B-PW CLUB HAS WEINER ROAST

The Business and Professional Women's club met at the home of Miss Olabelle Singleton Tuesday night for an outdoor supper. Hot dogs and roasted marshmallows were prepared at an outdoor fireplace, each member and guest serving herself.

Tables were set up and bridge, forty-two, and anagrams were the principal amusement of the evening. Several business and professional women outside the club were guests.

Members present were Mesdames S. H. Assiter, Lois Daniel, Gladys M. Stokes, Inez Knight, Helen Eubank, A. J. Minor, Hope E. Haynes, D. W. Gagnat, Myrtle Rochelle, Grover Stewart, Misses Hattie Server, Ellen Nixon, Echo Milliken, Ethel Calahan, and Olabelle Singleton.

Guests were Mesdames Leroy Knight, A. R. McGonagill, and Misses Ida Mae Harris, Lucille Hall, Lucille Collier, Georgia Taylor, Gertrude Bishop, Robble Milliken and Miss Sarah Grey Wurtsbaugh of Jefferson.

HAS SURPRISE PARTY

A surprise birthday party was given in honor of Miss Ethel Norris by her parents, Mr. and Mrs. Marshal Norris, in their home Saturday night.

Many friends gathered, and games were enjoyed by all. A treasure hunt led the honoree to a large chest filled with beautiful gifts. Many who could not attend sent nice gifts and best wishes.

Punch and cookies were then served to the forty-five guests present, and everyone reported a splendid time.

MEMBERS OF B-PW CLUB ATTEND DISTRICT MEET

Misses Olabelle Singleton, Hattie Server, Mesdames Lois Daniel and Myrtle Rochelle, all officers of the local Business and Professional Women's club, attended the conference of District I of the state federation at Plainview Saturday afternoon and Sunday, October 14 and 15th.

The chief attraction was a banquet held Saturday night in the Hilton Hotel ballroom, at which the Hale County Bar Association hosts and Judge Sara T. Hughes, district judge of Dallas, district 14 was the principle speaker. Mrs. Hughes is also president of the state federation of B & P.W. clubs.

Vernon was selected as the next conference host, and Miss Vaneta Cross of Plainview was elected District director for the coming year. Tahoka is not at present a member of District I, but hopes to be transferred to that district immediately, because of the great distance of the local club from another club in their official district, No 5.

Bruce is taking a course in journalism in the college and he and his mother were pleasant callers at the News office Saturday.

Mr. and Mrs. Edgar Hammonds of Route 1 are the parents of a fine baby girl born Tuesday morning.

High Grade Cotton Used in Mattresses

College Station, Oct. 25.—As the cotton harvest in Texas spreads north and westward, enterprising farm women will be saving back 50 pounds of their high grade cotton to be made into a new mattress, says Mrs. Bernice Claytor, specialist in home improvement for the A. and M. College Extension Service.

Where funds are limited, the farm housewife will find it economical to make her mattress at home, for only a small cash outlay is required to secure necessary materials, she points out.

"It is especially important for health that the cotton to be used in a mattress be scrupulously clean and sanitary, and the lint should also be high grade for the sake of comfort," Mrs. Claytor says. Durability is especially desirable in a mattress since it is one item of home furnishing in use at least one-third of the time, and therefore receives hard wear.

Enough cotton to make one or more mattresses is probably wasted each year on the average farm the specialists point out. So little material, equipment and time are needed to provide this improvement, surely no one need suffer from a lack of good cotton mattresses.

"Comfortable, healthful sleep is largely dependent upon good mattresses," she says. "The mattress may be considered as a cushion for the body. It should be sufficiently firm to support the body, yet it should be yielding enough to conform to every curve of the body and to the movements of the sleeper."

Mr. and Mrs. R. H. Turner left Monday morning for Uvalde, where they expect to spend the winter again. Mr. Turner thinks Uvalde is a fine winter resort. He says there are practically no high winds there and no dust. The winters are mild, the streams are full of fish, and squirrels are in all the trees. And the vice-president of the United States lives there, when he is not in Washington helping to run the country.

Mr. and Mrs. Fred Walker and Mr. and Mrs. J. T. Boswell and two children of Flags, Castro County were here Sunday night to visit Mr. and Mrs. C. E. Eudaly and family. Mrs. Boswell and son Glenn remained for a longer visit with her parents, Mr. and Mrs. Eudaly.

Ed Mason, aged man who is living with a daughter, Mrs. Roberts, is very ill, according to his physician.

ROBINSON'S READY-TO-WEAR

Elder Tyne Smith Replies To Elders J. Luryl Nisbett And R. P. Drennon

In reply to Elder J. Luryl Nisbett's reply to my article written in reply to Brother Hill, I want to say I thank Brother Hill for all of the kindness he has shown in this, and I will say I have nothing to say against the members of those confused or Babelonial organizations, so-called churches, as I have many good and dear friends in them, and if I have a Scriptural right in their case it is to show the children of God that are in them their error, that they might come out of her and be saved from error here in time. Rev. 18:4, "And I heard another voice from heaven, saying, come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues."

Now, children of God, you can save yourselves from these plagues, and that is one salvation taught in God's Word as a common salvation. Jude 1:4. Please read the whole chapter, but notice he is addressing those "that are sanctified by God, and preserved in Jesus Christ, and called", and anything that is preserved in Christ doesn't spoil or

fall from grace. Those that spoil are preserved by works; they don't keep long.

Now, I will start on your first proof text and take the Scriptures from the same chapter to disprove your position, but I will show these were the ones the Father gave to the Son that He gave the truth to and they received it. John 17:2, "As thou hast given Him power over all flesh, that he should give eternal life to as many as thou hast given him." Verse 6, "I have manifested thy name unto the men which thou gavest me out of the world: thine they were, and thou gavest them me; and they have kept thy word." Verse 9, "I pray for them: I pray not for the world, but for them which thou hast given me; for they are thine. Verse 10: "And all mine are thine and thine are mine." Verse 14, "I have given them thy word; and the world hath hated them, because they are not of the world." Now here are the elect that the Father gave the Son, or at least Jesus said he did, and he first gave them, the elect, God's word, and they received it. He didn't give God's word to the world, neither did he pray for them, just prayed for those that the Father gave him.

Now you say that the sinner has to accept Christ to be saved. I defy you to show our readers the Scripture that said that, and I can show you where he made choice and those he saved didn't accept or choose him but he chose them. I will call John to the stand. Now, dear readers, are you going to believe Christ or the Elder Nisbett? John 15:16, Christ talking to the elect: "Ye have not chosen me, but I have chosen you." Acts 9:15, Paul is a chosen vessel.

Now you will preach that God only chose the apostles; so I will cut that off before you make the blunder. So here are three that are not apostles, Romans 8:13, and yet are chosen: "Salute Rufus chosen in the Lord, and his mother and mine." So those got in the Lord, by choice and not chosen by the Gospel but chosen of the Lord. So I will give you some more you don't believe, on the chosen, the elect, the predestinated, and the adopted. Ephesians 1:3-9, "Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with all spiritual blessings in heavenly places in Christ: According as he has chosen us in him before the foundation of the world, that we should be holy and without blame before him in love; having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will, to the praise of the glory of his grace wherein he hath made us accepted

in the beloved. In Whom we have redemption through his blood, the forgiveness of sins, according to the richness of his grace; wherein He hath abounded toward us in all wisdom and prudence, having made known unto us the mystery of his will, according to his good pleasure which He hath purposed in Himself."

Now you have got predestination and salvation in such a mess until I am really sorry for you. You don't know the difference in purposing a thing than bringing it to pass, and you are so blind you don't think God could bless one without cursing the other man. They had not fallen before the foundation of the world, yet choice had done been made in God's wisdom, and God told Adam what would happen, leaving God under no obligation to man. Gen. 2:15-17.

No, after the fall, those the Father gave the Son were lost, something he already had. So, according to God's choice they had to be redeemed and get forgiveness of sins. Ephesians 1:4-9. You say they are redeemed and get forgiveness of sins for obeying. Paul said they were redeemed and received forgiveness of sins by Christ's blood. How are you going to say who told the truth? I say Paul did, for he wasn't getting \$60.00 per month to tell it, and I can prove by one of your own members that you are. So you are a hired witness in this case and our Justice Court would have you step aside, but for the benefit of the readers we will hear the hireling testify, yet you are bound to be a man-pleaser to hold the \$60.00 per.

Now they fell dead to God under the curse of the law. No, they were not lost nor saved before the world was, but they were lost in the fall, and according to God's purpose he predestinated they should be redeemed by Christ's blood when it was shed on the cross; I mean those the Father gave the Son, and that is as many as he said he was to give eternal life to. So, redemption and forgiveness of sin are not by obeying the gospel.

So, after redemption, being sons of God, then as obedient children they can purify their souls in obedience, but show our readers the place where it is said we are redeemed by obedience.

Now I have disproved all you tried to prove by the same Scriptures and I will continue to do so, but we will not have Elder Drennon as Judge, as we don't want a hireling for judge.

Now let's see who was called to the fellowship of the saints. Now I have shown Christ's blood redeemed the chosen and forgave their sins. Now what was the call of the gospel? For using your own Scripture only needed setting in order. So here it is, II Thessalonians 2:12-14: "But we are bound to give thanks always to God for you, brethren beloved of the Lord, because God hath from the beginning chosen you to salvation through sanctification of the Spirit and belief of the truth: whereunto he called you by our gospel."

Now what for? Would we say to be saved? Not me, to preach that for \$60.00 per. Then let Paul say what it was for, as he preached the gospel without charging for the kind I am disproving your kind with.

So, on with what the call was for. To the obtaining of the glory of our Lord Jesus Christ. Now you ask What was the need of preaching? Baptists preach to bring out all of the glorious things the Lord has done for poor wretches, and they feed on it and are perfected in spiritual knowledge and grow in grace by which they were saved. Now, let's see if the gospel is for that purpose. Ephesians 4:7-14. So now these Scriptures explain what we preach for, and it will accomplish what it is recommended to do, that the chosen of God might not be blown about by every wind of confused and Babelonial doctrine. And for you to preach it is just good for that \$60.00. It is not recommended for what you are preaching it for. The Elder would have you believe that God has as much re-

spect for a high-jacker as a saint, as much for Esau as for Jacob, as much for Cain as for Able, as much for the Egyptians as the Hebrews. He sent plagues on the one and blessed the other. What he has reference to is Acts 10:35, having only reference to nations of people.

Now if you want your water-baptism pool drained, come on, let's go.

I will not leave our friend, Brother Drennon of O'Donnell, unnoticed, as I see great opportunity in life for him if he can get his judgment working in the right place. He said Brother Hill's remarks in regard to my reply to Brother Hill was a real knock-out. If Brother Drennon could get promoted to judging prize fights, and when Joe Lewis knocks his man clear out of the ring and Drennon could work to get to say who made the knock-out, those fellows that Joe knocks out will pay you more for one decision than you can make in a year preaching head-and-water salvation. I knocked Brother Hill so hard he pulled down the curtains between us. You are a good judge. So come on and explain your "Choose you whom you will follow". If you don't I am coming after you and let you knock me out. I will make you go back in the Old Testament which you denounce. Respectfully—Tyne W. Smith.

(Ed. "Build-Up": Way to Ease Women's Pain

Many weak, run-down women are in a vicious circle. Their under-nourishment often leads to what is called functional dysmenorrhea and its symptoms—headaches, nervousness, irritability, intermittent cramp-like pains—from which many women suffer. Surest way to break the vicious circle is by building strength and energy, which so many find may be done with the help of CARDUI. It stimulates appetite, aids digestion, and thus helps in this "build-up" of physical resistance. Women also report that, if taken just before and during "the time," CARDUI helps to ease the pain and discomfort of the period.

**OUR HISTORY BEING
FALSIFIED**

It is extremely regrettable that in
order to win a point politicians will
resort to a falsification of our
history.

It has been said, and a lot of us
common folks have been led to be-
lieve, that the munitions manufac-
turers, by false propoganda, led the
United States to enter the World
War in 1917. Such a statement is as
far from the truth as the east is
from the west.

It is also erroneously stated on
frequent occasions that we went in-
to the war "to make world safe for
democracy". That also distinctly is
not true. That phrase or slogan was
not coined until after we had al-
ready entered the war. After we
were in, the contest was recognized
as a contest of autocracy against
democracy, as in fact it was, and
the phrase was coined as descriptive
of the nature of the contest that was
being waged.

Neither is it true that we entered
the war in order to end war. It was
hoped that this would be the happy
result of the conflict, but that in
no way and in no measure prompted
us to enter the war.

We did not even enter the war
just merely to help the allies win.
Well-informed citizens of that day
well know that none of these mot-
ives, as worthy as some of them
might have been, led us into the
war.

The facts of history relating to
this matter have been so truthfully,
clearly, and succinctly set forth by
Peter Molyneux in the **TEXAS
WEEKLY** of October 14, that we
pass it on to our readers just to keep
the record straight. Here it is.
"Falsified History is the infirm

foundation on which the whole
argument of the supporters of the
arms embargo is reared. Take away
this foundation and the argument
collapses. This false version of history
sets forth that the United States
went into the last war to protect its
trade in arms and munitions. That
is simply an unmitigated lie. A man
died the other day who knew as only
few men knew that it is a lie. That
man was Count von Bernstorff, Ger-
man ambassador to the United
States from 1914 to 1917, who de-
voted all his time, day and night,
during those years to untiring ef-
forts to keep the United States out
of the World War. Here is what he
said about why the United States
went into the war: "My task was
done when the Lusitania incident
was disposed of without America's
entry into the war. After that, the
question of peace or war depended
not on me but upon the Wilhelm-
strasse and the great army head-
quarters. They knew exactly that a
repetition of the Lusitania incident
or the unlimited extension of sub-
marine warfare would automatically
mean war with the United States.
But they would not listen.

"And what was the Lusitania in-
cident? It was the sinking of a
British passenger steamer by a
German submarine without warn-
ing, causing the death of 1,198 per-
sons, including 124 Americans.
Those 124 Americans, and others
like them, had taken passage on the
Lusitania, in spite of advertise-
ments in American newspapers in
which the German Embassy warned
them not to do so. They had a per-
fect right, under international law,
to travel on that ship, but because
they exercised this right, the Ger-
man Government drowned them on
the high seas. That incident caused
such a wave of indignation to sweep
over America that it was almost a
miracle that the United States did
not enter the war at once. But the
American Government did not want
to plunge its people into war if it
could help it. So when the Imperial
German Government solemnly pro-
mised that such a thing would not
be repeated, the American Govern-
ment accepted that pledge, with
the notice to the German Govern-
ment that its violation would mean
war.

"Well, on January 31st, 1917, the
German Government caused Count
von Bernstorff to notify the Govern-
ment of the United States that, be-
ginning the next day, unrestricted
submarine warfare would be resum-
ed, and that even American ships en-
tering a specified zone would be
sunk. The United States immedi-
ately broke off diplomatic relations
with Germany, and when American
ships were sunk, the United States
declared a state of war to exist with
Germany in response to the demand
of an overwhelming public senti-
ment. This is true history, and it
contrasts sharply with the falsified
history on which supporters of the
arms embargo base their argument.

"Why Did We Go To War? Be-
cause the German Government
denied to our ships and our citizens
the right to travel on the seas in
zones prescribed by that Govern-
ment, and enforced that edict by
sinking our ships and drowning our
citizens. We went to war because
public sentiment among the Ameri-
can people insisted that we should
not surrender this right and be-
cause of public indignation over
the sinking of our ships and the
drowning of our citizens. In going
to war, the American Government
obeyed the overwhelming will of the
American people."

One of the thinnest theories a-
gainst the United States furnishing
war munitions as well as grain and
other needs to belligerent nations,
is the fact that Russia, a semi-ally
of Germany is selling to England as
well as to Germany, yet these
brotherly-love senators would not, if
they can help, let the United States
do the same thing. In the meanime,
many of our factories employing
thousands may have to shut down,
and many of them will perhaps be
moved across the line to Canada,
where they will naturally buy their
needs from the farms and dairies of
that country. They are the same old
bunch that punctured Woodrow
Wilson's idea of an international
police force that would have kept
down just such Neros as Hitler, et
al. To our notion they are just
about as patriotic as a polecat, and
have about as much business judg-
ment as a weary Willy. If the GOP
aims to select such as they to make
the race next year, they are beat
before they start. We believe in let-
ting England and France have all
the good explosives they can buy.
That is the only language Hitler
understands. Yes, we are neutral,
just about as neutral as the average
man is as between a pet tabby cat
and a tiger. So are you if you are
honest to shell down the corn.—
Brownfield Herald.

For many years Oscar B. Colquitt
was a power in Texas politics. He
was the champion of the liquor in-
terests in this state. For several
years he served as state railroad
commissioner and twice he was
elected governor. It was claimed
that he never drank himself, but
the saloons never had a bolder
champion. He had a son, Rawlins
Colquitt, who grew up and like his
father entered politics. He was elec-
ted to the legislature from Dallas
county and has served with con-
siderable ability. But a few days ago
he entered a plea of guilty and was
given a one-year suspended sentence
for drunken driving, the charges
growing out of an automobile col-
lision or mis-hap of some kind in
which another person was injured.
We wonder if the aged ex-governor,
who fought so ardently and so long
for the life of the old saloon, feels
any responsibility for the turn that
affairs took when his own son be-
came involved in a near-tragedy re-
sulting from his patronage of the
same liquor traffic that the daddy
defended and helped to prolong. As
usual, the chickens are coming home
to roost.

We hate war. We want its somber
shadows never again to settle down
over America. But we have little use
for that word Neutrality. We are
unable to find the word anywhere in
the Bible. Jesus never taught any-
body to be neutral. He did teach
them to stand firm against evil and
to fight fearlessly for righteousness.
When we see a big bully knock down
and stomp the life out of three boys
in succession, it becomes a little dif-
ficult for us to have just the same
feeling toward the bully that we
have toward the little fellows who
were not strong enough to defend
themselves. We admire the spunk
of the fellow who calls the bully's
hand. Therefore, while we would
not rush into the fight ourselves
unless almost compelled to do so,
we certainly would furnish no aid
nor comfort to the bully, and we
think we would furnish the weapons
of warfare to his antagonists if
needed. In fact, wouldn't it be just
a little cowardly to be neutral in
such a fight? We would rather be
right than neutral any time, and we
think Roosevelt, Hull, and the Sen-
ators who want to repeal the arms
embargo act are right.

A fellow in Lubbock the other day
climbed into his car and backed
out, striking a lady who was cross-
ing the street, knocking her down
and running over her. Then he
started the car up and ran over her
again, inflicting serious injuries.
Then he jumped out of the car and
fled. We don't know anything about
his condition at the time, but it
was stated in the newspapers that
a drunken driving charge would be
filed against him. Some bottles of
beer were found in his car. We be-
lieve that officers and juries should
get hard-boiled with these drunken
drivers.

R. L. Gray Died October 19

R. L. Gray dies—
Following an illness of three weeks, R. L. Gray of this city died in the Lubbock Sanitarium on Thursday afternoon of last week, October 19. Funeral services were held Friday at New Lynn, where he had formerly resided following which the remains were shipped by train from Post to Krum in Denton county, where he lived prior to his removal to the plains. The body was accompanied to Krum by Jim Wetzel of Tahoka, Mrs. Gray, the widow, and her son Lloyd Cox, and Mr. Gray's two daughters and other relatives went in cars to Krum for the closing funeral services and the interment. Numerous friends at Krum also attended.

Mr. Gray became ill about October 1, was taken to the sanitarium a few days later, and had been in the sanitarium thirteen days when death came.

Born on October 11, 1877, Mr. Gray was 62 years of age. He came from Denton county to Lynn county about the year 1929, living for two years near Grassland and for several years following near New Lynn. His first wife died at New Lynn about three years ago and her remains were interred at Krum. He was married to Mrs. J. M. Spears of New Lynn on September 12, 1938.

Survivors include the widow and four step-children: Lloyd Cox, Georgia Cox, Jack Cox, and Mrs. Fred Stone; three daughters by a former marriage: Mrs. V. P. Carter of Krum, Mrs. W. P. Smith of Krum, and Miss Ruby Gray, who had been attending school in Lubbock.

Other survivors are five sisters: Mesdames T. A. Stone and Cully Richards of New Lynn, Lacy Richards of Post, Mrs. V. Cockrell of Southland, and Emma Killingsworth of Longview and her brothers, John Gray of Krum and Oscar Gray of Marshall.

All of the above named attended the concluding funeral rites at Krum.

C. A. Johnson of Galt, father of John Johnson, city marshal of O'Donnell, was caller at the News office Wednesday. Mr. Johnson was a friend of the editor before we removed to this city.

David Weathers Undergoes Operation

David Weathers underwent an emergency appendectomy in a Lubbock sanitarium Wednesday night about 10:00 o'clock. He had been feeling ill for several days, but it was not until noon Wednesday that he was forced to leave his work at Cobb's. He was rushed to the sanitarium that afternoon, after being examined by a local physician, and the operation was performed as soon as possible. He was reported resting well Thursday.

Two other employees of Cobb's Department store became ill Wednesday, Joe Boles and Mrs. Carlice Edwards, and both were still confined to their beds at our last report.

DR. A. L. STROUT SPOKE HERE MONDAY

Dr. A. L. Strout, Professor of English at Texas Technological college, spoke at the high school auditorium Monday night on his recent experiences in England, and on the war situation. He also answered questions piled by members of the audience at the close of his address.

Attendance was regrettably smaller than hoped, due to the fact that there were several other meetings of various nature scheduled for the same night.

The lecture was sponsored by the pep squad of the high school.

RECOGNIZED PIANO TEACHER LOCATES HERE

Mrs. W. P. Shrimpton, a recognized teacher of the piano in both Chicago and Los Angeles, is now making her home in Tahoka, Mr. Shrimpton having received a business transfer to this territory.

Mrs. Shrimpton has studied with the outstanding American and European Masters of the Piano, and is offering instruction to advanced students and beginners, private or class instruction.

Mrs. Shrimpton can be contacted at 910Y or by addressing P. O. Box 521 Tahoka.

Mr. and Mrs. D. W. White of Mount Pleasant were guests this week of Mr. and Mrs. W. O. Henderson. On Wednesday Mrs. Robertson accompanied the Whites to Carlsbad, where the party went through the Caverns. Mr. White is assistant postmaster at Mount Pleasant and the two families are long-time friends.

Superintendents Ass'n Have Dinner

The Lynn County Superintendents and Principals Association, of which S. F. Johnson of O'Donnell is president, had their first dinner last Thursday night at Evans Cafe. About 15 were present.

SIX MARRIAGE LICENSES ISSUED

Six marriage licenses were issued at the county clerk's office last week, two to white couples, one to a colored couple, and three to Mexicans.

License was issued Wednesday to William A. Lee, Houston, and Miss Clara Mildred Shanks, of Bakersfield, Mo. The story of the other white wedding appears elsewhere in the paper.

CARD OF THANKS

We wish to express our thanks and appreciation for the services rendered us by our kind friends and neighbors during the illness and death of our loving daughter and sister, Dorothy. Also for the many beautiful floral offerings, May God bless each of you is our prayer.

Mr. and Mrs. G. C. Rackleer and family, Mr. and Mrs. Fred Knapp, Mr. and Mrs. Dalton Rackleer.

William Zappe of Shiner was a business visitor here this week. Mr. Zappe is one of the men who placed a portion of the T-Bar Ranch on the market about fifteen years ago, and many of the fine farms in the Dixie community and in the vicinity of Tahoka northwest of town are the results of his salesmanship.

Mrs. Claude Eudaly residing a mile north of town suffered a stroke of paralysis on one side last Friday and she has been suffering intensely since. Her condition is very critical and she is not expected to recover. She has been a sufferer from high blood pressure for many years.

Mr. and Mrs. Joe Harmon and two daughters of Dallas visited Mr. and Mrs. J. F. Stuart the first of the week, arriving Sunday night and leaving Wednesday night. Mrs. Harmon was formerly Christene Wilbourne, and is the granddaughter of Mr. Stuart.

Miss Sarah Grey Wurtsbaugh arrived Monday from Jefferson, for a visit with her cousin, Miss Olabelle Singleton.

City Marshal Warns About Unlocked Cars

City Marshal W. M. Lee requests that we warn our readers of the danger of leaving packages or other valuables in unlocked cars on the streets on Saturday afternoons and nights.

At this time of the year, when there are many transients and strangers in our community, much petty thievery persists, and many articles have been stolen from cars on the streets this year. Mr. Lee stated. It is also much harder for the peace officer to tell the thief from the car owner. Therefore, it would be safer for all, if they would be very careful to lock their cars when leaving them on the street on busy days.

Commissioners Court Employs Architect

D. L. Knapp of Lubbock is the architect selected. He will also draw the plans for an addition which the court expects to build.

Billman Family Move To DeLeon

Mr. and Mrs. F. M. Billman have sold their home here to Mr. and Mrs. F. T. Thorp and have purchased a small farm near De Leon, to which place they are preparing to move next week.

With the exception of an interval of nine months which they spent at Roanoke in Denton county a number of years ago and six months which they spent at Ira in Scurry county a little later, they have been residents of Tahoka for seventeen years during which time Mr. Billman served several years as a member of the school board.

For a number of years Mr. Billman was a valued employee of the Texas Utilities Company here. In 1936 he was compelled to undergo a stomach operation which almost wholly incapacitated him for manual exertion of any kind. The next year, while still in the employ of the Utilities Company, he was the victim of an accident which sent him back to the hospital for a few weeks, since which time he has not undertaken to do strenuous labor. But possessed of a dauntless spirit, he procured a traveling position, in which he has "carried on" much of the time since.

Down on the De Leon farm, he and Mrs. Billman expect to raise fruits, garden truck, poultry, and hogs, and their many friends hope that their adventure may prove eminently successful.

The Billmans have been faithful and untiring church workers here, Mr. Billman being a deacon of the Baptist Church and Mrs. Billman long holding a responsible position in the Sunday School. Both have been active also in other capacities in the church, and on Monday night many members of the Church assembled in the basement to give them a shower and render a program in their honor.

With Mrs. E. I. Hill directing, assisted by Mrs. Garland Pennington, the program was varied and interesting. Miss Robbia Milliken led in the singing of some appropriate songs and Mrs. Gladys Stokes directed a series of amusing stunts. A. J. Mullins made a brief talk commending the character and the services of the Billmans, especially of Mr. Billman, in the church and its organizations, and Mrs. J. L. Nevill spoke humorously and feelingly of the work of Mrs. Billman. The pastor also spoke, growing humorous at the expense of the Billmans, and both Mr. and Mrs. Billman responded happily.

Then the gifts began to pour in, and the shower was one of the most lavish and varied that has ever been given by members of the church to a departing family. As a fitting climax, Mrs. Billman was presented with a beautiful little puppy and Mr. Billman with a sleek, fat pig, real animals that will doubtless be useful down on the "Billman Ranch".

Mesdames Holland, Reddell and Forrester served refreshments to about one hundred people.

Joe Bob Billman, who recently completed a business course in Dallas, has accepted a position as bookkeeper in one of the daily newspapers of that city.

Miss Martha Chandler, who is attending Draughon's Business College in Lubbock, was the guest last week of Miss Florence King and also visited Mrs. W. T. Clinton.

H. D. CLUB TO START MATTRESS MAKING CAMPAIGN

Miss Maurine McNett announced Thursday that the Home Demonstration clubs of the county will begin a mattress making campaign next Tuesday with an all day meeting of club representatives in her office. This meeting will be a training school on mattress making.

Each club is urgently requested to send two representatives to the Tuesday meeting, in order that they may relay what they learn there back to the separate clubs.

MRS. MARY IVY NOBLE RUMBO

Mary Ivy (Noble) Rumbo was born November 30, 1898. She was converted and joined the Methodist church at the age of ten, and at the age of fourteen began teaching a class of beginners in the church school.

In 1921 she was married to J. L. Rumbo. Into this Christian home came two children, a daughter, Sara Lu, and a son, Noble.

On September 23, 1939, after an illness of several years, she passed to her Heavenly home. Funeral services were conducted by her pastor, Rev. A. D. Moore, assisted by the writer, in the Dixie Methodist church, near Tahoka, Texas. She is survived by her husband and children, her parents, Mr. and Mrs. J. D. Noble, and three brothers.

The life of Mrs. Rumbo was one of enthusiastic consecration to devoted service in the church which she loved. She was a musician, a natural leader, a worthy teacher, and joyously used all her talents in helping others. Her personality and insight into the meaning of life placed her in a position of highest regard among her many friends. We have lost a true friend, the church has lost a useful servant, but heaven has gained a new jewel.—Rev. Cecil R. Matthews.

ODDS AND ENDS

By: Ewe Eye the Elder
We ran across a little story in the school section of the Canyon News the other day that called attention to the fine service that is being rendered to underprivileged children in New York City by a former Tahoka girl.
We do not believe that this fine young woman would mind our saying that she was an underprivileged girl herself. But she was ambitious to achieve and to serve and took advantage of every opportunity offered to fit herself for service. And now she is serving in a fine way.

When this fine girl was yet in her teens, her mother died. Being an older girl in a family of seven or eight children, the responsibility of serving as a mother to the younger children fell upon her. She assumed this responsibility and performed the new duties thrust upon her bravely and nobly.

But the little farm home was heavily burdened with debt, and the rising tide of financial difficulties that mounted year by year soon swept it all away, leaving the father and the family utterly stranded. Her struggle to remain in school and to keep the younger children in school was truly heroic, but she succeeded, and she graduated in the Tahoka High School with high honors.

But—she had a consuming ambition to go to college. Through the generosity of a few good church women here, she was enabled to go for a time. Then a big-hearted lumber man, who lived elsewhere but had a yard here at the time, heard of her struggles and her ambition and he came to her rescue. He loaned her the money which enabled her to complete a four-years course at the West Texas State Teachers College at Canyon, where she again graduated with high honors. Her personality, her heroism, and her scholarship won for her a place on the faculty of the Canyon High School, and she taught there for a few years.

Then she took post-graduate work, we believe, in Columbia University, New York, and following her college days she found her field of service in that great city, helping underprivileged children and otherwise serving the younger members of her own sex. But we'll let the editor of the school column, The Eagle's Tale, in the Canyon News, tell you the story.

LOIS GOODRICH DESCRIBES CAMP LIFE

"I have just about two minutes to visit," said Miss Lois Goodrich, once English and journalism teacher of Canyon High School, as she chatted with former acquaintances last Friday.

Miss Goodrich is director of Life Girl's Camp which is sponsored by Life Magazine for underprivileged children of New York City.

Four months during the summer Miss Goodrich stays at camp. The girls have a new camp located in northwest New Jersey. There are 1,000 acres of mountains and trees and a 45-acre lake in the camp. There are neat buildings of log and stone. At camp, the girls are taught fishing, swimming, out-door cooking, and different sports. Various kinds of trips are made.

During the winter months Miss Goodrich stays in New York doing club work, and working in homes of the underprivileged. During her week ends and holidays, she takes groups to camp where they ski, ice skate, play hockey and other winter sports.

The base of education and Life Camp are doing a three year experiment to prove the value of camping in the field of education. Next year they will have a counselor and a training camp for adults out of college. Credit for the work may be had at New York University.

Miss Goodrich said she likes her

work, "But the best thing about it is coming home and seeing real American people. I'm very proud of The Eagle Tale and I am a consistent reader of it. The school is looking good, too."
Miss Goodrich started back to New York Monday after having been away a month.

Lois Goodrich has many friends in Tahoka. They are glad to know that she is serving in a way that will count through the years, possibly through the centuries.

And we are sure that those good women who helped her on the way, a bit have no regrets that they made the small sacrifice required.

And we'll bet that Lamar Forrester feels that the loans, he made to educate this struggling girl have brought richer returns, in satisfaction, than any other loan or any other investment he ever made in his life.

There are underprivileged children all around us, folks. In helping them, we might be helping to transform them into angels of light.

O that while we are helping the needy old folks with pensions we might find some practical and feasible way of helping the underprivileged children of this state.

SCOUTS ISSUE CALL FOR TOYS

A. R. Milliken, ASM, requests all persons having toys which have been cast aside, and which they no longer cherish, to phone him at Higginbotham-Bartlett Lumber yard, or see or phone W. A. Reddell, and a boy scout will be sent for them.

The scouts plan to mend all the toys they can find, and repaint them, so that they may be distributed among the poor at Christmas. There should be many who would like to contribute to this worthy cause.

METHODIST CHURCH NOTES

We enter the fall season with gratification and a spirit of thanksgiving to our Heavenly Father for the Conference year just closing. Sunday evening our Presiding Elder Dr. O. P. Clark will bring us the sermon and hear reports summarizing the accomplishments of the year so far as they can be put into statistics. You will want to hear these and also Dr. Clark.

This week Mr. John Donaldson and helpers are changing the floor plan of the basement so as to make it meet the needs of a growing group of children and youth. We expect to have each class in a room of its own and every teacher will have the advantage that privacy gives to the best teaching. We also hope to have a fellowship hall on the West that will care for all social gatherings. Visit the work and see the improvements that are being made. All of these physical improvements will fall of their purpose unless we rally our personnel to take advantage of them. With this in mind we urge all teachers to contact their pupils and prospective pupils and our visitors and members to make an special fall campaign for members.

Sunday morning we will preach on "A Man" and we invite especially the men of the church.—Geo. E. Turrentine.

HACKBERRY H. D. CLUB

"In refinishing furniture stain may be used on woods of inferior color and texture, on woods poorly matched or on those badly discolored or bleached" stated Miss Maurine McNatt, Home Demonstration Agent, at the Hackberry Home Demonstration Club met Friday, October 20, in the club room.

If a stain is desired use a penetrating oil. It may be lightened in color by adding to it a mixture of oil and turpentine, or a second coat will result in a darker color. Stain is always brushed on with the grain, using an even stroke allow it to stand on hard wood two or three minutes but less than that on soft wood. It is on etoain toain so it wood as it penetrates soft wood more quickly. Wipe the stain off with a cloth, across the grain first then with the grain. It should dry 24 hours or more after which rub smooth with sand paper.

DIXIE H. D. CLUB STUDIES REFINISHING FURNITURE

"Home made paint removers are quick-acting and cheap," said Miss McNatt, home agent at the meeting of the Dixie club October 19 at 2:30 with Mrs. A. L. Dunagan as hostess.

The disadvantage of a home made remover is that it is injurious to the hands, wood and fabrics, and is too hazardous to use on expensive furniture. However, it is good to use on woods which are solid. Following is a recipe for lye paste: Mix one cup of flour to two cups of water. Dissolve one-half cup lye in one cup water, add to flour mixture. This makes a thick paste which is a strong lye solution. Apply with a swab. Apply to a small area at a time, and allow to remain one minute only, then quickly remove the

Suffering Women Welcome "Build-Up"

A simple method is saving many women much pain and discomfort! It is based on the knowledge that women's headaches, nervousness, and cramp-like pain often are symptoms of functional dysmenorrhea due to a weak, run-down, under-nourished condition. That so many women find relief from these painful symptoms through the CARDUI "build-up" is easy to explain. By improving the appetite, assisting digestion and assimilation, CARDUI helps to build physical resistance against periodic pain. Thousands of women also report that CARDUI, taken just before and during "the time," helps to ease periodic pain.

FOOTBALL GAMES

(By William Hill)

TAHOKA LOSES TO KERMIT

Earl Adams was the outstanding man of the game last Friday night as Tahoka lost to Kermit 13 to 32.

Adams, one of Tahoka's best backfield men who has been ineligible to play up until last Friday night made the two most spectacular runs of the game. Once Adams took a punt and galloped 60 yards for a touchdown. The second time Adams circled around right end on a 40 yard run for another touchdown.

The Kermit High school, citizens and football boys treated the Tahoka boys to a real show of sportsmanship. The Kermit band played the Tahoka High school song as the boys ran out on the field. The pep squad also cheered for the Tahoka men when they left the field leaving a substitute in his place. The citizens and football fans would cheer the Bulldogs each time they made a good play.

Since it is so far to Kermit there were very few fans from Tahoka that attended the game, but the Tahoka boys claim they were never treated any nicer than they were Friday night.

Maybe Kermit will play us a return game here next year and we can show them the same spirit and sportsmanship.

Clifton Allgood and Meyers did the scoring for Kermit.

The Slaton Tigers put on a drive in the third quarter to win over Post 6 to 0.

Charles Austin carried the ball over from the six yard line for the touchdown.

The Brownfield Cubs won over Littlefield 25 to 6 last Friday night while six of Littlefield's regular men sat on the sidelines.

BULLDOGS READY FOR BROWNFIELD

The Bulldogs have gone through the toughest workout of the season this week preparing for their third conference game and also their home-coming game for the ex-students of Tahoka High and they say they are now ready for Brownfield.

Earl Adams becomes eligible just in the nick of time to take over the punting position as Joe Lehman our right half back and punter was injured in the Kermit game last week. However, we don't know whether Lehman will be kept on the bench all the game.

Max Minor, co-captain who has been out, will also be in the starting lineup as will co-captain Alvin White, Truman Hines, both playing line positions. It is still indefinite as to whether Gloyd Cloe will get to play in this game or not.

Earl Adams will be another strong threat against the Brownfield team. He is the second fastest man on the team and he can also punt and pass like nobodys business.

Duquesne, Tech's foe this weekend, ran over the nation's number 1 team, Pitt, 21 to 13.

Tech had better show some more power against Duquesne.

The Texas Tech Red Raiders show new power by beating the University of New Mexico 19 to 7.

Mr. and Mrs. A. J. Kaddatz had as their weekend guests: Otto Bielefeldt and family, Mrs. Lewis Degner, Mr. and Mrs. Albert Denger and baby, and Victor Degner, all of Malone, Hill county; also their daughter, Miss Claudine Estes of Lubbock. Mrs. Lewis Degner is a sister of Mr. Kaddatz, and Albert and Victor are his nephews.

Mr. and Mrs. Garland Edwards, Jake Leedy, and Mrs. L. E. Turrentine visited Mrs. Woodlock in Abilene over the weekend. Mrs. Woodlock will be remembered here as Miss Gosa Lee Thompson.

Mr. and Mrs. Alton Peak and son, Alton Herring, were weekend visitors in the home of Mr. and Mrs. Woodrow Walker. Mrs. Walker and Mrs. Peak are sisters.

REV. JOHN FERGUSON

REV. JOHN FERGUSON LEAVING GRASSLAND

After spending two years in Grassland and one in Tahoka, we are leaving for a few fields of labor to us.

This is not because we have anything against our good people in Grassland, or they against us, but we feel God would have us go, and we desire to be as Isaiah of old 'Here am I, send me.'

We are taking this opportunity of thanking our good friends for every act of kindness shown us. Our stay with you has been pleasant for us. Our good church has stood by us so nobly in caring for us in every way. We shall never forget them for their faithfulness to us.

Our district assembly meets next week in Amarillo. Sunday will close our assembly year; we will be preaching our farewell message.

A word to all our Grassland young people and children. Your lives have been sunshine to us, and as we close these lines we pause in the presence of our Lord and ask His blessings on every one. "God be with you till we meet again."

It would be unkind in us not to thank the good editor for being so good and kind to send us the Lynn County News, free, the best county paper we have ever read. Thanks, brother Hill—Your friend, John Ferguson, pastor Church of the Nazarene.
