## Fine Rains Come At Opportune Time

### Meadow District F. F. A. Contests Are Held Here

115 Boys From Ten Schools Enter Contests Held Last Saturday

Ten chapters of the Meadow district Future Farmers of America, represented by 115 contestants, participated in the annual FFA leadership contests here today.

Winners of contests in news writing, chapter conducting, public speaking, one-act play, and debate will participate in the Northwest Texas area contests at Texas Technological college Lubbock, next Saturday, along with winners from two other districts.

Ray L. Chappelle, head of the agricultural education department at Tech, was present during the day. Leslie Browning, local vocational agriculture teacher, and the Tahoka F. F. A. chapter were hosts.

Members of the home economics department, under direction of Mrs. Fred Hegl, teacher served lunch to the visitors at noon.

Schools represented in the contests were: Anton, Whitharral, Ropes, Meadow, Seagraves, Seminole, Tahoka, Wilson, Post, and Fluvanna.

Winners in the contests were: Debate: Post (Hoover and Babb), first; Wilson second; Seagraves, third.

Public speaking: Ropes (Tom Gibson), first; Meadow, second; Seminole, third.

News writing: Meadow (Harvey Lee Bass), first; Seagraves, second; Tahoka (Edward McMillan) third.

One-act play: Fluvanna, first; Anton and Ropes tied for second; Whitharral, third.

Chapter conducting: Ropes, first; Seagraves, second; Fluvanna, third.

### Tahoka Trackster In State Meet

Max Minor, high school track star, and Coach Bob Harlow left Wednesday afternoon for Austin, where Max will this week-end compete in the state track and field meet at the University of Texas.

Minor was first place winner in the regional meet at Canyon recently. He will enter the 220-yard low hurdles and the 220-yard dash at Austin.

### Start Work On Football Field

Work has been started on the Tahoka high school football field, getting the grounds ready for sodding.

Dirt is being moved from the north end of the field toward the south end by means of road grading machines and a Fresno. The field will be plowed, turtle-backed, and fertilized with manure before the Bermuda grass is planted.

Henry Maassen, H. B. McCord, and Prentice Walker of the school board are supervising the work.

A lighting system was installed last year, and this improvement proved profitable to the athletic department and the school. Sodding of the field will make the grounds more desirable to players and spectators.

### DR. PHILLIPS APPOINTED

Dr. C. M. Phillips, Levelland physician, was confirmed by the Senate Monday as a member of the state medical examining board. His appointment was announced recently by Governor W. Lee O'Daniel.

Mrs. N. M. Wyatt, who underwent a second operation in a Lubbock hospital two or three weeks ago, was brought home Wednesday much improved. In fact, she is now able to be up much of the time.

### Compress Will Bring Pay-Roll

Sidetracks are being laid this week on the site of the proposed Underwood compress which will be built on the northeast edge of Tahoka, and grounds are being leveled preparatory to starting actual work on the building.

Arch Underwood, prominent compress and oil mill man, was here Friday and told The News that the Tahoka plant would be built along the modern lines in compress construction, and will not present the "barny" appearance of many compresses in this area. When completed, the entire structure will be given two coats of paint.

Not only will the compress afford advantages in handling Lynn county's cotton, but will afford additional taxable property and payroll to the city. Mr. Underwood states the payroll should amount to \$600.00 or \$700.00 weekly, and from ten to thirty-five men will be employed.

D. C. Prince, field representative of the Underwood interests in this section of the state, was here with Mr. Underwood.

### Lightning Strikes, Burns Residence

The Old Shattuck residence situated four miles east and one mile north of Tahoka, occupied by Leon Tamplin and family, was struck by lightning at about 3 o'clock Wednesday morning, setting the building afire and utterly destroying it. Mr. Tamplin and a little seven-year-old daughter Marlene, who were in the house at the time, barely escaped with their lives.

Mrs. Tamplin was with a sick brother at Brownfield at the time. Both the house and the furniture were only partially covered by insurance.

Mr. Tamplin and the little girl were asleep when the lightning struck. Mr. Tamplin says it apparently knocked out one whole side of the house. He was so stunned for a few moments that he hardly knew what had happened. The little girl jumped up and ran screaming into a closet. He also jumped out of bed and grabbed some of his clothing but left more than \$22.00 in money lying in the chair. Coming to his senses, he found the little girl, gathered her up under his arm, and escaped through a window. The fire spread rapidly and the building was quickly consumed.

The building was a five-room structure and was occupied for many years by the Shattuck family. It was still owned by Mrs. Shattuck, who now resides in Lubbock.

### Tom Garrard Is Rotary Speaker

"What can I do as a Rotarian to help a troubled world?" was the question which Tom Garrard ably discussed at the Rotary luncheon Thursday. For twenty or twenty-five minutes Mr. Garrard held the rapt attention of the body as he showed that no man is any longer the citizen of a mere community but that in this revolutionized age in which we live every man has become a world citizen.

Rev. George A. Dale welcomed into the Club Superintendent J. T. Carter of the New Home, who was recently admitted into the membership.

A. H. Hood of Magnolia was a visitor, as were also two Rotarians from Lamesa and an attorney from Lubbock.

Supt. J. T. Carter of the New Home schools and J. P. Unfred, a member of the school board, made a trip to Austin the first of the week on school business.

### Pride Woman Killed Sunday Afternoon By Lightning

Mrs. Carrie Smith, 30, residing with her father twelve miles west of O'Donnell in the Pride community, was struck and killed by lightning while out in the yard attempting to pen some chickens late last Sunday afternoon. She was killed instantly.

The body was buried at Pride Monday.

### FENTON IS WORSE

Word from the hospital is to the effect that Mr. R. W. Fenton is again in a serious condition. It is said that pneumonia again developed Tuesday night, since which time members of the family have almost despaired of his recovery.

### Miss Tippit Is Wreck Victim

Miss Linnie Tippit, teacher in the public school here, sustained a fracture of the bones of one ankle, and her cousin, Miss Mary Gene Tippit, suffered shock and a wrenched back when the car in which they were driving toward Tahoka a few miles east of town was struck by a car driven by Claude Nowlin, going east, at about midnight Monday night. The Nowlin car was also occupied at the time by Roy Finch. Neither of the men was hurt.

The two young ladies were taken to a Lubbock hospital for treatment. Miss Mary Gene was not seriously hurt and was released from the hospital Wednesday.

The accident resulted, according to Claude Nowlin, from his being blinded by the lights of the Tippit car. The front of his car struck the side of the Tippit car at an angle, caved in that side of the Tippit car, and tore off the rear wheel, following which the car overturned, badly damaging that side of the car also. The front wheel of his own car was also demolished and the car otherwise badly damaged.

Both cars that figured in the accident were Ford V-8 Coaches.

Miss Linnie is the daughter of T. I. Tippit and Miss Mary Gene of E. S.

Read The Ads And Profit.

### Old Bell Rings Again For Former Students

Students of Tahoka school of years at the old building was rung from one to more than thirty years ago met fellow-schoolmates and ex-teachers again last Friday night at the first annual banquet of the Tahoka Ex-Students Association held in the gymnasium. Over 160 were present.

Mrs. J. W. Elliott, an early-day teacher, acted as toastmaster, and a talk was made by Supt. E. A. White of Hagerman, New Mexico, a former superintendent here.

Other numbers on the program included songs led by Mrs. Claude Donaldson, a welcome address by Supt. W. T. Hanes, orchestra numbers directed by J. H. Felts, reading by Mrs. Harley Henderson, duet by Travis Shelton and D. F. Reddell, and quartet by Doyce Chapman, Rosalee Thompson, Pauline Owens, and Avis Shelton. Former teachers were introduced, and all ex-students by classes were recognized.

The body, organized last fall on the suggestion of the present superintendent, voted to designate the Tahoka-Brownfield football game here October 26 Homecoming Day game. They will also present a Texas Flag to the school.

As the meeting opened, the old school bell which was used many

### Dogs Must Have License Tags

Dog owners must secure dog license tags or suffer the chance of losing their dogs, members of the Tahoka city council decided in a meeting Monday night.

Tags are now available at the office of the city secretary at \$1.00 each. A reasonable period of time will be given citizens owning dogs to secure these tags, and then the ordinance will be enforced.

Increase of stray dogs and nuisance and damage caused by these canines are given as reasons for the council's determination to enforce the ordinance.

### Hogan's Store Quits Business

Broken in health and considerably involved in debt, G. E. Hogan last week made a voluntary assignment of his stock of clothing and dry goods here in favor of his creditors.

He was represented in the matter by Hon. Tom Garrard of this city. A Dallas man was appointed trustee to handle the stock of goods and pay the creditors. It is believed that the stock of goods, after all expenses are paid, will almost cover the indebtedness.

Mr. Hogan came to Tahoka some thirteen or fourteen years ago and for several years prospered. Then he came upon hard times and business reverses. For the past few years he has not prospered, though his stock of goods at this time is one of the cleanest and best in the town. About a year ago he became seriously ill, and since that time he has been able to give very little personal attention to the business.

Scrupulously honest and conscientious in all his business dealings, Mr. Hogan chose to take this step for the benefit of his creditors. He enjoys the esteem and has the sympathy of our entire citizenship, who hope that there may yet be brighter days ahead for him.

Mr. and Mrs. F. M. Billman and son, Levi, Mrs. Minnie Burns, and Lloyd Cornwall visited at DeLeon last week end.

### Three Girls In State Contests

Three Tahoka high school girls, Julia Snowden, Ida Botkin, and Icapene Stephens, left Tuesday morning for Galveston to participate in the annual contests of the Homemakers Rally of Texas. They were accompanied by Mr. and Mrs. Fred Hegl, Mrs. Hegl being the teacher of Homemaking in the Tahoka high school.

On the way down, the party will visit the State Capitol building and the University of Texas at Austin, and other points of interest.

The Galveston rally opens Wednesday afternoon and continues through Saturday. The girls will take tests, model dresses made by them this year, and possibly enter other contests. Last year Tahoka won one second place at the meet, in competition with hundreds of girls from several hundred Texas schools.

Expenses for the trip will be borne from a fund raised by Mrs. Hegl's department this year by serving banquets, selling drinks and candies, etc. They are also paying \$60.00 for the athletic fund.

### Webb Damage Case Settled

A compromise of the Webb damage suit case against The General Mills, Inc., was reached by the parties to the suit Tuesday, whereby the defendant Company pays to the plaintiff the sum of \$16,000, according to Hon. Tom Garrard, one of the attorneys for the company.

At the last term of the district court here, Mrs. Rhoda Webb et al. recovered a judgment in the sum of \$24,850 against the Company as damages for the death of her husband, who was an employee of the West Texas Gas Co., who was killed when his car was in collision with a truck driven by an employee of General Mills Inc. The accident occurred on U. S. Highway No. 380 north of Tahoka.

The plaintiffs were represented by Greenhaw & Dupree of Lubbock and Truett Smith of this city, while the defendant company was represented by Tom Garrard and a Dallas attorney.

An appeal was taken from the judgment rendered in the district court and the case was reversed. Mrs. Webb lives at Midland.

### Teacher, Preacher In Car Accident

Miss McElroy of Brownfield, who came over Tuesday to substitute for Miss Linnie Tippit in the grade school here while the latter is in a Lubbock hospital recovering from injuries sustained in an automobile crash Monday night, figured herself in a minor automobile accident Wednesday morning on the highway six miles east of Tahoka, when her car was in collision with one driven by Rev. S. H. Crockett, pastor of the Draw and Grassland Methodist churches.

Miss McElroy had gone out to Grassland Tuesday night and had spent the night there with a teacher friend. She was returning to her school work here Wednesday morning when she met the preacher in his car headed east. Due to a shower or rain that had fallen during the night, the highway was slick and for that reason each driver was unable to get his and her car respectively out of the way of the other. A collision was inevitable. But the speed of the two cars was not great. We have not seen the preacher's car, but the nose of the lady's car was terribly smashed.

The consequent necessary facial treatment at a local garage, it was estimated, would cost about \$35 to \$40.

Neither of the drivers was hurt.

### Planting of Crops Will Start In Short Time

.78 of Inch Received At Tahoka: Was Heavier Over Much Of Lynn County

Most of Lynn county has been drenched with rains this week. Heavy rains have fallen in some portions of the county, particularly in the west half. At O'Donnell, Tahoka, Wilson, and throughout the east half of the county, the precipitation has been much lighter. In practically all localities, however, it is believed that sufficient rain has fallen to bring up crops that may be planted within the next few days, and many farmers will be in their fields now planting as soon as the soil dries a little.

The rainfall in Tahoka, at the time this is written at mid-afternoon Thursday, totals .78 of an inch. Most of this fell Tuesday night and Wednesday. On Tuesday night the precipitation was .25 of an inch and on Wednesday afternoon .41. Two little dashes of rain had fallen earlier in the week, and one of them was accompanied by much hail. The hail could not be accurately measured for it can not be successfully corralled in a rain gage.

G. C. Lindley, who resides midway between Wells and T-Bar, reports that two inches of water fell at his place Sunday afternoon, but his neighbors did not receive so much. Other good rains fell in those communities Tuesday and Wednesday. Roy Nettles thinks that as much as five inches fell in the Lakeview community Wednesday afternoon. He says that the lakes in that portion of the county contain more water than they have had in them for a long, long time. New Home is also reported to have received a very heavy rain. O'Donnell and Wilson have each received possibly 1 1/2 inches, according to reports. At Draw, the rainfall is said to have been a little light. Grassland received a heavy rain Wednesday afternoon.

People in and around Tahoka who are not in the habit of measuring the rainfall thought that at least an inch fell here Wednesday afternoon but the government rain gage told a different story. These five-inch and six-inch rains have a strange way of missing this rain gage. Not a one of them has hit it during the fifteen years that we have been keeping the record. The heaviest rain that has fallen in this rain gage during this entire time, at one sitting, was a little less than four inches, we believe, and it sloshed continuously for about three hours. A three-inch rain is a whale of a big one, folks.

### Wilson Students' Trailer Burns

The trailer containing clothing, food, and supplies of twenty-two Wilson high school seniors and their escorts, who had just started on an extended trip over Texas, was burned 17 miles from Brady last Friday afternoon at 1 o'clock. The trailer and its contents, valued at between \$750.00 and \$1,000.00, were a complete loss.

The party was through Tahoka Thursday afternoon as the ten-day educational trip was started to Austin, San Antonio, Corpus Christi, Brownsville, Alpine, and Carlsbad. The school bus was loaded with students, and the supplies were being carried in a special-fitted trailer behind.

Mr. and Mrs. Edwin May, who were following the bus on the trip, near Brady saw a sudden puff of smoke from the trailer. The caravan was stopped, and Edwin was using a fire extinguisher on the burning trailer within a minute or two, it is said, but the fire had

(Cont'd. on back page)

### Nelson Opposes Judges' Bill

The News has received a copy of a letter written by Senator Nelson recently in response to a request that he support what is known as the "County Judges Bill," in which he explains why he favors the Tarwater Bill in lieu thereof. The letter contains much information that should be of interest to the people of this section of the state. The letter was addressed to Mr. Raymond Lee Johns, manager of the State Chamber of Commerce. Dear Mr. Johns:

I have your letter of April 17 with reference to the County Judges' Bond Assumption Bill, same being House Bill No. 396 and Senate Bill No. 104. I have been opposed to this bill. House Bill No. 688 by Tarwater, et al. in my judgment, has been more favorable to the counties in West Texas than Senate Bill No. 104.

Under Senate Bill No. 104, Lubbock County would receive \$104,787.00; this is based on a 25 year period. The Tarwater Bill sets aside one cent of gasoline tax for a period of 34 years, such time being the longest period necessary to cover any outstanding lateral road bond in the State; based on this period of time, under the Tarwater Bill Lubbock County would receive \$1,505,480.00, or considerably over a million dollars more than under the County Judges' Bill.

The Tarwater Bill carries a provision whereby the money can be used to retire bonded indebtedness of the county or to build more lateral roads within the county. I cannot understand how your organization could support the County Judges' plan as against the Tarwater plan in the light of the above figures.

I know of course that the County Judges, since the pressure has been placed on them by some of us legislators, have changed their bill, but they still propose to allot the money based on the number of outstanding bonds which in my judgment would be wholly inequitable so far as our section of the State is concerned.

The Tarwater Bill proposes to allot this money as follows: one-

third on area; one-third on population, and one-third on total number of miles of lateral roads.

This is the system used by the Federal Government in allotting Federal Aid to the various states. If we are going to adopt the State policy of setting aside one cent of the gasoline tax for the building of lateral roads in this State, then certainly I want our section to receive its fair share of the allotment. The Tarwater Bill likewise lets each year stand on its own feet; since we are increasing from year to year in population and since we have more prospects for the building of additional lateral roads than nearly any other section and since our counties are among the largest within the State, I believe without question that when the 1940 Census is taken we will be in a most favorable position under such a bill.

At the present time, Lubbock County has 331 per cent of the total area of the State; Lubbock County, based on the 1930 Census, has 671 per cent of the total population, and 850 per cent of the total lateral roads of the State, thus giving to Lubbock County a total of 1,852 per cent of the money to be allotted, or nearly 2 per cent amounting over the period of time allotted in the Tarwater Bill, to \$1,505,480.00.

I have data such as above given on each of the counties in this State and without exception each of the counties in my district fair far better under the Tarwater Bill than they would even under the amended County Judges' Bill.

The counties in my district would receive the following amounts under each of the bills:

	Under H. B. 104	Under H. B. 688
County		
Crosby	\$228,921.00	\$ 832,040.00
Dawson	75,488.00	963,800.00
Floyd	86,244.00	1,076,040.00
Garza	71,734.00	529,480.00
Hale	400,283.00	1,312,720.00
Lamb	270,004.00	1,283,440.00
Lubbock	104,787.00	1,505,480.00
Lynn	7,172.00	973,560.00
Terry	19,872.00	773,480.00

Miss Jo Belle Milliken who has been employed at Seagraves the past several months is now with Jane's Beauty Shoppe here.

Dr. Walter M. W. Splawn, above, Washington, D. C., chairman of the Interstate Commerce Commission and former University of Texas president, will be principal speaker at the first general assembly of the 21st annual West Texas Chamber of Commerce convention in Abilene May 15-17. The program on which the widely known public official and educator will be heard is set for Tuesday morning, May 16. The WTCC's freight rate equality campaign, which has grown into a national movement, will be one of the principal topics discussed at the three-day session. A conference on the subject will be held Monday afternoon, May 15, and organization of the WTCC-sponsored Freight Rate Equality Federation will be perfected.

### Motorists Should Register Prints

Austin, May 4—State police today advised summer vacationists to start their trips by way of their local police stations.

There an obliging officer will record their fingerprints and give them an identification card valuable in case of accident, amnesia or other serious illness.

"Your card will be a sort of interstate passport, showing who you are and where you're from—a mighty handy thing to have along with your driver's license," Colonel Homer Garrison, Jr., state police head, commented.

Plans are under way for a Daily Vacation Bible School to begin at the Baptist Church on May 22, according to Rev. George A. Dale, Pastor.

### ELDER DRENNON'S NOTES

I finished a fine meeting at Monument, New Mexico, last Sunday night. It was a good meeting with splendid interest—seven people answered the gospel invitation. There are some fine people in the oil fields as you will find anywhere. One thing I saw that I did not appreciate, that was a fellow filled up on old John Barleycorn. He sure did act the fool; in fact all do who drink the rotten stuff. I still say that Tahoka is one of the cleanest places to be found anywhere, and I hope the good people there will see to it that whiskey, beer, wine, and such stuff shall not be sold there by the saloon, drug store, or bootlegger. Public sentiment is what is needed.

I also attended and delivered a lesson at the Lectureship at Hobbs. It is sure fine to meet with your preaching brethren. With all their faults, they are as good a class of men as is to be found in any profession but are not appreciated sometimes as they should be.

A sad thing happened yesterday at Hobbs. A fine boy scout drowned at Carlsbad Saturday and was buried there yesterday. A warning to you boys who go swimming early: Be careful when you jump into cold water and take the cramps, as he did.

I will be in good old Texas soon. With all her faults, even to having a Christian-man for governor, she is one of the best states of the forty-eight. Too many of her citizens do not appreciate her.

I have not read a paper and do not know how my friend O'Daniel is getting along but hope the legislature will do their duty by the old people before they come home. If not, I hope they don't come home but go over and join up with Hitler and the rest of the dictators. O-

you say O'Daniel should go. Well, he is just trying to do what about three or four hundred thousand of us Texans voted for him to do.

I will fill the pulpit at O'Donnell next Lord's Day at both hours.

Yours for more people who will live and let live.

A preacher with a message the world needs badly.—R. P. Drennon.

In conversation with a representative of the News the other day Clyde Jones mentioned the experience of filing a saw that had been in use more than 100 years. Paul McDonald being the present owner. Mr. Jones says that W. P. Inman also has a century old saw. Now who can beat that record for a hand saw?

FISHERMAN WINS PRIZE AND DOESN'T KNOW IT

Carlce Edwards, Claude Thomas of Grassland, Wilson Edwards, and Paul Wright Edwards of Three Lakes returned Tuesday from a few days fishing on the lake at Red Bluff Dam on the Pecos River about forty miles northwest of Pecos.

Carlce says they had a great time and caught about 60 pounds of fish, but he didn't talk soon enough. He himself caught a five pound bass but did not know until after leaving that a nice cash prize was given for the largest bass caught each week and the one he caught would have taken the cash, as the next largest weighed only 4 1/2 pounds. He lost out by keeping mum.

As chairman of one of the Rotary committees, Rollin McCord is promoting a movement for the placing of a lot of playground equipment in the City Park.

Loyd Cox left Monday for El Paso, where he enters training in the United States Army.

Chickens - Turkeys

Keep them Healthy—Give Star Sulphurous Compound in their drinking water or feed. It will kill germs contained in things they eat—preventing diseases practically all caused by intestinal germs and worms.

Also keeps them free of blood-sucking lice, mites, fleas and blue bugs; system toned; appetite, health and egg production good—Costs very little—Money back if not satisfied.—Wynne Collier, Druggist.

MIDWAY NEWS

The trustees of Midway met last week and hired teachers for the year 1939-40. All the former teachers were re-elected. Miss Ovell Warren for the primary grades, Miss Lottie Stephens for the intermediate grades and Mr. V. P. Carter for the high school.

Mr. and Mrs. R. L. Littlepage and Mr. and Mrs. Harold Everson spent the week-end on a combined business and fishing trip in Sterling City.

Mr. John Thomas' mother of San Saba has been visiting the past few days in his home. Mrs. V. P. Carter's sister Miss Ruby Gray, spent the week-end in the Carter home.

Mrs. J. W. Henderson of Snyder visited last week in the home of her brother, Mr. Minor of this community.

Mr. and Mrs. C. L. Driver went on a fishing trip last week to San Saba county.

Mr. and Mrs. B. T. Rainey and family visited Mr. Rainey's sister in Morton last Sunday.

Mrs. Carlce Edwards, Mrs. Homer Harrison, and Mrs. M. E. McCord returned Thursday from a visit of three weeks with relatives in Alabama. They were accompanied home by Mrs. Nellie Baker, a sister of M. E. and R. B. McCord, who will visit here several weeks.

Miss Lola Belle Henderson, daughter of Mr. and Mrs. H. J. Henderson of Redwine has a position as an operator in a beauty shop in Kermit.

CHURCH OF CHRIST NOTES

"The Indwelling Christ" will be the subject of the sermon at the morning hour of worship next Lord's Day. Why does Christ want to dwell in our hearts? How do we get "In Christ" and, when does He take up His abode in us? These are some of the questions that will be answered in the discourse.

"Amusements, Good and Bad," is the subject to be discussed at the training class for young people which meets at 7:00 o'clock Sunday evening. Some of the problems of modern youth in choosing wholesome entertainment free from worldliness will be considered. Preaching again at 8:00 o'clock.—J. Lurly Nisbett.

Mrs. Charles V. Nelms and baby are visiting this week in the homes of Mr. and Mrs. W. S. Anglin and Mrs. J. H. Nelms. They expect to return to their home in Artesia, N. M., Sunday.

Senior play, Friday night, May 5, 8 o'clock. Pupils, 15 cents, adults, 25 cents. Whole families, regardless of number, 40 cents.

Mrs. P. Coleman returned Sunday from a visit with her mother near Bronte.

O. R. O.

will rid your fowls of blue bugs, fleas, and lice; also worms in stock and poultry, running fits or worms in dogs; mange or any skin disease; now 67c. Your money back if not satisfied. For sale by Wynne Collier, Druggist.

CHURCH AT JOE STOKES

Rev. Ben Hardy, former pastor of the Tahoka Methodist Church, will preach at the Joe Stokes school house in the north part of the county Sunday morning at 11 o'clock. He recently held services at Edith.

NOTICE

E. S. Brown has asked us to announce that Elder J. L. Nisbett of Tahoka will preach at the Grassland Church of Christ, Saturday night, May 6, 1939.

A card from Mrs. Gladys Stokes, sent from San Juan, Puerto Rico, says that she and Mrs. Inez Knight enjoyed reading the Lynn County News down there. They are now enroute home and will doubtless have much of interest to tell about their trip which included the Virgin Islands.

Conway Clingan, who underwent an emergency appendicitis operation Monday night of last week, was able to come home Tuesday of this week. He will soon be able to be back at his office.

T. I. Tippit made a trip last week to Ada, Oklahoma, bringing back with him his wife's mother, Mrs. Fannie Kincaid, who will spend two or three months here with the family.

B. T. McCormick of the Rix Burial Association of Lubbock was here Tuesday and placed an ad in The News to run for a year. McCormick says he will be in Tahoka about once each week.

**NOTICE TO THE PUBLIC**  
Any erroneous reflection upon the  
reputation or standing of any indi-  
vidual, firm or corporation, that  
may appear in the columns of The  
News will be gladly corrected when  
called to our attention.

A bill which makes provision for  
hospital service at small cost for  
every person in Texas, with some  
possible exceptions, who can and  
will avail himself or herself of its  
benefits recently passed the House  
of Representatives in Austin with-  
out a dissenting vote. We hope that  
it doesn't get lost in the shuffle but  
is also passed by the Senate dur-  
ing these closing days of the regu-  
lar session of the legislature. While  
acceptance of its benefits by indi-  
viduals and hospitals would be a  
purely voluntary matter, it is be-  
lieved that most hospitals and  
hundreds of thousands of individu-  
als in this state would accept. Under  
its provisions, an individual could  
"insure" against hospital expenses  
by paying the small sum of fifty  
cents per month to the hospital of  
his choice, or a family of five could  
take out such insurance at the rate  
\$2.50 per month. Then if the indi-  
vidual should at any time require  
hospital service, it would be given  
free of additional charge. That is  
the effect of the bill if we under-  
stand it. This, in our opinion would  
be of more value to the people of  
Texas generally than all the pen-  
sion bills and "social security" bills  
that the legislature might pass.

In reply to President Roosevelt's  
recent proposal, Adolph Hitler made  
another violently pugnacious speech  
last Friday. At least it was intended  
to sound pugnacious but in fact it  
was mostly brag and bluster. And  
what soon follows may belie this  
prediction, but we do not believe  
that Hitler intends to fight. He is  
merely trying to bluff Poland and  
the Democratic nations to again  
surrender to his demands. But  
Poland has given quick and positive

evidence that she does not propose  
to be ravished and dismembered as  
Czecho-Slovakia was, and if at-  
tacked she will resist. She is much  
more powerful than were the  
Czechs. She has an army in the field  
of 1,300,000 men, it is said, to-  
gether with a formidable air force.  
She would not be able, unaided, to  
withstand the power of Germany.  
It is true, but Hitler knows that  
the moment he invades Poland  
Great Britain and France will fly to  
the rescue. He knows that Great  
Britain is now much better pre-  
pared to fight than she was a year  
ago or even a few months ago. He  
knows also that Great Britain,  
after her experience at Munich, is  
in no mood now to fool with. So  
Hitler is not anxious for a fight. If  
he can bluff Poland into submis-  
sion, well and good. Besides, much  
of his bluster and pugnacity was  
intended for home consumption. He  
will continue to threaten and fume  
but he will not send his armies nor  
his air forces into Poland. He is  
merely a blustering bully; at heart  
a contemptible coward. There is  
not going to be a war right soon.

A bill has passed the Senate and  
we hope that it passes the House  
this week which provides for anti-  
crime education in the public  
schools. While it is true that a con-  
genital thief can not be educated in-  
to honesty, possibly, it is probable  
that courses designed to debunk the  
glamor attendant upon crime, in the  
eyes of the school children, would  
encourage and influence those who  
are criminally inclined to steer  
away from a criminal career. Ex-  
perience has taught that most  
criminals grow up in an atmosphere  
of vice, crime, and ignorance, with-  
out proper training in childhood  
and in youth, and without any  
adequate conception of the con-  
sequences attending a criminal  
career. It will be the purpose of  
this bill for these conditions and  
tendencies to be combated in the  
public schools. It can not hurt but  
probably can do much good.

About the most disgusting sight  
on earth is a drunk woman, espe-  
cially a drunk mother. It is re-  
ported that at a recent convention  
of women in a near-by city, a num-  
ber of them were under the influ-  
ence of liquor. It used to be regard-  
ed as a disgrace for a woman to get  
drunk. It is so regarded yet by all  
right-thinking people. We truly  
hope that the report about drink-  
ing at that convention was greatly  
exaggerated. A few women some-  
times can bring disrepute on a  
whole body. It will be an evil day  
for this country when any con-  
siderable portion of our women  
shall become slaves to drink.

Read The Ads And Profit.

Acting apparently without due  
consideration and without pos-  
session of all the facts, one of  
Senator Nelson's constituents wrote  
him recently in behalf of a bill  
pending in the legislature which  
would require the State to assume  
responsibility for the payment of  
county highway and road bonds is-  
sued at various times in the past by  
various counties. Senator Nelson  
answered, setting forth some of the  
reasons why he could not support  
the measure. He showed that in  
many instances these bonds had  
been issued in prodigious amounts  
or that the funds had been spent  
extravagantly, and there is little  
now in the way of roads and  
highways to show for them. Natu-  
rally, some of these counties would  
like to unload their burdens onto  
the State. Naturally, also, the  
bondholders would like for the  
State to assume responsibility for  
them. Many of these bonds which  
are now worth away below par  
would immediately jump up to par  
or above the moment this bill  
would pass. A few counties would  
be relieved of a great burden and  
a few bond-holding companies  
would greatly profit thereby, but  
it would be tough on the tax-pay-  
ers of the state generally. Nelson is  
right. He ought to receive the  
heartily commendation of every citi-  
zen of this section of the state for  
his stand.

There are so many special classes  
beating at the doors of our legis-  
lature for special favors that it  
takes a real man to withstand them.  
Their most potent weapons are  
flattery, promises, threats, profes-  
sional employment, and possibly  
money in a few instances. There-  
fore, we should take care to send  
to the legislature the best and  
strongest men available. A legislator  
should be as honest as Paul, with  
an ample supply of brains and a  
backbone like a saw-log. The legis-  
lature is no place for a mental or  
moral weakling or a mere back-  
stapper.

Hick Holcomb, formerly new-  
spaper editor at Dimmitt and Du-  
mas, who more recently success-  
fully managed the campaign which  
brought one Jerry Sadler a job as  
railroad commissioner, is now con-  
sidering the possibilities of defeat-  
ing Hon. Tom Connally for the U.  
S. Senate next year.

**OLD PEOPLE SAVE YOUR  
DOLLARS!**

To our desk, and probably to the  
office of every other newspaper in  
Texas, came this week a lengthy  
letter and other literature from the  
Texas Pension Union, Austin—an  
organization (or racket) organized  
for the "stated purpose" of assuring  
all Texans over 65 years old a \$30  
per month pension, as promised by  
Gov. W. Lee O'Daniel during his  
campaign last summer.

It's a very attractive plan, ac-  
cording to the letter from the cam-  
paign director. This plan to fleece  
the 300,000 old people in Texas  
would pay each of them \$3,996 for  
an investment of only \$1—just a  
measly little buck.

This plan is so attractive for the  
promoters of the union that we are  
prone to be just a little bit jealous  
of their mental ingenuity in con-  
ceiving this idea. Based on their  
figures \$300,000 alone will flow into  
the coffers if every person over 65  
years old responds to their very  
earnest and sincere plea to mail in  
a dollar. "Texas Pensions Union can  
and will get your \$30 pensions for  
you," their letter states. "If you will  
remit the dollar."

And that's not near all of their  
plan. They have little booklets of  
seals, advertising their campaign, to  
sell. They cost only a quarter for  
50 seals. And, as still another way  
to make money off of their scheme,  
the Union is going to publish a  
weekly newspaper. Their letters  
didn't say, but it'll probably be  
pretty well loaded down with rea-  
sonably priced advertising.

It's really a honey of a scheme  
for two or three smart promoters,  
to make a small fortune by taking  
just a dollar that is probably need-  
ed to purchase food for the body  
and possibly a little bottle of medi-  
cine to soothe the ails of the aged  
person—from the citizens of Texas  
who were gullible enough to be-  
lieve that O'Daniel would pay them  
\$30 a month if he could only get  
into the governor's mansion of  
Texas.

The most daring and most ridicu-  
lous statement in their heart-rend-  
ing letter to all the old people  
reads, "This is YOUR movement,  
YOUR organization. It is solely for  
YOUR benefit." The organizers

**Women Answer  
From 12 States**

To date, Touring Reporters have  
visited the principal cities of 12  
Southern states; have asked 1297  
users their famous question: "Did  
CARDUI help you?"  
Of those 1297 users, 1206 said  
they were definitely benefited by  
CARDUI. That's 93 out of  
every 100. What a record!  
CARDUI is a good stimulator for  
lagging appetites, a real aid to  
digestion and assimilation. That's  
why its proper use enables so many  
women and girls to build up  
physical resistance, and thus  
helps them avoid the periodic  
pain of functional dysmenorrhea  
due to malnutrition.

THE HUMMING BULL

Science Gaining On Tuberculosis

Austin, May 4.—Tuberculosis no longer ranks first among the major killing diseases—a position it formerly occupied not only in Texas but in the entire country. However, despite its now being seventh on the list in 1938, it continues to kill more persons between fifteen and forty-five years of age than does any other single disease. And this is in the face of definite evidence that the majority of tuberculosis

patients can be cured if the condition is detected early and proper treatment and living rules maintained," states Dr. Geo. W. Cox, State Health Officer.

"While the treatment of the individual early case is of great importance, it is of equal moment, from a public health point of view, that the spread of infection to others be prevented. Such prevention is possible. A more concerted attack on this front would mean the saving of thousands of lives.

"In every case, when a diagnosis of active tuberculosis has been made, an investigation of the physical condition of the other members of the family should follow. It cannot be too emphatically stated that disease being usually transmitted through intimate and prolonged exposure to the 'open' case.

"It has been estimated that forty per cent of the tuberculosis cases that will develop within the next decade will be the result of close

contact with others already infected.

"Routine examination of all high school children, isolation or hospitalization of the active case, discovery of the sources of infection, application of hygienic living principles, periodic examinations for all adults, and a careful check-up by physicians and trained workers of all known active cases and contacts represent an invaluable defense against the spread of tuberculosis."

FOUR TRUE BILLS RETURNED BY GRAND JURY AT LAMESA

Lamesa, May 1.—Four true bills were returned against five persons today by a grand jury in 106th district court of Judge Louis B. Reed, according to Truett Smith, district attorney.

B. E. Sargent, free on bond, was named on an indictment for drunk driving and J. B. Rabon, held in Dawson county jail here, was charged with cattle theft.

Two youths, not yet arrested, were indicted for fence cutting and a man was charged with swindling by worthless checks. He, too, has not been arrested. Smith aided the grand jury in investigations.

Cases against Sargent and Rabon will be heard this week or next, Smith said. Judge Reed will complete his term of court here May 13.

PLANTING SEED SHOULD BE TESTED BEFORE BUYING

Lubbock, Tex., May 4.—"West Texas farmers are becoming more and more test-conscious," according to Early Peltier, seed analyst for the State Department of Agriculture stationed at Texas Technological College. "By asking that all seed be tested before buying, they are gradually weeding out the sale of inferior seed."

Volume of seed tested at the branch laboratory here this year has been twice that of the first year, Peltier said. The branch laboratory was established in September, 1937.

Wynne Collier is adding to and remodeling his home near the American Legion hall.

CHEER UP, BIG BOY, DON'T BE SICK ALKA-SELTZER DOES THE TRICK

Why don't you try Alka-Seltzer for the relief of— HANGOVER

Stomach Gas, Headache, Acid Stomach, Colds, Neuralgia, Fatigue, Muscular, Rheumatic and Sciatic Pains?

Alka-Seltzer has a pleasant, refreshing, tangy taste. It contains an analgesic (Acetylsalicylate, a Sodium Salt of Aspirin) which relieves pain and discomfort, while its vegetable and mineral alkalizers help to correct the cause of those minor ailments associated with hyperacidity of the stomach.

At your drug store, at the soda fountain, and in 3c and 6c packages for home use.

BE WISE—ALKALIZE

Traffic Officers Learn To Speak

Austin, May 4.—Amazing as the news may be to traffic offenders acquainted with the eloquence of officers, traffic officers have to learn public speaking.

But the kind of public speaking they will study at the Texas Traffic Officers Training School is the kind designed to help them address, with some ease and a minimum of "ers" and "uhs", such groups as P. T. A.'s, civic clubs and Chambers of Commerce. Their talks will promote traffic safety in their communities.

T. A. Rouse of the University of Texas faculty will be public speaking instructor in the training school to be held May 1 to 13 at Camp Mabry, state police headquarters. Lieut. Franklin M. Kreml, head of the traffic institute at Northwestern University, Evanston, Ill., and the nation's foremost traffic safety authority, will sponsor the school jointly with state police.

Fifty traffic men from Texas cities and towns, two Mexico City officers and two members of the Louisiana State Police will attend.

Douglas Finley was on the sick list this week.

C. T. Tankersley brought to The News office this week a piece of petrified wood he secured in the Big Bend country while down there fishing recently. The rock was from a petrified tree, about thirty feet of which was exposed.

## CLASS GOES ON PICNIC

Twelve members of Mrs. Frank Hill's Sunday School class enjoyed a picnic of roasting weiners and marshmallows, sandwiches, pickles, potato chips, cookies, fruit and drinks at the Roadside Park Tuesday afternoon at 5:30 to 8 o'clock. Various games were enjoyed after the supper by the following: Savannah Lou Tunnell, Marion Frances Haney, Loydean Edwards, Joan Henderson, Nancy Ray Weathers, Janne Edwards, George Maurice Small, Thomas and Charles Fulker-son, Nat Parks, James Hardy Rubanks, and Kenneth Weaver.

Guests were: Jifamy Dumas Small, Barbara Jean Henderson, Virginia Roddy, Patricia Hill, Mrs. Harley Henderson and Frank Hill. Marvin Munn and Ray Brown, members, were missed very much.

## T-BAR H. D. CLUB MAKES QUICK BREADS

"In planning your meals for the day why not try Boston brown bread instead of biscuits and corn meal bread every meal," stated Mrs. Frank Sargent at the regular meeting of the T-Bar Home Demonstration club which met in the home of Mrs. H. P. Lindley Friday, April 28 at 2:30 p. m.

"Recipes for Boston brown bread, nut bread and several more were given to all present with explanation and probable cause for failures.

Order of Business conducted by

Mrs. Paul Johnson our president. Move made and carried to send one delegate to A. and M. College.

One new member, Mrs. C. Bolch and six visitors Mmes. W. W. Hancock, Homer Hancock of O'Donnell, Chely Bowles of Lubbock, Tunnell of Tahoka, Wilma Yeats and Daniels of T-Btr and 24 members were present.

After the meeting, Mmes. H. P. Lindley and George Lindley were the gracious hostesses to a Sun Shine shower in honor of Mrs. Ellis Barnes. The lovely gifts were presented to Mrs. Barnes by Mrs. Coffee, the walking peddler.

Refreshments were served to the following: Mmes. Chely Bowles, W. W. Hancock, Homer Hancock, Tunner, Wilma Yeatts, Daniels, Paul Johnson, Ben Moore, John Earles, Slaughter, Bill McMillan, Akins, W. A. Arms, E. O. Overman, R. E. Townzen, I. C. Dorman, A. E. Leverett, E. R. McGregor, Haygood, Hale, Smith, Coffee, Frank Sargent, Tune, C. Bolch, Ellis Barnes, M. A. Boles, and the hostess.

Mmes. Waldo McLaurin, Alvin McMillan and Taylor sent gifts.

Our next meeting will be with Mrs. McGregor May 12. Everyone that can, be present.

## CUB PARENTS TAKE NOTICE

Though the Cub-Parents' meeting was postponed on Thursday night because of the Band Concert, A. C. Weaver, Cub-Master, urges all Cubs and Dads to be ready for the week-end camp at Post, May 13-14. Each Cub must be accompanied by his Dad, (no exception can be made to this rule). Charges will be \$2.00 for Cub and Dad. All Cubs and Dads wishing to go are urged to see Mr. Weaver at once.

## NEW LYNN H. D. CLUB

"Simplicity is the keynote to effective furniture arrangement" stated Miss Maurine McNatt to the New Lynn Home Demonstration Club, Tuesday May 2, 2:30 P. M., in the home of Mrs. P. K. Fleming.

Simplicity in arrangement is essential but should not be carried to extreme because the result will be plainness. The decorations in a room should be in harmony with the structural lines of the design.

A few well chosen accessories, carefully arranged, give an artistic touch to a room.

A refreshment plate was served to the following members: Mmes. Doyle Terry, John Meeks, Newman Bartley, T. C. Bartley, J. A. Jaynes, Joe Thurman, R. W. Barton, E. B. Terry, Bernie Bingham, J. H. Stalcup, Grandmother Fleming, Miss McNatt, and the hostess, Mrs. P. K. Fleming.

The next meeting will be in the home of Mrs. Doyle Terry, May 16.

## WELLS W. M. S. MEETING

With 9 members present at the Wells Baptist Church Monday afternoon, Mrs. E. D. Yeatts, the Bible Teacher, gave a very interesting review of Chapters 8 to 14, inclusive, of the book of Genesis: Miss Effie Maynard, President of the Wells W. M. S. brought the Devotional.

Plans were made for a covered dish lunch and all day quilting in the home of Mrs. R. E. Townzen next Monday. All members invited.

Those attending Monday's meeting were: Miss Effie Maynard, and Mmes: W. L. Brian, Sam Nelms, A. J. Barnes, C. Bolch, D. A. Franklin, W. M. Smith, E. D. Yeatts and R. E. Townzen.

## ATTENDS STYLE SHOW

Mrs. C. C. Ross, local beauty shop owner, was among those who attended the Beauticians' school and Trade Show in Lubbock last week. In the Spring Coiffure and Style Review at the Palace Theatre on Wednesday night Mrs. Ross presented Miss Rachel Bankston as her model.

Mr. and Mrs. Freme Jones and son Travis of Littlefield and the latter's girl friend, Miss Helen White, teacher or home economics in the Priona High School, visited Mr. and Mrs. H. M. Snowden and family here last Sunday. Mrs. Jones is a sister of Mr. Snowden.

Mr. and Mrs. Pete Wetsel and Mr. and Mrs. Frank Parr and son left for their home in Clay county Sunday afternoon, after several days visit with Jim Wetsel of Tahoka and Mrs. R. L. Gray of Lynn, son and daughter of the former.

Mr. and Mrs. J. Emory Nance and children have recently moved to a farm in the Draw community.

## CARD OF THANKS

Words cannot express our thanks and appreciation for the many deeds done, the words of consolation spoken, and the beautiful floral offerings given, in the recent death and burial of our dear mother and grandmother. May God's richest blessings rest upon each of you who were so kind in our time of grief.

## Breath Bad, Logy? You May Need This

Just as the lighthouse flashes a friendly warning to sailors, so Nature sends out headaches, bad breath, biliousness, which often warn of constipation.

Too many misunderstand or neglect those symptoms and thereby may invite a host of constipation's other discomforts: sour stomach, belching, loss of appetite or energy.

Be wise. Take spicy, all vegetable BLACK-DRAUGHT tonight by simple directions and clear your bowels gently, promptly, thoroughly. This intestinal tonic-laxative helps give tone to lazy bowels.

Its long life and popularity testify to BLACK-DRAUGHT'S merit.

Mr. and Mrs. Pete Wetsel and Mr. and Mrs. Frank Parr and son left for their home in Clay county Sunday afternoon, after several days visit with Jim Wetsel of Tahoka and Mrs. R. L. Gray of Lynn, son and daughter of the former.

Mr. and Mrs. J. Emory Nance and children have recently moved to a farm in the Draw community.

# THIS IS THE YEAR TO GO FORD V-8!

SEE FOR YOURSELF how many important new advantages Ford owners get for their money in 1939... how many worthwhile features only Ford owners enjoy at low price. Before you decide on any car, see and drive a Ford V-8!

**BIGGEST HYDRAULIC BRAKES** ever used on a low-priced car! 12" drums, 162 square inches of braking surface in all!

**MOST ADVANCED STYLE**—Recognized style leaders of this year's low-price field.

**HIGH GAS MILEAGE**—85 H.P. Ford V-8 in this year's Gilmore-Yosemite Economy Run showed best gasoline mileage among all leading low-priced cars.

**ONLY V-8 ENGINES** in the low-price field—smoothest, fastest, most fun to drive.

**LONGER RIDEBASE** than any other low-priced car; 123 inches between front and rear springs.

**RIDE-STABILIZING CHASSIS**—Only low-priced car with Torque-tube Drive. No front end bobbing or dipping.

**WINDSHIELDS THAT OPEN**—on all closed Ford V-8 body types.

**EXTRA EQUIPMENT**—at no extra cost—included in all Ford delivered prices.

FIRST IN IMPORTANT IMPROVEMENTS FOR 1939!

**MIDWAY 4-H CLUB**  
"Every girl should first get everything ready for her chicks before she buys them," Miss Maurine McNatt told the Midway 4-H club girls in the home of Mrs. R. L. Littlepage Thursday, April 28.

Your chicks should have a clean place in which to stay where the temperature is 98 to 100 degrees. To keep the right degree you should watch the action of the chicks rather than the thermometer. The food and water for the chicks should be clean and pure. If the food and water isn't pure the chicks will take some kind of disease.

Ocoidiosis is the most fatal disease a chick can have after the age of two weeks. Ocoidiosis is caused by an organism which gains entrance into the chicks body through the mouth with food and water. The symptoms of this disease are droopy wings and ruffed feathers. A diarrhea often develops and may or may not be tinted with blood. The disease progresses rapidly and immediate treatment is necessary to prevent severe losses.

Members present were: Marcelene Stephens, Reba Phillips, Clara Faye Nordyke, Clovis Stephens, Mary Louise McDonald, Clara Lee Henry.

## CLASS GOES ON PICNIC

Twelve members of Mrs. Frank Hill's Sunday School class enjoyed a picnic of roasting weiners and marshmallows, sandwiches, pickles, potato chips, cookies, fruit and drinks at the Roadside Park Tuesday afternoon at 5:30 to 8 o'clock. Various games were enjoyed after the supper by the following: Savannah Lou Tunnell, Marion Frances Haney, Loydean Edwards, Joan Henderson, Nancy Ray Weathers, Janne Edwards, George Maurice Small, Thomas and Charles Fulker, Nat Parks, James Hardy Eubanks, and Kenneth Weaver.

## T-BAR H. D. CLUB MAKES QUICK BREADS

"In planning your meals for the day why not try Boston brown bread instead of biscuits and corn meal bread every meal," stated Mrs. Frank Sargent at the regular meeting of the T-Bar Home Demonstration club, which met in the home of Mrs. H. F. Lindley Friday, April 28 at 2:30 p. m.

"Recipes for Boston brown bread, nut bread and several more were given to all present with explanation and probable cause for failures.

Order of Bus

Mrs. Paul Johnson our president. Move made and carried to send one delegate to A. and M. College.

One new member, Mrs. C. Bolch and six visitors Mmes. W. W. Hancock, Homer Hancock of O'Donnell, Chelcy Bowles of Lubbock, Tunnell of Tahoka, Wilma Yeats and Daniels of T-Btr and 24 members were present.

After the meeting, Mmes. H. F. Lindley and George Lindley were the gracious hostesses to a Sun Shine shower in honor of Mrs. Ellis Barnes. The lovely gifts were presented to Mrs. Barnes by Mrs. Coffee, the walking peddler.

Refreshments were served to the following: Mmes. Chelcy Bowles, W. W. Hancock, Homer Hancock, Turner, Wilma Yeats, Daniels, Paul Johnson, Ben Moore, John Earles, Slaughter, Bill McMillan, Akins, W. A. Arms, E. O. Overman, R. E. Townzen, I. C. Dorman, A. E. Leverett, E. R. McGregor, Haygood, Hale, Smith, Coffee, Frank Sargent, Tune, C. Bolch, Ellis Barnes, M. A. Boles, and the hostess.

Mmes. Waldo McLaurin, Alvin McMillan and Taylor sent gifts.

Our next meeting will be with Mrs. McGregor May 12. Everyone that can, be present.

## CUB PARENTS TAKE NOTICE

Though the Cub-Parents' meeting was postponed on Thursday night because of the Band Concert, A. C. Weaver, Cub-Master, urges all Cops and Dads to be ready for

## NEW LYNN H. D. CLUB

"Simplicity is the keynote to effective furniture arrangement" stated Miss Maurine McNatt to the New Lynn Home Demonstration Club, Tuesday May 2, 2:30 P. M., in the home of Mrs. P. K. Fleming.

Simplicity in arrangement is essential but should not be carried to extreme because the result will be plainness. The decorations in a room should be in harmony with the structural lines of the design.

A few well chosen accessories, carefully arranged, give an artistic touch to a room.

A refreshment plate was served to the following members: Mmes. Doyle Terry, John Meeks, Newman Bartley, T. C. Bartley, J. A. Jaynes, Joe Thurman, R. W. Barton, E. B. Terry, Bernie Bingham, J. H. Stalcup, Grandmother Fleming, Miss McNatt, and the hostess, Mrs. P. K. Fleming.

The next meeting will be in the home of Mrs. Doyle Terry, May 16.

## WELLS W. M. S. MEETING

With 9 members present at the Wells Baptist Church Monday afternoon, Mrs. E. D. Yeatts, the Bible Teacher, gave a very interesting review of Chapters 8 to 14, inclusive, of the book of Genesis. Miss Effie Maynard, President of the Wells W. M. S. brought the Devotional.

Plans were made for a covered dish lunch and all day quilting in the home of Mrs. R. E. Townzen next Monday. All members invited.

Those attending Monday's meeting were: Miss Effie Maynard, and Mmes: W. L. Brian, Sam Nelms, A. J. Barnes, C. Bolch, D. A. Franklin, W. M. Smith, E. D. Yeatts and R. E. Townzen.

## ATTENDS STYLE SHOW

**MIDWAY 4-H CLUB**  
"Every girl should first get everything ready for her chicks before she buys them." Miss Maurine McNatt told the Midway 4-H club girls in the home of Mrs. R. L. Littlepage Thursday, April 28.

Your chicks should have a clean place in which to stay where the temperature is 98 to 100 degrees. To keep the right degree you should watch the action of the chicks rather than the thermometer. The food and water for the chicks should be clean and pure. If the food and water isn't pure the chicks will take some kind of disease.

Ocoidiosis is the most fatal disease a chick can have after the age of two weeks. Ocoidiosis is caused by an organism which gains entrance into the chicks body through the mouth with food and water. The symptoms of this disease are droopy wings and ruffed feathers. A diarrhea often develops and may or may not be tinted with blood. The disease progresses rapidly and immediate treatment is necessary to prevent severe losses.

Members present were: Marcelene Stephens, Reba Phillips, Clara Faye Nurdyke, Clovis Stephens, Mary Louise McDonald, Clara Lee Henry, Mable Williams, Bessie and Mary Louise Rainey.  
New members: Letha Pearl and Opal Johnson.

**PATTERSONS OBSERVE GOLDEN ANNIVERSARY**

Mr. and Mrs. H. A. Patterson were honored with a dinner in their home Friday evening, April 21, in observance of their Golden Wedding anniversary. Their home was beautifully decorated with Tullis-man roses and tulips.

Guests for dinner were Mr. and Mrs. T. E. Park and Mrs. Fannie Bartley of Tahoka, Mr. and Mrs. Ernest Patterson and sons Darrell and Albert of Seymour, Mr. and Mrs. J. O. Patterson of Tahoka, Mr. and Mrs. Earl Patterson and daughter Ruby and Mrs. Clifton Patterson and baby of Phoenix, Arizona, Mr. and Mrs. Clyde Shaw of Wilson, Mr. and Gene Patterson and sons Gene and Billy, of Tahoka, Mr. and Mrs. Bill Swan, of Lubbock, Mrs. Patterson cut the traditional bridal cake.

Friends that called to congratulate Mr. and Mrs. Patterson on the occasion were Judge and Mrs. Jim Elliott, Rev. and Mrs. G. E. Turrentine, Mrs. Clarence Gausson, Mrs. F. E. Redwine, Mr. and Mrs. Elbert Rogers, Mrs. J. C. Gable, Mr. W. M. Lee, Mr. Allie White, and Mr. and Mrs. Cecil Shaw all of Tahoka, and Mr. and Mrs. Ed Milliken of Wilson.

Mr. and Mrs. Patterson were the recipients of many lovely gifts. This was the first time all the Patterson family had been together in fifteen years.

**THE WILSON "1939 CLUB"**

The "1939 Club" of Wilson is sponsoring a silver tea at Mrs. H. B. Crosby's, and Mrs. P. H. Davidson is going to give a book review on "Look Eleven Years Younger" by Gelett Burgess. The date of the tea is May 16, 1939.

William D. Green of Lubbock has offered a site to the "1939 Club" for a community park. This will be our first attempt to raise funds to improve the site.

**SUNDAY VISITORS**

Those visiting in the home of Mr. and Mrs. R. L. Gray Sunday were: Mr. and Mrs. Pete Wetsel of Henrietta, Mr. and Mrs. Frank Parr and son Paul Ern of Ringgold, Mr. and Mrs. Jim Wetsel of Tahoka, Mr. and Mrs. Fred Stone and daughter of Wilson, Mr. Loyd Cox and Miss Louise Truett of Lubbock, and Jack and George Cox of Tahoka. A nice dinner was enjoyed by all, and pictures were taken in the afternoon.

**Band Concert Is Weekly Affair**

Tahoka high school band, under direction of Joyce H. Felts, appeared in a public concert Monday evening at 7:30 o'clock on the court house lawn.

The band will play a concert each Monday evening at this hour and place until the end of school, and possibly longer. People of the town and county are invited to come down town for these free open-air concerts.

**LIGHTING DISCUSSED BY MIDWAY CLUB**

Mrs. Maurine McNatt, Lynn county H. D. agent, told the Midway H. D. Club ladies at their regular meeting April 27 at Mrs. H. C. Warren's, in her discussion of Lighting the living room, that seeing is a most complicated strain because it absorbs so much energy.

"To light a room properly", she stated, "requires the application of the art principles, proportion, line, and color."

The size of the room and kind of furniture in the room help determine proportion. The people that are to use the room should be considered in the arrangement.

Colors are determined by the situation of the room, as a south room does not require colors that bring out warmth and cosiness as does a north room.

Have simplicity in all things. As to artificial light, have enough to take care of the ordinary routine of the family. Have a medium amount of contrast, no glare, but enough light, shaded with a white lined shade, as it does not absorb so much light.

Members present were: Mesdames K. W. Phillips, John Thomas, Rufus Slover, Howard Draper, Sam H. Floyd, I. M. Draper, Alice Duncan, R. B. Floyd, R. L. Littlepage, and H. C. Warren.

Visitors present were: Mrs. Taylor, Mrs. Matt Lockaby, and Dan-  
nie.

The next meeting of this club will be with Mrs. Pete Curry, May 11.

Mr. and Mrs. L. M. Jones of Draw spent the week end with her parents Mr. and Mrs. E. D. Payne and family of Edith.

**"HERE COMES CHARLIE"**

By Jay Tobias

PRESENTED BY THE SENIOR CLASS

High School Auditorium

Friday, May 5, 1939, 8 o'clock

**CAST**

Nora Malone, cook at the Elliott home	Pauline Owens
Officer Tim McGrill, Nora's sweetheart	J. H. Dyer
Mrs. Farnham, Larry's aunt by marriage	Polly Milliken
Larry Elliott, a young business man	Travis Shelton
Ted Hartley, his old-time college pal	Felix Macha
Vivian Smythe-Kersey, Larry's fiancée	Grace Greathouse
Mrs. Smythe-Kersey, the mother	Doyce Chapman
Mortimer Smythe-Kersey, Vivian's brother	D. F. Reddell
Uncle Aleck Twigg, in charge of Charlie	Tom Hale
Charlie Hopps, Larry's ward	Avis Shelton

Director, Lily W. Wilkins  
Business Managers, Rosalie Thompson, Wayne Coffee  
Properties, Jennie Reba Nevill, Genell Fortenberry  
Stage Management, Lester Adams, Jimmy Bearden  
Electrician, R. L. Bosworth  
Prompter, June Fender  
Make-up, Eloise Roberts, Billie Swafford

Time: Present.

Act I Three o'clock p. m. in late summer. A curtain during this act to show lapse of one hour.

Act II Two weeks later, 4:30 p. m.

Act III Late afternoon in June, eleven months later.

All action takes place in living room of Larry Elliott's suburban home.

Music: High School Band directed by Mr. Joyce Felts.

The condition of W. E. Sikes, who was taken to Christoval early last week suffering intensely from an affection of one of the legs, is reported to be improving. The nature of the malady had not been learned when he left here. He is under the treatment of a physician at Christoval.

The hospital insurance bill commended in an editorial in this paper was passed by the Senate early this week and has probably been signed by the governor by this time.

W. G. Forgy of the O'Donnell Press was a business visitor in Tahoka Tuesday and made a fraternal call at the News office.

A still-born infant of Mr. and Mrs. O. D. Pierce of Spur, born in a Lubbock hospital, was buried here at 10 o'clock Wednesday morning. Funeral services were conducted by Rev. George A. Dale at the cemetery. Mrs. Pierce is the daughter of Mrs. Pearl Brown and was reared here.

Mrs. J. W. Donaldson and two little daughters of Houston, accompanied by Mrs. Dock Powell of that city, are here this week visiting Mr. and Mrs. J. D. Donaldson. They arrived last Saturday and expect to leave next Saturday.

Elmer Rice, Wilson Postmaster, reports that the rain was spotted around Wilson the report ranging from about 1/2 to 1 1/2 inches.

**Reports Requested On Forest Fires**

In accordance with the request of the Secretary of Agriculture, this Department has arranged a plan of cooperation with the State and National fire officers whereby rural and star route carriers shall report forest fires discovered by them along their routes to persons designated by the State and National authorities to receive such intelligence.

The State and National authorities will inform postmasters as to whom the discovery of fires should be reported, and each rural carrier should be directed to cooperate to the fullest extent with such authorities in the manner agreed upon, namely, that the carrier shall report a fire to the nearest State fire warden or National forest officer on his route, or, if no such warden or officer lives on the route, to arrange through some responsible citizen to have him notified, by telephone if possible. Star-route contractors and carriers are included in the plan of cooperation and should be requested to report the discovery of fires in the same manner as will be done by the rural carriers.

Postmasters are also directed to report forest fires to the nearest State or National forest officer.

Read The Ads And Profit.

Ben Moore and Rev. J. H. Crawford of O'Donnell were pleasant callers in the office Thursday morning. They report that O'Donnell has had good rains.

A. L. Lockwood and Marvin Wood are out at Hot Springs, New Mexico, taking the baths. They left early last week for a three weeks stay.

### Run-off Water Takes Big Toll

Run-off water not only is taking a heavy toll in soil losses, but also is robbing the Southern Great Plains of millions of dollars annually in lost crop production, according to F. A. Vestal Camp Supt. of the Soil Conservation Service Lamesa, Texas.

Water can be controlled so soil erosion and flood dangers are reduced while crop yields are being increased, or it can be permitted to run off the land, muddy with topsoil in the form of silt and leaving gullies and reduced soil fertility in its wake.

Texas Panhandle farmers are realizing the value of controlling water and each year more and more farms are being cultivated on the contour. Strengthened by terraces where necessary. Many thousand additional acres are being planted on the contour for the first time this year, the Soil Conservation Service reports.

Experience of farmers using soil and water conservation practices show that rows planted on the contour or around the slope instead of up and down the hill reduces the cutting force of water, prevent gully, reduce the chances of seed being washed out of the ground and give a more even distribution of moisture with the result that crop stands are more uniform and yields are greater.

Mr. V. G. Callahan fifteen miles South east of Lamesa who is a new Cooperator with the Lamesa Camp partially terraced two farms two years ago and has made comparison between terraced and the straight row method on the two farms. He states that "the yields have been one third greater on the terraced land than on that part of the field that was farmed on a straight row." Mr. Callahan has completely ter-

### Neighbors Prepare Sick Man's Land

Due to illness, Mr. Sproles, who resides in the vicinity of Tahoka Lake, had gotten behind with his farming operations. The neighbors took note of the situation, and one of them has handed us a story of what happened. We give it in his own words.

"On Thursday morning, April 27, my friend and neighbor crawled the 'Popping Johnny' and headed north just as the sun was coming over the cap-rock, shining on the waters of beautiful Tahoka Lake, Lynn county's beauty spot, and behold, we looked and saw tractors coming from all directions, 13 in all with two teams.

"So, we all pitched in and knifed some 300 acres for Mr. Sproles, who is sick in bed, and at about 12 noon we drove out by his house where sandwiches and coffee, ice tea and cake were served to the following men: G. H. Spears, Morris James, R. T. Moore, Raymond Gibson, Lee McPadden, Guy Cobb, Ben James, Marvin Munn, J. O. Bartlett, R. J. Cooper, Bassinger, George Bovell, Charles Lichey, A. B. Hatchell, Mrs. Emma Hatchell, J. R. Kinard."

#### CARD OF THANKS

We want to thank our friends and neighbors for the kindness and good deeds which were done during the illness of our daughter Mrs. Delbert Brown. May God's blessings rest upon each of you—Mr. and Mrs. Frank Decker and family.

reared one farm this year and plans to terrace the other farm as soon as the crop is off next winter.

Where fields are farmed continually up and down the slopes, crops often are washed out and most of the production comes from low spots where run-off water has accumulated. This rush of water down the slopes soon takes much of the rich topsoil from the hill-sides and reduces the productivity of the land. Furthermore, water allowed to rush off a field speeds on its way downstream, often adding to damage caused by floods.

### 1206 Women Say "Yes" to Query

If 93 out of 100 users picked at random declare they were helped by a medicine, would you believe in its merit? Record of the famous Query among women of leading cities in 12 Southern States shows 1206 out of 1297 users queried say CARDUI helped them. That figures 93 out of 100! What a record!

Women all over the South are eager to tell of their experiences with CARDUI. They were weak, rundown, nervous. Those are symptoms of functional dysmenorrhea due to malnutrition, which CARDUI helps to relieve by stimulating appetite and digestion and building physical resistance. Try CARDUI!

### Abilene Promises Big WTCC Fete

Abilene, May 4—Plenty of entertainment will be provided for West Texans attending the 21st annual convention of the West Texas Chamber of Commerce held here May 15-16-17.

"Twilight Trail" is the title of the WTCC revue to be staged Monday and Tuesday nights under the direction of Mrs. Hila Weathers, Crockett.

Mrs. Weathers directed the highly successful shows held at the Sweetwater, Big Spring and San Angelo conventions.

West Texas' prettiest girls, selected as sponsors by their home towns, will take part in the revue. They will compete for the title, "Miss West Texas."

North Texas State Teachers College stage band, the "Aces of Collegeland," directed by Floyd Graham, will furnish music for the shows. This is the eighth consecutive year that this band has been selected for this honor.

To the theme music of "Twilight on the Trail," the shows will present a brilliant, glorified Western setting. In this setting the town sponsors will be presented on the first night's program for selection of "Miss West Texas" by popular ballot. The girl selected will be crowned at the second night's show by a prominent West Texan.

Presentation of the sponsors at each show will be followed by a colorful program of entertainment on which the best vaudeville talent in West Texas will appear. Many entertaining acts already have been signed for this program and others will be secured.

Miss Marjorie Munger, daughter of Mr. and Mrs. L. S. Munger of Abilene, has been named "Miss Abilene" and will be official hostess at the convention. She will be presented at the night shows.

Miss Barbara Crisey of Burk Burnett who was selected as "Miss West Texas" at the Wichita Falls convention last year will be honored at the first night's program.

A new feature this year will be an outdoor entertainment program at 4 p. m. Monday on the Federal lawn adjoining the WTCC headquarters building. More than 100 entertainers already have been scheduled on this program and other acts will be added.

Each night following the "Twilight Trail" revue, dances will be held at two local hotels.

Among sponsors named to date are Miss Munger, Miss Crisey; Sweetwater, Miss Joyce Whaley; Albany, Miss Virginia Craighead; Wichita Falls, Miss Peggy Gene Kimbrough; Colorado City, Miss Henrietta Ann Pritchett; DeLeon, Miss June Terrell; Anson, Miss Lora Spurling; and Mineral Wells, Miss Opal Hill.

### Seminole Planning Big Scout Camp

Seminole, Tex., May 4.—Over two hundred Scouts and Leaders will gather a mile south of Seminole on Friday for the first District Camporee, according to Mr. F. D. Stark of Seminole. Troops from Taroka, O'Donnell, Lamesa, Ackerly, Ropesville, Meadow, Brownfield, Plains, Gomez, Seagraves and Seminole will be in attendance. Dr. R. B. Parish of Brownfield will be the Camp Marshal.

The program will consist of opening Camp at 4:00 p. m. Friday followed later with a Campfire. On Saturday the troops will compete against a standard for Camporee honors. The Camporee will end Saturday at 2:00 p. m. with a flag ceremony and announcement of Class winners.

Troop 49, of Brownfield will set up and demonstrate a model troop camp. Visitors are invited to attend the Campfire and inspect the Camporee camp.

Pay up your subscription now!

### Headachy, Breath Bad? Make This Check-Up

The Police Siren means "Look-out!" And so do Nature's signals—headaches, biliousness, bad breath, which are often symptoms of constipation. Don't neglect your sluggish bowels, for a host of constipation's other discomforts may result: such as, sour stomach, loss of appetite or energy, mental dullness.

Help your lazy bowels with spicy, all vegetable BLACK-DRAUGHT. Acts gently, promptly, thoroughly, by simple directions.

BLACK-DRAUGHT'S principal ingredient is an "intestinal tonic-laxative." It helps impart tone to lazy bowel muscles. Next time, try this time-tested product!

**Tahoka Children In Lubbock Contest**

The following Tahoka children will take part in a piano ensemble concert at the Senior High School in Lubbock Saturday night, May 6, at eight o'clock, according to Mrs. J. K. Applewhite of this city, president of the South Plains Music Teachers Association.

"This concert is free, a courtesy of the Association", Mrs. Applewhite says.

The Tahoka children who will participate are: Mary Beth Roddy, Mary Ruth Hargett, Jean Henderson, Joan Henderson, Nancy Ray Weathers, Joan Bennett, Ruth Evelyn Story, Gwynelle Davis, Mary Beth Fenton, Dorothy Jean Applewhite, Johnny Margaret Price, Joan Edwards, Charlene Bucy, Peggy Fenton, Billy Jo Cowan.

**New City Park Station Opens**

H. S. Watson of Grassland has opened the new Conoco service station erected by Douglas Finley across the street from the Baptist Church and the City Park. A. E. Herring, district agent, was here last week in connection with the installation of the Conoco stock of merchandise.

Watson was practically reared in Lynn county, being the son of G. C. Watson of Grassland. He attended Tahoka high school for a time, but graduated from Wilson high. For the past four years he has been a resident of Oklahoma. City Park Service Station will be the name of the firm.

**WILSON STUDENTS' TRAILER BURNS**

(Cont'd. from page 1) enveloped the trailer so suddenly that the extinguisher had little effect.

In fact, the fire was so intense that it was necessary for the manipulator of the extinguisher to play its contents on Supt. S. G. Anthony and others while the latter disconnected the trailer hitch from the bus in order to keep the bus from being damaged by the fire.

The trippers lost all their clothing except that which they were wearing, bedding, considerable cash, and about \$60.00 worth of groceries. The total loss was estimated at \$1,000 or more.

Several of the children had made great sacrifices in order to get to make this trip, several even having had to borrow clothes to wear while gone. They had been saving their pennies and nickles all year in anticipation of the trip, and had sponsored a number of benefit entertainments in order to raise funds.

Word comes from Wilson, however, that the party had scarcely gotten back home until their friends began raising funds to enable the children to yet make the trip, and that they would leave again this (Friday) morning. They will make the same trip as originally scheduled except that they will go directly from Corpus Christi to Laredo, leaving Brownsville and the Lower Valley off their itinerary.

The origin of the fire that destroyed the trailer and contents seems to be a mystery to every one, as it was thought every possible precaution had been taken to prevent such a catastrophe.

C. T. Tankersley is in the habit of seeing things when he travels Down in the Big Bend country not long ago he saw a hole in the ground big enough to bury a horse in, and upon inquiry he found out that representatives of an Eastern University had been down there and excavated the bones of a huge dinosaur. He was much impressed with what he saw. Yale, Harvard, and Columbia have done much of this kind of work in West Texas in recent years, some of it in Garza county to our east.

Mrs. Jodie Nevill received a surprise telephone call Tuesday from her daughter, Mrs. Faye Fleming of Flagstaff, Arizona, who was then attending the big San Francisco Exposition. Mrs. Fleming declared that she was having a wonderful time.

Jim Woods left Wednesday for Crowell, where a job was awaiting him. Before leaving, he reported that his father, Harry Woods of the Edith community, was still gradually improving, though still confined to his bed.

County Judge P. W. Goad, and Commissioners Tom Hale and Sam Holland were called to Abilene as witnesses in a case Monday.

**Indoor Session Of Camp Trainers**

The indoor session of the Troop-leaders Camp Training Course will open at the Scout Hall in Tahoka at 7.30 p. m. under the leadership of O. C. Roberts of Tahoka. The indoor session will be held to prepare the Scouters for the two overnight hikes to be held at Camp Post on May 12 and 13 and May 20 and 21. Scouters are expected to attend this training course from all of the Southern districts in the Council.

**COW PAYS COLLEGE EXPENSES FOR TAHOKA BOY**

Lubbock, Tex., May 4.—Boxes from home contain, not cakes and jellies, but cottonseed meal and crushed hay for one Texas Tech boy. J. C. Womack, 19-year-old freshman agriculture student from Tahoka, pays his board with the four gallons of milk daily which his Guernsey cow gives. His family and friends send feed twice each month.

Besides paying his board, Womack nets enough from the milk to pay \$3 a month lot rent and additional feed.

"Shucks," he says, "What's the use working when a cow can do it for me?"

Mr. and Mrs. J. M. Johnson made a trip over the week end to Brady, where they visited Mrs. Johnson's parents, Mr. and Mrs. G. W. Knoy. They also visited a sister and brother of Mrs. Johnson at San Angelo and a sister at Mason.

Lloyd Wendal Cox, route 1 Tahoka and Ishmael Lewis Wheeler, 2431 Twenty-fourth street, former members in the CCC camp in Mackenzie state park, left Monday for Fort Bliss at El Paso to complete their enlistment in the U. S. army. —Lubbock Avalanche.
