Tahoka, Lynn County, Texas, Friday, April 14, 1939.

Number 35.

Lynn County Teachers Hold Annual Banquet In Tahoka

State Supt. Woods Was Speaker Here Last Friday

Nearly 100 Lynn county teachers were present at their annual banquet in the Tahoka gymnasium Friday night, at which L. A. Woods, state superintendent of public instruction, was the principal speaker. Mr. Woods delivered an excellent address which his audience seemed to appreciate.

The banquet was arranged by Mrs. Lenore M. Tunnell, county superintendent, and the food was prepared and served by the Tahoka home economics girls under direction of Mrs. Fred Hegl. Mrs. Tunnell presided as toastmaster.

Supt. J. T. Carter of New Home pronounced the invocation.

Supt. W. T. Hanes of Tahoka welcomed the visitors and Supt. Green of Draw responded. Other program numbers included songs, "Beautiful Texas" and "School Days" by the assemblage, directed by Miss Georgia Taylor of Tahoka, accompanied at the piano by E. E. Day, Lubbock, deputy state superintendent; reading by Mrs. P. H. Davidson, Wilson; solo, Miss Mary Bland Wells; and brief remarks by others present.

Tom Garrard, local attorney and former member of the state board of education, also spoke. The state superintendent was introduced by E. E. Day, Lubbock, deputy state superintendent.

Prominent Lady Buried Sunday

Not widely known in Lynn county was Mrs. Nette Hull Tarver, native of Belton and for many years a resident of New York City, who died at 6 o'clock Saturday morning at the home of her sister, Mrs. G. K. Smith, on the old Carter farm twelve or thirteen miles southeast of Tahoka in the Redwine community. She had been a resident of this county only eighteen months.

Funeral services were conducted at the Harris Funeral Home here at 4 o'clock Sunday afternoon by Rev. W. P. Brian of Fieldton, pastor of the Redwine Baptist Church. The body was interred in the Tahoka cemetery. Herman Huffaker, Bernice Carlisle, E. W. Holloway, Bob Trayweek, Clyde Alsop, and Bob Luttrell were the pall bearers. Lee Poer, Paul Lawson, C. B. King, and E. P. Hale had been named as honorary pall bearers.

Mrs. Tarver first became seriously ill a few weeks ago with pneumonia. She was recovering from this illness when heart trouble developed, which was the immediate cause of death.

Mrs. Tarver's husband, M. E. Tarver, preceded her in death several years ago in New York City. She left surviving one brother and three sisters, Dick Carter of Amarillo, Mrs. Charley (Maude) Donaldson of Snyder, a long-time resident of Lynn county and well known here, Mrs. G. K. (Ada) Smith of the Redwine community, and Mrs. H. J. Place of Tuscon, Arizona.

As Miss Nette Carter, deceased was one of the most popular and talented young women of Belton. Born February 14, 1878, she was reared in that city, and was married to Maurice E. Tarver, also of Belton, in 1900. Soon afterwards they removed to New York City, where they prospered, but later the wheel of fortune turned, Mr. Tarver died, and finally Mrs. Tarver came to Lynn county to reside with her sister, Mrs. Ada Carter Smith, who herself was one of the pioneers of Tahoka and Lynn county.

Mrs. Tarver was a member of the Baptist Church. The brother, sisters, and other near relatives have the sympathy of many friends.

Mrs. P. Coleman, who has been ill for several weeks at her home here, was taken to Ballinger Sunday, where she will spend awhile in the home of her mother recuperating. Mr. Coleman returned to his home here Monday.

Athletic Show Next Thursday

On Thursday night, April 20 the High School athletic department will stage a boxing and wrestling tournament with contestants from New Home, O'Donnell, Cooper and Tahoka.

The Tahoka boys have just about split even in similar contests being held at New Home. The matches held in Tahoka promise to be fast and furious. There has been some agitation for some time for this kind of an affair and the boys from the above mentioned places are already in training for the event.

If you like good clean, lively sport of this nature, you are guaranteed an exciting time because these boys do not pull punches and every man plays for keeps.

Illa Faye Terry Dies Of Asthma

Funeral services were held at the Church of Christ here at 3 o'clock Thursday afternoon for little Illa Faye Terry, the seven-year-old daughter of Mr. and Mrs. Charlie Terry of this city who died in the Lubbock Sanitarium about four o'clock Wednesday afternoon. Asthma was given as the cause of the child's death.

The condition of the child became serious Tuesday night and on the next morning it was sent to the sanitarium on the advice of a local physician, and it died within a few hours after its admittance into the sanitarium.

The funeral services were conducted by Elder J. L. Nisbett, pastor of the Church of Christ here, and Elder R. P. Drennon of O'Donnell, and the body was interred in the Tasoka cemetery under the direction of the Harris Funeral Home.

The Terrys have been residents of this county for a number of years, residing at first in the New Home community, but the child was born while they resided at Brownfield. For the past year or two they have been residing in Tahoka. Mr. Terry is employed as a mechanic in the tractor repair shop of D. W. Gaignat.

Illa Faye was the only child of Mr. and Mrs. Terry, and her sudden and unexpected death was a terrible blow to them. They have the deepest sympathy of the people of Tahoka and especially of those who have undergone a similar sorrow.

Traffic Ordinance Will Be Enforced

City Marshal W. M. Lee and county Attorney Rollin McCord are cooperating in the enforcement of traffic ordinances within the city. They state that on and after April 15 persons found willfully or carelessly violating these ordinances will be fined. If prosecutions become necessary, Mr. McCord has agreed to prosecute. These steps are being taken in the interest of public safety.

Piggly Wiggly Changes Name

A change has been noted in the name of the Piggly-Wiggly Store here. Garlington Food Stores has been added as a kind of prefix. There has really been no change in the ownership, Roy Young explains. He still retains his half interest in the store and Mr. Garlington his half interest.

The change in the name was made purely for business reasons.

Reports from the West Point community are to the effect that Mrs. J. B. Curtis who was accidentally wounded by gunshot at the rabbit drive in that community last week is still in a serious condition. The flesh was terribly lacerated and the wound has not yielded readily to treatment. She is said to be in a very weakened condition but it is hoped that she will soon show much improvement.

Band Does Well At Plainview

Tahoka's high school band gave a good account of itself in the band contests held in Plainview last Friday.

Being a first year band, it contested in the Class D division. It scored first in sight reading and first in concert numbers in this division. It scored second in general rating.

Individual members winning places in the contests were:

H. B. McCord Jr., playing a French horn, his number being "Berceuse" from Jocelyn, who won second place; and

Carl Griffing Jr., playing a clarinet, his selection being "Mighty Lak' a Rose", who won second place.

Mrs. J. K. Applewhite was the piano accompanist.

There were four divisions, A, B, C, and D, grouped according to the number of years the bands had been organized.

All together there were forty-six bands participating in the contests with a membership of approximately 3,000. It is said. Great throngs from all over the plains and adjacent sections of West Texas were present to enjoy the occasion.

Quite a large number of Tahoka people accompanied our band, consisting of parents and interested friends of the band members. Fourteen cars were required to convey the Tahoka party.

New Members On School Board

Prentice Walker and John Slover were sworn in as trustees on the Tahoka school board, succeeding W. L. Burleson and the late Dr. L. E. Turrentine whose terms had expired. Burleson, who had served on the board six years, had requested that his name not be filed as a candidate for re-election.

The board re-elected Frank Hill president, and Henry Maassen was elected to succeed Burleson as vice-president. Other members are H. B. McCord, L. C. Haney, and J. O. Tinsley.

Borden Davis Buys Phillips Station

Borden Davis, who has been employed in the Applewhite Tractor house at Brownfield the past several months, has purchased the business and fixtures of the Phillips Service Station here and he and family have already moved back to Tahoka. H. B. McCord, from whom he purchased the station, retains the wholesale end of the business and will continue to make his office at the Phillips Station. All the employees of the station will retain their positions.

Mr. Davis, before removing to Brownfield about a year ago, had been a resident of Tahoka for many years. He had been connected with various business concerns here, but chiefly with the Harris-Applewhite hardware, implement, and furniture business until they dissolved partnership a few years ago, when he accepted employment with the Applewhite Tractor Company. He is an excellent business man and has plenty of friends here and throughout the country.

Mr. McCord will devote his entire time to the wholesale oil business and other enterprises with which he is connected.

Mr. Davis and family are occupying a house on the W. L. Knight premises.

DEPUTY GRAND MATRON VISITS LOCAL CHAPTER, O. E. S.

Paying her official visit to Tahoka Chapter, order of the Eastern Star, Friday night, April 7, Mrs. Edith Cramer, Deputy Grand Matron of District Two, Section Four, instructed the officers in their work and expressed satisfaction with the general condition of the Chapter.

Mrs. Cramer paid her official visit to the O'Donnell Chapter Monday night, April 10.

Pink L. Parrish, prominent Texas politician, who died Monday.

Sen. Pink Parrish Buried Tuesday

One of West Texas' most colorful political figures passed from the stage of action Monday morning when Pink Parrish of Lubbock breathed his last.

Death resulted from double pneumonia which developed Sunday night, following the amputation at his right leg on Friday.

The condition of the right leg finally became such that amputation was deemed imperative. The patient is said to have stood the operation remarkably well, but the pneumonia which developed proved (Cont'd. on back page)

Post Doctor Was Buried Sunday

POST—Last rites for Dr. V. A. Hartman, 54, were conducted Monday afternoon in Post First Methodist church.

The physician died at 6:20 o'clock Sunday morning in a hospital in Lubbock.

Interment was in Post cemetery. A Masonic ceremony was conducted. Davis-Mason Funeral home directed funeral arrangements.

Dr. Hartman suffered a heart attack Saturday afternoon and entered the Lubbock hospital about 1 o'clock Sunday morning.

He moved to Post in 1928. He was an eye, ear, nose and throat specialist.

He is survived by his wife; one daughter, Frances and one son, V. A. Jr., both senior students in Post High School.

Gin Directors Will Meet April 26th

The directors of the Farmers Cooperative Association No. 1 have announced that the annual meeting will be held Wednesday, April 26th, at the gin, beginning at 10:00 a. m.

The meeting will be held in the new building and a large crowd is expected.

The morning program will be of an educational and entertaining nature, followed by election of directors and other business in the afternoon.

Several committees have been appointed by the president, B. J. Emanuel, to make all necessary arrangements.

Other officers are G. L. Cobb, vice-president; E. J. Cooper, secretary; and Claude Donaldson, Manager.

Negro Ball Team Will Play Sunday

The Tahoka Tigers, colored, will play the colored team from Ralls here next Sunday afternoon, according to Aaron Sales, the manager.

The Tigers played O'Donnell last Sunday and got licked, the score being 11 to 6.

FOUND KEEPER APPOINTED

Dr. O. W. Williams has been re-appointed pound keeper for the city of Tahoka. He announces that all stock running at large within the city limits after the appearance of this notice will be impounded. The impounding fees are \$1.00 plus feed bill.

Leonard Craft New Rotary President

Girls' Style Show Is Wednesday

On Wednesday, April 19, from two until four, the girls of the Homemaking Department of the Tahoka High school, will sponsor an exhibit of work done this year, according to Mrs. Fred B. Hegl, the teacher.

Beginning at eight o'clock in the evening the judging of dresses will take place to determine the winners of the state rally trip to Galveston.

The exhibit and judging will take place in the grade school gymnasium. All mothers and friends are invited.

Castor Beans New Crop In County

In looking for a new cash crop for the South Plains counties, farmers plan to plant around 2000 acres of castor beans this year. Of this amount 200 acres has been allotted to Lynn county.

Planting seed will be furnished free of charge to plant from 5 to 10 acres on a farm, and the full crop contracted at 60 cents per bushel. The crop will produce from 25 to 50 bushels per acre, under normal conditions.

Castor beans are planted in regular width rows with a corn plate, and no special equipment is needed for planting, cultivation or harvesting. From one to two cultivations is required for the crop.

The seed are now ready for distribution and farmers interested should make application for seed through County Agent Turner immediately.

And The Typewriter Came Back Home!

After J. B. Nance had arisen and dressed Tuesday morning, he went to the front door for some purpose, and when he opened it, lo! and behold! there sat a typewriter just outside. Fastened in it was a sheet of paper on which was typewritten the following wise-crack: "Thanks for the typewriter, old chap, I'll do something for you sometime."

It was a typewriter that had been stolen from Mr. Nance's little residence about nine months ago. While he was away, somebody broke out a window light, entered the building, and took therefrom a typewriter and a few other little articles. Mr. Nance was unable to get any trace of it, but the culprit evidently decided to return it, and it was returned under cover of darkness.

Mr. Nance asked us to express his thanks to the person who returned his machine and says that he has no ill will whatever against the guilty party. His only loss lies in the fact that he was compelled to buy another typewriter and he now has two good machines on hand.

McPherson Moves To Seagraves

Mr. and Mrs. Leon McPherson moved to Seagraves Monday, where Leon will be employed in Mack's Grocery Store there. Gail Maguirk, who has been operating the Market in Mack's Food Store here, left Wednesday for Seagraves to operate Mack's Market at that place.

Mack says that his entire force of employees at Seagraves now are former Tahoka residents — Jack Minor, Truett Holloway, Curtis Wilbanks, Leon McPherson, Gail Maguirk, and possibly one or two others.

Dave Sanders of Slaton has taken Maguirk's place in the market here.

W. A. Reddell and E. H. Bouillon attended a meeting of the Boy Scout finance committee for the South Plains Area Council in Lubbock Tuesday night and report that fine interest in Scout work is being manifested among the business men of the entire Area.

Four New Directors Elected By Body On Thursday

Leonard Craft was elected president of the Rotary Club for the ensuing year at the club luncheon Thursday. He will succeed Ray Weathers, who has served the past year. Charles Townes was re-elected secretary.

Four members of the board of directors also were elected, as follows: Wynne Collier, Dr. K. R. Durham, Leonard Craft, and W. E. (Happy) Smith. Frank Hill and L. C. Haney are hold-over members. Wynne Collier had been a member of the board and was re-elected. The president is elected by the board. The retiring president Ray Weathers automatically becomes a member of the board.

Jack Welsh and Al Lehman were welcomed into the club as new members.

At the luncheon on the preceding Thursday, Mayor Deen Nowlin made a very interesting and illuminating report on city finances.

O'Donnell Club Banquet Tonight

Rotarians from almost a dozen West Texas cities and towns are expected to gather in O'Donnell tonight to witness the ceremonies incident to the presentation of the charter to the newly organized Rotary Club in that city. Many of them will bring their wives. The meeting will be held in a spacious building in the heart of the business district, and a banquet will be served.

The High School band under the direction of J. H. Felts, will play a concert beginning at about 7:15 and lasting an hour as a prelude to the program.

The organization of this club was sponsored by the Tahoka Club and it is starting off with twenty-five charter members, Marshall Whitsett, druggist, is president of the new club, Mack Haymes, realtor, is vice-president, and Mack Nojge, postmaster, is secretary. Mack Haymes will welcome the visitors tonight. Ray Weathers, president of the Tahoka Club, will preside. Rollin McCord is the special representative of the Rotary International in effecting the organization and has worked hard and faithfully to put the project over.

District Governor Linton H. Estes of Wichita Falls will be the principal speaker. J. Edd McLaughlin, of Ralls, past district governor, and other high-ups in Rotary work will also be on the program. Jay Slaughter of Post, Carl Roundtree of Lamesa, and Wynne Collier of Tahoka are expected to speak.

Nearly all members of the Tahoka club and wives of some of them will be there. Lubbock promises to bring 25 or 30 members, Lamesa 30, 40 members and Rotary-Anns, and Slaton at least ten. Representatives from Post, Abilene, Sweetwater, Midland, Odessa, Brownfield, Seagraves, and Ralls are also expected. It has been estimated that 250 people will gather around the banquet board.

This will be a great occasion for O'Donnell.

First Mayor Of O'Donnell Dies

A death of more than passing interest to many people in the south half of Lynn county occurred on Sunday, April 3, when W. R. Sanderson of O'Donnell passed away. He had been the first mayor of that little city. More than 84 years of age, he had had a most interesting and useful career. Born in Louisiana, Mr. Sanderson had spent six years in early manhood in Central America, but he was married in Waco, Texas, and spent most of his life in this state. He had been an honored and highly respected citizen of O'Donnell since 1922. His body was buried in Big Spring.

Book Review By Abilene Woman

The Review of the great new English Novel "Royal Regiment" to be given in the high school auditorium Thursday afternoon, April 20, by Mrs. Dale Morrison of McMurry College promises to be a great event in Tahoka, according to members of the Phebe K. Warner Club, who are sponsoring it.

"Royal Regiment" was written recently by Gilbert Frankau, now considered England's foremost novelist, and was selected as "The English Book of the Month". The setting is during the time of the Coronation and the Abdication of Edward VIII—now Duke of Windsor. The heroine is an American woman whose problem was much like Mrs. Simpson's, and she was trying to solve it at the same time that the great love episode in England was at the climax.

Mrs. Dale Morrison, the reviewer, has filled over two hundred engagements as a reviewer and lecturer during the three years that she has been connected with McMurry College. Wide travel and many contacts with young people all over the world have given her an unusual understanding of modern fiction.

Mrs. Morrison was a student at Oxford University in England during the first months of the reign of King George VI. Staying in English homes and talking with all classes of people, she was able to feel out the masses regarding "Edward and Wally".

This review will afford a treat for the people of Tahoka. It will be given at 3 o'clock Thursday afternoon, April 20, in the high school auditorium. An admission fee of only 25 cents will be charged, and the proceeds will be placed in the high school band fund.

Roy Anglin, 12 son of Mr. and Mrs. W. S. Anglin, had his tonsils removed in a Lubbock hospital Saturday.

Mrs. Dale Morrison, prominent lecturer, who will review "Royal Regiment" here next Thursday afternoon.

Jack Stricklin Out Of Hospital

After being a patient in a Brownfield hospital for almost three weeks following an attack of flu and pneumonia, Jack Stricklin, editor of the Terry County Herald, was able to be taken back to his home early last week. He was still not able to return to his work in the Herald office however, his good wife carrying on while he was recuperating.

Jack stated plaintively that that left him in the home by himself part of the time and naturally his mind wandered back to the hospital and the "kind-hearted nurses" who had been waiting upon him. We thought we detected a desire to go back. We are really afraid Jack is going to relapse, and we would not be surprised to hear at any time that the nurses have got him again.

Seriously, we hope that Jack may soon be thoroughly well again and back on the job in his sanctum sanctorum.

Mrs. John Lee of Stephenville and her daughter, Mrs. Clara Burks of Big Spring were here Saturday visiting W. M. Lee and other relatives. Mrs. Lee is a sister-in-law of W. M. and Mrs. Burks is his niece.

Miss Ola Bell Singleton, secretary to Senator G. H. Nelson, was an Easter visitor here in the home of her parents, Dr. and Mrs. J. R. Singleton.

Band Grateful For Assistance

The Tahoka High School is very grateful for the confidence and interest shown by parents and other citizens of Tahoka in offering their cars and accompanying the band to Padonville April 6.

The contest record of the band speaks well of the high standard of work. Of the two soloists entered, H. B. McCord Jr. and Carl Griffing, both won second division rating.

The decisive test was this: the band won first division rating above all other D class bands in sight reading. The band also won first division rating on inspection. The average rating was second division.

Who made all this possible? None of the band work could have been made possible without the vision and progressiveness of the school superintendent, W. T. Hanes, and of the members of the school board. Mr. Hanes and the board are "sold" on the educational possibilities of an instrumental music program and they offer every encouragement to the students in the band and to prospective members.

Miss Taylor developed a fine class of lower grade school pupils on the Tonette which is a very fine instrument to prepare students for the more advanced instruments of the band. At present Miss Taylor is developing an excellent class of beginners on the most needed instruments for the band and about eighty percent of this group plan to join the band this summer.—J. H. Felts, director.

Mr. and Mrs. J. R. Strain and their daughter, Thelma Ruth, of New Home went down to Colorado City last Friday to visit relatives. They returned Sunday. They were accompanied to Colorado City by Mr. Strain's sister, Mrs. E. R. Uzzie of Colorado who had been visiting the family for a few days.

Mr. and Mrs. W. O. Robertson had as their guests last week-end Mrs. Vera Schmid and twin sons, Eldon and Ellis, and Bill Craig, all of Lubbock, Miss Jerry Kay of Mt. Pleasant, and two young men of William Keeny, who had been here a week or more visiting. All left Sunday.

Mr. and Mrs. C. W. Kerbbs of Levelland and their son Plemon of Ada, Oklahoma, were here Tuesday visiting Ira Krebbs and family.

Charley Latham fell over a "saw" broke a rib, and it is believed two and going but will be unable to do horse" at his residence Sunday and other ribs were cracked. He is up any real work for several weeks.

Southern Women Eager to Tell!

"One is bound to be gratified by the enthusiasm of Southern women for CARDUI" says one of the Touring Reporters now conducting a Query in Southern cities.

"Of the 1297 CARDUI users we have seen so far," she said, "1206—93 out of every 100—said it definitely benefited them!"

CARDUI's remarkable success in helping weak, rundown women who suffer from headache, depression, nervousness, and other symptoms of functional dysmenorrhea due to malnutrition, is explained by the way it promotes appetite and digestion, and so builds physical resistance. Try CARDUI!

REPORTS FROM THE COUNTY CLUBS

Miss Maurine McNatt, Agent

WINDOW CURTAINING

"Color has an impelling force and is perhaps the most important single factor in window decoration," Miss Maurine McNatt, Lynn county home demonstration agent, told the women of the Draw-Rodwine club at their meeting April 7, in the home of Mrs. Gramam Hensley.

Blues, greens, and violets suggest distance and coolness and are called the receding colors. In climates where the sunlight is intense most of the year, these colors are restful in any room regardless of exposure. Greens and blues, however, must be used cautiously in glass curtains, because the transmitted light may be unpleasant. In moderate climates, warm colors, rightly used, are successful for any season.

In the business session Mrs. Graham Hensley was elected president. Mrs. John Bankston was elected vice-president. The club voted to have the dairy show in connection with the meeting at Mrs. Dutch Crawford's home on April 21, at 2:30 p. m. All club members are urged to attend, all visitors are welcome.

POULTRY EQUIPMENT MADE AT HOME

The West Point 4-H Club met at the school house Tuesday morning April 4, at 9:00 o'clock. The club sponsor, Altha Wayne Jennings gave some ideas on making poultry equipment at home, including feeders and waterers for baby chicks.

One should have plenty of feeders and keep them clean. One two-foot feed trough per 50 chicks is recommended. One should also have enough drinking fountains that there will be no waiting for a drink. A good water fountain may be made from a pie pan and syrup bucket.

Members present were: Jo Barham, Nita Bragg, Elwyna Cullins, Ruth Gillespie, Pauline Gillespie, Ila Mae Shaffner, Dorothy Rusk, Bennie Dale Flint, Lois Dean

COUNTY PICTURE MEMORY WINNERS—Here is the picture memory team of New Home school which captured first place in the Lynn County Intercollegiate league meet recently for the fifth consecutive year. Pictured from left to right, front row: Billie Lou Ray, Evelyn Louise McClure, Doris Jean Smith, Helen Balch, Winona Izard; back row: Bobbie June McCormick, Catherine Kornegay, Sude Kornegay, Robbie Jean Bennett, Tera Mae Caffey and Mrs. A. L. Pace, instructor in the school, under whom the students have made their unusual record.

Jester, Mildred Flint, Bernice Bartley, Earlene Jester, Mable Brown, Fannie Mae Flint, and Altha Wayne Jennings, Sponsor.

The next meeting will be at the school house Tuesday morning, April 19, at 9:00 o'clock. Visitors are always welcome.

TAHOKA CLUB DAIRY PRODUCTS SCORE HIGH

"Quality Dairy products must have a flavor characteristic of its kind," stated members of the future farmers judging team of Tahoka High School at the regular meeting of the Tahoka H. D. Club which met with Mrs. Francis Gill, Wednesday April 12 at 2:30 P. M.

To avoid off flavors in Dairy products the range should be free of all obnoxious weeds, and special care should be taken of the cow to prevent a cowy or dirty flavor. In commenting on the milk exhibited the boys said it was far superior to any they had scored this season. The judging team was composed of Dee Parker, Junior Sanders, and Edward McMillan.

Boyce Evans talked on good butter making, and Lester Adams talked on the care and cleanliness of milk.

Eight attractive and nutritious cheese dishes were scored by Mrs. H. M. Snowden, club president.

Council report was given by Mrs. S. H. Holland. Mrs. L. O. Mitchell volunteered to be home food supply demonstrator to succeed Mrs. Jack Corley, who is ill.

The club will again meet April 23 in the home of Mrs. A. C. Weaver, with Mrs. M. C. Finch as co-necess. The program will be "Fancy Quick Breads."

WELLS 4-H CLUB

"The brooder house should be sufficiently heated to keep the chicks warm and comfortable," Miss Maurine McNatt, home agent, told members of the Wells 4-H club at their meeting Thursday, April 6, at the school building, at 10:45 A. M.

"The action of the chicks rather than the thermometer is the surest guide toward the correct tempera-

ture. When the temperature is right, the chicks when resting will lie or spread out in a circle around the outer edge of the hover. If a thermometer is used it should be placed about two inches above the floor. A temperature of 93 degrees or 100 degrees Fahrenheit is desirable during the first week. The temperature can be gradually lowered each week if conditions are favorable."

The next meeting will be Thursday, April 20, at the Wells school house. Mrs. Virgil Bolch, the sponsor, will talk about home-made equipment.

Little Anita Jo Rochell, who had been visiting in the editor's home for a week, returned to her home in Lubbock Sunday. Her little sister, Sara Sue, who had been in the Lubbock Sanitarium for a week following a double mastoid operation, was released from that institution Friday.

GRASSLAND 4-H CLUB

"Fowl pox is a very common disease in poultry, but can be eliminated with a little precaution," stated Miss Maurine McNatt, home agent, at the regular meeting of the Grassland 4-H Club Friday, April 7, at 9:00 A. M., at the school building.

"Pullets and cockerels can be vaccinated to prevent fowl pox. The method used is to pluck a few feathers from the thigh of the young birds and then apply a very small amount of vaccine with a brush to two follicles. Care must be exercised to see that the vaccine is applied to a very small area as too much is harmful. The best age for vaccinating is when the birds are from one to three months of age. Do not vaccinate grown birds or pullets coming into lay."

Mary Ruth Edwards was elected recreational leader.

Several new songs were learned. The girls made plans to attend the county wide slumber party April 21 in Tahoka.

The next meeting will be April 21st with the sponsor, Miss Pauline Travis, in charge.

Rare Book Given To Tech College

Lubbock, Texas, April 13.—A 291-year-old volume containing all the extant work of Tacitus, Roman writer of the Silver age of Latin literature, has just been presented to the Texas Technological College Latin club by Judge J. D. Hamlin of Parwell.

The sheepskin-bound book, printed in Antwerp in 1648 by the Plantine House of Balthasar Moretus, will be kept in the Tech library. Published by one of the three most important printing houses in Renaissance Europe, the book is in perfect condition.

Roger Curry, operator for the Brownfield News, who underwent an operation for appendicitis a little more than two weeks ago, is spending the week here in the home of his sister, Mrs. Borden Davis, recuperating.

MIDWAY NEWS

An Easter program was given by the Midway students at the Bethel Church last Sunday. After the program dinner was served to all those present. Brother Brian delivered a sermon in the afternoon and the children had their annual Easter egg hunt.

Mr. Cleveland Littlepage and his roommate, Mr. Howard Alberson, who teach at Hobbs, Texas, spent the Easter holidays with Mr. and Mrs. R. L. Littlepage.

Little Miss Patsy Fred M. Ginty of T-Bar is spending a few days in the home of Mr. and Mrs. Howard Draper.

Mrs. Alice Duncan spent the week end with her parents in Leveland.

Mr. and Mrs. Paul McDonald and family spent last Sunday with relatives in Seagraves.

Miss Earlene and Mable Williams spent Sunday in Post.

Miss Marian Draper a senior in Texas Tech, spent the Easter holidays in the home of her parents, Mr. and Mrs. I. M. Draper.

G. C. Price, who is attending an embalming school in Dallas, has secured a job with the Ed Smith Undertaking parlors in that city to serve out his apprenticeship, his father, J. G. Price, reports.

Mrs. Myrtle Doolin is here visiting her parents, Mr. and Mrs. E. J. Cooper and other relatives.

Gas Gas All Time

Mrs. J. M. Miller says: "Gas on my stomach was so bad I couldn't eat or sleep. One even pressed on my heart. Adierika brought me quick relief. Now, I eat as I wish, sleep fine, never feel better."

COTTON

The Only Cotton Being Bred on the Plains that is Ginned on a Strictly One Variety Gin

10 Quick Facts About PAYMASTER Cotton

- 1. Early maturing**—Exceptionally heavy poundage on first picking. The Plains country has the shortest growing season in the cotton belt—an annual average of only 198 frost-free days.
- 2. Long staple**—Between 15-16 inch to inch and better depending on moisture and soil fertility.
- 3. Exceptional lint turnout**—38.3 per cent on the first 100 bales picked in 1938 and 30.6 per cent on "snaps" on first 100 bales harvested in 1938—a high figure for staple cotton.
- 4. Fiber**—A hard fiber of good spinning qualities.
- 5. Big ball**—Average 50 to 60 per pound and over 90 per cent are five-lock.
- 6. Drouth-resistant**—A deep rooting heavy plant that stands up well under adverse growing conditions.
- 7. Heavy yield**—A high pounds-per-acre return that spells extra dollars per field, per season.
- 8. A strong open stalk of medium height**—with light foliage which allows sunlight to hasten maturity on lower branches.
- 9. Priced** at moderate cost.
- 10. A home product for home need**—At last, the South Plains has a proven strain of cotton especially bred to fit its particular needs.

**AMERICA SHOULD FACE
THE FACTS**

For the past year Hitler has been
taking the lead in this land-grab-
bing business in Europe, and Mus-
solini has been backing him up.
Last week, Mussolini seems to have
taken the lead, backed up by Hit-
ler. He sent his warships and his
soldiers across the Adriatic and
quickly subjugated the little country
of Albania.

Albania is not an important
country within itself. It has an area
of about 17,000 square miles, the
equivalent of twenty South Plains
counties, and a population of nearly
a million people. But it has no fac-
tories, few if any banks, and not
a mile of railway. A very large per-
cent of the people are illiterate and
poor. Nearly half of them are of
Turkish descent and are Moham-
medans. A majority of the other
half are of Slavic origin and are
Catholics. It is a mountainous
country and the soil not notably
productive. But the people are of

an independent spirit and there are
few Italians among them. Italy has
little claim upon the country by
ties of blood.

But Albania lies, immediately
north of Greece and south of Yugo-
slavia. Yugoslavia is productive and
rich in natural resources. With
Italy exerting pressure from the
west and south and Germany from
the west and north, it may become
an easy prey to the dictators, who
doubtless plan to then subjugate all
southeastern Europe and wrest the
control of the Mediterranean from
the British and the French. This
would cut England off from Egypt
and India and would cut France off
from her African and Asiatic col-
onies. Thus the struggle to stop
Hitler and Mussolini becomes a life-
and-death struggle with England
France. Mussolini's grabbing of Al-
bania supported by Hitler, is there-
fore the most significant and men-
acing move that either dictator has
yet made. If it should be followed
up by the dictators, it means almost
certain war.

If war should come, what would
be the consequences? Nobody can
tell. But if Germany and Italy
should win, that would mean the
end of France and of the British
Empire. That empire would be dis-
membered and divided up among
the spoilsmen. We might expect to
see the German flag flying over the
British parliament. Having become
masters of the Eastern world, the
next move of the victors would be
to subjugate the countries of South
America.

We may prate all we please about
the quarrels of Europe being no
concern of ours, but when we do so
we are like the ostrich that buries
its head in the sand and sees no
danger. If a general war breaks out
in Europe, it will be of the greatest
possible concern to every citizen of
America. We should face the stern
facts now; otherwise we may be
compelled to face them a little fur-
ther on.

We stuck our neck out last week.
On one of those balmy days, we
talked about the danger of a kill-
ing freeze being over. The little ed-
itorial had scarcely been put in type
when there came a whale of a bliz-
zard that brought sleet and snow
and sent the thermometer down to
24. A lot of the vegetation was
killed, but not all of it. How any
of it escaped is past finding out.
We are undecided now whether to
expect another blizzard, a sand-
storm, or a terrific hail. But we
know something terrible is going to
happen.

If they find oil on your land and
make a millionaire out of you, you
are a shrewd business man and
would make a good governor or
sumpin'; if they drill and drill and
find nothing, you are rather dumb,
just like the rest of us.

**MISCHIEVOUS BOYS HAD
BETTER TAKE WARNING**

Sheriff B. L. Parker is of the
opinion that some mischievous boys
in Tahoka are going to be shot one
of these nights if they do not quit
their devilment.

Recently, these boys have been
bombarding some of the Negro and
Mexican residences in town with
stones or other missiles. This has
been done repeatedly. On last
Thursday night they broke some of
the window lights out of the house
of one of our best Negro citizens.

These people, and especially the
Mexicans, are becoming exceedingly
resentful of this conduct, and some
of them have provided themselves
with guns, which they keep loaded
and ready for use. Mr. Parker is
informed, if they should be molest-
ed again. These people have the
same right to protect their humble
homes that we whites have to pro-
tect ours. A Mexican especially is
a dangerous man when he gets
wrought up, and we certainly
would regret to have to record the
funeral of some white boy here as
a result of this deviltry.

CHURCH ATTENDANCE

It is difficult to get large crowds
to attend church these days, except
on some very special occasion. Such
an occasion seems to have been
that which drew a crowd estimated
at 21,000 people to the Garden of
the Gods near Colorado Springs,
Colorado, in an Easter service last
Sunday. The birds were chirping
their roundelays of joy when the
first worshippers arrived. Then came
a fanfare of trumpets that echoed
and re-echoed among the majestic
towering stones of the Garden. At
the appointed hour came the mel-
low sound of chimes from the Will
Rogers Shrine on Cheyenne Moun-
tain a few miles away. Then fol-
lowed three hymns by the A-capella
Choir of the Colorado Springs high
school, and lastly the Easter dis-
course by the pastor of the First
Methodist Church of that city,
which was broadcast over a nation-
wide hookup. It all must have been
most impressive. A novel Easter
service was also held Sunday morn-
ing in the depths of Carlsbad Caver-
n, where the worshippers were
surrounded by one of the most awe-
some specimens of God's handi-
work. At this service, the lights
were extinguished and an improv-
vised surprise was staged in the
mighty splendor of the cavern. This
too must have been an impressive
service, for once we heard a quart-
et sing "Rock of Ages" as the con-
gregation sat at the foot of the
mighty mass of stone in the cavern
which bears this name, and the
music and the song brought tears
to many an eye. We do not know
whether it was a desire to worship
or mere curiosity that drew most
of the people to these services, but
no sane individual can stand in the
presence of the mighty works of
Nature without feeling a sense of
his own insignificance and of humil-
ity as well as of reverence for the
great Power that created it all.

Some of us just insist on impos-
ing our particular brand of religion
and of politics on all our neighbors
and friends; if they refuse to accept
it, we just know that they are fit
subjects either for an institution for
the feeble-minded or for the jail
house and are bound to go to hell
in the end.

A professional politician may be
either a demagogue or a statesman,
depending on whether he agrees
with you or not.

All us Democrats are strictly op-
posed to class legislation—unless
it favors our particular class.

**Southern Women
Reply to Query**

Wherever they go, the "Touring
Reporters" find eager answers to
their question, "Were you helped
by CARDUI?"
Of 1297 users queried among
those of 12 states, 1206 stated
CARDUI benefited them. That
is 93 out of every 100!
Users everywhere are glad to
tell how CARDUI has made them
want and enjoy food; how,
with its help, they gained
strength, energy, were thus re-
lieved of the symptoms of "func-
tional dysmenorrhea" due to mal-
nutrition. Many also say that,
when symptoms indicate the
need, CARDUI in larger doses
helps "at the time" to soothe pain.

We are raising up some criminals
here in Tahoka. Boys who can break
into houses and steal and then get
by with it will probably repeat the
performance until some day they
will decide to operate on a bigger
scale. Public buildings and a few
residences here have been broken
into from time to time and articles
of value stolen therefrom. It is
believed to be the work of boys.
The officers have been unable to
catch the culprits so far but some
day they will be caught. And then
it will be a term in the penitentiary
or the "reformatory". Also, these
boys who are stoning the residences
of Mexicans and Negroes are
breeding trouble for themselves. If
they keep up this business long
and do not get caught, one of them
is likely to stop a load of buckshot
some dark night—and then we'll
want to run the Negroes and the
Mexicans out of town maybe.

If a guy slaps us on the back, he
is a fine fellow; if he punches us
on the nose, he is a scoundrel.

L. C. Johnson reported Tuesday
that his wife was still slowly im-
proving. She had then been con-
fined to her bed for twenty-two
days from an attack of pneumonia.
He had also had a severe attack of
the flu.

CARD OF THANKS

I want to publicly thank the
Equity Life Insurance Company and
its Secretary-Treasurer, Robert H.
Kirk, for the promptness in paying
the claim on the death of my hus-
band. We had great faith in the
Company and that faith was not in
vain.

**Bad Breath May Show
You Need This Help!**

Bad breath is sometimes due to bad
teeth and often due to sluggish
bowels.

It offends. And to neglect it may in-
vite a host of constipation's other
discomforts: headaches, bilious-
ness, loss of appetite and energy.
Don't let constipation slow you
down. Take a little spicy, all vege-
table BLACK-DRAUGHT tonight.
In the morning there's an evacua-
tion that's generally thorough. You
feel fine again!

BLACK-DRAUGHT'S principal in-
gredient is an "intestinal tonic-
laxative." It helps impart tone to
lazy bowel muscles. Millions of
packages used yearly!

BIRTHDAY DINNER IN LEMON HOME
On Easter Sunday a surprise birthday dinner was given in the home of Mr. and Mrs. W. I. Lemon of near Wilson, honoring his mother, Mrs. A. T. Lemon of near Lubbock, who was 80 years old April 10th. 57 persons were present. Dinner, brought in by attending relatives, was served cafeteria style at the noon hour.

In the afternoon singing and musical numbers were enjoyed and gifts were presented the honoree. About 300 Easter eggs were hid for the youngsters with a prize each for the boy and girl finding the most eggs. The large pink and white birthday cake was cut in late afternoon. The famous "Cousins Quartet," composed of Weldon Lemon, Lynn Lemon, Glenn Willson and Merlin Willson, all grandsons of Mrs. Lemon, rendered several vocal numbers especially dedicated to and enjoyed by her. These boys are known over the whole South Plains and are students of V. O. Stamps.

Mrs. Lemon is a resident of Lubbock county, having moved there with her husband from Wilbarger county about 20 years ago. Her husband having died 11 years ago, she now resides with her daughter, Mrs. D. A. Wilson. She has living, 2 sons and 2 daughters, 29 grandchildren and 20 great-grandchildren, all of whom are residents of South Plains counties except one grandson in Arizona. She has been totally blind for more than 8 years but otherwise has fair health and a happy and gay spirit. She is a faithful member of the Baptist Church and always attends if the weather permits. Those who attended the birthday dinner Sunday are:

Mr. and Mrs. J. W. Lemon, Lubbock; Mr. and Mrs. D. A. Willson and 4 children, Lubbock, Mr. and Mrs. Wilbur Lemon and 3 children of Lubbock, Mr. and Mrs. Vernon Lemon and 2 children of Lubbock, Mr. and Mrs. C. B. Bently and daughter of Witharral, Mr. and Mrs. R. A. Stanton and daughter of Lubbock, Route 1, Mr. and Mrs. J. D. Willson of Lamesa, Mr. and Mrs. Merlin Willson of Lubbock, Mr. and Mrs. Melvin Harvey of Lubbock, Mr. Ogle Lemon of Amarillo Mr. Glenn Willson of Plainview.

Mr. and Mrs. Weldon Lemon and daughter of Slaton, Mr. and Mrs. Lynn Lemon and son of New Home, Mr. and Mrs. D. S. Waldrip and 3 sons of Tahoka, Mr. and Mrs. A. W. Brown and 2 daughters of Willson, Mr. and Mrs. W. D. Lemon and daughter of Willson, 2 Stiles children and 5 Dumas children all of Lubbock, whose parents were unable to attend, and the honoree, Mrs. A. T. Lemon of Lubbock.

REDWINE CHURCH SHOWERS PASTOR'S FAMILY
The young people of the Redwine Sunday School class, with a number of visitors and our pastor, Brother W. P. Brian, and his wife met at the home of Mrs. J. A. Gilles for a social on Friday night, April 7.

After many interesting games had been enjoyed, J. B. Florence and Glen Bratchey went on a treasure hunt. After a search they found a nice potato and an onion as a grand prize.

Then Brother Brian and wife were called to go hunting. After following directions he was presented with a nice suit of clothes

Prompt Help For A Listless Child

Scolding won't help a boy or girl who is listless, dull or cross from constipation. But, here's something that will!
If sluggish bowels have your child headachy, bilious, upset, give him a little Syrup of Black-Draught tonight. Like the original famed BLACK-DRAUGHT, its principal ingredient is an intestinal tonic-laxative. Helps impart tone to the bowel muscles.
Children like the taste of Syrup of Black-Draught. It is an all vegetable product. When simple directions are followed, its action is gentle, but prompt and complete. Comes in two sizes: 50c and 25c.

Chronic and Nervous Disorders Scientifically Treated by Natural and Mechanical Means.
Dr. A. J. Sparks, N D
Room 6 Thomas Bldg.

by the Sunday School class, and Mrs. Brian and the daughter, Annie Beth, were each presented with a dress and the son, William Preston, with a suit by the ladies of the church.

The class invites the young people of our community to Sunday School.

METHODIST CHURCH

After Easter, What? I trust there are those who are asking themselves this question and earnestly facing the issue. For a week we battled with forces of evil and in difference with the loyal support of perhaps a third of the church. These gave themselves to regular attendance, personal work and the giving of their services in song and instrumental music. We want especially to mention the work of Mrs. Sam Reid in planning and training the special numbers which we had regularly in the evening services, and to thank all who sang and played instruments, Mr. Felts' orchestra rendered helpful services.

Sunday morning one conversion was had in the Young Peoples service. The following babies were ded-

icated to God: Carol Sue Smith, Stanley Bruce Gill, Kent Galen Gibson, Sarah Elizabeth Nelms. At the evening service Barbara Jean Henderson was baptised and received the vows of church membership. We have the church letters of Mr. and Mrs. Lew Weyrick, Wanda and Armita Weyrick and Woodrow Ward.

Looking ahead, we are still building the attendance of the preaching services and the church school. It is the sincere desire of the pastor that we may organize the Fellowship of Evangelism in time for the Summer Revival to be held the first two weeks in August. We must be ready upon the arrival of Brother Clyde Smith to go into a campaign of revival not with 33 percent of the church, but 100 percent. Friday night we will entertain the Y. P. Union.—Geo. E. Turrentine.

No. 236 in equity.
Notice is hereby given that the undersigned has filed his application with the Clerk of the United States District Court in and for the Western District of Texas, Waco Division, for an order authorizing him to sell and convey to D. B. English the East 100 feet of Lot Twenty (20) and the East 100 feet

of the North 10 1/2 feet of Lot Nineteen (19) in Block Seven (7) of North Tahoka Addition to the city of Tahoka, Lynn County, Texas, together with all improvements thereon situated, and for a consideration of \$5500.00, and of which amount \$1500.00 will be paid in cash, and the balance, \$4000.00, to be evidenced by one note in said sum, to be executed by said purchaser, payable to the order of the undersigned at his office in the city of Temple, Bell County, Texas, and the principal and interest to accrue on said note to become due and payable in 120 monthly installments of \$46.44 each, the first installment to become due and payable on or before May 1, 1939, and one each on or before the first day of each succeeding 119 months, to bear interest from April 1, 1939, at the rate of seven per cent per annum, the interest to become due and payable monthly, and each payment when made to be applied first to the accrued interest on said note, and the balance to the principal, and to provide that failure to pay any monthly installment of principal or interest thereon when due shall at the option of the holder mature said note; to stipulate for ten per cent additional as attorney's fees, and said note to be secured by a vendor's lien and deed of trust lien on the property and premises above described.
Said application will be heard by the Honorable Charles A. Boynton, Judge of said Court, after this notice shall have been published

for a period of ten days, and any person interested in said Receivership Estate may contest this application.

Witness my hand at Temple, Texas, this the 3 day of April, A. D. 1939.

H. C. Glenn, as Receiver for Temple Trust Company, Temple, Texas. 34-2tc.

Mrs. G. M. Stewart received word Monday night that her mother, Mrs. T. M. Dobbins of Roscoe, was in a hospital there for treatment for an infection of one of the eyes. She was much concerned about her mother's condition.

Mr. and Mrs. I. S. Dook, longtime citizens of Tahoka before moving to Lubbock some years ago, have bought and are operating a tourist camp in Amarillo.

CHURCH OF CHRIST NOTES

"Our Religion: What We Believe," will be the subject of the sermon next Lord's Day morning at 10:50 o'clock. Few people actually know what the church believes, teaches and practices. Members of the Church of Christ confidently believe that they conform to the Word of God (the Bible) in every item of teaching and practice. Furthermore, no well-informed protestant challenges the practices of the church of Christ as being unscriptural—without scriptural authority. If I am wrong, I wish to be informed. Questions are always placed after those things which are not mentioned in God's Word.

"Heartfelt Religion," will be the subject for discussion at the evening hour of worship—eight o'clock Sunday evening. These questions will be answered in the light of Bible teaching: 1. What is the human heart? 2. What change does the human heart need? 3. Who changes the human heart? and 4. How is the human heart changed? We need more "heartfelt" religion today.

Sunday afternoon at 3:00 o'clock I intend to preach at the Midway school building.

We cordially invite you to attend our services. We make every effort to have no creed but Christ and to "speak where the Bible speaks, and to be silent where it is silent." Such a claim is worthy of your investigation.—J. Luryl Nisbett

NAZARENE CHURCH NEWS

We want to announce the coming of one of the Bethany Peniel College quartets with the president, Dr. A. K. Bracken of Bethany, Oklahoma, on Friday night, April 21. You have a special invitation to attend this service at the church at 8:00 p. m. Be sure and come, you will enjoy hearing them sing. Tell all your friends and neighbors.

You also have a special invitation to attend our regular services, Sunday school Sunday morning at 10 o'clock, preaching service at 11. N. Y. P. S. at 7:30, preaching service

at 8:00. If you don't go any where we would be glad to have you come and be with us.—Rev. Betty Ellis, Pastor.

Ex-Students Will Hold Banquet

Ex-students, ex-superintendents, and ex-teachers of the Tahoka schools are invited to the first annual banquet Friday night, April 28, in the grade school gymnasium of the Tahoka Ex-Students Association, according to Claude Donaldson, president.

The Senior Class of this year will be special guests.

Mrs. J. W. (Minnie Chambers) Elliott, one of the first teachers, will be toastmaster. The principal address is expected to be brought by H. C. White, superintendent of the Hagerman, N. Mex., schools and a member of the summer faculty of the University of Colorado, who was superintendent at Tahoka about 25 years ago.

CROWDED OUT THIS WEEK

Some items have been crowded out this week for lack of space, among them Elder Drennon's notes. We expect to publish this next week.—The Publishers.

Judge and Mrs. B. P. Maddox had as their guests the first of the week their three daughters, Mrs. Helen Lee Greathouse of Midland, Mrs. Charlene Wilks of Lamesa, and Mrs. Barbara King of Floydada. Their son Robert, who is a student in the University of Texas, also spent Easter with them.

While the condition of R. W. Fenton Sr. is still very critical, his chances for recovery now seem to be a little better, according to reports from the hospital Wednesday and Thursday.

Kirk Pitts reports that he bought two of the 4-H club calves which were on exhibit at the Junior Fat Stock Show in Lubbock last week, for his market.

LOST—Baby cap, crocheted, with blue rosettes on it. Finder please return to Mrs. F. M. Bratcher, Rt. 2, or leave at News office. 1tp

Child's Tantrums Common Problem

COLLEGE STATION—Most children understand their parents better than their parents understand them, says Dosca Hale, specialist in child development and parent education with Texas A. and M. College Extension Service.

They soon learn the way to break down parental firmness, often by "throwing tantrums", and their methods vary with the parent. For instance, a child who knows that mother is worried about his health may, when balked, refuse food or sleep, hold his breath or knock his head against the floor. Another, who knows that noise is father's weakness, may yell, scream, kick, pound or slam doors to get results.

Prevention is better than cure for tantrums of children. "Remove the causes before tantrums become a habit and a hindrance both to children and grown-ups," Miss Hale points out.

In early childhood, hunger and fatigue are the two main causes and parents should establish regular times for eating, for naps, and for bedtimes, so that youngsters do not have a chance to become too tired or too hungry.

Tight clothing, or clothing that hampers small children may also call forth temper; the remedy is clothes that are simple and easy to manage. Play clothes should allow free movement and activity.

The best way to prevent future outbursts is for parents to understand what causes them, and to help their child meet the difficulty, Miss Hale says. While they help him to learn, they must make sure that his temper tricks do not succeed.

Mrs. Sam Floyd reports that Mr. Floyd's mother Mrs. R. B. Floyd, is sick of the flu. She also states that Rufus Slover and three children are also sick of the same disease.

Dr. K. R. Durham has been in Fort Worth this week attending the state Dental convention.

Mrs. Charlie Curry was sick several days this week with the flu and a throat affection.

Tech's Museum Gets WPA Project

Lubbock, Texas, April 13.—An allotment of \$13,742 for a Texas Technological College archaeological project has been approved by the Works Progress administration in Washington, according to a telegram from Senator Tom Connally to President Clifford B. Jones.

The project will include excavation, removal, and restoration of items of an archaeological nature, collection of data pertaining to material collected, cataloging and interpretation of data, and the placing if such in the West Texas Museum located on the Tech campus.

The project provides for work in the following counties: Borden, Crosby, Floyd, Garza, Hockley, Jones, Kent, Lamb, Lubbock, Lynn, and Motley.

Funds will be available for beginning the project at the discretion of the state W. P. A. administrator.

Sen. Connally Asks More Funds

WASHINGTON, D. C.—Senator Tom Connally of Texas introduced an amendment to the Agricultural Appropriation Bill to provide an additional appropriation of \$60,000,000 for use of the Secretary of Agriculture under Section 32 of an Act to Amend the AAA, approved August 24, 1935. Section 32 was originally adopted through an amendment offered by Senator Connally in 1935.

"To secure provision toward parity payments I strongly favor the adoption of an amendment in the Senate for \$250,000,000 for such parity payments.

"I have also offered an amendment to increase the funds available under Section 32 in the amount of \$60,000,000. Section 32 is that provision which allows the Secretary of Agriculture to employ 30 percent of all customs revenues for farm benefits and for handling surplus agricultural products.

"It is believed that with the adoption of the \$250,000,000 parity payments and the \$60,000,000 increase under Section 32, substantial provision will be made for carrying out the agricultural program for 1939."

Tahoka Students In District Meet

Tahoka High School will be represented at the District Meet at Lubbock this week end by twenty-eight entries. These entries are as follows:

Extemporaneous Speech: Lenore Anglin, Dick Bosworth.

Senior Declamation: Trav's Shelton.

Ready Writers: Darrell Burkhalter.

Typewriting: Dick Bosworth, June Fender.

One-Act Play: H. A. Maasen, W. H. Fulkerson, Jean Simmons, Olga Taylor.

Volley Ball: Doyce Chapman, Alvie Shelton, Icapene Stephens, Nicolo La Nell Stephens, Tommy Ruth Anderson, Jennie Jo Reeves, Anna Pearl Roberts, Wanda Dyer, Dorothy Ann Roberts, Carolyn Chandler, and Pauline Owens.

Senior Track and Field: Max Minor, Bull Adams, Jacob King, Odean Millman, J. H. Dyer, Finis Connolly.

In reporting results of the recent county meet The News did not have available the total point scored in the grade school meet. The final compilation of points, including this division, places Tahoka in the lead over O'Donnell and Wilson, the total points scored being as follows:

Tahoka high 130, grade 100; total 230 points.

O'Donnell high 154, grade 44, total 198.

Wilson high 30, grade 57; total 87 points.

Mrs. F. E. Redwine is a victim this week of the flu and throat trouble.

Eczema Itching

Here's Quick Ease and Comfort Go to any first-class druggist today and get an original bottle of clean, powerful, penetrating Moone Emerald Oil and apply a few drops over the affected area.

The itching torture is quickly soothed and you'll find there's nothing better to relieve the distressing soreness of most externally caused skin troubles. Moone's promotes healing. Money cheerfully refunded, if not satisfied.

TAHOKA DRUG

"Take My Advice, Bill!"

One of the greatest evils of the present day is a tendency on the part of many people to offer medical advice to their friends.

Consider rheumatism for instance. Almost every other person you chance to meet has a remedy—"a remedy that never fails." Many suggestions are offered—from carrying a horse-chestnut in one's pocket to rubbing muttontallow on the soles of the feet.

Then there are those sympathetic and well-meaning types of women who offer mothers a cure for measles, whooping-cough, and many other diseases that affect children. Their remedies, likewise, never fail!

Don't take too seriously the cure-all advice of friends, but consult a physician who has devoted years of time to the study of human ills.

Take his advice. Follow it. You will be better off in the end.

WOMEN STAGE EGG HUNT

Almost thirty young women participated in a big Easter egg hunt on the golf course south of town early Sunday morning. The hunt followed a roadside breakfast which all thoroughly enjoyed. The eggs had been hidden by Miss Ellen Nixon.

Miss Ellen Nixon found the golden egg and thus won the prize, which was a pottery water jug. The party consisted of Misses Echo Milliken, Robbie Milliken, Lorene Reese, Florence King, Jane Saborn, Helen Park, Jewell Redline, Doris Connolly, Hattie Server, Glene Norman, Ellen Nixon, Floyce Sherrod, Ernestine Story, Gertrude Bishop, Roberta Hunt, and Misses V. Smith, Vernon Davis, Sam Price, Jessie Jewell Stephens, Lois McMahon, Daniel Davis, F. E. Calvery, Lois Daniels, Byron West, Lee Roy Knight, Truett Smith, Millie Finch, and E. C. Parker.

EASTER GATHERING AT J. L. HILL HOME

Easter was an enjoyable day for Mr. and Mrs. J. L. Hill. The children and friends gathered in and made it a most happy occasion. A bountiful feast was served.

Those present were: Mr. and Mrs. V. L. Hill and family, Mr. and Mrs. T. J. Jackson and daughter of Tahoka, Mr. and Mrs. Phillip Gillespie and family of Ropesville, Mr. and Mrs. C. Gillespie and family, Mrs. W. G. Gass and family, Mr. and Mrs. Vernon Hill and baby, Mr. and Mrs. W. R. McNecley and family of Tahoka.

Misses Lois Goad and Jodie Bob Nevill attended a Y. W. A. house party at Wayland College, Plainview, last Friday night.

METHODISTS ATTEND DISTRICT CONFERENCE

Headed by the pastor, a number of the leading Methodists of Tahoka attended the District Conference of the Lubbock district which was held in Crosbyton Monday.

This district comprises some ten South Plains counties. Possibly 300 Methodist were in attendance upon the Conference, according to Rev. Geo. E. Turrentine.

The theme of discussion for the day was "Fellowship of Evangelism". Rev. Finis Crutchfield, pastor of the First Methodist Church of Vernon, was the chief speaker of the day. Ray Nichols of Vernon, lay leader for the Northwest Texas Conference and a newspaper publisher, made an appeal in behalf of the Benevolences of the Church.

Four young men residing in this district were licensed to preach.

A. N. Gamble of Lubbock was elected lay leader for the district and Judge C. H. Cain of Tahoka and Bob Marshall of Morton were elected associate lay leaders.

Tahoka Methodists attending the Conference were: Rev. Geo. E. Turrentine, Rev. Ben Hardy, Mr. and Mrs. R. C. Wood, D. C. Davis, Fred Pucey, Mrs. C. H. Cain, Mrs. R. B. Jones, and Mrs. Sam Reid.

BAPTIST W. M. U.

Members of the three circles of the Baptist W. M. U. met together for their Royal Service program at the Baptist Church Monday afternoon, June 10, with Mrs. Liff Taylor as program leader.

Mrs. J. L. Reese had charge of the Bible Study while Mmes. Taylor, C. T. Oliver, Wiley Fortenberry, A. J. Edwards, H. M. Snowden and Garland Pennington participated in the program.

Attendance by circles included 7 from Lottie Moon, 3 from the Elkin Lockett, and 5 from the Eugene Sallee.

Mr. and Mrs. W. L. Knight returned Saturday night from a visit of several weeks with relatives at Naples in East Texas. On the return trip they stopped in Eastland a day or two to visit relatives and went from there to San Angelo to visit Mr. and Mrs. K. R. Knight. They found that Mrs. K. R. had just returned from a hospital, where she had undergone an operation for appendicitis.

Mrs. E. J. Cooper and daughters, Mesdames P. A. Nowlin and Alton Cain, and their children went to College Station Monday to return their son and brother, Truett to the A. and M. College. Mrs. Cooper and party expect to return the last of the week after spending several days in the home of her sister in Terrell.

Mr. and Mrs. S. B. Francis, who spent the winter months in Beaumont, have returned to Tahoka and are occupying a house on the H. P. Cavens farm a few miles northwest of Tahoka.

Cattle Feeding Project Pays

W. H. Williams, well-known farmer of the Draw community, has found a nice profit in the raising and fattening of beef for the market. His experiment of the past winter shows what many South Plains farmers can do almost any year when feed is cheap as it was last year.

Mr. Williams, like many other farmers, raised an enormous feed crop in 1938. The price was none too good, so he decided to sell his feed "on the hoof."

Altogether, he fed 73 head of Herefords and mixed breeds. About thirty head were in the feed pen 120 days, and the rest were on feed 140 days. During that time the cattle put on an average of 400 pounds, and sold at the pens, at Lubbock and at Fort Worth from \$7.30 to \$8.75.

Part of the stock he raised himself and part he bought for fattening purposes.

He also fed 75 head of hogs and says he realized a nice profit on them.

Mr. Williams is proud of his feeding pens, which are among the best on the entire South Plains.

Furthermore, he expects to make this feeding-out business a regular part of his farm activities from here on out, especially when there is little market for feed. However, in the future he does not intend to feed quite so many cattle. He thinks about 60 a year on feed is about right, one bunch to be placed on feed in the early fall, and one bunch in the winter.

Mr. M. E. McCord of Tokio, accompanied by her daughter, Mrs. Homer Harrison and her niece Mrs. Carlice Edwards left Tuesday morning for a visit with her parents near Birmingham, Alabama. They were accompanied to Dallas by Mrs. George A. Dale, who will visit a few days with a son and a daughter there.

John Slover reports that his three little daughters who received treatment in the Lubbock Sanitarium for ear and head trouble recently are all improved but that the whole family, including himself, his wife, and four children, have been sick of the flu since they left the hospital.

Mrs. J. B. Stokes is here from Bangs to visit her many friends. Previous to coming here on Easter morning Mrs. Stokes had visited in the home of relatives in Lubbock.

F. F. A. BOYS DO JUDGING FOR H. D. CLUB

The Tahoka F. F. A. Chapter will have a district meet the last of April, and the Agriculture classes in this district are invited to attend.

Five members of the Agriculture class went to the Home Demonstration Club Wednesday, April 12. We judged milk and butter for the club. We also had two boys to speak on how to care for milk and how to care for butter.

At the close, they served the boys punch and sandwiches. — Edward McMillan.

CARD OF THANKS

We take this method of thanking our neighbors and friends for the great kindness shown us during the long-continued illness of our little son, Arnold. We sincerely appreciate your sympathy and helpfulness. — L. M. Bartley and family.

Happy Smith and Charles Townes attended the Rotary Club meeting in Lubbock Wednesday. The Amalfillo Club gave the program, and Hap says it was a good one.

NOTICE TO THE PUBLIC

I hereby kindly request that all car drivers observe the ordinances of the city regulating traffic. Please do not cut corners, do not drive over stop signs, and do not run the red lights. Willful violation of these ordinances will be prosecuted. This must be done for the safety of the public. Very respectfully, W. M. Lee, City Marshal.

The O. E. S. Memorial service having been postponed last week, there will be a called meeting of the chapter Friday night, April 14.

There will be initiations of candidates, also the hour is 7:00 p. m. Millie Hill, W. M. Era Stewart, Secretary.

PINK PARRISH DIES
 (Cont'd. from page 1)
 too much for one in his weakened condition.

Funeral services were conducted in the First Methodist Church in Lubbock at 3 o'clock Tuesday afternoon by a former pastor of the deceased man, Dr. W. M. Pearce of Pampa, assisted by the present pastor, Dr. L. N. Lipscomb, and by a devoted friend, Rev. Floyd Dawson. A Great concourse of friends and admirers from all walks of life and many of the notables of this section of the state were present to do honor to the distinguished dead.

Pink Parrish filled no small place in the history of this section of the state. First, working as a ranch hand, then as a country school teacher in Crosby and Floyd counties, he was elected county judge of Crosby county in 1908 and served five successive terms. After an intermission of two years, he was elected and served a sixth term. Moving to Lubbock soon thereafter, he was elected mayor of that

promising little city in 1926. After a service of two years, he was elected to the state senate from this district and served one term.

In 1932 he ran for congressman-at-large but was defeated by George Terrell of Cherokee county. In 1935, he again ran for the Senate to fill out the unexpired term of Senator Duggan, who had died in office, but was defeated by the brilliant young district attorney of this judicial district, G. H. Nelson of Tahoka.

Senator Parrish also served a number of years as a member of the state democratic executive committee and he was a familiar figure at the conventions of his party. He wielded no little influence in the council of the party and in the politics of the state, and had warm friends in almost every section of Texas.

Pink Parrish may have had some grievous faults, but he was a man of much more than ordinary ability and had the happy faculty of compelling even his political enemies to like him. He was a kind, affectionate, generous-hearted man, and he has done much to make West Texas a better place in which to live.

Mr. Parrish had been practically helpless, physically, for several years making his way about for a time in a wheel chair and finally being confined most of the time to his bed.

Among those attending the Baptist Sunday School Convention in Waco this week are Mrs. F. M. Billman and Mrs. Paul Howell of Tahoka, who accompanied Rev. and Mrs. Paul McCasland of Wilson to Waco, Monday.

Mrs. W. R. McNeeley has been very ill this week with a streptococcal throat but is reported to be improving.

Tahoka People At Gail Funeral

The funeral of Mrs. Olin Keen which was held in the Methodist Church at Gail at 2 o'clock last Sunday afternoon attracted a number of Tahoka relatives and friends.

Mrs. Keen died in a Snyder Hospital Saturday, leaving a week-old baby. She had been married about two years. She was the daughter of Lee Pearce of Gail, a pioneer ranchman of Borden county, who is a cousin of Mrs. R. C. Forrester of this city. She was also related to the P. E. Jeffrey family residing four miles north of Tahoka.

Attending the funeral from Tahoka were Mrs. R. C. Forrester and her mother, Mrs. A. N. Hughes, also her brother, Dr. H. H. Hughes, also Brownfield, P. E. Jeffreys and fam-

ily, Sam Sanford, and Tom Hale and family.

Arnold Bartley, ten-year-old son of Mr and Mrs. L. M. Bartley of Petty, was released recently from a Lubbock Sanitarium, where he had been a patient for a month following an operation for ruptured appendix. It is hoped that he will soon be strong and well again.

Rev. Elmer Holt, pastor of Central Baptist Church and a senior student in Hardin-Simmons University, Abilene, is directing a study course in his church this week, after filling his pulpit for the Sunday services.

Fred Bucy has moved his insurance office from the court house to the rear of Woodworth's Barber Shop.

Who knows most about Building cars?

Ford has built more than one-third of all the automobiles ever built in the world

THERE are more Ford cars in use today than any other make. And there are more Ford V-8s than any other 8-cylinder car.

The 1939 Ford V-8 represents the broadest experience in building cars any manufacturer ever had. You will find values in it far beyond what any other maker can put into a car at the low Ford price.

*Ford performance, traditional for a generation, has reached new heights in the 1939 V-8.

And now Ford style leadership is equally outstanding. "The smartest cars on the road" is the way owners describe their new Fords. Smartest in action. Smartest in appearance. Leaders, as they deserve to be.

FORD V-8

APRIL IS FORD INVITATION MONTH! Your Ford dealer invites you to drive America's most modern low-priced car. Make a date for a new experience.

Look at these FORD FEATURES

- **STYLE LEADERSHIP**—The luxury car in the low-price field.
