Tahoka, Lynn County, Texas, Friday, November 11, 1938.

Number 13

## Armistice Day Celebration Is Planned

### Republicans Stage Come-Back In Many States

Balloting Is Light In Lynn County, Over Texas And The Entire South

Election figures for Lynn county are not available at the time we go to press this week on Wednesday night. Probably not much more than a thousand votes were cast in the county. Unofficial reports show that a little less than 300 votes were polled in the two Tahoka boxes, the vote being about equally divided between the two. Practically all of these were cast for the Democratic ticket.

Neither are returns for the state available, but a very light vote was cast throughout the state. W. Lee O'Daniel, Democratic candidate for governor, probably received nine-tenths of the votes.

In all parts of the country except the solid South, the contest between the two major parties was very spirited, in some states heated. For the first time since the middle of the Hoover administration have Republicans been able to put up a formidable fight.

While the Democrats retain a majority membership in both houses of Congress, the Republicans have made great inroads on their strength. They have won eight seats in the senate held the past six years by Democrats, and quite a number of seats in the house. They have also won the governorship of a number of states heretofore held by Democrats.

Hopes of the Republicans for success in the 1940 campaign have been greatly strengthened, and the election has put the Democrats on notice that they must fight for their lives two years hence.

### G. Pennington Is Lyntegar Head

The board of directors of the Lyntegar Rural Electric Light & Power Cooperative company will meet on the 29th day of this month to accept bids for construction contracts, according to information given the News.

This is one of the largest if not the very largest projects of its kind in Texas. The level and uniform character of this South Plains country and the large and almost unbroken stretch of fine farmlands make this an ideal section of the state for the construction of such a line.

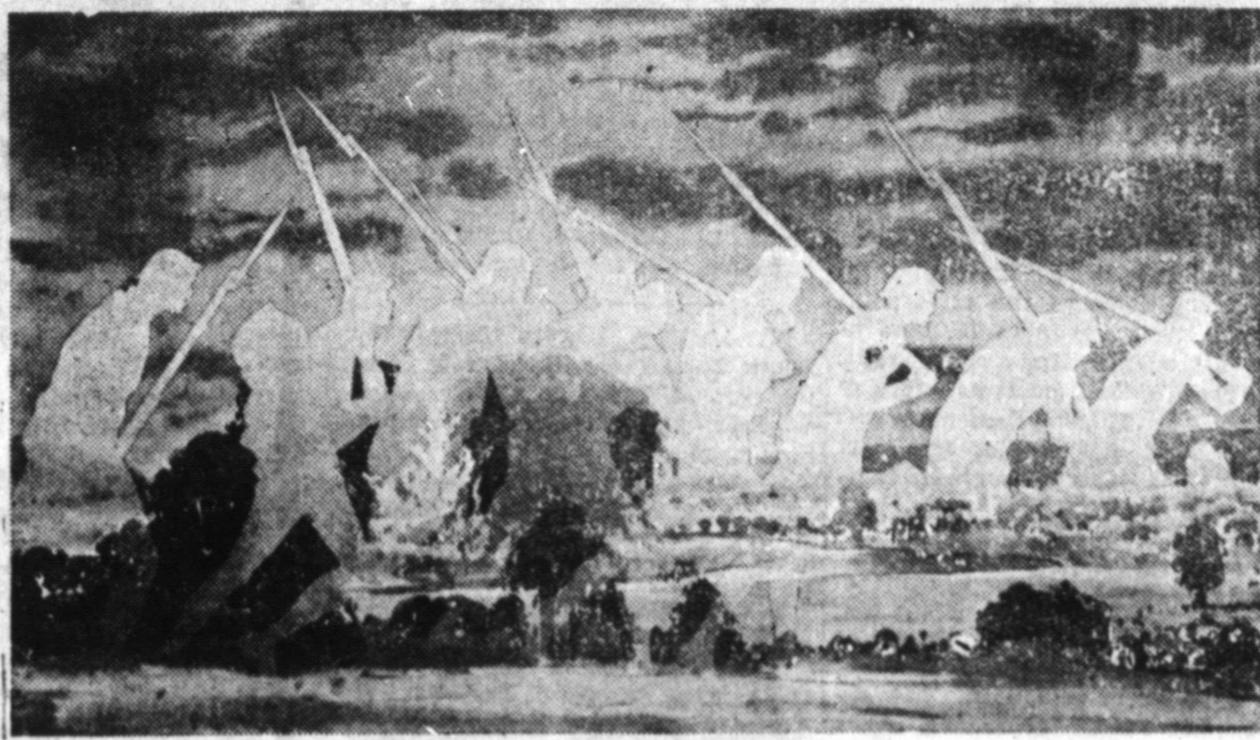

It is believed that actual construction work will begin soon after the first of next year and the project pushed to completion. With nearly 900 farmer customers, the line will cover portions of four counties, with Lynn county the center of operation. It will consist of 326 miles of line. It is expected that in the course of time these lines will be extended.

At a recent meeting of the board, Assistant County Agent C. A. Lawrence announced his decision not to accept the position of superintendent. He prefers to continue his work with the farmers under the Government A. A. A. program. Garland Pennington of Tahoka was elected to the position of superintendent. Upon approval of his selection by the Washington authorities, which is possibly merely a routine matter, he will officially begin his duties. He was to all intents and purposes given charge of the work Tuesday.

Temporary offices are being established in the grand jury room of the court house.

**LEGION MEETING**  
Mr. and Mrs. Chas. Walden and Mr. and Mrs. Sam Holland attended a meeting of Legion officials held in Abilene Sunday. Other officers of the Tahoka Post were unable to be present.

### 1918 — Armistice — 1938

The activity of our nation is suspended for a moment today in remembrance of the lull that suddenly fell over the crimson chaos of France twenty years ago. Surrounded by the sweet joys of peace we meditate on the devotion to duty that swept away youth's right to live and broke the hearts of old age. May we humbly justify that devotion by a reverence for the ideals in which it originated.

### Elliott Attended Demo Meeting

Judge and Mrs. J. W. Elliott attended the meeting of the state Democratic executive committee in Mineral Wells Monday. Mrs. Elliott being a member from this district. Mrs. Elliott says that it was a wonderful meeting, perfectly harmonious, and a number of fine addresses were made. W. Lee O'Daniel himself was present and made an address. Myron G. Blalock, the retiring chairman of the committee, made a most captivating speech. He stated that he had not supported Mr. O'Daniel in the July primary but was strong for him now. E. B. Germany, the newly elected chairman, also made a splendid speech.

Mr. O'Daniel, Mrs. Elliott says stressed three objectives to be attained during his administration as governor: Old age pensions, building up the industries of Texas, and reduction of the expenses of the state government.

A banquet was served by Mr. Germany, the new chairman to the members of the committee. Mrs. Elliott thinks Mr. O'Daniel will be a great governor.

### New Fords Are Shown In City

The new 1939 model Ford cars have been on display at the Tahoka Motor Company here since last Friday. The new Ford is the most beautiful car the Ford people have ever put on the market. This latest model will doubtless sustain and even enhance the popularity of this ever popular car.

### PLAY POSTPONED

The play which was to have been presented at Edith school last Monday night had to be postponed because of illness of relatives of cast members. Announcement of the date on which the play will be presented will be announced later. Burnett Smith, Edith school principal, informs the News.

The News is informed that Rev. S. K. McCulloch and family moved from New Home back to Yoakum county the first of this week. Rev. McCulloch has been pastor of the New Home Baptist Church the past few years.

### Little Ad. Gets Quick Results

Last week T. B. Burroughs inserted a little ad. in our classified ad. column stating that he had recently found an endless feed crusher belt and a spray pump on the railway right of way. The paper went out on the routes Friday morning, and on Friday afternoon Rush Dudgeon of the South Ward community came in inquiring for Mr. Burroughs. He soon found that gentleman, identified and procured the missing property, and went on his way rejoicing.

### Three-Fourths Of Cotton Picked

In spite of the unfavorable weather that prevailed the first part of this week, more than a thousand bales of cotton have been ginned in Tahoka since our report last week.

We gathered this report between four and five o'clock Wednesday afternoon this week instead of on Thursday morning as heretofore, and the figures given us show that 978 bales had been ginned the past week up to that time.

A total of 8,674 bales have been ginned here this season. Probably 10,000 bales have been ginned in the county. It is estimated that about 75 per cent of the crop in the county has been gathered.

### New Warehouse Under Construction

The Lynn County Warehouse Company, with R. W. Fenton Jr. as manager, is constructing its fourth cotton warehouse in Tahoka.

The new structure is situated near the other three heretofore built and now being used by this company. Its dimensions are 166 feet by 63 feet, with 12-foot walls, exactly the same size as the third structure erected. Its storage capacity will be approximately 3,000 bales of cotton. The foundation was laid Friday of last week and construction of the frame work was begun Tuesday. It will be ready for use within a few days.

The storage capacity of this company's four warehouses here will be 10,000 to 12,000 bales.

There are two other cotton warehouses here but only one of them is being used this year.

### New Bakery Will Open In Tahoka

A new bakery is to open in Tahoka Monday.

It will be situated in the Wells building and will be known as the Honey Crust Bakery.

The proprietors are O. W. Cathy of Vernon, Jimmie Lockhart of Coleman, and E. F. Littleton of Tahoka.

### Cotton Meeting Next Tuesday

A meeting of all farmers, ginners, and other persons interested in cotton improvement work are invited to attend a meeting in the district court room in Tahoka next Tuesday afternoon, November 15th at 2:00 o'clock, according to V. F. Jones, County Agent.

Mr. E. A. Miller and Mr. F. E. Licht of the Extension Service of A. and M. College will be here for the meeting. Both of these men are recognized leaders in cotton improvement work, and we hope to have a good number of interested men out for the meeting.

### Roadside Park Will Be Built

Roadside Park to be improved. Contract for the improvement of the roadside park on state highway No. 9, Federal highway No. 87, four miles north of Tahoka is to be let by the highway department on November 18. Notice to that effect is being published in this issue of the News.

County Judge P. W. Goad says that the project calls for the planting of approximately 400 trees and shrubs, the building of substantial roads through the park grounds, the drilling of a well and the erection of a tank and windmill, for the construction of a couple of furnaces, and making other improvements.

The park site consists of about two and a half acres of land lying in the triangle formed by the junction of the old and the new highways on the west line of the Knight farm four miles north of Tahoka. The land was purchased by the county as a park site about two years ago, with the agreement that the state highway department would make the improvements. State and Federal funds are being furnished for the purpose.

We have no information as to the kind and variety of trees and shrubs to be planted, but this plot of ground can be converted into a beautiful park.

### Tahoka Closing For Armistice

Practically all the business houses of Tahoka are planning to be closed all day Friday, Armistice Day, in accordance with an agreement signed up several months ago.

Most of them would doubtless close regardless of any agreement, for the Bank, the post office, and other places of business always close on Armistice Day.

Besides, there will be a hotly-contested football game here at 2:00 o'clock Friday afternoon between Tahoka and O'Donnell. All football fans and many who are not in the habit of attending football games are planning to see this one.

The News is being printed one day earlier than usual this week in order that the paper may go out on the routes Thursday morning, since the carriers will take a holiday Friday.

So, we advise all housewives and others to make their purchases Thursday afternoon, as it may be difficult for them to be accommodated on Friday.

### Rotary Governor Here Thursday

Linton Estes of Wichita Falls, district Rotary governor, is scheduled to be the speaker at the Rotary Club program this Thursday. He was to meet with officer of the club in the morning.

Mr. Estes is president of the Empire Paper Company.

The stiff felt hat that is called a derby was so named because it was first worn at the Earl of Derby's race track.

### Parade, Program, Football, Lunch, Here Friday

Armistice Day Festivities In Tahoka Start With Big Parade In Morning

For the first time in several years Tahoka will celebrate Armistice Day—and celebrate it in gala fashion.

A street parade, program, dinner for ex-service men and their families, and the Tahoka-O'Donnell football game are features of the day.

The parade will be promptly at 10:30 a. m. Friday morning, and will be participated in by ex-service men, the Tahoka high school band and pep squad, Boy Scouts, and floats by school organizations, civic clubs, and business institutions. Ex-service men are urged by Post Commander W. E. "Happy" Smith and Adjutant Chas. Walden to be at the Legion hall at 10:15 o'clock, from which point the parade will form.

District Attorney Truett Smith will be the principal speaker at the patriotic program in the High School auditorium at 11:00 o'clock honoring all ex-service men of Lynn county, those who died on the field of battle, and gold-star mothers. There will also be a musical program. All people of the town and county are invited.

Immediately following the program, the Marion G. Bradley Post of the American Legion, the Tahoka Rotary Club, and the Tahoka school will be hosts at a dinner served free to ex-service men and their families in the school gymnasium.

Tahoka and O'Donnell football teams, friendly athletic rivals for many years, will meet on the Tahoka gridiron at 2 o'clock in the afternoon. Over a period of years these two teams have always given the fans a ball game, regardless of hope, and this year promises to be no exception. Both teams have been looking forward all year to the game.

Tahoka has dedicated the game to ex-students of the Tahoka High School, two or three hundred of whom have received special invitations to be present. Anyone not receiving a special invitation was unintentionally overlooked in the rush of planning the affair, and is hereby invited to be present.

Tahoka's new 60-piece band, under direction of J. H. Felts, will play at the game, and there will be colorful pep squad demonstrations between the halves.

Supt. W. T. Hanes of the Tahoka schools and Post Commander Happy Smith of the American Legion and Mrs. Rafe Richardson of the Auxiliary, assisted by Legionnaires, school teachers and students, and members of the Tahoka Rotary Club are sponsoring the celebration.

### First Snow Of Winter Falls

The first snow of the season was ushered in Sunday night on the wings of a blizzard that swept in from the Rockies or some other region far to the northwest.

The norther came up early Sunday morning and continued to do business all day, calling into service innumerable wraps and overcoats. The skies were overcast all day and just about nightfall snow began falling. It continued far into the night, and on Monday morning a carpet of snow possibly two inches deep covered the face of the earth. The moisture content of the fall was about a quarter of an inch.

The skies cleared Monday and cool weather has prevailed ever since. The lowest temperatures registered were around the 25 degrees mark.

Mrs. W. O. Thomas is visiting her niece, Mrs. S. B. McCubbins, in Oklahoma City.

### ARMISTICE DAY PROGRAM

TAHOKA, FRIDAY, NOVEMBER 11, 1938.

- 10:15 a. m. Parade assemble at Legion Hall.
- 10:30 a. m. Parade of Floats, Ex-Service Men, Band, School Students through business section of town and ending at High School building.

**TO THE FANS**

To the fans in Tahoka and O'Donnell and surrounding territory:

As you all know today is Armistice and each Armistice we, Tahoka High, have a game with some team near here.

It so appears that for several years O'Donnell has been our opponent and victim on this date, as we hope for it to be today.

We the students, Faculty, and football team, extend to you a cordial invitation to be present at the O'Donnell-Tahoka game at 2 p. m. on the local gridiron.

This game is kind of a so called "Grudge" game for these two contestants are bitter enemies in the way of athletics. We are out to beat O'Donnell but we need the town, faculty, and student body to back us 100 per cent. You have backed us in the previous games and I know you will back us Nov. 11. So long folks, I will see you at the football game.

**SOPHOMORE NEWS**

One of our Sophomore students, Clarence Overman, was united in marriage Saturday night to Maxine Godsey a freshman. The two classes wish them success and happiness.

We are very sorry to have Joy Hawkins check out of our school.

The Sophomores won first last week in the ticket selling contest which gave us five hundred votes for our queen. We are now tied for first place with the Juniors.

**JAMES MINOR WRITES**  
October 31, 1938

Mr. Wayne Coffee,  
Tahoka High School,  
Dear Editor:

I received your letter, and I will be very glad to comply with your request regarding the editorial on the "Value of Training in Athletics." I will be very glad and willing to help any of you at T. H. S. in any way I can at anytime, so if you ever want anything or want one to help in any way just let me know.

Wayne, this in all that I have to write now but I didn't get started because I was afraid you wouldn't have space for me to write any more. I would be glad to write some more articles sometime if you like this one; all you have to do is let me know and I will be more than glad to write them. I'm very much interested in what goes on at "ole" T. H. S. and I keep up with what you all are doing by reading the Lynn County News. I'm sure that all the other exes do the same, but I want you all to know that I'm behind you 100 per cent in any thing that you try to do for the good old T. H. S. and I'll do anything within my power to help you all if you will only let me know. I would like very much to be there at the Homecoming November 11 but it is impossible since we have a game with St. Edwards University that day and I cannot get away to see it. Anyway I hope the Bulldogs give O'Donnell a good clean drubbing and you can rest assured that I will be pulling for you. Hoping you like my article, I remain an ex. of T. H. S. and an ex-Bulldog that's really rooting for that Bulldog team to win.

Sincerely yours,  
James Minor  
Box 708 Brownwood, Texas.

P. S. Tell all of my friends hello and tell them to write me. I would like very much to hear from some of them.

For editorials see next week's Growl.

**SENIOR RINGS**  
The Senior rings came Wednesday and the Seniors are very proud of them.

**BULLDOGS WIN OVER LUBBOCK COWHANDS**

The local gridiron won a very close game with the Lubbock Cowhands last Friday night. The game was made all the more enjoyable by the eligibility of J. G. Adams who was ruled ineligible the first part of the season because of the residence requirement.

The Cowhands made a 19 to 6 score easily in the first part of the game but the Bulldogs began easing upon the score, when J. G. Adams made the most spectacular run of the game and also of the season on the second kickoff in the second quarter. He received the ball on his own seven yard line and ran approximately 93 yards for a much needed Tahoka Touchdown.

The two teams were fairly evenly matched and played as close a game as ever expected that didn't end in a tie. Adams again came over with another touchdown in the third quarter and kicked the extra point to put the score 19 to 13. Late in the last quarter Minor circled right end with a long gaunt for another touchdown. Tahoka then made the extra point which made the score 20 to 19 in favor of our own Bulldogs.

**HOME ECONOMICS DEPARTMENT NEWS**

For the past few weeks the Home Economics girls have been making money to help pay for the new refrigerator for the department. They have conducted a rummage sale the past three Saturdays and beginning today they are going to serve hot chocolate each day at noon.

Thursday the Home Economics Club met and elected officers for the entire group. The following girls were elected. President-June Fender, Vice-President, Mildred Cooper; Secretary-Greta Applewhite; Treasurer, Rosalie Thompson; Reporter, Doyce Chapman; and Parliamentarian, Jean Simmons. The girls that have taken Home Economics before and are not taking it this year are privileged to belong to the club. Saturday, Mrs. Hegi took these officers to a District Home Economics meeting at Spur. The girls reported a very nice time, and they are forming new plans for the club this year. The girls are planning for the barbecue that they are to serve on Home Coming Day, November 11. Reporter.—Annie Pearl Roberts.

**JUNIOR TEAM LOSES**

Tahoka Grade School football team lost to the Lamesa junior team at Lamesa last Thursday afternoon by a score of 6 to 0. The Grade School pep squad accompanied the team to Lamesa.

Earlier in the year the Tahoka juniors had defeated Lamesa on the Tahoka field.

**THE BLACK SHADOW**

Matrimony, they say, is a partnership with one silent partner. Broadway makes a very good silent partner.

Allen is very smart. An open car gathers no women.

Doris Jean has just got married. The lucky guy is Mr. Cade.

Mr. Armstrong says that skating really hurts him—but not on his feet.

After Goyd had worked very hard on a Math problem, he found that x was equal to zero. "D—it," he said, "all that work for nothing."

Edwin said that he couldn't pass his History exam, because they asked him about things which happened before he was born.

There are two kinds of bachelors; Mr. Harlow who doesn't know women, and Mr. Dodson who knows them too well.

Now who is really the craziest; O'Donnell boys over Tahoka girls or Tahoka boys over O'Donnell girls? Carna wished to show his ap-

preciation for Eloise, so he gave her candy. Eloise readily accepted. Tahoka boys, Iaphens may be cold shouldered around you, but she "sho ain't" with the O'Donnell boys.

Most of the little girls call Curly "Her man". But Jean calls him Herman.

Alice blushes when she is ashamed. Burnice is ashamed when she blushes.

To four certain football boys—aren't you too tired after a hard night football game without running after four girls, and then find out they haven't a way home.

**State P. T. A. Meet Is Next Week**

Several local parents and teachers expect to attend the State Parent-Teachers Association convention in Lubbock Tuesday, Wednesday, and Thursday of next week.

Tahoka's Mother Singers have a place on the program Tuesday. The local women's chorus is composed of about fifteen voices.

Delegates from the local P. T. A. are: Mmes. I. Stewart, H. C. Story, Claude Donaldson, W. S. Taylor, W. T. Hanes, and J. K. Applewhite.

Mr. and Mrs. Howard Clement of South Tahoka are the parents of a son born at 3:30 o'clock Wednesday morning. The little fellow weighs nine pounds.

# Lynn County . . . . .

## As Revealed by the Files of the Lynn County News of November 7, 1913. History

The rainfall for the eight months beginning with March 1 and ending October 31, 1913, amounted to 30.36 inches, according to records kept by the News. A total of 10.93 inches fell in the month of June and 9.85 inches in October. Only 13.95 inches fell during the entire year of 1912, however. The rainfall during the year 1913 was one of the largest on record for Lynn county.

W. J. Crouch had just returned from the State Fair at Dallas where he was in charge of the agricultural exhibit of Lynn county. Lynn county was awarded ninth place among all the counties having exhibits in the fair. That was regarded as a very fine record for the county in that early day.

Prof and Mrs. Carroll Phillips

had just brought in a pen of three Silver Laced Wyandotte chickens and shipped them to Amarillo to be placed in the poultry car of the Santa Fe educational train that was soon to leave Amarillo on a tour over its lines in this section of the state.

The Pierce-Fordyce Oil Company had just established a wholesale station here for the distribution of oil with G. W. (Uncle George) Snyder as their agent. This was the second wholesale oil station for Tahoka.

Dr. J. F. Galloway, dentist, a former member of the firm of Drs. Brown & Galloway of El Paso, will open a Dental office in this city on Wednesday, November 12.

### FDR Orders Book Postage Rate Cut

Washington, Nov. 1.—(AP)—A slash in the postage rates on books went into effect last night at the order of President Roosevelt. Postal officials estimated that it would cost the government \$500,000 in revenue.

The president prescribed a flat domestic rate of one and one-half cents a pound in contrast to the present rate of seven cents a pound upward, depending upon the zone of delivery. The reduction, he said, should stimulate "cultural growth and development of the American people."

The new rate will be effective until July 1, 1939, the end of the fiscal year.

### SCHOOL STUDENTS WED

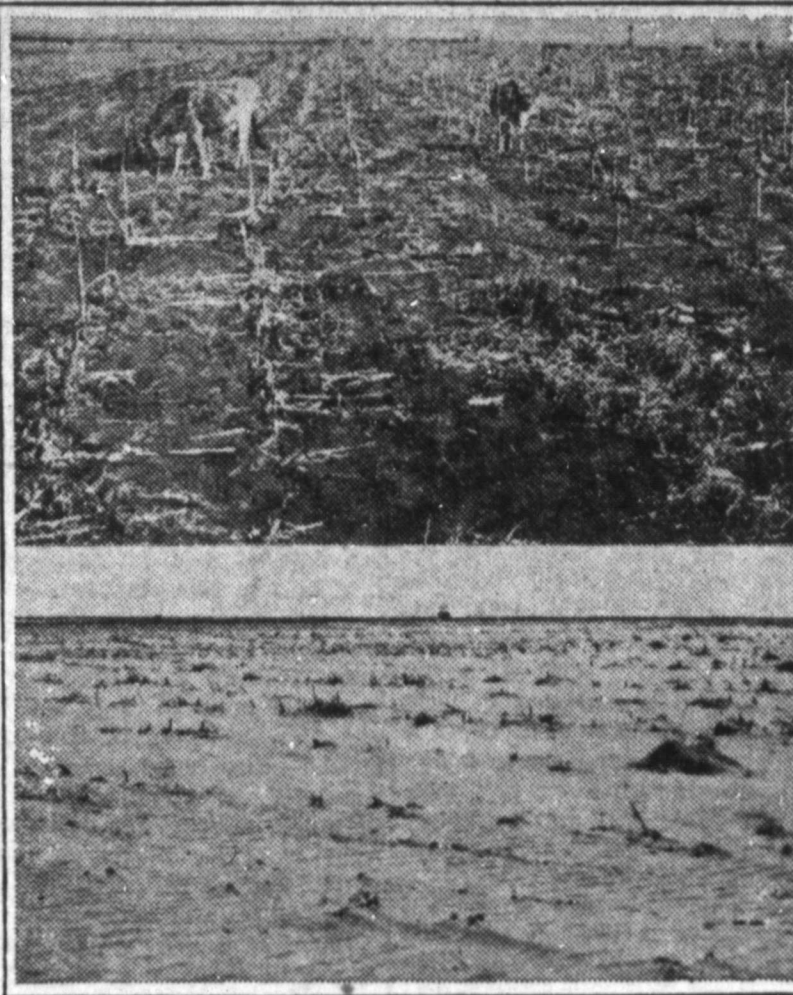

Clarence Overman of the T-Bar community and Miss Maxine Godsey of Tahoka were married Saturday night in the court house here, Judge P. W. Goad officiating.

Both were students in the Tahoka high school. They are now residing on the farm of the groom's father, E. O. Overman, in the T-Bar community.

These are popular young people and their friends are extending to them every good wish.

Mrs. Billie Smith Bolin of New Lynn and Mrs. W. O. Henderson of Tahoka attended a luncheon of the Alpha Sigma chapter of the Delta Kappa Gamma sorority in Lubbock last Saturday.

### Stubble Grazing Is Dangerous

Stubble left on a field when the crop is harvested furnishes protection from wind erosion if not overgrazed. Too much grazing removes the protective cover of vegetation and trampling by livestock pulverizes the soil and permits blowing. Upper picture shows a stubble field being overgrazed. Bottom picture shows an overgrazed field which has suffered soil losses and is becoming hummocked.

### Miss Lollie Murrah, Buried Recently

Through and unintentional but possibly inexcusable oversight of the editor we failed to publish last week an account of the death of one of our most beloved and self sacrificing citizens.

Miss Laura Elizabeth Murrah, 62, died on Thursday, October 27, while the paper for the week was being printed. She had been a resident of Lynn county for almost thirty years and had spent a large portion of her life here going about doing good.

She was a victim of that dread malady, cancer. For many months she had been suffering and for the past few months had been confined to her bed. A fall sustained about the 7th of July, which resulted in injuries which added to her suffering and possibly hastened her death.

Funeral services were conducted at the Church of Christ here on Friday afternoon, October 28, by her pastor, Elder J. L. Nisbett, and her beloved recent pastor, Elder R. P. Drennon. The seating capacity of the church was taxed to seat the great congregation that assembled to pay their last tribute of respect to their much loved friend. Burial was in the Tahoka cemetery under the direction of the Harris Funeral Home.

Born on August 6, 1876, in Grimes county, Texas, "Miss Lollie", as she was usually called, spent her entire life in this state. The family removed from Grimes county to Knox county many years ago, and in January 1909 they came to the plains, settling near Tahoka. Miss Lollie had been a resident of this town and vicinity ever since.

She united with the Church of Christ in 1894 and had been a faithful and devoted member ever since. For many years she had been a member of the congregation here, and it possibly never had a more loyal member. Like one of old, she did what she could for her Master, her church, and her friends.

For a long time she had been acting as a nurse and had helped to relieve the sufferings of scores of the sick and injured. Her life here was a life of love and service.

She left surviving her five brothers and one sister: W. L. Murrah of Rusk, G. M. Murrah of Tahoka, T. H. and J. M. of Muleshoe, J. N. of Levelland, and Mrs. B. W. Bailey of Morton.

She left to these and to others the greatest heritage that one can leave behind, the influence and blessings of a well spent life.

Mrs. Mattie Bradley returned Tuesday from a visit with her daughter in Ranger. Returning via Big Spring, she stopped two or three days with her sisters there.

Boyd Smith made a business trip to Amarillo Wednesday.

### School Holidays Are Announced

As has been the custom in the past, there will be no school in Tahoka Friday, a holiday given to celebrate Armistice Day.

At a meeting of the school board Tuesday night, holidays were designated for Armistice, Thanksgiving and Christmas.

For Thanksgiving, school will be dismissed for two days, Thursday and Friday, November 24 and 25. During the Christmas season, there will be no school from Thursday afternoon, December 22, until Tuesday morning, January 3.

Mr. and Mrs. Jack Henry are happy over the birth of a son at 8:45 Tuesday night in the Lubbock Sanitarium. The new-comer weighed 8 pounds and 9 ounces.

Mrs. Emil Prohl and little daughter Martha Anne left Friday night for Austin to attend a meeting of the State Federation of Women's Clubs. Mrs. Prohl went as a delegate of the Phebe K. Warner Club of Tahoka. She and little daughter also expect to visit her parents at Leander and Dr. Prohl's brother and his wife, Mr. and Mrs. Carl Prohl, who reside in the Lower Rio Grande Valley.

S. A. Cook, editor of the Eldorado (Okla.) Courier, and A. D. Bailey, Quanah business man, were pleasant callers at The News office Saturday. They had been on a business trip to the south, and Mr. Cook could not resist the temptation to come by and "talk shop".

J. L. Reese, who has been sick the past ten days, is still confined to his bed.

**NOTICE TO THE PUBLIC**

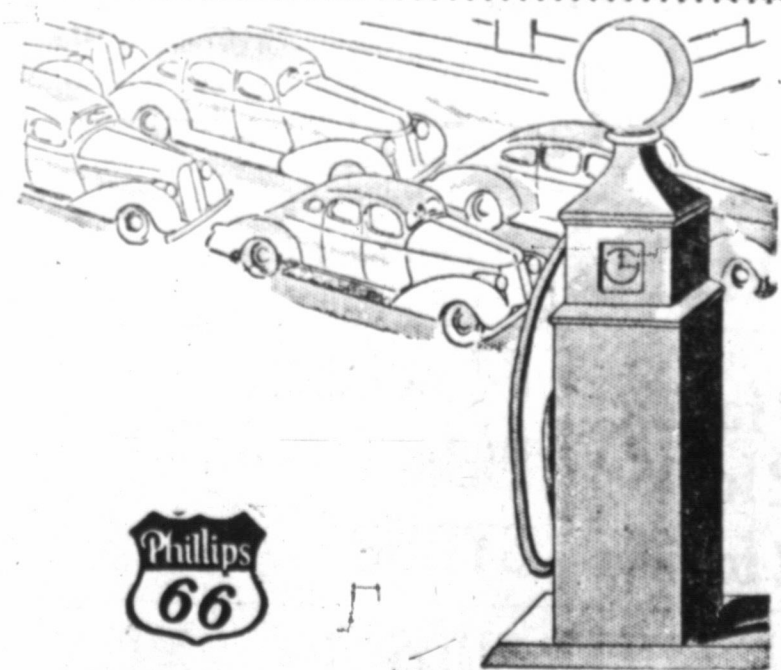

Any erroneous reflection upon the  
reputation or standing of any indi-  
vidual, firm or corporation, that  
may appear in the columns of The  
News will be gladly corrected when  
called to our attention.

All was harmony in the meeting  
of the state Democratic executive  
committee in Mineral Wells Mon-  
day, on the surface at least. All  
differences seem to have been ironed  
out before the committee for-  
mally met. It must have taken some  
good politicians to do that. A hot  
fight over the endorsement of John  
Garner for President had been ex-  
pected but Garner's name was not  
even mentioned publicly in the  
committee room. It was strictly an  
O'Daniel committee, as it should have  
been under the circumstances. The  
chairman, E. B. Germany, appointed  
O'Daniel's brother-in-law, Clar-  
ence Butcher of Plainview, as secre-  
tary of the committee. W. S. Sybert  
was elected vice-chairman. He is a  
brother-in-law of Carr P. Collins of  
Dallas, one of O'Daniel's closest ad-  
visors and supporters. So smoothly  
had the politicians oiled up the new  
machine that not a single dissenting  
vote was cast on any issue dur-  
ing the proceedings. Thus Wilbert  
Lee is finding that the politicians  
come in handy now and then. But  
the fireworks will come off in Aus-  
tin next January.

We carried a little news story  
last week calling attention to the  
fact that the present management  
of the News had been here fifteen  
years. This brought some favorable

and much appreciated comment  
from the Lubbock Avalanche and  
from some of our subscribers. When  
we contrast conditions here and on  
the South Plains generally fifteen  
years ago with conditions here today  
we readily see that the change has  
been marvelous. There has been  
progress everywhere, in every field  
of activity. For instance, just think  
of the condition of our roads fifteen  
years ago. One could hardly drive  
to Lubbock without getting stuck in  
the sand. There were several sand-  
beds on the highway that the ordi-  
nary car could scarcely "negotiate".  
Improvement in other respects has  
been just as remarkable as the im-  
provement of our roads. Take our  
school and church buildings in the  
county, for instance. What a  
wonderful change has been wrought!  
The expense, it is true, has been  
heavy, and debts have been piled up,  
but who would be willing to go  
back to the old conditions?

Charley Guy in Tuesday Lubbock  
Avalanche calls attention to the in-  
creased hazards that are ushered in  
by the advent of cold weather. One  
is the hazard of the common cold  
and the other of traffic accidents.  
Colds could be largely avoided if  
people would only take proper pre-  
cautions and observe the simplest  
rules of health, he points out. Ac-  
cidents on slippery roads and streets  
could also be avoided, in large  
measure if car drivers would recog-  
nize the hazardous conditions and  
drive carefully. But people will prob-  
ably go as usual, and colds will be-  
come common, resulting in some  
cases in pneumonia, which will oc-  
casionally prove fatal, and car  
accidents will probably increase,  
taking an increased toll of human  
life. Nevertheless, we hope that  
Charley's editorial does some good,  
and that as a result some sickness  
and accidents and deaths may be  
averted.

The board of trustees of Southern  
Methodist University, Dallas, elect-  
ed Dr. Umphrey Lee, dean of  
Vanderbilt University school of  
religion, as president of S. M. U. at  
its meeting Monday. Dr. Lee has  
long been an outstanding leader in  
the Methodist church and in educa-  
tional circles, and possibly no bet-  
ter selection could have been made.  
S. M. U. is a comparatively young  
institution but it has enjoyed  
wonderful growth and is today one  
of the leading universities of the  
South. It may be expected to enjoy  
continued growth under the leader-  
ship of Dr. Lee.

The cold wave and the approach-  
ing end of the cotton picking sea-  
son have turned the faces of many  
Mexican cotton pickers back to-  
ward San Antonio and the Rio  
Grande. Practically all of them will  
be gone perhaps within another  
month. They will have spent much  
of their earnings with our merchants  
but they also will take much of it  
away. Somebody may invent or  
develop a machine some day that  
will successfully gather the cotton,  
but it will be hard for any machine  
to beat a Mexican or a Negro in  
the cotton fields.

When a defendant in the county  
court in Lubbock entered a plea of  
guilty a few days ago to a charge of  
violating the state liquor laws, he  
counted out exactly change with  
which to pay court costs, 150 dimes,  
240 nickels, and 90 pennies. But he  
was also given a 10 days jail sen-  
tence, and he is having to serve  
that out in the same way, a second  
at a time. If he serves the full time,  
he will have counted out 864,000  
seconds to the State when he walks  
out of jail.

**EDITORIAL COMMENDED**

The News editor recently received  
the following communication from  
Miss Lida Cooper, district home  
demonstration agent, which is self  
explanatory.

Dear Mr. Hill:  
Miss Boyd has just sent me the  
editorial you wrote recently in re-  
gard to the women who attended  
the cake show. I appreciate this  
article and I want to tell you that I  
too agree with the observation you  
have made in regard to the home  
demonstration club women. There is  
a great deal of consolation in know-  
ing that we have in some way help-  
ed them to develop and grow and  
to become the leaders we have  
among the rural women today.

I thought their cake show was  
very fine, and it certainly indicated  
that they had done a very fine  
piece of work.

I want to tell you again how much  
we appreciate your cooperation and  
the publicity that is given the work  
in that county.—Lyda Cooper, Dis-  
trict Agent.

**CONTRACTORS NOTICE OF TEXAS HIGHWAY CONSTRUCTION**

Sealed proposals for constructing  
2.878 miles of Roadside Develop-  
ment (Grading and Planting) from  
3.37 Mi. to 4.55 Mi. N. of Tahoka,  
and Roadside Park 2.6 Mi S. E. of  
Lamesa on Highway No. U. S. 87,  
covered by FAP 613-C (3) & 638-C  
(2) in Lynn and Dawson County,  
will be received at the State High-  
way Department, Austin, Texas,  
until 9:00 A. M., November 18, 1938,  
and the publicly opened and read.  
The attention of the bidders is  
directed to the required special pro-  
visions covering subletting or assign-  
ing the contract, the selection of  
labor, and hours and conditions of  
employment.

Except as otherwise specified, the  
minimum wages paid to all laborers,  
workmen or mechanics employed on  
this contract shall be one (1.00)  
Dollar per hour for "Skilled Labor",  
Fifty (50c) Cents per hour for "In-  
termediate Grade Labor" and Forty  
(40c) Cents per hour for "Unskilled  
Labor".

Attention is directed to the  
special provisions, included in the  
proposal to insure compliance with  
the requirement of House Bill No.  
54 of the Forty-Third Legislature  
of the State of Texas.

Type of Laborer, Workman or Mechanic	Prevailing Min. Per Diem Wage (Based on an Eight Hour Working Day)	Prevailing Minimum Hourly Wage Rate
Skilled Labor	\$8.00	\$1.00
Intermediate Grade Labor	4.00	.50
Unskilled Labor	3.20	.40

For the Classification of partic-  
ular positions under the above  
types of Laborers, Workmen, or  
Mechanics, see the Required Special  
Provisions.

"The above prevailing minimum  
wage rates shall govern on this  
contract. Overtime and legal holi-  
day work shall be paid for at the  
regular governing rates.

A local employment agency from  
which the Contractor shall obtain  
employment list will be designated  
prior to the award of contract.  
Plans and specifications available  
at the office of Lon C. Ingram, Jr.,  
Resident Engineer, Lubbock, Texas,  
and State Highway Department,  
Austin. Usual rights reserved.

13-2tc.

**NOTICE OF EXECUTION SALE**

The State of Texas, County of  
Lynn.

By virtue of an execution issued  
out of the justice court of Precinct  
No. 1, Place No. 2 in Lubbock  
county, on a judgment rendered  
in said court on the 18th  
day of June A. D. 1929, in cause No.  
701, wherein G. E. Lockhart, was  
plaintiff, and A. C. Samford, was  
defendant, I did on the 18 day of  
October, A. D. 1938, at ten o'clock  
A. M., levy upon the following  
described land and premises, situat-  
ed in the County of Lynn and the  
State of Texas, levied on as the prop-  
erty of the defendant A. C. Sam-  
ford, to wit: the North 79 acres of  
the SE 1/4 of Section No. 484, Block  
No. 1, Cert. No. 463, to satisfy a  
judgment amounting to the sum of  
\$177.52, with interest thereon from  
the date of said judgment at the  
rate of ten per cent per annum,  
and cost of suit, and on the 6 day of  
December A. D. 1938, being the  
first Tuesday in said month, be-  
tween the hours of ten o'clock A. M.  
and four o'clock P. M. on said day,  
at the court house door of said  
county, I will offer for sale and sell  
at public auction, for cash, all the  
right, title and interest of the said  
A. C. Samford in and to the above  
described tract of land.

Dated at Tahoka, Texas, this the  
18 day of October, A. D. 1938.

B. L. Parker, Sheriff Lynn Coun-  
ty, Texas. 10-3tc.

**F. F. A. PLANS FATHER,  
SON BARBECUE**

The Tahoka Chapter of F. F. A.  
met Wednesday, November 2 to  
plan a Father and Son Barbecue.

They decided on the barbecue as  
they thought the fathers would en-  
joy it more.

The Chapter plans to have this  
barbecue November 16 in which a  
well versed speaker will speak. Fol-  
lowing this a short program will be  
given of interest to the Fathers.

The Chapter set their meeting  
date as the first Wednesday in each  
month.  
After the the business meeting  
refreshments were served.—Re-  
porter.

A seven-pound daughter was  
born Sunday morning to Mr. and  
Mrs. John Nugent residing in the  
west section of Tahoka.

• The new cars in the Ford Quality Group  
for 1939 give you a broad choice. Whichever  
you choose, whatever you pay, you'll get top  
value for your money. That is true of the lowest  
priced car or the highest. All have one impor-  
tant thing in common—inherent quality.  
Their quality comes from fine materials,  
precision workmanship, and from the fact that  
back of these cars is the only automobile plant

of its kind—where production processes are  
controlled from iron ore to finished car—and  
savings passed along as extra value.  
Things are happening in the automotive  
world this year! Nowhere is the advance more  
marked than in the Ford Quality Group. See  
our dealers before you buy any car at any price.

**P. T. A. EXECUTIVE MEETING**

The local P. T. A. held a meeting of the Executive Committee in the home of the President, Mrs. J. K. Applewhite, on Thursday, November 3.

The following were chosen to represent the Tahoka P. T. A. at the State Convention in Lubbock November 15 to 17, Mrs. I. Stewart, Mrs. H. C. Story, Mrs. Claude Donaldson, Mrs. W. S. Taylor, Mrs. W. T. Hanes, and Mrs. J. K. Applewhite.

A Room Mother was chosen for each room of the grade school. Mrs. R. W. Fenton Jr. as chairman of the committee aided by suggestions from the teachers made the following selections, for a duration of six weeks:

- Mrs. V. D. Armstrong—Miss Collier, First grade.
- Mrs. John Slover—Mrs. Craft, First grade.
- Mrs. Roy Cowan—Miss Davis, Second grade.
- Mrs. W. T. Hanes—Mrs. Dunnagan, Second grade.
- Mrs. Loyd Edwards—Miss Tippit, Third grade.
- Mrs. R. P. Weathers—Miss Her-ring, Third grade.
- Mrs. R. B. Jones—Miss Taylor, Fourth grade.
- Mrs. Winter Knight—Mrs. Krom-er, Fourth grade.
- Mrs. H. B. McCord—Mr. Kirk-wood, Fifth grade.
- Mrs. Roddy—Mr. Smith, Sixth grade.
- Mrs. C. O. Carmack—Mr. Bostick, Sixth grade.

Mr. Smith asked for and was granted help from the P. T. A. in moving the ocean-wave from the old Central Ward grounds to the Grade School grounds. Mr. Dodson spoke of the need of two concrete tennis courts for the High School.

Mrs. Donaldson offered the following motion and it was made and adopted by the Executive Committee "That the Tahoka P. T. A. as a body commend Mr. Hanes, Mr. Dodson and others in authority on the stand they took as to the discipline over the High School Students who left school on Monday morning, October 31. Signed: Mr. Smith, Mrs. V. F. Jones, Miss Tippit, Mrs. W. S. Taylor, Mrs. Claude Donaldson, Mrs. R. B. Jones, Mrs. J. K. Applewhite, Mrs. H. C. Story.

**O'DONNELL COUPLE MARRIED SUNDAY**

The marriage of Miss Marie Howard, daughter of Mr. and Mrs. W. P. Howard, to Douglas Ballew, son of Mr. and Mrs. B. D. Ballew, was solemnized Sunday at 4 p. m. at the home of the bride's parents at O'Donnell, with Rev. J. A. Lunsford performing the single ring ceremony. Gladiolas, asters, and fern adorned an improvised altar.

As a prelude to the ceremony, Miss Florence Gary and Mr. A. C. Hamilton sang "Ah, Sweet Mystery of Life" (Herbert) with organ and violin played by Mrs. Rochelle Pelts and Mr. Elmo Burkett. They also played "I Love You Truly" as vows were exchanged.

Miss Dorothy Walls was bride attendant and Mr. Jack Howard, brother of the bride, was best man.

A reception was held immediately after the wedding. Upon a century-old walnut dining table, spread with a lace cloth, a three tiered wedding cake with bride and groom decoration was served to more than sixty guests.

The out of town guests were: Mr. and Mrs. C. B. Hays and family and Miss Cora Hays of Ballinger, Misses Edna Muriel Lewis and Gertrude Schantz and Mr. Iran Burns of Lubbock, Mr. and Mrs. Pat Gary, Ropes.

After a week end trip Mr. and Mrs. Douglas Ballew will be at home in O'Donnell.

To enjoy work, a woman must feel well. Cardui aids in building up the whole system by helping women to get more energy from their food—and so increases resistance to the strain of functional periodic pain. Try it!

**TAHOKA WOMEN ATTEND BOOK REVIEW**

The following Tahoka women attended a "Book Review" in Lubbock Tuesday afternoon: Mmes. H. C. Story, G. M. Stewart, A. P. Edwards, J. H. Felts, R. W. Fenton Sr., Truett Smith, L. C. Haney, Helen Eubanks, Ben Hardy, and J. K. Applewhite.

A book recently written by Mrs. Laura Krey, a Texas woman now residing in St. Paul, Minnesota, entitled "— and Tell of Time", was reviewed by Miss Evelyn Oppenheimer of Dallas, a literary critic. The book is a historical romance of the Civil War period and reconstruction days, and the review by Miss Oppenheimer is said to have been most dramatic and interesting.

H. B. McCord, who underwent an operation for appendicitis late Thursday afternoon of last week, is said to be recovering nicely and it is expected that he will be brought home soon.

**TAHOKA GIRL ENROLLED IN MARY HARDIN-BAYLOR**

Nov. 10—Miss La Verne West, daughter of Mrs. and Mrs. J. P. West of Tahoka, is enrolled as a freshman this year at Mary Hardin-Baylor College.

The college, founded in 1845, observed its ninety-fourth opening recently. With the opening came the introduction of a new course in Mary Harlin-Baylor College entitled Poise and Personality. The course is to be characterized by lectures, beauty clinics, and an advisory council to aid students in personality development along with academic work.

**METHODIST CHURCH NOTES**

(Ben Hardy Pastor)  
 Next Sunday will be the last Sunday of the conference year. The Conference convenes at Memphis, Texas, November 18. We will have a fair report. The conference will close Sunday afternoon the 20 with reading the appointments. Will be glad to have you in our services Sunday.

**SORE THROAT—TONSILLITIS**

For prompt relief — mop your throat or tonsils with Anesthesia-Mop, our guaranteed sore-throat remedy. If not entirely relieved within 24 hours your money will be cheerfully refunded.

Tahoka Drug Co.

O. O. Sproles and son Oscar of Quemado, down on the Rio Grande, were business visitors here last Friday. Mr. Sproles and family formerly resided in the Dixie community, removing to Quemado a few years ago. A number of other Lynn county farmers are there too. Mr. Sproles, like most of the others, is engaged in truck farming. They depend almost solely on irrigation for their water supply.

We failed to mention last week the recent visit of Miss Ada Bradford of Palestine with Mr. and Mrs. W. L. Brown and Mrs. W. C. Wells. She is a niece of Mr. Brown's.

**BRONCHIAL ASTHMA**

Just a Few Sips and—Like a Flash—Relief!

Spend a few cents today at any drug store for a bottle of BUCKLEY'S MIXTURE (triple acting)—by far the largest selling cough medicine in all of cold Canada. Take a couple doses at bedtime and enjoy a good night's rest. One little sip and the ordinary cough is "on its way." Continue for two or three days and you'll hear little more from that tough old hang-on cough that nothing seems to help—if not joyfully satisfied—money back.

### Lighten Duties Of County Agents

College Station, Texas—County agricultural agents in many counties are relieving active administrative duties in connection with the AAA programs and are becoming members of the county AAA committee without vote.

It is believed that the change will occur in about two-thirds of 254 Texas counties by the first of the year. H. H. Williamson, director of the Texas A. and M. College Extension Service, has said.

The farm act of 1938 provides that a county agent may either serve as executive secretary of the county AAA committee or become an ex-officio member of the group. In keeping with the expressed views of the U. S. Department of Agriculture to the local administration of the AAA many county agricultural agents are shifting from the position of secretary to that of ex-officio board member.

Administrative responsibility in these cases will be assumed by the AAA assistant, who will perform the duties of the committee secretary in addition to those he has held as treasurer.

"We want county committeemen and farm people to understand that it is our desire to render the greatest possible service to agriculture by building a stronger and more effective extension program and by aiding farmers to make use of the various federal programs in the most effective manner," Williamson said.

"The change in duties will enable our agents to carry a much broader program of work to the farmers in the county." County agricultural agents will continue to head up the AAA programs in the more sparsely

Club and Church News

#### CADE-RUTHERFORD

Leaving Tahoka early Sunday morning, Mr. Randolph Rutherford and Miss Doris Jean Cade of this city were united in marriage in Santa Fe, New Mexico, late that afternoon. Immediately after the wedding they sent a telegram to the bride's parents, Mr. and Mrs. A. M. Cade, telling them of their marriage. Mr. and Mrs. Cade knew the intentions of the young couple before they left but did not know where the nuptial vows would be taken.

The young couple are expected to be back in Tahoka before the end of the week. They will occupy the Leonard Craft apartment.

The bride was a member of the senior class of the Tahoka High School. She had been reared in this county, principally in Tahoka.

The groom came to Tahoka about a year ago as manager of the Cobb Department Store. He is a young man of pleasing personality and excellent business ability.

The many friends of these young people are wishing them the best that life affords.

Mr. and Mrs. Harry Evinger of St. Louis visited her sisters Miss Viola Ellis of Tahoka and Mrs. C. F. Galen of Three Lakes, and her brother, Burns Ellis of Three Lakes Friday and Saturday. They left here Saturday for San Angelo to visit her parents, Mr. and Mrs. Sam Ellis.

Mr. and Mrs. Roy Young and little daughter went to Anson and back Sunday, where they visited his step-mother, who is now able to be on crutches after suffering a fracture of the leg in six places several weeks ago, in a fall.

Mrs. Charlotte Short, district case worker for the Texas relief commission, who has been stationed here for several months, will have headquarters at Lamesa after November 15.

Wash Hickerson of Three Lakes was called to Hollis, Oklahoma, Saturday afternoon by the death of his oldest brother, who was 86 years of age.

Mr. and Mrs. A. N. Norman of El Reno, Oklahoma, are here this week visiting Mrs. Norman's parents, Mr. and Mrs. A. C. Aycox.

Mr. and Mrs. B. H. Howard of Lubbock visited their daughters, Mrs. Frank Hill and Mrs. Harley Henderson, here this week.

**JUNIOR FOOTBALL GAME**  
The Tahoka Junior Football team is playing the O'Donnell Junior team here at 3 o'clock Thursday afternoon.

Supt. W. T. Hanes reports that the average attendance in the Tahoka schools for the first eight weeks of the session was 92 per cent.

### Allphin's Music Goes "On The Air"

A march composed by W. H. Allphin of this city is to be presented by the Crosley radio station WLW as a part of a musical program next Tuesday night.

The program may be heard here by tuning in on the Lubbock Avalanche-Journal station KFYO at 9:30 P. M. on that night.

#### ERROE CORRECTED

We call attention to an error that appeared in the advertisement of the Gagnat Motor Company last week. The date when car is to be given away was given as December 21. The correct date is December 24, at 5:30 p. m. We are sorry this error was made and gladly correct the same.

J. M. Hewlett, who removed from the Dixie community in this county last winter to the Ropesville farm project, was here on business Wednesday. He reports very short crops of both feed and cotton on the colony this year, due to the exceedingly dry spring and summer. There are a little more than eighty farmers on this project now, he says.

Rev. Ben Hardy, pastor of the Methodist Church, says that he united three couples in marriage the past week, but none of them resided in this county. One couple resided in Lubbock, another in Lamesa, and another couple were transients.

Mr. and Mrs. W. B. Edwards were called to McGregor in McLennan county early Sunday morning by the serious illness of Mrs. Edwards' mother, Mrs. W. B. Nunley, who was said to be in a dying condition.

**STATED MEETINGS** of Tahoka Lodge No. 1041 the first Tuesday night in each month at 7:30. Members urged to attend. Visitors welcome.

### ELDER DRENNON'S NOTES

As I look out over the beautiful snow, I am reminded that Jesus died that his blood might wash us as white as snow, or as Isaiah said: "Though your sins be as scarlet they shall be white as snow; though they be red like crimson, they shall be as wool."

Yesterday was a cold, raw day and many did not attend services. I have been looking in the Bible for the place where it said, "attend worship when the weather is fair," but I have not found it yet. How many will fail to go to worship in

bad weather yet will go to their places of business in the same kind of weather! I wonder if we love Jesus as much as we claim to.

I gave a special sermon yesterday (which I will deliver at Big Spring tomorrow afternoon) on six of the greatest questions that confront us today. The first was: Am I my brother's keeper? Asked by Cain when God asked him where his brother Abel was, Genesis 4-9. We found we were.

The next great question was "What shall it profit a man if he gain the whole world and lose his own soul?" Upon careful study we found there was none.

The third was, "If a man die shall he live again?" and the answer was found in John 11:25 that he should, which led us to our fourth question "Where shall I spend eternity?" The Bible just sets forth two places, Hell and Heaven, and in order to miss hell and gain heaven we learned from our next question, "What must I do to be saved?" that we had to believe the gospel, Mark 16: 15-16; Repent of our sins, Acts 2-38; Confess Christ, Matthew 10-32, Romans 10-9-10; And be baptised, Mark 16-16, Acts 2-28; and then live the Christian life unto the end of life's journey, Matthew 10-22.

The last and greatest of all the questions was, "What shall I do with Jesus which is called Christ?" Matthew 27-22. This last question if answered properly will solve all other questions.

Dear readers think on these question seriously, won't you? Listen in on station W. B. A. P. next Sunday morning at 8:30 and hear one of the best programs on the air; put on by our friend and brother W. Leo O'Daniel. It will do you good and start you right for the day.

Yours for more people who think that right is a bigger word than either success or failure, whose convictions are not for sale.—R. P. DRENNON.

Little Miss Barbara Jean Henderson was honoree Thursday at a party on the occasion of her sixth birthday, given by her mother, Mrs. Harley Henderson.

### REPORTS FROM THE COUNTY CLUBS

Miss Lilith Boyd, H. D. Agent

#### MRS. T. R. TUNE HOSTESS TO H. D. CLUB

The O'Donnell Home Demonstration Club met at the home of Mrs. T. R. Tune on November 3 at 3 p. m.

Mrs. John Earles, council delegate, reported that the O'Donnell club was represented in both the county cake show which was held at Tahoka and in the domestic science department of the South Plains Fair at Lubbock.

Mrs. T. R. Tune, Home Food Demonstrator told how a variety of vegetables were grown in a frame garden and exhibited canned beets grown in this garden. The store room contained about 200 pints of canned food consisting of a fine variety of vegetables and fruits. All the food was home grown except the plums and peaches.

On November 17, the club will meet at the home of Mrs. John Earles.

Delicious refreshments of coffee, peaches, whipped cream and cakes were served to Mesdames Waldo McLaurin, John Earles, Alma House, E. J. Treadway and W. E. Treadway.

#### BALL CANNING CONTESTS HELD IN OCTOBER

The Ball Canning Contest was held in individual home demonstration clubs during October. Each club member exhibited a quart of non-acid vegetables and a quart of fruit as an entry. The members assisted the home demonstration agent in scoring the products. The winning entry was entered in the final county scoring. Miss Ora Anderson, County Home Demonstration Agent, Yoakum County, did the judging which resulted as:

First: Mrs. W. E. Dubree, Draw-Redwine.

Second: Mrs. C. E. Short, Grassland.

Third: Mrs. A. C. Weaver, Tahoka.

Other winners in clubs were: Mrs. C. L. Cooper, Hackberry; Mrs. Rufus Slover, Midway; Mrs. R. W. Barton, New Lynn; Mrs. Paul Johnson, T-Bar; Mrs. Oran Hickerson, Three Lakes; Mrs. W. C. Huffaker, Wilson.

#### T-BAR 4-H CLUB MEETS

"When girls are courteous at home they are more at ease with friends and strangers", Miss Lilith Boyd, C. H. D. A., told the members of the T-Bar 4-H Club which met at the school house at 9:00 o'clock November 3.

"Home is the best place to practice table manners", Miss Boyd added. Every member is planning to bring a home made gift suitable for

some member in the family at next meeting.

Maxine Lindley was selected clothing demonstrator. Emma Jean Moore will be poultry demonstrator. Mrs. H. F. Lindley was elected Sponsor.

Members present: Betty Jean Davis, Verna Jo Johnson, Maxine Lindley, Callie Fay McMillan, Gene McMillan, Ollie Lee McMillan, Pauline McMillan, Emma Jean Moore.

#### GRASSLAND 4-H CLUB MEET AT SCHOOL HOUSE

The Grassland 4-H Club met November 4 at the schoolhouse. Close doors quietly, knock before entering a private room, and respect

personal property were rules selected from the demonstration "Understanding the Members of My Family" which Beth Shepherd, cooper-ator in the Grassland 4-H Club, thought every club girl should practice at home.

The club made plans for a box supper Friday night, November 18, at the school house.

Miss Pauline Travis was elected sponsor.

New member: Mary Ruth Edwards.

Members present: Margie Shepherd, Nelda Lois Moore, Joy Moore, Kitty Glenn Eula Mae Laws, Billie Greer, Rubie Greer, Beth Shepherd, Frances Aten, Maxine Cash, June Cooper, Marie Norman.

Mr. and Mrs. H. E. Baldrige, old-timers here who strayed off to Clovis, New Mexico, a few years ago, and then moved down to Breckenridge about a year ago, were here last Friday for a few hours, calling on friends. They still like Tahoka. We don't see why they don't come back home.

G. G. Vaughn of O'Donnell dropped into the News office Wednesday to set his figure for the News ahead, as he does every year, and stated that the cotton crop in his section of the county is exceedingly short this year. Mr. Vaughn has been farming and reading the News for many years.

#### A Thought For Every Day

Is anybody happier because you passed his way?

Does any one remember that you spoke to him today?

This day is almost over, and its tolling time is through.

Is there any one to utter a kindly word for you?

Did you give a friendly greeting to the friend who came along?

Or a churlish sort of "Howdy" as you vanished in the throng?

Were you selfish pure and simple as you rushed along your way?

Or is someone mighty grateful for a deed you did today?

Can you say tonight in parting with today that's slippin' fast that you helped a single brother of the many that you passed?

Is a single heart rejoicing over what you did or said?

Does the man whose hopes were fading now with courage look ahead?

Did you waste the day or lose it? Was it well or poorly spent?

Did you leave a trail of kindness or a scar of discontent?

As you close your eyes in slumber, do you think that God would say

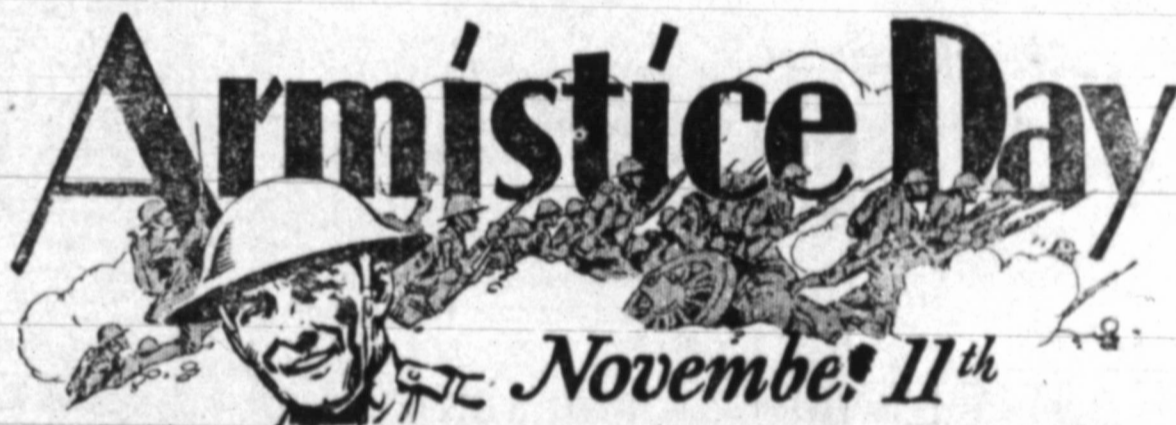

You've earned one more tomorrow by the way you spent today?

W. D. Wilkens & Co.

**Band Appears For First Time**

Playing in public for the first time Friday night, Tahoka's eight weeks old 60-piece band is already attracting much attention and favorable comment.

Last Friday night the band played at the Tahoka-Lubbock Cowhand game here, and gave a good account of itself.

Saturday afternoon the organization participated in the band festivities at the Texas Tech-Loyola game in Lubbock. Bands from many South Plains and two New Mexico towns participated, and the Tahoka band was the youngest one present. Also, the Tahoka bandsters played in the massed band concert at the half in which there were 800 instruments.

Wednesday afternoon the band, accompanied by the pep squad, went to O'Donnell, where a concert was played advertising the Tahoka-O'Donnell game here this Friday afternoon.

The band will take part in the Armistice Day parade at 10:30 in the morning and play at the football game at 2 o'clock in the afternoon.

Though not playing difficult music yet, the organization is progressing more rapidly than anyone expected. Joyce H. Felt, who came here from San Saba, is director of the band.

**Farm Benefits Expected In 1939**

College Station, Texas.—Texas farmers are expected to share in the improved demand for farm products and increased farm income in prospect for 1939, according to W. E. Morgan, who has just returned from Washington, D. C., where he attended the national conference on the 1939 agricultural outlook held by the U. S. Department of Agriculture Bureau of Agricultural Economics.

Morgan, economist in agricultural planning of the Texas A. and M. College Extension Service, said the 1938 cash farm income for the nation was down about 13 percent from that of 1937. Some pick-up has been noted in recent months with a general improved demand for farm products.

The improvement is expected to develop further in 1939, mainly in products such as meat animals, dairy and poultry products, and fruits and vegetables, the first items to respond to increases in consumer purchasing power.

"The outlook for cotton is unfortunately not as encouraging as is the case for most other agricultural commodities," Morgan stated. "Record supplies of American and

foreign growths, contraction of export demand, and the technological advances in the production of synthetic fibers account for the discouraging cotton situation, both as a short time proposition and as a long time factor." Prices, he said, are expected to be the same or perhaps slightly higher.

General economic conditions in the United States are "mostly favorable to recovery," according to the outlook report. A material increase in industrial production in 1939 is expected to be reflected in larger consumer incomes, which in turn will mean a stronger demand for products from Texas farms.

The increase in net cash income will be greater than the total cash income increase, Morgan believes, for the things farmers must buy in producing a crop are expected to show little change and may be lower in price. The average farm wage is expected to be about the same as in 1938, while prices paid for farm machinery, automobiles, fertilizer, feed, and seed will probably be lower.

Miss Mary Ellen Conway returned Sunday from a seven weeks visit with her aunt, Mrs. Joe D. Bacon, and family at Skidmore in Bee county.

**Tahoka's Fire Rate Lowered**

Austin, November 1.—State Fire Insurance Commissioner Marvin Hall today announced the following reductions in fire insurance "key" rates for eight Texas cities for the reasons named as follows: Tahoka 48-43, due to improvements in the fire department.

Mr. Hall praised the city and school officials for the improvements in their fire-fighting defenses which make possible savings to the insurance buyers of those cities on policies written after November 1.

**Baptists Attending State Convention**

Rev. and Mrs. George A. Dale left early Monday morning for Dallas to attend the Baptist General Convention of Texas in session there this week. They expect to spend a few days visiting relatives in that part of the state following the convention, but there will be preaching services at the Baptist Church here next Sunday morning as usual.

Mrs. Garland Pennington, Mrs. Homer Harrison, and Mrs. W. H. Kenley are also attending the convention. They went down Sunday in

company with Mrs. L. Lumsden and possibly others of Wilson.

Mr. and Mrs. Jim Vaughn and Mr. and Mrs. Ira Vaughn of Edith were called to Oklahoma City Thursday night of last week by the serious illness of the Vaughns' 85-year old father.

Ask any Westinghouse owner

about Westinghouse savings

"KITCHEN-PROVED" means the savings as proven by Westinghouse users—and every Westinghouse feature is "Kitchen-PROVED" to give you greater savings.

The MEAT KEEPER keeps meats fresher and longer.

The SUPER FROSTER freezes more ice.

The HUMI-DRAWER keeps vegetables fresh indefinitely.

The TEMPERATURE REGULATOR eliminates guesswork in selecting the correct temperature for your refrigerator.

Any employee will be glad to tell you more about Westinghouse "Kitchen-PROVED" savings.

Texas-New Mexico Utilities Company
