Tahoka, Lynn County, Texas, Friday, June 21, 1940

Number 45

Lynn County Pioneer Reunion Monday

County Decreases, City Shows Increase

Loss of Farms Causes Difference

Notwithstanding the fact that the population of Tahoka has increased 504 and that of O'Donnell 106 during the past ten years, the population of the county as a whole shows a decrease of 449, according to census figures for the county recently released.

Outside of Tahoka and O'Donnell, the population has dropped from 9,727 to 8,668, a decrease of 1,059. Including Tahoka and O'Donnell, the population now is 11,923 against 12,372 in 1930.

There has been an even greater proportionate decrease in the number of farms the past ten years, the number dropping from 2,138 in 1930 to 1,469 in 1940, the decrease being 669 or more than 31 per cent.

Most of this decrease has been within the past five years. The number of farms in 1935 was 2,001. The decrease since that time has been 532, or more than 26 per cent.

Thus it becomes evident that many tenants have had to abandon the farms and to throw themselves upon the W. F. A. or other governmental agencies for employment. A few of them have purchased farms elsewhere, but most of them have drifted to the towns or to the larger cities.

Plains Counties Show Increase

LAMESA, June 20.—County population in 10 counties in the Lamesa district showed a net gain of 2,467 for the past decade, it was announced by A. G. Bearden.

Figures for Gaines county were not available. For the other counties there were 100,166 residents as of April 1, this year, compared to 97,699 10 years ago. Five counties showed gains and as many showed losses.

In one county, Terry, the increase will mean the separation of the office of sheriff and tax assessor-collector. Under state laws, when population of a county passes the 10,000 mark, the offices must be separated. Candidates are expected to compete for separated offices, it was indicated.

Howard county, in which Big Spring is located, leads the district, showing a gain. Big Spring, however, lost in population.

Dawson county shows a gain to place second; Mitchell with a loss is third; Lynn, with a loss is fourth; Scurry with a loss is fifth and Terry with a gain is sixth.

Terry made the largest gain, more than 2,300.

Andrews and Garza counties also showed increases. Comparative figures for the 1940 and 1930 reports are:

Andrews	1,283	736
Borden	1,396	1,505
Dawson	15,350	13,573
Garza	5,668	5,586
Howard	23,950	22,888
LYNN	11,923	12,372
Martin	5,558	5,785
Mitchell	12,368	14,183
Scurry	11,537	12,188
Terry	11,133	8,883

Total 100,166 97,699
Gaines county totals are not available. There will be a gain.

SLATON RODEO BOOSTERS COMING MONDAY

"On next Monday, June 24th, a group of Slaton citizens are coming through Tahoka to advertise our rodeo, to give you people a little program of entertainment," writes John Rayburn, secretary of the South Plains Roundup.

"We shall arrive about 9 o'clock A. M. and put on a 15-minute program," he adds.

Youth Suffers Injury To Leg

Harley P. Schulz, son of Charley Schulz of near Tahoka, suffered severe leg injuries Monday when he fell from a planter he was riding on his father's farm, and cut the left knee to the bone, severing a muscle and nerve in the lower leg. He was treated by a local physician and sent on to Lubbock hospital.

Although the injury is a serious one, the boy's condition was reported satisfactory yesterday.

Grassland School Project Begins

Work is expected to start in a few days on the new Grassland gymnasium-auditorium and school building improvement project.

Grassland recently voted bonds of \$10,000 for the purpose of building the gymnasium and of remodeling the present school building.

Byron Terrell is principal of the school.

Work Starts On Gulf Building

Tearing down the old sheet iron John Evans Gulf station building north of Tahoka Hotel was begun Tuesday preparatory to the erection of a new building on the site for Gulf.

The new station is being built by R. W. Fenton Jr. and Jack Fenton, who recently acquired the property. The building will be a modern frame structure, facing south toward the highway, and will consist of a spacious covered driveway, wash and grease room, office, store rooms, and rest rooms.

Tahoka Golfers In Tournament

Tahoka golfers are this week enthused over the tournament now in progress. Forty golfers have qualified for participation in the contests, and they have been divided into five flights of eight-men each. Twenty prizes have been posted for the winner, runner-up, consolation and runner-up in each flight. The prizes are donated by Tahoka business men.

The tournament is expected to end some time next week.

The Tahoka club will go to Lubbock Sunday, where they will compete with Sled Allen's Broadmoor Club team. Tahoka defeated the Lubbock players here about two weeks ago.

Woman Is Hurt In Car Collision

Mrs. D. H. Wilburn of near Wilson, who was injured in an automobile accident on the Lubbock highway north of town Saturday night, is reported in satisfactory condition.

Mrs. Wilburn was riding in a car driven by her husband, when they were in collision with another car. Although there were several occupants of the car, none others were hurt. The News did not receive any information concerning the occupants of the other car.

Mrs. Wilburn suffered a comminuted fracture of the right knee cap, a fractured thumb, and numerous small lacerations from flying glass.

Miss Ernestine Story and other students of the Tech College together with their home economics teacher left Sunday morning to attend a nation-wide home economics meeting in Cleveland, Ohio. They expected to be gone two weeks.

Demo Executives Make Assessments

At a meeting of the county democratic executive committee Monday, candidates were assessed the following amounts to pay the expense of the primary elections, according to County Chairman C. H. Cain.

Candidates for county judge, county clerk, sheriff, and assessor and collector were assessed \$65.00 each; for county attorney and county treasurer, \$50.00 each; for district clerk and county commissioner, \$35.00 each; for justices of the peace, \$20.00; and for constable and public weigher, \$5.00 each.

These assessments must be paid by next Monday, when the ballot will be made up.

Mr. and Mrs. A. H. Raborn and two daughters, were called to Chico Monday by the illness of Mrs. Raborn's mother, Mrs. R. A. Pruett. They returned home Wednesday, leaving her in a much improved condition.

Showers Help Crop Prospect

Helpful but somewhat disappointing showers have visited several localities in the county this week. Perhaps more rain has fallen in Tahoka than any other locality.

It started in Monday with a sprinkle amounting to .03 of an inch. A hard shower that amounted to .53 of an inch came Tuesday afternoon but it gradually decreased in volume as one left town in any direction, extending only three or four miles up the Lubbock highway and about the same distance out the Post highway. It played out just a short distance south and west of the city limits. On Wednesday afternoon and night, the fall here amounted to .25 of an inch and on Thursday afternoon prior to five o'clock .09 of an inch, making a total of .90 this week.

Good rains Wednesday and Thursday were reported from much of the territory west, northwest and southwest of Tahoka.

The weather this week has been more favorable for crops than heretofore, however, and farmers are hopeful. A good general rain is much desired.

Two Girls Represent Tahoka At Lamesa

Misses Myrna Dean Gaignat and Maxine Oliver represented Tahoka in the Cowgirl Sponsors' contest at the Lamesa Roundup Wednesday and Thursday.

Both are accomplished riders, although this is their first appearance as Rodeo sponsors. Winners were announced last night, but the News did not receive the winner's name before going to press.

Mrs. I. M. Hitchcock of Lynnwood, California, arrived Monday afternoon from Rising Star, Texas, for a visit with her sister, Mrs. E. S. Davis. She plans to spend about two weeks here before returning to her home.

Library Receives Additional Donation of Books, Cash

About one hundred and twenty-five books and \$11 in donations have been contributed the past week to the Lynn County Library, which will be opened soon in the basement of the court house, according to Mrs. G. M. Stewart, chairman of the library board.

W. E. Suddarth has given the library \$10 in cash and Miss Ovel Lytel \$1.00 to be used in buying new books. The following have donated books: Mrs. C. H. Cain, 1; Mrs. F. E. Redwine Jr., 2; Mrs. Pearl Price, 1; Mrs. Frank Hill, 3; Mrs. L. C. Hane, 1; Miss Ethel Calahan, 7; Mrs. R. W. Fenton Sr., 87; Dr. Emil Prohl, 1; Mrs. C. A. Thomas, 4; Mrs. Lois Daniels, 11.

Mrs. Stewart reports that 45 books

Negro Woman Carves Up Husband

A jealous negro woman took justice into her own hands out on the Tom Hale farm Sunday afternoon by emptying a revolver in an effort to make a Christian out of her husband or paramour as the case might be, one of the bullets passing through his ear and ploughing a furrow or tunnel through one side of the neck. A little better aim might have necessitated a funeral.

The woman gave her name as Marie Battle, and she seems to have been desperately trying to live up to her name, while the man is known by the somewhat affectionate name of Willie Anderson.

After the shooting, just to make sure that Willie should nevermore take other women for a ride in his 1936-model, Marie set fire to the machine and burned it up.

Willie was brought to the office of a Tahoka physician to have his wounds bound up and the woman was brought to jail.

Negro Shine Boy Goes On Rampage

Robert Lewis, better known as "Stormy", a shine boy in one of the barber shops here, went down to Lamesa Sunday and got into a fracas.

Few of the facts have been made known here, but the sheriff of Dawson county came up to Tahoka Monday and took "Stormy" back to the Lubbock county capital and found lodging for him in the county jail, charged him with illegally slashing and carving up fearfully a Lamesa "lady of color". It was thought that the woman will recover. The grand jury will probably have business with Stormy later.

Lyntegar Extensions Being Energized

The electric current was turned on over about 75 miles of the new Lyntegar extension down into Dawson county on Tuesday of this week, the office here reports.

It is hoped that the entire extension may be energized before or soon after the first of July.

GODDARD EDWARDS HERE

Goddard Edwards, a Tahoka-raised boy who is holding a responsible position in the state capital, and his wife have been visiting relatives and friends here the past few days. He is the son of Mr. and Mrs. J. H. Edwards.

Goddard is director of the cigarette tax division in the state treasurer's office and has thirteen employees working under him. He told The News that last month, May, his department did its biggest business in history. During that one month alone they did a \$653,000.00 business in cigarette taxes. June may exceed May, he says.

Dr. and Mrs. Chase Thompson returned last Saturday from a two-weeks' pleasure trip to Chicago and environs.

'THE AMERICAN CREED'

"I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a Republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

"I therefore believe it is my duty to my Country to love it; to obey its laws; to respect its flag; and to defend it against all enemies."—William Tyler Page.

School Transfers Begin On July 1

Those wishing to transfer their children from one school district to another for next year's school session may do so at the office of the County Superintendent beginning on July 1. Time for transfer extends through the last day of July.

Permian Basin Oil Convention

The Permian Basin Oil Association has its convention at Odessa Friday and Saturday of this week, June 21 and 22.

The oil companies are paying in rentals to the land owners on land in Lynn county approximately \$143,000.00 per year, and these payments are increasing. With this large amount of money coming into our county every year in oil leases and rentals it behooves the citizens of Lynn County to take an interest in the Permian Basin Oil Association. We respectfully urge that as many citizens of Lynn County as possible attend this meeting at Odessa Friday and Saturday of this week.

Deen Nowlin, A. H. Raborn and Tom Garrard — Directors, Permian Basin Oil Association.

Jaquess Starts New Building

Work was begun the first of the week on the construction of a business house for J. W. Jaquess on a lot situated on the south side of the square to be built of concrete blocks.

This house is to be about 45 feet long with a 24 foot front. It will be a substantial building. Mr. Jaquess, we understand, has not yet rented it but has had two or three applications for a rental contract.

There are few buildings on the south side of the square but those that have been built or reconstructed in recent years have been nice structures taking the place of wooden shacks.

Kenoth Reid Is Rotary Speaker

Kenoth Reid was the speaker at the Rotary luncheon Thursday.

He had been asked to speak on the mechanism, history, and development of the radio, and he did so in a most enlightening and entertaining manner. In fact, Kenoth just rang the bell and kept ringing it all the way through. If one supposes that Kenoth doesn't know his onions in the radio field, he has another guess coming. To a few of the Rotarians his speech was probably all Greek but to the most of them it was one of the most informative and interesting addresses that has been heard at a Rotary luncheon in many a day. Not even a resume of it could be given here.

It was when he got to talking about the radio of Tomorrow that he revealed the fact that he has a very active imagination as well as a great fund of facts. Kenoth's musings put into print would make a most readable story.

All Day Program Is Scheduled

Lynn county old timers—those who came to Lynn county thirty or more years ago—and their families are planning a gala occasion Monday when they gather at City Park for their annual reunion. Activities begin at 10 o'clock a. m. and will extend far into the night, President J. D. Donaldson states.

Old time singing, "prairie opera" by Moyer's String Band, square dances, a modern dance, jiggling, speaking, barbecue dinner, negro quartet, carnival rides, and a "spelling bee" are among the entertainment features of the day.

Only old timers are eligible to attend the barbecue and the dance Monday night, Mr. Donaldson says, and then only when the head of the family has registered his family and secured badges for them. The price of registration is \$1.00 per family head. However, the afternoon program at the park will be wide open to the public, and all Lynn county people are invited.

The program opens promptly at 10 a. m. with congregational singing led by N. C. Rainey, business of the association will be attended to, and quartet music will be furnished by a male quartet composed of W. M. Lee, Marvin Munn, Fred Bucy, and Ott Patterson and ladies' quartet composed of Mrs. Lola Thomas, Mrs. Rubie Wells, Miss Robbie Milliken, and Mrs. Ovid Luallen. Another special feature will be "1950 Happenings" (Continued on Back Page)

Farms In 19th District Drop

A 14 per cent decline in number of farms in 22 of the 24 counties of the 19th congressional district in the last 10 years was noticed in a report of the census, says the Lubbock Avalanche.

Preliminary census figures announced as of April 1 there were 24,169 farms in the counties compared to 28,137 ten years ago, and 27,872 in 1935 when an Agricultural census was taken.

Two Not Complete

Figures were announced by Robert H. Bean, Lubbock district supervisor for the 13 counties in this district and by A. G. Bearden of Lamesa for nine of the 11 counties in that district. Two counties, Gaines and Terry, are not complete for 1940.

Only five counties showed an increase in the number of farms, Bailey, Cochran, Andrews, Hockley and Martin. Other counties showed losses.

Hockley, Andrews and Garza counties showed increases between 1935 and 1940 in the number of farms. Andrews, Borden, Bailey, Cochran, Floyd, Hale, Haskell, Hockley, Kent, King, Lamb, Lubbock, Martin, Scurry and Stonewall counties showed increases between 1930 and 1935.

Ten high ranking counties in the district as of 1940 are, Lubbock, Lamb, Haskell, Dawson, Hale, Lynn, Scurry, Crosby, Floyd, and Mitchell.

Following are the comparative figures for the 22 counties for the three dates, 1940, 1935 and 1930:

County	1940	1935	1930
Andrews	106	85	75
Bailey	820	903	758
Borden	243	301	292
Cochran	436	456	285
Crosby	1330	1389	1739
Dawson	1738	1846	2218
Dickens	496	1062	1228
Floyd	1318	1743	1671
Garza	728	608	196
Hale	1633	1859	1728
Hockley	1508	1482	1344
Haskell	1950	2421	2380
Howard	702	1034	1194
Kent	458	619	588
King	121	163	159
Lamb	2183	2340	2381
Lubbock	2341	2652	2495
LYNN	1469	2001	2138
Martin	784	805	776
Mitchell	1122	1348	1481
Scurry	1450	1603	1564
Stonewall	765	1052	844

Totals 24,169 27,872 28,137

25 Years Ago

(From Files of Lynn County News)

June 18, 1915

County Clerk J. S. Weatherford and family of Gall are visiting Sam Sanford and family at the T-Bar Ranch headquarters.

Mr. Barnes of Wheeler County, a nephew of G. W. Small, Sr. has purchased the Wright place south of Tahoka, and will begin the erection of a new residence, barns, lots, etc. in the near future.

By a 19 vote majority Tahoka had voted for incorporation, the vote being 65 for to 46 against, and was looking forward to the election of her first city officers late in July.

A. R. McGonagill and little daughter, Doris, left in Mr. Mc's Ford Wednesday morning for Sweetwater where they will place Doris under treatment from Dr. Chrisley in the Kingsley Sanitarium.

Rev. C. H. Ledger began a revival meeting at O'Donnell Sunday night. He is assisting Rev. W. R. Patrick local pastor.

Mrs. E. J. Bellah and daughter, Miss Marie, of Lubbock, are visiting Mrs. Will Montgomery this week.

A twelve piece brass band had just been organized and \$500.00 worth of instruments received. The Stanton band director was to give the boys two lessons each week.

Wednesday morning (June 16) the commissioners ordered an election to be held July 31 to vote bonds not to exceed \$60,000 to build a court house and jail.

Our present county capital building was built in the year 1903, is a two story frame building, with the court room in the second story. In 1910 an addition was put on the west end.

Until 1912 our jail consisted of a room in the northeast corner of the second story with bars across the door and windows. In that year the present calaboose was built of 2 x 4's.

DON'T take chances with your chicks. Put Dr. Salsbury's PHEN-SAL Tablets in drinking water regularly.

WYNNE COLLIER, DRUGGIST

CONSTIPATION

Adlerika, in the famous SL-VEAT color bottle contains 3 laxative ingredients to give a more generally BALANCED RESULT on both bowels, and 5 carminatives to soothe and warm upset stomach and so ease gas pressure. Relief is prompt, usually two hours or LESS.

WYNNE COLLIER, Druggist
TAHOKA DRUG"Build-Up" for Women
Helps Avoid Distress

Do you suffer periodically from headaches, nervousness, irritability, cramp-like pain?

If so, here's good news! These may be symptoms of functional dysmenorrhea due to malnutrition, often helped by CARDUI.

CARDUI usually increases appetite and the flow of gastric juice; so aids digestion and helps build up strength, energy, physical resistance. Result: many less periodic distress. Or you may find this also helps ease your periodic discomfort. Take CARDUI a few days before and during "the time." 50 years of use and popularity invite your confidence in CARDUI.

KELLY FIELD READY FOR
NEW RECRUITS

SAN ANTONIO, June 17.—The largest graduating class in the history of the army air corps advanced flying school at Kelly field this week completes training to make room for a fresh batch of fledgling flyers.

The class of 236—the third to finish advanced training in 1940—receive their diplomas June 21, along with commissions as second lieutenants in the air corps reserve. One hundred of these men will report to Randolph field—the West Point of the air—to complete a flying instructor's school.

GAIGNAT IN AIR SCHOOL

Charles Gaignat qualified Saturday for enrollment for a summer course in the civil Aeronautics Authority flight instruction course of Texas Technological College. Gaignat hopes to enroll in West Point next fall.

TEXAS ROADS INADEQUATE
FOR MILITARY DEFENSE

Austin, June 17.—Texans are thinking too much about guns and planes for defense and not enough about adequate and durable highways, Lynn Shaw, manager of the Texas Motor Transportation Association declared today.

With the state of Texas situated as it is beside the only foreign neighbor which conceivably could be a base for hostile operations against this country, roads for defense are absolutely necessary, he said, pointing out that the war department recently designated 5,700 miles of Texas highways as important military roads.

With the trucker rapidly becoming the backbone of army supply, roads, which have always been determining factors in military victory, are becoming increasingly important.

From Texas, if not actually the center of conflict, must come much of the supplies for the war machine of the United States, and in peace or war, roads are necessary for

preparedness and united effort, whether it be directed toward economic improvement or a common enemy.

MIDWAY H. D. CLUB

"Browning leveles flavor and aroma in braising meats just as it does in roasting or broiling," stated Miss McNatt, C. H. D. agent to the women of the Midway H. D. club at the home of Mrs. R. L. Littlepage, June 13th. "The rich brown color is typical of a well prepared dish. This is one of the most important steps in braising meats and care should be taken to brown the meat well on all sides before adding the liquid. In braising, very lean cuts of fat should be added." Mrs. Rufus Slover gave a report on last council meeting.

Mrs. O. B. West of Foreston and grandson, Meredith Giles of Hillsboro, spent last week here visiting her son and daughter-in-law, Mr. and Mrs. B. B. West.

Miss Jerry Jean Simmons is visiting her sister, Mrs. Travis Veteto, in Abilene this week. She accompanied Mrs. Veteto home Sunday after the latter had spent a few days here visiting her parents, Mr. and Mrs. G. W. Simmons and family.

THE LYNN COUNTY NEWS, TAHOKA, TEXAS

NEW BARHAM TELLS SOME BIG ONES

Newt Barham says: there is some kind of a hole in the atmosphere or something out in his community where it can not rain. He declares he has had no rain on his farm in two years.

From what he says this hole must be growing larger. It can't rain now west of Oscar Robert's home. Oscar has a stob set up in front of his house, and he says that these rains that fall here in town just extend up to this stob. It rains to beat the band east of the stob and doesn't lay the dust west of it. He is going to demand that that stob be removed.

One day he came along by Oscar's place, he says, and it was just pouring down in Oscar's front yard while he was back in the back yard irrigating the grass.

COTTON AND TICKING FOR MATTRESSES HERE

C. A. Lawrence reports that he had word Tuesday that the cotton for the mattresses to be made by Lynn county people had been shipped out of Littlefield on that day and was expected to be here - Wednesday or Thursday. The ticking, which was shipped from Alabama, arrived Tuesday.

Mr. Lawrence stated that 325 to 340 people in this county had signed up for mattresses.

Miss Houston Turns a Smart Furrow

DIMPLE CAUSEY, 17-year-old Texas beauty representing Houston in a goodwill visit to the New York World's Fair, can do other things besides smile and look pretty! Here she is driving a Ford tractor in the demonstration field at the Ford Exposition. In her handsome white leather boots, blue cowgirl costume, and sombrero she cut quite a figure among the city slickers gathered at the rail fence to see the performance. In this field a three-ring circus, with performing tractors instead of elephants and clowns, is put on three times a day. Miss Houston had the opportunity of seeing the massed tractors appear in a grand

march, then parade around the rings, driving, backing and pivoting, then do formation plowing, cultivating, disk and cultchbacking. In her soft Texas drawl, the fetching high school lass exclaimed she had never seen anything like this down her way, despite the large-scale farming she's familiar with.

Pretty Dimple—her real name—chalked up some other "firsts" on her trip north—her first visit to New York, her first to a real night club, her first to a Broadway show, and to other wonders! The Ford Exposition, which entertained her in its handsome Executive Lounge, last year led all World's Fair buildings in attendance.

O'DONNELL 4-H CLUB STUDIES TABLE SERVICE

"The meal to be served will determine the type of linen to be used," stated Miss Maurine McNatt at the O'Donnell 4-H Club at the home of Mrs. John Minor Tuesday, June 11.

"For breakfast, supper or luncheon the table may be covered with a lunch cloth, runners, or dollies. There are many attractive types. For dinner a beautifully-laundered table cloth is used over a pad of felt, asbestos or quilted cotton. The pads should be tied to prevent slipping. A pad is used to protect the top of the table, lessen the noise of dishes, and make the cloth look better. The table cloth should fit the table. It should fall ten inches below the edge of the table."

There were eight present. The next meeting will be June 18 in the home of Christine Etter.

NEWMORE CLUB MEETS

"In setting the table the sequence for all spoons, forks and knives is from the outside in toward the plate in the order in which they are used," Miss Maurine McNatt, home demonstration agent, told members of the Newmore 4-H Club Thursday, June 13, at the home of Mrs. Thomas.

"Knives are placed at the right of the plate with the cutting edge toward the plate, spoons with bow's up are placed at the right of the knife, forks are placed at the left times turned up. If no knife is used, the fork is put at the right of the plate."

"The water glass is set at the tip of the knife. If a bread and butter plate is used, it should be at the tip of the fork."

"The napkin should be at the left of the forks with the hem and selvage parallel to the edge of the table and the forks."

There were five members and two visitors present.

Mrs. Effie Townes, Charles, and Miss Little Jo visited relatives in and near Fort Worth last week from Tuesday to Sunday. Charles entered the Rivercrest Country Club golf tournament in Ft. Worth, qualified for the second flight, and won two matches before being eliminated.

DRAW METHODIST CHURCH TO SPONSOR PIE SUPPER

The W. M. S. of the Draw Methodist Church will sponsor a pie supper Friday night June 21st. The Public and especially the candidates are cordially invited.

THE PIONEERS

LIVED

MODESTLY!

But, today, for little more, people of modest means may have a modern, well-built home that keeps out the rain and dust and cold, equipped with the most modern conveniences.

MEN'S BIBLE CLASS TO ENTERTAIN POST

The contest which has been waged by the Men's classes of the Baptist Sunday Schools of Post and Tahoka the past twelve weeks came to a close last Sunday, with the Post boys far in the lead. It becomes the duty of the Tahoka men's class therefore to entertain the Post class.

Tentative plans were made Sunday night of next week has been set as the time, subject to approval by the Post aggregation. Tahoka will furnish the eats and Post will furnish the program.

Post knows how to entertain and a snappy program may be expected.

It is desired that every member of the local class shall be present to give the visitors a royal welcome. Not only are the members of the class but every man who is a member of the church and every man who has attended the class in recent months whether a member or not is urged to be present.

C. W. Conway is president of the class, Deen Nowlin is secretary, and W. M. Harris assistant. Mr. Conway has named Sam Holland and Chester Connolly to act with himself as a committee to furnish the "eats".

Mr. and Mrs. Ovid Lullin and sons Allen and Ovid Jr., Mr. and Mrs. Clay Hughes and son Wayland, and Miss Jennie Reba Nevill left Sunday night for a two weeks visit at Flagstaff, Arizona.

Mrs. Fay Westmoreland of Lubbock spent the weekend here.

WAYSIDE H. D. CLUB MEETS WITH MRS. PATTERSON

"The History of the Movies" as presented by Mrs. J. E. Jennings at the meeting of the Wayside Club when it met with Mrs. C. L. Patterson Thursday, June 13, was very interesting.

The club voted to have a candidate speaking and an ice-cream supper at Wayside in the near future; also the club quilt is to be given away at that time.

The next club meeting will be with Mrs. J. E. Jennings on June 27.

Refreshments were served to thirteen members one new member, and two visitors.—Reporter.

NEW LYNN EPWORTH LEAGUE PLANS SOCIAL

The New Lynn Epworth League met Sunday eve, June 16, at 8 o'clock. A very interesting program was rendered by Miss Alvera Wilke.

A social was planned for Friday evening, June 21, to be at the home of Mr. and Mrs. Lee Roy Baker.

We invite the young people to come and join our League it may be a help to you.

LUTHERAN CHURCH SERVICES

NEXT SUNDAY NIGHT

The Rev. Theo. F. Sager, pastor, announces that the American Lutheran Church will have services in the Presbyterian Chapel here at 8:00 P. M. Sunday night.

Subject of the discourse will be: "The Miraculous Draught of Fishes."

"Come and worship with us. Visitors always welcome," says the pastor.

WE PAY TRIBUTE TO THE PIONEERS

Without you Lynn County could not have grown and prospered. Without you, this institution could not have succeeded. We honor you who have paved the way for a great country.

NOW LISTEN TO THIS

"Lo, the Poor Editor" from the
pen of some unknown writer:

Consider the editor! A child is
born unto the wife of a merchant in
the town. The physician getteth 10
plunks. The editor writeth a stick
and a half and telleth the multitude
that the child tippeth the beam at
nine pounds. Yea, he lieth even as
a centurion. And the proud father
giveth him a five-cent cigar.

Behold, the young one groweth up
and gradueth. And the editor put-
teth into his paper a swell notice.
Yea, a peach of a notice. He telleth
of the wisdom of the young woman
and of her exceeding comeliness.
Like unto the roses of Sharon is she
and her gown is played up to beat
the band. And the dressmaker get-
teth two score and four iron men.
And the editor gets a note of thanks
from the sweet girl graduate.

And the daughter goeth on a
journey. And the editor throweth
himself on the story of the farewell
party. It runneth a column solid.
And the fair one remembereth him
afar with a picture postal card that
costeth six for a jitney.

Behold she returneth, and the
youth of the town fall down and
worship. She picketh one and lo,
she picketh a lemon. But the editor
calleteth him one of our promising
young men and getteth away with
it. And they send unto the editor
a bid to the wedding, and behold the
bids were printed in a far city.

Flowery and long is the wedding
notice which the editor publisheth.
The minister getteth 10 bones. The
groom standeth the editor off for a
12-month subscription.

All flesh is grass and in time the
wife is gathered unto the soil. The
minister getteth his bit. The editor
printeth a death notice, two columns
of obituary, three lodge notices, a
cubit of poetry and a card of
thanks. And he forgetteth to read
proof on the head and the darned
thing cometh out, "Gone to Her
Last Roasting Place."

And all that are akin to the de-
ceased jumpeth on the editor with
exceeding great jumps. And they
pulleth out their ads and cancelth
their subscriptions, and they swing
the hammer even unto the third and
fourth generations.

Canst thou beat it?—Swiped.

NOW—OR LATER AT A
COLOSSAL COST

This nation must rush airplanes,
tanks, artillery and supplies to the
Allies NOW, or else operate these
death-dealing mechanized units of
war on our own at later date—not
so remote—at a colossal cost.

We cannot evade one or the other
of these unpleasant courses, and the
burying of our national head in the
sand of blind optimism would be the
world's prize example of national
brains lower than the proverbial
ostrich.

This is no time to prate about
"neutrality." For the present all
previous standards of international
law and procedure have been black-
ed out by Messrs Hitler, Stalin and
Mussolini, and the rudely awakened
sense of self-preservation must know
how to act—and act promptly in
such a crisis of human destiny.

If our American people would ride
in 1941 model transportation in the
safety of the Western Hemisphere,
then we must "trad-in" our rapidly
out-moding war machinery, and see
that the Allies get immediate deliv-
eries of planes, guns, and equip-
ment to end Hitler's mad gamble for
the destruction of European Demo-
cracy, which is only the first step in
the wiping out of all Democracy.

We must forget inter-party and
national politics. Today we have the
sublime privilege of being free Ameri-
cans—united in a supreme effort to

protect Christian and Democratic
ideals.
God grant that this effort for us
may be short of War.—Clarendon
News.

WHERE DID THEY GO?

Something is happening when a
county loses almost 5,000 citizens in
a period of ten years. Something is
happening when more than 700 farms
in a county just vanish.

The loss of such a large number
of people will naturally affect all the
rest of the citizens in that county,
and we remaining citizens will feel
this loss.

Let's hope for a steady growth in
the next decade—let's work togeth-
er to build our place of living to the
standard which it formerly had.—
Memphis Democrat.

We do not know at this time just
what the developments in Europe
may have been by the time this
reaches the reader but it seems rea-
sonably certain now that whatever
else may happen Germany is to be-
come and continue to be a mighty
and aggressive autocratic empire. It
looks as if the United States, Cana-
da, and what is left of Great Brit-
ain, together with Australia, com-
prising the English-speaking people of
the world, must henceforth make
common cause against it. It will be
a fight to preserve our liberties and
our democratic principles of govern-
ment against the assaults of this
and other powerful autocracies whose
threat and purpose it is to domi-
nate the world. Entangling alliances
or no entangling alliances, the De-
mocracies must stand and fight
together or die. We have the faith
to believe that through much tribu-
lation they will survive and con-
quer.

Hitler scoffs at Democracy. He
lauds and glorifies autocratic power
everywhere. Just now he is seeking
to make all Europe one vast auto-
cracy. He has sent his spies and
emissaries to many of the countries
of South America, to Mexico, and to
the United States. And yet we have
in this country some men, such as
Charles Lindbergh, who are still prating
that we should remain neutral, that
this war is no concern of ours,
that it is merely a case of "dog-eat-
dog," etc. Such short-sightedness is
really amazing.

Abraham Lincoln once told a group
of ministers who called upon him
that he was not so much concerned
as to whether or not God was on his
side as he was as to whether or not
he was on God's side. In these stress-
ful times, that should be the concern
of every American. If we feel sure
that we are on the Lord's side, we
may rest assured that he will be on
our side. If all America will plant her
feet on the bed-rock principles of
Christianity and democracy, have
faith in God, and then do her best,
she may still be going strong a thou-
sand years from now.

There are many foreigners in this
country who have become thoroughly
Americanized and who are thorough-
ly loyal to our government and the
principles of freedom and human
rights on which it is founded. But
many of them brought with them
their European ideas and ideals and
have continued to nourish and cher-
ish them here, and they have learned
little of the American way of life. We
believe that no foreigner should be
admitted into this country until he
signs an agreement to take a course
in American history and government
and in English if he can not speak
or write the language. Either night
schools or day schools should be pro-

vided for the purpose of teaching
these foreigners, who should be re-
quired to attend them and pass a
reasonable examination in the sub-
jects taught or sent back to the lands
from which they came, with proper
exceptions. If that were done, we
would have fewer "fifth-column" ad-
herents in this country.

The state health department is
doing a great work in safeguarding
the life and health of the people.
Our laws seem to be inadequate,
however, in some particulars. The
regulations respecting the sale of
milk by dairy owners or other indi-
vidual owners of milk cows should
be more strict. Compulsory inspec-
tion of dairy cows at frequent in-
tervals should be required by law
and the sale of milk from any cow
having a disease that may be com-
municated through the milk should
be severely punished. Since our laws
governing these matters are very lax,
many owners of dairy cows have in-
nocently and unsuspectingly caused
the spread of serious disease among
the people. We are told on good au-
thority that there are many cows in
Lynn county today that are afflicted
with Bang's disease, and that un-
dulant fever is frequently contracted
from drinking the milk from cows
thus afflicted.

Honestly, folks, we don't think
there is any possibility of Germany
cleaning up on the United States any
time soon. If she finally crushes
Great Britain, however, as she has
crushed France and other nations
of Europe, she will soon become a
great world empire and will then be
in position to give us very serious
trouble. It's not the immediate con-
sequences but the ultimate conse-
quences of this war that we need to
fear. We can not afford to see Great
Britain destroyed as France has been
destroyed.

The fellow who howls the loudest
about hypocrites in the church is
usually the biggest hypocrite of them
all, and the fellow who continually
howls about politicians in public of-
fice may usually be written down as
about the most offensive type of
politician running loose.

Texas should elect a governor this
time who knows how to find his way
about down at Austin.

FLAG SERVICE AT BAPTIST
CHURCH SUNDAY

A service just a little different
from the ordinary was held at the
Baptist church last Sunday morn-
ing, a flag service.

On one side of the pulpit was the
Stars and Stripes, on the other the
Christian flag.

Just before the beginning of the
sermon, the congregation was asked
to rise and give the salute to the A-
merican flag, which was done, with
Ovid Luallin, Jr., a Boy Scout lead-
ing.

At the close of the sermon an ap-
peal was made to the Christians
present to pledge their devotion and
loyalty to the Banner of Christ and
nearly all present did so by giving
the preacher their hand.

In his discourse, the pastor had
praised the national flag and the
things it stands for and had extolled
the Christian flag as the symbol of
the great principles of Christianity
and as having given birth to the na-
tional flag. It was an impressive
service.

KNOX COUNTY PIONEERS.

REUNION AT MACKENZIE PARK

The old pioneer settlers of Knox
county will meet in the MacKenzie
State Park in Lubbock on Sunday,
August 11, to enjoy their first an-
nual reunion, according to S. C.
Rawlings, 2516 23rd st., Lubbock.

A basket picnic dinner will be
spread at noon. Special music and
speaking will be heard in the after-
noon in honor of the old settlers who
came west in covered wagons to
make this beautiful country their
home.

The Texas Collection of the Uni-
versity of Texas' Lamar Library is
the most complete collection of Tex-
ana in existence. It contains 27,000
volumes of both rare and modern
books on Texas or by Texans.

Lemon Juice Recipe Checks
Rheumatic Pain Quickly

If you suffer from rheumatic, arthritic or
neuralgia pain, try this simple inexpensive home
recipe that thousands are using. Get a package
of Ru-Ex Compound today. Mix it with a quart
of water, add the juice of 4 lemons. It's easy.
No trouble at all and pleasant. You need only
2 tablespoonfuls two times a day. Often within
48 hours—sometimes overnight—splendid re-
sults are obtained. If the pains do not quickly
leave and if you do not feel better, Ru-Ex will
cost you nothing to try as it is sold by your
druggist under an absolute money-back guaran-
tee. Ru-Ex Compound is for sale and recom-
mended by

WYNNE COLLIER, Druggist

INFANT BURIED SUNDAY

Dying at birth, an infant weigh-
ing twelve pounds was born to Mr.
and Mrs. Pharis Stephens living just
east of the Midway schoolhouse on
Saturday night. It was buried at O'-
Donnell Sunday afternoon following
funeral services conducted by Elder
R. P. Drennon. This was the only
child born to these parents. They
have the sincere sympathy of many
friends.

STAMFORD RODEO

Veteran cowhands of Texas will
gather in Stamford July 2, 3 and 4
for the eleventh annual Texas Cow-
boy Reunion. Membership of the
Association, now numbering 1,800,
includes the following from Tahoka,
Texas:

Oscar Carothers, G. W. Short and
Bill Thompson.

Membership is limited to men who
were actively employed as cowboys
on ranches at least 35 years ago.
Members who have paid their an-
nual dues of \$1.00 will be issued
badges which entitle them to dinner
at the oldtime cowboys' chuck wagon
at noon each day and free admission
to the rodeo and grandstand.

An average of 18½ new oil wells
per day were completed in Texas
last year.

Speaking Schedule For Candidates

Speaking schedule for candidates prior to the first primary election, according to Chairman Prentice Walker, is as follows:

Friday, June 21, Draw
Tuesday, June 25, Lakeview
Friday, June 28, West Point
Tuesday, July 2, Gordon
Friday, July 5, Wells
Tuesday, July 9, New Home
Friday, July 12, open
Tuesday, July 16, Petty.
Friday, July 19, Wilson
Tuesday, July 23, O'Donnell
Friday, July 26, Tahoka
All these meetings will be at night.

Congratulations

To Mr. and Mrs. Ernest Kinslow on the birth of a son Saturday morning, weight 11 pounds.

To Mr. and Mrs. Ed Fults on the birth of a 7 1-2 pound son Monday morning.

To Mr. and Mrs. A. A. Neely on the birth of a son Monday morning at 8:00 o'clock, weighing eight and a half pounds. He has been named Dewayne Kay.

To Mr. and Mrs. Ed Fults on the birth of a son, Condy-Paul, Monday June 17, at 5:30 at home, weight seven and a half pounds.

To Mr. and Mrs. Elmer Lee King of near Dixie on the birth of a nine pound baby girl Tuesday morning at 7:05 o'clock.

Mr. and Mrs. J. B. Germany and Mr. and Mrs. F. T. Thorp and their son Bennie visited relatives in Denver City and friends in Seagraves Sunday.

Mr. and Mrs. Lawrence Evans and so, Robert, visited her parents in Slaton Sunday.

S. R. LEMAY

Special.—Launching his first major West Texas drive, S. R. Lemay of Athens, Texas Wednesday, pledging a business-like administration of public school funds.

A graduate of both A. & M. and the University of Texas, Lemay holds four college degrees and has served in the Texas public school system for a period of 25 years. He has taught in rural and city schools and in two state colleges the University of Texas at Austin and the Stephen F. Austin State Teachers' College at Nacogdoches. For the past 18 years he has been superintendent at Athens.

O'Donnell Weddings Announced

Miss Jessie Lee Ables and Roy Elmo Everett were married Sunday June 16 in Clovis, New Mexico.

The bride was a student in the O'Donnell high school last year and is the daughter of Mr. and Mrs. Jim Ables.

Mr. Everett also attended the O'Donnell high school and is in business with his father, Roy Everett, of O'Donnell.

The couple will reside in O'Donnell.

BURLESON-SINGLETON

Miss Lena Mae Singleton, daughter of Mr. and Mrs. Hal Singleton, Jr., and C. R. Burleson, Jr., son of Mr. and Mrs. C. R. Burleson, Sr., were married in Seminole Tuesday.

Both are former O'Donnell high school students and are popular among the younger set of the city.

CAA FLIGHT PROGRAM AT TECH ATTRACTS ENTRANTS

LUBBOCK, June 17—The summer CAA flight program at Texas Tech has attracted 100 applicants from which 45 will be selected, according to Robert P. Vail, assistant professor of mechanical engineering, who is in charge of the training. Thirty applicants have already been approved and the list will be completed in time for instruction to begin June 15th.

James Hollie Cross, instructor in Physics, will assist Vail in ground school instruction. J. F. Dogley and Clint Breedlove are flight operators. The course will be concluded August 15th.

HARRISES ENTERTAIN

The spacious and attractive home of Mr. and Mrs. W. M. Harris on North Second Street was the scene of merry party last Thursday evening when a number of the friends and neighbors of the couple gathered for an evening of games. "42" was played until a late hour when a refreshment plate was passed to Messrs and Mmes: Carl Griffing, J. T. Bovell, Sam Reid, K. R. Durham, A. L. Smith, E. H. Boullouin, Lawrence L. Roddy, Carl Owens, W. O. Rob-Evans, J. E. Dye, S. H. Holland, H. ertson, A. J. Kaddatz, W. A. Reddell, Mrs. R. C. Forrester, Rollin McCord and Mr. and Mrs. Harris.

BAPTIST B. T. U. PROGRAM

At the Baptist Church next Sunday night June 23, the young People's Union will present the following program at the Training Union.

Director of Program, D. F. Reddell
Subject: Alcohol Dulls the Mind
I. Stolen brains, Paul Cox
II. John Barleycorn's Work, Pauline Owens.

III. The Decline of Self Control, Wanda Dyer.

IV. The Christian Exercises Self Control, Carra Reese.

V. The only Safe Course, Bernice Edwards.

WAR AFFECTS TEXAS TECH TEXT BOOK SUPPLY

LUBBOCK, June 17 — Textbook supply for the summer session at the Texas Technological college has been affected by the war in Europe. Books ordered in February from France and Spain for the foreign language department have not been heard from.

Army Nurse

Calling briefly at the News Office Wednesday was Miss Claudia Draper, Army Nurse from March Field, Riverside, California. Miss Draper, who came for a month's visit to her parents, Mr. and Mrs. I. M. Draper, flew from Riverside to Lubbock on Monday in one of the Army's giant bombing planes which went on to San Antonio.

Army Nurses are the only women who have the privilege of riding in these planes stated Miss Draper in speaking of the thrilling trip which was made in seven hours. By Pacific time they left March Field at 10:00 A. M., which is 12:00 noon our time, and arrived at Lubbock airport at 7:00 P. M. One stop was made, El Paso, to refuel the plane, the party of six taking their meal in the air.

After the month's furlough Miss Draper will leave for Honolulu and will be stationed in Hawaii somewhere in the vicinity of that city. She ordered the News to follow her there.

Miss Draper has many friends here where she was graduated from High School and was later graduated from the Lubbock Sanitarium Nursing School, who will be glad to see her again before she leaves for her distant station.

PETTY 4-H CLUB

"In setting the table it must appear balanced" stated Miss Maurine McNatt, home demonstration agent, at the meeting of the Petty 4-H club at the school building, Tuesday, June 18.

Dishes must be placed so no spot is crowded. All the lines on the table should go across or lengthwise of the table. A diagonal line attracts attention and should be avoided. All dishes, linens and silver must follow this rule or the effect is one of carelessness. Dishes and serving silver must be placed for convenience.

Miss McNatt gave a demonstration on table service.

Five members were present.

Reporter

Mr. and Mrs. Harlan Cook and Mr. and Mrs. Jack Fenton spent a few days this week at Christoval, just taking a short vacation.

Miss Marjory Dean of Hamlin, Texas spent the past week with her sister, Mrs. Coy Fielder and family.

HON. TOM GARRARD ANNOUNCES CONTRIBUTORS TO RED CROSS

The quota for Lynn County for the Red Cross War Relief Fund was fixed on May 10th at \$420.00 as a minimum. On May 28th they wired us to double that amount and raise as much more as possible. Individuals have contributed \$530.72 up to this time with some of our workers not yet having reported.

At a benefit party sponsored by the Business & Professional Women's Club a gross amount of \$227.91 was realized, less the expense for music and hall of \$60.00, making \$167.91 net contributed by the Business & Professional Women, or a total of \$698.63 net has been collected.

We want to thank heartily all of those who contributed and helped in any manner and we are especially gratified by the fine showing that the Business & Professional Women's Club made and the nice contribution

that we received through their efforts.

The following persons in and around Tahoka have contributed the amounts set out:

W. E. Suddarth, \$25.00; Otho Thomas \$5.00; Jack Apprewite, \$10.00; Judge Elliott, \$10.00; Wynne Collier, \$10.00; Happy Smith, \$5.00; T. N. M. Utilities, \$5.00; Mack's Food Store, \$5.00; Jones Dry Goods, \$5.00; Al Lehman, \$5.00; Robinson Ready to Wear, \$5.00; Cobbs Dept. Store, \$5.00; J. K. Calloway, \$5.00; Arthur Raborn, \$6.50; Clay Bennett, \$5.00; Mrs. W. D. Nevels, \$5.00; First Natl. Bank, \$15.00; R. W. Fenton, Jr., \$5.00; Dr. Prohl, \$5.00; Lum Haney, \$5.00; Charles Townes, \$2.00; A. C. Weaver, \$1.00; Kenneth Durham, \$2.00; Roy Poer, \$2.50; I. I. Gattis, \$1.00; Carl Griffing, \$1.00; H. W. Calloway, \$2.50; C. A. Lawrence, \$2.50; Vern-

on Davis, \$1.00; Geo. Dale, \$2.00; W. Knight, \$1.00; J. Fred Bucy, \$1.00; Reed Townes, \$1.00; Bart Cowan, \$1.00; A. E. Herring, \$1.00; Marvin Woods, \$2.00; Cicero Smith, \$5.00; Geo. Turrentine, \$10.00; A. L. McMillan, \$1.00; Chester Connally, \$1.00; G. K. Smith, \$1.00; Jack Welch, \$1.00; Jim Dye, \$1.00; Sam Blair, \$2.50; Ovel Lytle, \$1.00; A. M. Cade, \$1.00; P. W. Goan, \$2.00; Skip Taylor, \$1.00; Walter Mathis, \$2.00; Erlene Norman, \$1.00; Don Bradley, \$1.00; Mrs. Lenore Tunnell, \$1.00; Ray Weathers, \$1.00; Leonard Craft, \$1.00; E. I. Hill, \$2.00; Maurine McNatt, \$3.00; Dr. Sinclair, \$1.00; Rollin McCord, \$1.00; A. L. Pace, \$1.00; D. W. Gaignat, \$10.00; John Glover, \$2.00; Farmers Co-op, \$10.00; Jeff Connolly, \$1.00; Borden Davis, \$3.00; Tahoka Co-op, \$10.00; Jim Burlison, \$10.00; Wyatt Bros., \$2.00; J. L. Heare, \$5.00; Hig. Bartlett, \$5.00; Bascomb McCord, \$3.00; Edwards Imp. Co., \$5.00; C. A. Thomas, \$5.00; W. M. Harris Hwd., \$5.00; Tahoka Motor Co., \$5.00; E. H. Boullioun, \$5.00; D. B. English, \$5.00; Conway Clingan, \$5.00; Tahoka Bakery, \$2.00; A. L. Smith, \$2.00; Black Cat Cafe, \$1.00; J. M. Marcell, \$5.00; Piggy Wiggy, \$2.00; Boyd Smith, \$1.00; Forrester Ins., \$1.00; Day & Nite Garage, \$1.00; Reid's Radio Repair, \$1.00; West & Nowlin Service Sta., \$1.00; G. Pennington, \$1.00; P. L. Larkin, \$1.00; W. L. Knight, \$2.00; Reid Parker, \$1.00; Henry Maasen, \$1.00; Kirk Pitts, \$1.00; W. M. Lee, \$1.00; Janes Beauty Shop, \$1.00; W. C. Wharton, \$2.00; Oran Ramsey, \$1.00; Callaway Huffaker, \$1.00; Ethel Calahan, \$5.00; Mrs. E. S. Davis, \$1.00; C. L. Woodward, \$1.00; Business & Professional Women Club gross from benefit dance \$227.91 less expense of \$60.00 net \$167.91.

Total \$33.72. \$35.20 shown by list but only \$33.72 turned in.

The following is a list of contributions from O'Donnell:

The First Natl. Bank of O'Donnell, \$25.00; C. H. Cabool, \$10.00; C. H. Doak \$25.00; Shack Blocker, \$10.00; J. S. King, \$1.00; W. H. Harris, \$1.00; H. W. Hancock, \$1.00; A. H. Koeninger, \$10.00; S. M. Minton, \$2.00; J. M. Noble Jr., \$1.00; B. J. Boyd, \$10.00; W. G. Forgy, \$1.00; Joe Proctor, \$1.00; Maynard Ebanks, \$1.00; J. R. Miller, \$1.00; Roy Everett, \$1.00; Clyde Edwards, \$1.00; J. N. Everett, \$1.00; Burl Koeninger, \$1.00; W. J. Shook, \$1.00; Ellis Chevrolet Co., \$2.50; Lee Garner, \$1.00;

Guy Bradley, \$2.00; Jim Lacy, \$1.00; Bert Holman, \$1.00; W. E. Ratliff, \$1.00; W. E. Tredway, \$1.00; Lynn Co. Motor Co., \$2.50; G. C. Wilson, \$1.00; I. R. Street, \$1.00; Cecil Payne, \$5.00; R. I. Archer, \$1.00; Lyle Pugh, \$5.00; R. E. Gollightly, \$1.00; E. M. Enloe, \$1.00; Gene McKinney, \$2.50; Albert Phillips, \$2.50; Frank Lamb, \$1.50; S. D. Allen, \$5.00; Clarence Lacy, \$1.00; W. L. Christopher, \$1.00; Chas. Wells, \$1.00; Cecil Abraham, \$1.00; Edd James, \$1.00; Geo. D. Foster, \$1.00; P. G. Gainear, \$1.00; Beverly Wells, \$1.00; Dean Schooler, \$1.00; C. H. Morrison, \$1.00; O. H. Shepard, \$5.00.

Total \$135.00.

And the following is a list from Wilson.

L. Lumsden, \$10.00; H. G. Cook, \$2.50; Wm. G. Lumsden, \$2.50; J. F. Covey, \$1.00; H. B. Crosby, \$2.00; Rev. W. H. Jackson, \$1.00; J. C. Key, \$1.00.

Total \$20.00.

There has been an enormous amount of detail work in connection

with the staging of this drive and keeping the records in shape. If there is anyone who has contributed whose names are not on this list, I would be grateful if he or she would report that fact to us, as we do not want to make any mistakes.

It would be very much appreciated if the various working organizations who have not yet reported would bring in their contributions and let us find out how we stand on the total drive.

Under present drouth conditions in Lynn County, I think that the people have responded nobly. The Red Cross is asking that our efforts be redoubled, and we will continue to receive contributions and send in the money and report the contributors through the press as we have always done.

Sincerely yours
Tom Garrard

BAPTIST W. M. S.

Meeting in three Circles the women of the Baptist W. M. S. began the study of three mission books Monday afternoon.

In the home of Mrs. George A. Dale Mrs. H. D. Henderson taught the book, "Following in His Train", with the following in attendance: Mmes. H. L. Roddy, C. Connolly, H. R. Howell, J. L. Nevill, J. R. McIntyre, W. Fortenberry, H. D. Henderson and George A. Dale.

In the home of Mrs. C. S. Great-house the Sallee Circle began their study of "Rebirth of a Nation" with Mrs. J. K. Woosley as teacher.

Those attending were Mmes. W. M. Harris, C. T. Oliver, A. J. Edwards, S. H. Holland, G. H. Hines, P. W. Goad, E. I. Hill, C. S. Great-house, and Misses Elizabeth and Margaret Preston and Mary Seroy-er.

The Lunsford Circle met with Mrs. L. M. Warren and studied "The Life of Basil Lee Lockett", Mrs. W. H. Kenley, teacher, and the following in attendance: Mmes. Alex Nevill, Everett Nevill, A. L. McMillan, W. T. Kidwell, G. Pennington, W. H. Kenley and L. M. Warren.

Next Monday, June 24, all Circles meet together at the Church for a business meeting and to give reports it is important that the Chairman of all standing committees, and each Circle Chairman be present.

Publicity Chairman

WOMEN'S BIBLE CLASS

With Mrs. Beecher Sherrod as teacher ten women of the Church of Christ held their meeting at the Church Tuesday afternoon, studying the Bible account of "The Raising of Lazarus".

The class is planning to secure some religious books for the new public library.

Mrs. Tom Smith of Redwine has returned home after spending several weeks in Mineral Wells for the benefit of her health. She has made some improvement but has not completely regained her health according to relatives here.

Mr. and Mrs. P. T. Stringfield of Duncan, Oklahoma, were the guests Sunday of her brother, Grady Steele. They left here for a visit with relatives in California.

Mrs. W. J. Burckhart, who was injured in a storm several weeks ago is now able to be up and she came to town one day recently.

Miss Grace Greathouse is visiting relatives in Caldwell.

EUZELIAN CLASS MEETING

Mrs. W. O. Robertson was hostess to the members of the Euze-lan Sunday School Class Tuesday evening in their monthly business and social meeting.

Mrs. W. Fortenberry, Class President, brought the devotional and conducted a short business session in which plans were made to raise class funds. This Class has agreed to make a worthy offering to the Church building fund this year.

After enjoying games a refreshment plate was passed to Mmes: J. C. Edwards, visitor from Dallas R. C. Forrester, George A. Dale, S. H. Holland, E. I. Hill, G. W. Simmons, W. Fortenberry, J. M. Scott, P. W. Goad, J. E. Dye, Essie Russell. Misses Beryl and Edith Robertson assisted the serving committee.

Mrs. J. C. Edwards and children Malcolm and Ann of Dallas and Everett Dale Jr. of Oklahoma City are visiting for a few weeks in the home of Rev. and Mrs. George A. Dale.

Truett Cooper, who has been attending A. & M. College, is doing special work at John Tarleton College at Stephenville during the first six weeks of the summer school.

Mrs. Clyde Jones and two nieces, the Misses Lane of Lubbock, visited Mrs. Jones' aged uncle, J. G. Lane, at Lake Arthur, New Mexico, Saturday and Sunday.

Miss Dorothy Carrington of Caldwell is spending the summer in the home of her aunt, Mrs. C. S. Great-house, and family.

Mrs. Fred Staggs and son, Martin returned Wednesday from Abilene where they had spent two or three days on business.

Vegetable Laxative Has Important Points

Most people want a laxative to do three things: (1) act punctually, (2) act thoroughly, (3) act gently.

Here's one that usually fills all three requirements when the easy directions are followed. It's an all-vegetable product whose principal ingredient has medical recognition as an "intestinal tonic-laxative."

That's the ingredient which enables BLACK-DRAUGHT to help tone lazy bowel muscles. It is the main reason for the satisfying relief from constipation that generally follows next morning when BLACK-DRAUGHT is taken at bedtime. The millions of packages used are proof of its merit.

MISS McNATT DISCUSSES
TABLE MANNERS

"It is almost an essential to know good table manners," Miss Maurine McNatt told the Midway 4-H Club girls Thursday as she met with them in the home of their sponsor, Mrs. R. L. Littlepage.

A table was set for a demonstration of Etiquette and during the demonstration every member learned several new things which they will add to their daily practice of manners. One of the goals of the club is to learn and put into practice two new manners, and every club member has already filled this goal.

The members present were: Reba Phillips, Marcelene Stephens, Clara Faye Nordyke, Clovis Stephens, Jimmie Ruth Phillips, Catherine Henry, Mable Williams, their sponsor, Mrs. R. L. Littlepage, and one visitor, Maxine Oliver.—Reporter.

Mr. and Mrs. Harley Henderson Joan and Jean, Mr. and Mrs. Frank Hill and Patricia, attended a reunion of the family in Lubbock Sunday in their parents' home, Mr. and Mrs. B. H. Howard. Such occasions are often enjoyed by the thirteen children and their families.

Mr. and Mrs. Henry Stewart had as their guests this week Miss Faye Perkins of Brownfield and Mr. and Mrs. Leonard Kruse of San Antonio. Mrs. Kruse will be remembered as Miss Mabel Perkins. Miss Faye will accompany Mr. and Mrs. Kruse to San Antonio to spend the summer.

Patricia Hill and Jean Henderson are visiting in Floydada in the home of Mr. and Mrs. John Reagan. Mrs. Reagan is their aunt.

The lantern used by the—

LAST YEAR'S OLDTIMERS REUNION SCENES

Photos above were taken by an Avalanche-Journal photographer at last year's oldtimers reunion. Some of these scenes will probably be reenacted here Monday at the sixth annual meeting of the organization.

Only those who were citizens of Lynn county 30 years ago are eligible. Center photo shows a part of the crowd at the noon barbecue. Lower left are gang who prepared the barbecue. They are, left to right, front

row: J. D. Donaldson, Claude Wells, Herb Lewis, Jim Weatherford, Oscar Roberts; second row: A. L. Jolly, A. D. Schaffner, Fritz Nelman, A. H. McGonagill, Ollie Wright, Chester Connolly, John W. Link, George

Small and Clay Hughes. Lower right picture shows E. T. Wells, O'Donnell, former president, W. H. May, Wilson, Truett Smith, Tahoka, secretary, and J. D. Donaldson, president of the association.

MRS. SNOWDEN DISCUSSES
MOTION-PICTURE INDUSTRY

"The moving picture industry was begun before 1800, although it was still in its infancy when Adolph Zukor became a producer in 1912," stated Mrs. H. M. Snowden, at the Tahoka Home Demonstration meeting at home of Mrs. J. K. Woosley on June 12.

"At this time the theaters were tiny, ill-ventilated, and uncomfortable, with naked yellowish incandescent lights; the pictures on the screen flickered and jumped, and the film was always breaking.

"When the movies were struggling for a foothold, stage players ventured to work before the camera for fear of being banned from the theater. Zukor had to walk the streets to get actors, then he had to seek a hungry one before he could secure his assistance. Even this had to be done in secrecy, which caused them to have to change their name for fear of losing their job.

"Technical help was equally as hard to obtain. It was not uncommon for one man to write the scene, play, and direct the picture, crank the camera, and perhaps play a role in the film himself, as well as doing the cutting, editing the film titles." The club voted not to send a delegate to Short Course, since one of its members is being sent by council and is representing the county.

Club voted to have a picnic at the park, June 17, for the husbands and families, about 50 were present. 15 members were present for the club meeting. The next meeting will be June 26 in the home of Mrs. Sam Holland.

Charley Thompson and two sons of Littlefield were here Thursday greeting friends. Charley says both cotton and feed crops are excellent in his portion of the plains except that that the hail hit.

MIDWAY NEWS

Mr. and Mrs. Curtis Driver had as their guests Sunday Mr. Driver's sister, Mrs. Garland Miller, and Mrs. Diver's parents, Mr. and Mrs. W. J. McClintock, all of Lamesa.

Mr. and Mrs. A. F. Adams visited Sunday in the home of Hubbard Young of Wilson.

Miss Lottie Jo Stephens, who is attending summer school at Canyon, spent the week-end in the home of her parents, Mr. and Mrs. L. A. Stephens.

Mr. and Mrs. Boyd Driver, son, Buster, and nephew, Billie, visited Mr. Driver's parents, Mr. and Mrs. H. L. Driver of Wolforth.

Miss Claudia Draper of California is visiting her parents, Mr. and Mrs. I. M. Draper.

Mr. and Mrs. Robert Womack and son Bob spent the week-end in the home of Mr. Womack's sister, Mr. and Mrs. Johnnie Brooks of Brownfield.

O'Donnell Resident
Dies Suddenly

O'DONNELL, June 13—Stricken suddenly, Mrs. Leila Mae Pyeat, 58, died at about 9 p. m. Wednesday night while watching a game of "42" at the O'Donnell Hotel where she resided. A verdict of acute indigestion was given as the cause of death.

The attack came so suddenly, and death followed so quickly, that friends of Mrs. Pyeat were stunned, and unable to believe that the end had come before a doctor could arrive.

Funeral services were scheduled to be held in Hamlin where interment will also take place. A Higginbotham Funeral Home ambulance of Lamesa was called and the body taken there and later transported to Hamlin by an undertaker of that city.

Among the immediate survivors are two sons, Loyd of Houston, and Sam of Dallas; and one sister, Mrs. Sam King of Hamlin.

Mrs. Pyeat was well-known here and when not traveling during the summer months made her home at the hotel here. She had just returned from a trip to Houston and Dallas.

Donna Jean and Monna Corine Thomas, who are visiting their grand-parents, Mr. and Mrs. J. D. Donaldson, spent last week end with friends in Lamesa.

T. Haywood Basinger of the Southland vicinity was here Thursday looking after his political fences. He reports that he is one of those unfortunate farmers whose crop was hailed out a few days ago.

J. D. Donaldson Jr. has been in San Antonio the past few days taking the state medical examination preparatory to entering an Oklahoma City hospital as an interne.

Dr. and Mrs. Blake of Lubbock spent Sunday in the J. D. Donaldson home.

They will make their home in O'Donnell following a short trip to New Mexico.

Softball Schedule
Announced

The Softball League was hampered by rain this week, but schedule of games will be taken up again as soon as the field is dry. Games missed will be made up at the end of the season, according to Claude Conway.

Monday night, Gagnat defeated Jackson's football boys 13 to 6, and Orange Crush won from New Lynn 13 to 8.

Rotary had been scheduled to play Grassland and the Bakery to play Conoco Tuesday night, but the rain caused postponement. Likewise Phillips vs. Crossroads and Gagnat vs. Orange Crush had been scheduled Thursday night.

Friday night New Lynn plays the Bakery and Jackson plays Grassland.

Schedule for the remainder of the regular season follows:

Monday, June 24: Conoco vs. Crossroads, Rotary vs. Phillips 66.

Tuesday, June 25: Gagnat vs. the Rotary Club, New Lynn vs. Jackson.

Friday, June 27: O'Crush vs. Conoco, Bakery vs. Crossroads.

Friday, June 28: Gagnat vs. Bakery, Phillips 66 vs. Grassland.

TECH GRADUATE APPOINTED
BOEING PROJECT ENGINEER
LUBBOCK, June 17 — William Sutt, graduate of the mechanical engineering department of Texas Technological college, has accepted appointment as project engineer for a flight of new strato-liners of the Boeing Aircraft corporation to be made from Miami, Florida, to Colombia.

The gestation period of deer is about seven months.

Odds and Ends See Eye, the Elder

If you had a million dollars, what would you do with it?

Most of us think we would do something highly benevolent. Possibly we would, but the chances are that we would undertake to do just about what other millionaires do—invest it or speculate with it—and probably lose it. Some men, if a million dollars were thrown into their laps, would run their legs off and worry themselves to death trying to make another million. Others wouldn't even get up from the domino table.

Just now, if this fifth-rate columnist had a million dollars he thinks he would spend a portion of it in compiling some sort of Texas Encyclopedia to be placed in all the school libraries and other public libraries in Texas.

Yes, we mean just that. There is so much information about Texas, past and present, that is going to waste that we wonder if any large per cent of it will ever be adequately compiled and preserved.

It is doubtless true that much of the important historical information that we have in mind was compiled and written by historical writers employed by the Government for the purpose, in the various counties of Texas, a few years ago. But what use is being made of it? What has become of it? Has it ever been correlated and classified so as to be made available to the people or usable by them?

So far as we know, it still remains a great mass of uncorrelated and unclassified facts and has not even been made available to the people of the respective counties or communities concerned.

Our idea is that a great encyclopedia of useful information could be gleaned from these great masses of facts and from other sources, the chaff being sifted out and the valuable grain gathered together, classified, and preserved in permanent form for the use of present and future generations.

We do not know how many workers it would take to do this nor how much money would be required, but we think it would be well worth the cost.

This information, covering every subject pertaining to the political, governmental, economic, industrial, social, civic, educational, and religious life of Texas, as well as the agricultural and mineral resources and development of the state—in fact everything pertaining to Texas—could and should be compiled and preserved in a great encyclopedia, copies of which should be placed in every school library and other public library in Texas.

And yet, so far as we know, in our ignorance, absolutely nothing is being done about it.

Just as a hint as to some of the things that should be thus preserved in usable form, we call attention to a few historical facts.

For instance, there have been scores of educational institutions in Texas that flourished in their day, did a marvelous work for the youth of Texas of the generation in which they functioned, and then one by one quietly passed out of the picture and sank into peaceful oblivion. These institutions played an important part in the educational, religious, social, civic and political life of Texas, giving to our state many of her leaders in every line of thought and activity, and yet the very names of some of these institutions have been forgotten. Most of the school children of today have never even heard of them. Few living men and women have heard or

know very much about them. Only a few of them are even mentioned in our histories. Should not the important part they played in the early life of this state be set forth and made known to us and to our children through all the generations?

Furthermore, there once were flourishing towns in Texas, important marts of trade or educational and religious centers, which have completely disappeared, and it is now difficult to identify their exact locations. The sites of others are marked only by scattered piles of brick or stone or by the debris of frame buildings that have rotted down.

Among these are Gulf ports that have been abandoned or destroyed by storm and never rebuilt; river ports that used to ship by steamboat to distant marts the products of the farms and plantations of the vicinity and to receive from steamboats great cargoes of the necessities of life for the people of the territory they served; thriving inland towns that were killed by the building of railroads near by, along which sprang up new towns. Many a promising little town in Texas died in the early days because it lost a fight for the county seat.

The story of these "ghost towns" would constitute many an interesting chapter in the history of Texas. Bound up in some of them are not only stories of great historic interest but tales that involve romance and tragedy, disappointed hopes and ambitions. How we wish we knew the full story of each! There are at least thirteen of these dead towns in a single county in south central Texas. Why did they perish and pass from the stage of action? Somebody could tell a thrilling story about them.

We have a number of these "ghost towns" in West Texas, some of them right here on the South Plains. Fortunately the histories of most of them have been better preserved and are better known. But a chapter about them would be an enchanting one. Or, adequate brief stories about them in an encyclopedia would be interesting and enlightening. Shouldn't their

stories be permanently preserved?

Again, there were statesmen, jurists, educators, ministers of the gospel, stump speakers and pulpit orators, colonizers, soldiers, business men who laid the keel of this mighty ship of state which we call Texas. Those names are all but forgotten and whose achievements or exploits are little known to the people of this generation. Their names are not found recorded in the Books of Knowledge, the World Books, the Encyclopedias, or the historical works ordinarily found in our school libraries.

And yet many of them played a role as important in Texas history as that played by the well-known leaders in our national history.

Who wrote that great document, the Texas Declaration of Independence? How many of us remember? What do we know about the lives of the Presidents of the Republic of Texas, excepting Sam Houston himself? What men represented the state of Texas in the United States Senate in ante-bellum days? What men represented us in that body immediately following the Reconstruction era? What do we know about them? How many of us could tell you a thing about the early governors of Texas other than Houston and possibly one or two others? Or the men that figured in the Governmental,

judicial and political life of this state?

Great men they were, some of them, and yet we know little about them and can find little about them in our school libraries.

The stories of their lives would be an inspiration. Should they not be written, in brief form at least, and made available to our school children?

Great is Texas! But aside from a few outstanding men and a few outstanding events, we know little about her history and the life of the generations that have gone before us.

Somebody should write—not a book—but an Encyclopedia!

DRAW PEOPLE MAKE VISIT IN ARKANSAS

Mrs. Thomas J. Williams and daughter, Miss Pearl Edgin, returned recently from a trip to Ozark, Ark., and intervening points. The trip was made in company with another daughter and husband, Mr. and Mrs. T. D. Williams, who made a brief visit here before starting on the trip.

Mrs. Williams said that they drove the more than 600 miles to Ozark, Ark., in one day. Spending several days there Mrs. Williams saw friends and relatives that she had not seen since moving from there to Lynn County seventeen years ago; others

she had seen only once since leaving there.

Returning to Texas they visited one of her grand-daughters at Peniel. At Athens they were met by another daughter and husband, Mr. and Mrs. Norman Bowen of Odessa, formerly of Grassland. While Mr. and

Mrs. T. D. Williams returned to their home at Longview, Mrs. Williams and Pearl joined Mr. and Mrs. Bowen for a visit in Waco, from which place Mr. Bowen's mother accompanied them back to the Plains, the trip ending pleasantly on Sunday night after leaving here the previous Monday morning.

TEXAS

Why TAHOKA People ARE CHANGING to the modern GAS refrigerator!

Only Servel Electrolux freezes silently with NO MOVING PARTS

Women here and nearby, all over West Texas, who are buying their second refrigerator this year, are turning to the one automatic refrigerator with no moving parts in its freezing system—SERVEL ELECTROLUX! Nothing to wear, nothing to make a noise, now or years from now.

Says Mrs. D. S. KAUFMAN, Abilene, Texas: "After 12 years of daily use, our Servel Electrolux is just as economical, just as silent, and trouble-free, as when it was first installed in our home. A representative of the local Electrolux dealer called on us recently in an attempt to interest us in trading for a late model; but we declined because our old one is still giving us such excellent service."

Isn't that the kind of a refrigerator you want to buy? Come in and see how easy it is to own a new 1940 Servel Electrolux.

- NO MOVING PARTS TO WEAR in its freezing system
- PERMANENT SILENCE
- CONTINUED LOW OPERATING COST
- MORE YEARS OF CAREFREE SERVICE
- SAVINGS THAT PAY FOR IT

Dr. Chase Thompson has a new invention, he is telling around—that he intends to capitalize on in case we should ever get in war—it's a hole you can crawl into and pull in after you. We've already put in our order.

When the old settlers get together Monday, for their annual reunion, the first white child ever to live in Lynn county, and her mother, one of the first white women, will be among those present—We mean Mrs. Hall Robinson and Mrs. Jack Alley. When she reached school age, Mrs. Robinson attended school in Lubbock, staying in the home of Dr. M. C. Overton.

A great many of the oldtimers have passed on to a more peaceful world since the last meeting, and many of Tahoka's old landmarks have been sacrificed to progress. Among these were the mulberry and the first county jail, a log structure, both of which stood behind the old Security State Bank building. They were removed so that the building could be enlarged for the county agricultural force. The old water tank that stood just in front of Edwards Blacksmith shop is gone, and the home of Mrs. Pearl Brown was torn down and is being rebuilt into a newer, more modern home. And there are others we forget just now—but things will look strange to those who come from far and who haven't visited us lately... and we are sure there will be pangs of regret at the change, in the hearts of those who remember the good old days.

Our opinions... the town's jitteriest jitterbugs—W. H. Fulkerson and Myrna Dean Gaignat (are they good)... an example of real west Texas cordiality... Wynne Collier... Did you notice how few people remembered that Friday was Flag Day until reminded? With all the feeling concerning disrespect for the flag, that looked a little like we need to remind ourselves of some things... A recent article in Good Housekeeping endorsed roller skating as an excellent way to reduce and an aid to health.

GRASSLAND GIRLS SPONSOR
ICE CREAM SUPPER

The Grassland 4-H Club girls sponsored a cream supper Tuesday night, June 11, when the candidates came to speak.

The girls sold ice cream, cake, soda pop, and candy. There were some donations. A nice sum of money was received, which the girls will use in sending two delegates to A. & M. Short Course.

The Club girls wish to thank the candidates and the people of the community for their splendid cooperation.—Reporter.

Mr. and Mrs. E. R. Edwards left Tuesday for a two weeks vacation to be spent at Bartlett and other places with relatives and friends.

NOTICE TO THE PUBLIC...

We will appreciate those who have borrowed government chains bringing them back to the AAA office at once. We need them in order to start compliance work.

C. A. Lawrence

New Home News

Billy Hancock, son of Mr. and Mrs. L. N. Hancock of New Home, and a student of Texas Tech, has accepted a position with the Holland's Magazine Company in Dallas as one of their salesmen, for this summer. After training at the home office for two weeks he and five other young men, representing as many other Colleges, are on the job now selling magazines. They will tour North and East Texas, Arkansas, Kentucky, Tennessee, Georgia, the Carolinas, the Virginia's and Mississippi.

Word comes to us that Billy was High Point man in his division last week.

About forty guests called on Mr. and Mrs. J. H. Izard, who were recently married, for a "Housewarming". They were presented with a nice table lamp, and several other gifts. Refreshments of punch and cookies were served.

Rev. Lynn Leihon preached at the Baptist church Sunday in the absence of the pastor, Rev. E. J. Cobb.

Friends of J. H. Smith will be glad to know that he is improving in a hospital in Dallas where he has gone for an operation.

RUTH CLASS VISITS
LUBBOCK PARK

The Ruth class of the First Baptist Church enjoyed an all-day picnic last Tuesday at the McKenzie park in Lubbock. After the picnic lunch was spread, some went swimming, with others roamed the park.

The visitors were: Betty Lou Ivy, Mrs. Tom Reid, Mrs. Frank Akin, Mrs. Jim Burleson, Mildred Cooper, Julia Snowden, Marvina Sikes, Kathleen King, Wanda Dyer, Pauline Owens, Jennie Reba Nevill, Betty Lou Frazier, Ida Botkin, Gena Lee Henderson, Merle Akin, Marjorie Lawrence, Joyce Russell and their teacher, Mrs. D. V. Smith.

J. S. Weatherford who attended the Rodeo at Lamesa Wednesday reports a great crowd and a fine day. Several other Lynn County people attended whose names we did not get.

Mrs. Odell Jones of Tahoka visited here last Friday.

FOR SALE

Notice is hereby given that on June 29, 1940, I will sell to the highest bidder for cash, upon sealed bids delivered to me and opened on that day, in the office of Jim Dye, Justice of the Peace, one lot situated at the southeast corner of the public square and the frame and sheet-iron building situated thereon, heretofore used as a blacksmith shop and for other purposes. See J. M. Johnson. 45-2tc.

Jesse Gurley of the local post office, with his wife and two sons went to Canyon Sunday and also visited at Muleshoe and Levelland before returning here Tuesday night. There was supposed to be some fishing mixed in with the visiting but you can ask Jesse about that.

COLORED BAPTISTS

Rev. O. D. Hollins and other workers of the Pleasant Grove Baptist Church are working and looking forward to a great day in their church next Sunday. Especially do they expect to have a good program in the afternoon when the men of the church will put on a program.

At three o'clock John Williams will have charge of the program which will consist of a welcome by Riley Scales of Tahoka, and response by Eugene Brock of Lamesa, songs by the men's chorus, men's quartet of Tahoka and perhaps some visiting quartets. "Men's Place in the Church" will be the theme for discussion.

Rev. Hollins and his congregation erected a new church building last year and paid for it as it stands. Now they plan to sell the building.

"Build-Up" Relief
Explained to Women

A simple method has saved many women a lot of suffering! It is based on the fact that headaches, nervousness, cramp-like pain are often symptoms of functional dysmenorrhea due to malnutrition.

Help for this condition so often follows the use of CARDUI, because it usually increases the appetite and the flow of gastric juice; thus aids digestion and helps build physical resistance. Usual result is less periodic distress.

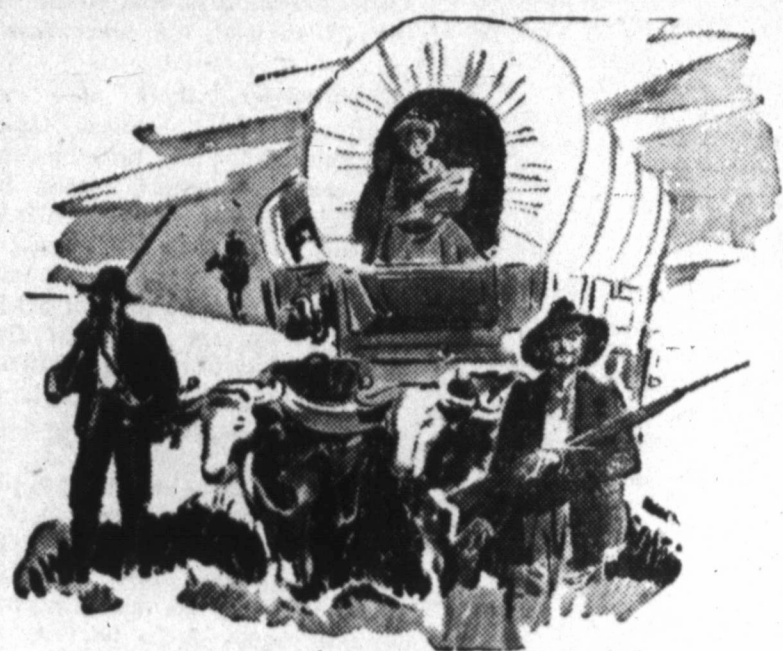

Many who take CARDUI a few days before and during "the time" have found this helps ease periodic discomfort. Women have used CARDUI for more than 50 years!

paint it and otherwise put the finishing touches on it. To that end the men of the Church are planning to give \$2.00 each and the women \$1.00 each he says.

The men of the church are extending an invitation to all their white friends to attend this service Sunday afternoon at three.

The News learns that the local colored people did not hold a "June-teenth" celebration here this year but that some attended a celebration in Seagraves.

Elder Drennon's Notes

I see Editor Hill is agreeing with Brother O'Daniel in last week's paper. A man can hardly be right and not agree with him. Some say O'Daniel is not smart enough to be governor. It seems to me it took a pretty smart man to beat the political ring like he did last election, and will again unless I miss my guess. His paper seems to have a fine growth in subscriptions. I think every knock by professional politicians he gets will be a boost.

There was one thing in the O'Daniel News last week I did not endorse (take note, Editor Hill), that was advertising Brownsville with almost nude girls. You can hardly open any paper of late without being greeted by a girl almost nude. It seems that many concerns think that girls' legs is the only way to attract attention. It has been overdone, I think. I am ashamed of the O'Daniel News and will have to write Brother O'Daniel about it.

I want to heartily endorse the free public library at Tahoka. It is a fine thing. Let's look around the place and find some books we are not using and give them to this worthy cause. I think I can furnish a few.

It seems that Col. Lindbergh's speech did not meet with the approval of many people. Some think he does not know what he is talking about, which reminds me that many people do not understand what they are talking about, especially on religion and the Bible. Because one is an authority on one subject is no sign he is on another. Mr. Henry Ford understands the building of automobiles, but when he speaks on religion and the Bible I think he is a way off.

I will begin a meeting at Eunice, New Mexico, next Sunday night to continue ten days. I have held meetings at Jal, Hobbs and Monument, all in the oil fields, and have found some of the most devout Christians there of any place I have ever labored.

Yours for more preachers who love souls more than dollars and church members who love the church more than lodges.—R. P. Drennon.

FRANK GANNETT SUGGESTS OUR SURPLUS FOR REFUGEES

There is much to be commended in the speech made by Frank Gannett, the Rochester publisher, at Rutland, Vermont, June 7, advocating the disposition of surplus American farm products for the benefit of war refugees of Europe.

Mr. Gannett urged the enlargement of American aid to include foodstuffs necessary to save millions of European refugees and avert what might become one of the greatest famines in history.

"He proposes that Congress appropriate up to \$500,000,000 to purchase American surplus agricultural products if France, England or any other designated country purchases the same amount of foodstuffs in the United States in the regular course of business. These foodstuffs would be donated to the unfortunate victims of the European war.

"This is a practical and humanitarian plan and is worthy of careful consideration not only by the farm groups of the United States, but by Congress as well. Congress should thoroughly explore the possibilities of this proposal and if found feasible should act upon it before adjournment."

David L. Watson, publisher of the Seminole Daily Producer, which began publication about four weeks ago, was a caller at the News office Monday. The paper is published five days each week. Mr. Watson has great faith in the future of the oil field near Seminole. He says it has developed into a really great field.

Wake Lazy Insides All-Vegetable Way

Thousands turn to this way to get relief when they're lazy intestinally and it has them headachy, bilious, irritable, listless. A quarter to a half-teaspoonful of spicy, aromatic, all-vegetable BLACK-DRAUGHT on your tongue tonight, a drink of water, and there you are! Thus, it usually allows time for a night's rest; acts gently, thoroughly next morning, so relieving constipation's headaches, biliousness, bad breath.

BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative," which helps impart tone to lazy bowel muscles. The millions of packages used prove its merit. Economical, too: 25 to 40 doses, 25c.

MISS JESSIE FENTON WEDS

Mr. and Mrs. R. W. Fenton Sr. returned Monday from Vernon, where they attended the wedding of their grand-daughter, Miss Jessie Fenton, which occurred on June 15. The groom is Philip Bane, who is employed by a bridge-building concern, and the couple are at home in Memphis, Tennessee.

Miss Jessie is the daughter of Howard Fenton and resided in the home of her grand-parents here for ten years. She is well known to many people here, especially her school-mates, who wish her every happiness that life can bring.

Miss Nancy Jenkins, superintendent of the Georgia Baptist Hospital in Atlanta, Georgia, left here for Arizona Monday morning, after a six weeks visit here with her sister, Mrs. Jack Corley. She expects to spend some time in Arizona for her health.

Mrs. Freddie Watson of Houston and Mrs. Lounette Wallace and son Gene Lee, also of Houston, visited Mr. and Mrs. G. A. Edwards and Mr. and Mrs. Lloyd Edwards here a few days ago. Lloydine Edwards accompanied them back to Houston, where she will visit her aunt and uncle two weeks.

Mr. and Mrs. Tom Mott of Amarillo, former residents of Tahoka, are the parents of an eight-pound boy, bearing the name of Robert Thomas, born on June 5. Mrs. Mott was formerly Miss Pauline McCord.

LAWRENCE ANNOUNCES REPORTERS AND CHAINMEN SCHOOL

A school will be held at the county AAA office beginning Monday morning, June 24, at 8 o'clock for the purpose of selecting reporters and chainmen to check the farms of Lynn county for 1940 compliance. This school will probably last for three days and every person who expects to apply for one of these jobs must attend this school in order to be eligible for employment.

Mr. and Mrs. Verner Smith are having an addition built to their home, 10 x 24 feet in size. It will consist of a kitchen and an extension of a bedroom, increasing the length of their residence ten feet back.

Deficiencies In U. S. Education Shown By Lack Of Skilled Workmen

The war is showing up a vast weakness in the American education system.

For several years now—ever since the "youth problem" became crucial—educators have been talking about the failure of schools to fit pupils for "life," meaning specifically, employment.

Now the full impact of that maladjustment is upon us. The Allies would buy more airplanes if the factories could promise to deliver them within the next year. The airplane companies could make planes faster if they could only get the engines. The engine companies could speed up if they had the pattern-makers, die-makers and other expert mechanical workers.

But few persons in the United States have wanted to be pattern-makers. Not enough money in it, they said. People who studied mechanical subjects were looked down on. The high schools were full of youngsters majoring in history or mathematics who hoped to become lawyers or journalists and finally ended up tending gas-line filling stations. Youngsters scoffed at advertisements picturing men burning the midnight oil in order to become

a skilled draftsman or tool-maker.

Must Toss With Hards

So today the Nation, faced with a great emergency, must mark time until it awakes from its academic apathy and learns once more to honestly toil with its hands.—Clipped.

Texas consumed 1,340,893,000 (billion) gallons of gasoline in 1939.

Texas refineries produced 185,616,000 barrels of gasoline last year.

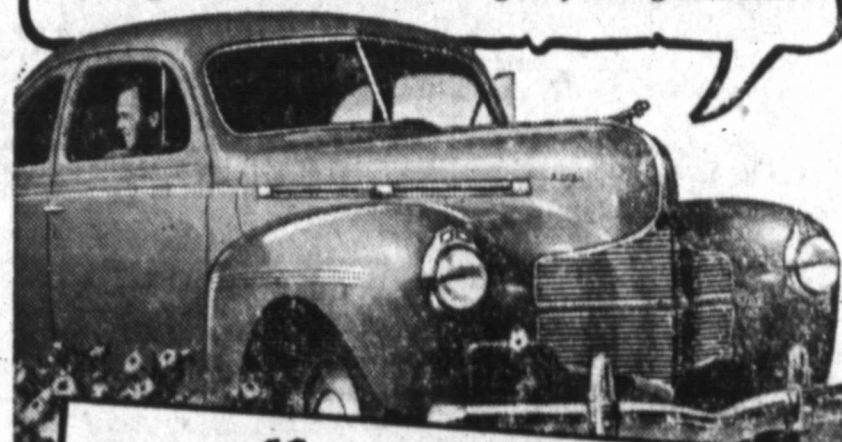

CARD OF THANKS

I wish to extend my hearty thanks and appreciation for the acts of kindness and bouquets of flowers received from kind friends and neighbors; also to Dr. Sinclair and Mrs. Dye for their faithful service during my recent illness. May God's richest blessing rest upon each and every one.—Mrs. W. E. Sikes.

Sponges, believe it or not, are classed as animals.

ings", directed by Truett Smith, chairman of the program committee.

At noon, Claude Wells and assistants will serve 150 barbecued chickens, 500 pound barbecued beef, and "all the trimmings". Each family is asked to bring a cake or a pie or two.

The afternoon program, open to the public, will be staged on a platform in the shady park. Moyer's String Band will furnish the music. Square dances by the younger generation will be directed by Jim Weatherford. A negro quartet will also sing several numbers, and there will be an address by some prominent speaker.

Spellers will compete in a "bee" at the Legion Hall at 8 p. m., the old Blue Back Speller being used. Following this, Mr. Donaldson says, a dance is being sponsored in the hall by the association for old timers and their families.

A concessionaire has been granted permission to erect a merry-go-round and another ride for the day, it is said.

Other officers of the organization are: W. H. May, vice president; Truett Smith, secretary-treasurer.

MRS. CLAUDE DONALDSON RETURNS HOME

Claude Donaldson went down to Denton Saturday for Mrs. Donaldson and the children, bringing them home Sunday.

Mrs. Donaldson underwent a serious operation in a hospital there a few weeks ago and it is said that it will be necessary for her to remain in bed about two weeks yet.

Her little daughter Jane, who had the measles while her mother was in the hospital, has recovered and is doing fine now.

Chevrolet Builds Its 900,000th 1940 Car

Here is the 900,000th car of Chevrolet's 1940 model production, as it left the assembly line at Flint, Mich., June 12, less than one month after No. 800,000 was completed. Beside the car are M. E. Coyle, general manager of the Chevrolet Motor Division (left), C. E. Wetherald, general manufacturing manager (right), and Arnold Lenz, assistant manufacturing manager, who were present in the plant when the car was produced.

"Chevrolet has built 300,000 cars in less than three months," Mr. Coyle pointed out. "The 600,000th of these models was built on March 21, the 700,000th on April 16, the 800,000th on May 13, and the 900,000th on June 12. This production rate closely parallels the consistently heavy sales volume since the introduction of the 1940 models last October, sales during March, April and May alone totalling 307,345."

CANADIAN TO STAGE ANVIL PARK RODEO

The News is receiving so many Rodeo announcements these days that we can hardly keep track of them.

One of the latest is the eighteenth annual Anvil Park Rodeo to be staged at Canadian on July 3-4. That's a long way off but the management declares that they are going to have the "orniest animals available" and plenty of thrills.

You are invited.

Estimates on 1941 Payments To Farmers

An estimated \$1,179,119.00 will be offered to Lynn county farmers and ranchmen by AAA in 1940 for compliance with the program and for putting into effect soil-building and range-building practices.

Only full cooperation with the AAA will result in the payments reaching this figure, since the amount is estimated on the basis of all farmers and ranchmen in the county earning all payments available, including maximum soil-building and range-building allowances. C. A. Lawrence, secretary of the county Agricultural Conservation Association, explained.

The secretary listed the amounts available as follows:

Cotton parity payments, computed at the rate of 1.55 cents per pound of cotton average yield, \$493,254.00.

Agricultural conservation payments for cotton, at the rate of 1.6 cents per pound, \$509,165.00.

Wheat parity payments, at the rate of 10 cents a bushel, \$1,457.00.

Agricultural conservation payments on wheat, at the rate of 9 cents a bushel, \$1,300.00.

Peanut payments, at the rate of 12 1-2 cents per 100 pounds, \$84.00.

General crop payments, at the rate of 75 cents an acre, \$99,788.00.

Maximum soil-building allowance, \$68,724.00.

Maximum range-improvement allowance, \$5,350.00.

In addition, the county secretary pointed out, a certain amount is available for increase in small payments. Under the Agricultural Adjustment Act of 1938, if the total payments to a farm are less than \$200, the amount is increased according to rates set in a graduated scale.

In general, Lawrence explained, provisions. The regulations set out provisions for earning payments are the same as in 1939, but minor changes have been made in some that a producer, to be eligible for payment, must plant within the total of the acreage allotments of cotton, wheat and peanuts established for the farm and must not offset performance on the farm by overplanting these commodities on other farms in which he is interested.

Payments from money set up as maximum range-improvement or soil-building allowances are made only to those farmers earning payments by doing approved conservation work, the county secretary continued. In addition to the maximum soil-building allowance for each farm, the program this year includes a provision that each farm can earn up to \$30, at the rate of \$7.50 per acre, by planting forest trees.

Mrs. Lillie Belle Walters left Monday for a visit with friends in Houston, Galveston, and Del Rio. She expected to be gone about ten days.

Mrs. Tunnell Goes To A. & M. Meeting

Mrs. Lenore M. Tunnell, county superintendent, will attend the annual County School Superintendents' Conference at Texas A. & M. College Monday through Thursday of next week. She also will attend to school business with the State Department in Austin, and visit in San Antonio. Her daughters, visiting there, will return home with her.

CHURCH SERVICES AT CENTRAL

Mrs. E. A. Thomas of Grassland has asked us to announce that Rev. W. P. Brian, pastor of the Baptist Church at Redwine will hold services at Central Baptist Church next Sunday morning at eleven o'clock. This church has been without a pastor since the resignation of Rev. Elmer Holt several weeks ago, but it is hoped that many will attend the services Sunday morning.

Red Cross Dance Financial Success

Proceeds from the Business and Professional Women's Club dance at Sa's Skating Rink Monday night were \$227.91. The total was turned over to the American Red Cross for European War Relief, who paid for the music and Hall leaving a net of \$167.41. A large crowd attended the dance, and many who did not attend bought tickets.

Mr. Sales, owner of the rink, contributed half of the rent price to the cause, and C. A. Rogers Orchestra of Lubbock, who furnished the music, also contributed a part of their fee.

Mrs. A. P. Strasner and two sons, Doyle and Allen, of Bakersfield, California, will leave for their home next Monday after a month's visit here with Mrs. Strasner's mother, Mrs. W. E. Sikes.
