WILL VOTE ON BANKHEAD LAW

Friday, December 14, Is Date Set For Cotton Growers To Pass On Act

College Station, Dec. 6.—Friday, December 14, 1934, has been set as the date for the Bankhead referendum throughout the cotton producing states by the Agricultural Adjustment Administration, according to information received by H. H. Williamson, vice-director and state agent for the Extension Service.

At this time eligible voters will be asked: "Are you in favor of continuing the Bankhead Act for next year (June 1, 1935, to May 31, 1936)?" An eligible voter is defined in the Act as a "person who has the legal or equitable right as owner, tenant, share-cropper, or otherwise to produce cotton on any cotton farm, or part thereof, in the United States for the crop year 1935-36."

According to that, any person is eligible who signed a 1934 and 1935 cotton acreage reduction contract as well as any person who is or was eligible for tax exemption certificates in 1934. Any other person is eligible who presents proof that he owns and has a present right to produce cotton on a cotton farm, or any person who signs and files a witnessed statement that he has made arrangements to produce cotton on a cotton farm in 1935 by entering into a lease or share cropping agreement.

If ownership and the right to produce cotton on a cotton farm are held jointly by two or more persons, all such persons are entitled to vote. The term "cotton farm" means any farm on which cotton has been produced commercially one or more years since 1927. Individuals who are in doubt about their eligibility to vote can obtain information from the community committee which will have a list of eligible voters.

Henry A. Wallace, Secretary of Agriculture, defines the impartial attitude of the Adjustment Administration in a statement that will be given each voter with his ballot. This statement urges cotton farmers to "examine carefully all the facts and reach a decision based upon considered judgment as to whether the Bankhead Act is needed to assure attainment of the objectives of the cotton adjustment program."

Who May Vote On The Bankhead Bill

Friday, December 14, has been set as the date for balloting on whether or not the Bankhead Act will apply to cotton production for the year 1935. Balloting will be at the school house or some common meeting place in each school district of the county from 9:00 a. m. to 5:00 p. m.

The following persons are eligible to vote in this election: landlord, share tenant, share cropper, or any person who was eligible to receive Tax Exemption Certificates. Also, the person who files a written witnessed statement that he has made arrangements to farm cotton in the year 1935. This written statement will be filed with the community referendum committee. The housewife or any other member of the family is not eligible to vote, unless they received Tax Exemption Certificates in their own names.

Red Cross Roll Call Brings 200 Members

Lynn county's Red Cross quota was only \$400.00 again this year, but only about half that amount has been raised, according to reports made to W. E. Suddarth, chairman for Lynn county. A number of community chairmen have not yet reported, however, Mr. Suddarth states.

A. L. Lockwood is the roll call chairman for Lynn county. Many who have not yet contributed should see him at once and join the roll. The Red Cross has distributed much money, food, and clothing in Lynn county the past few years, and the people should go their limit in showing their gratitude and in helping this great cause.

Luck Is Reported By Other Hunters

E. E. McManis, Jim Izard, and Waymond Smith of the Petty and New Home communities also had good luck on their deer hunt recently staged in the Davis mountains, according to Mr. McManis, who was a pleasant visitor in the News office last Saturday afternoon.

Mr. McManis brought down a four-point deer while the straight-shooting county commissioner, Jim Izard, claimed a ten-point animal as his trophy. Wayman Smith was not so successful but he had a lot of fun.

Mr. McManis says that deer are plentiful in Jeff Davis county.

Holmes Is District Census Supervisor

Washington, Dec. 1.—Kinnech C.

Holmes of Lubbock today was named supervisor of the coming farm census in the Twenty-second Texas district which will have headquarters in his home city. Counties included in the district are: Andrews, Bailey, Borden, Cochran, Crosby, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Haskell, Hockley, Howard, Kent, King, Lamb, Lubbock, Lynn, Martin, Mitchell, Scurry, Stonewall, Terry and Yoakum.

Holmes will receive a monthly salary of \$300 for a period of approximately three months. Enumerators will be paid from \$4 to \$5 a day during the period of the count.

Mr. Holmes was one of 55 men and 17 women announced as supervisors of districts to start taking the census January 2. There will be 225 district supervisors and a total of approximately 25,000 enumerators. Mr. Holmes lives at 2114 Twenty-seventh street, Lubbock, and has a cotton brokerage office at 1215 Texas avenue.

Texans Broadcast To Byrd Expedition

Many Tahoka radio fans were disappointed Sunday night when it was announced that Dr. J. A. Hill, president of West Texas State Teachers College, and Mrs. Hill of Canyon would not broadcast a message over WFFA to their son, Joe Hill, with the Byrd expedition in the Antarctic regions, as had been announced in the newspapers.

They were pleased, however, to hear the governor, Mrs. Miriam A. Ferguson, and other citizens of Texas broadcast to the four Texas men with the expedition.

Dr. Hill gave the following explanation on Sunday of his decision not to avail himself of the privilege extended him to communicate with his son, according to the Amarillo News:

"Our family, however will listen in with a great deal of interest in the broadcast. My own son is working a tractor a couple of hundred miles from the expedition base, and he would probably not hear the broadcast."

Baptist Delegation To Worker Meeting

Rev. and Mrs. George A. Dale, Mmes. H. P. Caviness, Jim Burleson, F. L. Kelley, E. I. Hill, Mother Stroud, and Miss Margaret Preston, attended the Workers Conference of the Brownfield Baptist Association at Chauven, Hockley county, on Tuesday.

Rev. Dale had a place on the program. The meeting in January is to be held at Gomez in Terry county.

W. D. Nevels returned Monday morning from Adamsville, Lampasas county, where Mrs. Nevels is spending some time with a sister after receiving treatment in a Temple hospital. Mr. Nevels reports his wife only slightly improved.

PLAN LEGION HOME OPENING

Business Men, Legionnaires Invited To Barbecue And Program Next Thursday

Tahoka's new home for the Marion G. Bradley Post of the American Legion will be formally opened next Thursday night, December 13, when a big barbecue dinner and program will be given. For those who dance, there will be music later in the evening and following the dinner and program, Jim Dye, post commander, states.

The Legion is inviting all the business men and their wives to the affair in appreciation of the friendship shown and aid given by the town to the Legion. Mr. Dye says. All Legionnaires of Lynn county are likewise invited, and representatives will be present from posts in surrounding counties. The dinner and program will be free, but those who stay for the dance will be taxed \$1.00 per couple.

The new Legion home, just north of the Sunshine Inn, is not quite complete, but is almost so, and the Legion expects to complete the building as more funds are raised. The structure contains a large assembly hall, in which there is a beautiful cobblestone fireplace, a clubroom, a modern kitchen, and restrooms. The outside is stuccoed, though the final dash has not yet been applied, with a cobblestone base and chimney. In the center of the chimney, which rises between the two front entrances, is placed a large American Legion emblem made from plaster of paris and painted blue and gold.

Legionaire Mill Finch states that before moving from the old home, various people carried dishes, cooking utensils, furniture, etc., to their homes, and now that the new home is ready for occupancy, asks that all this property belonging to the Post be brought to the new home at once.

Funds Allotted For Highway 84

The sum of \$5,742 has been allocated by the State Highway Commission for the improvement of Highway No. 84 for a distance of 2,000 feet through the lake lying across this highway a little more than a mile east of Tahoka, according to a press dispatch from Austin under date of November 30.

A roadbed will be built that will lift this highway above the high water mark following heavy rains. A local heavy rain early this fall caused the water in the lake to cover this highway to a depth of one to two feet and rendered the highway impassible for several weeks. It is presumed that work will begin soon.

Miss Viola Ellis Is Back From Hospital

Miss Viola Ellis, who has been in a Dallas sanitarium several weeks under treatment for an affection of one of the lower limbs, returned to Tahoka last Saturday for a few weeks stay. Her condition is much improved but it will be necessary for her to return to Dallas within a few weeks.

E. J. Cooper and M. E. McCord are in Dallas this week attending some kind of cotton growers meeting.

Judge J. W. Elliott is in waco this week attending the Grand Lodge of the Masonic fraternity.

Good Crowd Here Trades Day; Most Merchants Report Satisfactory Results

In spite of the cold, disagreeable weather, Trades Day brought a good-sized crowd to Tahoka last Monday.

Most of the merchants we interviewed stated that business was satisfactory. One business man especially was very enthusiastic. He had used liberal advertising space in the News. Another said that he was perfectly satisfied with results thus far achieved. He was strictly in favor of continuing trades day as a permanent institution. He

PIONEER LADY DIED TUESDAY

Pneumonia Takes Mrs. Ramsey, 79, Body Carried To Grandview For Burial Service

After only a brief illness, Mrs. Nancy Adella Ramsey, almost eighty years of age, died early Tuesday afternoon at the home of her son-in-law and daughter, Mr. and Mrs. R. P. Weathers. Death resulted from an attack of bronchial pneumonia. Mrs. Ramsey was sick only a few days.

Funeral services were conducted in the home at 8:30 o'clock Tuesday night, Rev. H. C. Smith officiating. A beautiful quartet was rendered by Messrs. Kary Mathis, Fred Barker, Fred Bucy, and Dr. C. B. Townes, with Mrs. J. K. Applewhite as accompanist.

Following this service the remains were taken to Post by the Harris & Applewhite ambulance, from which point they were conveyed by train to Fort Worth, and thence taken to Grandview in Johnson county, where they were laid to rest Wednesday afternoon.

Daughter of Mr. and Mrs. John C. Scurlock, deceased was born on January 2, 1855, in Alabama, and was therefore 79 years, 11 months, and 2 days old at the time of her death. While yet an infant she was brought by her parents to Texas, the family settling at Grandview in Johnson county. There she grew to womanhood, married, and made her home for many years. About twenty-seven years ago she and her husband and their children removed to Tahoka. The husband died about fourteen years ago, and his remains were taken back to Grandview for burial. Mrs. Ramsey continued to reside with her daughter in Tahoka until the day of her death.

Mrs. Ramsey was reared in the Presbyterian Church and was a devoted member of that great religious organization, being a member of the local church since its organization here several years ago. Not only was she a devout Christian but she was a model mother, neighbor, and friend, and her friends in Tahoka were legion.

She leaves surviving her three sons and two daughters, as follows: Sam Ramsey and Mrs. R. P. Weathers of Tahoka, Raymond Ramsey of Graham, Mrs. O. P. Rutledge of Floydada, and Jack Ramsey of Enna. All of these were here for the funeral services.

Lubbock Men Buy Paper At Colorado

Messrs. L. W. Baker and H. Y. Price of Lubbock have purchased The Mitchell County Times and changed the name to The Colorado Times. Mr. Baker is the publisher and Mr. Price the editor. The first copy of the paper under the new management came to this office last week, and we found it to be a new, well-edited paper.

Mr. Baker owns and operates a printing and office supply house in Lubbock, while Mr. Price has been connected with the Lubbock Morning Avalanche.

Mrs. Sam Sanford In Serious Condition

Mrs. Sam Sanford is reported to be in a most serious condition following an operation in a Lubbock sanitarium Monday morning. She is said to be suffering from cancer of the stomach and when the operation was performed her condition was found to be more serious than had been expected. It is not believed that she can live long.

Band Concerts At Rural Schools

The Tahoka band rendered a program at Joe Bailey Wednesday night. They have heretofore rendered programs in several different communities in the county and have had pretty good crowds wherever they have gone.

They will continue these programs in various rural communities as arrangements for same can be made. N. W. Alphin is the present director.

Barrow Murder Case Completed

M. G. Barrow of O'Donnell was on trial Tuesday and Wednesday in the district court at Lamesa on an indictment charging the murder of Porter Tredway of Tahoka on April 25, 1934. The case was given to the jury about 5 o'clock Wednesday afternoon but it had not reported at an early hour this morning. County Attorney Louis Reed of Lamesa and County Attorney Truett Smith of Tahoka prosecuted the case. District Attorney G. H. Nelson being the chief witness for the state. J. H. Atwood of O'Donnell represented the defendant.

The case grew out of the killing of Porter Tredway last April when a car in which he was riding with District Attorney G. H. Nelson was struck by a car driven by defendant M. G. Barrow. Clay Warren of O'Donnell was in the car with Barrow. Barrow is charged with having committed the offense of murder while engaged in the commission of another felony, to wit: driving an automobile upon a highway while intoxicated. This is the first case of the kind that has ever been tried in this section of the state.

Says Boulder Dam Is Gigantic Project

Watson Spears came around to The News office Monday to pay up his subscription and stayed long enough to tell us a few things about the great Boulder dam now under construction out in western Arizona, on which project he recently worked for about three months.

It is hard to imagine the immensity of the project. The dam is now over 500 feet high and will tower to 720 feet when completed. The biggest cement mixer in the world is being used on this world's biggest dam. A special railroad was built to haul gravel to the dam site and a million yards of gravel is kept on hand ahead of the workers. Thousands of workers are employed and live in a small city eight miles from the dam site. They are transported to and from work in huge buses, some of which have a capacity of 125 passengers. Though completion of the dam is expected by next April, the power plant, a gigantic project itself will require two more years of construction. The dam will back up water in the river for 75 miles.

Band Play At Joe Bailey Pie Supper

The American Legion Band of 22 pieces furnished the musical entertainment last night for the Joe Bailey school. Many merchants of Tahoka supplied useful articles, which, with the pies, were auctioned by Col. G. C. Grider.

Many Tahoka people attended, and a real good time was had by all, it is said.

CHANGE BAPTIST SERVICES The night services at the First Baptist Church have been moved up. The B. S. U. now meets at 6:30 with regular church services beginning at 7:30.

Mrs. Florence King returned recently from a four months' visit with relatives at Franklin, Mo.

OTHER TESTS IN PROSPECT

Expect To Begin Drilling On Test Near Three Lakes Within Next Few Weeks

Four car loads of oil well drilling equipment arrived Wednesday morning and is being placed at the Hart location on Section 29, L.S. & V. Ry. Co. Survey, two and one-half miles north of Three Lakes, preparatory to drilling a test oil well.

A steel tower 126 feet high will be erected. A rotary drill will be used. Two mammoth engines will furnish the power, and it is said that the well will be drilled 5,000 feet and possibly 7,000 feet deep if necessary.

Drilling will begin just as soon as the machinery can be placed, not later than December 15. Three shafts will be used and the drill will be kept running day and night. The drilling crews consisting of seventeen men are already here.

E. T. Hart of the Hart Oil Company, who has this lease, and J. B. Nance, who blocked the lease, are very sanguine that oil will be found in paying quantities at this location. Many local citizens are also very hopeful.

J. B. Nance is now busy procuring leases for another block for the Hart Oil Company east of Tahoka. If a solid block of leases can be procured, a well will be started on this block by June 1, 1935, Mr. Nance states.

It is said that other companies are becoming interested in the county. One block of leases is now being shaped up near Wilson, we understand. Another block is being sought in the vicinity of New Hope. It now looks as if this county were going to be given a thorough test for oil. The field being developed between Seminole and Andrews to the southwest has doubtless inspired the activity that is now beginning in this county.

Many of our citizens are hopeful that Tahoka is yet to become the center of a big oil field.

Three Killed In Airplane Crash

Brownfield, Dec. 3.—In full view of several hundred spectators, a civilian pilot's plane stalled at a low altitude, spun to the earth and crashed into a dry earth tank, fatally injuring its three occupants, near here late yesterday.

Fatally injured were Manuel Kelm, 24, of Littlefield, the pilot, John Alexander, 24, of Frederick, Okla., and James Benton, 26, living near Brownfield.

Ten minutes after the plane took off on a pleasure jaunt for its occupants, witnesses said it stalled at an altitude of about 200 or 300 feet and roared to earth. It struck the ground, bounced and skipped for several hundred feet and then nosed into the tank, twenty feet from the residence of T. C. Hogue, county tax assessor. Hogue's family was in the house.

Benton died less than an hour after the crash, Kelm an hour later and Alexander three hours later.

Kelm had taken several persons aloft on pleasure jaunts before the fatal flight. The landing field was lined with spectators when the ship crashed several hundred yards distant.

Herman Kelm, brother of the pilot, said the plane had been bought second hand and that his brother, who had been flying about four and a half months, had 100 flying hours to his credit.

VISIT OLD "ALABAMA"

Mr. and Mrs. R. B. McCord and their niece, Miss Madeline McCord, left on Thanksgiving day for a visit with relatives in "Old Alabama."

The McCords came from Alabama to West Texas a number of years ago. They still have many relatives in that state and visit there once every year or two. They expect to extend their visit this year over the Christmas holidays.

Mrs. E. G. Ramey, of Henryetta, Okla., writes that she has taken Theodor's Black-Draught about twenty-five years, when needed, and has "found it very good."

The higher-ups at Washington say that better times are here. They can prove it by facts and figures. The farm income this year will be nearly a billion dollars above the farm income last year.

OUR PROBLEM ON THE PACIFIC

The three great Pacific powers—the United States, Great Britain and Japan—are at present involved in a complicated embroglio, with counter-plots, quiet diplomacy and plain ordinary hard-feelings dominating the proceedings.

As Raymond Leslie Buell recently pointed out in a feature article in the New York Times, the three-power navy discussions, now going on in London, have reached an impasse because of disagreement over three vital issues.

First, the military question, involving Japan's demand for naval parity with Great Britain and America (the present ratio is 5-5-3, with Nippon on the short end).

Second, the political question, involving Japan's ambition to expand into Asia.

Third, the commercial question, involving the expansion of Japanese foreign trade, at the expense of England and the United States.

Japan has flatly refused to continue the existing naval ratio—she demands parity and threatens to sign no more treaties, when the present one runs out in 1936, unless it is given her.

As for the second issue, Japan's desire to take over part of Asia may be explained in two words: Iran; oil. No nation can be a major power without these commercial and military essentials.

The third issue, that of commerce is one of the most irksome. It's a well known fact that the Japanese are poor innovators—but magnificent imitators.

That is the Pacific question as it now stands, and all the disagreements in London over the naval treaty revolve around these three issues. It is an important fact that, under Japan's form of government, the army and navy are not subject to the control of the Diet—they are responsible solely to the "Son of Heaven," Japan's much-beloved young Emperor.

"Pains Gone," Says Lady, After She Had Taken CARDUI

In describing how her health improved after she had taken Cardui, Mrs. Ralph R. Courtney, of Wytheville, Va., said: "I was run-down and suffered from pain in my side. I wanted to feel well and get rid of the pain in my side, so I went for Cardui and began taking it. By the time I had taken three bottles of Cardui, I was feeling much better. The pains had gone. I am very glad to recommend Cardui to other young women."

Modern Successor To The Blazing Log!

Since man first discovered how to make fire, the blazing log has been a symbol of warmth and good cheer. In the circle of its glowing flame, mankind has found protection and comfort.

Today its modern counterpart—the Gas Radiant Heater—is providing warmth, comfort, and good cheer in thousands of homes. At mid-day or mid-night it's always ready to warm hands and hearts. Just the touch of a match and it's "on"—just the turn of a valve and it's "off."

They're beautifully styled for every mantel or fireplace—and priced for every purse.

FRESHMAN REPORT

The Freshman class will have charge of the chapel program next Monday at the seventh period in the high school auditorium. Fun all the way through. Don't miss it!

Margaret Shannon recently underwent a major operation in a Lubbock hospital.

David Weathers has been absent from school since Monday on account of the death of his grandmother, Mrs. Ramsey.

DIODEGENES SEZ:

People who air all their knowledge show that their knowledge is all air.

THE NEWS GREATLY REGRETS THAT IT WAS FORCED TO DELAY CONSIDERABLE SCHOOL NEWS UNTIL NEXT WEEK.

"MERRY WIDOW" HAS INTERNATIONAL FLAVOR

Many of the most colorful nations in Europe have contributed to the Continental color and glamour of Ernst Lubitsch's production of "The Merry Widow", which brings to the talking screen the gay Viennese music and romantic song hits of Franz Lehar. The picture shows at the English Theatre Sunday, Monday and Tuesday.

Bits of fashions, scenery, customs, traditions and typical national music of many lands are blended into the picturesque whole in the spectacular Metro-Goldwyn-Mayer film which co-stars Maurice Chevalier and Jeanette MacDonald as Sonia and Danilo.

Instead of being laid in any particular country, its locale is the mythical kingdom of Marshovia, as originally written by Lehar. Gorgeous uniforms, court ceremonials and other vivid detail were worked out in huge settings.

The uniforms blend characteristics of Russian, British, French, Austrian and other military garb. The gowns Miss MacDonald wears in the picture were similarly blended by Adrian from characteristics of many countries, thus giving a strictly Continental flavor. Settings were handled in the same unique manner.

Franz Lehar's glamorous music is retained intact in the production, such songs as "Vilja", "I'm Going to Maxim's" and others which have achieved world popularity, the great waltz number, brilliant Albertina Rasch ballets, reveals in Maxim's in Ball all being musical treats.

Among the players are Edward Everett Horton, Una Merkel, George Barbier, Minna Gombell, Ruth Channing, Sterling Holloway, Donald Meek and Herman Bing.

ATTEND FUNERAL

Together with four other grandsons, Bill and Wade Holland of this city recently acted as pall bearers at the funeral of their grandmother, Mrs. Apdella Harp Burnett, at Slaton. Mrs. Burnett was eighty years of age and left surviving her three sons and three daughters, 55 grandchildren and 47 great-grandchildren.

J. H. Collenback, who has been seriously ill the past week, was reported Wednesday to be much improved. His daughters, Mrs. Davis Anderson of Abilene, and Mrs. Reta Lois Grissom of Lamesa, who were called here by his grave condition, have returned to their homes. While Mr. Collenback apparently is recovering nicely, yet it is not expected that he will be able to leave his room before December 25.

Misses Oneta and Odessa Martin of Crowell, formerly of Tahoka, Miss Dorothy Martin of Union, Miss Odell Wallace of Crowell, and Bill Russell of Brownfield were the guests of Miss Ouida Johnson, daughter of Mr. and Mrs. J. M. Johnson, here Sunday.

Mr. and Mrs. A. C. Harrison and son B. Harrison and their daughter, Mrs. C. C. Benson, all of Winters, have been here since Tuesday visiting George Akin and family and other relatives.

C. N. Barnes and daughter, Eva Claire, of Clovis, N. M., were recent visitors in the C. C. Barnes home. They were accompanied by Miss Eva Doak and Mr. Leslie from Lubbock.

Miss Annette Weathers, who underwent a major operation at Lubbock about three weeks ago, was brought home last week. She is expected to be out again soon.

Ronnie Mack, the little one-year-old son of Mr. and Mrs. Jess Gurley, has been quite sick the past week but is thought to be somewhat improved.

Mr. and Mrs. Calvin E. Berry and daughter of Topeka, Kansas, spent the Thanksgiving holidays here visiting the J. C. Blackburn family.

Mr. and Mrs. A. A. Suits and son Gordon visited relatives in Lockney during Thanksgiving.

Wilson Schedules Court Tournament

Wilson will be host at a big basketball tournament Friday and Saturday of next week, many South Plains high school teams competing in the contests, Superintendent A. L. Faubion announces. All games will be played in Wilson's fine, new gymnasium. A small admission fee of 5c and 10c will be charged spectators for each series of games.

Ten teams had accepted invitations Thursday at noon, and Mr. Faubion said at least sixteen teams would be in the tournament. Those who have already accepted are: Southland, Slaton, Idalou, Wolf-farth, Meadow, Foster, Lorenzo, Draw, New Home, and Wilson. Tahoka and O'Donnell have been invited to participate, but their acceptances have not been received. Mr. Faubion stated.

Wilson school goes in for basketball very strongly and has held the Lynn county championship for about eight or nine years, usually having little or no trouble disposing of Tahoka and O'Donnell to win

Baptist Women Give Pageant At Church

As a feature of their annual Week of Prayer for Missions, the W. M. S. of the Baptist Church staged a pageant in the Church auditorium Wednesday night, depicting the need and the call for workers in the various Mission fields. The closing scene portrayed the Holy family in the stable at Bethlehem and the appearance of the Wise Men from the East who brought their rich gifts and worshipped the new-born Babe, while angels sang their song of praise and adoration.

Mission fields represented in the pageant were China, Japan, Europe, Palestine, South America, Africa, and Mexico.

On next Sunday morning, as a fitting close of the week of prayer, the pastor, Rev. George A. Dale will deliver a sermon on Missions, and this will be followed by the annual Lottie Moon offering. Inspired by the noble example and the sacrificial service of this great woman missionary, Baptist women throughout the South make an offering for Missions at this Christmas season each year.

Mr. and Mrs. Ben T. Brown and their two little daughters returned to their home at Belton Sunday after a few days visit here with their parents, Mr. and Mrs. W. L. Brown.

Methodist Women At Ralls Meeting

Mrs. V. F. Jones, Mrs. S. E. Reid and Mrs. H. C. Smith, representing the Methodist Missionary Society, accompanied by Rev. Smith attended the Harvest Day program of the Lubbock District in Ralls Wednesday.

Harvest Day is an annual event of the Methodist Missionary societies, held at the close of each year's work. An interesting program was reported by the Tahoka women.

Methodists Attend Lamesa Meeting

Rev. H. C. Smith, Joe Poindexter, and W. E. Suddarth represented the Tahoka Methodist Church at a district meeting of the denomination in Lamesa Monday.

Dr. G. L. Morelock of Memphis, Tenn., a prominent Southern Methodist, was the principal speaker.

THANKSGIVING CELEBRATED AT BELTON HOWELL HOME

The Belton Howell home was the scene of a merry Thanksgiving day celebration when Mr. and Mrs. F. E. Walters, parents of Mrs. Howell, Mr. and Mrs. Lorn Walters and children, Mr. and Mrs. Raymond Kyle and children, Mrs. Snodgrass and children, all of Brownfield, Mrs. C. L. Dickson and son, Mr. and Mrs. Raymond Lloyd, all of Lubbock, and Mr. and Mrs. Oran Short of Tahoka joined the Howell family in a Thanksgiving dinner.

CHURCH OF CHRIST NOTES

We want to express our thanks for the many kindnesses shown us in the absence of our wife who went to Grayson county to attend the funeral of her brother.

We were also very much pleased when at a business meeting of the church last Lord's Day we were given a vote of confidence. It does a shepherd good to know the sheep believe in him and will follow his leadership. The church has had a gradual growth this entire year for which we are thankful and take courage. We hope to make the few remaining services of the year the best.

One feature of the work we have enjoyed perhaps most of all is the fine class of young people it has been our privilege to teach each Lord's Day morning.

Every member is urged to be with us the last four Lord's Days of the year that we may finish it out in good shape.

Subjects for next Lord's Day: "Where to Lay up our Treasure", A. M.; "The Bible as our Guide", P. M.—R. P. Drennon.

LAWSON CHILDREN SURPRISE MOTHER THANKSGIVING

The children of Mrs. A. A. Lawson pleasantly surprised her on Thanksgiving by all coming home and bringing turkey and all that goes with it.

Those present were: Mr. and Mrs. G. C. Watson, Miss Naomi Lawson, Mr. and Mrs. Paul Lawson and baby John Paul, Mr. and Mrs. R. V. Melton and boys, Carroll Dale and Gail Roy, Mr. and Mrs. Smith Lawson, Loy Lawson and his mother. Two boys, Ben Hur and Gene, who reside in California, were not present. Mr. Lewis Ward and little Miss Joy Shepherd also were present.

All voted the occasion a great one, and Mrs. Lawson said they would never know just how much she appreciated the surprise until they were grandfathers and grandmothers.

LUDA STRASNER HOSTESS TO MINOR BATON CLUB

The Minor Baton met with Luda Strasner Monday night. A program of Nevin's music was rendered as follows: Vocal solos, "Necklace of Love," Ola Lee Stevens, and "The Rosary" (with story of the composition), Boswell Edwards; piano solo from the Venetian Suite, by Mrs. Suddarth; and "Mighty Lak a Ross," sung by the Club Trio. Lester Prater gave an interesting biography of Nevin.

Thirteen members and a guest enjoyed a refreshment plate of sandwiches, cakes, and hot chocolate.

The club will meet with the Misses Suddarth for the special MacDowell program on Dec. 17, when there will also be featured an exchange of Christmas gifts.—Reporter.

EUSELIAN CLASS PLANS CHRISTMAS SOCIAL EVENT

Mr. and Mrs. H. P. Caveness have opened their home to the Euselian class of the First Baptist Church for their annual Christmas social, which will be held on December 14.

This meeting will be full of surprises and good times for all according to Mrs. Ovid Luallin, social chairman of the class. Mrs. Luallin is joined by the entire class in urging a full attendance of all associate members and every one is urged to bring a prospective member. We invite you to meet with our class next Sunday.—Class Reporter.

PHEBE K. WARNER CLUB HAS ANNUAL DINNER

The members of the Phoebe K. Warner Club entertained their husbands with the annual Thanksgiving dinner at the home of Mrs. R. W. Fenton, Jr. Friday night, November 23.

The following program was given: Invocation, Rev. H. C. Smith; vocal solo, "Forgotten", Mrs. R. L. Moreland; talk, "Thanksgiving", Rev. Geo. A. Dale; piano duet, Mmes. J. K. Applewhite and I. Stewart; reading, "Auxiliaries," Miss Anna Rae Bishop; violin solo, "Song of India," Charles Gaignat; reading, "Howdy, Mr. Pumpkin", Peggy Fenton.

The traditional Thanksgiving dinner was served to the club members, their husbands, and the following guests: Rev. and Mrs. H. C. Smith, Rev. and Mrs. Geo. A. Dale, Miss Anna Rae Bishop, and Mr. Charles Gaignat.

BAPTIST W. M. S. HAS EXCELLENT PROGRAM

One of the best programs of the year was rendered by the Blanche Rose Walker Circle of the Baptist W. M. S. in a joint meeting with the Sallee Circle in the home of Mrs. H. P. Caveness Monday afternoon. This was a Christmas program and consisted of Luke's story of Christ's birth, stories and information about Christmas in other lands, a number of our finest Christmas hymns, prayers, readings appropriate to the season, and a playlet on Missions.

The Sallee Circle served Karo pean pie topped with whipped cream and hot coffee to twenty-one members of the two circles: Miss Margaret Preston and Mmes. Hogan, Edwards, Billman, Caveness, Reese, Kelly, Barnes, Suits, Cooper, Hill Nevill, Howell, Heathman, Dale, Weathers, Stroud, Oliver, LeMond, Wells, and Fortenberry.

FORMER PASTOR HERE

Rev. and Mrs. Lawrence Hays and children of Snyder were here Saturday making short calls on a number of friends. They had been attending the late Baptist Training Union convention in Lubbock. Brother Hays is well pleased with his new work at Snyder and he and Mrs. Hays say that they are among a great people.

Mrs. J. M. Johnson and sister, Mrs. S. E. Key, made a trip to Brady recently to visit their parents, Mr. and Mrs. G. W. Knoy, formerly of Tahoka.

Letters To Santa!

Dear Santa Claus:
Please bring me some little plates to make mud pies in. Bring Ferns a ball and me a little drug store.
Frances Marion Haney.

Dearest Santa:

I am a little girl 6 years old. I want you to please bring me a doll, doll trunk, tea set, sewing set, nuts, fruit and candy.
La Jaun Moore.

Don't Get Up Nights

Use Juniper Oil, Buchu Leaves, Etc. Flush out excess acids and waste matter. Get rid of bladder irritation that causes waking up, frequent desire, scanty flow, burning and backache. Make this 25c test. Get juniper oil, buchu leaves, etc. in little green tablets called Bukets, the bladder laxative. In four days if not pleased your druggist will return your 25c. Thomas Bros.

Mrs. Rubie D. Suddarth was in attendance at the three-day convention of the Texas Music Teachers Association in Lubbock last week, and reports a feast of good music for every program, and a thoroughly delightful meeting in every way.

"GIFTS THAT LAST"

Some say times are hard, and this may be true, but almost everyone of us will give someone or more than one Christmas gifts this year, and that is where we come in with practical and sensible "Gifts That Last".

We shall be glad to show you some of the best as well as the latest styles of our lines of Watches, Jewelry, Cosmetics, Kodaks, Engagement and Wedding Ring Sets. The trend is more and more to Yellow Gold this year.

ELECTRIC REFRIGERATION FOR ALL SEASONS

Every day is "bargain day" with electric refrigeration. Specialists in health, whether they be physicians, druggists, dietitians, or teachers of home economics agree: unanimously that the keeping of the food compartment uniformly cold is, perhaps, the outstanding advantage in electric refrigeration. Enterprising grocers and market-men have full confidence in the proper conservation of wholesome food values that they sell when stored in a good electric refrigerator. Any housewife proudly adds to her reputation as a "smart manager" through the aid of daily savings from waste in obsolete refrigeration. She recognizes, too, that savings in fall and winter are as important as in spring and summer.

The design fits admirably in the kitchens to today while the excellent mechanism frees one from any thought of unsatisfactory operation. It is the responsibility of this company to see that a dependable electric service assures you the maximum efficiency from your refrigerator. You'll be agreeably pleased with the low operating cost required to keep foods in a state of healthful conservation—a matter of no small consideration.

At this season a splendid opportunity presents itself to "make Xmas last a lifetime". There's a model to meet your requirements that may be obtained from your dealer on a convenient purchase plan.

The 4-cent stamp in the National Park series will depict Cliff Palace, the largest Pueblo ruin at the Mesa Verde National Park, in Colorado. The "palace" was discovered in 1888, is believed to have been constructed around 1300 A. D. It was a community house, with more than 200 family rooms and other ceremonial chambers.

Mr. and Mrs. D. V. Smith had as their week end guests Miss Faye Pitts and her sister Mary Elizabeth Pitts, Caroline Adams, Clarence Johnston, Marlin Burton, and Joshua Parks of Cleburne. The group also attended the state B. T. S. convention in Lubbock. Miss Pitts formerly taught in the Tahoka schools and has many friends here.

"Now I'm the Picture of Health," Says Lady After Taking CARDUI

Here is how Cardui helped an Alabama lady. . . . "I suffered from pains in my back and sides," writes Mrs. A. G. Gray, of Cusseta, Ala. "I was so thin and weak, I decided to take Cardui and decided to take it. I noticed at once it was helping me. I kept taking Cardui until I had finished five bottles. I gained. My health was much better. Now I am the picture of health. My color is good and my weight increased. . . . Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician."

GARZA SHERIFF OWNS OLDEST MACHINE GUN

Post, Dec. 5.—The oldest sub-machine gun on the South Plains is owned by W. F. Cato, sheriff of Garza county, who bought the gun early in 1927, when he first took office as peace officer here.

"I bought the gun when I first went into office nearly eight years ago," he said. "Later, I thought the commissioner's court would pay me for it, but they never did."

"It was the first gun of its kind in this section. It is a Thompson sub-machine gun. No other officer had one. Now nearly every county owns a gun of this kind."

Sheriff Cato said he had never been forced to use the gun to stop bad men. His closest affair was when he stopped two car thieves with the gun.

"I pointed the muzzle at them, and boy, you should have seen them come running when they saw it," he commented. "They didn't know just what it was but they were afraid of it."

VOTE WILL BE TAKEN ON BANKHEAD LAW DEC. 11

(Contin'd from first page)

"Cotton farmers," a portion of the statement reads, "must decide whether, in their opinion, the adjustment of cotton production under the voluntary contracts is sufficient to meet the requirements of the present emergency. Will the efforts of a small minority of non-operators, the tendency toward more intensive cultivation, and the possibility of new lands coming into cotton production combine to increase total production above the point which seems desirable? That, it appears, is the central question involved in a decision on continuing the Bankhead Act for next year." The Secretary emphasizes in his statement that the Administration is not seeking to impose its views upon the producers and that "it is for the cotton farmers to choose."

The referendum is provided for in the Bankhead Act itself. If two-thirds of those who have the legal right to produce cotton favor the continuation of the Bankhead Act, and if the President finds and proclaims that the economic emergency in cotton production and marketing will continue to exist, the provision of the Act will be extended to cover the period of the crop year 1935-36.

Black-Draught Brings Refreshing Relief of Constipation Troubles

Constipation produces many disagreeable sensations, several of which are mentioned by Mr. T. E. Stith, of Boonville, Ind., who writes: "I have used Theodor's Black-Draught many years when needed for biliousness and other minor ills when a laxative was needed. I have a tight feeling in my chest when I get bilious. I get dizzy and feel very tired, just don't feel like doing my work. After taking Black-Draught, I feel much better. This is why I continue to use it when needed." . . . Theodor's Black-Draught is a good, purely vegetable laxative, obtainable for 25¢ a package.
