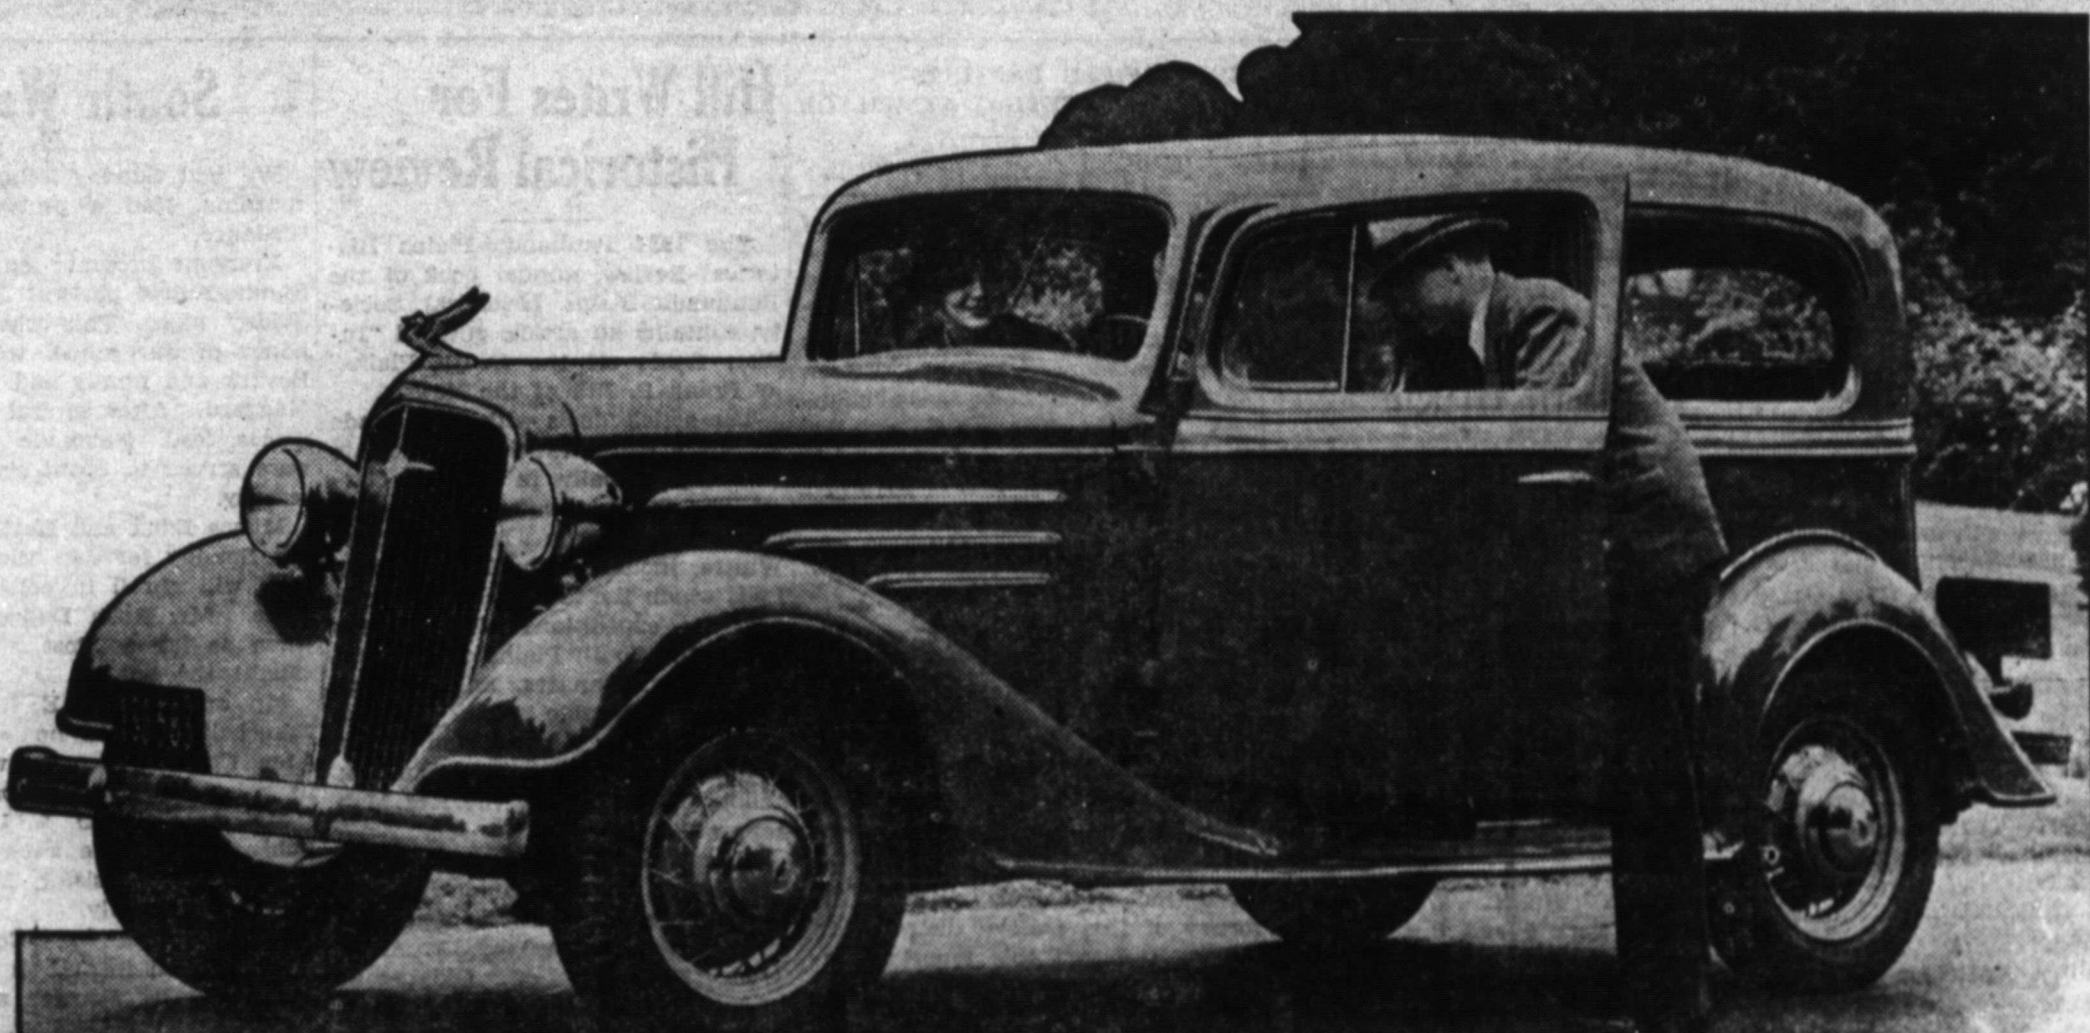

Mrs. Nora Sanders spent Sunday with Mr. and Mrs. Anderson.

C. C. Williams, formerly secretary of the chamber of commerce here but now of Seguin, was a visitor here Saturday afternoon and night, the guest of his friend G. H. Nelson. For the past three or four years he has been secretary of the chamber of commerce at Seguin.

Miss Mary Seroyer returned Saturday from Clovis, New Mexico, where she spent the summer with relatives.

Let Chevrolet tell its own story  
 of riding and driving comfort

*Make the ownership  
 test*

WHEN all is said and done, the best way to get at the truth behind the fine things you hear and read about the new Chevrolet, is to get in the car and drive. Take this car (your Chevrolet dealer will gladly loan you one), drive it over the same routes, in the same way you drive your present automobile, and let the results you can see and feel tell their own story. You have heard that Knee-Action makes bad roads good, and good roads better. A ride will prove it. You have heard that Chevrolet provides shock-proof steering, Syncro-Mesh gear-shifting, a remarkably flexible 80-horsepower engine, and cable-controlled brakes.

One ride  
 is worth a thousand  
 words

A few minutes at the wheel will show you what a difference these advancements make in safety and driving ease. And when the ride is over, and you step out refreshed and ready for more, you will know why so many thousands have found it impossible to return to ordinary driving after an experience like this. That is the Ownership Test—simple, easy, enjoyable, and the most practical way to choose a car. Your Chevrolet dealer has a car waiting so that you can make this test. How about today?

#### BROWNFIELD BAPTISTS IN MEETING AT WILSON

(Contin'd from first page)

state, Dr. Fry being the head of that department. This was followed by a report on Religious Literature by E. I. Hill of Tahoka. Rev. B. N. Shepherd, who has been serving as district missionary for about fifteen or twenty Plains and adjacent counties for the past five months, brought a report of his work. Brother Shepherd, who is a former pastor of the Tahoka church, has recently accepted a call to the church at Hereford and is leaving the missionary field.

Mrs. L. Lumsden of Wilson made the report for the Women's Missionary Society, and in the absence of A. A. Suits, who had been selected for the purpose, Mrs. H. P. Caviness of Tahoka brought the report on Sunday School and B. T. S. work. This was followed by a report on Civic Righteousness by G. H. Nelson of Tahoka, district attorney of this judicial district. Mr. Nelson discussed this report at considerable length and with great ability, and his discussion brought much favorable comment from the great host of auditors. In fact all the discussions of the day were heartily received and all the reports enthusiastically adopted.

On Wednesday evening, the report on Buckner Orphans Home was made by Rev. A. Loper of O'Donnell, following which Rev. George A. Dale, the new Tahoka pastor, brought an inspiring sermon.

The proceedings on Thursday are not available, but among those on the program were Rev. J. C. Cook of Tahoka, Rev. Ben Richburg, pastor at New Home, Rev. J. V. Vinson, pastor at Three Lakes, and Rev. Ed Hawthorne, formerly of Tahoka, now a pastor and a student in Wayland College. Rev. J. M. Hale, Hon. W. W. Price, and Mr. W. A. Tittle, all of Brownfield, were also on Thursday's program.

This association embraces churches in Lynn, Terry, Gaines, Yoakum, and Hockley counties about twenty-eight in number, and two new churches were admitted into the association at this meeting.

#### NEW RULES FOR FOOTBALL THAT FANS SHOULD KNOW

Two new football rules are expected to speed up the game to a decided extent this season, and another one may give the fans something to wonder about.

No penalty will be imposed for incomplete passes. In recent seasons, a five-yard penalty was imposed for the second consecutive incomplete pass.

The first incomplete pass over the goal line does not count as a touchback, as in former years. The 1934 ruling says the second consecutive incomplete pass behind the goal line will result in a touchback and give the ball to the opposing team on the 20-yard line.

The punting ruling has been clarified, giving a player an opportunity to hold the ball while another player punts.

#### \$120 POSITIONS \$120

Free Employment Report showing large list of recent placements, a number at \$90 to \$120 a month, will convince you that the Draughton Training means inspiring opportunities during good times or bad. Write at once or clip and paste on post card with name and address for "Proof of Positions" and Special Offer. Draughton's College, Lubbock. 5-2tp.

#### Hill Writes For Historical Review

The 1934 Panhandle-Plains Historical Review, annual book of the Panhandle-Plains Historical Society, contains an article entitled "Indian Raids on the South Plains" by Frank P. Hill of the News.

The article deals with raids made on South Plains ranches in the late 1870's, principally in Crosby, Garza, and Dawson counties; several skirmishes between Indians and Whites, including the Lynn county fight which the late Jack Alley took part in; expeditions after Indians across the South Plains on the part of soldiers, Rangers, and citizens, giving considerable space to the Negro soldier expedition across Lynn, Terry, and other counties; and trails followed by the Red Man across the Plains.

Other articles in the book are: "In Search of the Comanches" by Grant Foreman; "History and Customs of the Kiowas" by Dr. Angie Debo, University of Oklahoma; "Nets-A-Huatl's Legend of the Origin of the Pueblo Tribes" by Ben Carlton Mead, the celebrated Texas artist; and "Hunting Indians in the Panhandle-Plains Museum" by Floyd V. Studer, the archaeologist. The book is illustrated by Harold D. Bugbee, Taos, New Mexico, a nationally-known portrayer of Western life.

The Panhandle-Plains Historical Society is sponsored by the West Texas State Teachers College, Canyon, and maintains a museum on the campus of that institution which is said to be one of the best small museums in the country. Approximately 400 old-timers and their friends are members of the organization.

The Review, which is printed in Amarillo, is available to non-members of the organization at \$1.00 a copy, while membership in the Society is \$3.00 a year.

#### Loans Are Offered Farmer On Cotton

Cotton growers holding participation trust certificates covering options given in the Plow-Up Campaign can obtain additional advances of \$10.00 per bale, less carrying charges of \$2.40, according to W. H. Clark, manager of the Lubbock branch office of the Government set-up.

Cotton can be sold now, but the current price is all the grower will get, Mr. Clark said, whereas, if a loan is taken on the cotton the grower will be given advantage of that rise of the market, if any.

BUTTER WRAPPERS, good grade vegetable parchment, 30c per 100 at The News, Phone 25.

#### Kept Taking Cardui Until She Got Rid of the Severe Pains

When Mrs. Ida Hege, of Edinburg, Ind., was in a painful, run-down condition, she took Cardui, with the results she describes below: "I had just been what one might say dragging around, feeling miserable and all out of sorts. I remembered how Cardui helped my aunt. I sent for six bottles of Cardui and when I had taken them, I was much better and stronger. I did not suffer so much pain. I continued taking Cardui until I had taken nine bottles. I do not have the severe pains."... Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

#### South Ward

We had Sunday School Sunday morning. Had a pretty good attendance.

Everyone present enjoyed the Sunday school party at South Ward Friday night. This was given in honor of our school teachers, Mr. Bostick and family and Miss Mable Maggard. After several hours of games, iced lemonade and cake were served to about sixty-five or seventy.

Misses Edna and Hattie Dudgeon left Sunday for San Marcos, where they will enroll in college at that place. Mr. Rush Dudgeon carried them as far as Post, where they caught the bus.

Mr. and Mrs. P. E. Roberts and Herschell returned home last week from Coleman county, where they have been visiting the past month.

Mr. and Mrs. O. L. Langlots of Lubbock spent the week end with Mrs. Langlots's sister, Mrs. W. A. Hardt and family.

Mr. and Mrs. T. Cowan and family moved into town last week.

Mrs. Walter Rhyne and baby, Jack Glynn, of Decatur, are here visiting Mrs. Marvin Walker and Mr. Gus Walker.

Mr. and Mrs. J. W. Nelson and baby, Peggy Jac., of Meadow, and Miss Marie Owens of Edith spent Saturday night with Mr. and Mrs. W. P. Inman and family.

The following went to Crosbyton on a picnic Sunday: Mr. and Mrs. W. P. Inman and family, Mr. and Mrs. J. W. Nelson and baby of Meadow, Miss Marie Owens of Edith, Mr. and Mrs. T. Cowan and family of Tahoka, Mr. and Mrs. Luther Wood and J. W. Wood of Lorenzo, Odie Wood of O'Donnell, and Mr. and Mrs. Sherman Inman. They all went on Mr. Nelson's school bus.

George Brewer of Tahoka spent Saturday night and Sunday with Bert Eaton.

Sunday is Bro. Dykes' day to preach. It is also singing afternoon. Everyone come.

#### O'DONNELL GIRLS RESERVE ROOMS AT CANYON COLLEGE

Canyon, Sept. 17—Misses Claire Ruth Nichols and Hester Gates of O'Donnell will be among the co-eds of the West Texas State Teachers College to lodge at Cousins and Randall Halls during the coming school year.

Randall Hall, a dormitory in which students who live there do the work on a co-operative basis, is already filled to capacity, and Cousins Hall will be full by the opening day, Sept. 18.

Stable hands and hostlers between 15 and 64 have a higher death rate than any other gainfully employed group.
