ELDER DRENNON CLOSSES SUCCESSFUL MEETINGS

Elder R. P. Drennon, pastor of the local Church of Christ, will begin a revival meeting in the Grandview community a few miles southwest of O'Donnell tonight. Elder Drennon closed an eight-day meeting at Mesquite in Borden county on Sunday night. He reports that there were twelve additions to the church, eleven of whom were men and boys. Eight of the number were received by baptism. This was the last of a series of four meetings which Elder Drennon has conducted this summer in which about fifty persons were received into the church.

Mr. and Mrs. W. O. Robertson and two daughters arrived Monday from their former home at Mt. Pleasant and are occupying the old Ed Baldrige homestead here, just vacated by Mr. and Mrs. Verner Smith. Mr. Robertson is the new embalmer and undertaker for the Harris Funeral Home.

Digest Poll Gives Landon 2 to 1 Lead

Washington.—Gov. Alf M. Landon leads President Roosevelt by more than 2 to 1 in the first returns from the Literary Digest presidential poll. Maine, New York, Pennsylvania and New Jersey gave Landon 16,056, President Roosevelt 7,645, William Lemke, third party candidate, 754, and Norman Thomas, socialist candidate, 109 votes. Four other candidates received 125 scattering votes. Of the 24,689 total votes reported, 2,714 for Landon were from persons who had voted Democratic in 1932, while only 1,407 for Roosevelt came from voters who then favored Hoover. The Lemke candidacy is taking four votes from Roosevelt to one from Landon, returns indicated.

BAPTIST W. M. S. MEETS IN MONTHLY SERVICE

Meeting in two groups, the four circles of the Baptist W. M. S. gave their monthly missionary program for Royal Service Monday afternoon. Christian Schools was the subject of the program which the Lucille Reagan circle rendered for the Blanche Rose Walker circle in the home of Mrs. F. M. Billman; the Lottie Moon circle giving a like program to the Sallee circle in the home of Mrs. C. A. Lawrence. Under business both groups voted to hold the church-wide week of prayer during the week beginning September 21. The hour of the W. M. S. meetings will be earlier than heretofore, a definite hour to be decided next Monday.

In the social hour that closed the meetings, refreshments were served to: Mesdames F. M. Billman, J. B. Walker, Geo. A. Dale, J. L. Nevill, Wiley Fortenberry, J. H. Stroud, E. I. Hill, H. F. St. Clair, Jim Burleson, H. B. Howell, A. O. King, E. C. Rogers, W. C. McKenzie, C. A. Lawrence, Guy Stroud, A. J. Edwards, E. J. Cooper, Irvin Dunagan, Joe Davis, and A. G. Cook. Monday, Sept. 14, we have Bible study program directed by Bro. Dale at the church.

SPECIAL SERVICES FOR TEACHERS AT CHURCH

A special service honoring the teachers of the public schools of Tahoka will be held at the Baptist Church next Sunday evening according to announcement made by the pastor, Rev. George A. Dale. All the teachers both in the high school and in Central Ward are cordially invited and urged to be present, and it is hoped that many of the pupils and the patrons of the schools will also be present. Special music will be rendered and the sermon will be appropriate to the occasion.

Dr. and Mrs. K. R. Durham returned Saturday from Dallas where they spent most of the week attending the state Dental convention and visiting the Centennial. The Doctor says that many dentists from other states than Texas, notably from Oklahoma, Arkansas, and Louisiana, were present. He says it was one of the best conventions in the history of the organization, the attendance being approximately 1200. Of course they enjoyed the Centennial too.

Pres. and Mrs. J. A. Hill of the W. T. S. T. College, Canyon, were guests in the home of Mr. and Mrs. E. I. Hill Wednesday night. They were on their way to Sweetwater, where they were to fill some speaking engagements Thursday.

GAS TAX INCOME INCREASE IS PAYING FOR CENTENNIAL

Dallas.—Statistics secured from State Comptroller George H. Sheppard, by Director General Harry Olmstead of the Texas Centennial Exposition Thursday prove that increased gasoline tax payments from tourists have already reimbursed the State of Texas more than the three million dollars appropriated for Texas Centennial celebrations.

The total increase of state gasoline taxes from January 1 to July 31, 1936, over the corresponding period in 1935 amounts to \$3,148,749.

The tremendous drag of the Texas Centennial Exposition at Dallas is indicated by the fact that during June the increase in gasoline tax payments in Texas was \$469,877.

During July the increase over July, 1935, was \$713,919.

"Comptroller Sheppard informs me reports received in August up to date indicate the increase will be as large if not larger than that registered in July," said Director General Harry A. Olmstead.

We have 100 days more during which the Texas Centennial Exposition will operate. Our maximum crowds will not be reached until the middle of September. During September, October and November we believe the tourist trade to the Exposition will exceed all previous records.

"The interest created throughout the United States by the Exposition undoubtedly will create an increase in gasoline tax collections for the year of some \$6,000,000 which will show the taxpayers a \$3,000,000 profit on the legislative appropriation for the Texas Centennial as a whole. Dallas got only \$1,250,000 of the \$3,000,000 appropriation.

"Not counted in these figures are the daily expenditures of the hundreds of thousands of tourists attracted to Dallas and all parts of the state by the Centennial in general."

The Texas state gasoline tax is four cents a gallon.

Mr. L. D. Gildersleeve and sons returned last week from Minnesota, having spent the past month there. Mrs. Gildersleeve was accompanied home by her mother, Mrs. J. H. Procter, for an extended visit.

Mr. and Mrs. Erwin Rugenstein of Indianapolis, Indiana, are leaving for their home today, after a week's visit here with Mrs. Rugenstein's parents, Mr. and Mrs. W. J. Burckhardt. They will be accompanied by Mrs. Burckhardt, and all of them will visit the Centennial before leaving Texas. Mrs. Burckhardt will visit two sisters at St. James, Missouri, another sister at Springfield, and a brother in St. Louis before returning home.

Mr. and Mrs. Martin S. Nichols of the Gordon community are the proud parents of a nine pound baby girl which arrived in their home on Tuesday. The little Miss will be known as Naomi Ruth. Mrs. Nichols was the former Miss Dale Bartlett, a member of the Tahoka High School graduating class of 1934.

REPORTS FROM THE COUNTY CLUBS

Miss Lilith Boyd, H. D. Agent

DRAW 4-H CLUB

Miss Boyd said that zinnias and cannas were among the easiest flowers to grow in this section when she met with the Draw 4-H Club girls September 2.

Margaret Shannon gave a brief report of her trip to the Centennial. She will give a report of the Short Course at the next meeting.

Jo Williams was elected reporter. Ten members were present.

H. D. AGENT MEETING

The home demonstration agents of Kent, Dickens, Hockley, Lynn, Hale, Lubbock and Yoakum counties are requested by Miss Lida Cooper, district agent, to meet Miss Grace I. Neely, food preservation specialist, for a conference in Lubbock Saturday, September 12.

Even though Miss Boyd has to be out of the county on this date, she asks that the county council meet at 2:30 p. m. as usual to decide some important matters.

PREFERS NO. 2 CANS

Mrs. Foy Todd, cooperator in the Dixie Home Demonstration Club, finds that No. 2 cans or pints are most economical to use in conserving vegetable products for her family of three. Mrs. Todd states "The contents of a No. 2 can is sufficient for two meals; in my meal plans I often serve left-overs for supper."

Mrs. Todd has added more than 300 containers of fresh fruits and vegetables to her pantry shelves this year.

GIRL CANNING TOMATOES

"I have been having tomatoes for two months for table use and have canned 20 quarts," said Dorothy Kyle, garden demonstrator in the Edith 4-H Club.

Dorothy has had one of the best gardens in the county this year and as a result has a wide variety of canned products. She has done outstanding work in making dill pickles. She has to date canned 217 containers.

Miss Marie Womack of Big Spring but formerly of Tahoka and a daughter of Mrs. Martha Womack, visited here this week while en route to Lubbock to re-enter Texas Tech, where she is a Junior.

"MR. DEEDS GOES TO TOWN" ANOTHER CAPRA TRIUMPH

Once again the matchless genius of Frank Capra has asserted itself and brought to the screen a triumph of the highest calibre. There can no longer be any doubt that Mr. Capra is in a class alone so far as motion picture direction is concerned. He makes a few pictures, but they bear the unmistakable mark of technical perfection.

To this director's last three films—"Lady for a Day," "It Happened One Night," and "Broadway Bill," each of them fine enough to warm the heart of an ordinary director for the duration of his professional life—is added now "Mr. Deeds Goes to Town," which opens Sunday for a three day run at the English Theatre with Gary Cooper and Jean Arthur in the important roles.

It is an enchanting film, merry, human, romantic, intelligent, in the inimitable Capra manner. It brings a new and charming Gary Cooper to his innumerable fans, and it finds in Jean Arthur a star of the first magnitude, lovely, clever and sparkling. Together, under Mr. Capra's guiding wand, they have given a performance that lacks nothing. Mr. Cooper and Miss Arthur have a treat in store for you.

"Mr. Deeds Goes to Town" tells the fascinating story of a young man in a small town—Mandrake heir to \$20,000,000 left by an eccentric uncle, Longfellow Deeds, the hick, doesn't give a hoot about the money; he wants to be left alone in Mandrake Falls, where he's having the tuba in the village band and serving as a volunteer fireman. However, he is brought to New York by his late uncle's attorney and dropped in the midst of a bunch of grafters—the attorney among them—who are out to leave Deeds as little of the fortune as possible. Of course, his advent into the metropolis is a field day for the newspapers. One clever editor assigns Babe Bennett, a sob sister, the task of getting the story on Longfellow; she does, but she also succeeds in falling in love with him and allowing him to fall for her. Her stories bring Deeds such happiness that he decides to give his \$20,000,000 away to needy folk. Immediately the attorney, who sees visions of the money getting away from him altogether, has Deeds arrested for insanity, and then the fur flies with a vengeance.

Assisting Mr. Cooper and Miss Arthur in this task that they must

have found so delightful, is a cast of such capable character actors as George Bancroft, Lionel Stander, Douglass Dumbrille, Raymond Walburn, Mne. Margaret Matzenauer, H. B. Warner, Warren Hymer, Muriel Evans, Ruth Donnelly and oh so many others who are also fine.

TEXAS TECH IS INSTALLING NEW PHOTOGRAPHIC STUDIO

Lubbock, Sept. 10.—Plans for installation of a photographic studio on the campus at Texas Technological College have been completed and materials are arriving to equip the plant.

Doing all official college photography, the new studio, housed in a structure formerly used as a band hall, will begin operation when fall registration starts September 15. Facilities are to be provided to make identification pictures of all students who enroll in Texas Tech.

Sylvester Reese, Texas Tech student and employee of the Tech printing shop, spent several days at home this week.

W. G. Briley of Abilene, a former citizen of Tahoka, was a business visitor here Wednesday.

"Isms" Bring Grief — Not Freedom

By RAYMOND PITCAIRN
National Chairman
Sentinels of the Republic

The worried theorists who have been asking us to dilute our Constitutional form of government with strong injections of Communism, Fascism and the other isms of Europe, had better stop pointing with pride to their models.

Certainly the average American sees nothing alluring in the recent history of those continental nations whose philosophies we are urged to adopt.

To that history Spain has been adding a new chapter for all the world to read. Its tragic text is written in the blood of the very workers whom the new isms promise to save.

Is this unusual? Think back over recent years and you have the answer. The cruel guerrilla warfare that established Communism in Eastern Europe, and the "purges" of Central Europe are still fresh in the memory of every adult.

And what has been gained? What have the regimented millions now under the thumbs of Soviets or Dictators achieved, for which the American citizen would swap the constitutional guaranties won and established by the Founders of our Nation?

The American Revolution was fought for Freedom—freedom of speech, freedom of religion, freedom to govern ourselves, to direct our own lives and our own affairs. That freedom was won and perpetuated in our Constitution.

But whether Fascism, or Communism, or any other ism, wins in Europe, Freedom loses. In its place come intolerance, oppression and bloodshed.

The theorists who ask us to weaken our Constitution so those alien philosophies may be incorporated in our government, not only ignore the evidence now glaringly apparent abroad—they fail to understand either the American people or American history.

Get Rid of Poisons
Produced by Constipation
A cleansing laxative—purely vegetable Black-Draught—is the first thought of thousands of men and women who have found that by restoring the downward movement of the bowels many disagreeable symptoms of constipation promptly can be relieved. Mr. J. P. Mahaffey, of Clinton, S. O., writes: "I have found that Black-Draught is very effective in the cleansing of the system. When afflicted by the dull headache, the drowsiness and lassitude caused by constipation, I take Black-Draught."

VISIT DAVIS MOUNTAINS

County Superintendent and Mrs. H. P. Caveness spent a few days out in the Davis Mountains last week. Making Fort Davis their headquarters, they visited Marfa, Alpine, and other points in that scenic region. They also visited the new McDonald Observatory there, the second largest in the United States, ranking next to the Lick Observatory in California.

This was their first trip to the Davis Mountains and Mr. Caveness says they enjoyed the scenery and the outing very much. The only thing that marred the pleasure of the occasion were the showers that came daily while they were there.

The great rotunda frieze in the National Capitol building is still unfinished due to Civil War feeling.

Illuminating of the exterior of the Capitol dome at Washington originated as a patriotic act during the World War and now serves as a guide to flyers.

J. B. Walker's duties as truck and bus inspector for the state railroad commission take him to many parts of the state. Upon returning to Tahoka from one of his trips a few days ago, he told the News that in his opinion Lynn county has as good crops as any county in Texas west of Fort Worth, possibly better. Of course that is not saying as too much, for all this section of the state suffered intensely from the drought during July and August.

For Bad Feeling Due to Constipation

Get rid of constipation by taking Black-Draught as soon as you notice that bowel activity has slowed up or you begin to feel sluggish. Thousands prefer Black-Draught for the refreshing relief it has brought them. Mrs. Ray Mullins, of Lufe, Ark., writes: "My husband and I both take Theford's Black-Draught and find it splendid for constipation, biliousness, and the disagreeable, aching, tired feeling that comes from this condition." With reference to Syrup of Black-Draught, which this mother gives her children, she says: "They like the taste and it gave such good results."

TRENCH SILO PROVES OF VALUE OVER LONG PERIOD

New Braunfels—After using his trench silo for four consecutive years, Herman Mittendorf, farmer from the Watson community in Comal county, is of the opinion that the trench silo is the best thing a farmer can have, according to a report of George B. Ehlinger, county agricultural agent.

Mittendorf constructed the first trench silo in Comal county four years ago after an inspection of one at the Luling Foundation Farm. This Comal county farmer finds that silage is valuable not only for his cattle but for his horses and mules. He uses some cottonseed meal in addition to the silage in feeding his work stock.

Lady Took Cardui When Weak, Nervous

"I can't say enough for Cardui if I talked all day," enthusiastically writes Mrs. L. E. Caldwell, of Statesville, N. C. "I have used Cardui at intervals for twenty-five years," she adds. "My trouble in the beginning was weakness and nervousness. I read of Cardui in a newspaper and decided right then to try it. It seemed before I had taken half a bottle of Cardui I was stronger and was soon up and around." Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

My Baby Has Started To School!

I stand at the door on a September day And watch as she goes through the gate. I answer the wave of the little brown hand That clutches the tablet and slate. A primer is pressed to the fast beating heart With a pencil, eraser and rule. I am only a mother, so pardon my tear My baby has started to school.

So often I've stood by the cradle at dawn And again in the darkness of night; So often I've prayed to the Father of all For strength to train her aright; And now as she marches away with the rest To learn by example and rule, I go to my work with an ache in my heart, My baby has started to school.

No, I would not stop one moment of time; The tried ways of nature are best. My baby must lose all her innocent ways And become workly wise like the rest; Must prepare for the time when her mother is gone And into the throng she is hurled; But, I'm only a mother, so pardon my tears My baby has gone out into the world.

—Eunice Elmore Helzer.

PAT NEFF ON TEXAS

Former Governor Pat M. Neff, now President of Baylor University, sometime ago made a talk about Texas at a meeting at Peoria, Illinois, of which the following are interesting extracts: "To fully appreciate the boundless area and the magnificent dimensions of Texas, extending from the first blush of day to the golden twilight of the setting sun, it is necessary to combine states and empires for illustrations. Why, you could put New York and Colorado and Utah in the Panhandle of Texas, and it would take the cowboys in that western district two weeks to find the borders of one of them. You can put all the New England states, with Illinois thrown in for good measure, in Texas, and they would rattle around like peas in a pod. Texas is 212 times larger than Rhode Island. We are six times larger than the empire state of New York. Georgia, Alabama, Virginia, Maryland, Delaware and New Jersey could all be lovingly laid within the ample lap of Texas and each could be coddled and cared for with a mother's fond devotion. Texas is larger than the United States was during the days of the revolution when she whipped the Conquerors of Napoleon."

A. S. BURLISON PREDICTS ROOSEVELT'S RE-ELECTION

Austin, Sept. 10.—Albert Sidney Burlison, former Postmaster General under President Woodrow Wilson, in issuing a public statement today predicting that Franklin D. Roosevelt will be re-elected by an overwhelming majority, delivered a broadside attack against the Republican charge that Roosevelt's administration "had spent too much money."

Burlison pointed out that Roosevelt's administration was an unusual record of economy; that he had saved billions of dollars for the people of the United States; that he had saved agriculture; that Roosevelt's Economy Act alone had saved more than \$1,000,000,000; that 12 years of "Republican maladministration" caused the depression; that more than 6,000 banks failed in 12 years under the Republicans, causing a loss to depositors of \$3,000,000,000 and that only 36 banks closed during the last three years.

Mr. and Mrs. Harley Henderson and children returned Sunday from the Lower Rio Grande Valley, where he has been buying cotton since the middle of July.

Leadership
"Are you a political leader?"
"I am," said Senator Sorghum.
"but I'm not a political boss."
"What's the difference?"
"A political leader is like the drum major who makes a graceful demonstration at the head of the parade. But he may not know where he's going until the boss tells him the line of march."

Modernist
"I'm glad you never use profanity!"
"Profanity has become obsolete," said Senator Sorghum. "It has been overworked until it sounds merely like an out-of-date form of dialect."

Do Your Promises
You become a person of promise, not by promising many things, but by accomplishing what you promise.

Aim Right
Do not be too sure that your opinions are right; only make sure that your aims are right.

If you feel...
-tired
-run-down
-nervous
-out of sorts

THERE is usually a definite reason for such complaints... so, now let's reason sensibly.
Don't try to get well in a day... this is asking too much of Nature. Remember, she has certain natural processes that just cannot be hurried.
Therefore, if you are pale, tired, lack a keen appetite, have lost weight and feel rundown... a frequent sign that your blood-cells are weak, with a tendency towards anemia—then do try the simple, easy way so many millions approve—by starting a course of S.S.S. Blood Tonic to feel like yourself again.

Feeling With Others
Sympathy is a true feeling with, and not merely for, others.

Don't put up with useless PAIN
Get rid of it

When functional pains of menstruation are severe, take CARDUI. If it doesn't benefit you, consult a physician. Don't neglect such pains. They depress the tone of the nerves, cause sleeplessness, loss of appetite, wear out your resistance.

Besides easing certain pains, Cardui aids in building up the whole system by helping women to get more strength from the food they eat.

PLAYERS! LEARN WITH THE AMERICAN BOY

Boys and young men who want to improve their crawl stroke, their basket shooting, their hurdling, their tennis backhand, or their ball carrying, can enlist the aid of the nation's foremost coaches and players by subscribing to THE AMERICAN BOY magazine and following the sports interviews and fiction stories that appear each month.

For the coming year staff writers have gone to two of the greatest football teams in the country—Minnesota and Southern Methodist—for first hand tips on strategy, blocking, ball carrying, passing and the fine points of line play. They have written the story of Bobbie Wilson, All-American halfback.

They've interviewed famous track coaches like Bernie Moore and Bob Simpson. Have gone to the University of Oklahoma to learn how college champions wrestle, to Notre Dame for the story of the building of a great basketball team. They have sought out famous baseball players, swimmers, tennis champions and All-American backs, to get their story of how to play the game. AMERICAN BOY fiction is jammed with instructive background details telling how to play a better game. And the rest of the magazine is jammed with adventure, exploration, vocational help and articles vital to boys.

Ohio State University's track head, coach of the famous sprinter and low hurdler, Jesse Owens, and himself a former hurdling star, first learned to hurdle from articles in THE AMERICAN BOY. "I used to cut out hurdling pictures and duplicate them in front of a mirror. Then on the track I'd follow that form." Today thousands of future champions are just as eagerly following THE AMERICAN BOY. Send your subscription to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Mich. Enclose with your name and address \$1 for a year's subscription, \$2 for three years, and add 50 cents if you want the subscription to go to a foreign address. On newsstands, 10 cents a copy.

"Parents should grow up with their children and keep them as interested as possible in the home," said Mrs. A. L. Dunagan at the club meeting in the home of Mrs. B. C. Aycox Wednesday, Sept. 2. Mrs. Dunagan gave a very interesting report on her trip to A. & M. Short Course.

Roll call was answered by giving the best sources of our recipes. Recipes were exchanged.

Our next meeting will be with Mrs. A. C. Aycox on Wednesday afternoon, Sept. 16, at which time Miss Boyd will meet with us and score our mild and strong flavored vegetables. Let us all be there.

Refreshments of punch and cookies were served to the following members: Mmes. Buel Draper, A. Aycox, A. L. Dunagan, G. L. Cobb, V. H. Macha, H. A. Macha, L. E. Huffaker. Visitors: Mrs. Roy Bayse and Irma Macha.

Miss Boyd gave us a demonstration about birds and flowers of West Texas.

The club girls elected a new president, Miss Evelyn McDonald. All members were present.

We adjourned until Tuesday week, when we will meet at Omega Murphy's, the garden demonstrator.

WILSON H. D. CLUB

The Wilson H. D. Club met at the home of Mrs. W. H. May September 2. Mild flavored, strong flavored, and raw vegetables were presented for scoring. These vegetables all scored rather high. With the addition of meats and dessert, these were served as a buffet luncheon.

After a short business session the meeting was turned into a social hour. Games were played with Mrs. Brandon and Miss Clara May in charge. During the game of Treasure hunt several members found treasures in rather unusual places, such as under the bed, under the stove, and in the china closet. When Mrs. Doug Finley sought her treasure she found it in the cedar chest

and it was a lovely shower of gifts. Mrs. Edwin May, Mrs. J. F. Covey and Mrs. Doug Finley were new members present.

Visitors present were: Misses Ruby Rue Anthony, Mary Higgs, Brandon, Chloe Huffaker, Mmes. Edwin May, Doug Finley, and B. A. Crumley.

MRS. J. B. STOKES RETURNS FROM TRIP TO NORTHWEST

Mrs. J. B. Stokes has been here the past few days visiting friends and looking after her property following her return from a ten weeks trip to the far Northwest.

Mrs. Stokes went in company with Mrs. Raymond Allen and Mrs. Joe Penney of Lubbock. Going first to California, they went up the coast to Portland, Oregon, where Mrs. Stokes visited a sister whom she had not seen for fourteen years. Later they went to Seattle, Washington, where she visited a friend of the long-ago, whom she had not

seen for forty-four years. They had been girlhood chums in Brownwood. Proceeding northwestward, they visited Victoria on Vancouver Island in British Columbia.

They came back by Yellowstone Park, the Teton Park, and Denver, taking time off to scale Pike's Peak. Of course, they saw much magnificent scenery on this prolonged trip.

Mr. and Mrs. Al Lehman and little son, Irwin, visited Mrs. Irene Gallagher and other friends here Sunday.

ADDING MACHINE ROLLS now in stock at The News office.

Wynne Collier, who went down to Dallas last week to see the big show, wrote to W. O. Thomas from Ennis Tuesday, where he had gone to visit relatives, that his D. J. uncle had advised that he have his tonsils removed. So he expected to have the offending member cut out on Thursday and then come home Friday. But he will probably not be back in the store before Monday.

Mr. and Mrs. Irvin Stewart were visitors in Brownwood the first of the week, and they were accompanied home by Mr. Stewart's mother, who will visit here some time.
