Wilson Fathers, Sons Hold Fete

"The largest banquet of its kind this year." That's what O. F. Ryan, Area Vocational Agriculture Supervisor, said of the annual Father and Son Banquet held by the Wilson Chapter of Future Farmers of America last night.

The banquet, an annual affair given by students of vocational agriculture to their dads, was held in the agricultural room of the Wilson high school building. There are forty-three boys in the classes and there were ninety-one parents present making a 100% attendance by boys and fathers. The others present were trustees, teachers, and ministers.

Dr. Harry L. Kent, Director of Administrative Research, Texas Technological College, was the principal speaker. He gave a very clear and inspirational discourse on the part that cooperation of the farmers of today and the farmers of tomorrow will play in a permanent and prosperous agriculture. He emphasized the fact that the successful farmer is an unselfish and open-minded man who conducts his farm on a business basis, keeping accurate records, of all phases of the business. His speech, as is that of all truly great men, was on such a level that the youngest boy present understood and appreciated his thoughts, yet it embodied such great truths and philosophies that the most learned man present gained in knowledge and understanding and was drawn closer to his fellow man and neighbor.

The most unusual feature of the banquet was the fact that several months ago the F. F. A. boys cooperatively purchased two small lambs and fed them out for this occasion. The day previous to the banquet the class killed and dressed these lambs. They were then barbecued and served oven fresh and hot. Many expressed the opinion that it was the most delicious and savory meat they had yet eaten. The banquet was served by the first year home economics girls under the direction of Miss Lucile Rose, home making teacher. The room was decorated in keeping with the holiday season and spirit. The centers of the tables were decorated with streamers of red crepe paper and fir branches interspaced with lighted candles and featuring a large decorated Christmas tree at one end. The common opinion seemed to be that it was the most beautiful banquet ever set at Wilson High School.

Baby Dies Monday Of Malnutrition

Little Dell Wiley Boyd, 7 months and 19 days old, son of Mr. and Mrs. Nell Boyd who live in the former J. B. Walker residence at the southwest limits of Tahoka, died at the family residence here Monday. Death was attributed to malnutrition.

Services were conducted in the Harris Funeral home Tuesday afternoon and the little body was laid to rest in the Tahoka cemetery. Rev. Geo. E. Turrentine, pastor of the Methodist Church, officiated. The parents have the sympathy of many friends and especially of those who have suffered a similar bereavement.

G. M. MURRAH PROMOTED INTO GRANDFATHER CLASS

Had you noticed that big smile and quick step of G. M. Murrah? Well, sir, he became a grandfather just ten minutes before twelve o'clock on Christmas day, we are told. The object of his pride is a little seven and three-fourths pound daughter, Frances, Elnora, born to Mr. Murrah's daughter and husband, Mr. and Mrs. Burl Moore of Muleshoe at the Murrah home at Dixie December 25.

Mr. and Mrs. C. L. Hafer, who recently removed from Tahoka to O'Donnell, were Christmas guests in the home of Mr. and Mrs. E. H. Boullion. On the next day Mr. and Mrs. Boullion and Mr. and Mrs. D. W. Gagnat visited the Hafers in O'Donnell.

Official Cotton Report Is Given

The official government report of cotton ginnings in Lynn county, as furnished us by special agent E. W. Holloway, shows that 54,615 bales had been ginned prior to December 13 as compared with 121,618 bales ginned up to a corresponding date last year.

The total crop this year will probably not exceed 56,000 bales, whereas the final report last spring showed that more than 152,000 bales had been ginned from the crop of 1937.

Negroes Hurt In Holiday Fracas

There was one Christmas fight in Tahoka.

Charley Gilmore and Bit Malone, both colored, had a fracas "over on the hill" in which Bit received a slash with a knife, the gash beginning with the ear and extending downward across the neck and ending near the lower end of the collar bone.

The wound was not deep and probably not dangerous but required the ministrations of a physician.

Gilmore was not seriously hurt either but he too needed the services of a doctor after the hostilities had ceased.

We did not learn the cause of the trouble.

G. E. Lockhart Barn Destroyed By Fire

A barn and some racks of feed on the G. E. Lockhart place about five miles southeast of town were destroyed by fire Tuesday night. The origin of the fire is unknown. A feed grinder had been running during the day and had stopped about sunset. The fire started in a bin where the ground up feed had been placed. The feed grinder was also burned up and a tractor damaged to some extent, it is said.

The Tahoka Fire Department was called and went to the rescue, but were unable to save much of the feed.

A family named Miller occupy the place.

Wheel Stolen From Miss Ellis' Car

The car of Miss Viola Ellis was taken Thursday night of last week from the street in front of the E. A. Park residence, where it had been parked only a few minutes. It was found the next morning parked in front of the high school building but the spare wheel and tire had been stolen.

Officers were notified but so far as we know they had no clue to work on.

ALLPHIN'S NEW MARCH ON THE AIR SUNDAY

A new band march—titled "Cotton Bowl Champions"—just recently composed by N. W. Allphin of Tahoka, is to be included in a concert program to be presented over WFAA by the Texas Tech Band, Sunday, January 1, at 12:30 noon.

HAS BROKEN ARM

Jack Wells, who works at the Woodworth Barber Shop, had the misfortune of getting his arm broken a week ago last Sunday. He was attempting to crank his car, and the crank machine kicked, breaking his left arm at the elbow. The accident occurred at Lubbock.

Mr. and Mrs. Sam Holland and daughter Dorothy, Mr. and Mrs. Paul Johnson and family, and Mr. and Mrs. E. O. Overman and family returned Monday from Fort Worth where they attended a family reunion in the home of the mother of Mmes. Holland, Johnson, and Overman on Christmas day. All of the ten living children and their families, including all the grandchildren except one, were present.

Crippled Children Get Laugh From Texas Tech Grid Stars

Physically deformed youngsters at the Texas Scottish Rite Hospital for Crippled Children got a cheery laugh from the visit of Texas Tech grid stars, who will play St. Mary's of California in the Cotton Bowl January 2. Shown here with two of the little unfortunates are Frank Guzik of Sherman (left), husky center for the Red Raiders, and A. B. Murphy of Beaumont, star tackle. Funds to provide treatment for infantile paralysis victims, crippled as are these little fellows, will be raised on January 30 at celebrations throughout Texas of President Roosevelt's birthday.

Austin People Visit In Tahoka

Miss Ola Belle Singleton came up from Austin Friday and spent Christmas with her parents, Dr. and Mrs. J. R. Singleton, returning to Austin Wednesday. She was accompanied by Mr. and Mrs. Bud Garrard, son and daughter-in-law of Judge Tom Garrard, who came to visit their father and family.

Mr. Garrard is a law student in the University of Texas. Miss Ola Belle has been secretary to Governor Allred the past two years. She expects to remain in Austin following Governor Allred's retirement from office, as secretary to Senator Nelson.

O'Donnell Man Plymouth Winner

D. L. Adcock, who resides between O'Donnell and Lamesa, was awarded the Plymouth car given away by the D. W. Gagnat company Christmas eve.

Mr. Adcock is one of the big farmers in that section and said he had bought four tractors from Gagnat this fall.

CITY MARSHAL EATS TURKEY CHRISTMAS DINNER

City Marshal Milt Finch and his better half and his mother, Mrs. N. D. Finch, were dinner guests of his brother and wife, Mr. and Mrs. C. M. Finch in the Dixie community Sunday.

Other guests present were Mr. and Mrs. A. L. White and children of Lamesa, Mrs. White being an aunt of Milt and C. M., their sister, Mrs. Ruth Wozencraft and her husband and their children of Stanton.

Milt says it was a great dinner and a great family reunion.

Mrs. Mattie Bradley, Don and the Allphins had as Christmas guests, Mrs. Bicy Wall of Big Spring, sister of Mrs. Bradley; Miss Marion Bradley of San Angelo, grand daughter, and Mr. and Mrs. John T. Cearley, of Post. Mrs. Cearley will be remembered as Bonnie, daughter of Mr. and Mrs. Allphin.

J. E. Ketner of Conway Arkansas has been spending the holidays here with his father J. E. Ketner and other members of the Ketner family. Mr. Ketner holds a responsible position with the Arkansas-Louisiana Oil & Gas Company.

Arthur Ralph Eaton, 5, the little son of Mr. and Mrs. V. H. Eaton, is said to be sick of bronchial pneumonia.

Relative Of Tahoka People Gun Victim

The Bovell and Evans families were called to Fort Worth Sunday morning upon the discovery of the dead body of a kinsman, S. B. Wilson Jr., found in a car in front of the place of business of his brother-in-law in Fort Worth, with a bullet wound through his head and a gun in his lap.

Relatives believe the gun was discharged accidentally.

Wilson had been in the cafe of his brother-in-law up to within a few minutes before his tragic death and seemed to be in perfectly good spirits. He left making some casual remark and climbed into the brother-in-law's car, in which his brother-in-law's gun was lying. The discharge of the gun soon followed.

T. J. Bovell was on his way to Dallas at the time and was intercepted at Fort Worth following the tragedy. Mrs. Bovell, Mr. and Mrs. W. T. Bovell, and Mr. and Mrs. E. S. Evans hastened to Fort Worth Sunday. Wilson, 28, was a nephew of Mrs. T. J. Bovell and Mrs. John Evans.

WASH HICKERSON HAS CHRISTMAS GUESTS

Mr. and Mrs. C. W. Hickerson of Three Lakes had a happy Christmas, with the presence of all their children and grand children except one.

When asked if he wouldn't need a big turkey for that group, Wash replied "Well, I just took snap judgment on it and killed a hog and made plenty of sausage."

Those present for the Christmas dinner included: Mr. and Mrs. J. W. Hickerson and two sons of O'cessa, Mr. and Mrs. G. W. Hickerson Jr. and son of Shreveport, Louisiana, Mrs. H. T. Ellis and daughters, Maxine and Fern, and Mr. and Mrs. J. H. Ellis of Pety.

E. J. Cooper and family are this week moving from the Lockwood farm two miles northeast of Tahoka to a farm about four miles further north which they recently purchased. The Coopers have been residing on the Lockwood farm, continuously since their removal to this county about twelve year, ago.

Mr. and Mrs. Dick Bates of Santa Fe, New Mexico, spent Christmas here with relatives. They were accompanied by Mr. and Mrs. Milton A. Shelton, who visited Milton's parents, Mr. and Mrs. S. L. Shelton and other relatives.

T. Cowan and family spent Christmas with his parents, Mr. and T. B. Cowan at Lubbock.

Staking Crews At Work On Lyntegar

Two staking crews are at work on the Lyntegar electric line project, according to Garland Pennington, superintendent of construction.

Each of these crews consists of three men. One crew started work at Grassland and proceeded southward to Draw and from thence they will go westward into the vicinity of O'Donnell.

The other crew began work at Meadow and are coming eastward in the northwest portion of the county.

Mr. Pennington says that it has been definitely decided that copper wire will be used for transmission of the electric current.

Baptist Workers Will Meet Here

The Workers Conference of the Brownfield Baptist Association will meet in the Baptist Church here on Wednesday, January 5.

Two or three hundred visitors are expected to be here from the twenty-five or thirty churches in the association.

Lunch will be served by the women of the local church in the church basement, at the noon hour. A good program, we are informed, has been arranged.

The meeting of the W. M. U. will be held in the afternoon, beginning at 1:30.

Each local W. M. U. president will be expected to report the achievements of the past quarter and to explain how the program of the Jubilee Year has stimulated the work.

Reports are expected from Brownfield, Tahoka, Wilson, O'Donnell, Seagraves, Meadow, Ropesville, New Home, Central, Plains, Gomez, and Bethel.

Dale's Son Victim Unusual Accident

Rev. and Mrs. George Dale received a letter Friday morning stating that their son Paul of Houston, who with his family was on his way to Lubbock to spend a part of the holidays with them, had sustained an injury to one of the eyes at Dallas which necessitated treatment in a hospital there.

Stopping over in Dallas for a day or two with his wife's parents, they decided to have an old-fashioned Christmas tree. The two men accordingly went out in the woods to gather some mistletoe. Paul had gotten an armful and was descending from a tree, holding a limb back out of his way. When it suddenly got away from him and flashed him in the eye, cutting a great ugly gash in the eyeball. It was feared for a day or two that the sight had been completely destroyed, but word came later that such was not the case. He was released from the hospital Sunday but was unable to make the trip out to Lubbock. At last report, he was recuperating at the home of his wife's parents in Dallas.

After it became apparent that his injury was not so serious the other Dale children came on to Lubbock where the family reunion was held with Rev. and Mrs. Dale of Tahoka in attendance. Children and grandchildren present were: Everett Dale of Dallas, Mrs. Virginia Edwards and children, Malcom and Anne, of Dallas, Mr. and Mrs. G. R. Kennedy and Dorothy Dale, Mr. and Mrs. Troy Dale and Suzanne, Mr. and Mrs. George P. Dale all of Lubbock.

CHURCH OF GOD HAVE REVIVAL MEETING

A revival meeting is to begin at the Assembly of God Church on January 1 to continue two weeks or longer, Evangelist Jewel Clark of Big Spring doing the preaching.

Everybody is invited to attend each night.—Rev. Robert Owens, Pastor

A. C. Weaver and family are spending the holidays with relatives in Dallas.

R. A. Webb, 68, Of T-Bar, Dies

Robert Andrew Webb, 68, a citizen of the T-Bar community for the past several years, died of pneumonia in the Lubbock Sanitarium last Friday morning at 7:15 o'clock.

Funeral services were conducted in the Methodist Church in O'Donnell at 2:30 o'clock Saturday afternoon. Rev. J. A. Lunsford, pastor of the O'Donnell Baptist Church officiating. Burial was in the Tahoka Cemetery under the direction of the Harris Funeral Home. Active pall bearers were C. Balch, Fay Slaughter, Levi Gray, Calvin Dorman, Cecil Pierce, and O. L. Harris. Messrs. Simmons, Pierce, Slaughter, Dodd, Lester Etter and Otis Harris were named as honorary pall bearers.

Mr. Webb had been a resident of this county since March, 1927, when he and his family moved to Lynn county from Knox City. He was a native of Alabama, having been born at Lineville in that state on April 16, 1870. He was married in Jones county, Texas, to Miss Rosaline McLaurin, sister of County Commissioner Waldo McLaurin, on September 2, 1900. Two daughters and two sons were born of this marriage, as follows: Mrs. Anna Mae Bowley of Dallas, Mrs. C. L. Bishop of Dallas, and R. C. Webb of O'Donnell, all of whom survive. Besides his wife, deceased also left surviving three grandchildren, Miss Lynn Bishop of Dallas and Robert Lynn Bishop of Dallas and Robert Doss Webb of O'Donnell; two sisters, Miss Anna Webb of Brownwood and W. M. Webb of Dimmit.

Mr. Webb was a highly respected citizen of his community and of this county, and many friends mourn his departure.

Health Check-Up Should Be Made

Austin, December, 27.—At this season of the year business men are balancing their accounts for 1938 and preparing for 1939. Dr. Geo. W. Cox, State Health Officer, asks that everybody look into their health account and see if it is in balance. No doubt most persons have overdrawn their health accounts in many ways and as a result must retrench if their bodies are to escape health bankruptcy.

The best thing to do is to go to your family physician and have him give you a thorough examination. Diabetes, Bright's disease, heart trouble, tuberculosis, anemia, internal tumors and syphilis are among the diseases sometimes discovered in examinations of supposedly well persons.

After such an audit your doctor will assist you in making a health budget. This should include plenty of rest, fresh air, exercise, proper food, and moderation in the items used to excess in the past. If this is done you will not only add years to your life but will make these years more worth living and enjoyable.

Family Escapes As House Burns

A four-room house occupied by T. F. McGinnis and family on the John Donaldson farm in the South Ward community was burned to the ground Monday evening.

Practically all the furniture and clothes belonging to the family were saved. Fire is thought to have originated in the roof from a defective flue.

Mr. Donaldson stated early Tuesday morning that he was already making preparations to rebuild the house.

DICTATORS SCARED STIFF

When the current dictators ap-
pear in public their constituents,
whether German, Italian or Rus-
sian, give them ovations designed
to impress other nations that they
have unanimous support of their
people. If that were true, the auto-
cratic czars would not live in fear
and trembling. As a matter of fact,
Hitler, Stalin and Mussolini are so
scared they are almost psycho-
pathic cases. From Current History
we learn that Stalin leaves the
Kremlin in a cavalcade of three
fast-moving cars. He lives in a
guarded country house surrounded
by high walls. Mussolini's cars
have one-way glass so he can see
but not be seen. Hitler has a
bomb-proof cellar under his closely-
guarded mountain retreat, with a
charged barbed wire enclosing the
estate.—Claude News.

"Uneasy lies the head that wears
a crown." Especially uneasy are
they whose hands are red with in-
nocent blood. Well may the dic-
tators surround themselves with
bodyguards, for it was Christ him-
self who said "All they that take
the sword shall perish with the
sword."

In this country, the Bill of Rights
is the body of principles contained
in the first ten amendments to the
Constitution. And it is by all odds
the most vital section of that great
document of human freedom. The
right to worship as one desires—
the rights of free speech and free
press—the right to petition the gov-
ernment for a redress of grie-
vances—the right of trial by jury.
All these and other rights without
which human freedom is an empty
term, are specified and guaranteed
—the tenets of democracy, in firm,
clear phrases.—Claude News.

The Constitution and the Bill of
Rights were written and adopted
away back in the "horse and buggy
days", almost as far back as the
ox-cart age. And some people there-
fore would have us believe that they
have been out-moded and should
be discarded. Others believe that
the Constitution should be con-
strued to "fit this age and present
conditions", in other words that
it should be construed to fit their
particular whims and desires. Judges
are being sought who will virtually
construe away entirely some portions
of the Constitution. Some of its pro-
visions have already been stretched
almost to the breaking point. If any
part of the Constitution is "out of
date" and not suited to present
conditions, it should be amended,
not mutilated. As long as we have
a Constitution we should have Con-
stitutional government.

As a rule the few colored people
we have in Tahoka are sober and
well behaved, and they have the
good will of the whites. They have
two church organizations here,
Baptist and Methodist. The colored
Methodists have just recently built
a church building. During this
Christmas season the News wishes
to extend to both of these churches
and to our entire colored population
our best wishes and to express our
hope that they make much progress
during the coming year.

We have heard of very little mis-
conduct in Tahoka and in Lynn
county during the holidays; just
a few drunks, and most of them
are so light in the upper story that
they are to be pitied.

Well, Christmas festivities and
activities are about over. We trust
that everybody had a good time.

History

As Revealed by the Files
of the Lynn County News
of December 25, 1913.

The Christmas trees at both the
Baptist and Methodist Churches
were great successes. They were
beautifully decorated, and loaded
with presents. Congregations filled
each of the churches to capacity.
Besides the two trees in Tahoka we
have received glowing accounts of
the O'Donnell and Edith trees, and
there were several others the night
of the 24 that we have not heard
from.

LITTLEPAGE-CLEVELAND

Robert Lee Littlepage of Hamil-
ton and Miss Lilly Cleveland, daugh-
ter of Mr. and Mrs. C. W. Cleve-
land of twelve miles southeast of
Tahoka, were married at the
Cleveland home Thursday morning
December 25 at a quarter of twelve.
Elder R. P. Littlepage, father of the
groom officiating.

The groom is proprietor of a
successful tailoring business in Ham-
ilton. The happy young couple will
leave for their new home Monday
morning.

Charlie Pearce of Oil City, La., is
spending the holidays with his
parents, Mr. and Mrs. J. A. Pearce
of ten miles north of Tahoka.

Mr. and Mrs. S. J. Smith and
two children of Coleman are here
visiting Mrs. Smith's parents, Elder
and Mrs. I. N. Lewis.

When the German editors read
something said against their "Little
God", Dictator Hitler, they get mad,
froth at the mouth and have spas-
modic fits about it. But they cuss
Democracies, the American people,
to their heart's delight and believe
they are doing the right thing. The
German people are misinformed,
misled, and deceived, is what is
wrong with that nation. The way
they are treating the Jews shows
that they are as ignorant as an
Askanaw Nigger. "Be sure your
sins will find you out" is a Bible
statement that has always been
true, and will prove true in the
way King Hitler is mistreating the
Jewish people of Germany.—
Claude News.

The German people are among
the most intelligent in the world.
The reason they are not well-in-
formed respecting world affairs at
this time is that the German press
is muzzled. The editors publish
only what Herr Hitler and his
flunkies permit to be published.
The news and editorial expres-
sions are all censored or dictated.
Likewise, the German radio is under
Hitler's thumb. It is great to live in
a land where there is freedom of
speech, freedom of press, and free-
dom to worship God as one's con-
science dictates.

Secretary Cordell Hull has ac-
complished another great feat of
international statesmanship. Whether
he conceived the idea or not, to
him is due the chief honor of put-
ting it into effect, that there should
be an alliance of all the nations of
the Western hemisphere to defend
any and all of them against the
aggressions of any Old World na-
tion. After long consideration rep-
resentatives of all these nations
reached an agreement to this ef-
fect at Lima, Peru, on Saturday,
the day before Christmas, and they
signed the instrument on Tuesday.
It is believed that this will result
in a better feeling between the
United States and all the nations
of South America and that it will
make it all but impossible for any
of the European or Asiatic dic-
tators to gain a foothold on the
western continent.

Liquor advertising is particularly
obnoxious at Christmas, but we
must compliment the advertisers on
taking pictures of women before
they take their drink. They always
look dignified and charming in the
ads. They do not always look that
way after drinking.—McLean News
"O would some power the giddy
gifs us to see ourselves as others see
us", when we are drunk—and this
applies to both men and women. We
have seen no drunk women in Ta-
hoka and only a few drunk men,
but no man can make an ass of
himself like a drunk man. And
the conduct of a drunken woman—
well, that is unmentionable.

Mr. and Mrs. Howard Harrison of
Coalgate, Oklahoma, spent the holi-

son's parents, Mr. and Mrs. G. W.
Harrison. Howard is editor of the

"Questions, Answers" At Rotary Club

In the absence of the program chairman, Dr. K. R. Durham, the regular program of the Rotary Club Thursday was rather brief. It consisted of a series of questions pertaining to Rotary and to Texas propounded by Roy Young, many of which could not be correctly answered by Rotarians present.

Rev. Geo. A. Dale made a few remarks appealing to the members of the Rotary Club to keep their programs on a high plane and above all possible criticism during the year 1939.

Visiting Rotarians, Superintendent M. L. H. Baze and Judge Homer Winston of Brownfield made brief but interesting talks. E. E. Hancock, a Rotarian, and superintendent of the Ralls public schools, was also present.

Other visitors were Ben Brown of Belton and Bill King of Tahoka.

NOTICE, P. O. BOXHOLDERS!

Postmaster W. E. Smith says that he has more applications for P. O. boxes than the supply. Therefore, unless those who have boxes pay the rent promptly, the boxes will be rented to other applicants. The rent is now due.

The News received this week from one of its readers out on Route 4 a very fine discussion of some religious topics. If the News were a church publication we would gladly use this article, but since it is a mere secular paper we can not use religious discussions of such length. This article should be sent to some denominational paper.

Mr. and Mrs. Ben Brown and two daughters of Belton and Mr. and Mrs. Ray Stephenson of Perry, Oklahoma, are here visiting Mr. and Mrs. W. L. Brown, Mrs. Jewell Wells and Miss Mary Bland Wells. Mrs. Stephenson is the former Miss Evelyn Wells.

Mr. and Mrs. Conrad Tubbs and daughters of Coleman spent Christmas here with Mr. and Mrs. T. T. Garrard. Mr. Tubbs is a brother of Mrs. Garrard.

Miss Lottie Jo Townes, student in T. C. U., is here visiting her mother and brothers, Mrs. C. B. Townes, Reed and Charles.

Mr. and Mrs. Bill Sewell and Little son of Lubbock visited her parents, Mr. and Mrs. Ray Weathers, this week.

Mrs. H. L. McMillan returned Tuesday night from Plano, where she spent a few days with her mother, who is sick.

Mr. and Mrs. George W. Small are spending the week end in Brownwood visiting his sister and other relatives.

Terraces Check Erosion Damage

Broad-based, level terraces with closed ends retain practically all the water on the land where it falls, giving an equal distribution of moisture which results in a uniform crop stand. Farmers of the wind erosion area are finding that yields on terraced fields are higher and that erosion is checked. Terraces are recommended wherever contour farming is not sufficient to prevent loss of water. This farmer is constructing a terrace on a field in one of the Soil Conservation Service demonstration areas.

MISS PAULINE SMELSER WEDS MEMPHIS MAN

Miss Pauline Smelser, daughter of E. L. Smelser and until recently a deputy county clerk of Lynn county, was married at high noon Friday to Hubert O. Dickson, an employee of the Stanolind Oil and Gas Company, at the parsonage of the Polk Street Methodist Church in Amarillo. Rev. C. C. Grimes, the pastor read the marriage vows in a double ring ceremony.

The bride wore a Roosevelt blue dress with Japonica Tan accessories, her shoulder bouquet was of gardenias. Only a few relatives and friends of the couple were present. The bride's father, E. L. Smelser, and Eldon Gattis accompanied the couple from Tahoka to Amarillo Friday morning.

Following the wedding ceremony, a dinner was given in honor of the couple in the home of the groom's sister and husband, Mr. and Mrs. Jack Sitton, after which they left for Dodge City, Kansas, where they will reside.

Mrs. Dickson was reared in and near Tahoka. Following her graduation in the Tahoka high school several years ago, she took a business course in the Metropolitan Business College in Dallas, and was later appointed by H. C. Story, county clerk, as one of his deputies, since which time she has served in that capacity most efficiently and faithfully.

The groom is the son of Mr. and Mrs. Geo. R. Dickson and was reared near Memphis in Hall county. For three years he was a student in the University of Texas and then accepted a position with the Stanolind Oil and Gas Company, for whom he has been engaged with others in making seismicographic surveys. While stationed in this county he first met Miss Smelser, their friendship soon growing into a romance that culminated in their marriage.

ELMER LEE KING AND MISS FAYE GABLE WED

The belated news came to us Saturday that Elmer Lee King, son of H. J. King of the Dixie community, and Miss Faye Gables of Tahoka were united in marriage on the preceding Saturday night at the home of Rev. D. W. Reed of the Garlyn community, the minister officiating.

The couple will make their home in the Dixie community and will engage in farming.

A most unfortunate accident befell the wedding party. Mr. King says, as they were approaching the minister's home. Suddenly two of his tires went flat and he was driving out beside the road to park the car when another car driving close behind him undertook to pass. As it did so it caught his rear bumper on one side and turned his car over. Besides the bride and groom, the car was occupied by two of the bride's sisters and the husband of one of them. One of the women was rendered unconscious for a few hours and suffered from severe bruises on the face and head. Other members of the party were only slightly hurt.

Raider Parade At Cotton Bowl

Lubbock, Dec. 27.—Texas Tech's Red Raider supporters throughout the South Plains and other points in West Texas will have an opportunity January 2 to march in one of the largest parades ever staged in Dallas or the Lone Star State.

Announcement of this fact was made late this week in Lubbock after several special committee meetings were held to work out plans for the "On to Dallas Parade" for the Cotton Bowl Game. Archie Underwood, local chairman of the Dallas Cotton Bowl Committee, appointed five committees in Lubbock to organize and systematize arrangement for the celebration.

At least one special train will leave Lubbock, and the date will be Sunday night, January 1, at 10:45 p. m., arriving in Dallas the next morning at 8:30 a. m. Reservations are coming in fast, and the committees announced that those who have not made reservations should do so at once. If necessary, another special train will be chartered. Every train, whether regular or special, coming into Dallas will arrive in that city the morning of January 2 within a 45 minute period.

The Santa Fe, Texas & Pacific, and Fort Worth & Denver trains arriving in Dallas the morning of January 2, all will arrive between 7:45 and 8:30. Regular as well as special trains will bring thousands of Red Raider boosters to the Cotton Bowl city.

Present plans call for a huge parade to begin at the Union Station in Dallas shortly after the arrival of the last train. Headed by the Texas Tech band and assisted by the Lubbock Westerners High School band, thousands of West Texans will parade up Main Street to the West Texas headquarters at Hotel Adolphus, a number of other bands from over the state, including several from the city of Dallas, will meet these special trains and escort them to their downtown headquarters.

Every person going to the Cotton Bowl game, whether on a special train, chartered bus or in private cars, is asked to be at the Union Station in Dallas not later than 7:45 Monday morning, January 2. Those who go to Dallas ahead of time are urged to be present and have a part in this huge parade.

"It is hoped," said Mr. Archie Underwood, "that every town on the South Plains and in West Texas will be represented in this parade. The Lubbock committee will be glad to assist you in your plans for the trip to Dallas and the Cotton Bowl game. Let's show these people that the Red Raiders have a real crowd of backers."

Virtually every civic and lunch-ten club on the South Plains, and in eastern New Mexico has been visited by members of the special committee. Chas. A. Whitacre, chairman of the Good Neighbor Committee of the Lubbock Chamber of Commerce, had direct charge of this committee.

Mr. and Mrs. Fred Elliott of Floresville, enroute home from a holiday visit to his parents in Lubbock, stopped briefly at the editor's home Tuesday, Mrs. Elliott and Mrs. Hill being friends of many years. Mr. Elliott is county agent of Wilson county but was formerly connected with the Extension service in Lubbock county. Mrs. Elliott, the former Miss Nordeet Grimes, was county home demonstration agent in Lubbock county and has served in the same capacity in other West Texas counties.

G. C. Price, who is attending an embalming school in Dallas spent the week end here with his parents, Mr. and Mrs. J. G. Price.

E. H. Smith and family spent the holidays with relatives at Lamesa and Roby. Mr. Smith is principal of the grade school here.
