Burglar Who Terrorized City Signs Confession To Crimes

Sheriff Recovers Stolen Articles

Frank King Jr., a negro boy who says he is nearly 17 years of age, has made a confession before District Attorney Truett Smith to a number of burglaries and thefts committed here the past year.

He is now in jail charged with these offenses and the cases will be investigated by the grand jury which meets here in September.

The boy's confession states that about the 15th of June last year he entered the Kirk Pitts residence early in the night while no one was at home and stole a man's watch, a woman's necklace ear bobs, a white gold ring with a diamond set, and locked the door as he went out. He had a door key with which he had unlocked the door to effect an entrance.

Frank also says that early at night on March 7, this year, he entered the "Shug" Edwards home through the front door, which was not locked, while no one was at home, and stole two wrist watches.

A month or two ago he found a car belonging to Mr. Nevels standing in front of the W. O. Robertson home one night, and took therefrom a silver-colored wrist watch and a woman's purse containing 75 cents in money, a smaller purse, and other articles.

One night last fall he went to the back steps of the Lenore M. Tunnell residence for the purpose of entering it but the lights were on and he decided not to enter.

Near the first of this year, he opened the glove pocket of a car parked in front of a house in north-west Tahoka and stole from it a box of 30-40 Craig shells or cartridges and a box of 22 rifle shells.

Sheriff B. L. Parker has recovered most of the stolen property, and the boy included in his confession statements as to the disposition of the rest of it.

Other people in town have reported evidence that some visitor was prowling around, and this boy probably committed other thefts which he has not revealed.

J. D. Donaldson Gets M. D. Degree

J. D. Donaldson Jr., son of Mr. and Mrs. John Donaldson of this city, was among the 92 graduates of the University of Texas School of Medicine at Galveston Friday night.

J. D. is strictly a Lynn county product, having been born and reared here. He graduated from Tahoka High School in 1931 and promptly entered Texas Tech, where he received his B. A. degree. He had been a student in the School of Medicine four years.

His father, John Donaldson, and his sister, Mrs. G. A. (Aubrey) Thom as and two daughters, Donna and Corine, of McAllen attended the graduating exercises, after which all came from Galveston to Denton for a brief visit with Mrs. Claude Donaldson, who is a patient in a hospital there, and from Denton they came on to Tahoka. Mrs. Thomas and children will remain here a month.

After visiting his parents here until July 1, J. D. will leave for Oklahoma City, where he will serve one year as an interne in St. Anthony Hospital.

Many friends here are congratulating him on having received his Medical degree.

Mrs. Mack Milliken of Ballenger is visiting her sister, Mrs. A. N. Beard. She also is a aunt of G. R. Milliken.

Tom Garrard May Re-enter Politics

In this issue of the News will be found a communication from Hon. Tom Garrard setting forth in a clear and forceful manner the troubled condition of the world and the manner in which it may affect the people of this nation and even of this district.

Having had experience as a district attorney in the Midland-Pecos district during the World War and in dealing with problems arising out of that conflict, and which may arise again all too soon, Mr. Garrard expresses a willingness to serve again in this capacity if the people of the district feel that his services may be needed.

Mr. Garrard is an able lawyer and was a most successful district attorney. He no doubt would make a record of which the people of the district would be proud if he should be called into the service again.

Completing Plans For New Library

Excellent progress is reported on the establishment of a public library for Lynn county, and the opening date will be set for some time within the next two or three weeks. The date will be announced in the News as soon as the time is set.

A librarian will be trained and paid by the WPA, and will stay in the library six days a week.

A large number of new books have been ordered and will be here by opening time. A local book-of-the-month club, the Phebe K. Warner club, and numerous individuals have contributed books, and many others will be procured next week through book teas to be held in practically every community in the county.

At a meeting last Friday, Mrs. G. M. Stewart was elected chairman of the general library committee. A committee for the purpose of securing a combined community center and library building will be chosen soon.

In Tahoka a book tea will be given in the home of Mrs. Lenore M. Tunnell, county superintendent, next Tuesday afternoon from 3:00 to 5:00 p. m., with the civic clubs of Tahoka acting as hostesses. Everyone is urged to attend and bring a book or the price of a book for the library.

Civic clubs who will sponsor this tea are the Phebe K. Warner club, who organized the movement, the Business and Professional Women's club, the Parent Teachers Association, the American Legion Auxiliary, and the Tahoka Home Demonstration club.

Softball Season Gets Under Way

The softball season opens Monday night, on the new diamond just northeast of the utilities plant.

The opening game is set for 8:15 with Gagnat Hardware meeting New Lynn's nine.

Large crowds attend these games each summer, and this year's schedule promises to be a hot one.

The season's schedule and the names of the teams to participate in the league will be announced next week, officials said.

Mrs. P. D. Server returned Saturday from Wilson where she had spent several days with her daughter, Mrs. Odie Best and family.

County Superintendent Lenore M. Tunnell and daughters Mary Margaret and Savannah Lou spent the week-end in San Antonio.

Local Red Cross Is Raising Funds

Without being able to give exact figures, Calloway Huffaker reports that from \$250.00 to \$300.00 has already been pledged and most of it paid in on Lynn county's quota for Red Cross funds for the refugees in the war-stricken nations of Europe.

Lynn county's quota has been fixed at \$880.00. In other words 880 men paying a dollar each would raise the desired amount. Some of the business concerns have contributed as high as \$25.00; others \$10.00 and smaller amounts. Many of the business men and most of the other citizens of the county have not been seen yet.

This fund is being raised by the Red Cross for the benefit of the hundreds of homeless, foodless, and ragged old men, women and children in Belgium and France, chiefly, whose homes have been destroyed by war and who have fled and are fleeing for their lives.

Nothing like the devastation and tragedy that has been wrought in these countries has ever before been seen in the history of the world. The dictates of humanity demand that we Americans, pursuing our daily occupations or driving about in our cars, hear the piteous cries of these helpless parents.

What will you give? Hand the amount to a member of this committee: Calloway Huffaker, Frank George, and W. T. Bovell of Tahoka, or other authorized Red Cross representatives, or turn the amount in to your bank, together with your name. Lynn county has always heretofore gone over the top in such a drive. Let's see that she does so again.

O'Donnell Farm Woman Dies

Funeral services for Mrs. Scott Gross, 27-year old O'Donnell woman who died Wednesday night, will be held Friday afternoon at 3 o'clock from the Church of the Nazarene. The Rev. B. W. Taylor, pastor, will be in officiate.

Services will be under the direction of the Higginbotham Funeral home of Lamesa.

Mrs. Gross had been ill for some time prior to her death, and following a paralytic stroke Wednesday, succumbed shortly afterward.

A member of a pioneer Lynn county family, Mrs. Gross is survived by her husband; a three-year old daughter; parents, Mr. and Mrs. J. W. Riggs; several brothers and sisters.

Burial will be made in the O'Donnell cemetery.

ARLEY E. MOORE

Elder Moore Will Tour Northwest

Elder Arley E. Moore and Mrs. Moore are planning to leave here next week for a stay of three months or more in the far Northwest, where Elder Moore will be engaged in Missionary work for his Church. The Church of Christ here and some individual members thereof, we understand, are sponsoring the work which he will do.

On the way out, Elder and Mrs. Moore will stop for a short time at (Continued on Back Page)

Mrs. W. L. Tuttle Fractures Leg

Mrs. Laura Tuttle, wife of W. L. Tuttle, residing near the southern limits of the city of Tahoka, suffered the fracture of both bones of the lower right leg about eight o'clock Thursday evening when she became entangled in a rope with which a calf was staked and was thrown violently to the ground.

She was undertaking to take the calf back to the pen when it ran around and encircled her with the rope.

She was brought immediately to the office of Dr. Prohl, who took x-ray pictures to determine the extent of the bone fractures and was administering first-aid treatment, as we were going to press, but he expressed the opinion that it would be necessary to take the patient on to a hospital.

The husband, W. L. Tuttle, was not at home at the time, having gone to San Angelo two weeks ago.

Max Minor Trains For National AAU

Max Minor came in Wednesday afternoon from Houston, where he has been in training. He and James Minor planned to return there this morning.

Max will enter the National AAU track meet at Fresno California.

Mr. and Mrs. T. E. Park spent the week-end in Lamesa in the home of their son Sam Park and family.

Showers Aid, But Good Rain Needed

Heavy showers visited various portions of the county this week, amounting to more than an inch in small localities.

In Tahoka the downpour Tuesday afternoon amounted to 1.10 inches which was increased to a total of 1.22 by a light shower which fell that night. At O'Donnell the precipitation measured 81 of an inch. O'Donnell and vicinity had received more than an inch a little more than a week before.

The rain here became lighter in every direction from town, extending only five or six miles north and south and only a very short distance east and west of the city.

Besides the rain at O'Donnell, a half inch is reported at Midway and Redwine and an inch at Draw. Some of the lakes contain much water.

Other showers that have visited other parts of the county recently have been sufficient in much of the territory to bring up the crops. Some of the cotton has not yet been planted, however, and some is being planted this week.

Much feed is up and looking nice.

Large Crowd At Benefit Dance

The Phebe K. Warner club and the Business and Professional Women's club were joint sponsors of a hill-billy dance at the Sales Roller Rink Wednesday night. A large crowd attended the affair, and prizes were awarded Mr. and Mrs. Clem Olliespie for the most unique costumes. Folk and Square dances were interspersed with modern string music, with Ross Edwards orchestra playing.

Net proceeds of the dance after all bills were paid was \$86.70, most of which will be added to the library fund, to be used to buy books for the Public Free Library for Lynn county which will be opened soon.

Marvin Jones Withdraws

Just as our forms were about to close Thursday night, the news came over the radio that Marvin Jones, congressman from the eighth district, had announced his withdrawal from the race. He had announced Monday that he had decided to run again, upon the request of President Roosevelt.

News of his withdrawal came after another story about his re-entry into the race had been printed on another page of this paper.

Twelve other men who had announced for the position doubtless have been feeling much more comfortable since Thursday night.

M. P. Clinton, near the old school building has been ill for some time, having spent one week in a Lubbock hospital.

Battle of the Ages Being Fought in France

Probably the most momentous battle of all time is now being fought by the French and German armies in northern France.

Latest reports at the time of going to press Thursday night indicated that the French line of defense was holding and that the German army apparently was gaining little ground.

If this is a true picture of the situation, it is the most heartening news sympathizers of the Allies throughout the world have received in several weeks.

While the Germans claim advances all along the front, apparently reliable reports seem to indicate that they have made no important gains. Whenever and where-

ever the German tanks have broken through the French front lines they have been encircled by French "75's" and destroyed by French anti-tank guns.

Instead of being bewildered and stampeded by the fierce German onslaughts, as the French and Belgians were in Belgium the French seem to have kept their heads and their courage, and the new tactics being employed by the French Commander Maxime Weygand seems to be proving effective thus far. Of course there may be a different story to tell tomorrow, for nobody knows what a few hours may bring forth.

It is said that 2,000,000 men are engaged in this conflict, and the war experts seem to be agreed that the

decisive battle of the war is being fought.

If the Germans should fail to effectively break through the French lines and should be hurled back, it is believed that they will have lost the war, for time is on the side of the Allies, and it is not believed that the Germans can keep up their terrific offensive warfare indefinitely.

On the other hand, if they should break through the French lines and march on into Paris, there would seem to be no further hope for the French. Apparently this is one of the most momentous conflicts of history. As Premier Reynaud of France has expressed it, "This battle of June, 1940, may decide the fall of the world for hundreds of years".

Farmers Urged To Bring Stock

Tahoka's second public auction sale, sponsored by the merchants of Tahoka and conducted by Col. Talmus Eowden, will be staged here next Monday, beginning at 1:30 P. M., on the vacant block west of the Higginbotham-Bartlett Lumber yard.

Sales will be cried by Col. Talmus Bowden and Col. Glasson. The business men of Tahoka invite the farmers to come into town early on that day and to bring along the wife and the children. Also they are urged to bring along anything that they may wish to sell, as it may be sold to the highest bidder at public auction free of charge to the owner. The business men are paying the auctioneer.

Col. Bowden also urges that the people take advantage of this opportunity offered them by Tahoka's business men. "Why take your live stock or other property to a commission salesman when you can get it done free of charge?" he asks.

"Through this auction sale, you are afforded a home market for your stuff and you keep your money in your own community. At the same time we assure you the highest dollar for your stuff."

Col. Bowden was well pleased with the size of the crowd that attended his first sale, which was held on the second Monday in last month, but he says he expects a much larger crowd here next Monday. He urges that the farmers of Lynn county not only take advantage of this sale but that they also patronize the business men who are paying the expenses and making the sale possible.

Come in and enjoy the day next Monday whether you wish to buy or sell anything or not.

A. M. Roberts Is Buried Wednesday

A. M. Roberts, father of Mrs. Paul Howell and former citizen of Tahoka, died suddenly from a heart attack at the home of a daughter, Mrs. Mary Davis in Southland, at one o'clock P. M. last Sunday, June 2.

Funeral services were conducted from the Baptist Church here at 4 o'clock Wednesday afternoon with Rev. H. W. Foust of Southland officiating, assisted by Rev. Cogins of Southland and Rev. George A. Dale of the Tahoka Baptist Church.

Burial was in the Tahoka cemetery under the direction of the Harris Funeral home.

Deceased left surviving him three sons and two daughters, his wife having died several years ago. The sons are T. A. Roberts of Los Angeles, California, W. E. Roberts of San Saba, Texas, and C. A. Roberts of Bakersfield, California. The daughters are Mrs. Maye Davis of Southland and Mrs. Paul Howell of Tahoka.

Mr. Roberts had long been a member of the Baptist Church and of the Odd Fellows fraternity, and a number of Odd Fellows in their official regalia were present to do honor to their departed brother.

Mr. Archie Mack Roberts was a native of Mississippi, having been born in that state on January 16, 1866. He was therefore 74 years of age.

He was married to Miss Lula Fern at Eastland on December 15, 1890. He and wife came from Sweetwater to Lynn county in April, 1929. Since the death of his wife, he had been living among his children.

He had been a devoted husband and father, a good citizen, and a Christian gentleman, and therefore enjoyed the friendship and confidence of all with whom he came in close contact.

The News joins in expressions of sincere condolence to Mrs. Howell and other members of the family.

D. F. and Miss Anita Reddell are home from Texas Tech, where they have been in school.

Former Citizen In the Limelight At Galveston

John Donaldson, who recently attended the graduation exercises of the U. of T. School of Medicine in Galveston, where his son J. D. Jr. was a member of the class, tells of meeting with an old Lynn county boy who has been making good in the city.

Lloyd Goodrich, son of S. B. Goodrich, who lived here about ten or twelve years ago, is now a candidate for sheriff of Galveston county, and Mr. Donaldson accidentally ran into him on a ferry between Galveston and Point Bolivar.

Goodrich recently was chief of police of Galveston but got "thrown out" of office a few months ago. In fact, the former Tahoka school student is the man who was responsible for the clean-up drive in that coast city about a year ago, when gambling houses, "honky-tonks", and other places of questionable value to a town were closed up in wholesale lots. Goodrich during his one year term as chief of police is said to have almost single handedly been responsible for sending thirty men to the penitentiary for such crookedness.

Galveston, it is said, is full of racketeers, corruption and graft, and due to their political pressure Goodrich was soon out of a job. Prior to his going to Galveston, he was in the U. S. government service at Brownsville.

Another member of the Goodrich family, Miss Lois, a graduate of Tahoka High, has also achieved success in life. Under the greatest of handicaps, this young lady managed to secure her high school and college education, make a great success as a teacher, and is now director of Life camps in New York state. The camp is maintained by Life Magazine and attended annually by several thousand New York City girls who would not otherwise have opportunity to take a vacation or to visit in the scenic mountain country where the camp is located.

ASSEMBLY OF GOD REVIVAL

A series of Evangelistic Services for Young people running from Wednesday night through Sunday night was conducted by Bro. W. E. Owens, '3 son of Pastor and Mrs. W. E. Owens, last week. Rev. Winford Brooks of Levelland, Rev. C. G. Roper of New Home and other visitors participated in the Saturday and Sunday services.

Though but 18 years of age Bobbie (R. M.) Owens is actively engaged in evangelistic work being stationed at Floydada until recently. From here he will go to Big Spring where he will be in charge of the work during the time their pastor is away this summer.

EASTERN STAR INSTALLATION

All members of the Tahoka Chapter O. E. S. are urged to attend the stated meeting of the Chapter tonight. Present officers will close their year and new officers will be installed.

Mrs. Mille Hill has charge of the Installation this year and Mrs. Edith Cramer, of Slaton, former District Deputy Grand Matron will be installing officer.

W. G. SPRUIELL CAPTURES OWL BARE-HANDED

W. G. Spruiell, son of R. D. Spruiell, living seven miles west of Tahoka, was in town Tuesday with a big baby owl which he had captured Sunday near the Newt Barham place and is undertaking to raise as a pet. W. G. discovered the bird sitting in a bar ditch and caught it with his hands. It looks as large as a full grown owl but seems almost helpless.

Mrs. W. C. Mathis Jr. and son are here from Levelland visiting her parents, Mr. and Mrs. G. R. Milliken.

Vegetable Laxative Makes Happy Friends

Here's a laxative that usually acts thoroughly as harsher ones but is a gentle persuader for intestines when used this way: A quarter to a half-teaspoonful of spicy, aromatic BLACK-DRAUGHT on your tongue tonight; a drink of water. There's usually time for a good night's rest, with a gentle, thorough action next morning relieving constipation's headaches, biliousness, sour stomach, bad breath.

BLACK-DRAUGHT is a splendid combination of vegetable ingredients, chief of which is an "intestinal tonic-laxative" that helps impart tone to lazy bowel muscles. It's economical. 25 to 40 doses: 25c.

RELIGIOUS DEBATE AT GRASSLAND ANNOUNCED

A religious debate between Elder H. G. Richards representing the Primitive Baptists and Elder Guy N. Woods representing the Church of Christ has been arranged to take place in the Church of Christ house of worship at Grassland on Monday, Tuesday, and Wednesday nights, July 29, 30, 31, according to E. S. Brown of the Grassland Church.

The propositions for debate are as follows:

The Scriptures teach that God gives Eternal Life to alien sinners without the performance of any conditions on the sinner's part.

H. G. Richards affirms: Guy N. Woods denies.

The Scriptures teach that Faith, Repentance, and Baptism are conditions of salvation to an alien sinner (That is, in order to become a child of God).

Guy N. Woods affirms; H. G. Richards denies.

Alexander Tells Of Earthquake

Tommy Alexander, son of Mr. and Mrs. Fred Alexander, wrote his parents recently telling them of panic and destruction caused by the earthquake at Yuma, Arizona, the evening of May 18.

Tommy is in a CCC camp at that city. Late in the afternoon of May 18, he and his girl went to the theatre, and had just come out of the show when the trembles began at 8:36 p. m. The girl he was with fainted on the sidewalk, and Tommy picked her up and carried her to the middle of the street.

He says the quake did much damage to buildings, broke dishes and the like in houses, and left crevices in the earth as large as three or four feet across and two or three hundred yards long.

Tommy's term of service in the CCC ends with this month, and he expects to return to his home here.

Garrard Is Host To Federal Officers

Judge T. Whitfield Davidson, Judge of the Federal Court for the Western District of Texas, and a party of court attaches and others were the guests of Hon. and Mrs. Tom Garrard at a dinner served in the City Park here last Thursday evening at seven o'clock.

Possibly fifty or seventy-five Tahoka people were also present to greet these visitors as were also a few from O'Donnell and Wilson.

The Lubbock party, besides Judge Davidson, consisted of George R. Parker, clerk of the court; Miss Jessie Maddux, deputy clerk; Mrs. Lorraine Fagan, secretary to the district attorney; Mrs. Mattie Hoppe, private secretary to Judge Davidson; and Mr. Fagan, court reporter; all of Dallas; and Elmer Reed, deputy U. S. Marshal; Mrs. Olive Finkle, assistant U. S. district clerk; Miss Brooks, assistant home demonstration agent of Lub-

bock county; and Mrs. Bledsoe, widow of the late Senator W. H. Bledsoe; all of Lubbock.

Among out of town people here for the occasion were Mr. and Mrs. Charles Cathey, Mr. and Mrs. Marshall Whitsett, and Mr. and Mrs. Thurman Wells of O'Donnell, and Mr. and Mrs. H. G. Cook of Wilson.

A typical cowboy dinner consisting of hot dogs, beans, coffee and cold drinks were served by Mrs. Tom Garrard, assisted by Mrs. Fenner Tubbs of Lubbock, Mrs. Leroy Knight, and Miss Robbie Milliken.

Following the dinner, the Lubbock party, a number of Tahoka friends and others of the out-of-town visitors were invited to the home of Mr. and Mrs. Garrard for a bridge party.

Mrs. Cornelia Kelly left Tuesday to visit for some time with a daughter.

Hon. Tom Garrard Discusses Conditions Threatening The United States Today

TO THE PEOPLE OF THE 106TH JUDICIAL DISTRICT:

I have no patience with a pessimist and less with a calamity howler and have never indulged to a great extent in either vice, if such be a vice, but my deliberate opinion is that the American Union and the liberty of the American people is in greater danger at this time than ever before in our national existence. Events in Europe of the past thirty days have put the civilized world to speculating where the lightning will strike next.

The three great democracies of the world today are France, England and the United States of America. There are four major dictator nations in the world today. On the battlefields of Europe there is being waged a colossal struggle between two of the great democracies and dictator states, with apparently the democracies in danger of being completely destroyed, or seriously crippled.

The Press carries the statement today that the German government says it will destroy both France and England. In today's paper also Winston Churchill, England's Prime Minister, is reported to have told the English house of Commons that the allies, to-wit, France and England, had lost a colossal conflict in the battle of Flanders. He made the significant statement that "if the worst should come to the British Isles, or England, as we know it, that the government would move to some of the British possessions and continue it alone. He further stated that England could not at this time give to France the aid that France needed in what seems to be another threatened colossal drive by the German army, and the further statement that the French army in the Battle of Flanders had been greatly weakened by loss of many hundreds of thousands of men. Apparently, from this bold statement of Winston Churchill to the House of Commons, he admits that both England and France are in a bad way, and it is apparently in his mind that France may be overrun in a short time and

England have to continue the battle alone. It also is apparently in his mind that the British Isles, or England itself, may suffer the same fate as is threatening France, and that the British government would have to move to Canada or to some other British possession. If the worst should come to France and England, the United States of America is the only democracy left with any great power and influence and is the only power that might be in the way of dictator nations.

To me the danger to the freedom of our people and of our nation seems imminent and present. We have only to recall that since the drive started upon the French and English on the 10th day of May, there have appeared along the oil fields and other places of West Texas numerous groups of people parading under the screen of religion who refuse to respect our national emblem, and it is significant that this religious propaganda would start along about the time of the drive of the dictator armies in Europe. There may be nothing to our fears in this regard, but it seems significant.

I am apprehensive that our nation is unprepared to defend itself at this time if a major invasion should be made or attempted. It is also a generally conceded fact that propagandists, saboteurs, fifth column activities and spies have been as great a force on the battlefields of Europe as the soldier carrying a gun. I think it is safe to say that propagandists, fifth column activities and spies are at work in our own state, nation, district and county on a large scale. It has been only a short time since the governor of Texas sent a committee to Washington City to report to the President un-American activities within our own state.

It occurs to me that it is high time

that our citizenship, from the humblest to the most high, consecrate himself to the preservation of the American nation and American liberties, and that our government from the top to the bottom be placed in the hands of most able, experienced and capable officials. Events transpiring within our own judicial district in the past two weeks should convince us all that subversive interests are busy within the shadow of our own homes.

I would like to do something for my State and my District. I was District Attorney over twelve large West Texas counties during the last World War, and as such became acquainted with the manner in which our enemies acted.

This week I made application to have my name placed on the ticket for the democratic primaries for nomination to the office of District Attorney of the 106th Judicial District.

I have been on the South Plains of Texas nearly thirty-four years and have been practicing law on the South Plains of Texas for twenty-six years, six years of which I served as District Attorney and two years as Assistant Attorney General for the Court of Criminal Appeals, and I have tried cases in approximately fifty counties in West Texas. I want

to serve my State in what, I believe, is a period of danger, or threatened danger. I feel like I am better equipped for service at this time as District Attorney of this District than any other capacity, and that my age, experience and long residence in this section of the state has equipped me to be of valuable service to my people. I have not yet announced for District Attorney in the papers, and if I do announce, it will be solely upon the basis of service to my people in a time of apparent danger to our liberties and existence as a nation.

If the people of this district after reading this letter, think I can be of service in the capacity stated and respond in any appreciable degree to my candidacy I shall then announce and carry the campaign through. If not I will ask that my name be taken from the ticket and drop the matter where it is.—Yours sincerely Tom Garrard.

NOTICE TO THE PUBLIC
Any erroneous reflection upon the
reputation or standing of any indi-
vidual, firm or corporation, that
may appear in the columns of The
News will be gladly corrected when
called to our attention.

After we had written the editorial
appearing in this paper admonish-
ing people not to indulge in idle
gossip nor to spread slanderous
statements respecting the loyalty of
any citizen, we noted that Governor
Lee O'Daniel had said practically
the same thing in his radio address
Sunday. This is not the first time
we have agreed with the Governor.
Brother Drennon should take note.

Communists in convention as-
sembled in Madison Square Garden
Sunday nominated that self-con-
fessed swindler Earl Browder of
Kansas for President of the United
States. They disgraced an Alabama
Negro, James W. Ford, by placing
his name on the ticket with Brow-
der as a candidate for Vice Presi-
dent.

Our impression is that members of
that religious sect who have visited
various towns in Texas, undertaking
to distribute pacifist literature, urg-
ing allegiance to no man-made form
of government, and refusing to sal-
ute the flag when called upon to
do so, are mere religious fanatics. It
is barely possible that they are being
inspired by foreign subversive in-
fluences but we doubt it. Since we
are not at war with any country at
this time, we doubt the propriety or
the right of officers to throw them
into jail. At the same time, federal
officers or other federal agents should
investigate the source and the purpose
of their propaganda and thereafter
take such legal action as may be
necessary and proper. We should be
careful, however, to safeguard the
rights of every person, especially the
ignorant, Congress should enact
such laws however as would make it
an offense for any person even in
time of peace to teach resistance to
our constitution and laws in the
event of war.

Our people should realize that
communism and nazism are alike un-
American. Each would destroy our
form of government and take away
from individual citizens all those per-
sonal rights which we hold sacred.
Each would destroy government of
the people, for the people, and by
the people, and in practice would set
up a government by dictator. When
an American citizen cries "Hell Hil-
ler!" he is exhibiting just as much
disloyalty to this government as the
man who cries "Hurrah for Stalin!"
And the man who raises the swastika
is just as disloyal as the man who
raises the red flag of Russia. The
man in this country who raises the
Red Flag and spels for Stalin
should hike back to Russia where he
belongs. And the man who raises the
swastika and "Hells" for Hitler
should hurry back to Germany where
his heart is. This is not fanaticism;
this is Americanism.

As a general rule, no loyal citizen
of this country of foreign birth or
extraction need have any fear of be-
ing harmed or molested by this gov-
ernment or by the people of his own
community. As long as a citizen
makes this country and her flag
first in his devotion, he will have the
respect of his fellow-men and the
protection of this government. It is
the man who by word or deed indi-
cates that he is more loyal to some
other flag and more devoted to some
other form of government than he
is to our own who arouses the sus-
picion and the ire of the loyal citi-
zens of this country. It is true that
in such times as these it is easy for
some designing person to start a
slander against a perfectly loyal citi-
zen and thus do him great injury.
Our people should be slow, therefore
to spread gossip or unconfirmed ru-

Odds and Ends See Eye, the Elder

It is both strange and interesting
how comparatively unimportant and
even trivial events can change the
trend of history.

Just a chance visit, or a move into
a new community, or an unexpected
meeting with a stranger, the glance
of an eye, the lure of a smile, the
tone of a friendly voice, any of these
things may determine who a man's
wife is to be, and of the marriage a
child may be born who will sway
senates or build an empire.

Almost any of us perhaps can con-
jure up from the recesses of mem-
ory a trivial event that has had im-
portant consequences, important at
least to the individuals concerned and
to the local community.

A striking illustration of what we
have been saying was brought to our
attention by Judge T. Whitfield Dav-
idson of the federal judiciary who
was the guest of Hon. and Mrs. Tom
Garrard and other friends at the
City Park here on Thursday evening
of last week.

Some one recalled that he and
Lynch Davidson had been candidates
for governor of Texas at the same
election a number of years ago.

"Yes, and if either one of us had
been out of the race, the other prob-
ably would have led in the first pri-
mary by a heavy plurality and
doubtless would have been elected
governor, the Judge observed, all of
which is obviously true.

Each received a heavy vote in the
first primary but both were elimi-
nated. Felix Robertson and Mrs.
Ferguson were left to fight it out in
the run-off, and Ma won.

During her administration, the
granting of pardons and the award-
ing of highway contracts through
the influence of her husband, James
E. Ferguson, became the subjects of
general and bitter criticism. Dan
Moody, the able young attorney-gen-
eral of the state, ran against her for
a second term and was elected by an
overwhelming majority.

After serving two terms, Moody's
friend, Ross Sterling, head of the
state highway department, fell heir
to the throne. But at the end of his
first term, he was defeated by Ma
Ferguson, who became governor a-
gain.

Following her came James V. All-
red for two terms and then our pres-
ent governor, Lee O'Daniel.

Had Lynch Davidson not been in
the race in the first primary elec-
tion in 1924, Whit Davidson prob-
ably would have been nominated in
the run-off, and vice versa, for either
of them could have defeated either
Felix D. Robertson, the Ku Klux

members about the alleged disloyalty of
some one else. We should be sure of
our facts before we speak, and it
would be better even then to speak
to some officer of the government
rather than to our neighbors. We be-
lieve that our government is the
most just in the world and our people
the most fair and considerate when
they know the facts.

Most of the cities and larger
towns in Texas as well as small
towns near which oil fields have
been developed have shown nor-
mal growth during the past
ten years. Some of them have
shown phenomenal growth.
On the other hand, most of
the small towns throughout the
state have shown a decrease in popu-
lation, especially those depending
chiefly upon agriculture for their
support. Business men generally will
attribute this decrease probably to
two main causes: the building of
good roads and the development of
tractor farming. Good roads, how-
ever, may not militate against the
small towns in every instance in favor
of the larger ones. One good road
may do so but the more good roads
a town has leading into it, the bet-
ter it is for that town. While Tahoka
must depend almost entirely on the
products of the farm and the ranch
for its support, it has shown a
healthy increase in population the
past ten years and has likewise
shown much material progress. What
we need most now is an improved
highway from Tahoka to Slaton as
well as many improved farm-to-
market roads.

candidate, or Mrs. Miriam A. Fer-
guson, wife of the then discredited
James E. Ferguson, who had been
impeached and driven from office a
few years theretofore.

In that event, the whole guberna-
torial history of our state from that
day to this might have been changed.
The fact that two men, not related
but bearing the same name, ran for
the same office at the same time,
both consequently defeated, is pri-
marily responsible for our entire
subsequent gubernatorial history.

We have in mind another striking
example. In 1827, a young man
named Sam Houston, a zealous fol-
lower of Andrew Jackson, had been
elected governor of Tennessee. Short-
ly after his election he was married
to a fine young woman, a member
of one of the leading families of that
state. But for some reason their
marital boat did not sail over smooth
seas. Governor Houston suddenly re-
signed his office and fled to the
Indian country to the west, where
for a few years he dwelt with the In-
dians. Then he moved to Texas just
as trouble with Mexico was about
to come to a head. He soon gained a
place of leadership among the Tex-
ans, and when the Revolution broke
out he was made commander-in-
chief of the Texas forces. It was un-
doubtedly his military genius that
saved the Texas army from defeat
and destruction and won a decisive
victory at San Jacinto. Thus Texas
gained her independence of Mexico
and eventually became a state in this
great American Union.

What if Houston had never come
to Texas? What if he and his wife
had sailed peacefully on untroubled
marital seas? What would have been
our history? Nobody knows; but evi-
dently it would have been far differ-
ent from what it has been.

In 1755, when the French and the
British were striving with each other
for mastery on the North American
continent, a Virginia youth, 23
years of age, enlisted as a colonel
under General Braddock, who was
about to lead an attack on the
French at Fort Duquesne. In the at-
tack, General Braddock was mortally
wounded and the young colonel had
two horses shot under him and four
bullet holes were shot in his coat.

What if those bullets had hit the
mark and George Washington like
his superior had been killed?

Or what if he had been defeated
at Trenton or at Princeton in the
Revolutionary war?
In either event, the whole history
of this country would have been
changed. We might have remained
subjects of Great Britain for many
years. With a more tolerant and
friendly attitude on the part of the
Mother Country, we might even yet
be flying the Union Jack instead of
the Stars and Stripes, as Canada is
doing.

Going back a little further, what
if Columbus had failed?
For seven years he had importuned
the king and queen of Spain to
finance a voyage which he longed to
make out upon the unknown seas in
search of a shorter route to India,
Cathay, and Cipango. With his little
son Diego he followed the king and
queen from city to city. People
laughed at his crazy notions about
the earth being round. The Spanish

rulers persistently refused to listen
to his appeals.

Finally he decided to leave Spain
and turn to France. Impoverished
and weary, he stopped on the way at
a convent to rest. There he met a
stranger who listened with attentive
and eager ears to his reasoning to
the effect that the earth must be
round and that by sailing west the
shores of these far eastern countries
might in time be reached. This
stranger was a priest, John Perez, and
he had been the confessor of Queen
Isabella herself. He fired a letter to
the Queen which arrested her atten-
tion. She sent for Columbus to come
back for a further interview. All the
world knows the rest.

What if Columbus had not met up
with that priest?

Or what if his dispirited, fear-
stricken men on the long voyage
westward had mutinied as they
threatened to do, and had compell-
ed Columbus to turn back or had
thrown him overboard.

Well, in that event, it might have
been a century, yea several centur-
ies, before the discovery of the land
we call America.

In the long ago there was a man
who with his family lived on the west
banks of the Euphrates. He got the
western fever. Yielding to the urge to
go west he moved several hundred
miles up the river and settled at a
place called Haran. One of the sons,
at the age of 75, heard and heeded a
Divine call to go farther westward.
Suppose Abram had not heeded the
call? Or, forgetting that God was
gauding his life, suppose that he
had sickened and died before reach-
ing the land of Canaan. Would there
ever have been a Jewish race? Would
there ever have been a Joseph? A
David? A Moses? A Daniel? An
Isalah? A Paul? What would have
been the history of the world?

Or suppose that little babe out in
the ark among the bulrushes in the
River Nile had been discovered by an
enemy. Or suppose the little waif
should have contracted a fever and
died. Or suppose that after he
grew up he had been killed by that
Egyptian, or by Pharaoh
who sought his life, or suppose
he had perished out in the des-
ert. There would have been no
Ten Commandments and no Bible,
unless God had devised other means
of getting his message over the
world.

We could go on ad infinitum
But this is enough to make our

**CLINTONS VISIT IN
SOUTH TEXAS**

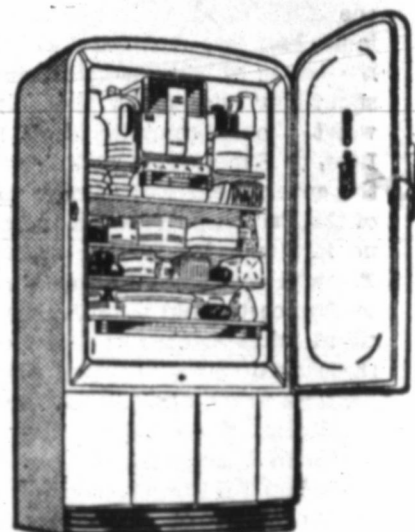

Mr. and Mrs. W. T. Clinton return-
ed from Rosenberg Saturday night,
where they had been to visit their
daughter, Mrs. R. A. Daws, and
family.

From Rosenberg they took a side
trip to Houston and the San Jacinto

visited their old home town, Slaton.
They had left here on Tuesday
of last week.

Belatedly we note that Mr. and
Mrs. J. H. Edwards, now of Austin,
are visiting relatives here. Always
interested in politics, J. H. keeps in
close touch with the political situa-

MRS. WOOSLEY ENTERTAINS BAPTIST T. E. L. CLASS

The T. E. L. Sunday School class of the First Baptist Church met Tuesday in the home of Mrs. J. K. Woosley for their regular business and social hour.

Mrs. Riddle brought a fine devotional, and in the business session our plans and aims for the month were discussed. Four members who recently had birthdays were remembered with gifts.

A fancy plate of iced drinks and cookies was served to the following: Mesdames J. L. Nevill, Akin, C. C. Barnes, J. L. Reese, Doss, Alec Riddle, Hancock, E. N. Weathers, J. R. McIntyre, A. J. Edwards, C. T. Oliver, P. Coleman; visitors, Mrs. J. H. Edwards of Austin, Mrs. H. W. Calaway of Draw, Mrs. Henry Heck and Mrs. Morrow of New Home; and the hostess, Mrs. Woosley.

The next meeting will be with Mrs. J. L. Nevill.

Claude Donaldson returned to Tahoka Tuesday from the bedside of his wife, who is recuperating in the home of her brother, Dr. H. E. Roberts of Denton, following major surgery in a Denton hospital. She expects to be able to return home in the next few days, Mr. Donaldson reports. Her daughter, Jane, developed a case of the measles but is recovering too.

RANDOLPH-RATLIFF WEDDING

Miss Floriene Ratliff, daughter of Mr. and Mrs. J. R. F. Ratliff of New Home, became the bride of Wallace Randolph of Lubbock, son of Mr. and Mrs. R. D. Randolph of New Home, in a single ring ceremony read by Rev. E. J. Cobb at the New Home Baptist Church Sunday, June 2, at 12 o'clock noon.

The bride, dressed in a sheer navy dress with pink accessories, carrying a bouquet of pink rosebuds and pink and white carnations, was given in marriage by her father.

Miss Martha Marie Lane of Sudan, college friend of the bride, served as maid of honor. She wore a pink Swiss organdy dress and carried a bouquet of pink gladiolas. Mrs. Lloyd Mears, younger sister of the bride, was bride's maid. She wore a pink crepe dress with white accessories and carried a bouquet of larkspur.

The flower girls were also dressed in pink. They were little Greta Ann Heck, Loveta Izard, and Lavoy Stricklin, and carried dainty arm corsages. Junior Ratliff, brother of the bride was ring bearer.

The groom was attended by Floyd Heck of Wilson as best man. Ushers were Roy Randolph, brother of the groom, and Lloyd Mears.

Preceding the ceremony, Miss Lane sang "Ah, Sweet Mystery of Life," and Boswell Edwards sang "I Love You Truly." They were accompanied at the piano by Mrs. Henry Heck, who played the wedding marches.

The altar was banked with greenery and decorated with cut roses.

Mrs. Randolph is a former student of Texas Tech, and Mr. Randolph is a junior in Texas Tech now. The couple will make their home in Lubbock, where they will resume their studies at the college.

After the wedding a reception was held at the home of the bride's parents. Out of town guests were Mrs. Delmas Stricklin of Meadow, Miss Martha Marie Lane of Sudan, Miss Georgia Macha and Floyd Heck of Wilson.—Contributed.

HAVE PLEASANT VISIT IN ARKANSAS

Mr. and Mrs. H. A. Winkler and son R. L. and Mr. and Mrs. Jack Vall returned a week ago from Mena, Arkansas, where they had spent a week visiting two other sons, Tom and H. A. Jr., and their families.

Mr. Winkler says that while there they drove around and saw much wonderful scenery. The Skyline Drive was one of the most scenic points visited.

Too much rain had fallen all the way from Texarkana to Wichita Falls for the good of the crops. Both the cotton and the corn crops were very backward, he stated.

TO THE GOOD CITIZENS OF LYNN COUNTY

Due to fifth column activities of many persons throughout the United States, it is quite necessary to check up on strangers in our midst in order to keep down dis-loyal, and un-American sentiment and to prevent any person being disrespectful of the flag of our country. I respectfully urge that reports of any such un-American activities be brought to the attention of the proper authorities, so that justice may be dealt out to the offenders.—Rustin McCord, County Attorney, Lynn County, Texas

Mrs. Minnie Fender and two sons, Thomas and Noel, left Sunday in Company with her daughter, Mrs. Claude Kennett, who had been visiting here, to spend a few days in the latter's home in Amarillo.

Mrs. John Donaldson, who has been in bed about four weeks with a fractured pelvic bone, the injury having been received in a fall, is reported improving.

Miss Gertrude Bulman returned home Saturday to spend the summer with her parents, Mr. and Mrs. Henry Bulman. She has been attending Texas State College for Women at Denton.

Wade Howell has accepted part-time employment with Mack's Food Store in Lubbock while attending the summer school of the Texas Technological College.

Miss Mildred Cox is home from Denton, where she has been attending North Texas State Teachers College.

J. C. Womack, who has been attending Texas Tech, is home to spend the vacation with the Garland Penningtons.

Mr. and Mrs. Andrew Cooper and little son James of Brownfield spent Sunday here visiting his parents, Mr. and Mrs. E. J. Cooper, and other relatives.

ANSWERS

1. b. leave the clutch in and apply the brakes carefully. When driving on slippery roads you should always drive at a speed which makes braking unnecessary. If you must stop or slow down, do so gradually, touching the brakes lightly and intermittently, and always keeping the car in gear.

2. b. in the direction you are skidding. Your object is to "straighten out" the car and this is the way to do it. Be careful, however, not to turn the steering wheel too far. As the car straightens out, you should again straighten out the front wheels.

3. b. slow down and cross at as wide an angle as possible. Trying to cross tracks or ruts from a parallel position is almost certain to cause a dangerous skid.

1. Quit your skidding and give us the correct answer to this one: If your car starts to skid on a wet or icy pavement the best thing to do is to — (a) throw out the clutch and apply the brakes sharply. (b) leave the clutch in and apply the brakes carefully. (c) throw out the clutch and apply the brakes carefully. (d) shift into second gear and apply the hand brake.
2. If, in spite of your precautions, you do go into a skid, you will keep cool, keep a firm grip on the wheel, and steer — (a) straight ahead. (b) in the direction you are skidding. (c) in the direction opposite to that in which you are skidding.
3. You'll find that only one of these methods will enable you to cross slippery street car tracks or icy ruts without difficulty — (a) ease into the tracks or ruts, then speed up and gradually work your wheels out on the other side. (b) slow down and cross at as wide an angle as possible. (c) slow down and cross in as nearly a parallel position as possible.

"I have a rendezvous with Death At some disputed barricade, When Spring comes back with rustling shade And apple-blossoms fill the air—

God knows 'twere better to be deep Piled up in silk But I've a rendezvous with Death . . . I shall not fail that rendezvous." —Alan Seeger

"If you break faith with us who die, We shall not sleep, though poppies grow In Flanders fields." —John McCrae

These bits of sentiment from soldiers who died in the last war are an accusation to the world today of its failure to prevent another and greater disaster. How vainly they died is told in today's headlines.

McCrae we all know. A physician in Canada, he served in that capacity during the war, and witnessed a thousandfold the death and suffering of his fellowmen, dying in 1919 of pneumonia contracted in service. Seeger, an American, did not wait until the U. S. entered the war, but joined up with the Foreign Legion of France in the beginning, fighting for what he believed a worthy cause. The presence of death was always with him and it was a premonition of what was to come that caused him to write his famous poem. He did not live to bask in his fame, for on the night of July 4, 1916 he was mowed down by a machine gun, and died the next day . . . and now others are dying, probably as hopelessly.

THUMBNAILED SKETCH—Always a civic leader, a gracious hostess and a perfect example of her maiden name, the object of our sketch is an active member of the Phebe K. Warner club, teaches a Sunday school class, is chairman of the library committee, and was active on the Clean-Up committee a week or so ago. Although she is not a business or professional woman, because she taught a Sunday school class composed of that group, because she is an active civic worker, and because she aided in the plans for such a club at the request of working friends, she was urged to become a member of the BPW club on its organization last fall, and has been one of the most active members of that organization. She is a lady with many friends and few, if any, enemies.

About town: For three weeks no licenses were issued over at the county clerk's office—but when it rained it poured. The hobby-chain letters are starting a new series of hobbies around town . . . every one is starting collecting something or other, and soon instead of throwing away junk, we'll just swap it to our neighbor, who may be collecting that item. . . . Cutest working girl we know—Florence King (And the quietest). . . . Our town does look cleaned up!

Dorothy Thompson gives this definition: "An American is a fellow whose grandfather was a German forty-eight who settled in Wisconsin and married a Swede, whose mother's father married an English woman, whose son met a girl at college, whose mother was an Australian and whose father was a Hungarian, and their son in the twentieth century is six feet tall, goes to a state college, plays football, can't speak a word of any language except American, and 's doubtful whether he ever had a grandfather."

Object of our sketch—Mrs. G. M. (Lady Dobbins) Stewart.

LYNN REPRESENTATIVES GO TO SHORT COURSE

Lynn county will be represented by three of its residents at the annual short course in July at the Texas A. & M. College because of its outstanding record in organizing and operating cold storage locker plants, according to K. J. Edwards, district farm agent.

B. J. Emanuel, E. J. Cooper, and Mrs. R. W. Barton have been named as the three persons who will represent the county at this meeting.

Lynn county has four cold storage plants, which is more than any other county in the state has, County Agent Don Turner says. These four plants are being operated at Tahoka, O'Donnell, Wilson, and New Home.

A party of A. & M. Extension workers came to this county a few weeks ago to visit these plants and to get first hand information concerning them, so that they might be able to give valuable information to the people of other sections of the state. They were much interested in and greatly pleased with what they found here.

"Build-Up" Good News For Suffering Women

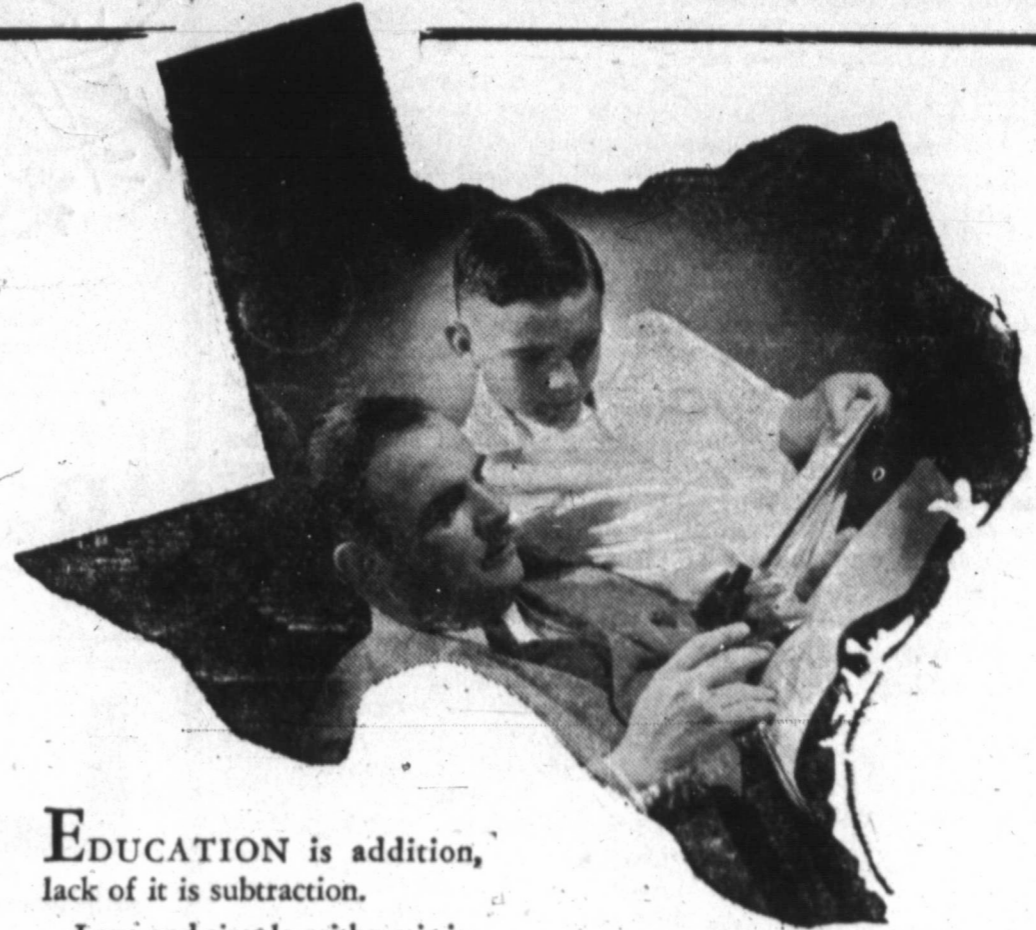

Much of women's periodic distress may be unnecessary!

Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of functional dysmenorrhea due to malnutrition are helped by CARDUL.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUL until "the time" has passed. Women have used CARDUL more than 50 years.

Former Tahoka Citizen Receives M. D. Degree

C. E. CARMACK

Former Lynn County resident, who recently received his M. D. degree at Baylor Medical College, Dallas.

Charles Edward Carmack, 23, son of Rev. and Mrs. C. F. Carmack, longtime residents of Lynn county but recently residing in Dallas, received his M. D. degree at Baylor Medical College in Dallas last Monday.

He will begin his internship the first of July in the Santa Fe Coast Limer Hospital in Los Angeles, California.

While in the College he was a member of the Theta Kappa Psi Medical fraternity and was editor of the medical section of the Baylor Round-Up. He is a brother of C. O. Carmack of this city and of Mrs. A. B. Swan, who taught here a number of years.

Young Dr. Carmack, though born in Colorado City, spent most of his boyhood days in Lynn county, attending Tahoka High School one year. He graduated in high school, however, at Wellington, and for two years attended junior college in San Bernardino, California. Later he entered the Texas Technological College and received his B. A. degree from that institution in 1936.

He has many friends here who will wish him every success in his chosen profession.

Plans Made For A&M Short Course

College Station, June 4.—Although the annual Farmer's Short Course on the campus of A. & M. College is still a month distant, indications are that previous attendance records will be broken this summer. Dates for the 4-H Club Short Course are July 8 and 9, while the adult Short Course is scheduled for July 11 and 12.

Expected to be especially outstanding this year is the attendance of an unusually large number of men. This was assured when B. F. Vance, assistant administrative officer in charge of the state AAA office, announced that approximately 750 AAA agricultural conservation committeemen would be present for the Short Course as well as to attend group meetings of their own. In addition, county land use planning committees are being asked to send two men and one woman from their number, according to Director H. H. Williamson of the A. & M. Extension Service.

Apparently there is no question about the presence of women, for in

recent years heavy attendance of home demonstration club women has necessitated assignments of quotas for counties and districts. Attendance figures this year have been placed at 1,002 girls, 187 sponsors and 1,478 women.

Annual meeting of the Texas Home Demonstration Association during the Short Course is expected to draw 740 delegates and officers who will represent the body's membership of 40,000 rural women. Mrs. A. J. Brown, of Nederland, president of the association, estimates that approximately a thousand women will attend the sessions of the meeting.

Aggregates for both sections of the Short Course are expected to reach nearly 3,000 boys and girls and 2,600 men and women, predicts Roy W. Snyder, extension supervisor of specialists' work who is general chairman in charge of Short Course arrangements.

THOMPSONS IN CHICAGO

Dr. and Mrs. Chase Thompson left Saturday afternoon for Chicago, where they are visiting friends and the Doctor is attending clinics at Henry Ford Hospital and other hospitals in that area. They left the baby with Mrs. Thompson's mother, Mrs. Ince, at Spur.

KREBBS HONORED

Roy Krebbs, formerly of Tahoka but now of Levelland, Monday night was presented the Wilbur C. Hawk Memorial scholarship of \$50 for the best work by a junior student in reporting during the spring semester at Texas Tech by the Amarillo News-Globe Publishing Co.

Supt. Hayes Holman of Post schools was a business visitor in Tahoka Tuesday. He has been on a leave of absence the past year while doing work on his Ph. D. degree in the University of Texas.

Mahon Named On Important Body

Washington—Chairman Edward Taylor of the House Committee on Appropriations has called upon Congressman George Mahon to serve on the important sub-committee on War Department appropriations, and Mahon has accepted that post in addition to his other duties on the Appropriations Committee. The Chairman asked him to serve on this sub-committee because of the heavy program of work and vital importance of the sub-committee in handling appropriations in the national defense program.

MMahon stated that while his principal interest in Congress had not been in military matters, he was honored by the request and was willing to serve because of critical world conditions. "I join all Americans," he said, "in my anxiety that we have an adequate national defense program and I shall seek to serve in every possible way in this new assignment. I believe that we must be fully prepared to meet emergencies which may confront our Nation from without and within."

MMahon also pointed out that it was his deep conviction that our program for national defense should be coupled with a foreign policy designed to keep our Nation out of war. "We must," he stated, "proceed calmly and efficiently to prepare for the defense of our own Nation, making our foreign policy one of non-involvement in the European conflict."

MMahon is the only member of the Appropriations Committee from Texas and is the only member on this sub-committee from the Southwest.

EVERTON NEVILL AND JUNE FENDER MARRY

A wedding of widespread interest was that of Miss June Fender to Everton Nevill at the J. L. Nevill home at 8:30 Sunday morning, Rev. Geo. A. Dale tying the nuptial knot. The double ring ceremony was used. Miss Valerie Wells played the wedding march, "Bridal Chorus" from Lohengrin. The bride wore a navy blue dress with white accessories and carried a corsage of white carnations.

The Nevill home was beautifully decorated with ferns and roses for the occasion. The ceremony was witnessed by relatives of the contracting parties and a few friends.

The bride is a graduate of Tahoka High School of the class of 1939 and for the past year has been attending Wayland College, Plainview. She is the daughter of Mrs. Minnie Fender.

Everton is the son of Mr. and Mrs. J. L. Nevill and was reared in Tahoka. He graduated from Tahoka High School in 1933, and since that time has been engaged in the building

contracting business.

Following the ceremony, the couple left for Flagstaff, Arizona, where they will spend a few days. On returning to Tahoka, they expect to build a new home in the west part of town.

Arley E. Moore . . .

Continued from Page 1

Portland, Oregon, and he will preach there on one Sunday, June 23rd.

From that place they will go to Seattle, Washington, which will be his headquarters. Four gospel meetings already have been scheduled, one at Twisp, one at Everett, one at Sedro Wooley, and one at Seattle. Other meetings are being planned.

On next Sunday, Elder Moore will hold his last services in the Church of Christ here before departing for the Northwest. He requests the News to state that it is his earnest desire that every member of the local congregation of the Church of Christ be present.

Elder Moore came here about the first of January from Wichita Falls, where he had been minister for the Floral Heights Church of Christ. His wife and baby came a few weeks later. They have made many warm friends in Tahoka, who hope that they will return to this place following the completion of this special work which he is to do in Washington.

The local congregation expects to carry on the work here through its own forces during the absence of their regular minister.

Congratulations

To Mr. and Mrs. Leroy Davis of Grassland on birth of a daughter weighing 5 pounds 12 ounces at 8:07 o'clock Monday night in West Texas hospital.

O'Donnell Plans Rodeo Saturday

Visitors to O'Donnell's Rodeo on next Saturday afternoon will be treated to everything that is finest in that type of entertainment, so the rodeo association officials believe.

The rodeo will again be opened through the staging of a downtown parade, which usually is appreciated by the crowd, and from one opening number on the afternoon's program the features will be unreeled at a lively pace. Officials in charge are determined to speed up the events, and also lessen the time of "waiting" intervals.

Now a monthly affair instead of the twice-a-month as first sponsored, O'Donnell's rodeo is expected to draw a large crowd Saturday, and even eclipse past performances in attendance.

Candidates Speak Here Monday Night

M. D. Ramsey, a farmer residing at Floydada, who recently announced as a candidate for Congress from the Nineteenth Congressional District, spoke here Monday afternoon on the courthouse lawn to a considerable crowd of citizens who assembled when he began speaking.

Mr. Ramsey discussed briefly the plight of the farmer and some of the remedies which have been proposed for the solution of his problems. He takes a very advanced stand in the matter of legislation for the farmer and by many would be classified as a radical.

In addition to the other proposals which he discussed, he declared that he favored the Townsend plan for bringing about national recovery. He did not discuss this proposal, however, but introduced a lady who was accompanying him, Miss Roberta Schmaele of Garden City, Kansas, who did discuss this plan for an hour or more in manner that held the rapt attention of the still larger crowd that gathered when she began speaking and continued to increase as she spoke.

Miss Schmaele is a young woman and yet she has been out campaigning for the Townsend plan almost ever since it was first proposed.

Well informed on matters political and having given much thought to her subject, Miss Schmaele spoke with such intelligence and persuasiveness as to win the admiration even of those who look upon this plan as highly impractical and who they had fitted up for the occasion. It is presumed that Mr. Ramsey will make a thorough speaking tour of the district.

Mrs. Hegi Attends National Conclave

Mrs. Fred B. Hegi, director of the home economics department of the local high school, left last Friday to attend a national conclave of Kappa Omicron Phi, Home Economics honor society, in session this week in Williamsburg, Virginia.

Mrs. Hegi was elected a director on the national council at the conclave in Santa Barbara, California, two years ago.

In addition to being a director, Mrs. Hegi has served as editor of The Distaff, national organ of the society.

These five women won recognition for their interior decorations of Texas State College for Women's "Little-Chapel" and the Loman Memorial Award at TSCW's thirty-seventh annual commencement June 6. Awarded annually to the senior or seniors making the greatest contribution to the college in some artistic field, the Loman trophy went to Helen Solberg of Clifton, who designed and constructed altar, vest, porch lights, and the vestibule stone floor of the chapel; Margaret Glenn Green of Minnola, who has made a photographic record of chapel art projects; and to Nora Mae Pierce of Lagrange, Betty Winston of Vernon, and Lucile Cudd of Wichita Falls, each of whom has made a stained glass window for the sanctuary.

NOBLE RE-APPOINTED

J. M. "Mack" Noble Jr., postmaster at O'Donnell, recently has been re-appointed to serve four more years in that capacity, dispatches from Washington say.

Johnny Adams, one of the new lessees of the T-Bar, and family moved here last Wednesday, and are occupying a new home in the Oscar Roberts addition.

Burton Hackney of Brownfield and Lawrence Barber of Seagraves, candidates for district attorney, were each here this week interviewing the voters.

Lester Adams has returned home from Stephenville, where he has been attending John Tarleton College.

Census Figures For 17 Towns

LAMESA, June 5.—A. G. Bearden, district census supervisor, announced population figures for 17 towns in his district today.

Five of the towns, including Big Spring, largest in the district and second only to Lubbock in the entire 19th congressional district showed losses; three towns did not have figures for ten years ago and nine towns showed gains.

Bearden said he hoped to be able to announce additional towns shortly. Figures are tentative only, subject to revision.

Following are the reports, with comparative figures for 1940 and 1930:

Town	1940	1930
Big Spring	12,604	13,735
Lamesa	6,019	3,528

Lamesa Planning Annual Rodeo

Lamesa, June 4.—Plans for the annual Lamesa Rodeo were nearing completion this week as officials announced that arrangements had been made with Curley Daugherty, Olton rodeo stock man... for 195 head of bucking horses, roping calves, and Brahma steers. Two performances daily, afternoon and night, will be given on the days of June 19-20.

Contestants in the riding and roping events are pouring in their applications, and cowgirls from many West Texas cities have registered their intention to enter the cowgirl contest, open to every cowgirl in the Southwest, except those that have already won two first places in other shows. Cities and towns may be represented by any number of participants.

Three saddles, shop-made boots, Stetson hat, and silver spurs, are listed as awards over and above the \$650 cash to be given daily. One saddle will go to the winning cowgirl. The other saddles will be given for the best two-day averages in the bronc-riding and calf-roping events. The other articles listed will be given for the best two-day averages in other events.

A good-will tour is being arranged for June 11 and 12 to other cities and towns in this section, including Tahoka and O'Donnell.

Misses Mary and Margaret Preston have been visiting relatives in Wichita Falls this week.

Miss Mary Margaret Tunnell is attending school in San Antonio this summer.

Demands Heavier For Fish Stock

AUSTIN, JUNE 3.—With new, huge lakes being built in Texas constantly the demand for fish raised by the State Game Department in its ten hatcheries increases monthly. The latest lake to be stocked is Possum Kingdom. Bass numbering 71,000 were planted in it recently, it was announced today by the executive secretary of the Department. That was the first of many shipments which will be placed in the lake.

All the new lakes being stocked by the Game Department are being studied by aquatic biologists to determine the amount of fish food the various bodies of water will produce. Too, they are determining the species of fish most suitable for each lake.

The state hatcheries produced more than 5,000,000 fish last year, but by using improved methods of fertilization, some of them developed by Texas Game Department aquatic biologists, and by making use of other recently discovered methods of propagating fish, it is hoped to double the hatcheries' production this season. To date it appears the hatcheries will reach the 10,000,000 mark set for them, despite the fact late freezes killed more than 1,000,000 small fish in the hatcheries.

Apply Now For Cotton Mattresses

Eligible families who haven't yet applied for mattress making materials under the Department of Agriculture's program for aiding low-income farm families should do so soon or they may lose their opportunity to participate.

This notice has been sounded by Maurine McNatt, Lynn County Home Demonstration Agent, who points out that June 8 is the deadline for ordering cotton and ticking for the demonstration program from the Federal Surplus Commodities Corporation; that means, then, that all applications should be filed several days prior to the deadline date.

The families who are eligible to receive this material are those whose income was \$400 or less, half of which was derived from some source of agriculture.

In a recent report on the program made by Miss Mildred Horton, Vice-director and State Home Demonstration Agent, she stated that although sufficient cotton and ticking to make 73,770 mattresses had been ordered by the State AAA office through the last week in May, there are still thousands of eligible families in Texas who have yet taken advantage of the plan. She indicated that in some counties communities canvasses by home demonstration club women and other local means of informing the public about the program will likely to be employed in the remaining weeks before the closing date.

Already 146 Texas counties have been approved for participation in the program, and cotton has been shipped by the FSCC to 49 counties. Figures released by the AAA indicate that 7,377 bales of cotton and 738,000 yards of ticking have been ordered for use by Texas farm families with a gross cash income of less than \$400 for 1939.

Mrs. Wynne Collier and two little daughters and her sister, Mrs. G. C. Wells, of Hobbs, New Mexico, Mrs. W. O. Thomas, and Miss Lucille Collier have been visiting relatives in Amarillo and Clarendon since last Friday.

LET US PREPARE FOR PEACE

The Government has launched a preparedness program which will require the assistance of every staunch citizen. We have carried and are now carrying far too little insurance, America will prepare. Our future must and will be assured; there must never be any doubt about this.

Therefore, I appeal to Editors, business men, public officials and all loyal citizens, to assist the Navy Recruiting Service in enlisting as many as possible of the 25,000 men needed to bring our Navy up to a new peace time record.

The ranks of the navy from top to bottom are shot through with staunch, sturdy, alert, capable and loyal Texans, the Commander-in-Chief of the United States Fleet being a native Texan. So as Officer-in-Charge of Naval Recruiting for West Texas, my intentions are to secure as many men as possible during the next four months. Opportunities are better than ever for ambitious young men between the ages of 18 and 31, to earn, learn, travel and serve in Our Country's Navy, literally the cradle of Americanism and American liberty. —J. J. Mockbee, Chief Signalman, U. S. Navy.

PIE SUPPER AT GARNOLIA

There will be a pie supper and candidate speaking at Garnolia Friday night, June 7, under auspices of "Needle and Thimble" club.—Mrs. D. W. Reed, Sec'y.-Treas.

Miss Eloise Roberts is home from John Tarleton, where she has been attending school the past year.

Girls Are Advised To Build-Up For Relief

Lack of knowledge causes many a weak, undernourished girl a lot of suffering!

Many others, however, know how the headaches, nervousness, cramp-like pain of functional dysmenorrhea due to malnutrition are helped by the proper use of CARDUI.

Some take it a few days before and during "the time," to help ease periodic distress. But CARDUI'S principal use is to help increase appetite; stimulate the flow of gastric juice; so aid digestion, assist in building up physical resistance and thus help reduce periodical distress. Women have used CARDUI for years.

TAHOKA, TEXAS

DUNAGAN CHILDREN VISIT IN PARENTAL HOME

All of the sons and daughters of Mr. and Mrs. A. L. Dunagan with the exception of one daughter gathered in the parental home a few miles northwest of Tahoka Sunday and of course greatly enjoyed the occasion.

A peculiar thing about it was that although the children live in widely scattered portions of the state, the gathering Sunday was not pre-arranged.

Included among those present were: Mesdames A. T. Kent, Ira Knox, and Otho Lee Wolf, all of Madisonville; Mrs. R. R. Hoyle of Abilene, Mr. and Mrs. Morris Dunagan of El Paso, Mr. and Mrs. E. J. Lowrey and baby of Petty, Mr. and Mrs. E. J. Goddard of Tahoka, Mr. and Mrs. Dub Dunagan and baby of Lubbock, Mr. and Mrs. Deck Dunagan and Mr. and Mrs. Irvin Dunagan and little daughter of Tahoka.

Also present were Mr. and Mrs. G. C. Shaffer Jr. of Denver City, Mrs. Shaffer being a grand-daughter.

One daughter in Hill county was not present but would have been should she have suspected that all the other children would be here.

At a family reunion out at the Dunagan home last summer, all of the children were present.

LUTHERAN CHURCH SERVICES HERE SUNDAY NIGHT

Rev. Theo. F. Sager of Lamesa, pastor of the American Lutheran Church here, announces that services will be held in the Presbyterian Chapel Sunday, June 9, at 8 p. m.

"Come and worship with us. Visitors always welcome," is the invitation extended by the pastor.

Mrs. J. W. Shedden of New Home has been ill the past week. Mrs. Shedden is the sister of Mrs. A. L. Pace.

Mr. and Mrs. H. M. Snowden and daughter Julia and Mr. and Mrs. Harold Snowden spent Sunday in Jittfield visiting Mr. Snowden's brother-in-law and sister, Mr. and Mrs. Preeme Jones, both of whom were just recovering from pneumonia. The husband is 74 and the wife 72, and for them pneumonia naturally is a serious disease, but each was given treatment with the new remedy, sulfapyradine, which proved effective.

Mrs. R. K. McDaniel, enroute from New York City to Los Angeles, California, spent Thursday night of last week here with her brother and family, Carl Owens. Mrs. McDaniel had been residing in New York but was on her way to Los Angeles to join her husband, who recently accepted a position there.

A. L. Wildman, of Tatum, New Mexico, was a visitor in Tahoka on Tuesday, enroute to Abilene. While here he visited with Mr. and Mrs. Eugene Long and family.

Mr. and Mrs. A. N. Norman of Stratford in the north Panhandle are here visiting her parents, Mr. and Mrs. A. C. Aycox, and other relatives. Mr. Norman has a position with the Stanolind Oil company and is on his vacation.

Miss Lottie Jo Townes, who has been attending Texas Tech the past year, is home for the summer.

Vegetable Laxative With Proved Feature

The punctual, satisfying relief from constipation and its headaches, biliousness, bad breath, so often experienced by users of this laxative, is mainly due to its combination of purely vegetable ingredients.

BLACK-DRAUGHT's principal ingredient has high medical recognition as an "intestinal tonic-laxative"; helps impart tone to lazy bowel muscles.

A little of this spicy, aromatic product by simple directions at bedtime, generally allows time for a good night's rest; acts gently and thoroughly next morning.

Next time, take time-tested, economical BLACK-DRAUGHT.

MISS DAURINE ADAMSON WEDS HERBERT HOOVER

In a touchingly beautiful ceremony in the home of the groom's parents, Mr. and Mrs. O. H. Hoover, at Grassland, Mr. Herbert Hoover and Miss Daurine Adamson were united in marriage at 3 p. m. on June 3.

The room was decorated for the occasion with vases of cut flowers and a rose-covered canopy under which the bride and groom, attended by Melba Adamson and Jack Hoover, stood during the lovely ring ceremony performed by Rev. D. W. Reed.

The bride wore a dress of Alceblue with white accessories and carried a bouquet of pink and white roses.

After congratulations of friends, a buffet luncheon was served to thirty three guests.

Mr. and Mrs. D. R. Adamson and family, parents of the bride, Close City, Rev. and Mrs. D. W. Reed of Garolia, Mr. and Mrs. Henry Wheatley of Close City, Mr. and Mrs. M. J. Williams of Shallowater, Miss Lois Nance of Justiceburg, Miss Essie Brown of Lubbock, Mr. George Booher of Southland, Mr. Bruce Shepherd and Mr. Truett Babbs of Post; also the families of Mr. and Mrs. Houston Hoover of Post and Mr. and Mrs. J. R. Chapman of Grassland.

Both young people are graduates of the Post High School and of the Texas Tech.

They will be at home in Ropesville after July 1.—Contributed.

INFANT SON OF MR. AND MRS. R. M. THOMAS DIES

Robert Marion Thomas Jr., infant son of Mr. and Mrs. R. M. Thomas of Grassland, born in the West Texas Hospital Saturday, died at noon Tuesday.

Funeral services were read in the Rix Chapel in Lubbock at 9 o'clock Wednesday morning and the body was buried in the Grassland cemetery near the family home.

Survivors include the parents and both the paternal and maternal grand-parents, Mr. and Mrs. M. L. Thomas of Grassland and Mr. and Mrs. J. E. Parker of Post.

Mrs. L. E. Miller of Littlefield and her niece, Miss Ruth Blair of Opelika, Alabama, were here three or four days this week visiting Mrs. Deen Nowlin and the family. Mrs. Nowlin is also a niece of Mrs. Miller and a cousin of Miss Blair.

Treasure Island Vista

Paint, plaster and a brand new color scheme have made the 1940 Golden Gate International Exposition more beautiful than ever before. Sparkling color contrasts will greet first-day visitors, May 25, as they stroll from Treasure Island's Court of Pacifica (foreground) through the Court of Seven Seas to the 400-foot, Phoenix-topped Tower of the Sun.

POLITICS IN EIGHTEENTH DISTRICT MUDDLED

Congressman Marvin Jones of Amarillo announced Monday that after all, in deference to the wishes of President Roosevelt, he had decided to run for re-election to Congress.

Twelve candidates had already announced for the place not counting O. E. Thompson who got in and then got out, in the belief that Jones would not be a candidate. Jones had been appointed to a place on the Court of Claims at Washington, D. C., by President Roosevelt two or three months ago and his appointment had been confirmed by the Senate.

But he did not immediately resign his seat in Congress and gave no definite information as to when he would do so, if at all. It was not known whether he intended to serve out his present term or not before taking his place on the Court of Claims.

His announcement Monday for re-election to his present congressional post came like a bomb-shell to the other candidates and to the people of the eighteenth district.

Six of twelve candidates, however, have indicated their determination to stay in the race. These are: Eugene Werley of Shamrock, member of the legislature; E. T. (Dusty) Miller of Amarillo, former law partner of Marvin Jones; James O. Cade of Amarillo, lawyer; Dennis Zimmerman of Tulla; Allen Harp of Childress; and Lee McConnell of Pampa.

Deskens Wells, Wellington newspaper publisher; Tom Elly, Perryton rancher; and Lew Fields, Amarillo insurance man, have announced that they will withdraw if Jones stays in.

Lewis Goodrich of Shamrock, who was a candidate for attorney

GARLAND CURTIS MARRIED

Garland Curtis of Tahoka and Miss Nell Gregory of Iredell were married in the home of a Baptist minister in Hico last Sunday. They were accompanied by Morgan Moon of Hico.

The couple proceeded to Waco for a brief wedding trip, returning to Tahoka Tuesday afternoon to make their home. They have taken an apartment at the home of Mr. and Mrs. E. B. (Red) Curtis, brother of Gordon.

Mrs. Curtis is the daughter of Mrs. C. A. Gregory of Iredell.

The groom is the son of Mrs. J. B. Curtis of O'Donnell, but is employed at Gagnat Motor company here.

Mrs. E. S. Davis and son, Daniel, drove to Pecos last Friday to visit Mrs. Davis' sister, Mrs. C. B. Williams, and another sister visiting there. They returned home Sunday, bringing Mrs. Williams with them for a few weeks visit here. The other sister went to Big Lake for a visit and will come to Tahoka later.

R. C. Baggett of Quail, Collinsworth county, is visiting his grandparents, Mr. and Mrs. H. A. Winkler of the New Lynn community.

Miss Lois Montgomery, who has been attending Tech the past year is home for the summer.

Sam Garrard returned home from Lubbock last week, where he has been attending school the past term.

general two years ago, had not decided. No word had been received from Judge Henry Bishop of Amarillo nor from R. V. Converse of Spearman.

So, it seems that Jones will have to fight for the position if he continues to hold it.

MANY VISITORS HERE FOR ROBERTS FUNERAL

Many out-of-town relatives were here Wednesday for the funeral of A. M. Roberts. Included in the number were:

Mr. and Mrs. Clyde Roberts of Bakersfield, Calif., T. A. Roberts of Los Angeles, Mr. and Mrs. W. E. Roberts of San Saba, Texas, Mr. and Mrs. Jesse Davis and four sons and Mrs. W. H. Fletcher of Southland, Mrs. Belle Morgan and Mr. and Mrs. Jesse Gray of Cleburne, Mrs. A. P. Sanders and Mrs. W. H. Brumley of Fort Worth, Mr. and Mrs. Jim Cauble of Rotan, and Mrs. Flora Grantham and Mrs. A. M. Tanner of Southland.

FISHING TRIP

Commissioners Geo. Small and Sam Holland and their road men were guests of a road machinery firm at a two day outing and fish fry at Lake Buchanan Tuesday until Thursday of last week. They report they had all the fish they could eat. Expert fishermen supplied the fish, catfish, weighing from 10 to 40 pounds.

Mr. Small's road men attending were Curtis Morgan, Tobe Hill and German Brewster, while Mr. Holland's men were Tom Callaway, Clyde Sargent, and Arthur Reagan.

C. A. Lawrence of the AAA office accompanied by Mrs. Lawrence and their son, Russell, left Thursday morning for a few days' outing in the San Angelo section.

Mr. and Mrs. H. D. Owens and baby of Big Spring were here over the week end visiting Mrs. Owens' mother, Mrs. Essie Russell, and the other daughters.

Supt. and Mrs. W. T. Hanes and son, Billy, are taking a few days vacation at Wichita Falls, Bridgeport and other towns in that section. They are expected home this week.

Mr. and Mrs. S. H. Holland and Dorothy went to Fort Worth Monday where Mrs. Holland's brother expected to undergo major surgery Tuesday.

Mrs. W. L. Davis is at Tokio with her son who recently lost part of a finger in a planter and it was feared that the entire digit might have to be removed.

Mrs. S. R. Cade of Pecos is here on an extended visit with her son, A. M. Cade, and family.

C. C. Morgan of Lubbock, colored evangelist of the Church of Christ, was in Tahoka for a few days this

week, sponsoring a movement for weekly services of the colored church here.
