Number 2

Crowds Gather For Tahoka Round-Up

1,000 In Meeting Of Primitive Baptists

Visitors Are Present From Large Areas For Association

Hundreds of people were coming in Thursday to be on hand for the opening of the Primitive Baptist Association here Thursday night. Still others were expected to arrive Friday.

Members of the local church were expecting at least a thousand visitors. They were to be here from all parts of Texas and several neighboring states. Practically all the preachers or elders of the denomination for two or three hundred miles around were expected.

Arrangements have been made for the meetings to be held in the old Underwood warehouse at the southeastern outskirts of the town. This has been thoroughly cleaned up, seats provided, and everything has been placed in readiness for the big event.

Most of the visitors are coming prepared to camp and to prepare their own meals. They are also bringing their own bedding and many of them will sleep at night in the warehouse.

The meetings will continue through Sunday, which is expected to be a great day.

Primitive Baptists are not numerically strong but they are zealous and faithful to their church and they are noted for attendance upon their services. The annual association is the big event with them each year, corresponding in this respect with the annual state convention of the Missionary Baptists. Tabooing the use of musical instruments in their services, they cling tenaciously to the use of the old hymns, most of which are set to solemn music calculated to inspire a deep spirit of devotion. The music is usually one of the most attractive features of their services.

The Primitive Baptists are a fine people. They constitute a great body of citizenship. They deserve our deepest respect, and we hope that the people of Tahoka will extend them a most cordial welcome and show them a most friendly spirit while they are in our midst.

Orange Crush Loses In Finals

The Tahoka Orange Crush softball team was defeated Sunday in the district tournament in Lubbock, after fighting their way into the finals. In the championship game they were matched with the Super Service boys of Lubbock and for a while it seemed that they would be the district champions. E. S. Evans, pitcher for the local team, had been holding the Lubbock hitters back, while the Orange Crushers had scored three runs in the third. In the fifth inning, however, the Service boys scored a double and from then on the game belonged to Lubbock. Tahoka took second place in the tournament.

Two Tahoka boys were on the all-star team, Scot Thomas on first base, and Rusty Waldrip in left field.

Previously the local boys had defeated George's Linn Supply 12 to 6 and in the semi-finals, defeated Meadow with a score of 15 to 6 to work their way to the finals and second place.

The News Issued Early This Week

This week's Lynn County News appears one day early this week, due to the celebration which opens Thursday morning.

The paper is out early as an accommodation to advertisers, and in order that the News employes may take in the Tahoka Round-Up.

O'Donnell Gets First 1939 Bale

O'Donnell received its first bale of cotton from this year's crop on Monday, August 21, according to W. G. Forgy, editor of the O'Donnell Press.

It was raised by Irvin Street living near O'Donnell and was ginned at the Bowlin gin there. The bale weighed 460 pounds. It was sold at public auction and was bought by "Shack" Blocker, groceryman, at 10 cents per pound. Business men of O'Donnell made up an additional purse for Mr. Street amounting to \$60.

The first bale last year was ginned on August 22.

The crop in the vicinity of O'Donnell this year promises to be very fine.

H. D. Club Annual Picnic Wednesday

Lynn county Home Demonstration club members will have their annual all-day picnic in the Tahoka City Park next Wednesday, August 30. Every woman in the county is invited to come and bring a basket lunch, and each club is asked to bring some game.

Special numbers on the day's program include a health talk by Dr. E. Prohl, a reading by County Supt. Lenore M. Tunnell, a talk by Mrs. J. W. Elliott, a talk on "Christian Womanhood" by Rev. Geo. A. Dale, and a talk on "Rural Womanhood" by Mrs. R. W. Fenton Sr.

New Draw Gin Near Completion

Thomas Bros. of Grassland and Draw are completing a new, up-to-the-minute gin plant at Draw to take the place of their plant which burned there last year.

The gin is of the 5-80 size, with the latest improvements, and is housed in the newest type building.

Price Thomas is in charge of the Draw gin.

Blaze Damages Store At Post

Damage estimated at from \$15,000 to \$20,000 was done to the stock of the Bryant-Link company store and the Double U ranch building in which it is housed in Post by fire of undetermined origin which broke out there about 7 o'clock Sunday night, according to the Lubbock Avalanche.

The flames apparently broke out in the back of the building, filling the interior with smoke and blowing out the rear windows, thus giving the alarm.

Practically all of the dry goods stock in the large combination dry goods and hardware store was damaged by water. Guy Speck is store manager.

Damage was slight on the second floor where the offices of the Double U ranch and the telephone exchange are located, although the dense smoke interrupted telephone service for a short time.

INSURE SCHOOL BUSES

Each child who rides in a bus to Tahoka schools is insured for \$5,000 maximum while a passenger on his bus, and each bus load is insured for \$100,000, as the result of a renewal of insurance policies by the Tahoka school board Monday night.

This is the maximum protection available under the law.

HIRAM ARRANT, District Rotary Governor, Abilene, who will meet with the Tahoka Rotary Club Thursday, Sept. 7.

CALLOWAY HUFFAKER, New attorney who is opening office in Tahoka this week.

New Lawyer Locates In City

Calloway Huffaker, who was reared in Lynn county, has returned home to enter the practice of law. He has established an office on the second floor of the First National Bank building.

Calloway is the son of Mr. and Mrs. W. C. Huffaker of Dixie. He graduated from Wilson high school in 1931, graduated from Texas Tech, majoring in government, after which he spent two and a half years in the University of Texas Law School, receiving his degree in law last February. Since that time he has been practicing law in Austin. He also taught school three years, two of which were in Dawson county.

Renew Efforts For Cold Storage Plant

F. C. Thorpe states that the campaign for the installation of a co-operative cold storage plant here has been renewed.

Two hundred or more signers for locker space must be secured to insure the installation of the plant. Those wishing locker space or information concerning the co-operative may get in touch with Mr. Thorpe.

Many Transfers To Local School

More high school students have transferred into the Tahoka schools this year than in a long time, Carl Griffing, secretary of the school board, says.

Exactly 100 students are coming to the Tahoka school from districts in which their grades are not taught. They are from Three Lakes, West Point, Dixie, New Lynn, Edith, Grassland, Midway, and T-Bar.

Last year there were only 55 transfers into the Tahoka district.

Mr. and Mrs. W. V. McIlroy are vacationing in Longview this week and next.

School Registration Opens Friday, Sept. 1

District Rotary Governor Coming

Hiram Arrant of Abilene, who is governor of this district of Rotary International, will be in Tahoka Thursday, September 7, on his official visit to the Rotary club of this city.

Mr. Arrant is a professor of Chemistry in Hardin-Simmons University and City Chemist in Abilene, a member of the Rotary club there, and was elected governor of the 127th District at Rotary's 30th annual convention in Cleveland last June.

President Craft and Secretary Townes of the Tahoka Rotary Club will confer with Rotary Governor Arrant on matters of club administration and activities. The Rotary club of Tahoka was organized in 1936 and now meets weekly at the American Legion Hall.

Rotary Governor Arrant was one of the nearly 200 men who were elected to serve Rotary's 5,000 clubs and 210,000 Rotarians in 80 countries and geographical divisions of the world.

Fire Damages Weathers Home

The Raymond Weathers home in north Tahoka was slightly damaged by fire Sunday afternoon while the family were away. Mr. and Mrs. Weathers were in Big Spring, and David was away from the house when a friend of David's from Post came by looking for him and discovered the smoke. He turned in the alarm, and the fire was extinguished before it had spread over the house.

Damage was estimated at about \$300 or \$400. The porch, where the fire probably started in a wastebasket, and part of the kitchen were destroyed. The electric refrigerator was badly damaged.

After the fire had been extinguished, David, who had arrived in the meantime, entered the house to open the windows and allow the smoke to escape. After he had done so, and was just coming out the back door, he was overcome by the smoke and heat and fell unconscious. He was not injured in any way however, and after friends revived him, seemed as "good as new".

Three Will Attend Legion Convention

At a meeting of Marion G. Bradley Post of the American Legion Monday night, Sam Holland, Harry Roddy and Claude Conway were elected delegates to the state Legion convention in Waco Saturday, Sunday and Monday, according to Happy Smith, Post commander.

They will leave Tahoka for the convention Saturday at noon.

PETTY MAN IN LUBBOCK ACCIDENT

A. L. Cromer of Petty community figured in an accident at the fork of the Slaton and Tahoka highways in Lubbock, in which Leonard Willis, 21, of Houston was injured slightly Monday. The driver of the other car was Lloyd Bollman, also of Houston. Mrs. Cromer and two boys were with Mr. Cromer when the cars collided at the intersection.

ALLISONS HAVE SON

State Rep. and Mrs. Alvin R. Allison of Levelland are parents of a son, born August 21 in a Levelland hospital.

The young man has been named Alvin Ray, Jr., and weighs 8 lbs. Mother and son are reported "doing splendidly".

Class Work Will Be Started Monday, Officials Decide

To facilitate handling of enrollment at Tahoka high school this year, tenth and eleventh grade students who live in or near town will enroll Friday morning, September 1, beginning at 8 o'clock, principal Lee Dodson announces.

Tenth and eleventh grade students who ride buses will enroll Friday afternoon, September 1, beginning at 1:30 o'clock. All other pupils will be enrolled Monday, September 4.

High school students coming to Tahoka for the first time are urged to have a transcript of their grades sent in before they enroll if at all possible.

All buses will make their rounds Friday afternoon about one o'clock.

English Teacher Elected Monday

Miss Florence Pickett, Lubbock, was elected high school English teacher at a meeting of the Tahoka school board Monday night, succeeding Miss Lily Wilkins.

Miss Pickett graduated from Stephenville high school, holds B. A. and M. A. degrees from Texas Tech, and has had several years teaching experience, including three years at Crosbyton, one at Lubbock, one at Pampa, and three at Corpus Christi, where she had been re-elected for another year.

Election of Miss Pickett completes the faculty for the coming school year.

Pampa Woman In Car Wreck

Mrs. John Yentes of Pampa received treatment at the Tahoka Clinic Saturday for injuries sustained when the car in which she was riding overturned twice six miles north of here on the Lubbock highway.

Mr. and Mrs. Yentes, another woman and three small children whose names we could not learn, were traveling from Pampa to Big Spring, when a tire blew out, causing the car to overturn. Mrs. Yentes, the only one who received treatment, had lacerations on each leg. The injury was not considered serious.

Highway Work Well Under Way

The contractors are doing a new thing under the sun on highway No. 390 east of Tahoka. An experiment in road construction for this section of the country at least, is being made. It is too early yet to pass any kind of judgment on the road that will exist after the work shall have been completed but just now the project looks good.

Contractors Bell & Braden of Amarillo are constructing a section of highway about 5.7 miles in length, beginning three miles east of Tahoka, without using either crushed rock or caliche as a base. On a perfectly smooth dirt surface, they are spreading a mixture of fine sand and asphalt.

The sand is being hauled on trucks from the sand beds two or three miles north of the highway and dumped along the roadbed. After being distributed evenly and in uniform ridges on either side of the roadbed, an immense machine comes along and scoops up this sand, saturates it with asphalt which is pumped from huge con-

(Cont'd on back page)

Big Celebration Gets Under Way This Morning

Rodeo, Parades, Speaking and Indians Are Expected To Draw Many People

Crowds are gathering in Tahoka for the third annual Tahoka Round-Up Thursday and Friday, downtown streets are decorated in red and white bunting, many bow-legged cowboys line the streets, and every thing is in readiness for a gala occasion these two days.

The program opens this morning on the court house square at 10:30 with public speeches by state officials and other prominent men. District Attorney Trust Smith will be master of ceremonies. A sound truck will be available for the speakers.

At noon, visitors are invited to lunch at any of the many cafes, or to spread their lunches on the shady lawn of city park, or the court house lawn.

The parade will form at the High School at 12:30, and will be headed by the Tahoka High School band, rodeo officials, and Chief Baldwin Parker's Comanche Indians from Cache, Okla. Following in the procession will be possibly 100 mounted cowboys and cowgirls, floats of business firms, and decorated cars.

Cowboys from many states are here to enter the rodeo events beginning at the rodeo arena west of the High School each afternoon at 2 o'clock and each evening at 8 o'clock.

Beutler Boos, of Elk City, Okla., who are said to have some of the toughest rodeo stock in the nation, are furnishing 26 bucking horses and 33 head of bulldozing and riding steers. Roping calves and cows for the wild cow milking are being furnished locally.

Chief Parker has brought 18 Comanche Indians with him and they will put on a program of Indian dances and songs at each rodeo performance, dressed in full Indian dress.

Admission to the rodeo is 25 and 50 cents.

Much other entertainment will be available in town during the two days, including carnival, dances, picture show, pool, dominoes, and bowling.

Extend Lyntegar Lines In Dawson

The construction of an electric light and power line in Dawson county as an extension of the Lyntegar project in Lynn, Terry, Hockley and Garza counties seems to be an assured fact, according to Garland Pennington, superintendent of the Lyntegar project.

A conference with the farmers of Dawson county was held at Lamesa last Saturday. Mr. Pennington says, at which time 332 signatures had been attached to the agreement for electric service. It is expected that there will be at least 50 other signers.

This project, strictly speaking, will not be an extension of the Lyntegar lines. A sub-station for this project will be established in Lamesa but the office here will be the main office for the Dawson county line as well as for the Lyntegar lines.

The Dawson county lines will extend as far north and west in Dawson county as Welch, as far east as Key, and to Sprenberg, Patricia, and on down into Martin county on the south. The lines will be about 125 miles in length.

Mr. Pennington stated Tuesday that a surveyor had already gone down into Dawson county to begin surveying out the route.

MEXICAN PLEADS GUILTY

A Mexican plead guilty in county court last week on a charge of sale on non-tax paid liquor, and paid a fine and costs totaling \$130.00.

Ed Cook Proud of Fat Cattle

Ed Cook of the Wells community reports that his 93 head of Whitefaces are certainly coming along fine. He put them on feed March 1, feeding ground maize, higar, and cotton seed meal, supplemented with grazing, and they have put on fully 300 pounds in weight. He expects to push them until winter.

Mr. Cook is also very proud of his crop. Unless something happens, he says he will make more cotton per acre than he did in the banner year of 1937, when Lynn county raised 154,000 bales. His feed is also much better. In fact, he has the best feed crop he ever had, except possibly in 1928, and since he has gone into the cattle fattening business he is more interested in that feed crop than heretofore.

Mr. and Mrs. H. P. Caviness are still away on their vacation. They are now attending a revival meeting at Bend in the Colorado River near San Saba, we understand, as has been their custom in recent years. A revival has been held there on the same grounds each summer for possibly fifty years.

Mr. and Mrs. Marvin Munn spent the first of the week down at Graham visiting his uncle and family. They went down Saturday night and returned home Tuesday.

PROTECT YOUR HEALTH

When eating or drinking in public places, you always feel safer when you know that the dishes and silverware are completely sterile and GERM-FREE. So for your safety and protection we have installed the new steam process

THE PATHFINDER

is the one and ONLY publication with the knowledge, experience and courage to give you every week the first-hand, inside information which is positively necessary for you to have. It is the ONE publication which is under no obligations to the big moneyed interests or Czars of trade—none of those fatal tie-ups with the selfish cliques who gamble in the very life blood of the people. That's why the Pathfinder is in a position to tell you the unvarnished facts in the plainest possible English. You can depend on every word it says—and there is no substitute for reliability.

EVERY WEEK FROM WASHINGTON, D. C.

Washington is now the news center of the entire world. It is the one place in the country where a strictly unbiased and reliable publication can be issued. That is why the Pathfinder is located there. The same clear sighted vision which led to the selection of the National Capital as the home of the Pathfinder over 40 years ago is the backbone of every single issue of the Pathfinder today.

It is our privilege for a limited time to offer you at a greatly reduced bargain price the greatest and most popular national weekly—The PATHFINDER—together with THIS PAPER, both a full year—52 weeks—for

Only \$1.75
THE LYNN COUNTY NEWS

Findley Did Not Sell Tractor Agency

The News was in error last week in stating that Gene Patterson had purchased the Allis-Chalmers agency from Douglas Finley. The error was due to a misunderstanding of the facts as given to a representative of the News. Mr. Patterson has only established a workshop in the Douglas Finley building which is headquarters for his Allis-Chalmers business. Mr. Finley retains the agency for the Allis-Chalmers tractors.

The News regrets that this error was made, which was entirely its fault, due chiefly to the rush and strain under which we labored last week in getting out that special round-up edition.

Drivers License Test Date Set

Because of a recent slash in number of drivers license examiners of the state department of public safety, changes in schedules for testing the public for operators and chauffeurs licenses in the Lubbock district of the state highway patrol have been announced by Ralph L. Buell, chief of the drivers license division, of Austin.

In the schedule printed in the Lubbock Avalanche the time given for examinations at Tahoka was 2 to 4 p. m. each Friday. Mr. Buell, according to the Avalanche, sent the bulletin to Capt. W. W. Legge of the patrol district office in Lubbock, pointing out that due to 32 men having to do the work that 85 formerly did over the state that the territory of this and other districts involved would have to be covered by fewer men.

Redwine Closes Successful Revival

At the close of a ten days revival meeting at the Redwine Baptist Church Sunday night, eighteen converts were baptized. The ordinance of baptism was administered in a pond on the H. W. Pennington farm in the Redwine community. Light for the occasion was furnished by turning on the lights of numerous cars parked thereabout. There were eight or nine additions by letter.

Members of the church report a great revival from every standpoint. Rev. L. S. Jenkins of Amherst, a former pastor at O'Donnell, did the preaching. Rev. Ted Brian, the Redwine pastor, led the song services.

ATTEND FUNERAL HELD FOR UNCLE

Mr. and Mrs. Sam Holland and daughter, Miss Dorothy, were called to Abernathy Friday night by the death of Mrs. Holland's uncle, A. W. Hardin, 79, a resident of Abernathy for the past twenty years.

Death occurred about midnight and funeral services were conducted Saturday afternoon in the Abernathy Methodist Church, with the pastor, Rev. Marshall Rhew, officiating.

Jim Weatherford, who has been visiting with his brother-in-law H. H. Hale up at Higgins in the Panhandle, heard that we were going to have a round-up down here this week and so he drifted down Monday so as to be here in time to see the broncs and the Brahmas buck.

Mr. and Mrs. Harold Snowden recently returned from a two weeks visit with Mrs. Snowden's mother at Frederick, Oklahoma. They were accompanied home by Mrs. Snowden's sister, Miss Margie Donaghey, who came for a two weeks visit.

Miss Ruth Walden of Post came over Thursday to spend the week end with her friend, Miss Iris Dean Cade.

Lyntegar Work Going Forward

All the poles for the Lyntegar electric lines originally contracted for have been set, and the work of stringing wire is proceeding satisfactorily, Garland Pennington states.

All of Section 1 of this project with the exception of the Government colony near Ropes, has been energized and meters were read for the first time last Saturday, he states. R. W. Allen, who resides between New Home and Lakeview, was the first man to pay for a month's service, and R. N. Znsor of Petty was the second man to pay.

In section 2, which will consist of about 185 miles of line, the wire has been strung over about 100 miles.

Section 3 consists of various extensions of the other lines. This includes 37 miles in Hockley county, 27 miles in Borden county, and smaller mileage extensions in Hockley and Terry counties, also the new project proposed in Dawson county. The total mileage of these extensions will be at least 200 miles probably considerably more.

Gall, the county seat of Borden county, is anxious to have a line extended to that town. Messrs. Pennington and John Heck made a trip down to Gall Tuesday afternoon to confer with citizens there pertaining to the proposal.

The prospects are that in the course of a few years, electric lines will permeate the entire thickly populated areas of the South Plains like a net-work.

Change In Farm Security Personnel

Mr. Sam Blair, formerly of Littlefield, has been transferred to Tahoka as Junior Clerk typist in the FSA office. He replaces Dub Moore, who has been transferred to Lubbock as secretary to Earl Wise, District Supervisor of the Farm Security Administration.

Mr. and Mrs. Alex. Riddle are just finishing a neat little new home out in the Roberts addition and said Tuesday that they expected to move into it Thursday or Friday of this week.

Fontaine Wyatt underwent an appendicitis operation in the Lubbock Sanitarium last Friday. He had been suffering from recurrent attacks of appendicitis for almost a year. He seems to be recovering from the operation satisfactorily.

Mrs. Marlin Page of California is visiting her mother and father, Mr. and Mrs. C. L. Cooper of Grassland.

The News failed to mention the birth about two weeks ago of a son to Mr. and Mrs. W. J. (Jack) Welch in a Lubbock hospital, so we wish to apologize and to congratulate them now. Mr. Welch is the local representative of the Farm Security Administration.

Fred Barker is away on a vacation this week.

Little Helen Jo and Gerry Rogers, children of Mr. and Mrs. Elbert Rogers, underwent tonsillectomy in the Tahoka Clinic Monday. They are reported doing nicely.

Junior Boulliou Monday purchased two registered Hereford calves at Lamesa for his FFA project the coming year. He also plans to buy a black Angus yearling.

A. L. Schaffner of eleven miles west of Tahoka is receiving treatment for a spider bite received Saturday. His physician reported him doing all right.

Billy Wright of Lubbock is visiting Junior Boulliou and attending the rodeo.

Mrs. J. C. Burgett of Galveston is visiting her father, J. E. Ketner and sisters, Mrs. Happy Smith and Mrs. Sam Price.

Mr. J. E. Ketner and daughters, Mrs. Happy Smith and Mrs. Sam Price visited Mrs. Hugh Gray, daughter and sister, in Belen, New Mexico, Saturday and Sunday.

Coughran Ketner of San Antonio, formerly of here, has moved to Lubbock.

Claude Johnson and family of New Mexico are attending the Tahoka Round-Up this week.

A. M. Roberts left here last Thursday for Los Angeles, California, where he will spend some time with his son, Tommie Roberts.

More Donations To Tahoka Round-Up

The following is a supplement to the list of Round-Up donors published last week at the request of the Lynn County Rodeo Association, and the amounts they contributed for the purposes of defraying the expenses of staging the annual event.

- Union Compress, \$25.00.
- Farmers Co-op., \$25.00.
- W. M. Harris, \$10.00.
- Carmack Gin, \$15.00.
- Jeff Connolly, \$2.50.
- Tahoka Bowling Club, \$3.00.
- C. A. Lawrence, \$2.50.
- Hattie Server, \$1.50.
- Ed Hamilton, \$5.00.
- Wyatt Bros., \$5.00.
- Southwestern Telephone, \$15.00.
- J. R. Strain, \$1.00.

Draw Methodists Holding Revival

Revival services are in progress this week in the Methodist Church at Draw. Beginning last Sunday morning, the meeting will continue ten days or two weeks. Rev. Homer Crockett is the pastor, and Rev. Geo. E. Turrentine of Tahoka is doing the preaching.

Everybody is cordially invited to these services.

Miss Lohma Louise Reed, county home demonstration agent of Atascosa county with Jourdanon as the county seat, fifty miles south of San Antonio, was a brief visitor here Tuesday morning with her cousin Mille Halsey Hill. She was accompanied by three other young women of Central and South Texas, and the party were on their return trip from Los Angeles, California. They visited relatives at other points in Southern California and came back via Colorado Springs, near which city they climbed to the top of Pike's Peak to watch the sun rise.

Oscar Roberts is building another residence out in his addition just across the street north from the A. L. Smith home. When completed it will be a handsome structure.

Mr. and Mrs. Garland Edwards are planning to move into their new home out in Northwest Tahoka the latter part of this week.

Rev. Dale Home From Revival

Rev. Geo. A. Dale returned Tuesday from Mineola, where he conducted a two weeks revival meeting in the First Baptist Church.

Following the closing service Sunday night, converts were baptized. There had been a total of 43 additions to the church during the revival. Brother Dale was told that it was the greatest revival the church had had since he conducted a revival there seven years ago.

He will be in his own pulpit here next Sunday morning and evening.

Dr. and Mrs. Tim Green of Dallas, formerly of Tahoka, are the proud parents of a son, Tim Richard, Jr., born in that city on August 15, and weighing 7 pounds, 6 ounces.

Business Women Plan Organization

At the request of several local business women, Miss Ola Belle Singleton has written Miss Lallah Wright, state membership chairman of the Texas Federation of Business and Professional Women's Clubs with reference to organizing such a club in Tahoka in affiliation with that organization.

Miss Singleton requests that all business girls and women who are interested get in touch with her.

Mrs. James E. Davis of Compton, California, was called home Tuesday to the bedside of her husband, who has become ill. She had been here attending the reunion of her family and had remained over to visit her parents, Mr. and Mrs. W. L. Davis.

WALKER-HERRING NUPTIALS

Miss Joan Ernestine Herring, daughter of Mr. and Mrs. A. E. Herring of Lubbock, became the bride of Woodrow Walker of Tahoka, son of Mr. and Mrs. J. B. Walker of Lubbock, and formerly of Tahoka, at 8 o'clock Tuesday morning in the home of the bride's parents, with Dr. C. E. Hereford of the First Baptist Church of Lubbock officiating.

The service was held before the fireplace banked with fern; candelabra and tall baskets of gladioli decorated either side.

Mrs. J. B. Rhodes, accompanied by Mrs. Hereford, sang "Indian Love Call" and "Because". Mrs. Hereford played the traditional wedding marches.

The bride was given in marriage by her father. She wore an empire styled, street length dress with swing skirt of Tunis blue crepe, yoke and sleeves of oyster satin, and a matching jacket of cutwork velvet. Her Venetian styled hat was of Tunis blue.

Miss Janet Ratcliff was maid of honor, and Mrs. Alton Peak only sister of the bride, was matron of honor. Clint Walker of Tahoka was best man, and Neill Walker was groomsmen. Both are brothers of the groom.

The couple left immediately after the ceremony for a trip to New Mexico. They will return to Tahoka where Mr. Walker is employed in Craft's Tailor Shop.

Both the bride and groom are well known here. Mrs. Walker is a Graduate of Texas Technological college and has been teaching in Tahoka the past two years. Mr. Walker was reared here, his family moving to Lubbock only a few years ago.

BUSINESS GIRLS HAVE PICNIC

Mrs. G. M. Stewart was hostess to a group of business girls Thursday night at her home for a picnic supper.

The following guests attended: Mesdames Gladys M. Stokes Heien Eubanks, E. H. Bouillon, Lois Daniel, and Misses Echo Milliken, Ola Belle Singleton, Hattie Server and Ellen Nixon.

WAYSIDE H. D. CLUB

"A feed sack makes a good cover for a dough board", stated Miss Maurine MaNatt, home agent at a meeting of the Wayside Home Demonstration Club Monday, August 21, at the home of Mrs. W. A. Darby.

In kneading bread of any kind the board should be covered. A feed sack or a piece of ducking makes an excellent cover. This should be fastened securely to prevent slipping. It can be laced or it may be in the form of a slip which can be removed and laundered often.

Mrs. Davis was appointed club recreation chairman.

Plans were made for each member to attend the county wide picnic at the Tahoka Park August 30.

The following members were present: Mesdames I. L. Johnson, W. A. Darby, T. G. Dulin, R. W. Jackson, Davis Lee, V. E. Ranson Dayton Short, M. R. Trammell and Miss Laverne Jackson.

The new members were: Miss Dorothy Eason, Mesdames W. B. Morris and Benson. The visitors were Mrs. L. M. Weaver and Misses Mildred Benson and Norene West.

The club will meet again September 12, with Mrs. Tom Dulin.

BRIDE ELECT HONORED

Miss Joan Ernestine Herring, bride-elect of Woodrow Walker of Tahoka, and former teacher here, was honored with a number of pre-nuptial parties given by friends in Lubbock, her home city.

On Friday afternoon of last week, Mesdames Floyd Williams and C. W. Ratcliff gave a miscellaneous shower in her honor at Mrs. Ratcliff's residence. Mrs. H. J. Ratcliff of Tahoka attended, also the bridegroom's mother and sister of Lubbock, Mrs. J. B. Walker and Miss Pollyana Walker.

On Saturday morning Mesdames Bill Johnson and John Kelly entertained with a bridge breakfast and kitchen shower for Miss Herring. Miss Walker was a guest.

DYE REPORTS MARRIAGE

Jim Dye reports that he recently united in marriage William G. Gandy and Miss Sinah Hinkle, who live east of town. The wedding was on August 6, and Jim left immediately on his vacation and failed to tell The News of the affair.

Mr. and Mrs. A. A. Jackson spent Sunday in Post, where they met Mrs. Jackson's grandmother from Dallas for a mutual visit with relatives.

Headachy, Breath Bad? Make This Check-Up

The Police Siren means "Look-out!" And so do Nature's signals—headache, biliousness, bad breath, which are often symptoms of constipation. Don't neglect your sluggish bowels, for a host of constipation's other discomforts may result: such as, sour stomach, loss of appetite or energy, mental dullness.

Help your laxy bowels with spicy, all vegetable BLACK-DRAUGHT. Acts gently, promptly, thoroughly, by simple directions.

BLACK-DRAUGHT'S principal ingredient is an "intestinal tonic-laxative." It helps impart tone to laxy bowel muscles. Next time, try this time-tested product!

RUTH S. S. CLASS HAVE SUNRISE BREAKFAST

The Ruth Sunday School Class enjoyed a sunrise breakfast at the home of Mrs. Jim Burleson's Tuesday morning, August 21. They had a very lovely breakfast and were entertained afterwards on the lawn.

Those present were: Mildred Cooper, Julia Snowden, Wanda Dyer, June Pender, Pauline Owens, Jeneraba Nevill, Genelle Fortenberry, Joyce Russell, Pauline Cunningham, Lucille Burris and Mrs. D. V. Smith, teacher. One visitor from Dallas.

SHERRODS TO CHRISTOVAL

Messrs. G. B. Sherrod, Mr. Frank Brown, Mesdames Pearl Brown, Loyce McMahon, G. C. Shaffer, sr., Misses Geraldine Connolly and Floyce Sherrod and Master Laylan Boyce McMahon all of Tahoka-Carl Sherrod of La Harba, Calif., G. C. Shaffer, Jr., of Denver City, Texas, went down to Christoval last Thursday for a fishing trip. All of the party returned to Tahoka Sunday except Mr. and Mrs. G. B. Sherrod, who went on to Whitney, Hill county, Texas for a few days visit with relatives of Mrs. Sherrod.

Mrs. A. O. P. Nicholson, who resided here many years but who has been residing in Lubbock and then in Slaton during the past two or three years, has moved back to Tahoka to reside. Her son, D. L. Nicholson and family, who also resided here, are now located in Big Spring.

Mr. and Mrs. Travis Stuart and children of Lubbock were Tahoka visitors Saturday.

CITATION BY PUBLICATION

The State of Texas, To the Sheriff or any Constable of Lynn County, Greetings:

You are Hereby Commanded to summon George Howington by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Lynn County, to be holden at the Court House thereof, in Tahoka, Texas, on the Fourth Monday in September A. D. 1939, the same being the 25th day of September A. D. 1939, then and there to answer a petition filed in said Court on the 1st day of August A. D. 1939, in a suit, numbered on the docket of said Court as No. 1281, wherein Dora Howington, is Plaintiff, and George Howington, is Defendant, and said petition alleging:

"That plaintiff is now, and has been for a period of twelve months an actual bonafide inhabitant of the state of Texas; and that she has resided in Lynn County, Texas six months next preceding the filing of this suit. That plaintiff and defendant were legally married to each other in Callahan County, Texas, February 23rd, 1935, and that on or about the 25th day of July, 1935, the defendant left the plaintiff with the intention of abandoning her, and did abandon her at such time, and since such time plaintiff and defendant have not lived or cohabited together as husband and wife, and since such time plaintiff has not known the place of residence of the defendant, that plaintiff's name before she married defendant was Dora Chapman. Plaintiff is suing defendant for divorce and for restoring her name to Dora Chapman.

Herein Fall Not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under My Hand and the Seal of said Court, at office in Tahoka, Texas this the 1st day of August A. D. 1939.

Hattie Server, Clerk, District Court, Lynn County. 51-4tc.

1206 Women Say "Yes" to Query

If 98 out of 100 users picked at random declare they were helped by a medicine, would you believe in its merit? Record of the famous Query among women of leading cities in 12 Southern States shows 1206 out of 1297 users queried say CARDUI helped them. That figures 98 out of 100! What a record!

Women all over the South are eager to tell of their experiences with CARDUI. They were weak, rundown, nervous. Those are symptoms of functional dysmenorrhea due to malnutrition, which CARDUI helps to relieve by stimulating appetite and digestion and building physical resistance. Try CARDUI!

NAZI PROPAGANDA
As fantastic and astounding as
it may seem, admissions wrung from
Fritz Kuhn and positive testimony
given by Helen Vooros before the
Dies committee investigating Nazi
activities in this country during the
last two or three days of last week
prove rather conclusively that there
is a German organization in this
country devoted to the task of
spreading Nazi propaganda with
the hope of eventually leaving the
whole lump and thereby bringing
this country or at least large por-
tions of it, under the domination of
the German government.

Kuhn, leader of the German-
American bund, denied that there
was any connection between his
organization and the German gov-
ernment but admitted that he had
been in conference with Adol. Hit-
ler and by his attitude and man-
ner showed clearly his sympathy
with the methods of the German
dictator.

Miss Vooros had been an active
member of the bund but had be-
come estranged and was a willing
witness against it before the com-
mittee. She testified that last year
she was one of thirty girls and boys
who were sent to Germany, with ex-
penses paid by the bund and by
agencies in Germany, for lessons on
how to best spread Nazi propaganda
in the United States. She declared
that there was a connection be-
tween the bund and the Nazi gov-
ernment and that the task of the
bund was to prepare the way in
America for the Nazis. Germany's
program was first to win back all
the territory she lost in the world
War, and then America would come
next.

"They said they were leaving it
to us, the bund, to prepare the

way", she testified. "The bund was
to open camps, to buy property,
and to form German settlements.
Then when Germany offered to aid
us, we could say that here we have
a German majority and want to be
a part of Germany." Instructions
given to them both in Germany and
in the bund in this country were
filled with praise of Hitler and the
Nazl Government and with criti-
cism of American institutions.

This would indicate that the
leaders of the bund and their back-
ers in Germany have a distorted
and exaggerated idea as to the pos-
sibilities of success for such a
movement in this country. So fan-
tastic it seems to us that it is ut-
terly astounding that Hitler and
other German leaders would under-
take to put it over. And yet, when
we remember that in the World
War, the German war lords con-
ceived the idea of winning Mexico
to their side, causing an uprising
of Germans against our Govern-
ment in parts of the United States
and finally seizing Texas through
the assistance of Mexico and Japan,
as was proved by documentary evi-
dence, it does not seem so un-
reasonable that the Nazis of today
might have similar designs on this
country.

We believe that the sturdy Ger-
man farmers and business men
scattered throughout this country
as a rule are as loyal to the United
States Government as are any other
class of our citizens, but there is
no doubt that in the cities of the
North and East there are thousands
of Germans who are not yet thor-
oughly Americanized and who are
strongly sympathetic toward Hitler
and the Nazi regime. All these
should be closely watched and se-
verely punished or deported the
moment it is proved that they are
guilty of any overt acts of disloyalty
to this country.

HERE'S TO YOU, TAHOKA!

Lubbock is accustomed to seeing
good will trips put over in a great
big way. But none in a long time
has ever been put over quite so
smashingly as was that of the Ta-
hoka delegation which came here
Thursday to publicize their "Round-
up" of next Thursday and Friday.
From that town of approximately
2500 population came nearly 200
people with their high school band,
in 28 automobiles, a bus and a fire
truck. Considering the relative size
of the communities, if Lubbock
ever equals that record on a good
will trip it will have to send out
nearly 3,000 people and a regiment
of bands in a fleet of buses, a
couple of fire departments and 400
automobiles.

It takes a town of real, live,
wideawake, enthusiastic people to
stage a trip like that of Tahoka. It
hints that their "Round-Up" will
be worth going a long way to see—
Lubbock Avalanche.

While there is no knowing what
a day may bring forth in Europe,
latest developments at the time
this is written would indicate that
Poland is doomed. To the conster-
nation of England, France, Po-
land, and other European nations,
Germany announced Monday night
that a pact with Russia had been
made and would be signed whereby
Germany and Russia were to re-
frain from war with each other.
That means that Germany is to
have a free hand in dealing with
Poland in so far as Russia is con-
cerned. With German troops being
assembled along the borders of
Poland already, it seems altogether
certain that unless Poland surren-
ders Danzig to Germany immedi-
ately Germany will speedily begin
an invasion of that country, in which
event Poland is doomed. Even if
Poland should yield Danzig, Hitler
would probably give some other ex-
cuse for gobbling up Poland, as he
has heretofore gobbled up Austria
and Czechoslovakia. Whether En-
gland and France under these cir-
cumstances would throw their armed
forces into the field in an attempt
to save the independence of Po-
land remains to be seen, but if they
should do so they would be enter-
ing a conflict with terribly
doubtful consequences for them.
The situation in Europe grows
darker and darker.

They certainly are bringing to
light a mess of graft and thievery
among the higher ups in Louisiana.
It all was started under the regime
of the late Huey Long, whom so
many people in Louisiana and a
few simple souls outside of it
fairly worshipped. We never did
have an iota of confidence in Long
and were constantly amazed at
finding men after men during his
lifetime that thought he was just
about the proper stuff. It's strange
how easily so many people can be
duped by demagogic politicians—
even in Texas.

Crops in the north half of Lynn
county are good, but in the south
half it looks like another 1937. Cot-
ton prospects could scarcely be
finer. Of course prospects can go to
the bad sometimes almost in the
twinkle of an eye. Boll worms, leaf
worms, or an early freeze could
work havoc, but unless some of
these misfortunes do befall the
crop, much of it will make a bale
to the acre, and very little of it
less than a half bale. Much of the
feed also is as fine as ever grew.
How thankful the people of Lynn
county should be.

We know nothing about the
merits of Henry Ford's quarrel with
the National Labor Relations Board
over his dismissal of twenty-four
men for their alleged union activi-
ties, but if the NLRB has actually
passed an order requiring him to

ODDS AND ENDS

By Bee Eye the Elder

In spite of the fact that the auto-
mobile has almost entirely sup-
planted the horse, on the farm, on
the highways, and even on the
ranch, everybody still admires a
beautiful horse. "The man on horse-
back" is still somebody come. A
thousand soldiers passing through
town in motor vehicles would at-
tract attention because of the novel-
ty of it, but if it were announced
in advance that a thousand caval-
rymen would pass through Tahoka
at a certain time on well-groomed
army steeds, the streets of Tahoka,
we surmise, would be lined with
thousands of spectators to see and
admire the cavalcade.

The most attractive feature of a
rodeo parade is not the gaudily de-
corated automobiles but the "cow-
boys" and "cowgirls" astride spiri-
ted prancing horses.

Announcement that a series of
automobile races is to be the fea-
ture of some holiday celebration
will attract many thousands of vis-
itors because of the speed and the
apparent recklessness with which
the machines are driven, but if you
want to see people really go wild
and eagerly put up their money on
their favorite, just stage a big
horse-racing event in which the
fleetest horses in the country are
to compete. A man does not par-
ticularly love his car and would
rarely put up much money on it,
but many a man loves his horse al-
most like a brother and would
recklessly bet his last dollar on its
ability to win. From the days of
the thrilling chariot races of an-
cient Rome down to the very present
time, no kind of physical or manual
contest can draw keener interest
than a contest of speed between

graceful, fleet-footed animals of the
turf.

In rodeo contests such as are be-
ing staged in Tahoka today, the
contests enlist interest not only be-
cause of the skill of the men and
women performing but also because
of the speed, the dexterity and the
incorrigibility of the animal per-
formers.

The horse is an interesting animal,
whether he be a trim Ken-
tucky racer, a strong, ponderous
Percheron stallion, or a roomy
Mexican mustang. A good cow pony
must be an intelligent, docile, well-
trained animal. A good rodeo horse,
however, may be the wildest and
most incorrigible outlaw of the
species.

Old-timers of West Texas tell us

of the wild horses "that infested
this region before the coming of
the cattlemen. These wild speci-
mens were descendants of Spanish
horses that were brought over to
Mexico by Spanish adventurers fol-
lowing the conquest of that country
by Cortes. In the spring of 1519,
Cortes himself landed at the site
of the present city of Vera Cruz
with an army of some 500 soldiers,

ODDS and ENDS

(Cont'd. from previous page)

200 Cuban Indians, sixteen horses, ten heavy guns and some lighter artillery, which he had brought from Cuba on a fleet of eleven vessels. He came in the name of the king of Spain and of the Catholic Church to gather gold and to convert the inhabitants of the new world to the Catholic faith. In two years he succeeded in subduing the Aztecs and capturing the capital, City of Mexico.

These sixteen horses that he brought were the first horses that ever set hoof on the mainland of the Western Continent. Other horses were brought later by other Spanish adventurers. These multiplied rapidly, and many of them in the course of time escaped from the rude corrals provided by their owners and wandered far away out upon the plains and among the hills of Mexico. Some of them eventually made their way or were brought into Texas, and droves of Mexican mustangs either in captivity or as nomads of the prairies soon became a common sight in this state.

Although the many fine breeds of horses of the present day are a development of the past few hundred years, the horse appeared as a domesticated animal with the dawn of practically every nation of the ancient world. Scientists claim that the progenitor of the modern horse was originally a little animal about the size of a dog and having five toes on each foot. The central toe gradually developed into a hoof, they claim, and the other toes gradually diminished in size until they had degenerated into mere fetlocks. Many fossil remains of the three-toed horse have been found in most parts of the world, including Texas. A specimen of this prehistoric animal was found in the Panhandle a year or two ago and the reconstructed animal is now on exhibit in the West Texas Museum on the College campus at Canyon.

But the horse in his modern form is believed to have developed first in Central Asia. In the early days of Egypt, Babylonia, Chaldea, Persia, and other Oriental countries, the horse is found to have been a domesticated animal, doing business as a draft horse or as a mount for the soldiers in war. When Moses led the Children of Israel out of Egypt, he was pursued by an army of Egyptians with their horses and chariots, and the entire Egyptian army with their horses, according to the Biblical account, were overwhelmed by the waters and destroyed in the midst of the sea.

While Abraham, the father of the Jewish race, was the greatest cattleman of his day, so far as historical records disclose, it was King Solomon, also a Jew and reputed to be the wisest man that had ever lived, who was evidently the greatest horse fancier of his race. If he had lived in modern times he would have made the traditional Kentucky Colonel look like a piker in his love for horses and women. The Kentuckian is said to be a lover of fast horses and beautiful women. Solomon seems to have reversed this order. He loved beautiful horses and fast women. While he had in his harem 700 wives and 300 concubines, in his stables he had stalls for 40,000 horses, and he had 12,000 men employed to take care of them. He was the greatest polygamist and the most famous breeder of horses in all history.

But Alexander the Great, that ruthless military leader who came out of Macedonia and who is said to have wept at the age of 33 because there were no more worlds for him to conquer, was also a great lover of horses. At least he loved one horse devotedly, Bucephalus—so named because his head resembled that of a bull. This was the horse on which Alexander led his soldiers into battle and to victory on many a bloody field. In one of his last campaigns, while subjugating the people of India, this horse died. One account says that he was mortally wounded in battle, immediately fled from the heat of the conflict to a place of safety for his master, and then dropped dead. At any rate, Alexander founded a new city in India and named it in honor of his beloved horse, Bucephalus. This is doubtless the only city in all history that was named for a horse.

The horse is regarded by many as the noblest of all animals. Some

accord this honor to the dog. The horse likewise is regarded by many as the most useful animal, or was so regarded at least until he was largely displaced by the automobile. Some have accorded this place to the cow. In any election on either proposition, however, before the advent of the automobile and the tractor, the horse would have won by an overwhelming majority.

In any classification of animals, however, the genus Equus is made to include the lowly ass and the hardy mule. Representatives of both these species are made famous in Biblical history. It was Baalam's ass which opened its mouth and talked back to Baalam when beaten by his master, and it was the rebel Absalom's mule which ran out from under him when his master's head was caught by the limb of a tree and he was left suspended alive between the heavens and the earth, where his enemy Joab found it easy to slay him.

Since the mule is the offspring of the male ass and the female horse and is himself sterile, some one has described him as an animal "without pride of ancestry and without hope of posterity."

He is a very useful animal, however. In fact, until recent years, he was by far the most useful animal on the farm in the South and in portions of the West. We have

never been able to understand why his value was not likewise appreciated in the North. In the South, the hardy, sturdy mule has literally made many a statesman, lawyer, doctor, preacher, college president, to say nothing of the ordinary clod hopper or pen pusher. The father of the writer had a span of mules that did practically all the team work on his farm for twenty years. They pulled the plow that broke the land, planted the crops, cultivated the crops of cotton and corn, and hauled the cotton to the gin and to market. They made it possible for him to send most of his children to college and to give them a better start in life than he had had. Next to their parents, these children, we guess, owe about as much to Beck and Kit as to any other two beings on earth, human or animal. They lived to be more than thirty years old, and we guess they ought to have been buried and had a marker erected over their graves.

The ass is an "onery" looking cuss. On the Western continent, only the backward peoples find him useful as a draft animal or beast of burden. To us he is useful only as a plaything for small boys. During Biblical times, however, and in many countries yet, he is regarded as a very useful animal. As an example of stupidity and stubbornness, however, he has the world beat. But many of us human

Mr. and Mrs. Taylor White, former residents, now of Odessa, visited Mr. and Mrs. D. V. Smith briefly Friday while enroute home from Lubbock. For several years Mr. White was teacher of vocational agriculture in the Tahoka high school. He is now district agent for a life insurance company.

Mr. and Mrs. B. H. Baker of Clovis, N. M., were visitors in the beings are constantly breaking into his class, and that's the reason so many of us are called by his name. We're getting right here.

Women Answer From 12 States

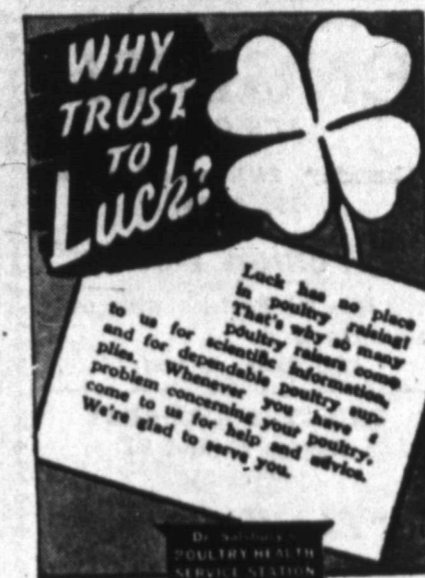

To date, Touring Reporters have visited the principal cities of 12 Southern states; have asked 1297 users their famous question: "Did CARDUI help you?" Of those 1297 users, 1206 said they were definitely benefited by CARDUI. That's 93 out of every 100. What a record! CARDUI is a good stimulator for lagging appetites, a real aid to digestion and assimilation. That's why its proper use enables so many women and girls to build up physical resistance, and thus helps them avoid the periodic pain of functional dysmenorrhea due to malnutrition.

Former Lubbock Judge Is 95

Very few men live to be 95 years old, but Mrs. Hill and the editor had the pleasure Monday of visiting Judge W. D. Crump of Shallowater on his ninety-fifth birthday anniversary. Neighbors and friends called throughout the day to tender their congratulations and pay respect to the aged man.

Judge Crump has had an interesting career. He came to Lubbock county in 1890, before the city of Lubbock had been started. One of his callers during the day was Mr. J. Tubbs of Lubbock who came to the county in the same year. With the exception of one little shack which had been built, they witnessed the bringing of the first stick of timber, they said, that was ever brought upon the section of land on which the original town stands. Mr. Tubbs killed an antelope on the town section. On another occasion Judge Crump so herded a drove of fleeing antelope that they would and did pass by some men who were digging a well on what is now the courthouse yard, hoping that some of them would bring down one of the number, but the men had no gun and his efforts were therefore of no avail. That well became the public well for the city and county of Lubbock in their early days.

Judge Crump says that Lubbock county was then attached to Crosby county for judicial purposes and Estacado was the county seat. Soon thereafter, however, he and Mr. Tubbs and others organized the county and saw the city of Lubbock laid out. He and Mr. Tubbs, who is only eight years his junior, have been residents of the county ever since, and Judge Crump was the county's third county judge.

Born in Kentucky on August 21, 1844, Judge Crump removed to Dallas county, Texas, in 1874, where he resided nine years. Then he migrated to Clay county and remained there seven years. From Clay county, he came to Lubbock.

Mr. and Mrs. W. J. Knighton and daughter, Ruth Grey Knighton of Shreveport La., and Mr. and Mrs. J. P. Wurtsbaugh of Crockett, Texas were recent visitors in the Dr. J. R. Singleton home en route to Colorado. Mr. Wurtsbaugh is Mrs. Singleton's brother, and Mrs. Knighton is her niece.

Dr. and Mrs. J. R. Singleton are doing some repair work on their home this week. The house is being repainted and repapered, shutters are being added to the windows, a new roof is being put on the garage, and other improvements made.

Mr. and Mrs. Jim Dye returned last week end from Pagosa Springs, southwestern Colorado, where they spent several days fishing and resting. Jim says he had pretty fair fishing luck. He went out one morning and enticed 27 mountain trout to grab his hook. Pretty fair.

Breath Bad, Logy? You May Need This

Just as the lighthouse flashes a friendly warning to sailors, so Nature sends out headaches, bad breath, biliousness, which often warn of constipation.

Too many misunderstand or neglect those symptoms and thereby may invite a host of constipation's other discomforts: sour stomach, belching, loss of appetite or energy.

Be wise. Take spicy, all vegetable BLACK-DRAUGHT tonight by simple directions and clear your bowels gently, promptly, thoroughly. This intestinal tonic-laxative helps give tone to lax bowels. Its long life and popularity testify to BLACK-DRAUGHT'S merit.

LOCKWOODS RETURN FROM NORTHWEST CANADA

Mr. and Mrs. A. L. Lockwood returned Saturday from a visit of several weeks with his sister and her husband at Bapaume, Saskatchewan, Canada. They were accompanied on the trip by Mr. Lockwood's niece, Miss Annie McDonald, who is assistant supervisor of schools in Amarillo, and his nephew, Jack Roney, 17, also of Amarillo.

The same party had previously visited New York and the World's Fair this summer.

Mr. Lockwood says Bapaume is situated 700 miles northwest of Winnipeg, which would place it almost 700 miles north of the nearest point on the United States-Canada boundary line.

That is a plains country and the people are engaged principally in farming and stock-raising. Wheat is the principal farm crop but some oats and other grains are raised. Stock-raising is not very profitable, Mr. Lockwood says, although the cows grow much larger than they do here, the expense of feeding them being heavy and the market for the beef not being good. They are kept housed and must be fed for about nine months in the year, oats and hay being their chief feeds. Durhams and Herefords are the principal breeds.

Mr. Lockwood says that the days are about sixteen hours long from sunrise to sunset, in the summer time, and that it scarcely gets dark at all. It remains twilight except for just a few hours in the middle of the night. The days are balmy, though never very hot, and it always gets cool at night. Temperatures run as low as 65 degrees below zero nearly every winter.

On the way home Mr. and Mrs. Lockwood and their companions stopped and enjoyed the wonders of Yellowstone National Park. They came also by Salt Lake City.

Mr. Lockwood says that the greatest exhibit in the World's Fair, in his opinion, is the exhibit put on by the Borden Milk Company. But that's too long a story to tell here.

Mr. and Mrs. J. J. Gray of the Joe Stokes community returned Sunday from a weeks visit with a son-in-law and daughter, Mr. and Mrs. J. L. Case, and their family at Iowa Park. They also visited at Achita Falls. Mr. Gray says that crops generally in that section of the state are very poor. The weather has been dry and even on the irrigated lands in the Wichita Valley crops are not good except in spots. Mr. Gray himself has one of the finest crops he has had since coming to Lynn county about twenty-four years ago.

Politicians use the radio because their talks cannot be analyzed or cross-examined, and at the moment listeners seem to like to hear one-sided discussions, but usually they have to look at the next day's newspaper to tell what it was all about.—McLean News.

Miss Valerie Wells, who had spent a week in Clovis, New Mexico, visiting her aunt, came home Monday, accompanied by her grandmother, Mrs. L. F. Kelly, who had been visiting her daughter for several weeks.

W. R. Ledbetter recently went out to Albuquerque, New Mexico, where he is receiving treatment in the U. S. Veteran's Hospital. Many friends over the county are hoping that he will soon be on the road to recovery.

Miss Juanita Kent of Madisonville, Texas is visiting her grandparents, Mr. and Mrs. A. L. Dungan, and family. She came up for the reunion a week or two ago and will stay over until after the rodeo.

Miss Lois Nance of Justiceburg is here visiting Miss Mary Margaret Tunnell and attending the rodeo. She and Miss Tunnell were roommates at Tech last year.

Bud Milliken, Clay Hughes, Roy Cowan and E. L. Smelser spent the weekend down on the Colorado River near Snyder fishing.

Mr. and Mrs. A. N. Norman of Levelland visited her parents, Mr. and Mrs. A. C. Aycox, here over the weekend.

Judge L. C. Heath of Brownfield and formerly county attorney here was a business visitor here Monday.

Constipated?

"For years I had occasional constipation, awful gas bloating, headaches and back pains. Adlerika always helped right away. Now, I eat sausage, bananas, pie, anything I want. Never felt better." Mrs. Mabel Schott.

ADLERIKA
WYNNE COLLIER, DRUGGIST

FARMERS SHOULD RETURN CROP ACREAGE NOTICES

Some of the farmers of this county are not returning the notice of their crop acreage to this office. These notices were to be signed by the farmer and returned immediately. Until these notices are in this office it will be impossible for us to proceed further toward sending in applications for parity payments, and these payments will be delayed. We will appreciate the return of these forms just as soon as possible.

C. A. Lawrence
Sec. Lynn Co. A. C. A.

Mr. D. G. Ridge of Lubbock has been added to the personnel at the First National Bank. His family have not yet joined him.

Mrs. L. E. Young of Dallas is here visiting Mr. and Mrs. W. M. Harris. Mr. Young and Mrs. Harris are brother and sister.

Mr. and Mrs. M. C. Richey and Mr. and Mrs. J. W. Warrick have gone to the north west on a pleasure trip.

G. C. Shaffer, Jr. of Denver City, Texas, is spending his vacation with his parents here, and attending the rodeo.

Miss Helen Park left Wednesday morning for Denton and Gainesville to visit relatives and friends.

Mrs. Marlin Page of California is visiting her mother and father, Mr. and Mrs. C. L. Cooper of Grassland.

The premature son born to Mr. and Mrs. Charley McLean northeast of town, and weighing only 3½ pounds at birth, has gained a pound and is getting along wonderfully well, according to Dr. Sinclair, attending physician.

Mrs. Cyde Hartman accompanied Mr. and Mrs. J. R. Heard of Hurlwood down to Andrews Saturday night, where they visited Mrs. Hartman's and Mrs. Heard's parents, Mr. and Mrs. G. A. Brasfield. They returned Sunday night.

La Juana Riley, daughter of Mr. and Mrs. C. R. Riley, underwent tonsillectomy in the Slaton hospital Tuesday morning. She is recovering nicely.

Miss Mary Allen Hughes of Albuquerque, New Mexico, is visiting her cousin here, Miss Obera Forrester.

Mr. and Mrs. W. C. Mathis and Don Mack of Levelland were guests in the homes of their parents here Sunday.

Earlene Norman, stenographer in the county clerk's office, is spending her vacation with relatives in Dallas.

Miss Inez Ritter of Sweetwater is visiting in the Raymond Weathers home and attending the round-up.

A wet road is dangerous; a wet driver even more so.—McLean News.

Mr. and Mrs. O. K. Kidwell went down to Rochester, Texas, Saturday and returned Sunday, bringing Mrs. O. L. Kidwell back for a week's visit. Mrs. Kidwell is the mother of O. K. and Miss Dorothy.

TAHOKA EPWORTH LEAGUE MEETS

Fourteen members of the Tahoka Epworth League attended the meeting held in Lamesa last Friday night.

O'Donnell, with 16 members present, won the banners. There were 44 members attending from various parts of the counties.

The meeting was very interesting. Lamesa had a well-prepared program. After the business part of the meeting was over, members were served refreshments and afterwards played a few games of volleyball.

The next meeting is to be held at McCarty. There are monthly meetings, so it will be about the middle of September before the next one. Let's all come to League Sunday night at 7:30 and help win the banner at the next meeting at McCarty.

CROWD AT NAZARENE CHURCH GROWING

Good crowds are attending the services at the Church of the Nazarene and are increasing in size, according to Miss Betty Ellis, the pastor.

Excellent messages, she says, are being brought by the evangelist, Rev. C. M. Whitley. It is hoped that the crowds will continue to increase during the meeting in spite of other attractions.

You are cordially invited.

DAVIS REUNION

Mr. and Mrs. W. L. Davis were hosts at a family reunion at their home Sunday. The Davis family moved to Tahoka in September, 1903. Most of their children were born in Lynn county.

Relatives present were: Mrs. Alta Boswell of Dallas and her five children; Mrs. J. E. Davis and two sons of Compton, Calif.; Thomas Davis of Tokio; Mr. and Mrs. Hubert Davis and baby of Floydada; Mrs. E. B. Gaither and Mrs. Beulah Atkins of Tahoka.

The following friends of the family called during the day: Mr. and Mrs. T. F. Christman of Brownfield, Mr. and Mrs. S. H. Howell of Tahoka, M. O. Davidson of Rotan, and E. B. Duncan of Brownfield.

The day was greatly enjoyed by each one present, and their many friends wish them many more happy reunions.

ONES PICNIC

The Order of the Eastern Star celebrated "Rob Morris Day" Tuesday night with a watermelon feast at the city park. The following members and guests were present:

Messrs. and Mesdames C. H. Cain, Al Lehman, C. A. Thomas, H. L. Roddy, Claude Wells, H. A. Maasen, W. O. Henderson, Mr. Happy Smith, Mesdames W. T. Clinton, J. H. Edwards, E. R. Edwards, R. C. Forrester, H. M. Snowden, J. K. Applewhite, Misses Obara Forrester, Julia Snowden, Mary Beth Roddy, Alice Roberts, Joyce Maasen and Master Robert Lehman.

Midway schools opened Monday for the regular fall session. Other rural schools will open about the first of September.

Mrs. John Brock and little daughter, Paula Jan, of Lubbock, came down to Tahoka to spend a few days here, accompanied by Mrs. Brock's mother, Mrs. C. T. Oliver, who had been with them there.

DIXIE H. D. CLUB

"Dough must be kneaded well in order to develop the gluten", stated Miss Maurine McNatt, at the regular meeting of the Dixie home demonstration club in the home of Mrs. B. C. Aycox August 17.

"One seldom overkneads dough made of hard wheat flour. However, it is easy to overknead all-purpose flour. Overkneading of doughs from either flour may injure the baking quality of the gluten and produce a loaf of poor texture and volume."

The making of cinnamon rolls and Swedish tea ring was demonstrated by Miss McNatt.

Mrs. T. D. Lishman was appointed council delegate alternate.

Plans were made to attend the annual club picnic at Tahoka park August 30.

Members attending were: Mesdames A. C. Aycox, A. L. Dunagan, E. J. Cooper, Marvin Munn, Buel Draper, T. D. Lishman, J. H. Knight, one new member, Mrs. R. R. Hoyle; one visitor, Miss Frankie Harvick.

The next meeting will be with Mrs. E. J. Cooper September 7.

THELMA RUTH STRAIN IS HOST TO NEW HOME CLUB

"Correct posture is essential to being attractive," stated Miss Maurine McNatt, home demonstration agent, at the meeting of the New Home 4-H Club on Tuesday, August 15, in the home of Thelma Ruth Strain.

Regardless of how well made or beautiful our clothing is, the individual will appear slovenly if her figure is slouchy or in poor posture. One can not look smart without correct carriage of body, or poise.

Accordian solos were given by Helen Balch and Thelma Ruth Strain.

Accordian solos were given by Helen Balch and Thelma Ruth. Eleven members were present and Mesdames W. P. Robinson and J. R. Strain.

MISSIONARY SOCIETY WILL HOLD SOCIAL

The Methodist Missionary Society will have a social meeting in the home of Mrs. W. M. Mathis next Monday afternoon at 4 o'clock.

Mrs. E. R. Edwards and Mrs. Fred Bucy will have charge of the games.

PICNIC

A group of young people motored to Buffalo Springs Monday night for a picnic and swimming party.

Those attending were Misses O'Berger Forrester, Mary Margaret Tunnell, Eloise and Betty Sue Roberts of Tahoka and Allie Hughes of Albuquerque, N. M., Messrs. David Weathers and Paul Casebeer of Tahoka, Eldon Carell and L. E. Robertson of O'Donnell, and Dick Glenn of Albusueque.

COLORED CHURCH OF CHRIST HERE TO HOLD REVIVAL

Beginning the first Sunday in September, the Colored Church of Christ is to conduct a revival meeting over "on the hill" here, according to Eli Garrett, an appointed elder of the Church.

All Christians are invited to attend. "Come one, come all, and bring paper and your Bibles," is the invitation extended. All Bible questions will be answered, Eli says. The preaching will be done by "Brother Timmer and others," it is stated.

CITATION BY PUBLICATION

The State of Texas. To the Sheriff or any Constable of Lynn County, Greeting:

You are hereby commanded to summon Mary E. Beaty by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Lynn County, to be holden at the Court House thereof, in Tahoka, Texas, on the Fourth Monday in September, A. D. 1939, the same being the 25th day of September A. D. 1939, then and there to answer a petition filed in said Court on the 16th day of August A. D. 1939, in a suit numbered on the docket of said Court as No. 1283, wherein C. A. Beaty is Plaintiff, and Mary E. Beaty is Defendant, and said petition alleging that plaintiff and defendant were married in Dexter, New Mexico, about the 27th day of December, 1930; that plaintiff has resided in Lynn county, and State of Texas, for more than a year before the filing of this petition; that defendant without any provocation or cause whatever voluntarily left and abandoned the bed and board of plaintiff, with the intention of finally separating and living apart from him, and that she has continued to up to the filing of this petition, though often requested by plaintiff to return to his bed and board and live with him as his wife; that such abandonment on her part was about the 15th day of October, 1933, and that such abandonment has endured over three years. That one child was born to plaintiff and defendant as issue of their marriage, namely Armon Wayne Beaty, a boy seven years of age, and that plaintiff has had his custody since the year 1934 and is now a proper person to be awarded the custody, care and control of said child and that plaintiff is able and willing to bring up and educate said child and that defendant is not a proper person to have the custody of said child.

Plaintiff prays that defendant be cited by publication to answer this petition, that her residence is unknown to him, that upon final hearing, she have judgment of divorce, and that he be awarded the sole custody, care, charge and control of their said child, Armon Wayne Beaty.

Herein fail not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Tahoka, Texas, this 16th day of August, A. D. 1939. (SEAL)

Hattie Server, Clerk of District Court, Lynn County. 2-4c.

LYNN COUNTY FISH FRY HELD IN CIMARRON

Returning last week from a visit with relatives at Pagosa Springs, Colorado, Mr. and Mrs. A. M. Cade and daughter, Miss Iris Dean, stopped to visit the Tahoka people at Eagle Nest, New Mexico.

So on Friday the whole party went out on the Cimarron and had a big fish fry. Present were Mr. and Mrs. J. L. Heare, Mr. and Mrs. W. O. Thomas, Mr. and Mrs. Jack Edwards, Mrs. Inez Knight, Mr. and Mrs. Deen Nowlin and children and Mrs. Carl Nowlin, together with the Cades. It must have taken a lot of fish to feed that bunch.

Mrs. Kirk Pitts and Mrs. W. H. Fulkerson returned Friday from a five-days trip through scenic areas of New Mexico and Colorado. They visited Albuquerque, Santa Fe, Taos, the Red River pass, Eagle Nest, and Raton in New Mexico, and Trinidad, Pueblo and Colorado Springs, in Colorado, and climbed Pike's Peak in their own car. They returned through western Kansas, where they found interest in the crops of sugar beets and zinnias.

Little Jerry Dean Cain, son of Mr. and Mrs. Alton Cain, returned the first of the week from a week's visit with his grandparents, Mr. and Mrs. S. W. Cain at Canyon, New Mexico.

Mr. and Mrs. J. R. Montgomery have had as their guest for the past month Mrs. Montgomery's mother, Mrs. Ada Jones of Westlaco. She accompanied her to Lubbock as she started on the return trip.

Mr. and Mrs. Ethan Bartley of West Point left Saturday morning to visit her relatives in Durant, Okla. They were accompanied as far as Gainesville by Mr. Bartley's mother, Mrs. Fannie Bartley, Tahoka, who was to visit a brother and a sister there. They expected to return home about the end of this week.

J. R. Strain of New Home brought in a quantity of roasting ears last Friday which he had raised this year in his farm and which he distributed among a few of his friends. He left a number of ears with the News office, which were greatly enjoyed and appreciated.

Five hundred ex-Franklin county people in West Texas are expected at the 5th annual reunion to be held in the Big Spring City Park Sunday, September 3rd, it is said.

Many Sharks Are Found to Be Harmless to Man

For centuries the long gray fish, the shark, has been universally feared and hated as an unclean scavenger, a savage and voracious man-eater, a veritable tiger of the sea. In many cases this sinister reputation has been entirely undeserved, writes an authority in the Portland Oregonian, for of all the many kinds of sharks that are known to science only one or two are dangerous to human life.

The little dogfish that often starts a panic along the Atlantic bathing beaches is perfectly harmless, and even the tremendous rhinodon, or whale shark, that reaches a length of over 70 feet, feeds exclusively on minute water organisms and would never attack a man.

Shark leather, also known as shagreen, has a beautiful natural grain and is so indestructible that it was formerly used by carpenters much as sandpaper is used. Shark liver oil is said to be just as full of vitamins and just as unpleasant to taste as the better known product derived from the humble codfish. Shark fin soup is esteemed by the Chinese as a great delicacy; and shark meat meal is the richest known substance in protein content. In short when you get to know him, the shark is quite a useful member of society, and every part of the big fish is utilized in some way.

Lines From "Solitude"

"Laugh and the world laughs with you. Weep and you weep alone," are lines from "Solitude," a poem written by Ella Wheeler Wilcox. It was first printed in the New York Sun on February 23, 1883. Authorship for the poem was also claimed by Col. John A. Joyce, who had the quotation inscribed on his tombstone in Oak Hill cemetery, Washington, D. C., before his death in 1915. And occasionally echoes of the controversy are still heard, but there is little doubt that Mrs. Wilcox was the author, says a writer in the Cleveland Plain Dealer. Joyce was not able to produce any positive evidence that he used the words before "Solitude" appeared in the Sun.

The Early Jazz Bands

By 1915 there were bands in New Orleans playing what was first known as jazz. Late that year Joseph Gorham discovered and took to Chicago one of these which achieved fame there as Brown's Band from Dixieland. Bert Kelly, another manager, in the same year bestowed the name jazz bands on his numerous orchestras. In 1916 Brown's Band invaded New York. In 1917 the Dixieland Jazz Band from New Orleans made a phonograph record of the "Livery Stable Blues" and Jim Europe, a Negro entertainer, as an A. E. F. bandmaster, introduced it to Europe.

FSA Is Selecting Men For Farms

Mr. Ray Davis, of the regional office of the FSA, Earl Wise, district supervisor, Miss Ruby Mathews, district Home Management supervisor and Miss Martha Brent, Home Management supervisor of Lubbock and Lynn counties were in Tahoka Tuesday for the purpose of helping the county committee, composed of E. J. Cooper and B. J. Emanuel, make a tentative selection of farm families to purchase farms under the Bankhead Jones Farm Tenant purchase act.

From the group interviewed Tuesday and Wednesday, twelve families will be chosen, to be later reduced to the five or six who will be allowed to purchase the farms.

Miss Margaret Wetsel left Monday for Penwell, Texas, to visit a few weeks with her sister, Mrs. P. A. North.

G. W. Knoy Died Last Saturday

G. W. Knoy, 82, resident of Tahoka for 15 years, but who had resided at Brady for the past 6 years, died at his home there last Saturday morning at ten o'clock and was buried at 11 a. m. Monday. Death came from gas formed around his heart as a complication of pneumonia. He had been in perfect health until two weeks ago when he became ill with the flu, from which pneumonia developed.

Mr. Knoy was born in Kaufman county, Texas, on September 4, 1856, which made him almost 83 years old. He married Miss Ella Wyatt at Round Rock, February 13, 1884, and she survives him. They came to Tahoka the latter part of 1917, where they resided until May 1933, when they moved to Brady. He had been a member of the Methodist church for 67 years. Mrs. Knoy is also critically ill, having been bedridden for several months.

Surviving besides his wife are ten children, two others having preceded him in death. Those able to attend the funeral were Mrs. Chas. Johnson, Brady, Mrs. D. L. Redman, Fort Worth, Mrs. J. M. Johnson, Tahoka, Rev. W. Joshua Knoy, Vernon, and Mrs. S. E. Key of San Angelo. The other children for various reasons were unable to attend the funeral. They are Mrs. R. V. Stearnes, Mason, Mrs. May King, Oklahoma, Rev. J. D. Knoy, M. F. Knoy, and Albert Knoy, all of California. Mrs. King is married again, and we were unable to learn her present name.

He is also survived by 38 grandchildren and 27 great grandchildren, many of whom were present for the services.

Two Girls Held By Local Officers

The sheriff's office Tuesday arrested two young women who claimed to be from Illinois and Missouri for investigation after suspicious conduct here. They had come here from Elk City, Oklahoma, accompanied by two cowboys they had picked up on the way.

Suspecting that the car they were driving was "hot" Sheriff B. L. Parker wired and received reply from the Missouri State Highway patrol that a car of the same description, a 1939 Mercury and bearing the same engine number, had been stolen in St. Louis, Missouri, and the license plates it bore were stolen also, having been issued for a Ford in Pryor, Oklahoma on August 19.

The women's fingerprints have been sent off for identification purposes, and in the meantime they will be held here for additional information and questioning.

A man named Wiley was arrested Tuesday for drunkenness and drunk driving, and another was charged with drunkenness.

HIGHWAY WORK IS WELL UNDERWAY

(Cont'd. from page 1)
tainers built into the machine, and the mixture is deposited in a smooth, uniform ridge behind the moving machine. This is later spread out over the surface of the highway at a uniform depth of probably eight or ten inches, and as it dries and settles down becomes a compact, smooth, hard structure. It is believed that it will be durable and highly satisfactory as a roadbed. Time alone can tell.

The superintendent of construction for the Austin Construction Company, which is to build the first three miles of the highway from Tahoka east, is also here, as is also the Company's equipment; and Judge P. W. Goad states that he is informed by Lon Ingram of the district office at Lubbock that a work order for this work is expected now any day. It is believed that it will be received this week and that actual construction work will begin within a very short time. It is to have a soil and cement base.

We have no information as to just when work will begin on the third and easternmost segment of this highway of about six miles in Lynn county further than that the contract has been let and it is expected that work will begin early this fall.

Nobody unless it be the engineers and those experienced in road construction work knows what kind of road we will have when these three jobs are finished but many believe it will be one of the best roads on the South Plains. At any rate it is good to see the work going on.

Mr. Carl Sherrod of La Harba, California, is visiting his parents, Mr. and Mrs. F. M. Sherrod, and other relatives here.

County Budget For 1940 Adopted

The commissioners court in session Monday had a public hearing on its budget for the current fiscal year, beginning July 1, 1939, and ending June 30, 1940.

With very few tax payers present to offer objection, criticism, or suggestion, the court adopted a budget aggregating the sum of \$89,926.89.

The total expenditures for the last fiscal year beginning on July 1, 1938 and ending on June 30, 1939, amounted to \$95,384.01. The budget for the current year, therefore, calls for an expenditure of \$5,457.12 less than was expended during the last fiscal year.

The valuation of property in Lynn county taxable for county purposes this year amounts to approximately \$6,400,000. The tax rate for county purposes as fixed by the commissioners court is 80 cents on the \$100 worth of property, as heretofore, and will be allocated to the various funds as follows: Jury fund 7 cents, Road and Bridge fund 11 cents, general fund 25 cents, permanent improvement fund 8 cents, courthouse and jail fund 20 cents, courthouse and jail sinking fund 5 cents, road and bridge special road bond sinking fund 1 cent, road and bridge funding warrants of the 1938 series 3 cents, total 80 cents.

The state tax rate this year has been raised from 49 cents on the \$100 valuation to 77 cents on \$100.

Due to the fact that homesteads are exempt from state taxation, the total property in Lynn county taxable for state purposes is approximately \$5,200,000, according to Assessor and Collector Aubra Cade.

Judge Goad states that many people are laboring under the impression that half the state ad valorem taxes during the current year will be remitted to the counties and that the counties should therefore be enabled to reduce their county rates accordingly.

Judge Goad calls attention in the first place to the fact that this law does not take effect until 1941 and does not apply to taxes assessed this year at all. There will be no remission of any part of this year's ad valorem taxes by the state to the counties.

The Judge calls attention to the further fact that even when this law does go into effect it will apply only to the state ad valorem taxes collected for the general fund. The state rate for general purposes, the Judge says, is only 35 cents on the \$100 valuation, and only one-half of the thirty-five cents and not one-half of the 77 cents will be turned back to the counties. In other words only 17 1/2 cents out of the total of 77 cents, if the rate is the same then as it is now, will be remitted to the counties.

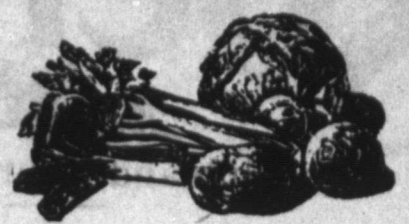

Miss Peggy Salem of Seagraves was the guest of Miss Iris Dean Cade here for a week recently.
