Cotton Crop Being Gathered Rapidly

Approximately 1600 Bales Ginned Here To Date; Seed Up To \$28.00

With fine fall weather prevailing, Lynn county's cotton crop is now being gathered rapidly. Many Mexicans are now in the fields, though the number is not comparable with the swarms that came in 1937. Due to the hot, dry weather, that has prevailed most of the time for the past four or five weeks, the bolls have popped open rapidly. If the weather continues to be favorable for gathering, the harvest season will not last as long this fall as it does frequently.

The five gins in Tahoka reported Thursday morning that up to that time approximately 1500 bales had been ginned here.

The price was quoted at 8.79 cents per pound. Seed have advanced to \$28.00 per ton.

South Plains Fair Opens Monday

Lubbock — Just a few more days and the gates to the 26th annual Panhandle South Plains Fair will swing open to admit thousands who will gather to see the "Show Window of the Plains."

Beginning Monday morning, September 25, the exposition will officially open to run the entire week, closing at midnight Saturday. From early morning to late at night there will be plenty to see, plenty to do, and plenty to talk about.

Starting Monday morning at 10 a. m. there will be a cowboy and cowgirl parade through the downtown streets in Lubbock. Already more than 100 entrants have registered. Local merchants will enter cowgirl sponsors, who will compete for attractive premiums. Monday evening will be "Mardi Gras" night, with a big costume parade. Everyone dressed in costume and entering the parade will be admitted free to the exposition grounds.

For the first four evenings, through cooperation with Music Corporation of America, "Stars on Parade," a musical revue, will be the grandstand attraction. Featuring Clyde Lucas and his nationally famous band, this revue will present other stars of the stage, screen and radio in a show that equals any World Fair attraction.

The "big time" rodeo with Johnnie Mullens, formerly of Madison Square Garden, as arena director, will offer plenty of action as top notch cowhands of the nation match their wits against the brutal strength of the wildest and woollest broncs, Brahma steers and Mexican longhorns that can be found on the face of the globe. The afternoon performances will change after Thursday to night shows Friday and Saturday. In place of the rodeo Friday afternoon, exposition officials will present Ace Lillard and his death defiers in a thrill a minute, as they dive headlong into brick walls and flaming buildings in their stock model autos. Thirteen breath-taking stunts will be presented by the Ace of Aces.

Again the Mighty Sheesley Midway with more than 800 people will present a complete evening of fun. Under new fronts and new tops, modernistically illuminated, these world fair rides and shows will be outstanding attractions.

Free school children's tickets have been delivered to every school on the South Plains. School children's days are Wednesday and Thursday. Lubbock county and all those counties south of the south line of Lubbock county will have Wednesday as their school day. All counties north and Eastern New Mexico will observe Thursday as their children's day.

Fair officials are expecting a record attendance at the 26th annual event.

Jim Wetzel returned Tuesday from a three days business trip out into New Mexico. Principal points visited were Clovis, Las Cruces, and Raton. He says grass is good in the portion of the state which he visited and the cattle are fat.

Pfluger Wampler Buried Tuesday

The News force were shocked Tuesday morning when Frank P. Hill received a telegram stating that funeral services would be conducted for Pfluger Wampler at Lorenzo at 5 o'clock that afternoon.

Death occurred suddenly Monday afternoon at his home in Pampa after being ill for only one day, and his death was entirely unexpected. For eight years he had been employed on the Pampa News as Linotype operator. He left a wife and two children.

Pfluger will be kindly remembered by many friends here. For two or three years he was Linotype operator for the Lynn County News, getting most of his early training in this office. He was of a genial, kindly disposition and made friends readily. He was dependable, industrious, and capable, and was greatly appreciated by his employers and others in the shop.

He was reared at Lorena and for that reason his remains were taken back there for burial. We regret that on account of sickness it was impossible for Frank or other representative of the News to attend the services.

Mrs. Thornbrough Died Thursday

Mrs. B. Thornbrough of the New Lynn community died of a heart affection at her home early Thursday morning. The body was being prepared for burial as our forms closed Thursday afternoon.

Funeral arrangements had not been perfected, awaiting the arrival of relatives from other parts of the state and from Oklahoma, but burial will probably be here Friday afternoon.

Her husband was in bed sick at the time of her death.

O'Donnell Lights To Be Dedicated

The O'Donnell Eagles will dedicate their new lighted, sodded football field next Friday night, September 29, at eight o'clock, when they play Crosbyton there.

A big blow-out is planned, with music furnished by bands from Lamesa, Tahoka, and Crosbyton. Senator G. H. Nelson of Lubbock, Representative Alvin R. Allison of Littlefield, and Coach Pete Cawthon of Texas Tech at Lubbock will appear with others on the dedication program.

O'Donnell starts the season tonight when they meet the Big Spring Blue Devils in a practice game. The remainder of their schedule for the season follows:

October 6—Lubbock Cowhands at O'Donnell.

October 13—Stanton at O'Donnell.

October 20—Andrews at O'Donnell.

October 27 — Seagraves at Seagraves.

November 3—Seminole at O'Donnell.

November 10—Tahoka Bulldogs at O'Donnell.

Elder Nisbett Returns For Year's Work

Following an absence of about three months, Elder J. L. Nisbett returned to Tahoka Saturday to begin another year's work as minister of the Church of Christ here.

During the months of June and July, Elder Nisbett supplied for the minister of the Church of Christ at Mineral Wells.

In August he held two revival meetings, one of about two weeks duration at Bonita in Montague county and one lasting twelve days at Wolforth in Lubbock county. Following this he visited the home folks at Abilene for a week.

His friends and his own church people are glad to welcome him back.

Grand Jury Will Meet Monday

District court will meet in regular session Monday morning, and the Grand Jury for the term will be empaneled. The docket is expected to be heavy this term, with a large number of criminal cases to be tried.

Compress Machinery Being Installed

E. R. Edwards, manager of the Underwood compress recently erected here, stated Thursday in an interview with a representative of the News that most of the machinery had arrived and is ready for installation. The rest of it is on its way here.

Mr. Edwards is expecting the engineer who will superintend the installation to arrive this weekend, and work will start immediately thereafter. About thirty days will be required to set up the machinery and get ready to start operating.

To date, 1,200 bales of cotton have been received at the compress.

Mrs. J. W. Threet Died Thursday

Funeral services were held here Saturday afternoon at 3:00 o'clock at the Harris Funeral Home for Mrs. J. W. Threet, who died at 10:10 a. m. Thursday morning. She succumbed to pneumonia with complication of pulmonary tuberculosis, having been in ill health for many months. Reverend George A. Dale conducted funeral services.

Maudetta Richter was born on October 8, 1921 at Draw, making her age at time of death, 17 years, 11 months and 7 days. During her lifetime she also lived at Vernon, Texas, Flagstaff, Arizona, and Portales, New Mexico, coming back with her parents to Lynn county on November 25, 1932, where she has resided since. She was converted at the age of fourteen, but had never become a member of any church.

On December 24, 1937, deceased was married to Jess Willard Threet at Tahoka, and to this union a son was born, Jerry Don, who is now less than one year old.

Besides her husband and son, Mrs. Threet is survived by her mother, Mrs. Pete Kelsey, two sisters, Boneta and LaVerne Richter, one brother, Leonard Franklin Richter, and her step-father, Pete Kelsey.

Two Men Held On Theft Charges

A couple of Tahoka young men were arrested here Saturday for the theft on August 25 of a 1935 model Ford Tudor automobile belonging to Howard Owens of O'Donnell. They were charged and Henson was immediately taken to Lubbock for questioning concerning the thefts there.

The car was taken after it had been left parked near the skating rink in the southwest part of town, during the roundup celebration here last month.

Mrs. J. B. Hatchett Critically Ill

Mrs. J. B. Hatchett of Abilene old time resident of Tahoka, is reported to be critically ill there after breaking her hip. W. M. Lee, one of the many relatives here, said that chances for her recovery were very slight.

MRS. SWAN BROUGHT HOME

Mrs. W. S. Swan was brought home Monday morning from a Lubbock hospital, where she had been for some time undergoing treatment. She was reported much improved. A member of the family stated that she would not be allowed to have company for at least 21 days.

The News has received from Mrs. Ollie Johnson of Davis, California, announcement of the approaching marriage of her daughter, Ethel Mae, to Mr. Robert L. Cook, to take place Saturday, September 30, at Reno, Nevada. Mrs. Johnson formerly lived here and Ethel Mae was reared here.

More Parity Checks Arrive

A total of 396 cotton parity checks were received this week up to Thursday morning for the farmers of Lynn county by C. A. Lawrence, secretary of the Lynn county A. C. A., amounting to \$60,370.71, representing payments to 251 farms.

A total of 864 checks for 594 farms have been received the past few weeks, bringing to the farmers a total to date of \$148,518.07.

Larkin Erecting New Laundry Building

Construction was started this week on a tile and stucco building just west of the present Larkin Building, by Frank Larkin. It is to be occupied by his help-seify laundry.

The building, 44x30 feet, will be one of the most modern and up-to-date in West Texas. Mr. Larkin stated. He intends to install new machinery and equipment. It is hoped that construction will be completed in about two weeks.

As soon as the laundry is moved, construction will start on the new cooperative cold storage plant, to be installed in the present laundry location.

Dist. AAA Met Here Monday

Seven counties were represented in a district AAA meeting in the district court room here Monday, when farmers heard J. Lynn Mauk, field representative for this district from the state headquarters, explain the 1940 cotton allotments and the requirements necessary in attaining them. He was accompanied and assisted by William Dryden, representative for the district lying immediately north of this one. The meeting was an all-day affair.

Twenty farmers representing the seven counties of Kent, Garza, Terry, Yoakum, Hockley, Lubbock and Lynn were present.

C. A. Lawrence is secretary-treasurer of the Lynn County Agriculture Conservation Association and arranged the meeting here.

Club Women Will Have Exhibit At Fair

The Lynn and Cochran county home demonstration club women will have a joint educational exhibit on Slip Covers at the Panhandle-South Plains Fair in Lubbock next week, according to Miss Maurine McNatt, home demonstration agent of Lynn county.

The exhibit will occupy a space 8 by 12 feet in size, and will include one chair in the process of being made, with the muslin pinned on it, and one chair with finished slip cover. In the background will be a chart sheet showing how to place a pattern on material for cutting, and swatches of material which will be draped on frames showing suitable combinations of materials to use.

Mrs. Doyle Terry of New Lynn is chairman of the Lynn County Exhibit Committee having the matter in charge.

Old-Timer Visits Here Again

Mr. and Mrs. Dud Burns of White Deer visited Mr. and Mrs. George Small here Sunday and Monday. Mr. Burns is Mr. Small's nephew. He and Mrs. Burns lived here several years, leaving more than thirty years ago, however.

Mr. Small took his nephew for a drive over a large portion of the county, visiting some of the old ranch places which were familiar to Mr. Burns when he lived here. George says Mr. Burns could scarcely believe his eyes. Where the ranches were are now broad fields of cotton and feed. And, by the way, Mr. Burns was entranced with the present aspect of the county as a farming region. "You have more feed on one section of land here than we have in our entire county," he declared to Mr. Small. Of course this might have been a slight exaggeration but it is typical of the surprise that comes to every old-timer who moved away many years ago and returns for a visit.

Tahoka Plays Southland Friday

Southland invade Tahoka Friday night for a football game that will further test the stamina and ability of the Tahoka boys to "take it." Southland boasts a big rough bunch of boys who are determined to show the Tahoka boys up. It will be remembered that this same bunch of Tahoka boys went to Southland last year as a second team and got the daylights walloped out of them by the Southland gang.

The crowd was very disappointing last week for the locals. Folks, the Bulldogs have their eyes set on better pastures in this football district. Take a tip and do not wait till they have gone places and then get on the band wagon. Your presence and encouragement is needed RIGHT NOW. If you will start right now supporting YOUR FOOTBALL team anything can happen because the boys have "the spirit" this year and as all of us know, when a team has the right spirit they can go places. Come on, folks, forget the war and the drought for a while. There seems to be not much we can do about these things anyway BUT WE CAN HELP OUR FOOTBALL TEAM by attending their games and letting them know they are OUR BOYS and we are FOR THEM.

New Texaco Station Opened Saturday

A nifty new service station was opened for business here last Saturday, the Texaco Super-Service Station on North Main Street, highway No. 9, just north of Henderson Workshop.

The building was recently constructed by Heard and Duckworth of Post. Spotlessly white, it is unusually attractive. It has been leased by Deck Dunagan and T. T. Garrard and the new business is being operated by them.

This is the first building to be constructed in this block and reminds one that the business section of the town is gradually expanding.

Mahon Leaves For Washington

Lubbock — Congressman George Mahon closed his Lubbock office on Monday of this week and returned to Washington for the Special Session of Congress, convening on September 21.

He predicted that the cash and carry neutrality policy advocated by President Roosevelt would be enacted into law. "I voted for the cash and carry provision last Session and I expect to do so again," he said.

Mahon explained that it is not possible to tell in advance how long the Special Session would last. It might possibly last until late in the fall he said. The regular Session of Congress will convene on January 3, 1940.

WANT AD GETS RESULTS

Rev. G. E. Turrentine ran a little want ad in this paper last week advertising for a pair of glasses which he had lost. When the paper came out he and Mrs. Turrentine read the ad. A day or two later, Mrs. Turrentine found the glasses, hanging in a curtain, in a room of their residence. We claim she is entitled to the reward which the good pastor offered. Of course the moral is: It pays to advertise.

PARENTS SHOULD URGE SCOUTS TO ATTEND MEETINGS

Regular scout meetings will be held next Monday night at the Scout hall. All parents are urged to send their sons, if they are scouts, to all the meetings, so they will be eligible for the court of honor to be held soon.—A. R. Milliken, Asst. SM.

Beverly Wells of O'Donnell is recovering from an appendectomy in a Lubbock hospital.

Part Of First Section Opened To Traffic; Work Started On Last Section East Of Town

Construction work on three sections of highway No. 380 in Lynn county east of Tahoka is progressing nicely.

The section on which work was first begun consists of 3.7 miles beginning three miles east of Tahoka and extending to the lake just this side of the E. S. Brown place. Topping is now being placed on this section. It is completed from the east end of the section to the "six-mile" filling station, a distance of a little more than two miles, and is open to traffic over this portion. It is a beautiful piece of highway and it is confidently believed that it will prove satisfactory in every way. Its base is constructed of a mixture of sand and oil. Its topping is asphalt and gravel.

The three-mile section immediately east of town and connecting with this 6.7 mile section will have a mixture of cement and soil base. This is being laid now, and it is believed that it will be completed into town before the end of next week. Then the topping of asphalt and gravel will be placed on this section.

Work is just beginning on the remaining six-mile section lying east of these two and extending to the line of Garza county. The road bed is being prepared for the laying of a caliche base on this section and the crew has probably passed Central Church by this time, going east, in this preparatory work.

We failed to get accurate information as to the progress that is being made in Garza county on this highway.

Bulldogs Will Meet W. T. S. T. C. High

Next Thursday night, September 28, when the High school of West Texas Teachers College plays the Tahoka high school there will be more than just a ball game involved.

Coach Leo Jackson of the Bulldogs received all his high school football training and experience under the coach of the teachers college boys. Coach L. T. Barksdale, former star athlete at Baylor and now teacher at the West Texas institution, is handling the coaching duties of the demonstration high school there. He was head coach at Floydada when Coach Jackson was in high school there. When Tahoka school officials questioned him regarding Mr. Jackson last Spring he replied that Jackson was one of the best boys he had ever coached.

When the present Superintendent of Tahoka schools was business manager of athletics at Littlefield high school, Barksdale was head coach there. So there it is, folks, pupil against teacher and friend against friend, for when football is played at Tahoka now, it is played for keeps. The Tahoka boys are improving with every practice period. Come on out, folks, and support them, Thursday night, September 28. The game has been moved from Friday night to Thursday night in order to cooperate with O'Donnell who has planned a field dedication program for Friday night.

Tahokans Off To College

A large number of Tahoka boys and girls left early this week and last weekend for various colleges throughout the state. Those of whom we have knowledge follow. To Tech: Misses Beryl and Edith Robertson, Lottie Jo Townes, Mary Margaret Tunnell, Eva Douthit; R. L. and Dick Bosworth, Charles Gaignat, J. C. Womack, T. W. Hale, Trust Cooper left for A. and M. Anita Reddell for Mary Hardin-Baylor, Belton, Fanny Tankersley to Baylor University at Waco and Madeline Russell to W. T. S. T. C. at Canyon. Possibly there are many others whose names we failed to get.

Harry Evans of Post has accepted a job at Bouillon's Grocery. He is a younger brother of Laurence, butcher there.

Observe Rotary Ann Night

The annual Rotary Ann night which was observed here Thursday night of last week in the grade school gymnasium was a great occasion, according to reports given the News.

Rotarians, Rotary Anns, and other guests, to the number of about 120 sat at the banquet table and enjoyed the feast and the program. The meal was prepared by the Dixie Home Demonstration Club and elicited the praise of all the banqueters.

Leonard Craft, president, was the toastmaster. Dr. Emil Prohl had charge of the program. Dr. Kenneth Durham made the welcome address, Ray Weathers cracked a string of jokes, Mrs. Gross, the expression teacher, gave a reading, a quartette consisting of Dr. Jim Sinclair, Ray Weathers, Conway Clingan, and Prentice Walker, executed a musical quartet of some kind, and Dr. Sinclair and wife gave what would have been a duet had not Ray Weathers been assigned a part, which made it a trio.

Games were directed by Mmes.

EUZELIAN CLASS ELECTS OFFICERS

Mrs. W. M. Harris was hostess to the Euzeilian Class Tuesday night at her home for a combination business meeting and social.

New officers were elected as follows: Mrs. John Roberts, teacher; Mrs. Wylie Fortenbury, president; Mrs. R. C. Fortester, first vice-president; Mrs. G. A. Dale, second vice-pres.; Mrs. Cooper, third vice-pres.; Mrs. Sam Holland, Stewardship chairman.

Mesdames Holland and Carl Owen had charge of games.

Cake, sherbet and punch were served to eighteen class members.

STATE W. M. U. SCHOOL OF INSTRUCTION

State Secretary of the Baptist W. M. U. Mrs. E. F. Lyons of Dallas, Texas, was here Wednesday afternoon instructing the Board Members of the local W. M. U. in their work. Mrs. Lyons was accompanied by District Nine, W. M. C. President, Mrs. L. Lumsden of Wilson, with whom she had visited three Association-wide W. M. U. meetings of this District last week. On Monday of this week Mrs. Lyons held an all day school of instruction on "Things We Should Know"—in Wilson for the W. M. U. members of the Baptist churches at New Home and Wilson.

METHODIST CHURCH

Promotion Day should bring a full attendance of teachers and pupils Sunday morning. The subject of the morning sermon will be "The New Covenant" and in the evening "He Came to His Own City."

The new class consisting of young couples, started their work Sunday morning with an interesting group, and will organize in the near future with the election of officers and a teacher. Mr. Callaway Huffaker taught the class last Sunday. Start the fall by enrolling in a class for the study of the one thing fixed and certain of fulfillment in this day of uncertainty and fear of the unknown, i. e., the Bible.

Get your Upper Room for October at church Sunday.

Geo. E. Turrentine.

W. H. Fulkerson, we are informed, has purchased the former Anglin place out near the grade school building and expects to move into it about the first of October. The property belonged to The Temple Trust Company and the sale was made by Deen Nowlin, Mr. G. W. Simmons and family now occupy it.

Conway Clingan, A. P. Edwards, and Woodrow Walker.

On Thursday of this week, Don Turner and Jack Welch were the principal speakers. Mr. Turner spoke on the recent legislation that has made possible the establishment of a soil conservation program for this county, and Mr. Welch recited some of the achievements of the Farm Security Administration in enabling a number of tenant farmers in this county to purchase farms.

Mrs. Applewhite having resigned as pianist, Miss Marjorie Wells was again chosen to that position.

CHURCH OF CHRIST

"Divine Guidance" will be the subject of the sermon at the morning hour of worship this coming Lord's Day. Bible classes meet at 10 o'clock Sunday morning. At 8:45 in the evening the young people will meet for song drill and Bible study.

"By Which Will We Be Sanctified" will be the subject for discussion at 7:45 in the evening and the case of the thief on the Cross will be discussed in the light of the covenant under which he lived.

Afternoon services will be conducted at the Midway school building. All in that community are urged to attend. Luryl Nisbett.

WOMEN'S MISSIONARY UNION SCHOOL OF INSTRUCTION

On Monday, September 18, the women of Wilson W. M. S. were hostess and women from New Home church were guests, when Mrs. E. F. Lyon, State Women's Missionary Union Executive secretary was there for a school of instruction.

The Wilson ladies served a bountiful meal at lunch.

The day was spent in a most instructive and inspirational manner. Mrs. Lyon taught "Things we should know." Everyone present received much benefit from the study and teaching of the book.

There were seven women from New Home, nineteen from Wilson and Mrs. Henry Heck from Central. Our newly elected Womens Missionary Union president of the Brownfield Association.

SINGING CLASS ORGANIZED

A large crowd was reported present Tuesday night at the Nazarene church, when an old-time singing class was organized. It was agreed that the class would meet each Tuesday night at 7:45 at that place.

The following officers were elected: W. M. Lee, president, N. W. Alphin, vice-president, and Miss Wade secretary-treasurer.

Mr. and Mrs. O. P. McClure are the proud parents of a young lady born Monday, whom they have named Winnie Gertrude. She weighed in at eight pounds.

MRS. RICHARDSON HONORED

The News was informed Thursday just as we were going to press by Mrs. Rafe Richardson that the American Legion Auxiliary had received from the State Department a citation for community service for the year 1939.

Mrs. Richardson is the outgoing president of the organization.

This is the second honor received from the State Department by the Marion G. Bradley Unit No. 250, it was stated.

LIGHTNER-HALE

Miss Ruby Hale of Redwine and Floyd Lightner of Draw were married September 14, with Rev. R. N. Davis officiating.

CARD OF THANKS

We wish to express our sincere thanks to our many friends for the many kind things done for us during the illness and death of our dear brother and son. We are so thankful for the beautiful floral offerings, for the many kind words of sympathy, and the lunch served by the ladies.

May each of you have such kind friends in your time of sorrow is our prayer.

Mr. and Mrs. W. C. Carver and family.

Emmett Waldrip of southwest of Tahoka is in very satisfactory condition following a major operation in a Lamesa hospital last week, according to reports from the office of Dr. Chase Thompson.

Dr. Chase Thompson administered emergency treatment to C. M. Everson, of southeast of town, for an amputated finger received while operating an ensilage cutter last Tuesday.

WAYSIDE H. D. CLUB MEETS

"Cereals are very important as a food for growing children, also for adults, as it is rich in food value," as pointed out by Mrs. R. W. Jackson to the members of the Wayside Home Demonstration club when they met with Mrs. T. W. Dulin Tuesday afternoon.

"Leftover cereals can be made into appetizing dishes."

Mrs. J. H. Hardberger gave an interesting account of the State convention which met at Lubbock.

Cake and punch were served to those mentioned and Mesdames Darby, Johnson, Misses Dorothy Medlin and Laverne Jackson.

The club will meet September 26th with Mrs. R. W. Jackson.

CRAIGS ENJOY FAMILY REUNION SUNDAY

A family reunion was celebrated at the home of R. L. Craig Sunday with a pot-luck dinner.

Those present were: Mr. and Mrs. H. J. McKay and family of Seminole, Mr. and Mrs. John Wagner and family of Tahoka, Mr. and Mrs. C. S. Craig and family of Garnolia, Mr. and Mrs. Loyd Craig of Holtville, California, Mr. and Mrs. Denver Hurley and baby of Weed, New Mexico, and Miss Estelle Craig.

Two of Mr. Craig's daughters could not come: Mrs. Lonnie Blount of Rotan and Mrs. Earl Chesser of Ogleby.

Relatives of the family were: Mr. and Mrs. Lum Lackey, Mr. and Mrs. Sipress and son, Mr. Johnnie Lackey and daughter, Mrs. Sarah Beard and daughter, all of Floydada, Mr. and Mrs. N. J. Hudspeth and Mr. and Mrs. Jerd Young and sons.

A good time was had by all and pictures were made of all the children and their families.—Contributed.

Mr. and Mrs. Arch King and young son, Don Arch, of Lubbock visited Mr. and Mrs. Laurence Evans Sunday.

NEW HOME FFA AND FHA PRESENT RADIO PROGRAM

The FFA and FEA of New Home presented a cooperative program over radio station KFYO in Lubbock last week.

Several short talks were presented by the boys and girls concerning their projects, etc.

The following appeared on the program: Doyce Jennings, W. A. Fulford, Lloyd McCormick, Hubert Newman, Benard Ernest, Soapy Miller, Marjorie McWhorter, Alma Lee McManus, Thelma Ruth Strain. Music was furnished by J. L. Jennings, Winifred Cheatham, and Junior Hilton.

B AND P W CLUB ORGANIZATION COMPLETED

In a called meeting Tuesday night, organization was completed for the Tahoka Business and Professional Women's Club. A constitution and by-laws were adopted, the charter was closed, and a meeting place was selected.

The first regular program meeting will be held in the form of a luncheon at the Evans Cafe next Tuesday noon.

NEW HOME F. F. A. AND F. H. A. REPORT

It is now the first of our school year and we will have a meeting soon to set up chapter objectives. It is set for next week.

We have been on field trips visiting farms, building and filling trench silos. We figured the capacity and the number of cows these silos will feed through the winter.

This is our year to have an exhibit at the South Plains Fair at Lubbock. We are to enter on Cotton Improvement. We also plan to enter individual exhibits.

Mr. and Mrs. W. T. Clinton of Tahoka, were weekend guests of their daughters Mrs. R. B. Jones and Mrs. D. B. McGinty.—Yoakum County Review.

NEW LYNN HOME DEMONSTRATION CLUB

"Does your child obey you when you speak quietly to him?" asked Miss McNatt, home demonstration agent at the meeting of the meeting of the New Lynn H. D. Club September 15 at 2:30 p. m. at the home of Mrs. L. C. Walker.

It is necessary for you to talk quietly in your home. Loud talk makes your home noisy, and noise is bad for people, both children and grown-ups, because it makes them nervous. The children get angry more quickly; and when they are nervous and angry they will soon be naughty. It is good always to speak quietly; people will listen much better if you do.

There were eleven members present. Visitors were Mrs. F. S. Barton of Coleman and Mrs. Littlewood of Palestine.

The next meeting will be with Mrs. Wayne Barton on September 19 at 2:30 p. m.

Visitors are welcome.

O'DONNELL MAN CAPTURES PORCUPINE

Charley Doak of O'Donnell, who was here Tuesday, stated that Alex Gillespie who resides down in Dawson county near the "breaks" southeast of O'Donnell brought into town last week a porcupine which he had captured on his farm.

Charley says this is the only porcupine he ever heard of out here on these plains, though there used to be a few down in the "breaks" below the caprock. It was a curiosity in O'Donnell.

ELDER DRENNON'S NOTES

I will write a few notes after being silent for some time. I am happy to say that I am still a resident of Lynn county. The church here has given me a call to remain another year, which I have accepted.

I have sure enjoyed the fine things Editor Hill has had to say in his column, "Odds and Ends." I like the stand he took on liquor ads—that we had more editors like him in this respect.

There is one thing here that I sure don't like and that is, the town is wide open on Sunday. As we walked over the business district last Lord's Day afternoon we found only a few places closed. I can't understand how one who claims to be a Christian can stifle his conscience and use the Lord's Day for his own. It is, as I told one of the merchants today, there is a day coming when they shall have to give an account for how they have used or abused the day. I have found by experience that it pays in dollars and cents to honor God in our business.

Many of the farmers are disappointed in their crops due to dry weather, which only goes to prove there is only one thing certain and that is the promises of God. How uncertain the things of this life are! Too many in this section counted their chickens before they hatched, which is a bad policy any time.

The church here has taken on new life this month, many new people have moved into our midst, and quite a few are church-going people, who swelled the attendance the last two Sundays.

The churches here are going to have a contest next month in attendance at Sunday School. I hope it increases the interest and attendance at Bible study.

As I write these notes the smell of rain is in the air. Some say it will help, and some it will hinder; as I am a newcomer, I could not say. Yours for less people who will pray for peace and talk war. Visit the friendly church and hear Bible preaching.

—R. P. Drennon.

I. M. Draper brought in to town Tuesday a most vicious looking species of scorpion. He was told by Charley Doak of O'Donnell and other old-timers here that it was a vinegar room. It was as black as the ace of spades and is said to be a very venomous species of the arachnid family. If it is as bad as it looks it is bad enough. It looks even more vicious than a big tarantula.

Mr. and Mrs. R. B. Jones and children are now residents of Plains, having moved here last week. Dick Jones of Lamesa is here helping fence the section of land joining the south side of Plains recently purchased by R. B. Jones—Yoakum County Review.

Judge G. E. Lockhart of Lubbock is reported to be greatly improved after a heart attack suffered while engaging in court in Levelland on Wednesday morning of last week.

Mr. and Mrs. Donald Turner were recent visitors with his mother, Mrs. Linnie Pirtle, according to the Hockley County Herald.

NOTICE TO THE PUBLIC
Any erroneous reflection upon the
reputation or standing of any indi-
vidual, firm or corporation, that
may appear in the columns of The
News will be gladly corrected when
called to our attention.

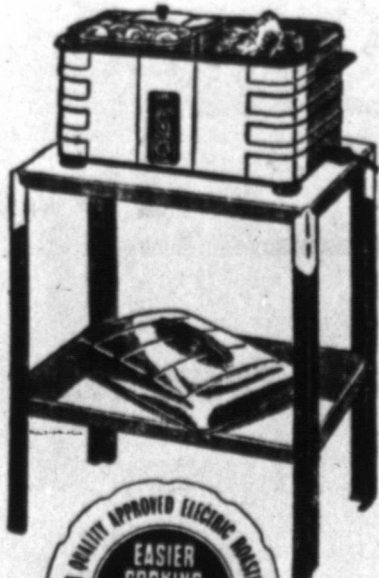

When one looks at the pictures in
the magazines of the destruction of
property, to say nothing of the de-
struction of life, wrought by war,
he is impressed with the terrible
wastefulness of it all. War is not
only the height of criminality, it
is utter folly, unless waged in self
defense or in defense of innocent
and helpless peoples. The instigator
of an aggressive modern war is
worse than the utterly vicious Nero
of old.

We do not know what Congress
will do with that so-called neutral-
ity law. In the present status of the
war in Europe, whatever Congress
does may be of little importance. We
hope, however, that they repeal it.
We hope that this country shows a
willingness to furnish to the Democ-
racies of Europe the same sinews of
war that we would wish if we were
similarly situated. We do not think
this country should extend passive
aid and comfort to the big bully dic-
tators. We have greatly admired
Senator Borah at times, but we did
not like the attitude he assumed
at the close of the World War and
we do not like his attitude now. He
seems to be trying to give aid and
comfort to that greatest of all inter-
national crooks, Adolf Hitler.

You like broiled steaks... you
like tender roasts with pota-
toes, too! In fact, we like just
good food, don't we?

Here's a tip. Surprise the
Missus with an Everhot
Roaster. She'll take a new
lease on life because it's so
easy for her to cook the foods
you like. It's a sure way to get
out—and stay out—of the doghouse
and have better
foods, too, with an Everhot
Roaster.

Inasmuch as the roaster was
your idea, you (or the Missus)
can't grumble about the price.
It's a regular \$29.40 value for
only \$19.95—complete with
Broiler, Glass-Bake dishes
(she'll love 'em) and table. Or
if the Missus has you on a bud-
get, you can pay only \$1.95

**ODDS AND
ENDS**

By Bee Eye
the Elder

"Congress shall make no law re-
specting an establishment of relig-
ion, or prohibiting the free exercise
thereof."

This injunction is found in the
first amendment to the Federal Con-
stitution of the United States, which,
together with nine other amend-
ments, was adopted by the requisite
number of states and became a part
of the Constitution on June 15, 1790.
The original Constitution had been
adopted only two years before.

This, we believe, is the first time
in all history, and certainly the first
time since the dawn of the Christian
era, that a nation ever wrote Religi-
ous Liberty into its fundamental
law. This opening clause of the
"Bill of Rights" means that under
the Constitution the people of this
country should forever be free to
worship God according to the dic-
tates of their own consciences and
that there should forever be, in this
country, complete separation of
Church and State.

It seems remarkable to us that it
required nearly eighteen centuries
for the spirit of Christianity to ac-
hieve this significant triumph. It
seems strange to us that religious
liberty has been an accomplished
fact except, in a few isolated locali-
ties, for less than a hundred and fifty
years.

With the Author of Christianity
forever stressing the individual re-
sponsibility of every person to God,
it does seem that all his followers
would have grasped the full purport
of his teaching immediately and
would have insisted upon the perfect
freedom of the individual conscience
at all times and everywhere.

On the contrary, we find that
the powerful Catholic Church itself,
which was a mere outgrowth and
perversion of the early Christian
movement, for more than a thousand
years sought and exercised temporal
as well as spiritual power: that it
controlled civil government whenever
and wherever it could do so; and
that at times it employed the sword
and the fagot to suppress freedom
of conscience and to maintain its
power.

For centuries there was a struggle
between the ecclesiastical and the
civil authority, between the Church
which sought to dominate the State
and the State which sought to dom-
inate the Church.

For centuries also, we do not know
whether continuously since the days
of Christ or not, but at any rate for
several centuries, there had been
religious bodies in the Old World
whose members asserted the freedom
of the conscience and denied the
right of either the Church or the
State to dictate to the individual
what he should believe or how he
should worship.

In the New World Roger Williams
was the first man to ring out a
clear-cut declaration for freedom of
conscience in religious worship, and
for his independence and boldness
he suffered banishment from Massa-
chusetts.

Together with others who believed
as he did he then established the

colony of Rhode Island. "the first
commonwealth on earth in which
there was absolute civil and religious
liberty."

It seems strange to us that the
Puritans, who had fled from relig-
ious persecution in England, should
themselves turn persecutors of oth-
ers who disagreed with them. Yet
they not only drove Roger Williams
but many others from their colony.
Some they even threw into jail and
otherwise mistreated.

In Virginia, the aristocratic Epis-
copalians likewise practiced relig-
ious persecution. In fact, there was
some form and degree of persecu-
tion in nearly all the colonies.

Among those who felt the sting
of persecution was that devout and
remarkable man, Francis Asbury,
who was appointed by John Wesley
as the first Bishop of the Methodist
Church in America.

During the era of this Republic,
the principles of Religious Liberty
and separation of Church and State
have become so firmly imbedded in
the thinking and the tenets of our
people that we can not understand
why all nations do not accept them
readily.

Yet in many of the nations of the
world, the principle seems to have
gained little favor. Where the Cath-
olics are strong enough, they still
dominate both the religious and po-
litical life of the people.

In some countries, the reaction
against Catholicism has become so
strong that the civil authorities are
attempting not only to destroy the
Catholic Church but to extirpate
Christianity as a whole.

In Russia, a bitter and stubborn
attempt has been made to utterly
destroy Christianity and to replace it
with atheism. In recent years, how-
ever, the fight against Christianity
seems to be abating a bit and there
are still many Christians in that
country.

In Germany, Hitler has rejected
Christianity as a mere form or off-
shoot of Judaism, and he has under-
taken to replace it with a miserable
makeshift which he has devised, a
religion which magnifies brute force
and glorifies the State, he being the
State.

The contest of arms in Europe to-
day is far more than a contest to
determine merely what nation shall
survive; it is rather a contest to de-
termine whether or not Religious
Liberty, Freedom of Conscience,
Freedom of Speech, Freedom of the
Press, all the rights of the individual
which we deem sacred, shall survive.
If Hitlerism and so-called Commun-
ism triumph, it will be a triumph,
temporarily at least, of the Powers
of Darkness.

**STATE SOIL CONSERVATION
BOARD OF TEXAS**

Notice Of Hearing Upon Organi-
zation Of Proposed Dawson-Lynn
Counties Soil Conservation District,
Embracing Land Lying In Dawson
And Lynn Counties, Texas.

Whereas, on the 29 day of Aug-
ust, 1939, there was duly filed in
the office of the State Soil Con-
servation Board, at Temple, Texas,
a petition signed by fifty or a ma-
jority of land owners pursuant to

the provisions of the State Soil
Conservation Law, as enacted by
the 46th Legislature, known as
House Bill No. 20, requesting the
establishment of Dawson - Lynn
Counties Soil Conservation District;
and

Whereas, the lands described by
said petition, and other lands which
will be considered for inclusion in
said district, are located in Daw-
son and Lynn Counties, described
substantially as follows:

Dawson and Lynn Counties in
their entirety.

Now, therefore, notice is hereby
given that a public hearing will be
held pursuant to the said petition,
on the question of the desirability,
and necessity, in the interest of the
public health, safety, and welfare,
of the creation of such district; on
the question of the appropriation
boundaries to be assigned to such
district; upon the propriety of the
petition, and of all other proceed-
ings taken under the said Act; and
upon all questions relevant to such
inquiries. The said public hearing
will be held by the State Soil Con-
servation Board on the 5th day
of October 1939, beginning at 8
o'clock p. m. at Tahoka in the
county of Lynn.

All persons, firms, and corpora-
tions who shall hold title to any
lands lying within the limits of
the above described territory as
owners, and all other interested

parties, are invited to attend and
will be given opportunity to be
heard at the time(s) and place(s)
hereinbefore specified.

False Ideas Exist Regarding Cancer

Austin, Texas.—In spite of increased popular education on the cancer problem during the last decade, many false ideas regarding this disease still persist. Too often such conceptions are the basis of delay in diagnosis and treatment. Obviously, figures cannot be compiled, but it can be stated safely that a fair proportion of the thirty thousand preventable cancer deaths now occurring annually in the United States could be avoided if these mistaken notions were corrected," the State Health Department believes. "The following facts are pertinent: (1) Cancer is not contagious; the victim cannot give it to any other person. (2) Cancer is not a blood disease. (3) Diet is not a cause or preventive of cancer; vegetarians and meat-eaters are equally susceptible. (4) Aluminum cooking utensils do not cause cancer. (5) Constipation does not cause cancer. (6) Mental worry will not influence the development of cancer. (7) No age is free from cancer; babies are born with it, and the oldest persons can be its victims. However, it is largely a disease of adult life, occurring chiefly between the ages of forty and seventy. (8) Self-medication is a waste of time and frequently fatal because of the delay involved. (9) Serums, vaccines, colored lights, patent medicines, pastes, salves, and diets are valueless. (10) Quacks and their super-claims, through false hopes and delayed diagnosis, cause many avoidable cancer deaths but do not effect cures. (11) No warning comes from pain. In the early stages and in the precancerous condition, there is no pain or conscious health impairment. The one exception is bone cancer.

"With a full appreciation of the facts and the prompt seeking of medical advice when there are signs of cancer, it is conceivable that many thousands of deaths from this cause could be prevented. "The danger signals are any lump in the breast or other part of the body; any persistent sore, particularly on the face or mouth; any unusual discharge or bleeding from any part of the body, such as vomiting of blood, passage of blood from the bowels, or unusual bleeding of any bodily passage, especially after middle age; and chronic indigestion. Procrastination in the face of any of these signs is dangerous and may even be fatal.

"It is true that any one of these symptoms may be caused by a condition other than cancer; however, this fact is no excuse for delay in diagnosis, so that prompt treatment procedures may be instituted, for if cancer is diagnosed sufficiently early, the results of treatment are usually good.

Advices Seeding Lawn Now

College Station, September 22.—Grass planted now will reap the benefit of fall rains and cool weather, and there is no better time than this month to level a lawn or to set out grass.

Sadie Hatfield, landscape specialist for the A. and M. College Extension Service, in offering this suggestion points out that grass pays big dividends the year 'round.

In summer, she says, it reduces glare and increases comfort of the home by giving off moisture with an appreciable cooling effect; in wet weather it decreases the amount of mud and prevents erosion; in dry weather it reduces the amount of dust.

The specialist comments that in Texas there is a large variety of grasses from which to choose. Native buffalo grass, which is similar to bermuda, is easily destroyed by cultivation, but it is also resistant to drought. Commonly known as mesquite grass, it is satisfactory in Central and West Texas. San Augustine grass does well along the coast and in areas not more than about 80 miles inland. In North Texas blue grass can be grown successfully. Rescue grass does well

Prompt Help For A Listless Child

Scolding won't help a boy or girl who is listless, dull or cross from constipation. But, here's something that will! If sluggish bowels have your child headachy, bilious, upset, give him a little Syrup of Black-Draught tonight. Like the original famed BLACK-DRAUGHT, its principal ingredient is an intestinal tonic-laxative. Helps impart tone to the bowel muscles. Children like the taste of Syrup of Black-Draught. It is an all vegetable product. When simple directions are followed, its action is gentle, but prompt and complete. Comes in two sizes: 50c and 25c.

in the winter time and will grow in the shade, she adds. She concludes, "For a winter lawn, Italian rye grass may be sown in the early fall on freshly cut grass. When it has been watered thoroughly, it will come up and soon form a beautiful green lawn which will last all winter."

Miss Betty Lu Suddarth, daughter of W. E. Suddarth of O'Donnell, formerly of Tahoka, left Sunday night for Denton to enter the State College for Women (C. I. A.) as a student for the ensuing term.

Miss Mary Louise Francis and friends, C. B. Trevey and Miss Helen Broach of Beaumont, came Saturday for a two weeks visit with Miss Francis' parents, Mr. and Mrs. S. B. Francis, who reside near town.

SHERIFF'S SALE

THE STATE OF TEXAS, COUNTY OF LYNN Notice Is Hereby Given That by virtue of a certain Execution issued out of the Honorable District Court of Denton County, Texas, on the 26th day of August 1939, by Mrs. Imogene Brooks, clerk of said District Court, for the sum of One Thousand Thirty-Five and no/100 Dollars, interest and costs of suit, under a certain judgment, in favor of Blantha Milburn in a certain cause in said Court, No. 13450 and styled Blantha Milburn vs. Sam L. Stevens, placed in my hands for service, I, B. L. Parker as Sheriff of Lynn County, Texas, did on the 28th day of August 1939, levy on certain Real Estate, situated in Lynn County, Texas, described as follows, to wit: Lot No. 1 in Block No. 32 of Tahoka Heights, of the Town of Tahoka, Lynn County, Texas, and Lot No. 4 in Block No. 36 of the Original Town of Tahoka, Lynn County, Texas, as shown by Plat Recorded in Book 5, page 390 of the Deed Records of Lynn County, Texas, and being the same property conveyed by J. C. Welch and wife to S. L. Stevens by deed dated 3rd day of September 1926, recorded in Book 40, Page 234 of the Deed Records of Lynn County, Texas.

An abstract of said judgment having heretofore to-wit; On 14th day of September 1933 being issued out of said District Court of Denton County, Texas, and duly filed for record in the office of the County Clerk of Lynn County, Texas, on the 16th day of September 1933, and having been duly

recorded and indexed both direct and reverse, which abstract of judgment is recorded in Book 5, Page 7 of the Judgment Records of said County and levied upon as the property of Sam L. Stevens and that on the first Tuesday in October 1939, the same being the 3rd day of said month, at the Court House door of Lynn County, in the City of Tahoka, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said judgment and abstract of judgment lien, I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Sam L. Stevens.

And in compliance with law, I

give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News, a newspaper published in Lynn county.

Witness my hand, this 30th day of August, 1939.

Elder Smith Says Editor Blundered

Introduction: Brethren, if any of you do err from the truth and one convert him; let him know that he which converteth the sinner from the error of his way shall save a soul from death and shall hide a multitude of sins.—James 5: 19-20. So, with much love and respect, this will be my position in trying to protect truth and expose error.—Tyne W. Smith.

our good paper and of our good editor of The Lynn County News, Brother Hill, if I understand the Scriptures he has made some great blunders in his piece he wrote in regard to what the Primitive Baptists preached at their association held at Tahoka this year.

Now I don't accuse Brother Hill of doing this wilfully and I will call the witnesses of God to testify in the case and let their evidence set up and substantiate the cause for why he made the great blunder, if indeed these witnesses prove that he made the blunder; and I will try to call enough witnesses to the stand to clear some other things in his mind that he seems to be muddled or bogged down in darkness over, which is concerning the confused religion in our land and country.

Now I would ask Brother Hill and our good readers of our good up-building paper at this time to lay aside all influence that has come over you by hearing the preaching of our many confused denominations of their many different interpretations of how to be saved, as your own case is on trial while I shall call these different witnesses to testify concerning Brother Hill's blunder, and I want you to sit as a juror sitting on your own case to render yourself a fair and impartial verdict according to the evidence and the credibility of the witness I will call to testify in this case; and if you can't rid yourselves of all confused influences you are a disqualified juror to sit on your own case as a fair and unprejudiced juror, and you will only be able to junk yourselves in Brother Hill's junk pile of confusion if in this case the truth don't rescue you. The gospel has the power of rescuing the children of God.

Maybe I had better fire my first gospel gun to show it will rescue some of the children of God but won't reach the dead sinner only to make him mad.

Now I know I have got all of mystery Babylon's daughters to fight if they get game, but when David killed the big leader of the Philistines I think the rest ran off. So if you are the Goliath the fight is soon over. As David had no sword he rocked him to death. So I will use Christ as my rock and take your own Bible as the sword to do the job.

The Call of Paul and the Purpose: Acts 26: 16-18. I have appeared unto thee for this purpose, to make thee a minister and a witness both of these things which thou hast seen and of those things in which I will appear unto thee; delivering thee from the Gentiles, unto whom now I send thee. Now we get the purpose and what the gospel will do: To open their eyes and turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in Christ Jesus.

Now your confused or Babylonian preaching is that the sinner has to exercise faith to be saved. Christ said the faith is in ME, not in the MAN.

Here is another witness: Paul telling a young preacher how it is. We have just had Christ on the stand, now Paul, to show what the gospel will do, and neither Christ nor Paul has said it was instrumental in any way in getting life to the sinner. II Timothy, 1:9-10: Who hath saved us and call us with an holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus before the world began.

So, if Paul tells the truth, these arrangements were made before Adam was formed. Then if those we have record of—and just how they were saved and how they were not saved—were saved by grace and not by what the preacher could do for the sinner and what the sinner could do for himself, which would be both the works of the preacher and the sinner, and whoops and hollow and tell grave-yard stories until they hell-scare him in to accept their many confused offerings they make them. So Paul said it is not that way. So if it is not that way will you allow it to be as God has arranged his plan of salvation even before man was formed of the dust of God's creation.

Now, what is grace? It is an unmerited favor bestowed on an unworthy character. If that be a fact—and it is if the Bible is true—let's try the Works system and see how it will work out. Say I am a preacher, and I go tell the sinner to believe, repent, and get clear out of sight under the water, and live faithful to the end, and that will be free-on-board from our headquarters. Then I go over to our good Christian-hearted Methodist sisters and tell them to repent, believe, and just have a little water thrown in your face, and that will be free-on-board from our headquarters. Do you plainly see them serving two Gods? For the same thing won't satisfy both. And so on, as you go to the different eight churches, you spoke of in Tahoka. So they must have many Gods in Tahoka.

Let's see if we can find if there be more Gods mentioned than one. If so, and you, Brother Hill, haven't thought on it seriously enough to mention or warn the people of it, they might better ask me to write again, as I will shun not to declare the whole counsel of God.

Yes, I staggered right in the place to get all the confusion, these Gods. I Corinthians, 8:5. For though there be that are called gods, whether in heaven or in earth (as there be gods many and lords many), but to us there is but one God. So with the Old Baptists.

So if grace is an unmerited favor bestowed on an unworthy character, and some of these confused-Gods fellows tell the sinner just what will please the God they describe to him by words, the sinner complies and meets all his conditions, then the sinner has merited the favor and is just as worthy of the blessing when he received it as any man ever merited a dollar by working in a sewerage ditch a day.

Now, Brother Hill, will you first admit that the Bible teaches repentance and will you admit it teaches Thou shalt not kill? I know you will, and I know you believe that; so do I.

Now, Brother Hill, will you admit the Bible teaches Predestination, and will you admit it teaches Election? If you believe you should repent and shouldn't kill, tell me why you don't believe the predestination and election as taught in the same Bible, though not like the record you gave of how those Elders preached it. I feel sure that you didn't do it on purpose, but what you wrote was the greatest misrepresentation I ever heard crammed off on the Old Baptists. I don't believe it like you say they preached it. Neither do they believe it like you say they preached it. Neither did they preach it like you said they preached it. But for the sake of God's cause and those able Elders that so ably defended the doctrine, and for the sake of those who might have been misled by your piece, I thus speak.

(To be continued next week)

Charles Heathman, son of Mr. and Mrs. W. E. Heathman of Littlefield, who resided here for a number of years, left recently for Waco to enter Baylor University for the ensuing session, according to the Lamb County Leader.

Mr. and Mrs. Jess Gurley are happy over the advent of another little son as a member of the family. Weighing six pounds and 11½ ounces, he was born Friday night in the Lubbock Sanitarium. His name is short and sweet, just Jay.

Miss Billie Rowland returned to McMurry College in Abilene the first of the week, where she will enter her third year. She is majoring in Business Administration.

Asastico Menof, a little Mexican boy, underwent a minor operation at Tahoka Clinic Tuesday.

THE GROWL

EDITED BY THE STUDENTS OF TAHOKA HIGH SCHOOL

TAHOKA SCHOOLS NOT TO DISMISS FOR LUBBOCK FAIR

The Tahoka Public schools will not dismiss school for the Lubbock Fair this year. School children day for this county will be next Wednesday. There are free tickets at the high school for all students whose parents want them to go. To get a ticket a student must present a written permit from his parents or have his parents come for the tickets. All students who go with permission of parents will be given an excused absence from school on school day which is Wednesday. Since Wednesday is test day, next weeks tests will be given on Tuesday.

SCHOOL ENROLLMENT INCREASES

Total school enrollment early this week had reached 647 pupils for Tahoka schools, including the colored school.

Tahoka high school has an enrollment of 248, an increase of five over the first of school, the grammar school enrollment totals 366, seven more than first enrollment. There are 33 pupils in the colored school, of which Para Lee Sales is teacher.

WHO WILL HELP THE FOOTBALL TEAM?

As the time draws near for conference play, the Bulldog coaches and school officials see the need for a little more practice time.

Some of our out boys ride the school buses and therefore have to go home at 4 o'clock. Every boy is considered just as important as every other boy. All practice is stopped at 4.

Coaches and boys are very anxious to continue work-outs till 4:30 each day. It can be done if there are some football fans who will cooperate by using your car and taking some boys home at 4:45 each afternoon. No man will be permitted to go more than once per week.

How many football fans does Tahoka have that will carry some boys to their homes on the bus routes just once per week? This is strictly a voluntary proposition. All who want to help please contact Superintendent Hanes and let him know what day you prefer.

Now if each fan waits for the others there will not be any one to go. IF YOU WANT TO HELP, SAY SO without waiting for the other fellow.

Flash! Before this article got to the News office, Bascomb McCord and Al Lehman had heard of it and asked that their names be put in the pot. They sent cars out Tuesday.

HOME ECONOMICS NEWS

Wednesday evening, Sept. 13, forty-eight girls, who are members of the Home Making club, met on Mrs. Hegi's lawn for a watermelon feast. Business for the coming year was discussed. This includes some special occasions and parties. An enjoyable year of work is expected. Mrs. Hegi presented the club with a beautiful scrap book. Everyone had a grand time.

Altogether there are about one hundred and fifteen members in the Home Making Club. Ninety-seven of study on satisfactory group membership work. Every girl who has had one or more years of school work is eligible for membership. Different phases of work are being studied in the three grades. The first year classes have been centering their study on satisfactory group membership; the second year class is studying equipping the meal service unit and kitchen; the third year girls are busy with the problems of family and community life.

BONFIRE AND PEP RALLY

As this goes to press plans are in the making for a gigantic bonfire and pep rally on the football field Thursday night in preparation for the game with Southland. The student body seems to scent "victory and better days" for their football team and have called this meeting to try to work up the proper "spirit" for the already begun football season. The band and pep squad have been working hard on drills and musical numbers and are more enthusiastic than ever before. There is a certain atmosphere about the school that makes one feel that "We might go places."

This pep meeting is for the entire community and whether you attended or not come on out to the game.

and get into the spirit of the thing. You only live once, you know, and remember that old adage is still true: "Smile and the world smiles with you, weep and you weep alone." Your young people are in a smiling humor and they are OK. Come on, Tahoka, you can do whatever you want to do. Let's put ourselves into our school program and help it be the "most wide-awake school in West Texas." There is no better place to start than by boosting and talking our "Football Team." We'll see you at the game.

BAND BOOSTERS MEET

The Tahoka Band Boosters club met Tuesday night with an energetic, enthusiastic determination to continue to boost the Tahoka band in all its undertakings. Plans were made and committees were appointed to plan a concert and entertainment program for the benefit of the band uniform fund.

There seems to be a feeling among some that the band boosters club is only for parents of band members. While parents are naturally interested in the band, every citizen of this community is or should be interested in the band too. Won't you give just a little time to the cooperative enterprise of boosting these youngsters who are giving this community such a snappy, worthwhile civic organization as the Tahoka Band, JOIN THE BAND BOOSTERS CLUB NOW.

SOPHOMORE CLASS ELECTS OFFICERS

The Sophomore class met Friday afternoon and elected officers for the '39-'40 year.

Gloyd Cioe was elected to reign over us this year. Jack Swafford is our vice-president, Helen Pemberton our secretary-treasurer, Mary Beth Roddy reporter, and Dorothy Fulkerson parliamentarian.

Two committees were selected. Acting on the social committee are Wanda Lee Tinsley, Iris D. Cade, Neida Savage, Wayne Shawn, Turner Rogers, and Benoy Gattis.

On the program committee are Mary Ruth Hargett, Ethel Goad, Viola Roberts, Douglas Henderson, Kelly King, and Jerry Noble.

FFA OFFICERS ELECTED (Delayed)

FFA officers elected Wednesday night, September 13, in their first meeting of the school year, are as follows: Pug Parker, president; Boyce Evans, vice-president; Arthur Hammonds, treasurer; Junior Sanders, reporter; Glen Loyd, secretary; Ray Botkin, parliamentarian; Edward McMillan, reporter; Bert Stephens, watchdog.

Date of initiation of Green Hands was set for Wednesday, October 3. Regular meetings are to be held each first Wednesday.

The barbecue scheduled for Wednesday night, September 26, was postponed until the next week because of conflicting plans.

Misses Olabelle Singleton, Hattie Server, Ellen Norman, and Mesdames Helen Eubanks and Lois Daniel attended the book review by Evelyn Oppenheimer at Lamesa Tuesday night.

License to marry was issued in the county clerk's office Thursday morning to Herman Wuensche and Clara Behrend, both of Wilson.

Friction Matches Were Invention of Druggist

The friction match was invented in 1827 by John Walker, a druggist living at Stockton-on-Tees in Durham, England. His matches were made of a compound of chlorate of potash and sugar mixed with powdered gum arabic to make it adhesive when applied to a splinter of wood. They were ignited by drawing them rapidly and under considerable pressure through a piece of folded sandpaper. Such matches were first sold in London under the name of lucifers. Lucifer, often used as a general name for matches, is one of the names of Satan and is derived from Latin "lux," (light), and "fero," (to bring).

An Englishman named Isaac Holden made crude sulphur matches about 1837. A French physician and chemist named Saugrain, who settled in St. Louis about 1800, showed William Clark and Meriwether Lewis how to make matches before they started on their long journey up the Missouri river in 1804. The Frenchman dipped sulphur-tipped splinters of wood into phosphorus and produced flames without difficulty. He then sealed a supply of phosphorus in tin boxes for safety and showed the explorers how to make their own sulphur-tipped sticks. These, of course, were not true friction matches.

CROWELL RESIDENTS VISIT HERE TUESDAY

Judge and Mrs. Claude Callaway and Mr. Roy C. Todd of Crowell were visitors in Tahoka Tuesday, being dinner guests of Rev. and Mrs. George E. Turrentine.

Judge Callaway is county judge of Foard county, and he was chairman of the board of stewards of the Methodist church during the entire four years of Brother Turrentine's service as pastor there. He had only words of highest praise for his former pastor, all of which, we are convinced, are richly deserved.

Judge Callaway also had high praise for our county. He was greatly impressed with it as a farming section. He said that he had been told that we never failed to make a crop here and he was delighted with the crops which he saw here Tuesday. He thought our farmers had no room to complain, even though the crop is a great disappointment to most of them, due to the blighting heat and winds of the past few weeks.

Judge Callaway made inquiry of his boyhood friend, H. C. Story, stating that he and Story were raised up together, and he had some very fine things to say of our former county clerk.

If we may venture an opinion in a new story, we'll bet Judge Callaway himself would be a mighty fine citizen in any man's country.

CROWDED OUT

A number of club reports and other items were crowded out this week and will be carried over until next week. Such reports must be in this office before Thursday morning to insure publication.—The Publishers.

Miss Ethel Norris visited in Albuquerque and Santa Fe, New Mexico, last week.

Mr. and Mrs. H. J. Dietrich of Post are the parents of a daughter, weighing six pounds, born in a Lubbock hospital Wednesday. Mrs. Dietrich is the former Louise Park.

Mr. and Mrs. Ben Ike Scott of Roswell visited his parents, Mr. and Mrs. J. D. Scott, here from Tuesday to Thursday, when the latter accompanied them home for a two or three weeks visit there.

Tahoka Bulldogs Defeat Cooper

(BY WILLIAM HILL)
The Tahoka Bulldogs put on a great show for the fans, especially Lynn County Home Demonstration agent, asked the Midway home demonstration club women at Mrs. R. L. Littlepage's September 14, at 2:30.

A child should eat the food that is given him and should never be allowed to say, "I do not like this." A child likes to do what his parents do, and say what they say. If he sees the parents refuse food or hears them say I do not like certain foods, he will immediately begin to form food habits.

If he refuses to eat, pay no attention; it will not hurt him to miss one or even two meals. He may refuse to eat because he has heard someone say: "I do not like this," or it may be because he wants attention.

Miss Ruby Lee Grey was a visitor. Members present were Mesdames I. M. Draper, Rufus Slover, Howard Draper, H. C. Warren, V. P. Carter,

Dr. C. Davis never lets drouths nor short crops worry him. He told the News man Monday that he had gathered four bales of cotton off his 36 acres and expected to get four more. Said he might decide to sell some of it later. So far he has sold none. Says he is keeping it for table use and thinks he'll probably have enough to last through the winter. He has also sowed four acres of wheat already—for grazing purposes. Presumably he meant for his stock.

Gordon Bennett of Kelly Field, San Antonio, came by air plane to Lubbock Saturday and spent Saturday night here with his father, G. D. Bennett, returning to Kelly Field Sunday afternoon.

Misses Mary Jane Turrentine and Madeline Russell went to Canyon Monday to again enter the West Texas State College at that place. They were accompanied by Rev. and Mrs. George E. Turrentine.

MIDWAY H. D. CLUB MEETS

"Does your child have good food habits?" Miss Maurine McNair, Lynn County Home Demonstration agent, asked the Midway home demonstration club women at Mrs. R. L. Littlepage's September 14, at 2:30.

A child should eat the food that is given him and should never be allowed to say, "I do not like this." A child likes to do what his parents do, and say what they say. If he sees the parents refuse food or hears them say I do not like certain foods, he will immediately begin to form food habits.
